They were asked to report to United States Army signal officers around the American zone in connection with army plans to set up an emergency communications system.

The action followed closely upon an army appeal to all reserve officers in civilian jobs in Germany to register.

The Army plans to establish an extensive network of radio stations at all major military posts throughout the zone, primarily for intrapost communication.

Three Purposes

They may be used for at least three purposes, officers predicted:

1. As a stopgap method of communication for the United States Army with Berlin. It might be used along with radio-teletypes should the Russians choose to cut the lines now linking army headquarters and Gen. Lucius D. Clay's outpost in the former Reich capital.

2. As an emergency and supplemental communication system for the United States Army throughout the area in the event of any possible hostilities.

3. As an emergency system in the event of sabotage or accidental destruction of American zone telephone lines in any area needing aid.

Former Czech Official Flees To Reich

Hof, Germany, Aug. 13 (AP)—Prof. Vladislav Brdlik, former Czechoslovak Minister of Agriculture, has joined the ranks of fugitives from his Communist-dominated country.

Brdlik arrived Tuesday with his wife at the Moschendorf refugee camp here, in the United States occupation zone of Germany. He said he was aided by "certain groups" in Czechoslovakia.

Brdlik, 69, a member of the now defunct Agrarian party, said he escape despite the fact he has children at home. He said he decided to leave "because I feel I am still able to help my friends outside Czechoslovakia and I could not refuse when they called me."

Brdlik made his way into Bavaria from the Czech border town of Asch, he said. Just a week ago, Dr. Peter Zenkl, former Czechoslovak Deputy Prime Minister, fled into the American zone of Germany.

The former Agriculture Minister said he intends to go to Frankfurt, but would not discuss his plans beyond that.

Greeks Closing Last Rebel (N) Supply Route To Albania

J. O'QUINN

Athens, Aug. 13 (AP)—Greek army troops today began closing the Communist guerrillas' last major supply route through the Grammos Mountains to Albania, a general staff spokesman said.

Columns driving west from Alevitsa gained positions within two and a half miles—easy artillery range—of the main highway through Sliminitsa. The informant said a secondary road already has been cut by Greek units which took the village of Yannohori.

The highway fighting occurred at the northeastern end of the guerrillas' shrinking semi-circular front. The Government announced that Greek troops in that area are being shelled by guns inside Albania. According to the general staff spokesman, Greek soldiers have heard orders to fire being given in the Albania language.

Counterattack Beaten Off

A communiqué said the army lost 16 killed and 104 wounded in the last two days in the northeastern sector. Rebel losses were given as 86 killed and 64 captured.

Along the southwestern portion the Army captured the heights of Soukoulazari and Megali Rahi and beat off guerrilla counterattacks on Mount Prophet Elias.

Newspapers in Athens reported that guerrilla units have been seen retreating into Albania despite a resolution by the United Nations Special Committee on the Balkans calling on Albania, Bulgaria and Yugoslavia to intern the rebels.

Sabotage Campaign

In an apparent effort to relieve pressure on their forces in the Grammos Mountains the guerrillas launched a campaign of sabotage and violence in various parts of Greece.

Strong rebel units in the Peoponnesus attacked Greek troops on Mount Taygetos. The communiqué said heavy fighting was in progress in that area west of Sparta. The army was reported to have captured large quantities of munitions.

The guerrilla radio claimed tonight that rebel forces had shot down a Greek plane. The broadcast, heard in London, said 516 Greek soldiers were killed and wounded in fighting yesterday in the Gammos Mountains area.

Rebels Firing From Albania, Greeks Say (D)

Athens Aug. 13 (AP)—The Government announced today that Greek troops on the northeastern Grammos front are being shelled from inside Albania.

Greek troops have clearly heard orders to fire being given in the Albanian language, a general staff spokesman said.

Newspapers here reported that guerrilla columns have been seen retreating into Albania despite a resolution by the United Nations Special Committee on the Balkans calling for their internment by Albania, Bulgaria and Yugoslavia.

New Supply Road

The Greek army narrowed its ring around the Grammos front. Columns driving westward from Alevitsa reached within two and a half miles of the guerrillas' last major supply road into Albania. A spokesman said the road is now being closed.

The guerrillas are apparently trying to draw some of the pressure from their beleaguered troops in the Grammos mountains with sabotage and violence elsewhere in Greece.

Strong guerrilla bands attacked Government troops west of Sparta. A communique said a stiff battle is in progress. In eastern and central Macedonia saboteurs blew up a road bridge and derailed a train.

Report Capture Of Road

A Greek staff spokesman said the army, moving west from Alevitsa, captured Yannohori and one road leading into Albania. He said government troops also moved farther west toward Monopilon, 4 miles northwest of Alevitsa.

These advances, the spokesman said, further closed the semi-circle around the Grammos area.

South of Nestorion, he added, the Greek Army moved into position to strike the main Grammos mountain ridges—Kaifa, Arena and Bouhetsi. On Mount Prophet Elias, in the western sector, guerrillas counterattacks were beaten off and farther west on the slopes of Orla the rebels were battling to hold the main road of their Grammos network.

The spokesman said guerrilla resistance in the southwestern sector was apparently aimed at protecting Stavros Height, the main rebel base in the Grammos range.

DANUBE ROLE LIMITED TO 7

Eastern Bloc Designates River As Regional Artery (N)

Belgrade, Yugoslavia, Aug. 13 (AP)—Eastern Europe's Communist bloc formally designated the Danube River today as a regional trade artery which the Western powers may use, but without a voice in the administration of its shipping.

The action came as the Danubian conference, slowly drafting a new river control convention to replace that of 1921, voted seven to three to limit membership on a governing commission to the Danube riparian states alone.

This—at least for the present—will mean seats only for Russia, the Ukraine, Czechoslovakia, Yugoslavia, Hungary, Romania and Bulgaria. The Big Three Western powers at the conference—the United States, Britain and France—opposed the exclusive regime.

Austrian Membership

By a similar lineup, the conference rejected American and French counterproposals. The United States plan would have set up a commission with immediate membership for Austria and the Western powers as well as the Danube states and with a seat ultimately for Germany.

The conference adopted Soviet-sponsored proposals to set up two special river administrations for construction of hydro-electric workers and regulation of navigation. One would cover the region between the Sulina Canal and Braila under Russian-Romanian supervision. The other would cover the iron gates section under Romanian-Yugoslav supervision.

Western Boycott

The setback on the membership issue dashed almost the last, lingering hopes of the Western powers for any compromise with the Communist countries on major differences over the Continent's chief waterway.

The best they have been able to obtain thus far from Andrei Y. Vishinsky, Soviet Deputy Foreign Minister, has been an assurance that Austria and Germany will be given representation once they have received peace treaties.

However, a rebellion appeared to be developing among the Western powers against the one-sided trend in conference decisions. It took the form of a boycott against participating in the voting even on some issues on which they had registered previously a definite stand.

International Court Appeal

On ten successive articles dealing with the new commission the United States formally announced it was abstaining from voting. France and Britain didn't even do that. They just didn't vote.

This silence may be designed as parliamentary strategy to help form the legal basis for ultimate rejection of the convention's terms and for an appeal later to the International Court at The Hague.

Danube-Control Plan Of Russ Wins Vote (D)

Belgrade, Yugoslavia, Aug. 13 (AP)—A Soviet plan to bar the Western powers from membership on the new Danube Control Commission was jammed through today by Eastern Europe's Communist bloc. The vote was 7 to 3.

As adopted, the article limits commission memberships to the Danubian states. This would mean Russia, Czechoslovakia, Hungary, Romania, Bulgaria and the Ukraine—all under Communist domination.

The Danubian conference also turned down, 7 to 3, an alternative American proposal which would have set up an eleven-member commission with seats for the three major Western powers and Austria as well as the Danubian states.

Role For Germany

Under the American plan, Germany would also have been admitted when it received a peace treaty.

The United States delegation offered yesterday to trade away America's claim to a seat on the commission in return for full and equal representation for Austria and Germany.

A similar French amendment was also rejected, seven to three. Sir Charles Peake, British Ambassador, withdrew another proposal along the same lines.

The action demonstrated anew the complete unity of the Communist bloc on the question of retaining jurisdiction over central Europe's 1,800-mile waterway.

Only One Concession

Soviet Deputy Foreign Minister Andrei Y. Vishinsky had made but one concession in the controversy with the Western powers on this issue. He said in a speech last night that Germany and Austria will eventually receive seats on the commission, but only after they have received peace treaties.

Yugoslav Foreign Minister Stanoje Simic gave a reception last night for all the Big Four delegates.

Anna Pauker, Romanian Foreign Minister, who headed her country's delegation to the conference, returned suddenly to Bucharest by plane last night. No reason was given for her departure.

Pattern In Voting

The conference adopted a series of Russian articles setting up machinery under which the Danube Commission will function.

The voting followed a unified pattern. The Communist bloc cast its seven votes in favor of the Russian proposals. The United States formally abstained from voting. Britain and France did not act on the proposals at all, deciding against even registering formal abstention.

The pattern produced speculation that the Western powers are laying a foundation for ultimate rejection of the convention as a whole.

Tito Reaffirms Russian Ties, Hits Critics

London, Aug. 13 (AP)—Premier Marshal Tito has reaffirmed the solidarity of Yugoslavia with Russia and Eastern Europe's Communist bloc, the official Yugoslav News Agency reported today.

At the same time, in a speech made Tuesday before a Communist party meeting in Belgrade, he accused his critics in the Cominform—the Russian-led Communist International Information Bureau—of slandering him, the agency said.

The speech was believed to have been the first public comment by Tito on the Cominform's recent denunciation of him and his chief lieutenants. The Cominform said they were not hewing to the party line and were unfriendly to Russia.

"Not Building Socialism Along"

Tanjug, the official Yugoslav News Agency, quoted Tito as saying:

"It would be wrong to think we ever reckoned on going into socialism alone, that the Soviet Union or the countries of the peoples democracies were no concern of ours, that we want to proceed isolated and that we are endeavoring to proceed isolated.

"We never thought of building socialism alone. I think our country made a sufficient contribution in this great past struggle to prove sufficiently its solidarity with them in the most difficult days both of the Soviet Union and the enslaved peoples.

"Co-Operation At Stake"

"We never could have presumed that today they would be placing at stake that co-operation with us, we never even thought of it."

Affirming his devotion to Marx, Engels and Stalin and accusing his critics of slandering him, Tito said:

"There is considerable difficulty today but we will—thanks to the unity of the party, thanks to the unity of the people of our country—overcome these difficulties and prove we have been unjustly charged.

"Not A Case Of Leaders"

"This is not a case of this or that leader, this is a question of socialism in our country, this is a case that we should prove to the whole world that the interests of our Socialist country are not narrow and nationalistic as we have been reproached but that they are part of the interests of the workers of the whole world."

Earlier, it was learned in Belgrade that a special pamphlet containing the exchange of letters between Tito's Communist party and the Bolshevik party of Russia has been issued. Communist party members have promised to make it public, but not just now.

"Army To Protect Freedom"

Belgrade, Yugoslavia, Aug. 13 (AP)—The newspaper *Politika* published today a speech of Premier Marshal Tito in which he said "our army will always be in a position to protect our country from the snatching away of its freedom and independence."

"The army must always be ready," he told Communists of the 1st Proletariat Division in the address last Tuesday. "If we are always prepared, no opponent will so easily decide to attack us."

His use of the word opponent, instead of the usual term "enemy," was considered significant.

[Tito has been denounced by the Russian-dominated Cominform on charges of pursuing a hateful policy toward Russia and departing from the party line.]

COMINFORM SAYS YUGOS OVEREMPHASIZE TITO

BUCHAREST, Romania, Aug. 13—(AP) The Cominform Bulletin which appeared here today charged that in Yugoslavia, Premier Marshal Tito's name is being publicized the same way as Hitler's was in Germany.

The new issue of the bulletin added that indignation at this is widespread among veteran Yugoslav Communist party members. It said sooner or later these members will replace the Tito leadership of the Yugoslav party and thus save the party and the Yugoslav Republic from degeneration and from bondage to the imperialists.

It added that it had a report from London that the Yugoslav party's central committee had circulated anti-Soviet and anti-Marxist literature.

The bulletin said these facts are further confirmation of the dishonest methods used by the central committee of the Yugoslav Communist party in its undermining of the activities of the United Communist front.

The Cominform bulletin, previously published in Belgrade, has been appearing in Bucharest since the Cominform issued its criticism of Tito and his Communist leadership.

Cardinal Still Awaits Extension Of Passport

Budapest, Hungary, Aug. 13 (AP). The Catholic press agency Magyar Kuruer said today that Josef Cardinal Mindszenty's passport has not been extended, although a request was made a month ago.

The cardinal wished to take part in the ceremonies of the seven hundredth anniversary of the Basilica at Cologne, Germany.

Jews, Arabs Renew Battle

Jerusalem, Aug. 13 (AP)—Jews and Arabs battled in Jerusalem today—the day Count Folke Bernadotte had set for a cease fire which he had hoped would bring peace to the holy city.

[Bernadotte, the United Nations mediator, said in Rome the Jews had rejected his latest attempts for ending warfare in Jerusalem. "They are taking an enormous responsibility," he declared. He had asked for a cease-fire effective after 6 A.M. . . . today. The Arabs agreed.

[A spokesman for the trans-Jordan Arab Legion in Amman said Legion troops were under heavy Jewish fire for three hours when the Jews attacked last night.]

25-Pound Shells Fired

Israeli army sources said one Jew was killed and several wounded in fighting early today. The Legion troops fired six and 25 pound-shells in a vain attempt to penetrate Jewish positions, these sources said.

The action was directed at Jewish positions on Mount Zion outside the Old City wall and in Deir Abu Tor south of Jerusalem.

Other Arab attacks occurred at the Jewish-held area of the New Gate outside the northwestern edge of the Old City. Fighting has persisted in Jerusalem despite the United Nations truce on Palestine.

Legion Blamed In Blast

Tel Aviv, Palestine, Aug. 13 (AP). A United Nations report said today three saboteurs transported by Arab Legion drivers in Legion trucks blew up the Latrun pumping station.

The report, which has been submitted to the United Nations Security Council, said three diesel engines were blasted.

Yesterday's blast wrecked immediate hopes of the United Nations to deliver water to Jerusalem over the pipeline from the coast. It angered the Israeli Government, which said the blast constituted a grave breach of the United Nations truce.

U.N. Food Convoy Arrives

While water from outside sources was denied Jerusalem, the first food convoy under United Nations supervision reached the holy city today from Tel Aviv over the regular highway via Latrun.

Previous attempts to put through convoys had failed because of Arab Legion interference.

George Barnes, United Nations official in Haifa, said 156 complaints of Palestine-wide truce violations have been brought to the United Nations since the second truce began three weeks ago.

The Arabs reported 85 violations, the Jews 59, the United Nations truce observers eleven and the French monastery in Latrun one.

Accuse Arabs of Attack.

Jerusalem, Aug. 13 (A. P.).—An Israeli army source said today that Arab Legion troops fired six-pounder and twenty-five-pounder shells last night while trying to penetrate Israeli territory in Jerusalem.

[A Legion spokesman at Amman, Trans-Jordan, said U. N. observers with the Arabs were under heavy Israeli fire for three hours when the Israeli attacked Legion positions on Mount Zion. He said the Israelis were seen carrying the weapons before dark and began their assault at 10 P. M. Three Arabs were wounded.]

The Israeli source said the attacks were repulsed. One Israeli was reported killed and two wounded seriously.

ISRAELIS WON'T QUIT FIRING

Cable Bernadotte His Order Has Been Rejected.

E. CURTIS

Rome, Aug. 13 (A. P.).—Count Folke Bernadotte said today the Israelis have turned down his latest try to bring peace to Jerusalem. "They are taking an enormous responsibility," he commented.

The United Nations Palestine mediator had asked Arabs and Israelis in Jerusalem not to return any fire directed at them. He received a cable from the Israelis rejecting the order a short time before he left Rome for Red Cross conferences in Geneva and Stockholm. The Arabs had agreed to the request.

Bernadotte said he had instructed his Rhodes headquarters to send more military observers to Jerusalem, where a staff of fifty already is on duty. He expressed hope the Arabs would abide by their agreement not to return fire.

The Count had hoped the new order would bring peace to the shell-ridden Holy City. Sniping has been heavy ever since the truce began.

The cease fire was the first step in Bernadotte's latest attempt to bring about the demilitarization of Jerusalem. He said last night he thought Arab irregulars were to blame for yesterday's Latrun pumping station blast.

The act, which has held up Jerusalem's water supply, enraged the Israelis and further endangered the Holy Land's shaky peace.

Deplores Lack of Guards.

"I am very disappointed with this destruction," Bernadotte said. "I repeat once more that if I had received United Nations guards, I only asked for forty, who would have guarded the place day and night, this would not have happened."

In Tel Aviv, the Israeli Government declared the act constituted a glaring breach of the United Nations truce, "fraught with the gravest consequences."

Water Delivery Prevented

The Latrun blast wrecked United Nations plans for delivering water to Jerusalem today. The station was one of a series of booster points to lift water through from the coast to the Holy City.

The station had been held by the Arabs, but was placed in a "no-man's land" Wednesday by agreement between the Arab Legion and the United Nations. Control was taken over by United Nation personnel and the Arabs had withdrawn about 1,000 yards away.

A United Nations spokesman at Haifa said the blast had been reported to the Security Council at Lake Success as a truce violation by the Arabs. He said the Arab Legion was in control of the Latrun area and must be held responsible. He added, however, that a truckload of Arab "irregulars" had been seen near the station an hour before the blast.

Israel Cabinet Appears Headed Toward Crisis

Tel Aviv, Palestine, Aug. 13 (AP). Israel's provisional government appears today to be headed toward its first Cabinet crisis.

The issue, beneath the domestic split which appears on the surface, boils down to whether the world's newest republic leans toward Russia or the United States.

Premier David Ben-Gurion insists that Palmach, commando force of the Israeli army, be dissolved as a separate military organization with its own headquarters. Ben-Gurion's political party is the Mapai, the General Labor party which corresponds somewhat to the British Labor party in complexion.

Minority Coalition

Opposing Ben-Gurion on the Palmach issue is the Mapaam, the extreme left wing Fusion party, to which most Palmach members belong. Mapaam is a coalition of minorities, including the Hashomir Hatzair (Young Guardians) and leftist splinter groups. The Hatzair party founded and is supporting some two dozen communal settlements where about 5,000 Jews practice communistic endeavor.

The rift already has resulted in a walkout of the assistant defense minister, Israel Galilee.

Ben-Gurion insists upon Palmach's dissolution, Government sources say, because he will not accept the idea of a political party having an armed force.

Election-Year "Propaganda"

Cairo, Aug. 13 (AP)—The Cairo newspaper *Al Ahram* quoted Secretary-General Abdel Rahman Azzam Pasha of the Arab League today as saying Arabs should be prepared to hear "more Zionist propaganda," because it is election year in the United States.

Al Ahram said Azzam Pasha was questioned about a report that the United States is preparing to grant a loan to Israel and replied:

"This has not been confirmed yet. American support to Zionism is well known and it has been intensified now that the presidential election campaign has started."

BRITISH REPORT JEWS' EXIT

Say Group Brought to Hamburg Last Year Has Disappeared

BERLIN, Aug. 13 (AP)—A British announcement tonight said that the Jews brought back to Hamburg last year after a dramatic bid to reach Palestine, had vanished from their camp for "an unknown destination."

The Jews were in a camp near Oldenburg.

The British communiqué said "it has been known for some time" that the Jews were gradually leaving the camp, and added:

"It is now revealed that on the night of Aug. 10 a large movement out of the camp took place and the remaining Jews have vanished. It is not known by what means either this final disappearance or any of the other moves took place. They all occurred at night."

The announcement added that the Jews "have always been very difficult to administer as they have always refused either to register or to disclose their names."

Named Governor of Madras

NEW DELHI, Aug. 13 (AP).—The Indian government tonight appointed the Maharaja of Bhavnagar, thirty-six, as Governor of Madras. He succeeds Lieutenant General Sir Archibald Nye, who becomes United Kingdom High Commissioner at New Delhi next month.

Russia Places Credits, Rubber Put On Ships

Singapore, Aug. 13 (AP)—Loading of rubber on Soviet ships resumed today after London cabled that Russia has placed credits to cover August shipments.

Singapore and Penang rubber dealers had suspended loading of Russian raw rubber contracts amounting to 16,000 tons with a value of about $6,000,000.

The decision was made when the Moscow Narondy Bank in London failed to put up credits for the August shipments.

BURMA FOILS COUP BID AND ROUTS MUTINEERS

RANGOON, Burma, Aug. 13 (AP)—Loyal Government forces have routed mutinous troops of the Burma Rifles who attempted to advance on Rangoon from Prome, 160 miles to the north, and seize power, a Government statement announced today.

The battalion left Prome on Tuesday in twenty-six trucks. En route it ran into an ambush of loyal Government troops who were supported by aircraft, the statement said. Planes machine-gunned the trucks, causing heavy casualties and the mutineers retreated toward Prome.

Another group of 350 Burmese soldiers, including some members of the Burma Rifles and men of a general transport company, fled from their station at Mingaladon on Tuesday, carrying arms and ammunition. Mingaladon is about eleven miles north of Rangoon. Three of the thirty-two trucks the men took were recaptured at Pegu, fifty miles north of here, and the fifteen men in them surrendered, the Government statement added.

Chinese Red Forces Escaping From Trap

Peiping, Aug. 13 (AP)—Two columns of Communist troops are slipping out of a Government trap in eastern Hopei province, pro-Government reports indicated today.

The dispatches said Red troops numbering perhaps 30,000 crossed the Great Wall into Jehol province and Manchuria.

The trap was supposed to have been set by Gen. Fu Tso-yi, commanding Government troops in North China. The Red troops were described as under the command of Gen. Lin Piao, Communist chief in Manchuria.

There were no reports of serious fighting in eastern Hopei.

The Reds are preparing for a winter drive, dispatches from Manchuria said, but National troops were described as in a good position to withstand it.

MacArthur, Wife To See Korean Inauguration

Tokyo, Aug. 13 (AP)—For the second time since the occupation began, General MacArthur will leave Japan to witness the inauguration of a new republic in the Orient.

MacArthur today notified President Syngman Rhee, of Korea, he and Mrs. MacArthur would "be delighted" to attend the inauguration of the Government of the new Korean repubic in Seoul Sunday.

"It will be a signal honor to participate in the birth of your national freedom, a momentous event which will cause rejoicing in every American heart," MacArthur radioed Rhee.

Headquarters announced MacArthur plans to leave here Sunday morning and return immediately after the ceremony. Korea is within the tactful area of his Far East Command.

Rhee said MacArthur would be "met with the greatest of joy and enthusiasm by every Korean."

The Korean Government will function only in the American occupied southern section.

The only previous time MacArthur left Japan since his arrival after the war was in July, 1946, when he flew to Manila for the inauguration of the Philippine republic.

Japan Reminded to Shun War at Perry Observance

SHIMODA, Japan, Saturday, Aug. 14 (AP).—Two high American officials marked this ninety-fifth anniversary of Commodore Matthew C. Perry's arrival by reminding the Japanese people they have renounced armed force.

Speaking in this holiday-attired town off which Perry anchored in 1853, William Sebald, chief of General Douglas MacArthur's diplomatic section, declared that Americans believe "the Japanese people, by working with diligence in austerity, should be allowed those industrial tools needed to feed, clothe and house themselves —without in the least abandoning the vigilant determination we share with our allies that those industrial tools shall never again be turned to war."

Vice-Admiral Russell S. Berkey, commanding United States Naval Forces in the Far East, told the audience the Navy was proud to have a part in "this new venture" of giving the Japanese those "concepts which are collectively known as democracy." He expressed hope that allied confidence "will not be misplaced in the case of Japan."

'Manila Bay Butcher' Hanged

Japanese Becomes a Christian Just Before Execution

MANILA, Aug. 13 (AP).—A Japanese Army captain, called the "butcher of Manila Bay," shed his Shinto faith and embraced Christianity before his execution today for war crimes.

Captain Chusiro Kudo was hanged at New Bilibid prison. Captain A. Pipano, Philippine Army chaplain, prayed with him and prepared him for mounting the gallows. He said Kudo had become a Protestant.

Half an hour after the trap was sprung, the Japanese was buried by the chaplain in a war criminals' plot. A cross marked the grave.

Navy Plane, 12 Aboard, Crashes North of Guam

Guam, Aug. 13 (AP).—A Navy weather reconnaissance plane with twelve men aboard crashed and burned on Rota Island, 50 miles north of Guam, at 3.30 A.M. yesterday, the Navy reported today.

The Navy had no word on whether there were any survivors. It indicated hope was slim, quoting a Catholic missionary on the island as saying the plane burned for three hours.

The wreckage, on the side of a 1,500-foot cliff, was sighted from the air this morning but heavy rain hampered visibility. Rescue planes were sent.

Three naval officers, a midshipman and eight enlisted men made up the crew. Names were withheld.

Burned Naval Plane Is Found On Tiny Isle

Guam, Aug. 13 (AP)—The burned wreckage of a four-engine United States Navy reconnaissance plane which failed to return from a weather mission yesterday was found today on the side of a 1,500-foot cliff on Rota Island, 50 miles north of here.

Rota islanders sent up distress signals to attract search planes.

There was no information here as to the fate of the twelve men aboard. Planes carrying doctors, medical corpsmen and rescue crews were dispatched to the little island in the bare hope of finding survivors. They landed on an abandoned Japanese airstrip.

CZECH QUITS GROUP

MONTREAL, Aug. 13—(AP) The Czechoslovak delegate to the International Civil Aviation Organization (ICAO), Jaroslav Poleika, resigned today after advising his government he could not agree with its policies. Poleika, a delegate for the last two years with I.C.A.O. which works for uniformity in international air transport, sent this telegram to the minister of transport in Prague: "I find it impossible to serve any longer, mainly because I disagree with the policies of the government and the means by which they operate." I.C.A.O. headquarters are in Montreal.

Marshall Files Held Secret

Secretary of State Refuses to Turn Over Visa Records to Senate Group.

Washington, Aug. 13 (A. P.).—Secretary of State Marshall has refused to turn over confidential visa files to a Senate sub-committee on the ground it "would embarass the conduct of foreign relations of the United States."

Senator Chapman Revercomb (R.-W. Va.), chairman of a subcommittee investigating the possibility that foreign agents are operating in the United States under United Nations credentials, had requested the files.

The State Department released a letter dated August 7 in which Marshall informed Revercomb:

"Material in the files relates to confidential negotiations with other governments, disclosures of which would not be in the public interest."

Robert C. Alexander, assistant chief of the State Department's visa branch, testified before Revercomb's Subcommittee on Immigration and naturalization that he thought at least several hundred foreign agents had slipped into the United States with U. N. visas. But Marshall has stated emphatically that he knows of no instance where United Nations officials are misusing their credentials to the detriment of this country.

In rejecting Revercomb's request, Marshall said much of the material in the files has been obtained by American diplomats abroad from confidential sources which must be protected. He said:

"Disclosure of this material, and its sources, would hamper the work of the missions abroad. It would also, in certain cases, place the source of the information in personal jeopardy."

Marshall then added: "I must, therefore, respectfully refuse to produce the files which you have requested or to permit access to them."

steps his committee would take pending a study of legal problems involved.

Marshall refused to turn over the visa files on the ground the move "would embarrass the conduct of foreign relations of the United States."

No Wish To Disturb Work

The visa records had been requested by Revercomb, whose subcommittee is investigating the possibility that foreign agents are operating in the country under United Nations credentials.

Revercomb told the Legion gathering he had been informed by Marshall that much of the material in the files was obtained by diplomatic and consular establishments abroad.

"The Secretary said," Revercomb continued, "that disclosure of the files would hamper missions abroad, and in certain cases 'would place the source of the information in personal jeopardy.'"

"In this connection," the Senator emphasized, "may I say that the committee had no desire to make public or put into the record any information which would have disturbed the work of our foreign missions."

MARSHALL NOT TO BLAME, SAYS REVERCOMB

Policy Of Executive Held Responsible In Refusal To Turn Over Files

Huntington, W.Va., Aug. 13 (AP). Senator Revercomb (R., W.Va.) said today he did not blame Gen. George C. Marshall, Secretary of State, personally for State Department refusal to turn over confidential visa files to a subcommittee Revercomb heads.

"I believe he is carrying out the present policy of the executive side of our Government," the West Virginia Senator asserted in an address before the State American Legion convention here. Revercomb continued:

"That policy has been applied in other cases where the Congress and the people have been denied access to information pertaining to this serious problem of active subversive agents in this country.

Other Steps Unexplained

"It is not a wholesome situation in a republic where the Government is the people's government.

"I will say to you that the subcommittee dealing with this subject will go as far as it can go to procure, by every legal method, this information. We have run up against the basic principle of the individuality of the three branches of our Government, no one of which can compel the other to act."

LESS EXPORTS OF WHEAT TO EUROPE SEEN

Secretary Of Commerce Cites Improved Crop Prospects Abroad

Washington, Aug. 13 (AP)—The prospect of improved crops in Europe should allow a substantial cut in United States wheat exports under the Marshall plan, Charles Sawyer, Secretary of Commerce, said today.

His viewpoint differed from that of Dr. Dennis A. Fitzgerald, food chief for the Economic Co-Operation Administration. Fitzgerald said on Wednesday that the prospects for substantially increasing United States grain exports to western Europe should mean a "moderate or appreciable" improvement in the

30.24- 19751

diet there.

Secretary Sawyer, however, opposed any increase in shipments of Marshall plan food to Europe. He said:

"It may now be time to give some attention to the interests of the American housewife."

A Formal Report

In a formal report on export controls, Sawyer declared:

"In view of the current emphasis on 'recovery' rather than 'relief' programs in western Europe, the prospect for improved crops in that area should permit a substantially reduced level of wheat exports from the United States this year compared with 1947-48."

When asked whether the other members of the Cabinet Food Committee—Charles F. Brannan, Secretary of Agriculture, and Gen. George C. Marshall, Secretary of State—agreed with him on the curbing of food exports to western Europe, Sawyer replied:

"I prefer to let any other member of the committee speak for himself."

Shipments To Russia Drop

The committee, he said, has final jurisdiction "theoretically, at least," over all food exports from this country.

A sharp decline in exports to Russia and eastern Europe was noted in Sawyer's report.

Exports to all eastern Europe dropped to $5,700,000 in May, compared to an average of $26,000,000 a month the first three months of this year.

Shipments to Russia fell so far in June, Sawyer said, that they were below $50,000. The Commerce Department didn't even list them on statistical tables.

Not Shut Off Completely

But Sawyer cautioned:

"I wouldn't want to give the impression that all exports have been shut off completely, because they are not."

He said no recent instances have come to his attention of industrial equipment shipped to other European countries being diverted to Russia.

When a reporter noted that machinery and vehicle shipments to Russia valued at $1,684,000 were approved between March 1 and the end of July, Sawyer observed:

"That may be large by comparison with nothing, but is not very large by comparison with what goes to Finland, Poland and some other countries."

Truman Names Three To DP Commission

Washington, Aug. 13 (A. P.).—President Truman gave recess appointments today to the three members of the Displaced Persons Commission.

They are Ugo Carusi of Vermont, chairman; and Edward M. O'Connor and Harry N. Rosenfield, both of New York.

The appointments were necessitated by the failure of Congress to act on their nominations at the special session.

Named to ECA Office.

Washington, Aug. 13 (A. P.).—Edward A. Gould of San Bernardino, Cal., today was named assistant to the comptroller for the Economic Co-operation Administration in Europe.

Horkan Named Army Chief Quartermaster

Washington, Aug. 13 (AP) — The officer who worked out the program for return of America's World War II dead has been given one of the most important assignments in the European military command—that of army chief quartermaster.

He is Maj. Gen. George A. Horkan, former chief of the memorial division in the Office of the Quartermaster General here.

It is through the army quartermaster's outfit in Europe that food and coal for Russian-blockaded Berlin is being channeled.

Horkan is a native of Augusta, Ga., and he began his army career as a sergeant major with the Georgia National Guard. In 1917 he was commissioned a second lieutenant of infantry in the regular army.

His wartime assignments included commandant of the quartermaster school at Camp Lee, Va., and commanding general of Camp Lee.

KOREA IS RECOGNIZED

Washington, Aug. 13 (A. P.).—American recognition of a new Government in Korea stirred speculation today when United States occupation forces will leave that divided land. The answer apparently hinges to a great degree on what course the Russians follow in their northern section of the country.

The State Department announced last night "de facto" recognition of a government formed by Syngman Rhee in United States-occupied Southern Korea. President Truman immediately named John J. Muccio as his personal representative in Seoul, with the rank of Ambassador.

U.N. May Shelve Trieste Problem (D)

Lake Success, Aug. 13 (AP)—Top United Nations officials are convinced that settlement of the Triste dispute must await a general East-West agreement.

For that reason, it is generally believed here the Security Council will sidestep any decision at this time on Yugoslavia's complaint against Britain and the United States.

The Council resumes debate today on the Yugoslav charges, originally filed two weeks ago.

The gist of these charges is that the two Western powers are violating the Italian peace treaty by plotting to turn over to Italy the British-American zone in the Free Territory.

AUG 1948

No Proposal Before Council

So far the Council has heard declarations by Yugoslavia, the United States, Britain and Russia, which served mainly to show that Trieste is one of the many potential sources of trouble between the East and the West.

No formal proposal for action of any kind has been laid before the Council and it appeared the Trieste question, like many others, probably would be allowed to go on the shelf after another meeting or two.

It is still a mystery here why Yugoslavia brought the case before the Council at this time. One theory, advanced by persons familiar with Communist policies, is that Marshal Tito wanted to raise an issue which would demonstrate that the Slav bloc still could unite on external issues, despite the Comintern's break with Yugoslavia.

Another theory, expounded at some length by United States Delegate Philip C. Jessup, is that Tito brought the charges against the United States and Britain to divert attention from his own alleged plans to annex Trieste.

Yugoslavia Also Charges Britain Ignores Treaty

L. HAUER

Lake Success, N.Y., Aug. 13 (AP)—Yugoslavia today asked the Security Council to find the United States and Britain guilty of violating the Italian peace treaty in the administration of Trieste.

Dr. Josea Vilfan, Yugoslav representative, offered a resolution condemning the American-British policy. As Yugoslavia is not a member of the Council, the resolution can be voted upon only if it is sponsored by a regular delegate. Russia and the Ukraine have given strong support of Yugoslavia and may take this step.

Debate Put Off

After Vilfan's resolution—introduced in the midst of another lengthy attack on the military administration of the two Western powers in the free territory—the Council decided to put off further debate until next Monday.

Meanwhile, another session was scheduled today on the Palestine problem.

Council observers saw no chance for the Yugoslav resolution to pass. Generally it was expected to muster only the backing of Russia and the Ukraine. Both the United States and Britain have denied the charges and in turn accused Yugoslavia of attempting to cover up moves to annex Trieste.

Zones Barricaded

The gist of the Yugoslav charge is that the two Western powers are plotting to turn over to Italy the British-American zone in the free territory. The Adriatic port city of Trieste and an area around it were internationalized by the Italian treaty and put under the Council.

Pending appointment of a governor and Council approval of a regime, the territory is divided into American-British and Yugoslav military zones. Each nation has about 5,000 troops on duty. Barricades separate the two zones.

MOLOTOV WAS SAID TO HAVE REPEATED SOVIET CHARGES THAT MRS. KOSENKINA WAS KIDNAPPED WITH THE PARTICIPATION OF THE TOLSTOY FUND AND WAS HELD AT THE TOLSTOY FARM AGAINST HER WILL WITH HER "RESCUE" BY THE RUSSIAN CONSUL GENERAL.

THE TASS ANNOUNCEMENT CAME AS MIKHAIL MIKHAILOV, ONE OF THE MOSCOW RADIO'S TOP COMMENTATORS, CHARGED THAT THE FEDERAL BUREAU OF INVESTIGATION WAS IMPLICATED WITH THE "WHITE GUARD" IN THE CURRENT CASES. HIS BROADCAST WAS HEARD IN LONDON.

MIKHAILOV SAID THE RUSSIAN PUBLIC IS "DEEPLY INDIGNANT" OVER THE SAMARIN AND KOSENKINA CASES AND ADDED:

"THE FACTS INDICATE THAT THE NOTORIOUS COMMITTEE ON UNAMERICAN ACTIVITIES IS ALSO INVOLVED IN THE ABDUCTION OF SOVIET CITIZENS. THE ACTING PRESIDENT OF THIS COMMITTEE, CONGRESSMAN MUNDT, IS DISPLAYING SUSPICIOUS ACTIVITY IN HIS EFFORTS TO USE THE CASE OF KOSENKINA AND SAMARIN IN HIS ANTI-SOVIET CAMPAIGN.

"HERE WE SEE THE THOMAS-RANKIN-MUNDT COMMITTEE IN THE ROLE OF CORRUPTING FOREIGNERS RESIDING IN THE UNITED STATES FOR THE PURPOSE OF TURNING THEM INTO TRAITORS TO THEIR COUNTRY."

PRAVDA DEMANDED TODAY AN END TO THE ACTIVITY OF "WHITE GUARD BANDIT ORGANIZATIONS OPERATING IN THE UNITED STATES WITH THE BLESSING OF THE FEDERAL BUREAU OF INVESTIGATION."

IZVESTIA DEMANDED THE "FREEING OF THE KIDNAPPED SOVIET CITIZENS" AND A "DETAILED INVESTIGATION OF THIS VICIOUS CRIME AND NECESSARY PUNISHMENT FOR THE PERSONS TO BLAME FOR THIS AFFAIR."

THE PRAVDA ARTICLE LISTED NUMEROUS "WHITE GUARD BANDIT" ORGANIZATIONS AND PERSONS WHICH IT SAID ARE PLOTTING AGAINST THE "LIVES AND HEALTH" OF SOVIET CITIZENS IN THE UNITED STATES WITH THE ASSISTANCE OF AMERICAN AUTHORITIES.

LONDON, AUG 13-(AP)-IZVESTIA, THE RUSSIAN GOVERNMENT NEWSPAPER, COMMENTED BITTERLY TODAY ON WHAT IT CALLED THE "KIDNAPING" OF SOVIET CITIZENS IN THE UNITED STATES. IT SAID "THE WHOLE LAND OF THE SOVIETS WILL NOT PERMIT ANY HARM TO COME TO HER PEOPLE, WHEREVER THEY MAY BE."

THE ARTICLE, QUOTED BY THE SOVIET AGENCY TASS, MADE NO MENTION, HOWEVER, THAT A CENTRAL FIGURE IN THE CASE, 52-YEAR-OLD OKSANA STEPANOVNA KOSENKINA, PLUNGED FROM A WINDOW OF THE SOVIET CONSULATE IN NEW YORK YESTERDAY AFTERNOON.

IZVESTIA'S ARTICLE, ENTITLED "DEMEANOR OF DOLLAR DEMOCRACY," FOLLOWED THE LINES OF YESTERDAY'S DIATRIBE BY PRAVDA, THE COMMUNIST PARTY NEWSPAPER, WHICH ALSO CHARGED AMERICAN OFFICIALS WITH "KIDNAPING."

IZVESTIA SAID:

"THE KIDNAPING IN NEW YORK OF THE SOVIET CITIZENS OKSANA KOSENKINA AND MIKHAIL SAMARINE WITH HIS FAMILY HAS AROUSED PROFOUND INDIGNATION AMONG THE SOVIET PUBLIC."

"THE FACT THAT KOSENKINA HAS BEEN SAVED FROM THE DIRTY HANDS OF THE HIRELINGS OF THE AMERICAN INTELLIGENCE SERVICE -- RUSSIAN WHITE GUARDS -- IN NO WAY FREES THE COMPETENT AMERICAN AUTHORITIES FROM RESPONSIBILITY," IZVESTIA SAID.

"IT IS NOT OWING TO THEIR DESIRE OR WILL THAT KOSENKINA HAS ESCAPED FROM THE HANDS OF POLITICAL GANGSTERS.

"MEANWHILE, AS ADMITTED BY ONE OF THE CHIEFTAINS OF THE WHITE GUARD BAND OF KIDNAPERS, THE FORMER COUNTESS ALEXANDRA TOLSTOY, THE SOVIET CITIZEN SAMARINE, HIS WIFE AND THREE CHILDREN STILL REMAIN IN THE GRIP OF THIS BAND.

"RESPONSIBILITY FOR THE LIVES OF THESE SOVIET CITIZENS RESTS NOT ONLY, AND NOT SO MUCH, WITH THE DIRECT CULPRITS -- FOR IT IS HARDLY POSSIBLE TO VISUALIZE THIS REVOLTING SCUM TAKING ANY INDEPENDENT ACTIONS -- AS WITH THE COMPETENT AMERICAN AUTHORITIES WHOM INTERNATIONAL LAW OBLIGES TO INSURE MAXIMUM SECURITY TO CITIZENS OF A FOREIGN POWER WHOSE SOJOURN ON THE TERRITORY OF THE UNITED STATES IS LEGALLY GROUNDED."

NEW YORK, AUG 13-(AP)-THE NATIONAL COUNCIL OF AMERICAN-SOVIET FRIENDSHIP TONIGHT CLAIMED THE CASE OF THE RUSSIAN SCHOOLTEACHERS GREW OUT OF U.S. VIOLATION OF LONG-STANDING AGREEMENTS BETWEEN THE TWO COUNTRIES.

A COUNCIL STATEMENT EXPRESSED ALARM "AT THE CLOSE COOPERATION BETWEEN OUR OFFICIAL AUTHORITIES AND VARIOUS ANTI-SOVIET ORGANIZATIONS AND INDIVIDUALS."

IT CITED THE ROOSEVELT-LITVINOFF AGREEMENT, MADE WHEN DIPLOMATIC RELATIONS WERE ESTABLISHED WITH THE SOVIET UNION NEARLY 15 YEARS AGO. AT THAT TIME EACH COUNTRY AGREED NOT TO PERMIT THE FORMATION OR RESIDENCE ON ITS TERRITORY OF ANY ORGANIZATION OR GROUP WHICH HAS AS ITS AIM THE OVERTHROW OF THE OTHER NATION'S POLITICAL OR SOCIAL ORDER.

"THE ACTIVITIES OF THE WHITE RUSSIAN ORGANIZATIONS HERE AND SUCH GROUPS AS COMMON CAUSE, INC., WHOSE MAIN OBJECT IS ANTI-SOVIET PROPAGANDA AND ACTION, RUN DIRECTLY CONTRARY TO THIS AGREEMENT," THE STATEMENT ADDED.

COMMON CAUSE IS THE GROUP WHICH OBTAINED A WRIT OF HABEAS CORPUS IN AN ATTEMPT TO GET ONE OF THE TEACHERS, MRS. OKSANA STEPANOVNA KOSENKINA, OUT OF THE RUSSIAN CONSULATE PRIOR TO HER JUMP FROM A CONSULATE WINDOW.

"IN THIS CONNECTION IT IS PERTINENT TO NOTE THAT THERE IS NOT A SINGLE ORGANIZATION WORKING AGAINST THE INTERESTS OF THE UNITED STATES IN THE WHOLE OF THE SOVIET UNION," THE STATEMENT CONTINUED.

"THE KOSENKINA INCIDENT," HE SAID, "DRAMATIZES THE NEED FOR AN ORGANIZATION LIKE COMMON CAUSE WHICH CAN STEP IN QUICKLY WHEN EMERGENCIES LIKE THIS ARISE."

NEW YORK, AUG. 13-(AP)-THE VOICE OF AMERICA TOLDA RUSSIAN LISTENERS THE NEWS OF MRS. OKSANA STEPANOVA KOSENKINA'S LEAP FROM THE RUSSIAN CONSULATE LESS THAN AN HOUR AFTER SHE WAS TAKEN TO THE HOSPITAL.

A MORE COMPLETE STORY WAS BEAMED OVERSEAS SOON AFTER THE ORIGINAL BULLETIN, SAID A "VOICE" SPOKESMAN.

THE ACCOUNT WAS DESCRIBED AS SOBER AND FACTUAL--A "STRAIGHT" NARRATIVE.

THE "VOICE" SAID IT USED SEVEN CHANNELS ON A PROGRAM TO VLADIVOSTOK AND EIGHT ON THE MOSCOW PROGRAM. OFFICIALS SAID THEY BELIEVED MRS. KOSENKINA'S STORY GOT THROUGH DESPITE EVIDENCE THAT THE RUSSIANS HAVE BEEN JAMMING SOME OF THE PROGRAMS DURING THE PAST MONTHS.

WASHINGTON,AUG.13-(AP)-WHAT DOES THE FUTURE HOLD FOR MRS.OKSANA S.KOSENKINA, THE RUSSIAN TEACHER WHO JUMPED FROM A WINDOW OF THE SOVIET CONSULATE IN NEW YORK?

THE STATE DEPARTMENT'S ASSURANCE TODAY THAT SHE CAN HAVE ASYLUM IN THE UNITED STATES MEANS THIS COUNTRY WILL LET HER STAY HERE IF SHE WANTS TO. THE SAME THING APPLIES TO MICHAEL IVANOVITCH SAMARINE, THE OTHER RUSSIAN SCHOOL TEACHER FIGURING IN THE CONGRESSIONAL SPY PROBE.

IN MRS.KOSENKINA'S CASE, HER LEAP APPEARS TO HAVE LIFTED FROM THE COURTS THE DIPLOMATICALLY DELICATE QUESTION OF WHETHER SHE WAS BEING DETAINED IN THE CONSULATE AGAINST HER WILL.

THAT ISSUE WAS PRESENTED IN A HABEAS CORPUS PETITION TO THE NEW YORK SUPREME COURT. AN ANTI-COMMUNIST ORGANIZATION PETITIONED THE COURT.

WHEN MRS.KOSENKINA RECOVERS FROM HER INJURIES AND CAN LEAVE THE HOSPITAL, SHE WILL BE IN EXACTLY THE SAME POSITION AS WOULD BE ANY FOREIGN-BORN PERSON LEGALLY IN THE UNITED STATES.

SHE WILL BE FREE TO GO ABOUT HER OWN BUSINESS, FIND A JOB AND BECOME A PART OF AMERICAN LIFE. IMMIGRATION FORMALITIES COULD BE WORKED OUT IF SHE INDICATED A DESIRE TO DO THIS.

SOVIET AGENTS WOULD HAVE NO CLAIM ON HER RECOGNIZED BY THE FEDERAL GOVERNMENT.

ALL THIS IS THE SITUATION SO FAR AS THE FEDERAL GOVERNMENT IS CONCERNED.

WHAT NEW YORK STATE AUTHORITIES MAY DO COULD BE ENTIRELY ANOTHER MATTER. PRESUMABLY, THAT WILL DEPEND ON WHAT TURNS UP IN THEIR INVESTIGATION OF THE WHOLE BIZARRE AFFAIR.

LONDON, AUG. 13-(AP)-GEN.SIR BRIAN ROBERTSON, BRITISH MILITARY COMMANDER IN GERMANY, WAS CALLED INTO LONDON TODAY IN CONNECTION WITH THE MOSCOW CONFERENCES ON BERLIN.

DIPLOMATIC INFORMANTS SAID IT WAS REASONABLE TO ASSUME THAT PROPOSALS AFFECTING A BERLIN SETTLEMENT WERE CONTAINED IN OFFICIAL REPORTS RECEIVED HERE ON THE MEETING YESTERDAY OF THE BRITISH, FRENCH AND AMERICAN DIPLOMATS WITH SOVIET FOREIGN MINISTER V.M.MOLOTOV.

THE MEDIATOR SAID HE BELIEVED THIS WOULD BE THE FIRST STEP IN DEMILITARIZING JERUSALEM. THE ARABS HAVE AGREED TO THE REQUEST AND HE SAID "IT WILL BE DIFFICULT FOR JEWS TO REJECT IT."

THE MEDIATOR SAID BOTH ARABS AND JEWS HAD BEEN ASKED TO INVESTIGATE THE LATRUN EXPLOSION. HE SAID HE HAD GIVEN ORDERS THAT JEWISH TROOPS IN THE LATRUN AREA REMAIN IN THEIR FORWARD POSITIONS DURING THE PROBE. PREVIOUSLY HE HAD ORDERED THESE TROOPS DRAWN BACK.

STOCKHOLM, AUG. 13-(AP)-COUNT FOLKE BERNADOTTE SAID TONIGHT HE BELIEVED THAT IF THE TRUCE CAN BE KEPT GOING FOR SIX MORE WEEKS IN PALESTINE "THE CONFLICT MIGHT BE SOLVED PEACEFULLY."

THE UNITED NATIONS MEDIATOR FOR THE HOLY LAND, WHO ARRIVED IN STOCKHOLM TONIGHT, SAID DEFINITE RESULTS TOWARD SETTLING THE PALESTINE ISSUE MIGHT BE EXPECTED BY THE MIDDLE OF OCTOBER.

BERNADOTTE FLEW TO STOCKHOLM FROM GENEVA TO ATTEND THE INTERNATIONAL RED CROSS CONVENTION. IN GENEVA, HE CONFERRED WITH TOP U.N. OFFICIALS ON THE MATTER OF AID TO ARAB REFUGEES. HE SAID HE HAD BEEN PROMISED "QUICK HELP" FOR SOME 400,000 ARAB REFUGEES IN PALESTINE AND THE SURROUNDING ARAB STATES.

IN REVIEWING HIS WORK SINCE HE ACCEPTED THE JOB AS U.N. MEDIATOR, THE SWEDISH COUNT SAID HIS TASK HAD BEEN DIVIDED INTO THREE PARTS: MEDIATION, SUPERVISION OF THE TRUCE AND HELP FOR ARAB REFUGEES.

MAINTAINING THE TRUCE, HE SAID, "IS BY FAR THE MOST DIFFICULT PART OF MY JOB." IF THE TRUCE CAN BE KEPT, HE ADDED, "WE CAN BE VERY HOPEFUL THAT THE WAR IS FINISHED."

"I HOPE TO HAVE A REPORT READY FOR PRESENTATION TO THE GENERAL ASSEMBLY OF THE UNITED NATIONS AT ITS MEETING IN PARIS IN SEPTEMBER," BERNADOTTE SAID.

THE MEDIATOR WAS REMINDED THAT FOUR MONTHS AGO WHEN HE ACCEPTED THE PALESTINE ASSIGNMENT FROM THE SECURITY COUNCIL, HE PLACED HIS CHANCES OF SUCCESS AT ONE IN 100. TO THAT HE REPLIED THAT HIS CHANCES NOW OF SETTLING THE PROBLEM PROBABLY ARE TWO IN 100.

COMMENTING ON THE TENSE JERUSALEM SITUATION, BERNADOTTE SAID HE HAD BEEN PICKETED BY MEMBERS OF THE EXTREMIST JEWISH ORGANIZATION, THE STERN GROUP, IN THE HOLY CITY LAST TUESDAY. THE STERNISTS DISPLAYED SIGNS WHICH READ: "STOCKHOLM IS YOURS, JERUSALEM IS OURS."

SHE SAID THAT (1) SHE DIDN'T ENJOY HER SPYING FOR THE SOVIET GOVERNMENT, (2) SHE BROKE WITH THE RING WHEN SHE DISCOVERED OTHER LEADERS WERE "JUST A BUNCH OF CHEAP POLITICIANS" AND (3) SHE HAS NOT BEEN PROMISED IMMUNITY "OR ANYTHING ELSE" FOR HER TESTIMONY.

THOSE WHO QUESTIONED HER WERE JAMES B.RESTON OF THE NEW YORK TIMES; LAWRENCE E.SPIVAK OF AMERICAN MERCURY; ELIZABETH MAY CRAIG, WASHINGTON CORRESPONDENT FOR A GROUP OF NEW ENGLAND PAPERS; NELSON FRANK OF THE NEW YORK WORLD TELEGRAM, AND FRANK WALDROP OF THE WASHINGTON TIMES-HERALD.

SHE SAID THAT ALL SHE HAS TESTIFIED THUS FAR HAS BEEN THE TRUTH, EVEN THOUGH SOME PERSONS SHE HAS NAMED HAVE CALLED HER A LIAR.

MRS.CRAIG, ASKED WHAT ABOUT CHARGES SOME PEOPLE HAVE MADE THAT MISS BENTLEY IS "NEUROTIC" IRRESPONSIBLE?

SUCH STATEMENTS FOLLOW "THE REGULAR PARTY LINE," REPLIED MISS BENTLEY.

"I CAN ONLY SAY," SHE ADDED, "THAT THE FACTS I GAVE ARE TRUE AND THE FBI TOLD ME THERE ARE NO DISCREPANCIES IN MY STORY."

MISS BENTLEY SAID SHE BECAME A COMMUNIST "BECAUSE I THOUGHT IT WAS A WELL DISCIPLINED MOVEMENT TO BETTER THE WORLD. THEN I DISCOVERED THEY WERE JUST A BUNCH OF CHEAP POLITICIANS WHO DIDN'T CARE ABOUT ANYBODY ELSE."

SHE SAID THE SOVIET OFFERED HER A SALARY, A FUR COAT AND AN AIR CONDITIONER BEFORE THEY FINALLY CAME ACROSS WITH A RED STAR DECORATION AND $2,000 FOR HER WORK. THE SALARY OFFER STARTED AT $50 A MONTH AND WORKED UP TO $300, SHE SAID.

SHE REFUSED EVERYTHING, SHE SAID, UNTIL THE REDS TOLD HER IF SHE DIDN'T TAKE THE RED STAR DECORATION AND THE $2,000 "WE'LL CONSIDER YOU A TRAITOR."

SHE SAID SHE WASN'T ALLOWED TO KEEP THE RED STAR, BUT THAT THE FIRST SECRETARY OF THE RUSSIAN EMBASSY "TOOK IT AWAY."

THE RED STAR, AS A MATTER OF FACT, MISS BENTLEY SAID, WAS THE "LAST STRAW" BECAUSE SHE COULD EXPLAIN IT ONLY AS "OBVIOUS BRIBERY."

THE RUSSIANS FINALLY WALKED OUT OF THE ALLIED KOMMANDATURA BUILDING IN BERLIN YESTERDAY (FRIDAY) LEAVING THE DISSENSION-RIDDEN GERMAN CITY GOVERNMENT AS THE ONLY VESTIGE OF MUNICIPAL UNITY LEFT THERE.

FOR THREE YEARS THE FOUR-POWER KOMMANDATURA HAD RULED BERLIN. SIX WEEKS AGO THE RUSSIANS PROCLAIMED THAT THE BODY NO LONGER EXISTED AND BEGAN CLEARING OUT THEIR OFFICES. THE ACTION WIDENED THE BREACH BETWEEN THE EAST AND THE WEST IN THE SOVIET-BLOCKADED CITY.

DESPITE TORRENTIAL RAINS WHICH SWEPT OVER LARGE SECTIONS OF EUROPE, AMERICAN AIRMEN CONTINUED FLYING FOOD AND FUEL FROM WESTERN GERMANY TO BERLIN. TWO CREWS HAD NARROW ESCAPES WHEN THEY MADE LANDINGS DURING THE STORM AT TEMPELHOF AIRDROME.

ONE FOUR-ENGINED C-54 CAREENED INTO A FENCE AND CAUGHT FIRE BUT THE CREW OF THREE ESCAPED THROUGH AN EMERGENCY HATCH WITHOUT SERIOUS INJURIES. THE OTHER TRANSPORT CAME DOWN ON A HALF-COMPLETED RUNWAY. THE PLANE WAS DAMAGED BUT THE CREW WAS UNHURT.

BRITISH GROUND PERSONNEL GUIDED STILL A THIRD AMERICAN C-54 TO A SAFE LANDING AT GATOW AIRFIELD AFTER THE PLANE REPORTED TWO OF ITS ENGINES WERE OUT OF ORDER.

THERE WAS A LULL IN THE MOSCOW NEGOTIATIONS BETWEEN THE THREE WESTERN POWERS AND THE SOVIET UNION. GEN.SIR BRIAN ROBERTSON, BRITISH COMMANDER IN GERMANY, WAS CALLED TO LONDON IN CONNECTION WITH THE MOSCOW TALKS. HE WAS SCHEDULED TO TALK WITH SIR WILLIAM STRANG, TOP BRITISH EXPERT ON GERMANY, AND POSSIBLY U.S.AMBASSADOR LEWIS W. DOUGLAS AND FRENCH AMBASSADOR RENE MASSIGLI.

GREEK TROOPS WERE WITHIN ARTILLERY RANGE OF A MAJOR OBJECTIVE IN THE GRAMMOS MOUNTAINS CAMPAIGN. THEY HAD FOUGHT WITHIN TWO AND A HALF MILES OF THE COMMUNIST GUERRILLAS' LAST MAJOR SUPPLY ROUTE THROUGH THE MOUNTAINS TO ALBANIA.

THE GREEK GOVERNMENT SAID ITS TROOPS WERE BEING SHELLED BY GUNS INSIDE ALBANIA. BERNADOTTE, THE U.N.MEDIATOR, SAID IN ROME THAT THE JEWS HAD REJECTED HIS LATEST ATTEMPTS FOR ENDING THE WARFARE IN JERUSALEM. HE ADDED: "THEY ARE TAKING AN ENORMOUS RESPONSIBILITY."

THERE WERE INDICATIONS IN TEL AVIV THAT ISRAEL'S GOVERNMENT WAS HEADED TOWARD ITS FIRST CABINET CRISIS. BENEATH THE DOMESTIC SPLIT WHICH APPEARS ON THE SURFACE, THE ISSUE BOILS DOWN TO WHETHER THE WORLD'S NEWEST REPUBLIC LEANS TOWARD RUSSIA OR THE UNITED STATES.

THE STATE DEPARTMENT PROMISED ASYLUM TODAY TO TWO RUSSIAN SCHOOL TEACHERS, WHOSE FLIGHT FROM SOVIET DIPLOMATS IN NEW YORK THREATENED TO COMPLICATE MOSCOW TALKS ON THE BERLIN CRISIS.

IN LONDON, A DIPLOMATIC SOURCE SAID "THERE IS NO REAL JUSTIFICATION" OF PESSIMISTIC REPORTS ABOUT THE POSSIBLE OUTCOME OF KREMLIN TALKS ABOUT THE BERLIN BLOCKADE, GERMAN QUESTIONS AND POSSIBLY OTHER EAST-WEST DIFFERENCES. THE WESTERN DIPLOMATS TALKED WITH RUSSIAN FOREIGP MINISTER MOLOTOV YESTERDAY FOR THE FOURTH TIME IN 11 DAYS OF SECRECY.

THE STATE DEPARTMENT SAID AMBASSADOR WALTER BEDELL SMITH DENIED DIRECTLY TO MOLOTOV THAT U.S. AGENCIES WERE INVOLVED IN WHAT MOLTOV CALLED THE "KIDNAPING" OF ONE OF THE TEACHERS.

THE SPOKESMAN ALSO DENIED A MOSCOW RADIO REPORT THAT UNDERSECRETARY OF STATE ROBERT A. LOVETT HAD TOLD THE RUSSIAN AMBASSADOR ONE OF THE TEACHERS "WAS SUBJECT TO INTERROGATION BY THE FEDERAL BUREAU OF INVESTIGATION." HE SAID LOVETT ACTUALLY TOLD THE ENVOY THAT NEWSPAPER REPORTS SHOWED THE TEACHER, MICHAEL I. SAMARINE, VOLUNTARILY REQUESTED AN INTERVIEW WITH THE F.B.I.

BOTH RUSSIAN TEACHERS EXPRESSED FEAR OF RETURNING TO RUSSIA. MRS. OKSANA S. KOSENKINA LEAPED THREE STORIES FROM THE RUSSIAN CONSULATE IN NEW YORK AND, INJURED, WENT TO A HOSPITAL. MICHAEL I. SAMARIN RENOUNCED HIS RUSSIAN CITIZENSHIP AND FLED TO ASYLUM WITH HIS FAMILY.

FOREIGN MINISTER MOLOTOV OF RUSSIA, IN THE MIDST OF CONVERSATIONS WITH THE U.S., BRITISH AND FRENCH ENVOYS ON BERLIN, TOOK TIME TO DEMAND THE TEACHERS' IMMEDIATE SURRENDER TO SOVIET AUTHORITIES AND THE PUNISHMENT OF ALL INVOLVED IN THE CASES. MOLOTOV CHARACTERISTICALLY CALLED THE CASES "KIDNAPINGS."

IT APPEARED SECRETARY OF STATE MARSHALL WOULD REJECT ALL THE RUSSIAN PROTESTS. BOTH THE TEACHERS ARE EXPECTED TO TESTIFY BEFORE THE CONGRESSIONAL SPY HEARINGS, WHICH PRESIDENT TRUMAN AGAIN ASSERTED IS A RED HERRING.

AMBASSADOR WALTER BEDELL SMITH SAID IN MOSCOW HE THOUGHT EVEN MORE CONVERSATIONS WERE IN PROSPECT WITH MOLOTOV ABOUT THE SOVIET BLOCKADE OF BERLIN.

TWO AMERICAN COAL CARRYING PLANES CRASHED IN BAD WEATHER AT THE TEMPLEHOF AIRDROME, BUT THE CREWS ESCAPED.

THE RUSSIANS WITHDREW FROM THE FOUR-POWER KOMMANDATURA BUILDING IN BERLIN AND HAULED DOWN THEIR FLAG. THEY HAD WALKED OUT OF THE AGENCY BY WHICH THE OCCUPANTS RULED BERLIN ON JULY 1. THEY KEPT SENTRIES AT THE ALLIED CONTROL COUNCIL BUILDING AND THE RED HAMMER AND SICKLE STILL FLEW. THEY TOOK A WALK FROM THE ALLIED CONTROL COUNCIL, THE AGENCY FOR THE RULE OF ALL GERMANY, ON MARCH 20.

ECONOMIC CONDITIONS WORSENED IN BOTH THE WESTERN AND EASTERN ZONES OF BERLIN. SOME 300,000 GERMANS WERE REPORTED TO HAVE PROTESTED IN MASS MEETINGS IN THE AMERICAN ZONE AGAINST HIGH FOOD PRICES AND U.S. MILITARY GOVERNMENT POLICIES. NEW REPORTS OF FOOD SHORTAGES CAME FROM THE RUSSIAN ZONE. U.S. FLIERS HAULED IN A RECORD 2,871 TONS OF SUPPLIES, BUT IT IS DOUBTFUL IF ANYTHING LIKE THE NEEDED AMOUNT OF COAL CAN GO IN BY AIR.

TENSION ROSE IN PALESTINE. COUNT FOLKE BERNADOTTE, U.N. MEDIATOR, SAID THE JEWS REFUSED TO COMPLY WITH AN ORDER TO STOP SHOOTING IN JERUSALEM. THEY WERE ENRAGED BECAUSE A WATER PUMPING STATION AT LATRUN, WHICH SUPPLIED JERUSALEM, WAS BLOWN UP. BERNADOTTE BLAMED ARAB IRREGULARS.

THE UNITED NATIONS SHELVED A RUSSIAN ARMS LIMITATION PLAN UNTIL INTERNATIONAL CONFIDENCE IS RESTORED. THE TALKS OF TRIESTE, WHICH YUGOSLAVIA FEARS MAY BE RESTORED TO ITALY, ALSO SEEMED LIKELY TO AWAIT AN EAST-WEST SETTLEMENT.

PREMIER TITO OF YUGOSLAVIA REAFFIRMED THE SOLIDARITY OF HIS COMMUNIST COUNTRY WITH RUSSIA AND ITS IRON CURTAIN COUNTRIES. BUT HE SAID CRITICS IN THE RUSSIAN-RULED COMINFORM SLANDERED HIM.

THE GREEK GOVERNMENT SAID COMMUNISTS WERE SHOOTING AT THEIR ARMY FROM ALBANIA. THE GREEKS SAID COLUMNS OF GUERRILLAS WERE STREAMING OUT OF THEIR DOOMED GRAMMOS MOUNTAINS POCKET INTO ALBANIA.

U.S. Rejects Soviet Demand For Teacher in N.Y. Plunge

AUG 1963

Woman Accepts Protection

NEW YORK, Aug. 14 (AP).—Mrs. Oksana Stepanovna Kosenkina, Russian school teacher, accepted a subpena from the House Un-American Activities Committee today, thereby coming under the protection of the Federal Government.

The 52-year-old woman accepted the subpena from Robert E. Stripling, the committee's chief investigator, in her Roosevelt Hospital room where she is recovering from serious injuries suffered when she leaped from the third floor of the Soviet Consulate here Thursday. She claimed she had been held a prisoner there.

NIGHT

FBI MAY STEP IN

The House subpena, Stripling said as he left the hospital, placed Mrs. Kosenkina "forthwith under the constant jurisdiction of the committee until she testifies."

The committee is investigating activities of an alleged Communist spy ring operating in this country.

Asked if the committee's summons would mean the stationing of FBI agents at the teacher's bedside, Stripling replied: "I assume the committee will take the necessary steps to insure her appearance before the committee."

Meanwhile, Representative Karl E. Mundt (R., S. D.), the committee's acting chairman, wired the New York Police Department urging it to "provide physical protection" for the woman during her convalescence.

A strong police detail has guarded Mrs. Kosenkina's room since her admittance to the hospital.

Mundt's telegram also suggested an investigation to determine whether the teacher "jumped or was thrown from the window of consulate." It added:

"I am advised no diplomatic immunities stand in way of investigation on premises and direct interrogation of woman to get true facts of case . . ."

INTERNATIONAL AFFAIR

Mrs. Kosenkina's dramatic "escape" from the consulate quickly catapulted the obscure teacher—sent here to instruct the children of Soviet diplomats—into the center of an international controversy.

The Russian Foreign Office lodged a protest with the State Department. It came in the midst of delicate international negotiations at Moscow.

Today, the Moscow press accused the American intelligence service of a "crude violation of the immunity of the Soviet consular building in New York."

Tass said American intelligence agents, garbed as New York police, broke into the Consulate and whisked Mrs. Kosenkina off to the hospital.

Virtually similar charges were made by the Russian newspaper Pravda.

The charge that intelligence agents were masquerading as police was denied by the FBI and New York's acting Police Commissioner Thomas F. Mulligan.

When Stripling entered Mrs. Kosenkina's room, she was asked if she had any objection to appearing before the committee. She answered in the negative, Stripling said, and accepted the paper he handed her.

LONG STAY IS INDICATED

She is not expected to testify for some time. Hospital attaches estimated it would require at least 12 weeks for her to recover from multiple fractures and other injuries suffered in the leap.

Yesterday, when Mrs. Kosenkina was visited by Soviet Vice Consul Zot I. Chepurnykh, she was quoted by a Russian-speaking New York detective as rejecting Chepurnykh's suggestion that she be moved to another hospital.

"No," the detective said she replied. "You kept me a prisoner. You would not let me go."

The vice consul today denied the police version of the meeting. He said Mrs. Kosenkina "did not say anything about me," adding that it was his belief the detective had "engineered" the story told newsmen.

PROMISED SANCTUARY

The State Department already had promised sanctuary in this country to Mrs. Kosenkina and another Russian teacher, Michael Ivanovitch Samarine, if they do not wish to return to their homeland.

Samarine, a witness before the House committee Thursday, maintained he would be executed if he went back to Russia.

Mrs. Kosenkina had been secluded at the Consulate for six days before her plunge to the courtyard of the building. Earlier, Consulate officials said they had "rescued" her from a White Russian retreat at Valley Cottage, N. Y., where they said anti-Communists were holding her forcibly to prevent her return to Russia.

FEARED FOR LIFE

Miss Alexandra Tolstoy, daughter of the late Russian novelist, and operator of the retreat, said the woman came there voluntarily to keep "from being shot."

She jumped from the Consulate a few minutes after a New York State Supreme Court Justice had reserved decision on a writ of habeas corpus through which Common Cause, an anti-Communist organization, had sought to force the Soviet Consulate to release her.

In New York

New York, Aug. 14 (AP)—Mrs. Oksana Stepanovna Kosenkina, seriously injured when she jumped from a window of the Soviet Consulate, where she claimed she was imprisoned, was placed under the "protective custody" of the Federal Government today.

The 52-year-old Russian schoolteacher formally was granted protection of the United States Government when she accepted a subpoena to appear as a witness before the House Un-American Activities Committee.

The subpoena was served at her bedside in Roosevelt Hospital by Robert E. Stripling, the committee's chief investigator. Stripling said the action placed Mrs. Kosenkina "in protective custody of the United States."

DAY

Callers Identified

The teacher, center of a bizarre tug-of-war between top-level diplomatic circles here and in Moscow—was asked if she had any objection to appearing before the committee and replied in the negative, Stripling said.

William Taraska, Russian-speaking New York city detective, accompanied Stripling and William Wheeler, another committee investigator, to Mrs. Kosenkina's room.

There the detective identified the callers. Stripling instructed the detective to ask the Soviet teacher:

"Do you have any objection to appearing before the House Un-American Activities Committee?"

Accepts Subpoena

"No," the woman replied, accepting the subpoena that Stripling handed her.

The investigators' visit lasted less than ten minutes. They reached the hospital at 10.40 A.M.

Meanwhile, Federal and State law enforcement agencies were assembling information in the case.

Authorities carefully declined to discuss whether criminal prosecution was contemplated.

Mayor William O'Dwyer said the Police Department was turning over details of its investigation of the case to Federal and State prosecutors "for action."

Held Conference

Last night, officials of the FBI, the State Department and the city police met in an hour-long conference in the office of United States Attorney John F. X. McGohey.

The meeting came after Mrs. Kosenkina was visited by Soviet Vice Consul Zot I. Chepurnykh in her hospital room. She told the Russian representative: "You kept me a prisoner. You would not let me go."

Chepurnykh's visit to the Russian teacher's room yesterday was permitted by a heavy police guard, which earlier had barred his admittance.

Interpreter's Account

A police detective, William Dyczko, who speaks Russian, gave this translation of the conversation that ensued after the vice consul and a secretary entered the room:

THE DETECTIVE—I have two people from the Russian Consulate.

MRS. KOSENKINA—I don't want to see anyone.

THE DETECTIVE — This is Mr. Chepurnykh. Do you know him?

MRS. KOSENKINA—Yes, I know him.

CHEPURNYKH—Would you like to go to another hospital?

MRS. KOSENKINA—No.

CHEPURNYKH — How do you feel?

MRS. KOSENKINA—All right. I don't want to talk to you.

CHEPURNYKH—Did you make a statement that you didn't want to see anyone from the Soviet Consulate?"

MRS. KOSENKINA—I don't want to see anyone. You kept me a prisoner. You would not let me go.

Police Ended Interview

At this point, police suggested that the interview be ended.

Today Chepurnykh said the police version of the meeting was incorrect. He declared, "She (Mrs. Kosenkina) did not say anything about me" and added that he believed Dyczko had "engineered" the account given newsmen.

When Cnepurnykh left the hospital yesterday, he said, "I saw her for a minute. Her eyes were closed. She did not want to see or speak to anyone."

He said that "it is possible the Consul General may have her moved to another hospital so a Russian-trained nurse or observer could be on hand."

Then he asked a hospital official if a Russian nurse could be put in Mrs. Kosenkina's room, and was told:

"I don't think that's possible. You know we are short of beds."

The New York *Times* said it had learned police have a statement from her that Soviet Ambassador Alexander S. Panyushkin had visited the consulate to get her to sign an affidavit saying she was not being held a prisoner.

Immunity Promised

She refused, the *Times* story said, "despite the Ambassador's personal promise of future immunity from Soviet punishment. He told her 'everything would be forgotten' if she signed the affidavit."

The *Times* added:

"When she persisted in her refusal under constant urging, Mrs. Kosenkina's statement said, she began to fear what would happen to her. She was, she said, always under guard. That fear preyed on her mind and finally led to her leap out of the window of the consulate, she said."

The woman, who suffered a fractured leg, a possible fractured pelvis and internal and back injuries in the plunge, was reported "resting fairly comfortably."

In Washington

Washington, Aug. 14 (AP)—Russia today demanded full control over Mrs. Oksana Stepanovna Kosenkina, and the United States in effect flatly rejected the demand.

Soviet Ambassador Alexander S. Panyushkin presented a new protest note on the Kosenkina case to Under Secretary of State Robert A. Lovett and then discussed it with Lovett for an hour and 40 minutes.

It was in this verbal exchange that Lovett told Panyushkin the United States does not have the right to require Mrs. Kosenkina to put herself under the control of anybody against her will.

Demands Listed

Mrs. Kosenkina is the Russian schoolteacher who leaped from a

window of the Soviet Consulate Thursday and has said she did so because they were holding her prisoner. She is in a New York hospital.

Information on the exchanges between Panyushkin and Lovett was made available by the State Department press officer, Michael J. McDermott.

He said the Soviets insisted:

1. That the Russian Consulate in New York be permitted to post a 24-hour guard over Mrs. Kosenkina.

2. That Consul General Lomakin be permitted to see her.

3. That she should be placed "under the protection" of Soviet consular authorities.

4. That she should be moved to whatever place the consul general wanted her moved.

Panyushkin declined to tell anything about the nature of his call on Lovett, but disclosed that he had talked with Mrs. Kosenkina in New York last Saturday.

He looked grim and brusquely turned aside most inquiries as he stalked from Lovett's office and thence to his waiting limousine.

Room Was Searched

A short time later, McDermott gave the following account of what happened:

The Soviet Ambassador gave Lovett a note which at the time McDermott spoke had not been translated but the contents of which the Ambassador told to the Under Secretary in the course of the discussion.

The Ambassador, McDermott continued, protested the alleged action of the New York police in entering the Soviet Consulate and searching Mrs. Kosenkina's room after she jumped.

The Ambassadore also protested that Consul G eneral Lomakin had not been permitted to see Mrs. Kosenkina at the hospital.

Wants Red Guard

The Ambassadore insisted that the consulate in New York be permitted to post the 24-hour guard for Mrs. Kosenkina; that the consul general be allowed to see her and that she be placed under the protection of the soviet consular authorities; and that she be moved to whatever place the consul general wanted her moved to.

McDermott continued:

The Ambassadore maintained that the alleged entry of the consulate by the police violated its so-called extra territorial status, and that the actions of United States officials were preventing the consul general from carrying out his duties.

Can See Anyone

In response to all this McDermott said, Lovett told Panyushkin that the school teacher had been permitted at the hospital to receive whomever she wanted to receive; that in fact the Soviet vice consul at New York had been permitted to see her although she had not requested the visit, and when she saw him, told him that se did not want t otalk to im.

Lovett (McDermott's account continued) said that in the future Mrs. Kosenkina would be permitted to see whomever she wanted to receive. But Lovett declared that American Government authorities did not have the right forcibly to require her to see anybody or to put herself under the control of anybody against her will.

The Ambassador said he considered as inaccurate the press reports of the vice consul's interview with Mrs. Kosenkina. He told Lovett that he would obtain another report from the vice consul.

The Russians have already raised various questions about the case, including a claim on their part that the American Government should take responsibility for turning the refugee Soviet schoolteacher over to Soviet authorities.

Admits Seeing Woman

Panyushkin strode through the waiting room of the State Department executive suite at high speed and with a determined set to his face. He was followed by his unsmiling interpreter, Boris M. Krotov. The two were escorted by one of Secretary of State Marshall's chief secretariat officials, William J. McWilliams.

Reporters asked Panyushkin whether he had seen Mrs. Kosenkina in New York this week. The Ambassador replied through the interpreter that he had not seen her this week.

He was than asked whether he had seen her at all and to that the interpreter replied:

"The Ambassador saw her last week when she came from that farm."

Sought No Statement

Had the Ambassador asked her for a statement? This question was based on reports published in New York that he had attempted to get a declaration from her that she was not kept at the Russian consulate in New York against her will. The Ambassador said that he had not asked her for a statement.

Well then, a reporter inquired, what had he asked her about?

Interpreter Krotov said after speaking to Panyushkin in Russian:

"The Ambassador asked her how she happened to be at that farm."

As these questions and answers were being exchanged, the moving news conference was proceeding from its start outside Lovett's office, down an elevator and out through the main lobby of the modernistic, marble-walled State Department building to the front steps, where Panyushkin's big black limousine was waiting.

Speaks In Elevator

He was apparently anxious not to say anything at all and moved at full speed whenever he could. In an elevator packed with reporters, however, he had little choice but to talk back.

Earlier he had gone into Lovett's office for the conference at his own request. He had been accompanied only by Krotov and had been escorted into the Lovett suite by McWilliams.

State Department officials said ahead of time that those present at the conference on the American side in addition to Lovett were Charles E. Bohlen, State Department counselor and Russian expert, and Ernest A. Gross, department legal adviser.

The conference formed a weekend climax to the congressional spy hearings. The House un-American Activities Committee today served Mrs. Kosenkina with a witness subpoena. It wants to know what she may be able to tell about Communist operations in this country.

Tass Distorts Story of Leap

MOSCOW, Aug. 14 (AP). — Tass referred today to the fall of a Russian school teacher from a Soviet Consulate window in New York as an accident and charged American intelligence agents and police with exerting influence over her in the hospital.

Tass, the official Soviet news agency, made the charge in a New York dispatch which appeared in Pravda, the Communist Party newspaper. (It was broadcast also by the Moscow radio.)

Mrs. Oksana Stepanovna Kosenkina, the teacher, was injured in the plunge Thursday. The Tass account was the first mention of the incident to appear here.

Tass charged that American intelligence agents wearing New York police uniforms violated international law by entering the Soviet Consulate after Mrs. Kosenkina fell. Tass said this was a "crude violation of the immunity of the Soviet Consulate building in New York."

(Acting New York Police Commissioner Thomas F. Mulligan and the Federal Bureau of Investigation denied the charge. Mulligan said no Government intelligence agents wore police uniforms at any time in the case and none entered the Consulate in uniform.)

Tass said the intelligence agents had subjected the teacher's room in the Consulate to a search, seized a purse belonging to her and took her to the hospital by force.

"These acts of arbitrary force by American police are a clear violation of the Consular statute and of recognized international law and are in contradiction to the declaration of representatives of the U. S. State Department on its intention to observe international law," Tass said.

The Tass account said Mrs. Kosenkina fell from the third floor window of her room and suffered a broken knee cap and injury to the spinal column.

'FORCIBLY' REMOVED

She was taken into the Consulate building by Soviet personnel for first aid, then was forcibly removed by American intelligence agents in police uniform from the Consulate and taken to Roosevelt Hospital, Tass added.

Tass implied that Mrs. Kosenkina was being quizzed by American intelligence agents at the hospital, saying "American intelligence and police clearly tie up their future plans with Mrs. Kosenkina's stay in the hospital."

The news agency charged New York police had refused to permit a representative of the Soviet Consulate to visit Mrs. Kosenkina "in violation of assurances given (Soviet Consul General) Lomakin at the time Kosenkina was taken from the Consulate."

Tass added that a Soviet Vice Consul was finally permitted to visit the woman yesterday and added she was "surrounded by police obviously exerting influence and attempting to make declarations claiming they originate from Kosenkina herself."

KEPT A PRISONER

(William Dyczko, a New York police detective, who speaks Russian, said Mrs. Kosenkina told Soviet Vice Consul Zot I. Chepurnykh at the hospital yesterday: "I don't want to see anyone. You kept me a prisoner. You would not let me go."

(The Russians declare Mrs. Kosenkina had been freed by them from "White Guard bandits" who had kidnaped her.)

Tass

Moscow, Aug. 14 (AP)—"After being freed from the hands of White guard bandits, on the afternoon of August 12, Oksana Kosenkina (Kasyenkina) fell to the courtyard from the window of her room on the third floor in the building of the Soviet Consulate in New York.

"As a result of the fall she sustained the following injuries: Fracture of the right leg and of the right kneecap and injury to the spine.

"Members of the consulate, who hurried to her help, carried Kosenkina into the premises of the consulate, where she was rendered first aid.

"In connection with the accident, the American intelligence is attracting attention because of its scandalous behavior. When Kosenkina had already been carried into the consulate's premises, American intelligence agents in the guise of American police violated its recognized diplomatic immunity, breaking into the consulate.

"These agents subjected to search the room occupied by Kosenkina on the premises of the consulate, took possession of Kosenkina's bag and its contents and sent Kosenkina by force to a hospital.

Called "Arbitrary Acts"

"These arbitrary acts of the American police are clear violation of the status of the consulate, which is recognized by international law, and are contrary to statements of representatives of the United States State Department that they intend to respect and observe the standards of international law.

"Kosenkina is being attended to at the Roosevelt Hospital. The American intelligence and police clearly connect their plans with her presence in the hospital.

"In violation of the generally recognized rules and customs, the police did not admit a representative of the Soviet Consulate to see Kosenkina.

"In view of this, the consul general of the U.S.S.R. in New York, Mr. Lomakin, sent a protest to the acting police commissioner of the city of New York on the night of August 12, stating:

"'The police have not permitted my official representative, Vice Consul Mr. Chepurnykh, to be present as observer at the interrogation of Mrs. Oksana Kosenkina, citizen of the Soviet Union, at the Roosevelt Hospital after she had received first medical attention.

"'Mr. Chepurnykh repeatedly applied for permission to see Mrs. Kosenkina but was denied this right, in spite of the fact that I had received appropriate promises from representatives of the police and in particular from Deputy Chief Inspector Conrad Rotengast, who visited the consulate immediately after the incident.

Demand Again Rejected

"'I categorically insist that no questioning may be undertaken in the absence of my representatives and I demand that my representatives be granted immediate permission to visit Kosenkina.'

"After Mr. Lomakin had sent this protest, he again sent Mr. Chepurnykh to see Mrs. Kosenkina, but his demand to see her was again rejected without explanation.

"Only yesterday about midday was Soviet Vice Consul Chepurnykh granted the opportunity to visit Kosenkina in the hospital. There she is surrounded by police, who are clearly exerting pressure on her and have tried to put out statements allegedly coming from Kosenkina herself.

"In their desire at any price to utilize the case of the kidnapping of Soviet citizens Kosenkina and (M. I.) Samarine for their own ends, American intelligence agents and the police authorities resort to more arbitrary acts against official representatives of the Soviet Union in the United States.

"A judge decided to join his efforts to the provocational actions of the intelligence agents and unlawfully, in violation of consular immunity, sent a notice to the Soviet consul general, Mr. Lomakin, demanding that Mrs. Kosenkina be delivered to court for interrogation on the morning of August 12. The Soviet consul general naturally rejected this absurd demand of the insolent court official, which contradicts elementary international regulations."

Text of Tass Dispatch on the Kosenkina Case

LONDON, Aug. 14 (AP)—Following is the Moscow broadcast text of the Tass dispatch from New York on Mrs. Oksana S. Kosenkina's plunge from the Soviet consulate:

After being freed from the hands of White Guard bandits on the afternoon of Aug. 12, Oksana Kosenkina (Kasyenkina) fell to the court-yard from the window of her room on the third floor in the building of the Soviet Consulate in New York.

As a result of the fall she sustained the following injuries: fracture of the right leg and of the right knee cap and injury to the spine.

Members of the consulate who hurried to her help carried Kosenkina into the premises of the consulate, where she was rendered first aid.

In connection with the accident, the American Intelligence is attracting attention because of its scandalous behavior. When Kosenkina had already been carried into the consulate's premises, American Intelligence agents in the guise of American police violated its recognized diplomatic immunity, breaking into the consulate.

These agents subjected to search the room occupied by Kosenkina on the premises of the consulate, took possession of Kosenkina's bag and its contents, and sent Kosenkina by force to a hospital.

These arbitrary acts of the American police are clear violations of the status of the consulate, which is recognized by international law, and are contrary to statements of representatives of the United States State Department that they intend to respect and observe the standards of international law.

Consulate Agent Barred

Kosenkina is being attended to at the Roosevelt Hospital. The American Intelligence and police clearly connect their plans with her presence in the hospital.

In violation of the generally recognized rules and customs, the police did not admit a repersentative of the Soviet consulate to see Kosenkina.

In view of this, the Consul-General of the U. S. S.R. in New York, Mr. Lomakin, sent a protest to the acting Police Commissioner of the City of New York on the night of Aug. 12, stating:

"The police have not permitted my official representative, Vice Consul Mr. Chepurnykh, to be present as observer at the interrogation of Mrs. Oksana Kosenkina, citizen of the Soviet Union, at the Rosevelt Hospital after she had received first medical attention.

"Mr. Chepurnykh repeatedly applied for permission to see Mrs. Kosenkina but was denied this right, in spite of the fact that I had received appropriate promises from representatives of the police and in particular from Deputy Chief Inspector Conrad Rothengast, who visited the consulate immediately after the incident.

"I categorically insist that no questioning may be undertaken in the absence of my representatives, and I demand that my representatives be granted immediate permission to visit Kosenkina."

Police Surround Her

After Mr. Lomakin had sent this protest, he again sent Mr. Chepurnykh to see Mrs. Kosenkina, but his demand to see her was agian rejected without explanation.

Only yesterday about midday was Soviet Vice Consul Chepurnykh granted the opportunity to visit Kosenkina in the hospital. There she is surrounded by police, who are clearly exerting pressure on her and have tried to put out statements allegedly coming from Kosenkina herself.

In their desire at any price to utilize the case of the kidnaping of Soviet citizens Kosenkina and [M. I.] Samarine for their own ends, American intelligence agents and the police authorities resort to more arbitrary acts against official representatives of the Soviet Union in the United States.

A judge decided to join his efforts to the provocational actions of the intelligence agents and unlawfully, in violation of consular immunity, sent a notice to the Soviet Consul General, Mr. Lomakin, demanding that Mrs. Kosenkina be delivered to court for interrogation on the morning of Aug. 12. The Soviet Consul General naturally rejected this absurd demand of the insolent court official, which contradicts elementary international regulations.

In Moscow

Moscow, Aug. 14 (AP) — *Pravda* charged today that American intelligence agents wearing New York police uniforms violated international law by entering the Soviet consulate in New York after the plunge of a Russian schoolteacher.

The Communist party newspaper said the American intelligence service is guilty of a "crude violation of the immunity of the Soviet consular building in New York."

Reprinting a Tass dispatch from New York on the case of Mrs. Oksana Stepanovna Kosenkina, a Russian schoolteacher, the newspaper said:

"When Kosenkina (after her fall) was already brought into the consulate, agents of the American intelligence, violating its recognized immunity, burst into the consulate building.

"Acts Of Arbitrary Force"

"They subjected Kosenkina's room to a search, seized a purse belonging to Kosenkina and its contents and by force took Kosenkina to a hospital.

"These acts of arbitrary force by American police are a clear violation of the consular statute and of recognized international law and are in contradiction to the declaration of representatives of the United States State Department on its intention to observe the norms of international law."

The broadcast text of the Tass dispatch follows:

"After being freed from the hands of White guard bandits, on the afternoon of August 12, Oksana Kosenkina (Kasyenkina) fell to the courtyard from the window of her room on the third floor in the building of the Soviet Consulate in New York.

Staff Renders First Aid

Soviet Representative Barred

The Soviet consul general naturally rejected this absurd demand of the insolent court official, which contradicts elementary international regulations."

In a separate item, Tass reported that Representative Mundt (R., S.D.), of the House Un-American Affairs Committee, has sent a telegram to New York police. It said the telegram "in essence supports New York police and American intelligence standing behind police to continue their arbitrary actions directed against Soviet consular authorities in the affair Kosenkina."

Police Deny Charges

In New York, Acting Police Commissioner Thomas F. Mulligan denied *Pravda's* charges.

'Voice' Carries Teacher-Leap Account

New York, Aug. 14 (AP)—The Voice of America is telling the people of the world the full story of Mrs. Oksana Stepanova Kosenkina's leap from the Soviet Consulate, where she was held captive.

"This is what we have been waiting for in our war of words," a State Department spokesman said. "This is something that can be easily understood by people all over the world."

Beamed To Russia

First accounts of the incident were beamed to countries overseas, including the Soviet Union, less than an hour after the Russian schoolteacher made her three-story jump.

More complete stories, broadcast in 22 languages, were included in later short-waved reports.

The spokesman said the "Voice" had used seven channels on a program to Vladivostok and eight on the Moscow program. Officials believed the broadcasts got through despite evidence that the Russians have sought to jam some programs in recent months.

Refutes Russian Claim

"There must be some embarrassed people in the Kremlin," the spokesman said. "Mrs. Kosenkina's statement that she jumped from the window to get away from the Russians seems to refute the claim that we are holding her in this country against her will."

The "Voice" reports were described as sober and factual, giving Mrs. Kosenkina's statement that she was held a prisoner, as well as the official Soviet version of the case.

PARIS, Aug. 14 (AP).—Great Britain got the largest portion of American aid during the first four months of operation of the European Recovery Program, but France was close behind, it was made known today. Since April 3, when the program began, Britain has received $246,600,000 worth of aid. France got $240,600,000 worth and Italy was third, with $117,200,000.

Other leading products Britain drew were $44,000,000 worth of petroleum products, $32,500,000 worth of nonferrous metals and $22,700,000 worth of lumber.

Aid to France

POLICE STATE HELD RUSSIAN REICH AIM

Plan For 'Full Sovietization' In Zone Reported Speeded

Berlin, Aug. 14 (AP)—Communists were reported today to be speeding plans for a police state on the Soviet model in eastern Germany.

Details of a plan for "complete Sovietization" of the Russian occupation zone were published by the Berlin Christian Democrat newspaper, *Der Tag*.

The anti-Communist newspaper said Bernard Bechler, Interior Minister of the state of Brandenburg in the Soviet zone, disclosed the plan in a recent speech.

Bechler, former major on the German general staff who turned Communist after his capture by the Russians in 1943 and joined Moscow's wartime "Free Germany Committee," was reported to have said:

"The time is now ripe for creation of the Socialist state we planned in 1945."

Economic Dictatorship Aim

According to *Der Tag*, the Communist Socialist Unity party which already is wielding virtually dictatorial political power in the Russian zone, now aims at economic dictatorship through its two-year economic plan.

That is the plan which the Communists also have been seeking to impose on Berlin by incorporating it into the Soviet zone and gaining an economic stranglehold over the entire city. The elected anti-Communist city government has opposed the Communist move and has been backed by the Western powers.

A noteworthy feature of Bechler's plan as reported by *Der Tag* is the centralization of the Russion zone police force "to make the entire police organization of the zone the weapon of the Socialist Unity party."

The laws of the Allied Control Council for Germany, to which the Russians subscribed, forbid centralization of zonal police.

Sharpening Of Class Struggle

Bechler also is reported to have proposed creation of a control commission of trusted Communists to push through the plan. The body "should have powers to check on the work of every ministry except the interior ministry," which controls the police.

Der Tag said Bechler also called for a sharpening of the class struggle; strict adherence by Socialist Unity Party members to the Marxist-Leninist line with expulsion of any members who were lax or deviated from the line; and close and uncompromising ties with the Soviet Union. He cited Yugoslavia as a horrible example of "the working classes turning away from the Soviet Union."

All reports from the Russian zone recently have indicated the Russian-backed Communists are closing their ranks and tightening controls to the exclusion of the two non-Communist parties—the rightist Liberal Democrats and conservative Christian Democrats—still tolerated there.

As fresh reports reached Berlin of a "cleansing process" in the Socialist Unity Party to weed out "unreliable" officials, the official party organ Neues Deutschland admitted for the first time that serious food shortages exist in the Soviet zone.

Commenting on a Soviet promise to deliver 10,800 tons of fats to Eastern Germany, the newspaper said the bad 1947 harvest "had severe effects in recent weeks." It claimed, however, that even in normal years the late summer months are "critical" as regards the food supply.

TROUBLES REPORTED

Reports of food troubles in the Soviet zone increased in recent weeks. Western-licensed Berlin newspapers had speculated the shortages were caused by Soviet requisitioning of food to meet its announced plan of feeding all Berlin in the struggle to force the Western Powers out of the Soviet-blockaded city.

The Anglo-American aerial supply line was back on a near-normal schedule. It was still raining but not in the torrential cloudbursts of yesterday which forced the longest interruption of flights since the flying shuttle service began.

AMERICANS HELD

The Russians still have not released Lt. Sherman S. Turner, of Council Bluffs, Ia., and Roland Myers, of Brooklyn, N. Y., who were arrested Aug. 5 when they were said to have accidentally crossed into the Soviet zone.

U. S. Military Police said that although they had "needled the Russians all night" they had no promise to release the two Americans. The U. S. Provost Marshal's office reported "we know nothing about their whereabouts nor anything else whatever about them." (AP)

Soviet Press Admits Food Shortage In East Zone

Berlin, Aug. 14 (AP)—The Russian-controlled press admitted today for the first time that serious food shortages exist in the Soviet-occupied zone of Germany.

Commenting on a promise from Moscow to deliver 10,800 tons of fat to Eastern Germany, *Neues Deutschland*, official newspaper of the Soviet-sponsored Socialist Unity party, said the poor harvest has "had severe effects in recent weeks."

The paper said that even in normal harvest years the late summer months were "critical" as regards the food supply.

Below Average Harvest

"Well-informed experts have recognized there would be a serious shortage of fat because of the below-average 1948 harvest," the paper declared.

The promised fat from the Russians, it continued, "would close the gap for a certain period."

The Soviet-licensed news agency ADN said last night the promise from Moscow came in answer to a request by the Soviet military administration "to insure the supply of foodstuffs" in eastern Germany.

Food shortages in the Soviet zone became apparent last week when the Communist press reported strong punitive measures against food hoarders in the Russian zone.

Shortage Speculation

The Western-licensed German press in Berlin speculated that the food shortages have been caused by Soviet requisitioning of food from its zone to meet the announced plan to feed all Berlin, including the blockaded Western sectors.

Dispatches in Western papers, which the Russians have not denied, have reported hunger demonstrations recently in many cities of the Soviet zone.

In the American zone some 300,000 Germans took part Thursday in mass demonstrations in the United States zone against high food prices and policies of the American Military Government.

Sir Brian In London

Berliners still awaited news of Western power negotiations in Moscow over the German situation. Secrecy has surrounded the talks.

Gen. Sir Brian Robertson, British military commander in Germany, who arrived in London last night in connection with the Moscow conferences, is expected to talk with Allied leaders.

In Moscow, United States Ambassador Walter Bedell Smith was reported resting at his residence with a troublesome cold.

Berlin's three non-Communist political parties and its trade-union federation today demanded no compromise in diplomatic negotiations at Moscow which would make Soviet-sponsored currency the only medium of exchange for the city.

Petition On Currency

The non-Communists petitioned the Western Allied military governments to make the Western-sponsored deutschemark the sole medium of exchange for western Berlin "because our people have shown their faith in it" and because "Soviet-sponsored currency would only be used as a means of Russian exploitation."

Meanwhile, the British-American airlift supplying food to the blockaded sectors of Berlin returned to a near normal schedule today as the weather improved. Operations were halted last night because of heavy rains and bad visibility.

United States military police said that "though we needled the Russians all night" they still had no promise of release of two Americans who have been detained since August 5 for crossing into the Soviet occupation zone.

They are Lieut. Sherman S. Turner, of Council Bluffs, Iowa, military governor of Bad Kissingen, and Roland Mason Myers, of Brooklyn, N.Y., of the military government at Nuernberg.

Mayor Is "Suspended"

In their sector of Berlin the Russians suspended a German borough mayor accused of "obstructing" the unloading of bread grains for the city. Anti-Communist sources claimed the Russians are making him a scapegoat to excuse their failure to feed the city.

The Christian Democratic newspaper *Der Tag* published what it called the Communist program for "complete Sovietization of the Russian occupied zone."

This program was outlined in a speech attributed to Bernhard Bechler, Moscow-trained Interior Minister of Land in Brandenburg. Bechler, a former major on the German general staff, turned Communist after his capture by the Russians in 1943 and joined Moscow's wartime Free Germany Committee. (AP)

The restored bells of the cathedral rang out as Cardinal Micara, the representative of Pope Pius XII, went in a solemn procession to meet Josef Cardinal Fring of Cologne. A number of high officers of the Catholic Church were in the procession.

The cathedral will be reopened during the celebration after being closed for several years because of war damage.

HUNGARIAN FLIGHT DENIED

Vienna and Budapest Dispute Report in British Paper

VIENNA, Aug. 14 (AP)—Both Hungary and Austria denied today a report in the British-sponsored Weltpresse of Vienna that a company of Hungarian frontier police had fled to the British zone of Austria Wednesday.

A dispatch from Budapest said Hungary's Interior Ministry had termed the story "a stupid invention" and said no Hungarian policeman had left the country. The Weltpresse account, transmitted by press associations, was declared to be "one of many unfounded libels."

The Austrian Government similarly denied that Hungarian policemen had crossed the frontier.

'Working Youth' End Meeting In Warsaw

Warsaw, Aug. 14 (AP)—The International Conference of Working Youth ended a six-day meeting today, adopting a "World Charter of Youth Rights."

The Communist-backed congress, attended by 445 delegates from 46 countries, also pledged itself to fight against the "warmongers" of the Western imperialists and capitalists who exploit work youth."

The congress drew up a fifteen-point charter to protect and further the "struggle of the working youth of the world." The charter will be presented to the United Nations Economic and Social Council.

The United States had no official delegation at the conference.

East-West Differences Grow at Danube Parley

BELGRADE, Yugoslavia, Aug. 14 (AP).—Differences between Eastern Europe's Communist bloc and the Western Powers on the Danube River's future control heightened today.

In a name-calling atmosphere of acrimony, diplomats from both factions traded accusations of imperialistic ambitions across the conference table and reached an accord on only one point—to recess until Monday.

REDS ARE STUBBORN

Russia stuck to its no-compromise position. With the support of the Communist satellites she all but completed the job of shoving through a new Danubian pact pledging free navigation, but denying the Western Powers any say in its administration.

Out the window went an American-sponsored amendment to write into the convention firm guarantees foreign vessels would get equal treatment with the Danube countries in the way of navigation privileges, customs charges, port, docking, and shore facilities.

VOTE IS 6 TO 3

The vote was seven to three with the United States winning support only from Britain and France. Lined up with Russia were Czechoslovakia, Yugoslavia, Hungary, Rumania, and the Soviet Ukraine.

The action left to be answered not so much the question of whether the Western Powers will refuse to sign the pact as to when and where they will take their stand and the effect it will have on Danube shipping and relations among the big powers.

United States Ambassador Cavendish Cannon registered the American objections to the document as now drafted. He said it offered only lip service to the principle of free navigation and would leave the door wide open to Russian domination of the Danube.

He said the "crippling provisions" of the Russian draft would permit "the continuance of exclusion, discrimination, yes, even imperialism on the river of a type that has been all too evident in the past three years.

REACTION CHARGED

"In the truest sense of the word, this draft reveals a reactionary tendency looking toward the creation of more vested interests on the part of one Power against the real interests of all the people along the river."

British Ambassador Sir Charles Peake echoed Cannon's words. He called the document an enabling act to sanction Soviet control of the river, a chosen instrument for Soviet imperialism.

Their accusations drew quick counter-charges from Hungary's Zoltan Santo, Rumanian Foreign Minister Ana Pauker, and Soviet Ambassador Anatole Lavrentiev.

U.S. Danube Bid For Equality Loses, 6-3

Belgrade, Yugoslavia, Aug. 14 (AP). The international conference on future control of the Danube River rejected today by a vote of 6 to 3 a proposed United States amendment specifically guaranteeing equality on the river.

The conference then recessed until Monday.

The vote again was along East-West lines.

United States Ambassador Cavendish Cannon had charged that the proposed new shipping pact would permit Russia to dominate Europe's most important inland waterway.

And, he said, it would open the way for Russia to practice imperialistic discrimination on the Danube.

Cannon said the United States would have "liked nothing better than to find adequate safeguards to prevent discrimination. Unfortunately the Soviet draft is more shadow than substance in the protection of free navigation."

Seek Equal Treatment

The Danubian convention is drafting a new river-control pact. Cannon's charges came as the outnumbered Western powers opened a last-ditch fight to write into the document specific guarantees that foreign vessels will receive equal treatment, charges and facilities with those of Russia and the Danubian states.

But there was little doubt of the outcome: Rejection of that move, approval by Eastern Europe's Communist bloc of the Soviet pact and, finally, refusal by the Western powers to sign the agreement.

Cannon pointed out that one article under consideration would subject all vessels entering Danube ports to shipping agreements which Russia has reached with its Danubian neighbors.

Traffic Is Stagnant

"Why have these articles been left wide open for discrimination unless there is an intention to discriminate?" he asked. "Why not spell out the terms?"

He said Danube traffic still is stagnant nearly three years after the Big Powers reached agreement on the principle of free navigation under the terms of treaties with Hitler's Balkan satellites.

"Clearly," Cannon said, "the words of peace treaties are not enough. The qualifications of the Soviet draft do not furnish the kind of instrument we need."

U.S. Abstains From Vote

He said the Soviet-drafted convention would permit "imperialism on the river of a type which has been evidenced there for the past three years."

Without debate, the conference swiftly accepted a dozen more articles setting up technical regulations for navigation on the Danube. The vote, as in the past, found the seven Communist-bloc states solidly supporting Soviet proposals. The United States formally abstained from voting. Britain and France declined to vote yes or no—or even to register formal abstention.

Briton Denounces Pact

Sir Charles Peake, the British ambassador to Yugoslavia, denounced the Soviet Danubian pact as "an enabling act to sanction Soviet control of the river" and as an instrument for Soviet imperialism. Retorting to previous criticisms of British policy, he said his country in 1215 had passed the Magna Carta, guaranteeing "liberties and rights—which so far as I can see—some countries with representatives sitting here are still seeking."

Romanian Foreign Minister Ana Pauker, back at the conference after a brief absence, replied to Peake:

"We fought and will fight in order to achieve that nothing of the old democracies remain in the new."

She lashed out at what she termed "imperialistic practices" by British, United States and French companies in developing Romania's oil resources.

All Banking Facilities Taken Over by Romania

BUCHAREST, Aug. 14 (AP).—All banking and credit facilities in Romania were taken over by the government today under a decree issued by the Presidium of the Grand National Assembly (Parliamen).

The decree announced dissolution of all private and state credit and banking institutions except the National Bank of Romania, the National Society for Industrial Credit, the (state) Savings Bank and "all banking and credit institutions created by special convention between the Romanian state and any foreign state and whose capital belonged to both states."

These remaining institutions will be governed by the Ministry of Finance and the National Bank of Romania, the decree said. No new credit or banking institutions will be permitted to organize.

Not more than fifty big banks are affected by the decree. Many big banks had been dissolved previously. A couple of thousand small banks also will be dissolved unless they change into economic cooperatives within thirty days.

State Takes Over Banks In Romania

Bucharest, Romania, Aug. 14 (AP). The Romanian Government took over all banking and credit facilities of the nation today.

A decree, issued by the Presidium of the National Assembly, announced the dissolution of all private and state credit and banking institutions except the National Bank of Romania, the National Society for Industrial Credit, the (state) Savings Bank and "all banking and credit institutions created by special convention between the Romanian state and any foreign state and whose capital belonged to both states.

These remaining credit and banking institutions, the decree said, will henceforth be governed by the Ministry of Finance and the National Bank of Romania.

No new credit or banking institutions will be permitted to organize.

Russ-Italian Pact Planned

CHURCH ASSEMBLY ATTRACTING 1500

Amsterdam, Aug. 14 (A. P.).—Fifteen hundred officials and delegates from forty-five countries are to attend the first International Assembly of the World Council of Churches here August 22 to September 4.

With 145 churches around the world represented, the meeting will climax ten years of planning. It will open with services at ancient New Church, in the center of the city opposite the Royal Palace. In this church Queen Wilhelmina was invested and here two weeks after the assembly opens Princess Juliana will be invested as new ruler of the Netherlands.

The assembly will plan the future of the World Council and discuss "Man's Disorder and God's Design."

Prominent figures expected to attend include the Archbishop of Canterbury, Dr. Geoffrey Fisher, John Foster Dulles, Prof. Karl Barte of Basle, Pastor Martin Niemoeller of Frankfurt and Ernest Brown, Privy Councilor to the British Government. Four archbishops, eight bishops and eleven leaders of world or national interdenominational agencies will speak.

Theological discussions will involve four reports prepared by international commissions including more than 200 theologians and lay leaders.

New Government Asked For Greece

Athens, Aug. 14 (AP)—The prospect of victory over the rebel forces in northern Greece precipitated today a demand within the Liberal party of Premier Themistokles Sophoulis for a new government to replace the present coalition Cabinet.

The demand was made by a group of dissatisfied Liberal members of Parliament headed by Deputy Party Leader Sophocles Venizelos, a former Premier.

Venizelos revealed the desire of the dissident Liberals for an end to the coalition last night. He said:

"Now that operations on the Grammos front are drawing to their close collaboration between Liberals and Populists should end.

Attention On Military Situation

"The country is in need of a government which, aloof from party interests, should proceed to the settlement of all problems for restoring democratic institutions and paving the way for free and honest elections."

Sophoulis, who became Premier in September, 1947, replied he did "not want to be bothered with such questions" while attention is centered on the military situation.

The 87-year-old Premier tendered and then withdrew his resignation less than three weeks ago after nine deputies of his Liberal party insisted on higher prices for domestic wheat.

Optimistic Report By Grady

Veteran observers said then that the Premier's action was caused by irritation over lack of party discipline.

American demand for a more representative Greek government spurred the formation of the Soph-

ouns coalition cabinet.

An optimistic report on the military situation was offered today by Henry F. Grady, United States Ambassador, who predicted the Greek Government drive to crush guerrilla forces in the Grammos mountains "is certain to be successful within the reasonable near future."

Grady said at a news conference here after he toured the battlefields of northern Greece that he had watched the army attack the rebels under cover of artillery fire in the Ammouda area.

New Attacks Reported

"I gained great confidence in the successful outcome of the war in northern Greece," he said.

A general staff communiqué earlier reported new attacks from inside Albania on national forces closing a trap on the Communist-led guerrillas in the Grammos area. Artillery was said to be shelling the army from Trestenik, two miles inside Albania.

Greek newspapers said the incidents were reported to the United Nations Balkan commission at Salonika. Attacks from inside Albania are continuing in the Alevitsa sector, the newspapers said.

The communiqué reported advances by the army around Alevitsa and around Grekia in the central Grammos sector.

JEWS PLAN WAR IF U.N. FAILS TO ACT

Threaten To Drive Out Arabs If Withdrawal Is Not Compelled

Tel Aviv, Palestine, Aug. 14 (AP). Israel threatened today to drive the invading Arab armies out of all Palestine "by means of war" unless the United Nations compels their withdrawal.

David Ben-Gurion, Prime Minister of Israel, told a council of the Labor party (Mapai) that the Jews must be prepared for "a renewal of war activities."

"If the United Nations is unable to implement its own decisions and compel the Arab states to withdraw their invading armies not only from Israel but from the whole Palestine territory, then the Jews will have to do so themselves," he said.

Called Breech Of Law

"The presence of foreign armies in Palestine threatens Israel's existence and is furthermore a spectacular breach of international law."

Ben-Gurion said it is "impossible for us to continue with a never-ending truce, a situation which is not war and not peace. The United Nations must expel the invading armies from Palestine or we will do it by means of war."

He declared that his country's foreign policy is based on United Nations policy "without leaning eastward or westwards."

Count Folke Bernadotte, the United Nations mediator, said in Stockholm that Egypt had rejected Israel's proposal for direct Palestine peace talks between Jews and Arabs.

Arab Agreement Reported

Egypt informed the mediator it could not accept pretensions of the Israel Government that it could discuss the future "of any part of Palestine."

Headquarters of the mediator in Rhodes said a report Israel had refused a cease-fire order in Jerusalem had been transmitted erroneously from Haifa, and that the request was still under discussion.

[Bernadotte said yesterday the Jews had rejected the request while the Arabs had agreed. However, Bernadotte said today he had been informed by his Rhodes headquarters that the Jewish commander in Jerusalem was going to Tel Aviv to discuss the cease-fire order with Jewish leaders.]

Building A Second Road

The Israel Government said water is being supplied to Jerusalem over a secondary pipeline laid during construction of the emergency road that bypasses Arab-held Latrun on the main Tel Aviv-Jerusalem highway.

The Government said the pipeline can supply the city with only a limited quantity of water. Saboteurs blasted the Latrun pumping station on the main pipeline Thursday night, destroying United Nations hopes to deliver water to the city after months of war-interrupted service.

The Israeli army is starting to build a second road to Jerusalem which will run parallel to the emergency highway. It will be paved to avoid next winter's mud.

Egyptians Turn Down Bid To Peace Talks

Stockholm, Aug. 14 (AP) — The Egyptian Government notified Count Folke Bernadotte today that it had rejected Israel's proposal for direct Palestine peace talks between Arabs and Jews.

In a cable to the United Nations mediator, the Egyptian Government said the Egyptians could not accept the stand of the Israeli Government that it could discuss the future "of any part of Palestine."

Bernadotte said—the Jews had approached him with the idea of direct negotiations with the Arabs. He added he had relayed the invitation to the Arab states at the request of Israeli Foreign Minister Moshe Sharett.

Council's Action

The Egyptian Government said the Security Council had provided for Bernadotte himself to suggest solutions to the Palestine problem. Because of the Security Council's action, the Egyptians added, Egypt had obeyed Bernadotte's orders for a cease-fire in the Holy Land, but expected any solution for permanent peace to come from Bernadotte.

Earlier, Bernadotte held out hope of a permanent Palestine settlement even as Arabs and Jews battled in Jerusalem.

The United Nations mediator said that if the truce can be maintained for six more weeks in Palestine "the conflict might be solved peacefully."

Arriving here to attend the International Red Cross convention, Bernadotte said definite results toward settling the Holy Land issue might be expected by the middle of October.

Keeping Truce Difficult

Maintaining the truce, he said, "is by far the most difficult part of my job." If the truce can be kept, he added, "we can be very hopeful that the war is finished."

"I hope to have a report ready for presentation to the General Assembly of the United Nations at its meeting in Paris in September," he said.

Bernadotte conferred with United Nations officials in Geneva en route to Stockholm. He said he was promised "quick help" for some 400,000 Arab refugees who fled Palestine to surrounding Arab states.

Erroneous Report

[At Rhodes, Bernadotte's headquarters said today that a report Israel refused a cease-fire order in Jersualem had been transmitted erroneously from Haifa. The staff said the mediator's request still is being discussed.

[Bernadotte said in Rome yesterday that the Jews had rejected his request and commented: "They are taking an enormous responsibility." He said the Arabs accepted the cease-fire request, to have become effective at 2 A. M. (E.D.T.) Friday. Shooting continued in Jerusalem after the deadline.]

Meanwhile, fighting raged on in Jerusalem.

3 Killed By By Snipers

Jewish sources said three Jews were killed by Arab sniper fire. A spokesman for the Trans-Jordan Arab Legion in Amman said legion troops were under heavy Jewish fire for three hours when the Jews attacked Thursday night.

In Tel Aviv, Israel's provisional Government appeared headed toward its first Cabinet crisis. The issue boils down to whether the new state will lean toward the United States or Soviet Russia.

ARAB-SOVIET LINK IS HELD POSSIBLE

Husseini Sees Move If U.S. Continues To Back Zionists

New York, Aug. 14 (AP)—A high official of the Arab Higher Committee in Palestine asserted today that the Arabs "may throw themselves into the laps of the Russians if America continues to support the pretensions of the Zionists" in the Holy Land.

Jamal Husseini, vice-president of the committee and a representative of that group before the United Nations, made the statement as he left by plane for Damascus, where he will confer with Arab leaders prior to the opening of the United Nations General Assembly in Paris next month.

Husseini, talking to reporters before his departure, said:

"There will be no peace in Palestine as long as a sovereign Jewish state is being established. No matter what concessions we receive, we could not compromise on the question of a Jewish state, nor on the question of Jewish immigration."

Expects War To Start Again

At another point the Arab leader said that "I expect the war will recommence" in Palestine. He added:

"It will be continued indefinitely until the Arabs achieve their objectives. Even if they are defeated they will continue to fight from outside Palestine. We are prepared to fight for 100 years if necessary. A thousand years ago our forefathers fought for 100 years at the time of the crusades to drive out foreigners. And we won that time.

"The Arabs may throw themselves into the laps of the Russians if America continues to support the pretensions of the Zionists. Russian domination would be no worse than British domination.

"I believe that if we go to the Russian side, they will not try to dominate us as thoroughly. They (the Russians) are backing Zionism only to get us out of the democratic orbit."

Accompanied By Syrian

He said that the Americans would "feel the bitter ingratitude of the Zionists as the British have. Then you will see that you lost the friendship of both the Zionists and of the Arabs. Your interests are on our side in matters of manpower, strategic position, and oil supply."

Husseini was accompanied to the airport by Faris El Khouri, chief Syrian delegate to the United Nations. El Khouri was asked to comment on Husseini's prediction that hostilities would break out again in Palestine and said:

"I believe the same thing. The adamant position of the Jews cannot be settled within the boundaries of the truce. If both parties are not ready to make concessions and compromises, it cannot be solved peacefully."

EGYPT ASKS WRITER TO GO

Burke, Correspondent of Time, Receives No Explanation

CAIRO, Egypt, Aug. 14 (AP)—The newsweekly Akhbar El Yom said today that the Egyptian Government has asked Don Burke, correspondent for Time, to leave the country.

Manfred Gottfried, chief of foreign correspondents for Time, said the Egyptian passport office had given Mr. Burke no reason for its action. He said Mr. Burke would leave for Rome soon and that the magazine's Cairo office would be closed.

U. N. Proposes Cease-Fire in Kashmir Fight

Commission Asks Pakistan to Withdraw Her Troops, India to Reduce Hers

NEW DELHI, India, Aug. 14 (AP).—The United Nations Kashmir Commission today proposed a cease-fire agreement between India and Pakistan to pave the way for a peaceful settlement of the struggle for Kashmir.

Pakistan has characterized as "unauthorized" reports she has troops fighting in Kashmir, which actually is part of the Indian Union. India charges that a Pakistant expeditionary force is fighting the Indian Army there.

The United Nations proposal came as Pakistan celebrated its first birthday and India was on the eve of a similar commemoration of its first year of independence.

Kashmir Issue Threatens

Much of the bloodletting and communal strife that marked granting of independent dominion status to the two states has subsided in the first year of their freedom, but the Kashmir issue has threatened to embroil them in a serious war.

Thousands of members of Hindu and Moslem minorities in the two dominions were slaughtered in rioting as the nations were born, but after the shock caused by the tragic assassination of Mohandas K. Gan-

30.24- 19769

dhi a period of comparative peace ensued.

Cease-Fire Recommended

An official announcement by the United Nations commission which was transmitted simultaneously to Pandit Jawaharlal Nehru, Indian Prime Minister, and Sir Mohammed Zafrullah Khan, Pakistan Foreign Minister, said:

"The commission recommends that the governments of India and Pakistan order a cease-fire and simultaneously accept certain principles as a basis for formulation of a truce agreement to be followed by consultation with the commission to determine fair and equitable conditions whereby the free expression of the will of the people will be assured in the State of Jammu and Kashmir."

The area in conflict is the princely state of Kashmir and its satellite province of Jammu, more properly identified as the State of Jammu and Kashmir but commonly referred to as Kashmir.

No one connected with the commission would comment, but it was understood the text of the commission proposal, which was not made public, suggests that Pakistan withdraw any troops she may have in Kashmir and India withdraw most of hers, leaving only enough to maintain law and order.

Commission sources said it would be up to the two Governments to disclose the text of the proposal at this time.

Subject To Referendum

The cease-fire proposal followed soon after the arrival of the section of the commission, headed by Vice Chairman Josef Korbel of Czechoslovakia, which has been in Karachi for two weeks conferring with Pakistan officials.

Hindu-ruled Kashmir, which has a Moslem majority, joined the Indian Union last October when Moslem tribesmen swarmed across the border from Pakistan killing indiscriminately.

The so-called Azad Kashmir Government demanded that Kashmir join Pakistan instead of India. India sent troops into the State and charged that Pakistan troops also entered and joined the fight.

India, in accepting the accession of Kasmir, said she did so subject to a referendum. Whether a fair referendum is possible in the face of unrest and the presence of Indian troops is a question which the United Nations commission has been considering without comment.

U.N. Proposes A Cease Fire In Kashmir

New Delhi, Aug. 14 (AP)—A United Nations commission today proposed a cease-fire agreement between the dominions of India and Pakistan to open the way for a settlement of the fighting in Kashmir.

Pakistan has denied she has troops fighting in Kashmir, which now actually is part of the Indian union. India has charged that Pakistan has an expeditionary force in that northern state.

Both India and Pakistan have wanted jurisdiction over Kashmir, a princely state having an area of 84,471 square miles and a population of more than 4,000,000.

"Wholly Unauthorized"

For months Kashmir has been the scene of open warfare. August 6 the Pakistani Government officially denied reports that Pakistani forces were fighting in Kashmir. A statement issued in Karachi said: "These reports are based on speculation and are wholly unauthorized."

If a cease-fire agreement is reached, no one seems to know what next step can be taken. Both sides have reservations about holding a plebiscite to let the residents of the state decide which dominion they want to join.

Travelers from Kashmir say most residents prefer Moslem Pakistan. Eighty-five per cent of the people there are Moslems.

"Free Kashmir" forces moved into the state soon after partition of the subcontinent last year and were almost at the gates of Srinagar, the capital, when the Hindu Maharajah acceded to India. The Indian Army entered the state and drove the "Free Kashmir" forces back.

Satellite Province

Although popularly referred to simply as Kashmir, the full name of the state is Jammu and Kashmir. Jammu is a satellite province of the state.

An official announcement by the United Nations commission said:

"The commission recommends that the governments of India and Pakistan order a cease-fire and simultaneously accept certain principles as a basis for formulation of a truce agreement to be followed by consultation with the commission to determine fair and equitable conditions whereby the free expression of the will of the people will be assured in the state of Jammu and Kashmir."

Text Still Secret

The announcement came soon after the arrival here of a section of the commission led by Vice Chairman Josef Korbel, of Czechoslovakia. That section had been in Karachi for two weeks conferring with Pakistani officials.

It was understood that the still-secret text of the commission's proposal suggests that Pakistan withdraw all her troops from Kashmir and India withdraw most of hers, leaving only enough to maintain law and order.

Commission sources said it would be up to the governments of the two dominions to disclose the text.

BURMESE REBELS REPORTED LOSING

Government Says Springboard Of Mutiny Is Seized

Rangoon, Burma, Aug. 14 (AP)—The Irrawaddy river town of Thayetmyo, springboard of the four - day - old military mutiny against the Burmese Government, was reported in the hands of military police and "quiet," an official statement said today.

The statement said all major towns in the delta region of the Pyapon district are under control of "loyal troops."

Paunde Recaptured

The army disclosed that insurgents yesterday attacked the railroad town of Dabein, 90 miles above Rangoon and ousted the police guard. The army said the rebels later withdrew.

The town of Shwehla on the Rangoon-Mandalay railroad also was attacked by insurgents who cut telephone wires, removed instruments and destroyed rail lines. The rails later were repaired by workers under armed guard.

The army statement detailed also the recapture of Paunde, in the Prome district, a police-military sweep in Lewe in Central Burma, resulting in the capture of 27 suspects, including four "important insurgents" and operations by the Burmese Navy along creeks in the Bassein district where several villages were cleared of "enemy occupation."

Commodity Prices Soar

The Government statements caused some easing of the tension, but the situation still is causing rocketing of commodity prices, including rice and fuel.

The Government assured the public there is no danger of a food shortage in veiw of ample food stocks stored in the closely-guarded Government warehouse.

Earlier, the Army said Communist and rebellious elements were threatening military reinforcements sent to the districts of Henzada, Pyapon and Maubin in the rice-growing delta region.

Chinese Warships Reach Home Waters

Nanking, Aug. 14 (AP)—China's latest warships, the cruiser Chungking and the destroyer Lingfu, reached Nanking today after a voyage which started in the British Isles in March.

Former units of the British Navy, the new warships are manned by a British-trained crew and will join China's main fleet now engaged in patrol, anti-pirate and anti-Communist duties.

Aides Join Chiang At Summer Capital

Nanking, Aug. 14 (AP)—High Chinese officials joined in President Chiang Kai-shek in Kuling, China's summer capital, but responsible officials said they had no reason to expect important developments.

One sources described the visits as "more to escape Nanking's heat than to consult on startling policies."

Chiang Hails India

Red-Troop Advance Reported In China

Shanghai, Aug. 14 (AP) — Dispatches from Sian, capital of Shensi Province, said today Communist forces were driving southward from there and had crossed the Lo river to threaten national lines.

The dispatch said the reds apparently aimed at breaching the main Chinese defense lines and driving through a narrow corridor between Sian and Eastern Kansu Province into rich Szechuan Province.

A Government report said a band of red guerrillas attacked two villages on the north bank of the Yangtze midway, between Shanghai and Nanking.

Government reinforcements were rushed to the villages to battle some 2,000 Communists, the report said.

Jap Ex-General Pleads Not Guilty

SHANGHAI, Aug. 14 (AP).—Former Japanese Lt. Gen. Yasutugu Okamura pleaded innocent today to war crimes charges before a Chinese tribunal.

In an interview he said he did not know of mistreatment of prisoners of war by his men and officers.

JAPAN FACES A NEW CRISIS

Communism Threat Noted On Capitulation Anniversary

Tokyo, Sunday, Aug. 15 (AP)—A restless, impatient Japan will mark this third anniversary of her decision to surrender by emphasizing a new crisis over the threat of Communism—small but strong and persistent.

The day will be dedicated only indirectly to recalling Emperor Hirohito's message of capitulation to the Allies—a message that shocked the nation.

Rallies called to commemorate it will be devoted mainly to perpetuating the fight over efforts to curb the power of Leftist unions of Government employés.

Premier Hitoshi Ashida himself sounded the keynote in a public message today declaring that the last three years had been "rough going," but that, thanks to Allied aid, there had been a minimum of the confusion and unrest which Japan had most feared.

Police Alerted For Violence

Fiery speeches and strong gestures are certain at the hundreds of mass meetings called today by both "anti-Communist" and "anti-Fascist" groups.

Police and provost marshals are on 24-hour duty, alerted for violence. Despite their scanty numbers, the Communists have succeeded in producing a noticeable class split in a country which never experienced such a thing before.

The present conflict, possibly the most crucial of the occupation, was brought to its climax by a letter which the supreme commander, Gen. Douglas MacArthur, wrote to the Japanese Premier.

MacArthur suggested to Ashida on July 22 that strikes by Government employés be prohibited. Ashida's Cabinet immediately issued a decree against such strikes, and went further by denying Government workers collective bargaining as well.

Protest From Russia

This has produced open defiance (but thus for only verbal) from Leftist labor leaders; the resignation of a top occupation official who disagreed with the no-strike policy; and an official demand from Russia that the ban be canceled.

The Russian protest points up the link in Japan's ideological conflict with the world-wide controversy of the great powers.

In Japan's case, the immaturity of the labor movement and peculiarities of Japanese temperament are complicating factors.

Sources at MacArthur's headquarters say he acted only to bolster a shaky, negligent Japanese Government against what he considered a "critical challenge."

MacArthur's letter was timed in

advance to head off a threatened series of strikes. Thus far it has done so, except for some "factional" walkouts and absenteeism.

Admit Pay Is Inadequate

It was the third time in three years he had to intervene directly to prevent general work stoppages against which the Japanese Government has proved helpless.

Unions embrace some 2,500,000 out of 3,000,000 Government workers. Private industry, not directly involved in the present struggle, includes some 4,000,000 union members.

Government unions include the tough railroad and communications workers as well as schoolteachers and clerks.

They recently won an average pay scale of 3,700 yen a month. (At the 270 yen to $1 rate, this is less than $14 a month, but such conversions are highly misleading in view of the blocked nature of the yen.)

All sides admit the pay is inadequate. Chemical workers in private industry get about 10,000 yen a month, in money and allowances, while coal miners get more.

The restlessness caused by this and other legitimate grievances has been seized upon by ambitious leaders who follow the Communist line or employ Communist tactics.

Harp On Politics

In each of their three attempts at nation-wide strikes, these leaders have harped on politics. Instead of the justifiable wage claims, they have concentrated on open demands that the Government resign.

In preventing each general walkout, MacArthur has taken the position Japan's tottering economy could not stand it.

Furthermore, a general strike would require even greater American expenditures above the millions already being poured out to keep Japan afloat.

If the Government avoided a strike by granting all union demands it would sink deeply into the red and need more American dollars.

MacArthur told Ashida to strengthen his government against "minority pressure"—an allusion to the frankly political character of the strike threat.

It is an evident fact such unions as communications and railroads have been the sharp spearheads of communism in Japan.

The Communists have had little success at the polls. Few in numbers but clever, they turned to labor, the most dynamic force unleashed in Japan since the war. Their success there has been considerable. (1100)

Troops Alerted For V-J Date

Tokyo, Aug. 14 (AP)—Occupation forces today were alerted for possible trouble in Tokyo and Yokohama tomorrow on the third anniversary of Japan's surrender.

Japanese have scheduled meetings and parades to observe the anniversary. Koreans will use the same occasion to celebrate the third year of their liberation from Japanese rule.

Leftists To Meet

The catch is that Communists opposed to the United States-recognized South Korean Government, which will be inaugurated Sunday, may use the occasion to stir up trouble.

Hibiya Park in downtown Tokyo—a block from Allied headquarters—was reserved by military authorities for an "anti-Fascist People's Rally" sponsored by Leftist organizations.

Send Troops To Park

Anti-Communist groups had tried to get the park and resented it because the Leftists got there first. Japanese police and occupation troops have been assigned to the park to preserve order.

Only a shout away—across a wall in fact—will be two Korean rallies, one sponsored by the Leftist League of Koreans, the other by the Rightist Youth Organization for the Recovery of Korea.

There are numerous other such meetings scheduled in Tokyo and Yokohama.

Japs' Ex-Irish Consul Held On War Charge

Tokyo, Aug. 14 (AP)—Setsuya Beppu, who occupied what was considered the prime Axis listening post of Dublin, Eire, during the war, was arrested today as he returned to Japan.

A Foreign Office spokesman said he was arrested for failing to comply with a Government surrender order in 1945 directing him to turn over his records to British and American representatives.

Beppu was Japanese consul general in Dublin.

Beppu's whereabouts have been a mystery since the end of the war. It also was not known here how he crossed the United States and boarded U.S.S. General Meigs on the West Coast. The Meigs arrived at Yokohama this morning and Beppu was arrested. (1100)

Korean Republic Set Up; MacArthur Urges Unity

SEOUL, Korea, Aug. 15 (Sunday) (AP).—The American-sponsored republic of Korea formally came to life today, with Gen. Douglas MacArthur declaring the barrier separating it from Russian-held North Korea "must and will be torn down."

[There was no elaboration on how this might be accomplished.]

"Nothing shall prevent the ultimate unity of your people as free men of a free nation," the supreme commander of the occupation in Japan and South Korea told a crowd on the capitol grounds.

Dr. Syngman Rhee, first President of the new republic, squarely blamed the Soviet Union for the fact his government embraces only the American-occupied southern half of the country.

Third Liberation Anniversary

"On this day of national rejoicing, our joy is clouded with sorrow as we look to the north," stated the white-haired Korean independence fighter. "Nearly ten millions of our fellow citizens who wished to be part of this body have been prevented from taking part in establishment of the republic of Korea by the refusal of the U.S.S.R. to permit the United Nations temporary commission to observe free elections in that part of Korea occupied by the Soviets."

This day of the republic's proclamation was the third anniversary of Korea's liberation from Japanese rule. MacArthur, whose troops freed the southern half of the country and two-thirds of the population, flew here from Tokyo with Mrs. MacArthur for the inaugural ceremonies.

President Rhee said that in the hope of unification, "we will first appeal to the sense of justice of the people of the Soviet republics and will then appeal to the world conscience. No nation, however powerful, should be allowed to occupy the territory of its weak neighbors if the nations ever intend to establish lasting peace."

Recognized By U.S. And China

[Actually, the Russians are sponsoring a government in North Korea, which like the one on the south, aims at sovereignty over all Korea. The division of the country, which began as a temporary military expedient, is deeper than ever after three years.]

The new republic in Seoul has been recognized by the United States and China, both of whom have sent envoys with the rank of ambassador.

To Rhee's assertion that the new government must count on assistance of friendly nations, Lieut. Gen. John R. Hodge made this reply:

"I can promise that we Americans will do everything we can to assist in stabilizing the Korean Government until it completes its adjustment in internal and external affairs."

Hodge, who has commanded American occupation forces since their first arrival in Korea, also announced that the military government was ceasing as of midnight tonight and would become the civil affairs section of United States headquarters. As such, it will undertake the long job of transferring government functions entirely to the republic.

Dr. Luna Also Speaks

Dr. Rufino Luna, of the Philippines, chairman of the United Nations commission which observed the May 10 election that led to the republic, also was a speaker.

"A few minutes ago you hoisted your Korean national flag," he said. "Keep that flag flying by unshakable national unity and let it remain hoisted by the unwavering patriotism of every Korean."

MacArthur urged Koreans to secure the well-being, dignity and opportunity of the individual and thus to "evolve here a strong nation of happy and industrious citizens which will prove an impregnable bulwark against the assaults of all dissident elements."

He concluded that "the defense of the democratic way of life rests more than all else in the human spirit. He alone is fit to enjoy the blessings of personal liberty who is ready at all times to defend it."

MEXICO FIGHTS PRICES

Government Opens Own Markets, Dumps Food at Ceiling

MEXICO CITY, Aug. 14 (AP)—The Government began war today on the high-price front by opening its own markets and dumping food at official ceiling prices.

Thousands jammed the new market in Colonia del Valle and bought local produce considerably cheaper than at a near-by-commercial market.

Federal District Governor Fernando Casas Aleman promised another Government market for Peralvillo suburb early next week, and five others in the near future.

By arrangement with the National Federation of Farmers, most food was being purchased from truck gardens of outlying Xochimilco and sold at cost plus a small margin to cover distribution and operation of the market.

Canada Confirms Uranium Strike

VANCOUVER, B. C., Aug. 14 (AP).—The discovery in British Columbia of radio-active uranium, the world's most coveted mineral, was reported today by a prospector and confirmed by a provincial official.

The strike of the mineral used in atomic energy production was by Ernest Johnson, 35, a veteran Canadian prospector.

The find is located near Gunn Lake in the Bridge River district, about 120 miles north of Vancouver.

Dr. J. F. Walker, Deputy Minister of Mines, confirmed Johnson's claims.

"It's uranium, all right," he said. "It is the first authentic discovery in British Columbia of which we have definite information."

Uranium In British Columbia

Vancouver, B.C., Aug. 14 (AP)—Discovery in British Columbia of radioactive uranium, the world's most coveted mineral, was reported today by a prospector and confirmed by a provincial official.

The strike of the mineral used in atomic energy production was by Ernest Johnson, 35, a veteran Canadian prospector.

Location of the find is near Gunn Lake in the Bridge River district, about 120 miles north of Vancouver.

Dr. J. F. Walker, deputy minister of mines, confirmed Johnson's claims.

"It's uranium, all right," he said. "It is the first authentic discovery in British Columbia of which we have definite information.

"Our tests of ore samples sent by Johnson are not finished yet. We don't know how much uranium exists there, and we haven't yet identified the mineral in the samples. We do know, however, that the mineral is radioactive, and that it contains uranium."

Johnson and Egil Lorntzen have formed the Pacific Uranium Syndicate to develop the property.

Under 1948 legislation, the Dominion Government guarantees to buy for the next five years all uranium ore and concentration produced. It is illegal to sell to anyone except the Government.

Patterson Is Likely to Head New Spy Inquiry Witnesses

House Group May Bring Hiss and Chambers Face to Face and Demand Intelligence Report on Silvermaster.

Washington, Aug. 14 (A. P.).—The House Committee on Un-American Activities took a week-end breather to prepare for several more sessions next week. The identity of witnesses to be heard was not disclosed. But some committee members were considering calling former Secretary of War Robert P. Patterson and two earlier witnesses, Whittaker Chambers and Alger Hiss.

There also was talk of demanding an Army intelligence report on Nathan Gregory Silvermaster, who has denied a charge by Elizabeth T. Bentley that he headed a group of Communist operatives in the Government.

Chambers and Miss Bentley have brought into the investigation the names of more than a score of past or present Government workers and officials they said were mixed up in one way or another with the Communist activities here several years ago. Miss Bentley also told a radio audience last night that she has not yet named everybody she knows who was connected with the wartime espionage operations. She said that she had not been promised immunity "or anything else" for her testimony before the House committee.

Put Face to Face.

The committee wants Chambers and Hiss to face each other because their stories were so diametrically opposite that committee members publicly asserted that some one had committed perjury and ought to go to jail. The Justice Department is studying their testimony with a view to possible prosecution for lying under oath.

Patterson's name was brought into the hearing yesterday by Lauchlin Currie, an administrative aid to the late President Roosevelt. Currie, who was heard at his own request, flatly denied accusations leveled at him in earlier hearings. He testified he was not and is not a Communist, never interceded to keep Communists on the Federal pay roll and never furnished them information.

In June, 1942, he said, he learned that the Board of Economic Warfare, where Silvermaster was employed, had received an Army Intelligence report which, if true, "made his employment undesirable." He said he knew Silvermaster socially and professionally and had no reason at the time to question his loyalty.

He said he sent a routine request to Patterson to review the matter but attached no recommendation. Later, he said, Patterson advised him that a review of the report failed to substantiate the charges. The report was withdrawn.

Another former top official, Harry D. White, assistant Secretary of the Treasury until he resigned last year, also denied statements that he was a member of an "elite" group in the Communist "apparatus" in Washington. So did yesterday's other four witnesses: Dr. Bela Gold, University of Pittsburgh professor; his wife, Sonia Gold; Frank Coe, secretary of the International Monetary Fund, and Donald Hiss, former Government official and brother of Alger Hiss.

All had been linked by Chambers or Miss Bentley either directly or indirectly with what their accusers called spy groups.

1,000,000 Men Needed For Defense by June '49

WASHINGTON, Aug. 14 (AP).—The Government needs a million new soldiers and military supply workers by June, 1949.

That's the estimate made today by Robert C. Goodwin, the Nation's top employment specialist, in a survey of draft and military supply manpower requirements due to the expanding defense program.

The impact falls on an already tight labor market. Spot shortages already exist in many localities, particularly for skilled, technical and clerical workers.

Employment already is at an all-time high, with 61,600,000 working.

Goodwin, director of the U. S. Employment Service, said in his report, however, that he felt the new draft and military supply manpower needs could be met without disrupting the civilian manufacturing and farm economy.

Probably around 62,000,000 persons will be employed by next summer, he said.

This is the way Goodwin feels the military manpower needs can be licked without draining civilian production:

"Some will become available as a result of population growth and normal increases in the civil labor forces. Others will have to be recruited from outside the labor force.

"While no over-all shortages of workers are anticipated, labor shortages will continue in certain sections of the country, and new ones may develop in others.

"The manpower problem is one of recruitment and placement on a large scale. This includes movement of hundreds of thousands of workers to expanding industrial centers, safeguarding of skills vital to further expansion, training of workers to specific needed skills, stabilization of turnover and absenteeism at low rates, and provision of adequate housing, feeding and community facilities."

Expiring enlistments in the armed forces will add to the labor supply, too, as younger men are drafted, Goodwin said.

But all this switching in jobs means a bigger task for the Employment Service and the State offices over the Nation. Goodwin said they have made 20,245,000 job placements in three years since Sept. 1, 1945. In the seven months of 1948 they have made 4,161,000 job placements.

One amazing thing in the employment picture, Goodwin said, is that farmers are producing all-time record crops this year with a smaller labor force than they had in 1947. He attributes this to favorable weather and increased farm mechanization.

18-YEAR-OLDS FOUND SLOW IN VOLUNTEERING

Older Men's Enlistment Rush Overcrowds Four Training Centers

Washington, Aug. 14 (AP)—The third anniversary of the end of fighting in the second World War finds the United States rebuilding its military forces through selective service, with bright and dark spots showing up.

The big Army disappointment is the slowness with which 18-year-olds are volunteering.

The selective service law authorizes the armed forces to take in 110,000 18-year-olds who, if they volunteer for one year's training and six years in the organized reserve, are draft exempt. These teen-ages would be apportioned among the three services.

Only 2,655 In First Ten Days

It had been expected the teen-agers would rush to sign up, and there were reports the first day the law became effective, July 21, that there were long lines outside recruiting offices.

But in totaling up the number who volunteered in the first ten days, the Army found it had only 2,655. There were long lines, but they were mainly other age bracket volunteers.

Army enlistments in July totaled 39,197 and are expected to equal that in August. This is one of the main factors that has delayed the Army decision on the size of its calls under the draft.

Royall's June 28 Estimates

Kenneth C. Royall, Secretary of the Army, estimated on June 28 that the Army would have to induct between 225,000 and 250,000 in fiscal 1949 to bring the Army up to the strength of 790,000 for which funds have been appropriated by Congress.

If voluntary enlistment keeps up near the present rate, the total need for fiscal 1949 could be well under 225,000.

The Army would not give an estimate today on the size of its first call, except to say that it would be much less than 25,000. Some talk is that it might be as low as 10,000.

"We don't want too large a number at the beginning so we can test out the machinery," said Col. John H. Riepe, chief of the Army Manpower Control Board.

Registration Begins August 30

Another difficulty in calculating the size of the first draft call is that during the next few months the three-year enlistment period of men who signed up right after the war is ending.

Registration begins August 30 for men born after August 30, 1922, and continues through September 17, for those born before September 19, 1930.

Inductees will not likely be in uniform before mid-November at the earliest, army officers indicated.

The increase in voluntary army recruitment has so overcrowded the four training centers—Fort Ord, Cal., Fort Jackson, S.C., Fort Dix, N.J. and Fort Knox, Ky.—that some trainees have had to be sent to field installations.

Four More Training Centers

The Army is opening four additional training centers. The first of these at Camp Breckenridge, Ky., will be in operation August 20 and the others at Fort Riley, Kan., Camp Chaffee, Ark., and Camp Pickett, Va., about October 1.

Maj. Gen. John H. Dalquist, Army deputy personnel chief, said the Army intends to make a determined effort to get combat veterans now graduating from colleges to come into the Reserve as second lieutenants and go on active duty for two years.

"These former GI's, many of whom are only 22 and 23 years old, are a wonderful source of officers," he said.

In about three years the ROTC in colleges will be producing about 22,000 second lieutenants, but at the moment the Army is especially short of this grade.

Both the Air Force and Navy have said they expect to fill their manpower needs this year without resorting to selective service.

New ECA Freight Subsidy To Cut Relief Parcel Cost

By The United Press

WASHINGTON, Aug. 14—The Economic Cooperation Administration tonight announced new regulations for subsidizing freight charges for relief packages to some Marshall Plan countries.

The new program will reduce the cost for persons who buy relief packages at stores or through food packaging concerns which ship a lot of parcels by ocean freight on a single bill of lading.

Subsidies ranging from a little less than 1½ cents to nearly 4½ cents a pound will be paid for packages sent to France, Belgium, the Netherlands, Luxembourg, Great Britain, allied occupation zones of Germany, Italy, Greece, Trieste, and China.

The new regulations do not apply to individual parcel post relief shipments which already qualify for a 4½-a-pound reduction in postal rates under a previously announced ECA subsidy.

3 Navy Vessels To Visit India And Pakistan

Washington, Aug. 14 (AP)—Three Navy vessels are en route to India and Pakistan for the first good-will visit since those countries acquired dominion status, the Navy announced today.

Admiral Richard L. Conolly, commander in chief of United States naval forces in the Eastern Atlantic and Mediterranean, will fly from London to Karachi Tuesday to direct the twelve-day visit.

Conolly will use the heavy cruiser Toledo as his flagship. Rear Admiral Roscoe F. Good, commander of Cruiser Division 3, also will be aboard.

Other Ships Due

Other ships on the cruise are the destroyers Chevalier and Higbee. They are due in Karachi August 18 and will remain there until August 23 before proceeding to Bombay for a five-day stay—from August 25 to 30.

En route from the Western Pacific to the Indian Ocean the vessels visited Singapore, August 6 to 7, and Trincomalee, Ceylon, August 12 to 13.

88th Infantry Convention

WASHINGTON, Aug. 14 (AP).—Veterans of the 88th "Blue Devil" Infantry Division, the first selective service division to see combat in World War II, will hold their first annual convention on Aug. 19, 20 and 21 at the Hotel Commodore in New York, Arthur Kahn, of New York, announced today. The division was organized at Camp Gruber, Oklahoma, on July 15, 1942, and landed in Africa in December, 1943.

United Nations Activities Await East-West Agreement

Lake Success, N.Y., Aug. 13 (AP). The United Nations today reached the stage where little further progress can be expected on major issues until Moscow and Washington reach an agreement.

With this situation prevailing, the Security Council is idling along while keeping a close watch on the big power talks over the Berlin situation. It is the general feeling here that the impact of the Kremlin conferences extends beyond the German problem. The ultimate outcome is viewed as a barometer of future East-West relation in all spheres.

If the Moscow talks fail, the situation may come to a head anyway in Paris at the Fall meeting of the 58-nation General Assembly.

Stalled After Three Years

The futility of endless debate at Lake Success under present conditions has become apparent in the handling of plans for a world police force and international control of atomic energy. Both are deemed necessary to a successful peace agency. But after nearly three years, delegates still are stalled by basic differences between Washington and Moscow.

The Security Council openly admitted failure in the atomic talks and threw the problem to the Assembly with the hope the overall international picture will brighten.

On the international police force called for by the charter to give teeth to the United Nations, the Council quietly pigeon-holed the "continued stalemate" report of its military staff committee.

While entertaining little hope of accomplishing anything, delegates nevertheless have moved carefully to avoid being charged with sabotaging steps to help insure peace.

Army Status As Example

For example nearly everyone here concedes the world is not now in a position to reduce armaments. But arms reduction talks—touched off by the surprise proposal by Vyacheslav M. Molotov, Soviet Foreign Minister, to the 1946 Assembly—droned on for months.

Finally, the Western power majority passed a resolution declaring there could be no actual arms slashing until international confidence is restored. The majority cautiously noted that discussion of plans should go ahead anyway. No date was set for these talks, but it was hoped the gesture would head off Soviet charges the Western powers were stalling.

Security Council delegates welcome the temporary move to Paris. They already are packing bags and hope to wind up business here next week. By the time the Assembly meeting starts September 21, the diplomats hope the Americans and Russians will have their cards on the table.

78th Division Veterans Hold Fort Dix Reunion

FORT DIX, N. J., Aug. 14 (AP).—Men who fought in World War I and II with the 78th Division met here today for their annual reunion.

The members of the 78th Division Association, wearing overseas caps in colors of famed units, renewed friendships and swapped stories of war-time adventures.

Some arrivals came from as far as North Carolina, and registrants were expected from the West Coast before the reunion ends tomorrow. Those attending include Major General Edwin P. Parker jr., present provost marshal of the Army and former war-time commander of the division.

The three-day program opened yesterday when elements of the 9th Infantry Division marched in review.

Eastern U.S. Is Hardest Hit By Increased Cost of Living

NEW YORK, Aug. 14 (AP).—Big Eastern cities are taking the worst beating from the high cost of living. It is almost as bad on the West Coast. Southerners can live a little cheaper. The Midwest is getting off the easiest, although taking a drubbing, too.

A 16-city survey showed today that in some places, particularly in the Midwest, the cost of some foods is actually lower than last August. Surprisingly "low" prices are reported here and there on some foods.

MEAT BILL HIGHER

But in almost every city the meat bill is about 25 percent higher than last year and from 170 to 200 percent higher than in 1939.

In the average city you pay 17 percent more for bread than last August and 75 percent more than in 1939.

Your milk bill has soared everywhere, for an average of 17 percent above last year and 91 percent above pre-war.

On the other hand, you pay on the average only 72 cents a dozen for eggs, against 71 cents last August. Of course, you paid only 29 cents in 1939.

Butter is only six per cent above last year, but a whopping 162 per cent above 1939.

A can of tomatoes has gone up 10 per cent in the year, and 133 per cent in the past nine years.

Housing costs have gone up slightly this year, but are two to three times the 1939 average.

Results Of 16-City Survey

Cotton clothing—men's shirts and women's dresses—is either as low as or slightly lower than last year. Woolen clothing has continued to advance. Both are double or better than 1939 prices. Shoes are about the same as last year, and less than twice prewar.

Here is what the sixteen-city survey shows in each of ten food items, homes, men's suits and shirts and shoes, and women's dresses and shoes:

GROUND ROUND STEAK—A pound now costs 91 cents, on an average, in the sixteen cities. In the same places last August it cost 74 cents, and in 1939 it cost 33. That makes it 23 per cent higher than last year and176 per cent above 1939.

It costs the most in New York and Baltimore—$1.10 a pound, but it costs $1.05 in Denver, near the cattle country. It's in the upper nineties in New Orleans, Chicago, Cincinnati and St. Louis.

Cheapest ground round is the 65 cents Los Angeles reports. Dallas pays only 78 cents and Kansas City 79. The price went up 48 cents a pound in Chicago over last year, and was unchanged in Kansas City and up only 6 cents in Los Angeles.

Bacon Lowest In Baltimore

BACON—The breakfast delicacy is only 78 cents a pound, on the average, this year, compared with 76 cents last August, when it was out of line with other meats. The 2½ per cent price increase this year compares with 169 per cent jump over the 1939 average price of 29 cents.

Bacon prices are lower this year than last in Denver, Chicago and Minneapolis; unchanged in New York, Philadelphia, St. Louis, San Francisco and Cincinnati. The biggest advance was 10 cents a pound in New Orleans, and 9 cents in Kansas City.

The highest price reported now is 89 cents in Kansas City; the lowest 49 cents in Baltimore. In 1939 Chicago paid 26 cents and Baltimore 20.

Pork Chops Average Price

PORKCHOPS—The national average price is now 86 cents a pound, a 14 2-3 per cent gain over the 75 cents in 1947, and 196 per cent above the 29 cents paid in 1939.

Porkchops cost less now than last year in Atlanta, San Francisco and Denver. But they advanced 30 cents a pound in Kansas City.

Highest price is the 99 cents Boston pays; lowest the 69 cents in Atlanta.

Since 1939 prices jumped most in Los Angeles—78 cents; least in New Orleans—32 cents a pound.

LAMBCHOPS—The average price for a pound of lamb chops in the sixteen cities is $1.01½. That is 27 per cent more than the 80 cents in 1947, and 174 per cent more than the 37 cents in 1939.

Los Angeles pays the most—$1.15. Others paying more than $1 are New York, Philadelphia, Boston, Denver, Seattle, Baltimore and Cincinnati. St. Louis pays the least, 75 cents.

Biggest Bread Rise Here

Lamb chops went up 50 cents a pound this year in Los Angeles, but only 9 cents in New Orleans. Los Angeles also had the greatest increase over 1939—a jump of 97 cents. New Orleans again was the least—a 29-cent hike over prewar.

SIRLOIN STEAK—This nostalgic item brings $1.03 a pound, on the average. A year ago it was 81 cents; in 1939 it was 35 cents—gains of 27 per cent in the year and 194 1-3 per cent in the nine years.

Prices are highest in New Orleans—$1.25 a pound; lowest in Kansas City—93 cents. They top $1 in Denver, Baltimore, New York, Dallas and Seattle.

Biggest advance this year was the 45 cents in Baltimore; least the 8 cents in Philadelphia. Biggest jump since 1939 was 86 cents in Baltimore; least, 50 cents in Philadelphia.

Milk 11 Cents In 1939

MILK—A nation-wide average increase of 3 cents a quart this year is reported for milk. The national average now is 21 cents, up 16 2-3 per cent over 1947, and 91 per cent above the less than 11 cents a quart paid in 1939.

Worst hit was St. Louis. It reports a 25-cent price now, against 10 cents in 1939. Paying 20 or better are Boston, New York, New Orleans, Chicago, Minneapolis, Dallas and San Francisco.

The biggest hike this year was the 7 cents in Kansas City. Minneapolis got off lightest with a 2-cent increase.

Lowest prices are the 19 cents paid in Seattle, Los Angeles and Denver and the 19½ cents in Cincinnati.

Butter Drops In Baltimore

BUTTER—The spread did its biggest jumping more than a year ago. It now averages 89 cents a pound, only 6 per cent above the 84 cents last August, but 162 per cent above the less-than-34-cents average in 1939.

During this year butter has dropped in Baltimore, St. Louis, Denver, Philadelphia, and is unchanged in New Orleans. The greatest advance was 19 cents in Atlanta. That Southern city now pays 69 cents more than in 1939.

Highest prices now are the 98 cents in Atlanta and the 94 in San Francisco and Los Angeles; lowest the 79 cents in Baltimore. Figures in the 80's are common in the mid-West.

BREAD—The average 12-ounce loaf now costs 14 cents, more than 17 per cent higher than the 12 cents last year and a good 75 per cent above the 1939 average of less than 8 cents.

New Orleans' Lamb Chops Cheaper

However, prices have declined this year in Kansas City and New York, and are unchanged in New

Orleans, Chicago and Cincinnati. The biggest advance was 4 cents in Baltimore, for a 16-ounce loaf, and 3 cents in Boston and Seattle.

Baltimore's big loaf was 19 cents. Philadelphia, Dallas, Los Angeles and Seattle pay 15 cents. Lowest price is the 10 cents reported by Chicago and Cincinnati for the 12-ounce loaf.

Eggs Close To Last Year

EGGS—Hen fruit is the closest to last year's price—an average 72 cents a dozen now, against 71 cents then—but up 148 per cent over the 29 cents of 1939.

Prices dropped this year in Baltimore, Denver, Atlanta, Kansas City, Seattle, San Francisco and Cincinnati, and are unchanged in New Orleans. The biggest gain was 10 cents a dozen in Philadelphia, followed by 9 cents in Minneapolis.

Highest prices today are 89 in Philadelphia, 87 in New York and 85 in Boston. In the Hub city prices went up 55 cents since 1939.

Canned Tomatoes Gain

CANNED TOMATOES—The No. 2 can now sells on the average at 21 cents, up more than 10 per cent over the 19 cents a year ago, and 133 per cent above the 9 cents in 1939.

Prices range from the highs of 31 cents in Seattle and 29 in New York to the lows of 10 cents in Dallas and 14 in Kansas City.

Dallas reported prices 3 cents lower than last year. Other drops were noted in Atlanta, Denver, Cincinnati; while New Orleans and Baltimore were unchanged. Biggest advance was New York's 12 cents a can.

Shoe Prices Hold Uniform

SHOES—Brand prices hold pretty uniform across the country.

Men's shoes in the low-priced field, which brought $3.95 in 1939, had jumped to $6.45 by last August, but were up to $6.95 now.

Women's plain pumps, bringing $3.95 to $4 in 1939, advanced to $5.95 and $6 last year. They are unchanged now, and dealers say no increase is expected this fall.

SHIRTS—The lowest priced shirt, which chain stores sold at $1 in 1939, jumped to $3.98 in 1945. By last August they were back to $2.98, and are now on sale at $2.79.

MEN'S SUITS—Brand name suits, in the low price field, that sold at $25 in 1930, went to around $50 by last August. They are now $55. And there is talk of further advances in the spring.

WOMEN'S DRESSES—The cheapest of printed percale house dresses, sold by chains at $1 in 1939, were priced at $2.98 last August. The same price holds today.

HOMES—The sixteen cities showed house prices were up only fractionally over a year ago, but at least double the 1939 figure.

Boston reported a $7,500 house in 1939 now brought $18,000 but said that was down $2,000 from last year. On the other hand, Atlanta said the 1939 house of $7,500 jumped to $13,500 by last August, and to $13,000 to $18,000 today. Gains of around $2,000 a house in the last year were reported in Denver, New York and Minneapolis. Prices unchanged from a year ago were reported by Philadelphia and New Orleans.

Lowest House Prices Here

Highest present prices for the house costing $7,500 in 1939 were in Denver, where all-union labor is used now in contrast to non-union prewar, and the price is up to $19,000 to $21,000, and in San Francisco where the price range is $18,000 to $21,000.

Lowest present prices are $13,000 in Los Angeles and Baltimore.

The most common figure given was $15,000 now for the house costing $7,500 in 1939.

Supply Is Catching Demand In Radioactive Material

Chicago, Aug. 14 (AP)—Supply is catching up with demand in one of the world's newest substances—man-made radioactive materials.

So comparatively plentiful have such materials become that the Government no longer assigns priority ratings among qualified applicants.

This has been made possible by a rapid increase in production in laboratories of the Atomic Energy Commission, two AEC chemists reported today.

Report Delivered

Drs. Nathan H. Woodruff and S. Alan Lough, of the AEC's isotopes division, Oak Ridge, Tenn., reported on the availability of radioactive materials at the American Chemical Society's symposium on nucleonics and analytical chemistry.

Radioactive materials still are allotted primarily through institutions, private or public, profit or nonprofit, their report said. However, the definition of an applicant has been expanded to include "any institution or person who is in a position to accept legal responsibility and financial obligations and is adequately equipped to handle radioactive material." An applicant must state the proposed use of the materials he seeks.

Have Varied Uses

Radioisotopes are made by bombarding ordinary elements with neutrons in the Government's atomic ovens. They are used in medical treatment and research and industrial research.

Chemists said that in addition to the common isotopes, ultrapotent preparations can be made for special use. Scientists requiring unusual isotopes can have them made in the atomic ovens if they furnish their own raw materials.

ROYALL HOLDS U. S. WILL STAY IN BERLIN

Army Secretary Also Tells Virginia Bar We 'Will Not' Be Coerced by Soviet

WHITE SULPHUR SPRINGS, W. Va., Aug. 14 (AP)—Secretary of the Army Kenneth C. Royall said tonight the United States Government "will not be coerced" in the current diplomatic discussions in Moscow.

"We had a legal and moral right to stay in Berlin and to travel to and from Berlin with supplies and personnel," he said at a meeting of the Virginia State Bar Association. "So we stayed there—and we will stay."

"We intend to maintain a line—a sufficient line—of supply and transportation with Berlin," Mr. Royall added. "We are not provocative—and do not intend to be—but we will stand firm."

Concerning the Moscow discussions, the Army Secretary said:

"Despite events of the past we are willing to consider fairly and frankly any problems that arise in Germany or elsewhere. That has always been our position. But we will not be coerced into making any agreement—will not be coerced by a blockade or otherwise."

Further, Mr. Royall praised Gen. Lucius D. Clay and Gen. Douglas MacArthur for their judgment and executive ability in administering the United States occupation zones in Germany and Japan. But, he said, "they do not make policy."

"General Clay in the administration of occupied Germany and General MacArthur, in a similar role in Japan, operate under the command of and pursuant to directives issued by our Government," he asserted. "such directives, of course, are in conformity with the broad policies of the President and the Department of State."

In actual occupation matters, he added, the Army acted with the State Department in policy determinations, but in the broader diplomatic field, the responsibility belonged to the State Department.

Mr. Royall referred to criticism of the decision, a year ago, to remove several hundred plants from the German war reparations list in an effort to make Germany self-supporting.

"Today," he said, "The European Recovery Program requires further review of the reparations program and discussions with other nations in the interest of general European recovery."

Mr. Royall said that the de-nazification trials in Germany for "principal members of the party and those closely associated with it" were about over.

"As to others—minor Nazis or followers—we are abandoning any plans for prosecution, and we are thereby inducing a quicker economic and political recovery in Germany—and in Japan," he said.

It had been suggested, he added, that "complete de-nazification proceedings would deprive Germany of the services of almost all of its men and women of ability, and would end the chance for either recovery or democracy."

SOVIET AIM TO RULE SCOUTED BY TAYLOR

Russians Who Seek to Remain in U. S. Cited by Progressive as Disproving World Plot

SPRINGFIELD, Ill., Aug. 14 (AP)—Senator Glen H. Taylor of Idaho, Progressive party nominee for Vice President, said today that Soviet Russia "is in no position to threaten or fight anybody" and that its citizens were not "anxious to give their lives to spread communism over the world."

Mr. Taylor was the principal speaker at an Illinois State Fair campaign rally for the Wallace-Taylor ticket. He joined the Illinois Progressive nominees for Governor and United States Senator in denouncing their Republican and Democratic rivals as "Red-baiters, militarists and monopolists."

Grant W. Oakes, Congress of Industrial Organizations leader and the Progressive choice for Governor, called for immediate state laws to cut high prices and stop rental evictions.

Curtis MacDougall, Northwestern University journalism professor who is the Progressive nominee for the Illinois seat now held by C. Wayland Brooks, Republican, assailed Congressional investigation of Communist activities in this country.

Their speeches were made in front of the fair grounds grandstand in a program that included ballad singers, square dancers and musicians headed by a Chicago "disk jockey" as master of ceremonies.

Mr. Taylor said that "the two old parties have tried to smear the new Progressive party as red because we have firmly insisted that peace with Russia is absolutely necessary and possible."

He declared that "recent examples of Soviet citizens seeking to remain in the United States make the contentions of some people that the Russian masses are anxious to give their lives to spread communism over the world seem to be a slight exaggeration, at least."

Furthermore, he said, "the independence displayed by the Yugoslavs" in Marshal Tito's break with the Kremlin "can and may happen with regard to other of the so-called dominated countries" behind the "Iron Curtain."

He said the Soviets "desperately crave peace" and "the chinks in the Russian armor that have recently appeared" showed that American armament plans were unnecessary and only served to keep prices high.

He ended his half-hour speech before a small crowd by singing "It's a Long Way to Tipperary" while his wife Dora simultaneously sand "What You Gonna Do When the Rent Comes 'Round?"

Two other Vice-Presidential nominees, Democratic Senator Alben W. Barkley of Kentucky and Republican Gov. Earl Warren of California, will speak at separate political programs Wednesday and Thursday at the fair.

Fairbanks Going to Europe

Head of CARE Committee to Survey Food Needs for Winter

HOLLYWOOD, Aug. 14 (AP).—Douglas Fairbanks Jr., national chairman of the Share-Through-CARE Committee, announced today that he will leave Monday to make a survey of European food needs for the coming winter. The film producer and actor said he will visit England, France, Holland, Belgium and Italy to check on distribution problems and inspect CARE organizations in those countries.

Mr. Fairbanks said 5,000,000 food packages were sent to Europe in 1947 and that CARE, a non-profit organization, hopes to double this figure in 1948. "Food left by the American Army from the war has been exhausted, and it is imperative that Americans top the 10,000,000 mark in food packages," he said.

NIGHT LEAD RUSSIAN-DIPLOMATIC (ROUNDUP)
BY JOHN M. HIGHTOWER

WASHINGTON, AUG 14-(AP)-THE UNITED STATES REJECTED RUSSIAN DEMANDS TODAY TO PUT MRS. OKSANA STEPANOVNA KOSENKINA UNDER 24-HOUR SOVIET GUARD AND REMOVE HER FROM THE NEW YORK HOSPITAL WHERE SHE NOW HAS THE PROTECTION OF AMERICAN POLICE.

IN A DRAMATIC 100-MINUTE MEETING AT THE STATE DEPARTMENT, UNDER-SECRETARY OF STATE ROBERT A. LOVETT TOLD RUSSIAN AMBASSADOR ALEXANDER S. PANYUSHKIN THAT THE AMERICAN GOVERNMENT HAS NO RIGHT FORCIBLY TO REQUIRE THE INJURED REFUGEE SCHOOL TEACHER TO SEE ANYBODY OR TO PLACE HERSELF UNDER THE CONTROL OF ANYBODY AGAINST HER WILL.

THE MEETING BETWEEN LOVETT AND PANYUSHKIN, WITH ITS GRAVE INTER-NATIONAL IMPLICATIONS, CAPPED A SERIES OF DEVELOPMENTS TODAY WOVEN TO THE SAME BACKGROUND OF UNEASY SOVIET-AMERICAN RELATIONS:

1. MRS. KOSENKINA WAS SERVED WITH A SUBPOENA FROM THE HOUSE COM-MITTEE ON UN-AMERICAN ACTIVITIES. IT PUT HER UNDER THE FULL PROTEC-TION OF THE UNITED STATES GOVERNMENT.

2. MEMBERS OF THE HOUSE COMMITTEE EXPRESSED DEEP CONCERN THAT PERJURED TESTIMONY MAY HAVE BEEN GIVEN BY SOME OF THE WITNESSES THE OMMITTEE HAS HEARD IN ITS INVESTIGATION OF AN ALLEGED SOVIET SPY RING IN WARTIME WASHINGTON. SOME OF THE COMMITTEEMEN WANT TO USE LIE DETECTORS TO CHECK ON THE CONFLICTING STORIES ABOUT INVOLVEMENT OF HIGH GOVERNMENT OFFICIALS.

3. THE RUSSIAN PRESS ACCUSED AMERICAN POLICE AND INTELLIGENCE SERVICE MEN OF A "CRUDE VIOLATION" OF THE IMMUNITY OF THE SOVIET CONSULATE IN NEW YORK IN THE KOSENKINA INCIDENT. TASS, THE SOVIET PRESS AGENCY, DECLARED THAT MRS. KOSENKINA "FELL" FROM THE CONSULATE WINDOW LAST THURSDAY. SHE SAYS SHE WAS KEPT A PRISONER IN THE CON-SULATE BEFORE HER LEAP TO LIBERTY.

PANYUSHKIN, AT THE OUTSET OF THE CONFERENCE AT THE STATE DEPART-MENT, HAD PRESENTED TO LOVETT MOSCOW'S FOURTH NOTE OF PROTEST AND DEMANDS CONCERNING THE CASES OF MRS. KOSENKINA AND TWO OTHER SCHOOL TEACHER REFUGEES WHO ALSO WANT TO STAY IN THIS COUNTRY, MR. AND MRS. MIKHAIL IVANOVITCH SAMARINE.

TODAY THE NOTE WAS CONCERNED, AS WAS THE LENGTHY DISCUSSION WHICH FOLLOWED ITS PRESENTATION, EXCLUSIVELY WITH MRS. KOSENKINA.

PANYUSHKIN DEMANDED THAT THE AMERICAN GOVERNMENT ALLOW THE SOVIETS TO TAKE FOUR STEPS WHICH WOULD RESULT IN PLACING MRS. KOSENKINA COM-PLETELY UNDER THEIR CONTROL ONCE MORE. DISREGARDING THE FACT THAT SHE IS REPORTED TO HAVE DECLARED SHE WANTS NOTHING MORE TO DO WITH SOVIET OFFICIALS, HE ASKED:

AUG 1948

THAT YAKOV LOMAKIN, THE SOVIET CONSUL GENERAL IN NEW YORK, SHOULD BE PERMITTED TO POST A 24-HOUR GUARD.

THAT LOMAKIN SHOULD BE PERMITTED TO SEE MRS.KOSENKINA.

THAT SHE SHOULD BE PLACED "UNDER THE PROTECTION" OF THE SOVIET CONSULAR AUTHORITIES.

THAT SHE SHOULD BE MOVED TO WHATEVER PLACE THE CONSUL GENERAL WANTS TO MOVE HER.

THROUGH PRESS OFFICER MICHAEL J.MCDERMOTT, THE STATE DEPARTMENT DISCLOSED THE SOVIET DEMANDS AS WELL AS OTHER PHASES OF THE PANYUSHKIN NOTE. THE RUSSIAN AMBASSADOR HIMSELF DECLINED TO MAKE ANY COMMENT ON HIS TALK WITH LOVETT.

ALL HE WOULD SAY IN RESPONSE TO REPORTERS' QUESTIONS AS HE EMERGED, LOOKING GRIM, FROM LOVETT'S OFFICE WAS THAT HE HAD SEEN MRS.KOSENKINA IN NEW YORK LAST SATURDAY AND ASKED HER HOW SHE HAPPENED TO HAVE BEEN A WEEK EARLIER AT A WHITE RUSSIAN FARM. SOVIET AUTHORITIES REMOVED HER FROM THAT REFUGE TO THEIR NEW YORK CONSULATE. PANYUSHKIN DENIED THAT HE HAD ASKED HER FOR A STATEMENT.

ACCORDING TO THE STATE DEPARTMENT ACCOUNT, LOVETT TOLD PANYUSHKIN THAT MRS.KOSENKINA HAD BEEN PERMITTED AT THE HOSPITAL TO SEE ANYBODY SHE CARED TO RECEIVE. HE REMINDED THE AMBASSADOR THAT SOVIET VICE-CONSUL ZOT CHEPURNYKH HAD BEEN ALLOWED TO SEE HER, EVEN THOUGH SHE HAD NOT REQUESTED THE VISIT AND HAD TOLD CHEPURNYKH WHEN HE ENTERED HER ROOM THAT SHE DID NOT WANT TO TALK TO HIM.

MOREOVER, LOVETT CONTINUED, MRS.KOSENKINA WOULD CONTINUE TO BE ALLOWED TO SEE ANYBODY SHE WANTED TO, BUT OFFICIALS OF THE AMERICAN GOVERNMENT DID NOT HAVE THE RIGHT FORCIBLY TO REQUIRE HER TO SEE ANYONE OR PLACE HERSELF UNDER THE CONTROL OF ANYONE AGAINST HER WILL.

PANYUSHKIN THEN TOLD LOVETT THAT HE DID NOT REGARD PRESS REPORTS OF CHEPURNYKH'S INTERVIEW AS ACCURATE AND SAID HE WOULD OBTAIN ANOTHER REPORT FROM THE VICE-CONSUL HIMSELF.

PANYUSHKIN PROTESTED AGAINST WHAT HE SAID WAS THE ACTION OF THE NEW YORK POLICE IN ENTERING THE SOVIET CONSULATE AND SEARCHING THE INJURED WOMAN'S ROOM. THE STATE DEPARTMENT ACCOUNT DID NOT MAKE CLEAR WHEN THIS ALLEGED INCIDENT WAS SUPPOSED TO HAVE OCCURRED. LOVETT TOLD THE AMBASSADOR THAT THE STATE DEPARTMENT HAD NO REPORT OF SUCH AN ACTION. MCDERMOTT SAID THE DEPARTMENT HAD REQUESTED ONE DIRECTLY FROM THE AUTHORITIES IN NEW YORK.

PANYUSHKIN ALSO ARGUED THAT THE ALLEGED ENTRY OF THE CONSULATE BY THE POLICE HAD VIOLATED THE EXTRATERRITORIAL STATUS OF THE CONSULATE AND FURTHERMORE THAT THE ACTIONS OF AMERICAN OFFICIALS WERE PRE-VENTING CONSUL GENERAL LOMAKIN FROM CARRYING OUT HIS DUTIES.

AUG 1948

WHILE THE VERBAL EXCHANGES OF LOVETT AND PANYUSHKIN PROVIDED THE SUBSTANCE OF AN AMERICAN ANSWER TO TODAY'S NOTE, IT SEEMED CERTAIN THAT A FORMAL REPLY WOULD BE MADE LATER ON.

SO FAR NONE OF THE PREVIOUS PROTESTS HAS BEEN ANSWERED. TWO OF THESE WERE MADE BY PANYUSHKIN AND ONE WAS PRESENTED TO THE AMERICAN AMBASSADOR IN MOSCOW, WALTER BEDELL SMITH, BY SOVIET FOREIGN MINISTER MOLOTOV.

PANYUSHKIN ARRIVED AT THE STATE DEPARTMENT AT 11:30 A.M. WASHINGTON (EDT) TIME AND WENT IMMEDIATELY INTO LOVETT'S OFFICE. THE CONFERENCE LASTED UNTIL 1:10 P.M. THE SOVIET AMBASSADOR WAS ACCOMPANIED BY BORIS M.KROTOV, FIRST SECRETARY OF THE EMBASSY, WHO SERVED AS INTER-PRETER.

LOVETT WAS AIDED IN THE CONFERENCE BY STATE DEPARTMENT COUNSELOR CHARLES E.BOHLEN, A RUSSIAN EXPERT AND INTERPRETER, AND ERNEST A. GROSS, LEGAL ADVISER.

WHEN THE CONFERENCE ENDED, PANYUSHKIN REPLIED "NO COMMENT" TO REPORTERS WHO ASKED WHAT IT ALL WAS ABOUT. WITH THE NEWSMEN QUESTIONING HIM, HE KEPT DRIVING AHEAD TOWARD THE ELEVATOR, OBVIOUSLY PREFERRING NOT TO ANSWER ANY QUESTIONS.

UNDER PERSISTENT INQUIRY HE FINALLY SAID TO AN ELEVATOR CROWDED WITH NEWSMEN THAT HE HAD SEEN MRS.KOSENKINA LAST SATURDAY WHEN SHE CAME FROM "THAT FARM", AS THE INTERPRETER EXPRESSED IT.

THERE HAD BEEN REPORTS IN NEW YORK THAT THE AMBASSADOR HAD SEEN MRS.KOSENKINA AND HAD ASKED HER FOR AN AFFIDAVIT THAT SHE WAS NOT HELD PRISONER AT THE CONSULATE BUT WAS THERE OF HER OWN FREE CHOICE. THE AMBASSADOR SAID THAT HE DID NOT ASK FOR A STATEMENT. PRESSED TO RELATE WHAT INFORMATION HE HAD SOUGHT HE SAID HE ASKED HER "HOW SHE HAPPENED TO BE AT THAT FARM."

HE DROVE OFF IN HIS LIMOUSINE WITHOUT FURTHER COMMENT.

WITH RUSSIANS

NEW YORK, AUG.14-(AP)-A NEW YORK CONGRESSMEN ASKED TODAY THAT ALL SOVIET CONSULATE OFFICIALS IN NEW YORK CITY BE HELD IN THIS COUNTRY UNTIL IT WAS DETERMINED IF THEY COMMITTED ANY CRIMES IN DEALING WITH MRS. OKSANA S.KOSENKINA, RUSSIAN SCHOOL TEACHER.

THE REQUEST WAS MADE BY REP.DONALD L.O'TOOLE (D-NY) IN A TELEGRAM TO SECRETARY OF STATE GEORGE C.MARSHALL. AUG

O'TOOLE SUGGESTED THAT THE MEXICAN AND CANADIAN BORDERS BE GUARDED TO PREVENT THE DEPARTURE OF THE CONSULATE ATTACHES UNTIL THE CASE WAS FULLY INVESTIGATED. 1948

HE SAID THE CONSULAR OFFICIALS SHOULD BE HELD UNTIL AUTHORITIES DECIDED WHETHER THEY WERE GUILTY OF CRIMES IN THE TAKING OF THE TEACHER FROM AN ANTI-COMMUNIST FARM RETREAT, AND IN CIRCUMSTANCES SURROUNDING HER LEAP FROM THE CONSULATE WHERE SHE SAYS SHE WAS HELD CAPTIVE.

MD235AED

IT HAS HEARD FROM ANOTHER RUSSIAN TEACHER, MICHAEL IVANOVITCH SAMARINE, WHO VOLUNTARILY TESTIFIED OVER OPPOSITION OF THE RUSSIAN EMBASSY WHICH DEMANDED THAT HE BE TURNED OVER TO SOVIET CUSTODY OR RETURN TO RUSSIA. 400 WASH (ROSENBERG) YYY COURTNEY

MRS. KOSENKINA RECEIVED THE COMMITTEE'S SUBPOENA FROM THE COMMITTEE'S CHIEF INVESTIGATOR, ROBERT E. STRIPLING, IN THE HOSPITAL. STRIPLING SAID THIS PLACED HER UNDER PROTECTIVE CUSTODY OF THE UNITED STATES GOVERNMENT.

THE 52-YEAR-OLD RUSSIAN SCHOOLMA'M IS IN ROOSEVELT HOSPITAL RECOVERING FROM INJURIES RECEIVED IN HER SPECTACULAR LIBERTY LEAP THURSDAY. SOVIET OFFICIALS HAD DETAINED HER IN THE CONSULATE AFTER ANNOUNCING THEY HAD "RESCUED" HER FROM AN ANTI-COMMUNIST WHITE RUSSIAN GROUP.

SHE GREETED WITH AN EMPHATIC "NO" ALL EFFORTS BY SOVIET CONSULAR OFFICIALS TO HAVE HER MOVED TO ANOTHER HOSPITAL.

"YOU KEPT ME PRISONER; YOU WOULD NOT LET ME GO," SHE MOANED.

THE NEW YORK TIMES SAID IT HAD LEARNED POLICE HAVE A STATEMENT FROM HER THAT SOVIET AMBASSADOR ALEXANDER S.PANYUSHKIN HAD VISITED THE CONSULATE TO GET HER TO SIGN AN AFFIDAVIT SAYING SHE WAS NOT BEING HELD A PRISONER.

SHE REFUSED, THE TIMES STORY SAID, "DESPITE THE AMBASSADOR'S PERSONAL PROMISE OF FUTURE IMMUNITY FROM SOVIET PUNISHMENT. HE TOLD HER 'EVERYTHING WOULD BE FORGOTTEN' IF SHE SIGNED THE AFFIDAVIT."

TO BACK UP MRS.KOSENKINA'S WISH TO REMAIN FREE OF SOVIET CUSTODY, THE HOUSE COMMITTEE DECIDED LAST NIGHT TO PUT HER IN ITS OWN CUSTODY WITH A SUBPOENA WHICH, COMMITTEE MEMBERS SAID, MAKES HER LEGALLY THE WARD OF THE COMMITTEE UNTIL SHE IS RELEASED.

TO GIVE HER FURTHER PROTECTION MUNDT SAID, THE COMMITTEE IS ASKING THE IMMIGRATION BUREAU NOT TO ISSUE AN EXIT VISA FOR HER UNTIL FURTHER NOTICE, AND TO CANCEL ANY VISA THAT MIGHT BE OUTSTANDING.

WITHOUT SUCH A VISA, MRS.KOSENKINA CANNOT LEGALLY LEAVE THE COUNTRY.

THE COMMITTEE'S ACTION COINCIDED WITH A STATE DEPARTMENT PROMISE OF ASYLUM IN THIS COUNTRY FOR MRS.KOSENKINA AND ANOTHER RUSSIAN TEACHER, MICHAEL IVANOVITCH SAMARINE, ALSO UNDER COMMITTEE SUBPOENA.

WHETHER THE TWO TEACHERS AND THE SAMARINE'S THREE SMALL CHILDREN RETURN TO RUSSIA OR REMAIN HERE, THE DEPARTMENT MADE CLEAR, IS A DECISION THEY ALONE MUST MAKE.

SAMARINE ALREADY HAS TESTIFIED BEFORE THE COMMITTEE. BUT MEMBER SAID HE GAVE LITTLE INFORMATION "PERTINENT" TO ITS PROBE OF A WARTIME COMMUNIST SPY RING ALLEGED TO HAVE WORMED ITS WAY INTO OFFICIAL WASHINGTON CIRCLES.

SAMARINE SAID HE AND HIS WIFE WOULD BE SHOT OR INTERNED FOR LIFE IF THEY WENT BACK TO RUSSIA.

THE COMMITTEE TOOK A WEEK-END BREATHER TO PREPARE FOR SEVERAL MORE SESSIONS NEXT WEEK.

THE IDENTITY OF WITNESSES TO BE HEARD WAS NOT DISCLOSED. BUT SOME COMMITTEE MEMBERS WERE CONSIDERING CALLING FORMER SECRETARY OF WAR ROBERT P.PATTERSON AND TWO EARLIER WITNESSES, WHITTAKER CHAMBERS AND ALGER HISS. AU 1948

THERE ALSO WAS TALK OF DEMANDING AN ARMY INTELLIGENCE REPORT ON NATHAN GREGORY SILVERMASTER, WHO HAS DENIED A CHARGE BY ELIZABETH BENTLEY THAT HE HEADED A GROUP OF COMMUNIST OPERATIVES IN THE GOVERNMENT.

CHAMBERS AND MISS BENTLEY ARE THE COMMITTEE'S "STAR WITNESSES." BETWEEN THEM THEY HAVE BROUGHT INTO THE INVESTIGATION THE NAMES OF MORE THAN A SCORE OF PAST OR PRESENT GOVERNMENT WORKERS AND OFFICIALS THEY SAID WERE MIXED UP IN ONE WAY OR ANOTHER WITH THE COMMUNIST ACTIVITIES HERE SEVERAL YEARS AGO.

AND MISS BENTLEY TOLD A RADIO AUDIENCE LAST NIGHT SHE HAS NOT YET NAMED EVERYBODY SHE KNOWS WHO WAS CONNECTED WITH THE WARTIME ESPIONAGE OPERATIONS.

SHE TOLD REPORTERS INTERVIEWING HER ON THE "MEET THE PRESS" PROGRAM THAT SHE HAD NOT BEEN PROMISED IMMUNITY "OR ANYTHING ELSE" FOR HER TESTIMONY BEFORE THE HOUSE COMMITTEE.

THE COMMITTEE WANTS CHAMBERS AND HISS TO FACE EACH OTHER BECAUSE THEIR STORIES WERE SO DIAMETRICALLY OPPOSITE THAT COMMITTEE MEMBERS PUBLICLY ASSERTED THAT SOMEONE HAD COMMITTED PERJURY AND OUGHT TO GO TO JAIL.

THE JUSTICE DEPARTMENT IS STUDYING THEIR TESTIMONY WITH A VIEW TO POSSIBLE PROSECUTION FOR LYING UNDER OATH.

PATTERSON'S NAME WAS BROUGHT INTO THE HEARING YESTERDAY BY LAUCHLIN CURRIE, AN ADMINISTRATIVE AIDE TO THE LATE PRESIDENT ROOSEVELT.

CURRIE, WHO WAS HEARD AT HIS OWN REQUEST, FLATLY DENIED ACCUSATIONS LEVELED AT HIM IN EARLIER HEARINGS. HE TESTIFIED HE WAS NOT AND IS NOT A COMMUNIST, NEVER INTERCEDED TO KEEP COMMUNISTS ON THE FEDERAL PAYROLL, AND NEVER FURNISHED THEM INFORMATION.

A3WX

IN JUNE, 1942, HE SAID, HE LEARNED THAT THE BOARD OF ECONOMIC WARFARE, WHERE SILVERMASTER WAS EMPLOYED, HAD RECEIVED AN ARMY INTELLIGENCE REPORT WHICH, IF TRUE, "MADE HIS EMPLOYMENT UNDESIRABLE." HE SAID HE KNEW SILVERMASTER SOCIALLY AND PROFESSIONALLY AND HAD NO REASON AT THE TIME TO QUESTION HIS LOYALTY.

HE SAID HE SENT A ROUTINE REQUEST TO PATTERSON TO REVIEW THE MATTER BUT ATTACHED NO RECOMMENDATION. LATER HE SAID, PATTERSON ADVISED HIM THAT A REVIEW OF THE REPORT FAILED TO SUBSTANTIATE THE CHARGES. THE REPORT WAS WITHDRAWN.

ANOTHER FORMER TOP OFFICIAL, HARRY D.WHITE, ASSISTANT SECRETARY OF THE TREASURY UNTIL HE RESIGNED LAST YEAR, ALSO DENIED STATEMENTS THAT

HE WAS A MEMBER OF AN "ELITE" GROUP IN THE COMMUNIST "APPARATUS" IN WASHINGTON.

WHITE SAID AT NO TIME HAS HE BEEN A COMMUNIST OR "EVEN BEEN CLOSE TO BECOMING ONE." HE CALLED THE ACCUSATIONS AGAINST HIM "UNQUALIFIEDLY FALSE."

SO DID YESTERDAY'S OTHER FOUR WITNESSES: DR.BELA GOLD, UNIVERSITY OF PITTSBURGH PROFESSOR; HIS WIFE, SONIA GOLD; FRANK COE, SECRETARY OF THE INTERNATIONAL MONETARY FUND, AND DONALD HISS, FORMER GOVERNMENT OFFICIAL AND BROTHER OF ALGER HISS.

ALL HAD BEEN LINKED BY CHAMBERS OR MISS BENTLEY EITHER DIRECTLY OR INDIRECTLY WITH WHAT THEIR ACCUSERS CALLED SPY GROUPS.

DONALD HISS, LIKE HIS BROTHER, DECLARED CHAMBERS WAS NOT TELLING THE TRUTH.

"IF I AM LYING, I SHOULD BE SENT TO JAIL; AND IF MR.CHAMBERS IS LYING, HE SHOULD BE SENT TO JAIL," HE SAID.

WHILE THE STATE DEPARTMENT WAS TAKING ITS FIRM STAND AGAINST RUSSIA OVER THE TWO SCHOOL TEACHERS, IT WAS BEING EQUALLY FIRM WITH A SENATE INVESTIGATING COMMITTEE.

SECRETARY OF STATE MARSHALL YESTERDAY BARRED CONFIDENTIAL VISA FILES TO A SENATE SUBCOMMITTEE TRYING TO FIND OUT WHETHER ALIEN AGENTS HAVE ENTERED THIS COUNTRY ON UNITED NATIONS CREDENTIALS.

MARSHALL SAID IT WOULD "EMBARRASS THE CONDUCT" OF AMERICAN FOREIGN RELATIONS TO RELEASE THE FILES.

IN DENVER, GOP NATIONAL CHAIRMAN HUGH D.SCOTT, JR., ACCUSED THE ADMINISTRATION OF HAVING DRAWN AN "IRON CURTAIN" BETWEEN SUBVERSIVES AND CONGRESS.

"UNTIL WE GET A REPUBLICAN PRESIDENT, WE CAN'T TELL YOU WHERE ALL THE SPIES ARE," SCOTT SAID.

BUT ONE MAN WHO APPARENTLY REFUSED TO GET EXCITED ABOUT THE WHOLE BUSINESS WAS LEONID FEDOTOV, A SOVIET CONSULAR OFFICIAL IN NEW YORK.

REPORTERS ASKED HIM WHAT WAS GOING ON IN THE CONSULATE THURSDAY AND WHAT THE REACTION THERE WAS TO MRS.KOSENKINA'S JUMP FROM THE WINDOW.

"IT WAS A NORMAL DAY," HE SAID.

AUG 1948

J330AED

ROOSEVELT HOSPITAL AUTHORITIES SAID TONIGHT THAT MRS.KOSENKINA WAS "STEADILY IMPROVING BUT STILL ON THE CRITICAL LIST. TODAY SHE HAS NOT BEEN EATING MUCH AND HAS BEEN IN SOME PAIN."

THE RUSSIAN DEMAND WAS MADE IN WASHINGTON BY SOVIET AMBASSADOR ALEXANDER S.PANYUSHKIN DURING AN HOUR AND 40 MINUTE CONFERENCE WITH UNDERSECRETARY OF STATE ROBERT A.LOVETT. NIGHT

A STATE DEPARTMENT SPOKESMAN SAID THE SOVIET ENVOY INSISTED THE RUSSIAN CONSULATE BE PERMITTED TO STATION A 24-HOUR GUARD OVER MRS. KOSENKINA, THAT CONSUL GENERAL YAKOV LOMAKIN BE PERMITTED TO VISIT HER AND THAT THE INJURED WOMAN BE MOVED ANYWHERE THE CONSUL GENERAL DESIGNATED. INSERT NEW YORK (KOSENKINA) AFTER 2ND PARA

LOVETT REJECTED THE DEMANDS ON THE GROUND THE UNITED STATES DOES NOT HAVE THE RIGHT TO REQUIRE MRS.KOSENKINA TO PLACE HERSELF UNWILLINGLY UNDER THE CONTROL OF ANYONE. xxx Here

UNDATED RUSSIAN TEACHERS

BY THE ASSOCIATED PRESS (360)

(NY) A HOUSE UNAMERICAN ACTIVITIES COMMITTEE SUBPOENA WAS SERVED TODAY ON MRS.OKSANA STEPANOVNA KOSENKINA, PUTTING HER UNDER PROTECTION OF THE UNITED STATES GOVERNMENT.

A COMMITTEE INVESTIGATOR CAME TO NEW YORK AND SERVED THE PAPER ON THE RUSSIAN TEACHER WHO JUMPED FROM A WINDOW OF THE SOVIET CONSULATE THURSDAY. HE SAID THE SUBPOENA "PLACES THE WOMAN UNDER THE CUSTODY OF OUR GOVERNMENT."

MRS.KOSENKINA IS NOT EXPECTED TO TESTIFY FOR SOME TIME BEFORE THE COMMITTEE, WHICH HAS BEEN PROBING AN ALLEGED SOVIET SPY RING. HSOPITAL ATACHES SAID IT MIGHT TAKE HER 12 WEEKS TO RECOVER FROM MULTIPLE FRACTURES SUFFERED IN HER DRAMATIC LEAP.

THE TEACHER TOLD A CONSULATE OFFICIAL YESTERDAY FROM HER HOSPITAL BED THAT HE HAD HELD HER A RPISONER IN THE CONSULATE BUILDING.

THE NEW YORK TIMES SAID SOVIET AMBASSADOR ALEXANDER S.PANYUSHKIN HAD VISITED THE TEACHER WHILE SHE WAS AT THE CONSULATE AND HAD UNSUCCESSFULLY TRIED TO GER HER TO SIGN AN AFFIDAVIT SAYING SHE WAS NOT KEPT THERE AGAINST HER WILL.

THE TIMES SAID MRS.KOSENKINA HAD TOLD POLICE OF THIS VISIT. POLICE OFFICIALS DECLINED COMMENT.

MEANWHILE PANYUSHKIN ARRANGED TO MEET UNDER SECRETARY OF STATE LOVETT AT 10:30 A.M. (EST) THIS MORNING. THE OBJECT OF HIS MEETING WAS NOT KNOWN.

REP. KARL MUNDT (R-SD) OF THE UNAMERICAN ACTIVITIES COMMITTEE SAID THE IMMIGRATION BUREAU WOULD BE ASKED TO CANCEL THE TEACHER'S EXIT VISA SO SHE COULD NOT LEGALLY LEAVE THE COUNTRY.

THE STATE DEPARTMENT PROMISED ASYLUM IN THE UNITED STATES TO MRS. KOSENKINA AND ANOTHER RUSSIAN TEACHER, MICHAEL IVANOVITCH SAMARINE, IF THEY DESIRE IT.

SAMARINE, WHO TESTIFIED THURSDAY BEFORE THE HOUSE COMMITTEE, HAS SAID HE WOULD BE EXECUTED IF HE WENT BACK TO HIS NATIVE LAND.

THE UNAMERICAN ACTIVITIES COMMITEEE PLANS TO CONTINUE ITS ESPIONAGE PROBE NEXT WEEK WITH SEVERAL MORE WITNESSES.

YESTERDAY LAUCHLIN CURRIE, AN ADMINISTRATIVE AIDE TO THE LATE PRESIDENT ROOSEVELT, AND HARRY D.WHIT, FORMER ASSISTANT SECRETARY OF THE TREASURY, BOTH

PRESIDENT ROOSEVELT, AND HARRY D.WHITE, FORMER ASSISTANT SECRETARY OF THE TREASURY, BOTH DENIED FLATLY BEFORE THE COMMITTEE THAT THEY WERE A PART OF THE ALLEGED WAR-TIME SPY RING.

BOTH SAID THEY WERE NOT COMMUNISTS AND HAD NEVER FURNISHED INFORMATION TO SOVIET AGENTS.

CURRIE AND WHITE WERE AMONG A SCORE OF FORMER GOVERNMENT OFFICIALS LINKED TO THE ALLEGED RING BY ELIZABETH BENTLEY OR WHITTAKER CHAMBERS, "STAR WITNESSES" IN THE PROBE.

BY WILLIAM N. OATIS

LONDON, AUG 14-(AP)-QUICKIE TREATMENT CAN CURE SOME EMOTIONAL ILLNESSES IN THREE WEEKS, A YALE PSYCHIATRY TEACHER SAID TODAY.

IT'S CALLED "BRIEF PSYCHOTERAPY." DR.WILLIAM B. TERHUME, ASSOCIATE PROFESSOR OF PSYCHIATRY AT YALE, TALKED ABOUT IT AT THE INTERNATIONAL CONFERENCE ON MEDICAL PSYCHOTHERAPY.

HE DEFINED IT AS "A FORM OF TREATMENT WHICH IS PLANNED, DIRECTED, INTENSIVE AND EMPLOYED FOR A RELATIVELY SHORT TIME, THE PATIENT BEING SUBJECTED TO IT FOR A PERIOD OF THREE TO EIGHT WEEKS."

DR.TERHUME READ A PAPER ON THE METHOD AND AFTERWARD GAVE REPORTERS THIS CASE HISTORY OF A MAN WHO WAS HELPED BY IT:

THIS MAN WAS 47, MARRIED AND THE FATHER OF THREE CHILDREN. HE WAS AN ACCOUNTANT, TURNED FINANCIAL ADVISER IN NEW YORK.

IN THE 1929 STOCK MARKET CRASH, HE LOST HEAVILY. SO DID MOST OF THE CLIENTS WHO HAD FOLLOWED HIS ADVICE.

HE GOT INDIGESTION AND THE SHAKES AND FEARED HE HAD HEART TROUBLE. HE SAW SEVERAL DOCTORS. ONE FINALLY PUT A FINGER ON THE REAL DIFFICULTY.

IT WAS EMOTIONAL. THE MAN HAD A FEELING OF GUILT AND FAILURE. THIS CAUSED HIS PHYSICAL SICKNESS.

HE WAS GIVEN A QUICK TREATMENT OF "PSYCHOLOGICAL RE-EDUCATION AND EMOTIONAL RE-ORIENTATION". IN ABOUT THREE WEEKS, HE WAS BACK AT WORK. IN THREE OR FOUR MONTHS, HE WAS WELL AGAIN.

"HE HAS BEEN A REASONABLY WELL MAN SINCE--AS WELL AS ANY OF US," DR.TERHUME CONCLUDED.

IN HIS PAPER, THE DOCTOR SAID THE QUICK TREATMENT MAY USE RE-EDUCATION, THE TECHNIQUES OF PSYCHOANALYSIS OR BOTH.

"THE MALADJUSTED INDIVIDUAL FREQUENTLY OPERATES WITHOUT ANY PLAN OF LIFE X X X," HE SAID OF RE-EDUCATION. "HIS HABITS ARE ERRATIC, AND HE DOES NOT UNDERSTAND THE VALUE OF REASONABLE SELF-DISCIPLINE. X X X THE THERAPIST MUST X X X HELP THE PATIENT TO FORMULATE A PLAN OF PROCEDURE X X X AND SUPPORT HIM UNTIL HE CAN FUNCTION ALONE."

"ALTHOUGH BRIEF ANALYTICAL PSYCHOTERAPY IS COMPARATIVELY NEW, THE INDICATIONS ARE DEFINITELY PROMISING," HE SAID. "RE-EDUCATION HAS BEEN EMPLOYED FOR 25 YEARS; SOME 10,000 PATIENTS HAVE BEEN FOLLOWED UP. A LARGE NUMBER OF THESE REPORT THAT THEY WERE RELIEVED OF SYMPTOMS, WERE ABLE TO RETURN TO WORK AND LEAD AN ACTIVE LIFE OF GENERAL USEFULNESS. IN SOME INSTANCES THE TREATMENT WAS A COMPLETE FAILURE."

MENTAL (330)
BY WILLIAM N. OATIS

LONDON, AUG 14-(AP)-THE TEEN-AGE SEX KILLER VENTS HIS MURDEROUS URGE BECAUSE SOMETHING WENT WRONG IN HIS GRAMMAR SCHOOL DAYS.

THAT IS THE THEORY OF DR. GEORGE E. GARDNER, HARVARD SOCIAL RELATIONS LECTURER. HE SETS IT OUT IN A PAPER TO BE READ AT TODAY'S SESSION OF THE INTERNATIONAL CONFERENCE ON CHILD PSYCHIATRY.

DR. GARDNER SAYS A CHILD IS BORN WITH TWO DRIVING FORCES--THE SEX INSTINCT, WHICH MAKES HIM LOVE OTHER PEOPLE, AND THE AGGRESSIVE, DESTRUCTIVE INSTINCT WHICH MAKES HIM WANT TO HARM OR KILL THEM.

BOTH GIVE PLEASURE IN FULFILMENT, HE SAYS. BOTH DEVELOP AS A CHILD GROWS UP. THE AGGRESSIVE INSTINCT GIVES HIM QUITE A TUSSLE.

"IT TAKES CONTROLLING OF THE AGGRESSIVE, DESTRUCTIVE IMPULSES X X X," SAYS DR. GARDNER. "IT PARTICULARLY CONSTITUTES THE INTERNAL STRUGGLES IN WHICH THE CHILD IS ENGAGED IN THE SO-CALLED LATENCY PERIOD X X X BETWEEN THE AGE OF FIVE AND SIX AND 11 OR 12 YEARS.

"WE EXPECT A CHILD WILL HAVE ATTAINED CONTROL TO THE DEGREE THAT BY THE TIME PUBERTY IS REACHED PLEASURE IN MURDEROUS, MUTILATIVE IMPULSES TOWARD LIVING ORGANISMS WILL BE REPLACED BY SOCIALLY X X X ACCEPTABLE EXPRESSIONS IN BEHAVIOR.

"PUT ANOTHER WAY, DON'T WORRY TOO MUCH OF JOHNNIE AT SEVEN TORMENTS THE CAT OR BABY BROTHER. HE'LL PROBABLY OUTGROW IT AND TURN TO STAMP COLLECTING. THAT SHOWS HE'S WON HIS FIGHT TO CONTROL THE AGGRESSIVE, DESTRUCTIVE INSTINCT."

THE SEX KILLER IS THE CHILD WHO DOESN'T WIN, HE SAYS.

"IN THE AGGRESSIVE, DESTRUCTIVE AND SEXUAL DEVIATE X X X," AS GARDNER PUTS IT, "THIS TASK OF CONTROL FOR SOME REASON HAS BEEN UNSUCCESSFUL DURING THE LATENCY PERIOD AND THE CHILD ENTERS PUBERTY STILL DERIVING PLEASURE FROM ACTUAL EXPRESSION IN THE BEHAVIOR OF PERSONS DIRECTED TOWARD KILLINGS AND MUTILATIVE IMPULSES." IN HIM THE SEXUAL AND DESTRUCTIVE INSTINCTS WORK TOGETHER.

WHAT TO DO ABOUT SUCH A BOY?

GARDNER THINKS THERE SHOULD BE SOME PLACE TO TAKE HIM BESIDES THE CRIMINAL COURTS.

HE SAYS THE PARENTS OF THE BOY SHOULD BE ABLE, THROUGH A COURT, TO GET HIM INDIVIDUALIZED "TREATMENT IN A SPECIAL UNIT AS A SAFEGUARD AGAINST THE ACTUAL COMMISSION OF A SERIOUS SEX CRIME."

ACCORDING TO DER TAG, THE COMMUNIST-CONTROLLED SOCIALIST UNITY PARTY (SED), ALREADY WIELDING VIRTUAL DICTATORIAL POWERS IN THE RUSSIAN ZONE, NOW AIMS AT ECONOMIC DICTATORSHIP THROUGH ITS TWO-YEAR ECONOMIC PLAN.

THIS IS THE PLAN WHICH THE COMMUNISTS ALSO HAVE BEEN SEEKING TO IMPOSE ON BERLIN IN ORDER TO GAIN AN ECONOMIC STRANGLEHOLD OVER THE ENTIRE CITY AND INCORPORATE IT INTO THE SURROUNDING RUSSIAN ZONE.

THE ELECTED ANTI-COMMUNIST CITY GOVERNMENT HAS BEEN STAUNCHLY OPPOSING THIS PROJECT WITH THE BACKING OF THE THREE WESTERN POWERS. OPPONENTS OF THE PLAN IN BERLIN HAVE WARNED THAT ITS ADOPTION WOULD MEAN "EXPLOITATION BY THE RUSSIANS."

DER TAG SAID BECHLER PROPOSED THAT THE TIME NOW WAS RIPE FOR THE CREATION OF THE "SOCIALIST STATE WE PLANNED IN 1945."

1948

457 add Berlin (Add Food) X Y X Committee (Shortage)

HE REPUTEDLY CALLED FOR:

1. A SHARPENING OF THE CLASS STRUGGLE.
2. CREATION OF A CONTROL COMMISSION COMPOSED OF TRUSTED COMMUNISTS TO PUSH THROUGH A TWO-YEAR PLAN. THIS COMMISSION SHOULD HAVE POWERS TO "CHECK ON THE WORK OF EVERY MINISTRY OF GOVERNMENT EXCEPT THE INTERIOR MINISTRY (WHICH CONTROLS THE POLICE.)"
3. "EXTREME WATCHFULLNESS" IN ALL FUNCTIONS OF ADMINISTRATION. BECHLER WAS QUOTED AS SAYING "IF POLITICAL WATCHFULNESS MEANS SPYING THEN EVERY OFFICIAL SHOULD BE A SPY."
4. CENTRALIZATION OF THE RUSSIAN ZONE'S POLICE FORCES "TO MAKE THE ENTIRE POLICE ORGANIZATION OF THE ZONE A WEAPON OF THE SOCIALIST UNITY PARTY." (CENTRALIZATION OF ZONAL POLICE IS PROHIBITED BY THE LAWS OF THE ALLIED CONTROL COUNCIL TO WHICH THE RUSSIANS SUBSCRIBED.)
5. STRICT ADHERENCE BY THE SOCIALIST UNITY PARTY TO THE MARXIST-LENINIST LINE AND EXPULSION OF ANY MEMBERS WHO WERE LAX OR DEVIATED.
6. CLOSE AND UNCOMPROMISING TIES WITH THE SOVIET UNION. BECHLER CITED YUGOSLAVIA AS A HORRIBLE EXAMPLE OF "THE WORKING CLASSES TURNING AWAY FROM THE SOVIET UNION."

ALL REPORTS RECENTLY FROM THE RUSSIAN ZONE HAVE INDICATED THAT RUSSIAN-BACKED COMMUNISTS ARE CLOSING THEIR RANKS AND TIGHTENING CONTROL TO THE EXCLUSION OF TWO NON-COMMUNIST PARTIES--THE RIGHTIST LIBERAL DEMOCRATS AND THE CONSERVATIVE CHRISTIAN DEMOCRATS--WHICH STILL ARE TOLERATED THERE.

ANY GOVERNMENT WHICH THE RUSSIANS WOULD ESTABLISH IN THEIR ZONE TO CLAIM ADHERENCE FROM ALL GERMANY WOULD BE TIGHTLY CONTROLLED BY THE COMMUNISTS.

THE SED HAS BEEN UNDERGOING A "CLEANSING PROCESS" FOR SOME WEEKS TO WEED OUT "UNRELIABLE" OFFICIALS AND RANK-AND-FILE MEMBERS WHO DEVIATE FROM THE MARXIST-LENINIST LINE OR OPPOSE COMMUNIST SEIZURE OF PRIVATE PROPERTIES FOR SOCIALIZATION.

WHAT'S BEHIND THE TROUBLES NOW FLARING IN BURMA? JOHN RODERICK, ASSOCIATED PRESS STAFFER WHO LEFT RANGOON A FEW DAYS AGO AND WHO NOW IS IN THE MIDDLE EAST, GIVES THE BACKGROUND OF THE CONFLICT IN THE FOLLOWING DISPATCH

--DASH--

BY JOHN RODERICK

CAIRO, AUG. 14-(AP)-THE YOUNG GOVERNMENT OF INDEPENDENT BURMA IS TOTTERING UNDER THE WEIGHT OF AN INTERNAL FIGHT FOR POWER AND POPULAR DISCONTENT.

DURING THE PAST 10 DAYS 42-YEAR-OLD PREMIER THAKIN NU HAS PUT DOWN AN INTENDED REVOLT WITHIN THE UNITS OF THE NATIONAL ARMY. PERSONS WHO KNOW SAY THE ARMY DISAFFECTION IS WIDESPREAD AND MAY EMBRACE A THIRD OF THE OFFICERS AND MEN.

THE FIRST HINT OF THE UPRISING WAS BROKEN TO THE PUBLIC LESS THAN A WEEK AGO WHEN RANGOON NEWSPAPERS CAUTIOUSLY REVEALED THAT 800 MEN OF THE 16TH BATTALION OF THE MILITARY POLICE WERE SURPRISED IN THEIR BARRACKS AT CHINTSONG PALACE. THEY WERE SURROUNDED AND DISARMED. CHINTSONG PALACE IS THREE MILES FROM THE AMERICAN EMBASSY.

THE GOVERNMENT SAID THEY INTENDED TO JOIN A DETACHMENT OF 70 OF THEIR COMRADES WHO THE DAY BEFORE WENT OVER TO THE COMMUNISTS AT KAYAN, NEAR RANGOON, AND SEIZED THE TOWN.

WHEN THE REVOLT BEGAN THE GOVERNMENT SWIFTLY CLAMPED DOWN WITH A 24-HOUR CENSORSHIP AND BEGAN DISARMING OTHER ARMY UNITS WHOSE LOYALTY WAS SUSPECTED.

AT THE SAME TIME IT SET UP BARRICADES ACROSS ROADS LEADING INTO THE SUBURBS AND CAREFULLY EXAMINED INCOMING AND OUTGOING VEHICLES.

THAKIN NU'S ANXIETY OVER THE TURN OF EVENTS WAS OBVIOUS AT A SUBSEQUENT PRESS CONFERENCE.

"I WOULD MUCH RATHER HAVE ARRESTED A HUNDRED INNOCENT PERSONS TODAY THAN HAVE LET ONE GUILTY ONE ESCAPE," HE TOLD ONE REPORTER.

SINCE BURMA GOT ITS INDEPENDENCE SEVEN MONTHS AGO THERE HAS BEEN A SOMETIMES UNDIGNIFIED SCRAMBLE FOR POWER.

THE COUNTRY'S FORMER MASTERS, THE BRITISH, APPEAR TO BE FULFILLING A STRICTLY HANDS-OFF POLICY. HER TROOPS HAVE BEEN WITHDRAWN WITH THE EXCEPTION OF A DETACHMENT OF 15 OFFICERS AND MEN WHO ARE SCHEDULED TO LEAVE SHORTLY AND A SMALL ADVISORY GROUP WHICH IS TRAINING THE BURMESE ARMY.

AB0

RANGOON'S PROME ROAD JAIL IS CROWDED WITH POLITICAL OPPONENTS OF THAKIN NU'S REGIME. THEY HAVE BEEN HELD WITHOUT TRIAL UNDER SECTION FIVE OF THE BURMESE CODE WHICH GIVES GENERAL POWERS TO HALT THREATS TO THE SECURITY.

SECTION FIVE NOW APPLIES TO PRACTICALLY ALL OF BURMA'S POLITICAL PARTIES, MOST OF WHICH HAVE GONE UNDERGROUND.

THE MAN BEHIND THE POLITICAL PURGE IS KYAN NYEIN, THE HOME MINISTER. HE RETURNED FROM A CONVALESCENSE TRIP TO MADRAS, INDIA, A MONTH AGO AND PROMPTLY BEGAN FILLING THE JAILS.

A FRAIL MAN SUFFERING FROM TUBERCULOSIS, HE IS THE FOUNDER OF THE BURMESE SOCIALIST PARTY. MORE IMPORTANT, HE IS A 1937 GRADUATE OF RANGOON UNIVERSITY. THE STILL-YOUTHFUL MEMBERS OF THAT CLASS NOW OCCUPY MOST OF THE CABINET SEATS IN THE SOCIALIST GOVERNMENT.

THEIR OPPONENTS INCLUDE THE COMMUNISTS, SOME INDEPENDENTS, THE PEOPLES VOLUNTEER ORGANIZATION AND AMBITIOUS ARMY OFFICERS.

THE COMMUNISTS HAVE BEEN MAKING THINGS HOT FOR THE GOVERNMENT IN OUTLYING AREAS. THEIR LEADER, THAN TUN, NOW IS IN HIDING IN THE PYINMANA FORESTS, 300 MILES FROM RANGOON. THE U.S. STATE DEPARTMENT RECENTLY LABELLED HIM A FOREMOST DISCIPLE OF STALIN.

THE GO-BETWEEN IN WHATEVER LIAISON BURMA AND MOSCOW MAY HAVE IS A QUIET, BRILLIANT MAN NAMED GOSHAL WHO IS SAID TO GET HIS ORDERS VIA CALCUTTA. THERE IS A 5,000-POUND PRICE TAG ON GOSHAL'S HEAD.

HOWEVER, MUCH THAT IS DESCRIBED AS COMMUNIST ACTIVITY, IN REALITY IS SIMPLE BANDITRY WHICH IS FLOURISHING IN BURMA THESE DAYS.

HOW LONG THAKIN NU'S GOVERNMENT, WHICH UNDOUBTEDLY IS HONEST, SINCERE AND FULL OF GOOD INTENTIONS, CAN SURVIVE THESE STRESSES AND STRAINS IS HARD TO SAY. MOST FOREIGNERS IN BURMA SAY HE PROBABLY WILL HAND OVER THE REINS TO A MILITARY REGIME HEADED BY ARMY COMMANDER SMITH DUN, A BURMESE, WHO, AT 45, IS THE HIGHEST RANKING GENERAL IN THE COUNTRY.

SMITH DUN IS A QUIET MAN WHO POLITICALLY STANDS A LITTLE LEFT OF CENTER. HE WAS PROMOTED THE OTHER DAY TO THE RANK OF LIEUTENANT GENERAL AND GIVEN WIDE POWERS. THAT MAY HAVE BEEN A STEP IN THE DIRECTION OF HIS ULTIMATE FULL CONTROL.

IF HE DOES TAKE OVER, BURMA, WHICH NEVER HAS BEEN COMMUNIST, CERTAINLY WILL BE MUCH LESS SO THAN EVER.

TOKYO, AUG. 14-(AP)-THE JAPANESE ATTORNEY GENERAL'S OFFICE TODAY ORDERED THE IMMEDIATE DISSOLUTION OF EIGHT RIGHT WING ANTI-DEMOCRATIC ORGANIZATIONS.
THE ORDER WAS BASED ON AN ALLIED HEADQUARTERS MEMORANDUM IN 1946 SPECIFICALLY FORBIDDING THE FORMATION OF ULTRANATIONALISTIC OR MILITARISTIC ORGANIZATIONS OR GROUPS WHICH RESORT TO VIOLENCE AND ASSASSINATIONS.
AMONG THOSE DISBANDED TODAY WAS THE JAPAN ANTI-COMMUNIST ALLIANCE WHICH WAS FORMED IN SAGA PREFECTURE. ITS PRIMARY AIM WAS TO ANNIHILATE COMMUNISM BY FORCE AND THE ASSASSINATION OF COMMUNIST LEADERS.
LEADERS OF THE ORGANIZATION INCLUDING ICHIRO KOGA ARE NOW FACING TRIAL FOR THE ATTEMPT ON THE LIFE OF RED LEADER KYUICHI TOKUDA IN SAGA CITY ON JULY 20.

THE GRIEVANCES AND IMPORTANCE OF GOVERNMENT EMPLOYES HAVE MADE THEM READY TOOLS FOR THE POLITICAL INFLUENCE SO COVETED BY MEN LIKE KAZUYOSHI DOBASHI, LEADER OF THE COMMUNICATIONS UNION.
THE SHREWD, HARD-HITTING DOBASHI DENIES HE IS A COMMUNIST, BUT HE ACKNOWLEDGES THAT HIS UNION FOLLOWS THE PARTY LINE.
NOT ALL LEADERS OF GOVERNMENT UNIONS ARE OPENLY LEFTIST, BUT ENOUGH OF THEM FOLLOW DOBASHI'S TACTICS TO MAKE THE RESULT ABOUT THE SAME. ADD TOKYO (JAP ANNYS) X X X CONSIDERABLE
THROUGH THE NATIONAL CONGRESS OF INDUSTRIAL UNIONS, THEY ALSO INFLUENCE PRIVATE INDUSTRY. (Bronze)
THEY RUN THEIR UNIONS WITH RIGID DISCIPLINE. USED TO BEING BOSSED ALL THEIR LIVES UNDER PRE-SURRENDER JAPAN, THE WORKERS FOLLOW AND OBEY.
WITH SUCH SUPPORT, THE LEFTIST LEADERS HAVE TRIED DOZENS OF TRICKS, PROBING FOR WEAKNESSES IN THE OCCUPATION HEADQUARTERS POSITION. THEY SHOW SIGNS THAT THEY WILL CONTINUE THIS INCESSANTLY.

A172KX
GOVERNMENT POLITICIANS HAVE THROWN UP THEIR HANDS IN DEFEAT. THIS IS PARTLY BECAUSE THEY ARE AFRAID OF THE LABOR VOTE AND PARTLY BECAUSE THEY TYPICALLY REFUSE TO FACE ANYTHING CONTROVERSIAL.
AUTHORTATIVE HEADQUARTERS SOURCES SAY NOTHING IN MACARTHUR'S LETTER WAS INTENDED TO AFFECT UNIONS IN PRIVATE INDUSTRY. HOWEVER, THE DIFFICULTIES AFFECTING ALL LABOR WILL HAVE TO BE SETTLED EVENTUALLY.
FOR ONE THING, LABOR LEADERS--EITHER THROUGH IGNORANCE OR A FEELING OF POWER--HAVE FOUGHT OUT WITH MANAGEMENT TRIVIAL DISPUTES WHICH MIGHT BETTER HAVE BEEN SETTLED IN A FEW MINUTES OVER A CUP OF TEA.
nor

THEY HAVE WON CONCESSIONS FROM EMPLOYERS FAR GREATER THAN ANYTHING ON RECORD IN THE UNITED STATES.

JAPAN'S TRADITIONAL PATERNALISM HAS BEEN MADE AN IMPROPER BASE FOR MANY OF LABOR'S NEW RIGHTS. FOR EXAMPLE, MOST ENTERPRISES ARE VASTLY OVERSTAFFED. RAILROADS HAVE DOUBLED THEIR PAYROLLS SINCE THE WAR, MOSTLY WITH FORMER SERVICE MEN. STRIKERS CONTINUE TO DRAW SALARIES FROM THEIR EMPLOYERS, AND SO DO WORKERS WHO HAVE BECOME FULL-TIME UNION OFFICIALS.

EVEN THE JAPANESE CAPITALISTS ARE RELUCTANT TO CHANGE SOME OF THIS. IF BLOATED PAYROLLS WERE FIRMLY CUT DOWN, THAT MIGHT BE TICKLISH, FOR IT WOULD CONTRIBUTE TO UNEMPLOYMENT.

A CONSERVATIVE REACTION IS RUNNING, HOWEVER. LOCKOUTS AND BOGUS "FAILURES" TO SHUT DOWN BUSINESSES HAVE BEGUN TO APPEAR. CONSERVATIVE POLITICIANS USED THE MACARTHUR LETTER AS A PEG FOR DEMANDS THAT ALL LABOR LEGISLATION BE "REFORMED."

THE MACARTHUR LETTER WON SUPPORT FROM VIRTUALLY EVERY SECTION OF THE POPULATION EXCEPT ORGANIZED LABOR.

THE ORDINARY WORKER KNOWS ONLY THAT--WITH ALL HIS GAINS--HE STILL IS ON SHORT RATIONS, WEARS RAGGED PANTS AND HAS TROUBLE FINANCING HIS FAMILY. THE AVERAGE LIVING STANDARD IS ABOUT 75 PER CENT OF THAT OF 1938.

SPEAKING GENERALLY, CAPITALISTS HAVE SHOWN LESS GENUINE WILLINGNESS TO WORK FOR RESTORATION OF THE COUNTRY THAN HAS LABOR. THE INDUSTRIALISTS WANT TO WAIT FOR REPARATIONS SETTLEMENTS AND MORE FAVORABLE MARKETS BEFORE MOVING TOO FAST.

THE LEFTIST LABOR DRAG ON RECOVERY IS CONSIDERABLE, HOWEVER, AND IS IN KEEPING WITH THE COMMUNIST LINE OF CONSISTENT OPPOSITION TO THE OCCUPATION.

LEADERS OF GOVERNMENT UNIONS HAVE INDICATED THEY WILL CONTINUE THEIR VOCAL OPPOSITION AND FRACTIONAL WALKOUTS. EVEN BEFORE THERE WAS ANY FORMAL STRIKE CRISIS, RAILWAY WORKERS TIED UP 466 PASSENGER TRAINS AND 841 FREIGHT TAINS IN MAY, JUNE AND JULY THROUGH SELF-ELECTED "VACATIONS" AND OTHER ABSENCES BY A TOTAL OF ONLY 7,000 KEY EMPLOYES.

OCCUPATION OFFICIALS ARE WAITING TO SEE WHETHER PRESSURE WILL INCREASE IN LINE WITH APPARENTLY INTENSIFIED COMMUNIST ACTIVITY ELSEWHERE IN ASIA.

RUSSIAN-CONTROLLED NEWSPAPERS IN BERLIN CONCEDED FOR THE FIRST TIME TODAY THAT SERIOUS FOOD SHORTAGES EXIST IN THE SOVIET-OCCUPIED ZONE OF GERMANY.

MOSCOW HAS PROMISED TO DELIVER 10,800 TONS OF FAT TO EASTERN GERMANY IN ANSWER TO A REQUEST BY THE SOVIET MILITARY ADMINISTRATION, SAID ADN, THE SOVIET-LICENSED NEWS AGENCY.

THE FIRST TIP OFF ON THE FOOD SITUATION CAME LAST WEEK WHEN COMMUNIST PUBLICATIONS REPORTED STRONG PUNITIVE MEASURES AGAINST HOARDERS IN THE RUSSIAN ZONE.

BERLIN NEWSPAPERS LICENSED BY THE WESTERN ALLIES SPECULATED THAT THE FOOD SHORTAGE MIGHT HAVE BEEN CAUSED BY SOVIET REQUISITIONING OF FOOD FROM THE RUSSIAN ZONE TO MEET AN ANNOUNCED PLAN TO FEED ALL BERLIN. AMERICAN AND BRITISH SOURCES REGARD THE RUSSIANS' FEED-BERLIN PROGRAM AS A PROPAGANDA EFFORT DESIGNED TO OVERCOME RESENTMENT AMONG THE GERMANS OVER THE SOVIET BLOCKADE OF THE CITY.

GERMANS IN THE AMERICAN OCCUPATION ZONE HAVE DEMONSTRATED AGAINST HIGH FOOD PRICES.

THE MOSCOW-DIRECTED COMMUNIST INTERNATIONAL INFORMATION BUREAU (COMINFORM) MADE A NEW ATTACK ON YUGOSLAVIA'S PREMIER MARSHAL TITO. A NEW ISSUE OF THE COMINFORM BULLETIN PREDICTED THAT TITO AND HIS LIEUTENANTS SOONER OR LATER WILL BE REPLACED AS LEADERS OF THE YUGOSLAV COMMUNIST PARTY.

PREVIOUSLY THE COMINFORM CHARGED TITO WITH DEPARTING FROM THE PARTY LINE AND PURSUING A HATEFUL POLICY TOWARD RUSSIA. ONLY

YESTERDAY THE OFFICIAL YUGOSLAV NEWS AGENCY REPORTED THAT TITO HAS REAFFIRMED THE SOLIDARITY OF YUGOSLAVIA WITH RUSSIA AND EASTERN EUROPE'S COMMUNIST BLOC.

COMMUNISTS-CONGRESS

BY WILLIAM E.ARBOGAST

WASHINGTON,AUG 14-(AP)-MISSING SERVANTS AND LIE DETECTOR MACHINES ENTERED INTO THE CONGRESSIONAL SPY HUNT TODAY AS INVESTIGATORS SOUGHT SEEKING FOR TESTIMONY OF A KEY WITNESS.

THE 52-YEAR-OLD RUSSIAN SCHOOLMA'AM WHO JUMPED FROM A WINDOW OF THE SOVIET CONSULATE IN NEW YORK WHERE SHE SAID SHE WAS IMPRISONED GOT INTO THE CASE OFFICIALLY. AN OPERATIVE OF THE HOUSE COMMITTEE ON UN-AMERICAN ACTIVITIES SERVED A SUBPOENA UPON HER IN A NEW YORK HOSPITAL.

MEMBERS OF THE COMMITTEE, CONVINCED THAT ONE OR ANOTHER OF THE WITNESSES ALREADY QUESTIONED HAS COMMITTED PERJURY, DEVOTED A WEEKEND RECESS IN THE HEARINGS TO TRYING TO RUN DOWN THE CULPRIT.

NONE OF THE COMMITTEEMEN WOULD TALK FOR PUBLICATION BUT MOST OF THEM EXPRESSED CONCERN OVER THE LIKELIHOOD THAT SOMEBODY HAS LIED TO THEM UNDER OATH.

WHITTAKER CHAMBERS, AN EDITOR OF TIME MAGAZINE WHO SAID HE USED TO BE A COMMUNIST COURIER, HAS TESTIFIED THAT A COMMUNIST UNDERGROUND OPERATED IN WARTIME WASHINGTON DEALING WITH SOME IMPORTANT GOVERNMENT FIGURES. AMONG THOSE HE NAMED UNDER OATH WERE DONALD HISS AND ALGER HISS. BOTH OF THEM, HE SAID, WERE LEADERS OF SMALL CELLS IN THE UNDERGROUND MOVEMENT.

OF THOSE NAMED BY CHAMBERS, THE HISS BROTHERS ASKED FOR A PROMPT HEARING, WAIVED THEIR CONSTITUTIONAL RIGHTS, AND DENIED THE CHARGES CATEGORICALLY. THEY TESTIFIED THEY DIDN'T EVEN KNOW CHAMBERS. UNLIKE SOME OF THE OTHER WITNESSES, ALGER AND DONALD HISS DID NOT DECLINE TO ANSWER QUESTIONS ON CONSTITUTIONAL GROUNDS.

DONALD HISS, A FORMER STATE DEPARTMENT OFFICIAL NOW A WASHINGTON ATTORNEY, TOLD THE COMMITTEE EITHER HE OR CHAMBERS SHOULD BE PUT IN JAIL FOR LYING UNDER OATH.

ALGER HISS, NOW PRESIDENT OF THE CARNEGIE ENDOWMENT FOR INTERNATIONAL PEACE, SAID HE HAD "NEVER LAID EYES" ON CHAMBERS.

THE JUSTICE DEPARTMENT IS STUDYING THE TRANSCRIPT OF THE TESTIMONY AND COMMITTEE MEMBERS HAVE DEMANDED PERJURY ACTION AGAINST SOMEONE.

SINCE CHAMBERS HAS BEEN ONE OF THE STAR WITNESSES FOR THE COMMITTEE, MEMBERS SAID PRIVATELY THAT "HALF OUR CASE RESTS ON THE INTEGRITY OF HIS TESTIMONY."

"FRANKLY," ONE OF THEM TOLD REPORTERS, "I CAN'T FIGURE OUT WHO IS TELLING THE TRUTH. THE TESTIMONY HAS BEEN CONVINCING ON BOTH SIDES."

CHAMBERS HAS BEEN QUESTIONED SECRETLY BY MEMBERS SINCE HE FIRST TESTIFIED. THE QUESTIONERS SAID THEY HAVE BEEN UNABLE TO FIND A FLAW IN HIS STORY. ON THE OTHER HAND, THEY ADDED, THEY HAVE NOT BEEN ABLE TO FIND A THIN SPOT IN THE TESTIMONY OF ALGER HISS OR HIS BROTHER.

SEVERAL MEMBERS THINK A LIE DETECTOR TEST MIGHT HELP. THEY SAID CHAMBERS HAS OFFERED TO SUBMIT TO SUCH A TEST. THEY SAID, HOWEVER, THAT THE RESULTS OF A LIE DETECTOR TEST ARE NOT CONCLUSIVE.

AUG

SINCE THE CASE HANGS LARGELY ON CHAMBERS' TESTIMONY, AS FAR AS THE COMMITTEE IS CONCERNED, MEMBERS AND INVESTIGATORS ARE SEEKING ADDITIONAL BACKING FOR IT. THEY HAVE SOUGHT, WITHOUT SUCCESS, TO LOCATE SERVANTS EMPLOYED IN THE ALGER HISS HOME AT THE TIME CHAMBERS CLAIMED HISS WAS WORKING WITH THE COMMUNISTS.

THEY STILL ARE LOOKING FOR THE DOMESTICS WHO MIGHT BE ABLE TO TELL THEM WHETHER CHAMBERS EVER VISITED HISS OR WHETHER HISS EVER TALKED TO OR ABOUT CHAMBERS IN HIS HOME.

THEY PLAN, ALSO, TO BRING THE TWO MEN TOGETHER SOON AND HAVE CALLED A CLOSED DOOR MEETING FOR MONDAY AFTERNOON WITHOUT SAYING WHO WILL TESTIFY.

THE INVESTIGATION MAY RECESS FOR SEVERAL WEEKS AFTER THAT TO GIVE INVESTIGATORS TIME TO RUN DOWN NEW LEADS.

OFFICIALLY, THE ONLY THING THE COMMITTEE DID TODAY WAS TO SERVE A SUBPOENA ON MRS.OKSANA STEPANOVNA KOSENKINA, 52-YEAR-OLD TEACHER OF RUSSIAN CHILDREN.

THE SUBPOENA, WHICH HAS THE EFFECT OF PUTTING THE WOMAN UNDER CONGRESSIONAL PROTECTION, WAS SERVED ON HER AT ROOSEVELT HOSPITAL IN NEW YORK WHERE SHE IS RECOVERING FROM INJURIES SUFFERED IN HER LEAP FROM A SOVIET CONSULATE WINDOW THURSDAY.

THE COMMITTEE DOESN'T EXPECT TO OBTAIN FROM MRS.KOSENKINA ANY TESTIMONY OF VALUE IN ITS SPY HUNT. BUT IT TOOK HER INTO CUSTODY AFTER HER EXPRESSED DESIRE TO KEEP OUT OF SOVIET HANDS.

MRS.KOSENKINA IS ONE OF TWO TEACHERS WHO WERE TO HAVE RETURNED TO RUSSIA RECENTLY AFTER TEACHING CHILDREN OF RUSSIAN MEMBERS OF THE UNITED NATIONS DELEGATION IN NEW YORK.

THE OTHER, MIKHAIL I.SAMARINE, ALREADY IS UNDER COMMITTEE SUBPOENA AND TESTIFIED THURSDAY. BUT COMMITTEE CHAIRMAN THOMAS (R-NJ) SAID THE TESTIMONY WAS NOT TOO PERTINENT TO THE INVESTIGATION.

SAMARINE HAS RENOUNCED RUSSIAN CITIZENSHIP AND SAID HE WANTS TO STAY IN THIS COUNTRY WITH HIS WIFE AND THREE SMALL CHILDREN.

U.S. Navy Aide Framed By Moscow as 'Spy,' State Dept. Charges

REDS SEEN TRYING TO OFFSET UPROAR OVER TEACHERS

Making Capital of Frame-Up That Happened Months Ago, Is Charge

DETAILS REVEALED

Russians Claim Yank Was 'Caught with Goods,' Sent Home

WASHINGTON, Aug. 15—(AP)—The State Department charged today that Russian authorities actually framed up an espionage case against Lieut. Robert Dreher whom the Moscow press and radio accused of serving as an American spy.

The American version of the latest bizarre development in Soviet-American relations, was given out by Michael J. McDermott, state department press officer. It differed in virtually all major respects from the Russian account.

Dreher himself, reached by a reporter tonight, only said: "I can't talk. It's up to navy public relations."

Frameup Charged

McDermott said that the evidence against the 32-year-old naval lieutenat was deliberately planted by Soviet authorities, using the powerful Russian secret police, MVD, after he had applied for a Soviet exit visa to leave the country.

The Russian story is that Dreher was caught receiving secret information from a Russian described as an American agent; that Dreher confessed, and that he was transferred from Russia by his superiors at Soviet demand.

Officials speculated that the Russians framed the young naval officer to get evidence against a future need.

That time is now, they reason, and Moscow is making publicity capital out of the incident four months later to offset a possible prestige loss in the current furore over two Russian teachers in America who are dodging Soviet custody in an international tug-of war.

Holding an extraordinary Sunday afternoon news conference, McDermott recalled how the Moscow radio early today reported that Lieut. Dreher, who is now in the office of the chief of naval operations here, left Moscow May 1 after allegedly being caught receiving espionage information on April 23.

Moscow asserted this information was presented to Dreher, who was an assistant naval attache in Moscow, while secret police looked on, by the Russian customs official mysteriously identified only as "E".

The Moscow radio also claimed that it had a direct quotation from Dreher, admitting that he received secret information which he wrote in a notebook.

Furthermore, McDermott related, Moscow claimed that the evidence aaginst the young officer was so indisputable the embassy didn't even try to contest it and complied with a Soviet foreign office request for the immediate departure of Dreher.

Reds' Story Disputed

What actually happened, McDermott said, was that Ambassador Walter Bedell Smith told Deputy Soviet Foreign Minister Andrei Vishinsky that the alleged espionage meeting between "E" and Lt. Dreher "had been arranged by the Soviet authorities" and that the evidence of frameup lay in the fact that the agents of the MVD were on hand to see what happened.

Here is McDermott's story:

"On April 23, 1948, the United States Embassy learned that Lieut. Robert Dreher, assistant naval attache, had been apprehended by agents of the ministry of internal affairs (MVD) on charges of receiving unauthorized information from a Soviet customs official. Lieut. Dreher had been released after several hours' detention and had reported this incident to the ambassador (Smith).

"On April 26, Mr. Vishinsky, deputy foreign minister, sent for the United States ambassador and informed him that because of this incident the Soviet government requested that Lieut. Dreher leave the Soviet Union at once.

"The ambassador pointed out to Mr. Vishinsky that Lieut. Dreher had gone to the Moscow customs house at the request of the Soviet customs official in connection with shipments of embassy property from Odessa where Lieut. Dreher had previously been stationed; and that the presence of agents of the MVD on the scene would indicate that this interview had been arranged by the Soviet authorities.

"The ambassador added to Mr. Vishinsky that Lieut. Dreher having completed his two year tour of duty, was under routine orders to return to the United States and had applied for an exit visa ten days before and that in the circumstances the embassy would expedite his departure from the Soviet Union."

In Plain English, a Plant

When he finished reading his version of the incident to newsmen, McDermott was asked what was the meaning of Smith's assertion that the interview between Dreher and the mysterious "E" had been "arranged."

"In good American lingo," McDermott said, "it was a plant."

Officials said that Dreher had met "E" when both men were stationed at the Soviet Black Sea port port of Odessa some time before the Moscow incident. They said Dreher's task there was to expedite shipments received from the United States for the embassy in Moscow.

"E" was a customs official designated by higher Soviet authorities to be the contact man with the lieutenant in carrying out his job.

Thus, according to State department informants, there was a proper and officially recognized relationship between the two men which had existed for some time.

Then Dreher was transferred back to Moscow where he was also given responsibility for expediting incoming embassy shipments.

On April 23 he received a phone call from his old official contact man "E" who also appeared to have been transferred to Moscow.

According to the information made available here "E" asked Dreher to call at his office in the bureau of customs and Dreher went there as requested. The two men had a conversation, it was said, and it was during this time that the secret police entered and apprehended both of them.

The Navy said Dreher, a reserve officer, now is attached to the Office of Chief of Naval Operations, Admiral Louis E. Denfield.

Commissioned In 1942

Dreher was commissioned an ensign October 12, 1942, and was connected with shipbuilding operations at Savannah, Ga., and Jacksonville, Fla. He studied the Russian language at the naval training school in Boulder, Col.

Dreher's background shows him an engineer qualified for specialist duties. He was an instructor in the department of mechanics at Rensalaer Institute.

Dreher attended Lafayette College in Pennsylvania from 1935 to 1939, receiving a mechanical engineering degree. He did graduate work at Columbia University in 1940 and 1941. He worked for 26 months about that time for the Standard Oil Development Company in New York.

Navy Officer's Parents Are 'Definitely Proud'

Oil City, Pa., Aug. 15 (AP)—The parents of Robert Dreher, assistant United States naval attaché accused by the Russians of receiving secret information, said today they are "definitely proud" of their son.

His mother, Mrs. Frances Dreher, refused to comment on the Russian charges but said she had talked with her son in Washington by telephone today.

"I told him I would say nothing," she reported. "He said, 'That's fine. We'll take care of it all at this end.'

"This will all be cleared up in a few days," Mrs. Dreher added. "It's just like the Russian policy to do those things over the week end."

His mother said Dreher had been working steadily in Washington and had not been home since the Fourth of July.

Asked if her son ever commented on life with the Russians, Mrs. Dreher said quickly:

"That's censored." Then she added:

"But, actually, he didn't discuss those things at home."

Dreher's father, George Dreher, is a consulting engineer in Oil City.

"The evidence was so indisputable," Pravda said, "that the Embassy did not even try to contest it and, without protest, fulfilled the demand of the Ministry of Foreign Affairs that Dreher immediately leave the Soviet Union."

The incident was said to have taken place April 23, 1948. [An Associated Press dispatch from Moscow May 4 reported that an informed United States source said Lieutenant Dreher, who is 32, had left four days previously at the request of the Soviet Government.]

Lieutenant Dreher's home is in Oil City, Pa.

United States Ambassador Walter Bedell Smith declined comment on Pravda's accusation; so did the United States Naval Attaché, Rear Admiral Leslie C. Stevens. [The Embassy confirmed that Lieutenant Dreher had left Moscow at Soviet request but did not comment on the "spy" charge. The United Press reported.]

Pravda, which declared yesterday that United States intelligence agents took part in the "kidnapping" of two Soviet school teachers in New York, said it printed the story on Lieutenant Dreher today because the case only "recently came to the attention of a Pravda official."

Pravda said Lieutenant Dreher, dressed in civilian clothes, met a Russian customs official—whom it termed a Soviet "agent of American naval intelligence" and identified only as "E"—in the Moscow customs office to receive "secret military information."

The customs official had attracted the attention of Soviet security officers, Pravda said, because he gathered "secret information" and from time to time made trips to Moscow.

Dreher Beat MVD Agent and Tore Up Papers, Moscow Alleges

THOS. P. WHITNEY

By The Associated Press.

MOSCOW, Aug. 15—The Soviet press and radio said today an assistant United States naval attaché who left Moscow May 1 had been caught receiving secret information from a Russian and was sent home by demand of the Soviet Foreign Ministry.

Pravda, the official Communist party newspaper, declared that the assistant attaché, Lieut. Robert Dreher, had been "caught with the goods in his hand" and confessed. Pravda said that the United States Embassy was told Lieutenant Dreher "had been caught in espionage."

changing written information, Soviet security agents entered the room and caught them in the act.

Lieutenant Dreher and the customs official "hurriedly attempted to hide certain papers and notebooks," Pravda said. When a security officer seized several sheets of paper lying on a table, Lieutenant Dreher, "trying to tear them out of the hands of the representative of Soviet security organs, began to beat the security representative," it said.

"When he failed to take away these papers, he began to tear up papers on his person," Pravda said.

The newspaper said that, on investigation, it was found that the customs official's notebook contained "completely secret military information" and that other papers seized were a transcript of them into English.

Lieutenant Dreher confessed on the spot, Pravda said, quoting his statement to Soviet security authorities as follows:

"I affirm that I received from E secret information which I personally wrote down in my notebook. In January of this year I met with him in the customs building and also received from him secret information."

The customs worker also confessed on the spot in front of Lieutenant Dreher, the newspaper said, that "having been caught in the act I am obliged to confess that I gathered and turned over spy information to Dreher at his assignment."

"The notes seized on my person also represent a list of all those secret data which I collected and today turned over to Dreher," the statement was quoted as adding. "Our previous meeting took place in January of this year in Moscow, and at that time I also turned over to Dreher secret information on military questions."

Fluent in Russian

A Naval Reserve officer, Lieutenant Dreher spoke excellent Russian. He was popular socially in the foreign colony here. His tour of duty in Moscow lasted from November, 1947, to May 1. Prior to that time he was naval representative in Odessa for more than a year.

He made his first appearance before Americans here at a costume ball, dressed as a ballet dancer. He wore tights, with ruffled skirts and red wig at the ball, held in Spasso House, the residence of Ambassador Smith.

Despite the publicity over the Samarin-Kosenkina case in New York and the case of Lieutenant Dreher, Americans in Moscow are living as they did previously, going and coming about as they please.

Ambassador Smith said he had told all Embassy personnel they must "conduct themselves correctly." He said he told the staff members that if they conducted themselves correctly and avoided both the essence and appearance of incorrectness they had nothing to fear from any quarter.

SENSE OF FUTILITY NOTED IN STUDENTS

Fear Of War Blamed In Report To Mental-Health Meeting

London, Aug. 15 (AP)—Fear of war tends to give American college students an attitude of "there's no use studying—let's dance," a report to the International Congress on Mental Health said today.

The congress, now in session in London, received the study from a group of Stockbridge, Mass., sponsored by the Austen Riggs Foundation and led by Roy Schafer.

"Sense Of Futility"

"There are indications that the threat of a new war today is at least partly responsible for a strong sense of futility among many young college students, male and female (and among many adults)," the report said.

"This feeling is expressed directly in words and is reflected in decreasing interest in studies and increasing participation in random 'social' activity."

The feeling probably was there all along, deep inside the young people, the report said, but it took the threat of war to bring it to "manifest expression."

Three Perspectives Listed

What lies behind this sense of futility? Three things are listed:

1. The students foresee less chance to get good jobs and rise in the social scale.

2. They are afraid of "the stifling of self-expression . . . that comes with war."

3. They have "a passive orientation to political events." They feel that if something happens, there's nothing they can do to stop it.

Olympic Athletes Shun Return To Soviet-Satellite Homelands

Three Hungarians Win Right to Stay in England, Two Czechs Want to Go to Canada; Britain Keeps Office Open on Sunday to Help Them

By The Associated Press

LONDON, Aug. 15.—Olympic athletes from a number of Eastern European countries, finding the atmosphere of political freedom in Great Britain to their liking, decided today not to go home. At least three Hungarians and two Czechs made arrangements to remain in Britain, and leaders of some of the Olympic delegations said that more are thinking about staying here, now that they are outside the closely guarded borders of their homelands.

Several Yugoslavs and Poles, it was known, have made inquiries about the possibility of remaining here or going on to Canada and the United States.

Whether to go home—or not—has been a question in the minds of many athletes ever since their arrival a couple of weeks ago. Three Hungarian swimmers, Oszkar Csuvik, twenty-three; Elemer Szatmari, twenty-two, and Desso Gyarmati, twenty-one, applied to the Home Office for permission to remain an extended time, and it was granted.

Think More May Follow

"There is a possibility that more athletes from Communist-dominated European countries may want to see us," a Home Office official said.

There was no other authoritative comment, but the Home Office was co-operative to the extent of keeping its aliens' department open on Sunday. There was no announcement of the number of applications for registration to remain that have been received or approved.

Indications were that officials were observing the British tradition of giving asylum to political refugees who asked for it.

Two Czech swimmers, Limhart and Kolar, have made inquiries through Czech relief organizations about the possibility of going to Canada.

Czech athletes reported that the two managed somehow to drop out of a party of Czechoslovakians being taken to an airport for a flight back to Prague. Their baggage went, but they didn't, and they did not return to the Czech Olympic athletes' camp.

A Hungarian Version

The three Hungarian swimmers could not be found in London today, and tonight the Hungarian Olympic Committee issued a statement saying that one of them, Gyarmati, had left for Budapest with a party of athletes. The other two, the statement said, decided to remain in Britain as professional sportsmen. It asserted they had described themselves as political refugees in order to overcome the difficulty of getting permits to remain.

"In Hungary, there is no possibility of earning a living as a professional swimmer," the statement said.

Slovak Embassy spokesmen said they had no authoritative information.

Numerous members of the Czechoslovak team are remaining for the funeral of one of their group, Eliska Miskova, of Prague, a twenty-three-year-old gymnast who died of infantile paralysis in a London hospital yesterday. The body will be cremated and the ashes taken to Prague by teammates.

Few of the athletes of Eastern Europe had ever been in Britain before and few have any personal connections with Western lands, but the thought of staying here occurred to some. One Czech athlete said there was much secret scheming among the visitors and that leaders responsible for supervising the conduct of the groups were much disturbed by it. Some of the athletes said that their relationships with other teams and British people were observed carefully.

The athletes who decided to stay have families in Czechoslovakia and Hungary, but they said they were acting on their own responsibility without the knowledge of their relatives.

Csuvik, one of the Hungarians, told British newspaper men that he was not interested in politics and did not regard his action a political gesture. But he said he was interested in his opportunities as a sportsman, and feared that if he went home he could not hope to take part in more major international competitions.

A Foreign Office spokesman said:

"Great Britain, of course, keeps the door open to persons driven here by political persecution in other lands. We are taking no initiative in the matter, but asylum can be found here. In the case of these athletes, it's up to the home office, because while Britain affords sanctuary it has to guard against the entry of dangerous undesirable persons. If the Home Office clears these athletes there is no obstacle to their staying."

Lord Burghley, chairman of the Olympic Organizing Committee, said it would be improper for him to comment.

"Olympic officials are concerned only with the sporting aspects of the Olympic Games and have nothing to do with the personal problems of individual athletes," he said.

JEWISH REFUGEE GROUP ENCAMPED ON RIVIERA

MARSEILLE, France, Aug. 15—(AP) A group of 355 Jews, identified by the French press agency as Exodus 1947 refugees, arrived on the French Riviera in special trains today.

The Jews—302 men and women and 53 children—are encamped at Bandol, 24 miles east of Marseille, in barracks which police say belong to the French Jewish Federation.

Police said the Jews were taken to the camp in trucks, accompanied by men who appeared to be "American officers." However, they were unable to say whether the men in charge were actually American officers or members of a Jewish welfare agency in U. S. army uniforms. Neither were the future travel plans of party made public.

The French press agency said the Jews are part of those who sailed without immigration visas for the Holy Land in the Exodus 1947 from southern France 13 months ago. British warships intercepted the Exodus off Palestine. The refugees were sent back to France in British transports and later to Hamburg, Germany, after they had refused to land on French soil.

The British announced at Berlin Friday that the Jews who were moved back to Hamburg and interned had disappeared for "an unknown destination." The communique said, "It has been known for some time" that the Jews were gradually leaving camp, adding that a large movement had taken place last Tuesday night.

Bernadotte Gets Blast Report

STOCKHOLM, Sweden, Aug. 15 (AP)—Latest reports forwarded today to Count Bernadotte here said that responsibility still had not been fixed for the recent blasting of the Latrun pumping station on the Jerusalem water pipeline.

Reports sent to the United Nations Mediator from his Rhodes headquarters said that seven hours before the explosion last Thursday an Arab Legion truck had approached the station from an Arab Legion post in the near-by Latrun police station. Two United Nations observers arrived ten minutes later and found a motor inside the truck and a compressor nearby, the reports said.

They added that the Arab Legion commander of the near-by post had told United Nations observers that the incident "apparently was an attempt at looting." The observers ordered the truck unloaded and it drove away, the reports said.

At the same time, the reports continued, the Arab Legion commander said that shortly before the pumping station had been blown up, firing had been directed at the Legion post in the police station. The observers found marks from two mortar shell hits on the police station, it was said.

The explosions were heard by some of the United Nations observers and by some of the monks at a near-by Latrun monastery where they were staying, the reports said. No immediate investigation was made "because explosions were not unusual in that area," they continued, adding that the observers had said that they

30.24- 19791

had gone to the pumping station after flames had been seen spouting from it.

The station's three pumps were wrecked "as if by internal explosions," the reports said. One piece of a pump, weighing 350 pounds, was blown ten feet. The compressor and motor left by the Arab Legion truck remained intact.

BOMB FOUND ON PLANE

VENICE, Italy, Aug. 15—(AP) A bomb containing more than 20 pounds of explosive, with a fuse designed to set it off by the heat of the sun, was found on the wing of an Egyptian plane at the Lido Airport today. The plane, an American-built craft brought here for servicing, belonged to the Egyptian Saide Company. Explosives experts removed the powder and exploded it on the field.

BERLIN WINTER BLOCKADE IS THREATENED

Communists Raise Issue In Attacks On City Government

Berlin, Aug. 15 (AP)—German Communists attempted today, by threats of a winter blockade of Berlin, to incite the people against the anti-Communist city government.

At the same time the first of eighty-two United States jet fighter planes to be stationed in Germany landed at Wiesbaden, in Hesse.

Neues Deutschland, official Communist paper, demanded that the city government resign immediately "to spare (blockaded) western Berlin further suffering."

"Where Will You Get Coal?"

"Winter stands before the door: where will you get coal?" it asked.

Berlin's "battle of the currencies" was the immediate cause of this new outburst against the elected government's non-Communist majority. The Russians and German Communists have demanded that Western-sponsored currency be withdrawn from Berlin and that Soviet marks be made the sole legal tender for the entire city.

The Russian-controlled press has been hinting that, in the current diplomatic negotiations at Moscow over the Berlin crisis, the Western powers would make the concession of withdrawing their currency here.

[A Moscow dispatch said that Frank Roberts, special British representative in the East-West negotiations, had called on Ambassador Walter Bedell Smith at the American Embassy today. Informed observers said there may be another four-power conference in the Kremlin tomorrow.]

Call For Firm Stand

Berlin's three non-Communist parties—the Socialists, Christian Democrats and Liberal Democrats—and the anti-Communist trade union federation demanded yesterday in a memorandum to Western military governments that the Western representatives at Moscow take an uncompromising stand on the currency issue. They asked that the United States, British and French sectors of the city be placed entirely upon a Western currency basis.

The entire Soviet-controlled press sought to belittle the Anglo-American airlift, which moved 90,000 tons of supplies into Berlin during the first 50 days of its operation.

In addition to the airlift transports, the Western air fighter strength also is being built up in Germany. The first 17 of 82 United States jet fighters which will be based in this country landed at Wiesbaden last night.

Flew From England

The planes—P-80 Shooting Stars—arrived by ship at Glasgow, Scotland, earlier this month and flew to Germany from England. The remainder of the group, which will be stationed at Fuerstenfeldbruck, Bavaria, is expected to arrive in small sections throughout the week.

Berlin's non-Communist press has suggested that the Russians are employing delaying tactics in the Moscow negotiations because time favors their pressure methods.

In the rivalry over police control, Moscow-trained Paul Markgraf, suspended as police chief by the city government but still supported by the Russians, demanded the arrest of the western Berlin Police Chief Johannes Stumm, a Socialist.

Markgraf charged that Stumm had "stolen a police auto."

Markgraf's police continued harassing western policemen living in the Russian sector, searching their homes and seizing their belongings.

Say French Strip Zone

Sections of the Western-controlled German press here complained today the French are "stripping their occupation zone of Germany" and suggested that the Americans and British intervene.

The German critics of the French reparations policies asserted the removals of factories and economic resources would pauperize the French zone before it merged with the British and American zones.

One *Land* (state) government in the French zone has already protested against a new program of factory dismantlings.

The British-licensed Socialist newspaper *Telegraf* denounced the factory dismantling program as senseless and a "danger to the European Recovery Program."

The *Telegraf* declared that, in addition to exacting heavy industrial reparations, the French are taking 49 per cent of the meat production of their zone for occupation purposes. The newspaper also asserted that 30 per cent of current manufactured production is taken by the French, in addition to cuttings of timber.

"These evidences of the French occupation policy increase the difficulties of those circles which strive to improve relations between our two countries," the *Telegraf* said.

Cologne Cathedral Celebrates 7th Centenary, 250,000 Attend

Cologne, Germany, Aug. 15 (AP)—More than 250,000 persons thronged the streets of this ancient city today for solemn ceremonies celebrating the seventh centenary of Cologne Cathedral.

Princes of the Catholic Church from fourteen countries took part in the reopening of the massive gothic structure, which had been closed for several years because of war damage.

Josef Cardinal Frings of Cologne said mass at the high altar.

Pope Sends Cardinal Micara

The representative of Pope Pius XII, Clemente Cardinal Micara, gave the papal blessing to more than 100,000 persons crowded in the square and streets around the cathedral.

The solemnity of the occasion was underlined by Cardinal Frings in his sermon.

"This procession should be a holy confession of faith before the world," he said. "The world is standing at the point of a decision whether it will suffer new atrocities, and the madness of a new war, or whether it will live in peace.

U.S. Thanked For Aid

"At this moment we call to the world and say there can be peace only in Christ and through Christ."

The cardinal thanked the United States, Canada and "Christian Europe" for contributions to the relief of Germany.

Only two-fifths of the cathedral have been sufficiently repaired to permit resumption of Sunday services. The beautiful stained glass windows have been put back in.

The cathedral was hit by fourteen heavy bombs, 22 shells and between 200 and 300 fire bombs during the war. It is estimated that it will take fifteen years to complete the repairs.

Figl Hits Soviet Tactics

VIENNA, Aug. 15 (AP).—Leopold Figl, Chancellor of Austria, said today that Russian manipulation of the Belgrade conference on control of the Danube River "is a threat to the very prosperity of every Danubian nation."

At a political rally at Klagenfurt, he assailed the Eastern bloc of nations led by Russia for denying Austria a voting membership at the conference and added: "It appears to be the general belief in Belgrade that the Danube will run out of water if it does not join the Eastern bloc."

Russia—with Bulgaria, Czechoslovakia, Yugoslavia, Hungary, Romania and the Soviet Ukraine—has blocked American, British and French efforts to include Austria in the control program.

DANUBE PARLEY IN FINAL WEEK

BELGRADE, Yugoslavia, Aug. 15—(AP) The 11-nation conference on control of Danube shipping will enter its final week tomorrow with the big question:

What happens when the western powers refuse to sign the pact pushed through by eastern Europe's Communist bloc?

Passage of the Soviet-drafted convention to give Danubian states exclusive jurisdiction over the continent's most important inland waterway was certain, probably by late Tuesday or Wednesday, and by a vote of seven to three.

Just as certain is its rejection by the three-western powers—the United States, Britain and France. They have made it plain the lack of adequate safeguards guaranteeing equal treatment to vessels of all nations will make it impossible for them to sign.

For an indefinite period this probably will mean the Danube will remain cut in two at Linz, Austria, below which Russia halted all non-Soviet traffic shortly after the war ended.

But it will pose a problem of what will happen when the big powers reach agreement on peace treaty terms with Austria and Hungary. Soviet Deputy Foreign Minister Andrei Vishinsky has promised both countries seats on the board once that occurs.

Then the western powers will be faced with the obvious Russian argument that since they participated in the Danubian conference they must abide by its decisions. It is a grave problem with numerous ticklish aspects.

It is ticklish chiefly because the Russians, for the first time since the war's end in a position to dictate the decision of an international conference, probably will cite the outcome of the deliberations here when outnumbered by the western countries in the future.

Bumper Crops Win Polish Battle For Bread

Warsaw, Aug. 15 (AP)—Agriculture Minister Jan Dab-Kociol said today that Poland's battle for bread has been won through abundant harvests.

He did not disclose the estimated crop totals. However, he had indicated earlier that production would double that of 1947, when wheat, rye and barley topped 4,000,000 tons. Poland is setting up 1,400 farm-machinery centers to aid the peasants in threshing grains.

RED LOYALTY CHECK IN PRAGUE OUTLINED

PRAGUE, Czechoslovakia, Aug. 15 (AP)—The Communist newspaper Rude Pravo outlined today points on which a Communist party loyalty check will be made between Oct. 1 and Dec. 31. It listed them as:

How the member understands, fulfils and defends the policy of the party; how often he attends party meetings and whether he follows the decisions of the meetings, whether he pays his party dues, what he does to increase his knowledge about the party, whether he buys and reads the party newspapers, and whether he has contributed time to work brigades.

ACTION SEEN IN POLK CASE

Greek Source Says It Will Soon Be 'Smashed Wide Open'

SALONIKA, Greece, Aug. 15 (AP)—Greek authorties were reported today to be nearing a solution of the slaying of George Polk, American correspondent whose body was found floating in Salonika Bay last May.

A reliable Greek source who declined to be named said investigators were "optimistic and confident" that the case soon would be "smashed wide open."

Mr. Polk, 34-year-old representative of the Columbia Broadcasting System in Greece, was found dead May 16, a week after he had left his hotel room, presumably to seek an interview with the Greek Communist leader, Markos Vafiades.

The Greek source said ninety persons had been questioned. Six other persons have been held "under preventive detention," the source added.

GREEKS TAKE RIDGE IN DRIVE ON REBELS

ATHENS, Aug. 15—(AP) The Greek army, in a surprise lightning attack on the southwest sector of its arc around the guerrillas' Grammos Mountains stronghold, occupied Orla Ridge today and began closing a trap on the defenders of the southern approaches.

A general staff spokesman said several feints were made in other sectors the last two days.

National forces pushed off in early morning darkness and by afternoon had captured height No. 2169, almost astride the Albanian border.

Taking the 7,000-foot height cut the beaten road to Albania over which the government says the communist guerrillas had planned to move men and material out of the area north of the Sandoroporos river. The army moved up the border in an attempt to close a trap on the communists.

The spokesman said the army covered the most difficult terrain today and now has about two miles of fairly level land between the troops and the main ridge.

'Pravda' Says Red Navy Is Strong and Prepared

MOSCOW, Aug. 15 (AP).—The Communist party newspaper "Pravda," charging American "Imperialists" are dreaming of world rule, said in an editorial today that the Soviet fleet is strong and prepared.

The editorial was in observance of Soviet Navy Day. It said the Russian Navy has "received, as a result of the war, new and more convenient bases in the East and the West."

"Imperialists . . . trying to seize new naval strategic bases in all parts of the world are meddling with the sovereignty and state interests of other nations and do not halt before blackmail and crude threats," it said. "So-called 'visits' by American squadrons, surrounded with noisy advertising, serve alone as one of numerous illustrations of the expansionist policies of American imperialism."

Chiang's Troops Aim At Shuyang

Shanghai, *Monday*, Aug. 16 (AP)—Government troops have unleashed a two-prong drive against Communist-held Shuyang, 240 miles to the northwest, pro-government reports said today.

Shuyang, in Kiangsu Province, is 140 miles northwest of China's capital, Nanking.

Heavy fighting was reported in the area south of Shuyang, which was seized by the Chinese Communists several months ago. One column of Government troops, pushing northward, was reported within a few miles of Shuyang. A second column was moving in from the west.

At the same time, these reports said, the government forces began "mopping up" Red guerrilla units along the Grand Canal. The canal is an important communications line, linking the east-west Lunghai Railroad (north of Shuyang) with the Yangtze River at Nanking. The guerrillas have stopped almost all canal traffic in recent weeks.

Another dispatch reported heavy fighting north of Tsingkiang, a port on the north bank of the Yangtze River midway between Shanghai and Nanking.

JAPS UNVIEL STATUE TO FAITHFUL DOG

TOKYO, Aug. 15 — (AP) They unveiled a statue to a dog in front of the busy Shibuya railway station today, and the whole neighborhood had a better conscience because of it.

The dog was Hachiko, who used to meet his schoolteacher master at the station every evening.

The master died at school one day in 1925, but until his own death ten years later, Hachiko daily met the train and sadly scanned the faces in the crowd.

Neighbors erected a statue to him while he was still alive. It was a small statue, for Hachiko was a small dog, looking like an undersized Shepherd. As a symbol of faith enduring beyond the grave, it was a favorite rendezvous for lovers and lonely wayfarers.

Then came the war, and the statue was contributed to the scrap metal drive.

Nobody felt quite right about it. As soon as they could, the neighbors had a new one made by the son of the original sculptor.

It was unveiled today by a sentimental little gathering of the station master, the statue committee and all the kids for blocks around.

JAPS PEACEFULLY MARK SURRENDER DECISION

TOKYO, Aug. 15—(AP) Under the vigilant eyes of U. S. military police, Japanese peacefully observed today the third anniversary of the surrender decision.

Communists and some leaders of labor unions sought to turn the day into one of complaint against the recent no-strike decree for government workers.

Several scheduled demonstrations went off as planned, with much oratory and parading, but the attendance must have been disappointing to the promoters, who had predicted mass demonstrations.

Communist-front groups drew a crowd of 15,000 to 20,000 at their largest meeting.

Even this relatively small crowd, however, was at least ten times as large as an anti-communist session drew two blocks away.

Paraders trudged through the muggy heat past the Diet building and the home of Premier Hitoshi Ashida. They bellowed the usual demands that Ashida resign and carried placards berating his labor policy.

KOREA OBSERVES REPUBLIC'S BIRTH

SEOUL, Korea, Aug. 15—(AP) South Koreans noisily but peacefully celebrated the birth of the republic of Korea today with a rash of parades.

Most formal was the march of 10,000 constabularymen and 1,000 Coast Guards.

Symbolically, the constabulary ripped off their insignia—thus proclaiming themselves an army—while coast guardsmen wore for the first time the new emblem of the Korean navy.

Many civilian organizations also paraded and there were countless informal processions of cheering, capering citizens.

In the ceremonies marking the inaugural of the American-sponsored government, General MacArthur told Koreans the barrier separating this southern half of their country from the Soviet-held north "must and will be torn down."

MacArthur flew to Seoul from his occupation headquarters in Tokyo especially for the event. He, Mrs. MacArthur and Lt. Gen. John R. Hodge, commander in Korea, got a tremendous ovation from a half-million onlookers. The MacArthurs flew back to Tokyo during the afternoon.

Strong American and Korean guards were everywhere, but no incidents were reported despite the radio threats from the North Korean regime which bitterly opposes the new republic.

Actual transfer of the government from American to Korean hands is due to begin Monday and will require weeks or months for completion.

President Syngman Rhee has asked American occupation forces to stay until the danger from the north lessens.

Jerusalem Battle Rages As Guns Shatter Truce

Jews Charge Arabs Open General Attack, Report 5 Casualties As Firing Explodes At Dawn

Jerusalem, Aug. 15 (AP)—The biggest outbreak of shooting since the second truce began four weeks ago raged today in Jerusalem.

The detonation of mortar shells and heavy machine-gun fire awoke inhabitants of Jerusalem at dawn as the battle developed. The Jews, listing five casualties, charged the Arabs were responsible.

[In Amman, a spokesman for the Trans-Jordan Arab Legion said two Arabs were killed in a three-hour attack by Jews against legion forward posts in Jerusalem. He said the attack was launched after United Nations observers notified the legion last night that Israel had accepted Count Folke Bernadotte's order that fire not be returned.

[United Nations observers called to investigate a reported Jewish attack on Arab Legion outposts, said tonight three Jewish bodies had been recovered at Arab positions in the Bab El Wad area along the Jerusalem-Tel Aviv highway. Legion sources said the Jews intended to occupy Deir Ayub, an Arab village between Bab El Wad and Latrun.]

Jews Blame Arabs

Dr. Bernard Joseph, Israeli military governor of Jerusalem, said the Jews reserved the right to self-defense. At the same time he said his command had reissued instructions not to open fire and not to reply to enemy sniping to enable United Nations observers to establish responsibility for violations.

"Arab forces launched a general attack along the entire Jerusalem front," an Israeli Army source said. "The enemy used heavy machine guns and mortars, also laying a smoke screen in the (Arab-occupied) Sheik Jarrah sector. Troops of the army of Israel replied by directing fire at enemy concentrations. Jewish casualties are two dead and three wounded."

Blast Near Old City

A heavy explosion was heard near the wall of the Old City, which is held by Arabs. Another sounded in the no man's land outside the Old City's Jaffa gate.

The Jewish army informant declared Arabs attacked Ramat Rachel, a Jewish collective settlement south of Jerusalem, an Israeli position on Mount Zion and the Beth Israel quarter in the northern sector of the city.

Dr. Joseph reiterated a demand that the Arabs "withdraw from positions they have occupied in no-man's land during the cease-fire period."

He addressed the withdrawal demand to Brig. Gen. W. Riley, Jerusalem representative of the United Nations mediator, Count Folke Bernadotte.

Sheik Reveals He Was Fighter In Stern Group

Arab Asserts 70 Followers Joined His Battalion; Asks Peace in Holy Land

JERUSALEM, Aug. 15 (AP).—Sheik Yussuf Abu Gosh, a twenty-seven-year-old Arab village chieftain, told a press conference today he commanded a group of seventy Arab fighters within the Stern Group, Jewish underground organization. He said his group "fought the Brtish activity for the last five years in co-operation with the Jewish members of the Stern Group."

The shiek gave as his reason for joining the Stern Group his conviction that "the British were in Palestine for their own ends and not to promote peace among the people or to do constructive work."

"Since the Stern Group were the only ones fighting the British, I thought I should join them," he said. "I am interpreting the feeling of 50,000 Arabs of my district. They all are willing to discuss peace with the Jews. I believe both peoples can rebuild this country together for the benefit of both."

[At Tel Aviv, it was announced that a group of Circassians, a tribe originating in the Caucasus area who are long time residents of the Gaillee area of Palestine, will join the Israel Army tomorrow. The Circassians, who are mostly Mahomedans, will take an oath of allegiance to the State of Israel. They are the second non-Jewish group to join the Israel Army. A Bedouin tribe in Galilee has been fighting with the Israeli Army since the beginning of Palestine hostilities.]

Rabbi Silver at Haifa

HAIFA, Israel, Aug. 15 (AP).—Rabbi Abba Hillel Silver, of Cleveland, American Zionist leader, arrived here tonight to attend a meeting of the Zionist General Council at Tel Aviv. He said his purpose in coming to Israel is to discuss reorganization of the Zionist movement and means of strengthening the Jewish state.

U. S. Denies Closing Case Of Citizen Slain in Egypt

CAIRO, Aug. 15 (Delayed by Censor) (AP)—The American Embassy at Cairo denied today that the American government considers the fatal attack July 17 on Stephen Haas a closed affair, as stated by the weekly news publication "Akhbar el-Yom."

Mr. Haas, a Philadelphia real estate dealer, was stoned to death by a mob while on a sightseeing tour of Cairo with his wife. Mrs. Haas was rescued.

The embassy said the report is "contrary to fact, since the American Embassy is awaiting a reply to two official representations concerning the case as well as a report."

The embassy also denied the publication's statement that the Egyptian government has decided to pay the plane fare to America for Mrs. Haas, who returned home soon after the incident. The embassy said: "The Egyptian government has paid $700 for the freight shipment of Mr. Haas's body back to America and 75 Egyptian pounds for the fare to Port Said, and it supplied the casket and embalming services."

"Akhbar el-Yom," in its story, said Mr. Haas was attacked because he was suspected of being a Zionist attempted to photograph Cairo's ancient citadel.

Arabs Ask U. N. Inquiry

AMMAN, Trans-Jordan, Aug. 15 (AP).—United Nations' observers called to investigate a reported Jewish attack on Arab Legion outposts, said tonight three bodies of Jews had been recovered at Arab positions in the Bab el Wad area along the Jerusalem-Tel Aviv highway. Legion sources said the Jews had intended to occupy Deir Ayub, an Arab village between Bab el Wad and Latrun.

The Legion also accused Jews of flying troops and arms to the Palestine Potash Company settlement at the south end of the Dead Sea. They requested an immediate investigation by U. N. truce observers.

The settlement has been held by Jews throughout the Palestine hostilities. A second settlement, at the northern end of the Dead Sea, was evacuated May 20.

BURMESE PLANES ATTACK

Strike at Rebels Trying to Take Police Station Near Rangoon

RANGOON, Burma, Aug. 15 (AP)—The Burmese Air Force went into action today against insurgents attempting to capture a police station at Syriam, three miles up-river from Rangoon, a Government communiqué said.

The statement said that planes had supported ground forces who engaged the insurgents, killing ten and wounding several. The revolutionaries, who wore civilian clothes and red armbands, fled from the town.

It was disclosed that Twante, twenty-one miles from Rangoon, had been held for a day by insurgent forces, who fired upon passing launches from the river front. The communiqué said that army and military police units, supported by the navy, retook the town today without opposition.

Forrestal Flies To Ottawa

Ottawa, Aug. 15 (AP)—James V. Forrestal, United States Secretary of Defense, arrived here by plane today for a two-day visit. His trip to the Canadian Capital was described as a courtesy visit to return one to Washington some time ago by Brooke Claxton, Canadian Defense Minister.

Named Other Officials

Chambers, now a senior editor of Time magazine, told the committee that he himself served in the underground. He named other government officials, too, but Hiss' denial was so impressive as to convince committee members that a face-to-face meeting is essential.

The new international angle was a Moscow press and radio story that Lieut. Robert Dreher, former assistant naval attache of the U. S. Embassy there had been caught receiving secret military information from a Russian and had been sent home by demand of the Soviet foreign ministry. The Russians said he had confessed.

In Washington the state department retorted that the espionage case was a frame-up by Russian authorities.

In the congressional hearings both Hiss and Whittaker previously testified under oath at their own request.

The committee has not decided whether the meeting should be behind closed doors and in the presence of committee members and investigators only, or out in the open with the public and the press looking on. Present indications are it will be behind closed doors.

Members admitted privately that the committee is gambling by bringing the two men together to observe their reactions in a face-to-face meeting.

Alger Hiss Will Face His Accuser At Red Spy Probe Hearing Today

AUG 1948

WASHINGTON, Aug. 15 — (AP) A dramatic face-to-face meeting tomorrow of Alger Hiss, the accused, and Whittaker Chambers, the accuser, may make or break the congressional spy probe.

Plans for the showdown were disclosed today by House UnAmerican Activities Committee members as their espionage investigation took a new international turn.

Hiss, a former state department official who now heads the Carnegie Endowment for World Peace, has been named by Chambers as a member of an "elite" Communist underground operating in Washington prior to Chambers' "conversion" from Communism in 1937.

"If it develops that Chambers was wrong and that he did not know Hiss or visit his home, then one of our main props has been knocked from under us," a member told newsmen privately.

On the other hand, he added, "If it turns out that Hiss has not told the truth, then our main witness is vindicated and our case stands up."

Two committee members, Representatives Mundt (R-SD) and Hebert (D-La), have demanded publicly that the Justice Department take action.

Someone, they said, has committed perjury.

The U. S. attorney for the District of Columbia now has the case under study.

Both testified previously under oath and at their own request.

The committee has not decided whether the meeting should be behind closed doors and in the presence of committee members and investigators only, or out in the open with the public and the press looking on. Present indications are it will be behind closed doors.

Members admitted privately that the committee is gambling by bringing the two men together to observe their reactions in a face-to-face meeting.

Asks U.S. Action

"If it develops that Chambers was wrong and that he did not know Hiss or visit his home, then one of our main props has been knocked from under us," a committee member said.

On the other hand, he added, "If it turns out that Hiss has not told the truth, then our main witness is vindicated and our case stands up."

Two committee members, Representatives Mundt (R., S.D.) and Hebert (D., La.), have demanded publicly that the Justice Department take action.

Someone, they said, has committed perjury.

The United States Attorney for the District of Columbia now has the case under study.

Since Chambers's testimony on other incidents corroborated much of the testimony of another star witness, Miss Elizabeth Bentley, the committee admittedly would suffer a setback if loopholes were discovered in Chambers's statements.

Did Not Implicate Hiss

Miss Bentley, an avowed ex-Communist, did not implicate Hiss in the case, but some people named by her have been named also by Chambers. Some already have flatly denied the accusations; others have stood on their constitutional rights and refused to say whether they even knew her.

The committee claims to have additional evidence to support Chambers's claim that he not only knew Hiss but visited his home here.

When he decided to quit the Communists, Chambers testified, he went to Hiss's home one evening and "tried to break him away from the party. As a matter of fact, he cried when I left. I was very fond of Mr. Hiss."

At a later hearing which he requested, Hiss replied:

"To the best of my knowledge I never heard of Whittaker Chambers until in 1947, when two representatives of the Federal Bureau of Investigation asked me if I knew him and various other people. . . . So far as I am aware, I have never laid eyes on him and I should like to have the opportunity to do so."

Spy Probe Hurts U.S. Effort For Prosecution, Clark Says

Washington, Aug. 15 (AP)—The congressional spy hearings have damaged Government efforts to form "a sound basis for prosecution" in its Communist investigation, Attorney General Tom Clark said today.

"Just how much damage to these efforts . . . has been done by the open hearings which have been conducted is difficult to say," Clark added.

He said advance notice of the possibility of such damage was given Senator Ferguson (R., Mich.), chairman of a Senate expenditures subcommittee which dipped into Soviet espionage stories at the recent special session of Congress. A House committee is still going full tilt.

Letter Made Public

Ferguson was told, Clark related, that a New York Federal grand jury was still serving after hearing witnesses who since have testified on Capitol Hill. The Senators also were told, the Attorney General said, "that the Federal Bureau of Investigation has been engaged for a long period in conducting an intensive investigation into this and other alleged Communistic activities."

All this was in a letter to Ferguson made public today by Clark in which he again rejected Ferguson's effort to get hold of Government loyalty data.

"I am sure that you will realize that information relative to the procedures under which cases of alleged espionage within the Government are handled would be of very great value to any unfriendly foreign nation," the Attorney General wrote.

Clark noted that the case Ferguson discussed involved allegations of espionage.

Clark was replying to a letter Ferguson made public a week ago in which the Senator sought records concerning William W. Remington, 30, a Commerce Department official accused by Elizabeth T. Bentley of giving her secret information which she handed to Soviet agents during the war. Remington has denied it.

Cites FBI Warnings

What Ferguson wanted to know is whether Government agencies ignored FBI warnings when, he said, Remington was transferred to three different top confidential positions.

Ferguson said his group has information that the FBI informed the agencies that Remington was under suspicion. He wants the records to find out for sure, he said, suggesting that the White House can trim out names of informants, sources of information and investigative techniques. This wouldn't impair the loyalty program, he contended.

Clark replied that the inquiry does not involve a case of questioned loyalty alone, but allegations of espionage.

"To disclose the manner in which, and the time when, particular officials or agencies of the United States Government receive notice in such cases; the nature of the notice and the recommendations given; the manner in which the suspected employé is to be treated, and the extent to which he may be permitted to carry on his customary activities; all such disclosures would be of considerable importance to any persons and governments having interests adverse to those of the United States," the Attorney General replied.

Hiss To Face Chambers

Meanwhile a face-to-face meeting tomorrow of Alger Hiss, the accused, and Whittaker Chambers, the accuser, may make or break the congressional spy probe.

Plans for the showdown were disclosed today by House Un-American Activities Committee members as their espionage investigation took a new international turn.

Some Want Recess

The committee's future plans won't be made until after the Hiss-Chambers showdown. Some members want a recess until September. Others want more hearings this month, with a recess during September.

Now under subpoena is Mrs. Oksana Stepanovna Kosenkina, 52-year-old Russian teacher recovering in Roosevelt Hospital, New York, from injuries she suffered when she jumped from the third floor of the Soviet Consulate last Thursday.

STALIN IS QUOTED ON BALKAN VOTING

Expressed Regret at Potsdam Over Free-Election Accord, U. S. Adviser Declares

WASHINGTON, Aug. 15 (AP)—Philip E. Mosely, Columbia University professor, stated today that Premier Stalin expressed regret during the Potsdam meeting over the agreement he had made at the Yalta conference to permit free elections in eastern Europe.

Professor Mosely quoted Premier Stalin as having said at Potsdam, "a freely elected government in any of these countries [the Balkan states] would be anti-Soviet, and that we cannot allow."

Mr. Mosely, who was an adviser to the United States delegation at Potsdam and now teaches international relations at Columbia's Russian Institute, told of the remark in a survey of American-Soviet relations, titled "Face to Face with Russia."

The survey was published today by the Foreign Policy Association, a private organization.

The professor, whose post-war diplomatic assignments included an advisory position with the Council of Foreign Ministers when it met in London in September, 1945, said Soviet Foreign Minister Molotov "put a stop to work" on the satellite peace treaties because James F. Byrnes, then United States Secretary of State, refused Mr. Molotov's request that the question of Japan be taken up.

Prior to the London meeting, the United States had "rejected a Soviet demand that the Japanese make their surrender to a United States and Russian general jointly, and a second demand for joint Soviet-United States occupation and control of Japan," reported Mr. Mosely.

Three months after the London conference, the United States and Russia agreed to establish the Far Eastern Commission in Washington and the Council for Japan in Tokyo. These two agencies are now making policy for the occupation of Japan.

Reviewing the whole series of post-war disagreements between Russia and the United States, Mr. Mosely declared: 'There is no basis on which we can sit down with the Soviet leaders and negotiate a general settlement."

However, he said it was possible that Russia would enter a period of conciliation in her dealings with the United States, in which event "present emphasis on Soviet-American quarrels will subside.

"In the meantime, it would be a gross mistake to decide that because conflict and contention must be assumed in our dealings with the Soviet Union, all negotiations are fruitless.

"In trying to settle particular problems, the sense of timing is of great importance. Some problems cannot be settled, or even adjusted, until the shape of power and the shape of political will have become clear."

FLANDERS WARNS OF INFLATION PERIL

Urges Truman to Apply Brakes Slowly to Avoid Danger of Depression

WASHINGTON, Aug. 15 — (AP) A Republican senator today urged that President Truman apply anti-inflation brakes slowly lest the country skid into a "catastrophic mess" with widespread unemployment.

This word came from Senator Flanders (R-Vt), former president of the Federal Reserve Bank of Boston, who has supported some of Mr. Truman's economic proposals.

It came as the President was expected to sign into law a G.O.P. measure allowing him t. tighten consumer credits and bank reserve controls—only a small part of the controls Mr. Truman demanded of the special session of Congress.

Plans New Blast at Congress

White House sources indicate that the President plans a fresh blast at Congress on the "do-nothing" theme. Flanders, however, told a reporter that if attempts are made to jam on monetary and credit controls too rapidly, this "could cut down employment and production and may well result in starting a depression."

"Slowly and regretfully I have come to the conclusion that inflation cannot be handled entirely by government," he said. "If we try to do that, there is a real danger of rolling into a catastrophic mess."

Flanders said he agrees that "it is possible to cure inflation by generating unemployment but these methods have no appeal for me."

"There is no patent medicine cure," he said. "We can taper off without jumping into a depression, but that rests chiefly with business, organized labor and consumers."

Flanders startled many of his GOP colleagues in Congress last year, by proposing a trial of government rationing and price controls on meats.

"But this is no time to try that trick," he said today.

Week's Aid Grants Top $100,000,000

Washington, Aug. 15 (AP)—The Economic Co-operation Administration today announced approval of $104,941,449 in recovery shipments to Europe and China, one of the largest weekly totals since the start of the Marshall plan.

The list of United States-financed shipments included some industrial equipment and materials such as bulldozers, steel plates and automotive equipment — emphasizing ECA's growing trend toward "recovery" items instead of food.

However, the heaviest shipments were scheduled for bi-zone Germany and these, totaling $27,239,216, were mainly foodstuffs.

Ten other countries shared in the weeks grants total approved. They were:

Austria, $2,372,047; Denmark, $3,738,098; France, $1,357,436; French zone of Germany, $1,150,000; Greece, $8,008,163; Italy, $9,388,008; Belgium, $1,419,938; Netherlands, $10,152,000; Norway, $4,867,155; Trieste, $563,300; China, $3,805,730.

These new authorizations were increased by approved funds for ocean freight totaling $30,880,358. Freight costs are borne out of the $5,000,000,000 Marshall plan appropriations.

HITCHHIKING WIFE TO CONTINUE TRIP DESPITE PROTESTS

OLD ORCHARD BEACH, Me., Aug. 15—(AP) Blonde Mrs. Marjorie Furio, resting with her 22-months-old son at the home of a girl friend, said today she would resume thumbing her way "to California or Texas" tomorrow to see her army husband.

The "hitchhiking mother" said her trek was interrupted by illness to her son, Tony, Jr. She took shelter with Miss Magdalene Jackson, a friend who operates an astrology booth at the Old Orchard pier and has a cottage here.

The attractive 28-year-old mother who started hitchhiking at Bangor two days ago said she has only "five dollars in funds" but plans to continue her journey tomorrow. She said Tony, Jr., is "again in excellent health."

"I'll go to California—or to Texas if that is where my husband is to be transferred," Mrs. Furio said.

An Associated Press story from San Francisco reported last night that Mrs. Furio's husband, Cpl. Tony Furio, was being transferred from California to Texas within the next four days. Tony appealed to his wife to return to Bangor.

Mrs. Furio said she will try to telephone Tony but added "I will go wherever Tony is."

The Portland Press-Herald, meanwhile, reported that it had received a telephone call from a Massachusetts man giving his name as Dr. Frederick Di Iorio of Somerville, Mass., who said he would pay Mrs. Furio's transportation fare to California or Texas.

At Somerville, Mass., Dr. Iorio said he was "in sympathy with Mrs. Furio" but that he did not know the Furios and was "not familiar with the case."

"It apparently was a practical joke on the part of someone who knows me," Dr. Di Iorio said. "I did not make the call nor did I authorize anyone to call the newspaper for me. It is a joke in poor taste."

Mrs. Furio said she knew nothing of the offer.

She began thumbing to California because she said she lacked transportation funds. She said she wanted to join her husband before an overseas assignment scheduled for him Aug. 20. It was reported, however, that that assignment has been changed."

TUTOR'S STATE STILL CRITICAL

But Mrs. Kosenkina Is Reported 'Resting Comfortably'

New York, Aug. 15 (AP)—Mrs. Oksana Stepanovna Kosenkina, the Russian teacher who said she chose possible death rather than return to her homeland, remained on the critical list at Roosevelt Hospital tonight but hospital attaches added that she was "resting comfortably."

The 52-year-old teacher who was injured in a three-story leap from the Soviet consulate here last Thursday is under full protection of the United States Government after the State Department had rejected Soviet demands for her custody.

She said she had been held a prisoner at the consulate pending forcible return to Russia.

Consulate Protests

Her story touched off a top-level diplomatic dispute which began with a protest from the consulate, spread to the Russian foreign office and finally to the Soviet Embassy itself.

A strong police detail has maintained constant guard over her room and all entrances to the hospital since she entered the institution last Thursday.

The Federal Government assumed protective custody over the injured teacher yesterday when the House Committee on Un-American Activities subpoenaed her as a witness in its investigation of Communist spy operations in this country. Her convalescence is expected to take about three months.

Under Full Protection

Service of the subpoena brought Mrs. Kosenkina under the full protection of the Government.

Almost at the same moment the subpoena was being served, Russian Ambassador Alexander S. Panyushkin was closeted with Under-Secretary of State Robert A. Lovett in Washington, demanding that the teacher be restored to Soviet control. His demand was rejected.

Four Ships To Operate On Mediterranean Run

New York, Aug. 15 (AP)—Four newly rebuilt American Export Lines passenger ships—to operate between New York and Mediterranean ports—will be put in service by late October, it was announced today.

Arthur Hiltebrant, general manager of the Bethlehem Steel Company's New York district shipyards, said work on the first of the four ships, the Excalibur, will be completed within the next five weeks.

The vessel is scheduled to make its maiden voyage from here September 21, marking the restoration of first-class passenger service under the American flag to and from the Mediterranean. Such service was interrupted by the war in 1940, Hiltebrant said.

WAINWRIGHT WILLING TO ACCEPT DAV POST

NEW YORK, Aug. 15—(AP) Gen. Jonathan Wainwright arrived tonight for the 27th annual convention of the Disabled American Veterans and said he would accept commandership of the organization "If I am elected."

The retired Army officer, accompanied by his aide, Col. O. C. Holman, came by plane from San Antonio, Tex.

The convention opens tomorrow and will continue through Friday.

It has been reported that Wainwright's name will be placed in nomination for the post of commander.

A group of 25 D. A. V. delegates greeted Wainwright at La Guardia Field.

UN RECESS HINGES ON DEVELOPMENTS IN PALESTINE CASE

LARRY HAUCK

LAKE SUCCESS, Aug. 15—(AP) Hopes of the United Nations Security Council for a month-long recess today hinged on developments in Palestine.

Delegates have made plans to wind up business here this week and reconvene in Paris Sept. 21, when the general assembly opens its regular annual session. Only emergency meetings would be held during the interval.

However, Israel's bid for an early end to the truce and Egypt's outright rejection of the Jewish request for peace talks have complicated the Holy Land picture.

Resume Debate Wednesday

The Israeli truce request, already circulated to reporters, probably will be laid before the Council formally Wednesday, when Palestine debate is resumed. In effect, it asks the United Nations to lift the truce restrictions and allow the new Jewish state to settle the future status of the country in its own way.

Egypt's rejection of the peace talks was announced in Stockholm yesterday by Count Folke Bernadotte, the U. N. mediator.

These two developments add to such problems as the return of Arab refugees, Jews held on Cyprus, and the Jerusalem water supply. Should the council debate all these, meetings would go on for weeks. The general trend here, however, has been to curtail discussion at this stage and hope the situation in Palestine will be clarified somewhat by the time the delegates get to Paris.

Other problems which the council must dispose of—at least temporarily—are Trieste, Ceylon's membership application, and plans for global arms reduction.

Yugoslavia's demand that the U. N. find the United States and Britain guilty of violating the Italian peace treaty in their administration of Trieste will be discussed tomorrow. The Yugoslav resolution is expected to win the support of only Russia and the Soviet Ukraine.

In addition to Palestine, the council calendar for Wednesday lists Ceylon. Russia has threatened to veto the application of the new Asiatic nation.

The commission on conventional armaments plans to meet Tuesday to approve a report to the council saying that actual arms reduction cannot be carried out under present international tension. The council probably will debate the report late in the week and pass it on to the assembly.

"WINTER STANDS BEFORE THE DOOR: WHO WILL YOU GET COAL?" THE NEWSPAPER SAID.

BERLIN'S "BATTLE OF THE CURRENCIES" WAS THE IMMEDIATE CAUSE OF THIS NEW OUTBURST AGAINST THE ELECTED GOVERNMENT'S NON-COMMUNIST MAJORITY.

THE RUSSIANS AND THE GERMAN COMMUNISTS HAVE DEMANDED THAT WESTERN-SPONSORED CURRENCY BE WITHDRAWN FROM BERLIN AND THAT SOVIET MARKS BE MADE THE SOLE LEGAL TENDER FOR THE ENTIRE CITY.

THE RUSSIAN-CONTROLLED PRESS HAS BEEN HINTING THAT, IN THE CURRENT DIPLOMATIC NEGOTIATIONS AT MOSCOW OVER THE BERLIN CRISIS, THE WESTERN POWERS WOULD MAKE THE CONCESSION OF WITHDRAWING THEIR CURRENCY HERE.

BUT YESTERDAY BERLIN'S THREE NON-COMMUNIST PARTIES-- SOCIALISTS, CHRISTIAN DEMOCRATS AND LIBERAL DEMOCRATS-- AND THE ANTI-COMMUNIST TRADE UNION FEDERATION URGED AN UNCOMPROMISING STAND FROM THE WESTERN ALLIES AT MOSCOW ON THE CURRENCY ISSUE.

A MEMORANDUM SENT TO THE WESTERN MILITARY GOVERNMENTS DEMANDED THAT THE U.S., BRITISH AND FRENCH SECTORS OF BERLIN BE PLACED ENTIRELY UPON A WESTERN CURRENCY BASIS AND THAT MORE MONEY BE ISSUED TO SUPPLY CREDITS FOR THE SECTORS' CRIPPLED ECONOMY. WESTERN BERLIN IS NOW ON A DUAL CURRENCY BASIS, WITH SOVIET-SPONSORED MARKS ACCORDED LEGAL PARITY WITH THOSE OF THE WEST. THE RUSSIANS, ON THE OTHER HAND, HAVE OUTLAWED WESTERN-SPONSORED MARKS IN THEIR SECTOR OF THE CITY.

THE NON-COMMUNISTS DECLARED ACCEPTANCE OF ONLY SOVIET-SPONSORED MONEY HERE WOULD SEVER BERLIN'S LAST ECONOMIC TIES WITH WESTERN GERMANY AND "MAKE THE ENTIRE CITY PREY TO RUSSIAN EXPLOITATION."

NEW YORK, AUG. 15-(AP)-THE PRESIDENT OF THE INDIA LEAGUE OF AMERICA SAID TODAY THAT BRITISH CRITICS WHO PREDICTED THE PEOPLE OF INDIA WOULD BE INCAPABLE OF SELF-RULE "HAVE ALREADY HAD TO EAT THEIR WORDS."

SIRDAR J.J.SINGH MADE THE STATEMENT IN AN ADDRESS AT A LEAGUE RECEPTION, OBSERVING THE FIRST ANNIVERSARY OF THE INDEPENDENCE OF INDIA AND PAKISTAN.

HE SAID THAT EXCEPT IN KASHMIR AND HYDERABAD "ALL IS QUIET AND PEACEFUL ON THE SUBCONTINENT OF INDIA X X X TRADE AND INDUSTRY ARE DEVELOPING RAPIDLY X X X AGRICULTURAL PRODUCTS INCREASE EVERY MONTH."

DURING THE SEVEN MONTHS ENDING LAST JANUARY--WHICH INCLUDED THE WORST MONTHS OF COMMUNAL UPHEAVALS--EXPORT TRADE OF INDIA AND PAKISTAN INCREASED $456,000,000 (M) OVER THAT OF THE SAME PERIOD THE PREVIOUS YEAR, SINGH SAID.

"INTENSIVE EDUCATIONAL PROGRAMS ARE ALREADY IN FORCE AND ARE EXPECTED TO RAISE LITERACY TO 50 PER CENT IN THE NEXT THREE YEARS," HE SAID. "IT IT WORTHY OF NOTE THAT 200 YEARS OF BRITISH RULE PRODUCED 13.6 PER CENT LITERACY."

HE SAID LARGE-SCALE PLANS FOR POWER PLANTS ALREADY HAVE PASSED THE BLUE-PRINT STAGE.

"BUT PERHAPS THE MOST OUTSTANDING ACHIEVEMENT," SINGH SAID, "IS THE 'BLOODLESS REVOLUTION' OF THE PRINCELY STATES OF INDIA."

HE SAID THE 600 PRINCELY STATES WHICH PREVIOUSLY CHECKERED THE MAP OF INDIA HAVE BEEN REDUCED TO ABOUT 20 BY MEGERS AND CONSOLIDATIONS, AND ADDED:

"IT WILL BE RECALLED THAT ONE OF THE PET ARGUMENTS OF THE BRITISH IMPERIALISTS AGAINST GIVING FREEDOM TO INDIA HAD ALWAYS BEEN THAT THE MOMENT THE BRITISH RELINQUISHED THEIR RULE, THE PRINCES WOULD START WARS ALL OVER INDIA. WELL, LIKE MOST PREDICTIONS OF THE IMPERIALIST BRITONS, THIS ONE, TOO, HAS PROVEN FALSE."

AUG 1948

HE SAID IT HAD COME "AS A PLEASANT SURPRISE" THAT THE PRINCELY INDIAN PRINCES, WHO WERE MOSTLY "STOOGES OF THE BRITISH," HAVE TURNED OUT "TO BE MUCH BETTER CITIZENS IN THE FREE INDIA THAN HAD BEEN EXPECTED."

SINGH SAID THE DISORDERS AND PUNJAB MASSACRES THAT FOLLOWED THE NEWLY-PROCLAIMED INDEPENDENCE RESULTED FROM THE DIVISION OF THE COUNTRY INTO TWO STATES.

MANY GOVERNMENTS "HAVE BUCKLED UNDER LESSER UPHEAVALS," HE SAID, "BUT NOT THESE TWO GOVERNMENTS WHICH HAD JUST FOUND THEIR INDEPENDENCE."

HE ADDED:

"THESE LARGE-SCALE DISORDERS CREATED THE IMPRESSION THAT, JUST AS THE BRITISH HAD PREDICTED, THE PEOPLE OF INDIA WERE INCAPABLE OF RULING THEMSELVES. BUT TODAY, ONLY ONE YEAR LATER, MANY OF THESE CRITICS OF INDIA HAVE ALREADY HAD TO EAT THEIR WORDS."

SINGH RECOMMENDED THAT THE PROBLEMS OF KASHMIR AND HYDERABAD BE RESOLVED BY ALLOWING THE PEOPLE OF THOSE TWO PROVINCES TO VOTE WHETHER THEY WISH TO BE A PART OF INDIA OR PAKISTAN.

THE RUSSIAN PRESS AND RADIO CHARGED LAST (SUN.) NIGHT THAT AN ASSISTANT U.S. NAVAL ATTACHE "HAD BEEN CAUGHT IN ESPIONAGE" WHILE STATIONED IN MOSCOW, BUT THE U.S. STATE DEPARTMENT QUICKLY ISSUED A COUNTER-CHARGE SAYING THE OFFICER HAD BEEN FRAMED.

THE COMMUNIST PARTY NEWSPAPER, PRAVDA, SAID THE ASSISTANT ATTACHE, ROBERT DREHER, WAS "CAUGHT WITH THE GOODS IN HIS HAND" AT A MEETING WITH A SOVIET CUSTOMS OFFICIAL BRINGING HIM SECRET MILITARY INFORMATION. BOTH MEN CONFESSED, THE REPORT SAID.

THE STATE DEPARTMENT VERSION, HOWEVER, DIFFERED IN VIRTUALLY ALL MAJOR RESPECTS FROM THE SOVIET ACCOUNT. IT SAID EVIDENCE AGAINST DREHER WAS DELIBERATELY PLANTED AFTER THE OFFICER HAD APPLIED FOR A RUSSIAN EXIT VISA TO LEAVE THE COUNTRY.

THE SOVIET CHARGE SAID DREHER LEFT MOSCOW LAST MAY 1 AND WAS SENT HOME BY DEMAND OF THE RUSSIAN FOREIGN MINISTRY.

PRAVDA, WHICH DECLARED YESTERDAY THAT AMERICAN INTELLIGENCE AGENTS TOOK PART IN THE "KIDNAPPING" OF TWO SOVIET SCHOOL TEACHERS IN NEW YORK, SAID IT PRINTED THE STORY ON DREHER TODAY BECAUSE THE CASE ONLY "RECENTLY CAME TO THE ATTENTION OF A PRAVDA OFFICIAL."

THE NEWSPAPER, IN AN EDITORIAL OBSERVING SOVIET NAVY DAY, CHARGED AMERICAN "IMPERIALISTS" ARE DREAMING OF WORLD RULE AND SAID THE SOVIET FLEET IS STRONG AND PREPARED TO PROTECT THE PEACEFUL WORK AND SECURITY OF THE SOVIET PEOPLE.

London, Aug. 16 (AP)—Four more Czech Olympic athletes decided today against returning to Communist-ruled Czechoslovakia.

Their decision brought to at least eight the number of Olympic competitors refusing to go back to Communist homelands. Two Czechs and three Hungarians disclosed yesterday that they intended to stay in England, but one of the Hungarians later went back to Hungary.

The Czech Committee for Political Refugees, which announced the action of the athletes, withheld the names for fear of retribution against relatives still in Czechoslovakia.

Two Are Swimmers

"But six Czech athletes who came here for the Olympic games definitely have decided against returning," a committee spokesman said. "Two of the athletes are swimmers. The other four were on the rowing team."

Two Czechs already have applied for permission to remain in England. The others are expected to apply soon.

The Hungarian Olympic Committee admitted that two Hungarian swimmers, Oszkar Csuvik, 23, and Elmer Szatmari, 22, are staying in England with British permission. The Hungarian committee insisted that Csuvik and Szatmari were not political refugees, but only "two adventurous young men" who want to make their living as professional swimmers.

One Returns To Budapest

"In Hungary there is no possibility of earnings a living as a professional swimmer," the committee said.

The Hungarian committee said Desso Gyarmati, 21, returned to Budapest after receiving Home Office permission to stay in Britain.

Both the Hungarian and Czech legations said they had no official information about the action of the athletes.

Although the British Home Office Alien Department was kept open on Sunday to receive applications from visiting athletes, officials declined today to discuss the cases or to say how many had applied to stay.

Traditional Policy Followed

The granting of the two Hungarians' request indicated, however, that the traditional British policy of offering asylum to refugees is being followed.

"Great Britain, of course, keeps the door open to persons driven here by political persecution in other lands," a Foreign Office spokesman said. "We are taking no initiative in the matter, but asylum can be found here. In the case of these athletes, it's up to the Home Office."

8 IN OLYMPICS WISH TO STAY

Four Czechs Join Group Balking At Return To East Europe

London, Aug. 16 (AP)—The list of Olympic athletes who don't want to go home to Communist-ruled central Europe grew to a reported eight tonight.

The Czech Committee for Political Refugees said four Czech rowers "definitely decided" today to stay in England if they could. Another Czech source said four Czech athletes were weighing such a decision but were waiting to find work before they made up their minds.

Two Czechs and two Hungarians, all swimmers, made known their intention yesterday not to return to their homelands.

One Hopes To Go To America

Broadcasting to central Europe, BBC identified the Czech swimmers as Jiri Linhart and Jiri Kolar, Prague University students. It quoted them as saying they were waiting for British Government permission to stay and work in England. It said Linhart hopes eventually to go to America.

The Hungarian swimmers are Oszkar Csuvik and Elemer Szatmari. The Hungarian Olympic committee said they are remaining in England with British Home Office permission. They are not political refugees, it said, but "two adventurous young men" who want to become professional swimmers and couldn't make a living at it back in Hungary.

The committee said a third Hungarian swimmer, Desso Gyarmati, got Home Office permission to stay in Britain but then returned to Budapest with other Hungarian contestants.

Csuvic is 23 and Szatmari 22. BBC said both had been Budapest University law students.

Prefer Political Atmosphere

The Hungarian Committee was quoted as saying the athletes had Hungarian government approval for their staying.

They denied this and told a BBC correspondent their team manager had kept their passports.

"We prefer to remain in Britain because we prefer the political atmosphere here," BBC quoted the pair. "We hope to continue our studies here but first we have to earn enough to pay for them."

The Hungarian and Czech legations said they had no official information on the athletes in question.

The British Home Office, which kept the alien department open Sundays to take applications from visiting athletes, would say nothing.

A Foreign Office spokesman said, "we are taking no initiative in the matter."

DOCTOR URGES PREJUDICE END

Mental Hygienists Set Goal Of 'Intelligence Cyclotron'

RICHARD TOMPKINS

London, Aug. 16 (AP)—The mental hygienists today set themselves the task of building an "intelligence cyclotron"—a sort of brain smasher—to destroy international prejudice.

The idea was put forward at the International Conference on Mental Health by Dr. Frank Fremont-Smith, of New York, vice president of the International Committee for Mental Hygiene. He summed it up this way:

"Just as the physicists, chemists, engineers and mathematicians needed to collaborate in order to build the cyclotron for the release of atomic energy, so must we, the specialists in individual and group behavior, join forces to forge a different kind of cyclotron.

Penetrate Shell Of Suspicion

"It would be one that will use the powerful rays of human intelligence to penetrate the tough outer shell of suspicion, prejudice and hostility and thus release the untrapped energies of good will and co-operative effort which lie in the heart of man."

Dr. Fremont-Smith said a confused and troubled world is looking to the mental hygienists to mobilize the knowledge of social scientists "to promote mental health and harmonious human relations and thus to provide a basis for enduring peace."

Echoes Views

Heretofore, he said, the principles of mental health have not been brought to bear upon the crucial problems of the world. New knowledge of human behavior is available, but without the guidance of social scientists it results in suspicion, prejudice and hostility, he said.

"It is this new knowledge of human personality—new knowledge not yet put to work—which justifies our hopes," he told the conference.

Viscount Addison, Britain's Lord Privy Seal, echoed Dr. Fremont-Smith's views when he said it is a question whether the human mind and will are prepared to face the responsibility for the use of forces which physical science has made available.

"Wars begin in the minds of men," he said. "It is in the minds of men that the defenses of peace must be constructed."

Another American psychiatrist said today "big business and vote getters are making a bugaboo of communism" in the United States, some of them with the idea of starting a war.

Dr. Carl A. L. Binger, associate professor of clinical psychiatry at Cornell University, gave this analysis at a news conference after telling the congress psychological scientists should help stop "war fever."

Neurotic Anxiety

Binger said he believes the State Department is promoting fear of communism with the idea of "defending ourselves against attack," but there are others with a different motive.

"I think there are very many people right now who think a preventive war would be a good thing," he said. "I have been in some medical groups, for example, who have a very great fear of socialized medicine." He added:

"I think fear of Russia is a very legitimate fear. I think fear of communism is a neurotic anxiety. Actually there is very little danger of communism in America."

Dr. Binger said many Americans, unlike the British, "don't distinguish between communism and socialism."

R. A. Butler, president of the National Association for Mental Health of Britain, found a "wilderness" of the mind that the social sciences need to explore and chart. He said there is more unknown territory in the human mind than remains undiscovered on the globe.

Better Understanding

Butler said the mental perplexities in the world could be cleared away by the social scientists if "we have the patience, the scientific skill and the determination to pool our knowledge and resources in a bold frontal attack."

A message from King George VI to the conference said he is confident the hygienists will contribute to "a better understanding of troubled communities and a convalescent world."

Arvid Brodersen, of the social sciences section of the United Nations Education, Scientific and Cultural Organization, promised UNESCO's co-operation in carrying out the conference's recommendations.

world citizens in a world community."

"World citizenship can be widely extended among all peoples through the application of the principles of mental health," it states.

"The concept of world citizenship implies loyalty to the whole of mankind. Such new loyalty need not conflict but rather embrace traditional loyalty to family, community and nation. . . ."

It urges that the United States establish mental-health services in occupied Germany "to deal with the disastrous effects of present conditions there, which are a threat not only to the welfare of the country but also to the world.

Warning Cited

"The warning by eminent scientists of the dread possibilities of biological and atomic warfare cannot be ignored . . .," it says. "The sciences concerned with the life of man in society must become more responsive to human needs in this situation."

The document notes that men long have accepted war as unavoidable "on the ground that 'that is human nature.'" It says advancing social and psychiatric science showed that this was wrong and that "human beings are the products of their upbringing."

Shaped By Influences

"Attitudes toward peoples of other races, creeds or 'nationalities' are in no sense inborn or ineradicable," it explains, "but are subject to all influences . . . which circulate in a given society."

U.N. Science Parley Sought To Study World Tensions

WM. N. OATIS

London, Aug. 16 (AP)—Scientists from ten countries recommended today that the United Nations call a scientific conference to see what science can do about the present state of the world.

It should, they said, convene "technically qualified representatives of the social sciences and psychiarty, appointed by their governments, to inquire into existing international tensions and to make relevant proposals."

The declaration was contained in a 44-page statement of the preparatory commission for the International Congress on Mental Health. It was made public with the opening of a six-day mental hygiene conference, part of the congress.

Ask Loyalty To Mankind

Science, it says, can help in "adapting human institutions so that men can live together as

The preparatory commission included members from the United States, Britain, France, Italy, Sweden, the Netherlands, Switzerland, Eire, Canada and Brazil.

SPAIN ACCEPTS, EAST DECLINES

Why Soviet Bloc Isn't Expected At Red Cross Meeting

Stockholm, Aug. 16 (AP) — Basil O'Connor, head of the American Red Cross, said tonight the East-

ern bloc countries that have refused to attend the International Red Cross conference in Stockholm "clearly are not coming because Spain is coming."

O'Connor, who arrived in the Swedish capital tonight by plane from Copenhagen, said he hoped these countries would eventually attend the conference.

"Test For Governments"

He indicated he thought they would and added: "I'm sure the peoples would like to come. . . . This will be a test for the governments to see whether they are interested in the democratic way of life."

An official Red Cross list showed today 54 nations have accepted invitations to the conference. Six declined and five failed to reply.

Among those who declined were Albania, Bulgaria, Hungary and Yugoslavia. No official replies have been received from Russia, Czechoslovakia, Poland and Romania.

Main Question On Agenda

Some Russian satellites gave financial difficulties as the reason for their absence. However, Red Cross officials hinted the absences are because Spain will be represented at the meeting.

O'Connor said the main question on the conference agenda is the adoption of a new international convention for the protection of civilians in wartime.

An international body to control what goes on in occupied areas will be set up, and the convention also recommends that prisoners of war be repatriated immediately after the end of hostilities.

Satellites Declining Red Cross Invitations

Stockholm, Sweden, Aug. 16 (AP). Eastern European nations apparently will not be represented at the International Red Cross Conference, opening here Friday.

An official Red Cross list showed today that 54 nations have accepted invitations, six declined and five did not reply.

Among those who declined were Albania, Bulgaria, Hungary and Yugoslavia. No official replies have been received from the Soviet Union, Czechoslovakia, Poland and Romania.

Some Russian satellites gave financial difficulties as the reason for their absence. Red Cross officials have hinted, however, that the absences are because Spain will be represented.

Scandinavian Meeting Slated

Stockholm, Sweden, Aug. 16 (AP). The foreign ministers of the four Scandinavian countries will meet in Stockholm September 8 and 9 to discuss questions in connection with the Paris meeting of the United Nations General Assembly, the Swedish Foreign Ministry said tonight.

Russian Indonesian, Viet-Nam Plans Lose

Geneva, Switzerland, Aug. 16 (AP). Russia was rebuffed today in a move to invite the Viet-Nam and the Indonesian republic to join in the work of the economic commission for Asia and the Far East.

The United Nations Economic and Social Council defeated by 9 to 4 votes the Russian resolution to invite Indonesia to participate in the economic commission's activity. Russia was supported by Lebanon, White Russia and Poland.

The Viet-Nam proposal was defeated, 11 to 3, with only Poland and White Russia supporting Russia.

In a final Russian defeat, the Council voted, 12 to 3, in favor of an Australian resolution giving the economic commission for Asia and the Far East complete freedom to make its own decisions on inviting co-operation from nonmembers of the United Nations.

Red Purge Lists Reported In Berlin

Berlin, Aug. 16 (AP)—Berlin's Liberal Democratic press declared today the Communists have prepared a purge list of hundreds of thousands of anti-Communists upon whom revenge would be taken if the Western Allies left the city.

The newspaper *Montags Echo* said a Communist fifth column is working in the blockaded Western sectors of Berlin, occupied by the United States, Britain and France.

"The Communist spy system has wormed its way into industrial workers' councils, into commerce, into postal and telegraph systems of Western Berlin and there makes systematic preparation for "X-day" —the day the Communists hope the Western Allies will leave Berlin," the Liberal Democratic newspaper said.

The Socialist *Telegraf* said that "the blockade must be lifted and the roads to Berlin must be guaranteed without restrictions."

Berlin's anti-Communists urged the West to take a firm stand in the Big Four negotiations in Moscow, while German Communists prodded the elected city government of Berlin to quit.

Reds Blamed For Wrecks

Divided Berlin's troubles extended to the public transport system. The anti-Communist press blamed the Russian blockade for a series of accidents which have occurred recently on the city's Soviet-controlled elevated railway. The latest of these occurred yesterday when two trains collided in a tunnel, injuring seventeen passengers.

The Socialists charged the Russians are neglecting equipment on western Berlin lines and that necessary repair parts cannot be obtained from Western Germany factories because of the blockade.

A Hamburg dispatch said German frontier police expressed the belief the Russians had ended summer maneuvers in an area 40 miles north of the blockaded Helmstedt-Berlin railway line and returned the troops to their frontier garrisons. Travelers were quoted as saying about 5,000 troops took part in the training exercises, held over a ten-day period.

Ernst Reuter, whose election as Lord Mayor of Berlin was vetoed by the Russians in June, 1947, declared "there cannot and must not be a simple and convenient withdrawal" of the Western powers from Berlin.

Asks "Genuine Compromise"

Reuter—a Communist turned Social Democrat—declared yesterday in a broadcast on the American-sponsored German radio that the Germans deserve a better judgment by world opinion now than when the war ended.

He said the Moscow talks on the Berlin blockade and the other East-West differences will not only decide the fate of Berlin. There must be found a "genuine compromise" in Moscow based on justice, he insisted.

Reuter was elected Lord Mayor by the City Assembly on June 24, 1947, the Soviets vetoed his election, labeling him anti-Russian. A four-power agreement provides that the election must be approved by all four of the occupying powers.

Three Parties Send Memo

Berlin's three anti-Communist parties—the Socialists, Christian Democrats and Liberal Democrats —and the anti-Communist Trade Union Federation demanded also that the Western envoys in Moscow take an uncompromising stand on the currency issue. In a memorandum to the Western military governments, they asked that the American, French and British sectors of the city be placed upon a western-currency basis.

From the German Communists came threats of a winter blockade of Berlin in an effort to incite the people against the anti-Communist city government. *Neues Deutschland*, the official Communist newspaper, demanded that the city government resign immediately "to spare (blockaded) western Berlin further suffering."

More Planes Assigned

"Winter stands before the door; "Where will you get coal?"

The United States Air Force announced Thursday that three squadrons of C-54 Skymasters will begin carrying coal to Berlin about next Friday from an RAF base at Fassberg in the British zone. Up to now, American flights have been made only from Frankfurt and Wiesbaden, in the United States zone.

The first of 82 jet fighters landed at Wiesbaden yesterday. The planes—P-80 Shooting Stars—arrived by ship at Glasgow, Scotland, earlier this month and few to Germany from England. The remainder of the group is expected to arrive in small sections this week.

Communists Reported Planning Berlin Purge

Berlin, Aug. 16 (AP)—A Berlin Liberal newspaper, *Montags Echo*, said today a Communist "fifth column" is at work in the Soviet-blockaded western sectors of the city—preparing for the day they hope the Western powers will leave.

The *Montags Echo* said the Communists had prepared a purge list of "hundreds of thousands" of anti-Communists upon whom they will take revenge if the Western allies quit Berlin.

"The Communist spy system has worked its way into industrial workers' councils, into commerce, into postal and telegraph systems of western Berlin, and there makes systematic preparation for 'X-day' —the day the Communists hope the Western allies will leave Berlin," the newspaper said.

The newspaper appealed again to the Western powers not to negotiate "a new Munich" in the four-power Moscow talks.

The pro-Soviet German press at the same time declared the Moscow talks can be a success only on Soviet terms.

In the face of constant Russian-licensed press efforts to belittle the Anglo-American aerial supply line, both British and American cargo planes roared into Berlin in perfect weather today on a four-minute schedule.

American planes made 313 flights into Tempelhof in a 24-hour period with 2,792 tons of supplies, while in the same period the British made 355 sorties into Gatow airfield.

Globemaster To Fly Cargo

America's largest airplane in Europe, a C-74 Globemaster with a wingspan of 174 feet, will fly a cargo of flour from Frankfurt to Berlin tomorrow, United States Air Force headquarters said. It reputedly is capable of carrying from 20 to 25 tons.

The C-74 arrived in Frankfurt Saturday from the United States carrying spare parts for C-54 skymasters which are flying the Frankfurt-Berlin supply run.

The British announced their cargo planes are flying essential electrical mining equipment from the Berlin Siemens-Schuckert works for the Ruhr and bizonal brown coal areas. One hundred tons of such equipment has been flown out so far, while small quantities of raw materials for the Siemens plant are being brought in, the announcement said.

Says They'll Protect Europe

The Russians are reported by the German press to be trying to get more reparations out of their zone by telling the Germans the products will strengthen the Soviet Union so it can "protect" Europe in case of war.

The Socialist Berlin newspaper *Telegraf* said leaders of the Soviet-sponsored, Communist-controlled Socialist Unity party are touring the zone, addressing workers' meetings to promote the Communist two-year economic plan.

The newspaper said it had gained possession of one speech saying "delivery of finished products and raw materials to the U.S.S.R. must be met, so that the economy of the Soviet Union does not lag behind that of the Western powers and so the Soviet Union, in case of war, controls greater power potential than America . . ."

More evidence came from the Soviet zone today that the Russians were requisitioning foodstuffs from eastern Germany in order to make good on their promise to bring enough food into Berlin to supply the entire city. The measures are reported in the Western-licensed press to have caused Soviet zone food shortages.

Inside Berlin an official of the Socialist Unity party said his party could not agree to new elections "until the unity of Berlin is restored." The Communists suffered a resounding defeat in the 1946 elections, finishing third in a field of four with only nineteen per cent of the vote.

In Hof today, a crowd of 10,000 workers and housewives protesting against high fruit and vegetable prices shouted "Hang the profiteers." The demonstrators, called out by a Bavarian workers' union, roared their approval of a resolution calling for a buyers' strike.

No Violence Reported

A reading of the resolution was interrupted by cries such as: "To the gallows with parasites." Police were alerted, but there was no violence.

United States Army police said today the Russians here still deny knowledge of the promised release of two Americans reported in detention since they crossed the border of the Soviet zone August 5 by mistake.

The men, Lieut. Sherman S. Turner, of Council Bluffs, Iowa, and Roland Myers, of Brooklyn, N.Y., were picked up while on a border inspection trip, and reports from Frankfurt last week said the Russians had promised to release them through Berlin.

Germans Convicted Of Food Frauds

Berlin, Aug. 16 (AP)—The Russian zone's campaign against food hoarders and ration frauds resulted today in the sentencing of thirteen more Germans in Saxony for "economic sabotage," the Soviet-licensed ADN news agency reported.

The agency said sentences totaling 23 years imprisonment and fines of 57,000 marks (about $19,000) were imposed on the defendants at Saalfeld. They were identified as employés of food-ration bureaus who practiced fraud with ration cards, and merchants who worked in collusion with them.

BRITISH SAY RED PLANES IN 'PASS' AT TRANSPORT

BERLIN, Aug. 16—(AP) British authorities said two Russian Yak fighter planes made a pass tonight at a British passenger plane in the air.

The announcement said the two fighters flew directly at a British European Airways Viking plane and broke away at a distance of only 100 feet. The British plane was en route to London.

The British said they filed an immediate protest with the Russians. The incident recalled a fatal collision between a Yak and a British transport plane over Berlin in April.

Soviets Are Last Power to Retain Occupation Zone Ban

BERLIN, Aug. 16 (AP).—The Russians doubtless want to win control of Germany, but they are not enlisting the aid of Cupid. Only recently, more than three years after the war ended, they have reissued a decree prohibiting any member of their occupation forces from marrying a German.

Russia is the only one among the four occupying forces to maintain such a ban. In the last two years about 14,000 British and Americans have married German girls. The French have no ban, but their intermarriages are rarer.

Clay 'Carrying Out Orders.'

Frankfurt, Aug. 16 (A. P.).—Gen. Lucius D. Clay said tonight he expected the Western Allies to stand firm on their present German policy in the four-Power discussions under way in Moscow.

"I know of no intention by anybody to deviate from the present program," the United States occupation chief said.

He made the statement in reply to a news conference question whether Moscow decisions might alter the plans of the United States, Britain and France for the formation of a Western German government.

Asked to comment on whether he considered himself a policy maker or an administrator, Clay said:

"Policy has always been made in Washington. The operations are in our hands."

He added that it was sometimes difficult to tell where one left off and the other began in a position sometimes calling for spot decisions.

Clay said he intends to stay on the job in Berlin "as long as my Government wants me to stay."

Told of reports in Berlin that he and his top advisers would resign if plans for a West German government were abandoned, Clay declared: "Soldiers don't resign."

With some heat, the General said in his thirty-four years as a soldier he never had failed to carry out an order "and I never will."

He was asked the status of the retirement application he made months ago, when it was expected the State Department would take over from military government in Germany June 30.

"Circumstances arose that my Government wanted me to stay," said Clay, and he withdrew the application.

CLAY CONFIDENT PLAN WILL STAND

General Doubts Parley Will Bar New German State

Frankfurt, Germany, Aug. 16 (AP). Gen. Lucius D. Clay, American military governor in Germany, said tonight he expects no change of the Western powers' plans for Germany to come out of the four-power talks in Moscow.

He said he expects the Western diplomats to stand firm and added: "I know of no intention by anybody to deviate from the present program."

General Clay indicated at a news conference that the West will continue with plans for a west German government until there can be a unified Germany, reflecting the political and economic views of the German people.

Always Hopes For Treaty

Asked about an eventual peace treaty with Germany, Clay said "our Government has always hoped for a quadripartite treaty." At another point he said he expects eventual economic unity in Germany.

Asked whether he considers himself a policy maker or an administrator, Clay answered "policy has always been made in Washington, the operations are in our hands."

Told of reports in Berlin that he and his top advisers will resign if plans for a west German government are abandoned, Clay said: "Soldiers don't resign."

He was asked: "Just what do the Russians want as a condition for lifting the Berlin blockade?"

Quotes Sokolovsky View

He said Marshal Vassily D. Sokolovsky, Russian commander in Germany, had described it as a question of what type of currency should be used in Berlin and what type of government Germany should have.

"But that was never official," Clay added. "It still rests officially on 'technical difficulties.'"

Clay rejected socialization for any one part of Germany, saying the American Military Government is "not prepared to see socialization on a state basis until a German government is established in which the German people have a chance to express their views."

16th Czech General To U.S. Zone

Frankfurt, Germany, Aug. 16 (AP). The sixteenth Czech general to flee his homeland since the Communist seizure of power last February has reached the United States zone of Germany.

Czech sources here identified him as Lieut. Gen. Cenek Kudlacek, of the Czech Army general staff. He reached the American zone last week, they said. He was a colonel with the Czech wing of the Royal Air Force during the war.

THYSSEN FACES ANTI-NAZI COURT AS 'POOREST' MAN

KOENIGSTEIN, Germany, Aug. 16 (AP)—Germany's one-time wealthiest industrialist, ailing Fritz Thyssen, claimed today to be the poorest man in the country.

The grey-haired 74-year-old six-footer who says he now is stateless told a German denazification court here he is "living off his friends."

The trial opened this morning in this little mountain resort town where the former industrialist and his wife live in a sanatorium.

He must answer charges of being a major Nazi offender under the German denazification laws.

The court acknowledge Thyssen's statement he is without nationality and that, since he is stateless, he has no objections to being tried.

Won't Regain Citizenship

Thyssen said emphatically: "I have no intentions of regaining German citizenship."

The 330-page indictment is based primarily on Thyssen's memoirs which he wrote in southern France after he fled from Nazi Germany the day World War II broke out in 1939. The book, "I Paid Hitler," which was published in the United States and England in 1940, is being used to prove Thyssen was partly responsible for Hitler's meteoric rise.

Thyssen has employed two defense attorneys.

Reading of the indictment will take two to three days. About 20 defense and prosecution witnesses will be heard during the trial, including former Prussian interior minister Karl Severing and a pre-Hitler reichminister of finance, Dr. Otto Dietrich.

The trial is expected to last three to four weeks.

Supported Hitler

The main points of the indictment accuse Thyssen of having actively supported Hitler and the Nazi party since 1923, when he allegedly paid 100,000 goldmarks $25,000 at the official rate of exchange to Hitler and Gen. Erich Von Ludendorf. It claims further he thus helped Hitler to carry out his ill-famed Munich beer cellar Putsch in November, 1923.

He also is accused of having paid another 150,000 marks for purposes of "purely personal representation" to Hermann Goering, who committed suicide in Nuernberg.

Membership in the party and the Reichstag as a party deputy and later appointments by Hitler and Goering to various other influential Nazi party industrial and financial boards also were charged against Thyssen.

He also was said to have been in favor of Hitler's rearmament program although he said in his book he had telegraphed Hitler and Goering the day after he fled from Germany that he opposed their war.

DANUBE PACT NEARLY READY

To Give Communist Bloc More Power Over River

Belgrade, Yugoslavia, Aug. 16 (AP)—The Russian-dominated conference on control of Danube River shipping neared completion tonight of the final draft of a new pact giving Communist countries more control over that vital waterway.

Tentative approval of the draft probably will come tomorrow. The document then will go to a full plenary session for final and certain approval tomorrow or Wednesday—and just as certain rejection by Britain, France and the United States, which will leave the Danube cut in two.

The conference, by a seven to three vote, rejected a Western power attempt to set up the United Nations and the International Court at the Hague as the appeal board on disputes within the Danube commission.

Signature Requirement

It also rejected the French attempt to require signatures from all participating countries before the new pact would become legal.

Andrei Y. Vishinsky, Soviet Deputy Foreign Minister, insisted that issues under dispute be left to direct negotiation by a conciliation commission made up of one member of each party to the dispute plus a third appointed by the chairman of the Danube commission.

Cavendish W. Cannon, United States Ambassador, declared the United Nations is the cornerstone of United States Foreign policy, and we want its prestige and authority strengthened."

Vishinsky argued that disputes about the Danube should be settled by t he Danube countries themselves. He said the World Court "being an organ of the United Nations in which the Western powers have a majority" could be expected to reflect the Western view point.

Greece, Italy and Belguim have informed the Danube conference that they "reserve their rights" to protest and appeal from any decisions affecting their interests on the vital waterway. All three countries were signatories to the 1921 Danube convention.

Austria Accuses Yugoslavs

Says Guards Crossed Border, Shot Man, Abducted 2 Hikers

VIENNA, Aug. 16 (AP).—Yugoslav border guards crossed into Austria yesterday, critically wounded one person and abducted two others of a party of four, the Ministry of Interior said tonight.

The Ministry said the four Austrians, who were on a hiking party, were drinking at a spring 150 yards north of the border when they were fired upon. The wounded man was reported left lying on the ground, and the fourth man escaped. The Ministry said the other two, one a girl, were taken into Yugoslavia, where they still remain.

Soviets Ban Austrian Papers

VIENNA, Aug. 16 (AP).—Russian authorities today banned the distribution of six weekly publications and one daily newspaper in their occupation zone for two months. Russians charged last month that certain parts of the Austrian press were conducting propaganda for a new war.

Greeks Prepare Trap For Rebels Along Border

Athens, Aug. 16 (AP)—The Greek Army, exploiting a breakthrough on the guerrillas' southwestern flank, advanced nearly 2 miles today to within 700 yards of the main Grammos summit along the Albanian border.

A general staff spokesman said national forces are turning back to snap a trap on the guerrillas in the southwestern and central areas of the Grammos Mountains front.

The general staff said the army had cleaned 1,140 square miles of territory in the general offensive, launched June 21, and that the forces of Communist leader Markos Vafiades now hold only 135 square miles and fifteen villages in the "Free Greece" of the Grammos area.

Losses Cited

The staff said 3,830 guerrillas had been killed or captured and that it is estimated that at least 4,000 were wounded. Greek losses were placed at 49 officers and 502 men killed, 230 officers and 2,600 men wounded, and 30 missing.

Non-Greek military sources emphasized, however, that the capture of the Grammos territory will not end the civil war. Thousands of guerrillas are scattered in other sectors of Greece.

Communications Strike Set

Meanwhile, postal, telegraph and telephone unions today called a nation-wide strike tomorrow for higher pay.

The walkout is expected to paralyze communications inside Greece and affect lines to the outside world.

The federation of the unions said it called the strikes because the Government did not act on its demands for increased wages. A similar strike last month lasted about six days. It was called off when the Government promised to consider union demands.

REBELS FLEEING, GREECE REPORTS

Guerrillas Leave Wounded On Battlefield, Stratos Says

O'QUINN

Athens, Aug. 16 (AP)—George Stratos, War Minister, told the Cabinet tonight the Greek Army has captured the highest peak of the Grammos Mountains.

He said divisions of the 1st Army were pushing forward unimpeded by the Communist-led guerrilla forces. The guerrillas were routed and abandoned their wounded and war material in their unorganized flight from the battlefields, he said.

A general staff spokesman said earlier that the Communist defense along the entire southwestern sector of the Grammos front had crumbled under the Greek army's drive.

No Reports On Casualties

Lycorrahi and Aetomilista, both of which had been headquarters for Communist General Markos Vafiades in earlier campaigns, were captured along with Zerma in the Greek army sweep along the whole southwestern front.

There were no indications of the number of guerrilla casualties of the past two days, and it is not clear whether main guerrilla forces are running to Albania or being mopped up by the Greek army.

A general staff statement said 1,140 square miles had been cleared in the big general offensive launched June 21 on the Grammos front. Only 135 square miles containing fifteen villages are still left to the guerrillas, the statement said.

Big Blow To Markos

During the offensive, the general staff said, 3,830 guerrillas had been killed or captured. Greek losses were described as 49 officers and 502 men killed, 230 officers and 2,600 men wounded, and 30 missing.

Territorial gains are large, and the loss is a big political blow to Markos, who is trying to hold territory for the flag of "Free Greece."

The perimeter has been reduced to about 22 miles. Guerrillas still had about 12 miles of Albanian border to use as a crossing, but there are only three beaten trails left in the sector. Other main roads have been taken or closed by Greek army fire. Markos's frontal wedge into Greece from Grammos is about 6 miles across.

Some military observers expect Markos to pull as many men as possible out of the Grammos line into Albania, despite the severe handicaps of military movement, and then reform to attack later north and east of Alevista to regain some Greek territory.

POLAND REPORTS PRODUCTION GAINS

27 of 28 Basic Nationalized Industries Are Said to Be Exceeding Quotas

WARSAW, Poland, Aug. 16 (AP)—The Polish Government, whose control of industry and trade is being extended steadily, reports that production targets in twenty-seven basic nationalized industries were far exceeded in the first half of this year.

Coal and steel led the reported rises in output. Coal production was given as 33,400,000 tons or 104 per cent of the planned target for the first six months of 1948.

Official Government reports said Polish raw steel production totaled 926,600 tons, or 109 per cent of the goal. In pre-war times, Poland's highest steel production for any one year was 1,547,000 tons.

The iron, coke, cement, farm machinery, textiles, leather, paper, match and salt-mining industries all were listed as topping production targets.

One Industry Short of Goal

Out of a list of twenty-eight leading industries, only one fell short of its goal, the reports said. The output of mineral superphosphates reached 114,400 tons or 92 per cent of the goal.

Nationalization of industries in January, 1946, gave the Government a big grip on all productive agencies. A tightening of that hold is steadily becoming more noticeable. The Government already controls 85 per cent of Poland's industrial enterprises.

Poles expect their total coal production this year to hit around 70,000,000 tons. Between 24,000,000 and 28,000,000 tons are being exported to twenty-two countries, with Soviet Russia slated to get 6,500,000 tons. Big shipments also are going to Scandinavia and western European countries.

State Control Expands

Hilary Minc of the Ministry of Industry and Commerce, in an article published by the semi-official newspaper Rzeczpospolita, said: "The state and local Government and cooperative elements can and ought to be included in the Socialist elements of our country, for they employ 75 per cent of the total number of people working in industry and handicraft.

"They represent about 85 per cent of Poland's aggregate industrial and handicraft output."

Mr. Minc also reported that all sales through state wholesale organizations represented 59.1 per cent of the nation's total. Cooperative wholesale agencies account for 36.6 per cent. Only 4.3 per cent is represented by private wholesale organizations.

"Generally speaking," he added, "in wholesale trade in industrial and agricultural products, the share of the Socialist elements should be estimated at between 60 and 70 per cent. In retail trade, the share of Socialist elements varies between 25 and 30 per cent."

Poles Detain Detroit Priest; U.S. Protests

Warsaw, Aug. 16 (AP)—The United States Embassy protested to Poland today against a six-hour detention of the Rev. Stanley Borucki, of Detroit, associate editor of the magazine *Michigan Catholic*, by Polish officials August 7.

The note said the priest was held incommunicado at Warsaw's Okecie airport until the embassy intervened. He left later by train for Prague.

The note said Polish officers at the airport told Father Borucki he had failed to register with the militia upon entering Poland on June 20 to study conditions affecting Catholics here.

Illegal Entry Charged

It said he was also told he was in Poland illegally, that his 30-day entry visa had expired.

The embassy said all his papers were in order.

The Foreign Ministry disclosed the arrest of Pawrel Jaszenici, editor of the Catholic weekly, *Tygodnik Powszechny*. Charges were not disclosed, but were said to be unrelated to his publishing business. The newspaper is printed in Krakow and is regarded as the most powerful mouthpiece of the Catholic hierarchy in Poland.

Poland to Open Free Ports

Gydnia, Poland, Aug. 16 (A. P.).—Poland is opening customs duty free zones in some of her principal ports to stimulate foreign trade. The ministry of shipping announced wharves had been set aside in this Baltic port for the United States, Czechoslovakia, Romania and Jugoslavia.

ENVOYS HOLD PARLEY WITH MOLOTOV

Longest Session Of Series Ends With Silence On Discussions

THOS. P. WHITNEY

Moscow, Aug. 16 (AP)—Envoys of the United States, Britain and France met with Vyacheslav M. Molotov, Soviet Foreign Minister, again tonight in the current negotiation to settle East-West differences in Berlin and Germany.

The meeting in the Kremlin was the longest since the negotiations began July 31, lasting three hours and 40 minutes. None of the Western diplomats would comment as they left the Kremlin. They refused even to say whether they thought there would be another meeting.

Walter Bedell Smith, United States Ambassador, and Yves Chataigneau, French Ambassador, went immediately to the British Embassy with Britain's special envoy, Frank Roberts, for a conference.

Seems In Good Spirits

Smith seemed in good spirits as he sent his chauffeur to get something to eat. But the envoys themselves went right into the meeting without stopping for food.

Tonight's conference was the sixth with Molotov. The Western envoys met with the Soviet Foreign Minister July 31. He was present also at the August 2 meeting with Prime Minister Stalin, which was followed by meetings with Molotov on August 6, August 9 and August 12.

The three Western diplomats met among themselves at the British Embassy before they left for the Kremlin at 5.45 P.M. They returned to the British Embassy at 9.43 P.M.

There has been no indication in Moscow as to how the talks are going. The Western diplomats have been silent on the progress of the conferences throughout the negotiations.

Most Moscow observers were of the opinion, however, that today's talks were crucial for the further development of the four-power conference here.

Together For 6 Hours

The Western powers representatives conferred in the British Embassy for an hour and fifteen minutes. They had been together uninterruptedly for six hours from the time they met for a short conference before going to the Kremlin.

After the last session in the embassy broke up, Smith, Roberts and Chataigneau presumably each took a brief period out for dining and then went to work separately on their reports of the conference to their home governments.

Experienced observers in Moscow commented on the apparent fact, judging from the length of the conference, that the four power representatives still have plenty to talk about.

The length of the session with Molotov and the unexpectedly long parley at the British Embassy indicated to some that concrete, detailed questions were discussed.

Some circles said there were no outward signs today which would indicate a breakup of the series of talks.

3 Go To Kremlin For New Talk On Berlin

Moscow, Aug. 16 (AP)—Envoys of the United States, Britain and France conferred again late today with Foreign Minister Molotov in the Kremlin.

The series of conferences started July 31.

The Western diplomats are seeking a basis for talks to end the East-West differences and to solve the problem of blockaded Berlin.

Ambassador Walter Bedell Smith of the United States, Special British Envoy Frank Roberts and French Ambassador Yves Chataigneau left the British Embassy and drove in a heavy rain to the Kremlin.

Molotov Reply Awaited

[A diplomatic informant in London said Molotov was to give Russia's reply today to western proposals, "rehashed, but not modified," for a Berlin settlement. In Frankfurt, United States Gen. Lucius D. Clay said he expected the Western Allies to stand firm on their present German policy.]

The four-power talks opened in a conferences of Smith, Roberts and Chataigneau with the Soviet Foreign Ministery on July 31.

Then came a meeting August 2 with Prime Minister Stalin, which Molotov attended. Other sessions with Molotov followed August 6, 9 and 12.

Moscow, Aug. 16 (A. P.).—Western diplomats held their longest conference of the current negotiations today with Foreign Minister Molotov talking in the Kremlin for nearly four hours.

The ambassadors of the United States and France and a special envoy from the British Foreign Office ended their sixth conference with Molotov since July 31 at 9:43 P. M. (1:43 P. M. Eastern standard time).

They seek a solution to the Berlin crisis and a basis for talks to end other differences between the West and East.

Ambassador Walter Bedell Smith of the United States, special British Envoy Frank Roberts and French Ambassador Yves Chataigneau left the British Embassy and drove in a heavy rain to the Kremlin.

Mrs. Kosenkina's Statements Are Hit By Tass

Moscow, Aug. 16 (AP)—Tass said today that statements by Mrs. Oksana Kosenkina "have no value, since they are made through American police and intelligence agents."

A Tass dispatch from New York printed in *Pravda*, said:

"The American press continues with the effort to silence the fact that Kosenkina in the hospital continues in fact to remain in the hands of American police and all possible declarations made in her name in the papers have no value, since they are made through American police and intelligence agents, from whom arbitrary plans at present depends the life or death of Kosenkina."

Discusses Police Guard

Tass said that in Mrs. Kosenkina's hospital room "there are constantly on duty two policemen," and added:

"The room is guarded by six agents in civilian clothes and the hospital entrance is guarded by a police guard. When on Friday the vice consul from the Soviet Consulate, Chepurnykh, visited Kosenkina at Kosenkina's head stood Chief Police Inspector (Michael) A. J. Ledden and Police Agent Deshko (Detective William Dyczko, interpreter).

"Two policewomen also stood at the cot. The conversation continued little more than one minute and Chepurnykh succeeded in asking Kosenkina only four questions, after which the conversation was interrupted by Police Inspector Ledden."

General Vandenberg, Symington In Turkey

Istanbul, Turkey, Aug. 16 (AP)—W. Stuart Symington, American Secretary for Air, and Gen. Hoyt Vandenberg, Air Force chief of staff, arrived in Turkey today for a brief visit.

They were expected to leave tomorrow following conversations with high-ranking Turkish leaders, including President Ismet Inonu.

Red Guns Keep Food Planes From Changchun

Peiping, Aug. 16 (AP)—Red anti-aircraft guns ringing Changchun are preventing Government planes from dropping food to the starving Manchurian city, Chinese sources here today said.

About 200 persons are reported starving to death in Changchun daily.

The Red gunners may be Koreans or Japanese, these sources said. The weapons are Japanese guns that fell into the hands of Chinese Reds at the end of the war.

For several weeks no Government planes have landed at the Changchun airfield, although National soldiers control the airport. The presence of the anti-aircraft guns is the reason given for the abandonment of air support to the besieged city.

National forces have also stopped refugees from no man's land from drifting into the city. National sources said the additional mouths to feed were too much of a burden for the city.

Relief of Changchun by forces from Mukden is deemed too costly at the moment for the weakened Government forces in Manchuria.

Meanwhile, an important conference of top national military and civil authorities of North China opened in Peiping.

Shanghai Millionaire Called Collaborator

Shanghai, Aug. 16 (AP)—Teng Chung-ho, a millionaire who refused to contribute to Shanghai's "soak-the-rich" campaign, was brought before Shanghai's High Procurate today charged with being a Japanese collaborator during the war. Teng was released on bail of 60,000,000,000 Chinese dollars (about $5,000 United States).

Chinese authorities denied there was any connection between the collaboration charge and Teng's refusal to pay his allotted share—the equivalent of $200,000 United States—of the soak-the-rich levy.

Recent city government announcements warned the local rich that drastic action would be taken against them if they ignored friendly appeals for donations. Teng had cold-shouldered several of those appeals, including a personal one from Mayor K. C. Wu, which included an invitation to dinner.

M'Arthur Notes Ideology Fight In Jap Labor

Tokyo, Aug. 16 (AP)—Gen. Douglas MacArthur, Allied occupation commander, noted the growing struggle between Leftist and Rightist elements in Japanese labor organizations today in his report on the industrial development of occupied Japan.

The general industrial picture, he said, is brightening with the production of coke, steel, ceramics, aluminum, chemicals and trucks on the increase.

On the other hand the Allied commander saw a struggle between the two labor groups for power that has jumped into the limelight in the past two weeks.

Leftist Government employes have demanded wage increases. The increases have been denied and the resultant unrest has brought a threat of strikes and a Government ban on strikes by Government employés.

Further trade and relations with other parts of the world were assured the Japanese, MacArthur noted in a summary of June activity, by the admission of a limited number of tourists and authorization of the Japanese Board of Trade to deal directly with firms or persons inside and outside of Japan.

Japan's private trading balance during the first five months of the year was favorable in the amount of $126,000 but her overall trade balance in the first four months was in the red more than $200,000,000, the report said. Most of thtis deficit balance was with the United States, which maintained its shipments of food to Japan.

The report said the national debt climbed to 365,000,000,000 yen. The exchange rate on yen is 270 to $1.

JAP-STERLING AREA TRADE PROPOSED

Tokyo, Aug. 16 (A. P.).—Allied Headquarters and sterling-area representatives have drafted a balanced trading agreement under which Japan hopes to buy and sell $242,000,000 worth of goods by June 30, 1949.

If approved by headquarters and the sterling area governments, the agreement will increase trade between Japan and sterling areas to three times the past year's total.

Under the tentative agreement, Japan would import $121,000,000 worth of raw cotton, raw wool, jute, hides, cereals, iron and other ores, crude rubber, salt, oil seeds, coconut oil and other products from such areas. She would export to those countries $121,000,000 worth of raw silk, rayon silk and wool goods, industrial machinery and parts, rolling stock, paper, chemicals and other products.

The agreement calls for a continuing review of trading, so that "dislocations will be quickly discovered and effective remedial action taken," said Frank Pickelle, headquarters foreign aid chief.

Sterling areas involved include Australia, New Zealand, South Africa, and United Kingdom colonies in southeast Asia. India has not indicated whether she will participate. Burma, Pakistan and Hongkong are not taking part, although all are now trading with Japan.

Korean Republic Operations Begun

Seoul, Korea, Aug. 16 (AP)—Negotiations began today arranging the transfer of South Korea's Government from the American occupation force to the new Korean republic.

Maj. Gen. William F. Dean, who has been military governor, will vacate that post later to take command of the United States 7th Division there.

Rufino Luna, Filipino chairman of the United Nations' Korean Commission, announced at the ceremony yesterday proclaiming the new republic that the commission would continue consultations with it.

Seoul remains tranquil, and there still were no reports of violence in the provinces. Some Koreans had anticipated possible Communist demonstrations, since a Communist regime in Soviet-occupied North Korea also claims sovereignty over the entire country.

RAF Attacks Malayan Huts

SINGAPORE, Aug. 16 (AP)—Royal Air Force aircraft assigned to the hunt for Malayan guerrillas attacked today a group of huts in the Ipoh area of Perak state with rockets, cannon and machine guns. Two huts were blown up and others were set afire.

Arab Snipers Again Firing On Israeli Traffic, Jews Say

Jerusalem, Aug. 16 (AP)—The Israeli Army said Arab snipers fired on Jewish traffic today on the Judean Mountain road two miles west of Jerusalem.

The report followed a day in which Jerusalem resounded to the heaviest fighting since the second United Nations truce started four weeks ago. Both Arabs and Jews accused the other side of starting the battle.

The army announcement said there was skirmishing in four areas of Jerusalem and asserted that "Arab military activity continued steadily in the last 24 hours."

First Fire There In 3 Months

The rifle fire in the Judean hills was the first reported against traffic there in nearly three months. The Jews said the Arabs apparently fired from high positions which they had infiltrated on a hillside commanding the road near the Jewish-held village of Beit Iksa.

Mortar and heavy machine-gun fire resounded throughout the Jerusalem area yesterday, only 48 hours after the deadline for a new truce. Count Folke Bernadotte, United Nations mediator, had asked both sides not to fire after the early morning hours of Friday.

The Jews, listing five casualties, said the Arabs were responsible.

Britons Given Hearing

The Israeli Government today accused Frederick Sylvester, a British utility engineer already facing espionage charges, of helping plan the Ben Yehuda street bombing here last February 22. More than 50 died in that blast, in the heart of the Jewish business district.

Formal charges against Sylvester and William Hawkins, also formerly a Jerusalem Electric Corporation official, were read in magistrates court today at the opening of their hearing.

Sylvester, in addition, was charged with artillery spotting, having an unlicensed transmitter and with "conspiracy to deposit explosives in Ben Yehuda street calculated to cause death to persons therein." The hearing is expected to continue all week.

Jews Attacked, Arabs Say

[A spokesman for the Trans-Jordan Arab Legion said in Amman that the Jews attacked legion forward posts. The Arab spokesman said the attack was launched after United Nations observers notified the legion on Saturday night that Israel had accepted Bernadotte's order not to return fire.]

No Fire Order Given.

Dr. Bernard Joseph, Israeli Military Governor of Jerusalem, said the Israelis reserve the right to self-defense. But he said his command had reissued instructions not to open fire and not to reply to enemy sniping in order that U. N. observers might establish responsibility for violations.

An Israeli Army source said: "Arab forces launched a general attack along the entire Jerusalem front. The enemy used heavy machine guns and mortars, also laying a smoke screen in the (Arab-occupied) Sheik Jarrah sector."

A heavy explosion was heard near the wall of the Old City, which is held by Arabs.

Pointblank Fighting In Jerusalem

C. L. DAVIDSON

Jerusalem, Aug. 16 (AP)—Arab and Jewish sources reported today a renewal of sniping and gun duels at point-blank range in the holy city of Jerusalem.

One incident was the fatal shooting of a Jewish liaison officer who was standing within ten feet of John J. MacDonald, United States Consul General. An Israeli army spokesman blamed an Arab sniper for the attack.

The victim, 36-year-old Zeev Hertzog, was riding in a car with MacDonald as it aproached the front lines. Navy Commander Edward Simmons, of Potossi, Mo., a United Nations observer, also was in the car.

Highway Closed

"Hertzog got out of our car," MacDonald said. "And started toward a Jewish pillbox to identify us. We heard one shot and saw Zeev fall with a gaping hole in his right temple. There were a dozen or so other soldiers there and none of them would go pick him up because there was more sniping. We backed out and returned to the Jewish Agency building where we reported the incident."

The Israeli army said today that for the first time in nearly three months Arab riflemen sniped at and scored hits on Jewish traffic on the Judean mountain road 2 miles west of Jerusalem. In Haifa, a United Nations spokesman told newsmen Jewish authorities had closed the vital Jerusalem-Tel Aviv highway to convoys.

Frontline Attacks Renewed

From Amman, in Trans-Jordan, the Arab Legion said Jews had renewed their attacks against Arab frontline positions in both new and old Jerusalem, with some of the gun battles at less than 15-yards range.

The renewed fighting climaxed a two-day period of the heaviest skirmishes in the four weeks of the second United Nations truce.

The Israeli Army said there was fighting on four other fronts in Jerusalem where "Arab military activity continued steadily the last 24 hours." A heavy barrage of mortars, cannon and machine guns lasted an hour and a half just after dawn today. The Israeli Army said Arabs made three attempts to pierce Jewish lines but were driven back.

Casualty Reports

The Jews did not mention casualties, but from Amman the Arabs said three Arabs were wounded and Jewish losses were heavy in the Jerusalem city fighting. Arabs also claimed United Nations observers had verified that Jews were responsible for continued truce violations.

Palestine attention also was focused on two other events—the hearing for two British utility officials charged with espionage and conspiracy, and introduction tomorrow of the new American-made Israeli currency.

Reports reaching United Nations headquarters in Haifa from truce observers in Jerusalem said tonight fifteen commanders on both sides had expressed a willingness to cease firing in the holy city.

It also was said that Colonel Dayan, the Jewish commander, had agreed to meet with an Egyptian officer to discuss the fixing of a truce line south and southwest of Jerusalem.

Three Others Freed

Sounds of gunfire drifted through open windows of the tiny courtroom as the hearing progressed to determine whether the men will be released or ordered to stand trial. Three other officials of a utility company were freed in Tel Aviv last week.

Frederick Sylvester, an engineer, and William Hawkins, an official, formerly with the Jerusalem Electric Corporation were charged on nine counts with obtaining and broadcasting military information to Arabs. Sylvester was additionally charged with artillery spotting, having an unlicensed radio transmitter, and with "conspiracy to deposit explosives in Ben Yehuda street calculated to cause death to persons therein."

The bombing in Ben Yehuda street February 22 killed 52 persons.

Courtroom Jammed

Jewish Jerusalem is showing keen interest in the hearing, which is expected to last all week. The courtroom was jammed when the proceedings opened.

Israeli Pound Out Today, Is Worth 4 U. S. Dollars

TEL AVIV, Aug. 16 (AP).—The new Israeli pound, printed last December by the American Bank-Note Company of New York, will become legal tender tomorrow with an official exchange value of $4. The new pound will be exchanged on an even basis for the present Palestine pound for one month, after which the Palestine pound will be considered foreign currency.

Issuing authority for the money isg the newly founded issuing department of the Anglo-Palestine Bank, Ltd., which also is acting as the Central State Bank of Israel.

The new currency is backed up to 50 per cent by foreign money, mainly dollars, and the government is negotiating to buy an unspecified amount of gold for additional backing. Included in the backing are Palestine funds held by the Palestine Currency Board in England and frozen sterling funds of Palestine.

While the Israeli pound will be traded officially for dollars at around $4, the goernment will continue the practice of selling the pound for $3 to facilitate the export of merchandise and the sending of dollars as gifts to Israel.

Iraq Has Record Army Budget

BAGHDAD, Iraq, Aug. 16 (AP)—Thirty-eight per cent of Iraq's new $100,000,000 budget will be for the armed forces, the largest such appropriation in the country's history, Finance Minister Ali Mumtaz said today. He estimated revenues at $92,000,000, leaving a deficit of $8,000,000. He attributed the deficit to increased emergency expenditures for the armed forces because of the Palestine situation, relief for Palestine Arab refugees and the allocation of $1,400,000 to the Arab League.

2 Battles Reported in Burma

RANGOON, Burma, Aug. 16 (AP)—The Government reported tonight that its forces killed twenty-five uniformed insurgents in two battles Sunday north of Rangoon. Five were slain and twenty-three abandoned wounded at Hmawbi, thirty miles to the north. A group of fifty rebels attacked a police station, but was routed after the arrival of reinforcements and armored cars. Twenty were killed in an engagement at Taikkyi, fifty-five miles north of Rangoon, it was announced.

Maharaja Back; Faces Charges

Bombay, Aug. 16 (A. P.).—Maharaja Sir Pratapsinha Gaekwar of Baroda is back in India today to see about critics who want him to abdicate.

Arriving from Paris last night, the Maharaja asked his people "not to be emotional in these difficult times and to assist me and my administration in maintaining peace and order."

The Baroda Legislature last week accused the Maharaja, one of the world's richest men, of misappropriating nearly $10,000,000 of State funds in six weeks' time and demanded that he quit. The charges came as he was returning from a visit in the United States and England.

India Greeted By Truman

New Delhi, India, Aug. 16 (AP)—President Truman, Prime Minister Stalin and Generalissimo Kai-shek were among those who greeted India on her first independence day Sunday, the Government said.

Canada's Cabinet Hears Forrestal

Ottawa, Aug. 16 (AP)—James Forrestal, United States Secretary of Defense, met for two hours today with the Canadian Cabinet defense committee on joint defense problems. Later he said, "We had a profitable, interesting and very useful exchange of views, which I trust will continue in the future."

Brooke Claxton, Canada's Minister of Defense, said, "All aspects of joint defense were reviewed."

He added the talk was "most satisfactory" and that it was gratifying to note that Canada and the United States both are thinking along the same genera llines regarding defense problems.

Fate Of Bases Considered

Forrestal at a news conference said he had asked a question about the United States bases in Newfoundland, which will become the tenth Canadian province next year. He said he asked the question for his own information and that nothing was decided.

The status of leases for bases granted the United States is something to be settled after Newfoundlands union with Canada. In the past, Canada has insisted on maintaining a principle of at least nominal Canadian command over establishments on Canadian territory. Forrestal said he does not think there will be any difficulty over the bases. The same view has been voiced by Canadian sources.

All Phases Discussed

Asked if the standardization of Canadian and United States arms was discussed and whether there was any particular discussion of Arctic defenses, Forrestal and Claxton repeated merely that all phases of defense had been discussed.

Forrestal has wanted to get better acquainted with the Canadians. He is particularly interested in Canadian industrial potential in case of war need, it is understood.

Tonight, Forrestal will dine with Prime Minister W. L. MacKenzie King, who was unable to attend the Cabinet meeting today. Tomorrow he will go to Ogdensburg, N.Y., for dedication of a plaque of friendship commemorating the Ogdensburg agreement between President Roosevelt and Prime Minister King on defense.

Forrestal asked if Canada had an Official Secrets Act, and Claxton said, "Yes, that's the one we used to get our Russian spies."

Forrestal grinned. "No spies here, I guess."

Claxton turned to find a sombre Russian Tass news agency reporter standing at his elbow.

"Just Russian friends," he said. "No spies."

U. S., CANADA HOLD DEFENSE PARLEY

OTTAWA, Aug. 16—(AP) United States Defense Secretary James Forrestal met the big men in Canadian defense for two hours today for "a profitable, interesting and useful exchange of views which I hope will continue in the future."

Nothing more exciting than that emerged from a brief news conference that followed the United States Defense Secretary's meeting with the defense committee of the Canadian cabinet and its top advisers.

Discuss 'All Aspects'

Defense Minister Claxton told reporters that "all aspects of defense co-operation" were discussed. He added:

"One of the most satisfactory things for us was to find out how much the planning of the two countries is moving along the same lines."

Canadians at the meeting were Mr. Claxton, External Affairs Minister St. Laurent, Finance Minister Abbott, Trade Minister Howe, the four chiefs of staff, Gen, A. G. L. McNaughton, Canadian co-chairman of the Joint Defense Board, L. B. (Mike) Pearson, External Undersecretary, and A. D. P. Heeney, Clerk of the Privy Council.

The news conference produced questions about such things as standardization of arms and the U. S. bases in Newfoundland, but they got no spectacular answers.

PRESIDENT SIGNS CREDIT CURB BILL; BLASTS CONGRESS

Assails G.O.P. for Denying Him Powers He Asked in Anti-Inflation Fight

SAYS PUBLIC TO SUFFER

Truman Seen Aiming Election Campaign Directly at 'Little Fellow'

WASHINGTON, Aug. 16—(AP) President Truman accused Congress today of knuckling down to special interests and choosing to "fight inflation by putting the average American family through the wringer."

That was his summation of the effect of the lawmakers' refusal to grant his request for price and rationing powers and other controls as a club to beat back high prices. He made it in a statement as he signed the anti-inflation measure the Republican-dominated special session did give him—power to tighten up on consumer credit and bank lending.

Sets Campaign Course

The statement made official something that long had been taken for granted—that the text of the Democratic campaign will be the issue of high prices and that it will be pointed squarely at labor in particular and the little fellow in general.

30.24- 19809

The selection of the laboring man as the bearing point for the campaign had been underscored earlier in the day with official selection of a Detroit Labor Day speech for the President's takeoff in his personal drive for November votes.

The over-all plan of the bill the President signed with harsh words today is to make it harder for people to buy expensive things or borrow money. The idea is to slow down buying on the theory that production will catch up and that will bring prices down.

A secondary idea is to hold back money that might otherwise be spent now, and ease a possible drop in business later.

There are two approaches in the bill:

1. Power to bring back the wartime controls on installment buying, requiring larger down payments and shortening the time for paying off balances.

2. Boosting the interest rate on loans, by raising bank reserve requirements so that lending institutions will have less money to put out.

Asked For Wider Powers

Mr. Truman had asked for far more sweeping powers, including standby authority for price control and rationing.

Senator Millikin (R-Colo), chairman of the Senate Finance Committee, took note of this in commenting on the President's statement of today. Millikin said in a statement:

"The Congress did not give the president the right to reimpose allocations, rationing, inventory and price control and excess profits taxes. This parcel of egregious error was misdirected to a peace-time America devoted to its economic and political freedoms. Therefore, it was rejected by the special session of Congress. Even if such controls were solutions, the administration of them could not be entrusted to the present executive department."

Senator Wherry (R-Neb) called the Truman statement "sheer nonsense" and added:

"We know and the American people know OPA rules regulations and directives will not work in peacetime because we live in a republic.

"The Republican congress struck at root causes of inflation: the president's spendthrift budget; his opposition to tax reduction when everybody knows taxes enters into the cost of everything we buy; his failure to use his powers to control exports from our short supply; his failure to use his monetary controls, and his opposition to sensible labor-management relations."

Federal Reserve Board officials will administer both the consumer and bank credit ends of the new law. They said consumer credit regulations will not be issued until later this week, perhaps Friday. It is up to the board to fix down payments and pay off times. During the war the rule on most wanted household items was one third down and 15 months.

Board officials said it was unlikely bank credit controls would be invoked immediately. They may come into force later in the year, depending on the trend of bank lending.

Board members are reported generally to regard the bank credit provisions as stand-by powers. They concur with the view expressed by Senator Flanders (R-Vt) that it would be unwise to apply the credit brakes too fast.

Whatever rules the board puts out will not go into effect until 30 days after they are issued.

Truman Assails Measure

In signing the credit control measure Mr. Truman called it a "tiny fraction" of what is needed and a "feeble response" to a demand from the people for "strong, positive action to relieve us from the hardships of exorbitant prices and to protect us from the inflationary dangers that threaten our prosperity."

He said Congress' refusal to give him the bigger weapons he asked is "final proof of the determination of the men who controlled the 80th Congress to follow a course which serves the ends of special privilege rather than the welfare of the whole nation."

The lawmakers, the President said, "talked a lot about who is responsible for high prices" but had no program of their own to do anything about those prices.

The controls he asked are "needed now and needed badly," Mr. Truman said, adding:

"Prices are pulling away from the incomes of most of our people, and we are being forced to get along with less and less. Millions of housewives throughout the country are finding it impossible to pay today's high prices for the food and clothing their families need."

He said the right way to fight inflation is "to strike hard at the trouble spots which represent the excesses of inflation, and at the same time to help the people who are its victims. The measures I have proposed would do just that."

There is another theory, he went on, that inflation can be ended if the country lets wages fall behind prices, stops supporting farm prices, creates a recession and brings on large-scale unemployment.

"I do not believe that we should fight inflation by putting the average American family through the wringer," he concluded.

Blast At Dreher Called Coverup On Teachers

Washington, Aug. 16 (AP) — Russia's belated spy blast at an American naval officer is viewed by officials here today as an attempt to cover up waning Moscow interest in the Kosenkina-Samarine schoolteacher cases.

Moreover, the State Department insists that the espionage charge against Lieut. Robert Dreher is a Soviet frameup.

The department disclosed that American Ambassador Walter Bedell Smith told Soviet Deputy Foreign Minister Andrei Vishinsky last April that he considered the evidence against Dreher had been "arranged" with the connivance of the MVD — Russia's famous secret police.

Played Up In Russia

The Moscow press and radio made a tremendous fuss yesterday about the apprehension of the alleged American spy last April 23, at the very moment when he was receiving secret and "unauthorized" information from a Soviet customs official identified only by the mysterious designation "E."

Officials here immediately raised two questions:

1. Why had the Russians waited almost four months to break the case and then chosen a moment of great excitement here and abroad over the Kosenkina and Samarine incidents?

2. Also, why should the customs official be designated only with the letter "E" in the public release if the Soviets considered the charges legitimate and were bringing legal action against him?

Charges Believed Overplayed

State Department officials tentatively concluded that the Soviet Government is recognizing that it badly overplayed its charges of American criminality, kidnapping and violations of international law in the case of the two schoolteachers in New York.

These officials believe that probably even in the Soviet Union itself some facts in the case are beginning to leak through.

New York police authorities submitted official reports to the State Department today on their investigation of the case of Mrs. Kosenkina, who leaped from a window of the Soviet Consulate in New York last week after she had been taken from anti-Communist Russians by Soviet officials.

Moscow Demands Her Custody

The State Department directed a complete inquiry into all circumstances of the bizarre case. Moscow demands that the teacher, critically injured, be turned back to Soviet custody. She is now under guard in a New York hospital.

Michael J. McDermott, State Department press officer, said the police reports are being studied and investigations are still being pressed by "all the law-enforcement agencies."

Also under study, McDermott said, are protest notes filed last week by Soviet Foreign Minister Molotov and Ambassador Alexander S. Panyushkin.

Full Information Promised

Panyushkin's demand for control over Mrs. Kosenkina was rejected on the spot Saturday by Under Secretary of State Robert A. Lovett. Mr. Lovett, however, agreed to obtain full information on the Soviet allegation that New York police entered the consulate and searched the room she occupied.

McDermott said the Russian protests would be formally replied to but declined to predict when this will be.

The Russian version of the Dreher case came out first and monopolized attention throughout most of yesterday until the State Department finally got around in midafternoon to putting out the American side.

Dreher is a 32-year-old naval lieutenant presently assigned to the important office of chief of naval operations here.

Moscow Charges

The Moscow radio declared yesterday that on April 23 Dreher had obtained unauthorized information from "E," that he had admitted receiving it and writing it in his notebook, and that the evidence against him was so powerful that the American Embassy did not even object when the Soviet Foreign Office indignantly ordered him put out of the country.

Editor-Accuser To Face Him Tomorrow

Washington, Aug. 16 (AP) — Accuser Whittaker Chambers and accused Alger Hiss may face each other tomorrow in a closed meeting of the spy-hunting House Un-American Activities Committee.

Alger Hiss, former State Department official, accepted an invitation to appear today and walked alone into the committee room in midafternoon. Chambers, also invited, was permitted to wait until tomorrow due to pressure of business, committee members said.

They expect both men to appear together tomorrow, they added.

Representative Thomas (R., N.J.), committee chairman, said he expected to have a statement after hearing Hiss.

Original plans were to have the two men—accused and accuser—face each other today and see whether they would repeat conflicting testimony given the committee in its investigation of alleged Communist spy activities.

Linked To "Underground"

Chambers, now a senior editor of *Time* magazine, has testified he was an active Communist in the 1930's. He said he knew Hiss as a member of an "elite" Communist underground movement that once operated here. Hiss is a former Baltimorean.

Chambers also said that after he broke with communism he pleaded with Hiss to do likewise, but Hiss refused.

Hiss, in public testimony, has denied any Communist connections and declared he does not know Chambers.

Clark Protests

But the echoes of the hearings seemed likely to reverberate for a long time to come.

Attorney General Clark, for instance, whipped out a contention that the inquiries on Capitol Hill have damaged Administration efforts to crack down on Communist activities.

Chambers and Elizabeth Bentley, another professed ex-Communist, have been the committee's star witnesses during more than two weeks of hearings.

Hiss testified that he had never "laid eyes on" Chambers before and would like to do so. That was in face of Chambers's sworn testimony that he even had visited Hiss at the latter's home.

Recess Expected

To give Hiss the requested chance to confront Chambers in the flesh, and to help resolve doubts in the minds of members, the committee had invited both to appear this afternoon.

Neither was subpoenaed.

Committee members said it was probable the hearings would recess either late today or tomorrow for a week or more to give investigators time to develop new leads. An interim report is likely this week.

Members predicted privately that still "more names" will be brought into the hearings before they finally end.

Likely to be questioned later is Mrs. Oksana Stepanovna Kosenkina, 52-year-old Russian schoolteacher whom the Soviet consulate in New York "rescued" from anti-Stalin friends helping her miss a boat back to Russia.

Value Of Help Discounted

The "rescue" and Mrs. Kosenkina's dramatic leap for freedom from the third floor of the consulate have created an international incident, with the Soviets demanding her return to their custody and the State Department rejecting it.

Still in a critical condition and closely guarded in Roosevelt Hospital, New York, the teacher is under subpoena to testify before the committee when she is able. Members doubt, though, that she has much information of value to them in their spy probe.

Exports to Russia Off Sharply

Fall Below $50,000 for June as Compared With $6,900,000 Average Early in 1948.

Washington, Aug. 16 (A. P.).—American exports to Russia dropped under $50,000 in June, as compared with $200,000 in May and with a monthly average of $6,900,000 earlier in the year, and American purchases from Russia amounted to $7,400,000 in June, about the same as in May.

The figures were disclosed today in the regular monthly reports of the Department of Commerce on foreign trade.

June exports to the twelve countries in the Soviet sphere were $8,400,000, as compared with $5,700,000 in May, report also showed. The increase was largely the result of bigger shipments to Finland. Total June reports to Eastern Europe were less than a third of the average monthly shipments for the first quarter of this year because of the closer scrutiny now given to exports that might have a military use.

At a news conference on Friday, Secretary of Commerce Sawyer emphasized that there is no outright ban on shipments to Russia—merely a closer screening of goods having a war potential to Russia or her satellites.

Where Shipments Went.

Finland received $4,600,000 worth of American goods in June, more than double the May total. Shipments to other eastern European countries were: Czechoslovakia, $500,000; Hungary, $400,000; Poland and Danzig, $1,600,000; Yugoslavia, $600,000; Rumania, $400,000; Bulgaria, $300,000. There were no shipments to Estonia or Lithuania. Exports to Latvia, Russia and Albania were below $50,000 each.

American exports to the Marshall plan countries of Europe dropped to $324,100,000 in June, as compared with $343,900,000 in May, and a monthly average of nearly $375,000,000 in the first quarter of the year. These figures cover both shipments financed by the United States under the Marshal plan and direct purchases by the West European nations. On the other hand, imports into the United States from those countries rose to $81,100,000, as compared with $65,300,000 in May.

Exports to Turkey and China, the two countries of Asia receiving aid through the Economic Cooperation Administration, also dropped. They were $30,600,000 in June, as compared with $49,600,000 in the previous month. June exports to Turkey were valued at $7,800,000 and those to China at $22,800,000.

The country-by-country exports to the ECA nations were: Iceland, $700,000; Sweden, $13,500,000; Norway, $5,500,000; Denmark, $4,700,000; Britain, $40,300,000; Ireland, $3,200,000; Holland, $26,200,000; Belgium and Luxembourg, $21,800,000; France, $48,000,000; Germany, $89,500,000; Austria, $11,100,000; Switzerland, $13,300,000; Portugal, $5,000,000; Italy, $25,000,000; Trieste, $1,700,000; Greece, $14,500,000.

SAUDI ARABIANS REFUSE U.S. LOAN OF 15 MILLIONS

WASHINGTON, Aug. 16 — (AP) The government of Saudi Arabi has refused to accept a $15,000,000 American loan because of its displeasure with alleged United States support of the Jewish cause in Palestine.

"We feel we would like to get assistance from a friend and not from someone helping our enemy," a spokesman for the Saudi Arabian legation told a reporter.

Saudi Arabia desperately permitted a $15,000,000 credit earmarked for it at the export-import bank to expire July 15, he said, "because of the attitude of the American government in the Palestine situation."

The export-import bank said the loan has been available to the Saudi Arabian government since January 10 of 1946.

Spent 10 Million

The $15,000,000 is part of a total $25,000,000 authorized for reconstruction and modernization in Saudi Arabia. About $10,000,000 was used by the Saudi Arabians shortly after the money became available.

The Saudi Arabian spokesman said his country now has "no intention" of asking the bank to reinstate the credit.

"We will use our own money for the projects we have in mind," he said.

State department officials said the Saudi Arabians never have given them a reason for not submitting projects to the export-import bank which could draw on the $15,000,000 loan held for them.

State Department Uninformed

These officials said if political motives influenced this decision, they did not mention it to the State Department.

The export-import bank credit was scheduled to be used to pay for a long-planned program of expanding, and modernizing Saudi Arabian ports, highways, airports, hospital and electrical facilities.

King Ibn Saud of Saudi Arabia has been described as particularly anxious to finish the modernization program in his lifetime.

The new Jewish state of Israel has an application for $100,000,000 loan pending for the export-import bank. Secretary of State Marshall said last week this request is receiving exhaustive consideration.

15,000 Expected to Be Drafted In First Call Set for November

WASHINGTON, Aug. 16—(AP) The nation's new peace-time conscription is expected to put about 15,000 draftees in uniform sometime in November.

Army and selective service officials are working closely together to decide who will be called and when. No definite date has been set for inductions, Major General John E. Dahlquist, deputy director of personnel and administration, said today.

But he estimated 15,000 men will be inducted in November with a gradual build-up to 30,000 men monthly by next year.

The first group to be called will be the 25-year-olds with younger men being drafted thereafter. Everyone between 18 and 25 must register starting August 30, but only those 19 to 25 are liable under the draft law.

Some 8,000 25-year-olds will be taken out of an estimated 1,200,000 in that age group. Selective service officials believe deferments for veteran service, marital status and other reasons will run very high in the older group.

Major General Lewis B. Hershey, draft, director, told a reporter he expects a lot of deferments will be sought.

"I don't blame anyone for trying to avoid military service," he said. "I expect that. I accept it as normal."

Hershey indicated that the appeal boards will be kept pretty busy.

Only about 70,000 men will be drafted in the ages between 22 and 25, it has been predicted. Officials expect the bulk of the draftees to come from the men under 22.

U.S. ACCUSES A 'TOKYO ROSE' OF TREASON

Iva D'Aquino Ordered Arrested In Japan, Sent To San Francisco

Washington, Aug. 16 (AP)—The Justice Department today decided to go ahead with a treason prosecution in the so-called "Tokyo Rose" broadcasts of World War II.

Tom C. Clark, Attorney General, asked United States Army authorities in Tokyo to arrest 32-year-old Iva Toguri D'Aquino and send her to San Francisco to face a Federal grand jury there "at as early a date as possible."

[In Tokyo, officers said they have not yet been ordered to arrest Mrs. d'Aquino.

[Her landlady said she was away visiting relatives.]

3-Year Investigation

The action follows more than three years of investigation. The inquiry, Clark said, indicated that Mrs. D'Aquino, born in Los Angeles July 4, 1916, was one of six English-speaking Japanese women who broadcast over Radio Tokyo between 1943 and 1945.

The Attorney General said she was the only American-born woman in the group to which the American armed forces in the Far East applied the collective nickname "Tokyo Rose."

The feminine broadcasts over Tokyo's powerful radio station became a legend among United States fighting men in the desolate places of the Pacific to which they were beamed.

Nightly Reminders

The programs were elaborately planned. Soft-voiced and sexy in appeal, they were employed as nightly reminders to American combat men on lonely islands of what they were missing by not going back home.

Often, the broadcasts included imaginary descriptions of the scenes in famous American good-time centers, with heavy emphasis on how much fun stay-at-homes were having.

Latest Dance Recordings

Throughout the war, the Japanese women broadcasters used the latest American dance recordings as a backdrop for their patter.

Just how Radio Tokyo got this up-to-the-minute stuff has never been fully explained. However, one theory is that pickup stations spotted in South America made transcriptions from United States broadcasts and sent them to Japan by submarine.

Mrs. D'Aquino went to Japan shortly before the war broke out and was married there to a Portuguese. She has been in custody in Tokyo previously in connection with the investigation of the "Rose" broadcasts, but has been at liberty recently.

As late as last December, the Justice Department said a two-year effort had failed to turn up the two witnesses needed under the Constitution to support filing of a treason charge.

15 Japs To Be Witnesses

However, today's announcement said that both American and Japanese witnesses will be called to testify. For this purpose, Clark disclosed that some fifteen Japanese nationals will be brought to San Francisco from Japan for the grand jury hearing.

Mrs. D'Aquino will make the trip to the West Coast by steamship and is expected there within 30 days.

Justice officials wanted to fly her across the Pacific, but there were legal complications. The treason statute provides that proceedings against a defendant must go forward on the spot where he or she first sets foot on American soil upon return to the country. Since any plane trip would involve a stop in Hawaii or Alaska and the department wanted the grand jury to sit in San Francisco, transportation by steamship was ordered.

The Federal courts have had some 35 treason trials in the nation's history. The top penalty upon conviction is death, but the Government never has carried out the death penalty against a civilian.

Graduate By U. Of C.

Mrs. D'Aquino was born Iva Ikuku Toguri in the Los Angeles suburb of Watts. After attending high school and junior college, she was graduated from the University of California at Los Angeles in January, 1940.

She made a "C" average in music, premedical and zoology studies. She took six months of graduate study, then went to Japan to visit relatives. She married Philip D'Aquino, who later served as an interpreter for United States occupation forces in Tokyo.

In Los Angeles, another California-born Nisei has been on trial for ten weeks on a treason charge. He is Tomoya Kawakita, 27, charged with beating American prisoners of war at a Japanese camp where he served as interpreter. He, too, went to Japan as a visitor before the war.

Treason Laid To Tokyo Woman's Broadcasts

Washington, Aug. 16 (AP)—Attorney General Clark today directed the arrest in Tokyo of American-born Iva Toguri d'Aquino in connection with wartime broadcasts over Radio Tokyo.

The Attorney General said Mrs. d'Aquino, native of Los Angeles and the wife of a Portuguese citizen, will be brought back to the United States to answer a treason charge.

The Justice Department said Mrs. d'Aquino was one of at least six English-speaking Japanese women to whom American fighting men applied the name "Tokyo Rose" as a result of broadcasts beamed to United States forces in the Pacific between 1943 and 1945.

Stressed Homesickness

The broadcasts played heavily on the homesickness theme and have been described by authorities as intended to promote war-weariness among the Americans.

However, the department said that Mrs. d'Aquino was never known to have used the name "Tokyo Rose" in any of her alleged broadcasts. It said she broadcast under the name "Ann" or "Orphan Ann."

Mrs. d'Aquino was described by justice officials as the only American-born woman among the wartime Tokyo broadcasters.

Promise Quick Trial

Clark asked the Army, the governing body of Japan, to take Mrs. d'Aquino into custody "and return her to the United States at as early a date as possible for prosecution."

Arrangements have been made for her travel by ship. She is expected to reach San Francisco in about 30 days.

Clark said a grand jury will be convened at San Francisco immediately after her arrival and "the defendant tried promptly if an indictment is returned."

Aid Parcel Rate to Japan Cut

WASHINGTON, Aug. 16 (AP)—The Post Office Department announced tonight a reduction of 4 cents a pound, effective Aug. 24, in the postage rate on relief parcels to Japan, Korea and the Ryukyu islands to stimulate the movement of such packages to the Far East. The reduction will apply only on packages sent to an individual. The present rate to Japan and Korea is 14 cents a pound and 19 cents a pound to the Ryukyus.

RAF Specialists on U. S. Tour

WASHINGTON, Aug. 16 (AP)—Eleven Royal Air Force specialists arrived at National Airport today for a tour of United States Air Force installations. They arrived in a Lancaster transport and will fly tomorrow to Barksdale Air Force Base, Shreveport, La. They will also visit bases at Sacramento, Calif.; Dayton and Wilmington, Ohio; Hempstead, Long Island, N. Y.; Tampa, Fla., and Washington.

G. I. Halts Wife's Trek to Coast

Mrs. Furio Hears From Husband That He Is Coming to Maine to Take Her to Texas.

Old Orchard Beach, Me., Aug. 16 (A. P.).—Mrs. Marjorie Furio won't thumb her way to San Francisco, or anywhere else. Don't you dare move," her soldier husband telephoned her. The 28-year-old-old blonde happily agreed to stay here.

Thinking her husband, Cpl. Tony Furio, was going overseas, Mrs. Furio, short of travel money, started hitch hiking from Bangor on Friday. She carried 22-month-old Tony Jr., in her arms. The excitement was too much for the boy. He took sick and Mrs. Furio stopped here with a friend.

Furio, in the meantime, was trying to advise her that he isn't going overseas, but to Fort Bliss at El Paso, Tex.

The San Francisco Chronicle and Old Orchard Beach police got them together—on a telephone line—last night. Corporal Tony told his wife to wait here. He's leaving for Maine on Wednesday she said, and will take her and little Tony to El Paso.

Teacher Account Denied By Aide

Tass says statements made in hospital by Mrs. Kosenkina have no value. [Page 3.]

New York, Aug. 16 (AP)—A Soviet vice consul today described as "not true" a police statement that Mrs. Oksana Stepanovna Kosenkina pointed to him from her bed in Roosevelt Hospital last week and accused him of holding her a prisoner in the Soviet Consulate.

"The story is not true," the vice consul, Zot I. Chepurnykh, told newsmen. "She did not say what the police say she said. She didn't say, 'You didn't let me go' and she didn't point at me, either."

A Russian-speaking detective said Friday that the 52-year-old Soviet schoolteacher rejected Chepurnykh's suggestion that she be moved to another hospital, declaring, "You kept me a prisoner, you would not let me go."

Repeated Demands

Chepurnykh, after repeated demands to see Mrs. Kosenkina, had been escorted to the hospital room where the teacher is recovering from serious injuries received in a three-story leap from the consulate building. Police quoted her as saying immediately after her jump that she had been imprisoned in the consulate.

Chepurnykh said today he thought police had made a transcript of the hospital-room interview.

"Soon or late, the record should be released," he said. "If they didn't make a transcript, they were stupid."

"Only A Few Words Spoken"

The vice consul added that only a few words were spoken during the brief visit, which he said was terminated when Inspector Michael E. J. Lessen announced, "That's all," and pushed him from the room.

A hospital bulletin said Mrs. Kosenkina's general condition was unchanged, although she was improving slightly. She remained on the critical list. Additional X-rays of her injuries will be made today.

A strong police detail continued to guard her.

Accepted Subpoena

In addition, Mrs. Kosenkina has been technically under the protection of the United States since she accepted a subpoena Saturday to testify before the House Committee on Un-American activities in its probe of alleged Communist spying in this country.

It may be three months before she can appear before the committee. She suffered multiple fractures and internal and back injuries in her leap Thursday afternoon.

Mrs. Kosenkina says she had been held at the consulate pending forcible return to Russia after a teaching assignment here.

She had been at the consulate since a week ago Saturday when Soviet consulate officials whisked her away from a White Russian anti-Communist farm at Valley Cottage, New York.

Soviet Demands Custody

Soviet officials, who deny she was held at the consulate against her will, have demanded her custody, but the State Department has rejected the demands.

Representative Donald L. O'Toole, New York Democratic congressman, has suggested to Secretary of State Marshall that all Soviet consulate officials in New York city be detained in the United States to determine whether they have been "guilty of any crime in connection with the Kosenkina case."

LEAP BLAMED BY LOMAKIN ON 'WHITE GUARDS'

Soviet Consul Says U.S. 'Officials' Also Excited Teacher

New York, Aug. 16 (AP)—Yakov M. Lomakin, Soviet consul general, charged tonight that "White Russians" were responsible for the leap from a consulate window of Mrs. Oksana Stepanovna Kosenkina, Russian chemistry teacher.

The Soviet official claimed, in a news conference at the consulate, that White Russians previously had kidnapped and drugged Mrs. Kosenkina.

Further responsibility for her plunge last Thursday from the consulate, Lomakin said, lay with American officials whom he accused of actions and statements which led to what he termed a "nervous breakdown" by Mrs. Kosenkina.

"This Is Our Answer"

Lomakin admitted newsmen to the consulate early tonight, picked up a sheaf of typewritten pages, distributed them and said:

"This is our answer."

Mrs. Kosenkina, now under subpoena of the House Committee on Un-American Activities, is a patient at Roosevelt Hospital. Her condition was described today as slightly improved, but still critical.

She suffered numerous injuries in her leap from the consulate after a stay there of five days.

Consular officials said they had "rescued" her from a White Russian (anti-Communist) camp at Valley Cottage, N.Y., on August 7. They denied she was held at the consulate against her will.

"Kidnapping" And "Drugs"

The Valley Cottage estate is operated by Miss Alexandra Tolstoy, youngest daughter of the Russian novelist, Leo Tolstoy. She has said Mrs. Kosenkina sought refuge at the camp.

Lomakin's statement tonight said that after Mrs. Kosenkina "had succeeded in getting away from the hands of the Tolstoy foundation, a White Guard organization, it was noted that the forcible kidnapping of Mrs. Kosenkina by White Guards, the injection of drugs made by them with the purpose of weakening her will as well as the contemptuous treatment of her and her forced work in the kitchen of Countess Tolstoy, the head of the above said White Guard organization, [had] undermined her health and affected her mental state."

"Standing Back Of His Lies"

At Valley Cottage, Miss Tolstoy said "I do not feel disturbed at all" by Lomakin's statement. I have a clear conscience, and have done no harm to anybody."

She said, "Lomakin certainly persists in standing back of his lies, obviously because he has no other way out. The poor man is so scared he does not know what to say. . . . How can he go back on the lies he has told Molotov in Moscow? It is absurd for anyone to take him seriously."

The consul general said Mrs. Kosenkina was frigtened by a crowd which she saw outside the consulate window on the afternoon of her leap.

She cried out, "It looks as if they are coming to get me," Lomakin said, and then she dashed to the window.

"Irritated And Depressed"

Press and radio accounts of the whirl of events surrounding the teacher "irritated and depressed" Mrs. Kosenkina, the statement said.

Lomakin made no reference to a list of eight questions submitted earlier to him by reporters. The questions were largely concerned with statements attributed to the teacher in the hospital. In one of them, police said, she said she was a prisoner at the consulate.

After Mrs. Kosenkina's "liberation from the hands of her kidnappers," Lomakin said, "all necessary measures for restoring her health and peace of mind were taken. She lived among consulate employés who gave her all their attention and care."

"American Officials" Blamed

The consul general said the teacher asked the employés to help her return home because she was afraid of being caught again "by these White Guard fiends."

"It is clear," the statement said in conclusion, "that the responsibility for everything that has occurred lies with those who organized the kidnapping and committed violence toward Mrs. Kosenkina, a Soviet citizen, as well as with those American officials who, by their actions and statements, have thus caused the nervous breakdown of Mrs. Kosenkina which has driven her in her despair to the attempt of suicide."

1948

Police Quotation Denied

Earlier in the day, the Russian vice consul flatly denied that the teacher accused him in a hospital bed statement last Friday of holding her prisoner.

The police had released a version of the exchange between the woman teacher and vice consul in which she was quoted as telling the Soviet official: "You kept me a prisoner, you would not let me go."

Zot I. Chepurnykh, the vice consul, today said, "The story is not true."

Words And Gesture Denied

"She did not say what the police say, she said, he inisted. "She didn't say, 'You didn't let me go' and she didn't point at me either."

The police said there would be no comment on the vice consul's assertions.

Chepurnykh had been escorted at his request to the room of the Russian teacher who was critically injured Thursday in a leap from the Russian Consulate.

The police account was based on the translation of William Dyczko, a Russian-speaking detective. Dyczko said Mrs. Kosenkina told the vice consul she did not want to go to another hospital or even to talk to him.

Chepurnykh said Saturday he believed the detective had "engineered" the police story of the meeting.

Indicted Reds Granted Delay In Answering

New York, Aug. 16 (AP)—A Federal judge today rejected the application of twelve top-level Communists for a 90-day delay to answer indictments returned against them last July 29 by a special Federal grand jury here.

They were indicted on charges of advocating ovehthrow of the Government by force.

Jurist's Comment

Judge Harold R. Medina, in turning down the request made through counsel, said:

"This case is important to the Government and the defendants, as defense counsel has stated, but it is more important to the interests of the Government and the people . . . and the quicker it gets disposed of with finality the better."

Grants Men Six Weeks

Later, Judge Medina agreed to a six-week extension.

The application was filed by Abraham Unger, attorney for the defendants. He asked that the court grant a 90-day extension, from August 23, for preparing motions attacking the indictments. The defendants, all members of the Communist party's national board, previously had been given until August 23.

U.N. Again Puts Off Action On Trieste Case

Lake Success, Aug. 16 (AP)—The United Nations Security Council today again postponed action on Yugoslavia's charge against the United States and Britain over the Trieste question. HAUCK

After the two Western powers reiterated their denial of the charges, Soviet Deputy Foreign Minister Yakob A. Malik adjourned the debate until Wednesday. Malik, the president of the Council for August, explained that some delegates wished to delay their speeching.

Some observers said they believed the Council was marking time until its proposed month-long recess, scheduled to start Friday, and might take no decision on the complaint.

Charges Called Unfounded

Sir Alexander Cadogan, British delegate, said the charges of Premier Marshal Tito's Government that the Western powers had violated the Italian peace treaty were unfounded. United States Delegate Philip C. Jessup made a similar statement.

Cadogan accused Tito of trying to annex the Yugoslav zone of Trieste to Yugoslavia and viewed the Yugoslav charges before the Council as a smoke screen.

Faced with the prospect of being unable to agree on anything, the Council may turn to a French suggestion that Tito be asked to make a report to the Council on his administration of the Yugoslav zone. The United States and Britain already have reported.

Internationalized By Treaty

The Trieste territory was internationalized under the Italian treaty and placed under the Council. Pending appointment of a governor—on which the Council cannot agree—the territory is divided into United States, British and Yugoslav zones. Barricades separate the zones and each nation has about 5,000 troops on duty.

The Western powers asked Russia to reconsider the treaty provisions and give Trieste back to Italy. Moscow refused. The United States emphasized the treaty would be respected, even if the Soviet Union continued to reject the proposal.

Help Asked For Refugees

Lake Success, N.Y., Aug. 16 (AP)—Count Folke Bernadotte today told the United Nations he has asked five international agencies to help care for Arab and Jewish refugees in the Palestine fighting.

The United Nations mediator said he had asked aid from the World Health Organization, the International League of Red Cross Societies, the National Red Cross Societies, the United Nations International Children Emergency Fund and the Society of Friends. The World Health Organization and the International Red Cross already have agreed to help.

U.N. Report On Exports

Lake Success, N.Y., Aug. 16 (AP)—The United Nations reported tonight a continued lack of balance in the world economic situation. Production went up above prewar levels, but trade declined.

A report by the United Nations department of economic affairs said the lack of balance is reflected in such phenomena as:

1. The shortage of basic commodities in most countries, particularly in foodstuffs.
2. The prevalence of considerable inflationary pressure.
3. The existence of unprecedented deficits in the foreign transactions of most countries.

No Russian Figures Given

No figures for Russia were included in most of the report. There was no explanation of their absence.

The report said last year's ten to fifteen per cent gain in world production over 1938 had failed to restore global balance.

"After reaching the 1938 level in the latter part of 1947, the volume of world exports declined during the first quarter of 1948 to 93 per cent of 1938," the report said. "On the other hand, available data indicate that industrial output increased in the first quarter of 1948."

Figures for the first quarter of this year showed the cost of living index was below that of 1947 in eight of 56 countries reported on. The eight were Iceland, India, Italy, the Netherlands Indies, Panama, Portugal, Sweden and Uruguay.

The United States figure for the quarter was 128 compared with 126 for the last quarter of 1947 (using the first half of 1946 as 100).

China jumped from 2,677 to 6,640. Of twenty countries reported on, Bulgaria was the only one to show a decline in wages and earnings.

Trieste Action Postponed

Automobile production figures showed the United States, Britain, France and Canada produced 99 per cent of the world total last year. This was a marked trend from 1938 when the rest of the world produced 13 per cent. The 1947 percentages were given as United States, 84; Britain, 8; France, 2; Canada, 5. Of the Big Four, the United States and Canada continued to gain, with British and French auto production falling off.

Action on a Yugoslav charge against the United States and Britain over the Trieste question was postponed again today by the United Nations Security Council.

Yakob A. Malik, Soviet deputy foreign minister and Council president for August, adjourned the debate until Wednesday after the two Western powers had reiterated their denial of the Yugoslav accusation.

london, aug. 16 -(AP)- basil henry liddell hart, a foremost british military commentator, accused britain today of "needless cruelty" in treatment of three former german field marshals.

the british foreign office and war office declined comment but did not deny liddell hart's account published as a letter to the times of london.

the marshals -- walther von brauchitsch, fritz erich von manstein and karl rudolf gerd von rundstedt -- were kept in british prison camps three months after the last of the other high ranking german generals were sent home.

"they were kept in suspense until close on the time when theyvere at last sent home," liddell hart wrote. "the way in which any decision was so long postponed and any hint withheld wasneedless cruelty.

"this cat-and-mouse treatment is still being pursued in regard to the three field marshals."

all now are in a british military prison near luneburg, said liddell hart.

describing prison conditions, he said brauchitsch "was placed in the strictest

confinement x x x with two guards always in the room and the light never

switched off. x x x the officers in charge of the prison have done their best

to show consideration but are apparently limited by higher instructions."

"brauchitsch has heart disease and has twice been at death's door while

a prisoner here," he continued. "manstein is afflicted with eye trouble.

rundstedt suffers from an arterial complaint that kept him in constant

pain x x x."

liddell hart raised a final question whether the men are to be tried

for war crimes even though britain has publicly announced it will sponsor

no more such trials.

MOSCOW, AUG. 16-(AP)-PRAVDA CHARGES THAT AN ASSISTANT U.S. NAVAL ATTACHE IN MOSCOW WAS NABBED RECEIVING SECRET MILITARY INFORMATION FROM A SOVIET OFFICIAL AND WAS HUSTLED OUT OF RUSSIA BY DEMAND OF THE SOVIET GOVERNMENT.

THE CHARGE BY THE COMMUNIST PARTY NEWSPAPER EXPLODED AMID INDICATIONS THAT THE THREE WESTERN POWER ENVOYS WILL RENEW THEIR TALKS AT THE KREMLIN TODAY ON THE EAST-WEST CRISIS.

THE ASSISTANT NAVAL ATTACHE, LT. ROBERT DREHER OF OIL CITY, PA., WAS "CAUGHT WITH THE GOODS IN HIS HAND," PRAVDA SAID YESTERDAY. BOTH DREHER AND THE RUSSIAN OFFICIAL INVOLVED CONFESSED, THE NEWSPAPER SAID.

THE UNITED STATES EMBASSY WAS TOLD THAT DREHER "HAD BEEN CAUGHT IN ESPIONAGE," PRAVDA SAID, ADDING:

"THE EVIDENCE WAS DO INDISPUTABLE THAT THE EMBASSY DID NOT EVEN TRY TO CONCEAL IT AND, WITHOUT PROTEST, FULFILLED THE DEMAND OF THE MINISTRY OF FOREIGN AFFAIRS THAT DREHER IMMEDIATELY LEAVE THE SOVIET UNION."

U.S. AMBASSADOR WALTER BEDELL SMITH AND THE U.S. NAVAL ATTACHE, REAR ADM. LESLIE C. STEVENS, REFUSED TO COMMENT ON THE ACCUSATION.

(IN WASHINGTON, HOWEVER, THE STATE DEPARTMENT CHARGED THAT THE RUSSIAN AUTHORITIES FRAMED THE ESPIONAGE CHARGE AGAINST DREHER. THE DEPARTMENT SAID THE EVIDENCE WAS PLANTED BY THE RUSSIANS AFTER DREHER HAD APPLIED FOR A SOVIET VISA TO LEAVE THE COUNTRY.")

DREHER, 32, LEFT MOSCOW MAY 1. HIS TOUR OF DUTY IN MOSCOW BEGAN IN NOVEMBER, 1947. BEFORE THAT HE WAS NAVAL REPRESENTATIVE IN ODESSA FOR MORE THAN A YEAR.

PRAVDA SAID DREHER, DRESSED IN CIVILIAN CLOTHES, MET A RUSSIAN CUSTOMS OFFICIAL -- WHOM IT TERMED A SOVIET AGENT OF AMERICAN NAVAL INTELLIGENCE IDENTIFIED ONLY AS "E"--IN THE MOSCOW CUSTOMS OFFICE TO RECEIVE "SECRET MILITARY INFORMATION."

SOVIET SECURITY OFFICERS, THE NEWSPAPER SAID, HAD WATCHED THE CUSTOMS OFFICIAL BECAUSE HE GATHERED "SECRET INFORMATION" AND MADE OCCASIONAL TRIPS TO MOSCOW. WHILE THE TWO MEN WERE EXCHANGING WRITTEN INFORMATION, SOVIET SECURITY AGENTS ENTERED THE ROOM AND CAUGHT THEM, PRAVDA SAID.

A20

DREHER AND THE CUSTOMS OFFICIAL "HURRIEDLY ATTEMPTED TO HIDE CERTAIN PAPERS AND NOTEBOOKS," PRAVDA SAID. WHEN A SECURITY OFFICER SEIZED SEVERAL SHEETS OF PAPER LYING ON A TABLE, DREHER, "TRYING TO TEAR THEM OUT OF THE HANDS OF THE REPRESENTATIVE OF SOVIET SECURITY ORGANS, BEGAN TO BEAT THE SECURITY REPRESENTATIVE," IT SAID.

"WHEN HE FAILED TO TAKE AWAY THESE PAPERS, HE BEGAN TO EAR UP PAPERS ON HIS PERSON," PRAVDA SAID.

THE NEWSPAPER SAID THAT, ON INVESTIGATION, IT WAS FOUND THE CUSTOMS OFFICIAL'S NOTEBOOK CONTAINED "COMPLETELY SECRET MILITARY INFORMATION" AND OTHER PAPERS SEIZED WERE A TRANSCRIPT OF THEM INTO ENGLISH. PRAVDA PRINTED THIS CHARGE ALONG WITH ANOTHER ACCUSATION THAT AMERICAN "IMPERIALISTS" ARE "DREAMING OF WORLD RULE." IT SAID IN AN EDITORIAL THAT THE SOVIET FLEET IS STRONG AND PREPARED TO PROTECT THE PEACEFUL WORK AND SECURITY OF THE RUSSIAN PEOPLE.

AMERICANS IN MOSCOW ARE LIVING AS THEY DID PREVIOUSLY DESPITE THE DREHER CHARGE AND THE PUBLICITY ATTENDING THE SAMARINE-KOSENKINA CASE IN NEW YORK. AMBASSADOR SMITH SAID HE HAD TOLD ALL EMBASSY PERSONNEL THEY MUST "CONDUCT THEMSELVES CORRECTLY." HE SAID HE TOLD THE STAFF MEMBERS THAT IF THEY DO SO AND AVOID BOTH THE ESSENCE AND APPEARANCE OF INCORRECTNESS THEY HAVE NOTHING TO FEAR FROM ANY QUARTER.

MEANWHILE, FRANK ROBERTS, SPECIAL BRITISH REPRESENTATIVE AT THE EAST-WEST NEGOTIATIONS HERE, CALLED ON SMITH AT THE AMERICAN EMBASSY YESTERDAY. INFORMED OBSERVERS SAID THERE MIGHT BE ANOTHER FOUR-POWER CONFERENCE IN THE KREMLIN TODAY.

U.S. EMBASSY SPOKESMEN REFUSED TO COMMENT ON THE STATUS OF THE TALKS BUT A MOOD OF GUARDED OPTIMISM PERSISTED.

TOKYO,AUG.16-(AP)-POLITICAL INDOCTRINATION OF JAPANESE PRISONERS OF RUSSIA APPARENTLY IS SECONDARY TO THE U.S.S.R. VIEW OF OBTAINING THE MAXIMUM LABOR OUTPUT FROM THE NIPPONESE, REPATRIATES SAY.

HOWEVER, ONE AMERICAN OBSERVER POINTED OUT THAT A JAPANESE CONVERTED TO COMMUNISM IN RUSSIA WAS NOT LIKELY TO OPENLY ADMIT SUCH A POLITICAL FAITH ON HIS RETURN TO HIS NATIVE LAND.

MANIS, BEING TRIES BY COURT MARTIAL ON A MURDER CHARGE, TESTIFIED HE WAS SEVERAL HUNDRED YARDS FROM THE SCENE OF THE SHOOTING ATTEMPTING TO ARRANGE A DATE WITH A PROSTITUTE, WHEN HE HEARD SCREAMS.

HE AND THE GIRL WALKED TOWARD THE MAIN TRAFFIC ARTERY WHERE THE SCREAMS SEEMED TO ORIGINATE, HE RELATED, AND THEY MET ANOTHER AMERICAN SOLDIER WHO HAD HEARED THE CRIES. MANIS SAID HE LEFT THE GIRL AND RETURNED TO SUGAMO PRISON, WHERE IS WAS STATIONED, TO REPORT THE INCIDENT.

WITH A CROWD OF OTHER AMERICANS, HE TOLD THE COURT, HE WENT BACK TO THE SCENE, AND FOR THE FIRST TIME SAW CAPTAIN RYAN'S BODY LYING ON THE SIDEWALK.

MANIS SAID HE WAS NOT CERTAIN THE GIRL HE WAS WITH WAS THE PROSECUTION WITNESS REIKO MAENO. "I NEVER SAW HER BEFORE THAT NIGHT," HE EXPLAINED. ANOTHER SOLDIER HAD INTRODUCED HIM TO THE PROSTITUTE ONLY 30 MINUTES BEFORE THE SHOOTING, HE TESTIFIED.

A LENGTHY CROSS EXAMINATION FAILED TO ALTER MANIS' STORY. MISS MAENO TESTIFIED EARLIER RYAN HAD SEEN HER ON THE STREET WITH MANIS, HAD REBUKED MANIS, AND THE ARGUMENT ENDED WITH MANIS SHOOTING THE PHILADELPHIA PRIEST.

AUG 1948

THE COMMUNIQUE DEALT WITH PRESSHREPORTS THAT PAKISTAN HAD INFORMED THE COMMISSION ITS TROOS ARE OPERATING IN KASHMIR. THE ANNOUNCEMENT CALLED THE REPORTS "WHOLLY UNAUTHORIZED" AND SAID "ALL STATEMENTS MADE TO THE COMMISSION ARE STRICTLY CONFIDENTIAL."

Be Ready For Sudden Attack, Monty Warns Britain

AUG 21 1948

Blackpool, England, Aug. 17 (AP). Field Marshal Viscount Montgomery warned Britain tonight that "we must be ready and prepared to face sudden attack by an aggressor."

Montgomery is Britain's top military figure as chief of the Imperial General Staff.

"We cannot hope for a breathing space as in 1939, at the outbreak of another world conflict," he said in a speech prepared for a Blackpool civic dinner.

Sees World In Truce

The address was his second of the day on defense matters. Earlier, accepting the freedom of Blackpool, he called for 150,000 men and women to join the Territorial Army —Britain's equivalent of the National Guard. This number of enlistments would nearly quadruple the present size of these reserves.

Montgomery said in the first address that "a somewhat uneasy peace is brooding over the world."

"It is more of a truce than a peace; it is a period of exhaustion, ill-described as 'peace,'" he said.

Urges Preparedness

"The Territorial Army is a vital factor in our system of national defense and preparedness," Montgomery said after asserting that "the best chance of avoiding war in modern times is to be prepared."

The Territorial Army is the equivalent of the United States National Guard as a reserve force.

The War Office said it presently includes 35,741 men, 13,021 women and 7,473 officers—a total of 56,235.

Sets Goal For Next Spring

"It needs," said Montgomery, "150,000 active, energetic, enthusiastic and intelligent men and women by next spring.

"If they are not forthcoming we cannot make our country secure. Our independence and freedom will then be in jeopardy."

After the first of next year all men who served their one year of conscripted training in the army will be required to serve six years in the territorials. This will not begin to provide territorials, however, until January, 1950.

All Britons of 18 years or older are subject to a year of military training. Present territorial enlistment is voluntary.

Montgomery Warns Britain

Blackpool, England, Aug. 17 (AP). Field Marshal Viscount Montgomery told Britons tonight they could not hope for a breathing space in the event of a new war and therefore must be "prepared to face sudden attack by an aggressor."

The chief of the imperial general staff spoke here twice today, at a ceremony in which freedom of the city was conferred on him and at a Blackpool civic dinner.

At the ceremony he said: "A somewhat uneasy peace is brooding over the world. It is more of a truce than a peace; it is a period of exhaustion, ill-described as 'peace.'"

Dangers At Home

Later, he told the dinner audience: "We cannot hope for a breathing space as in 1939, at the outbreak of another world conflict."

Montgomery said that "in any future war our people at home must be prepared to face great physical dangers and many heavy blows delivered by enemy air attack. Civil defense will be of the first importance."

He called for 150,000 men and women to join the Territorial Army —Britain's equivalent of the American National Guard—to nearly quadruple the present size of this reserve force.

Fully Trained Soldier

Urging the training of men as a preparedness measure, he said Britain's year of training for young conscripts "will turn out the national service man as a fully trained soldier."

"Given a disciplined man with a general knowledge of soldierly duties, it is a very quick and easy matter to teach him to use new weapons," he said.

Although he did not elaborate his remarks about "new weapons," Montgomery said he had heard remarks that "world war III will be a 'push-button' war in which no one will need an army at all. To that I reply that the scientists have not so far provided a single new weapon of defense."

Church Asks Arms Cut But Qualifies Its Stand

Lambeth Conference Report Concedes War, In Some Cases May Be "Lesser Evils"

STEINKOPF

London, Aug. 17 (AP)—The Anglican Church's highest leaders appealed today for world disarmament, but agreed there are occasions under present-day conditions when war must be waged "as the lesser of two evils."

The church's latest doctrine on postwar problems was published in the report of the Lambeth Conference, supreme authority in the world-wide communion of Anglican and Episcopal churches.

Leaders of the church deplored war and urged nations to limit their own sovereignty if necessary to avoid armed conflicts.

Appeal For Atom-Bomb Curb

They asked nations not to use atomic energy for warfare.

The report presents the conclusions of 329 archbishops and bishops of the Anglican and Episcopal churches who conferred in London for five weeks starting July 1.

The session of church authorities from all parts of the world was the first Lambeth Conference since 1930. The conference takes its name form the official residence at Lambeth Palace of the Archbishop of Canterbury, the Most Reverend G. F. Fisher, who presided at the sessions.

The solemn conclave studied recent trends in the course of nations and lives of individuals and made declarations of policy and principle.

The assertion that in an unstable world a nation may have to go to war is contained in a resolution adopted by the conference.

Affirms Duty To Reduce Arms

"The conference affirms," it stated, "that it is the duty of governments to work for general reduction and control of armaments of every kind and for their final elimination, except those which may be necessary for international police protection; but until such time as this is achieved, it recognizes that there are occasions when both nations and individuals are obliged to resort to war as the lesser of two evils."

Other high lights of its pronouncements included:

1. Vigorous condemnation of Marxian communism.

2. Pledge to work for full attainment of human rights everywhere.

3. A plea to nations to remove causes of war and speedily draft peace treaties with Japan and Germany.

4. Expression of hope for the attainment of unity among churches.

5. Rejection of a suggestion, made by China, to admit women to the priesthood.

6. Reaffirmation of the church's objection to remarriage of divorced persons.

7. Approval of a suggestion to hold a Pan-Anglican conference for laymen and the clergy in 1953, probably in the United States.

8. A recommendation that the city of Jerusalem be placed under permanent international control.

In 174-Page Volume

The conference published its conclusions in a volume of 174 pages. It consists of three parts: An encyclical letter from the bishops to be read in churches October 10, a collections of resolutions adopted by the conference, and a series of committee recommendations some of which, including the proposal from China that women be admitted to the priesthood, failed to win approval. On the latter the conference said "the time has not come."

The plea to outlaw the atomic bomb was stated most forcibly in the encyclical letter.

"We call upon all nations collectively to control the manufacture and use of atomic power and to pledge themselves never to use it for purposes of war," the letter said. "We call upon the nations also, even at the price of limiting their own sovereignty, to work together to remove the causes of war and to promote human culture and welfare. We trust, therefore, that the Christian churches will give strong support to the United Nations, so that it may become a more effective organ of world co-operation.

"It will fail, however, unless it is upheld by the conviction that nations, as well as individuals, are all members of one family, under the one God and father of all."

Opposition To Communism

The conference opposition to Marxian communism was uncompromising. One resolution said:

"The conference, while recognizing that in many lands there are Communists who are practicing Christians, nevertheless declares that Marxian communism is contrary to Christian faith and practice, for it denies the existence of God, revelation and a future life; it treats the individual man as a means and not an end; it encourages class warfare; it regards the moral law not as absolute but as relative to the needs of the state.

"The conference holds that while a state must take the precautions it regards as necessary to protect good order and peace from all subversive movements, it is the special duty of the church to oppose the challenge of the Marxian theory of communism by sound teachings and the example of a better way."

The encyclical letter was even more positive in its denunciation of communism, referring to "the lying propaganda which is inherent in it."

The conference proclaimed anew the rights of man in a resolution proposing their protection by international law. In a declaration on human rights, the conference said:

"Among such rights are security of life and person; the right to work, bring up a family, and to possess personal property; the right to freedom of speech, of discussion and association and to accurate information; and to full freedom of religious life and practice, and that these rights belong to all men, irrespective of race or color. . . .

"The conference believes that the above rights should be subject only to such limitations as are internationally recognized as necessary to protect public order, morals, and rights and freedoms of others. Any such limitations should be clearly defined by law, and there should be appeal concerning them before impartial courts of justice."

Approves U.N. Covenant

The proposed covenant on human rights now before the United Nations was approved.

The report stated that the bishops and archbishops are encouraged by progress being made toward church unity, but said attainment of complete unity is by no means in sight. American and British opinions on the subject are coming closer together, it was observed. Progress toward unity was reported from India, Burma and Ceylon, where, the encyclical letter reported, Methodists, Presbyterians and Congregationalists have joined with the Anglican communion.

Nullity Courts Considered

The Lambeth Conference held fast, basically, to the church's refusal to marry a divorced person while a former spouse is living, but it was indicated that more thought is being given to the creation of nullity courts within the church organization.

A committee reported that since 1946 bishops of the American Episcopal Church may inquire whether, in the event of divorce or annulment in civil courts, a marriage has actually taken place in the view of the church. Modifications in Church of England canon law to allow similar procedure are under consideration.

The conference took no position on the establishment of nullity courts, and the encyclical letter says that church authorities note, especially among younger people, the beginning of a revolt against "the degrading of marriage."

Cannot Be Excluded

The church, said the letter, refuses to remarry persons divorced unless there are circumstances which convinces the church that no marriage bond existed.

Divorced and remarried persons are not, however, banished from the concern of the church.

"It cannot exclude from its own fellowship those who have come through bitter experience and look for help," the letter said.

Of Palestine, the conference said it "appeals to the nations of the world to deal with the problem not as one of expediency . . . but as a moral and spiritual question that touches the nerve center of the world's religious life.

"And, for that reason, it urges the United Nations to place Jerusalem and its immediate environs under permanent international control with freedom of access to sacred places secured for the adherents of the three religions (Christian, Jewish, Moslem)."

Moved By Refugees' Plight

The conference described itself "moved by the tragic plight" of refugees in many parts of the world. It said it believes there is room in which permanent homes may be found for them.

It urged that "governments of all countries represented in this conference take active steps for the admission of as many as possible of these men and women with their families as new settlers."

One of the final acts of the conference was to approve a scheme for a Pan-Anglican congress, for representatives of both the clergy and the laity, to be held in 1953. It was felt in many quarters that such a congress might get closer to the rank-and-file feeling in the church throughout the world than even the Lambeth Conference. Many delegates felt such a congress should be held in the United States.

BRITAIN WILL SEND TROOPS TO MALAYA

Famed Guards Among Units Selected 'to Restore Order and Confidence'

LONDON, Aug. 17 (AP)—The War Office announced today men of Britain's famed Guards Brigade and certain other troops would be sent to Malaya as soon as possible "to restore order and confidence."

The transfer follows last month's decision to reinforce the military forces in Britain's richest colony with two other battled-hardened formations — the Fourth Hussars from this country and the Royal Inniskilling Fusiliers from Hong Kong.

The War Office announcement said the Second Guards Brigade would be going to Singapore, thence to Malaya, "in view of prevailing conditions of unrest" in the colony.

Informed sources said its decision to move the Guards came after the British Government received an appeal for reinforcements from Malcolm McDonald, Commissioner General for southeast Asia.

Mr. McDonald, it is reported, was advised by British civil and military leaders at a Singapore conference recently that more troops were essential to carry the war into the colony's Communist-led guerrilla jungle strongholds.

Strengthening of the estimated eight battalions of Indian Gurkha troops now in Malaya is also under consideration, the sources said. Negotiations for reinforcing them may soon be started between the British and Indian Governments.

TWO CZECH SWIMMERS WIN HAVEN IN BRITAIN

LONDON, Aug. 17 (AP)—Two self-exiled Czechoslovakia Olympic swimmers reported today they had received permisson from the British Government to remain indefinitely in England. They were among eight Czechoslovakia and Hungarian competitors in the Olympics who had indicated their intention of not returning home.

Both swimmers — Jiri Linhart and Jiri Kolar, mechanical engineering students from Prague University—said they planned to write Frantisek Nemec, refugee Czechoslovak diplomat in Canada, with a view to going there. There were unconfirmed rumors that other Balkan athletes had gone "AWOL."

An official of the Czechoslovak team said that only the two had left the party; the last of the Czechoslovaks are to return to Prague tomorrow in three planes.

"The question of whether two swimmers stayed here was not a political one but a matter of taking up professional status as against remaining amateur," said a Hungarian Legation official today. "Such a question is purely a matter for the individual."

A third Hungarian swimmer, Dezso Gyarmatha, applied for Home Office permission to stay, but then returned to Hungary. The Legation official said "it is quite untrue" that any pressure was brought on him to go home.

Jet Planes In Scotland On Way Back To U.S.

Stornoway, Scotland, Aug. 17 (AP). Sixteen Shooting Star jet fighters of the United States Air Force arrived tonight from England on their way back to Selfridge Field, Mich., from Germany.

They will leave for Iceland tomorrow, weather permitting. They are to fly on from there to Greenland and Goose Bay, Labrador.

British Red Tape Nets Fleeing Finns

Lowestoft, Eng., Aug. 17 (AP)—Thirteen Finnish refugees who said they fled their land in fear of Soviet rule were enmeshed in British red tape today.

The Finns, seven men, three women and three children from Karelia, near the Russian frontier, came in a little cargo boat in which they had headed for South America originally. The little craft was stranded here two weeks.

Immigration authorities won't let the Finns land. The Board of Trade won't let them sail without a qualified crew and proper lifesaving equipment. The voyagers haven't the money for either. Meanwhile, the visitors are being fed by townspeople.

Marshall Plan Nations Map Trade Pact

Paris, Aug. 17 (AP)—A five-nation committee has been named to draw up a plan under which nations getting Marshall aid can trade together, the European Economic Recovery Council said today.

Representatives of Britain, Belguim, France, Norway and Greece have been chosen to serve on the committee, an Organization for European Economic Co-operation communiqué said. The body will inform the Council as to the probable amount of credit balances that will accrue among the seventeen participating nations. The O.E.E.C. must have a working plan on European trade by September 21.

Communique Issued

The following communiqué was issued by the O.E.E.C. Council:

"The council of the O.E.E.C. met August 14, 15, 16 under the chairmanship of Baron Snoy, of Belgium. There were important discussions concerning the preparation of the O.E.E.C. to the ECA (Economic Cooperation Administration) on the division of United States aid for the year 1948-49 and on details of inter-European payments of the scheme which was adopted in principle July 24.

"Arrangements have been made for immediate discussions to decide what will be the prospective balances of the participating countries with each other in intra-European trade during the year 1948-49 and how debit balances should be financed. A group of five members of the council has been established to supervise these discussions and make recommendations to the council.

"As soon as the council has taken its decision in light of these recommendations the debtor countries will know the amount of aid they may expect to receive during the year from European creditor countries. The council then will be in a position to make preliminary decisions on how American aid should be divided between all participants.

"On the basis of these decisions the participating countries will then prepare revised programs. These revised programs will be submitted to the organization by August 31.

"After examination by the organization they will be presented in the middle of September to the ECA for final decision."

Stress Self-Help

It is generally understood that when ECA Administrator Paul G. Hoffman met with the O.E.E.C. group July 24 he advised the European leaders he was satisfied with all the points the administration had planned to receive American aid, except their preparations for self-help.

An informant said the group appointed last night will lay the groundwork for plans whereby European countries can loan one another credit balances and thereby encourage intercontinental and crosschannel trade.

Marie's Regime Meets Labor Challenge

Paris, Aug. 17 (AP)—Premier André Marie's new Government met its first open challenge from labor today.

About 1,500 aircraft workers marched on the offices of Finance Minister Paul Reynaud to protest the firing of 616 workers in the nationalized industry.

Non-Communist as well as Communist unions took part in the demonstration, which was dispersed by police with no incidents.

Christian Labor unions joined the Communists in signing a tract that asserted "the Government and Paul Reynaud give preference to American industry. That leads to the abandoning of our national independence."

French Tax-Control Plan Passes Assembly

Paris, Aug. 17 (AP)—Premier André Marie won the right to regulate French taxes without the consent of Parliament today when the Reynaud plan for economic recovery, passed the National Assembly for the second time.

The Council of the Republic had put the tax regulation article back in the bill after it had been eliminated by the Assembly a week ago. The Council is the second parliamentary chamber.

The plan for recovery, embodying tax controls proposed by Paul Reynaud, finance minister, carried on its second time before the Assembly by a vote of 358 to 202.

Earlier today Marie had staked the life of his Government on the outcome of the vote on the tax control article and won 359 to 208.

French Flowers On Way To GI's Grave In U.S.

Paris, Aug. 17 (AP)—A wreath of blue flowers destined for the grave of an American sergeant buried in Arlington Cemetery rested today under the dome of the Invalides near Napoleon's tomb.

The wreath will be placed August 23 on the grave of Sergt. Lawrence R. Kelly who was the first American soldier to reach the bridge separating Paris and St. Cloud. Kelly was wounded on the bridge and died later in the States. His home was Altoona, Pa.

More than 8,000 residents of St. Cloud formed an organization known as the Kelly Memorial Committee. A stadium was recently named Kelly Stadium.

Italy Reds Told To Be Faithful

Rome, Aug. 17 (AP)—Italian Communists were told today to toe the party line and be faithful to Moscow and Stalin.

A resolution in a party directive published in today's issue of the Communist party newspaper *l'Unita* also called for vigilance against "the dishonest, spies and provocateurs" trying to penetrate Communist ranks.

It demanded "elimination from our files of the unworthy who have been able to insinuate themselves into it."

Article Recalled

The language of the resolution, adopted recently, was reminiscent of an article contributed to *l'Unita* by Senator Pietro Secchia shortly after an attempt July 14 to assassinate Palmiro Togliatti, No. 1 Communist.

Secchia's call for a party purge, coupled with the odd wording of Togliatti's later announcement that he was retiring from party activity to convalesce, gave rise to rumors that the skids were greased for Togliatti.

Italy's Communists were warned in today's directive that they stand in peril of severe punishment if they act upon their own initiative "against the political line of the party."

"Single Discipline" Stressed

"Every Communist," it said, "must have a single discipline, that of his party, and he must not do anything that is not authorized and controlled by the responsible organs of the Italian Communist party.

Swedes and Russians Clash Over New 'Kosenkina Case'

STOCKHOLM, Aug. 17—(AP) A Swedish "Kosenkina case," involving a 19-year-old Russian girl, is developing in Stockholm. The story has caused a sensation in Sweden and was front paged by every newspaper.

A Swedish foreign office spokesman said today the Soviet Embassy in Stockholm has asked repeatedly that the girl be sent back to Russia. The foreign office declined all the Russians requests and told the embassy, "to leave the girl alone," the informant said.

The girl came to Sweden in 1944 and has been working as a maid here. In September, 1945 the girl applied for an alien's emergency passport. The Swedish Alien's Commission granted her request commission source said.

Girl Refuses to Leave

The foreign office spokesman said that several times during 1946 the Soviet Embassy asked the girl to go back to Russia and showed her letters from her father, a Soviet army officer, asking her to return. The girl recognized her father's handwriting but refused to leave.

The embassy also asked the Swedish foreign office to make the girl return, claiming she was "kept prisoner" in Sweden. Swedish authorities who had been "following the case closely" took no action, the spokesman said. He added:

"If she does not want to return we cannot force her to do so. We found that the girl is in good hands and has been so during her entire stay in Sweden."

Spurns Soviet Agents

The girl now is working with a Swedish family living just outside Stockholm. On Aug. 5 a Soviet attache appeared there and wanted to give her a letter from her father. The house is in a restricted zone where no foreigners are allowed unless they have special permission.

The girl refused to see the attache, identified as Vladimir Petropavlovsky, and he left without giving the letter to her employer. On Aug. 11 Petropavlovsky returned accompanied by Sergei Nikishin, second secretary at the embassy, and a Swedish policeman. The girl again refused to see the Russians but the policeman delivered the letter. The girl claimed the letter actually was written by Nikishin.

The foregn office probably will make new representations to the Soviet embassy to leave the girl alone, the spokesman said.

Russ Marriage Bans Hit By Chile

Geneva, Switzerland, Aug. 17 (AP). Chile urged the United Nations today to condemn all legal restrictions which prevent married couples from living together.

The resolution in the Economic and Social Council obviously was aimed at Russia, which has refused exit permits for Russian women married to foreigners.

The Chilean delegate, Herman Santa Cruz, offered an amendment to a resolution, approved earlier. He urged the council to condemn "such legislative or administrative provisions as restrict the freedom to choose a spouse as well as those which deny to certain contracting parties (in a marriage) the right to leave their country of origin and reside with their spouse in any other."

The original resolution had deplored "all legislative measures which forbid mixed marriages between persons differing as to color, race, nationality or religion."

Benelux Has Anthem

Luxembourg, Aug. 17 (AP)—If Benelux, the economic union between Belgium, the Netherlands and Luxembourg, is not yet a practical reality, Benelux has already a national anthem. The "Benelux-Lied" composed by Grand Duchy professor Gustav Simon, was played recently at an open air concert in the Grand Duchy's capital.

ARMY MANEUVERS IN BERLIN AREA EXCITE GERMANS

U. S. Infantry Engages in War Tactics at Night in Grunewald Forest

USE ARMORED CARS

Huge American Plane Carrying 25 Tons of Flour Lands in Berlin

SHANKE

BERLIN, (Wednesday), Aug. 18—(AP) U. S. army infantry engaged in maneuvers early today in the Grunewald forest of Soviet-blockaded Berlin.

The duty officer of the Third Battalion, 16th Infantry Regiment, said the maneuvers will continue throughout the hours of darkness. Four companies are taking part.

The forest runs through the American and British sectors of the city. The maneuvers stirred considerable excitement among the Germans. Several called the Associated Press bureau here to ask what helmeted troops and armored cars were doing in the forest.

French Join In Maneuvers

Earlier other American troops joined with French units in maneuvers along the Rhine river near Heidelberg. It was the first time since the end of the war that the two western allies had engaged in experimental war games. Although only 1,500 troops participated, U. S. and French officers termed the show "successful" and predicted other joint efforts in the future.

The U. S. Air force demonstrated to the Russians yesterday that it can expand the blockade-busting air lifeline to Berlin to far greater limits.

Huge Plane In Test Flight

C-74 Globemaster, loaded with 25 tons of flour, landed at the British Gatow airfield in a test flight. It was the biggest plane ever to land in Berlin and is capable of carrying almost four times the load of the C-54's now bearing the brunt of the supply operation.

Officials said they did not know whether the 12 Globemasters now in air force service would be brought here. The plane's commander, Capt. Brady Cole, of Cleveland, Miss., a veteran of the wartime "hump" operation over the Himalayas, said he believed the huge craft may be thrown into the airbridge "if the situation becomes critical enough."

It landed with ease at Gatow. Air Force officials said it also could be brought into Tempelhof, the American field, but conditions there are not ideal because Tempelhof is in the heart of Berlin and approaches are more difficult.

After the Globemaster returned to Frankfurt, air force officials announced the ship will fly to Berlin again tomorrow with "bulky pieces of engineering equipment." A spokesman said the machinery was of a type "used for construction purposes." It was thought the machinery, too bulky to be hauled by smaller planes, was intended for use in building the new airfield at Tegel in the French sector of Berlin.

American officers have said they were handicapped there by lack of bulldozers and other equipment. With the heavy equipment they could finish the field considerably ahead of the December deadline envisaged now by American engineers. Competion of the third field would enable an even earlier expansion of the airlift.

Clocklike Schedule

Both U. S. air force and R.A.F. planes landed in Berlin like clockwork yesterday. In a 24-hour stretch, 619 British and American planes brought in more than 4,100 tons of supplies.

After concentrating for almost 50 days on food and coal, the growing airlift brought in shoes and cigarets for the more than 2,000,000 blockaded Germans. Small amounts of raw materials also were being flown in to keep western Berlin's most essential industries operating on a minimum scale. Vital finished goods such as electrical equipment for the Ruhr mines was being flown out.

The Russians posted warnings at the Berlin air safety center that Soviet aircraft would be flying in the air corridors to the west, but no incidents were reported.

Reports were printed of industrial shutdowns in the Soviet zone because of a shortage of supplies from the Ruhr and other western zone industrial centers. The British-licensed newspaper Social Democrat said this was the result of the Anglo-American counter blockade to the Soviet blockade, shutting off coal and steel from Soviet zone plants.

On top of reports of widespread food shortages in the Russian zone, the Soviet-licensed news agency, ADN, revealed a serious lack of farm machinery in the rich agricultural provinces of Brandenburg and Mecklenburg. It said the "German economic commission" for the zone had ordered the provinces of Thuringia, Saxony and Saxony-Anhalt to turn over 275 tractors with at least one earth-working machine for each tractor.

"Economic saboteurs" in the Soviet zone continued to receive heavy punishment. The phrase is used in the communist press to denote hoarders of food and raw materials.

New Shortages Hamper Russ Zone Plants

KALISCHKE

Berlin, Aug. 17 (AP)—Increasing economic troubles were reported today in the Russian zone of Germany as a result of the Soviet blockade of Berlin.

Workers at the Krupp plant at Madgeburg were reported to have struck to protest a food shortage. Some strikers were arrested.

The British-licensed newspaper *Social Democrat* told of industrial and commercial shutdowns in the Russian zone because of lack of supplies which formerly were obtained from western Germany.

The supplies, chiefly coal and steel from the Ruhr, were shut off when the Western powers stopped trains from entering or leaving the Russian zone. This was a countermeasure to the Soviet land blockade of Berlin, started late in June.

Requisition Protested

The newspaper said the Magdeburg strike protested Russian requisitioning of occupation zone foods for Berlin.

The Russians have not denied persistent reports of food shortages in their part of Germany. Shortages were said to be aggravated by seizures of stocks to support the Russian promise to feed the entire city of Berlin, including the blockaded western areas.

The American zone of Germany had food trouble also. A crowd of 10,000 demonstrated at Hof, in Bavaria, against high food prices and shouted approval of a resolution calling for a buyers' strike.

The Russian news agency ADN said the Soviets are importing hard coal from Poland to keep factories and public utilities in their zone going. The Russians, however, were said to be paying dollars to Poland for the coal, whereas they had obtained the Ruhr coal for German marks in interzonal trade.

The same agency reported further punitive actions against "economic saboteurs." Jail terms were meted out to hoarders of food and industrial supplies.

American and British planes supplying the 2,050,000 Germans in western Berlin started freighting in shoes and cigarettes, as well as food and coal. The planes took in 9,790 pairs of shoes made in western Germany and 1,620,000 cigarettes from surplus United States Army stores.

The British-licensed *Telegraf* said the Russians have sealed off an area of the Soviet-British border near Salzwedel and erected rocket guns there.

The report may be based on Soviet Army summer maneuvers near the frontier. Hamburg yesterday quoted German border police in the British zone as saying these maneuvers were nearly over.

Policeman Kidnapped

The American-licensed Dena news agency said a former German policeman had been kidnapped by the Russians across the American-Soviet frontier.

The man was identified as Willie Koehler, who formerly lived in the Russian zone. He reputedly had moved to the American zone when he refused to take employment offered him by the Russians. The Dena report said he was lured across the border by a call to fetch a package and then "seized and dragged off into Russian captivity."

Rumors were revived that Marshal Vassily D. Sokolovsky, Russian commander in Germany, has been superseded.

Three Engineers Missing

The American-licensed newspaper *Tagesspiegel* charged that three German engineers had been kidnapped by the Russians. One of these, the newspaper said, lives in the American, one in the French and one in the Soviet section.

The newspaper described all three as employes of firms in the Russian sector and said the Russians had accused them of spying.

American authorities are investigating this report.

British authorities announced they have asked the Russians to return an RAF jet fighter which made a forced landing in the Soviet zone yesterday and have asked the release of the pilot. The announcement said the plane was only slightly damaged. The pilot, unhurt, was being held by the Russians.

New Elections Sought

The British said the forced landing occurred near Gadebusch, a small town about 12 miles northwest of Schwerin in Mecklenburg. This is about 6 miles inside the Soviet zone from the British zone frontier.

On the political front, Communist opposition to holding new Berlin citywide elections in October drew new protests from non-Communists. The Christian Democratic Union party in the Rusisan sector of the city said:

"Berlin must vote, because only elections can restore the unity of our divided city."

The Soviet-sponsored Socialist Unity party (SED) has declared unity must be restored before elections are held. The SED finished third in a field of four parties in the 1946 city elections, getting only 19 per cent of the vote.

Rokossovsky Looms

The Liberal Democratic newspaper *Montags Echo* said last night Sokolovsky eventually would be replaced by Marshal Konstantin Rokossovsky. It said the latter had been given the task of converting the Soviet-sponsored German Socialist Unity party (SED) from a mass party into a cadre group with the aim "of gaining power by legal or illegal means in Germany."

The paper said "Moscow is dissatisfied with the policies of Marshal Sokolovsky in Germany, but does not dare dismiss him during the current Berlin crisis for fear of giving the Western powers a chance of exploiting such action for propaganda purposes."

U.S. Plane Is Largest To Fly Berlin Blockade

Berlin, Aug. 17 (AP)—An American C-74 Globemaster, largest plane ever to land in Berlin, delivered 25 tons of flour today to the blockaded city.

The Globemaster can carry a load four times as heavy as the C-54 Skymasters regularly on the airlift. It landed at the British Gatow Airport because runways at the United States Tempelhof Airdrome were considered too small.

The run was a test. Officials said they did not know if or when the 175-foot wingspread planes would be put in regular service.

67-Minute Flight

The Globemaster is attached to the Atlantic division of the United State Military Airport Transport Service. It loaded at Frankfurt and flew to Berlin in 67 minutes.

Capt. Brady Cole, of Cleveland, Miss., who flew the Himalayan Hump from India to China during the war, commanded the transport. He said he believed the eleven Globemaster sister ships might be put into the service "if the situation becomes critical enough." He said the flight was without event and that he saw no Russian planes in the air corridor.

Others of the crew were Capt. Walter C. Huddleston, of Shreveport, La., and Lieut. James A. Carter, of Hooper, Wash., pilots; Lieut. Col. James R. Hahn, of Memphis, and Capt. Sydney Pullen, of Royal Oak, Mich., navigators; Sergeants Buford Wilhoit, of Bagdad, Ky., and William S. Gillian, of Louisville, engineers. Major Reade Tilley, of Clearwater, Fla., public-inforation officer for Europe, was a passenger.

VICTOR REUTHER AVOIDS RED AREA

Berlin, Aug. 17 (A. P.).—Victor Reuther, C. I. O. United Auto Workers official here on tour, said today that it is possible a Communist shot his brother Walter, the U. A. W. president, who several months ago was wounded while standing in the kitchen of his home in Detroit.

As a matter of fact," Victor said, "some of the U. A. W. boys at home warned me to keep far away from the Russian sector in Berlin. I am not going too near it." He had worked for nearly two years at an automobile factory in Gorki, Russia, he explained, "and they are quite familiar with our work at home against the Communists."

Victor Reuther is working education director of the big union his brother heads, and recently attended a trade union congress in London. Here in Berlin he conferred with German trade union leaders. He said: "We want to learn from free German trade unionists what we can do to help them. I am going home to recommend that we intensify our program sending CARE packages."

REDS SAY FARBEN BLAST CAUSED BY CHEMICALS

BERLIN, Aug. 17—(AP) A group of Russian reporters said tonight the Ludwigshafen blast July 27 was caused by the explosion of chemicals used for making V-2 bombs.

The French have denied several times that the I. G. Farben plant which blew up with a loss of more than 200 lives was producing war materials.

The Russian reporters' story was broadcast by the Soviet-controlled Berlin radio. They said that in their tour of the scene they were hindered from getting at the facts.

They added that 28 Frenchmen were killed in the blast, including a specialist in high explosives. Ludwigshafen is in the French occupation zone.

Russ Agree To Run Train

Berlin, Aug. 17 (AP)—British authorities at Hamburg today said Soviet officials have agreed to provide rail transportation tomorrow to Berlin for 600 former German prisoners of war, released from French and British camps. It will be the first officially organized West-East train journey to Berlin since the blockade started late in June. The Russians specified the Germans must board the train at Arenshausen, one mile inside the Russian zone.

Officer Drowned Seeking Duck

FRANKFORT ON THE MAIN, Germany, Aug. 17 (AP)—A duck caused the death of a United States Army lieutenant in Germany Sunday. The bird was shot by Lieut. Ernest G. Strom, Saginaw, Minn., and fell in a lake at Sandhof, in Bavaria. Lieutenant Strom took off his clothes and swam out to retrieve the duck. But he became entangled in heavy underwater weeds and was drowned, an Army announcement said.

U.S. Pilot Is Killed; 'Chute Failed To Open

Wiesbaden, Germany, Aug. 17 (AP)—An American Air Force fighter pilot was reported killed today when his parachute failed to open after he bailed out of an F-47 Thunderbolt about 30 miles northeast of Munich.

"No reports have been received as to the reason why the pilot bailed out of the plane," an Air Force announcement said. The plane had taken off from Neubiberg airbase on a routine-training mission.

GI's Body Recovered

Berlin, Aug. 17 (AP)—The body of Private Reuben L. Bates, of Russellville, Ark., who drowned last Wednesday while swimming in a small Berlin lake, was recovered today, the United States provost marshal's office announced. The body will be returned home after funeral services here.

Danube Bloc Backs Russia

Belgrade, Yugoslavia, Aug. 17 (AP)—The Russian-led Communist bloc tonight approved a Soviet plan for control of the Danube River. The Western powers were certain to reject it.

The eleven-nation conference, meeting as a drafting committee, finished the task of approving a pact which—as Russia put it—is designed to sign the "death warrant" for the 1921 Danube convention.

The conference will meet tomorrow and the United States, Britain and France plan then to say they will not sign the agreement and may take their case to the International Court at the Hague.

Obligations Outlawed

So certain was the Communist block of approval of their draft that the secretary general of the conference, within a few seconds of tonight's action announced copies of the convention in its official form would be distributed immediately.

The final controversy swirled around a Russian move to outlaw all obligations of the old Danube convention. A French attempt to modify this was defeated, as have been all other attempts at modification of the Russian proposals by the Western powers.

Outtalked and outvoted, the Western powers have concentrated for the past week on building a case to justify their refusal to sign a majority agreement drafted at a conference in which they have taken an active part.

No Compromise Accepted

Their refusal will be based in large measure upon Russian refusal to accept a single compromise in its plan to bar the Western nations from any voice in control of Europe's most important inland waterway. Andrei Y. Vishinsky, Russia's Deputy Foreign Minister, accused the Western powers of trying to "sabotage" the new pact.

Today's story was the same as it had been all through the conference. By a vote of 7 to 3, the conference turned down United States and French proposals to require ratification of the pact by eleven countries, including themselves, Britain and Austria.

Approval Of Six

Instead, it adopted a Soviet proposal calling for approval of only six countries before the treaty goes into effect. The action in fixing the figure at six produced some speculation over the possibility Russia was concerned over the chance of a Yugoslav defection.

Thus far, however, Vishinsky has been able to count on a sure seven votes in support of all his proposals—his own, the Ukraine, Czechoslovakia, Yugoslavia, Hungary, Romania and Bulgaria.

Russ Says West Tries To Upset Danube Pact

Belgrade, Yugoslavia, Aug. 17 (AP)—Russia accused the Western powers today of planning to sabotage the new pact on control of the Danube River.

The charge came from Soviet Deputy Foreign Minister Andrei Y. Vishinsky as the conference approached the end of its job of drafting a new Danubian convention to replace that of 1921.

The United States, Britain and France tried unsuccessfully to push through a final article requiring approval of the pact by eleven nations, including Austria and the Big Three powers, before it becomes effective.

Russian Proposal Adopted

The move was rejected by a vote of 7 to 3.

Instead, the conference adopted a Russian proposal requiring ratification by only six states.

Under the Russian plan, eastern Europe's Communist bloc will hold exclusive control over the Continent's most important inland waterway.

Vishinsky said that the Western powers' proposal for eleven-nation ratification was intended to make "the conference null and void."

New Danube Pact Approved by Reds

Belgrade, Aug. 17 (A. P.)—The East European Communist bloc today approved a Russian plan for tight Soviet control of the Danube. The pact faces certain rejection by the Western Powers. During final hours of argument over Western attempts to modify the pact, Russia accused the West of planning to sabotage the agreement.

Greek Army Sees Victory Soon

Athens, Aug. 17 (AP)—Government spokesman said today there is little doubt that the Grammos campaign against Communist rebels would end soon, and successfully for the Greek Army.

A general staff spokesman said the rebel line along the whole southwestern sector had crumbled, and War Minister George Stratos told the Cabinet last night that the guerrillas were abandoning war material and wounded in unorganized flight.

Spokesmen said the rebel perimeter in the north had been whittled down to 22 miles and Stratos said the army had captured the highest peak in the Grammos Mountains, once a major stronghold of the rebel chieftain, Markos Vafiades.

In Close Contact

Today's general staff communique, however, said only that National troops were in close contact with guerrillas at the summit of the 8,000-foot peak and a spokesman said the troops were 200 yards from the top. The communique said advances had been made all around the Grammos perimeter.

The rebels now have left about 12 miles of Albanian border to cross, but there are only three trails in the area still held by the guerrillas.

Non-Greek military sources emphasized that victory in the Grammos area would not end the Greek civil war. There are thousands of rebels scattered over Greece and they are engaged in sabotage and other forms of harassing activity.

Communications Strike

In Athens, post, telegraph and telephone employés defied the Government and went on strike to enforce demands for higher pay. The stoppage paralyzed communications within the country and also those between Greece and other countries.

Only service for diplomats, the military and the press continued to function. The clerical staffs of Greek courts also went on strike.

Panayotis Foustanos, district leader of an organization of militarist Monarchists, was wounded seriously last night by two attackers who fired five revolver shots at him. Police blamed Communists and said some arrests had been made.

GREECE CLAIMS GRAMMOS GAINS

Loss Of Mountains Would Be Hard Blow For Markos

Athens, Aug. 17 (AP)—The Greek Army announced new gains today in its tortuous advance into the rugged Grammos Mountains, last major stronghold of Communist leader Markos Vafiades.

Loss of this stronghold would be a hard blow for Vafiades, but non-Greek military sources emphasized it would not end the Greek civil war. Thousands of rebels still are scattered over the country, engaged in sabotage and other anti-Government activities.

The fate of the main peak of the Grammos Mountains remained obscure. George Stratos, War Minister, told the Cabinet last night it had been taken by Government forces, but a general staff spokesmen said today bitter fighting on the peak continued, with army units still 200 yards from the top.

Counterattack Repelled

Moving forward in the fog-shrouded Nestorion area, a communiqué said, the army captured the village of Glyconeri. Farther south they repelled a vigorous guerrilla counterattack and moved on to capture an important height.

As the whole southwestern sector of the front crumbled, army units overran Stavros, Petra Mouka and two important heights. Stavros once had been an important base for the guerrillas. From there the army drove northward, fighting on the Nieska heights.

Telegraph, Phone Workers Strike

The communiqué also reported the fall of Aetomolitsa, another former supply base for Markos, where the Government forces found a bakery and 2,500 pounds of bread.

In Athens, telegraph and telephone workers defied the Government and struck to enforce pay demands. Communications within Greece and between Greece and other countries were paralyzed, with the exception of service for diplomats, the military and the press.

The Government recently had mobilized these employés, making the strike a defiance of the army as well as the Government.

U.N. Observers Fired On From Yugoslavia

Athens, Aug. 17 (AP)—The United Nations Special Committee on the Balkans said tonight a group of its observers was fired on from Yugoslavia, July 28. No one was wounded.

The committee said the observers went to within 10 yards of the Yugoslav border to investigate a report that Greek guerrillas were crossing into Yugoslav territory.

The report said the observers were inside Greece when machine-gun fire came from a Yugoslav frontier post. The group withdrew under fire.

The committee said it has not yet decided what action to take.

WESTERN ENVOYS MAY HOLD SECOND TALK WITH STALIN

MOSCOW, Aug. 17—(AP) Western diplomats conferred again at the American Embassy today on the progress of their talks in the Kremlin on east-west differences.

Authoritative sources said events were moving toward a climax. There is good reason to believe it will not be long until the western envoys have a second meeting with Prime Minister Stalin.

1948

30.24- 19827

A reliable informant said no meeting with Molotov was expected tonight. The western diplomats met for three hours and 40 minutes with the Soviet foreign minister last night.

(In London a foreign office spokesman said he expects a further meeting of the western diplomats with Molotov. "I do not anticipate that the meeting of yesterday was the last," the spokesman said).

Official quarters maintained silence on the progress of the conversations between Molotov and U. S. Ambassador Walter Bedell Smith, French Ambassador Yves Chataigneau and British Representative Frank Roberts.

It appeared the four-power talks covered subjects as important as those dealt with by the council of foreign ministers.

One authoritative source described the talks as "a council of foreign ministers without staffs to handle the work."

Smith has held the leading role for the western diplomats. His colleagues and those who have watched him during the talks have described his contribution as "enormous."

All the western envoys have given over most of their days and nights to the talks since they began more than two weeks ago. They have met six times in the Kremlin since July 31. On one occasion—the second meeting Aug. 2—Stalin was present.

MOSCOW ENVOYS MEET

Moscow, Aug. 17 (A. P.).—The representatives of Britain, France and the United States conferred again today at the American Embassy.

A reliable informant said no meeting with Foreign Minister Molotov was expected tonight. Observers suggested that the length of last night's session indicates the conferees were getting down to concrete problems.

China Forbids 'Second Front' Strikes, Rallies

Anti-Communist Decree by Yuan Also Permits Search Without Warrant

NANKING, Wednesday, Aug. 18 (AP).—China's Executive Yuan, in a sweeping order against Communists' "second front" activities behind government lines, today banned labor strikes and student demonstrations for the Communists.

The order also permitted search without warrants.

The order, as reported through Central News Agency, provided:

1. Search of private residences may be made without a warrant when there is definite evidence the occupants are carrying out subversive activities.

2. Strikes or other labor actions detrimental to production are strictly forbidden, and violators are liable to punishment by special court.

3. Students are forbidden to strike, demonstrate, petition authorities or distribute propaganda for the Communists.

4. Responsible school authorities and public organizations must inform officials immediately of suversive activities by labor groups or students, or be liable themselves to punishment.

The announcement did not say whether the order was issued under President Chiang Kai-shek's emergency powers, but it appeared from the provisions of the order that some special authorization would have been needed.

Nanking Forces Report Comeback

Shanghai, Aug. 17 (AP)—A Government comeback drive on China's eastern seaboard was reported today to have eased Communist pressure on Suchow, the big base 180 airline miles northwest of Nanking.

Press dispatches said separate Government columns had recaptured the city of Shuyang, 90 miles southeast of Suchow, and Szeyang, Grand Canal town 40 miles south of Shuyang.

When the Communists seized Szeyang several months ago they halted traffic on the canal. This canal links the Yangtze River and the Shanghai area with the Lunghai railway supplying Suchow.

The Nanking *Evening News* said Shuyang fell when a column from the north joined with a second Government column pushing up from Szeyang. The newspaper said two columns of Communist troops under Gen. Chen Yi were routed.

It was Chen's troops who swept south out of Shantung province, cut the Lunghai railway and seized control of the Grand Canal.

Meanwhile, high-level conferences were believed imminent in the summer capital of Kuling to bring actively into the civil war some of China's best fighters—the Moslems of the northwest.

Gen. Chang Chi-chung, supreme commander in the northwest, was being flown to Nanking in President Chiang Kai-shek's own plane. The general's friends said he would go on to Kuling "for important conferences with the Generalissimo."

Chinese Take Two Towns In North

Shanghai, Aug. 17 (AP)—Government troops were reported today to have captured two cities in northern Kiangsu province in a renewed attempt to oust the Communists from that sector of North China.

Newspaper dispatches reported the recapture of Shuyang in a juncture of armies from the north and south, and of Szeyang, some 50 miles south of there. Red General Chen Yi's 2d and 12th Columns were reported routed.

[Vice President Li Tsung-jen, back in Nanking from a visit to North China, told reporters he felt that peace was impossible "because of the practical situations." Reports of possible peace negotiations he termed "only rumors."]

The Reds seized Szeyang and numerous other towns months ago when they swept southward out of Shantung province. They stopped traffic on the grand canal, important link between the Lunghai railway and the Yangtze River.

Communists were reported massing at Hoyang, about 80 miles northeast of the Shensi province capital of Sian, in preparation for a southward push.

Pro-Government reports said large numbers of Nationalist troops, most of them Cantonese, disembarked Sunday at the Manchurian port of Hulutao and moved to nearby Chinhsien. The Government has been reported planning to attack a Communist-held gap on the Peiping-Mukden Railroad between Chinhsien and Mukden.

Chiang Foe Believed in Europe

HONG KONG, Aug. 17 (AP).—A Chinese general who opposes Generalissimo Chiang Kai-shek was reported today in Europe en route to North China for conferences with the Communists.

He is Feng Yu-hsiang, called "Christian General" because he once baptized his troops with a hose. He was sent to the United States on a government mission, and his whereabouts have not been known since he announced in New York recently he was returning to China to help overthrow the

The report that Feng was in Europe came from sources close to Marshal Li Chi-shen, leader of the dissident Chinese movement in Hong Kong. Li, once Chiang's Chief of Staff, also has broken with Nanking. These sources said Feng would travel through Russia to North China.

The report tended to confirm Marshal Li's recent statement that preliminary conferences to set up a "coalition" regime would be held in North China this fall.

Japan Arrests Rail Strikers

TOKYO, Aug. 17 (AP).—Kyodo News Agency said today ninety-four striking railway workers have been arrested so far as the result of scattered walkouts in defiance of a government no-strike decree.

3 Insurgent Camps Burned

SINGAPORE, Aug. 17 (AP)—British forces burned down three insurgent camps today during scattered actions in which six persons were killed and a British officer and at least four other persons wounded.

Combined police and army forces struck at insurgent headquarters near Ipoh following an attack yesterday by the Royal Air Force. They killed one, wounded another and arrested the insurgent captain and four followers. The British killed another Chinese near by and found three Chinese insurgents wounded in the air attack.

Insurgents in Johore state shot dead a Chinese leader. The British officer was wounded in Perak state by a grenade that killed the man who threw it. The other casualties occurred in actions in three other states.

Netherlands Minister Arrives In Philippines

Manila, Aug. 17 (AP)—Asa J. D. Steenstra Toussaint, new Netherlands Minister to the Phillippines, presented his credentials to President Quirino today.

The envoy said the Netherlands and the Federal Government of Indonesia were convinced they would find Quirino "a good friend and neighbor with a deep understanding of the necessity for political evolution which would give 70,000,000 Indonesians their due place among nations."

Quirino replied: "I am happy to hear that the people of Indonesia are on the threshold of independence. We will be good neighbors."

Attacked Heavily By Jews, Arab Legion Says

Count Bernadotte asks United States for emergency food supplies to help 337,000 refugees from Palestine fighting. [Page 2.]

Amman, Trans-Jordan, Aug. 17 (AP)—Jewish forces heavily attacked Arab Legion positions at Deir abu Tor in southern Jerusalem today and were thrown back with "several hundred killed," an official statement said today.

The statement said the Jewish attack was supported "with tanks, armorode cars and automatic weapons." It added:

"The Jews began by shelling Arab positions, but the Legion did not answer until the Jews advanced into Arab lines. At that time the Legion fired and the battle raged. Afterward the Legion pursued the retreating Jews and killed several hundreds of them.

"The Legion captured several armored cars, a quantity of munitions and occupied positions from which the Jews had begun their attack."

House Seizure Reported

Amman official sources charged earlier that the Jews, with tanks and artillery, seized the Government House last night in a Red Cross security zone of Jerusalem.

The Trans-Jordan officials charged that the Jews last night disguised themselves in "United Nations uniforms" and attacked positions of Arab irregulars from the security zone.

For the past three days there has been heavy renewed fighting, signalling the possible failure of the second Palestine truce, now in its fourth week.

Cairo had an air-raid alert, but no anti-aircraft fire was heard, and the all-clear sounded soon after.

Artillery Duel Reported

[Jerusalem dispatches on the fighting in the Holy City said it began with a heavy, five-hour artillery duel which began at dawn. The Jerusalem dispatches said Arab fire battered Jewish positions along the entire corridor cutting Jewish-held modern Jerusalem off from the Arab-held old city. Jewish artillery and automatic-weapon fire also were reported.]

JEWS KILLED BY HUNDREDS, AMMAN SAYS

Tank And Armored Car Support Cited By Trans-Jordan

Amman, Trans-Jordan, Aug. 17 (AP)—An official Trans-Jordan statement tonight said the Arab Legion had thrown back a heavy Jewish attack on Legion positions in southern Jerusalem and killed "several hundred" Jews.

The statement said the Jewish attack on the Deir Abu Tor sector, a key Legion position, was "supported with tanks, armored cars and automatic weapons."

The Jews began by shelling Arab positions, the Trans-Jordan statement said, but the Legion did not answer until the Jews advanced into the Arab lines.

Armored Cars Captured

Then the Legion opened fire and as the battle raged, pursued the retreating Jews and killed several hundred, the statement added. The report said the Legion captured several armored cars, a quantity of munitions and occupied the position from which the Jews began the attack.

[A Jerusalem dispatch reported that a large-scale artillery duel between Jews and Arabs raged for five hours. Some shelling of civilian areas was reported and Arab shellfire battered Jewish positions along the entire corridor which bisects the holy city from north to south. The Israeli army made no statement as to the Jewish return of fire but Jewish artillery was audible throughout the battle, the dispatch said.]

Refugee Security Zone

The fighting in the Deir Abu Tor sector followed a night in which Trans-Jordan officials claimed the Jews had seized Government House in Jerusalem, violating the Inter-

national Red Cross flag which marked it as a refugee security zone. It was charged here the Jews had worn "United Nations" uniforms in the surprise attack on Arab irregulars' posts near by.

[United Nations military observers wear the uniforms of their own countries.]

Covers Highway

Later the Trans-Jordan Government announced the Government House had been repossessed by the International Red Cross and that all the Jews had withdrawn. The Legion requested the Red Cross to take measures to prevent any future attempt by the Jews to reoccupy the building.

The Deir Abu Tor sector is a former picturesque Arab suburb on the south side of the holy city. It has been the key point of Arab Legion defenses covering the Jerusalem highway.

Ancient Palestine Mosaic Found

Soldier Digging Ditch Uncovers Pavement Which May Supply Nation's Missing History.

Jerusalem, Aug. 17 (A. P.).—An Israeli soldier digging a slit trench at Salbit near Latrun has unearthed Mosaic pavement which may supply missing Palestine history of the two centuries after the birth of Christ.

Israeli archaeologists said today the find appeared to be part of a Samaritan temple and a remnant of greater days of an Israeli sect still existing in the Arab city of Nablus.

The experts said if this proves true the pavement may prove to be part of the oldest known Israeli temple. The most ancient Israeli temple now known is a sixth century structure in the Emek Valley south of Galilee.

The find was made under gunfire. Israeli archaeologists, working in combat teams with advance troops, started a careful study while Arab-Israeli war was on.

Thus far, the only traces found on the pavement have been inscriptions in the Samaritan language, an archaic form of Hebrew. The experts hope translations will help solve the blank period of Palestine history.

Israel High Court Rules Bergson Arrest Is Legal

TEL AVIV, Aug. 17 (AP).—Israel's High Court of Justice ruled today that the arrest of Peter Bergson, chairman of the Hebrew Committee of National Liberation, was unlawful. The court ruled similarly on the arrest of Yaakob Meridor, second in command of Irgun Zvai Leumi.

Both men were arrested June 22 after the Irgun tried to run an arms ship, the Oltalena, into Israel in violation of the First United Nations truce, only to have it blasted by the Israeli Army.

One of the three judges on the court dissented from the ruling, which held the arrests were lawful because they were made on the strength of British emergency regulations incorporated provisionally in the law of Israel.

Bergson has been charged with armed resistance to the Israeli Army and incitement to desertion. Irgun members arrested after the Altalena incident are threatening to start a hunger strike tomorrow, and their friends are planning a country-wide campaign to abolish the emergency regulations and win their release.

Upholds Gun-runner Arrests.

Tel Aviv, Aug. 17 (A. P.).—Israel's High Court of Justice ruled today that the arrest of Peter Bergson, co-president of the American League for Free Palestine, was lawful. The court said the same ruling applied to the arrest of Yaakob Meridor, second in command of Irgun Zvai Leumi. Both were arrested on June 22 after Irgun tried to run an arms ship, the Altalena, into Israel only to have it blasted by the Israeli Army.

Red Envoy Presents Papers to Israeli

Tel Aviv, Aug. 17 (A. P.).—Soviet Ambassador Pavel Ivenovitsch Yeshov presented his credentials to Premier David Ben-Gurion today. He is the first foreign envoy accredited to the Israeli government.

Fierce Morning Battle.

Jerusalem, Aug. 17 (A. P.).—Israelis and Arabs fought a big artillery duel for five hours today. The battle began at dawn. Arab fire battered Israeli positions along the entire corridor which cuts the Holy City from north to south.

The Israeli Army made no report on the Israelis' return fire, but Israeli artillery was audible throughout the engagement. Automatic weapons fire crackled from both sides.

Meanwhile Israel's attorney-general tried in magistrate's court today to pin the Ben Yehuda street bombings on one of two Britons on trial on sabotage and spy charges.

Frederick Sylvester and William Hawkins, utility employees, are accused of espionage and conspiracy. Sylvester also is charged with artillery spotting, illegal radio transmitting and complicity in the bombing of the downtown Jerusalem street on last February 22, in which about fifty persons died.

Cairo Has Air Raid Scare.

Cairo, Aug. 17 (A. P.).—Air raid sirens sounded in Cairo today. No anti-aircraft guns were heard. The all-clear sounded a short time later.

Arab League Estimates Refugees At 565,000

Cairo, Aug. 17 (AP)—The Arab League estimated officially tonight that there are 565,000 Arab refugees from the Palestine war.

These refugees, driven from their homes by the fighting, now are distributed as follows, the league said:

In Egypt and Palestine territory occupied by the Egyptian army—160,000.

Lebanon—65,000.

Syria—70,000.

Trans-Jordan and Palestine territory occupied by Trans-Jordan's Arab Legion—170,000.

Iraq and Palestine territory occupied by the Iraqi army..100,000.

The Arab league's estimate exceeded by more than 150,000 figures announced by various United Nations representatives.

Iran Premier Is Mauled

Tehran, Iran, Aug. 17 (AP)—Opposition deputies attempted unsuccessfully today to drag Premier Abdul Hussein Hazhir from the speaker's box in the Majlis (Parliament).

Gholam Hussein Rahimian, Leftist deputy from Neyshapur in Khorasan province, rushed up and seized the Premier while the latter was defending a Government bill granting amnesty to all persons, military or civilian, convicted by military tribunals in Azerbaijan province.

Amnesty Bill Passes

Rahimian was pulled away from the Premier by Marshal Amir Ahmedi, Minister of War, and other ministers and deputies. The session broke up in confusion.

When it resumed, Hazhir promised a complete review of military laws, giving the Majlis an opportunity to revise them. The deputies then passed the amnesty bill without amendment.

Azerbaijan, province in northern Iran, bordering on the U.S.S.R., was the scene of a revolt by a pro-Soviet regime. The rising was quelled by the Central Government in December, 1946.

IRAN PASSES AMNESTY LAW

Deputy Assaults Premier In Session On Azerbaijan

Tehran, Iran, Aug. 17 (AP)—The Iranian Parliament approved today an amnesty measure for Azerbaijan province at a stormy session marked by an attempt to drag Premier Abdul Hussein Hazhir from the speaker's box.

Political informants said the bill throws open the prison doors for thousands of persons accused or convicted by military tribunals of collaboration with rebels in Azerbaijan province, which borders on the Soviet Union.

A separatist movement flourished in Azerbaijan in 1946 when it was occupied by Russian troops. The Iranian Government early this year charged that Russia was giving refuge to rebels from Azerbaijan.

Session Interrupted

Premier Hazhir was defending the Government's stand in opposing revisions of the bill when Gholam Hussein Rahimian, Leftist deputy from Neyshapur, Khorasan province, rushed forward and seized him.

Marshal Amir Ahmedi, Minister of War, and other ministers and deputies pulled Rahimian away.

Resultant confusion interrupted the session. When it was resumed Hazhir promised complete review of military laws with an opportunity for the Parliament to revise them.

The lawmakers went ahead and passed the amnesty measure.

Hazhir became Premier last June 14, succeeding Ibrahim Hakimi. Hazhir was Finance Minister in the Cabinet of Ahmed Qavam, who was Hakimi's predecessor.

DUTCH CURB INDONESIANS

Bar Outdoor Celebrations After Policeman Is Killed

BATAVIA, Java, Aug. 17 (AP)—The Netherlands Indies Government banned indoor meetings and celebrations of the Indonesian Republic's third anniversary of independence today.

A Dutch policeman was killed and five Indonesian youths were wounded, one of them fatally, at a shooting scrape during an independence eve meeting last night.

Dutch authorities said the meeting, held at the house where President Soekarno first proclaimed Indonesian independence, was unauthorized and sent police to break it up.

Bandits Loot Homes In Town Near Rangoon

Rangoon, Burma, Aug. 17 (AP)—Nearly 200 bandits surrounded Kamayut suburb, 5 miles north of Rangoon, and looted houses for three hours early today.

An Indian merchant, T. S. Nanjee, said he had lost thousands of rupees in cash and jewels after his guards had been overpowered.

The Government imposed a dusk-dawn curfew along the river at Rangoon and at Insein, 10 miles north, as a precaution against insurgents entering Rangoon.

Plans were made to ship food by air to hinterland places cut off by insurgent action. Arrangements also were made to supply Rangoon with food.

10,000 Arrested In India

New Delhi, Aug. 17 (AP)—The Government said tonight nearly 10,000 persons had been arrested throughout India since the assassination January 30 of Mohandas K. Gandhi, but all except 521 had been released by mid-July.

Brazil Frees Convicted Spy

RIO DE JANEIRO, Aug. 17 (AP).—Count Edmondo di Robilant was released from prison today after serving six years of a fourteen-year spy sentence assessed in 1942. A former Italian air-line official, he has contended he never committed an act of espionage. His American wife, the former Mrs. Helen Westervelt Wilson, of Salt Lake City, met him as he emerged from prison.

Hiss Knew Accuser By Another Name, Spy Prober Reveals

TWO MEN BROUGHT FACE TO FACE BY COMMITTEE GROUP

Hiss Identifies Chambers as Man He Knew as 'George Crosley'

AGAIN DENIES CHARGES

House Probers Promise New Spy Disclosures; Thomas Hits Truman's Stand

WASHINGTON, Aug. 17 — (AP) Rep. Nixon (R-Calif) said tonight that Alger Hiss has identified Whittaker Chambers, his accuser in the Congressional spy hearings, as a man he had known under a different name.

Nixon gave this information to a reporter by telephone from New York, where three members of the House Un-American Activities Committee said they had brought Hiss and Chambers face to face for the first time for purposes of identification.

Nixon said Hiss testified that he had known Chambers, who has accused Hiss of being part of a prewar Communist underground in Washington, as a man named George Crosley.

Chambers testified here under oath that he used to be Communist from 1924 to 1937, serving as a courier for the underground in Washington.

Hiss Named by Chambers

He named Hiss as one of the members of that underground.

Also testifying here under oath, Hiss gave a directly contradictory statement. A former state department official who now heads the Carnegie Foundation for International Peace, Hiss said he had not known any man named Whittaker Chambers and denied he was or is a Communist.

"The impression given to the public," Nixon said, "was that he (Hiss) had never known this man at all. This identification today is a direct contrast with that impression."

Nixon said Hiss told the committee members today he had known Chambers under the name of Crosley during the period that Chambers claims to have known Hiss. Nixon said that Chambers maintained, however, that Hiss knew him under the Communist party name of Carl.

Chambers, Nixon said, could not recall having used the name of George Crosley.

The two men, Nixon said, were brought together at the Commodore Hotel today. The entire purpose, he said, was to make sure there was no case of "mistaken identity" in advance of appearance in public hearings by Chambers and Hiss together.

In New York Nixon said later that Hiss had denied again all the accusations Chambers previously had made against him in the committee hearings.

"But we found out whether they knew each other during the time Chambers referred to," Nixon said.

"That was the big thing," he added.

Nixon said he had no comment on whether Hiss said he knew Chambers as a communist, or whether Hiss told the committee members any details of his relationship with "Crosley."

"It would be better to go to Mr. Hiss about that," Nixon said.

The two have been subpoenaed for public hearings already scheduled to be held here August 25.

"Both will be present," Nixon said, "and the committee will question them in regard to their relationship."

Committee members with him in New York, Nixon said, were Chairman J. Parnell Thomas (R-NJ) and Rep. McDowell (R-Pa). In addition, he said, the committee took along five of its investigative staff headed by chief investigator Robert E. Stripling.

Nixon began his report on the New York meeting with these words:

"This is probably one of the big stories of sometime."

The Hiss-Chambers contradictions in testimony have formed one of the most puzzling phases for the committee in its investigation of stories that red espionage networks operated in Washington before and during the war.

Chambers, a star witness for the committee, had told of knowing and talking with Hiss—even asking him to break with the communist party. Hiss had given insistent testimony that he never had been a communist, had never been in a communist front organization and had no friends he knows of who were communists.

New Disclosures Promised

In Washington, the committee promised new spy disclosures even as a hot dispute exploded within the committee itself.

Chairman Thomas issued a cryptic statement to reporters promising "full focus" soon on yet another spy investigation. This one, he said, involved government employes, and the ring obtained "vital information." He withheld further details.

In another development in the complex, multiple investigation of alleged spy rings operating within the government, Attorney General Clark denied tonight that the Justice Department ever gave an advance okay to open hearings by a senate committee.

Clark wrote Senator Ferguson (R-Mich), subcommittee chairman, that any such statement is "incorrect."

Clark made public a letter from Ferguson asserting that the question of open hearings had been cleared with Clark's office early in June. He likewise made public his reply saying the first the justice department ever heard of the proposed hearing was on July 28.

The attorney general said his assistants had told him that "at no time did they advise your counsel or anyone on the committee that hearings by the committee would not embarrass our investigation or interfere with or impair our work on the case."

"It is difficult to say how much damage to efforts to arrive at a sound basis for prosecution in the espionage case has been done by the open hearings," Clark wrote.

Secret Probes Held

Both Ferguson's group and the House Un-American Activities Committee have recessed open hearings while continuing secret investigations.

Thomas, head of the House group, said President Truman has tried to conceal from the public information on communist espionage. He said the locked files of the executive branch of the government contain "the complete story and full facts of this sordid chapter in our history."

The chairman was mum, however, about the internal trouble of his own committee which suddenly boiled up today over an angry member's contention that someone within the committee or its staff had "violated an oath" not to talk about a closed meeting yesterday.

Many details leaked out and the aroused congressman, withholding his name, asserted he will demand that the committee investigate the source.

Hearing into stories of Soviet spies operating in wartime Washington were recessed until Sept. 7 after two weeks of gruelling sessions. Committee investigators set out to tie up the loose ends left from the testimony of 18 volunteer and unwilling witnesses.

Thomas said the death of one volunteer witness, Harry Dexter White would make no change in the committee's investigation. White, former assistant Secretary of the Treasury, died of a heart attack at his summer home in New Hampshire yesterday.

White had denied testimony that he had been of aid to a Communist Washington network. He swore he had never been a Communist and had never done a disloyal thing.

Hearings Resume Sept. 7

Thomas said the committee will return to the present case on Sept. 7 for more public hearings.

Then, he said, it will "bring into full focus the operations of still another espionage ring which secured some of our most vital information."

Information uncovered by the committee so far has been "shocking to the American people," Thomas said in a statement read to reporters.

"So shocking, in fact," he added, "that they (the American people) are entitled to the full facts concerning the activities of Communist agents who have been funneling vital and secret information of our government to Moscow x x x.

"Why the people have not been informed of these espionage activities can be answered only by President Truman, for I happen to know that there is locked in the files of the executive branch of the government the complete story and full facts of this sordid chapter in our history.

"Why the President has seen fit to attempt to conceal this information from the public can only be answered by himself."

Both Thomas and Chairman Ferguson (R-Mich) of a Senate Investigating committee have run up against a Presidential order holding inviolate loyalty data on government personnel. Mr. Truman took the view that information sources should be protected, and premature disclosure of files might be unfair to someone being investigated.

Ferguson got a turndown Sunday in a request for a skeletonized report on an accused committee witness to see whether FBI warnings had been ignored when the witness was given a top secret job. Attorney General Clark said the testimony involved espionage and the government can't disclose how it handles such cases. Ferguson denied that national security is involved in what he is after.

Thomas said:

"This question of Communism and all of its ramifications against the government and the people of the U. S. cannot be dismissed by 'red herring' charges, even if they come from the President of the United States."

President Truman has twice called the present espionage hearings "red herrings" designed to hide the failure of Congress to act on his recommendations. He said they had brought out no information that hadn't long since gone to a grand jury.

Thomas Charges Truman Tr... To Hide Facts of Red Spying

Asserts Committee Has Reports of Still Another Espionage Ring—Ferguson Avers Suspects Stay On in U. S. Jobs.

Washington, Aug. 17 (A. P.).—Representative J. Parnell Thomas (R.-N. J.) today accused President Truman of trying to "conceal" from the people the facts on Communist spying.

In a statement, Thomas also said the House Committee on Un-American Activities has reports of "still another espionage ring" not yet mentioned in Capitol Hill hearings.

The Thomas attack came a few hours after Senator Ferguson (R.-Mich.) struck out at the Government's loyalty program. He declared that several persons suspecetd of spy activities have stayed in sensitive Federal jobs through influence or neglect. Ferguson heads a Senate committee that has been investigating the Government's loyalty program.

[From other sources it was learned that the House Committee has ordered investigators to New York to question Mrs. Alger Hiss, wife of the former high State Department officer, accused of working in a Communist spy cell.

[Other investigators will confront persons named by Whittaker Chambers, a senior editor of Time magazine. Chambers, a one-time Communist, has indicated that these persons can shed some light on Hiss's activities.]

Committee Seethes Over 'Leak.'

As committee chairman, Thomas got out his statement while the committee itself was reported seething with a behind-the-scenes row over a "leak" of information on a closed session. One member said some one—a committee member of staff aid—had "violated an oath."

Thomas's statement said the committee already has made "shocking disclosures" about "the activities of Communist agents who have been funneling vital and secret information of our Government to Moscow for the benefit and advantage of a foreign power."

He added: "Why the people have not been informed of these espionage activities can be answered only by President Truman, for I happen to know that there is locked in the files of the executive branch of the Government, the complete story and full facts of this sordid chapter in our history.

"Why the President has seen fit to attempt to conceal this information from the public can only be answered by himself."

Tells of Still Another Ring.

President Truman twice has said the committee's spy hearings are a "red herring" intended to hide congressional failure to act on his anti-inflation program. But Thomas said the question of Communism can't be dismissed by red herring charges, "even if they come from the President of the United States."

Thomas said the committee expects to "bring into full focus" the operations of "still another espionage ring" when it resumes hearings September 7. He would not go into details, but there are reports that it will deal with alleged efforts by foreign Powers to get American industrial secrets.

Thomas did say "the facts should have been before the public many months ago, and the conspirators behind the bars."

The row in the committee was over the "leak" of information that Hiss was asked in a closed session yesterday whether he would be willing to take a lie detector test. Hiss reportedly said he would let the committee know later.

Asked whether Hiss has replied yet to the committee request that he take a lie detector test, Thomas told reporters:

"I can say absolutely nothing about Mr. Hiss."

Thomas Becomes Silent.

Thomas refused to discuss anything that happened at yesterday's supposedly secret session. But he said he did know that he didn't give out any information about the meeting. Representative McDowell (R.-Pa.) said he didn't either.

Thomas said the committee's investigation "will not be changed in the slightest" by the death of Harry Dexter White, former Assistant Secretary of the Treasury. White was a witness last week. He died of a heart attack in New Hampshire yesterday.

About the "leak": it seems a solemn promise was exacted from every one present not to talk about yesterday's session. Yet morning newspapers published many details of what went on.

The committee has recessed its general investigation of alleged Communist spying for three weeks, but plans a meeting next week to bring Hiss and Whittaker Chambers face to face.

Ferguson Letter to Clark.

Senator Ferguson's contention that a number of spy suspects have been allowed to remain in Government jobs was contained in a letter to Attorney-General Clark. The Senator asked that Clark sit down with him in an effort to work out some agreement whereby the committee could get the personnel records and other data it seeks for its hearings. These have been in recess for more than a week.

Clark refused again, in a letter made public Sunday, to provide the committee with information about the case of William W. Remington, suspended Department of Commerce official named by Miss Bentley as one of her sources of wartime secrets. Remington denied her accusation.

Ferguson, in a reply to Clark, rejected the Attorney General's contention that national security was involved.

"The claim that a disclosure of the information sought by this committee would give aid or comfort to a possible enemy should not be utilized as a cloak of secrecy to keep from our own people the failures of their Government," Ferguson wrote.

"As Remington himself has testified he thinks it is 'fantastic' that he should have held the positions he held while the Federal Bureau of Investigation was investigating allegations of espionage made against him.

"The request of the committee is aimed at finding out how this happened; whether our loyalty program or the people administering it are at fault."

Ferguson slapped back too at Clark for the Attorney General's statement that the public hearings may have done damage to the Justice Department's efforts to crack down in the courts on Communist activities. Ferguson said the committee purposely held off while a New York Grand Jury was considering the case, and then went ahead only after committee counsel William P. Rogers had consulted Clark's aids "and was assured that nothing we proposed to do would interfere with or impair your work."

CLARK SAYS HE NEVER O.K.'D SPY HEARINGS

Attorney General Makes Public New Letter To Ferguson

Washington, Aug. 17 (AP)—Tom Clark, Attorney General, said tonight the Justice Department never had given its approval to public hearings by a Senate committee on alleged espionage activities among Government employes.

The Attorney General made his statement in a continuation of a letter exchange with Senator Ferguson (R., Mich.), chairman of the subcommittee on expenditures in the Executive Department, which recently aired stories that Government wartime secrets found their way to Soviet agents.

Clark recently suggested to Ferguson that such open testimony possibly had damaged Justice Department efforts to prosecute.

Ferguson Speech Quoted

Ferguson said in a public speech in Michigan yesterday that his committee had taken up the question of open hearings with Clark's office early in June and "received word that it would not in any way interfere with their work."

A letter from Ferguson to Clark making the same assertion was delivered to the Attorney General today.

In his reply, which Clark made public, the Attorney General said:

"Before receiving your letter, I read in the press this morning a statement from you that you had cleared with my assistants as early as June 9, 1948, the public hearings that you have held with reference to espionage charges. This is incorrect."

Ferguson Gives Stand

Ferguson, reached at Manistique, Mich., where he was making a speech, said tonight:

"We have no evidence whatever to indicate that what has been done in the William W. Remington case by the Senate investigating committee has in any way interfered with any criminal prosecution.

"I think Mr. Clark owes it to the people of the United States that if he has a case, the grand jury should issue the indictment and he should proceed with his trial.

"It seems very strange now that Mr. Clark is talking about an espionage case when the President claims that all that these people had done did not amount to anything and was but a red herring.

"We first took up Remington's case with Clark's office as early as June and . . . (our) counsel received assurances that nothing in the Remington case would in any way harm any grand jury proceedings or any prosecution. That was the regular way to take matters up as we had taken them up before," Ferguson concluded.

Cites Prosecution "Damage"

Clark in his letter to Ferguson today wrote:

"It is difficult to say how much damage to efforts to arrive at a sound basis for prosecution in the espionage case has been done by the open hearings."

Ferguson's version was that William P. Rogers, chief counsel for the committee, had consulted with Clark's assistants and "advised them of our purpose and the procedure planned to be followed, the witnesses who were to be called and the questions they would be asked."

"Rogers asked if this would in any way embarrass your investigation and was assured that nothing we proposed to do would interfere with or impair your work," Ferguson said in his latest letter.

Clark retorted that "the first this department ever heard of any contemplated hearing by your committee" was on July 28. He said Rogers talked with Peyton Ford, assistant to the Attorney General, on that day and said the committee was considering questioning Elizabeth T. Bentley, the chief witness in the espionage hearings.

Directed To Advise Probers

"Mr. Ford later learned that the committee had already been questioning Miss Bentley in secret for several days," Clark told Ferguson.

"The next day I directed Mr. T. Vincent Quinn, the Assistant Attorney General who was in charge of the espionage case (before the Federal grand jury in New York), to advise both the Senate and House committees of our investigation, the activity of the grand jury, the fact that Miss Bentley, Mr. Remington (suspended Commerce Department official) and others had testified before it, and our continued effort to arrive at a sound basis for prosecution of the case.

"Mr. Quinn reported to me that the counsel for the committee stated that only executive hearings of your committee were being considered, and that the testimony therein would be limited to that concerning Mr. Remington.

"However, on the very next day, at 11 A.M., you announced that Miss Bentley would testify at a public hearing at 2 P.M. that day.

"Messrs. Ford and Quinn both state that at no time did they advise your counsel or anyone on the committee that hearings by the committee would not embarrass our investigation or interfere with or impair our work on the case."

BERNADOTTE ASKS FOOD FOR JEWISH, ARAB REFUGEES

WASHINGTON, Aug. 17 — (AP) Count Folke Bernadotte appealed to the United States today to rush emergency food for an estimated 330,000 Arabs and 7,000 Jews, disease-ridden and driven from their homes by the fighting in Palestine.

The United Nations mediator said the refugees face a great "sudden, human disaster, comparable to an earthquake or tidal wave."

He told Secretary of State Marshall that hopes of peace in the Holy Land hinge on quick dealing with the problem.

The State department made public the appeal and said it is being given "urgent consideration."

Disease Spreads

The refugees are scattered over Arab-held parts of Palestine and in four neighboring countries. The Swedish count said they are being swept by epidemic diseases and that with winter approaching "many must die."

Bernadotte advised the United Nations yesterday he was appealing to UN member countries for help. Britain announced last week it has donated about $400,000 worth of tents and medical supplies for Arab refugees. American and other private agencies have sent some shipments.

From the United States Bernadotte asked 2,500 tons of wheat along with 220,00 tons of other supplies. The International Children's Emergency Fund was asked at the same time to make special supplementary provision for infants, children, pregnant women and nursing mothers.

Stresses Quick Action

Stressing the need for quick action, Bernadotte asked Marshall to arrange to divert 10 per cent of the American supplies from shipments already at sea or from stores in Europe or elsewhere. He said the rest should come along within three months at the latest and be delivered to Beirut, Lebanon or Aqaba, Transjordan.

In addition to the wheat, the mediator asked for 100 tons of canned meat, 50 tons of cheese, 50 tons of butter and 20 tons of DDT insecticide. The DDT, he urged, should be sent immediately to help cope with disease.

The largest groups of the Arab refugees are in Syria, Trans-Jordan and in Arab-held Palestine. There are an estimated 80,000 in each. In addition, Lebanon has about 50,000, Israel 30,000 and Egypt 10,000, Red Cross reports indicate. Bernadotte said 30 per cent are children under 5 years of age.

U. S. Adds $1,500,000 To Loan for Egyptians

WASHINGTON, Aug. 17 (AP).—The Export-Import Bank has increased by $1,500,000 a loan of $5,600,000 granted to an Egyptian corporation for construction of a fertilizer plant near Suez.

A bank official said today the increase was authorized after the Egyptians told the board of directors more money is needed to purchase a greater amount of American machinery and equipment than originally planned.

A representative of the Egyptian Embassy emphasized the transaction is "strictly a loan to a private corporation and not in any way to the Egyptian government." He stressed this in the light of the disclosure that the Saudi-Arabian government, a sister Arab nation, has refused to accept a $15,000,000 American credit because of its belief the United States is favoring the Jews over the Arabs in Palestine.

ARMS SOLD TO CHINA

WASHINGTON, Aug. 17—(AP)—A new $374,351 sale of American surplus arms to China was disclosed today by the State Department.

Cartridges, shells, mines and grenades were included in the transfer of munitions which cost originally $6,902,130.

The sale, made June 11, was listed in a routine report of surplus combat materials sold to foreign governments during the four months ending with July. It is a part of the continuing U. S. effort to support China's nationalist government against its communist foes.

In addition to the sales of arms at about five cents on the dolar of original cost, the State department disclosed also that a $630,043 transfer of "miscellaneous spare parts" was made May 11. This was reported in an earlier list as $830,096.

China recived a $125,000,000 grant for arms purchased in this year's foreign aid legislation.

Radio Plea Made By Miss Bentley

Washington, Aug. 17 (AP)—Elizabeth Bentley, avowed former Communist spy, tonight appealed by radio and television to American Communists to come forward and tell what they know.

Her address was beamed by CBS over both its television and AM radio networks.

"If you were taken in as I was, now's the time to come forward and do something about it," Miss Bentley said. She has been telling her story of wartime espionage activities in congressional investigations.

"It isn't enough to just quit being a Communist, as I know hundreds have. Come forward now, and tell what you know, while there's still time to undo the damage we have so foolishly done," she said tonight.

"America isn't perfect, but our democracy is far superior to any other form of government. At least we have a legal way to change things here in the privacy of our voting booths.

"So don't let any single 'ism' take that right away from you.

"And I'd like to say that I know many other people were fooled as I was by the false promises of a heaven on earth under communism. But it isn't there."

Planes Serving Tokyo Taken For Airlift Use

Washington, Aug. 17 (AP)—The Military Air Transport Service is curtailing its service to Tokyo and the Pacific area so more of its C-54 four-engined transports can be used on the Berlin supply route, the Air Force said today.

Connections with Gen. Douglas MacArthur's headquarters in Tokyo and with Manila, Guam and other Pacific points will be maintained on a reduced weekly schedule.

Some C-54's still will be used, but a number are being replaced by two-engined C-47 planes. As the latter carry only between three or four tons, the amount of military mail, supplies and passengers will be reduced.

B-29s Going to Okinawa

SPOKANE, Aug. 17 (AP).—A group of B-29 bombers from the 92d Bomb Group will leave Friday for Okinawa to spend three months in over-water operational training missions, Spokane Air Force base officers said today. Colonel James E. Briggs, commanding officer of the base, left last night in a B-29 for Kadena, Okinaway, to set up headquarters.

U.S. Called Europe Hope For Freedom From Reds

SCRANTON, Pa., Aug. 17 (AP).—Dr. V. S. Krajcovic, of Czechoslovakia, who represented the Slovak people at the recent Hague conference in Holland, said today that the people in Europe are looking to America for liberation from Communism.

Speaking in the Slovak language to 200 delegates to the convention of the first Slovak Wreath of the Free Eagle, Dr. Krajcovic said he was informed by refugees who escaped recently from Slovakia to the American zone in Europe that there is a great interest there in the coming United States Presidential election.

"There is more interest there than there is among some citizens of the United States," he said. He described conditions in Czechoslovakia as "unbearable."

FORRESTAL RUSHES TO CAPITAL FOR WHITE HOUSE TALK

Gets Unexpected and Urgent Call While Attending Ogdensburg Fete.

Ogdensburg, N. Y., Aug. 17 (A. P.).—Secretary of Defense Forrestal was called back to Washington today for an "important conference at the White House."

He was scheduled to speak at ceremonies commemorating the 1940 joint defense agreement by Prime Minister Mackenzie King of Canada and President Roosevelt.

It was announced from the platform, however, that he had received "an unexpected and urgent call back to Washington." The conference was said to be scheduled for late afternoon.

Forrestal went by boat to Massena, N. Y., and took his private plane from there.

Ogdensburg Pact Of 1940 Hailed

Ogdensburg, N.Y., Aug. 17 (AP)—Canada's defense minister, Brooke Claxton, today hailed the 1940 Ogdensburg agreement on joint North American defense as the turning point in the recent war.

Bot he and the Defense Secretary James Forrestal of the United States spoke at ceremonies that commemorated the historic decision of the late President Roosevelt and Prime Minister MacKenzie King by dedication of a plaque of friendship.

Town's 200th Birthday

Claxton said it was probably "the first occasion when two ministers of defense, not ministers of war, mind you, have met together on an unarmed frontier to rededicate their nations to the great cause of mutual peace."

Thousands crowded into this St. Lawrence river city from neighboring Prescott, Ont., and elsewhere on the eighth anniversary of an agreement that has been extended into peacetime on a permanent basis. The ceremonies coincided with celebrations marking Ogdensburg's 200th birthday.

H. D. WHITE DIES; HAD DENIED PART IN RED SPY RING

FITZWILLIAM, N. H., Aug. 17—(AP) Harry Dexter White, 56, former assistant secretary of the U. S. Treasury, who last week denied he was a member of an "elite" group in the Communist apparatus in Washington, died yesterday at his summer home.

A heart attack, suffered Saturday, only a few hours after his return from Washington, caused his death, Dr. George S. Emerson said.

White testified before the House Un-American Activities Committee that the accusations of Miss Elizabeth T. Bentley were "unqualifiedly false."

Named by Miss Bentley

Miss Bentley had testified July 31 that through White's high treasury position, he had helped Communist agents by pushing certain government employes toward key positions where they would have access to secret information.

Before he became assistant secretary of the U. S. Treasury, White was a department monetary expert for a dozen years.

He went to Washington in 1934 to make special studies for the Treasury Department, and though little known to the public, his duties were of financial importance to the world.

The $2,000,000,000 currency stabilization fund was under his management, he was a trustee of the Import-Export bank, and he was the Treasury spokesman at committee meetings of the Economic Defense Board.

White was generally credited with the authorship of the U. S.-sponsored international plans for handling postwar financial problems.

Aid International Bank

His monetary proposals were the foundation for the international monetary fund and the international bank created by the United Nations financial and monetary conference at Bretton Woods, N. H., in 1944.

White also had a hand in drafting the so-called "Morgenthau Plan" for dealing with post-war Germany, which eventually was written off by American policy makers as economically impractical. The plan, named for former secretary of the Treasury Morgenthau, proposed reduction of Germany to an agricultural state.

White was born in Boston, and was graduated from Columbia and Leland Stanford Universities before obtaining a Harvard doctorate in philosophy and economics.

He is survived by his widow, the former Anne Terry of Springfield, and two daughters, Joan and Ruth White.

The body was taken to Boston, where private funeral services will be held Thursday.

MRS. KOSENKINA GETS TRANSFUSION

Russian Teacher Remains In Critical Condition

New York, Aug. 17 (AP)—Mrs. Oksana Stepanovna Kosenkina, Russian teacher in critical condition after her dramatic leap from the Soviet consulate last week, received a blood transfusion today.

Roosevelt Hospital, announcing the transfusion, said her temperature was 103 degrees and gave the first detailed listing of her injuries.

It said she had suffered fractures of the right thigh, the right kneecap, the right foot, the pelvis and one vertebra. She also has an internal hemorrhage, the bulletin said.

Meanwhile, reporters on duty outside the consulate submitted a new series of questions today to Consul General Yakov M. Lamokin about the Kosenkina case.

White Russian Accused

Lamokin issued a statement yesterday concerning her leap but he did not answer most of a similar series of queries sent to him.

In the statement, the Soviet official blamed White Russians and American officials for the teacher's action, saying she attempted suicide "in her despair" after a nervous breakdown.

The new list of questions asked Lomakin about a report said to have been compiled by New York police and stating she was not kidnapped by a white Russian (anti-Communist) group as charged by the Soviets.

Other questions were about a police statement that Mrs. Kosenkina said at the hospital she was a prisoner in the consulate before her leap, about what punitive action might be taken against the teacher if she went back to Russia, about the effects of the incident on Soviet-American relations, and about a letter reported found by police in Mrs. Kosenkina's room after her jump and returned to consulate officials.

May Make Reply Today

A consulate employé said a reply to the list might be made tomorrow.

Lomakin charged on August 7, the day the Kosenkina case broke, that she had been kidnapped by White Russians and held forcibly at a camp at Valley Cottage, N.Y. The consul general said he "rescued" her there.

The White Russians retorted that Mrs. Kosenkina came there of her free will and asked protection from the Soviets. She had been scheduled to return to Russia after the closing of the school in which she taught but did not show up for the sailing.

A Soviet consular official tonight accused police of "pure fabrication" in representing that Mrs. Kosenkina does not wish to see Soviet representatives.

The accusation came from Vice Consul Zot I. Chepurnykh.

He said Consul General Lomakin would insist on access to Mrs. Kosenkina's room at the hospital.

Detective Quoted

Chepurnykh's assertion was directed chiefly at Detective William Dyczko, who was present last Friday when the vice consul and a secretary were taken into the hospital room. The detective subsequently said that when Chepurnykh told Mrs. Kosenkina that Lomakin wanted to see her, Mrs. Kosenkina replied:

"I do not want to talk to anyone. I do not want to see any one."

Then the vice consul suggested that she be moved to another hospital, Dyczko said, and Mrs. Kosenkina responded with a vigorous "no," adding:

"You kept me a prisoner. You would not let me go."

In a previous statement, Chepurnykh claimed Dyczko's version of the "prisoner" statement was incorrect.

Says She Was "Coached"

In a statement tonight the vice consul claimed Mrs. Kosenkina was "specially coached before the representatives of the Soviet consulate were admitted to her room." He said the woman, with her eyes closed, mumbled to him several times "stereotyped words which obviously, were talked into her: 'I do not want to say anything and I do not want to see anyone.'"

ARMS REPORT IS COMPLETE

U.N. Commission Explains Deferring Control Plan

Lake Success, N.Y., Aug. 17 (AP) United Nations arms experts today tentatively approved a report setting forth reasons why they cannot slash armaments now.

The eleven-nation Commission for Conventional Armaments completed work on the report after an all-day battle between the United States and Russia. Each country tried to blame the other for failure of the commission's efforts.

Russia won support for several changes in the draft, which had been prepared originally by the secretariat. No formal vote was taken on the report as a whole, but the commission approved the document in paragraph-by-paragraph voting.

To Come Up In Paris

The commission finally adjourned with the understanding that the approved draft would be circulated as soon as possible and

that it would be considered adopted unless a commission member objected before September 15. In that event ,the commission would meet in Paris just before the General Assembly, which opens September 21, and take final action.

The report therefore will not come before the Security Council until that body meets in Paris along with the Assembly meeting.

The commission's main decision already had been approved in the form of two resolutions. One of these declared the arms body must confine its actions to weapons not within the jurisdiction of the Atomic Energy Commission. The other said no arms reductions can be put into effect until world confidence is restored.

Discovery of Atom Ore Starts New Rush to California Hills

SAN BERNARDINO, Calif., Aug. 17—(AP) Discovery of Uranium—a find which may someday rank in importance with the uncovering of gold in California just a century ago—sent prospectors on claim-staking expeditions into the San Bernardino mountains today.

Albert B. Marshall, 62-year-old cattleman and part-time prospector, found the atomic age's most prized mineral in a brush and rock-covered canyon three miles north of Beaumont. Oddly, it was another Marshall, James W., who found gold at Sutter's Creek 100 years ago to start the west's gold rush.

Fred B. Greusel, city and county chemists here and chief chemist at the San Bernardino Army Air Depot during the war, confirmed Marshall's find. He said a Geiger counter registered up to the 58 radioactivity score required by government uranium experts. The Atomic Energy Commission has already been notified, he said.

Its engineers are interested in discoveries of .2 per cent uranium trioxide ore in quantities exceeding 20 tons, Greusel said, adding "if Marshall's ore pans out, it will yield a lot more than 20 tons." With the prospect of a $10,000 bonus which the government offers for discoveries reaching its specifications, Marshall is happy but not excited.

"I'll get excited when I get the money," he explained, peering across his cherry orchard. "If this is 'it', I'm going into the mineral business. I'm sure not going to milk any more cows."

The uranium was found, Marshall said, as greenish flakes in a reddish rock. Greusel called the samples "definitely hot" and said a 10-pound chunk will be forwarded to Washington for tests by government engineers.

LAMBETH CONFERENCE -- MERGER PLAN

BY JACK SMITH

(ADVANCE) LONDON, AUG. 17-(AP)-THE LAMBETH CONFERENCE OF ANGLICAN CHURCHMEN GAVE ITS BLESSINGS TONIGHT TO EFFORTS TO MERGE THE NON-ROMAN CHURCHES OF CHRISTENDOM FOR A UNITED STRUGGLE AGAINST COMMUNISM AND IMMORALITY.

BUT IT WARNED OF "THE SERIOUSNESS OF THE THEOLOGICAL ISSUES INVOLVED" AND DECLARED:

"NO SCHEME OF UNION CAN COME TO A SUCCESSFUL ISSUE WHICH DOES NOT TAKE ACCOUNT OF AND PRESERVE THE COMPREHENSIVENESS OF THE ANGLICAN TRADITION."

ITS VIEWS WERE SET FORTH IN AN ENCYCLICAL LETTER AND RESOLUTIONS MADE PUBLIC AFTER THE CONFERENCE OF PRELATES OF THE CHURCH OF ENGLAND, THE PROTESTANT EPISCOPAL CHURCH IN THE U.S.A., AND OTHER CHURCHES WHICH, ALTHOUGH AUTONOMOUS, FOLLOW A COMMON LITURGY AND ARE LOOSELY BOUND BY TRADITION.

"WE WISH GODSPEED TO ALL THOSE WHO ARE DOING THEIR UTMOST IN DIFFERENT WAYS TO SET FORWARD THIS WORK" OF UNITING CHURCHES, SAID THE ENCYCLICAL LETTER, SIGNED BY THE ARCHBISHOP OF CANTERBURY, DR.GEOFFREY FISHER, ON BEHALF OF THE CONFERENCE.

RESOLUTIONS SAID "THEOLOGICAL ISSUES X X X SHOULD BE FACED AT THE OUTSET" OF MERGER NEGOTIATIONS; "UNIFICATION OF THE MINISTRY X X X IS LIKELY TO BE A PREREQUISITE TO SUCCESS"; AND "THE GOAL IN ANY STEPS TOWARD A UNITED CHURCH WITHIN A GIVEN AREA SHOULD ALWAYS BE A CHURCH WITH WHICH THE ANGLICAN CHURCHES COULD EVENTUALLY BE IN FULL COMMUNION."

NEITHER THE ENCYCLICAL LETTER NOR THE RESOLUTIONS MADE ANY MENTION OF ANGLICAN RELATIONS WITH THE ROMAN CATHOLIC CHURCH.

THE REPORT OF THE GONFERENCE'S COMMITTEE ON CHURCH UNITY, HOWEVER, SAID A 1928 ENCYCLICAL LETTER BY POPE PIUS XI MADE IT "ABUNDANTLY PLAIN THAT THE ONLY METHOD OF REUNION WHICH ROME WILL ACCEPT IS THAT OF SUBMISSION TO THE PAPACY."

"THERE ARE NO SIGNS WHATEVER OF ANY ABATEMENT OF THIS DEMAND IN THE LAST 20 YEARS," THE REPORT ADDED, "NOR IS THERE ANY POSSIBILITY OF ITS ACCEPTANCE BY THE CHURCHES OF THE ANGLICAN COMMUNION X X X."

"WE BELIEVE THERE IS A CONSIDERABLE WILLINGNESS ON THE PART OF MEMBERS OF THE ANGLICAN COMMUNION TO ENTER INTO A FRUITFUL COOPERATION WITH ROMAN CATHOLICS ON A COMMON GROUND.

"BUT WE ARE FRANKLY PUZZLED BY THE APPARENT CONTRADICTION BETWEEN THESE REPEATED GENERAL INVITATIONS TO COOPERATION WHICH THE POPE HIMSELF HAS ISSUED AND THE ATTITUDE OF MANY ROMAN CATHOLICS IN PARTICULAR COUNTRIES WHEN IT COMES TO DEFINITE PROGRAMS."

THE REPORT SAID THERE HAVE BEEN SOME "STRIKING EXCEPTIONS TO THIS UNWILLINGNESS TO COOPERATE IN DEFINITE SCHEMES ON EQUAL TERMS." IT CLOSED: "WE WOULD X X X GREATLY VALUE FURTHER ELUCIDATION OF THE ROMAN CATHOLIC CODE ON THE MANNER OF SUCH COOPERATION AND WOULD BE THANKFUL IF THE WAY COULD BE FOUND TO MAKE IT FULLY EFFECTIVE.

"WE FEEL THAT NO EFFORT WILL BE WANTING ON THE SIDE OF MEMBERS OF THE ANGLICAN COMMUNION."

THE ENCYCLICAL LETTER SAID THE FORMATION OF THE CHURCH OF SOUTH INDIA--ORGANIZED IN AN HISTORICALLY SIGNIFICANT MERGER--HAD GIVEN RISE TO "UNCERTAINTY OR GRAVE MISGIVINGS IN THE MINDS OF MANY."

THIS CHURCH WAS FORMED OF ANGLICAL, METHODIST, PRESBYTERIAN AND CONGREGATIONAL CHURCHES. OF THIS MERGER THE LETTER SAID:

"FOR THE FIRST TIME SINCE THE GREAT DIVISION OF CHRISTENDOM AT THE REFORMATION, AN ACT OF UNION HAS TAKEN PLACE IN WHICH EPISCOPAL AND NON-EPISCOPAL TRADITIONS HAVE BEEN UNITED."

THE CHURCH OF SOUTH INDIA DOES NOT HAVE FULL COMMUNION WITH THE ANGLICAL CHURCH. THE ENCYLICAL LETTER SAID: "ON ONE PARTICULAR QUESTION, THE STATUS OF BISHOPS AND CLERGY, CONSECREATED AND ORDAINED AT OR SINCE THE INAUGURATION OF THE UNION, X X X THERE IS WIDE DIVERGENCE OF OPINION.

"A MAJORITY RECOGNIZE THEIR STATUS FULLY. A SUBSTANTIAL MINORITY FEELS BOUND TO SUSPEND JUDGEMENT."

LAMBETH--MARRIAGE AND DIVORCE

BY EDWARD L.CAMPBELL

(ADVANCE) LONDON AUG. 17-(AP)-THE YOUNGER GENERATION, ANXIOUS FOR HOMES, IS BEGINNING TO REVOLT AGAINST EASY DIVORCE, THE LAMBETH CONFERENCE OF THE ANGLICAN CHURCH DECLARED TODAY.

REAFFIRMING ITS OWN STRONG STAND FOR MARRIAGE DISCIPLINE, INCLUDING A BAN ON THE CHURCH MARRIAGE OF A DIVORCED PERSON, THE CONFERENCE BY RESOLUTION DECLARED:

"INASMUCH AS EASY DIVORCE IN GREAT BRITAIN, THE UNITED STATES, AND ELSEWHERE, HAS GRAVELY WEAKENED THE IDEA OF THE LIFE-LONG NATURE OF MARRIAGE AND HAS ALSO BROUGHT UNTOLD SUFFERING TO CHILDREN, THIS CONFERENCE URGES THAT THERE IS A STRONG CASE FOR THE RECONSIDERATION BY CERTAIN STATES OF THEIR DIVORCE LAWS."

THE LAMBETH ENCYCLICAL, WHICH WILL BE READ IN ALL ANGLICAN CHURCHES OCT. 10, SAID OF DIVORCE:

"WHILE WE SHOULD NOT FORGET THAT FAITHFUL AND HAPPY MARRIAGES STILL FAR OUTNUMBER THOSE THAT FAIL, YET THE PREVALENCE OF DIVORCE AND THE EASY ACCEPTANCE OF IT GRAVELY THREATEN THE STABILITY OF INDIVIDUAL, HOME, AND FAMILY LIFE AND CAUSE GREAT SUFFERING TO INNOCENT CHILDREN THUS DEPRIVED OF THE SECURITY OF HOME. WE BELIEVE THAT THERE IS, ESPECIALLY AMONG YOUNGER PEOPLE, THE BEGINNING OF A REVOLT AGAINST THE DEGRADING OF MARRIAGE AND A DESIRE FOR HOMES MADE STABLE BY THE VOWS OF OBLIGATION AND THE BOND OF CHILDREN."

ALTHOUGH THE CONFERENCE AFFIRMED THAT "THE MARRIAGE OF ONE WHOSE FORMER PARTNER IS STILL LIVING MAY NOT BE CELEBRATED ACCORDING TO THE RITES OF THE CHURCH, UNLESS IT HAS BEEN ESTABLISHED THAT THERE EXISTS NO MARRIAGE BOND RECOGNIZED BY THE CHURCH," THE ENCYCLICAL RECOGNIZED THAT SUCH MARRIAGES WILL CONTINUE TO PRESENT A PROBLEM.

"WHEN THERE HAS BEEN A DIVORCE AND REMARRIAGE," THE DECLARATION SAID, "THE CHURCH MUST KEEP THOSE CONCERNED WITHIN ITS PASTORAL CARE AND LOVE, RECOGNIZING WITH SYMPATHY AND UNDERSTANDING THE SUFFERING AND DISTRESS WHICH HAVE BEEN INFLICTED UPON MANY OF THEM AND DESIRING FOR THE SINFUL REPENTENCE. X X X IT CANNOT EXCLUDE FROM THE LOVE OF CHRIST NOR DOES IT EXCLUDE FROM ITS OWN FELLOWSHIP, THOSE WHO HAVE COME THROUGH BITTER EXPERIENCE AND LOOK FOR HELP."

THE ENCYCLICAL AND RESOLUTIONS DID NOT MENTION A SECTION OF THE CONFERENCE'S COMMITTEE REPORT ON PROPOSALS TO REVISE THE CHURCH CANON LAW TO PROVIDE FOR ESTABLISHMENT OF "NULLITY COURTS."

AUG 21 1948

B74

THESE WOULD BE PROVINCIAL OR DIOCESAN COURTS WITHIN THE CHURCH WHICH WOULD REVIEW CASES IN WHICH A DIVORCE HAS BEEN GRANTED BUT IN WHICH, IT IS CONTENDED, A DECREE OF NULLITY MIGHT HAVE BEEN OBTAINED. THE UNITED STATES (EPISCOPAL) CHURCH IN 1946 AUTHORIZED BISHOPS TO MAKE DECISIONS IN SUCH CASES, BUT THE COMMITTEE SAID IT IS "TOO EARLY TO ASSESS THE EFFECTS OF THIS EXPERIMENT."

THE COMMITTEE PROPOSED, HOWEVER, THAT THE CHURCH SEEK TO PERSUADE THE CIVIL COURTS TO EXAMINE EACH DIVORCE CASE "TO DETERMINE WHETHER NULLITY RATHER THAN DIVORCE IS AN APPROPRIATE DECISION" AND THAT IT URGE LAWYERS TO ADVISE THEIR CLIENTS TO PETITION FOR A NULLITY DECREE WHENEVER THE CIRCUMSTANCES JUSTIFY IT "RATHER THAN, AS AT PRESENT SEEMS TO BE USUAL, TO DISCOURAGE IT."

UNDER CANON LAW, THE CHURCH WOULD NOT WITHHOLD REMARRIAGE OR THE SACRAMENT FROM PERSONS SEPARATED BY SOME NULLITY DECISIONS, ALTHOUGH THE COMMITTEE WARNED "THAT SOME OF THE GROUNDS ON WHICH THE CIVIL COURTS IN SOME COUNTRIES MAY NOW GRANT A DECLARATION OF NULLITY ARE NOT RECOGNIZED BY THE CHURCH."

THE QUESTION OF WITHHOLDING SACRAMENT FROM DIVORCED PERSONS WILL BE LEFT TO THE DECISION OF INDIVIDUAL BISHOPS.

THE CONFERENCE REITERATED PREVIOUS CHURCH WARNINGS TO ANGLICAN COMMUNICANTS "AGAINST CONTRACTING MARRIAGES WITH ROMAN CATHOLICS UNDER THE CONDITIONS IMPOSED BY MODERN ROMAN CANON LAW."

PROCEEDING FROM MARRIAGE TO THE FAMILY, THE CONFERENCE GENTLY RAPPED SOME BRITISH VICARS WHO RECENTLY REFUSED TO BAPTIZE AN INFANT ON THE GROUNDS THAT THE CHILD'S MOTHER WAS NOT AWARE OF THE RESPONSIBILITIES THE BAPTISMAL CEREMONY INVOLVED.

THE ENCYCLICAL SAID THE CHURCH DEPRECATED "THE HASTY ADOPTION OF ANY POLICY WHICH WOULD LEAD TO THE WIDESPREAD EXCLUSION OF INFANTS FROM BAPTISM."

INSTEAD, THE CONFERENCE URGED THE CLERGY TO SEE THAT PARENTS ARE ADVISED OF THEIR DUTIES BEFORE THE CHILDREN ARE BAPTISED.

HITTING MORE SHARPLY AT PRIVATE BAPTISM, PRACTICALLY UNIVERSAL IN PRESENT DAY BRITAIN, THE CONFERENCE CALLED ATTENTION TO A NEARLY 300-YEAR-OLD REQUIREMENT THAT THE RITE SHOULD BE PERFORMED "WHEN THE MOST NUMBER OF PEOPLE COME TOGETHER." THIS, SAID A RESOLUTION, MEANS THAT THE INFANTS SHOULD BE BAPTIZED MORE FREQUENTLY IN THE REGULAR SERVICES OF THE CHURCH.

THE CONFERENCE ALSO SAID IT WAS DESIRABLE THAT "NO UNBAPTIZED PERSON SHOULD ACT AS GOD PARENT" AND THAT AT LEAST ONE GOD PARENT SHOULD BE A PRACTICING ANGLICAN COMMUNICANT. WHEN PARENTS ARE UNABLE OR UNWILLING TO PROVIDE SUCH GOD PARENTS, CHURCH MEMBERS SHOULD BE ENCOURAGED TO OFFER THEMSELVES FOR SUCH SERVICE.

NUERNBERG, GERMANY, AUG 17-(AP)-A GERMAN WHO LIVED IN THE SHADOW OF THE GALLOWS UNDER HITLER HAS QUIETLY BUT EFFECTIVELY ABOLISHED THE DEATH PENALTY FOR GERMAN LAWBREAKERS IN BAVARIA.

DR.JOSEPH MUELLER, MINISTER OF JUSTICE, DISCLOSED TODAY THAT NONE OF THE 20 DEATH PENALTIES SINCE THE WAR IN BAVARIA EVER HAS BEEN CARRIED OUT.

IN EACH CASE HIS JUSTICE DEPARTMENT HAS COMMUTED THE SENTENCE.

"AFTER MY EXPERIENCE, I HAVE NO USE FOR THE DEATH PENALTY," EXPLAINED MUELLER IN AN INTERVIEW HERE, WHERE HE CONFERRED WITH U.S. MILITARY GOVERNMENT OFFICIALS.

MUELLER WAS A MEMBER OF ADMIRAL WILHELM CANARIS' ABWEHR, THE INTELLIGENCE BRANCH OF THE GERMAN ARMED FORCES. IN THAT CAPACITY HE WAS LIAISON MAN WITH THE VATICAN.

WHEN THE JULY 20, 1944, PUTSCH AGAINST HITLER FAILED, HIMMLER PICKED UP EVERY MAN CONNECTED WITH CANARIS, WHO WAS THE BRAINS OF THE REVOLT, INCLUDING MUELLER.

THREE TIMES IN ONE NIGHT, SS MEN TOOK HIM TO A GALLOWS, PUT A ROPE AROUND HIS NECK, DEMANDED MORE INFORMATION ABOUT THE REVOLT, AND FAILED TO GET IT. EACH TIME HE WAS TAKEN BACK TO HIS CONCENTRATION CAMP CELL TO REFLECT.

MUELLER WAS LIBERATED BY U.S.TROOPS. CANARIS AND OTHERS WERE HANGED.

PRIOR TO HITLER, HANGING WAS RARELY USED IN GERMAN HISTORY TO PUNISH CRIMINALS. BEHEADING OR SHOOTING WAS CONSIDERED MORE HONORABLE.

in the past two years, 60 adults and 176 children have been thus killed; 87 adults and 319 children have been seriously hurt.

HEIDELBERG, GERMANY, AUG 17-(AP)-AMERICAN AND FRENCH TROOPS HELD JOINT MANEUVERS IN GERMANY TODAY ALONG THE RHINE RIVER.

THE MANEUVERS WERE A COMPARATIVELY SMALL SHOW, INVOLVING A TOTAL OF 1,500 TROOPS. BUT U.S. AND FRENCH OFFICERS SAID THE FIRST EXPERIMENTAL WAR GAME BETWEEN THE TWO NATIONS WAS "SUCCESSFUL."

THEY PREDICTED OTHER SIMILAR JOINT EFFORTS.

TWENTY MILES FROM THIS HEADQUARTERS OF THE U.S. ARMY IN EUROPE, FRENCH TROOPS LAID DOWN A SIMULATED BARRAGE OF ARTILLERY FIRE FROM NEAR THE FRENCH ZONE CITY OF SPEYER.

UNDER COVER OF THIS MOCK ATTACK, THEY FERRIED MEN AND TANKS ACROSS THE RHINE AND ATTEMPTED TO ESTABLISH A "BRIDGEHEAD" IN THE AMERICAN ZONE VILLAGE OF ALTLUSSHEIM.

THE ACTION WAS "DETECTED" BY PATROLS OF THE U.S. CONSTABULARY'S SECOND SQUADRON, COMMANDED BY LIEUT.COL.THEODORE T.KING OF NORTH LITTLE ROCK, ARK.

AMERICAN TROOPS, ACCORDING TO A PREARRANGED PLAN, TRIED TO "STEM" THE FRENCH BRIDGEHEAD BUT "FAILED." THEY WITHDREW, BUT THEN LAUNCHED A "COUNTERATTACK" WITH SCORES OF ARMORED CARS AND ARMED JEEPS.

THE "COUNTERATTACK" WAS SUPPORTED BY A SQUADRON OF P47 FIGHTER PLANES OF THE U.S. AIR FORCE'S 86TH FIGHTER GROUP.

THE PLANES, COMMANDED BY LIEUT.COL.MICHAEL INGELIDO OF NEW BRITAIN, CONN., "STRAFED" FRENCH TROOPS AND A SECRET FRENCH BRIDGING OPERATION FARTHER DOWN THE RIVER.

AMERICAN OFFICERS SAID THE MANEUVERS WERE HELD MAINLY TO GIVE RAW RECRUITS OF BOTH NATIONS A TASTE OF BATTLE.

MOSCOW, AUG.17-(AP)-OBSERVERS ARE AS MUCH IN THE DARK AS EVER TODAY ABOUT RESULTS OF THE LATEST TALKS BETWEEN WESTERN POWER ENVOYS AND SOVIET FOREIGN MINISTER MOLOTOV. SOME BELIEVE THE LENGTH OF LAST NIGHT'S SESSION INDICATED THE CONFEREES WERE GETTING DOWN TO CONCRETE PROBLEMS.

(A LONDON INFORMANT SAID YESTERDAY THAT MOLOTOV WAS TO GIVE RUSSIA'S REPLY TO WESTERN PROPOSALS FOR SETTLEMENT OF THE BERLIN DEADLOCK AT THE MEETING. HE SAID THE TALK "MIGHT POSSIBLY BE THE CLIMAX" OF THE 18-DAY NEGOTIATIONS.

(IN FRANKFURT, U.S. MILITARY GOVERNOR GEN.LUCIUS D. CLAY SAID HE EXPECTED THE WESTERN POWERS TO STICK TO THEIR PLANS FOR GERMANY. HE INDICATED TO NEWSMEN THE WEST WILL CONTINUE GOING AHEAD WITH PLANS FOR A WEST GERMAN GOVERNMENT.)

YESTERDAY'S CONFERENCE WAS THE SIXTH WITH MOLOTOV. IT WAS THE LONGEST SINCE THE NEGOTIATIONS BEGAN LASTING THREE HOURS AND 40 MINUTES. THE WESTERN ENVOYS FIRST MET WITH MOLOTOV JULY 31. HE WAS PRESENT ALSO AT THE AUG.2 MEETING WITH PRIME MINISTER STALIN, WHICH WAS FOLLOWED BY MEETINGS WITH MOLOTOV AUG. 6, AUG. 9, AUG. 12 AND LAST NIGHT.

NONE OF THE WESTERN ENVOYS WOULD COMMENT AS THEY LEFT THE KREMLIN IN A DRIZZLING RAIN LAST NIGHT.

U.S. AMBASSADOR WALTER BEDELL SMITH AND FRENCH AMBASSADOR YVES CHATAIGNEAU WENT IMMEDIATELY TO THE BRITISH EMBASSY WITH BRITAIN'S SPECIAL ENVOY FRANK ROBERTS. THEY CONFERRED FOR AN HOUR AND 15 MINUTES AND THEN DISPERSED, PRESUMABLY TO WORK SEPARATELY ON REPORTS TO THEIR HOME GOVERNMENTS.

EXPERIENCED OBSERVERS IN THE SOVIET CAPITAL SAID, JUDGING FROM THE LENGTH OF THE CONFERENCE WITH MOLOTOV AND THE UNEXPECTEDLY LONG PARLEY AT THE BRITISH EMBASSY, THAT THE FOUR POWER REPRESENTATIVES STILL HAVE PLENTY TO TALK ABOUT.

THERE HAS BEEN NO OFFICIAL INDICATION AS TO HOW THE TALKS ARE GOING. THE WESTERN DIPLOMATS HAVE BEEN SILENT ON THE PROGRESS OF THE CONFERENCES THROUGHOUT THE PROLONGED NEGOTIATIONS.

(CLAY TOLD NEWSMEN IN FRANKFURT HE EXPECTED THE WESTERN DIPLOMATS TO STAND FIRM AND ADDED: "I KNOW OF NO INTENTION BY ANYBODY TO DEVIATE FROM THE PRESENT PROGRAM."

(ASKED ABOUT AN EVENTUAL PEACE TREATY WITH GERMANY, CLAY SAID "OUR GOVERNMENT HAS ALWAYS HOPED FOR A QUADRUPARTITE TREATY."

TOKYO ROSE
BY TOM LAMBERT
TOKYO, AUG. 17-(AP)-HER THREE YEARS OF SUSPENSE ENDED, IVA TOGURI D'AQUINO WAITED PEACEFULLY TODAY FOR HER ARREST AS TOKYO ROSE -- AS A WARTIME TRAITOR TO AMERICA, THE LAND OF HER BIRTH.

THE U.S. JUSTICE DEPARTMENT ORDERED HER RETURNED TO SAN FRANCISCO -- WITH 15 JAPANESE WITNESSES -- TO FACE A FEDERAL GRAND JURY ON THE CHARGE. THE DECISION ENDED "A LIFE OF DOUBT" FOR MRS. D'AQUINO, WHO HAD BEEN INVESTIGATED AFTER JAPAN'S SURRENDER BUT LATER RELEASED WITHOUT CHARGE.

THE RADIO BROADCASTS OF "TOKYO ROSE" CLIMBED SWIFTLY FROM FACT TO FASCINATING LEGEND AMONG AMERICAN ARMED FORCES IN THE PACIFIC WAR. ACTUALLY, SAID ATTORNEY GENERAL TOM CLARK, MRS.D'AQUINO WAS ONLY ONE OF SIX ENGLISH-SPEAKING WOMEN WHO MADE SUCH PROPAGANDA BROADCASTS FROM TOKYO. SWEET AND SEXY, THE PROGRAMS REMINDED LONELY MEN OF ALL THEY WERE MISSING.

WHILE THEY HAD LITTLE EFFECT ON MORALE OF THE COMBAT TROOPS, THEY DID INSPIRE FANTASTIC RUMORS. TIME AFTER TIME, AS LANDING BARGES NEARED A HOSTILE BEACH, ONE GI WOULD YELL TO ANOTHER:
"HEY, MAC, DID YOU KNOW TOKYO ROSE SAID LAST WEEK WE WERE GOING TO HIT HERE?"

AND TIME AFTER TIME, NEWS CORRESPONDENTS CHECKED THOROUGHLY BUT VAINLY; NEVER COULD THEY FIND ANY REAL EVIDENCE OF SUCH A BROADCAST.

BORN IVA IKUKU TOGURI IN WATTS, CALIF., 32 YEARS AGO, MRS. D'AQUINO WAS GRADUATED FROM THE UNIVERSITY OF CALIFORNIA AT LOS ANGELES IN 1940, WENT TO JAPAN TO VISIT RELATIVES, AND REMAINED THERE THROUGH THE WAR. SHE MET AND MARRIED PHILIP D'AQUINO IN TOKYO.

"I FEEL RATHER RELIEVED I WILL BE ABLE TO GET IT ALL OVER WITH NOW," SHE SAID AS SHE WAITED FOR OFFICERS TO ARREST HER TODAY. HER FACE SHOWED THE STRAIN OF THE MONTHS OF ANXIETY SINCE SHE HAD BEEN FIRST INVESTIGATED FOR HER POSSIBLE CONNECTION WITH THE BROADCASTS.

SHE SAID SHE DID NOT KNOW WHAT ANSWER SHE WILL MAKE TO THE TREASON CHARGE; "I HAVE NO LEGAL COUNSEL YET, YOU KNOW."

SHE HAS BEEN LIVING IN A SMALL APARTMENT IN A SHABBY HOUSE ON TOKYO'S OUTSKIRTS. HER 27-YEAR-OLD PORTUGUESE HUSBAND HAS BEEN AN INTERPRETER FOR THE ALLIED OCCUPATION FORCES.

A YEAR AGO, SHE SAID, SHE TRIED TO GET A PASSPORT TO RETURN TO THE UNITED STATES AS AN AMERICAN CITIZEN, BUT NEVER RECEIVED AN ANSWER.

SHE HAS THAT POINT CLEARED UP NOW. ONLY A CITIZEN CAN BE CHARGED WITH TREASON.

WASH[illegible] 17-(AP)-HERE IS AN OFFICIAL TRANSCRIPT OF PRESIDENT TRUMAN'S [illegible]EXTEMPORANEOUS REMARKS TODAY AT A MEETING OF HIS "COMMITTEE ON [illegible]TIONAL EMPLOYE-THE-PHYSICALLY-HANDICAPPED WEEK": (ABOUT 450)

--DAS[illegible]--

ADMIRAL MCINTIRE, MR SECRETARY, AND THE MEMBERS OF THIS PHYSICALLY HANDICAPPED COMMITTEE:

I DON'T KNOW WHETHER I SAID THAT JUST EXACTLY RIGHT, BECAUSE I DON'T BELIEVE YOU ARE PHYSICALLY HANDICAPPED.

AT ANY RATE, I AM HIGHLY PLEASED WITH WHAT YOU ARE DOING. I HAVE BEEN PERSONALLY AND VITALLY INTERESTED IN THIS ORGANIZATION EVER SINCE ITS INCEPTION AND I HAVE HAD SOME LITTLE EXPERIENCE IN WHAT CAN BE DONE WITH THE PHYSICALLY HANDICAPPED. I THINK IT IS ONE OF THE GREATEST THINGS THAT IS TAKING PLACE IN THE COUNTRY TODAY.

THE RECORDS SHOW THAT THERE ARE SOMEWHERE IN THE NEIGHBORHOOD OF 28 MILLION PEOPLE WHO ARE PHYSICALLY HANDICAPPED FROM FOUR FIVE DIFFERENT CAUSES--THE PRINCIPAL CAUSE, OF COURSE, IS THAT THOSE WHO BECAME CRIPPLED IN INDUSTRY AND THOSE WHO HAVE BEEN CRIPPLED IN THE WAR; ALTHOUGH I SAY TO YOU THAT HAD THERE BEEN NO WAR THERE WOULD BE JUST AS MANY PHYSICALLY HANDICAPPED.

THE THING THAT I HAVE BEEN PARTICULARLY INTERESTED IN IS TO FIND SOME WAY TO PREVENT THAT PHYSICAL HANDICAP FROM DEVELOPING AS MUCH AS POSSIBLE AND THEN FIND SOME WAY, AND WE ARE FINDING WAYS, TO GET THESE PEOPLE BACK INTO PRODUCTIVE INDUSTRY.

IN YOUR OWN PAMPLET THAT YOU ARE GETTING OUT FOR THIS WEEK THAT IS COMING ARE STATISTICS WHICH SHOW THAT THE DOLLARS SPENT BY THE FEDERAL GOVERNMENT TO REHABILITATE THE PHYSICALLY HANDICAPPED RETURNED $10 FOR EVERY DOLLAR INVESTED, IN THE PRODUCTIVE CAPACITY OF THESE PEOPLE.

THAT IS A WONDERFUL THING BECAUSE IT CREATES A MENTAL ATTITUDE THAT IS GOOD FOR THE COUNTRY. I AM VITALLY INTERESTED IN THIS AND I WANT TO SEE IT A SUCCESS.

I WANT TO SAY TO YOU THAT JUST BECAUSE CONGRESS HAS SET ASIDE ONE WEEK ONLY AS PHYSICALLY HANDICAPPED WEEK, THAT IS JUST ONE 52ND OF THE TIME. THIS THING MUST GO ON 52 WEEKS A YEAR FOR THE PURPOSE OF BRINGING HOME TO THE COUNTRY AS A WHOLE WHAT YOU ARE DOING.

YOU WILL HAVE THE COMPLETE COOPERATION OF THE EXECUTIVE BRANCH OF THE GOVERNMENT; YOU HAVE THE COMPLETE COOPERATION OF THE LABOR DEPARTMENT AND ITS OFFICIALS. WE JUST HAVE A NEW SECRETARY (MAURICE J.TOBIN) WHO IS JUST AS INTERESTED IN THIS ORGANIZATION AS I AM. I SEE THAT YOU HAVE THE SECRETARY OF STATE HERE AND I AM SURE THAT EVERY MEMBER OF THE CABINET AND ALL OF THE EXECUTIVE BRANCH OF THE GOVERNMENT ARE JUST AS INTERESTED IN THIS THING AS I AM.

B98WX
I WANT YOU TO DO THE JOB AS YOU HAVE ALWAYS DONE IT AND DO IT A LITTLE BETTER THIS TIME, AND A WEEK AFTER EMPLOY THE PHYSICALLY HANDICAPPED WEEK, DO IT A LITTLE BIT BETTER, DO IT FOR 52 WEEKS, THEN 52 WEEKS MORE AND THEN LET'S WORK JUST AS HARD IN PREVENTING THE HANDICAPPING PHYSICALLY OF OUR POPULATION.

IT IS A TERRIBLE THING THAT WE ARE FACED WITH AN INCREASING NUMBER OF ACCIDENTS IN INDUSTRY, ON THE ROAD AND IN THE HOME WHICH CREATE THIS CONDITION. IT IS ALARMING AND I AM DOING EVERYTHING I POSSIBLY CAN TO PUT A STOP TO IT. THAT STOP CAN BE HAD IF EVERYBODY WILL DO HIS PART TOWARD PREVENTION AS WELL AS REHABILITATION AFTER THE ACCIDENTS HAPPEN.

I CAN'T THANK YOU ENOUGH FOR YOUR INTEREST IN THIS AND, AS I SAID BEFORE, ANYTHING I CAN DO TO ADD TO THE SUCCESS OF YOUR LABORS, I AM AT YOUR SERVICE. THANK YOU VERY MUCH.

RED COAL OFFER PROPAGANDA, SAYS U. S. COMMANDER

BERLIN, Aug. 18—(AP) The American commander in Berlin today declared a Russian offer to supply 60,000 tons of coal to Berliners was a "propaganda distribution."

Col. Frank L. Howley said he had studied the Russian announcement and concluded:

"Obviously, either Soviet mathematics are bad, Soviet intent is bad, or both Soviet mathematics and intent are bad."

He explained the study showed "57,100 tons will be required to complete the distribution in the Soviet sector alone," leaving only 2,900 tons for western sector residents. "Actually to make a full distribution to the west sectors would require not 2,900 tons but 96,400 tons," Howley said.

Strings Attached

The Russian offer had several strings attached. The coal would be issued only to those west Berliners who had come to the Soviet sector to register for food ration cards. Payment would be required in Russian-sponsored currency.

Howley charged the coal offered by the Russians actually comes from an allotment which western authorities sent to the Soviet sector to heat households there before the Russians halted deliveries by the blockade.

Hailing the British-American air supply operation as "without precedent," he said that in 55 days American and British cargo planes have brought more than 100,000 tons of food, coal medical supplies and other vital materials into besieged Berlin.

"Each resident of the three western sectors is receiving as much food as he did before the blockade," Howley said. "Vital medical supplies are on hand in the western sectors in more than sufficient quantities. Utilities are functioning powered by air-borne coal. In short the blockade has failed in its attempt to starve the democratic people of Berlin into submission."

Open New Campaign

As a result, he said, the Soviets have opened a new campaign declaring they are "generously prepared to give food and coal to western sector-residents willing to come on bended knee to the Soviet sector."

Howley emphasized that at the time the Russians were offering to feed all Berlin they also were blaming the city's food office for growing food shortages in their sector of the city and some residents of the Soviet sector were not receiving their full bread ration.

Whether the offer of coal would prove more attractive to western sector residents than the food offer remained to be seen. Only one per cent of western Berlin's 2,100,000 residents registered for Russian food. The rest preferred to stand by the air bridge rations, even though much of it is dehydrated.

Western authorities were making no attempt to minimize the hardships which western Berliners would face during the coming winter if the blockade should continue that long.

Howley said the economic department of the city government was determining the "basic needs" of the population for winter. Plans are being made for "procuring the largest possible amount of critical supplies," he said.

"The final solution of the Berlin food and coal problem can best be attained, of course, by having the Russians and their stooge socialist unity party lift entirely the brutal blockade which they have imposed upon Berlin," Howley said.

Also Denounce Offer

German political leaders of western Berlin also denounced the Russian offer as propaganda. As with the food offer, they claimed the Russians were seeking to extend Communist control.

American authorities said the Soviet blockade so far has cost Berlin 400,000 tons of hard coal and 100,000 tons of soft coal from western Germany as the west's share in sustaining Berlin under four-power joint rule. Earlier, Colonel Howley said the West has "trains loaded with coal standing at the Elbe river, waiting for Marshal Sokolovsky (Russian commander in Germany) to give the word so they can proceed to Berlin."

The supply armada continued at a fast clip today. In a 24-hour period, 563 planes landed at Tempelhof and Gatow airfields with an estimated more than 3,800 tons of supplies. The Americans carried 2,654 tons of this, including 958 tons of coal, on 304 flights.

WOMAN JOINS CZECH EXILES

Olympic Team Leader Expects Job In United States

London, Aug. 18 (AP)—Mrs. Marie Provaznikova, leader of the Czechoslovakian women's Olympic team, declared tonight: "I am a political refugee and proud of it."

She thus joined a group of six other Czech and two Hungarian Olympic performers who have refused to go home.

With Josef Jostin, a former Czech Foreign Office official acting as interpreter, Mrs. Provaznikova told the British Press Association: "When I left Czechoslovakia I did not intend to return. I am a member of the Benes party."

Plans To Get Job In U.S.

She said she plans to get a physical education job in the United States.

The 57-year-old boss of the Czech women Olympic performers said in July she was in command of 28,000 women at a great rally in Prague of the Sokol, the Czech national fitness organization, which was attended by Klement Gottwald, Communist President of Czechoslovakia.

There was a demonstration at the rally for former President Edouard Benes and she was acclaimed by all the women in the arena because of her known pro-Benes sympathies.

Afterward she was approached by the police but she told them she could not be held responsible for the outbursts. The police told her she would be held personally responsible for any repetition of the incident, she said.

Has Resigned Post

"They could not prevent me coming to London for the Olympics," Mrs. Provaznikova added, "because I was president of the International Gymnastic Federation. I have resigned from that post since the end of the games.

"I told the leader of the Czech Olympic party, Mr. Jerabek, I was applying for permission to extend my stay here and I would stay whether permission was granted or not.

"Dr. Margaret Brown, who is president of a college of physical education and hygiene in the United States, offered me a position as a teacher of Sokol methods and ideals at the college.

"I accepted," said Mrs. Provaznikova.

Her statement flatly contradicted earlier information from the Czech Embassy that Prague authorities had granted her permission to go to the United States for a year as a gymnastic instructress.

CZECH ATHLETE COMING TO U. S.

London, Aug. 18 (A. P.).—Mrs. Marie Provaznikova, leader of the Czechoslovakian Women's Olympic team, canceled her return plane passage to Prague today and the press attache at her embassy said she would go to the United States.

"Mrs. Provaznikova has been approached by a United States university to serve as a gymnastic instructor," said the press attache, "and she has asked Prague for permission to go there for one year."

He added that Mrs. Provaznikova was almost certain to get permission and, meanwhile, had canceled her ride home and would remain in London. She was not immediately available to give details of the job offer.

Earlier at least two of her countrymen had walked out on the Czech Olympic team and announced they would remain here for political reasons. Jiri Linhart and Jiri Kolar, Czech swimmers, and Oszkar Csuvik and Elemer Szatmari, Hungarian tank men, announced they were staying in Great Britain.

Four other members of the Czechoslovakian Olympic team were reported planning similar action, but their names were not disclosed.

Englanud Lets Finns Land

LOWESTOFT, England, Aug. 18 (AP).—Thirteen refugee Finns, including three women and three children, were allowed to land today some two weeks after they sailed into Lowestoft harbor in their little cargo boat, Anja. Their troubles were not over, however.

Immigration authorities said their might disembark if they stayed in England only long enough to arrange for the rest of their trip to South America. The Board of Trade, on the other hand, will not let them leave until they take on a qualified crew and proper life-saving equipment. The Finns said they could not afford either.

FRANCE BACKS PLAN FOR UNITED EUROPE

Paris, Aug. 18 (A. P.).—France today supported efforts to unite Western Europe under a Federal constitution. Secretary of State Francois Mitterand said the Cabinet decided to support a plan to convoke an international assembly to draft a charter. Foreign Minister Robert Schuman urged compliance.

The International Committee for Co-ordination of Movements for a European Union had presented a note to the Cabinet. This committee is headed by Duncan Sandys, son-in-law of Winston Churchill. Mitterand said the French Government approved the general principles of the note, calling upon the parliaments of free and democratic countries to appoint delegates to a Constituent Assembly to draw up a constitution for a "United Europe." France, Mitterand added, will begin negotiations soon with interested Governments, presumably the sixteen Marshall plan countries.

Georges Bidault, whom Schuman succeeded as Foreign Minister, proposed in July that the five nations of the West European Union take the lead in convoking a constituent assembly. This move was blocked, however, by the British Foreign Secretary, Ernest Bevin, and the Belgium Premier, Paul-Henri Spaak. Sandys's committee was appointed at the Congress of Europe at the Hague last May. Churchill was president of that Congress.

Musical Prodigy Is The 'Swedish Kosenkina'

Stockholm, Aug. 18 (AP)—The newspaper *Dagens Nyheter* today identified the "Swedish Kosenkina" as Lydia Makarova and said the 19-year-old girl who refuses to go back to Russia is a music prodigy.

The case is causing a sensation in Sweden. It parallels the case of Mrs. Oksana Stepanovna Kosenkina, Soviet teacher who leaped from the third-story window of the Soviet Consulate in New York last week.

A Swedish Foreign Office spokesman said yesterday the Soviet Embassy here had asked repeatedly that the girl be sent back to Russia. He said the Foreign Office had declined these requests and told the Russian Embassy to "leave the girl alone."

Fled When 15

Dagens Nyheter published an interview with the girl, who said she had fled to Sweden in 1944 after her mother had died in Leningrad. At the time she was 15 and considered a musical prodigy, she said. She has continued her studies in Sweden and will give her first piano recital at Stockholm's Concert Hall January 29, the account said.

Lydia dreams of going to Paris to continue her studies, but she is afraid to leave Sweden and the protection she has had here, the newspaper said.

It quoted her:

"I have taken root in Sweden. I have learned Swedish. I like it here and I will never return to the old country."

Word From Envoy

Lydia said the Soviet Ambassador had sent word to her to visit him at the embassy two years ago. She telephoned him and was told he had a letter from her father. He refused to send it to her. After that she received only a postcard and three birthday cables, urging her to go to the embassy and get his letters. She never went.

Lydia is under constant watch by her friends and neighbors at Dalaroe, where she is living.

The girl applied for an alien's emergency passport, which was granted after "careful consideration," an alien commission source said.

SWEDEN WARNS SOVIET ON GIRL

Protection Assured Refugee Musical Prodigy

Stockholm, Aug. 18 (AP)—The Swedish Foreign Office said today it had renewed its warning to the Russians to keep away from 19-year-old Lydia Makarova, the "Swedish Kosenkina."

A Foreign Office spokesman said the Soviet chargé d'affaires, Semen Basarov, had been called to the Foreign Office to receive an official Swedish request that the Russians "leave the girl alone."

The newspaper *Dagens Nyheter* published an interview with Lydia in which she declared "I will never return to the old country." She said she fled to Sweden in 1944 after her mother died in Leningrad.

Considered Musical Prodigy

The case, which parallels that of Mrs. Oksana Stepanovna Kosenkina, the Soviet teacher who threw herself from a window of the Soviet consulate in New York last week, has caused a sensation in Sweden.

Lydia told *Dagens Nyheter* she had been considered a musical prodigy in Leningrad and has continued her studies in Sweden, while working as a maid. She is scheduled to give her first piano recital at Stockholm's concert hall January 29, the story said.

Lydia, who is under constant watch by friends and neighbors at her home in Dalaroe, said she dreams of going to Paris to continue her music studies, but is afraid to leave Sweden. She was quoted:

"I have taken root in Sweden. I have learned Swedish. I like it here and I will never return to the old country."

She told the interviewer the Russian Ambassador in Sweden had asked her two years ago to visit him at the embassy or phone him. She said she had a long telephone conversation with him and he told her he had a letter from her father but insisted that she call for it in person. She refused.

She said she has received only a postcard and three birthday cables from her father since then. All urged her to go to the Russian Embassy to get his letters, but she never went.

Entered Sweden In 1945

The Russian Embassy has said it tried to contact Lydia on the request of her father, Colonel Makarov, of the Soviet Army. She is an only child.

The girl applied for and was granted an alien's emergency passport in 1945 after "careful consideration," a Swedish Alien Commission source said.

The Foreign Office spokesman said the Soviet Embassy asked the Swedish Government to make the girl return, but Swedish authorities took no action.

"If she does not want to return, we cannot force her to do so. We found that the girl is in good hands and has been so during her entire stay in Sweden," he said.

BERNADOTTE APPEALS FOR AID TO REFUGEES

STOCKHOLM, Sweden, Aug. 18—(AP)—Count Folke Bernadotte appealed "to all the nations of the world" today to aid war refugees in Palestine and its neighboring Arab states.

The United Nations mediator spoke at a closed meeting of the board of governors of the League of Red Cross Societies.

In his unscheduled appearance before delegates here to attend the International Red Cross conference, Bernadotte asked all nations to send emergency supplies to the refugees.

"Approximately 400,000 Arab and Jewish refugees are living under conditions which might become catastrophic toward winter," Bernadotte said.

"Two days ago I sent a cable addressed to nearly all the governments of the world asking support for relief work. I demanded an answer within 10 days. I might add the British government has already granted 100,000 ($400,000), enabling us to buy tents and medicines for thousands of the homeless and sick."

Berlin Rally Starts Riot

Berlin, Aug. 18 (AP)—Communists belabored anti-Communist hecklers with lead pipes and fists last night at a Red-sponsored mass meeting in the French sector of Berlin. Several persons wound up with bloody heads and lacerations.

The rally was promoted by the Communist-controlled Socialist Unity party under the slogan—"Defend the Unity of Berlin." When a group of youths, reported to be members of the rightist Liberal Democratic party, appeared and began to heckle the speakers, the Communists jumped them. Several women reportedly were beaten.

Lynbrook Flier Dies in Germany

FRANKFORT ON THE MAIN, Aug. 18 (AP)—A United States fighter pilot killed yesterday when his parachute failed to open was identified today by United States Air Force headquarters at Wiesbaden as First Lieut. Hugh Matthews of Lynbrook, N. Y. An Air Force statement said Lieutenant Matthews, on a routine training flight in an F-47 Thunderbolt, had radioed his squadron leader that the cockpit was filling with gas fumes; five minutes later he radioed he was bailing out. He is survived by a widow, Mrs. Reita Matthews, who lives at Neubiberg, Germany.

Thunderbolts Off to Tripoli

FRANKFORT ON THE MAIN, Germany, Aug. 18 (AP)—A squadron of sixteen United States Air Force F-47 Thunderbolt fighters left Germany today for Tripoli to engage in "air to air" gunnery practice. This consists of shooting at targets towed by another plane. An Air Force spokesman said the combined long-range navigation and "air to air" practice would be carried out near a United States air base in Tripoli for lack of a suitable range in Western Germany.

Seek Leipzig Fair Permits

Germans Ask U. S. and Britain to Let Exhibits in Soviet Zone

FRANKFURT, Aug. 18 (AP).—German officials asked permission today for 836 factories in the American and British occupation zones to exhibit at the Leipzig Fair in the Russian-occupied area.

No decision was made. American and British officials have stopped train traffic to and from the Russian zone. An exemption would be necessary to allow trains to carry the exhibits to the fair.

Heirless Jewish Goods Sought For Charity

Nuernberg, Germany, Aug. 18 (AP)—An American drive to find and use for charity the heirless property left by Jews who died in Hitler Germany was inaugurated today.

Benjamin Ferencz, of Arverne, N.Y., was appointed director general of a new organization created by order of Gen. Lucius D. Clay to track down the property estimated in the millions of dollars.

Ferencz, 28, a lawyer, has been executive counsel of American war-crimes prosecution. He will be succeeded in this job by Alexander G. Hardy, of Cochituate, Mass.

The new organization is known as the Jewish Restitution Successor Organization (J.R.S.O.). It was established by Jewish charitable groups in New York as a special corporation to administer heirless Jewish property in the American zone of occupied Germany.

Ferencz will search for unclaimed Jewish property, certify it to the New York J.R.S.O., and administer it for whatever purpose is designated.

Hungarian Fliers Win Haven

VIENNA, Aug. 18 (AP)—Three Hungarian mechanics who seized a transport plane in Budapest Aug. 5 and flew it to the United States zone of Austria have received political asylum from United States authorities. The plane, which was warming up before leaving for London with Hungarian Olympic competitors, has been returned to its owner, the Hungarian-Soviet National Air Lines.

TITO COMRADE SHOT DEAD BY BORDER GUARD

Yugoslav Ex-Army Chief Reported Fleeing Toward Soviet

Belgrade, Yugoslavia, Aug. 18 (AP)—The former chief of staff of the Yugoslav Army has been killed in an attempt to flee across the border into Romania, the Government said today.

He is Gen. Arso Jovanovic, about 42, who was associated intimately with Marshal Tito in the days of partisan warfare against the Nazis.

The escape was the latest in the developments following the Cominform's attack on Tito and his "nationalistic" policies.

It touched off unofficial speculation in foreign diplomatic quarters that Jovanovic was trying to make his way to Russia, perhaps to head up an external movement with Soviet support against Tito's Government. The Ministry of Interior disclosed no reason for the escape in giving the account to the newspapers.

Killed By Border Guard

Borba, official organ of the Communist party, and other Belgrade newspapers said Jovanovic was killed by a border guard shortly after midnight August 12 in the District of Vrsac near the Yugoslav-Romanian border. They added:

Jovanovic and three others were hustling toward the border when the guard accosted them. They said they were in the area hunting wild boar.

One of the party pulled out a pistol and fired at the guard. The guard fired back, killing Jovanovic and another identified as Svetolik Arabjac, manager of a state farm in Montenegro.

The accounts said Maj. Gen. Brancko Petricevic had been captured and that a fourth member of the party, Col. Vlado Dapcevic, "probably" managed to escape to

30.24-19849

Romania.

Took Course In Russia

Speculation that Jovanovic might have been trying to escape to the Soviet Union stemmed in part from the fact that he had gone to Russia for a special military course after leaving the post of Yugoslav army chief of staff. He held that high office four years.

Jovanovic was a former high-ranking officer in the pre-Tito Yugoslav Army who made the shift to the new regime and preserved his status.

After the Royal Yugoslav Army collapsed in 1941, he returned to turbulent Montenegro and began organizing a resistance movement by the Partisans.

That work led ultimately to the close association with Tito.

Jovanovic was a well-known writer on military affairs.

Slav Army Man Shot In Escape

Belgrade, Yugoslavia, Aug. 18 (AP)—*Borba*, official organ of the Yugoslav Communist party, reported today that Arso Jovanovic, former chief of staff of the Yugoslav Army, had been shot and killed in a pre-dawn attempt to flee to Romania.

The report said Jovanovic and three others attempted to get across the border six days ago while pretending to be on a wild-boar hunt. It said border guards saw the group hustling toward the border at about 2 A.M. August 12 and opened fire when one of the fleeing group started shooting after being ordered to halt.

One Was Caught

"In self-defense," *Borba* said, "the guards fired back, killing two. The other two tried to escape to the Romanian border. One was caught before crossing."

The paper said that from papers found on the bodies it was established that one of the dead was Col. Gen. Jovanovic, one of Premier Tito's top-ranking military men. The other was identified as Svetolik Arabjac, state property manager for the district of Vrsac, near the frontier.

The captured man was identified by *Borba* as Maj. Gen. Brancko Petricevic. The paper said that Col. Vlado Dapcevic "probably managed to escape."

Red Bloc Votes Danube Pact

It Provides Their Exclusive Control—Western Powers Refuse to Sign.

Belgrade, Aug. 18 (A. P.).—Eastern Europe's Communist bloc voted itself exclusive control over the Danube River today and the Western Powers officially recorded their refusal to heed the decision.

The vote of the conference was 7 to 1 to accept the Russian-drafted pact posting a "Danube for the Danubians" sign over the Continent's most important waterway. The United States voted against it. Neither Great Britain nor France voted.

The United States accused Russia of deception. The head of the American delegation charged that the Communist bloc of states had been used with "cynical" solidarity to achieve the Soviet aim.

Although they remained in the room both British and French representatives vacated their places at the conference table and took seats away from the horse-shoe-shaped table.

Western Powers State Stand.

One by one, the Western Powers had formally recorded their rejection of the Russian draft—a move made chiefly for the historical record since its formal approvel by the Soviet satellite majority is certain, probably early tonight.

The final vote reflected the solidarity of the Danubian bloc throughout the conference. In control of an international meeting for the first time since the war's end, the bloc voted more than 115 times, point by point, to push through the Russian plan.

The official draft of the conference document will be signed tonight by the seven approving Powers. There was no substantial change in the draft as it was presented originally by Soviet Deputy Foreign Minister Andrei Vishinsky.

Cannon Explains Rejection.

United States Ambassador Cavendish Cannon told the conference he could not accept a Russian free navigation pact as the basis for reopening the Continent's 1,800-mile trade waterway. Thus he joined Britain, France and Austria in saying no to the Communist-dominated countries' efforts to push through a convention which would exclude the Western Powers from any say of administration of the Danube shipping.

Cannon told the conference that "We think it (the pact) is a backward step in that it represents a new and determined effort to cut off certain Danubian States from their normal, indeed their essential, intercourse with the rest of the world."

He attacked the Russian claim that the treaty was designed to protect "the sovereign rights" of the Danubian States—Russia, the Soviet Ukraine, Czechoslovakia, Yugoslavia, Romania, Hungary and Bulgaria.

"That has a hollow sound," Cannon said. "One considers the economic price a nation pays when trade and intercourse are throttled to the advantage of a single powerful neighbor. It has a hollow sound when one considers the interference in the internal affairs of the States in this region in the last few years."

3 Nations Act To Shun Pact On Danube

SINGLETON

Belgrade, Yugoslavia, Aug. 18 (AP)—Britain, France and Austria formally notified the Danubian Conference today of their intention to reject a new Communist-written pact on control of the river's shipping.

The United States planned to take the same position later.

Their action came as the conference approached a final vote on approval of a convention which would give Russia and its Eastern European neighbors exclusive control over the continent's most important inland waterway.

Briton Raps Stand.

British Ambassador Sir Charles Peake said his government could not "recognize a new Danube convention which claims to place certain users of the Danube in a monopolistic position."

He said Britain came to the conference prepared to negotiate "a new and equitable" statute but had been disappointed by Russian refusal of all attempts at compromise and Russia's effort to "ride roughshod over the rights and needs of other riparian powers."

Pauker Hits West

Adrien Thierry, chief of the French delegation, said Russia had put its plan through by a "disciplined majority."

He said France cannot subscribe to a convention imposed upon her and suggested the whole issue be sent back to the Council of Foreign Ministers for settlement.

Romania's Foreign Minister Anna Pauker said the conference "is ending as it began—with the real interests of the Western powers only in their acquired rights on the Danube."

"Our only interest is in the welfare of our own people," she said.

Czech Paper Prints Letter Hitting Tito

Prague, Czechoslovakia, Aug. 18 (AP)—The Communist party newspaper *Rude Pravo* published an open letter today blasting Premier Marshal Tito and the Yugoslav Communist party. It said the letter had been signed by eleven employés of the Yugoslav Embassy. The embassy denied the signers were employed there.

The embassy said the signers were "minor officials of some Yugoslav trade delegation in Czechoslovakia and not one of them has diplomatic status."

The embassy said that "at the moment" no protest was planned over the letter, which was addressed to the Central Committee of the Yugoslav Communist party.

The letter blamed the Tito regime for "trying to split the United Democratic Front and reduce the Yugoslav party from the path of internationalism."

Publication of the letter was another indication of worsening Czech-Yugoslav relations. On August 2 the Czech Interior Ministry banned tourist travel to Yugoslavia. No Yugoslav newspaper has been on sale in Prague since August 1.

Greeks Sever Rebels' Front

Athens, Aug. 16 (AP)—Front dispatches said today the Greek Army cut the shrinking 10-mile Grammos mountain front in two today with capture of the village of Skyrtsi.

Athens newspapers printed unconfirmed reports that Markos Vafiades, Greek guerrilla leader, had withdrawn from Greece to Nikolitsi, a town 4 miles inside the Albanian border. The reports said Vafiades took his "Free Greek" government and military staff with him.

Previous reports that Vafiades had fled from northern Greece have not been confirmed in official quarters. Some sources believe he will not leave Greece but attempt to establish new headquarters in rugged frontier territory still outside Greek Army control.

Seek To Check Resistance

The Greek Foreign Ministry said it had asked United Nations Secretary General Trygve Lie to request Albania to close her borders against fleeing guerrillas and to intern all inside Albania.

The Greek forces were making a frontal assault on the main Grammos ridges in an effort to beat down remaining guerrilla resistance. Press dispatches said the first converted United States C-47 plane was used successfully as a bomber in the central sector, with hits scored on a munitions dump.

Soon after the capture of Skyrtsi, the Greek Army seized Pisteria in the center of the guerrillas' perimeter. A military spokesman said the capture of Pisteria opened the gate to the heart of the remaining guerrilla-held territory.

A dispatch from Greek 2d Corps headquarters at Kozane said the rebels now have been crowded back into an area of only 9 square miles.

Offensive Believed Near End

Greek officers there said the Grammos mountains offensive was "nearly over." Col. James F. Brittingham, of Baltimore, chief of the joint United States military advisory group attached to the 2d Corps, said the offensive will be brought to a victorious end within ten days. Brittingham explained that the guerrillas still appear to have a substantial amount of arms and ammunition.

There are believed to be 5,000 guerrillas still in the Grammos area. Greek and American officers said they thought a majority of the rebels will seek refuge in Albanian territory.

Greeks Start Direct Attack In Grammos

Athens, Aug. 18 (AP)—A general staff spokesman said today that the Greek Army has launched a frontal assault on the main Grammos mountain ridges, last major stronghold of Communist Leader Markos Vafiades.

The Foreign Ministry announced it had sent a cable to Trygve Lie, United Nations secretary general, asking that Albania be required to close her borders to fleeing guerrillas and intern all inside her country.

Meanwhile, the Ministry of Information said today that five more persons have been detained for questioning in Salonika in connection with the murder of George Polk, American radio correspondent.

The Ministry identified the five as the mother of Gregory Stathopoulos, Greek newspaper man, and four employés of the hotel in Salonika where Polk stayed before his bullet-pierced, trussed-up body was found in Salonika Bay last May 16.

Six Quizzed On Slaying Of American In Greece

Athens, Aug. 18 (AP)—The Greek Press Ministry said today that six persons were being held for questioning in connection with the slaying of George Polk, American radio correspondent.

Polk's bound and bullet-riddled body was found May 16 in Salonika harbor.

The ministry identified the six as Gregory Stathopoulos, a Greek newspaper man, his mother and four employés of a Salonika hotel where Polk stayed.

A prosecutor said the six were being detained but were not under arrest. He said they were being held in order to keep secret their questioning.

MOSCOW TALKS END IS REPORTED NEAR; PARIS PESSIMISTIC

Informant in Soviet Capital Talks of Top-level Session Some Time in Future.

Moscow, Aug. 18 (A. P.).—The four-Power talks in Moscow are nearing an end, it was learned on excellent authority today. The informant refused to say whether the conversations would or would not end with published agreements, but it appeared certain that there will be, at some future date, four-Power talks on a high level on the German problem as a whole.

There certainly will be another meeting of the American, British and French envoys with the Soviets later this week, probably on Friday. There is nothing definite on whether this is to be the last or the next-to-the-last conference to be held on the Berlin crisis, but, barring some unexpected development, the end is at hand. The three Western envoys have put in some long hours and hard work in and between their six talks with Foreign Minister Molotov since July 31.

[In Paris today persons close to the French Foreign Ministry said they are increasingly pessimistic about the talks in Moscow. The talks have failed to produce agreement on the issue of a unified currency for Berlin, which, they declared, was the first item taken up with Molotov. They scoffed at the idea that Molotov had presented any new proposals, expressing the belief that the meetings have degenerated into the familiar bickering of previous four-Power conferences.]

It is interesting to note that neither optimism nor pessimism is being expressed at any of the three embassies. One informant said: "One must wait until the final terms are in and definitely settled. It is pointless at this time to wager either way on conclusions." Technicalities are believed to be holding up agreements, but it can be stated on good authority that progress has been made here. The three embassies are all refusing to deny or confirm or even to comment on reports.

From another authoritative informant it was learned that one of the principal stumbling blocks is the idea of a separate West German Government. The action on that project by the six Western Powers at London displeased the Russians, and it is no secret to what extent their feelings have been aroused on that subject. Berlin, it is said, still remains a problem, but not so complex a one as might be believed.

Meanwhile today United States Ambassador Walter Bedell Smith conferred at the French Embassy with the French Ambassador Yves Chataigneau.

BIG 4 PARLEY MOVE LIKELY

Moscow Believes Agreement To Discuss Germany Near

Moscow, Aug. 18 (AP)—Western diplomats and the Soviet Union appeared today to be nearing agreement on the calling of a four-power top-level conference on the whole problem of Germany.

A reliable source said the current talks on East-West differences were drawing to a close.

Would Be Seventh Meeting

Walter Bedell Smith, United States Ambassador; Yves Chataigneau, French Ambassador, and the British representative, Frank Roberts, were expected to meet with the Russians again—probably on Friday.

This would be the seventh meeting in the Kremlin since the diplomatic discussions started on July 31.

[French Foreign Office sources in Paris were hesitant to predict a new four-power foreign ministers' conference as a result of the Moscow talks. These sources said that even if a conference is arranged they have little hope of it producing any real results.]

Technical difficulties are believed to be holding up progress and agreements in the Moscow talks, but it can be reported on good authority that progress has been made.

One of the principal stumbling blocks is reported to be the Western powers' action toward establishing a separate government in their occupation zones of Germany.

The Russians have expressed vigorous opposition to a West German government. The three Western powers and Germany's smaller neighbors—Belgium, the Netherlands and Luxembourg—are supporting the plan.

Berlin Remains Problem

Berlin remains a problem, but not as complex as one might believe. The Western powers and the Soviets are not too far apart on this subject, it is reported.

While progress has been made there has been neither pessimism nor optimism expressed at the three Western embassies. Said one informant:

"One must wait until the final terms are in and definitely settled. It is pointless at this time to wager either way on the conclusions."

Although the four powers may reach some decision here this does not mean a published agreement will appear at the close of the talks.

Ambassador Smith called upon Chataigneau today at the French Embassy, presumably in connection with the four-power conversations.

White Russian Farm Called 'Snakes' Nest'

Moscow, Aug. 18 (AP)—*The Literary Gazette* today labelled Reed farm and the Tolstoy fund in the United States a "snakes' nest."

Discussing Countess Alexandra Tolstoy and her connection with the Kosenkina case, Writer Andrei Kozhin declared that since the end of the war the Tolstoy fund has been preparing "spies and diversionary agents against the U.S.S.R."

[Countess Tolstoy operates Reed Farm, in New York State, as a White Russian retreat with funds from the Tolstoy Foundation, set up to honor Russian novelist Leo Tolstoy.

[Mrs. Oksana, Stepanovna Kosenkina, a Russian schoolteacher, was taken from Reed farm by Russian consular officials on August 7, five days later she leaped from a third-story window of the consulate in New York city and now is in a New York hospital.]

Urged War On Reds

Before the war, Kozhin wrote, Countess Tolstoy, in an address at Harvard during the post-Munich pact period, called for "war, war, war" against Russia. He said she earned a rebuke for this from Henry Wadsworth Longfellow Dana, Harvard specialist in Russian literature.

In addition, Kozhin wrote, Countess Tolstoy was heard to tell friends in 1941, when Germans occupied the Count Leo Tolstoy estate near Tula, "Thank, God, at last in my father's study there will be sitting cultured people."

DICTATORSHIP PLAN IN CHINA IS DENIED

Hollington Tong Contradicts Rumor That Chiang Expects to Set Up Rule by Decree

NANKING, Aug. 18 (AP)—A report that President Chiang Kai-shek would cast off China's new cloak of democracy and rule by dictatorial decree in the deepening crisis was denied officially today.

The denial came against a backdrop of a new drastic order from President Chiang's Cabinet banning strikes and student demonstrations.

The report was published in the Chunghwa Times, recently established organ of the so-called "Reformist" clique of Kuomintang (Government party) legislators and a number of Youth Corps leaders.

The Chunghwa Times said that President Chiang would return from the summer capital of Kuling and issue an emergency order placing the whole nation in a virtual state of siege. Thus he would rule by decree without the help of the national legislature, the Legislative Yuan, elected in February and convened last May.

Asked about this, Government spokesman Hollington Tong told a reporter:

"That report is untrue. The President may return to Nanking soon, but it will be to handle national affairs which require his attention and will be without special significance."

President Chiang has been at Kuling, a mountain top resort, meeting with high civilian and military officials, apparently on means of finding a way out of the morass of civil war and inflation.

All sorts of speculative reports have come from Kuling. The one about President Chiang's assuming what amounts to dictatorial powers have been circulated in Nanking for a week. There was no hint of confirmation.

In fact, most informed observers here point out that President Chiang doesn't have to resort to such an expedient. He already has emergency powers granted by the elective National Assembly which set up China's constitutional government this spring.

He has been using these powers more and more. With the Legislative Yuan in recess, he unquestionably makes the final decision on all important military and economic matters.

Even before the ban on strikes and demonstrations the Government had been stiffening security measures.

Most observers believe that President Chiang, who made much of China's arrival at constitutional age this spring, has no desire at the moment to assume any greater authority than he already wields.

Reds Attack Railway

PEIPING, China, Aug. 18 (AP)—Chinese Communists, who escaped westward from a trap set by Government troops in eastern Hopeh province, attacked the Peiping-Jehol railroad south of the Great Wall, it was reported today.

The Reds, Government sources said, lost two battalions (about 5,000 men) in an attack on Kupeikow, seventy miles northeast of Peiping. Prisoners included two Red commissars.

Scattered bands of Communists damaged the railroad at points twenty to forty miles northeast of Peiping.

Trains out of Peiping to Jehol today were stopping twenty miles from here.

In Nanking six former Communist officers who surrendered to Government forces told a news conference sponsored by the Defense Ministry today that residents in Communists areas were growing restless under Red restrictions placed on them.

Return Of China To Dictatorship Is Indicated

Shanghai, Aug. 18 (AP)—China, its constitutional democracy still shiny with newness, is on the verge of returning to a dictatorship.

The Young China party newspaper said today in a joint dispatch from Nanking and Kuling, the summer capital, that President Chiang Kai-shek will resume absolute power.

He will rule China by decree under special authority granted him for use in event of national emergency, the dispatch said.

Student Demonstrations Hit

And in Nanking, China's executive Yuan announced an absolute ban on student demonstrations—denying even the right of petition—and on strikes or other labor actions that would hinder production.

The order also permits search of private homes without warrants if there is evidence of "subversive activity."

[A report that Chiang would return from Kuling to assume what amounts to dictatorial powers has been bouncing around Nanking for a week.

Observers' Reaction

[While increased use of emergency powers granted Chiang by

30.24- 19851

the National Assembly has been under study in various Government circles, most Nanking observers feel that he has no reason at this time for him to assume any greater authority than he normally wields.

[Asked to comment on the report that Chiang was returning to Nanking to issue orders placing the whole nation on an emergency basis, Governmen tspokesman Hollington Tong said: "That report is untrue. The President may return to Nanking soon, but it will be to handle national affairs which require his attention."]

The Young China (minority) party newspaper quoted Nanking sources as saying that the civil war with Communists and the economic situation were too critical to be met "by China's present synthetic democracy."

Effective Last May

The constitutional democracy became effective only last May, although the constitution was approved last Christmas.

The paper said the scheduled September session of China's elected Legislature would probably be postponed, democratic processes adjourned and one-man rule restored indefinitely.

Generalissimo Chiang was reported returning from Kuling to Nanking immediately and ready to put through an emergency order to assume supreme power, probably within two days.

Stuart Notified

United States Ambassador J. Leighton Stuart has been notified of the plan and informed of the situation causing its adoption, the paper added.

It said the present "dire" war and economic situation were aggravated by partisan quarrels within the Kuomintang (Government party) which have "undermined" and "virtually paralyzed" China's legislative body.

Recent moves within the Kuomintang to bring about a reform program broke down into a succession of fights among the party's cliques.

Legion Posts Grow

Manila, Aug. 18 (AP)—Reactivated posts of the American Legion in the Philippines have a membership of 1,010, highest in history, Marc A. Stice Philippine department head says. Seven posts are in existence.

3,588 More Bodies Leave Today

Manila, Aug. 18 (AP)—The United States Army transport Sergt. Morris E. Crain will leave tomorrow for San Francisco with the bodies of 3,588 American war dead aboard for burial in the United States.

10 Communists Die In Malay Battles

Singapore, Aug. 18 (AP)—British forces killed at least ten Communist insurgents in Malaya today.

Gurkha troops and British police killed six in a sharp clash with a band of 40 insurgents in Negri Sembilan state. One American carbine was captured—the first piece of American arms to be seized in the revolt. The gun probably either was parachuted to anti-Japanese underground forces during the war or was smuggled from China or the Philippines.

In Johore state, police and a band of 30 insurgents traded shots. Four insurgents and one policeman were killed. One policeman was wounded.

Elsewhere, insurgents killed three Asiatic civilians.

TRUCE BREACH BLAME IS FIXED

U. N. Man Says Both Sides Are Guilty in Jerusalem.

Haifa, Aug. 18 (A. P.).—The chief of staff of the United Nations truce commission, Gen. A. Lundstroem, considers the recent shooting affrays in Jerusalem violations of the truce by both Arabs and Israelis, it was learned here today.

Lundstroem, it was reported, has sent a report to that effect to the United Nations mediator, Count Folke Bernadotte, who is now in Stockholm attending an international Red Cross conference.

U. N. truce headquarters said one of its planes was fired on this morning while parking on Kauandia Airfield. The report said four shots were fired at the white-painted craft from an area east of the field controlled by Arabs.

[An Israeli Army source said today Arabs lobbed a number of shells toward Israeli positions around southern Jerusalem last night. The informant added that machine gun duels took place in the Damascus Gate area in the northeastern section of the town.]

Trying for Truce.

U. N. truce observers are attempting to arrange a "no fire period" by both sides in order to enable observers to visit Government House where heavy firing has been going on. A U. N. headquarters report received here from Jerusalem today said the "Jews have agreed, but no answer has been received from the Arabs as yet."

In Jerusalem a Swiss nurse in Hadassah Hospital told newspaper men yesterday she did not know how many Red Cross representatives were in Government House, former residence of Britain's high commissioner.

[The Trans-Jordan Government announced from the capital at Amman late yesterday that Government House had been repossessed by the International Red Cross and that all the Israelis had withdrawn. The Trans-Jordan Legion requested the Red Cross to take measures to prevent future attempts by the Israelis to reoccupy the building.]

The zone is the last remaining Jerusalem headquarters of the Red Cross, which has evacuated two downtown areas because of Arab shell fire.

Sacrilege Charged To Jews

Jerusalem, Aug. 18 (AP)—Jewish soldiers were accused today by the pastor of a Greek Catholic Church in Jaffa of breaking into the church and carrying off religious objects.

In a letter to the apostolic delegate of the Vatican and other Christian leaders in Jerusalem, the pastor, the Rev. G. Rizik, said:

"We have always heard loud declarations on the part of the Jewish chiefs that they respect churches and religious heads. These acts do not correspond with these words."

There was no immediate comment from Israeli authorities.

Rizik said the "profanation of my church by Jewish soldiers occurred July 28 when the door was broken open." He said a number of religious objects were taken away and added:

"Furthermore they threw ikons of Christ and the Blessed Virgin into a near-by garden. When I took my complaint to the head of a police post nearest us, the soldiers mocked me and would not let me see their chief."

U. N. CONVOY FIRED ON

Tel Aviv, Aug. 18 (A. P.).—A United Nations Truce Commission spokesman said the leading jeep of a U. N. convoy from Tel Aviv to Jerusalem was fired on three times today from Arab positions near Latrun. The jeep, its three American officer passengers and the convoy all escaped hits from the machine-gun fire. The convoy got through. The spokesman said a protest will be lodged at once.

An Arab Legion officer at Latrun, where the Arabs during the war blocked the main road between Tel Aviv and Jerusalem, was quoted as saying the Arabs had not been informed the convoy was coming. The commission spokesman denied this, saying the Latrun Legion commander was told twenty-four hours in advance.

In the jeep were Lieut.-Col. Albert Perry, Taunton, Mass.; Capt. John D'Angelis, Nesquehoning, Pa., a survivor with Capt. Eddie Rickenbacker on the Pacific raft, and Major Sam C. Grashio, Spokane, Wash., a survivor of the Bataan death march.

Start Hunger Strike.

Tel Aviv, Aug. 18 (A. P.).—Five Irgunists jailed since the Altalena incident last June announced from their cells today they will begin a hunger strike tomorrow "to the finish." The announcement was made through Menachem Beigin, Irgun Zvai Leumi chief, who commented: "When they say it, they mean it."

The five men, now being held by the Israeli Government at Beisan Prison are: Peter Bergson (Hillel Cook), co-president of the American League for Free Palestine and Irgun's representative in the United States; Yaakob Meridor (Veniarsky), Beigin's chief military officer; Eliyahu Lenkin (Benjamin), Irgun's Jerusalem commander and European organizer; Amitzar and Moshe Hasson, military officers.

Abdullah Issues Plea

AMMAN, Trans-Jordan, Aug. 18 (AP)—King Abdullah of Trans-Jordan, in a message to other Arab rulers, has reported that Trans-Jordan is spending nearly £250,000 (about $1,000,000) a month for the relief of Palestine refugees. The message reminded the other rulers of "what you have promised" toward sharing the relief burden.

From Foreign Countries.

Amman, Trans-Jordan, Aug. 18 (A. P.).—Arab Legion headquarters said today that nine Israeli soldiers who surrendered on the steps of Government House in Jerusalem yesterday claimed to be from at least three foreign countries.

The statement said no Arab troops entered the building itself, out of respect for the Red Cross flag. It said they withdrew from the grounds, which formed a Jerusalem security zone, as soon as a Jewish occupation force which seized it the preceding night had been mopped up.

The statement said the Israeli prisoners reported that a majority of the attackers were members of Irgun Zvai Leumi (former Jewish underground group) but that the operation was under Haganah command.

"D-Day" Is Quiet

Rangoon, Burma, Aug. 18 (AP)—Rangoon was calm today, despite Communist pamphlets distributed last night proclaiming today as "D-Day" in the city.

The pamphlets, scattered in the market place and business area, warned the people to stay away from Government offices. They said the Communists intended to try "offenders" before a "people's court."

Anti-Kashmir Forces Take Skardu, India Says

New Delhi, Aug. 18 (AP)—A communique said tonight anti-Government forces have seized Skardu, 100 miles northeast of Srinagar, capital of Kashmir state.

An undeclared war has been in progress in Kashmir for months between forces favoring India and Pakistan. Kashmir is predominantly Moslem but its Hindu Maharajah acceded to India.

The announcement said anti-Government forces in great strength attacked Skardu and overwhelmed it Saturday, using howitzers in their assault. The Government said 200 Kashmir state forces had been guarding the town without adequate supplies since November and that contact with the garrison has been hazardous.

Dutch Talks Broken Off By Indonesia

Batavia, Java, Aug. 18 (AP)—The Indonesian Republic broke off today all negotiations with the Dutch delegation at a conference under the auspices of the United Nations Good Offices Committee.

The Republican delegation notified the Good Offices Commission of the decision by letter, which said all documents of the Republican Security Committee had been confiscated by Dutch police after a shooting incident at the Republican "National Home" here Monday night.

Officer Detained

In addition, the letter said, Lieutenant Colonel Soekandar, who witnessed the shooting incident, in which a policeman and a Republican youth were slain, is not permitted to leave the premises to attend a subcommittee session of the Security Committee.

The shooting affray occured as police broke up what they called an "unauthorized" independence eve celebration.

Action A Surprise

Dutch-Republican relations already were at a low ebb when the new development breaking off the truce discussions was reported to the Good Offices Committee.

Apparently it was unexpected. The committee already had decided to leave Monday for the interior to continue its mission.

Along with the breakoff of the talks, the committee also has received Dutch documents charging that officers of the Indonesian Republic were involved in opium trade and Republican countercharges on the shooting affray.

Official Blames Both Sides In Truce Breaks

[By the Associated Press]

Gen. A. Lundstroem, chief of staff of the United Nations Truce Commission in Palestine, blamed both Jews and Arabs today for renewed fighting in Jerusalem.

An Israeli army source said Arabs shelled Jewish positions around southern Jerusalem last night and, that machine-gun duels were fought in the northeast part of the city near Damascus gate.

Week-end fighting in the Holy City was the worst since the United Nations imposed its second truce last month.

Reports U.N. Plane Fired On

United Nations truce headquarters said one of its planes was fired on while landing on Kalandia airfield. The shots came from a near-by area controlled by the Arabs.

Aides of Count Folke Bernadotte, the United Nations Ualestine mediator, who is attending a Red Cross meeting in Stockholm, tried to arrange a "no-fire period" to visit Government House in Jerusalem, where heavy firing has been going on. The Jews agreed but the Arabs said nothing.

The Trans-Jordan Government said the International Red Cross has reoccupied the building and that Jews, who seized it, have withdrawn. Nine Jewish soldiers, mostly members of Irgun Zvai Leumi, surrendered on the steps of Government House yesterday.

Threaten Hunger Strike

Five other Irgunists, arrested after attempting to run an arms ship into Israel during the first truce, said in Tel Aviv that they will begin a hunger strike tomorrow "to the finish." The men are in Beisan Prison. They are Peter Bergson, copresident of the American League for Free Palestine and the Irgunist representative in the United States; Yaakob Meridor, Eliyahu Lenkin, Amitzar and Moshe Hasson.

The Israeli High Court ruled their detention was legal.

King Abdullah of Trans-Jordan called on other Arab states to help succor Palestine Arabs driven from their homes by the war. He said his country is spending $1,000,000 a month for their relief.

Shots Fired At Embassy Near Havana

Havana, Cuba, Aug. 18 (AP)—Police reported today that unidentified persons fired several shots late last night at the Russian Embassy in uburban Vedado.

Police said the assailants also hurled a bottle of inflammable liquid into the embassy garden, without doing any damage, and escaped in an automobile before the authorities arrived.

Two More Small Refugee Ships Reach New World

St. Johns, Newfoundland, Aug. 18 (AP)—Two more parties of European refugees have arrived in the new world after perilous crossings of the Atlantic in small vessels.

Seventy-five Estonians and Poles arrived here late last night aboard the 63-ton vessel Ostervag, after navigating from Stornoway, Scotland, by watch, compass and an old-fashioned sextant. The crossing took twelve days.

Another group of fifteen Estonians dropped anchor off North Carolina after an eight-week crossing in an auxiliary fishing craft.

Cleared Only For Sweden

The Ostervag party made the trip against the advice of mariners and customs officials in Scotland who cleared the ship only for Sweden, whence it originally sailed.

One passenger said he had quit a good job in Sweden because of fear the Russians would order the Swedes to hand over Poles and Estonians, whom they now consider to be Soviet citizens.

The Ostervag carried fifteen children. It is believed that the party will follow the course of the Estonian motor fishing boat Astrid which arrived in Quebec on Saturday with 20 Estonians after stopping off here. The Astrid left Stornoway on July 17.

Under Surveillance

The other refugee party dropped anchor off Southport, N.C., last night. The fifteen voyagers said they were seeking a new life in America.

They were members of three families. Through their skipper they issued a statement that "we would rather die than go back" to their Russian-dominated country.

They said they had comfortable homes in Estonia, "but we couldn't stand it any longer."

The Estonians were placed under quarantine and were not permitted to leave their boat pending a review of their case by immigration authorities.

Marshall Due to Sail For Paris on Sept. 19

Washington, Aug. 18 (A. P.)—Secretary of State Marshall stated today that he is going ahead with plans to head the United States delegation at the September session of the U. N. General Assembly in Paris. Tentative plans call for his departure on September 19.

EX-GOVERNMENT WORKERS TO FACE HOUSE PROBERS

Trio Will Be Questioned About Activities of Hiss, Chambers

TEACHER 'CRITICAL'

Mrs. Kosenkina Is Given Transfusion; All Visitors Barred

WASHINGTON, Aug. 18 — (AP) The House UnAmerican Activities Committee called three new witnesses today to answer some of the new questions raised in the red spy investigation.

Rep. Nixon (R-Calif) told reporters that three former government workers who knew accused Alger Hiss and accuser Whittaker Chambers during the 1930's will be questioned here Friday and Saturday. All three are from New York, he said. The hearings will be behind closed doors.

Discuss Other Witnesses

Nixon held an informal news conference on returning from New York, where he had spent the day talking to other witnesses "on corroborative features of the case." He declined to identify the witnesses.

Chambers has sworn that Hiss belonged to a pre-war Red underground in Washington. Hiss—also under oath—has denied it; said he isn't a Communist and never has been.

Hiss is head of the Carnegie Foundation for International Peace. Before that he was a State Department official, and in 1945 served as secretary-general of the conference which founded the United Nations.

Chambers, now a senior editor of Time Magazine, has testified he was a Communist from 1924 to 1937, and for several years served in its underground, where he met Hiss.

The investigating committee brought the two key witnesses together last night in a New York hotel room, where Hiss recalled having known Chambers briefly, he said, about 13 years ago, under a different name.

This took the committee off the anxious seat. Hiss and Chambers, testifying separately, had flatly contradicted each other, Hiss claimed he knew no such Chambers. Some members had feared the investigation would suffer a blow if it turned out that Hiss had never known Chambers at all.

Staff Returns

Rep. McDowell (R-Pa) and the committee's investigating staff returned, here however, and immediately went to work.

They were hunting for people who knew Hiss and Chambers in 1934 and 1935. They also wanted to find people who worked with Hiss on the staff of the munitions investigation committee headed by the former Senator Gerald Nye, North Dakota Republican, in 1934.

Their search also took in real estate companies which might have handled lease papers involved when Hiss said, he sub-let his Washington apartment to Chambers in the winter of 1934-1935.

Chief investigator Robert E. Stripling told reporters his staff had been "unable to find" any such lease, but he added:

"We are checking everything. We are trying to get every possible fact."

Hiss-Chambers Link Hailed By Spy Probers

Washington, Aug. 18 (AP)—Congressional spy probers pointed jubilantly today to a 1934-35 link between Alger Hiss, former State Department official, and Whittaker Chambers, avowed one-time member of a Red underground.

Hiss himself admitted the connection by identifying Chambers as a man he knew years ago as "George Crosley" and as a free lance writer.

That happened yesterday in New York, before members of the House Un-American Activities Committee and again at a news conference called by Hiss.

Never A Red, Hiss Insists

Previously, Chambers had testified under oath that Hiss was a member of the prewar Red underground Chambers insisted had operated in Washington. And Hiss, also under oath, denied it. He denied, too, knowing anyone by the name of Whittaker Chambers. He said he could not identify Chambers by a picture.

Hiss still is sticking to his statement that he is no Communist and never has been.

But committee members said they are on stronger ground now that Hiss admits he knew Chambers at one time. Some of them had been saying their investigation would be hurt badly if it developed that Chambers actually never had known Hiss.

Says Hiss Wept At Plea

Hiss now is head of the Carnegie Foundation for International Peace. Chambers is a senior editor of *Time* magazine.

Chambers told the committee on August 3 that he joined the Communist party in 1924, quit in 1937 and for several years between served in its underground, mainly in Washington.

He listed Hiss as one of the members of this underground "apparatus." He said its original purpose was to infiltrate the Government, but "espionage was certainly one of its eventual objectives."

Chambers said that when he turned against the Reds, he went to Hiss's home to urge him to break with the underground. He said Hiss wept but refused.

Face To Face In Hotel

Hiss put in his denials to the Chambers charges on August 5.

The committee for the first time brought the two of them face to face yesterday afternoon in a New York hotel room. Representative Nixon (R., Cal.) said afterward that Hiss "positively identified" Chambers.

Hiss told reporters later that at the meeting Chambers said:

"Alger, we were both Communists."

Hiss said he threw up his hands at that and denied again to the committee that he was a Red.

Outlines Relationship

This was the way Hiss outlined his relationship with the man he said he knew as Crosley:

Fifteen years ago, "Crosley" asked him for some material for magazine articles. Hiss at the time was a legal assistant to the Senate Munitions Investigating Com-

30.24- 19853

mittee. (The committee was headed by former Senator Gerald P. Nye, North Dakota Republican).

During the winter of 1934-35, he saw Crosley ten or eleven times. He said he sublet an apartment to Crosley and that Chambers conceded last night he was in Hiss's apartment that winter.

Hiss said Crosley failed to pay the rent, and they parted on "not very pleasant terms."

This was not long before Hiss went to the State Department. Later, in 1945, he served as secretary general of the conference which founded the United Nations.

Lie-Test Answer Due

In their first appearances before the committee, Chambers and Hiss both spoke so convincingly that members said they didn't know which one to believe. Some said one or the other ought to be prosecuted for perjury.

Then last Monday, Hiss was questioned again. The committee proposed a lie-detector test. Hiss said last night he would mail his answer today.

The members and staff of the committee raised their right hands and took an oath not to tell about the lie-detector suggestion. When word of it leaked into the newspapers, members got into a row. That dissension still is simmering so hotly it may boil up into an open fight.

To Ask Probe Of Itself

One member who said he took the vow of secrecy has promised to demand at the next meeting that the committee investigate itself to find the source of the leak.

But Chairman J. Parnell Thomas (R., N.J.) rejected the idea of such an inquiry.

"We are investigating espionage," he told reporters.

In a statement issued through his office here, Representative Klein (D., N.Y.) asked:

"Why doesn't the chairman put his staff of supersleuths to work to find out who is feeding unauthorized statements to favored individuals in the Washington press corps? Is there a third spy ring in the inner circle of the Committee on Un-American Activities?"

Klein Charges Politics

Klein said the committee has been playing politics. He said it and its members have been issuing "wild and irresponsible statements" to meet newspaper deadlines.

These, he said, "are doing more to destroy faith in the American form of government than anything the committee has managed to 'expose' in its whole circus of unsubstantial and unsubstantiated charges." Klein is not a member of the committee.

Yesterday afternoon, Thomas, Nixon and Representative McDowell (R., Pa.) hopped a New York train to bring Hiss and Chambers together. Chief Investigator Robert E. Stripling and four other members of the committee staff went along.

Nixon telegraphed word back to Washington of the meeting in the Commodore Hotel.

Nixon's Telegram Quoted

"This," he said, "is probably one of the big stories of some time.

"Alger Hiss testified before an executive session of the committee in New York today and he positively identified Whittaker Chambers as a man he had known under another name.

"The impression given to the public was that he (Hiss) had never known this man at all. This identification today is a direct contrast with that impression."

Nixon said Hiss indicated he had known "George Crosley" over a two-year period and that it "certainly was considerably more than a passing acquaintance."

Chambers, Nixon said, held to a story that Hiss knew him under his Communist party name of Carl. He said Chambers did not recall using the name of George Crosley.

Hiss Gives His Version

Hiss in his own version to reporters said:

"I asked him if he had been known to me as Crosley and he said no."

When he saw Chambers' photograph in Washington, Hiss said, there was something "vaguely familiar." Last night he said he noticed a change in the facial appearance.

"He might as well have had his face lifted," Hiss remarked.

Furthermore, he said, Chambers's voice seemed slightly higher.

The New York meeting, Nixon said, was simply to make sure there was no case of mistaken identity in advance of open hearings at which the two men again will meet face to face. These hearings are billed for Washington on August 25.

Full Resumption Sept. 7

And for September 7, the committee has scheduled a resumption of full-scale hearings into reports that Red spy rings extracted wartime secrets from Government officials and sent them to Moscow.

United States Won't Sign Pact.

Washington, Aug. 18 (A. P.).—Secretary of State Marshall said today that Ambassador Cannon has been instructed not to sign the new international convention for control of the Danube River which Russia and the Soviet satellite states pushed through at Belgrade. Cannon heads the United States delegation at the Danube conference. Marshall said he had just been advised that the representatives of the other Western states also have refused to sign the Russian-drafted agreement.

Note Replying to Russian Protests in Tutor Cases Is Due in 24 Hours.

U. S. TAKES SERIOUS VIEW

Secretary Cites Mrs. Kosenkina's Action—He Is Silent on Lomakin Recall.

Washington, Aug. 18 (A. P.).—Secretary Marshall said today that evidence reported to the State Department does not sustain Russian charges against the United States authorities in connection with the refugee school teacher cases in New York.

Marshall told a news conference a formal answer will be given within the next twenty-four hours to the Russian protests. He said the United States views with serious concern the charges made by Representatives of the Foreign Power involved in the New York incidents. He did not mention Russia specifically by name.

Voluntarily discussing the school teacher cases, Marshall said available evidence does not bear out the Soviet protests.

Cites Kosenkina Case.

The secretary said this is true especially since one of the teachers, Mrs. Oksana Stephanova Kosenkina, by her own actions refutes the charges.

Mrs. Kosenkina jumped from a third-floor window of the Soviet consulate in New York last Thursday to escape from her hosts. Marshall has said previously she and the other teachers involved, Mr. and Mrs. Mikhail Samarine, would be given asylum in this country.

The Russians have demanded that the United States hand the three over to the Soviet. Among other things, the Russians have accused American authorities of conniving in "kidnaping" the teachers, whose own claims are that they prefer to live here rather than go back to Russia.

Marshall said a note answering the Soviet is in preparation, based on reports from authorities in New York.

To Panyushkin.

The note will be made public after it is delivered to the Soviet, Marshall said. Presumably it will be given to Russian Ambassador Alexander S. Panyushkin in Washington.

Panyushkin made three of the four Soviet protests here. The other was made by Soviet Foreign Minister Molotov to United States Ambassador Walter Bedell Smith in Moscow.

Marshall gave a "no comment" reply when asked whether the American reply to the Russians might include a request to Moscow to recall the Russian Consul-General in New York, Jacob M. Lomakin.

Under Consideration.

Such an action is known to be under consideration by Marshall's top advisers in the State Department.

Justice Samuel Dickstein of the New York Supreme Court discussed the Kosenkina case today with Marshall's legal adviser, Ernest Gross. Before Mrs. Kosenkina leaped from the consulate window, Dickstein had ordered Lomakin to produce her in court. Lomakin ignored the writ.

Dickstein told reporters after meeting Gross that he wanted the department's views on whether Mrs. Kosenkina is now in technical custody of the Soviet Consul. He said Gross promised him a written statement this week.

"If she is still in technical custody of the consulate while in the hospital the writ of habeas corpus still holds," Dickstein said. "If she is not in the custody of the Consul General—and from what I can gather she is not—we can dispose of the whole case."

Position Is Plain.

Gross told reporters the State Department's position was made plain last week when Panyushkin filed his protests.

"When the Soviet Ambassador claimed the Consul-General had the right to keep the woman under his control, we drew the distinction between the right of the Consul-GGeneral to protect Soviet citizens and his right to control them," Gross said. "We flatly rejected the claim he had the right to control over Madam Kosenkina. However, as a matter of sound practice, Justice Dickstein is entitled to a formal staetment of our position."

In response to a question, Dickstein said he could hold Lomakin in contempt for failing to obey the order to produce Mrs. Kosenkina in court last Thursday before she jumped from the window. He added he will decide next week whether to take any further action.

Meanwhile, diplomatic authorities are puzzling over indications that the Soviet Union is closing all the schools it had operated in many communities for the children of its diplomats and other employees abroad. It was in connection with the closing of such a school in New York that Mrs. Kosenkina and her colleagues, Mr. and Mrs. Samarine, decided they would prefer to stay in this country rather than go back to Russia.

More Than 300 Left.

But on July 31 more than 300 Soviet citizens—mostly school-age children and their mothers—did sail from New York on the Russian motor ship Pobeda. Authorities here assume that a similar return to Russia is being required by the Soviet Government of many hundreds of dependents of Russian diplomats and other employees around the world.

The Russian motive in all this is what has official Washington puzzled. Most speculation centers on the possibility that the Russians want to prevent the "contamination" of their school-age children by any contact with Western democratic ideas.

Another possibility often suggested by diplomats, however, is that by having the wives and children at home, the Soviet Government, in effect, holds them hostages against any desire of Russian diplomats to renounce Communism.

The Russians operated two schools in this country, one in Washington for embassy personnel, and the other in New York for the consulate staff and the Soviet delegation to the United Nations.

Mrs. Kosenkina and the Samarines, in deciding to remain in the United States, followed the example of possibly thousands of other Russians elsewhere. Officials said today the figure actually might be in the hundreds of thousands if account were taken of the Soviet soldiers who turned against Russia during the war and joined the German Army.

U.S. REBUKE TO RUSSIA SEEN

Marshall Stern In Expressing Views On Teacher Cases

Washington, Aug. 18 (AP)—Stern words from Gen. George C. Marshall, Secretary of State, today foretold a stinging American rebuke to Russia within 24 hours for dressing its pack of charges against the United States in the refugee schoolteacher cases.

At a news conference, General Marshall appeared fed up with the Soviet diplomatic and propaganda campaigns built around the cases of Mrs. Oksana Stepanovna Kosenkina and Mr. and Mrs. Michael

Ivanovitch Samarine, Soviet citizens who don't want to go back.

The United States, he said, views with serious concern the Russian charges against this Government and some of its officials involved in handling the refugee teachers. They have been promised United States protection.

Russ Charges Refuted

The concern arises, the Secretary said, from the fact that evidence placed in the hands of the State Department by New York police authorities does not bear out the Soviet claims. Moreover, he said, the action of Mrs. Kosenkina—who desperately jumped out of a Soviet consulate window last Thursday—itself refutes the Russian charges.

It was unusual for the Secretary, normally a stickler for secrecy at such times, to discuss the line of an American position 24 hours before it is formally expressed in a note to a foreign government.

His action apparently reflected the indignation felt by many officials here over Russia's repeated charges of kidnapping, connivance, imprisonment and the like against the United States in spite of numerous American denials and the action of the schoolteachers themselves. Both Samarine and Mrs. Kosenkina have voluntarily sought to remain here and the State Department has said they can do so.

Consul's Recall Weighed

Marshall left open at his news conference the possibility that the American Government may ask Moscow to recall Yakov M. Lomakin, Soviet Consul General in New York, because of his part in the Kosenkina affair. The Secretary replied, "No comment," when asked about Lomakin's future. A request for his recall on the ground that he is no longer acceptable in the United States is under consideration by the State Department.

Lomakin figured in another development here today when New York Supreme Court Justice Samuel Dickstein conferred with Ernest Gross, Secretary Marshall's legal adviser, on a case involving the Soviet consul. Dickstein said afterward that he had the power to declare Lomakin in contempt for failing to answer last week a writ directing him to produce Mrs. Kosenkina in court.

Lomakin claimed immunity from legal action and refused to answer the writ.

Dickstein said Lomakin couldn't be expected to turn her over to the court now, but technically she may still be in his charge and if so he is still legally bound to go into court and answer the writ.

May Be Cited For Contempt

If Lomakin persists in refusing to do so—as expected—he may be found guilty of contempt. Officials said if this happens, it could be a point in asking his recall.

It was Lomakin who removed Mrs. Kosenkina from the anti-Communist Russian Reed farm August 7 and took her to the New York consulate.

Marshall virtually forecast American rejection of all Russian arguments about the Samarines and Mrs. Kosenkina in four formal Soviet protests.

Three were sent or carried to the State Department by Soviet Ambassador Alexander S. Panyushkin. The fourth, to give it special punch, was handed directly to the American Ambassador in Moscow, Walter Bedell Smith, by Soviet Foreign Minister Molotov.

About the same time that Molotov moved into the dispute, the Soviets unleashed a propaganda campaign at home, accusing the American Government of high-handed denial of the rights of Soviet citizens and otherwise seeking to blacken the reputation of the United States inside and outside Russia.

Charge U.S. Spying

Then last week end, as suddenly as it had begun, the propaganda in Russia slackened, and then the Russians whipped out the alleged "spy" record of an American naval lieutenant, Robert Dreher. The State Department called it a complete frameup, dating back to last April, and said the story was released by the Russians to counteract the refugee schoolteacher cases.

Whatever the situation inside Russia, however, the Soviets in this country have persistently repeated the same line and backed it up with action where possible. In New York, consulate officials have repeatedly requested entry to Mrs. Kosenkina's hospital room despite previous denials on the ground the teacher did not want to see them.

Officials said it is this Russian refusal to take "no" for an answer, however, well-justified it may be, as well as Soviet persistence in plugging what authorities here consider self-evident falsehoods that seems likely to prod the State Department into writing one of the sharpest notes ever directed from Washington to the Kremlin.

Washington Hits Agreement As Bar To Free Shipping

Washington, Aug. 18 (AP)—The State Department assailed the new Russian-dictated Danube River convention today as evidence Moscow will continue its "enslavement" of the Soviet satellites in eastern Europe.

The convention regulating traffic on the waterway was adopted today in Belgrade by the votes of Russia and her satellite states. Delegates of the United States and other Western nations refused to sign it.

The State Department, in a bristling statement, said the new convention, drafted by Russia, was imposed by Russia with backing of the puppet states and "legalizes its monopoly of Danube shipping."

"Vested Interests" Charged

"The actions of the Soviet delegation have made evident the determination of the Soviet Union to perpetuate its economic and political enslavement of the Danubian peoples," said the statement.

"Its refusal to accept provisions assuring genuine freedom of commerce and nondiscrimination shows that it intends to maintain vested interests which it has established for its own benefit through extortion from government imposed by force against the will of the peoples of its satellites.

"The Soviet Union has by its conduct at this conference closed one of the principal doors for East-West trade. The lip service which the Soviet delegation has paid to 'freedom of navigation' is shadow. It has no substance."

Will Defy Authority

The State Department served notice that the United States, "of course," will refuse to recognize the authority of any commission set up to carry out the new Danube control machinery. It added this policy will apply to those parts of Austria and Germany under American control.

"In the view of the United States, this instrument does not guarantee freedom and equality of trade," said the department. "It does not fulfill the mandate of the Council of Foreign Ministers."

The Belgrade meeting, at which eleven nations were represented, was called to put into effect a declaration made by the Big Four foreign ministers in the satellite peace treaties calling for freedom of navigation of the important Danube waterway.

Objections Outlined

Listing objections to the new convention, the State Department said it:

1. Destroys the whole concept of international waterways which has been public law of Europe for over 130 years.

2. Deprives Britain, France, Belgium, Greece, Italy and Germany of rights enjoyed under long-standing treaties. The United States regards them as still in force until terminated by agreement of all concerned.

3. The Soviet bloc disregarded vital interests of Germany and Austria in the Danube.

4. Russia, despite its own membership in the United Nations, refused to allow any association between the Danube administration and the United Nations.

This indictment was preceded by criticism of the manner in which "genuine negotiations" were rebuffed at Belgrade, "sometimes with the most abusive language."

U.S. PLANS TO SEND MORE OBSERVERS TO ISRAEL FRONT

WASHINGTON, Aug. 18—(AP) The United States, France and Belgium are preparing to send 300 more unarmed military observers to Palestine in an effort to 'make' the truce between Arabs and Jews effective.

Secretary of State Marshall disclosed this at a news conference today in announcing that the United States has agreed to supply 125 enlisted men. They were asked for by Count Folke Bernadotte, the United Nations mediator. France also is to send 125, and Belgium 50.

Will Double Number

Their arrival will double the number of observers the three powers have on the scene to help Bernadotte in his truce effort, particularly to exclude Jerusalem from the fighting.

Truce observers already in the Holy Land are virtually all officers from the armed forces of the three western nations. They are unarmed, as will be the new supplementary group of enlisted men.

Marshall disclosed that the United States has turned down a proposal from Bernadotte for the United States to supply troops to carry out the truce agreement by force of arms if necessary. It was referred to the UN Security Council, which has yet to act.

Bernadotte has urged repeatedly that armed guards rather than unarmed observers be sent. Officials said that one recent proposal was that the United States, France and Belgium jointly send a force of about 2,000.

Probably Marines

Marshall told a news conference that some of the 125 enlisted men will come from American warships in the Mediterranean. They presumably will be Marines, though the secretary did not say so.

Several government agencies have under consideration Bernadotte's appeal for emergency aid for an estimated 33,000 Arabs and 7,000 Jews, refugees from the Palestine fighting. Marshall termed their plight very serious and expressed hope that American relief agencies will act.

Marshall is going ahead with plans to head the American delegation to the UN General assembly opening in Paris next month. He said he plans to leave September 19.

Harriman in Bizonal Job, Names Collisson Deputy

WASHINGTON, Aug. 18 (AP)—W. Averell Harriman, roving Ambassador for the Marshall Plan, today designated himself as chief of the special foreign aid mission to Germany's bizonal area and appointed Norman H. Collisson as his deputy.

Mr. Collisson, a special assistant to Secretary of the Interior J. A. Krug, managed all United States coal mines when the Government seized them to end the 1946 coal strike. He then was a captain in the Navy. During the war, he managed a number of Government-seized industrial operations and later took charge of Navy-operated refineries. Recently he headed a technical mission surveying German industries.

The arrangement was announced jointly by Mr. Harriman at the Paris headquarters of the Economic Cooperation Administration and the ECA here. The announcement said Mr. Harriman was assuming direction of the mission personally "because of the importance of the bizone in the over-all European economy." The mission's headquarters is at Frankfort on the Main.

Get China, Burma Study Grants

WASHINGTON, Aug. 18 (AP)—Several American graduate students, educators and research scholars have been given scholarships or grants for work in China and Burma, the State Department announced today. Included are Milton Gendel, New York City; Walter A. Rickedd and Mrs. Adele A. Rickedd, Yonkers; Richard Edwards, Rye; Ruth Ann Quinlan, Elmira, and Harriet Millis, New York City.

FORRESTAL DENIAL

Washington, Aug. 18 (A. P.).—Secretary of Defense Forrestal says he was not "summoned" home from a United States-Canadian celebration yesterday but returned according to plan.

When Forrestal left the Ogdenburg, N. Y., ceremonies marking the joint defense pact it was announced there that he had been recalled for an important conference at the White House. But Charles G. Ross, the President's press secretary, quickly said no such meeting was scheduled and that the report was "utterly cockeyed."

Forrestal said on his arrival here by plane that he had received no summons from President Truman and had planned all along to get home in time for dinner.

GOOD PROSPECTS SEEN FOR EUROPEAN CROPS

WASHINGTON, Aug. 18—(AP) Relatively favorable crop prospects continue in Europe despite recent severe storms which caused local damage, the Agriculture Department reported today.

Conditions prevailing Aug. 1 indicate a bountiful potato crop, an increase over last year in grains and better yields of most other crops, except oilseeds produced for vegetable oils.

The grain harvest in Europe, excluding Soviet Russia, is turning out about as large as the 1,450,000,000 bushels forecast a month ago. This compares with last year's very short crop of 1,015,000,000 bushels and a prewar average of 1,588,000,000.

Despite this increase over last year, Europe will again need large quantities of grains from other areas, particularly the United States, Canada and Argentina.

No estimates were available on grain and other crop prospects in Russia. But the department said that country's grain crops are not expected to differ much from last year, which was larger than the previous year.

Eisenhower Honorary Head Of Army Relief

Washington, Aug. 18 (AP)—Gen. Dwight D. Eisenhower was named honorary president of the Army Emergency Relief today by Kenneth C. Royall, Secretary of the Army.

Gen. John J. Pershing held the post from 1942 until his death last month.

Tracy S. Voorhees, Assistant Secretary of the Army, was named president. The organization was set up in February, 1942, to aid soldiers and their dependents through financial emergencies.

The president of Columbia, interviewed during a golf match here on his vacation, added: "If the Un-American Activities Committee wishes to investigate, they can come right up and see for themselves."

Eisenhower said it was not true that he said he was shocked at reports the House committee intended to investigate possible Red infiltration at Columbia and other schools.

"I'm getting awfully tired of being misquoted," he said.

Eisenhower said contacts he made with Columbia personnel showed him they were just as anxious about democracy and its future as he is.

Against Stateism Forms.

"I'm against all forms of Stateism," he said. "On the question of Communism, let's not be naive and foolish. On the other hand, let's not become hysterical.

"Because I'm so interested in democracy is the reason I took the position at Columbia. I want to do what I can to interest American youth in what we have here (in America)."

Asked if he would demand resignation of any members of faculty at Columbia who tended to support Communism, Eisenhower said he did not know enough about the rules of tenure to answer the question.

He said he has not yet met the entire staff, but those he had were "vitally interested in American democracy."

Eisenhower was accompanied to Colorado Springs by Cliff Roberts of New York. Also playing in the foursome were L. B. (Bud) Maytag and Ed Dudley, president of the Professional Golfers Association and pro at the Broadmoor course.

Eisenhower Invites Inquiry

Says Un-American Activities Unit Can Come to Columbia and See for Themselves.

Colorado Springs, Col., Aug. 18 (A. P.).—Gen. Dwight D. Eisenhower said today any congressional committee that wants to investigate Columbia University has a standing invitation to do so.

Estonians Give Thanks On Reaching U.S. Haven

Wilmington, N.C., Aug. 18 (AP)—Fifteen Estonians who crossed the Atlantic in a small boat today prayed thanks they had reached a hoped-for haven in the United States.

John Woortmann, skipper of the 37-foot sloop, who acted as their spokesman, said in halting English that they had set out for Wilmington from Gottenburg, Sweden, on June 23. There are colonies of Baltic area natives in the Wilmington vicinity.

The ten men and five women aboard—members of three families—said they had plenty of food for the trip, but had to ration water.

The Rev. Walter B. Freed, Wilmington Lutheran pastor, boarded the sloop today and led prayer services. He said seven of those aboard were Lutherans and eight were members of the Russian Orthodox Church.

Wilmington residents who gathered at the dock cheered as refugees sang the Estonian national anthem.

Gifts of fresh fruit, something they had missed on their eight-week voyage, went to the Estonians from friendly Wilmington people.

Mrs. D. A. Foster, Wilmington woman who was born in Russia, spoke to the Estonians in their native tongue. She quoted them as saying they had left Europe because "they were oppressed by the nearness of another war."

TRUCE STANDS ARE RENEWED

Jews, Arabs Again Pledge Palestine Observance

Lake Success, N.Y., Aug. 18 (AP). Jewish and Arab representatives gave the United Nations assurances today they would continue to observe the Palestine truce.

The new declarations came after the United States and Canada warned that the Security Council could not permit either party to terminate the truce without facing punitive action.

Aubrey S. Eban, Israeli representative, told the Council the Israeli Government never had said anything about unilateral action to end the truce. It was an Israeli statement which inspired the Canadian warning and which apparently also led to the United States declaration.

Hopes For Peace Talks

Eban declared that so long as the truce is in force Israel will observe it. He said, however, that Israel hopes for early peace talks to replace the truce.

The Arab position was set forth by Faris El Khouri, of Syria, who also declared the Arabs would adhere to the truce.

Apparently referring to a recent Israeli declaration on the possibility of terminating the truce, United States Delegate Philip C. Jessup told the Security Council:

"It is the view of the United States that the truce can be terminated only by the Security Council, which on July 15 ordered the parties to observe the truce. No one of the states concerned, no group of states concerned, can terminate the truce."

Will Back Firm Action

This was interpreted as a warning that the United States was ready to back firm United Nations action against any party which tried to end the truce.

Jessup mentioned particularly the Jerusalem situation and pointed out the Security Council had issued a special cease-fire for the holy city. He said this must be observed.

The Syria delegate told the Council the Arabs accepted the truce and do not object to keeping it. But, he said, they want it observed by the Jews.

El Khouri said the Jews were not satisfied by the territory given them under the partition plan. Now they are provoking the Arabs to resume fighting, he added.

He said Jessup was calling for a standstill in Palestine, but both the Democratic and Republican platforms had pledged support of Israel and President Truman was talking of a $100,000,000 loan to the Jews.

Russia Blocks Ceylon In U.N.

Lake Success, N.Y., Aug. 18 (AP)—Russia today blocked Celyon's admission to the United Nations with Soviet Veto No. 27.

The new Asiatic nation thus joined Eire, Trans-Jordan, Portugal, Italy, Finland and Austria as countries kept out of the United Nations by Russian vetoes in the Security Council.

Chinese Delegate T. F. Tsiang called the Soviet move arbitrary and "a great blow to the aspirations of all Far Eastern peoples."

Deputy Foreign Minister Jakob A. Malik replied that Russia had acted in accordance with the United Nations Charter. "The Soviet delegation rejects the protest of China—it is not justified," he added.

The vote on the application from the British island dominion, which lies off India's southeast coast, was 9 to 2, with the Soviet Ukraine joining Russia in opposition.

Malik said Ceylon remains a British colony and Ukrainian foreign Minister Dmitri Z. Manuilsky said Ceylon was in the same class with Trans-Jordan — a British puppet.

The Ceylonese—after 351 years under successive Portuguese, Dutch and British colonial rule—became a sovereign part of the British commonwealth last February 4. The flag of independence was raised at the capital in ancient Kandy, February 12.

Soviet Consulate Again Asks To See Teacher

New York, Aug. 18 (AP)—The Soviet consulate has made a new demand for access to the hospital room of the Russian woman schoolteacher who leaped from a third-story window of the consulate.

In a statement last night, Vice Consul Zot I. Chepurnykh accused city police of "pure fabrication" in contending that the teacher, Mrs. Oksana Stepanovna Kosenkina, 52, does not wish to see Soviet representatives.

Chepurnykh said Consul General Yakov M. Lomakin would insist on getting to Mrs. Kosenkina at Roosevelt Hospital.

Given Transfusions

The critically injured teacher has been given several blood transfusions since her leap last Thursday, the hospital revealed late yesterday.

The new statement by the vice consul contended that Mrs. Kosenkina was "specially coached before the representatives of the Soviet consulate were admitted to her room" for a brief visit.

Chepurnykh said the teacher, with her eyes closed, mumbled to him several times "stereotyped words which obviously were talked into her—'I do not want to say anything and I do not want to see any one.'"

"Forced To Utter Phrases"

He said Mrs. Kosenkina, "deprived of visits from the Soviet representatives and remaining entirely in the hands of the police and White (Russian) guards, is not in a position to freely express her wishes.

"She is subjected to constant questioning, is frightened and is forced to utter phrases which she has been made to say. Under these circumstances, she is liable to say anything."

"The consul general of the U.S.S.R.," the statement said, "in compliance with the commonly accepted international legal means of defense of citizens of his country, insists and will insist on his right to enjoy a free access to the sick Soviet citizen, Kosenkina, and to have a representative of the Soviet consul general be present in her room."

Soviet Teacher Placed In Oxygen Tent, Gains

Action Taken After Mrs. Kosenkina's Breathing Becomes 'Labored'; Transfusion Given

New York, Aug. 18 (AP)—The Russian teacher who jumped from a window of the Soviet Consulate and became the central figure in an international controversy was put in an oxygen tent and given a blood transfusion late today.

Critically hurt, Mrs. Oksana Stepanovna Kosenkina had been given several tranfusions since she was taken to Roosevelt Hospital last week. She has many broken bones and other injuries.

The hospital said she was put in an oxygen tent when her breathing became "somewhat labored" and her temperature rose to 103.4 Later the transfusion was administered.

Condition Improves

Later, the hospital said her condition had "improved in the past two hours." This bulletin added:

"Resting quietly since she has been put in oxygen tent. Temperature at 8 P.M. (E.S.T.) 102.2 degrees, pulse still 96. A little stronger. No reaction from the last blood transfusion. Probably no further medication tonight. She is taking some nourishment in small amounts, but her condition is still critical."

Meanwhile, Yakov M. Lomakin, Soviet consul general, made another move to see the teacher who has been quoted as saying she did not want to see anyone from the consulate.

His vice consul, Zot I. Chepurnykh, said Lomakin would ask police permission to visit Mrs. Kosenkina at the hospital. Police said, however, that permission must come from hospital authorities.

Later, hospital officials said no one could visit the teacher because of her critical condition.

Didn't Ask To See Him

The vice consul was asked if Mrs. Kosenkina had asked to see Lomakin.

"No," he replied. "She is too critical."

Last night Chepurnykh said police statements that the woman did not want to see the Soviet representatives were "pure fabrication."

He said she "is not in a position to freely express her wishes" because of the police guard around her.

Zena Ivanora, Soviet consular secretary, brought flowers and a letter in a diplomatic envelope to the hospital today.

She was refused permission to deliver them personally. She left the flowers but took the letter away, leaving instead a brief personal note offering Mrs. Kosenkina her best wishes.

Talks To Lomakin

Mrs. Kosenkina's physician, Dr. Grant Pennoyer, tonight said he had had a telephone conversation with Lomakin and offered to let him name a "surgeon" to talk with Pennoyer and other hospital doctors.

"I am very much worried about the possible lack of information the Russian consul may be getting," the doctor said. "I am making this offer from a humanitarian viewpoint."

He said Lomakin received the suggestion courteously, said he was anxious to confer personally with Dr. Pennoyer, and proposed a meeting tomorrow.

Pennoyer said he told Lomakin:

"We want you to know that we are doing everything in God's name to help this woman. She is terribly, terribly sick. We had to put her under an oxygen tent today to make her feel better. As a result, although her pulse was 100 last night, it is down now, and her temperature is down a little.

Offers To Show Records

"Perhaps, not being from our country, you do not know just what we do. Do you know a surgeon, one who is fully qualified? If you will send him over we'll be glad to show him all our records and X-rays, to show the patient's condition and treatment, and consult with him."

Pennoyer said later he had not promised Lomakin that the visiting surgeon would be allowed to diagnose, prescribe or even examine Mrs. Kosenkina. At the consulate, Chepurnykh, obviously angry that the Soviets had just now been invited to have doctors of their own choice visit the hospital, declared Lomakin was making arrangements to send "one, two, maybe three American doctors."

Pointing to his watch as he addressed newsmen, Chepurnykh asserted heatedly:

"Now they send the invitation to see her. After 7 o'clock. This is what we've been trying to do ever since Kosenkina was taken to the hospital."

He said he did not know what doctors would be asked to go or when they would call at the hospital, but he indicated it would be as soon as possible.

LONDON, AUG. 18-(AP)-TWO STOWAWAYS WERE FOUND TONIGHT IN THE TAIL OF A CZECH AIRLINES PLANE AFTER THE TRANSPORT ARRIVED AT LONDON'S NORTHOLT AIRPORT FROM PRAGUE.

PARIS, AUG 18-(AP)-FRENCH POLITICIANS TOOK ANOTHER -- SOMEWHAT STARTLED -- LOOK AT PREMIER ANDRE MARIE TODAY IN THE LIGHT OF HIS SHOW OF STRENGTH LAST NIGHT IN THE NATIONAL ASSEMBLY.

HIS TWO AND A HALF WEEKS OLD COALITION GOVERNMENT HAS BEEN REGARDED AS A SHAKY ONE, BUT HE WHIPPED A BALKY GROUP OF DEPUTIES INTO LINE LAST NIGHT WITH A THREAT TO RESIGN. POLITICAL OBSERVERS REGARDED IT AS A REAL DISPLAY OF POWER.

ON MARIE'S INSISTENCE, THE ASSEMBLY PASSED BY A VOTE OF 385 TO 202 A BILL GIVING THE GOVERNMENT POWER TO REGULATE TAXES BY DECREE.

THE ASSEMBLY PREVIOUSLY HAD VOTED, 325-215, TO AMEND THE MEASURE TO REQUIRE LEGISLATIVE APPROVAL OF TAX CHANGES. THE UPPER CHAMBER OF THE LEGISLATURE ALREADY HAS APPROVED THE BILL IN THE FORM ASKED BY THE GOVERNMENT.

PASSAGE OF THE BILL GIVES FINANCE MINISTER PAUL REYNAUD THE POWER HE HAD SOUGHT TO DEAL WITH THE FRENCH FINANCIAL CRISIS, AND PREPARE FRANCE FOR THE TIME WHEN AMERICAN DOLLARS NO LONGER ARE AVAILABLE TO SUPPORT THE AILING FRENCH ECONOMY.

THE GOVERNMENT NOW HAS AUTHORITY TO EFFECT ECONOMIES IN CIVIL SERVICE AND THE ARMY AND TO REGULATE TAXES SO AS TO ENCOURAGE INDUSTRY TO PRODUCTION.

Rome, Aug. 18---(AP)---A lot of Americans have property in Italy they are going to lose if they don't state their claims before Sept. 15.

The American Embassy reported today that some 400 Americans whose Italian holdings were sequestered when Benito Mussolini took Italy into war with the U.S. have so far failed to apply for return of their property.

Under provisions of the Italian Peace Treaty, such application must be made within one year after its ratification. Ratification took place at Paris Sept. 15, 1947. The only excuse is to prove actual inability to apply.

Most of the names of those on the last list supplied by the Italian Treasury Ministry's office of allied and enemy properties are Italian-American. But there are some well known names. One is that of Theodore Roosevelt, Oyster Bay, L.I. Another is that of the Bragatti family, into which Rep. John Davis Lodge (R-Conn) married.

The embassy is unable to estimate the monetary value of the property involved.

BRUSSELS, BELGIUM, AUG. 18-(AP)-THE UNITED STATES "IS COMMITTED TO A DYNAMIC POLICY OF MAINTAINING AN ACTIVE INTEREST IN THE AFFAIRS OF THE WORLD" THROUGH THE EUROPEAN RECOVERY PROGRAM, STANLEY MARCUS OF DALLAS, TEX., SAID TODAY.

MARCUS, HEAD OF THE NEIMAN-MARCUS COMPANY, SPOKE AT A MEETING OF THE FEDERATION OF BELGIAN INDUSTRIES. HE DENIED THE UNITED STATES WAS TRYING TO PROFIT BY ERP AT THE EXPENSE OF EUROPEANS.

"THE TAXPAYERS OF OUR COUNTRY, THROUGH OUR CONGRESS, HAVE INDICATED A WILLINGNESS TO BE TAXED FOR THIS PURPOSE IN THE BELIEF THAT A SOUND AND PROSPEROUS EUROPEAN ECONOMY IS ESSENTIAL TO A SOUND AMERICAN ECONOMY," HE SAID.

HE CITED TO HIS AUDIENCE OF BELGIAN BUSINESSMEN THEIR COUNTRY'S UNFAVORABLE TRADE BALANCE WITH AMERICA: "THIS PAST YEAR YOUR COUNTRY BOUGHT GOODS FROM US EXCEEDING $500,000,000, WHILE WE BOUGHT FROM YOU ONLY $60,000,000 WORTH OF GOODS. THAT TYPE OF DEFICIT CANNOT CONTINUE AND YOU WILL BE FORCED TO RESTRICT YOUR TRADE WITH US."

"TOO FEW AMERICANS REALIZE THE SERIOUS CONDITION THAT THESE FIGURES IMPLY XXX I BELIEVE THAT MR. HOFFMAN, DIRECTOR OF ERP, WILL BE INTERESTED IN TAKING A HAND IN TRYING TO WORK OUT A PLAN THAT WILL PERMIT US TO KEEP A GOOD CUSTOMER INSTEAD OF LOSING ONE."

MARCUS SAID THE BELGIAN PEOPLE AND THE PHRASE "MADE IN BELGIUM" ARE HIGHLY RESPECTED IN AMERICA.

HE OFFERED THE SUGGESTION THAT TRADE MIGHT BE IMPROVED IF BELGIUM ESTABLISHED A "BELGIAN HOUSE" IN NEW YORK WHERE THE COUNTRY'S MANUFACTURERS COULD DISPLAY THEIR GOODS TO AMERICAN BUYERS.

"MANY OF YOUR SMALLER MANUFACTURERS WOULD FIND ACCESS TO THE MARKETS OF THE UNITED STATES THROUGH A CENTRAL AGENCY REPRESENTING ALL PHASES OF CONSUMERS GOODS INDUSTRIES," MARCUS SAID.

"SWEDISH KOSENKINA" (275)

STOCKHOLM, AUG 18-(AP)-THE PLIGHT OF A 19-YEAR-OLD RUSSIAN GIRL IN STOCKHOLM -- TERMED THE "SWEDISH KOSENKINA" -- IS CAUSING A NATIONAL SENSATION. IT HAS BEEN FRONT PAGED BY EVERY NEWSPAPER.

A SWEDISH FOREIGN OFFICE SPOKESMAN SAID YESTERDAY THE SOVIET EMBASSY IN STOCKHOLM HAS ASKED REPEATEDLY THAT THE GIRL BE SENT BACK TO RUSSIA. HE SAID THE FOREIGN OFFICE DECLINED THE REQUESTS AND TOLD THE RUSSIAN EMBASSY TO "LEAVE THE GIRL ALONE."

THE GIRL -- WHOSE NAME HAS NOT BEEN MADE PUBLIC -- CAME TO SWEDEN IN 1944 AND HAS BEEN WORKING AS A MAID HERE. IN SEPTEMBER, 1945, SHE APPLIED FOR AN ALIEN'S EMERGENCY PASSPORT, WHICH WAS GRANTED "AFTER CAREFUL CONSIDERATION," A SWEDISH ALIEN COMMISSION SOURCE SAID.

THE FOREIGN OFFICE SPOKESMAN SAID THAT SEVERAL TIMES DURING 1946 THE SOVIET EMBASSY ASKED THE GIRL TO GO BACK TO RUSSIA AND SHOWED HER LETTERS FROM HER FATHER, A SOVIET ARMY OFFICER, ASKING HER TO RETURN. SHE REFUSED.

THE EMBASSY ALSO ASKED THE SWEDISH FOREIGN OFFICE TO MAKE THE GIRL RETURN, CLAIMING SHE WAS "KEPT PRISONER" IN SWEDEN. THE SPOKESMAN SAID SWEDISH AUTHORITIES TOOK NO ACTION. HE ADDED:

"IF SHE DOES NOT WANT TO RETURN, WE CANNOT FORCE HER TO DO SO. WE FOUND THAT THE GIRL IS IN GOOD HANDS, AND HAS BEEN SO DURING HER ENTIRE STAY IN SWEDEN."

ON AUG.5 AND AGAIN AUG.11 A SOVIET ATTACHE APPEARED AT THE HOME WHERE THE GIRL WORKS TO SHOW HER A LETTER FROM HER FATHER. THE GIRL REFUSED TO SEE THE RUSSIAN AND LATER, WHEN SHE SAW THE LETTER, SAID IT ACTUALLY WAS WRITTEN BY A SECRETARY OF THE SOVIET EMBASSY.

THE SPOKESMAN SAID THE FOREIGN OFFICE PROBABLY WILL MAKE NEW REPRESENTATIONS TO THE SOVIET EMBASSY TO LEAVE THE GIRL ALONE.

IN THE UNITED STATES, RUSSIAN DIPLOMATS HAVE DEMANDED FULL CONTROL OVER MRS. OKSANA STEPHANOVNA KOSENKINA, SOVIET TEACHER WHO JUMPED FROM A THIRD STORY WINDOW OF THE SOVIET CONSULATE IN NEW YORK LAST WEEK. THE UNITED STATES HAS PROMISED HER SANCTUARY.

BERLIN, AUG 18-(AP)-THE AMERICAN COMMANDER IN BERLIN SAID TODAY THE 55-DAY-OLD SOVIET BLOCKADE OF THE WESTERN SECTORS HAS "FAILED IN ITS ATTEMPT TO STARVE THE DEMOCRATIC PEOPLE OF BERLIN INTO SUBMISSION."

COL. FRANK L. HOWLEY ISSUED THIS STATEMENT IN CONNECTION WITH WHAT HE CALLED THE RUSSIANS' PROPAGANDA DISTRIBUTION" OF COAL FOR BERLIN.

THE RUSSIANS OFFERED EARLIER TO RELEASE 60,000 TONS OF COAL FOR RESIDENTS OF BOTH THE EAST AND WEST SECTORS WHOSE FOOD RATION CARDS ARE REGISTERED IN THE SOVIET SECTOR. THE PROPOSAL THUS WAS TIED TO THE EARLIER SOVIET OFFER TO FEED ANY WESTERN BERLINERS WHO REGISTERED IN THE SOVIET SECTOR.

THE STATEMENT CAME AS AMERICAN FOOT SOLDIERS WOUND UP ALL NIGHT DEFENSIVE MANEUVERS IN THE GRUNEWALD FOREST OF BERLIN. REPORTS FROM HAMBURG SAID THE RUSSIANS WERE WINDING UP SUMMER MANEUVERS OF THEIR OWN ON THE ZONAL FRONTIERS.

More

30.24- 19859

HOWLEY SAID THAT OF THE 60,000 TONS OF COAL TO BE DISTRIBUTED, 57,100 TONS WILL BE REQUIRED TO COMPLETE THE DISTRIBUTION IN THE SOVIET SECTOR ALONE ON THE BASIS OUTLINED IN THE RUSSIAN ANNOUNCEMENT.

"THIS WOULD LEAVE 2,900 TONS FOR DISTRIBUTION TO WESTERN SECTOR RESIDENTS," HE CONTINUED. "ACTUALLY TO MAKE A FULL DISTRIBUTION TO THE WEST SECTORS WOULD REQUIRE NOT 2,900 TONS BUT 96,400 TONS.

"OBVIOUSLY EITHER SOVIET MATHEMATICS ARE BAD, SOVIET INTENT IS BAD, OR BOTH SOVIET MATHEMATICS AND INTENT ARE BAD."

THE HUGE C-74 GLOBEMASTER JUST PLACED IN AIR LIFT SERVICE MADE A SECOND TRIP INTO BERLIN TODAY. IT WAS LOADED WITH ROCK-CRUSHING EQUIPMENT WHICH WILL BE USED IN BUILDING A THIRD AIRFIELD. IT RETURNED TO FRANKFURT WITH 10 JEEPS AND GERMAN VOLKSWAGEN (SMALL GERMAN-MAKE CARS.)

THE SUPPLY ARMADA CONTINUED AT A FAST CLIP. IN A 24-HOUR PERIOD ENDING AT NOON, 563 PLANES LANDED AT TEMPELHOF AND GATOW, THE AMERICAN & BRITISH FIELDS. THEY BROUGHT MORE THAN 3,800 TONS OF SUPPLIES OF WHICH THE AMERICANS CARRIED 2,654.

U.S. AUTHORITIES SAID THE SOVIET BLOCKADE THUS FAR HAS COST BERLIN 400,000 TONS OF HARD COAL AND 100,000 TONS OF SOFT COAL BRIQUETTES FROM WESTERN GERMANY.

COMMENTING ON THE SOVIET COAL OFFER, COL.FRANK L.HOWLEY, THE AMERICAN COMMANDANT, SAID BERLINERS ARE FREE TO DO AS THEY LIKE ABOUT ACCEPTING IT.

HE ADDED:

"WE HAVE TRAINS LOADED WITH COAL STANDING READY AT THE ELBE TODAY WAITING FOR SOKOLOVSKY TO GIVE THE WORD SO THEY CAN PROCEED TO BERLIN. WE ARE NOT INTERESTED IN PROMISES --ONLY IN DELIVERIES. WE ALSO ARE NOT INTERESTED IN OFFERS THAT APPEAR TO BE BIGHEARTED UNTIL WE CAN SEE WHAT POLITICAL STRINGS ARE ATTACHED TO THEM"

THE OFFICIAL SOVIET PRESS COMBINED THE COAL OFFER WITH NEW PROPAGANDA ATTACKS ON BERLIN'S ANTI-COMMUNIST CITY GOVERNMENT. IT CLAIMED RUSSIAN EFFORT TO SUPPLY THE ENTIRE CITY HAD BEEN SABOTAGED" BY NON-COMMUNIST OFFICIALS.

AUG 2 1948

THE SOVIET NEWS AGENCY ANNOUNCEMENT SAID SOKOLOVSKY HAD ACTED AFTER REPRESENTATIVES OF THE CITY'S "FOUR DEMOCRATIC PARTIES" HAD APPEALED TO THE RUSSIANS FOR COAL.

THIS APPARENTLY INCLUDED THOSE SPLINTERS OF THE SOCIAL DEMOCRAT, CHRISTIAN DEMOCRAT AND LIBERAL DEMOCRAT (CONSERVATIVE) PARTIES RECOGNIZED IN THE EASTERN SECTOR.

THE ANNOUNCEMENT ALSO SAID TWO ADDITIONAL POUNDS OF FLOUR WOULD BE DISTRIBUTED SHORTLY FOR RESIDENTS OF THE RUSSIAN SECTOR AND WESTERN BERLINERS WHO REGISTERED THERE FOR FOOD.

THE ALLIED AIR LIFT OVER THE SOVIET BLOCKADE CONTINUED TO CLICK AT A RECORD RATE. IN A 24-HOUR STRETCH YESTERDAY 619 BRITISH AND AMERICAN PLANES BROUGHT IN MORE THAN 4,100 TONS OF SUPPLIES.

OFFICIALS IN WASHINGTON SAID LAST NIGHT THE AIR FORCE HAS USED ONLY EIGHT PER CENT OF ITS TRANSPORTS AS THE ALLIED LIFT MET ITS HIGHER DAILY GOAL OF MORE THAN 4,000 TONS OF SUPPLIES INTO BERLIN.

THE OFFICIALS PREDICTED THAT WITHIN A MONTH THE AMERICANS AND BRITISH WILL BE FLYING 6,600 TONS DAILY INTO THE GERMAN CAPITAL.

HOWEVER, AN OFFICIAL OF THE MILITARY AIR TRANSPORT SERVICE SAID IN WASHINGTON TODAY IT IS UNLIKELY THAT ANY MORE DOUGLAS C-74 GLOBEMASTERS WILL BE SENT TO GERMANY TO JOIN THE ONE IN USE THERE ON AN EXPERIMENTAL BASIS.

THE GIANT C-74--LARGEST TRANSPORT IN REGULAR OPERATION--CARRIES ABOUT THREE TIMES THE LOAD OF THE C-54 SKYMASTER.

MATS HAS NINE OF THE 82-TON TRANSPORTS IN SERVICE AND THREE UNDERGOING MODIFICATION. THOSE IN SERVICE ARE BASED AT MOBILE,ALA., FOR USE ON A ROUTE TO THE CARIBBEAN.

THE OFFICIAL SAID, HOWEVER, IT WOULD BE TOO COSTLY TO SEND THE C-74 FLEET TO GERMANY BECAUSE THE PLANES USE AN ENGINE NOT NOW USED ON ANY OTHER PLANE BASED IN EUROPE AND BECAUSE IT REQUIRES MAINTENANCE EQUIPMENT NOT AVAILABLE OVERSEAS.

WESTERN DIPLOMATS CONFERRED AGAIN AT THE AMERICAN EMBASSY IN MOSCOW YESTERDAY ON THEIR TALKS IN THE KREMLIN OVER THE GERMAN SITUATION. INFORMANTS SAID EVENTS WERE MOVING TOWARD A CLIMAX.

THEY PREDICTED IT WILL NOT BE LONG BEFORE THE WESTERN ENVOYS HAVE A SECOND MEETING WITH PRIME MINISTER STALIN.

U.S. AIR FORCE OFFICIALS IN FRANKFURT REPORTED LAST NIGHT THAT THE BODIES OF ALL 20 PERSONS KILLED ABOARD A C-47 AMERICAN TRANSPORT PLANE THAT CRASHED LAST WINTER IN THE ITALIAN ALPS HAVE BEEN RECOVERED.

THE OFFICERS SAID THE PLANE'S MANIFEST SHOWED THERE WERE ONLY 20 PERSONS ABOARD WHEN THE PLANE CRASHED ON 9,000-FOOT MOUNT CARBONE--NOT 22 OR 23, AS WAS REPORTED PREVIOUSLY.

THE OFFICERS SAID 12 OF THE BODIES HAVE BEEN "REASONABLY IDENTIFIED", BUT THEIR NAMES WILL NOT BE RELEASED UNTIL RELATIVES HAVE BEEN NOTIFIED. THE BODIES WILL BE TAKEN TO TURIN, ITALY, THEN FLOWN TO GERMANY.

HELMETED TROOPS WITH RIFLES, MORTARS AND MACHINEGUNS SIMULATED DELAYING ACTION AGAINST AN "ENEMY" THAT HAD CAPTURED GATOW AIRPORT, THE BRITISH SUPPLY FFIELD FOR THE SEALED OFF WESTERN SECTORS.

EARLIER YESTERDAY OTHER AMERICAN TROOPS JOINED FRENCH UNITS IN MANEUVERS ALONG THE RHINE RIVER NEAR HEIDELBERG. IT WAS THE FIRST TIME SINCE THE WAR'S END THE TWO ALLIES HAD ENGAGED IN JOINT WAR GAMES. U.S. AND FRENCH OFFICERS SAID THE SHOW WAS SUCCESSFUL AND PREDICTED OTHER SUCH EFFORTS IN THE FUTURE. ONLY 1,500 TROOPS TOOK PART IN THE OPERATION.

IN WASHINGTON, AN OFFICIAL OF THE MILITARY AIR TRANSPORT SERVICE SAID IT IS UNLIKELY THAT ANY MORE GLOBEMASTERS WOULD BE SENT TO GERMANY. HE SAID IT WOULD BE TOO COSTLY TO SEND A FLEET OF THE AIR GIANTS THERE BECAUSE THE PLANES HAVE ENGINES NOT USED ON ANY OTHER PLANES BASED IN EUROPE AND IT REQUIRES MAINTENANCE EQUIPMENT NOT AVAILABLE OVERSEAS.

THE GERMAN CITY GOVERNMENT, MEANWHILE, SAID IT WAS CONSIDERING A PLAN TO ISSUE EMERGENCY CURRENCY FOR BERLIN AS A SOLUTION TO THE CITY'S SNARLED FINANCES RESULTING FROM THE CIRCULATION HERE OF RIVAL EASTERN AND WESTERN MARKS.

THE GERMANS ALSO ARE DEBATING A PLAN TO MAKE THE WESTERN MARK EXCLUSIVE CURRENCY IN WESTERN BERLIN IN ORDER TO OVERCOME THE DIFFICULTIES CAUSED BY THE SOVIET BLOCKING OF EASTERN MARK ACCOUNTS HELD BY FIRMS IN THE CITY'S WESTERN SECTORS.

BOTH THE EASTERN AND WESTERN GERMAN CURRENCIES NOW ARE LEGAL IN WESTERN BERLIN. IN THE SOVIET SECTOR ONLY THE EASTERN MARK IS VALID.

Duesseldorf, Germany, Aug. 18--(ap)--Eric Noelting, economics minister of North Rhine Westphalia, said tonight that a plea to halt dismantling of German factories will be sent to Paul G. [redacted] Hoffman, administrator of the European Recovery Program.

He said in an interview that the British military government had refused to discuss further the dismantling question with the Germans and also declined to receive any more German expert advise on the subject.

Noelting added:

"The only thing left for us to do now is to appeal direct to Mr. Hoffman. We will do that through the bizonal economics council in Frankfurt.

"We will ask him to hear German experts in Paris as soon as possible. They will tell him how the industrial dismantling policy is hampering west German recovery.

"Only if the Ruhr is made completely taboo to more dismantling for reparations will west Germany be able to contribute fully to the European Recovery plan."

Two kinds of dismantling are going on in west Germany. One is the destruction of war plants in the demilitarization program. The other, to which Noelting specifically referred, is the removal of plants declared surplus by the American and British military governors. The measuring stick is Germany's 1936 industrial capacity. The plants are allocated to Allied nations as reparations.

Noelting estimated the value of the Ruhr plants concerned at

AUG 21 1948

AUG 21 1948

$1,200,000,000 (B). He estimated the progress of dismantling in which includes the Ruhr North Rhine Westphalia as follows:

Completely dismantled: Plants worth $280,000,000 comprising 12 iron and steel plants, one nonferrous metals plant, 16 chemical factories and 34 machine making concerns.

In the process of beind dismantled: [redacted] plants worth [redacted] $600,000,000 comprising 37 iron and steel plants, one nongerrous metals, 13 chemical and 129 machinery.

Scheduled for future dismantling: 51 factories worth [redacted] $320,000,000.

The Germans are conducting a vigorous campaign against dismantling. The British military government's answer to German representations in the past always has been that the question in not one for the British alone to decide but concerns the allies as a single.

NIGHT LEAD LEAD DANUBE
BY ALEX H. SINGLETON
BELGRADE, YUGOSLAVIA, AUG.18-(AP)-THE COMMUNIST BLOC POSTED A "DANUBE FOR THE DANUBIANS" SIGN OVER EUROPE'S MOST VITAL INLAND WATERWAY TODAY AS THEY VOTED THEMSELVES EXCLUSIVE CONTROL OF THE RIVER.
THE WESTERN POWERS OFFICIALLY RECORDED THEIR REFUSAL TO ACCEPT THE DECISION, ALTHOUGH ONLY THE UNITED STATES CAST A "NO" BALLOT ON THE FINAL VOTE TO ACCEPT THE RUSSIAN-DRAWN PACT.
REPRESENTATIVES OF FRANCE AND BRITAIN HAD LEFT THEIR SEATS AT THE CONFERENCE TABLE FOR PLACES ON THE OUTSKIRTS OF THE ROOM.
(IN WASHINGTON, THE U.S. STATE DEPARTMENT SAID THE VOTE INDICATED RUSSIA'S DETERMINATION "TO PERPETUATE ITS ECONOMIC AND POLITICAL ENSLAVEMENT OF THE DANUBIAN PEOPLES."
(THE DEPARTMENT SERVED NOTICE THAT THE UNITED STATES WILL REFUSE TO RECOGNIZE THE AUTHORITY OF ANY COMMISSION FORMED TO CONTROL THE DANUBE UNDER THE NEW CONVENTION. IT ADDED THIS POLICY WILL APPLY TO THOSE PARTS OF AUSTRIA AND GERMANY UNDER AMERICAN CONTROL.)
THE WESTERN POWERS' NEXT STEP WAS NOT ANNOUNCED, BUT THE WESTERN STATES INDICATED PREVIOUSLY THEY WOULD ASK THE WORLD COURT AT THE HAGUE TO RULE ON THE NEW PACT.
THE CONFERENCE WINDUP CAME AFTER 20 DAYS OF ARGUMENTS ON WESTERN POWER MOTIONS TO WRITE INTO THE NEW DANUBE CONVENTION SPECIFIC GUARANTEES THAT THE RIVER WILL BE OPEN TO VESSELS OF ALL NATIONS WITHOUT DISCRIMINATION.
THE COMMUNIST BLOC, IN THE MAJORITY AT AN INTERNATIONAL MEETING FOR THE FIRST TIME SINCE THE WAR'S END, VOTED ON MORE THAN 115 OCCASIONS TO REJECT ALL WESTERN ATTEMPTS TO REVISE THE RUSSIAN PLAN. THERE WAS NO SUBSTANTIAL CHANGE IN THE DRAFT PRESENTED ORIGINALLY BY SOVIET DEPUTY FOREIGN MINISTER ANDREI VISHINSKY, WHICH GIVES EACH DANUBE NATION SOVEREIGNTY OVER ITS OWN PORTION OF THE RIVER.
THE CONFERENCE ENDED OFFICIALLY TONIGHT WITH THE SIGNING OF THE OFFICIAL DOCUMENT.
VISHINSKY WAS THE FIRST TO SCRIBBLE HIS SIGNATURE ON THE DOCUMENT. NONE OF THE WESTERN POWERS REPRESENTATIVES DROPPED IN FOR THE SIGNING CEREMONY.
ALL THE REST WERE THERE, INCLUDING ANNA PAUKER, ROMANIA'S FOREIGN MINISTER, IN A DRESS OF "NEW LOOK" LENGTH.
BEFORE THE FINAL VOTE WAS TAKEN, UNITED STATES AMBASSADOR CAVENDISH CANNON ACCUSED RUSSIA OF "DECEPTION" IN ITS PLAN AND CLAIMED THE COMMUNIST BLOC HAD BEEN USED WITH "SYNICAL" SOLIDARITY TO ACHIEVE THE SOVIET AIM.
HE ALIGNED THE U.S. WITH BRITAIN, FRANCE AND AUSTRIA, IN SAYING AMERICA COULD NOT ACCEPT THE PACT AS A BASIS FOR REOPNING THE 1,800-MILE WATERWAY.
CANNON SAID THE UNITED STATES, HOPEFUL OF REACHING AN AGREEMENT TO UNCHAIN THE DANUBE, HAD BROUGHT TO THE CONFERENCE TABLE EXPERTS ON MARITIME LAW AND MERCHANT SHIPPING.
HE SAID THEY HAD SAT LISTENING FOR THE PAST 20 DAYS TO "DREARY POLITICAL DEBATES" AND ADDED: "WHEN WE LEAVE HERE, THERE WILL BE NO CHANGE--NO CHANGE EXCEPT THAT THE PRESENT REGIME OF RIGID SOVIET CONTROL FROM BRATISLAVA TO THE BLACK SEA WILL HAVE BEEN ACKNOWLEDGED BY SEVEN GOVERNMENTS AT THIS CONFERENCE."
VISHINSKY CLAIMED THE PACT WOULD GUARANTEE FREE NAVIGATION OF THE DANUBE, DESPITE THE WESTERN CLAIM THAT IT LACKED SAFEGUARDS. "IT MEANS WHAT IT SAYS," HE DECLARED.
"WE CHERISHED HOPE THAT YOU WOULD HAVE A FAVORABLE ATTITUDE AND THAT THERE WOULD BE SOLIDARITY," VISHINSKY SAID. "UNFORTUNATELY, THAT WASN'T TRUE."

THE AMERICAN EDUCATED KOREAN LEADER SAID THE APPROACH, HOWEVER, WILL NOT BE MADE UNTIL THE UNITED NATIONS GENERAL ASSEMBLY HAD REVIEWED THE ESTABLISHMENT OF THE NEW GOVERNMENT.

RUSSIA, WHICH OCCUPIES THE NORTHERN HALF OF KOREA, REFUSED TO PERMIT A U.N. COMMISSION TO CONDUCT AN ELECTION IN THE NORTH SECTION IN MAY WHEN THE SOUTHERN HALF NAMED THE PRESENT GOVERNMENT.

KOREAN COMMUNIST FORCES IN NORTH KOREA HAVE BEEN BRISTLING AT THE SOUTHERN HALF SINCE THE ELECTION. RHEE REVEALED ALSO THAT KOREA WILL DEMAND THE RETURN OF TSUSHIMA--TWO ISLANDS ABOUT MIDWAY BETWEEN JAPAN AND KOREA--FROM JAPAN.

THE ISLANDS, WITH A POPULATION OF 53,000, MOSTLY JAPANESE, WERE SEIZED BY JAPAN SEVERAL CENTURIES AGO. TODAY THEY ARE POPULATED MOSTLY BY FISHERMEN AND ARE USED AS HIDEOUTS BY SMUGGLERS.

NIGHT LEAD UNDATED INTERNATIONAL
BY THE ASSOCIATED PRESS

THE EASTERN EUROPEAN COMMUNIST STATES POSTED A "DANUBE FOR THE DANUBIANS" SIGN OVER THE VITAL WATERWAY LAST (WED) NIGHT AS THE 20-DAY CONFERENCE IN BELGRADE ENDED.

THE WESTERN POWERS OFFICIALLY RECORDED THEIR REFUSAL TO ACCEPT THE CONFERENCE DECISION. THEIR NEXT STEP WAS NOT ANNOUNCED BUT THE WESTERN STATES PREVIOUSLY HAD INDICATED THEY WOULD ASK THE WORLD COURT AT THE HAGUE TO RULE ON THE PACT.

THE COMMUNIST BLOC VOTED DOWN THE LINE WITH RUSSIA'S DEPUTY FOREIGN MINISTER ANDREI VISHINSKY. THEY TURNED DOWN WESTERN MOTIONS TO WRITE SPECIFIC GUARANTEES AGAINST DISCRIMINATION INTO THE PACT, WHICH GIVES EACH DANUBE NATION SOVEREIGNTY OVER ITS SECTION OF THE RIVER.

IN MOSCOW, WESTERN DIPLOMATS AND THE SOVIET UNION APPEARED TO BE NEARING AGREEMENT ON THE CALLING OF A FOUR-POWER TOP LEVEL CONFERENCE ON THE GERMAN PROBLEM. A RELIABLE SOURCE SAID THE CURRENT TALKS WERE DRAWING TO A CLOSE.

THE THREE WESTERN ENVOYS WERE EXPECTED TO GO TO THE KREMLIN--PROBABLY FRIDAY--FOR THEIR SEVENTH MEETING SINCE THE DISCUSSIONS STARTED JULY 31.

ONE OF THE PRINCIPAL STUMBLING BLOCKS IN THE WAY OF AN AGREEMENT WAS REPORTED TO BE THE WESTERN POWERS' ACTIONS TOWARD ESTABLISHING A SEPARATE WESTERN GERMAN GOVERNMENT. THE WESTERN POWERS AND THE SOVIETS ARE NOT TOO FAR APART ON THE BERLIN SITUATION, IT WAS REPORTED.

THE RUSSIANS IN GERMANY OFFERED TO SUPPLY 60,000 TONS OF COAL TO BERLINERS BUT THE OFFER WAS ANNOUNCED AS A "PROPAGANDA DISTRIBUTION" BY THE AMERICAN COMMANDER IN BERLIN, COL.FRANK L.HOWLEY.

HOWLEY SAID WESTERN SECTOR RESIDENTS ARE RECEIVING AS MUCH FOOD AS THEY DID BEFORE THE BLOCKADE AND OTHER VITAL MATERIALS ARE ON HAND IN MORE THAN SUFFICIENT QUANTITIES. "IN SHORT," HOWLEY SAID, "THE BLOCKAD HAS FAILED IN ITS ATTEMPT TO STARVE THE DEMOCRATIC PEOPLE OF BERLIN INTO SUBMISSION."

THE AERIAL SUPPLY LINE CONTINUED AT TOP SPEED. IT WAS ESTIMATED MORE THAN 3,800 TONS OF SUPPLIES WERE FLOWN IN YESTERDAY BY 563 BRITISH AND AMERICAN PLANES.

THE SWEDISH FOREIGN OFFICE SAID IT HAD AGAIN WARNED THE RUSSIANS TO KEEP AWAY FROM 19-YEAR-OLD LYDIA MAKAROVA, THE "SWEDISH KOSENKINA." THE GIRL, WHO FLED FROM LENINGRAD TO SWEDEN IN 1944, SAID IN A NEWSPAPER INTERVIEW, "I WILL NEVER RETURN TO THE OLD COUNTRY."

ADD

THE CASE, A SENSATION IN SWEDEN, IS IN SOME RESPECTS PARALLEL TO THAT OF MRS.KOSENKINA, THE SOVIET SCHOOL TEACHER WHO IS IN CRITICAL CONDITION AT A NEW YORK HOSPITAL AFTER LEAPING FROM A WINDOW OF THE RUSSIAN CONSULATE IN NEW YORK.

FRONT DISPATCHES RECEIVED IN ATHENS SAID THE GREEK ARMY CUT IN TWO THE SHRINKING 10-MILE GRAMMOS MOUNTAIN FRONT IN NORTHERN GREECE WITH CAPTURE OF THE VILLAGE OF SKYRTSI.

MUNITIONS MAGAZINES OF THE SWISS ARMY BURIED DEEP IN THE ALPS BURST INTO FLAMES NEAR THE VILLAGE OF GOESCHENEN AND 800 FEARFUL INHABITANTS OF THE VILLAGE FLED FROM THEIR HOMES. THE FLAMES WERE ACCOMPANIED BY INCREASINGLY HEAVY EXPLOSIONS REVERBERATING THROUGH THE MOUNTAINS BEHIND THE VILLAGE.

LOMAKIN

BY JOHN M.HIGHTOWER

WASHINGTON,AUG.18-(AP)-THE UNIED STATES MAY ASK RUSSIA TO RECALL YAKOV M.LOMAKIN AS CONSUL GENERAL IN NEW YORK BECAUSE OF HIS ROLE IN THE KOSENKINA CASE.

OFFICIALS SAID A PRECISE DECISION REMAINS TO BE MADE, HOWEVER, AFTER THE STATE DEPARTMENT COMPLETES ITS STUDY OF NEW YORK POLICE REPORTS OF THE REFUGEE SCHOOL TEACHER INCIDENT.

MEANWHILE, DIPLOMATIC AUTHORITIES ARE PUZZLING OVER INDICATIONS THAT THE SOVIET UNION IS CLOSING ALL THE SCHOOLS IT HAD OPERATED IN MANY COUNTRIES FOR THE CHILDREN OF ITS DIPLOMATS AND OTHER EMPLOYES ABROAD.

IT WAS IN CONNECTION WITH THE CLOSING OF SUCH A SCHOOL IN NEW YORK THAT MRS.OKSANA STEPANOVNA KOSENKINA AND HER COLLEAGUES, MR. AND MRS. MIKHAIL SAMARINE, DECIDED THEY WOULD PREFER TO STAY IN THIS COUNTRY RATHER THAN GO BACK TO RUSSIA.

BUT ON JULY 31 MORE THAN 300 SOVIET CITIZENS--MOSTLY SCHOOL AGE CHILDREN AND THEIR MOTHERS--DID SAIL FROM NEW YORK ON THE RUSSIAN MOTOR SHIP POBEDA. AUTHORITIES HERE ASSUME THAT A SIMILAR RETURN TO RUSSIA IS BEING REQUIRED BY THE SOVIET GOVERNMENT OF MANY HUNDREDS OF DEPENDENTS OF RUSSIAN DIPLOMATS AND OTHER EMPLOYES AROUND THE WORLD.

THE RUSSIAN MOTIVE IN ALL THIS IS WHAT HAS OFFICIAL WASHINGTON PUZZLED.

MOST SPECULATION CENTERS ON THE POSSIBILITY THAT THE SOVIETS WANT TO PREVENT THE "CONTAMINATION" OF THEIR SCHOOL AGE CHILDREN BY ANY CONTACT WITH WESTERN DEMOCRATIC IDEAS.

ANOTHER POSSIBILITY OFTEN SUGGESTED BY DIPLOMATS, HOWEVER, IS THAT BY HAVING THE WIVES AND CHILDREN AT HOME, THE SOVIET GOVERNMENT IN EFFECT HOLDS THEM HOSTAGES AGAINST ANY DESIRE OF RUSSIAN DIPLOMATS TO RENOUNCE COMMUNISM.

VERY LITTLE CREDENCE IS PLACED BY OFFICIALS HERE IN THE THEORY THAT MOSCOW MIGHT BE CLEARING THE DECKS FOR WAR. THE MAIN REASON GIVEN FOR DISCOUNTING THIS IDEA IS THAT THE RUSSIANS ARE PERMITTING CHILDLESS FAMILIES AND THOSE WITH ONLY PRE-SCHOOL AGE CHILDREN TO REMAIN ABROAD.

THE SOVIETS OPERATED TWO SCHOOLS IN THIS COUNTRY, ONE IN WASHINGTON FOR EMBASSY PERSONNEL AND THE OTHER IN NEW YORK FOR THE CONSULATE STAFF AND THE SOVIET DELEGATION TO THE UNITED NATIONS.

AS WX

MRS.KOSENKINA AND THE SAMARINES WERE TEACHERS IN THE NEW YORK SCHOOL. IN DECIDING TO REMAIN IN THE UNITED STATES THEY FOLLOWED THE EXAMPLE OF POSSIBLY THOUSANDS OF OTHER RUSSIANS ELSEWHERE. OFFICIALS SAID TODAY THE FIGURE ACTUALLY MIGHT BE IN THE HUNDREDS OF THOUSANDS IF ACCOUNT WERE TAKEN OF THE SOVIET SOLDIERS WHO TURNED AGAINST RUSSIA DURING THE WAR AND JOINED THE GERMAN ARMY.

THE STATE DEPARTMENT ALREADY HAS MADE IT PLAIN THAT THE SAMARINES AND MRS.KOSENKINA WILL BE GIVEN ASYLUM IN THIS COUNTRY IN LINE WITH LONG-STANDING AMERICAN TRADITION. BUT OTHER IMPORTANT DECISIONS REMAIN TO BE MADE.

A STERN REJECTION OF THE SEVERAL PROTESTS REGISTERED BY SOVIET FOREIGN MINISTER MOLOTOV AND AMBASSADOR ALEXANDER S.PANYUSHKIN MAY BE COMPLETED IN THE NEXT FOUR OR FIVE DAYS. THE NOTES IN THE MAIN CHARGED THAT MRS.KOSENKINA AND THE SAMARINES WERE "KIDNAPED" WITH THE CONNIVANCE OF AMERICAN AUTHORITIES AND DEMANDED THAT THEY BE HANDED OVER TO SOVIET CONTROL.

THE RUSSIANS WILL BE TOLD OFFICIALLY, AS THEY ALREADY HAVE BEEN ADVISED ORALLY, THAT THE KIDNAPING CHARGE IS ENTIRELY FALSE AND THAT THE TEACHERS SOUGHT AND ARE BEING GIVEN REFUGE HERE.

BEYOND THIS, THE CONDUCT OF LOMAKIN IS BEING GIVEN CAREFUL SCRUTINY BY STATE DEPARTMENT OFFICIALS. A REQUEST FOR HIS RECALL WAS DESCRIBED AUTHORITATIVELY AS ONE STEP WHICH COULD BE TAKEN.

LOMAKIN PLAYED THE LEADING ROLE IN TAKING MRS.KOSENKINA AWAY FROM A WHITE RUSSIAN REFUGEE FARM NEAR NEW YORK CITY ON AUGUST 7. SHE HAD GONE THERE INSTEAD OF BOARDING THE SHIP FOR THE SOVIET UNION.

ACCORDING TO OFFICIALS HERE, THE EVIDENCE TO DATE INDICAIES THAT LOMAKIN DID NOT USE FORCE TO GET THE TEACHER TO LEAVE THE FARM WITH HIM AND GO TO THE SOVIET CONSULATE. HENCE THERE PROBABLY IS NO CASE AGAINST HIM IN CONNECTION WITH THAT ACTION.

MRS.KOSENKINA REMAINED IN THE CONSULATE UNTIL LAST THURSDAY WHEN SHE RISKED HER LIFE BY JUMPING OUT OF A THIRD FLOOR WINDOW.

LOMAKIN THAT MORNING HAD IGNORED A NEW YORK SUPREME COURT WRIT COMMANDING HIM TO PRODUCE MRS.KOSENKINA BEFORE JUSTICE SAMUEL DICKSTEIN. THE CONSUL GENERAL AND PANYUSHKIN BOTH CONTENDED THE COURT ORDER WAS WITHOUT FORCE.

A4WX AUG 21 1948

DICKSTEIN TOOK AN OPPOSITE VIEW BUT WITHHELD FURTHER ACTION PENDING A CONFERENCE TODAY WITH STATE DEPARTMENT LEGAL EXPERTS.

A CONSIDERABLE PART OF THE CASE AGAINST LOMAKIN--INSOFAR AS THE STATE DEPARTMENT SUCCEEDS IN MAKING ONE--SEEMS TO HINGE ON ANY EVIDENCE THAT MRS.KOSENKINA WAS CONFINED IN THE CONSULATE AGAINST HER WILL.

IF THERE IS PROOF THAT SHE WAS IN EFFECT IMPRISONED, A COURT ACTION COULD BE BROUGHT AGAINST THE CONSUL. OFFICIALS SAY THAT UNDER INTERNATIONAL LAW HIS DIPLOMATIC STATUS WOULD NOT GIVE HIM IMMUNITY.

AS A MATTER OF PRACTICAL POLICY, HOWEVER, THE AMERICAN GOVERNMENT MAY PREFER TO AVOID LEGAL STEPS AND A PROLONGED TRIAL AND SIMPLY DECIDE TO HAVE HIM CALLED HOME ON THE GROUND THAT HIS CONDUCT HAS MADE HIM PERSONALLY UNACCEPTABLE TO THE UNITED STATES.

BALTIMORE, AUG 18-(AP)-MARK WEINBAUM, EDITOR OF A RUSSIAN-LANGUAGE DAILY IN NEW YORK, WAS QUOTED BY THE BALTIMORE SUN TODAY AS SAYING SOME 15 OR 20 SOVIET CITIZENS HAD "JUMPED SHIP" IN AMERICA BEFORE THREE RUSSIAN SCHOOLTEACHERS RECENTLY RENOUNCED TIES WITH THEIR HOMELAND.

IN A DISPATCH FROM NEW YORK, WEINBAUM WAS QUOTED AS SAYING THE PREVIOUS CASES WERE MINOR EMPLOYES OF VARIOUS RUSSIAN AGENCIES, WHO HAD SOUGHT HIS ADVICE ON HOW TO AVOID RETURNING HOME. IT WAS EXPLAINED THAT THE INSTANCES WENT UNNOTICED BECAUSE RUSSIAN OFFICIALS FEARED UNFAVORABLE PUBLICITY IF OVERT EFFORTS WERE MADE TO RETURN PERSONS TO SOVIET CUSTODY.

THE ARTICLE IDENTIFIED THE EDITOR OF NOVOYE RUSSKOYE SLOVO AS THE FIRST PERSON WHOM MRS.OKSANA STEPANOVNA KOSENKINA SOUGHT FOR ADVICE ON HOW TO REMAIN IN THE UNITED STATES. THE TEACHER IS IN A HOSPITAL AFTER JUMPING FROM A WINDOW OF THE SOVIET CONSULATE IN NEW YORK.

THE PAPER SAID WEINBAUM BELIEVES MOSCOW HAS SHARPLY CHANGED ITS EARLIER POLICY, AND IS READY TO TAKE STRONG MEASURES IN AN EFFORT TO PREVENT MORE DEFECTIONS AMONG SOVIET CITIZENS IN AMERICA.

THE SAME DISPATCH SAID THAT STATE DEPARTMENT OFFICIALS IN WASHINGTON WERE UNABLE TO SUBSTANTIATE REPORTS OF THE PREVIOUS ESCAPES, BUT ASSERTED ONE OFFICIAL HAD NOTED THAT THE NUMBER OF SOVIET EMPLOYES IN AMERICA HAS BEEN GREATLY REDUCED IN THE PAST YEAR.

Taunts Of 'Communists, Pigs' Hurled By Crowd In Potsdamer Platz

ED. SHARES

Moscow predicts new Kremlin meeting today.....*Page 12*

Berlin, Aug. 19 (AP)—A gunfire raid by Soviet-controlled German police in downtown Berlin was turned tonight into an anti-Communist demonstration by a crowd of 600 infuriated Germans.

The crowd shouted taunts of "communism" and "these pigs, the Communists," and stoned the Soviet-sector police into retreat. Five Germans were reported wounded by police bullets, one perhaps fatally.

C. C. Bond, deputy chief of the safety branch of the United States Military Government, said he was "pretty certain" that five persons were wounded by police gunfire but was unable to verify reports there was one fatality and that more had been wounded.

Flag Burning Reported

One German reported to American authorities that some demonstrators burned several Soviet flags in the shell of a ruined building. This could not be confirmed.

Unlike previous raids on Potsdamer Platz, no Russian soldiers or military police apparently were involved in the raid. German witnesses claimed, however, that just before the raid opened they saw two Soviet officers drive through Potsdamer Square, possibly planning the action.

American, British and western German police sources, as well as Soviet news agency sources, said they had no report of any deaths, western police said the highest estimate of the injured was six.

All these sources said they had no knowledge of a reported raid by the demonstrating Germans on Communist headquarters.

The German police had chased alleged black-market operators in Potsdamer Platz to the borders of the British-American sectors of the city.

Jeep Blockade Set Up

Four truckloads of British police stayed at their border posts in the area. At the American border armed military police strung five jeeps across the street. They were reinforced by a score of German police.

Some witnesses claimed the police violated sector borders by crossing over into the American zone. They said two volleys were fired, one in the Soviet sector and one in the American sector.

Other witnesses said the trouble started when the police beat a woman with their clubs. Bystanders began hooting and hurled bricks from the top of piles of rubble.

New Evidence Of Tension

The violence provided new evidence of the tension which has been building up in Berlin since the Russians opened their campaign to drive the Western powers out of the city by blockade tactics.

German police from the American sector said the Soviet-backed police chief, Paul Markgraf, was a witness to the demonstration. His refusal to accept dismissal by the anti-Communist government split Berlin's police into "east" and "west" forces.

It was at least the third time Soviet police raiders have been stoned by German crowds since the police department split.

In today's violence the crowd picked up stones and bricks and hurled them at the Soviet-sector police.

A rock bounded off a policeman's shoulder. As the police vehicles went into reverse the Germans shouted at them: "Communist, Communist."

Fires Over Heads

One policeman standing on a running board pulled out his pistol. For a moment he aimed it at the crowd. Then he raised the pistol and fired over the heads of his tormentors. He fired again as a hail of bricks struck both police cars.

This did not stop the crowd, which pushed after the cars, laughing and jeering and still hurling rocks. Finally the police cars turned around suddenly and disappeared deeper into the Soviet sector.

British police began breaking up the demonstration which spilled over into their sector. They arrested one youth who had a pocket full of stones and one clutched in his hand.

A carload of British military police arrived shortly after the Soviet police departed. An American jeep with two military police also arrived.

Probably Tag End Of Raid

One British policeman said he had been told the Soviet police had staged a noon black-market raid in their sector, and he said the pursuit was probably a tag end of the original raid.

He believed the fleeing Germans were headed for the American or British sector to avoid arrest.

The Soviet version of the disturbances was put out by the Russian-licensed German news agency (ADN), which described what it termed "turbulent scenes" when "the black market rebeled" against police and stoned them.

The agency said one Russian-policeman was injured in the eye by a stone and that "black marketers who were sitting in police cars after their arrest also were injured.

"Forced To Fire"

"Police saw themselves forced to fire several warning shots as they sought to drive the black marketers back," and said. "The crowd slowly withdraw to the part of Potsdamer Platz belonging to the American sector where, according to their own words, they knew they were safe.

"From here they continued to stone the police, who finally had to withdraw in order not to have greater losses."

The agency charged that "the black marketers were fully organized."

A half-hour after the raid, Adn said, Potsdamer Platz on the American side "was again black with people who were offering cigarettees, chocolates and while rolls (at black market prices)."

No Russian Soldiers Seen

An official British report said Soviet troops appeared on the scene about two hours after the disturbance and were booed. The report added that no Russian soldiers were seen during the clash or immediately afterward.

At midnight the square was quiet.

A week ago American and British police repulsed two attempts by German police in the Soviet zone and a Russian military policeman to enter the American zone. The Russian police said they were pursuing black-market operators.

Hope for easing the Soviet blockade centered in Moscow, where representatives of the United States, Britain and France have been holding discussions with the Russian

Blame Allied Attitude

Sections of the Soviet-controlled press here charged today that "contradictory attitudes" of the Western Allies were bogging down the Moscow talks.

These accounts said the Western powers made agreements on outstanding issues when they met with Prime Minister Stalin, then changed their minds in later meetings with Vyacheslav M. Molotov, Soviet Foreign Minister. ADD

Berliners Stone Russian Police

Angry Crowd Hurls Rocks at Two Carloads of Guards in Anti-Red Rioting.

Berlin, Aug. 19 (A. P.).—An angry German crowd just inside the Red Army sector of Berlin stoned tonight two carloads of Russian zonal police who pursued black marketeers almost into the American and British areas.

The first reports said that one person was killed and four were wounded. The howling, milling mob jeered the Russian police, who backed away slowly.

British police stood just inside the British boundary as the 600 or more Germans hurled taunts of "Communists" at the police. The demonstration virtually amounted to a mass manifestation against Communism.

Police Force Split.

The German police force of Berlin was split recently when the Russians refused to recognize the city's governmental action in discharging the Russian - trained police chief.

The crowd apparently was infuriated by a shooting a short time earlier. The Germans began picking up bits of rubble and hurled these at the open vehicles. One rock hit a policeman's shoulder, another bounced off a radiator. Drivers threw the trucks into reverse, and backed slowly away.

A policeman, one foot on a running board, pulled a pistol, and aimed it at the crowd for a moment. He raised it and fired over the heads of the demonstrators as the cars increased their backward pace. A hail of bricks hit the trucks, and he fired again.

British in Action.

The mob pushed ahead, laughing, jeering, and hurling rocks. The Russian police cars turned suddenly around and drove more deeply into their own zone.

British police started breaking up the demonstration. They arrested one youth, and almost started another riot when the crowd gathered anew and demanded his release.

American informants said that the German police of the Russian zone were working in conjunction with Russian military police, at least in the first part of the black marketeer chase. American patrols were sent to the scene to investigate.

WIESBADEN, Germany, Aug. 19 (AP)—The Hessian Interior Ministry said tonight a German policeman of the United States zone had been kidnapped by Russian zone police.

The Ministry said it had sent a formal complaint to the Russian zone state of Thuringia.

The Ministry told the United States Military Government that Sgt. George Hartwig had been kidnapped inside the United States zone July 29. Sergeant Hartwig was reported to have been handcuffed in a Russian prison in Gotha, a Soviet zone town, by a German woman who escaped from the prison.

Red Press Scores West's Attitude

Berlin, Aug. 19 (AP)—Sections of the Russian-controlled German press charged today that contradictory attitudes of the Western powers bogged down Moscow talks on the Berlin crisis and the German problem.

These newspapers made the charges of obstructionism along with a renewed propaganda broadside against Western occupation policies and Berlin's anti-Communist city government. The city government has just made known it may issue its own currency in an attempt to unravel the divided city's East-West monetary snarl.

The intensity of the attacks by the Communist press here seemed to indicate that the deadlock is continuing on major issues in Moscow. At the start of the Moscow talks, the Communist press of Germany had soft-pedaled such attacks.

Reversal Is Claimed

One Communist newspaper charged the Western diplomats had expressed agreement with proposals of Stalin at the start of the Moscow talks, then suddenly reversed themselves when they took the matters up with Molotov. The *Berliner Zeitung* and the *National Zeitung* gave this version of a big display, attributing it to "trustworthy Paris sources."

Their account said: The West agreed with Stalin that only Soviet-sponsored currency should circulate in Berlin; that East and West both should lift restrictions on traffic between Berlin and western Germany; that representatives of the West agreed to a conference to consider the problem of all Germany after Stalin demanded that the establishment of a separate Western government be put off.

"However," the account went on, "when they went to negotiate with Molotov, the Western representatives changed their stands and presented new proposals, including one for Four-Power control of Soviet-sponsored currency in Berlin.

"Hinders Progress"

"Molotov could not agree to this, asserting the Western powers had no claim to control of Soviet-zone currency any more than the Soviet Union could ask to share in the control of the deutschesmark in the Western occupation zones. This change of attitude by the United States, British and French representatives created difficulties in the negotiations which hinder their progress and continuation."

[*Reuter* reported a Russian protest to the American authorities in Berlin that American planes were

flying directly over Russian headquarters at Karlshorst, in the Soviet sector, "at a height of 100 meters." The protest was made by the Russian controller in the four-power air safety center.

"Very Annoying"

[A high American air official, declared, "the legal course for the air-lift planes happens to take them right over Karlshorst. It must be very annoying for the high Soviet officers to have a big American plane roaring over every three minutes.

["Radar readings prove conclusively, however, that our planes seldom fly lower than 500 meters in that vicinity. Our pilots are perhaps understandably timid about taking risks over Russian-controlled territory."]

The Russians stand on their demand for a single currency for Berlin — the Russian-sponsored mark—under Russian control, the press said. The Russians insist on unilateral control over the commerce of all Berlin's industries and that all trade between Berlin and Western zones must be handled through the economic agencies of the Soviet zone, it added. This would freeze out the Anglo-American joint Export-Import Agency and give the Russians a stranglehold on Berlin which could lead eventually to its incorporation into the Soviet zone.

The anti-Communist city administration announced last night it is debating two plans to solve the currency mixup resulting from circulation here of rival Eastern and Western marks:

1. To issue an emergency currency for the city.

2. To make the Western mark exclusive currency in Western Berlin in order to overcome the difficulties caused by the Soviet blocking of Eastern-mark accounts in the city's Western sectors.

In western Berlin, both the eastern and western German currencies now are legal. In the Soviet sector, only the Eastern mark is valid.

Cant' Pay Wages

Russia's blocking of these East-mark accounts has made it virtually impossible for the city government and Western-sector firms to pay wages, because the West had directed that three fourths of all salaries were to be paid in Eastern marks.

The second plan already has been proposed to the Western commanders by three anti-communist political parties in Berlin and the Anti-Communist Trade Federation.

On the other side, the Soviet-sponsored Socialist Unity party (SED) has demanded "immediate and unconditional" removal of the Western mark, the re-establishment of political, administrative and economic unity throughout all Berlin and the "tying of Berlin to its natural hinterland, the Soviet occupation zone."

Tito Is Accused Of 'Murdering' Jovanovic

AUG 1948

London, Aug. 19 (AP)—Rador, the official Romanian news agency, accused Premier Marshal Tito and other members of the Yugoslav Government today of treason and "horrible murder" in the death of Gen. Arso Jovanovic, former chief of staff of the Yugoslav Army.

The Yugoslav Government announced yesterday that Jovanovic was killed by a border guard August 12 while attempting to flee across the border into Romania.

Repeating charges first voiced against Tito by the Russian-dominated Communist International Information Bureau (Cominform), Rador declared:

"The clique of traitors of Tito and Interior Minister Alexander Rankovic, which has let loose a wave of terror against Yugoslav Communists who are loyal to the interests of the working class, has thus committed another crime. This time the victim was one of the most popular heroes of the Yugoslav liberation struggle."

Former Tito Associate

Jovanovic was wartime chief of staff and intimately associated with Tito in the days of Partisan warfare against the Nazis.

The Rador dispatch, broadcast by the Bucharest radio, said Jovanovic's slaying was "murder carried out by Tito and his accomplices, who sink deeper into the mire of treason.

"The number of Yugoslav Communists who reject the criminal policy of Tito, Vice Premier Edvard Kardelj, Minister without portfolio Milovan Djilas and Rankovic grows daily," Rador said. It warned:

"Their resistance will not be broken by terror. Yugoslav Communists are leading the struggle for the salvation of the Yugoslav public from the terrorist regime which endangers Yugoslavia's freedom and independence and threatens the peace of the people."

"Dramatic News"

An editorial in the *Times* of London said the "attempted escape" of Jovanovic and two other senior Yugoslav officers was "dramatic news."

"That they chose to escape into Romania, not into Greece, Austria or Italy, is enough to show their sympathies lay," the [illegible] said. "It is not communism [illegible] regretted, but Tito's rule."

Headquarters of the Cominform have been at Bucharest since Russia and her satellites broke with Tito about two months ago. Before that they were located at Belgrade.

The *Times* went on:

"There is nothing yet to suggest that a recalcitrant minority is strong enough to make itself felt. What can be foreseen is the envelopment of Yugoslavia in a new despotism aimed no longer at enemies of communism but also at disloyalties within the ranks of those who brought the Yugoslav Communist regime into being.

"Having once set out upon this path, the present leaders in Belgrade will find it difficult to stop."

B-29'S TO JOIN IN RAF TESTS

Nearly 100 To Take Part In 'Attack' On London Area

London, Aug. 19 (AP)—The Air Ministry announced tonight that nearly 100 American Superfortresses based in Britain will join the Royal Air Force next month in the biggest air defense practice since the war.

Climaxing a year of training, the exercise will bring out all home operational commands of the RAF, including Royal Auxiliary Air Force units. Principal target of the "attacking forces," which will include American planes, will be the London area.

"Southland" Versus "Northland"

United States bomber units and British aircraft from Germany will take part in the attacking force. The problem will designate this force as being from "Southland" on the Continent with its west coast linking Basel, Switzerland, the Dutch Island of Juist and approximately the midpoint of the Norwegian coast.

The defending nation, "Northland," will take in the English Midlands, East Anglia and Southeastern England.

Both the London *Times* and the Communist *Daily Worker* noted that the mock air war is scheduled to start on the ninth anniversary of the beginning of World War II.

MOSCOW SAYS U.S. AIDS WORLD PLOT

Broadcast Charges Financing Of Anti-Russ Activity

London, Aug. 19 (AP)—The Moscow radio broadcast an accusation tonight that American authorities are financing anti-Russian activities outside the United States.

Discussing the case of Mrs. Oskana Stepanovna Kosenkina, the Russian schoolteacher who leaped a week ago from the third floor of the Soviet consulate in New York, the broadcast said:

"It is highly indicative that American authorities are supporting and financing the work of such gangs as 'Common Cause' and the Tolstoy foundation outside the United States.

No Spy Base In Soviet

"The fact that the American intelligence service seeks new recruits in the White Guard underworld has its explanation. There is no base in the Soviet Union for subversive activities of the American espionage system. Our country has no corrupt politicians prepared to sell out their homeland, nor 'American' political parties."

The broadcast, heard in London by the Soviet monitor, quoted an article in the Moscow weekly *New Times* by the commentator Sergeyeva. The article was entitled "Gangster Methods in International Relations."

Reactionary Influence Seen

The broadcast said the Tolstoy Foundation was "headed by former Countess Alexandra Tolstoy for the express purpose of engineering anti-Soviet activities." It said Common Cause "includes in addition to Russian emigré reactionaries a number of American reactionaries."

Before Mrs. Kosenkina jumped, Common Cause, Inc., a self-described anti-Communist organization, brought court action to force Soviet Consul General Yakob M. Lomakin to free the teacher. Michael Ivanovitch Samarine, another Russian teacher, had conferred a few days before with the FBI

London, Aug. 19 (A. P.).—George Bernard Shaw came up today with a suggestion for scotching war jitters: Produce a brand new political dictionary of common, exact words "to clear our heads."

"The matter is extremely urgent," the ancient playwright asserted, 'for the present confusion of tongues is heading straight for war, which none of the powers can afford and nobody desires."

Shaw set forth his views in a letter that filled two-thirds of a column in the London Times. It is a way he frequently chooses for expressing unsolicited opinions on vital current problems. His appeal—that's what he called it—was addressed specifically to the British Government. It asked for the appointment of a parliamentary committee "to settle our political nomenclature."

But, in true Shavian manner, he revealed a global aim. Patently he meant that all nations might profit by the kind of dictionary he has in mind. "Until we clear up our political nomenclature," he wrote, "our political oratory and journalism can come to nothing but the pot calling the kettle black, without either of them knowing what they are talking about. We all lack a common and exact dictionary and are at dangerous cross purposes over imaginary differences and delusive agreements that are only verbal.

"I myself find it impossible to make myself understood, though when I describe myself by this or that adjective I know precisely what I mean. I am basically a Marxist Communist, but I cannot say so without being set down as an infantile advocate of catastrophic insurrection."

Would Help Liars Too.

Referring to the present differences between Russia and the Western powers, Shaw said: "Negotiation is impossible unless the parties use the same words for the same things and understand what the words mean. The present Babel threatens a war that nobody wants countered by a flood of conscientious objection from those who think their rulers are backing the wrong horse.

AUG 1948

"Even liars need a language that will enable them to lie unambiguously. To the truthful, the present impossibility of wording their messages without being misunderstood is an agony. DECISIVE TALKS IN KREMLIN SET FOR TOMORROW

Three Western Envoys Due to See Stalin and Molotov Then.

'AGREEMENT IN PRINCIPLE' NOW

London Hears Possibility of Holding New Four-Power Sessions Is Strong.

London, Aug. 19 (A. P.).—An informed governmental source reported today that the three Western envoys' next Kremlin meeting on Germany probably will be with Prime Minister Stalin and Foreign Minister Molotov together. The expectation here is that the talk—which should take place by tomorrow—will be decisive.

The three weeks' East-West negotiations to settle the Berlin disputes have narrowed differences to a few essentials, he declared.

"Agreement in principle" has been reached to hold a new four-Power foreign ministers' session if the talks on Berlin are successful, it was said. Britain's top Foreign Office expert on Germany, Sir William Strang, conferred with Lewis W. Douglas, United States Ambassador, and the French Ambassador, Rene Massigli, today on the Kremlin conversations.

Report to Attlee.

Foreign Secretary Bevin sent a special courier with a full report on what has been happening in Moscow to Prime Minister Attlee, now vacationing in Eire. The Whitehall source said that Russia definitely sought deferment of Western plans to set up a separate German Government, in return for a lifting of the Berlin blockade, and the Western answer was a qualified "no," but they stressed that there was nothing to prevent a West German governmental structure from being dovetailed ultimately into an all-German authority, he added.

"It was hoped that the standstill agreement of last November would have brought good relations, but from the first India has completely disregarded it."

French Assembly Backs Plan For Absorption Of Viet Nam

Paris, Aug. 19 (AP)—France intends to go ahead with her plans for incorporating three Indo-China states which comprise Viet Nam into the French Union, Premier Andre Marie said today.

He won what amounted to a vote of confidence from the national Assembly on his policy.

[Editor's Note—Writing in *The Sun* of June 3 on the current troubles in Indo-China, Paul W. Ward predicted that France's leaders would grant Viet Nam independence, but within the French Union," enjoying an autonomy somewhat akin to that of the British dominions.]

said was costing the lives of 300 French soldiers monthly.

Toll Set At 20,000

The weekly *Samedi Soir* estimated France had lost 20,000 men since the rebellion began in 1946, by natives headed by Ho Chi Minh.

Marie did not mention the fighting, but said "France must continue by her presence to try to restore peace out there."

France, Marie said, "intends to associate the states of Indo-China within the French Union in full equality and independence."

Marie said he hoped that it would eventually be possible to hold elections in Indo-China.

Hyderabad Plans Plea To U.N. In India Fight

London, Aug. 19 (AP)—The Hyderabad Government announced in London today it will appeal to the United Nations for help in settling its dispute with India.

An announcement said:

"Having tried all other methods without avail to resolve the issues in dispute with the Government of India, the Government of Hyderabad has now no course open to it but to submit its case to the United Nations in the hope that a peaceful and enduring settlement may thus be reached."

A Hyderabad spokesman repeated charges that India has subjected his country to an almost total blockade and applied other economic pressures.

Situation Is "Grave"

Like Kashmir, Hyderabad is claimed by both the Indian Dominion and Moslem-ruled Pakistan.

Indian Prime Minister Jawaharlal Nehru has demanded that Hyderabad join India. The state now is ruled by the Nizam.

The Hyderabad spokesman said "the situation between Hyderabad and India has become very grave," adding:

Marie, in a brief statement to the Assembly, said his Government "solemly" backs the protocol signed in June by French High Commissioner Emil Bollaert with ex-Emperor Bao Dai.

Some French sources have speculated that secret clauses in this protocol provide for Bao Dai to return as a constitutional monarch of an Indo-China Federation.

Communists Opposed

In general, the protocol provides for the inclusion of Annam, Cochin China and Tonkin within the French Union as semi-independent states. France would keep control of these states' national defense and their foreign affairs.

Marie asked the Assembly to vote an indefinite suspension of the debate on Indo-China, indicating the vote would be construed as favorable to his Cabinet. The Assembly did so, by vote of 347 to 183.

The negative votes were Communist.

Marie made no mention of the two-year-old war in the territory, which the newspaper *France Soir*

1,500 French Quit Berlin Area

Paris, Aug. 19 (AP)—The Foreign Ministry said today that about 1,500 French men, women and children have left Berlin in the last two weeks.

A spokesman said economy measures have forced the withdrawal of "several hundred" Government workers and a number of officials from the city. He said wives and children of other employés left recently on vacations.

The spokesman said the assertion of the Soviet-licensed German news agency that the French are evacuating is "ridiculous." He said he never heard of the "Colonel Paris" the agency quoted in its evacuation report.

Raise Output, Not Pay, Reynaud Tells France

Paris, Aug. 19 (AP)—Paul Reynaud, Finance Minister, said tonight France must increase production but not salaries. Speaking over a national radio hookup, he declared:

"There are 40,000,000 people inhabiting France, but last year there were only 20,000 pairs of shoes made in this country."

Reynaud, whose plan for recovery has been enacted by the National Assembly, called upon his countrymen to face the fact that United States help must end in four years.

BRAZIL URGES CURBS ON EXPORT SUBSIDIES

GENEVA, Aug. 19 (AP)—Brazil proposed today that the provisions of the Havana Trade Charter restricting export subsidies should be put into effect immediately. Under the charter, these provisions would not become operative before 1950.

The Brazilian suggestion, opposed strongly by the United States, was made by Alberto Campos, Brazilian delegate, to a meeting of the twenty-one contracting parties to the Geneva tariff agreement.

The agreement was concluded last year as a framework for bilateral and multilateral tariff concessions made by various states participating in the United Nations Conference on Trade and Employment. The Havana Trade Charter superseded the agreement in many ways and went beyond it, but it is not likely to come into effect until the end of next year.

The United States delegate, John Leddy, expressed opposition to Senior Campos' proposal that three articles restricting export subsidies be incorporated in the Geneva agreement. The United States had agreed to restrictions on export subsidies in the Havana Charter, Mr. Leddy said, because it contained a number of provisions to counter-balance this concession. If the three articles were written into the agreement, he said, the states making concessions would be deprived of the compensating benefits in the charter.

The Brazilian proposal was passed on to a subcommittee comprising Australia, Brazil, China, Norway, Syria, the United Kingdom and the United States.

Russia Assails Exclusion Of Satellites by Unesco

GENEVA, Aug. 19 (AP).—The Soviet Union charged today that the non-Communist majority on the United Nations Economic and Social Council was violating the spirit of the U. N.

Soviet delegate A. Arutiunian vigorously protested the U. N. council's failure to re-elect some Communist countries to membership of the U. N.'s functional commissions.

In a series of secret ballots yesterday and today, the council appointed Denmark to replace Byelo-Russia on the Human Rights Commission, Turkey to replace Czechoslovakia on the Social Commission, and Greece to replace Byelo-Russia on the Commission on the Status of Women.

Mr. Arutiunian blamed the United States for this tendency. The council's chairman, Charles Malik, of Lebanon, ruled the Soviet delegate's statement out of order. The American delegate, Assistant Secretary of State Willard L. Thorp, said the statement was "entirely without foundation."

DUTCH-INDONESIA BIL ADOPTED BY DEPUTIE

THE HAGUE, Aug. 19 (AP)—The Second Chamber of the Netherland Parliament ratified tonight a constitutional amendment that clears the way for granting sovereignty to Indonesia and reconstructing the Kingdom of the Netherlands.

The Chamber, following a two-day debate, also approved three other amendments providing for the transfer of civil authority in the event of an internal threat, granting a pension to retiring Queen Wilhelmina and authorizing appointments of state secretaries as assistants to Cabinet members.

The broad constitutional revision, representing the first change in basic Dutch law since 1922, still required the approval of the First Chamber (Senate).

The vote on the Indonesian amendment, after a plea by Premier William Drees, was 76 to 22. It was opposed by sixteen Deputies of the Rightist opposition parties and by six Communists.

It provides for a "new legal order" under which the Netherlands will be united with its former colonies "on an equal footing." The colonial territories would then be free to "realize their own interests independently."

Reds' Interest In Girl Criticized

Stockholm, Aug. 19 (AP)—The Soviet Union," *Svenska Dagbladet* said, adding: "Lydia Makarova is considered a Government possession and, as such, she should be demanded back. To be a Soviet citizen means to lack all legal rights against the Government and its organs."

newspaper *Svenska Dagbladet* today that Soviet representatives here apparently want to repeat the New York Kosenkina case, with 19-year-old Lydia Makarova "playing the leading role in a Swedish version."

The Makarova case is attracting wide attention in Sweden. Most newspapers offered sharp editorial criticism of Russian methods in trying to persuade the girl—a Russian citizen—to return to the Soviet Union.

"Human lives rate very low in

Dagens Nyheter headlined its editorial "Russian Manhunt."

It said the Russian argument to justify official interest in Soviet citizens was "absurd" and added: "The Russians have shown sovereign contempt of Western legal standards and rules set up for decent behavior in a civilized country."

The paper demanded that the Swedish Foreign Office "most emphatically impress upon members of the Soviet Embassy that they

work in a country where the methods applied by NKVD (Russian Secret Police) are considered to be the height of lawlessness."

Foreign Office Renews Warning

The Foreign Office said yesterday it had renewed its warning to the Russians to keep away from the girl. She has said she never wants to return to the Soviet Union.

The official Communist party newspaper *Ny Dag* published an interview with a Soviet Embassy official, who said the embassy only had tried to contact the girl for her father, a Red Army colonel. He denounced press reports that the Russians are trying to kidnap the girl and said the embassy would "try all official means to deliver the letter from Colonel Makarova to his daughter."

Publicity Motive Reported

Lydia, who lives at Dalaroe, outside Stockholm, refused to see reporters yesterday. But her hostess, Mrs. Folke Bigner, told *Stockholms-Tidningen* she had tipped off the press about the incident in order to get publicity for Lydia's scheduled concert debut January 29.

"The Russians have unwittingly helped her get publicity," the paper commented.

The girl told *Dagens Nyheter* she had been considered a musical prodigy in Leningrad and has continued her studies in Sweden while working as a maid.

Ceylon First in Response

STOCKHOLM, Sweden, Aug. 19 (AP)—The Ceylon Government was the first to answer Count Folke Bernadotte's world-wide appeal for help for the refugees in the Palestine war. Ceylon, a British Dominion, pledged 50,000 rupees (about $16,000), according to a message to the United Nations mediator here.

Clay Picks Judge William Clark To Head A. M. G. Appeals Court

Newark Jurist Lost Fight Under G.I. Bill to Regain His Seat on U. S. Bench

BERLIN, Aug. 19 (AP).—General Lucius D. Clay, American Military Governor for Germany, announced today appointments of a chief judge and three associate judges under the American Military Government's new court reorgaization program. He also named a chief attorney to be in charge of prosecution.

The tribunal will be the A. M. G.'s Court of Appeals, an innovation in the Army's plan to provide greater safeguards for accused persons and witnesses. The new judicial system is an independent unit and affects breaches of A. M. G. law.

The appointees:

Chief judge, William Clark, a Harvard University graduate from Newark, N. J. He is a former judge of the New Jersey Court of Errors and Appeals of the United States District Court for New Jersey and the 3d Circuit Court of Appeals. He has been in Germany as a legal consultant since January, 1948. During World War II he was a colonel on the general staff. Judge Clark's wife, who is in Berlin with him, is Sonia Tomara, special writer and former foreign correspondent for the New York Herald Tribune.

Associate Judges: Juan A. Sedillo, Georgetown University graduate. He practiced law in Santa Fe, N. M., for ten years and was a state senator and chairman of the Senate Judiciary Committee. Mr. Sedillo was a colonel in the Judge Advocate General's Department during the war and was chief legal officer of Wuerttemberg-Baden until early in 1947. Since then he has been chief legal officer of Bavaria.

Marc Robinson, a Boston University graduate who practiced law in Boston for eighteen years. He was a captain in military government during the war and was chief legal officer of the 7th Army. Mr. Robinson is serving as deputy chief legal officer for the State of Hesse.

Carl W. Fulgham, a graduate of the University of Colorado. He served three years as district attorney of the 9th Judicial District, Colorado, and sixteen years as United States Commissioner for the Colorado district. He acted as prosecutor and judge in the present military government system since the occupation of Germany and at present is assigned to the office of the chief legal advisor, Wuerttemberg-Baden. He was a major in the Army, serving as a legal specialist.

Chief Attorney: Worth B. McCauley, University of Oklahoma graduate. He practiced law in Oklahoma for twelve years, and during the war was a major in the Judge Advocate General Department. He acted as judge and prosecutor in military government courts. At present he is deputy chief, legal division of the military government in Bavaria.

The Appeals Court has set its first session at Nuernberg, Sept. 7.

Russians Deny Holding Pair

Frankfurt, Germany, Aug. 19 (AP). United States Army authorities made little—if any—progress today trying to free two Americans held prisoner by the Russians for two weeks.

The detention of the two Americans is the longest in a whole series of arrests by Soviet troops in the present East-West "cold war."

Russian authorities in Berlin were reported insisting they knew nothing about the arrest August 5 of Lieut. Sherman S. Turner, of Council Bluffs, Iowa, and Roland M. Myers, of Brooklyn, N.Y.

The United States Army for its part showed reluctance to talk about the case. Turner's wife said she was "slowly going crazy waiting for news."

Not Ordered To Area

Considerable mystery surrounded both the arrest of the two Americans and the United States Army efforts to get them released.

According to their German driver, they were arrested by the Russians when they crossed into the Russian zone near Mellrichstadt, 75 miles east of Frankfurt. It is generally supposed that Turner and Myers crosed into Russian territory by mistake.

However, Alex D. Robb, of Rumson, N.Y., military government area commander in Bad Kissingen, said today Turner and Myers had no orders to be in the border area when they were arrested.

Turner, military government officer at Bad Kissingen, was "watching" the Mellrichstadt area in the absence of the local military government officer on that day.

Left No Explanation

Myers at the time of his arrest was on leave from the Political Affairs Branch of Military Government's Civil Affairs Division, said his chief, John Elliot, a former New York *Herald Tribune* correspondent.

Robb said Myers called on Turner and they both went to the border area without leaving any explanation.

Since their disappearance, Mrs. Turner said she had had the same difficulty as correspondents in getting information about American efforts to obtain their release.

"I cannot find out anything, either," Robb said.

This afternoon, the army intelligence office in Berlin said:

"We were using every agency to contact the Russians to secure the release of Turner and Myers. We tried the border-liaison people and are continuing to work on it."

RUHR TO ASK HOFFMAN TO END DISMANTLING

DUESSELDORF, Germany, Aug. 19 (AP)—Eric Noelting, Economic Minister of North Rhine-Westphalia, said last night a plea to halt dismantling of German factories would be sent to Paul G. Hoffman, economic cooperation administrator.

He said that the British Military Government had refused to discuss further the dismantling question and also had declined to receive any more German expert advice on the subject. Herr Noetling added:

"The only thing left for us to do now is to appeal direct to Mr. Hoffman. We will do that through the Bizonal Economics Council in Frankfort.

"We will ask him to hear German experts in Paris as soon as possible. They will tell him how the industrial dismantling policy is hampering West German recovery.

"Only if the Ruhr is made completely taboo to more dismantling for reparations will West Germany be able to contribute fully to the European Recovery Plan."

Two kinds of dismantling are going on in West Germany. One is the destruction of war plants in the demilitarization program. The other, to which Herr Noelting specifically referred, is the removal of plants declared surplus by the United States and British Military Governors. The measuring stick is Germany's 1936 industrial capacity. The plants are allocated to Allied nations as reparations.

Herr Noelting estimated the value of the Ruhr plants con[illegible] at $1,200,000,000.

PROTEST BY AUSTRIANS

Tell of Shooting and Abductions Near Yugoslav Frontier

VIENNA, Aug. 19 (AP)—The Austrian Cabinet protested to Yugoslavia today against the alleged shooting of one Austrian and the abduction of two others near the frontier last Sunday.

The Cabinet also upheld the decision of the Austrian representatives at the Belgrade conference not to approve the Soviet-dictated Danube River agreement.

It was announced that a formal protest would be lodged with the Soviet authorities and the Allied Council against the banning in the Russian zone of eight daily and weekly newspapers sponsored by the Socialists and the Peoples party.

Greek Offensive Near End, Says Baltimorean

Kozane, Greece, Aug. 19 (AP)—High Greek officials expressed belief today that the summer offensive against Communist-led guerrillas is "nearly over."

Col. James F. Brittingham, of Baltimore, chief of the joint United States military advisory planning group attached to 2d Army Corps, supported this view. He said the offensive would end victoriously within ten days.

The Greek officials reported, however, that 5,000 rebels are still holding out in the northern Grammos area.

[In Athens, a general staff spokesman said the guerrillas still held about 100 square miles of Grammos territory, and that stubborn resistance was indicated by the fact that Government forces gained only about 30 square miles in the past few days. The spokesman said indications were that the rebel forces were ordered to hold a 22-mile perimeter at all costs.]

Albania Assailed

Greek and American military officials predict that most of the guerrillas will seek refuge in Albania before the battle ends.

These officials forecast that Albania will not disarm and intern guerrillas despite a request from the United Nations Special Committee on the Balkans.

In addition, Greek military intelligence officers said "Albania is continually violating the Greek frontier by permitting small groups of guerrillas to attack the Greek Army from Albanian soil." They further asserted that Albanians belonging to special Communist brigades are "fighting with Greek guerrillas on the Albanian-Greek border."

British and American officers emphasized that the "Greeks have been careful not to violate the Albanian frontier and not to create any border incident."

Reports On Wounded

Greek military intelligence reported that from 3,000 to 4,000 wounded guerrillas have been transferred into Albania since the Grammos offensive began June 21. Surrendered guerrillas said some of the wounded were sent on to Bulgaria and Yugoslavia.

Brittingham said the rebels still appear to have substantial amounts of arms and ammunition. He added:

"It is apparent they are getting supplies from Albania because Markos (Vafiades) is not capturing arms from the Nationals, as he claims."

Native Marylander

A spokesman at the Department of National Defense, in Washington, reported that Colonel Brittingham is a native Marylander, but that his address is listed in the records at 19 West Boulder street, Colorado Springs, Col.

He was born July 4, 1894, and graduated from the University of Missouri with a bachelor of civil engineering degree in 1915. He rose through the ranks to a colonelcy.

GREEK LEADER CLAIMS VICTORY

Premier Congratulates Army; Rebels, However, Hold Lines

Athens, Aug. 19 (AP)—Prime Minister Themistokles Sophoulis issued an order of the day to the Greek Army tonight saying it has "won the battle of Grammos."

He said the forces of Communist Leader Markos Vafiades were "lying prostrate" and expressed gratitude to all Greek soldiers.

On the military side, there were no reports of fresh progress in the current clean-up against the guerrillas' resistance in Markos's "Free Greece."

A general staff spokesman said today guerrilla resistance had stiffened during the last two days. He estimated the guerrillas still held about 100 square miles along the Albanian frontier.

End Of Offensive Seen

The spokesman said indications were that Vafiades had ordered his forces to hold a 22-mile perimeter at all costs.

At Kozane, Col. James F. Brittingham, chief of the joint United States military advisory planning group attached to the Greek 2d Army Corps, predicted the Grammos offensive would be brought to a successful end in ten days.

Chief guerrilla resistance appeared to be on the northeastern sector of the barren mountain front.

Athens newspapers said the Greeks launched a new offensive in that sector against Yannohori, west of Alevitsa.

Communications Strike In Greece Ends

Athens, Aug. 19 (AP)—The Greek communications strike ended today. Postal, telegraph and telephone service had been paralyzed two and a half days by the walkout for higher wages. Only military, diplomatic and press messages had been handled.

The union decided to end the strike when the Government promised immediate action on their wage demands.

New Moscow Parley Prospect

Moscow, Aug. 19 (AP)—Informed observers predicted today the three western envoys would meet tomorrow with Vyacheslav M. Molotov, Soviet Foreign Minister.

There were indications that negotiations between the Soviet Union and the Western powers were in an advanced stage and possibly were nearing a conclusion.

Tomorrow's meeting with Molotov, if it comes off, may be the last before another session with Prime Minister Stalin.

The observers said they had no inside information but pointed out that there had been no meeting between Molotov and Walter Bedell Smith, United States Ambassador; Frank Roberts, British special envoy, and Yves Chataigneau, French Ambassador, since Monday.

Enough time now has elapsed to enable the American, British and French embassies to receive replies from their governments to communications dispatched by the western diplomats following the Monday talks in the Kremlin.

The fact that the western diplomats held a meeting among themselves at the United States Embassy this morning was said to indicate that the replies actually had been received.

The negotiations to settle East-West differences in Berlin, Germany and possibly all of Europe began July 31.

Peiping Seeking 250 Red Students

Peiping, Aug. 19 (A. P.).—Warrants for the arrest of 250 students of Peiping universities on charges of being Red agents are being prepared by a special criminal court. All students are on summer vacation, and since the list of Communist suspects has been published in all Peiping newspapers, they may avoid arrest by not returning to school.

Troops Help Jap Police Move Studio Sitdown Strikers

Tokyo, Aug. 19 (AP)—American soldiers and Japanese police today moved 1,500 Communist-aided sitdown strikers peacefully from a movie studio they had held since March 31.

"We are leaving only temporarily," one strike leader said. Seven hundred armed Japanese police promptly occupied the studio, operated by the Toho Company.

Troops To Back Police

Four Sherman tanks, four armored cars, 50 armed soldiers and a small observation plane were sent to the studio by the United States 1st Cavalry Division.

The cavalrymen's commander, Maj. Gen. William C. Chase, said: "My troops will back up Japanese police if necessary in enforcement of the law."

General Chase added that part of the mission of his troops was "to protect Americans, many of whom live in the neighborhood of the studio with their dependents."

The Toho Company announced last March 31 it was discharging 909 workers from its Kinuta studio as "Communist influenced." Of the 900, 270 refused to leave. The company last Sunday obtained a court order to eject them. It was this order which police mobilized to enforce.

Soldier Guilty of Murder

Gets Life for Slaying Catholic Chaplain in Japan

YOKOHAMA, Aug. 19 (AP).—Private William C. Mannis, of Church Hill, Tenn., was convicted today of murdering Captain John A. Ryan, of Philadelphia, a Catholic chaplain, and sentenced to life imprisonment. The general court martial sentence is subject to the review of the Yokohama base commander, Brigadier General Crump Garvin.

Mannis was convicted on the testimony of a Japanese prostitute. She said the young soldier shot the chaplain near Sugamo Prison, where both Americans were stationed, when the priest reprimanded the soldier for appearing in public with his arm around a prostitute. The soldier denied the shooting, which occurred on the night of April 5.

4 More Civilians Slain By Malay Communists

Singapore, Aug. 19 (AP)—Dispatches from North Malaya said today Communist insurgents had killed at least four more unarmed civilians.

The insurgents killed a young Chinese couple in Jahore state while the wife knelt and prayed for mercy. Relatives watched the Reds riddle her and her husband with automatic fire.

A Chinese foreman kidnapped several days ago was found slain in Negri Sembilan state. His hands were tied and he was shot through the head. A youth was taken from a coffee shop and killed in Salangor state.

Rubber Smokehouse Burned

Uniformed insurgents burned down a smokehouse filled with rubber on the Cheras estate in Salangor.

The British Army said Gurkha troops in Johore killed a Communist, wounded and captured another and arrested nine known Communists in a sweep in the Kota Tingg area.

H. P. Bryson, acting chief secretary of the Federation of Malaya, said in Kuala Lumpur the Government is studying reports that RAF planes bombed a gold mine in South Siam. An RAF spokesman would neither confirm nor deny the report that British flyers attacking insurgents in North Malaya raided the site on the Siamese side of the frontier.

An RAF plane failed to return from a flight over a northern Malayan area where Communists have been reported. Radio Malaya interrupted all programs to announce the plane was twelve hours overdue early in the afternoon. No information was given about the number aboard the Dakota, which disappeared between Khota Bharu and Alor Star.

Red Publications Banned In Indo-China

Saigon, Indo-China, Aug. 19 (AP). A long list of Communist publications has recently been banned by the French authorities.

Included are Communist propaganda pamphlets printed in Russia and China in the English or Chinese languages, the works of the principal Marxist theoreticians, biographies of Communist leaders, recent speeches by the heads of the Soviet government and Chinese Communist newspaper.

U.N. Told Strife In Jerusalem Is Near Crisis

AUG 1948

Stockholm, Aug. 19 (AP)—The United Nations Palestine mediator warned the Security Council today that the situation in Jerusalem is "gradually getting out of hand." He said it is doubtful whether the Holy City can be demilitarized in the near future.

Count Folke Bernadotte, asking the Council for prompt action to halt the renewed Arab-Jewish strife, declared in an interim report that the Arabs have accepted in principle the plan to disarm regular and irregular troops in Jerusalem.

"But the Jews, who stated initially they did not exclude demilitarization, have shown no readiness to accept it up till now," Bernadotte added.

International Force

Under these conditions it would be necessary to have a "strong and well-armed international force" to bring about demilitarization of the Holy City, the report said.

Demilitarization of Jerusalem has been one of the mediator's primary aims in his negotiations with Jews and Arabs. His latest attempt to bring about a cease-fire failed to halt the fighting there.

Bernadotte's report expressed fear these clashes might bring about new full-scale warfare.

"It should be borne in mind that further deterioration" of the situation in Jerusalem may lead to general resumption of hostilities, he said.

The United Nations mediator had asked Arabs and Jews to accept a new cease-fire effective last Friday morning. But the bitterest fighting since the second Palestine truce began raged throughout last Friday night.

Possible Sanctions

Bernadotte's aides said Security Council action could take the form of warnings or sanctions against the side found to be violating the truce ordered by the Security Council in a July 15 resolution.

"Under prevailing conditions it is difficult to assess responsibility and idle to try to ascertain which of the parties is more to blame," Bernadotte said, adding:

"They both have come deliberately to ignore the authority of the United Nations."

[In Haifa, it was learned yesterday that the chief of staff of the United Nations Truce Commission, Gen. A. Lundstroem, considers the recent shooting in the Holy City violations of the truce by both Jews and Arabs.]

Warning Phases

"Should the present action of the Security Council take the form of a warning," Bernadotte said, "I suggest that it should be clearly pointed out to the parties:

1. That responsibility will be assessed whether violations are due to members of the opposing armies or to dissident elements or irregulars.
2. That each party has a duty to bring to justice its own dissident elements and irregulars when they violate the truce.
3. That reprisals and retaliations are not permitted.
4. That no party will be allowed to gain by any violation.

Assigning Of Blame

The Jews have blamed "irresponsible dissident elements" and the Arabs' "uncontrollable irregulars" for some truce violations.

Bernadotte said the problem of maintaining the Jerusalem cease-fire is complicated by "mutual distrust of the parties" and lack of a "sufficient number of observers and transportation."

Despite the efforts of himself and observers, he added, "not only firing has practically never ceased in Jerusalem but the situation is gradually getting out of hand."

Bernadotte said his reports from the Holy City declared that "general tenseness is locally mounting."

Local Character

"The situation is at present of a local character," he said, "the one party firing against the other without any alteration of positions."

Bernadotte's aides said the mediator addressed the message to the Security Council after learning it was to adjourn September 1 for twenty days and then reconvene in Paris.

AUG 1948

Bernadotte Issues Warning

Stockholm, Aug. 19 (AP)—Fear of new full-scale warfare in the Holy Land was expressed today by Count Folke Bernadotte. He said the situation in Jerusalem is "gradually getting out of hand."

The United Nations Palestine mediator called upon the Security Council to halt the renewed fighting between Jews and Arabs immediately.

In an interim report, he said, Arabs accepted in principle the plan to disarm both regular and irregular troops in Jerusalem, "but the Jews, who stated initially they did not exclude demilitarization, have shown no readiness to accept it up till now."

Strong Forces Needed

A primary aim of Bernadotte was demilitarization of the holy city, but fighting has not been halted as a result of his latest attempts to arrange an effective cease fire. He doubted that Jerusalem can be demilitarized soon.

It would be necessary under these conditions, he said, to have a "strong and well-armed international force" to compel demilitarization of Jerusalem.

Bernadotte asked Jews and Arabs to stop their fighting, effective last Friday, but since then Jerusalem has seen the bitterest fighting of the second Palestine truce.

Difficult To Fix Blame

Bernadotte in his message to the Security Council warned: "It should be borne in mind that further deterioration" of the situation in Jerusalem may lead to general resumption of fighting.

The Security Council could warn the side found violating the truce and adopt sanctions against them.

But Bernadotte said: "Under prevailing conditions it is difficult to assess responsibility and idle to try to ascertain which of the parties is more to blame."

He added: "They both have come deliberately to ignore the authority of the United Nations."

Some truce violations were blamed by the Jews on "irresponsible dissident elements" and by the Arabs on "uncontrollable irregulars." — ADD

VICAR CHARGES CHURCH LOOTING IN PALESTINE

Galilee Prelate Reports List of Desecrations to the Vatican

Jerusalem, Aug. 19 (A. P.).—The Latin Patriarchate released today a report by the Vicar-General for Galilee accusing Jews of criminal acts against twelve Roman Catholic institutions in Northern Palestine.

The report, by Mgr. Anthony Vergani, an Italian citizen, has been forwarded by the Patriarchate to the Vatican Secretary of State.

It alleged that seven churches, convents and hospices have been looted by Jews and others seized by force. It expressed concern that the Jews might "start a continued expropriation of ecclesiastical properties which may have no small repercussion in the Christian world."

AUG 1948

Mgr. Vergani concluded his report by quoting Jewish authorities as saying that irresponsible elements had committed the acts which prompted his complaint.

Earlier, Jewish soldiers were accused by the pastor of a Greek Catholic church in Jaffa of breaking into the church and carrying off religious objects. In a letter to the Apostolic delegate of the Vatican and other Christian leaders in Jerusalem, the pastor, the Rev. G. Rizik, said:

"I bring to you my protestation against this odious crime. We have always heard loud declarations on the part of the Jewish chiefs that they respect churches and religious heads. These acts do not correspond with these words."

Mgr. Vergani, on the basis of persnal observation, reported these acts against Roman Catholic institutions:

Saint Peter's Church and Monastery, Tiberias—Before May 15 "doors of monastery repeatedly broken open and Papal flag torn down.

Casa Nova Pilgrims Hospice, Tiberias—Before May 15 Father Superior Philip "saw Haganah soldiers taking and stealing goods of Casa Nova. Again on June 15 it was found opened and all rooms searched."

Franciscan Missionaries of Egypt, Sisters School and Convent, Tiberias—"On July 22 all external doors broken, the chapel profaned."

Sanctuary of Beatitudes and hospice, Carpharnaum—"Franciscan nuns and friars forced by Jews on June 6 to evacuate but allowed to return forty-eight hours later."

Hospice of custody of Holy Land, Carpharnaum — "many things stolen."

Benedictine Shrine of Multiplication of Loaves, with hospice and farm at Tabgha, "farm robbed. Holy chalice and all grain harvest provisions, animals and implements stolen." ADD

Burmese Forces Report Gains

Rangoon, Burma, Aug. 19 (AP)—The Burmese Government today claimed gains along a country-wide front against military insurgents who [illegible] te[illegible]

[illegible] rebelled last week in an attempt to storm Rangoon and seize power.

Action was reported along the entire front, which extends from a few miles below the ancient Burmese capital of Mandalay in the north to within 5 miles of Rangoon in the south.

Munbu Reported Retaken

Today's communiqué proclaimed the recapture by Government forces of Munbu, headquarters of the petroleum district, after a two-hour battle which resulted in the deaths of 30 rebels and the capture of 40 others. There were no Government casualties, the communiqué said.

Farther south, a Paunde in the Prome district, Burmese Air Force planes strafed a rebel truck convoy, the communiqué said, inflicting heavy losses.

The communiqué said that in the Menzada district below Prome the insurgents destroyed railroad lines and several stations. The lines were repaired by Government police and troops.

Land, Sea, Air Attack

Burma land, sea and air forces made a combined attack today against the insurgents 25 miles northwest of Rangoon at Wataya village.

Headquarters said the rebels were deserters from the Burma Rifles, who mutinied last week. No details of the attack were available.

Railroad service between Rangoon and Mandalay was suspended again today because of unsafe conditions.

A War Office communiqué today said volunteers were being recruited in Rangoon for immediate duty.

BURMESE REBELS HURT BY SEA-AIR ASSAULT

RANGOON, Burma, Aug. 19 (AP)—A combined naval and air attack today against a headquarters of renegade Burmese troops inflicted what the Government called the heaviest reverses in nine days of fighting.

The Burmese Navy shelled both banks of the Irrawaddy River at the village of Wataya, twenty-five miles northwest of Rangoon, and the Burmese Air Force raked the area at low altitude. The village is believed to be the main headquarters of Burmese troops who mutinied last week.

Four naval vessels with air support inflicted heavy casualties on the insurgents, a communiqué said, with planes machine-gunning the rebels as they scattered into the jungles after the blasting of naval guns. Two Burmese Navy men were listed as wounded.

The communiqué also said Burmese planes machine-gunned and sank motor vessels and steam launches seized by rebels at a point sixteen miles south of Bogale, an important rice center in the Irrawaddy delta. The rebels overpowered the police and seized Moulmeingyun, another large delta town, after a five-hour battle, the communiqué said. Stores of rice apparently were the objective of the attack.

Meanwhile, railroad service between Rangoon and Mandalay was suspended because of unsafe conditions.

Kashmir Strife Studied

KARACHI, Pakistan, Aug. 19 (AP)—High Pakistan officials talked with United Nations representatives today about a cease-fire in Kashmir. Sir Mohammad Zafarullah Khan, Foreign Minister, and Secretary General Mohammad Ali met with C. Hawley Oakes of the United States and Dr. Ricardo Siri of Argentina, representatives of a United Nations commission.

Undeclared war has been in progress in Kashmir for months since the Hindu Maharajah acceded the predominantly Mosiem State to India.

The Pakistan officials asked the United Nations commissioners to explain points of the peace plan that have been blocking Pakistan acceptance. Another meeting is set for Friday.

Plan Military Unification.

Baghdad, Aug. 19 (A. P.).—Prince Regent Abdul Ilah and Premier Muzahim Amin Alpachachi will go to Amman on Saturday to talk with Trans-Jordan officials about unifying the Iraqi and Trans-Jordan military command. A Government announcement said an Iraqi commander would head the unified forces.

Says House Inquiry Has Turned Up Nothing Not Previously Known and Laid Before Grand Jury.

AUG 1948

Washington, Aug. 19 (A. P.).—President Truman declared flatly today that the Government's loyalty review program is a complete success.

At his news conference Mr. Truman took issue with criticism of his administration stemming from the Congressional investigation of Communist spy rings. He repeated his previous claim that the hearings conducted by the Senate and House committees have produced no information not already in the possession of the FBI and presented to a Federal Grand Jury.

The President flatly accused the House Committee on Un-American Activities of infringing on the Bill of Rights in its inquiry into alleged Communism within the Government. He said the only two people whose names have been brought into the inquiry as suspected Communists had already been under indefinite leave before the hearing began.

Does Not Say Why.

He did not say why he thought the House hearings infringe on the Bill of Rights.

Mr. Truman said there is a difference between the confidential files on Federal employees and their employment records. He again made clear that the confidential files will not be made available to Congressional committees. His reference here was to the efforts of Senator Ferguson (R.-Mich.) and other Republican leaders to obtain confidential files of employees suspected or under investigation for alleged disloyalty. Mr. Truman has directed all executive departments to withhold such records from the committees.

Mr. Truman made his comment when a reporter asked whether there has been any change in his dispute with Ferguson, who is the chairman of a Senate investigating committee. The necessary records, Mr. Truman said, always have been available.

It was learned from another source that Whittaker Chambers has not been a witness before the Federal Grand Jury in New York investigating espionage. Chambers has acknowledged to the House committee that he was a Communist from 1924 to 1937 and that he worked with a Communist underground in Washington. The Department of Justice has declined to comment on this in any way, repeating that it will not discuss proceedings still in progress before a Grand Jury.

Mr. Truman said he could say categorically that the Government's loyalty program has been a success. He added that the Department of Justice has been at work for some time on a proposed new loyalty statute. He said it was a very difficult thing to get a statute that does not infringe on the Bill of Rights which is a cornerstone of American freedom. He said sharply that he does not want any Gestapo law that does infringe on the Bill of Rights.

"Do you consider that the House hearings have infringed on the Bill of Rights?" a reporter asked.

The President replied: Yes, that he does.

U. S. Assails Red Imperialism

AUG 1948

State Department Denounces Manipulation by Soviet for Control of Danube.

Washington, Aug. 19 (A. P.).—The United States borrowed one of Russia's favorite charges—"imperialism"—and threw it in the Kremlin's teeth today.

The occasion was the State Department's official comment on the new Soviet-dictated Danube River agreement.

That document was signed at Belgrade yesterday by Russia and the Soviet satellites. It reserves full control of the waterway to the Danubian states. The Western Powers, repeatedly rebuffed in their efforts to open the river to vessels of all nations, refused to sign.

Lashing out at "Soviet manipulation of the six votes of its puppet states," the State Department declared: "The unhappy subservience of the Danubian peoples to Soviet imperialism was never more clearly manifest than at this conference."

There were more harsh words, as the United States served notice that it "of course" will refuse to recognize the new river controls and so will those parts of Austria and Germany under American control.

Enslavement Is Seen.

The actions of the Soviet delegation to the conference, the State Department asserted, have made evident the determination of the Soviet Union to perpetuate its economic and political enslavement of the Danubian peoples.

"Its refusal to accept provisions assuring genuine freedom of commerce and non-discrimination show that it intends to maintain vested interests which it has established for its own benefit through extortion from Government imposed by force against the will of the peoples of its satellites."

The eleven-nation Belgrade conference was called to put into effect the Big Four declaration written into the satellite peace treaties pledging freedom of navigation on the vital waterway. The Soviet bloc held a 7 to 4 edge, however, over the United States, Great Britain, France and Austria.

U. S. Rules Moscow Cannot Claim Them; Quiz Wallace Aides

Washington, Aug. 19 (AP) — The United States tonight rejected Russian protests and demands in connection with the cases of the Soviet schoolteachers who have sought refuge in this country.

An American note replying to notes which had been sent to the state department by Soviet Foreign Minister Molotov and Ambassador Alexander S. Panyushkin was delivered to the Soviet embassy here at 5:10 p.m. Eastern Standard Time.

The state department announced the delivery of the document, by a department messenger, but declined to make any comment upon its contents prior to publication which is scheduled for 8 a.m. EST tomorrow.

COMPLETE REJECTION

Despite this temporary secrecy, there was no doubt that the state department had turned down Russian demands for the delivery of the school teachers into Soviet custody and had rejected Russian accusations against the American Government, and its officials, including a charge that they had connived in the "kidnaping" of the teachers.

Michael J. McDermott, state department press officer, made the following bare announcement early tonight:

"At 6:15 (Daylight Time) there was delivered to the embassy of the U.S.S.R. a note of the department of state in reply to notes of Aug. 9 and 14, of the embassy of the U.S.S.R. and to the note which Mr. Molotov handed to Ambassador (Walter Bedell) Smith in Moscow on the night of Aug. 11 with reference to Mrs. Oksana S. Kosenkina and to Michael I. Samarine, his wife and three children. The department of state will release the texts of all the notes for publication at 10 o'clock (Daylight Time) tomorrow Aug. 20."

In addition to the three notes referred to in McDermott's statement, a fourth which the embassy had sent to the state department concerned a habeas corpus action in the New York Supreme Court against the Soviet consul general in New York, Jacob Lomakin. This fourth Soviet protest, since it dealt with a particular legal point of the dispute, is not answered in the American reply. If any answer is necessary, officials indicated a separate note would be sent by the state department.

Even before McDermott's announcement, the state department had ruled that Mrs. Kosenkina, one of the refugee teachers, is beyond the control of the Soviet government as long as she remains in this country.

TRUMAN DISCUSSES ITALIAN COLONIES

Washington, Aug. 19 (A. P.).—President Truman said today that disposition of Italy's former African colonies cannot be handled politically in the United States.

The President gave this view at a news conference where he was asked about Gov. Thomas E. Dewey's suggestion that Italy be given an opportunity to develop the resources of her former African colonies under a United Nations trusteeship.

The President said that under the Italian peace treaty the question of the former colonies was put up first to the four Powers—the United States, Great Britain, France and Russia.

Under that treaty, he said, if no agreement was reached among these Powers, the matter goes to the United Nations General Assembly which meets in Paris soon. That problem, he said, is a problem for the United Nations and the four Powers.

It is one that cannot very well be handled politically in the United States, he added.

Gov. Dewey, Republican presidential nominee, made his suggestion to a group of Italian-Americans who visited him at Albany early this week.

Truman Refuses to Comment.

Washington, Aug. 19 (A. P.).—President Truman refused flatly today to talk about progress of the four-Power discussions at Moscow. He said he had no comment to make on those negotiations.

Senator Connally (D.-Texas) urged today an early meeting of the four foreign ministers in an effort to write a German peace treaty. Connally, ranking Democratic member of the Senate Foreign Relations Committee, headed the group when the Democrats controlled the Senate.

Hiss Is Reported Balking At Lie Detector Test

AUG

Washington, Aug. 19 (AP)—The House Un-American Activities Committee today ordered three former New Deal lawyers to appear for questioning tomorrow in its Communist spy-ring investigation. They are: Nathan Witt, Lee Pressman and John Abt.

The committee also said that Alger Hiss, former State Department official accused of being part of a prewar Red underground in Washington, has refused to submit at this time to a lie detector test.

Hiss has denied time and again under oath that he ever was a Communist. He now heads the Carnegie Endowment for International Peace.

To Be Heard In Secret

Witt, Pressman and Abt will be heard by the committee behind closed doors. All three served as lawyers for the old Agricultural Adjustment Administration in the early days of the New Deal.

Pressman is former counsel for the CIO. Abt once held a similar position for the CIO Political Action Committee. Both now are associated with Henry Wallace's new Progressive political party.

Witt was at one time counsel and then secretary of the National Labor Relations Board.

All three have been described in committee testimony as having once been leaders of a cell in the Red underground in Washington.

Chambers Save Names

Their names were given the committee by Whittaker Chambers, avowed former member of the Communist apparatus, who has been a key witness in the investigation. Chambers, who has said he was a Communist from 1924 to 1937, now is a senior editor for *Time* magazine.

Chambers also brought Hiss's name before the committee. He said Hiss once was a member of an "elite" Communist underground organized among Government officials. Hiss since has acknowledged knowing Chambers in the Winter of 1934-35 under the name of George Crosley.

The committee is focusing now on trying to find out whether Chambers is telling the truth in including Hiss among the underground leaders, or whether Hiss is right in denying that he was.

Hiss, Chambers To Appear

Both Hiss and Chambers are scheduled to appear at public hearings set for next Wednesday.

Hiss has testified that he knew Witt, Pressman and Abt when he served with them as lawyers for the New Deal AAA.

Nixon said a proposed lie-detector test for Hiss and Chambers would be dropped for the time being, in the light of Hiss's refusal to take it at this time. Nixon said Chambers would not be called upon to take the test unless Hiss did so.

The committee has suggested that the test be made by Dr. Leonarde Keeler, of Chicago, who has developed a "polygraph" machine.

Views On Lie Detector

In his letter, Hiss told the committee, "I do not at present feel in position to make up a final decision with respect to the committee's suggestion."

Hiss said he believes the proposed lie-detector test "is unprecedented in congressional procedure." He promised to look into the matter further and added that it is his information that no Federal court or agency, including the Federal Bureau of Investigation, relies upon the lie-detector machine.

To Be Asked About Crosley

Chambers has told the committee under oath that at the time he knew the Communist underground in Washington Witt was head of it and Abt later became the leader. He listed Pressman and Hiss as members of the group.

Robert E. Stripling, the committee's chief investigator, said Pressman, Abt and Witt certainly will be asked whether they knew a George Crosley, the name under which Hiss said he knew Chambers. Chambers has said he never used that name and that Hiss knew him by his Communist party name of Carl.

For the third time in three weeks the committee has demanded that the Immigration Commission produce a man identified as J. Peters by Wendesday or tell the committee where it can reach Peters to serve him with a subpoena.

The committee has been seeking Peters for months to testify. Deportation charges are pending against him and he is under $5,000 bail.

Chambers has testified that to the best of his knowledge Peters headed the prewar Communist underground for the entire United States.

Atomic Power 'Breeder' Held Unlikely

Washington, Aug. 19 (AP)—The Atomic Energy Commission says it's "theoretically possible—but in practice will be very difficult"—to build an industrial power plant which would "breed" more atomic fuel than it consumed.

Speaking of research on atomic power in its latest report to Congress, the commission said:

"In anticipation of a rapidly growing shortage of uranium, great attention has been given to 'breeding,' a process in which plutonium or Uranium 233 is produced by the power reactor at a rate greater than its consumption."

Atomic "Fuel" Described

There are three kinds of atomic "fuel" that can produce atomic power. They are:

URANIUM-235, the radioactive component of uranium as it occurs in nature and constituting only 1-140 of natural uranium—the rest being nonradioactive Uranium-238.

PLUTONIUM, which is made by converting Uranium-238 with an assist from U-235.

THORIUM, which can be converted into radioactive Uranium-233, also with an assist from U-235.

Process Difficult

But the separation of U-235 from inert uranium, and the production of plutonium and U-233 are difficult jobs. To produce the latter two from Uranium 238 and thorium, respectively, involves the use of precious Uranium 235—a case of robbing Peter to pay Paul.

Once a little plutonium is produced from U-238 and once a little U-233 is produced from thorium, it is theoretically possible for the reaction to go on until all the original materials are used up because the radioactive plutonium and U-233 give off neutrons which can be used to work on the inert material.

Thus, the objective of "breeding" is to produce radioactive stuff from the inert material at a rate faster than radioactive material—needed to keep the atomic "fires" going—is consumed, but the commission says "engineering difficulties" are "enormous."

Difficult In Practice

"It is theoretically possible—but in practice will be very difficult," says the commission, "to build an industrial reactor (power plant) that will cause excess neutrons to be absorbed in a blanket of either U-238 or thorium, producing plutonium or U-233 which can serve as a new fuel to continue the operation indefinitely as long as new natural uranium or thorium is supplied.

"This greatly increases the availability of fuel, for most of the uranium, not just the small 235 fraction of it, is consumable, and moreover, the larger resources of thorium also can be used. It might even be possible by this means to build up fissionable material faster than it is consumed.

Engineering Difficulties

"Nevertheless, the engineering difficulties associated with breeding are enormous. The conditions which have to be fulfilled to obtain high neutron economy are difficult to reconcile with those needed to obtain a high power output for a given material investment.

"There are acute chemical engineering problems associated with the repeated treatment of partly depleted fuel and the extraction of new fissionable material from the uranium or thorium blanket.

"Such procedures are complicated by the enormous radioactivity and have to be repeated many times before the fuel is completely consumed. The process must give virtually complete recovery at each stage if the physical reproduction is to be reflected in active material stocks."

Wallace Aides Called

Washington, Aug. 19 (AP)—Three former New Deal lawyers were summoned today to testify in a congressional investigation of an alleged Communist spy ring.

The three—John Abt, Lee Pressman, and Nathan Witt—were told to appear tomorrow for questioning by the House Un-American Activities Committee behind closed doors.

All had been accused by a previous witness of membership in a pre-war Red underground operating here.

Directly or indirectly, several other developments tied in with the committee's far flung hunt for subversives, among them:

1. President Truman said the house committee's hearing infringe upon the Bill of Rights.

2. Alger Hiss, former state department official who served as secretary-general of the United Nations conference, refused to submit at this time to a lie detector test proposed by the Un-American Activities Committee. Whittaker Chambers, one of the committee's star witnesses, has testified that Hiss was a member of the Communist underground. Hiss denied it.

Atomic-Weapons Work Periled By Walkout

Other labor news on Page 4

Washington, Aug. 19 (AP)—The Atomic Energy Commission said today a work stoppage at its Los Alamos (N.M.) project threatens "serious damage to the nation's atomic-weapons program."

The statement was made in a telegram appealing to AFL President William Green to urge idle AFL construction and maintenance workers to return to the job.

Acting Commission Chairman Sumner Pike told Green:

"It is our belief that an appropriate request from you will have the effect of bringing to conclusion this walkout so detrimental to the defense of the American people. Accordingly, we urge that you exercise your influence to return these union members to work."

Nonunion Labor Hired

The union workers, employed by five project contractors, left their jobs because a sixth contractor hired nonunion labor.

Pike advised Green that more than 3,000 AFL workers were idle yesterday in what union members have described as a "vacation." Pike estimated the number of nonunion workers at "not more than 115" and said the contractor who employed them had no contract with the AFL. The telegram added:

"To our knowledge no union officials have even attempted to utilize the orderly procedures provided by law to assist these 115 employes in gaining union recognition.

Maintenance And Service

"The workers who walked out have been employed on maintenance and service operations at the atomic-weapons center and also on construction of new and expanding facilities for the nation's atomic defenses. They are organized under the Building Trades Council of the AFL.

"This walkout situation cannot continue for long without causing serious damage to the nation's atomic-weapons program."

An AFL spokesman said at noon that the telegram had not arrived. He added that Green was en route to Washington from a speaking tour and would not be here to receive it until tomorrow.

The spokesman said the top leaders of the AFL Building and Construction Trades Department are in Chicago attending a meeting at the Drake Hotel.

The men, most of them members of the Building Trades Unions (AFL), are employed by five contractors. They have threatened to take a "vacation" charging a sixth firm—Brown and Root Contracting Company, of Houston, Texas—with refusing to negotiate with the unions and importing nonunion labor from Texas.

Conference Arranged

Los Alamos, N.M., Aug. 19 (AP)—A conference was arranged today between leaders of idle construction and maintenance workers and Atomic Energy Commission officials at the Los Alamos atomic project.

Workers were informed of this development in their second mass meeting in two days at near-by Espanola.

The workmen's committee announced it would report back at another Espanola mass meeting after the Los Alamos conference.

Lollipop Bomber Flies Over Berlin

Westover Airforce Base, Mass., Aug. 19 (AP)—Flying over the kids of Berlin now is a lollipop bomber.

You can tell when it's due over Templehoff airdrome because the boys and girls get there early and string out to watch for tiny parachutes.

The parachutes are made out of handkerchiefs and swinging on the end of them is—candy.

The handkerchiefs—and he's running out of them—belong to Lieut. Gale S. Halverson, of Garland, Utah, one of the flyers assigned to "Operations Vittles."

He calls his lollipop bombing "Operation Little Vittles."

K. OF C. COUNCIL ASKS CURBS ON RUSSIANS

HOUSTON, Tex., Aug. 19 (AP)—A resolution calling for expulsion of Russian diplomatic and consular officials who conspire against the American Government was approved today by the Supreme Council of the Knights of Columbus.

"The Soviet Government of Russia continues and boldly extends its war against human liberty in every part of the world," the anti-communism resolution read.

The annual convention of the order also approved a resolution attacking "a secularistic philosophy" charged as being behind a recent Supreme Court decision banning religious education in public schools.

"Rights of parents in the education of their children appear to have been ignored or considered of small importance" by the court's decision, the resolution stated.

It also charged that a philosophy of secularism—"a theory which excludes God from the mind and life of men and is the source of nazism, fascism and communism"—appeared to be in the court's decision.

This philosophy, the resolution said, "portends catastrophe for the future of our security."

Furio, Wife Entertained

Old Orchard Beach, Maine, Aug. 19 (AP)—Army Corporal and Mrs. Tony Furio put aside financial worries temporarily today to accept invitations from well wishers.

Furio, who flew from San Francisco to head off his blonde wife's projected hitchhike trip from Bangor, said he felt "wonderful" after a night's rest from the five-day trip.

He and his wife, Marjorie, visited Portland today. Tonight, Furio said, he and Mrs. Furio were invited to dinner by a restaurant man here.

Trying To Raise Fund

Meanwhile, an Old Orchard Beach friend sought to raise a fund to get Mrs. Furio and the couple's infant son, Tony, Jr., to Texas.

Mrs. Furio told newsmen she's promised her husband "No more hitchhiking for me—no matter what happens."

RUSS TEACHER BACK IN OXYGEN TENT, BUT GAINS

Soviet Consul Selects A Physician To Confer At Hospital

New York, Aug. 19 (AP)—Mrs. Oksana Stepanovna Kosenkina was returned to an oxygen tent tonight after a four-hour period without artificial aid to her breathing. Roosevelt Hospital, however, reported her condition was "very much improved."

She first was placed in the tent yesterday when she had difficulty with her breathing. She also was given a blood transfusion last night.

Tonight's hospital bulletin said:

"Oxygen resumed at 6 P.M. Condition very much improved. Patient more alert. Temperature down to 101.8. Pulse down to 99. Respiration 40. Resting quietly and taking nourishment much better."

Her condition still was listed as critical.

Injured In Three-Story Jump

Mrs. Kosenkina, former chemistry teacher for children of Soviet consular attaches here, suffered multiple fractures and other injuries in a leap from a third-floor consulate window last week.

Manwhile, Soviet Consul General Yakov M. Lomakin said he had selected a physician to confer with hospital authorities about Mrs. Kosenkina's case.

He would not identify the doctor or say when he would call.

Mrs. Kosenkina's attending physician invited Lomakin yesterday to send his own doctor or doctors for consultation. It was emphasized, however, that the Russian-selected physician could take no part in the care and treatment of Mrs. Kosenkina.

New York police quoted Mrs. Kosenkina as saying the Soviets held her prisoner in the consulate and that she jumped from the window because "I had to get out." The Russians have denied holding her against her will.

Expresses Disappointment

Tonight Dr. Grant Pennoyer, Mrs. Kosenkina's physician, expressed disappointment that Lomakin had not yet sent a doctor to see him.

The doctor's remarks were addressed to Miss Zena Ivanora, consulate secretary, and Miss Marie Kharlamova, consulate employé, who came to the hospital again to try to see Mrs. Kosenkina. They had appeared last night with flowers and a letter from Russia, but were not let in. They left the flowers, but took the letter with them.

They brought the letter back tonight, along with a cablegram from Russia. They told the doctor they thought the two messages would cheer Mrs. Kosenkina and improve her condition, bu the doctor again declined to let them see her.

He told the two women, however, that if Mrs. Kosenkina continued to improve they might see her in a day or two.

Miss Ivanora protested that "these promises mean nothing. I am sure if she will see us and listen to the letter and the telegram which we will read to her, she will improve immediately."

"No One Permitted To See Her"

Dr. Pennoyer replied:

"No one is permitted to see her. I'm not sure yet that she will be well. Until I am sure I won't permit anyone to see her.

"She must have absolute rest and quiet. When she hears voices in the corridor, she is frightened and whispers: Who's that? Who's that? She cannot be disturbed."

The consulate women left shortly afterward, taking the communications with them. A reporter asked Miss Ivanora how she liked America and she replied:

"Let's talk about that some other time."

Other callers at the hospital included Miss Alexandra Tolstoy, head of the Tolstoy Foundation in Valley Cottage, N.Y., where Lomakin said he "received" Mrs. Kosenkina, and Vladimir Zenzinov, editor of the *Russian Review for Freedom* and a friend of Mrs. Kosenkina.

Lomakin Refuses Comment

Emerging from the Russian consulate tonight, Lomakin was asked if he had received a report that Secretary of State Marshall had rejected Soviet protests concerning the case of Mrs. Kosenkina and Mikhail I. Samarine, another Russian teacher who seeks to remain in this country.

The consul replied:

"I didn't read anything about it."

Asked if he had heard from the embassy in Washington or had any comment on the matter, Lomakin said "no."

A half dozen telegraph messengers called at the consulate during the evening and at 11 P.M. lights were still burning on the top floor.

Delegates Draft Report

The Council adjourned its public meeting at 7.10 P.M. It was announced that, barring emergencies, no more sessions would be held before the Paris meeting. After the last gavel, weary delegates trooped into a small committee room to wind up work on their report to the Assembly.

The Council ended work on the report and adjourned at 9.50 P.M.

It was explained that the Palestine resolution was not an effort to place blame for fighting in the holy city but to prevent continuation of the outbreaks.

The resolution declared:

1. Each party is responsible for the actions of both regular and irregular forces operating under its authority or in territory under its control.
2. Each party has the obligation to use all means at its disposal to prevent action violating the truce by individuals for groups who are subject to its authority or who are in territory under its control.
3. Each party has the obligation to bring to speedy trial and, in case of conviction, to punishment, any and all persons within their jurisdiction who are involved in a breach of the truce.
4. No party is permitted to violate the truce on the ground that it is undertaking reprisals or retaliations against the other party.
5. No party is entitled to gain military or political advantage through violation of the truce.

Supports U.N. Mediator

The four-power move was intended to back up Count Folke Bernadotte, United Nations mediator, who earlier today warned that the whole Palestine conflict might break out again.

The Council had been scheduled to discuss Palestine during the day but debated for more than five hours before rejecting Yugoslavia's appeal for a condemnation of United States-British actions in Trieste.

The Trieste ballot was 2 to 0 with seven votes needed for passage. Russia and the Soviet Ukraine supported Yugoslavia and the other nine members abstained.

The Council also rejected a Ukrainian proposal declaring that the Council considered "it urgent to solve the question of the nomination of a governor of the Free Territory of Trieste." Russia, China and Syria supported the Ukraine. The United States, Frances, Belgium, Canada, Argentina and Colombia abstained. Britain did not take part in the vote.

U.S. In Opposition

The United States opposed the resolution on the ground that it was an attempt to link the Yugoslav charges against the United States and Britain with the governorship issue. The Council has been unable to agree on a governor due to disagreement between Russia and the Western powers.

Both Russia and the Ukraine assailed the Western powers after this vote, charging that they were determined not to implement the Italian peace treaty. The treaty internationalized Trieste under a Council-appointed governor.

U.S. Ready To Make Advance On U.N. Loan

Lake Success, N.Y., Aug. 19 (AP). The United States announced today that an advance on the American $65,000,000 loan to the United Nations for building headquarters would be ready next week.

United States Delegate Warren R. Austin told the United Nations headquarters advisory committee that the first $25,000,000 would come from the Reconstruction Finance Corporation by the early part of next week.

Austin noted that the skyscraper site in Manhattan along the East River has been virtually cleared and excavation for foundations could begin in a few weeks. United Nations officials hope to begin moving in during the Summer of 1950.

"The speedy erection of the headquarters building will reinforce the aspirations of people everywhere for peace," Austin said. "The headquarters is at once a monument to those aspirations and an efficient instrument for working toward their fulfillment."

U.N. Demands Jews, Arabs Halt Truce Violations By All Forces

Lake Success, N.Y., Aug. 19 (AP) The Security Council tonight warned the Jews and Arabs against violations of the truce in Jerusalem. The four-power resolution adopted held the two parties responsible for actions of all regular or irregular forces under their authority.

There was no opposition to the plan, advanced jointly by the United States, Britain, France and Canada. However, the Soviet Ukraine abstained throughout paragraph-by-paragraph voting and Russia, Syria and Colombia declined to support some sections of the proposal.

The balloting concluded all business on the Council calendar except approval of a report to the fall meeting of the General Assembly in Paris opening September 21.

THE STATE HAS A POPULATION OF 17,500,000, OF WHICH 88 PER CENT ARE HINDUS. BOTH MOSLEM AND HINDU LEADERS HAVE EXPRESSED FEARS THAT FAILURE TO RESOLVE THE DISPUTE WILL TOUCH OFF SERIOUS HINDU-MOSLEM COMMUNAL WARFARE.

AN ANNOUNCEMENT BY THE HYDERABAD GOVERNMENT HERE SAID:

"HAVING TRIED ALL OTHER METHODS WITHOUT AVAIL TO RESOLVE THE ISSUES IN DISPUTE WITH THE GOVERNMENT OF INDIA, THE GOVERNMENT OF HYDERABAD HAS NO COURSE OPEN TO IT BUT TO SUBMIT ITS CASE TO THE UNITED NATIONS IN THE HOPE THAT A PEACEFUL AND ENDURING SETTLEMENT MAY THUS BE REACHED."

IN NOVEMBER OF LAST YEAR INDIA AND HYDERABAD EXECUTED A "STANDSTILL AGREEMENT" UNDER WHICH HYDERABAD WOULD HAVE A YEAR'S TIME TO DECIDE UPON ACVESSION TO INDIA. A PLEBISCITE WAS PLANNED, BUT NO DATE WAS SET.

TODAY A HYDERABAD GOVERNMENT SPOKESMAN REITERATED CHARGES THAT INDIA HAS SUBJECTED HIS STATE TO AN ALMOST TOTAL BLOCKADE AND APPLIED OTHER ECONOMIC PRESSURES. WINSTON CHURCHILL TOLD THE HOUSE OF COMMONS RECENTLY THAT ND HAE TWN

RECENTLY THAT INDIA HAS THROWN A "BERLIN BLOCKADE" AROUND HYDERABAD.

PRIME MINISTER JAWAHARLAL NEHRU OF INDIA HAS MADE CLEAR INDIA INSISTS UPON THE STATE JOINING THE DOMINION.

"IF AND WHEN WE CONSIDER IT NECESSARY WE WILL START MILITARY OPERATIONS AGAINST HYDERABAD STATE," HE SAID IN A RECENT SPEECH. NEHRU SAID THE ONLY ALTERNATIVES BEFORE HYDERABAD WERE ACCESSION OR "DISAPPEARANCE AS A STATE."

THE HYDERABAD SPOKESMAN CHARGED THE INDIAN GOVERNMENT WITH PERMITTING RAIDS ALMOST DAILY INTO HYDERABAD TERRITORY, AND SAID INDIAN TROOPS HAVE SEIZED AND HELD HYDERABAD VILLAGES.

INDIAN OFFICIALS HAVE CHARGED MOSLEM RAIDERS FROM HYDERABAD WITH ATTACKING INDIAN TERRITORY. THEY REPORTED LAST WEEK THAT 73 INDIANS HAVE BEEN KILLED IN 197 SUCH ATTACKS.

THE DISPUTE BETWEEN MOSLEM PAKISTAN AND INDIA OVER KASHMIR STATE IS ALREADY IN THE HANDS OF THE UNITED NATIONS. BOTH INDIA AND PAKISTAN WANT KASHMIR. UNLIKE HYDERABAD THE POPULATION OF KASHMIR IS PREDOMINANTLY MOSLEM.

SOME TRUCE VIOLATIONS WERE BLAMED BY THE JEWS ON "IRRESPONSIBLE DISSIDENT ELEMENTS" AND BY THE ARABS ON "UNCONTROLLABLE IRREGULARS."

THIS FOUR-POINT PROCEDURE WAS SUGGESTED BY BERNADOTTE:

"SHOULD THE PRESENT ACTIION OF THE SECURITY COUNCIL TAKE THE FORM OF A WARNING, I SUGGEST THAT IT SHOULD BE CLEARLY POINTED OUT TO THE PARTIES:

"1. THAT RESPONSIBILITY WILL BE ASSESSED WHETHER VIOLATIONS ARE DUE TO MEMBERS OF THE OPPOSING ARMIES OR TO DISSIDENT ELEMENTS OR IRREGULARS.

"2. THAT EACH PARTY HAS A DUTY TO BRING TO JUSTICE ITS OWN DISSIDENT ELEMENTS AND IRREGULARS WHEN THEY VIOLATE THE TRUCE.

"3. THAT REPRISALS AND RETALIATIONS ARE NOT PERMITTED.

"4. THAT NO PARTY WILL BE ALLOWED TO GAIN BY ANY VIOLATION."

"A MUTUAL DISTRUST OF THE PARTIES" AND A LACK OF "SUFFICIENT NUMBER OF OBSERVERS AND TRANSPORTATION" COMPLICATED THE PROBLEM OF MAINTAINING THE CEASE FIRE IN JERUSALEM, SAID BERNADOTTE.

"NOT ONLY FIRING HAS PRACTICALLY NEVER CEASED IN JERUSALEM, BUT THE SITUATION IS GRADUALLY GETTING OUT OF HAND," HE SAID, ADDING: "GENERAL TENSENESS IS LOCALLY MOUNTING."

LAST NIGHT THE BRITISH MILITARY GOVERNMENT CONDEMNED, IN WHAT AN OFFICIAL SPOKESMAN DESCRIBED AS "THE STRONGEST LANGUAGE YET USED TOWARD THE RUSSIANS," A UNILATERAL SOVIET ORDER DISMISSING THE DIRECTOR OF THE BERLIN CENTRAL COAL ORGANIZATION.

THE BRITISH DENOUNCED THE MOVE AS "ONE OF THE LONG SERIES OF ORDERS DELIBERATELY DESIGNED TO UNDERMINE THE AUTHORITY OF THE CITY GOVERNMENT FOR POLITICAL MOTIVES."

THE BODY WAS SET UP BY THE ALLIES UNDER A FOUR-POWER ADMINISTRATION. THE RUSSIAN MOVE APPEARED TO PARALLEL THEIR ACTION IN FORCING A SPLIT RECENTLY IN THE CITY'S CENTRAL FOOD ADMINISTRATION BY MOVING THEIR OWN COMMUNIST STAFF INTO THE OFFICES WHICH ARE LOCATED IN THE RUSSIAN SECTOR OF THE CITY.

THE COAL DIRECTOR, A HERR MUECKENBERGER, WAS CHARGED WITH INACTIVITY AND DISORGANIZATION TACTICS" BY THE RUSSIANS AND ORDERED TO TURN HIS POST OVER TO A HERR NEUBERGER WITHIN 24 HOURS.

THE BRITISH SAID THE ORDER WAS "PERNICIOUS" AND WITHOUT LEGAL BASIS AND ADDED THEY COULD NOT "RECOGNIZE THIS ORDER NOR ANY SIMILAR ORDER WHICH VIOLATES THE CONSTITUTIONAL RIGHTS OF THE PEOPLE OF BERLIN."

THE SOVIET OFFICIAL PRESS CONTINUED TO BLAST THE GERMAN CITY GOVERNMENT, ACCUSING IT OF SABOTAGING RUSSIAN EFFORTS TO SUPPLY THE ENTIRE CITY WITH FOOD AND FUEL AND WARNING OF THE "WINTER CATASTROPHE" FACING THE CITY.

THE AMERICAN-LICENSED NEWSPAPER DER ABEND DECLARED THAT BERLINERS "WILL NOT SELL THEIR FREEDOM FOR COAL."

MARSHAL VASSILY D. SOKOLOVSKY, RUSSIAN COMMANDER IN GERMANY, OFFERED YESTERDAY TO SUPPLY 60,000 TONS OF COAL TO WESTERN BERLINERS AS "THEIR FIRST WINTER INSTALLMENT."

COL. FRANK L. HOWLEY, AMERICAN COMMANDER IN BERLIN, BRANDED THE OFFER A "PROPAGANDA DISTRIBUTION."

A RELIABLE SOURCE IN MOSCOW SAID LAST NIGHT THE THREE WESTERN ENVOYS ARE EXPECTED TO MEET WITH THE RUSSIANS AGAIN ON EAST-WEST DIFFERENCES--PROBABLY TOMORROW.

THIS WOULD BE THE SEVENTH MEETING IN THE KREMLIN SINCE THE DIPLOMATIC DISCUSSIONS STARTED ON JULY 31.

MEANWHILE, THE PROPAGANDA WAR CONTINUED.

VIENNA, AUG 19-(AP)-MARSHAL TITO'S BREAK WITH THE COMINFORM HAS GIVEN THE AUSTRIAN COMMUNIST PARTY A CHANCE TO JUMP BACK ON THE MOSCOW BANDWAGON.

ALL DURING THE NEGOTIATIONS FOR AN AUSTRIAN TREATY, THE PARTY INSISTED THAT NO PART OF CARINTHIA COULD BE CEDED TO YUGOSLAVIA AS DEMANDED BY TITO. THIS HAD BEEN IN FACE OF RUSSIAN DEMANDS THAT THE YUGOSLAV CLAIMS "MUST BE CONSIDERED."

THE NEGOTIATIONS BROKE DOWN LAST MAY BECAUSE THE WESTERN POWERS REFUSED TO CONSIDER YUGOSLAV CLAIMS ON CARINTHIA.

THIS WEEK, HOWEVER, APPARENTLY CONVINCED THAT THE KREMLIN WAS GOING TO GIVE NO FURTHER BACKING TO TITO, THE COMMUNISTS CHANGED THEIR MINDS.

IN THEIR MONTHLY MAGAZINE "WEG UND ZIEL" (WAY AND AIM) THE COMMUNISTS HINTED THAT HAD MARSHAL TITO STAYED IN LINE WITH MOSCOW, HE WOULD HAVE HAD THEIR SUPPORT ON THE CARINTHIAN QUESTION.

OBSERVERS HERE ATTACH LITTLE IMPORTANCE TO THE SHIFT. THEY FEEL IT WAS MADE ONLY TO CURRY FAVOR WITH MOSCOW, WHICH EXPLAINS ITS OBSCURE POSITION IN A MONTHLY MAGAZINE INSTEAD OF ON THE FRONT PAGES OF THE COMMUNIST DAILY PRESS.

THEY FEEL THAT NO AUSTRIAN COMMUNIST WOULD DARE PUBLICLY SUPPORT A MOVE WHICH WOULD DEPRIVE AUSTRIA OF A VITAL PART OF HER COUNTRY AND POPULATION.

WASHINGTON, AUG.19-(AP)-SEN.CONNALLY (D-TEX) TODAY URGED AN EARLY MEETING OF THE "BIG FOUR" FOREIGN MINISTERS IN AN EFFORT TO WRITE A GERMAN PEACE TREATY.

CONNALLY IS THE RANKING DEMOCRATIC MEMBER OF THE SENATE FOREIGN RELATIONS COMMITTEE. HE HEADED THE GROUP WHEN THE DEMOCRATS CONTROLLED THE SENATE.

HE TOLD A REPORTER THAT ULTIMATELY THE FOREIGN MINISTERS OF THE UNITED STATES, GREAT BRITAIN,-RUSSIA AND FRANCE MUST DEAL WITH THE "MANY QUESTIONS AFFECTING GERMANY." HE ADDED:

"IT SEEMS TO ME THAT AN EARLY MEETING OF THE COUNCIL WOULD TEND TO CLARIFY THE ISSUES. IN THE FINAL ANALYSIS THE ALLIES MUST MAKE A TREATY WITH REGARD TO GERMANY AND THE EARLIER WE SET ABOUT THAT PROBLEM THE BETTER.

"WE CANNOT AFFORD INDEFINITELY TO CONTINUE OCCUPATION AND THE SUPPORT OF THE INHABITANTS IN OCCUPIED TERRITORIES. I THINK IT WELL TO BEGIN PREPARING FOR A FINAL SETTLEMENT."

CONNALLY DECLINED ANY COMMENT ON THE CURRENT MOSCOW CONFERENCES, OR WHETHER HE THOUGHT THEY COULD LEAD TO THE EARLY MEETING OF FOREIGN MINISTERS THAT HE DESIRES. HE ALSO DECLINED TO DISCUSS ANY OF THE ISSUES THAT MIGHT BE INVOLVED IN SUCH A MEETING.

WASHINGTON, AUG 19-(AP)-FOLLOWING IS THE TEXT OF THE RULING BY ERNEST GROSS, STATE DEPARTMENT LEGAL EXPERT, AS REQUESTED BY JUSTICE SAMUEL DICKSTEIN IN THE CASE OF MRS. OKSANA KOSENKINA, RUSSIAN REFUGEE TEACHER: (ABOUT 200)

PURSUANT TO OUR CONVERSATION THIS MORNING, I RESPECTFULLY TRANSMIT TO YOU, THE POSITION OF THE UNITED STATES GOVERNMENT CONCERNING THE STATUS OF MRS. OKSANA STEPANOVA KOSENKINA, WHO IS THE SUBJECT OF AN APPLICATION FOR A WRIT OF HABEAS CORPUS NOW PENDING BEFORE YOUR COURT.

IT IS THE VIEW OF THE UNITED STATES GOVERNMENT THAT THERE IS NO BASIS UNDER INTERNATIONAL LAW OR UNDER ANY LAW OF THE UNITED STATES FOR CONSIDERING THAT MRS. KOSENKINA IS IN ANY MANNER SUBJECT TO THE CONTROL OR AUTHORITY OF THE SOVIET GOVERNMENT SO LONG AS SHE REMAINS IN THIS COUNTRY.

THE DEPARTMENT OF STATE ALREADY HAS ADVISED THE SOVIET EMBASSY THAT MRS. KOSENKINA WILL NOT BE PLACED UNDER CONTROL OF ANY PERSON AGAINST HER OWN WILL.

THE DEPARTMENT HAS ALSO ADVISED THE SOVIET EMBASSY THAT ALTHOUGH IT RECOGNIZES THE RIGHT OF THE SOVIET GOVERNMENT, THROUGH ITS OFFICIALS ABROAD TO EXTEND ALL PROPER ASSISTANCE AND PROTECTION TO SOVIET NATIONALS, THIS RIGHT DOES NOT INCLUDE AUTHORITY TO TAKE CHARGE OF SOVIET CITIZENS IN THIS COUNTRY IRRESPECTIVE OF THEIR WISHES."

PALESTINE-TRUMAN

WASHINGTON,AUG.19-(AP)-PRESIDENT TRUMAN SAID TODAY THE UNITED STATES DOES NOT INTEND TO SEND TROOPS TO PALESTINE OR ANYWHERE ELSE EXCEPT AS A PART OF A UNITED NATIONS FORCE UNDER A U.N. DECISION.

THAT WAS HIS ANSWER TO A NEWS CONFERENCE QUESTION ABOUT THE POSSIBLE USE OF AMERICAN TROOPS IN THE STRIFE-RIDDEN HOLY LAND. SOME U.S. MILITARY MEN ARE ALREADY IN PALESTINE AS U.N. TRUCE OBSERVERS AND MORE ARE TO BE SENT THERE.

THE SUBJECT OF PALESTINE WAS BROUGHT UP WHEN A REPORTER WANTED TO KNOW WHETHER A $100,000,000 LOAN IS BEING MADE TO THE NEW JEWISH STATE OF ISRAEL.

HE REPLIED THAT SUCH A LOAN IS UNDER CONSIDERATION BY THE EXPORT-IMPORT BANK, AS PREVIOUSLY REPORTED. THE ISRAELI GOVERNMENT REQUESTED THE LOAN TO HELP PAY FOR DEVELOPMENT AND RECONSTRUCTION PROJECTS.

AS FOR TROOPS, MR.TRUMAN SAID NONE WILL BE SENT TO PALESTINE OR ANYWHERE ELSE EXCEPT AS A CONTRIBUTION TO A U.N. FORCE IN LINE WITH U.N. DECISIONS.

THE PRESIDENT REFUSED FLATLY TO TALK ABOUT PROGRESS OF THE FOUR-POWER DISCUSSIONS AT MOSCOW. HE SAID HE HAD NO COMMENT TO MAKE ON THOSE NEGOTIATIONS.

WASHINGTON, AUG.19-(AP)-THE HIGH POINT OF RUSSIAN CO-OPERATION WITH THE WEST MAY HAVE BEEN AT TEHERAN IN LATE 1943.

THE "SECRET PAPERS OF HARRY L.HOPKINS" IN TODAY'S ISSUE OF COLLIERS' TELLS OF SEVERAL COMPROMISES STALIN WAS WILLING TO MAKE AT THAT CONFERENCE WHEN HE APPEARED UNCERTAIN AT LEAST OF BRITISH DETERMINATION TO GO AHEAD WITH THE INVASION OF EUROPE.

HOPKINS' PAPERS SHOW THAT STALIN WAS THEN WILLING TO GRANT RUSSIAN BASES TO AMERICAN PLANES DOING "SHUTTLE BOMBING" OVER AXIS TERRITORY FROM ITALY AND BRITAIN INTO RUSSIA. AS IT WORKED OUT ONLY A FEW SUCH SHUTTLE RUNS TOOK PLACE.

STALIN ALSO SAID HE FAVORED INCREASES IN THE BRITISH EMPIRE, PARTICULARLY IN THE AREA AROUND GIBRALTAR THEN HELD BY FRANCO SPAIN.

THIS WAS IN REPLY TO AN ANNOUNCEMENT BY PRIME MINISTER CHURCHILL THAT BRITAIN WANTED NO MORE TERRITORY, BUT IT DID INTEND TO HOLD WHAT IT HAD, AND TO REGAIN WHAT IT HAD LOST, SPECIFICALLY SINGAPORE AND HONG KONG.

CHURCHILL SAID BRITAIN MIGHT LATER WILLINGLY GIVE UP PORTIONS OF EMPIRE, BUT SHE WOULD NOT SUBMIT TO COMPULSION.

WHEN CHURCHILL ASKED WHAT TERRITORIAL INTERESTS RUSSIA HAD, STALIN REPLIED, "THERE IS NO NEED TO SPEAK AT THE PRESENT TIME OF SOVIET DESIRES--BUT WHEN THE TIME COMES WE WILL SPEAK."

SINCE THE END OF THE WAR COMMUNISTS HAVE TAKEN OVER ALL THE GOVERNMENTS OF MIDDLE EUROPE, WHICH VARIOUS AMERICAN DIPLOMATS HAVE DESCRIBED AS COMPULSION.

LAKE SUCCESS, AUG. 19-(AP)-THE UNITED STATES JOINED IN A FOUR-POWER MOVE TODAY TO HALT THE GROWING CONFLICT IN JERUSALEM.

THE MOVE WAS INTENDED TO BACK UP COUNT FOLKE BERNADOTTE, UNITED NATIONS MEDIATOR, WHO EARLIER WARNED THAT THE WHOLE PALESTINE CONFLICT MIGHT BREAK OUT AGAIN.

IN A JOINT SECURITY COUNCIL RESOLUTION, THE UNITED STATES, BRITAIN, FRANCE AND CANADA LAID DOWN A FIVE-POINT ORDER TO THE ARABS AND JEWS CLARIFYING THE COUNCIL'S TRUCE ORDER OF JULY 15.

THE RESOLUTION DECLARED:

1. EACH PARTY IS RESPONSIBLE FOR THE ACTIONS OF BOTH REGULAR AND IRREGULAR FORCES OPERATING UNDER ITS AUTHORITY OR IN TERRITORY UNDER ITS CONTROL.

AUG 1948

2. EACH PARTY HAS THE OBLIGATION TO USE ALL MEANS AT ITS DISPOSAL TO PREVENT ACTION VIOLATING THE TRUCE BY INDIVIDUALS OR GROUPS WHO ARE SUBJECT TO ITS AUTHORITY OR WHO ARE IN TERRITORY UNDER ITS CONTROL.

3. EACH PARTY HAS THE OBLIGATION TO BRING TO SPEEDY TRIAL AND, IN CASE OF CONVICTION, TO PUNISHMENT, ANY AND ALL PERSONS WITHIN THEIR JURISDICTION WHO ARE INVOLVED IN A BREACH OF THE TRUCE.

4. NO PARTY IS PERMITTED TO VIOLATE THE TRUCE ON THE GROUND THAT IT IS UNDERTAKING REPRISALS OR RETALIATIONS AGAINST THE OTHER PARTY.

5. NO PARTY IS ENTITLED TO GAIN MILITARY OR POLITICAL ADVANTAGE THROUGH VIOLATION OF THE TRUCE.

BERNADOTTE MADE PUBLIC HIS INTERIM REPORT TO THE COUNCIL IN STOCKHOLM THIS MORNING AFTER FORWARDING IT TO LAKE SUCCESS. THE DELEGATES RECEIVED COPIES JUST BEFORE GOING INTO SESSION ON THE TRIESTE DISPUTE.

TWO COUNCIL SESSIONS ALREADY HAD BEEN SCHEDULED FOR TODAY, ONE THIS MORNING AND A CLOSED MEETING THIS AFTERNOON TO COMPLETE WORK ON THE COUNCIL'S REPORT TO THE GENERAL ASSEMBLY.

AT THE OPENING OF THE MORNING SESSION, HOWEVER, SOVIET DEPUTY FOREIGN MINISTER JACOB A. MALIK, THIS MONTH'S COUNCIL PRESIDENT, CALLED ATTENTION TO THE CABLE FROM BERNADOTTE.

HE POINTED OUT THAT THE PALESTINE QUESTION COULD NOT BE TAKEN UP THIS MORNING BECAUSE JEWISH AND ARAB REPRESENTATIVES WERE NOT PRESENT. HE SAID, HOWEVER, THAT THE QUESTION WAS URGENT AND ASKED OTHER COUNCIL MEMBERS WHEN THEY WANTED TO TAKE UP THE MEDIATOR'S REPORT.

U.S. DELEGATE PHILIP C. JESSUP SUGGESTED THE 1:30 P.M. SESSION. HE SAID:

"I AGREE THE COUNCIL SHOULD GIVE URGENT CONSIDERATION TO THIS REQUEST FROM THE MEDIATOR."

AUG 1948

THE COUNCIL CONSIDERED THE PALESTINE QUESTION YESTERDAY AFTERNOON AND MOST DELEGATES AT THAT TIME FELT THEY HAD DISPOSED OF IT UNTIL THE GENERAL ASSEMBLY MEETS IN PARIS SEPT. 21.

AT YESTERDAY'S SESSION, THE UNITED STATES, FRANCE AND CANADA MADE DECLARATIONS WARNING BOTH JEWS AND ARABS THAT THE COUNCIL WOULD NOT TOLERATE ANY UNILATERAL TERMINATION OF THE TRUCE. JEWISH AND ARAB REPRESENTATIVES HERE PROMPTLY DECLARED THEY WOULD CONTINUE TO OBSERVE THE TRUCE.

LAKE SUCCESS, AUG. 19-(AP)-HEALTH CONDITIONS THROUGHOUT THE FAR EAST HAVE REACHED A CRITICAL STATE SINCE THE WAR, A UNITED NATIONS MEDICAL SURVEY SHOWS.

MALARIA, TUBERCULOSIS, SYPHILLIS AND INFANT MORTALITY RATES HAVE INCREASED TO ALARMING PROPORTIONS. IN SOME AREAS ENTIRE POPULATIONS SUFFER FROM MALNUTRITION.

IN INDIA ALONE, MALARIA CAUSES A MILLION DEATHS A YEAR. IT IS THE PRINCIPAL KILLER OF CHILDREN IN MANY OTHER PACIFIC COUNTRIES.

IN RANGOON, BURMA, 40 PER CENT OF WOMEN CARED FOR IN MATERNITY HOSPITALS SUFFER FROM SYPHILLIS. IN BANGKOK, SIAM, 20 PER CENT OF MATERNITY CASES WERE AFFECTED BY THE DISEASE.

REPORTING ON A 2-MONTH SURVEY, DR.THOMAS PARRAN SAID THESE GRAVE HEALTH CONDITIONS WERE LARGELY THE RESULT OF THE AFTERMATH OF JAPANESE OCCUPATION AND CONTINUING POLITICAL STRIFE IN SEVERAL COUNTRIES VISITED.

THE SURVEY, THE REPORT SAID, IS THE FIRST LARGE-SCALE MEDICAL STUDY OF THE FAR EAST SINCE THE WAR.

DR.PARRAN DESCRIBED INDONESIAN HEALTH CONDITIONS AS "FANTASTIC." AS THE RESULT OF AN EFFECTIVE DSTCH BLOCKADE OF PORTS HELD BY INDONESIAN REPUBLIC FORCES, HE SAID, MEDICAL SUPPLIES ARE ALMOST ABSENT FROM THAT AREA.

"IT IS A COMMON THING," HE SAID, "TO SEE BABIES SUFFERING FROM DYSENTERY IN INDONESIAN HOSPITALS LYING ON BAMBOO MATS BECAUSE THERE ARE NO SHEETS OR MEDICAL SUPPLIES." HE SAID THERE WAS A DESPERATE SHORTAGE OF MILK, BUT THAT DISPUTING REPUBLICAN FORCES REFUSE, OR ARE RELUCTANT TO USE SMALL SUPPLIES OF CANNED MILK BECAUSE THEY BEAR LABELS OF NETHERLANDS RELIEF ORGANIZATIONS.

IN AREAS OCCUPIED BY THE DUTCH GOVERNMENT, DR.PARRAN SAID, STRENUOUS EFFORTS ARE BEING MADE TO IMPROVE MEDICAL AID.

THE HEALTH SITUATION IN NORTHERN INDIA ALSO REFLECTS TROUBLED POLITICAL CONDITIONS, DR.PARRAN SAID.

HE REPORTED CAMPS ARE STILL FILLED WITH THOUSANDS OF PERSONS DISPLACED AFTER THE SEPARATION OF PAKISTAN. AUTHORITIES HAVE ESTIMATED 10,000,000 PEOPLE WERE MADE HOMELESS BY THE DIVISION.

THROUGHOUT INDIA, THE SURVEY SHOWED, THE HIGH RATE OF TUBERCULOSIS PRESENTS ONE OF THAT AREA'S MOST URGENT PROBLEMS.

U. S. Orders Lomakin to Leave, Calls Conduct 'Highly Improper'; Consul General Silent on Ouster

RED CONSUL TOLD TO LEAVE COUNTRY

State Department Charges Lomakin 'Abused' Official Position (n)

WASHINGTON, Aug. 20—(AP) Secretary of State Marshall, acting on an order from President Truman, today virtually directed the Russian consul-general at New York to leave this country.

A note delivered to the Russian embassy in Washington stated that the consul-general, Jacob M. Lomakin, had misinformed his own government, sought to mislead the American people, and otherwise "abused" his official position.

The charge grew out of Lomakin's actions in the case of the Russian school teacher, Mrs. Oksana Kasenkina, who last week threw herself from an upper story window of the consular building in New York, receiving serious injuries.

Abused Position

"The United States government considers that consul-general Lomakin's conduct constitutes an abuse of the prerogatives of his position and a gross violation of the internationally accepted standards governing the conduct of foreign officials," Secretary Marshall's note to the Soviet embassy stated.

"The Department of State is therefore requesting the president to revoke the exequatur issued to consul-general Lomakin, and it is requested that he leave the United States within a reasonable time."

The note also referred to "highly improper" conduct of other Russian officials.

It did not name them, however, or set forth any details of what they had done. Diplomatic observers inferred that the United States might take similar action against other Soviet officials if it deems them guilty of "improper conduct."

Michael J. McDermott, state department press officer, did not amplify these points in a news conference. He was questioned specifically about possible action against Zot I. Chepurnykh, Soviet vice-consul, and he replied "I know nothing about that—our opinion so far is limited to Lomakin."

Asked about the other "officials" mentioned in the note, he replied, "That's a good sentence—those who wrote the note mean it."

As for the Kasenkina case, McDermott said it is not closed. He called attention to the American request for two letters written by Mrs. Kasenkina.

Lomakin On "Spot"

The American action apparently puts Lomakin on an extremely hot spot. He will lose his official status here in a few days by order of President Truman. If he goes home to Russia, American diplomats believe, he will be in bad trouble for having bungled the refugee school teacher case; if he doesn't leave this country readily he may be deported—unless of course he wants to join the ranks of the Red Russian refugees which no one here expects. In New York, Lomakin declined to discuss his situation.

Presidential press secretary Charles G. Ross told reporters "the whole thing was done under the President's orders."

The action against Lomakin was part of a three-front attack by the United States last night and today against Russia in the diplomatic-propaganda battle between Washington and Moscow over Russian refugee school teachers. They are Mr. and Mrs. Mikhail I. Samarin and Mrs. Kasenkina.

The note gave a sensational, but not wholly unexpected twist to the drama which began when the teachers decided not to go home last July 31 and which hit a high peak of excitement when Mrs. Kasenkina escaped from Lomakin's consulate headquarters eight days ago by jumping out of a third floor window.

Reds File Protest

The Russians had filed three major protest notes charging American authorities with helping a private organization, the Tolstoy Foundation, to "kidnap" the teachers; "surrender" of the teachers was demanded; punishment was asked for New York policemen who allegedly entered the consulate, at the time of the Kasenkina jump, without permission.

The protests had been filed both by Soviet Foreign Minister Molotov in Moscow and Ambassador Alexander S. Panyushkin here. Molotov's intervention was one of the developments which helps put Lomakin on the spot. About the time Moscow radio was telling the world how Molotov claimed Lomakin had "rescued" Mrs. Kasenkina from the Tolstoy anti-Soviet group, Mrs. Kasenkina herself was jumping out of the consulate's upstairs window.

Police quoted her as saying she was held a prisoner there.

Note Handed to Russian Ambassador Flatly Rejects Moscow View That Three Teachers Were Kidnaped. (D)

Washington, Aug. 20 (A. P.).—The United States is stripping Jacob M. Lomakin, the Soviet Consul-General in New York of his official position because of his conduct in the Kasenkina affair and has demanded that Russia get him out of this country.

This sensational turn in the Soviet-American row over the refugee schoolteachers in New York was disclosed today with publication of an American note handed to the Soviet embassy last night.

The note flatly rejected Soviet charges that the teachers, Mrs. Oksana Kasenkina and Mr. and Mrs. Mikhail I. Samarin, were abducted by the anti-Soviet Tolstoy Foundation with the connivance of American officials. The three, the note said, wanted to stay in this country.

While recognizing the right of Soviet officials to protect its nationals in this country, the note said they also are entitled to the protection of the "applicable laws of the United States."

Charles G. Ross, presidential press secretary, told reporters "the whole thing was done under the President's orders." Ross first said Mr. Truman would sign the revocation of the consul's credentials shortly. Later, however, he said the signing would be delayed several days in order to give Lomakin time to close out his official duties.

Declaring this Government will not turn Mrs. Kasenkina over to Russian authorities against her will, the note said:

"The Government of the United States cannot permit the exercise within the United States of the police power of any foreign government."

The State Department told Soviet Ambassador Alexander S. Panyushkin and his Government that the Russian charges, including some by Soviet Foreign Minister Molotov, "have been based upon misinformation."

Moreover, the department told the Soviets in effect that the United States Governmnet holds Lomakin responsible for this misinformation. He was accused of an "abuse" of his position and a "gross violation" of proper conduct of foreign officials.

As a result, the note said the State Department is requesting President Truman to revoke credentials granted to Lomakin by this country and wants him to leave the United States "within a reasonable time."

The note was not signed by either Secretary of State Marshall or Undersecretary of State Robert Lovett, although both took a hand in its preparation. It was signed simply "Department of State" and bore the initial "L," presumably meaning Lovett.

While concentrating its fire on Lomakin, the United States declared its reports on the refugee-teacher cases in this country "indicate that officials of the Soviet Government have been engaged in conduct which is highly improper."

The note categorically rejected all charges made by the Soviets against American authorities.

Requests Copies of Letters.

The United States requested copies of two letters which it said were in the hands of the Soviet Consulate General in New York and had been written by Mrs. Kasenkina. One was written at the time she decided not to go back to Russia and one little more than a week ago when she jumped out of the Consulate window in New York.

[The State Department made public also the text of two

U. S. Note to Russia and Texts of Soviet Protests in Teacher Cases

notes from Ambassador Panyushkin and one from Soviet Foreign Minister Molotov. All three were vigorous protests of the failure of the United States to turn back into the custody of Russian officials Oksana Kasenkina and the Samarin family.]

The evidence against Lomakin was based on testimony given to American authorities by Mrs. Kasenkina, who is now in a New York hospital suffering with injuries she received in her leap for freedom.

In general, these assertions by her, as described in the State Department note, covered these main points:

1. The interview which she gave to the press on August 7, after Lomakin had forced her return from the Tolstoy Foundation refugee farm, "was arranged by the Consulate General and . . . she was instructed to make false statements to the effect that she had been kidnapped."

2. She went to the farm, according to her testimony and of a number of other persons, "voluntarily, and stayed there of her own free will."

3. According to her reports to American authorities, she wrote Lomakin in New York telling him where she was "but she denies stating that she was kidnapped."

Demand Recall.

The American note then asserted that Lomakin had, in effect, misled his own Government so that the protests which the Soviets made officially through Foreign Minister Molotov and Ambassador Alexander S. Panyushkin "have been based upon misinformation."

Moreover, the note charged that the Consul-General had "hindered the investigation of the competent police officials by refusing to allow them to interview Mrs. Kasenkina" at the time she was in the consul's control.

"The United States Government considers that Consul-General Lomakin's conduct constitutes an abuse of the prerogatives of his position and a gross violation of the internationally accepted standards governing the conduct of foreign officials.

"The Department of State is therefore requesting the President to revoke the exequatur (the credentials) issued to Consul-General Lomakin, and it is requested that he leave the United States within a reasonable time."

WASHINGTON, Aug. 20 (AP)—The text of the United States note to Soviet Russia demanding the recall of Consul General Lomakin follows:

The Department of State refers to the notes No. 143 of Aug. 9, 1948, and No. 148 of Aug. 14, 1948, of the Embassy of the Union of Soviet Socialist Republics and to the note which Mr. Molotov handed to Ambassador Smith in Moscow on the night of Aug. 11, 1948, with reference to Mrs. Oksana S. Kasenkina and to Mikhail I. Samarin, his wife and three children.

In these communications and in the representations which the Ambassador has made to the Under-Secretary of State, as well as in statements which have been made to the press by the Ambassador and Mr. Jacob [Yacov M.] Lomakin, the Soviet Consul General in New York City, charges of the most serious nature are made not only against individuals in this country, but also against the Government of the United States and state and Federal officials.

The reports of the investigation being made by the competent United States authorities which have been received by the Department of State not only clearly demonstrate that these charges are unsubstantiated, but also indicate that officials of the Soviet Government have been engaged in conduct which is highly improper. The United States Government must categorically reject the charges and insinuations contained in these notes which have been found to be at complete variance with the facts. In this connection the Department of State desires to inform the Embassy of the Union of Soviet Socialist Republics as follows:

Samarin Case Recounted

Mikhail I. Samarin—According to reports of the investigation made by the competent authorities Mikhail Samarin voluntarily appeared at the office of the Federal Bureau of Investigation in New York and stated he did not wish to return to the Soviet Union but desired to remain in the United States. After making this statement he left the office of the Federal Bureau of Investigation without leaving an address.

He then made a statement to THE NEW YORK TIMES, which was published in that newspaper on Aug. 10, 1948, corroborating his statement to the Federal Bureau of Investigation. It is clear that Mr. Samarin is acting on his own volition and that he is free to get in touch with the Soviet Consulate General or the Soviet Embassy at any time he wishes. No information has been produced to substantiate the allegation contained in the Embassy's note of Aug. 9 that Mr. Samarin and his family were forcibly removed from their apartment.

In the note which Mr. Molotov handed to Ambassador Smith on Aug. 11 it was stated:

On the 10th of August Under-Secretary of State Lovett corroborated to the Soviet Ambassador in Washington that Samarin had been made subject to examination by the Federal Bureau of Investigation which thus is found to be connected with the organization which kidnapped Samarin, his wife and three children.

The Ambassador will recall that on the occasion referred to the Under-Secretary merely read a press clipping to the effect that Mr. Samarin had voluntarily visited the New York office of the Federal Bureau of Investigation. This information does not in any way support the allegation that there is any connection between the organization referred to in the Soviet Government's note as the Tolstoy Fund (presumably Tolstoy Foundation) and the Federal Bureau of Investigation, and this Government must categorically deny that any such connection exists. Moreover, this Government has no information which would justify the statement that the Tolstoy Foundation is engaged in criminal activity, as alleged in the Embassy's note.

Moves are Described

Oksana S. Kasenkina—The reports of the competent United States authorities show that Oksana Kasenkina on July 31, 1948, informed the editor of a Russian language newspaper in New York City that she did not wish to return to the Soviet Union. Through him arrangements were made for her to go to Reed Farm, Valley Cottage, N. Y., which she did in a public autobus on July 31. According to her own statements, which are corroborated by the testimony of a number of persons, she went to the farm voluntarily and stayed there of her own free will.

She has stated that she wrote to the Soviet Consul General in New York informing him where she was, but she denies stating that she was kidnapped. The full text of her letter has never been made available to the competent United States authorities, although its production would have facilitated investigation of the charges made in the embassy's note and it would be appreciated if a photostatic copy were furnished to this Department. This Department would also like to receive a photostatic copy of the letter which the New York police authorities found in Mrs. Kasenkina's room at the Consulate General and which was returned to the Consulate General unopened after it was ascertained that she had jumped from a window of the Consulate.

Mrs. Kasenkina has further stated that the interview which she gave to the press on Aug. 7 was arranged by the Consulate General and that she was instructed to make false statements to the effect that she had been kidnapped.

Mrs. Kasenkina was interviewed at the hospital by Vice Consul Chepurnykh. As the Ambassador was advised on Aug. 14, should she desire to see any other Soviet official she is completely free to do so, but this Government will not compel her to do so, nor will it turn her over against her will to the Soviet authorities.

This Government recognizes the right of Soviet officials in the United States to take appropriate measures for the protection of the rights of Soviet citiezns. Such Soviet citizens are, however, themselves entitled to the protection of the applicable laws of the United States, and the Government of the United States cannot permit the exercise within the United States of the police power of any foreign government.

Police Action Held Proper

With reference to the Embassy's note of Aug. 14, 1948, complaining of actions of the New York police authorities, this Department is informed that after Mrs. Kasenkina had jumped from a window of the Consulate General on Aug. 12, Consul General Lomakin agreed to the suggestion of police officers that they inspect Mrs. Kasenkina's room, as well as the room from which she jumped. This inspection was carried out in the presence of the Consul General. In view of the circumstances, the Department of State considers the actions of the New York police authorities entirely proper.

From the foregoing it appears that the representations of the Soviet Government in regard to these cases have been based upon misinformation. In this connection the reports submitted to the Department of State show that the Soviet Consul General in New York, Mr. Y. M. Lomakin, after having made statements which were the basis of the serious charges against this Government and its officials, hindered the investigation of the competent police officials by refusing to allow them to interview Mrs. Kasenkina.

This action was the more serious in view of the subsequent statements by Mrs. Kasenkina to the effect that she jumped from the window of the Consulate General in order to avoid having to return to the Soviet Union. In addition to the statement made by Mrs. Kasenkina that she was compelled to make in a press interview false statements which had been dictated to her, the Consul General has himself made, or issued, statements to the press which, in view of all the evidence available, the Department of State can only conclude were deliberately designed to mislead the American public in regard to a serious charge involving the United States Government.

The United States Government considers that Consul General Lomakin's conduct constitutes an abuse of the prerogatives of his position and a gross violation of the internationally accepted standards governing the conduct of foreign officials. The Department of State is therefore requesting the President to revoke the exequatur issued to Consul General Lomakin, and it is requested that he leave the United States within a reasonable time.

Protests by Russia

The State Department also published the texts of two notes from Soviet Ambassador Alexander S. Panyushkin and one from Soviet Foreign Minister Molotov.

[On Aug. 13, THE NEW YORK TIMES printed the text of the Molotov note as broadcast from Moscow and transmitted from London by The Associated Press.]

Panyushkin's First Note

The text of Ambassador Panyushkin's Note No. 143, dated Aug. 9, follows:

The Embassy of the Union of Soviet Socialist Republics presents its compliments to the Department of State and has the honor to communicate the following:

On July 31, 1948, the sudden disappearance of the Soviet citizeness Oksana Stepanovna Kasenkina, 51, a teacher by profession, and Mikhail Ivanovich Samarin, 40, a teacher by profession, with his wife, Klaudia Mikhailovna Samarina, and their children, Tatiana, Elena and Vladimir, was discovered. It must be pointed out that all the aforesaid persons were ready to depart from the U. S. A. for the Soviet Union on the steamship Pobeda on July 31 and had all the necessary official documents and passage tickets. However, for reasons unknown at that time, Kasenkina and Samarin, with his family, did not come to the steamship Pobeda at the moment of its departure, nor were they in the apartments occupied by them, as has been subsequently ascertained.

On Aug. 6 of this year Y. M. Lomakin, Consul General of the U.S.S.R. at New York, received a letter from O. S. Kasenkina in which she implored him to snatch her from the hands of the organization—the so-called "Tolstoy Fund," to whose farm, the "Reed Farm," Valley Cottage, she had been forcibly carried from her apartment on July 31 of this year.

On the following day the Consul General of the U.S.S.R. at New York went to the address indicated by Kasenkina and, with his assistance, O. S. Kasenkina left the farm. In this connection it should be noted that the heads of the organization, A. L. Tolstaya and M. A. Knutson, attempted to detain Kasenkina by force, in spite of her categorical statement to them that she wished to leave with the Consul General and did not want to remain at the farm.

Abduction Charge Repeated

As O. S. Kasenkina has reported, the members of the organization, which is headed by A. Tolstaya and M. Knutson, kept after her long before the day of her departure for the Soviet Union, trying to induce her by intimidation and threats not to return to her fatherland. In this connection they did not even stop at applying a narcotic injection with the obvious purpose of weakening her consciousness and will.

On the day of Kasenkina's intended departure for the fatherland members of this organization carried her away from her apartment to the farm mentioned above and forcibly kept her there. During Kasenkina's stay on the farm, from July 31 to Aug. 6, 1948, A. Tolstaya continued to intimidate Kasenkina and demanded that she write slanderous articles against her fatherland, but Kasenkina rejected these base

demands.

According to available information, M. I. Samarin and his family were also forcibly carried away from his apartment, 3-B, 214 West 104th Street, New York, to the Kessel farm in the State of New Jersey, on the night of July 30-31, by members of the same organization.

As is evident from communications of the American press of Aug. 9, M. I. Samarin, after a week's stay at the Kessel farm, was turned over to the Federal Bureau of Investigation by the organization headed by Tolstaya.

The above described cases of kidnapping of the Soviet citizens O. S. Kasenkina and M. I. Samarin and his family, as well as a number of other cases in connection with which the Embassy duly corresponded with the Department of State, bear witness to the fact that the organization headed by Tolstaya is systematically carrying on activities hostile to the Soviet Union, not stopping at the forcible seizure of Soviet citizens with the acquiescence of certain Government agencies of the U. S. A., which must be well aware of the activities of the organization—the so-called "Tolstoy Fund."

In this connection the statement of A. L. Tolstaya to representatives of the press on Aug. 8 of this year merits attention; from this statement it is clear that the so-called "Tolstoy Fund" has at its disposal an "underground" organization, the activities of which are directed toward preventing the return of Soviet citizens to their fatherland and which in such activities resorts to conspiratorial methods.

Breach of Obligation Alleged

The Embassy of the U.S.S.R. in the U. S. A. considers that the attitude of the Government agencies of the U. S. A. toward the above-mentioned criminal activities of the so-called "Tolstoy Fund" constitutes a direct violation of the obligations assumed by the Government of the U. S. A. on the basis of the exchange of letters of Nov. 16, 1933, between the People's Commissar for Foreign Affairs of the U.S.S.R., M. N. Litvinov, and the President of the U. S. A., F. D. Roosevelt.

On instructions from the Soviet Government, the Embassy of the U.S.S.R. in the U. S. A. strongly protests the forcible seizure of the Soviet citizens O. S. Kasenkina and M. I. Samarin and his family by members of the "Tolstoy Fund" organization, as well as the toleration by Government agencies of the U. S. A. of the criminal activities of this organization, which are clearly directed against the U.S.S.R. and which consist particularly in the prevention, by any forcible means, of the return of Soviet citizens to their fatherland and in attempts to use them for purposes inimical to the Soviet Union.

The Embassy of the U.S.S.R. in the U. S. A. expects that measures will be taken by the Government of the U. S. A. for the immediate release of M. I. Samarin and his family and for their transfer to the protection of the Consulate General of the U.S.S.R. at New York until their departure for the fatherland and insists on the discontinuation of activities of the so-called "Tolstoy Fund", which are incompatible with the obligations assumed by the Government of the U. S. A. with respect to the Soviet Union.

Panyushkin's Second Note

The text of Mr. Panyushkin's note of Aug. 14 follows:

The Embassy of the Union of Soviet Socialist Republics presents its compliments to the Department of State and has the honor to communicate the following:

On Aug. 12, 1948, at 4:20 P. M., two New York City policemen, taking advantage of the fact that employes of the Consulate General had opened the door to the courtyard of the building occupied by the Consulate General, where O. S. Kasenkina had jumped from a window, arbitrarily burst into the building of the Consulate General.

At 4:30 P. M. four inspectors of the New York police, headed by the deputy chief inspector of police, Conrad Rotingast, came to the Consulate General to learn from the Consul General, Y. M. Lomakin, the circumstances of Kasenkina's suicide attempt. However, instead of dealing with the Consul General, the police inspectors, in spite of his protest, seized one of Kasenkina's personal letters which was in her personal bag. The aforesaid persons attempted to search Kasenkina's room and to question employes of the Consulate General.

By such acts the representatives of the New York police authorities violated the extraterritoriality of the building of the Consulate General of the U.S.S.R. in New York, the need for the observance of which is derived from international custom and from the norms of international law.

In connection with the foregoing, the Embassy of the U.S.S.R. in the U. S. A. manifests to the Department of State a protest against the violation of the extraterritoriality of the building of the Consulate General of the U.S.S.R. in New York by representatives of the authorities of the U. S. A., and insists that the persons guilty of such violation be brought to account.

The Embassy of the U.S.S.R. in the U. S. A. also insists that the persons who permitted the other illegal acts indicated above be brought to account. The Embassy of the U.S.S.R. in the U. S. A. hopes that the Department of State will take measures that in the future will protect the Consulate General from illegal acts on the part of New York City police authorities, and that the Department will assure the extraterritoriality of the building of the Consulate General of the U.S.S.R. in New York.

Molotov's Note

The text of Foreign Minister Molotov's note of Aug. 11 to Ambassador Walter Bedell Smith follows:

On the 31st of July a group of Soviet citizens were to have sailed from New York on the ship Pobeda to the Soviet Union, among whom were the teachers of the Soviet school in New York, O. S. Kasyenkina and M. I. Samarin with his wife, K. M. Samarin, and three small children, Tatiana, Elena and Vladimir.

The above-mentioned Soviet citizens did not appear up to the moment of the departure of the ship, although they had previously paid for their tickets and had sent their baggage onto the ship. From information obtained it was revealed that the persons mentioned were not in their apartments, that Kasyenkina had left her apartment on the morning of the 31st and Samarin and his family during the night of the 30th to 31st of July.

Not until a week after the disappearance of Kasyenkina did the Soviet Consul in New York, Y. M. Lomakin, on the 6th of August, by chance receive from her a note in which she stated that she was in the environs of New York, on the Reid Farm, belonging to a bandit white-guard organization under the name of "Tolstoy Fund."

In her note Kasyenkina requested the Soviet Consul to save her from the hands of the organization which, by all kinds of threats and intimidations, had tried to force her to refuse to return to her fatherland and to publish in the press a statement hostile toward the Soviet Union. Going to the address cited in the letter the Soviet Consul in New York actually discovered there Kasyenkina, who expressed the desire to proceed immediately with him to the Soviet Consulate.

In spite of this the bandits from the organization "Tolstoy Fund" living on the farm tried forcibly to prevent Kasyenkina from leaving, which, however, they did not succeed in doing.

On Aug. 7, at a press conference in the Consulate, Kasyenkina stated that for a week she had been followed by unknown people of this kind, one of whom called himself Dr. Korzhinski and the other Leo Costello, who had tried by way of threats and violence to induce her to refuse to return to her country. In so doing, Costello even resorted to violently administering a narcotic substance to Kasyenkina, clearly with the purpose of weakening her will to oppose him. On the morning of the 31st of July Kasyenkina was abducted by the chauffeur of a car in which the above-mentioned Korzhinski visited her on this day.

Zenzinov Labeled 'White Guard'

This machine delivered Kasyenkina to Riverside Drive, to the apartment of a White Guard, Zenzinov, from which place she was transferred to Reid Farm. At the time of her arrival at this farm Kasyenkina heard from a member of a White-Guard band called the "Tolstoy Fund," Alexandra Tolstoy, that Samarin and his family also were there, not far away.

According to a statement of the New York correspondent of The United Press, Alexandra Tolstoy confirmed to this correspondent the share of her organization in the abduction of Samarin.

On the 10th of August Under-Secretary of State Lovett corroborated to the Soviet Ambassador in Washington that Samarin had been made subject to examination by the Federal Bureau of Investigation, which thus is found to be connected with the organization which kidnapped Samarin, his wife and three children.

Supplementary to the statement made by the Soviet Ambassador in Washington, I, on instructions from the Soviet Government, register protest against the toleration on the part of the authorities of the U. S. A. of the criminal acts set forth above with regard to the Soviet citizens, Kasyenkina, Samarin and his family.

The Soviet Government insists on the immediate release of Samarin and his family, on their surrender at once for return to their country to the Consulate General of the U.S.S.R. in New York, and also on the punishment of all persons who have taken part in the kidnapping of Soviet citizens.

AUG 1948

Lomakin Not First Ousted Consul

Several Told to Leave Since 1812—Other Countries Have Invited U. S. Officials to Depart, Too.

Washington, Aug. 20 (A. P.).—Musty files of the State Department today show Jacob M. Lomakin is only one of several Foreign Consuls who have been asked to get out of this country.

In fact, the records show that the American Government many times has been on the receiving as well as the pitching end of the game of throwing out consular officers.

The causes for action are varied, according to records compiled by Green H. Hackworth, former legal adviser of the State Department.

There was a case in 1912, involving a Haitian consul in New York who was reported to be charging unauthorized fees for certifying invoices. The State Department repeatedly complained about this, and when the consul persisted in the practice his credentials were withdrawn and his own Government relieved him of his duties.

Shortly after the outbreak of World War I a German citizen serving with the American Army deserted. A letter from a German consul was found in the soldier's papers indicating that the consul had incited the soldier to desert. The United States demanded recall of the consul.

One of the most unusual cases occurred in 1921. The United States canceled credentials of a Yugoslav consul on the ground that he had threatened to refuse passports and visas to persons patronizing steamship companies which advertised in a certain newspaper that he evidently did not like.

On the other side of the ledger, Hackworth listed many cases involving American consuls in foreign countries. There were instances in which American officials were accused of interfering in domestic political affairs of Latin American countries, of seeking to throw business to American shipping firms by unfair methods and doing other alleged deeds disapproved by the foreign countries in which they served.

HOSPITAL REJECTS CONSUL'S DOCTORS

Wants Only Surgeons To See Mrs. Kasenkina

New York, Aug. 20 (AP)—Soviet Consul General Jacob Lomakin, whose recall to Russia has been asked by the United States, notified Roosevelt Hospital today he had selected two doctors for consultations in the case of Mrs. Oksana Stepanovna Kasenkina. The hospital, however, rejected them.

Dr. Grant Pennoyer, attending physician, said tonight Mrs. Kasenkina "is improving right along. I feel pretty sure now she's coming through. However, a bit of surgery is yet to be done. She needs an operation on her knee, and other work." He said she is still listed as "critical."

In a telegram, Lomakin told the hospital that he desired to visit the hospital with the doctors to see Mrs. Kasenkina, Soviet teacher critically injured in a leap from a consulate window last week.

The hospital then advised Lomakin by telephone that the two physicians, not being surgeons as had been specified, were unacceptable to the hospital.

Consul Hangs Up

An argument ensued, with each party steadfastly maintaining its position, and was ended when the consul general hung up the telephone, a hospital spokesman said.

Later, the spokesman said that just before Lomakin hung up he declared:

"If you do not let our two doctors examine Mrs. Kasenkina, we will hold the hospital responsible for the result."

Names of the doctors chosen by Lomakin were not given.

The hospital spokesman said

Lomakin insisted also that he be permitted to see Mrs. Kasenkina, along with his doctors.

The consul general was told, the spokesman said, that a Tuesday invitation for Lomakin to send a qualified surgeon for consultations on Mrs. Kasenkina's case was extended because at that time the patient was "very, very ill."

No Reason For Surgeon

However, it was added, Mrs. Kasenkina is "so very much improved and her general condition being better, a consultation at this time is not necessary."

Nevertheless, the hospital said, the consul general was told that if he still wished to send a "qualified surgeon" a consultation would be permitted. The hospital has given no specific reason for insisting on a surgeon.

Lomakin told newsmen "you are wasting your time, gentlemen," when asked today for comment on the United States demand that he leave the country.

"I have nothing to say," he added.

Lomakin was interviewed briefly as he left the consulate this morning. He had spent the night there, presumably after learning of the United States charges against him and the recall demand in the note sent to the Soviet Embassy in Washington last night.

Judge Dismisses Writ For Red Teacher

New York, Aug. 20 (AP)—Sate Supreme Court Justice Samuel Dickstein today dismissed a writ of habeas corpus directing the Soviet consul general here to produce Mrs. Oksana Stepanovna Kasenkina in court.

The justice ruled that issuance of a warrant "of attachment to enforce the writ would now serve no useful purpose."

The order was served August 11 on Consul General Jacob M. Lomakin, whose recall was asked last night because of his conduct in the case. He ignored the writ and a few hours later, the woman, a Russian schoolteacher, leaped from the third floor of the consulate building.

Police quoted Mrs. Kasenkina as saying she was held a prisoner there. She was critically injured in the plunge.

Holds Matter Now "Academic"

Justice Dickstein's ruling held that "the matter has become academic in view of Mrs. Kasenkina's presence in a hospital, outside the control of the Soviet consul.

The writ demanding Mrs. Kasenkina's presence in court was obtained by Peter W. Hoguet, attorney for Common Cause, Inc.

The Kasenkina case stirred up immediate diplomatic repercussions, touched off by a Russian Foreign Office protest and climaxed by the United States State Department's demand for Lomakin's recall last night. The State Department also notified Russia that Mrs. Kasenkina would remain under United States protection as long as she wished to remain in this country.

Teacher Slightly Better

Still on the Roosevelt Hospital's critical list, Mrs. Kasenkina was reported slightly improved today.

Lomakin presumably learned of the demand for his recall last night, shortly after the State Department's strongly couched note was handed to the Soviet Embassy in Washington. He spent the night at the consulate.

The consul general left the consulate at 11.25 A.M. today, but declined comment on the new turn in the controversy.

When newsmen asked him if he was aware of the State Department's note and its charges accusing him of a "gross violation" of proper conduct of foreign officials, he replied "yes," but declined to discuss the matter.

"I Have Nothing To Say"

"You are wasting your time, gentlemen," he told reporters. "I have nothing to say."

Lomakin replied, "Maybe," when asked whether he planned to visit Mrs. Kasenkina at the hospital today.

Soviet officials have delayed taking advantage of an invitation to send a doctor of their own choosing for consultation on Mrs. Kasenkina's injuries.

The invitation was extended after the Russians had demanded day after day that their own doctor be admitted to attend her.

Lomakin told newsmen yesterday that he had selected a physician to confer with Roosevelt Hospital doctors about the 52-year-old Russian teacher.

Dr. Grant Pennoyer, attending Mrs. Kasenkina, expressed disappointment last night that Lomakin had not sent a physician to see him.

Soviet Embassy Employes

Dr. Pennoyer expressed his disappointment to Miss Zena Ivanora, consulate secretary, and Miss Marie Kharlamova, another consulate employé, when they went to the hospital again, seeking to see the patient.

Dr. Pennoyer refused to let the women from the consulate see Mrs. Kasenkina, but told them, however, if her condition continued to improve they might be allowed to see her in a day or two.

'VOICE' GIVES REDS FULL RECALL TEXT

Washington, Aug. 20 (A. P.). The State Department's "Voice of America" is broadcasting to Russia and the Soviet satellites the full text of the United States demand for recall of Consul-General Jacob M. Lomakin.

Assuming the Moscow radio is unlikely to carry full details of the new United States criticism of Soviet actions, State Department officials said the text would be beamed during the day to all Soviet bloc nations. Other parts of the world will receive conventional news summaries of the latest Soviet-American development.

MARSHALL NOTE USES RED SPELLING

Washington, Aug. 20 (A. P.).—The name of the Russian refugee schoolteacher who leaped from a window of the Soviet consulate-general in New York is officially Kasenkina.

The diplomatic exchanges between the United States and Soviet Russia today spelled it that way. Heretofore the English translation generally had been spelled Kosenkina—with an O.

Michael J. McDermott, State Department press officer, explained Russia's formal protests changed the previously accepted spelling, so the United States followed suit.

Variations between English and Russian spelling also were noted when Soviet Ambassador Alexander S. Panyushkin in his note of August 9 referred to the head of the Tolstoy foundation in New York as A. L. Tolstaya. In Russian that is the feminine form of Tolstoy.

Similarly, the name of another Russian schoolteacher figuring in the Congressional spy investigations has been translated variously as Samarin and Samarine.

Kept Russ From Finding Samarin, Author Says

New York, Aug. 20 (AP)—Victor A. Kravchenko, author of the anti-Communist book, "I Chose Freedom," says he saved the Russian schoolteacher, Mikhail Samarin, from falling into the hands of Soviet authorities.

Kravchenko, who has repudiated his Soviet citizenship, told his story yesterday in a 3,000-word statement and repeated it later in a radio interview.

He said he was the intermediary who spirited Samarin away from a New Jersey farm August 8 at a time when Soviet "agents were overrunning New York and New Jersey on the trail" of the teacher and his family.

Kravchenko said he then arranged to have Samarin brought under the protection of the House Un-American Activities Committee.

"I well understood," Kravchenko said, "that if Samarin should fall into the hands of Lomakin (Soviet Consul General Jacob Lomakin) they (the Russians) would duplicate the story of Kasenkina."

Tells Of Search

He said that if Samarin, who also has repudiated his Soviet citizenship, and his wife were returned to Russia, they would be "disposed of and their children—born in America—would be consigned to the children's prison."

Kravchenko said his search for Samarin led him to a farm in New York and two other farms in New Jersey before he finally located his hiding place. He said he then took Samarin to New York city, where he was "received by FBI officials."

Later, the Russian writer said, he informed the House committee that Samarin desired to appear before it, and Samarin subsequently received a subpoena, bringing him under the committee's protection.

Stalin 'Plotting' Anti-Tito Coup

London, Aug. 20 (AP)—The London *Evening News* declared today Prime Minister Stalin has ordered the stage set for a *coup d'etat* in Yugoslavia and already has chosen a successor to Premier Marshal Tito.

The article was undated and by-lined by "the *Evening News* Diplomatic Reporter." It gave no source for the information.

"Developments in the Moscow-Belgrade dispute are expected in the next three weeks," it said. "Preparations are going ahead in Moscow for bringing about a coup in Yugoslavia to replace the Tito regime with an orthodox 'Stalinist' government.

Dapcevic Named

"Marshall Stalin has ordered the formation in Moscow of a Free Yugoslav Committee, to be composed of anti-Tito Yugoslav Communist emigres. He is understood to have designated as successor to Tito, if the coup succeeds, Col. Gen. Peko Dapcevic, who is believed to be at present in Moscow.

"Colonel General Dapcevic is the brother of the Col. Vlado Dapcevic, who escaped into Romania the other day."

[*Borba*, official Communist party newspaper in Belgrade, said Arso Jovanovic, former chief of staff of the Yugoslav Army, was shot and killed while trying to flee to Romania with Dapcevic. The paper said a second member of the group was killed and Maj. Gen. Brancko Petricevic was captured.]

The Communist London *Daily Worker* also talked about a "military movement against Tito." But it spoke only of defections in the ranks of the Yugoslav Army—not of outside pressure.

Ex-Czech Minister Escapes To London

London, Aug. 20 (AP)—Dr. Jaroslav Stransky, former Czechoslovak Minister of Education, arrived in London tonight after escaping from Prague. He was accompanied by his wife and daughter.

Stransky was one of the Czech ministers who resigned shortly before the Communists seized power last February. He is a National Socialist and was a professor at Charles University.

Youth Parley Undecided On Admission of Fascists

LONDON, Aug. 20. (AP)—Delegates to a youth conference from twenty-seven nations ended their sessions today uncertain whether to admit avowed Fascists in the future into their company.

They decided to set up a new organization, tentatively called the "International Youth Assembly," to work with or without Communist co-operation. Youth groups of Communist tendencies will be welcome under democratic conditions, leaders said.

But there was disagreement on whether the new organization should be so broadly inclusive as to admit organizations from Fascist countries.

"We can't sit at the same table with them," said Jean Joussellin, of France. Others held that if all youth viewpoints are to be represented, a place must be made for organizations from Spain. The point, unsettled, was deferred to youth groups of the various lands.

Paris, Aug. 20 (AP)—Arrangements were being made tentatively today for a meeting of the United Nations Security Council in Paris as early as September 5.

It had been expected that the Council, now winding up routine work at Lake Success, N.Y., would not hold a session here until after the United Nations Assembly opens September 21. A United Nation attache said the Council might be called into early session here on the Palestine question.

SWISS URGE ECONOMIC ACCORD IN EUROPE

BERN, Switzerland, Aug. 20—(AP) The Swiss government today endorsed economic collaboration of this nation with Western Europe under the European Recovery Program.

The Swiss federal council said Switzerland did not need financial help, but that she "cannot isolate herself economically or be disinterested" in the affairs of other countries.

The council, which is the country's chief executive agency, asked parliament for authority to sign the Paris agreement of April 16.

Switzerland sent representatives to Paris with the stipulation that she would not collaborate in any project which might disturb her economic relations with Eastern Europe.

The Swiss government has concluded numerous trade agreements with eastern European countries.

World Aid, Less E.R.P., By U.S. Tops 16 Billions

Geneva, Switzerland, Aug. 20 (AP). In the three years since the end of the war, the United States Government has given resconstruction grants to the rest of the world totaling more than $16,000,000,000, exclusive of the European Recovery Program.

Statistics supplied to the United Nations Economic and Social Council showed today that United St ates Government loans, property credits and grants to the rest of the world between July 1, 1945, and March 31, 1948, amounted to $16,326,000,000. In addition, United States Government credit and relief grants still to be utilized, including the E.R.P, totaled more than $9,000,000,000.

A considerable portion of the utilized total went to countries beyond the Iron Curtain, including $468,000,000 to the Soviet Union.

77 P.C. Not Repayable

United States grants and loans to countries in the Soviet sphere totaled $1,457,000,000 up to March 31. Of this, $1,122,000,000, or 77 per cent, was not repayable.

The figures were contained in a United States report on implementation of a General Assembly resolution, adopted on December 11, 1946, which had urged United Nation members to take all possible steps, "which may lead to the early solution of the problem of economic reconstruction of devastated areas."

The report showed that of the total United States grants and loans utilized since the war, $13,762,000,000 (or 85 per cent) went to areas designated by the United Nations as devastated by the war. A total of $2,119,000,000 (or 13 per cent) went to Germany and Japan, and $445,000,000 (or 3 per cent) to the other countries, including Canada and Latin America.

Half In Relief, Grants

Almost half of the American financial assistance was in the form of relief and grants, including contributions to UNRRA, relief programs in occupation areas and post-UNRRA relief in other countries. Nonrepayable relief utilized up to March 31 of this year totaled $7,466,000,000. Nonrepayable relief scheduled to be utilized after that date amounted to $976,000,000.

Of the utilized total $8,860,000,000 comprised repayable Export-Import Bank loans, sale of United States surplus property and surplus vessels abroad on long-term credit, and lend-lease settlement and "pipeline" credits.

The balance of loans and grants not utilized on March 31, 1948, totaled $2,305,000,000, plus the $7,000,000,000 Marshall-plan allocation for 1948-49 authorized subsequently.

British Get Greatest Share

Britain received the greatest share of American financial assistance, and more than twice as much as any other country.

During the three-year period, the United Kingdom received a total of $4,699,000,000, of which all but $299,000,000 was repayable. Credits to Britain totaling $35,000,000 not included in the Marshall plan were still to be utilized on March 31.

Assistance beyond the Iron Curtain included $20,000,000 to Albania, $214,000,000 to Czechoslovakia, $18,000,000 to Hungary, $438,000,000 to Poland, $468,000,000 to the Soviet Union and $299,000,000 to Yugoslavia. Assistance to Albania and Yugoslavia was entirely nonrepayable.

Soviets Gets 25 Million

Authorized credits to Communist-controlled countries not utilized by March 31, 1948, comprised $25,000,000 to the Soviet Union and $6,000,000 to Poland.

Substantial shares went to France, China and Italy. France received $2,232,000,000, of which $307,000,000 was not repayable. In addition, non-E.R.P. credits and relief for France outstanding in March totaled $201,000,000.

China's share was $1,451,000,000 utilized by March 31, of which well over 90 per cent was not repayable. China's nonrepayable share was the largest of any single country, amounting to $1,238,000,000. Further credits and relief for China not utilized by March totaled $62,000,000.

Italy Utilizes $1,555,000,000

Italy utilized $1,155,000,000 of American aid up to March, of which $882,000,000 was not repayable. Further scheduled assistance to Italy, in addition to the Marshall plan, totaled $175,000,000.

Western Germany received $1,174,000,000, of which $949,000,000 was not repayable. Further non-E.R.P. aid to Germany totaled $166,000,000. Japan received $945,000,000, of which $741,000,000 was not repayable.

Other aid, mostly not repayable, included $305,000,000 to Austria, $585,000,000 to Greece, $244,000,000 to the Philippines and $14,000,000 to Trieste.

Financial assistance, largely repayable, included $304,000,000 to the Netherlands, $70,000,000 to the Netherlands Indies, $94,000,000 to Finland, $45,000,000 to Norway, $244,000,000 to Belgium and Luxembourg, and $16,000,000 to Denmark.

RUSS POLICE RAID BERLIN ZONE OF U.S.

Five American - Sector German Law Officers Carried Off

E. SHANKE

Berlin, Aug. 20 (AP)—Soviet-controlled German police backed by Russian tommy-gunners today staged two lightning raids along the western sector border and carried off five American sector German police.

An American official denounced the action as a violation of United States jurisdiction.

The raids were directed against black-market operators in Potsdamer Platz in the heart of Berlin where the American, British and Soviet sectors converge.

Raid In Russian Sector

The Soviet-licensed news agency ADN said tonight 2,500 persons were arrested in the two raids. ADN said also a third raid was carried out in Berlin's central market hall deep in the Soviet sector, where large amounts of black-market food was confiscated.

Potsdamer Platz was the scene yesterday of an anti-Communist riot in which four Germans were wounded by Soviet sector police bullets. Several German police were injured by stones thrown by angry Germans denouncing "Communist pigs."

In the first raid today, Russians estimated 600 alleged black-marketeers were hauled away.

Round Up 200 Germans

Germans jeered 60 Russian military police and soldiers who withdrew about an hour and a half after the raid. Some soldiers immediately leaped from their truck and rushed at the crowd. The Germans fled into the American and British sectors.

Later in the afternoon, another group of Russian military police with their controlled German police invaded the American sector for at least the third time within the last week.

Ray Ashworth, United States public safety officer, said they rounded up an estimated 200 alleged German black-marketeers and took them into the Russian sector for arrest.

A jeep load of four American-sector German police were seized as they drove up to investigate the disturbance.

Violation Of Jurisdiction

When the American-sector German police chief for the borough of Kreuzberg sought to investigate, he also was picked up. Ashworth said he was enticed into the Russian sector to talk over the release of his men.

Two of the policemen later escaped in the milling crowd, but three still were held hostage tonight. Ashworth said he has demanded their immediate release.

The incident, he said, was a clear violation of United States jurisdiction.

Since the police force split into East and West units, the Moscow-trained head of the Soviet-sector police, Paul Markgraf, has ordered his men to ignore sector boundaries in their operations.

Brutality Not Necessary

Since his refusal to accept dismissal by the anti-Communist city government, Markgraf's police have arrested at least ten western-sector policemen on eastern Berlin streets or in their Soviet-sector homes on what American officials called "trumped up charges of theft."

Reviewing last night's rioting at Potsdamer Platz, Col. Frank L. Howley, United States commander of Berlin, said, "it must be recognized that German police have a right to defend themselves against attack by lawbreakers.

"It is, however, considered that such brutal methods were not necessary for self-defense against an unarmed crowd of civilians.

Insult To Government

"The lawlessness indicated in yesterday's activities in the Soviet sector is regrettable, but it is quite understandable that police in the Soviet sector are having difficulty maintaining law and order, and maintaining respect of the population, in the face of the known criminal records of their leaders.

"It is also known that over 300 policemen have been removed from the Soviet sector and supplanted by policemen of political inclination more acceptable to the regime of Communist-controlled Markgraf.

"That Markgraf continues to direct police activities in the Soviet sector is an insult to the elected city government which has ordered his removal."

Answering Russian-licensed press charges that Americans were harboring blackmarketeers, Colonel Howley declared the United States Military Government was supporting efforts to prevent black-market activities in Berlin.

"The American sector," he said, "has been comparatively free of serious blackmarket activities. However, blackmarketing has increased greatly as a direct result of the Soviet blockade of Berlin."

Photographer Escapes

Lifting the blockade alone, he continued, would ease blackmarket conditions and again allow a legitimate flow of goods into and out of the city.

One incident during a raid involved Henry Burroughs, Associated Press photographer. He had focused his camera on a truckload of German troops in Potsdamer Platz as they prepared to withdraw. Several soldiers saw Burroughs, dismounted and ran at him. The photographer dodged into a crowd and gained safety by running across sector borders into the British zone.

Socialist Arrested

A Russian announcement distributed through the Soviet-licensed German news agency said the Russians had arrested a Socialist, Curt Mueckenberger, the anti-Communist director of Berlin's Central Coal Office, whom they had sought to discharge earlier in the week.

Russians gave no reason for the arrest, but when they sought to remove him from office they accused him of incompetence and obstructionism. British officials at that time condemned the order as "pernicious and illegal," and Americans issued a similar statement. Both told the Russians they would not recognize the order, and charged Mueckenberger's dismissal was a breach of the constitutional rights of the Germans.

Later the Soviet-licensed news agency said Mueckenberger was arrested because he "consciously violated" a Russian order to leave the Central Coal Office and had continued to carry on his work there. He was arrested in his office.

2,900 Tons Of Supplies

The Anglo-American airlift flew 2,900 tons of supplies into Berlin in 24 hours ended at noon today in 434 flights. Flying was limited by spotty weather.

The huge C-74 Globemaster made another trip with 16¼ tons of heavy engineering equipment which will be used to build a new airfield in the French sector.

While the airlift continued to maintain full German rations in blockaded western Berlin, new reports came of a food crisis in the Soviet zone.

The French-licensed newspaper *Kurier* reported from Dresden that the government for the province of Saxony held an emergency session August 17 to discuss the "food catastrophe." Farmers were ordered to thresh grains and "deliver them 100 per cent," the newspaper said. Similar reports have come from the north German provinces of Mecklenburg and Brandenburg. Shortages of meats and fats also were reported.

Russians Enter U.S. Zone In New Raid (D)

D. GALLAGHER

Berlin Aug. 20 (AP)—Russian military police, and German police they control, invaded the American sector of blockaded Berlin today on a black-market raid and seized five German police belonging to United States sector forces.

An American Military Government official said the action clearly violated United States jurisdiction.

It was the second Russian-backed raid near the city zonal borders during the day.

Earlier Russian military police and Communist-controlled German police raided downtown Potsdamer Platz, where the American, Russian and British zones meet, and arrested about 600 Germans without violence. This contrasted to an operation last evening when Germans stoned the Communist police, who responded with gunfire which wounded four civilians.

Vehicle Is Taken

Ray Ashworth, United States public safety chief, said the Russians entered the American zone in the borough of Kreuzberg, where a city street divides the sectors. A similar invasion occurred there last week which required intervention by American military police.

Ashworth said about 20 Russians and 50 Soviet-sector German police corraled some 200 Germans on black-market charges and pulled them over into Soviet territory to arrest them. An alarm went out for western sector German police, four of whom drove up in a jeep. The Russians seized the four and their vehicle.

Police Chief Seized

When the borough police chief drove up to protest, the Russians called him over, ostensibly for discussion. Then they seized him, too. Two of the five officers succeeded in getting away from their captors and hiding in a crowd of civilians. Three were reported still held, along with their jeep.

Russian tommy-gunners hotly pursued Henry Burroughs, Associated Press photographer, when he took pictures of a raid operation at Potsdamer Platz. Burroughs had aimed his camera at a truckload of Russian troops preparing to withdraw after the raid. The soldiers saw him, and several left the truck to give chase. Burroughs dodged into a crowd of Germans and scurried to the safety of the British sector.

Will Ignore Boundaries

Soviet sector police, headed by Moscow-trained Paul Markgraf, have been seizing western sector police on sight since the split of the Berlin police department several weeks ago. Markgraf has declared his forces will not recognize sector boundaries in their operations. Thus far the West has not struck back with any similar tactics.

Col. Frank L. Howley, United States commander in Berlin, described Markgraf's forces as criminals. Denouncing last night's raid at Potsdamer Platz, he said Markgraf's forces had recently been expanded by 300 men imported from the surrounding Soviet occupation zone.

"The lawlessness indicated in yesterday's activities in the Soviet sector is regrettable," Howley said, "but it is understandable that police in the Soviet sector are having difficulty maintaining law and order and maintaining the respect of the population in the face of the known criminal records of their leaders."

The Russian group arrested about 600 Germans in all. The police, riding in open trucks, were escorted by Soviet army tommygunners in American-made jeeps. There were jeers as they withdrew. Five minutes after they drove off, the square was again packed with a new group of black marketeers and buyers.

The forces converged on Potsdamer Platz, where at least five Germans were injured late yesterday in a riot. Berliners yesterday stoned the Russian-controlled police, who responded with gunfire as they retreated. The American, Russian and British sectors of the blockaded city meet at the Potsdamer Platz.

No Violence Occurs

About 60 Russian military police and soldiers were reported involved in the action today. The raid was conducted swiftly and apparently without violence.

By the time five truckloads of British military police and soldiers arrived at the sector borders, the Russians and their faction of the German police had corralled many Germans in the square.

Officers Converse

There was no brush between British and Russian forces. The lieutenant colonel commanding the Britons talked amiably with the Russian troop commander after the raid.

The tension was greater last evening.

Police opened fire when the crowd stoned them as they overstepped into the British and American parts of the square.

Germans in the crowd yelled "Communist pigs" at the police. It was a question, however, whether the shouters were sincere anti-Communists or just piqued black marketeers.

New Raids Promised

Five hours after the smoke had cleared and the Soviet-sector police had retreated, the black-market trade was going on as usual.

Markgraf said four of his policemen were injured in the rioting. He said his men fired 27 shots. Markgraf said the black-market raids would continue.

The incident was the most serious since the Berlin police force was split into two rival factions, one backed by the Russians and the other by the Western Allies.

Ex-Worker Arrested

The Russians said today they have arrested Curt Mueckenberger, anti-Communist director of the Berlin Central Coal Office. They had sought to discharge him Wednesday.

The announcement, made by the Soviet-licensed news agency, gave no reason. When the Russians tried to remove the official, however, they accused him of incompetence and obstructionism. British officials condemned the order as "pernicious and illegal." Americans issued a similar statement and both powers told the Russians they would not recognize the order.

The Coal Office director's office was set up by the four occupation powers in 1946. The United States and Britain said the Russian attempt to dismiss Mueckenberger breached the constitutional rights of the Germans.

British authorities ordered a stop today to Soviet propaganda broadcasts over amplifiers in British-sector stations of the Berlin elevated railway.

The broadcasts emanate from the Russian-controlled Berlin radio and are carried in stations over amplifier systems. The British ordered station masters in their sector to see that amplifier system announcements are confined to travel notices so as not to "impose Soviet propaganda upon the population."

Army Refuses To Admit 'Guilt' Of Two Captured By Russians

Heidelberg, Germany, Aug. 20 (AP)—United States Army headquarters disclosed tonight that a Russian offer to return two Americans picked up at the Soviet zone border August 5 had been refused because the Russians demanded admissions of "guilt."

The Russians produced the men August 10 at the American-Soviet zone border and said they would free them if an American liaison officer would sign a receipt, drawn by the Russians, admitting that the two men:

1. Entered Russian territory without authority.
2. Carried a camera and took pictures of the border while in Russian territory.

Haven't Returned Since

The liaison officer, unidentified by the Army, refused on the ground that he was authorized only to sign a simple receipt.

The Russian negotiators then took the two Americans back into the Soviet zone.

The Americans, Lieut. Sherman S. Turner, Jr., of Council Bluffs, Iowa, and Roland M. Myer, of Brooklyn, N.Y., both members of the United States Military Government, have not returned since to the American zone.

The American liaison officer, who saw Turner and Myer on August 10, said they were "in good condition."

Return Through Berlin

The army's statement detailed events from the time a German driver for Turner and Myer reported them apprehended by Russian border guards up through "repeated attempts" to gain their release.

These attempts have been met by the Russians with one statement, "the Americans will be returned through Berlin," the Army said.

The army report gave the first disclosure that the two men had been seen since the Russians picked them up.

CLAY DISPUTES SOVIET

Denies He Told French to Stop Taking German Resources

BERLIN, Aug. 20 (AP)—Gen. Lucius D. Clay, United States Military Governor, denied today a report published in the Russian-controlled press here that he had demanded the French stop removing economic resources from their zone of Germany.

"In point of fact, the co-operation between United States and French Military Governments has never been closer than at present," General Clay said.

An article on the front page of the Soviet-licensed Berliner Zeitung and attributed to "reliable sources" in Frankfort on the Main declared that General Clay had sent a letter to the French Military Governor Gen. Joseph Pierre Koenig demanding that:

(1) The French stop dismantling industries in their zone that involved "American capital investment" unless they paid for them in dollars.

(2) The French stop removing foodstuffs, finished products and materials unless they paid in dollars.

(3) French occupation forces stop living off the land in Germany.

Hitler's Chief Jew Baiter Put on Trial by Germans

NUERNBERG, Aug. 20 (AP).—Julius Schaub, accused of persuading Adolf Hitler to kill Jews, was indicted on war crimes charges today by the German government in Munich.

It was the first war crimes indictment made by the Germans themselves.

Schaub, fifty, joined the Nazi party at its inception. He was in the abortive Munich putsch and went to the Landsberg jail with Hitler. He acted as his bodyguard, errand boy and adjutant for a quarter century. He was with Hitler in the chancellery bunker of Berlin at the end of the war and burned Hitler's private papers. He was the last to escape the trap.

Schaub is in jail in Munich. He has testified in Nuernberg in several Allied war crimes trials. Specifically, he is charged with being responsible for turning over a number of Jews to the people's court after impressing Hitler with what he called the "enormity" of the Jews crimes.

Another Sentence Slapped on Hess

Munich, Aug. 20 (A. P.).—If Rudolf Hess ever gets out of Berlin's Spandau prison he will face another sentence. The former No. 2 deputy to Hitler was tried in absentia by a German denazification court here today and sentenced to ten years in a labor camp. He was convicted of being a major Nazi offender.

The ailing Hess now is serving a life sentence in Spandau as a result of his conviction at Nuernberg by the International Military Tribunal.

"Axis Sally" Leaves Germany For U. S. Trial

Frankfurt, Germany, Aug. 20 (AP). "Axis Sally" left for the United States today to face trial for treason.

She is Mildred D. Gillars, formerly of Portland, Maine. During the war she broadcast appeals to American soldiers to stop fighting. She was arrested soon after American troops entered Germany, released briefly and then jailed again.

"Good-by Frankfurt," she said when boarding an army transport plane for Washington. She wore a flowing black fur cloak and black slacks.

GUERRILLAS FLEE AS GREEKS TAKE LAST STRONGHOLD

(A) T. O'QUINN

ATHENS, Aug. 20 — (AP) A Greek army general staff spokesman said tonight the Communist-led guerrillas were in full retreat in the Grammos mountains after the virtual collapse of their last defense lines.

He announced capture of Kiafa, last guerrilla stronghold in the mountain range, and said a quick juncture of Greek army troops advancing from the east and west would mean death or surrender for between 3,000 and 4,000 guerrillas.

The spokesman expressed hope of such juncture within the next 24 hours.

The two Greek forces were only two and a half miles apart, the spokesman added, and there was a chance they might be joined sometime tonight.

In Final Phase

As the Grammos campaign entered the phase of final victory high American and Greek officials met in Patrai to plan the next step in the war against the guerrillas—a campaign against 2,500 rebels who are spread throughout the Peloponnesus in the south.

Lt. Gen. James A. Van Fleet, commander of the American Military Mission, and U. S. Ambassador Henry Grady met with Lt. Gen. Demetrios Ladzis, chief of the Greek general staff, to plan the drive in southernmost Greece. No date was announced for the kick-off.

Capture of Kiafa followed seizure of the tallest peak in the Grammos Range, a 8,265 foot height almost astride the Greek-Albanian border. A slightly smaller height to the north also fell to the Greek units.

This fighting was on the western end of the Grammos front. At the eastern edge Stathmos and Horofylakis were taken and the guerrillas driven back.

Direct Bomb Hit

Capture of the high Grammos peak near Skertsa was made possible by a direct hit by a 500 pound bomb which killed all but two of its defenders. The spokesman said a contarted C-47 dropped the bomb.

Speculation arose as to where Markos Vafiades, the Communist guerrilla leader, would make his next stand.

Press reports said the guerrilla leader had moved his headquarters to Pyxos in Albania, situated between two lakes north of the Vichi area of Greece. Vichi is about 30 miles northeast of the Grammos area, and is near the juncture of the Albanian and Yugoslav frontiers with Greece.

Some military observers think Vafiades will strike back into Greece in the area of Vichi.

The Greeks have charged repeatedly that they have been fired upon by guerrillas on Albanian soil. In the past two months, the army said today, such fire had taken a toll of 250 soldiers killed or wounded.

Guerrilla Lines Crumbled By Greek Drive (D)

Athens, Aug. 20 (AP)—The last Communist guerrilla defense line in the Grammos Mountains virtually collapsed today, and Kaifa, the rebels' last stronghold, fell to army troops, a Greek general staff spokesman announced.

The army opened a determined offensive this morning against the last-ditch rebel positions in the Grammos range.

The Athens Government had been hailing the Grammos campaign as already won, but the staff spokesman had told of stiffening guerrilla resistance in an area of some 100 square miles still held by the forces under Communist Markos Vafiades.

U.S. Planes Used

The army used artillery and C-47 planes converted to bomber use in the new drive. Press reports said the planes dropped 250-pound and 500-pound bombs on Vafiades' strongholds.

The offensive was mounted along the entire front early in the morning. By noon the army took Tabouri, Kapsalla and Theodhorai heights in the central sector, and Skertsa peak on the southwest front, the spokesman said.

Find 500 Children

The spokesman said large quantities of munitions were captured in the Skertsa area. He said the army found that fleeing guerrillas had left behind them 500 children, some of them babies, who had been abducted.

While the army pushed for the final decision in the Grammos region, high American and Greek officials began mapping the next phase of the campaign. The conference was at Patrai.

United States Gen. James Van Fleet, American Ambassador Henry Grady and Lieut. Gen. Demetrios Yadzis, chief of the Greek general staff, discussed plans for cleaning up 2,500 guerrillas left in the Peloponnesus.

Premier Themistolkes Sophoulis said yesterday that the army has won the Grammos campaign. The rebels, he said, are "lying prostrate."

Say Greek Red Has Polk Death News

Athens, Aug. 20 (A. P.).—Press dispatches said today a rebel captured recently in northern Greece told authorities he knew somethiig about the death of American news broadcaster George Polk. The newspapers said the prisoner refused to talk in Salonika and demanded that he be brought to Athens to tell the general staff what he knew. The general staff disclaimed knowledge of the whereabouts of the guerrilla.

Polk's bullet-pierced, trussed-up body was found floating in Salonika Bay on May 16.

Top Sokol Aides Are 'Suspended'

Prague, Aug. 20 (AP)—The Czech official news agency said today the national governing office of Sokol has suspended top Sokol officials in Moravia-Silesia, one of this country's three major subdivisions.

The National Presidium of Sokol—national athletic society—said it is nominating an administrative board for the Moravian-Silesian Sokol circuit which will conduct its affairs pending an extraordinary general session of the circuit.

The presidium said the Moravian-Silesian circuit has sent a letter to other Sokol groups which "is offending the law of the defense of the republic, agitating against legal orders of Sokol authorities and disturbing internal peace and spreading false news."

Retaliation For Snub

The news agency announcement did not tell the contents of the letter.

This action against the Moravian-Silesian Sokol was the most important step taken by the presidium in a purge of "reactionaries" demanded by Communists after marchers in a recent Sokol parade snubbed Communist President Klement Gottwald.

Sokol leaders announced then that the organization would be purged of "reactionaries." But the Communist-dominated Central Action Committee of the National Front announced that it, too, would take part in the purge.

The Czechoslovak radio announced August 3 that Frantisek Konvalinka, chairman of the Sokol of the Litvinow district of northern Bohemia, had been expelled from the organization.

MOSCOW TALKS ARE DELAYED

(N) Hitch Reported In West Reich And Berlin Money Plans

B. Gilmore

Moscow, Aug. 20 (AP)—An expected four-power meeting failed to materialize today. Informed sources said a hitch had developed in the Kremlin conversations involving western Germany and Berlin's currency.

The informants said they would not go so far as to describe the hitch as an impasse but conceded that difficulties do exist and a deadlock might develop. They added that they were not taking a pessimistic view of the situation.

Call On U.S. Ambassador

Diplomatic negotiations between the Soviet Union and the United States, Britain and France began July 31. They were aimed at threshing out East-West differences in Berlin and perhaps all of Germany and Europe.

The three Western diplomats taking part in the talks had a busy day. The British special envoy, Frank Roberts, and Geoffrey Harrison, British *chargé d'affaires*, called on Lieut. Gen. Walter Bedell Smith, United States Ambassador, at the American Embassy during the morning.

Later Smith and Roberts conferred with Yves Chataigneau, French Ambassador, at the French Embassy.

Two Types Of Money

The Western diplomats last met with Molotov Monday. At that session another meeting was understood to have been tentatively set for today. No reason was given as to why the session did not materialize today.

Molotov and the Western diplomats may meet tomorrow.

Soviet authorities are known to be opposed to the Western allies' plan to establish a western German government. Also, Berlin now has two types of money—Eastern and Western sponsored marks.

Western Diplomats Meet In Pre-Kremlin Parley (D)

Moscow, Aug. 20 (AP)—Western power diplomatic envoys conferred today at the French Embassy. Their meeting was believed to be preliminary to another important East-West conference.

When the next Kremlin meeting will be held was not announced. Such sessions usually have opened at 5 or 6 P.M., but those hours passed today without a call to the Western diplomats.

United States Ambassador Walter B. Smith and Frank Roberts, the special British representative here, conferred during the morning at the American Embassy and then went to the French Embassy to see French Ambassador Yves Chataigneau.

They were believed to be discussing what they would say to Soviet Foreign Minister V. M. Molotov at their next meeting with him concerning the German situation.

Down To Bedrock

Their last conference, on Monday, was the longest of the six held to date, lasting 3 hours and 40 minutes. Informed observers believe they are getting down to bedrock and that the Western envoys soon may have another session with Prime Minister Stalin. They saw him August 2.

There are some indications that the negotiations here are nearing a conclusion. None of the participants—Molotov, Smith, Chataigneau or Roberts—have given any public hint as to how they are progressing.

The negotiations, aimed at threshing out East-West differences in Berlin and perhaps in all of Germany and Europe, began July 31.

CABINET DISCUSSES TALKS AT MOSCOW

Washington, Aug. 20 (A. P.).—President Truman talked over with his Cabinet today the four-power Moscow negotiations. Although Cabinet members told reporters of the discussion, they gave no details. Secretary of State Marshall was among those at the White House meeting.

PRAVDA SAYS SMITH BACKED SPY CLAIM

Asserts Envoy Admitted Aide Got Data on Arms—State Department Issues Denial

MOSCOW, Aug. 20 (AP)—Pravda quoted United States Ambassador Lieut. Gen. W. Bedell Smith today to dispute the United States State Department's version of the case of Lieut. Robert Dreher, who was accused of espionage by the Russians.

The State Department's explanation of the event, as presented Sunday in Washington by Press Officer Michael McDermott, was "in complete contradiction of the facts," said Pravda, the Communist party newspaper.

Ambassador Smith said he had no comment on Pravda's story except that he had shown Deputy Foreign Minister Andrei Y. Vishinsky a copy of a telegram sent to Washington on the case and that he presumed Mr. McDermott's Sunday statement had been based on that.

Pravda said Lieutenant Dreher had been caught receiving secret information from a Russian and had been rushed home by the Embassy at the request of the Russian Government.

Mr. Vishinsky talked with General Smith about the case, said Pravda, and the Ambassador "admitted that Dreher at the moment he was apprehended was receiving military information."

General Smith further told Mr. Vishinsky, said Pravda that "in the future he would request the State Department to send to Moscow more intelligent and careful persons able to keep their tongues between their teeth."

Pravda declared that in concluding his talk with Mr. Vishinsky, Ambassador Smith had voiced his great regret over the case and repeated that Lieutenant Dreher would be sent home immediately.

"Thus, contrary to McDermott's version of the case, the sudden departure of Dreher from the Soviet Union was connected indeed with the fact of his exposure as a spy," said Pravda.

Pravda Contradicts U.S. Case Of American Naval Attache

Moscow, Aug. 20 (AP)—*Pravda* said today the United States State Department's version of the case of Naval Lieutenant Robert Dreher, accused by the Russians of spying here, was "in complete contradiction of the facts."

The Communist party newspaper took issue with the version of the case as stated by Michael McDermott, United States State Department press officer. *Pravda* had reported Sunday that Dreher, a United States naval attaché here, had been caught receiving secret information from a Soviet official and was being hurried out of Russia by demand of the Soviet Government.

[McDermott told a Washington news conference Sunday that Russian authorities framed the espionage charge with planted evidence after Dreher had applied for an exit visa.]

United States Ambassador Walter Bedell Smith, referred to *Pravda's* reply to the State Department version, said he had no comment other than this: That he had shown Deputy Foreign Minister Andrei Vishinsky a copy of a telegram he was sending to Washington on the Dreher case. Smith said he presumed McDermott's statements Sunday night were based on that telegram.

[Asked about the *Pravda* article today, McDermott reaffirmed in Washington his previous account of the Dreher case.

["I made my statement last Sunday. I stand on that," McDermott said.]

Admission Cited

In support of its new accusation, *Pravda* cited Ambassador Smith. *Pravda* declared that Smith, in a talk with Vishinsky about the Dreher case, "admitted that Dreher at the moment he was apprehended was receiving military information."

Dreher, 32, who comes from Oil City, Pa., left Moscow on May 1. His tour of duty there began in November, 1947. He had been the naval representative in Odessa for more than a year before that.

Pravda brought Smith's name into the case after McDermott's citation of the Ambassador's remarks to Vishinsky last April 26, concerning the Dreher case.

Pravda said Sunday Dreher was arrested when he was caught exchanging written "secret military information" with a Soviet customs official. It said papers and documents were seized by police even though Dreher, "trying to tear them out of the hands of the representative of Soviet security organs, began to beat the security representative."

When Smith later conferred with Vishinsky, *Pravda's* account today said, "the United States Ambassador expressed to Vishinsky his readiness to send Dreher out of the U.S.S.R. within 24 hours, and even expressed himself to the effect that in the future he'd request the State Department to send to the U.S.S.R. more intelligent and more careful people who were able to keep their tongues still."

[In London, Tass, the official Russian news agency, translated the latter phrase as: "More clever and cautious men who could keep their mouths shut."]

Banishment Promised

Pravda said that Smith, concluding his talk with Vishinsky, announced that he greatly regretted the case of Lieutenant Dreher and repeated that Dreher would be immediately sent from the Soviet Union.

"Thus, contrary to McDermott's version," said *Pravda*, "the sudden departure of Dreher from the Soviet Union was connected indeed with the fact of his exposure as a spy."

The paper gave an abbreviated account of McDermott's version of the case, in which it said the State Department press officer claimed the Dreher case was "manufactured" by Soviet authorities.

McDermott's Version

McDermott's version of the Dreher case was this:

On April 23 Lieutenant Dreher was arrested in Moscow, held for several hours and then released. He reported immediately what had happened to Ambassador Smith.

3 Polish Refugees Fly to Danish Isle

Copennagen, Aug. 20 (A. P.).—Three young Polish refugees made a forced landing in a plane last night on Bornholm Island. They told the police they were flying from Poland to Sweden "because conditions in Poland were unbearable."

A flight mechanic, his wife and her brother were in the small sports plane. Their names were withheld. The police detained them for investigation.

Retiring Envoy Leaves Turkey

FRENCH CONSUL GUARD SHOT IN JERUSALEM

JERUSALEM, Aug. 20—(AP) A gendarme guarding the French consulate in Jerusalem was seriously wounded by sniper fire today.

A consular source said the guard was walking toward the consulate when a single shot rang out, apparently from the area of the Arab held old walled city. Another guard ran to him and dragged him to cover. Identity of the guard, who was hit in the chest, was not given pending notification of his family.

Israeli Court Will Try 2 Britons for Espionage

JERUSALEM, Aug. 20 (AP).—An Israeli magistrate today ordered two Britons tried on espionage charges.

One of the two, Frederick Sylvester, thirty, was indicted also on a count of helping in the Ben Yehuda Street bombing in Jerusalem Feb. 22. Seven spy counts were lodged against him.

William Hawkins, thirty-seven, was ordered tried on four spy charges.

Both men are former officials of the Jerusalem Electric Corporation. Irgun Zvai Leumi, formerly an underground organization, seized them and turned them over to the Israeli Army. They are accused of collecting information about Jewish troop movements for the Arabs in the Old City. Sylvester was also charged with artillery spotting and possessing an unlicensed radio transmitter.

Conviction would carry a maximum sentence of fourteen years on each count, but any such sentences would run consecutively.

The hearing was the first Israeli court of inquiry held by Israel in Jerusalem, which is outside of the Jewish state. A three-judge district court headed by Benjamin Levy will try the case, probably next week. Magistrate Moses Goldberg presided at the hearing today.

"Death Corridor" Described

Amman, Trans-Jordan, Aug. 20 (AP)—Two Americans who have crossed no-man's land in Jerusalem many times agreed today to call it "death corridor."

Edward Kellaway, of Rahway, N.J., a Marine who volunteered to drive United Nations observers down the 30-yard-wide area which divides Jews and Arabs, says now the job is a form of suicide.

"I've had three white truce flags shot away, been run into by an armored car and had bullets through my jeep," he said. "There aren't enough observers to keep the truce and, unless more are sent over fast, the lives of the United Nations observers are not worth a nickel."

Gordon McChesney, a consulate guard from Alameda, Cal., said he has been in Jerusalem since May and seen "enough fighting to last the rest of my life."

"Conditions inside Jerusalem are tense," he said. "Unless some positive action is taken quickly, the whole situation may blow sky high. Americans inside Jerusalem have adequate food and water and live comfortably, but in constant fear of their lives."

Swiss to Give Cheese, Milk

BERN, Aug. 20 (AP).—The Swiss Federal Council today agreed to contribute cheese and powdered milk for relief of Jewish and Arab refugees. Count Bernadotte, United Nations mediator, has asked the Swiss for fifty tons of cheese and twenty-five tons of powdered milk.

Red Cross, Others Offer To Aid Near East Refugees

WASHINGTON, Aug. 20 (AP).—Private American relief agencies are responding to Count Folke Bernadotte's appeal for emergency food and medical supplies for Jewish and Arab refugees in the Near East, the State Department said today.

Secretary of State George C. Marshall has informed Count Bernadotte, United Nations Palestine mediator, who requested the help, that the American Red Cross and other private relief organizations will put up the money to buy 10 per cent of the food sought and all of the D. D. T. insecticide.

In his message, Mr. Marshall said President Truman is "giving his full support to these measures." Agencies of the American government are discussing the refugee situation to determine what can be done "quickly and practically," Mr. Marshall said.

CATHOLICS ASK UN PROBE LOOTING IN PALESTINE

NEW YORK, Aug. 20—(AP) The Catholic Near East Welfare Association tonight asked the United Nations to investigate reports of mal-treatment of Catholics and desecration of Catholic holy places in Palestine.

Francis Cardinal Spellman is president of the Association. Msgr. Thomas J. McMahon, national secretary, signed the request which was addressed to Secretary-General Trygve Lie.

In asking Lie to order an inquiry, the Association declared:

"It is our considered opinion that if these overt acts continue or are explained by ascribing them constantly to irresponsible forces, then the entire Christian world is justified in its apprehension over the disregard of Christian spiritual and

30.24- 19901

material interests in the new born state of Israel."

The letter referred to an Associated Press dispatch from Jerusalem yesterday reporting specific charges made by Msgr. Anthony Vergani, vicar of the Latin Patriarchate for Galilee, against Jewish forces.

The report by Msgr. Vergani accused Jews of criminal acts against 12 Roman Catholic institutions in northern Palestine. The report alleged that seven churches, convents and hospices have been looted by Jews and others seized by police. It also expressed concern that the Jews might "start a continued expropriation of ecclesiastical properties which may have no small repercussion in the Christian world."

U.S. Halts Boat 'Not Authorized To Clear Port'

New York, Aug. 20 (AP)—A 100-foot converted subchaser, halted by the Coast Guard as it headed out to sea, was being held today for investigation.

The Coast Guard said it seized the vessel yesterday on orders of United States customs authorities.

The 125-ton craft, the Marge, had been under surveillance for ten days as it lay in New York harbor, the Coast Guard said. Customs agents had ordered the boat seized if it sought to leave the harbor.

Sees Palestine Suspicion

Only official explanation offered was that the Marge had not been authorized to clear the port.

However, crew members suggested that custom authorities believed the boat was bound for Palestine.

The subchaser, converted into a yacht, reportedly is owned by two former merchant marines—John Luken, 25, a New York photographer, and Elliot Forrest, 25, a writer, of Baltimore.

A Coast Guard officer said "the ship is detained indefinitely for United States customs."

Luken said he and Forrest had planned a voyage to foreign ports to take pictures, and for Forrest to gather material for a book.

"Run-Around" Protested

The New York *Times* said Luken claimed he had been given a "run-around" in obtaining a license for the trip by L. H. Pomeroy, of the State Department's arms and munitions department.

The reporter quoted Pomeroy as saying his investigation first indicated the vessel would be sailed to the Mediterranean area to be sold to a foreign country, and that later he came to believe the boat might be used to carry arms.

The *Times* said Luken emphatically denied these claims.

Luken said he and Forrest purchased the subchaser last January from the Maritime Commission for $1,500 and spent an additional $15,000 to convert it, including the removal of deck guns, the paper said.

Perhaps Their "Home Port"

A check of newspaper files and city telephone books and directories failed to show the address here of Elliot Forrest, who claimed Baltimore as his home.

Another Baltimorean, Hamilton Sliman, 25, was listed on the vessel's crew as chief mate and radio operator. Since both of the men were in the merchant marine, it was believed both men referred to Baltimore as a home port rather than a permanent address.

ISRAEL PUSHES PLEA TO JOIN UNITED NATIONS

LAKE SUCCESS, Aug. 20—(AP) The government of Israel tonight asked the security council to approve its admission to the United Nations.

The appeal from the new Jewish state was in the form of a memorandum to the 11-council members. Aubrey S. Eban, Israeli delegate to the U.N., said a formal application would be filed soon—probably at the opening of the general assembly in Paris, Sept. 21.

The memorandum said recognition of Israel and her entry into the U.N. is essential to peaceful settlement of the Palestine problem and peace in the middle east.

Ask Swift Action

Applications first must pass the council and then the 58-nation assembly. In a plea for swift action, Israel said "it cannot be ignored that failure to act on this application before the termination of the third session of the assembly (1948 meeting) would leave an indeterminate and uncertain political atmosphere for another full year."

It was noted that the assembly itself provided for creation of Israel through adoption of the Palestine partition plan which called for eventual U.N. membership for the Jewish and Arabs states carved out of Holy Land. The Arabs never have established their state.

"The United Nations cannot with logic or reason refuse to acknowledge a state to whose birth it gave the sanction and incentive of its own prior recommendation," Eban said in the memorandum.

There were no clear indications here at this stage whether the application would win approval in the council, which rejected in the past Italy, Austria, Eire, Portugal, Trans-Jordan, Finland, Hungary, Romania, Bulgaria, Outer Mongolia, Albania and Ceylon.

A spokesman said the United States would vote for Israel. Russia also has recognized the new state and it is presumed that the Soviet Union and the Soviet Ukraine also will cast affirmative ballots. Seven other members of the council — France, Britain, China, Canada, Colombia, Belgium and Argentina—are doubtful. Syria, the 11th member, is considered certain to vote no.

Seven affirmative votes, including all of the big five—are needed. Israel emphasized that 15 nations recognized the new government in the first 10 weeks of its life. Besides the United States and Russia, they are Guatemala, Poland, Czechoslovakia, Yugoslavia, Nicaragua, Uruguay, South Africa, Hungary, Finland, Romania, Costa Rica, Panama and Venezuela.

The memorandum maintained that Israel fulfills the conditions required by the U.N. charter which says:

"Membership in the United Nations is open to all other peace-loving states which accept the obligations contained in the present charter, and in the judgment of the organization, are able and willing to carry out these obligations."

BURMA CIVILIANS TOLD TO LEAVE REBEL AREA

RANGOON, Burma, Aug. 20—(AP) The Burmese government said today it will bomb and machine gun all territory held by rebels. Civilians were warned to move out at once.

An official statement said more than 30 rebels had been killed in clashes with government troops the past 24 hours. The fighting extended from Myingyan in the north to Bogale in the rice growing Delta region.

The Burmese government has charged Communists with leading the rebellion. An official announcement said Thakin Kywe, prominent red flag leader, had surrendered to police in Yamethin, a Communist stronghold in Central Burma.

Kachin tribesmen from the north, described as Burma's best fighters, were reported enlisting in the army to fight the Communists.

French Rout Indo-Chinese

SAIGON, Indo-China, Aug. 20 (AP).—French planes, troops and naval forces have killed 500 Indo-Chinese insurgents in a week-long battle which resulted in an "important victory" for the French, it was announced today.

A communique from the French High Command said the Viet-Nam, 7th Army, commanded by General Nguyen Binh, was routed. French losses were reported as nine French soldiers and thirty-nine pro-French Indo-Chinese killed.

The sporadic battle took place, the French said, along the Mekong River, west of this capital of southern Indo-China and about 100 miles farther north in the mountainous region along the border between Cambodia and Cochin-China.

The Viet-Nam radio, in a broadcast yesterday on the third anniversary of the proclamation of the Viet-Nam Republic, declared that the "determination of the Viet-Nam people to chase the French colonists and beneficiaries of Japanese Fascism from their fatherland remains unshaken."

China News Agency Suspended By Army

Peiping, Aug. 20 (AP)—The Army today suspended for 30 days the China News Agency, a small concern operating in Peiping only, for publishing a report that Peiping Special Criminal Court had moved into the forbidden city illegally.

The agency said it would faithfully observe the suspension "which will save us much ink and paper."

Work Or Be Fired, Jap Rail Strikers Told

Tokyo, Aug. 20 (AP)—Transportation Minister Seiichi Okada today issued an ultimatum to 300 striking Government railway workers on Hokkaido Island to return to work tomorrow or be discharged.

Okada said that the strikers, whom he accused of being led by Communists, had tied up 80,000 tons of freight and reduced train operations to fifteen per cent of normal.

Egyptian In Japan Fined In Wine Sales

Kobe, Aug. 20 (AP)—Jacques M. D'Elia, Egyptian national, was sentenced to six months' imprisonment and fined 74,000 yen today by a provost court which convicted him of dealing in the black market.

The prosecution charged that D'Elia sold sake, Japanese rice wine, at ten times its legal price.

Argentina Rejects U. S. Plan

BUENOS AIRES, Aug. 20 (AP).—Diplomatic quarters said today Argentina had rejected an informal proposal by the United States to consider a plan to put the entire Antarctic area under an international administration. The proposal was reported submitted to the Foreign Office a month ago. The informants said Argentina turned it down on the ground that the question should be taken up jointly with the Argentine-British dispute over ownership of the occupied Falkland Islands.

DEFERMENTS ARE FAR MORE LIBERAL THAN DURING WAR

All Men with Dependents Also Exempt from Duty, President Rules

ISSUES REGULATIONS

Classifications as Listed by Truman Fall Into 13 Groups

WASHINGTON, Aug. 20—(AP) President Truman today set many a mind at rest by officially deferring married men, farmers, all men with dependents and many others from the 21-month peacetime draft.

The deferments are far more liberal than they were during World War II.

Most of them had been predicted long ago, but they were not official until the President announced them today in a 30-page set of regulations that also ordered selective service to speed up induction machinery.

This will be accomplished by sending out the all-important classification questionnaires as soon as possible to single, non-father, non-veteran eligibles after men 18 through 25 register at their local boards between Aug. 30 and Sept. 18. (Later, all except 18-year-olds must fill out the questionnaires).

10 Day Deadline

These forms, which will go to draft-age men 19 through 25, must be filled out in 10 days and returned to draft boards which will use them to determine classifications. (Youths of 18 are not eligible for the draft, but must register).

The classifications as listed by

the President today fall into 13 groups, with men available for military service listed as 1-A. Actual drafting of 1-A men will be by age, with the oldest called first.

There will be no lottery as in the last war. The call to uniform will be determined by classification (set by local boards) and by age.

These are the men who are exempt from the draft:

The law passed by Congress automatically exempts war veterans with at least 90 days service between Pearl Harbor (Dec. 7, 1941) and V-J Day (Sept. 2, 1945), or with 12 months service between Sept. 16, 1940 and June 24, 1948 (the date the draft law went into effect.)

Also exempt by law are ordained ministers, students studying for the ministry, and conscientious objectors (from combatant service: They may be used in the military services in non-combatant activities if they do not protest.)

Students Deferred

Automatically deferred by the draft law are high school students up to graduation or the age of 20 (whichever comes first) and college students for the rest of the academic year. However, students must be doing all right in their studies.

The law says the President has the right to defer certain others, and today he did, listing them as follows:

II-A—Men involved in study, research or medical, scientific or other endeavors considered necessary to the national health, safety or interest. The deferments will be for one year or less, and may be changed by the President, or by local boards (if the men change jobs).

II-C—Farm workers or men engaged in agricultural occupation. The same deferment period and qualifications govern this group the same as II-A.

II-A Anyone with dependents. This can mean a married man who maintains a bonafide famiy relationship, or a man whose induction could mean hardship to a dependent.

Dependents are defined as a wife, a divorced wife, a child, parent, grandparent, brother or sister, a person 18 years of age (or older if the person is physically or mentally handicapped) or, in short, anyone who depends on the draft-age man for a living or financial help.

Some points probably will be cleared up later, selective service headquarters said. As the ruling stands now, it merely says a married man is deferred, and does not set any specific dates for his marriage.

Consequently, men married between now and registration per-

iods would be exempt, draft officials said.

IV-A—A registrant who has completed service, and sole surviving sons. (A sole surviving son is one of a family of which one or more sons or daughters were killed during the last war.)

Public Officials Exempt

IV-B—Almost all public officials elected to office, including the vice president, state governors, any official chosen by voters of the entire state (congressmen for example), a judge of a court of record, a member of the legislative body of any state or territory or possession.

IV-C—Aliens.

IV-D—Ministers of religion or divinity students. This means any duly ordained minister, or students preparing for the ministry under the direction of a recognized church or religious organization.

IV-E—Conscientious objectors opposed to both combatant and noncombatant service and training (The law says an objector need not serve as a combatant in the armed services, but could as a noncombatant. Today's ruling frees him from either service if he requests.)

IV-F—Physically, mentally, or morally unfit.

V-A—A registrant over the age of liability for military service.

One clause says that the draft director (Maj. Gen. Lewis B. Hershey) may "direct that eligibility for particular service be disregarded."

He may ignore any other provisions of the regulations if he deems it necessary, and draft or defer men regardless of classification. Just what this means was not explained.

Registration will begin in ten days, and will follow age groups.

Registration Dates Set

Men born in 1922 after Aug. 30 will register at local draft boards first of all on Aug. 30. These are men of 25, and it is predicted that few of them will be called into uniform.

Next to register will be all born in 1923. Some will be 24, some 25, but all born in 1923 will register Aug. 31-Sept. 1.

Persons born in 1924 will register Sept. 2-3; 1925, Sept. 4 or Set. 7; 1926, Sept. 8-9; 1927, Sept. 10-11; 1928, Sept. 13-14; 1929, Sept. 15-16; and persons born in 1930 before Sept. 19 register Sept. 17-18.

Today's ruling said that classification questionnaires must be sent all registrants 19 through 25 almost immediately after registration.

Draft headquarters said today that the 4,00 or so local draft boards over the country are practically completed now, and that all registration and classification forms have been printed and mailed over the country.

Almost all of the draftees will go into the Army. The Navy, Marines and Air Force believe their ranks can be expanded through volunteers.

A reliable source said yesterday that the first draft call will be for 15,000 men, expected to be in uniform in November. A second call of 15,000 may get the others into training in December.

And after the first of the year, calls may be around 30,000 a month, depending upon voluntary enlistments.

These draftees and volunteers are designed to boost the Army's manpower, now 600,000, to an authorized strength of 790,000 by June 30, 1949.

DEFENSE CHIEFS SUMMONED FOR SECRET CONCLAVE

WASHINGTON, Aug. 20 — (AP) Secretary of Defense Forrestal summoned the U. S. joint chiefs of staff today to a highly important week-end conference at the Naval War College at Newport, Rhode Island.

They will get a sum-up of the Berlin situation from Gen. Hoyt Vandenberg, Air Force chief of staff, who reached here today after escaping death or injury in the landing of his disabled plane. Also, Forrestal will report on his recent talks with Canadian defense officials.

Like the conference last March in Key West, Fla., this new meeting is being held outside Washington for the expressed purpose of being free from interruptions and administrative pressures around the army navy and air force headquarters.

More Meetings Planned

Similar meetings will be held every few months in the future, the defense department said.

General Vandenberg was en route back from Europe when he received word at Bermuda this morning of the conference. He and Secretary of the Air Force Symington had flown to Germany to see in operation the air lift in which the United States and British planes are supplying Russian blocaded Berlin.

The general's home coming was dramatic and could have been tragic. The special plane sent to rush him here—Symington is not returning directly to Washington and they separated in Bermuda—developed a faulty engine 250 miles out of the capital.

The pilot, Lt. Col. Phil Best, feathered the propeller on the outside engine on the left wing and brought the plane into the National Airport safely on three motors.

Rescue Planes Dispatched

Air rescue planes from Bolling Field Virginia and the Westover Air Force Base, Mass., and a Coast Guard flying boat from Elizabeth, N. C., went out to meet the faltering plane and escorted it in.

At the Florida meeting, which Forrestal held with the chiefs of staff, the specific functions and responsibilities of the three serves were worked out under the new national defnse setup.

This present conference is dealing with problems of strategic air warfare in the atomic age.

It is also concerned with the various kinds of weapons now in the arsenals of the Army, Navy and Air Force or on their drawing boards.

The military chiefs intend to work out a way to appraise the value of each kind of weapon and how it can be improved. Importance will be attached to the manufacturing time and cost.

Probable new weapons are being considered at this conference, which is a tightly closed meeting.

Possibly a decision will be made on the Navy's retiring its only two currently operating battleships, the Missouri and Iowa and using the money and men on air craft carriers, submarine and anti-submarine projects.

L. B. Pearson, Canadian under secretary of state for external affairs, is currently on a brief visit to Washington.

Diplomatic informants said Pearson informally reviewing with American authorities both western European union problems, including possible north American military assistance, and issues which are likely to arrive before the United Nations General Assembly meeting in Paris next month.

ROYALL INSPECTS 43RD AT EDWARDS

National Guard Lauded by War Secretary as Best Type of Defense

CAMP EDWARDS, Mass., Aug. 20—(AP) Secretary of Army Kenneth C. Royall said tonight the present National Guard "will provide the best type of national defense we have ever had."

Royall flew back to Washington, D. C, tonight after coming here by air to inspect National Guard units and regular army personnel at this camp.

He received a 38 gun salute—19 on arrival and 19 on departure.

Royall said "the National Guard of our nation is more in readiness to protect this country than anytime in our history."

In answer to questions by newsmen, he said "I expect no reduction in the size of the National Guard and army reserves.

He reviewed the 43rd Infantry division, commanded by Major Gen. Kenneth T. Cramer.

Gas mask preliminary training was given the 172nd Infantry division Vermont National Guard. Troops made practice runs through the gas chamber during which they were assaulted with various types gases.

3 New Deal Aides Refuse To Answer Spy Probers

WASHINGTON, Aug. 20—(AP) The congressional spy probe hit new snags today. Three ex-New Deal lawyers refused to talk about an alleged pre-war Communist underground in the government and a missing key witness remained unaccounted for.

The three non-talkative witnesses are Lee Pressman, John Abt and Nathan Witt. The "missing" witness is J. Peters, who is under bond awaiting hearing in a deportation case.

Two Support Wallace

Pressman, former counsel for the CIO and the Work Projects Administration (WPA), and Abt, a former WPA executive, now are active in Henry A. Wallace's presidential campaign. Witt, ex-secretary of the National Labor Relations board, is a practicing lawyer in New York.

The three were named by Whittaker Chambers, a star witness in the House Unamerican Activities Committee spy investigation, as having been members of a Communist underground that sought to place Communists in high government jobs in the mid-30's.

Chambers said Peters headed the entire Communist underground in the United States.

Pressman, Abt and Witt were questioned by Rep. Nixon (R-Calif) on behalf of the committee behind closed doors this morning. Nixon announced later that they stood on their constitutional rights and refused to answer questions dealing with Chambers' charges or to say whether they knew other alleged Communists named by Chambers.

Chambers, who renounced Communism in 1937, now is a Time Magazine editor.

The committee's efforts to question Peters hit a barrier when Watson Miller, head of the immigration service, announced that he has no authority to produce Peters as a witness before the committee.

Miller said he had conveyed that information to Nixon in reply to Nixon's demand that Peters be produced or that his whereabouts be disclosed so the committee can subpoena him.

Peters Among Missing

He does not know where Peters now is, Miller said, but assumes that Peters will show up when his deportation case comes up for hearing. He said he would inform the committee as to the place and time of the hearing so it could subpoena Peters.

Under the law, Miller told newsmen, the immigration service can compel Peters' presence "for a hearing or hearings in regard to the charge upon which he has been taken into custody."

That charge, Miller added, is that Peters belonged to an organization advocating overthrow of the United

30.24- 19903

States government by force or violence. He said an "early hearing" is hoped for in the deportation case.

Peters, Miller said, was arrested on October 8, 1947, and released on $5,000 bond posted by Ann Stevens, identified by Miller as Peters' wife. Miller said Peters also is known as Alexander Stevens.

The immigration service's jurisdiction over Peters, Miller said, extends only to the charge against him and does not authorize the service to produce Peters before a Congressional committee.

Pressman, Abt and Witt were accompanied to today's hearing by Harold Cammer, New York attorney. Cammer told newsmen they refused to answer some questions, claiming the committee has no right to inquire into their political beliefs, and cannot make them answer questions which might incriminate them.

Challenge Committee Legality

Furthermore, he said, they challenged the validity of the committee itself on the ground one of its members, Rep. John E. Rankin (D-Miss), was illegally elected.

Nixon told reporters the trio refused to say whether they belonged to the "underground" as Chambers charged; whether they knew Chambers by the name of Chambers, George Crosley or simply as "Carl"; whether they had been members of the Communist party and whether they knew any of the others named by Chambers as part of the "underground."

Chambers has said he was known as "Carl" to fellow Communists.

Alger Hiss, former state department official and one of the men linked to the case by Chambers, has testified that he knew Chambers not by that name but only as George Crosley, a free-lance writer.

Nixon said the three men refused to identify pictures of Chambers taken in 1931 and in 1948. The 1931 picture illustrated an article in the magazine New Masses written by Whittaker Chambers.

No Further Meetings

No further committee meetings are scheduled until next Wednesday, when Chambers and Hiss are to face each other in open session.

Senator Wherry (R-Neb) declared today that President Truman is asking Congress "for 'rubber stamp' approval" of legislation to deal with subversive activities.

Wherry, acting senate majority leader, reopened the feud between the Democratic president and Republican congressional leaders over Mr. Truman's refusal to turn over government records sought by congressional committees investigating the current spy ring charges.

"President Truman has stubbornly refused to provide congress with information on subversive activities," Wherry said in a statement. He added that this information "is in the hands of executive agencies and needed by congress as a guide in taking legislative action to curb Communist and related espionage."

Beware Germans' Bids, U.S. Is Told

Washington, Aug. 20 (AP)—The United States Army said today that requests from German individuals, farms, schools and museums for information should be regarded with a skeptical eye. Many of these requests are coming from the Russian zone, it said.

Last June the Army sent out confidential instructions to its public information officers throughout the United States to advice business men, key officials in industries, utilities and civic organizations to be wary of requests.

Much of the information sought —road maps, telephone directories, scientific journals, etc—provides "basic intelligence information of strategic importance to all potential enemies of the United States," the Army said in alerting its public information officers.

From Leipzig Sector

Valuable information about the location of this country's key industries and military installations could be obtained in this way, the Army said.

It said a sizable number of German individuals, firms, schools, museums have made direct requests to American civic organizations and business firms during the last several months for printed material that did not seem especially to concern them.

A large percentage of these requests have come from the Russian zone, particularly in the Leipzig sector, the Army said.

The requests became suspect when it was observed that the material sought was not particularly what the individual or organization seeking it would need in its normal pursuits, the Army said.

San Antonio Target

An especial target for the information seekers has been San Antonio, Texas, one of the most important Army and Air Force posts in the United States.

A Leipzig manfacturer of electrical measuring instruments asked the Chamber of Commerce at Rockford, Ill., for a "map showing the highway roads and railway lines of your State and a report of your Chamber of Commerce."

ETHIOPIA BLASTS PLAN TO RETURN ITALY COLONIES

WASHINGTON, Aug. 20—(AP) Ethiopia expressed "profound resentment" today over Governor Thomas E. Dewey's proposal that Italy be allowed to administer her former African colonies under a United Nations trusteeship.

The Ethiopian legation here issued a statement calling Dewey's proposal "unfair" and declaring that the Ethiopian government never will agree to the return of Eritrea and Somaililand to Italy "under any guise."

"These territories are in all respects Ethiopia's and they must be restored to Ethiopia," the legation insisted.

Under UN Trusteeship

Dewey told an Italo-American group in Albany this week that he favors letting Italy administer her former African colonies — which also include Libya — under a UN trusteeship.

New York's Mayor William O'Dwyer, a Democrat, also spoke out in favor of restoring Italy's control of her former African colonies. He issued a statement yesterday saying that for Italy to attain a sound recovery, it must be free to develop commerce with those African territories.

President Truman commenting on Dewey's statement at his news conference yesterday, said that under the Italian peace treaty the disposition of the former Italian colonies is up to the United States, Russia, Britain and France. If they cannot agree before the UN assembly meets in Paris next month, he said, the assembly itself must consider the question.

Not for U. S. to Decide

At any rate, he declared, the matter cannot very well be handled politically in this country.

In response to that, Dewey's secretary announced that the Republican presidential nominee intends to speak out on foreign affairs as he sees fit.

Emperor Haile Selassie's legation expressed "astonishment" over Dewey's proposal, declaring that under the peace treaty Italy renounced her claim to the colonies. The statement went on:

"Ethiopia has suffered more than any other of Italian victims and is therefore opposed to any plan that her territories should be used again by Italy as preparation centers for a new, inevitable invasion against her. x x x

"It is incomprehensible why the economy of the aggressor enemy should be rehabilitated at the expense of the victim ally."

Handkerchiefs Collected For Berlin Candy 'Bombs'

By The Associated Press.

WESTOVER AIR FORCE BASE, Mass., Aug. 20—The men at the Brookley Air Force Base, Mobile, Ala., began collecting handkerchiefs and candy yesterday to send to Pilot Gale S. Halverson in Germany.

Pilot Halverson, whose home is in Garland, Utah, had reported that he was running out of handkerchiefs used as parachutes to drop lollipops to Berlin children.

The pilot is one of the fliers assigned to "Operations Vittles," designed to break the Russian food blockade of the German capital. Pilot Halverson has designated his lollipop bombings as "Operations Little Vittles."

NAME WAINWRIGHT PRESIDENT OF DAV

NEW YORK, Aug. 20—(AP) Gen. Jonathan M. Wainwright, the American commander at the surrender of Corregidor to Japan, was elected today national commander of the Disabled American Veterans.

Gen. Douglas MacArthur, whom Wainwright followed in a losing cause as commander in the Philippines early in the Pacific war, nominated his former subordinate for the DAV post in a cabled message from Tokyo.

State Sen. Albert L. Daniels of Greenfield, Ohio, also placed Wainwright's name before the convention.

The new commander said he would work for restoration to useful lives of as many disabled veterans as possible.

Urges Increased Housing

He urged increased housing facilities for all veterans with needs of disabled former servicemen coming first.

The convention voted to meet next year in Cleveland, Ohio.

These other officers were named: Senior Vice Commander, David M. Brown of Akron, Ohio; First Junior Vice commander, Alexander W. O'Neill of Denver, Colo.; Second Junior Vice Commander, E. W. Mays of Little Rock, Ark.; Third Junior Vice Commander, Anthony Delmont, St. Paul, Minn.; Fourth Junior Vice Commander, Philip Lory, Cambridge, Mass.; and Judge Advocate, Sylvester Hoffmann, Glendale, Calif.

Col. John P. Duffy of New London, Ohio, was named by Wainwright as his chief of staff. A chaplain, Duffy was imprisoned in Japan with Wainwright.

Disabled Plane Lands Air Chief

Washington, Aug. 20 (AP)—A disabled B-17 Fortress carrying Gen. Hoyt S. Vandenberg, Air Force chief of staff, landed safely at National Airport today.

Vandenberg was returning from Europe. With him in the plane were Assistant Secretary of the Air Force Eugene M. Zuckert and Maj. Gen. W. F. McKee, assistant vice chief of staff.

One Engine Failed

The pilot of the converted bomber reported one of his four engines stopped while over the Atlantic this morning.

Vandenberg, who had been in Germany, was bound for a conference of the joint chiefs of staff at Newport, R.I.

Secretary of the Air Force Symington, who went to Europe with Vandenberg, was not aboard the plane.

First reports of the trouble said the plane had "lost" two engines about 60 miles off the Virginia Capes.

Rescue Planes Sent

The Air Force sent rescue planes from Westover Field, Mass. They carried lifeboats and rafts to be dropped in case the Vandenberg plane could not make land.

The Coast Guard sent out a flying boat from its Elizabeth City (N.C.) station. Bolling Field here sent out B-17's to meet the Vandenberg plane.

A number of high-ranking officers went to the airport to await the plane's arrival when word reached the Pentagon the craft was in trouble.

GOOD RELATIONS

Washington, Aug. 20 (A. P.).—President Truman today praised the good relations between Great Britain and the United States as he greeted delegations from Reading, Pa., and Reading, England.

The group from England, headed by the Right Worshipful Mayor of Reading, Alderman H. V. Kersley, is visiting the Pennsylvania city for its 200th anniversary. Kersley told reporters after the White House call that the President told them:

"If the spirit which prevailed throughout our two countries prevailed through the remainder of the world, we would have no problems."

Reading, Pa., was founded by the sons of William Penn, who came from the city's namesake in England.

Moseley Reported En Route To U.S.

New Orleans, Aug. 20 (AP)—The *Times-Picayune* said tonight it has information that Sir Oswald Mosely, British Fascist leader, is en route to the United States by ship and that immigration authorities have issued orders "to all ports to keep Mosely out."

The newspaper said its information came from immigration authorities whom it did not name.

It also said it had been learned from New York that Mosely is to appear in St. Louis at a rally with Gerald L. K. Smith, one-time Huey P. Long aide and now national director of the "Christian Nationalist Crusade."

UN May Settle Greek-Red Dispute (n)

LAKE SUCCESS, Aug. 20—(AP) Australia proposed today that the United Nations establish a new agency to settle the differences between Greece and her Communist neighbors.

The Australian recommendation was forwarded to the U.N. general assembly along with the report of the special committee on the Balkans (UNSCOB).

UNSCOB was set up last year by the assembly to watch over the border area and at the same time try to restore peace between Greece and the three Soviet satellites—Albania, Bulgaria and Yugoslavia.

Like the Balkan commission, created by the Security Council in 1946, the special committee made little or no progress in its conciliation efforts. It reported Albania, Bulgaria and Yugoslavia still were threatening the peace by aiding Greek guerrillas.

Australia, a member of the 11-nation special committee proposed that the new body devote its full time to conciliation instead of trying to watch the border area.

The new agency would be made up of three men of world-wide prominence who came from small countries. It would be a sort of "good offices committee" like the ones now operating in Indonesia and India.

The special committee itself recommended that some kind of U.N. agency be maintained in the Balkans but did not call for any special type of agency.

The issue will be decided by the General Assembly which meets in Paris, Sept. 21.

3 Red Balkan States Blamed (d)

Lake Success, Aug. 20 (AP)—Greece's three Communist neighbors were accused by a United Nations agency today of threatening peace in the Balkans by aiding Greek guerrillas.

The accused countries are Albania, Bulgaria and Yugoslavia. They were warned by the United Nations General Assembly last year against assisting dissident forces in Greece.

The United Nations Special Committee on the Balkans reported to the Assembly, after a year of on-the-scene inquiry, that the three Soviet satellites were continuing their activities against the Athens regime. M. Harrelson

U.N.S.C.O.B. Claims Evidence

U.N.S.C.O.B. said it had evidence Greece's Communist neighbors had supplied arms and munitions to the guerrillas, had permitted the use of their territories for tactical operations and had given the guerrillas moral support through Government-controlled radio stations.

"This assistance has been on such a scale," the report said, "that the special committee has concluded that it has been given with the knowledge of the governments of Albania, Bulgaria and Yugoslavia."

See Threat To Peace

The report added:

"So long as events along the northern borders of Greece show that support is being given to the Greek guerrillas from Albania, Bulgaria and Yugoslavia, the special committee is convinced that a threat to the political independence and territorial integrity of Greece will exist, and international peace and security in the Balkans will be endangered."

The findings of the committee were backed by nine members of the eleven-nation body, although Australia had some reservations. Russia and Poland, the other two members of U.N.S.C.O.B. have boycotted the committee from the beginning.

Australia Critical

Australia held that the committee laid too much stress on investigating and observing and not enough on conciliation.

Australia also took issue with the committee's recommendations for the future. The committee recommended that a United Nations agency continue to "exercise vigilance" along the border and to try to bring about a peaceful settlement.

Australia proposed the establishment of a good offices committee with purely conciliatory functions. This body would consist of three outstanding individuals of international prestige who would not be citizens of any of the five big powers.

AUG 1948

Due At September 21 In Paris

The committee itself did not specify exactly what kind of agency it believed was best, but it did propose that the United Nations take over the financial burden previously borne by countries on the Balkan committee.

The whole Balkan issue will come before the General Assembly when it opens its 1948 session in Paris September 21.

POLAND ASKS UN ACTION AGAINST FRANCO SPAIN

LAKE SUCCESS, Aug. 20—(AP) Poland made a new demand today for United Nations action against Generallissimo Franco's Spain.

In a letter to Secretary-General Trygve Lie, the Polish government proposed that the Spanish question be placed on the agenda of the general assembly which meets in Paris Sept. 21.

Poland previously had brought the Spanish issue before the Security Council in 1946 and raised it in the assembly both in 1946 and 1947.

Poland's latest communication recommended that the assembly consider adding to resolutions adopted in the two previous sessions. AUG 1948

The resolution of 1946 called on all members of the UN to withdraw their top diplomats from Madrid. The 1947 resolution expressed confidence that the Security Council "will exercise its responsibilities under the charter as soon as it considers that the situation in regard to Spain so requires."

THE PREVAILING OPINION WAS, HOWEVER, THAT THE DOOR SHOULD BE LEFT OPEN FOR COMMUNIST YOUTH ORGANIZATIONS.

THE GENERAL COMPLAINT AT THE LONDON MEETING WAS THAT COMMUNISTS HAD "CAPTURED" THE WORLD FEDERATION OF DEMOCRATIC YOUTH.

A NEW WORLD ORGANIZATION CONSEQUENTLY IS NEEDED IN WHICH THERE IS ROOM FOR ALL VIEWPOINTS, DELEGATES SAID.

LONDON, AUG 20-(AP)-THE BOARD OF TRADE SQUELCHED RUMORS TODAY THAT THE BRITISH GOVERNMENT IS PLANNING TO RATION TOBACCO.

THE BOARD ALSO RULED OUT INCREASED PURCHASES OF AMERICAN LEAF TO EASE A NATIONWIDE SHORTAGE.

A GOVERNMENT SPOKESMAN SUGGESTED, INSTEAD, THAT "IF ALL SMOKERS WERE TO SMOKE ONE CIGARETTE IN 10 LESS EACH DAY AND REFRAIN FROM HOARDING, WE SHOULD VERY SOON SEE THE END OF QUEUING."

THE BOARD OF TRADE TURNED THUMBS DOWN ON RATIONING "BECAUSE IT IS REGARDED AS UNWORKABLE."

EXPLAINING THAT BRITAIN "CANNOT AFFORD MORE DOLLARS FOR TOBACCO," THE SPOKESMAN SAID BRITISH MANUFACTURERS, LOOKING FOR OTHER SOURCES OF SUPPLY, HAD AGREED TO TAKE TWO-THIRDS OF THE SOUTHERN RHODESIA CROP FOR THE NEXT FIVE YEARS.

"WE CAN, WE HOPE, LOOK TO A STEADY INCREASE IN YEARLY SUPPLIES FROM THIS QUARTER," HE SAID.

UNABLE TO CUT DOWN THE NATIONAL SMOKES BILL BY LEVYING TAXES THAT BOOSTED THE PRICE OF 20 CIGARETTES TO THREE SHILLINGS, SIX PENCE (70 CENTS), THE GOVERNMENT HAS ORDERED A ONE-SIXTH CUT IN TOBACCO SUPPLIES TO MANUFACTURERS.

TOBACCO CONSUMPTION HAS BEEN ABOUT 20 PER CENT ABOVE THAT BEFORE THE WAR, OR AT THE RATE OF ABOUT 205,000,000 (M) POUNDS A YEAR.

THE HAGUE, THE NETHERLANDS, AUG 20-(AP)-A PROJECTED UNION OF THE NETHERLANDS AND ITS COLONIES ON AN EQUAL FOOTING MOVED A STEP NEARER REALITY TODAY.

A CONSTITUTIONAL AMENDMENT AUTHORIZING THE UNION WAS RATIFIED, 76 TO 22, BY THE SECOND CHAMBER OF THE DUTCH PARLIAMENT LAST NIGHT. IT STILL MUST BE APPROVED BY THE FIRST CHAMBER OR SENATE.

THE AMENDMENT WOULD REVAMP THE CONSTITUTIONAL STRUCTURE OF THE NETHERLANDS, CREATING A NETHERLANDS-INDONESIAN UNION HEADED BY THE QUEEN. THE UNION WOULD HAVE TWO MAIN PARTS--THE UNITED KINGDOM, INCLUDING HOLLAND, SURINAM (DUTCH GUIANA) AND THE NETHERLANDS ANTILLES ON THE ONE HAND, AND A UNITED STATES OF INDONESIA ON THE OTHER.

PREMIER WILLIAM DREES ASKED APPROVAL OF THE AMENDMENT SO THE GOVERNMENT MIGHT "PROCEED WITH A SOLUTION OF THE INDONESIAN PROBLEM THROUGH ESTABLISHMENT IN INDONESIA, FIRSTLY, OF AN INTERIM FEDERAL GOVERNMENT, AND THEREAFTER, OF A UNITED STATES OF INDONESIA AND THE FORMATION OF A NETHERLANDS-INDONESIAN UNION."

GOVERNMENT, AND THEREAFTER, OF A UNITED STATES OF INDONESIA AND THE FORMATION OF A NETHERLANDS-INDONESIAN UNION."

THE INTERIM GOVERNMENT WOULD FUNCTION UNTIL THE ESTABLISHMENT OF A UNITED STATES OF INDONESIA. DUTCH AUTHORITIES HAVE SET JAN. 1, 1949 AS THE TARGET DATE FOR INAUGURATION OF THE UNITED STATES OF INDONESIA.

THE FIRST STEP IN ORGANIZING THE NEW U.S.I. WAS TAKEN IN MARCH, 1947 AT CHERIBON, JAVA, WHEN AN AGREEMENT RECOGNIZED THE INDONESIAN REPUBLIC IN JAVA, SUMATRA AND SOME SMALLER ISLANDS. WARFARE LATER ERUPTED BETWEEN NETHERLANDS COLONIAL FORCES AND REPUBLICAN FORCES OVER THE METHOD OF CARRYING OUT THE CHERIBON AGREEMENT.

OTHER STATES IN THE U.S. I. WILL INCLUDE BORNEO AND EAST INDONESIA, WHICH EMBRACES ALL OF THE NETHERLANDS EAST INDIES EAST OF JAVA AND BORNEO EXCEPT NEW GUINEA.

THE U.S. I.--FABULOUSLY RICH IN NATURAL RESOURCES--WILL HAVE A POPULATION OF 80,000,000.

IT WAS RELIABLY REPORTED THAT THE GOVERNMENT, ACTING UNDER THE AUTHORITY OF THE NEW AMENDMENT, WILL QUICKLY INTRODUCE A BILL AUTHORIZING THE FORMATION OF AN INTERIM INDONESIAN ADMINISTRATION.

(IN BATAVIA, CAPITAL OF JAVA, THE REPUBLICAN DELEGATION ANNOUNCED WEDNESDAY THAT IT HAD BROKEN OFF TRUCE NEGOTIATIONS WITH THE DUTCH AS A RESULT OF SEIZURE OF THE DELEGATION'S PAPERS BY DUTCH POLICE MONDAY NIGHT. THE DUTCH SAID LAST NIGHT THE PAPERS HAD BEEN RETURNED. THERE WAS NO IMMEDIATE INDICATION WHETHER THE TRUCE TALKS WOULD BE RESUMED.)

THE INDONESIAN AMENDMENT WAS ONE OF FOUR APPROVED BY THE SECOND CHAMBER. THE OTHERS WOULD:

1. GRANT A PENSION TO RETIRING QUEEN WILHELMINA. THE AMOUNT WILL BE FIXED IN LATER LEGISLATION.

2. AUTHORIZE THE APPOINTMENTS OF STATE SECRETARIES TO ASSIST CABINET MEMBERS.

3. PERMIT THE HANDING OVER OF "CIVIL AUTHORITY IN EXTRAORDINARY CIRCUMSTANCES TO MAINTAIN EXTERNAL AND INTERNAL SECURITY, TO OTHER CIVIL ORGANS." THIS VAGUEY-WORDED AMENDMENT WAS AIMED AT THE THREAT OF COMMUNISM.

THE CITY-WAS RIFE WITH UNCONFIRMED RUMORS AFTER THE ACTION DIED DOWN.

ONE GERMAN REPORTED TO AMERICAN AUTHORITIES THAT SOME DEMONSTRATORS BURNED SEVERAL SOVIET FLAGS IN THE SHELL OF A RUINED BUILDING. THIS COULD NOT BE VERIFIED. NOR WAS THERE ANY CONFIRMATION OF REPORTS THAT THERE WAS ONE FATALITY IN THE SKIRMISH.

DURING THE RIOTING BRITISH AND AMERICAN MILITARY POLICE APPEARED ON THEIR SIDES OF THE SQUARE AND RUSSIAN TROOPS ON THEIR GROUND. THEY WERE NOT INVOLVED IN THE FIGHTING, HOWEVER.

IN PREVIOUS RAIDS IN THE POTSDAMER PLATZ RUSSIAN SOLDIERS OR MILITARY POLICE USUALLY HAVE BEEN INVOLVED.

ALTHOUGH RUSSIAN-BACKED POLICE FACED A HOSTILE THRONG YESTERDAY, OBSERVERS REASONED THAT THE SAME THING COULD HAPPEN AT ANY TIME TO WESTERN-BACKED POLICE IF THEY OVER-STEPPED INTO THE SOVIET SECTOR DURING A BLACK MARKET RAID.

AUG 1948

BLACK MARKETEERS FLEEING ARREST MIGHT EVEN INVOLVE RUSSIANS AND WESTERN MILITARY POLICE IN A FIGHT AMONG THEMSELVES, THUS CREATING AN INTERNATIONAL INCIDENT.

AMERICAN AND BRITISH PUBLIC SAFETY OFFICIALS ARE PREPARING REPORTS ON THE POTSDAMER PLATZ INCIDENT. FOUR TRUCKLOADS OF BRITISH POLICE REMAINED AT THEIR BORDER POSTS LAST NIGHT. AT THE AMERICAN BORDER ARMED MILITARY POLICE STRUNG JEEPS ACROSS THE STREET. THEY WERE REINFORCED BY GERMAN POLICE.

THE SOVIET VERSION OF THE INCIDENT PUT OUT BY THE RUSSIAN-LICENSED GERMAN NEWS AGENCY (ADN) DESCRIBED "TURBULENT SCENS" WHEN "THE BLACK MARKET REBELLED" AGAINST POLICE AND STONED THEM. THE AGENCY CHARGED THE "BLACK MARKETEERS WERE FULLY ORGANIZED AND DIRECTED BY YOUTHS IN BLACK TROUSERS AND HIGH BOOTS."

YESTERDAY'S VIOLENCE POINTED UP THE TENSION WHICH HAS BEEN GROWING SINCE THE INTRODUCTION OF THE SOVIET BLOCKADE.

THE EYES OF MOST BERLINERS TURNED TOWARD MOSCOW WHERE EAST-WEST TALKS ON THE GERMAN CRISIS HAVE BEEN GOING ON SINCE JULY 31.

IN THE SOVIET CAPITAL INFORMED OBSERVERS PREDICTED THE THREE WESTERN ENVOYS WOULD MEET TODAY WITH SOVIET FOREIGN MINISTER V.M. MOLOTOV. THERE WERE INDICATIONS THAT NEGOTIATIONS WERE POSSIBLY NEARING COMPLETION.

TODAY'S MEETING, IF IT OCCURS, MAY BE THE LAST BEFORE ANOTHER SESSION WITH PRIME MINISTER STALIN.

THE BRITISH-AMERICAN AIR LIFT DRONED ON. IN THE 24-HOUR PERIOD ENDING AT NOON YESTERDAY, 526 BRITISH AND AMERICAN PLANES LANDED AT TEMPELHOF AND GATOW AIRFIELDS WITH SUPPLIES FOR THE BLOCKADED WESTERN SECTORS. THE AMERICANS BROUGHT IN 2,338 TONS, OF WHICH 1,548 WERE COAL. THE BRITISH CARRIED AN ESTIMATED 1,200 TONS OF SUPPLIES.

THE PROPAGANDA WAR IN BERLIN CONTINUED.

THE RUSSIANS BOASTED LAST NIGHT THEY ARE "NOW IN A POSITION TO SUPPLY BERLINERS WITH 1,500,000 TONS OF COAL BY APRIL OF NEXT YEAR," ACCORDING TO THE SOVIET-SPONSORED NEWS AGENCY.

IN WIESBADEN, THE HESSIAN INTERIOR MINISTRY SAID LAST NIGHT A GERMAN POLICEMAN OF THE U.S. ZONE HAS BEEN KIDNAPPED BY RUSSIAN ZONE POLICE. THE MINISTRY SAID IT HAD SENT A FORMAL COMPLAINT TO THE RUSSIAN ZONE STATE OF THURINGIA.

THE POTSDAMER PLATZ AREA WAS QUIET THIS MORNING, BUT INCREASED POLICE PATROLS WERE ON GUARD.

AMERICAN AUTHORITIES AND THE WESTERN BERLIN PRESS TOOK A SERIOUS VIEW OF THE INCIDENT. THEY SUGGESTED THAT REPETITIONS COULD BE AVOIDED IF SOVIET-CONTROLLED POLICE EITHER STAYED AWAY FROM THE SECTOR BORDERS OR REQUESTED IN ADVANCE THE COOPERATION OF WESTERN SECTOR POLICE WHEN THEY PLANNED A RAID AT JURISDICTIONAL FRONTIERS.

THE COMMUNIST PRESS REACTED IN PARTISAN MANNER. NEUES DEUTSCHLAND, ORGAN OF THE COMMUNIST-BACKED SOCIALIST UNITY PARTY, HEADLINED ITS REPORT: "FASCIST PROVOCATION AT POTSDAMER PLATZ."

THE OFFICIAL SOCIALIST ORGAN "SOZIAL DEMOKRAT" ON THE OTHER HAND CALLED THE CIVILIANS' ACTION "SPONTANEOUS REBELLION OF BERLINERS AGAINST EASTERN POLICE."

NEW DELHI, AUG. 20-(AP)-PRIME MINISTER PANDIT JAWAHARLAL NEHRU SAID TODAY THAT PAKISTAN TROOPS HAVE BEEN TAKING A PREDOMINANT PART IN THE "MOST VIOLENT" OFFENSIVES SINCE FIGHTING BEGAN IN KASHMIR.

UNDECLARED WAR HAS BEEN IN PROGRESS IN KASHMIR FOR MONTHS SINCE THE HINDU MAHARAJAHA ACCEDED THE PREDOMINANTLY MOSLEM STATE TO INDIA. A UNITED NATIONS COMMISSION IS ON THE SCENE TRYING TO SETTLE THE DISPUTE.

NEHRU TOLD PARLIAMENT THE LATEST EVIDENCE SHOWS THAT "REGULAR PAKISTAN MILITARY FORCES HAVE BEEN FIGHTING IN GREAT STRENGTH FOR SOME MONTHS." HE ADDED:

"RECENT OFFENSIVES AGAINST OUR POINTS IN CHAKOTHI-URI SECTOR HAVE BEEN THE MOST VIOLENT SINCE FIGHTING BEGAN IN KASHMIR LAST OCTOBER."

THE PRIME MINISTER SAID THE OFFENSIVES ARE BEING CARRIED ON MAINLY BY PAKISTAN TROOPS RATHER THAN BY RAIDERS.

DURING A QUESTION HOUR NEHRU SAID PAKISTAN TROOPS ARE LOCATED MAINLY IN THE REMOTE MOUNTAINOUS REGION OF NORTH AND NORTHWEST KASHMIR. HE SAID THERE HAS BEEN CONSIDERABLE CORRESPONDENCE WITH PAKISTAN ON THE MATTER BUT THAT IT IS NOT IN THE PUBLIC INTEREST TO DISCLOSE ITS CONTENTS.

NEHRU ALSO SAID THAT ISRAEL HAS REQUESTED RECOGNITION BY INDIA BUT THAT THE GOVERNMENT HAS DEFERRED ACTION BECAUSE OF WHAT HE CALLED THE COMPLICATED INTERNATIONAL ISSUES INVOLVED.

SEOUL, AUG. 20-(AP)-POLITICAL BARRIERS BETWEEN SOVIET OCCUPIED NORTH KOREA AND AMERICAN OCCUPIED SOUTH KOREA ARE BEING HURDLED BY TRADERS.

A BRISK TRADE BETWEEN THE TWO AREAS HAS BEEN GOING ON SINCE LAST NOVEMBER. EVEN THE BALLOTS IN THE SOUTH KOREAN ELECTION IN MAY WERE MADE FROM WOODPULP OBTAINED FROM NORTH KOREA.

THE TRADE AT FIRST OPERATED WITH INFORMAL APPROVAL. THE SOUTH KOREA MILITARY GOVERNMENT LEGALIZED IT ON AUG. 2.

OH CHUNG SOO, DIRECTOR OF COMMERCE UNDER THE MILITARY GOVERNMENT, SAID THAT 134 EXPORT PERMITS HAVE BEEN ISSUED UNDER THE NEW ORDER. APPLICANTS ARE PERMITTED TO MOVE SPECIFIED GOODS NORTH IF EQUALLY SPECIFIED GOODS FROM THE SOVIET ZONE ARE MOVED SOUTH.

THE PEOPLES COMMITTEE WHICH GOVERNS NORTH KOREA UNDER THE SOVIETS APPEARS TO HAVE A SIMILAR ARRANGEMENT TO GET NEEDED GOODS ACROSS THE POLITICAL BARRIERS OF THE 38TH PARALLEL.

OH SAID HE HAD SEEN TRADERS WITH THEIR GOODS STACKED ON EACH SIDE OF THE LINE. POLICE OF BOTH ZONES WATCHED WHILE THE TRADERS EXCHANGED SAMPLES.

THE PRINCIPAL ITEMS SENT TO NORTH KOREA ARE LIGHT BULBS, RUBBER, COTTON AND WOOLEN GOODS, AND SHOES. THE SOUTH GETS SUCH BADLY NEEDED ITEMS AS FERTILIZER, CEMENT, CAUSUTIC SODA AND OTHER CHEMICALS AND WOOD PULP.

OH SAID HE BELIEVED THE TOTAL QUANTITY WAS SUBSTANTIAL BUT NOT ENOUGH TO BE A MAJOR ECONOMIC FACTOR.

RUSSIAN-PROCEDURE

WASHINGTON, AUG. 20-(AP)-THE STATE DEPARTMENT USED SOME LONG AND INDIGNANT WORDS TODAY ABOUT THE SOVIET CONSUL GENERAL IN NEW YORK, JACOB M.LOMAKIN.

BOILED DOWN TO SIMPLE TERMS THEY MEAN: HE'S OUT, AND THERE IS NOTHING THE RUSSIANS CAN DO ABOUT IT EXCEPT TO COMPLAIN.

IN FORMALLY DEMANDING HIS REMOVAL FROM THE COUNTRY, THE STATE DEPARTMENT SAID THAT IT WAS "REQUESTING" PRESIDENT TRUMAN TO "REVOKE" LOMAKIN'S "EXEQUATUR" (PRONOUNCED X-EE-KWAA-TER).

AN EXEQUATUR IS AN OFFICIAL DOCUMENT WHICH THE PRESIDENT ISSUES TO ALL FOREIGN CONSULS HERE RECOGNIZING IN EFFECT THAT THEY ARE PROPERLY AUTHORIZED TO PERFORM THEIR OFFICIAL DUTIES IN THIS COUNTRY.

EXPERTS ON DIPLOMATIC PROCEDURE AT THE STATE DEPARTMENT SAID THE IMPORTANT POINT IS THAT CONSULAR STATUS FOR AN INDIVIDUAL DOES NOT EXIST WITHOUT SUCH OFFICIAL RECOGNITION FROM THE PRESIDENT. A NEW CONSUL COMING HERE AND FAILING TO OBTAIN AN EXEQUATUR IS FINISHED BEFORE HE BEGINS. AN OLD CONSUL WHO LOSES HIS EXEQUATUR CAN NO LONGER FUNCTION AS AN OFFICIAL, HE MIGHT AS WELL PACK HIS BAGS AND GO HOME.

WHAT WOULD HAPPEN IF HE SHOULD REFUSE TO DO SO IS A QUESTION THAT WOULD HAVE TO BE MET IF IT AROSE, AND IN WHAT CIRCUMSTANCES IT AROSE.

MICHAEL J.MCDERMOTT, STATE DEPARTMENT PRESS OFFICER, SAID ALL THIS WAS A HYPOTHETICAL QUESTION AND DECLINED TO VENTURE A GUESS. MUCH WOULD DEPEND ON LOMAKIN'S ATTITUDE.

EVER SINCE THE REFUGEE SCHOOL TEACHERS BROKE INTO THE HEADLINES ALMOST THREE WEEKS AGO, LOMAKIN HAS BEEN IN THE MIDDLE OF THE UPROAR.

BOTH AMERICAN AND FOREIGN DIPLOMATS HERE BELIEVE THAT HIS HOMECOMING TO MOSCOW WILL BE ANYTHING BUT PLEASANT FOR HIM EVEN THOUGH IN OUTWARD CEREMONY THE SOVIET GOVERNMENT DECIDES TO BACK HIM TO THE LIMIT.

LOMAKIN HAS HAD A NUMBER OF DIFFICULTIES, THE MOST NO

LOMAKIN HAS HAD A NUMBER OF DIFFICULTIES, THE MOST NOTABLE OF WICH, PERHAPS, WAS THE TIMING OF MRS.OKSANA S.KOSENKINA'S LEAP FROM A WINDOW OF HIS CONSULATE A WEEK AGO THURSDAY.

SOVIET FOREIGN MINISTER MOLOTOV HAD JUST MADE HIS ENTRANCE INTO THE CASE BY PERSONALLY GIVING A NOTE TO AMERICAN AMBASSADOR WALTER BEDELL SMITH IN MOSCOW. IN THIS NOTE MOLOTOV TOOK THE LINE THAT MRS. KOSENKINA HAD BEEN KIDNAPPED BY AN ANTI-SOVIET WHITE RUSSIAN GROUP IN NEW YORK AND THAT SHE HAD BEEN RESCUED BY LOMAKIN AND AFFORDED PROTECTION AT THE CONSULATE.

AUG

A133WX

TWENTY FOUR HOURS AFTER MOLOTOV SAW SMITH, THE MOSCOW RADIO CARRIED THIS VERSION OF THE STORY. BUT ABOUT THE SAME TIME MRS. KOSENKINA EVIDENTLY DECIDED SHE HAD HAD ENOUGH "PROTECTION" AND JUMPED OUT OF THE CONSULATE WINDOW. DIPLOMATIC AUTHORITIES HERE SAID IT MADE MOLOTOV LOOK PRETTY SILLY AND ILL-INFORMED.

EXPERTS NOTED TODAY THAT THE NOTE OF REJECTION OF THE SOVIET PROTEST GAVE MOLOTOV AND SOVIET AMBASSADOR ALEXANDER S.PANYUSHKIN A GRACEFUL WAY OUT OF THE ROW, SHOULD THEY BE WILLING TO TAKE ONE, BY LAYING ALL THE BLAME FOR MISINFORMATION ON LOMAKIN.

HOWEVER, NO ACTION WHICH ANY SOVIET OFFICIAL MIGHT NOW TAKE WOULD ALTER THE FACT OF THE OFFICIAL AMERICAN STATEMENT THAT MRS.KOSENKINA, MR. AND MRS.MIKHAIL SAMARINE AND THEIR THREE CHILDREN DELIBERATELY CHOSE TO REMAIN IN THE UNITED STATES RATHER THAN RETURN TO THE SOVIET UNION.

more

THE PROCEDURE OF HAVING THE PRESIDENT REVOKE A CONSUL'S EXEQUATUR IS SUBSTANTIALLY THE SAME AS RECALLING AN AMBASSADOR AND "RECALL" OF A CONSUL IS THE TERM USUALLY USED BY DIPLOMATS THEMSELVES.

THERE ARE TECHNICAL DIFFERENCES, HOWEVER. AN AMBASSADOR MAY BE "HANDED HIS PASSPORT" WHEN HIS COUNTRY GOES TO WAR WITH THE ONE WHERE HE IS STATIONED. BUT SHORT OF WAR, IF HE GETS IN TROUBLE, THE HOST COUNTRY WOULD NOT BE SO ROUGH. IT WOULD SEND A MESSAGE TO HIS KING, OR PRESIDENT, OR PRIME MINISTER AND REQUEST HIS "RECALL." SUCH A REQUEST NECESSARILY WOULD HAVE TO BE GRANTED BECAUSE THE AMBASSADOR, HAVING MADE HIS HOSTS ANGRY, WOULD NO LONGER SERVE ANY PURPOSE AS A FRIENDLY AND ACCEPTED EMISSARY.

A CONSUL-GENERAL IS A CUT OR SO LOWER IN THE FOREIGN SERVICE SCALE THAN AN AMBASSADOR BUT HE STILL HAS TO BE ACCEPTABLE TO THE COUNTRY IN WHICH HE SERVES. UNLIKE AN AMBASSADOR HE RECEIVES CREDENTIALS--THE EXEQUATUR--FROM THE PRESIDENT OR KING TO WHOSE COUNTRY HE IS ACCREDITED. THAT GIVES HIS HOST A HOLD OVER HIM, BECAUSE ONCE IT IS CANCELLED HE CAN'T TURN A FINGER OFFICIALLY.

LAKE SUCCESS, AUG 20-(AP)-THE UNITED NATIONS WARNED BOTH ARABS AND JEWS TODAY TO AVOID FURTHER VIOLATIONS OF THE MONTH-OLD PALESTINE TRUCE.

RESPONDING TO FEARS EXPRESSED BY THE PALESTINE MEDIATOR, COUNT FOLKE BERNADOTTE, THAT THE SITUATION IN JERUSALEM WAS "GRADUALLY GETTING OUT OF HAND," THE SECURITY COUNCIL VOTED THE WARNING LAST NIGHT.

IT WAS ALMOST THE LAST ITEM OF BUSINESS BEFORE THE COUNCIL ADJOURNED FOR WHAT IT HOPES WILL BE A MONTH-LONG RECESS PRIOR TO RECONVENING IN PARIS.

THE WARNING WAS GIVEN IN A RESOLUTION ADVANCED JOINTLY BY THE UNITED STATES, BRITAIN, FRANCE AND CANADA. NO DELEGATE VOTED AGAINST THE PROPOSAL BUT RUSSIA, THE SOVIET UKRAINE, SYRIA AND COLOMBIA ABSTAINED ON SOME SECTIONS IN A POINT-BY-POINT VOTE.

THE COUNCIL TOLD THE JEWS AND ARABS THEY ARE RESPONSIBLE AND TOLD THEM TO SEE THAT THEIR OWN OFFENDERS ARE PUNISHED AND TO REFRAIN FROM UNDERTAKING REPRISALS OR RETALIATIONS.

SOVIET DEPUTY FOREIGN MINISTER JACOB A. MALIK, COUNCIL PRESIDENT FOR AUGUST, SAID NO MORE MEETINGS WOULD BE HELD IN THE UNITED STATES BETWEEN NOW AND SEPT.1 UNLESS THERE IS AN EMERGENCY. FROM SEPT.1 TO SEPT.21 ONLY EMERGENCY SESSIONS WILL BE HELD IN PARIS, WHERE THE 58-NATION GENERAL ASSEMBLY IS HOLDING ITS REGULAR ANNUAL SESSION. A YUGOSLAV DEMAND THAT THE COUNCIL CONDEMN THE TWO WESTERN POWERS AND HOLD THEM GUILTY WAS DEFEATED WHEN ONLY RUSSIA AND THE

Americans Fear Clash As Occupation Forces Mass At Central Border Barricades; Frankfurt Maps New Regime

Berlin, Aug. 21 (AP)—The United States Air Force's "flying coalmen" went into concentrated action today to try to overcome blockaded western Berlin's coal shortage.

The first American flights of C-54's carrying only coal started from the RAF base of Fassburg in the British Zone to Berlin. The distance is only half the Frankfurt-Berlin run and will enable the Western powers to pour coal into Berlin at a far faster clip.

Germans Beaten By Red Soldiers; Truce Is Sought

Berlin, Aug. 21 (AP)—Russian soldiers beat and stabbed German police in the American sector of Berlin today and American authorities expressed fear of a clash between occupation forces.

The Americans were seeking direct discussions with the Russians to arrange a truce between rival German police forces in the Soviet and Western sectors.

Failing a settlement, an American spokesman said, "something might happen that will involve more than the Germans."

Although attempts to reach high Russian officials were unsuccessful, two Russian officers told the United States Deputy Provost Marshal in a street conference they would keep armed Soviet troops concentrated in central Berlin as long as the United States keeps military police there.

Accosted By Russians

Today, two American-sector German policemen were attacked and carried off by the Russians. An official police announcement said the two men were accosted by "numerous" Russian soldiers who demanded that they come along into the Soviet sector. When they resisted, one was stabbed and the other knocked down with a rifle butt.

The incident occurred near the Annhalter railroad station in downtown Berlin, near the border between the American and Soviet sectors. Earlier, two other German police were kidnapped in the British sector. Five Western sector police were kidnapped yesterday. Of nine abducted in two days, three have escaped.

Russians Deny Stabbing

The Soviet-licensed German news agency (ADN) tonight denied the two plainclothes detectives picked up by the Russians near the Anhalter station were stabbed or clubbed.

The Russian version said "two German civilians, Joseph Voelkel and Guenther Richter, were arrested Saturday forenoon on Potsdammer Platz. Voelkel and Richter had pistols and cameras. Only after their arrest, they confessed they were members of the uniformed police in the American sector. Voelkel and Richter were brought to the responsible bureau of the Soviet military police."

The story made no mention of the statement by Western sector Police Chief Johannes Stumm that the men were seized and attacked in the American sector.

Russian Commanders

At least twenty Western sector police have been seized since the police department was split by Russian refusal to accept dismissal of Moscow-trained Paul Markgraf as police chief. The dismissal was ordered by the anti-Communist city government.

American officials telephoned Russian headquarters, seeking to arrange discussions to head off further violence which might lead to a clash between occupation forces. They were told the two top Russian commanders in Berlin were away for the week end. It was indicated renewed efforts for a conference will be made Monday.

The international crossroads of Potsdammer Platz, where the British, American and Soviet sectors meet, resembled an armed camp today.

Red Soldiers Patrol Square

Soviet soldiers, with tommy guns ready, rode slowly along the square, just inside the Russian sector border. A few yards away military police stood by their vehicles.

Opposite them, the British have erected a barbed-wire barricade. They also have painted a broad white line to mark the border and have erected new boundary signs in English, Russian and German. Behind the line, reinforced British military police units and British-sector German police patrolled the street.

Strengthened American military poice units were near by. The western sector's police chief, Johannes Stumm, sent more of his men to the border zone. It was in this area that the street conference took place.

Americans Refuse To Act

A Russian jeep with two senior lieutenants rolled up to the United States deputy provost marshal, Lieut. Col. E. R. Kelly. Behind them was a jeep loaded with Russian tommy-gunners.

The Russians began by asking "for co-operation between Soviet and western-controlled police to clear out German crowds gathered along the sidewalks of the American sector," Colonel Kelly said.

"No," responded Kelly. "If there is any action to be taken it will be done by the Americans without Soviet assistance. As long as they commit no offenses, we will take no action."

Kelly said one of the Russians asked, "why are American jeeps around?" He said he answered, "to keep Soviet personnel out of the American sector, to prevent sorties and seizures."

They in turn replied "as long as the United States keeps jeeps and personnel here, the Russians will do the same."

Change In Tactics Noted

British officials said the incidents of the last three days showed the Russians were switching from a policy of nonviolence to one of stirring up civil commotion in this blockaded city.

It was led off on Thursday, they said, by the gunfire raid of Soviet-sector German police on black marketeers in Potsdamer Platz which turned into a violent anti-Communist riot by stone-throwing Germans.

The change in Russian tactics, in the British view, is an attempt to cause public confusion and turmoil in the hope of making the Western Allies' isolated position here untenable and so drive them out of the city.

This policy was backed by violent statements from Col. Alexis Jelisarov, deputy Russian commander in Berlin, and sharp propaganda attacks in the Communist press against what they charged were Western-protected "Fascist bands."

City Departments Split

Berliners, already under severe nervous strain by the pressure of the Russian blockade, also have been subjected to the increasingly aggressive tactics of the German Communists in their attempts to take over the elected Socialist city government.

The Communist maneuvers have resulted in the division of the police department and then splitting of the city's food, labor and fuel departments.

Jelisarov defiantly declared the Soviet police raids on black marketeers "will continue whether the higher-placed protectors (meaning Western occupation authorities) of the Berlin profiteers like it or not."

The American commander, Col. Frank L. Howley, has said any increases in black-market activities were due to the Soviet blockade.

clash between the police forces of the eastern and western sectors, British authorities announced that armed Russians abducted two German policemen from their sector. They demanded the return of the men. The latest abduction was the third carried out by the Russians in two days. American officials have demanded formally the release of three German policemen who were seized by the Russians during a raid yesterday on the American-Russian sector border. The Russians made no reply.

One of the British-sector police seized today later escaped. In all, three of nine Western-sector police seized in the clashes have managed to flee their captors, who maintain a rival police headquarters in the Soviet zone.

The Americans announced they will seek face-to-face talks with the Russians to try for a truce in the conflict involving Berlin's divided police force. The Russians have served notice they will continue their raids in downtown Berlin, staged ostensibly to catch black marketeers.

The Americans said there is a growing danger the clashes may grow into serious international incidents. The Soviet-backed police chief, Paul Markgraf, already has made it clear he will recognize no sector boundaries in Berlin.

Patrols Are Strengthened

The British announced they are strengthening their military police and German police patrols at Potsdamer Platz, where the Eastern and Western sectors meet, because of violent disturbances during the week. There, this morning, three German press photographers were reported arrested by the Russians.

Gerhard Stindt, American newsreel photographer for Metro-Goldwyn-Mayer, was held briefly and then released. He said the Russians had accosted him as he was standing inside the British sector.

The Police Department split came with Soviet Russia refusing to accept action by the city government, which dismissed Markgraf and appointed Johannes Stumm as chief in his place. Since then, Soviet-controlled forces have arrested at least twenty Western-sector officers.

At the beginning, the pretext usually was a theft charge. In the past two days, however, the Russian soldiers and military police have joined German police of the Eastern sector and openly invaded British and American sectors for purposes of kidnapping.

Explanation Demanded

The British, meanwhile, formally demanded that the Russians explain their arrest of Curt Mueckenberger, director of the Berlin Central Coal Office. The British said Mueckenberger, a Socialist, was an official with city-wide powers and therefore responsible to all four occupying powers. They asked the Russians what charges were made against him.

Heavy American and British patrols were on duty today along the sector border to avert the danger of a major clash which might become a highly serious international issue.

Pessimism was expressed that the Russians would listen to American proposals to head off the possibility of more serious clashes.

This danger has become acute since the Russians began using their military police and soldiers to support raids by Communist-controlled German police on the borders of the United States and British-occupied sectors of the city.

Boundaries Crossed

American and British authorities have contended that in some of these raids against alleged black marketeers the Russians have over-

Berlin, Aug. 21 (AP)—Russian soldiers stabbed and beat two German policemen from the American sector of Berlin today when the Germans resisted abduction into the Soviet zone, western-sector police announced. BRIA

The announcement said Russians carried the two Germans bodily into the Soviet sector. The two plain-clothes men were stopped near the sector border by numerous Russians and ordered to go across. When they resisted, one was stabbed and the other beaten with a rifle butt. While American authorities acted to head off a possible violent

stepped sector boundaries. The Western Allies several times have found it necessary to dispatch their own forces to the borders to preserve order.

Thus far, clashes between the occupying forces have been avoided. But an American spokesman expressed fear that if the present tension continues "something might happen that will involve more than the Germans."

An official source said American authorities, seeking to arrange discussions on the subject, had telephoned the Russian commandant of Berlin, Maj. Gen. Alexander Kotikov, and his deputy, Col. Alexander Jelisarov. Their offices said both Russians were out of town for the week end. It was indicated that renewed efforts for conferences would be made Monday.

Jelisarov announced today that the Russians would continue their police raids.

"Raids Will Continue"

"Raids on black marketeers will continue whether high-placed protectors of Berlin profiteers like it or not," Colonel Jelisarov last night declared in a statement broadcast by the Russian-controlled radio.

German police, backed by Russian tommy-gunners, had made two blitz raids yesterday in Potsdamer Platz, in the heart of Berlin, where the American, British and Soviet sectors converge. In one sally the raiders entered the American sector and picked up five American sector police, including a borough chief.

In a countermeasure, western sector police ordered motorized reserves to stand by to speed to sector boundaries "if necessary."

Potsdamer Platz was the scene of an anti-Communist rjot Thursday, when four Germans were wounded by Russian sector police bullets. Several German police were injured.

Two Forces Near War

East and west police have been near civil war since the force was split several weeks ago—one controlled by the Russians, the other backed by the Western Allies.

Neues Deutschland, organ of Soviet-sponsored Socialist Unity party, today published a cartoon entitled "The Front of Potsdamer Platz." It showed German black-market operators standing behind the protective arms of three American military policemen.

The Communist press continued its jibes at the air lift. *Taegliche Rundschau*, said "only prestige considerations are keeping the organizers of the lift from calling off the air farce." It asserts that "frequent accidents in flights" have "proved the poor quality of American planes and the incapacity of British-American pilots to deal with the simplest difficulties."

[There have been two fatal American accidents, costing five American lives. The Royal Air Force has had no fatilities.]

Cost To Germans Cited

An editorial entitled "The Bluff Lift" said that as "a demonstration of power these efforts are of course ridiculous."

Citing the transfer of planes from Japan to the Berlin run, the paper asked: "How can you speak of power if planes must be rerouted thousands of kilometers for such insignificant operations?" According to "air experts," it charged the lift was "costing the German people $20,000,000 to $30,000,000 a month." It implied that the cost would be charged up to the new German state being formed in Frankfurt.

The Berlin *Observer*, organ of the United States military post, today said the lift costs the United States about $20,000 a day, plus the cost of food itself and salaries of military personnel.

In the twenty-four hours up to noon yesterday, the two air forces flew in 2,900 tons of supplies, despite spotty weather. The huge C-74 Globemaster made another trip with 16¼ tons of heavy engineering equipment. It will be used to build a new airfield in the French sector.

Food Troubles Continue

Meanwhile, the French-licensed *Kurier* reported from Dresden that the Government for the Province of Saxony held an emergency meeting August 17 to discuss the "food catastrophe." Farmers were ordered to thresh grains and "deliver them 100 per cent." Similar reports have come from the North German Provinces of Mecklenburg and Brandenburg. Shortages of meat and fats also were reported.

In Heidelberg, United States Army headquarters disclosed that a Russian offer to return two Americans picked up at the Soviet zone border August 5 had been refused because the Russians demanded "admissions of guilt."

Berlin's Potsdamer Platz Is High-Tension Corner

R. K. O'MALLEY

AUG 1948

Berlin, Aug. 21 (AP) — Berlin's Potsdamer Platz, once the city's busiest intersection, is high-tension corner between the East and West today.

Soviet soldiers, with tommyguns hel dat ready, ride slowly along the square, just inside the Russian sector border. A few yard away British military police stand by their vehicles.

Potsdamer Platz was the scene of recent Russian raids and a riot Thursday during which a mob stoned German police of the Soviet sector.

If They Step Across

Curious Western Berliners form groups near the border. If they step inside the border line, they may be arreted. On the Russian side only a few Germans plod by, their head down.

An American newsreel photographer points across the street at a big Rusian lieutenant standing by a car.

"That' the Russian who tried to arrest me this morning," he says. "I yelled I wa an American and they finally let me go. They came inside the British sector to grab me. That ofncer tried to drag me into their car."

Shows A Welt

He rolls up one sleeve and shows a blue welt on his upper arm.

"The Russian had some grip, eh?"

Two Russian soldier with rifles slung on their shoulder talk to a crowd of Soviet-ector German police. They eye the British sector border, scanning the crowd.

"They'd like to come over here and arrest us all, the pigs," says a German youth in broken English.

Another Jeep In Position

Another Russian jeep rolls into position across the street which the Germans have already named "three nations corner."

All at once a great many Soviet sector police gather around a Russian sedan. Then they fan out.

"Here it comes," somebody says.

Nothing happens, and the crowd moves about nervously. The cold stares of the Russian tommy-gunners and the hushed voices of the Germans add to the tension.

Czech Anti-Red On Way To U.S. To Seek Aid

Frankfurt, Germany, Aug. 21 (AP). Dr. Peter Zenkl, former Vice Premier of Czechoslovakia, left here today for New York. Friends said he will appeal for world help in ridding his nation of its Communist Government.

A close friend of former President Eduard Benes, Zenkl left here secretly for Switzerland. Friends said he will go to New York via Paris and London.

"We Need Help"

They said Zenkl, who made a daring escape from his Communist-run homeland less than two weeks ago, told them just before he left: "We need help, and more help in our fight to free our country."

Reliable sources said here on August 10 that Zenkl was hustled out of his homeland by the Czech anti-Communist underground. Zenkl, a long standing anti-Communist, was Deputy Premier from May, 1946, to February, 1948. He is a former Lord Mayor of Prague.

When the Communists seized power in February of this year Zenkl was thrown out of the Government.

Reason For Escape

"I escaped because I want to fight Communism and help get the support of the world in our struggle," Zenkl was quoted by friends. After the Communist coup, he was under night and day guard by six secret police who followed him and questioned all who wanted to talk with him.

While in Germany, Zenkl talked to members of all political parties among the 6,000 Czech anti-Communist refugees now awaiting a chance to find homes elsewhere.

Newly arrived Czech refugees said that Zenkl "still has the confidence of the people both at home and in exile."

Describing the former Vice Premier as the "embodiment of the Czech opposition to Communism," his friends said he will talk to United States State Department officials when he reaches Washington.

West Is Planning Delegates From Eastern Region

O'REGAN

Frankfurt, Germany, Aug. 21 (AP). German sources said today that new moves are under way to give non-Communists in the Soviet Zone representation in the contemplated west German government.

The brightest economic outlook since the war for western Germany was said to have spurred the move. Surveys published by Frankfurt newspapers said the majority of Germans were happier than at any time since the war's end over the prospect of comparatively good times.

Present high prices, however, were a cause for complaint. The Frankfurt radio reported that mass demonstrations against high prices spread to the French zone, with a one-hour demonstration at Trier by workers and housewives. Similar protests were made last week in the United States zone.

Wary Of Plans For Regime

On the political side, Germans in the Western zone were worried over the "isolation" of most of their countrymen in the Soviet zone. Many Western politicians were still a little scared about the western German government being created here under sponsorship of the Western powers.

German sources said talks were under way between Western zone politicians and "exile" Right-wing leaders from Russian territory to have some sort of Soviet zone representation in the new government.

One of the Soviet zone leaders was reported unofficially to be Jakob Kaiser, who was ousted by the Russians from his chairmanship of the Soviet zone's Right-wing Christian Democratic party.

Voting Privileges Doubted

Whether the former Soviet zone politicians would have voting privileges in the Western Government was doubted, but the Germans believed the Eastern territory should be represented regardless of the outcome of the four-power talks in Moscow.

The better economic outlook was reflected in a report issued here which said the British-America area's industrial production jumped 20 per cent in July over June. The area now is producing 60 per cent of Germany's 1936 output.

Iron And Steel Output Up

Vital iron and steel production rose 26 per cent in July over June, chemicals 20 per cent, building materials 18 per cent and textiles 15 per cent.

Leather production jumped 76 per cent, rubber 46, paper and pulp 39 and vehicles 31 per cent.

British-American authorities attributed the increases to the currency reform June 20. Part of the increase in manufactured goods was due to the release of raw materials and semi-finished goods from precurrency reform hoarding.

U. S. Frees 4 Germans Jailed as Arms Makers

BERLIN, Aug. 21 (AP) — Four officials of the German Askania works of Berlin who were sentenced in December to four-year prison terms, for illegal manufacture of war materials were released today by the American Military Government. The others are still in prison.

An American announcement said clemency had been granted on the basis of mitigating circumstances and because of good behavior on the part of the four during imprisonment.

Those released were Count Rudolf von Westarp, Bernhard Giese, Heinz Hampel and Karl Luedke.

The Askania trial involved the unlawful manufacture and possession of war materials — chiefly instruments for gauging the range of rocket missiles — in the company's plants in the American sector of the city. A charge was made at the trial that these were delivered to the Russians, but the Russians said they had ordered the instruments for railroad signal equipment.

Reich Food-Price Protests Spread To French Zone

Frankfurt, Germany, Aug. 21 (AP). Mass demonstrations against rising food prices in western Germany have spread to the French zone, Radio Frankfurt reported today.

Housewives and workers staged a one-hour protest demonstration at Trier yesterday during which all shops were closed and work offices and factories stopped work.

About 30,000 workers yesterday demonstrated at Ludwigshafen, where three weeks ago more than 200 persons were killed in the biggest postwar explosion in a chemical plant of the former I. G. Farben dye trust. Trade-union speakers, addressing the masses, said: "This is a last warning to producers" to lower prices for foodstuffs.

Frankfurt housewives also renewed their "prices-down" campaign by dispatching a delegation to the German Bizonal Economics Council headquarters here demanding drastic action from the authorities. They warned the council they would be coming back in a week's time and continue their protest calls until they achieve what they want.

No incidents were reported from any of these demonstrations. During earlier protests in the Anglo-American zone angry housewives pelted retailers with apples, tomatoes and eggs.

BIG LABOR LIBRARY RETURNS TO GERMANY

WASHINGTON, Aug. 21 (AP).—The Library of Congress has announced that it has just returned to Germany 412 cases of book and other library materials from the Deutsche Arbeitsfront (German Labor Front) collection.

The library said this valuable collection would be distributed by the military government authorities to the successors of the original owners—the newly-established German labor unions.

The collection was confiscated by the German Labor Front in the days after May 1, 1933, when all unions were dissolved by order of the new Hitler government.

It includes books and periodicals from the libraries of the Social Democratic, Liberal and Christian Front labor unions.

After the end of World War II, the United States Army transferred the entire library of the outlawed Nazi organization to the Library of Congress mission in Germany. It was intended for shipment to this country and distribution to United States libraries.

The books cover a wide range of subjects. The collection is regarded by Library of Congress experts as an excellent nucleus for a special library on labor and management as a whole. It covers all phases of industry.

Berlin Radio Denies Discord

BERLIN, Aug. 21 (AP)—The Soviet-controlled Berlin radio station tonight officially denied a report it said The United Press had attributed to it saying the Moscow talks on Germany were going to break down.

The denial was contained in a letter to the Berlin office of The United Press. The Berlin radio asked The United Press "immediately to correct the false report carried by you."

The United Press Berlin office said it had reported the story as the Berlin radio had put it out and also had carried the denial.

Bevin at Desk Over Week End

LONDON, Aug. 21 (AP).—Foreign Secretary Ernest Bevin conferred with French Ambassador Rene Massigli today, presumably about the Moscow negotiations.

The Foreign Office declined to say what was discussed. There was some speculation that differences of views have arisen in Moscow between the envoys of France, Great Britain and the United States. American Ambassador Lewis W. Douglas did not attend the conference.

A Foreign Office spokesman said that Mr. Bevin would remain in London during the week end to be on hand for any developments in Moscow. He added that the Foreign Office does not know whether a new meeting has yet been scheduled in Moscow "between the representatives of the Western powers and one or the other of the exalted personalities whom they might meet." He referred to Prime Minister Stalin and Foreign Minister Molotov.

Europe Bows to U.S. Industrialist Wearing a Fancy-Dress Uniform

Sam Keener, Who Flew Over in His Own DC-3, Dons Gold Braid and Plenty of Medals, Now Police Let Him Go Wherever He Wants To

By the Associated Press

LONDON, Aug. 21.—Samuel E. Keener, president of the Salem Engineering Company, of Salem, Ohio, walked the streets of London today in a uniform which was a blaze of gold braid and a dazzle of medals.

Any one might have mistaken him for an admiral, captain of theater ushers or a field marshal. Police saluted him.

Actually, said Mr. Keener, the uniform and its glories mean nothing.

"I'm not even a corporal," he said. "I'm just Sam Keener, steel man and cowboy."

But the uniform has its practical uses, and that's why Mr. Keener wears it. He flew the Atlantic in his own DC-3 transport plane and is using the plane to travel around Europe looking at steel mills and his own extensive industrial plants.

At European airports, he said, there are many fussy guards.

"Once I couldn't approach my own airplane to fetch a pack of cigarettes I had tucked into a briefcase," he said.

"This time, before I started off I took the advice of an air-lines official. He said, 'Sam, get a uniform, the more gold braid the better.' So I did, and I think it's a smart fit. I thought four gold stripes would be prettier than three, and this semi-blue twilight-smoke color is my own idea. The cap, you'll observe, has wings.

"I'm a little vague about my rank, but with my uniform I can come right out of a big crowd and policemen clear the way as I approach my own aircraft. That air-lines fellow was a smart psychologist."

Mr. Keener, who will fly to Paris Sunday and then to Germany to inspect his company's properties, has been touring British steel mills for a week. He said his impression of the British steel industry is that it "suffers more from over regulation than lack of technical know-how."

The British suggestion of American technical help as part of the general European Recovery Program might help in some industries, Mr. Keener said last night, but not in steel.

Envoys May See Stalin Again Tomorrow

Paris, Aug. 21 (AP)—French Foreign Office sources predicted today the four-power Moscow talks will end Sunday with another meeting of the Western diplomats and Prime Minister Stalin.

These sources, without explaining what results they expect, said the negotiations "were never aimed at taking up directly the overall problem of Germany."

On the contrary, they said, the conversations were aimed at "laying down the conditions in which four-power negotiations could be undertaken on the problem."

It could be thus assumed, these informants added, that reparations and the Ruhr were not discussed, but only the main Berlin problems—the Russian blockade and currency reform. They said there was no discord among the American, British and French envoys.

Report Being Studied

They did say, however, that the latest report of French Ambassador Yves Chataigneau — now under study—dealt with talks going on among the three Western diplomats as well as with those that have taken place at the Kremlin.

The westerners saw Stalin August 2. Their other conferences have been with Foreign Minister V. M. Molotov.

British Foreign Secretary Ernest Bevin and the French Ambassador to Britain, Rene Massigli, conferred in London today.

The British Foreign Office declined to say what was discussed. There was some speculation that differences of views have arisen in Moscow between France and Britain and the United States. United States Ambassador Lewis W. Douglas did not attend the conference.

A Foreign Office spokesman said Bevin will remain in London during the week end to be on hand for any developments in Moscow.

No News On Meeting

The spokesman said the Foreign Office does not know whether a new meeting has yet been scheduled in Moscow "between the representatives of the Western powers and one or the other of the exalted personalities whom they might meet." He referred to Prime Minister Stalin and Foreign Minister V. M. Molotov.

In Paris, the Communist newspaper *L'Humanite* said it is dubious about the four-power talks in Moscow.

The paper's Moscow correspondent, F. Cohen, said if the Western powers wish to remain in Berlin "they must return to the spirit of the Potsdam accords." By doing so, he wrote, "they would be admitting, after their vain blustering, the justice of the Soviet position."

"100 Per Cent Wrong"

Moscow, Aug. 21 [*Reuter*]—Reports that arrangements have been completed for the next meeting between the Western envoys and Soviet Foreign Minister Molotov are "100 per cent wrong," an American spokesman said today.

"I have no news. The position is the same at present as last night," he said.

The spokesman also denied reports of differences between the British and Americans on the one side and the French on the other. These were said to have been delaying the next approach to Molotov.

"Consultations are continuing normally," he declared.

Observers in Moscow had suggested the Western Powers were finding difficulty in reconciling their views on the Ruhr in their joint approach to Russia. The suggestio narose from the lapse of time since the last Kremlin meeting on Monday.

Russ Block Bid To Girl's Dad, Swedes Say

Stockholm, Aug. 21 (AP)—The newspaper *Dagens Nyheter* said today the Soviet Embassy in Stockholm has refused to forward an invitation it sent to the father of Lydia Makarova, known as the "Swedish Kasenkina," to come to Sweden to visit his daughter.

The paper said it has offered to pay all expenses if the father, Col. I. Makarov, made the trip.

The 19-year-old girl, who came to Sweden in 1944, now refuses to return to the Soviet Union. The Soviet Embassy has repeatedly urged her to visit the embassy, but she has refused to see them. They said her father wanted them to contact her personally to see that she was all right.

The Foreign Office said this week it has renewed its warning to the Russians to stay away from the girl. The case is attracting wide attention in Sweden.

Russian Critical Of Red Cross Aim

Stockholm, Aug. 21 (AP)—Dr. Valerey Butrov, a Russian attending the International Red Cross conference, said today the Red Cross should work toward peace and not draw up conventions for future wars.

The Soviet representative, who described himself and a Russian colleague as "just visitors" to the conference, said:

"None of the International Red Cross conventions is designed to prevent a war. Their only object is to make it easier for those who are fighting."

The Soviet Red Cross declined an invitation to the conference. However, on Thursday, Butrov and another Russian, Prof. Boris Pachkov, appeared unexpectedly at the Stockholm meeting.

"We are not official observers, just visitors," Butrov said.

Latin Industry Hurt By U.S., Russ Says

Geneva, Switzerland, Aug. 21 (AP)—British and American financial interests are deliberately preventing the industrialization of Latin-America, Soviet Delegate Amazasp A. Arutiunian told the United Nations Economic and Social Council today.

In an hour-long speech to a plenary session of the Council, Arutiunian declared that Latin America will remain dependent on foreign financial interests as long as it lacks a domestic heavy industry and a domestic market for its products.

The Council was discussing a joint resolution submitted by Brazil, Chile, Peru and Venezuela approving the report of the United Nations Economic Commission for Latin America.

Use Of Spanish Okayed

The resolution expressed satisfaction with the past work of the commission and with arrangements for the co-ordination of the commission's work with the Inter-American Economic and Social Council.

The draft resolution also approved the use of Spanish as a third language by the commission and the production of commission documents in Portuguese.

The Soviet delegate blamed foreign interests, local "vestiges of feudalism," and the single-product economies of some Latin-American states for the "perpetuation of the semi-colonial economic structure of Latin America."

"Perpetual Undernourishment"

As a result, he declared, the "overwhelming majority of the rural population of Latin America is compelled to work on land owned by a limited number of proprietors and foreign corporations . . . and to exist in a perpetual state of undernourishment and semi-starvation."

Foreign monopolies, the Soviet delegate asserted, are obstructing the industrialization of Latin America and stifling incipient industries.

"Can such a huge continent as Latin America go without its own machine industry, its own heavy industry, its own metallurgical industry," Arutiunian demanded.

"Without its own heavy industry," he said, "the entire continent is condemned to stew in its own juice . . . and is deprived of all means for the normal development of its own economy."

Dewey Praises Statesmanship Of De Gasperi

GR, BRUSINI

Corsi Delivers Message to Sforza Lauding Italy's Efforts for Recovery

ROME, Aug. 21 (AP).—Governor Thomas E. Dewey paid tribute to Premier Alcide de Gasperi's statesmanship in a message delivered today and said Mr. De Gasperi deserves "the encouragement of every freedom-loving person."

"The fine results which the Italian people have been accomplishing under your inspired leadership," Mr. Dewey said, "have won the admiration of every real American.

"A nation fighting to regain its stability and to reinstate its economic and social resources on a higher plane requires something more than government decrees and laws. It requires a will to survive and dogged determination to win through, and an uncountable volume of toil and hardship and sacrifice."

The message, presented by Edward Corsi, New York State Industrial Commissioner, to Count Carlo Sforza, Italy's Foreign Minister, added: "To us in the United States, it is clear the Italian people have dedicated themselves to that task. Since the Ministry which is guiding them is headed by you, you and your associates deserve the understanding and encouragement of every freedom-loving person."

In another letter, sent to Count Sforza, Mr. Dewey said: "We, in the United States, are watching with the warmest interest the winning struggle of the Italian people to find their way back to economic stability and social freedom in a troubled world."

Mr. Corsi had a long talk with Count Sforza, whom he had known for many years, in which Italy's Foreign Minister said the government will make "all possible efforts to use European Recovery Program funds for the best."

A communique from the Foreign Ministry said Count Sforza outlined to Mr. Corsi "the use the Italian government will make of E. R. P. funds to improve the conditions of southern Italy."

Earlier, Mr. Corsi had told Italian newsmen the election of Mr. Dewey would make "no change in the general line of American foreign policy."

The messages Mr. Dewey sent to Mr. De Gasperi and Count Sforza had no hint of the Italian colonies problem. The Governor said recently he believed Italy should govern her former colonies under an "elastic mandate" from the United Nations.

GUARD GIVEN TO TOGLIATTI

Italian Government Denies Any Link To Attack

Rome, Aug. 21 (AP)—The Italian Government denied today that it was responsible in any way for the attempted assassination of the Communist leader Palmiro Togliatti, on July 14.

The Interior Ministry disclosed the steps it had taken to safeguard Togliatti's life and said the Communist party, through its own carelessness, was to blame for the attack on its leader.

The disclosure was made after Luigi Longo, deputy Communist leader and acting secretary of the party, accused the government of being "responsible for Togliatti's attempted assassination." Longo had tried to justify what was termed "the party's armed organization for the defense of Communist leaders."

On Secretary's Request

An interior ministry statement said:

1. On the request of Togliatti's secretary, Communist Armando Rosati was issued a pistol "as a personal guard to Togliatti."

Communist Deputy Walter Audisio, Mussolini's executioner; Dr. Franco Caprara, Togliatti's personal secretary, and the driver of his car also were issued pistols to "protect the Communist leader's personal safety."

3. In February, 1947, an agreement was reached by Luigi Ferrari, Italy's police chief, with Communist party leaders "on measures of security to adopt for Togliatti's personal integrity."

4. On his trips, Togliatti "always chose personally the policemen for his escort."

For No Other Member

The statement added that such extensive security measures have been taken for "no other member of parliament." It concluded by saying: "Motives of secrecy had compelled the Ministry to keep silent on this matter until now . . . but in front of persistent, unfounded accusations, and above all, in front of the attempt to justify a 'Communist party (armed) organization to protect Communist leaders' . . . the release was decided."

It had been reported that Togliatti himself did not want to have personal or permanent police bodyguard. He reportedly agreed to have six policemen guard his apartment and ten more around Communist party headquarters.

Italian Reds Lead Strike Of 3 Million

Rome, Aug. 21 (AP)—A Communist-led drive for more pay, allowances and benefits for farm workers began today with a national demonstration strike.

The Communist-dominated General Confederation of Labor estimates 3,000,000 workers are involved.

The recently formed Christian Union of Labor Groups, which broke away from the General Confederation in protest of "political use of the strike weapon," ordered its followers to stay at work.

The farm hands, through their Land Labor Federation, a subsidiary in the General Confederation, have threatened "further action" if today's strike does not bring settlement of their demands.

Farm Strike Is Ended

Rome, *Sunday*, Aug. 22 (AP)—Italian officials said today that a farm workers strike had ended after being in progress for eleven hours. The walkout, which began at midday yesterday, was opposed by anti-Communist unions. The Communist - dominated General Confederation of Labor (CGIL) said 3,000,000 workers participated. However, Italian newspapers said the walkout "did not extend to all parts of Italy."

Trieste Party Plans Poll

Rome, Aug. 21 (AP)—Italian newspaper reports said today that Communists in the free territory of Trieste have been called to an extraordinary congress to decide their attitude toward Premier Marshal Tito of Yugoslavia.

Pro-Tito Communists were excluded from the call, the accounts said. The congress presumably will decide the position of the party in Trieste in the light of the Moscow-directed Cominform's criticism of Tito and other leaders of the Yugoslav Communist party.

Palestine to Get Olive Oil

ROME, Aug. 21 (AP)—The Foreign Ministry announced today that Italy would send 5,283 gallons of olive oil to Palestine for the 330,000 Arab and 7,000 Jewish refugees under United Nations protection. Count Folke Bernadotte, United Nations Mediator, had asked for the olive oil.

GREEKS HEM IN VAFIADES AREA

Army Says Grammos Hideout Is Cut To 8 Square Miles

Athens, Aug. 21 (AP)—The Greek general staff reported tonight that the Greek army had reduced the "Free Greece" of Markos Vafiades, guerrilla leader to an area of 8 square miles along the Albanian border.

The general staff announcement said the area still held by the guerrillas extends from Ginkova on the Albanian-Greek border along the Aliakmon River to Kouria on the border.

A rebel force caught in a pocket in the central sector of the Grammos mountains has been cut to ribbons and army units are ferreting guerrillas out of ravines and hills, the announcement said. The air force and artillery joined in pounding the last Grammos areas held by the Communist forces.

Much Equipment Taken

The army said large quantities of materials had been taken, including capture of enough equipment to equip two brigades in the Pyrgos area.

The closing phases of the Grammos campaign, finished in a whirlwind three-week drive, did not mark the end of the civil war. There still are two big problems to solve.

One is a method of sealing the Albanian and Yugoslav borders. Second is the planning of campaigns elsewhere in Greece to clean up scattered Guerrilla bands.

The Greek army said two columns of guerrillas numbering about 1,500 men were seen last night fleeing into Albania via Sliminitsa. They were reported seen today entering Greece north of Komninades, apparently headed for the Vitsi area.

Fear Next Attack

The Vitsi sector is where Greek military sources feared Markos may strike next with men reorganized and equipped in Albania and Yugoslavia. In order to keep up his political front of "Free Greece," they reason he will need to reconquer some Greek territory over which to raise his Communist flag.

There also is the question of stopping firing along the Albanian border. The Greeks charge they have been fired on from inside Albania. If the firing continues when Markos is driven back into the territory of Greece's unfriendly neighbor, it maght spark international repercussions.

Greece has asked United Nations help to stop the firing and also to stop help for guerrilas from Albania, Yugoslavia and Bulgaria.

Greek Guerrilla Forces Reported Cut In Two

Athens, Aug. 21 (AP)—Unconfirmed press reports said the Greek Army today closed giant armed pincers in the Grammos Mountain sector, cutting the Communist forces in two.

The general staff could not confirm the report but said the long awaited juncture of two Greek armies in that area was possible.

Casualty figures indicated the Greek Army is paying a high price for victory as their armies roll on. A communiqué said 22 men were killed and 148 wounded in the Nestorian sector alone yesterday. It said 57 dead guerrillas were counted.

Border Sealed

A dispatch from Kozane said the 9th and 15th Divisions joined forces early this morning at Vrisi Zagar and sealed the Albanian border.

The juncture closed the northern gap of the Grammos pocket, where six divisions of the Greek Army have been battling rebel guerrillas exactly two months.

Military leaders said the juncture was made after the units had fought off guerrillas at Vrisi Zagar with air support. The town is 2½ miles southeast of the Albanian border on the guerrillas' main supply line from Albania through Sliminitsa.

Earlier, a Greek Army spokesman said the guerrillas were in pell-mell retreat.

Kisfa Fall Reported

The spokesman announced capture of Kiafa, last guerrilla stronghold in the mountain range, as the Grammos campaign entered the phase of final victory.

The fall of Kiafa followed seizure of the tallest peak in the Grammos Range, an 8,265-foot height almost astride the Greek-Albanian border. A slightly smaller height to the north also fell to the national troops. This fighting was on the western end of the Grammos front.

On the eastern end, Stathmos and Horofylkakis were captured and the guerrillas driven out.

Speculation arose as to where Guerrilla Chieftain Markos Vafiades will make his next stand.

Newspapers reported that Vafiades has shunted his headquarters to Pyxos in neighboring Albania. Pyxos is located between two lakes north of the Vichi area of Greece. Vichi is about 30 miles northeast of the Grammos area.

Some military observers have suggested that Vafiades will strike back into Greece in the area of Vichi.

Attacks Imperil Yugoslays' Plan

Belgrade, Yugoslavia, Aug. 21 (AP)—*Borba*, the official Communist party newspaper, said today that the Cominform attacks on Yugoslav leadership had piled up heavier and unexpected difficulties in addition to those of realizing goals under the five-year plan.

The comment came in an editorial on the death of Col. Gen. Arso Jovanovic, former Yugoslav army chief of staff killed August 12 while attempting to flee into Romania.

During such times, said *Borba*, "the weak spirited must be dealt with in the utmost severity."

To Serve As Lesson

The editorial said the case of Jovanovic would serve as an important lesson to Yugoslav Communists to increase their watchfulness in "an uncompromising fight against all open and hidden enemies of our party and our socialist fatherland."

[Rador, the official Romanian news agency, on Thursday charged Premier Marshal Tito and other members of his government with treason and "horrible murder" in the death of Jovanovic.

[Romania is a member of the Cominform, the Communist International Information Bureau which has accused Tito of following an anti-Russian and anti-Marxist policy.]

Borba said Jovanovic deserved to die as he did by the bullet of a common soldier "who understood better than he the right interests of Socialist construction in our country."

Assailed As Weakling

Jovanovic, a former intimate of Tito in the days of partisan warfare against the Nazis, was shot to death by a border guard. Foreign diplomatic sources speculated he may have been attempting to flee the country to lead a Soviet-supported movement against Tito.

Borba assailed Jovanovic as a traitorous weakling who would have succumbed to pressure from any side.

There is no doubt, said *Borba*, that Jovanovic and others like him "in a different situation and under blows of western imperialism would likewise be ready to capitulate and seek a displaced persons passport to the west—to betray his country to western imperialists."

Called Aid To Purge

Borba said the Cominform attacks could not be considered a direct cause of the attempted escape but added these "unjust attacks on our party have really revived . . . all that was unsound and wavering in our party and all of those who directly or indirectly reflected the influence of opposition created by exploiters of our country."

Borba added that such attacks throw into the open unhealthy elements in the Communist party so that those loyal to Tito can "more mercilessly and consistently purge our ranks of similar enemy elements."

U.S. Union Men Assail E.R.P., Russ Report

Moscow, Aug. 21 (AP)—*Trud* quoted four touring American trade unionists today as saying they had found France and Italy being enslaved by the European recovery plan.

Trud is a Soviet trade-union organ. It said one of its correspondents had interviewed the four, members of the American CIO International Union of Longshoremen and Warehouse Workers.

The Americans were listed as Julian Napun, a Hawaiian; Herman Stiverler, of San Francisco; Jovan Zuber, of Oakland, Cal., and Donald Brown, of Oregon.

"Terrible Conditions"

Trud quoted the group as saying they saw terrible conditions in Italy and found France falling into American hands. In Poland, it said, they found the ports of Gdynia and Gdansk fully mechanized.

They were quoted as saying that in eastern Europe they found "life among the working masses significantly better organized and more secure than in France and Italy."

"In eastern Europe the masses are working with enthusiasm at nationalized factories and plants," they were quoted.

Could Not Be Quoted

The group could not be located today at their quarters here in the Savoy Hotel, and it was impossible to get their own comment on the *Trud* interview.

The four arrived in Moscow August 18 for a visit to the Soviet Union after a tour through Europe, including France, Italy, Poland, Yugoslavia and Czechoslovakia.

Indian Bombing Called Accident

New Delhi, India, Aug. 21 (AP). India admitted tonight that an Indian plane dropped two bombs inside Pakistan Thursday night but said it was an accident.

Pakistan announced yesterday Indian planes had dropped two bombs in the Murrie Hill district of West Punjab adjoining disputed Kashmir state and said the district later was machine-gunned. The Pakistani announcement did not give details on damage or casualties but said a strong protest had been made to India and the United Nations Kashmir Commission.

The Indian announcement said heavy clouds caused the accident, which occurred some 10 miles beyond the Kashmir border. Indian planes, the announcement said, had been ordered to attack a transport which was supplying anti-government forces inside Kashmir, but overcast weather caused the flyers to mistake lights across the border for transport vehicles.

TWO BEHEADED IN HILL BATTLE

Jews Killed, Bodies Mutilated In Neutral-Zone Struggle

Jerusalem, Aug. 21 (AP)—The beheaded and mutilated bodies of two Jewish soldiers were brought into the Jewish-controlled areas of Jerusalem today.

Stripped of clothes and slashed, the soldiers were killed during fighting on the "Hill of Evil Counsel" when both Jews and Arabs stormed into a neutral zone occupied by the Red Cross.

Zionist Leaders Meet

A conference will be held tomorrow under United Nations auspices to discuss proposed neutralization of Government House in the heart of the Red Cross zone. Military commanders of Trans-Jordan, Egyptian and Israeli forces, Red Cross and United Nations officials will attend.

The Red Cross is demanding complete demilitarization of the zone. It implied that if this is not done the Red Cross will move out. This will mean an end to Red Cross safety zones in Jerusalem. Two others have been abandoned previously.

Meanwhile, leaders of world Zionism met in Jerusalem for a session of the World Zionist General Council opening tomorrow.

Must Decide Israel Role

Dr. Abba Hillel Silver, of Cleveland, Ohio, chairman of the American section of the Jewish Agency, and Dr. Emanuel Neumann, of New York, president of the Zionist Organization of America, led the United States delegation.

They favor transfer of Zionist world headquarters to New York city. Considerable Israeli backing has developed for Jerusalem as a headquarters site.

The Council also must decide the role to be assigned in Zionist work to veterans of the movement who are now in the Israeli Government. Eight of the seventeen members of the executive of the Jewish Agency are Israeli Cabinet ministers. Proposals range from abolition of the Jewish Agency and assignment of its functions to the Zionist organization to mere reorganization and redefinition of functions.

Arabs And Jews Discuss A Zone Of Neutrality

Jerusalem, Aug. 21 (AP)—Arab and Jewish commanders in Jerusalem met in the middle of the road leading to the "Hill of Evil" yesterday to accuse each other of violating the hill's neutrality.

United Nations and Red Cross observers refereed the meeting.

The United Nations observers said they hoped the meeting would result in an agreement on the boundaries of the Red Cross zone on the hill, which is the site of the former Palestine Government's high commissioner's residence.

Clash In Gardens

A Red Cross representative said neither Arabs nor Jews ever have entered Government House itself. But he said there was bitter hand-to-hand fighting in the spacious formal gardens, once a showplace of Jerusalem.

The bodies of two of four Jewish soldiers killed in a fight in the gardens two days ago were brought here today. Stripped of clothes, slashed and beheaded, the soldiers apparently were killed during the first night of fighting for the "Hill of Evil" when both Jews and Arabs stormed into the neutral zone occupied by the Red Cross.

College Evacuated

The Arabs still hold part of the neutral mountaintop. Jews still are inside the girls' agricultural school used by the Red Cross as a refugee center. A center in the Arab College was occupied and then evacuated by Jews.

United Nations observers are trying to arrange a second meeting today of Jewish and Arab leaders to thrash out the boundaries.

Arabs Start Talks At Amman

Amman, Trans-Jordan, Aug. 21 (AP)—Diplomatic talks which began today in Amman were expected to result in greater Arab military unity in Northern Palestine.

The conferences started with the arrival in the Trans-Jordanian capital today of Prince Abdul Ilah, regent of Iraq, and Iraqi Premier

Muzahim Amin Alpachachi. It was believed they would discuss unification of the Iraqi and Trans-Jordanian army commands.

Soon after the Iraqi dignitaries reached Amman they were closeted with King Abdullah. It was reported that they discussed the possibility of having an Iraqi commander in charge of both forces—the Iraqi Army and Abdullah's Arab Legion.

Such a joint command reportedly was being arranged under an existing treaty.

Arab circles had hopes that the arrangement would give the Arabs greater military strength in the

Hold Land.. Until now Iriaqi and Trans-Jordanian troops have acted more or less independently.

[In London, a Trans-Jordanian diplomatic spokesman said negotia-

tions are in progress to settle problems of joint operations in Palestine. The newspaper *Al Misri* in Cairo, said one condition would be the removal, at least temporar-

ily, of British officer personnel from Trans-Jordan's Arab Legion.]

There appears to be a trend in Amman toward less and less British influence in the Arab Legion.

Iraqi Leaders Fly To Amman Conference

Baghdad, Iraq, Aug. 21 (AP)—Prince Regent Abdul Ilah, Premier Muzahim Amin Alpachachi and other Iraqi leaders flew today to Amman, Trans-Jordan, for what is expected to be a conference on unification of the Iraqi and Trans-Jordan army commands.

[An Amman dispatch reported the party arrived there. In London a Trans-Jordan diplomatic spokesman said negotiations are in progress to settle problems of joint operations in Palestine.

[The Cairo newspaper *El Misri* said one of the conditions would be the removal, at least temporarily, of British officer personnel from the Trans-Jordan Legion. There was no confirmation of this report in London.]

Jamail Going

It is known that Dr. Fadhel Jamail, former Foreign Minister of Iraq, will accompany an Iraqi delegation to a meeting of the Arab League political commitee the first week in September.

The meeting will take up recent Palestine developments and policies to be adopted by the Arab states in the next United Nations Assembly meeting in Paris later in the month.

Calls It Death Corridor.

Amman, Trans-Jordan, Aug. 21 (A. P.).—Edward Kellaway of Rahway, N. J., a Marine who volunteered to drive United Nations observers down no-man's land in Jerusalem, says the stretch is a death corridor.

Kellaway, relating his experiences in the thirty-yard wide area which divides Israeli and Arabs, said, "I've had three white truce flags shot away, been run into by an armored car and had bullets through my jeep."

The job is a form of suicide, he said yesterday, adding, "There are not enough observers to keep the truce, and unless more are sent over fast, the lives of the United Nations observers are not worth a nickel."

7 Malay Rebels Killed In Clash

Kuala Lumpur, Federation of Malaya, Aug. 21 (AP)—A task force of 400 British troops and police today killed seven Communist insurgents in a sharp clash 10 miles west of here. One British soldier was reported killed.

The fighting took place when the task force made a sweep through the Sungeiway forest reserve. The fighting is continuing.

Reports from the battle area said the insurgents are fighting from entrenched positions, including foxholes similar to those the Japanese used in the South Pacific.

Chiang Reported Losing Fight For Central China

Nanking, Aug. 21 (AP)—Generalissimo Chiang Kai-shek is losing the battle for Central China at a speed which causes grave concern to supporters of the National Government.

Nearly five months ago he told national assemblymen, who subsequently elected him China's first constitutional president, that he would drive the Communists north of the Yellow River within half a year. Since that declaration, his armies have lost rather than gained ground in that vital region between the Yellow and Yangtze rivers.

Recently, despite the Government's claims to its largest victory since the civil war began, the tempo of the Red offensive in the central area has been stepped up. Today, only four major strongpoints remain in Government hands, and all four are isolated except by air or sea routes.

Responsibility Held Chiang's

Responsibility for the results of the Central China battles appears to rest squarely on the already overburdened shoulders of Chiang. Military sources have repeatedly disclosed that he has taken over direction of National troops personally.

Any positional map of China's internal conflict must necessarily be inaccurate because it is a war of infiltration, guerrilla operations, and frequent changes of position. But a study of military reports over the past months shows that generally speaking areas of Government and Communist control are as shown on the accompanying map.

Since Red generals Chen-yi, whose troops are famous for fast marches, and one-eyed Liu Po-cheng first invaded the area below the Yellow River nine months ago, they have ranged widely to the Yangtze on the south, and almost to the Szechwan borders on the west.

Kaifeng Provoked Reaction

In early July, their capture of the provincial capital, Kaifeng, provoked strong Government reaction which ended in the battle of the Honan plains. Government spokesmen claimed their greatest victory of the war in the series of Honan actions. Yet within a week the Reds resumed their offensive operations on a scale that amazed foreign observers. From the Hen River eastward to the sea their forces outfought and out-maneuvered Chiang's field generals.

Military observers here believe that only a miraculous revival of both the strength and fighting spirit of the national armies can prevent the Communists from establishing permanent bases throughout Central China. On July 25, Chiang said the Government was developing new armies which would change the picture.

General Ho Ying-chin, who promised sharp army reforms when he became Minister of National Defense three months ago, has few if any concrete accomplishments to his credit. It appears to many that the economic and political situation of the Central Government has so deteriorated that Ho lacks both the spiritual and material elements for the production of a victorious army.

Air Force Praised

Brightest spot in China's military prospects has been the work of the Chinese Air Force. Throughout the summer campaigns in Central China, Gen. Chow Chia-jou's pilots and crews have carried a heavy load. In many cases, China's planes provided the only effective defense of threatened areas.

On the transport side, Chinese army pilots teamed with civilian airmen to keep open a Mukden supply route which resembled "Operation Berlin" in miniature. Such isolated garrisons as those of Taiyuan and Tsinan have been almost entirely supplied by air.

Foreign observers watching the Chinese Air Force at work say their use of air transport has been fully up to standards elsewhere in the world.

Fu Confident Of U.S. Aid

Peiping, Aug. 21 (AP)—Gen. Fu Tso-yi, commanding the inadequately equipped Government armies fighting the Communists in North China, was represented today as confident his position soon will be bulwarked by United States aid.

Fu wants more arms to enable him to seize the initiative. He is one of the few commanders in China with plenty of reserves. His only problem is to equip them.

The number of these reserves naturally is not known, but a good estimate is he has the manpower to form three to five new divisions.

Root Of Optimism

Sources close to Fu, the commander in North China, said his optimism stems from his recent talks with Roger Lapham, who administers the $275,000,000 United States Economic Program for China.

Lapham is supposed to have indicated he would recommend that a good slice out of the $125,000,000 set up for military aid be spent in the five North China provinces which Fu commands.

The past few weeks have shown that while Fu, an able commander, has not been able to inflict a decisive defeat on the Communists, he has at least kept them from gaining the upper hand in North China.

Equipment Lacking

His trouble has been a shortage of adequately equipped troops. When Fu has tried to hit the Communists in one spot they bob up in another—usually a place which he had to leave weakly protected in order to prepare his first blow.

This state of affairs, Fu is represented as believing, can be repaired with some of the United States aid that is on the way to Government China.

Japan to Regain Control Of Its Port Facilities

TOKYO, Aug. 21 (AP).—The Japanese government today was told to get ready to assume control Sept. 1 over all piers and port facilities at Tokyo, Yokohama and Kobe not required by the occupation.

General Douglas MacArthur's headquarters said in a statement that the move was part of the program to return to the Japanese the responsibility for rebuilding their economy and that it should "speed up considerably the rehabilitation of the nation's foreign commerce."

The occupation authority will retain supervision of operations, but the Japanese government will be permitted to deal directly with foreign companies in furnishing facilities for ships calling at the three ports.

Ten Japs Are Hanged

Yokohama, Aug. 21 (AP)—Ten Japanese, convicted by 8th Army commissions of responsibility for the deaths of Allied prisoners of war, were hanged today at Sugamo prison, the Army announced.

Burmese Rebels Using Temples as Fortresses

RANGOON, Aug. 21 (AP).—A government statement issued today said that insurgents attempting to attack Rangoon by road and river are converting Buddhist temples and monasteries into "armed fortresses" from which they ambush loyal troops.

It said recent actions by troops attempting to oust the rebels had been accompanied by warnings to monks and other religious personnel to leave temples and monasteries because the government intended all-out action against the rebels.

Today's official communique said mopping-up operations are proceeding in the Bassein district and that the main town of Bassein has been freed of rebels. Government troops burned supplies abandoned by the insurgents in four liberated villages, the communique said.

Fire trucks were summoned from the whole island and hundreds of service men were battling the blaze.

Communists Seek Merger In Mexico

Mexico City, Aug. 21 (AP)—The Communist party today called on the Government party (PRI) and the left wing Partido Popular to join forces with it.

Jorge Fernandez, Communist party secretary, said at a news conference that the Communists would urge Partido Revolucionario Institucional (PRI) and Partido Popular, headed by the leftist labor leader, Vicente Lombardo Toledano, "to see if it is possible to co-operate in the right for the well-being of the people, for their economic progress and for their assurance of independence."

Discussing the high cost of living in Mexico, her devaluation of the peso and other problems, Fernandez said "the grumbling can lead to violence, but we are opposed to violence because it would be prejudicial to the Mexican people."

Ousted Russian To Sail Next Saturday

New York, Aug. 21 (AP)—Soviet Consul General Jacob M. Lomakin, whom the State Department has expelled, has booked passage aboard the Swedish-American liner Stockholm, sailing next Saturday.

The steamship line said that Lomakin had made reservations for himself and his wife and two children. It said it could not disclose when the discredited envoy had booked his passage.

A line spokesman said, however: "We have no record of the booking here. It was done in Europe."

The Stockholm plies between New York and Gothenburg. Lomakin's return to Moscow presumably will be made via Finland.

Lomakin was not available for comment on his scheduled departure.

Planned Months Ago

However, Soviet Vice Consul Zot I. Chepurnykh said he knew "a couple of months ago" that Lomakin planned a trip back to the Soviet Union, although he had not known the date.

Meanwhile, Lomakin met with a new rebuff in his efforts to bring Russian-picked doctors into the case of Mrs. Oksana Kasenkina, central figure in the diplomatic dispute which touched off the United States' stern demand for his recall.

Reject Doctors

Roosevelt Hospital officials yesterday refused Lomakin's request that two doctors he had selected be allowed to examine the Russian teacher, critically injured when she leaped from a fourth-floor consulate window.

The hospital said the doctors were not surgeons, and therefore not acceptable to enter the case. When informed of this by telephone, Lomakin was quoted as replying:

"If you do not let our two doctors examine Mrs. Kasenkina we will hold the hospital authorities responsible for the result."

Silent On Ouster Move

Lomakin, accused by the United States of misrepresenting the facts in the Kasenkina case, has refused to comment on the United States demand to the Soviet Embassy in Washington that he be recalled to Russia.

Questioned yesterday as he was leaving the consulate building—where he had apparently spent the night after learning of the United States note—Lomakin told newsmen:

"You are wasting your time, gentlemen. I have nothing to say."

Lomakin had claimed he "rescued" Mrs. Kasenkina from an anti-Communist farm retreat, operated by Countess Alexandra Tolstoy.

After the teacher's leap from the consulate window, however, police quoted her as saying she had been held a prisoner.

Patient Improving

Consulate officials, however, claimed she was trying to commit suicide and was under nervous tension because of the actions of the White Russian anti-Communists and American officials.

The United States demand for Lomakin's ouster was the latest in a series of charges and countercharges in the case between Washington and Moscow.

Meanwhile, Dr. Grant Pennoyer, hospital resident physician, said Mrs. Kasenkina, who suffered multiple fractures and internal injuries in her plunge, is "improving right along."

Secretary Barred

"I feel pretty sure now she's coming through," he said. "However, a bit of surgery is yet to be done.... She's in and out of an oxygen tent on an hourly schedule, and her pulse is down to 88, which is encouraging. She's doing very nicely, although she's still listed as critical."

The hospital yesterday refused for the ninth time to allow a consulate secretary, Zena Ivanora, and another consulate employé to visit the teacher.

Told that Mrs. Kasenkina did not want to see anyone from the consulate, Miss Ivanora said:

"I will have to ask her personally before I believe that she does not want to see us."

New Detective Added

The police department yesterday said another detective was being stationed at the hospital as a "precautionary measure" to screen persons wishing to visit the teacher.

This is in addition to four patrolmen stationed at the hospital entrances, and five other policemen, including an interpreter, assigned to guard the woman's room.

Miss Tolstoy was allowed to visit the teacher yesterday, assertedly at the teacher's request.

"Are you suffering badly," Miss Tolstoy said she asked, and quoted the woman as replying:

"Yes, but I'm glad to suffer for the cause."

Doctors Unidentified

Miss Tolstoy claims Mrs. Kasenkina sought sanctuary at the White Russian retreat because she feared to return to the Soviet Union.

Names of two doctors which the Soviet consul general wanted to attend Mrs. Kasenkina were not disclosed.

Dr. Pennoyer last Tuesday had invited Lomakin to send a qualified surgeon for consultation on the woman's condition.

Hospital Physician's Letter to Lomakin

Following is text of the letter addressed to Consul General Jacob M. Lomakin by Dr. Grant P. Pennoyer, resident physician at Roosevelt Hospital attending Mrs. Oksana S. Kasenkina, and delivered at the consulate by special courier:

This letter is written in a sincere effort to promote much needed mutual understanding. On the telephone yesterday you implied that the doctors and the hospital are taking a very arbitrary attitude in handling Mrs. Kasenkina. Such is not the case.

Our task is simply the medical problem of getting this woman well, absolutely nothing else. It would be the same with any sick person in the hospital. We have nothing to do with the political aspects of the case and want you to appreciate this very definitely.

Three days ago when she was losing ground and you were so anxious to visit her, we offered you a consultation with a surgeon of your own choice so you would know the exact medical situation. We wanted you to understand why your request for a visit was refused and to see how everything possible was being done for her and that the entire facilities of this hospital were fighting for her life. We would do the same for any other patient here. Your desire to come with the doctors indicated that you wanted more than a strictly medical consultation.

Up to now the patient's critical condition has necessitated absolute rest. Under these circumstances the advisability of visitors was up to her doctors. As the patient improves the choice of visitors is up to her. Mrs. Kasenkina, by her own volition, without the slightest influence from any source, definitely requests that she should not be visited by the people from the Russian Consulate.

This seems to us a reasonable petition and would be granted to any ill patient in the hospital. A sick person should not be compelled to have visitors. If you were ill and under our care, I assure you that every facility of this hospital would be at your disposal also and that you would receive the same consideration as your visitors.

OUSTED CONSUL MAY STAY IN U.S., HIS AIDE HINTS

JOHN WINANT

NEW YORK, Aug. 21—(AP) Soviet Consul General Jacob Lomakin, expelled by the U.S. State Department over the Russian refugee teacher case, has booked passage for Europe—but his right-hand man hinted today that he may not leave.

Passage for the discredited Lomakin and his family has been booked on the liner Stockholm, sailing next Saturday for Goteborg, Sweden.

But vice consul Zot I. Chepurnykh—replying to a newsman's question—said today:

Hints He May Stay

"Oh, I think he's going to stay."

"Reporters had asked him who might replace Lomakin in New York.

Chepurnykh would not elaborate on his statement.

No word came directly from Lomakin about the sailing.

Meanwhile, Mrs. Oksana Kasenkina, the 52-year old refugee teacher who is the pawn in the diplomatic dispute, was removed today from the critical list at Roosevelt hospital.

She had been described as in a "critical" condition ever since her three-story leap from the Russian consulate nine days ago.

Tonight the teacher, propped up in bed, was told the news of Lomakin's expulsion.

"Good, good," she was quoted as saying. "I'm very glad that he is going."

For 25 minutes today Mrs. Kasenkina was visited by a Russian orthodox priest, who said his call was "just a religious visit."

The cleric, the Rev. Basil Mussinpushkin, of Sea Cliff, N. Y., said, "we prayed together." RJD

Lomakin Ouster Retaliation Is Anticipated

Washington, Aug. 21 (AP)—The State Department waited today for Russian officials to pick up the outbound ticket it has ordered for Soviet Consul General Jacob Lomakin.

Faced with formal United States charges that Lomakin "abused" his official position by his role in the Kasenkina case, the Soviets have no choice but to remove him from his New York post.

[In New York, the Swedish-American Line said Lomakin had booked passage aboard the Stockholm sailing next Saturday for himself, his wife and two children to Gothenburg, Sweden.]

But they may accompany the action with a fresh blast against the American stand in the refugee teacher dispute.

Two Moves Open

Speculation in official quarters also takes into consideration two other possible Russian moves:

1. The Soviets may take some retaliatory measure—as they usually do in such instances—by accusing an American official in the Soviet Union of improper conduct and ordering him out of that country.

2. They may reject the State Department's request for two letters Mrs. Oksana S. Kasenkina wrote before her spectacular leap from the Soviet consulate in New York. The letters reportedly explain her decision to remain in this country and possibly may throw further light on her treatment at Lomakin's hands.

President Truman is expected to sign early next week a formal revocation of Lomakin's "exequatur"—the credentials which the President originally issued permitting him to serve as consul in this country. When the President acts, Lomakin will have no further authority here. The delay in action was suggested by the State Department to give him time to wind up his affairs.

Ask For Letters

The department's request for photostatic copies of the two letters

and the charges against the consul were made in a note which the State Department sent to the Russian Embassy Thursday night and published yesterday.

The same note also rejected without qualification Soviet charges that American officials had connived in the alleged kidnapping of Mrs. Kosenkina and two other teachers, Mr. and Mrs. Mikhail I. Samarin.

Lomakin had claimed he "rescued" Mrs. Kasenkina from a White Russian camp near New York where anti-Communist "kidnappers" had taken her shortly before she was to have left for Russia.

CONSUL WILL LEAVE, SAYS WASHINGTON

Lomakin Would Be Deported If Need Be, Officials Assert

Washington, Aug. 21 (AP)—If Jacob Lomakin, Soviet consul general, tries to buck American orders to leave the United States he will be deported anyway, official sources at the State Department said tonight.

Lomakin was ordered expelled from the United States by the State Department over the Russian refugee-teacher case.

But his top aide, Zot I. Chepurnykh, vice consul, told reporters in New York today that Lomakin might not leave next Saturday on the liner Stockholm as planned.

Vice Consul's Suggestion

"I think he's going to stay," the aide said.

The State Department doesn't think he will, official sources said tonight.

"It's a hypothetical case as it stands," an official said. "Lomakin hasn't said he won't leave. The State Department will withhold official comment until he does.

"But if he decides to try to stay, he'll be deported, anyway. It's not up to him to decide."

NEW DETAILS ON CHAMBERS, HISS SOUGHT

Committee Lining Up 3 Or 4 Witnesses Who Knew One Or Both

Washington, Aug. 21 (AP)—Congressional spy investigators quietly began lining up three or four new witnesses today in an attempt to get "missing details" in the story of Alger Hiss and Whittaker Chambers.

Representative Nixon (R., Cal.), member of the House Un-American Activities Committee, described the witnesses as "very important but not publicly prominent."

Their names were withheld, since they do not know the committee wants them and subpoenas have not yet been served.

The committee plans to question them secretly on Monday and Tuesday, then have them testify in public hearings Wednesday.

Papers Promised Story

"You'll get your story Wednesday, and a good one, I think," Nixon told reporters.

Wednesday is the day Hiss and Chambers have been summoned to confront each other in open hearings.

Now a senior editor for *Time* magazine, Chambers has testified he was a Communist from 1924 to 1937 and that Hiss was a member of an "elite" Communist underground that operated in Washington.

Hiss has denied Chambers's charges. A former official in the State Department, he now is president of the Carnegie Endowment for International Peace.

Apartment Arrangement

At first Hiss denied knowing Chambers. Later he identified him as a man he had known as a free lance writer named George Crosley. Hiss said he sublet an apartment to Crosley for a time and that Crosley lived with him a few days until his furniture arrived.

Nixon said the names of the new witnesses never have been brought out in open hearings.

"All are of equal importance," he said, "in that they are necessary witnesses to fill out the story."

He said most of them have known Hiss or Chambers or both.

Committee Intentions

Nixon said they may be able to testify to such things as the subletting of the Hiss apartment, the sharing of quarters, and whether Hiss and Chambers were or were not Communists.

When a reporter remarked that Chambers himself admits he used to be a Communist and that the committee has other evidence on that point, Nixon replied:

"Mr. Hiss didn't believe it. He went to New York with him, stayed in a house with him, loaned him money and a car, and he didn't know he was a Communist. I think we'd better establish it."

Pressman, Abt, Witt Appear

Nixon said that three men questioned yesterday behind closed doors are not likely to be called as witnesses in open hearings. They were Lee Pressman, John Abt and Nathan Witt, former New Deal lawyers accused by Chambers of belonging to the Communist underground in Washington in prewar days.

Hiss had testified that he knew all of them when they were lawyers together in the old Agricultural Adjustment Administration.

Nixon said that all three stood on their constitutional rights yesterday and refused to answer questions about Hiss and Chambers.

Spy Probe Sets Subpoena For J. Peters

Washington, Aug. 21 (AP)—The House Un-American Activities Committee today drew up a subpoena for J. Peters, described in testimony as a one-time head of the Communist underground in this country.

But there was no assurance that the mysterious, much-sought witness would talk even if committee agents find him and if he is promised immunity from deportation which immigration authorities are threatening him with.

Peters was arrested last October and released under $5,000 bond to await a decision on whether he should be deported as a member of an organization advocating forcible overthrow of the Government.

May Serve It In 10 Days

Sometime in the next ten days the committee hopes to be able to subpoena Peters during the deportation hearing promised by Watson Miller, commissioner of immigration.

Miller informed the committee yesterday he cannot legally produce Peters for a congressional hearing. But Representative Nixon (R., Cal.) said Miller agreed to notify the committee of the time and place of the "early" hearing in the deportation case. At that time, Nixon said, the committee subpoena can be served.

Whittaker Chamber, self-avowed former Communist and now a *Time* magazine senior editor, has named Peters as the man who headed the Communist underground movement in this country prior to 1937.

Through questioning of Peters the committee hopes to verify some of the testimony it has received from Chambers implicating many former Federal officials.

May Refuse To Talk

Committee members conceded that Peters, like many other persons named by Chambers, may refuse to talk. But they speculated that he might be willing to name names in exchange for immunity from deportation.

The committee has no plans for any hearings, open or closed, before next Wednesday. Then it is scheduled to hear Chambers and Alger Hiss in open session. Hiss, a former top State Department executive, has denied he ever took part in the underground described by Chambers.

At first Hiss claimed he didn't even know Chambers but later, when the two met in New York under committee auspices, he said he recalled knowing Chambers years ago as George Crosley, a free-lance writer. Chambers told the committee that Peters introduced him to Hiss.

Three Other Witnesses Testify

Three other men named by Chambers testified at a closed committee session yesterday attended by Nixon and committee investigators.

They were Lee Pressman and John Abt, now active in the Wallace-for-President campaign, and Nathan Witt, a New York attorney. All three held important Government posts during the Roosevelt Administration.

Nixon said they stood on their constitutional rights in refusing to say whether they knew Chambers, whether they had been members of the Communist party in the past and whether they knew any of the other persons named by Chambers as members of the Communist underground.

Legion Hears Truman Criticized

PHILADELPHIA, Aug. 21 (UP).—President Truman's description of the Congressional spy investigations as a "red herring" was assailed today by Senator Edward Martin, Republican, of Pennsylvania and James F. O'Neil, American Legion national commander.

Senator Martin told the final session of the thirtieth annual Pennsylvania Legion convention that the Washington spy stories "have been enough to jar all but the most stupid and most child-like out of their complacency."

"It is an insult to the intelligence of the American people to say that the public hearings now under way are serving no useful purpose," he said. "It is nonsense to say that they are impairing the morale of Federal employees and undermining public confidence in the government."

Mr. O'Neil charged that security violations, "whether knowingly or blind," are not a matter to be "treated flippantly or dismissed with a superficial reference to a 'red herring'."

Mr. O'Neill said the Congressional inquiry has pointed up the "inadequacy" of American espionage laws and shows the need for a "professional corps of counter-espionage experts." He said the American Legion recommends a "down-the-line tightening" of the government loyalty check" because up to now a "toothless comb" has been used.

THURMOND PRAISES SPY INVESTIGATION

Accuses Truman Of Trying To Hide Communist Influence

Columbia, S.C., Aug. 21 (AP)—The State Rights Democratic presidential candidate today accused President Truman of trying to hide the extent of Communist influence on our Government.

J. Strom Thurmond, South Carolina's Governor and presidential nominee of the State Righters, asserted in a statement:

"President Truman and other Government officials are making a desperate effort to hide the extent to which Communists and Communist sympathizers have honeycombed the Administration and have dicated its policies."

Thurmond said the Senate and House committees investigating Communist spy activities are doing the country a real service.

Calls Plan Communist-Inspired

"The President's reference to the inquiries as a 'red herring' is a feeble effort to allay the wrath o fthe average American . . . to hamper the investigators and to prevent further revelation which will bring out even more clearly the influence that Communists have had in Washington during recent years."

He added that "the so-called civil rights program which this Administration is trying to foist upon the country has its origin in Communism," and said "it is disturbing that President Truman, who urged enactment of the so-called civil rights program upon Congress now is trying to shield from congressional investigators those persons in his Administration against whom suspicion has been cast."

Wastebasket Is Their Key To Security

Oklahoma City, Aug. 21 (AP)—The Army's warning yesterday to be alert for prying letters from Soviet-occupied lands was no surprise for two Chamber of Commerce secretaries here.

The women have been running

30.24- 19921

a counterintelligence campaign of their own for nearly two years.

The key to their system is that old secret weapon from the arsenal of bureaucracy—the wastebasket.

Flood Of Letters

"We didn't think those people had any business knowing such things," declared Beverly Carpenter and Mrs. Mabel Savage, of the chamber's industrial division. "We just dropped the letters in the wastebasket."

They referred to a flood of letters that began shortly after the war—mostly from Germany, Poland and Czechoslovakia. Most asked for industrial information, maps, transportation communications information. All of this, says the Army, is basic intelligence data.

"Starting in 1946, we were getting three to four letters a day," the women said. "Now it's dropped to about that many a week."

RUMANIAN AIDE QUITS FOR FREEDOM HERE

WASHINGTON, Aug. 21 (AP)—Alfons Vogel announced today that he had resigned for political reasons as press attaché of the Rumanian Legation.

Mr. Vogel, former Bucharest newspaperman, said that he and his family would seek to remain in this country as political refugees. He told a reporter that he quit because he agreed with "American democracy and the American way of life."

He emphasized that in resigning he was "neither seduced nor exploited."

"I like freedom of the press," he added, "and I belive in human rights. I easily gave up, from a material point of view, a very good position to have my own freedom to express my own beliefs.

"In fact, I am a displaced person and I prefer to accept that in order to have my freedom."

U. S. Marshals Seize Axis Sally

AUG 1948

Arriving From Reich, She Faces Treason Trial for Berlin Radio Work.

JACK ADAMS

Washington, Aug. 21 (A. P.).—Mildred Elizabeth Gillars—known to G. I.'s as Axis Sally—returned to her homeland from Germany today to face a treason warrant. She looked tired and dispirited.

A Transatlantic Army C-54 plane rolled down on Bolling Air Force Field where the silver-haired woman was taken into custody by Federal marshals. It was her first return in nineteen year.

Miss Gillars will face a Federal Grand Jury investigation on charges that she betrayed her native land by wartime broadcasts over Radio Berlin.

Shortly after her arrival she was arraigned before United States Commissioner Cyril S. Lawrence. She entered no plea and no bail was set. She was taken to the District of Columbia jail to await preliminary hearing before Lawrence on August 31.

The 48-year-old native of Portland, Me., was located two years ago by American authorities in Berlin, living a precarious existence in the ruined cellars of the bombed-out German capital. She was arrested, but subsequently released to the American occupation zone on condition that she report every two weeks to United States Army authorities.

The Department of Justice, pointing out that a prosecution for treason requires exact evidence and at least two witnesses to the same overt act, said that the inquiry into Miss Gillars's radio activities had presented a prodigious task.

Miss Gillars left the United States in 1929 to study music in France. She went to Germany in 1934. The Department of Justice said she took a job in 1940 with the official German Government radio, then primarily engaged in broadcasting propaganda to England.

After American entry into the war, the department said Miss Gillars directed Berlin programs beamed to American forces in North Africa and Italy, where the troops gave her the names Axis Sally and Midge.

Her program, called "Home, Sweet Home," allegedly was intended to persuade American soldiers to lay down their arms. Justice officials say they also believe that Miss Gillars appeared on a series of radio programs after the Normandy invasion entitled "Survivors of the Invasion Front." These programs included recorded interviews with wounded American soldiers in Nazi prisoner of war camps, with strong emphasis on German "kindness."

Miss Gillars's return to face prosecution follows by less than a week the announcement that Iva Toguri D'Aquino, 32-year-old Los Angeles-born Japanese-American, will be brought back from Japan shortly to answer treason charges in connection with the Tokyo Rose broadcasts. Mrs. D'Aquino's case will be considered by a Grand Jury at San Francisco.

During the past year the Government tried and convicted Douglas Chandler and Robert Best at Boston for radio broadcasts from Berlin. Both were found guilty of treason and sentenced to life imprisonment.

Ezra Pound, American poet, who broadcast from Radio Rome, was brought back to face similar charges. A special Federal Grand Jury decided he was mentally unable to go through with the proceedings and he has since been confined to a sanitarium.

POSTCARD-SIZE REGISTRATION FORMS SHOWN

AUG 1948

They Contain 16 Queries, But None Is About Communism

Washington, Aug. 21 (AP)—The postcard-size draft registration form was unveiled today by selective-service officials.

The 4-by-6-inch cards will be used to register an estimated 9,500,000 men 18 through 25 between August 30 and September 18.

They are so simple that officials predict registrants can fill out the sixteen questions in a matter of minutes.

At the same time that draft headquarters made public the new forms, it issued detailed instructions to draft boards on how to handle the crowds and avoid bottlenecks.

Instructions carried suggested floor plans for local boards to follow. These call for separte handling of two groups—one, all veterans and 18-year-olds (not subject to draft), and two, nonveterans 19 through 25.

Registration booths (to be announced locally) will remain open daily from 8 A.M. to 5 P.M., draft officials said here.

Prints Not Required

The registration cards do not require fingerprints, nor do they ask whether a man is a Communist.

These are the questions, in case you want to study up in advance:

1—Name. 2—Place of residence. 3—Mailing address. 4—Name and address of person who will always know your address. 5—Date of birth. 6—Place of birth (city, state, county). 7—Occupation.

8—Firm or individual by whom employed. 9—Nature of business, service rendered, or chief product. 10—Place of employment or business. 11—Local board with which registered under Selective Training and Service Act of 1940. 12—Were you ever rejected for service in the armed forces? (Yes? No? When?) 13—Marital status (Single? Married? Living with wife? Divorced? Separated? Widower? Father?)

14—Active duty in the armed forces of the United States or a cobelligerent nation since September 16, 1940 (under this, if you qualify, you fill in the branch of service, your service or serial number, date of entry, name of last organization, date of separation.)

Classification Follows

15—Present membership in a reserve component of the armed forces (and you list the branch of service, service or serial number, date of entry, grade and organization.)

16—Color of eyes, color of hair, complexion, height, weight, race, other obvious physical characteristics that will aid in identification.

Then you sign it, and the registrar for your local board will sign it and put in the date, county, city and state.

After registering, draft-age men will wait for classification forms, which should be received within a week or two. These are much more detailed and must be returned within ten days.

A man's classification is determined by local boards from these second forms.

Defense Chiefs Confer On Military Secrets

Newport, R.I., Aug. 21 (AP)—A gathering of United States joint chiefs of staff working on military secrets at the Naval War College was expected to conclude Sunday.

Rear Admiral Allan E. Smith, acting president of the college, said today the staff heads planned to return to Washington "by dark" Sunday.

Meeting with Secretary of Defense Forrestal, the nation's war chiefs were billed to take up a broad study of weapons and consider problems of strategic air warfare.

Forrestal Plans Report

Gen. Hoyt Vandenberg, air force chief of staff, was there fresh from observing the Berlin airlift. Forrestal was prepared to report on his talks last week with Canadian defense chiefs.

Such meetings will be held every few months, the Defense Department said, away from the pressure and interruptions of official Washington.

ATOMIC DATA STILL SHARED

U.S., Britain, Canada Consult On Problems, Lilienthal Says

New York, Aug. 21 (AP)—The United States, Britain and Canada are continuing to share technical information on atomic energy, David E. Lilienthal, chairman of the Atomic Energy Commission, said tonight.

[The consultations do not include weapons, the commission said in response to inquiries.]

Lilienthal was in New York for the opening of the atomic energy exhibit at New York's golden jubilee exposition. In his speech, he recalled that the three Governments established a combined policy committee in August, 1943, to provide broad direction to the atomic project. Its work is being continued and expanded.

Three Represent United States

The present membership of the committee includes Gen. George C. Marshall, Secretary of State; James Forrestal, Secretary of Defense, and Lilienthal for the United States; Sir Oliver Franks, Ambassador, and Sir Gordon Munro, minister, for the United Kingdom; and the Rt. Hon. C. D. Howe, Canadian Minister of Trade and Commerce, and Ambassador Hume Wrong, for Canada.

"The wartime experience shared by the three Governments provides a convincing demonstration of the mutual benefits to be derived from co-operative effort," Lilienthal said in a prepared address.

"Recognizing this, the three Governments concerned are continuing to utilize, in an expanded way, the co-operative principle in certain limited areas in which work has been proceeding separately along the same lines in two or more of the three countries.

Policy Group Reviews Problems

"In some of these fields all three nations are working. Consequently, on some occasions all three nations are represented in consultations on specific topics concerning atomic energy; at other times, only two of the three are involved.

"This program of technical cooperation is carried out under the general direction of the combined policy committee which also re-

views those problems of raw materials supply common to the three Governments.

"The general framework thus provided has been utilized to develop technical consultations on specified topics and to provide for a number of visits by scientists and technicians of each country to the other two."

Britain Says No To Israel U.N. Entry

Lake Success, Aug. 21 (AP)—A British spokesman said today his Government cannot approve Israel's admission to the United Nations under present conditions.

His comment followed an appeal from the new Jewish state to the eleven members of the Security Council for votes. In sending the memorandum to the Council, Israeli Delegate Aubrey S. Eban, explained that a formal membership application will be filed soon—probably at the opening of the General Assembly in Paris September 21.

Blow To Hopes

The British spokesman said the situation is too obscure in Palestine now for London either to recognize Israel or vote for admitting the new nation. He added that unless the situation clarifies considerably between now and the time of the voting, Britain cannot cast an affirmative ballot.

Disclosure of the British position raised doubts as to the ability of Israel to get the necessary seven votes in the Council. It must approve applications before they can be finally balloted on by the 58-nation Assembly.

Russ Backing Seen

A spokesman said the United States will vote for Israel. Russia and the Soviet Ukraine also are expected to support the new nation. However, Syria is considered certain to vote no and France, Canada, China, Colombia, Belgium and Argentina are doubtful.

Eban said recognition of Israel and her entry into the United Nations is essential to peaceful settlement of the Palestine problem and peace in the Middle East. He noted that fifteen countries—including the United States and Russia—have recognized the new state.

Cites U.N. Ruling

The memorandum said failure to admit Israel this year would leave an "uncertain political atmosphere" in Palestine. Recalling that the new nation was created through the United Nations decision partitioning Palestine into Jewish and Arab states, Eban declared:

"The United Nations cannot with logic or reason refues to acknowledge a state to whose birth it gave the sanctions and incentive of its own prior recommendation."

The partition decision called for "sympathetic consideration" to membership applications from the Jewish and Arab states. The Arabs—still fighting partition—never have established their state.

Catholics Ask U.N. To Probe Desecrations

New York, Aug. 21 (AP)—The Catholic Near East Welfare Association has called on the United Nations to look into reports of mistreatment of Catholics and desecrations of Catholic holy places in Palestine.

Msgr. Thomas J. McMahon, national secretary of the association, signed the request which was addressed to Trygve Lie, United Nations secretary general.

Francis Cardinal Spellman is president of the association.

The letter referred to an Associated Press dispatch from Jerusalem Thursday reporting charges made by Msgr. Anthony Vergani, vicar of the Latin Patriarchate of Galilee. He accused the Jews of criminal acts against twelve Roman Catholic institutions in northern Palestine.

Body Of 50,000th Soldier Due

New York, Aug. 21 (AP)—The body of the fifty-thousandth soldier of World War II to be returned from European battlefields is scheduled to arrive Monday aboard the United States Army transport Carroll Victory, the New York Port of Embarkation announced today. Memorial services for the 2,000 dead aboard will be held at 9 A.M. at the Brooklyn Army Base.

15 U.S. Jet Fighters Finish Round-Trip Atlantic Crossing

Detroit, Aug. 21 (AP)—Fifteen F-80 jet fighters, completing the first jet-propelled round-trip Atlantic flight in history, landed at their Selfridge Field home base today at 4.21 P.M.

One plane in the squadron of sixteen was held up at Dow Field, Bangor, Maine, on the return trip from Germany. It was expected later.

The pilots, led by Lieut. Col. David Schilling, of Traverse City, Mich., spent 22 days training at Furstenfeldbruck, Germany. They took off from here July 12.

Officers said the flight was designed to test feasibility of ferrying jet aircraft as well as to train pilots under overseas conditions.

Takes 13 Hours 53 Minutes

Total time in the air on the return trip was clocked at 13 hours and 53 minutes. It was 12 hours and 10 minutes going over. The silver, red-nosed planes averaged a speed of 445 miles per hour.

Weary pilots went off to their quarters soon after landing. Most of them are married and veterans of World War II.

The jets, accompanied by an escort of multiengined aircraft, left Scotland yesterday, making stops at Iceland, Greenland, Labrador, and arriving at Dow Field around noon. They had taken off from Germany August 14.

The complete flight and overseas training missions were completed without incident.

"Wanted To Show Them"

"There were some who didn't believe jets could make the hop," said Lieutenant Colonel Schilling, wartime fighter ace with the 8th Air Force. "We went on this flight to show them."

By coincidence, one plane was held up July 12 on the first leg of the outward flight to Dow Field, but it caught up later.

Pilots said the plane left behind at the Maine base today had minor engine trouble.

Major Donavon F. Smith, of Niles, was a second Michigan flyer making the trip. He said on return, "which way is town and what time do the shows open?"

The pilots were loaded with souvenirs from Germany including cocky Tyrolean hats.

B-29s Off for Okinawa

SPOKANE, Wash., Aug. 21 (AP).—The first of a group of B-29 bombers from the Spokane Air Force base took off last night on a flight to Okinawa for an extended period of over-water training missions.

Base officials described the Pacific flight as a routine exercise to give the men experience in over-water navigation.

7 Are Sentenced In Venezuela Bombing Plot

U. S. Judge in Georgia Jails One for 18 Months, Sets Fines at $250 to $10,000

BRUNSWICK, Ga., Aug. 21 (AP).—The government's case against seven men in connection with an alleged bombing plot against Caracas, Venezuela, early this year today brought sentences ranging from eighteen months imprisonment to two years probation.

United States District Judge Frank Scarlett also assessed fines of $250 to $10,000 as three sets of defendants appeared on three separate charges.

The cases grew out of charges by President Romulo Betancourt of Venezuela that two planes had left the United States last January to load boms at Nicaragua with "the presumed objective of bombarding the capital of the republic."

Carl J. Eisenhardt, oil transportation man of Ellicott City, Md., pleaded guilty today to two charges—conspiracy to steal and theft of government property (machine guns.) He was fined $10,000.

Edward Browder jr., of Amarillo, Texas, pleaded guilty to conspiracy to steal government property. In the next charge, that of organizing a military expedition, Browder also pleaded guilty and Harry A. Snow, of Amarillo, entered a plea of nolo contendere.

On a third charge—violating the neutrality act—Browder also pleaded guilty. Five others entered nolo conterdere pleas—Snow; Charles B. Pavlicek jr., of New York; Harry K. Baker and Kenneth J. Newcomer, both of Augusta, and Olin D. Mason, former Air Force captain, now of Oliver General Hospital in Augusta.

Browder was sentenced to eighteen months imprisonment on each charge, the sentences to run concurrently. Snow was placed on two years probation fined $500.

Pavlicek, Baker, Newcomer and Mason received two-year suspended sentences and were fined $250 each. They have thirty days to pay their fines. In sentencing the four, Judge Scarlett cited their previous good records.

The Federal Bureau of Investigation presented evidence that the men had offers of jobs after they reached Nicaragua to go on bombing raids, but refused. They all said the prospect of a bombing raid was unknown to them until they reached Nicaragua. They said they thought they were engaged only for a transporting job.

The F. B. I. said two B-24s which left Augusta on Jan. 26 and landed at Nicaragua were intended for an attack on Caracas. One plane was piloted by Mason and the other by Snow; Pavlicek and flight engineers Baker and Newcomer were aboard. Permits to fly the planes to California had been obtained, but clearance was not granted for the Latin-American flight, the F. B. I. said.

BERLIN, AUG. 21-(AP)-RUSSIAN SOLDIERS KIDNAPED FOUR MORE WESTERN SECTOR GERMAN POLICEMEN TODAY--TWO WITH VIOLENCE--IN A CONTINUATION OF RAIDS WHICH AMERICANS FEAR MAY GROW INTO A SERIOUS INTERNATIONAL INCIDENT.

THE SOVIET FORCES STRUCK AGAIN AFTER THE AMERICANS HAD ANNOUNCED THEY WOULD SEEK FACE-TO-FACE TALKS WITH THE RUSSIANS TO TRY FOR A TRUCE IN THE CONFLICT INVOLVING BERLIN'S DIVIDED POLICE FORCE.

HEADQUARTERS OF THE WESTERN SECTOR POLICE ANNOUNCED A LARGE PARTY OF RUSSIAN SOLDIERS HALTED TWO GERMAN PLAIN CLOTHES MEN FROM THE AMERICAN ZONE NEAR THE SECTOR BORDER, STABBED ONE, BEAT THE OTHER WITH A RIFLE BUTT, AND CARRIED THEM INTO THE SOVIET ZONE BODILY AFTER THEY REFUSED TO CROSS THE LINE.

TWO GERMAN POLICEMEN OF THE BRITISH SECTOR WERE THE OTHERS KIDNAPED. ONE ESCAPED LATER AND THE BRITISH ARE DEMANDING RETURN OF THE SECOND.

THE RUSSIANS YESTERDAY SEIZED FIVE POLICEMEN FROM THE AMERICAN ZONE. TWO OF THEM HAVE ESCAPED. THE AMERICANS HAVE ASKED RETURN OF THE OTHERS BUT RECEIVED NO REPLY. THUS, OF THE NINE POLICEMEN TAKEN, THE RUSSIANS STILL HOLD SIX.

TENSION MOUNTED HOURLY IN THIS DIVIDED FOUR-POWER CITY. RUSSIAN SOLDIERS, TOMMYGUNS AT READY, PATROLLED THEIR SIDE OF THE SECTOR BORDER. A SHORT DISTANCE AWAY, UNDER THE RUSSIANS' COLD STARES, BRITISH AND AMERICAN PATROLS WERE ON THE ALERT.

WESTERN SECTOR POLICE ORDERED MOTORIZED RESERVES TO STAND BY, READY TO SPEED TO THE BOUNDARIES AT A SIGN OF TROUBLE.

THE RUSSIANS HAVE MADE A SERIES OF LIGHTNING RAIDS INTO THE WESTERN SECTORS, OSTENSIBLY AGAINST BLACK MARKETEERS. THE SOVIET-BACKED POLICE WILL CONTINUE RAIDS "WHETHER HIGH-PLACED PROTECTORS OF BERLIN PROFITEERS LIKE IT OR NOT," COL. ALEXANDER JELISAROV, SOVIET DEPUTY COMMANDER, SAID IN A STATEMENT BROADCAST BY THE RUSSIAN-CONTROLLED BERLIN RADIO.

AMERICAN AUTHORITIES ACTED TO HEAD OFF A POSSIBLE VIOLENT CLASH BETWEEN EAST AND WEST SECTOR POLICE FORCES WHICH COULD TURN INTO A SERIOUS INTERNATIONAL INCIDENT.

THE OFFICIAL GERMAN COMMUNIST PRESS DENOUNCED THE WESTERN SECTOR POLICE AND CALLED UPON GERMANS TO JOIN WHAT THE COMMUNISTS CALLED A FIGHT AGAINST "BLACK MARKET CENTERS AND THE NAZI PROVOCATEURS." #

KELLY TOLD REPORTERS THE GERMANS WERE MAINLY CURIOUS AND THAT AN EFFORT WAS BEING MADE TO THIN OUT LARGE GATHERINGS.

THE AMERICAN REPORTED THIS EXCHANGE:

"ALL WE WANT TO DO IS GET ALONG," A RUSSIAN LIEUTENANT SAID. "THE SOVIET POLICE NEVER COME INTO THE AMERICAN SECTOR."

"WHAT ABOUT THE KREUZBERG INCIDENT?" COUNTERED KELLY.

THIS WAS A REFERENCE TO THE KIDNAPING OF FIVE AMERICAN SECTOR GERMAN POLICE BY RUSSIANS WHO ENTERED THE AMERICAN SECTOR YESTERDAY.

KELLY SAID THE LIEUTENANT "DIDN'T HAVE MUCH TO SAY IN ANSWER."

"WHY ARE AMERICAN JEEPS AROUND?" THE RUSSIAN CONTINUED.

"TO KEEP SOVIET PERSONNEL OUT OF THE AMERICAN SECTOR," ANSWERED KELLY. "TO PREVENT SORTIES AND SEIZURES."

"IT IS THE FAULT OF THE DEVIL. HE IS AT THE BOTTOM OF IT ALL."

NO ONE PAID MUCH ATTENTION TO HIM. INSTEAD, THEY LOOKED ACROSS THE STREET WHERE TWO RUSSIAN SOLDIERS WITH TOMMYGUNS SLUNG OVER THEIR SHOULDERS, STALKED DOWN AN EMPTY SIDEWALK.

ON THE AMERICAN SECTOR BORDER THE WALKS WERE JAMMED. NOBODY WENT ACROSS THE STREET.

A TRUCKLOAD OF SOVIET CONTROLLED GERMAN POLICE ROLLED AROUND A CORNER FROM TROUBLED POTSDAMER PLATZ AND SOMEBODY YELLED.

"IT'S A RAID."

THERE WAS MOMENTARY PANIC. PEOPLE CLUTCHED THEIR PITIFUL BELONGINGS AND FLED DEEPER INTO THE AMERICAN SECTOR.

AMERICAN MILITARY POLICE JEEPS ROLLED UP TO THE SECTOR BORDER. THE SOVIET POLICE CONTINUED INTO THE RUSSIAN SECTOR. QUIET RETURNED.

DANUBE
BY OSGOOD CARUTHERS
BELGRADE, YUGOSLAVIA, AUG. 21-(AP)-THE DANUBE RIVER--CENTRAL EUROPE'S ONE OUTLET TO THE SEA--WILL REMAIN UNDER SOVIET CONTROL REGARDLESS OF THE FATE OF THE NEW RUSSIAN-DICTATED DANUBE PACT.
(THE WESTERN POWERS REFUSED TO SIGN THE PACT WHICH WAS INITIALED IN BELGRADE THIS WEEK BY RUSSIA AND HER SATELLITES.)
THIS CONTROL IS VIRTUALLY THE SAME AS THAT ENJOYED BY THE RUSSIANS SINCE THE END OF THE WAR.
WESTERN DELEGATES TO THE DANUBE CONFERENCE POINTED OUT THAT UNDER THE NEW PACT NO SHIPPER OF ANY NATIONALITY COULD TRAVERSE THE ENTIRE NAVIGABLE PART OF THE RIVER FROM CENTRAL GERMANY TO THE BLACK SEA WITHOUT RUSSIAN APPROVAL. AND IT WAS MADE CLEAR BY SOVIET DEPUTY FOREIGN MINISTER ANDREI VISHINSKY AT THE MEETING THAT WESTERN "ECONOMIC PENETRATION" IS NOT WANTED.
THE ENTIRE PACT WAS BASED ON THE SOVIET THEORY OF "SOVEREIGN RIGHTS" AS OPPOSED TO THE WESTERN IDEA OF MAKING THE IMPORTANT WATERWAY AN INTERNATIONAL TRADE ROUTE.
THUS THE RIVER HAD BECOME TERRITORIAL PROPERTY LONG BEFORE THIS NEW CONVENTION WAS PUSHED THROUGH. ANY ONE WISHING TO TRANSPORT GOODS ON IT HAD TO MAKE BILATERAL AGREEMENTS WITH EACH STATE THROUGH WHICH IT FLOWS.
UNDER THE NEW PACT, IF AN AMERICAN SHIPPER, FOR EXAMPLE, WISHES TO DELIVER GOODS TO ANY OF THE COMMUNIST-DOMINATED COUNTRIES THROUGH WHICH THE RIVER FLOWS, HE MUST MAKE AN AGREEMENT WITH THEIR SHIPPING COMPANIES. IN HUNGARY, ROMANIA, AND YUGOSLAVIA, RUSSIA HAS JOINT CONTROL OF THESE COMPANIES. AND IN THE RUSSIAN MILITARY ZONE OF GERMANY AND AUSTRIA ONE CAN BE CERTAIN THAT NO AMERICAN SHIPPER WILL "PENETRATE."
POLICING AND SANITATION ON THE RIVER HAVE BEEN PLACED IN THE HANDS OF THE INDIVIDUAL STATES, ACCORDING TO THE LAWS OF EACH. SO EVEN IF AN AMERICAN SHPPPER DID HAVE AN AGREEMENT WITH ONE OF THE SOUTHERN COUNTRIES, THERE IS NOTHING IN THE NEW PACT TO KEEP ONE OF THE INTERVENING COUNTRIES FROM STOPPING HIS TRIP.
HOW DOES THIS PLACE THE DANUBE UNDER RUSSIAN CONTROL?

A7
THE ANSWER IS SEEN IN EVERY SOVIET INTERPRETATION OF SOVEREIGN RIGHTS AS IT APPLIES TO THOSE COUNTRIES IN THE RUSSIAN SPHERE OF INFLUENCE. THE ANSWER CAN BE SEEN, TOO, IN THE PROCEEDINGS OF THE DANUBE CONFERENCE WHERE NOT A SINGLE WORD OR COMMA OF THE RUSSIAN PROPOSED PACT WAS CONTESTED BY THE EASTERN COMMUNIST STATES.
ROMANIA, YUGOSLAVIA AND RUSSIA HAVE CONTROL IN SPECIAL ADMINISTRATIONS OF THE STRATEGIC MOUTH OF THE RIVER AT THE BLACK SEA AND OF A NARROW PASSAGE THROUGH THE "IRON GATES" AT THE YUGOSLAV-ROMANIAN BORDER. UNDER THE NEW PACT, THESE ADMINISTRATIONS CANNOT BE CONTROLLED BY THE DANUBE COMMISSION AS IT WILL BE SET UP. AND NO APPEAL TO THE UNITED NATIONS IS AUTHORIZED.
BEFORE THE WAR, MANY NATIONS USED THE DANUBE AS AN OUTLET FOR THEIR GOODS TO EASTERN EUROPE. BUT THE OLD GOVERNING PACTS PLACED CONTROL OF THE RIVER UNDER NON-DANUBIAN STATES. AND RUSSIA'S SATELLITES SAID AT THE BELGRADE CONFERENCE THAT THIS LED TO ECONOMIC EXPLOITATION TO THE BENEFIT OF "OUTSIDERS."
NOW IT IS IN THE HANDS OF THE COUNTRIES THROUGH WHICH IT FLOWS, EXCEPT GERMANY AND AUSTRIA, AND THOSE COUNTRIES ARE PART OF THE EASTERN COMMUNIST BLOC.
IF THEY WANT SHIPS TO GO DOWN THE DANUBE AND LOAD AND UNLOAD ON THEIR DOCKS ALONG THE WAY, IT WILL BE THE EASIEST THING IN THE WORLD. IF THEY DON,T, WESTERN SHIPPERS MAY AS WELL LOOK FOR ANOTHER RIVER.

THE PROMOTERS WORKED THE OUTLYING PLANTATIONS, WHERE NEWS DOES NOT CIRCULATE FREELY, AND WHERE THERE ARE MORE OLDER JAPANES, MOSTLY ALIENS.
ONCE CLUB MEMBERS WERE DELUDED INTO BELIEVING EMPEROR HIROHITO WAS COMING TO HAWAII. THEY DRESSED IN THEIR SUNDAY BEST AND ASSEMBLED AT A SHACK KNOWN AS THE CLUB ROOM OUTSIDE HONOLULU. THEY WAITED FOR 12 HOURS, BUT NATURALLY HIROHITO NEVER SHOWED UP.

ANOTHER DEVELOPMENT IN THE CASE CAME TODAY FROM MRS.KASENKINA'S PHYSICIAN, WHO TOLD LOMAKIN IN A LETTER THAT NO ONE FROM THE RUSSIAN CONSULATE WOULD BE ALLOWED TO SEE HER.
DR. GRANT P. PENNOYER TOLD THE SOVIET OFFICIAL THAT THE WOMAN "BY HER OWN VOLITION, WITHOUT THE SLIGHTEST INFLUENCE FROM ANY SOURCE, DEFINITELY REQUESTS THAT SHE NOT BE VISITED BY THE PEOPLE FROM THE RUSSIAN CONSULATE."
SEVERAL DAYS AGO, SHE WAS QUOTED AS SAYING THIS TO CHEPURNYKH, WHO WAS ALLOWED TO SEE HER BRIEFLY IN HER HOSPITAL ROOM.
"UP TO NOW," DR. PENNOYER WROTE, "THE PATIENT'S CRITICAL CONDITION HAS NECESSITATED ABSOLUTE REST. UNDER THESE CIRCUMSTANCES THE ADVISABILITY OF VISITORS WAS UP TO HER DOCTORS. AS THE PATIENT PROGRESSES, THE CHOICE OF VISITORS IS UP TO HER."
PENNOYER, SPEAKING FOR THE HOSPITAL'S DOCTORS, SAID "WE HAVE NOTHING TO DO WITH THE POLITICAL ASPECTS OF THE CASE AND WANT YOU TO APPRECIATE THIS VERY DEFINITELY."
REFERRING TO AN OFFER BY DOCTORS, LATER WITHDRAWN, THAT LOMAKIN SEND A SURGEON OF HIS OWN CHOICE TO CONSULT ABOUT THE CASE, DR. PENNOYER WROTE:
"WE WANTED YOU TO UNDERSTAND WHY YOUR REQUEST FOR A VISIT WAS REFUSED AND TO SEE HOW EVERYTHING POSSIBLE WAS BEING DONE FOR HER AND THAT THE ENTIRE FACILITIES OF THIS HOSPITAL WERE FIGHTING FOR HER LIFE. X X X YOUR DESIRE TO COME WITH THE DOCTORS INDICATED THAT YOU WANTED MORE THAN A STRICTLY MEDICAL CONSULTATION."
LOMAKIN WAS ACCUSED BY THE U.S. GOVERNMENT OF MISREPRESENTING FACTS IN HIS REPORTS ON MRS. KASENKINA AND HER STATUS IN THE CONSULATE BUILDING.

RUSSIAN INTERPRETIVE

BY JOHN M. HIGHTOWER

WASHINGTON, AUG 21-(AP)-RUSSIAN POLICE STATE BLUNDERING IS BEING ADVANCED BY DIPLOMATIC OFFICIALS HERE AS THE REAL EXPLANATION FOR THE FANTASTIC MELODRAMA OF THE FUGITIVE SOVIET SCHOOL TEACHERS IN NEW YORK.

IT IS NOT OFFICIALLY REGARDED AS DUE TO THE ADMITTEDLY BAD CONDITION OF SOVIET-AMERICAN RELATIONS. AND ITS POSSIBLE EFFECTS IN MAKING THOSE RELATIONS WORSE ARE NOW LARGELY DISCOUNTED.

THE PREVAILING OPINION AT THE STATE DEPARTMENT, FOR EXAMPLE, APPEARS TO BE THAT THE MOSCOW TALKS ON THE BERLIN CRISIS WILL NOT BE AFFECTED ONE WAY OR THE OTHER BY THE ROW OVER MRS. OKSANA S. KASENKINA'S QUEST FOR FREEDOM IN NEW YORK AND THE DOGGED EFFORTS OF CONSUL-GENERAL JACOB LOMAKIN TO BLOCK HER PLANS AND GET HER BACK TO RUSSIA.

SOVIET CITIZENS, BY KREMLIN STANDARDS, AREN'T SUPPOSED TO REFUSE TO GO HOME. THEIR DUTY IS TO THE SOVIET STATE, NOT THEMSELVES. AND TO HELP THEM KEEP IN LINE, AUTHORITIES HERE SAY, THE SOVIETS MAINTAIN AN ELABORATE POLICE SYSTEM AND RIGID SET OF POLICE-STATE IDEAS WHICH CAN ONLY BE REDIRECTED BY ORDER FROM THE VERY TOP.

IN TRYING TO FORCE MRS. KASENKINA AND MR. AND MRS. MIKHAIL SAMARIN TO GO BACK TO RUSSIA WHEN THEIR SCHOOL TEACHING IN NEW YORK ENDED, LOMAKIN AND HIS CONSULATE AIDES IN NEW YORK WERE ACTING JUST AS DIRECTLY AS THEY WOULD HAVE ACTED IN, SAY, BUCHAREST, ROMANIA, WHERE THE COMMUNISTS RUN THE WHOLE SHOW.

WHEN THEIR ACTIONS BECAME KNOWN AND AMERICAN OFFICIALS AND PUBLIC OPINION KICKED UP A STORM, THEIR SYSTEM ALLOWED NO BACKING DOWN. LOMAKIN HAD TO DELIVER THE TEACHERS -- OR ELSE. THIS REMAINED TRUE EVEN WHEN HE FOUND HIMSELF BUCKING NEW YORK POLICE, THE NEW YORK PRESS, THE COURTS AND THE DEPARTMENT OF STATE IN WASHINGTON.

LOMAKIN IS PERSONALLY RESPONSIBLE, UNDER AMERICAN LAW, FOR WHAT HE DID, BUT THE GOVERNMENT'S RUSSIAN EXPERTS VIEW HIS ACTIONS AS THE END RESULT OF A SYSTEM OVER WHICH HE HAD NO CONTROL. HOW HIS ACTIONS WILL BE VIEWED IN THE KREMLIN IS ANOTHER MATTER, FOR WHILE THE AMERICAN GOVERNMENT'S DENUNCIATION OF HIS CONDUCT LIKELY CAUSES NO WORRY IN MOSCOW, LOMAKIN'S FAILURE TO DELIVER THE SCHOOL TEACHERS BACK HOME MAY ALREADY HAVE IRKED RUSSIAN LEADERS CONSIDERABLY.

A164WX

IN ITS BROADER POLICY EFFECTS THE CASE OF MRS. KASENKINA HAS BEEN ONE OF THE GREAT PROPAGANDA FIGHTS OF THE COLD WAR FOR BOTH SIDES. IN THAT PART OF THE WORLD WHERE THEY CONTROL VIRTUALLY ALL THE INFORMATION, THE SOVIETS HAVE SOUGHT TO PROVE THE EXISTENCE OF A KIND OF AMERICAN OFFICIAL GANGSTERISM. THUS THEY PLUGGED THEIR ACCUSATION OF OFFICIAL CONNIVANCE IN AN ALLEGED KIDNAPPING.

THE UNITED STATES TOOK THE EXACTLY OPPOSITE LINE -- THAT IT WAS RUSSIANS WHO WERE DENYING FREEDOM TO THEIR OWN PEOPLE AND TRYING BY FORCEFUL MEANS, SUCH AS THE ALLEGED CONFINEMENT OF MRS. KASENKINA IN THE SOVIET CONSULATE, TO COMPEL THE RETURN HOME.

WITH THE ORDER FOR LOMAKIN'S EXPLUSION, PLUS THEIR CONVICTION THAT THE FACTS AND THE EVIDENCE ARE ON THE SIDE OF THE UNITED STATES, AMERICAN OFFICIALS BELIEVED THEY HAVE FAIRLY WELL WON THIS PROPAGANDA FIGHT. BUT THEY HASTEN TO ADD THAT IT DOESN'T SETTLE ANYTHING AND IN THE COLD WAR MUST BE WRITTEN UP AS MERELY AN INCIDENT.

THE REAL ISSUES -- LEADING TO THE ULTIMATE QUESTION OF WAR OR PEACE -- ARE BEING BATTLED OUT AT PRESENT IN THREE FAR-SEPARATED AND VASTLY DIFFERENT THEATERS OF ACTION. THESE ARE:

MOSCOW--WHERE THE EAST-WEST TALKS OVER THE BERLIN CRISIS ARE SWIFTLY COMING TO A HEAD. OFFICIAL WASHINGTON IS STILL LARGELY UNCERTAIN WHETHER THE OUTCOME WILL BE AN END TO THE CRISIS AND A TRUCE IN GERMANY--OR A BREAKDOWN OF NEGOTIATIONS AND A BLACKER WORLD PROSPECT.

BERLIN--WHERE, IN THE OFFICIAL AMERICAN VIEW, THE RUSSIANS ARE PLAYING AN EXTREMELY DANGEROUS PRESURE GAME PENDING THE OUTCOME OF THE MOSCOW TALKS. THE DANGER IN BERLIN, AND THE AIR CORRIDORS LEADING TO IT FROM THE WEST, IS THAT THE RUSSIANS MAY OVERPLAY THEIR HAND AND START A FIGHT WHICH PERHAPS THEY DO NOT WANT. AND AGREEMENT IN MOSCOW PROBABLY WOULD REVERSE THE BERLIN SITUATION ALMOST INSTANTLY.

WASHINGTON--IN THE MOST OBSCURE INTERNATIONAL NEGOTIATIONS NOW UNDERWAY--MUCH LESS NOTICED THAN THE MOSCOW TALKS, FOR INSTANCE--THE UNITED STATES, CANADA AND THE WESTERN EUROPEAN COUNTRIES ARE TRYING TO WORK OUT A FORMULA FOR A MUTUAL DEFENSE SYSTEM. THE CENTRAL IDEA BEING DEVELOPED CALLS FOR A NORTH ATLANTIC ALLIANCE EMBRACING ALL THOSE COUNTRIES AND PROVIDING FOR ORGANIZATION OF A COMMON MILITARY EFFORT AGAINST RUSSIA IF NECESSARY.

(550) NIGHT LEAD AXIS SALLY

BY JOSEPH IVES

WASHINGTON, AUG 21-(AP)-MILDRED ELIZABETH GILLARS, 48-YEAR-OLD SILVER-HAIRED AMERICAN WHOM THE GI'S KNEW IN EUROPE AS "AXIS SALLY" OF THE NAZI RADIO, CAME HOME TODAY TO FACE A TREASON CHARGE.

UNDER ARMY ESCORT ALL THE WAY, "AXIS SALLY", A NATIVE OF PORTLAND, MAINE, LANDED AT BOLLING AIR FORCE BASE FROM FRANKFURT, GERMANY.

WITH ARMY AND FBI PRECISION, SHE WAS LED FROM THE AIR FIELD TO THE OFFICE OF U.S. CIMMISSIONER CYRIL S. LAWRENCE.

A SOMEWHAT LONELY AND DISPIRITED FIGURE, MISS GILLARS TOLD LAWRENCE WHEN HE ASKED HER IF SHE HAD A LAWYER: "AS FAR AS I KNOW I HAVE NO ONE HERE IN THE UNITED STATES."

SHE SAW HER MOTHER FOR THE LAST TIME IN 1939 WHEN THE LATTER VISITED GERMANY. MRS. GILLARS, AN AMERICAN CITIZEN, OPERATED A ROOMING HOUSE IN TORONTO, CANADA, AND DIED THERE IN MARCH, 1947.

LAWRENCE TOLD "AXIS SALLY" HER HALF-SISTER, EDNA HERRICK, WHO LIVED WITH HER MOTHER IN CANADA, IS BEING BROUGHT TO WASHINGTON BY THE FBI FROM HER HOME IN CONNEAUT, OHIO, TO SEE HER. WHEN TOLD THIS, HER FACE REMAINED MOTIONLESS.

THE COMMISSIONER THEN READ OFF THE DETAILED CHARGES OF TREASON AGAINST HER AND FBI AGENTS LED HER OFF TO THE DISTRICT JAIL.

THE PRELIMINARY HEARING WAS BOUND OVER UNTIL 9 A.M., EST, AUGUST 31. LAWRENCE SAID THIS WOULD GIVE HER TIME TO GET A LAWYER.

THE ONCE SPIRITED "AXIS SALLY" IS NO LONGER THE VIVACIOUS DISC JOCKEY WHO ALLEGEDLY PLAYED SOOTHING RECORDS TO GI'S IN FRANCE AND NORTH AFRICA OVER RADIO BERLIN.

ASKED BY NEWSMEN HOW IT FEELS TO BE BACK IN THE UNITED STATES, SHE SAID, "THOSE ARE VERY BIG QUESTIONS AND THEY REQUIRE VERY BIG ANSWERS AND I CAN'T SAY NOW."

CLAD IN BLACK SLACKS, AND WHITE BLUSE WITH A BLACK JACKET, SHE TOLD NEWSMEN IN THE COMMISSIONER'S OFFICE THAT SHE HAD VISITED WASHINGTON

BEFORE.
SHE SAID, "I PLAYED AT THE NATIONAL THEATER HERE SOME 16 YEARS AGO. I'M NOT SURE HOW LONG AGO IT WAS AND I DON'T REMEMBER WHAT THE PLAY WAS."
WHEN ASKED, SHE ADMITTED THAT SHE APPEARED ON RADIO BERLIN.
"I WENT TO WORK ON RADIO BERLIN BECAUSE I'M AN ACTRESS," SHE ADDED.
EARLIER, COMMISSIONER LAWRENCE INFORMED HER THAT COURTLAND I. JONES, SPECIAL AGENT OF THE FEDERAL BUREAU OF INVESTIGATION HAD PREFERRED CHARGES THAT BETWEEN DECEMBER 11, 1941 AND MAY 6, 1945, SHE "UNLAWFULLY, WILLFULLY AND TREASONABLY" AIDED THE GERMAN GOVERNMENT IN ITS EFFORTS TO DEFEAT THE U.S.

AUG 1948

A15WX
"SALLY" WAS ARRESTED TWO YEARS AGO AFTER BEING CAPTURED IN A BERLIN CELLAR. HOWEVER, AFTER A SHORT TIME SHE WAS RELEASED IN THE AMERICAN OCCUPATION ZONE UNDER THE PROVISO THAT SHE REPORT TO ARMY AUTHORITIES EVERY TWO WEEKS.
THE JUSTICE DEPARTMENT, POINTING OUT THAT A PROSECUTION FOR TREASON REQUIRES EXACT EVIDENCE AND AT LEAST TWO WITNESSES "TO THE SAME OVERT ACT," SAID THAT THE INQUIRY INTO MISS GILLARS' RADIO ACTIVITIES HAD PRESENTED A "PRODIGIOUS TASK."
MISS GILLARS LEFT THE U.S. IN 1929 TO STUDY MUSIC IN FRANCE. SHE WENT TO GERMANY IN 1934. THE JUSTICE DEPARTMENT SAID SHE TOOK A JOB IN 1940 WITH THE OFFICIAL GERMAN GOVERNMENT RADIO, THEN PRIMARILY ENGAGED IN BROADCASTING PROPAGANDA TO GREAT BRITAIN.
AFTER THE U.S. ENTRY INTO THE WAR, THE GOVERNMENT SAYS MISS GILLARS DIRECTED BERLIN PROGRAMS BEAMED TO AMERICAN TROOPS IN NORTH AFRICA AND ITALY, WHERE THE TROOPS GAVE HER THE NAME OF "AXIS SALLY" AND "MIDGE".
HER PROGRAM, CALLED "HOME, SWEET HOME", ALLEGEDLY WAS INTENDED TO PERSUADE AMERICAN SOLDIERS TO LAY DOWN THEIR ARMS AND GO HOME TO THEIR WIVES AND SWEETHEARTS.

CHIEFS OF STAFF (360)

WASHINGTON,AUG 21-(AP)-SECRETARY OF DEFENSE FORRESTAL WAS REPORTED TO BE MAKING ONE MORE TRY TONIGHT TO GET THE ARMED FORCES TO AGREE ON JUST WHERE AIR WAR STOPS BEING A SUPPORT AFFAIR AND TURNS INTO A STRATEGIC OPERATION.
THAT WAS BELIEVED TO BE A SUBJECT NEAR THE TOP OF THE LIST AT A SUDDENLY CALLED AND CLOSELY GUARDED WEEK-END SESSION WITH THE JOINT CHIEFS OF STAFF IN THE SECLUSION OF THE NAVAL WAR COLLEGE AT NEWPORT, R.I.
GETTING THINGS OFF THEIR CHESTS IN THE CONFERENCE ARE ADM.LOUIS E.DENFELD OF THE NAVY, GEN.HOYT VANDENBERG OF THE AIR FORCE AND GEN. OMAR BRADLEY OF THE ARMY.
THE NAVY'S 65,000-TON SUPER CARRIER, NOW BUILDING, FURNISHES A FOCUS FOR TALKS ABOUT WHAT SORT OF BOMBING IS STRATEGIC.
SUCH A SHIP CAN HANDLE PLANES CAPABLE OF CARRYING THE ATOMIC BOMB, AND OF FLYING TO TARGETS FAR OUT OF STRIKING RANGE OF A SURFACE FLEET.
ANY SUCH IDEA GIVES AIR GENERALS THE SAME SORT OF INDIGESTION THAT ADMIRALS GET OUT OF HINTS THAT PLANES IN GENERAL BELONG NATURALLY TO THE AIR FORCE.
FORRESTAL MADE ONE FULL-DRESS EFFORT MONTHS AGO TO EASE THAT TEN-

SION, AT A MEETING WITH THE JOINT CHIEFS IN KEY WEST,FLA. AFTER THOSE TALKS THE SECRETARY ANNOUNCED THAT AGREEMENTS HAD BEEN REACHED AS TO THE MISSIONS ASSIGNED EACH OF THE SERVICES.
BUT THE NAVY AND AIR FORCE ARE NOT OF ONE MIND ON INTERPRETATIONS OF PHASES OF THOSE ASSIGNMENTS. FORRESTAL IN DISCUSSING RESULTS OF THE CONFERENCE SAID THERE REMAINED CERTAIN DIFFERENCES THAT HAD NOT BEEN RECONCILED.
FORRESTAL ANNOUNCED THAT STRATEGIC AIR WARFARE HAD BEEN ASSIGNED AS A PRIMARY FUNCTION OF THE AIR FORCE. THE NAVY'S FIRST FUNCTION IS TO DESTROY ENEMY NAVY FORCES AND MAINTAIN SEA SUPREMANCY.
THE SECOND PRIMARY FUNCTION ASSIGNED THE NAVY IS "TO CONDUCT AIR OPERATIONS AS NECESSARY FOR THE ACCOMPLISHMENT OF OBJECTIVES IN A NAVAL CAMPAIGN."
THE AIR FORCE WOULD LIKE A FULLER EXPLANATION OF JUST WHAT THAT MEANS.
THE JOINT CHIEFS AT THE FLORIDA MEETING DEFINED "STRATEGIC AIR WARFARE" AS DESTRUCTION OF FACTORIES, SOURCES OF RAW MATERIAL, RAIL AND HIGHWAY SYSTEMS AND OTHER SUCH ELEMENTS OF AN ENEMY'S WAR-MAKING POWER.
THE AF WONDERS JUST HOW MUCH OF THAT SORT OF THING THE NAVY FIGURES AS HELPING ACCOMPLISH NORMAL CAMPAIGN OBJECTIVES.
THE NAVY SAYS THAT IT NEEDS BIGGER CARRIERS BECAUSE OF THE GROWING SIZE AND WEIGHT OF FIGHTER AND TORPEDO-BOMBER AIRCRAFT. ALSO WITH THE JET FIGHTERS LONGER FLIGHT DECKS ARE NEEDED.

PALESTINE

(EDITOR'S NOTE: DESPITE THE UNITED NATIONS TRUCE THE SITUATION IN PALESTINE REMAINS TENSE. IN THIS ARTICLE ASSOCIATED PRESS CORRESPONDENT JOSEPH C.GOODWIN TELLS OF THE FEELINGS OF THE ARAB PEOPLES AND THE RENEWED ACTIVITIES OF THE EXILED MUFTI IN TAKING UP THE BATTLE CRY AGAINST THE JEWS. GOODWIN IS IN THE UNITED STATES ON LEAVE AFTER SPENDING THREE YEARS IN ARAB COUNTRIES.)

--DASH--

BY JOSEPH C.GOODWIN

NEW YORK, AUG. 21-(AP)-THE PALESTINE PROBLEM IS FAR FROM SETTLED. DESPITE THE SECOND UNITED NATIONS TRUCE, HALF A DOZEN ARMIES ARE LINED UP IN THE HOLY LAND WAITING TO JOIN A FIGHT TO THE FINISH WHICH ALMOST EVERYBODY IN THE MIDDLE EAST CONSIDERS INEVITABLE.

ARAB RESENTMENT TOWARD THE NEW JEWISH STATE HAS NOT LESSENED, AND ARAB PASSION STILL BOILS BENEATH THE TRUCE LID.

ARAB GOVERNMENTS GAVE IN TO TRUCE DEMANDS FROM THE UNITED NATIONS ONLY BECAUSE OF INTERNATIONAL PRESSURE. THIS DID NOT ALTER THEIR ATTITUDE NOR THAT OF THEIR PEOPLE TOWARD ISRAEL.

THE JEWS APPEAR JUST AS DETERMINED TO HOLD THEIR NEW STATE. ARABS EXPRESS FEARS THE JEWS WILL EXPAND FURTHER INTO ARAB TERRITORY.

A SYRIAN OFFICIAL SAID: "WE CANNOT AFFORD TO QUIT FIGHTING."

I HAVE JUST RETURNED FROM THREE YEARS OF TRAVEL THROUGH ALL THE ARAB COUNTRIES. EVERYWHERE I WAS TOLD BY PEOPLE IN ALL WALKS OF LIFE THAT THE ARABS ARE DETERMINED TO FIGHT THE JEWISH STATE FOREVER IF NECESSARY.

"WE ARE PREPARED TO FIGHT ANOTHER HUNDRED YEARS' WAR, OR LONGER," SAID AN ARAB LEAGUE OFFICIAL. "THERE CAN BE NO COMPROMISE WITH INTERNATIONAL PIRACY OF OUR NATIVE LAND. WE WILL ATTACK AND HARASS THE JEWISH INVADERS UNTIL THEY, LIKE THE ANCIENT CRUSADERS, FIND THEMSELVES UNABLE TO HOLD OUT AGAINST RIGHT AND JUSTICE."

VETERAN OBSERVERS AGREED THE ARABS WILL FIGHT ON. SAID AN AMERICAN DIPLOMAT WHO HAS SPENT 30 YEARS IN THE ARAB WORLD:

"THE JEWS MAY CLAIM A MOMENTARY VICTORY, BUT I DOUBT THEY WILL EVER HAVE COMPLETE PEACE.

"FIGHTING MAY DIE DOWN FROM TIME TO TIME, BUT ALWAYS A NEW LEADER WILL ANSWER THE PUBLIC DEMAND TO CARRY ARAB BANNERS AGAINST THE JEW. ISRAEL IS IN A TOUGH SPOT."

PRESENT ACTIVITIES OF HAJ AMIN EL HUSSEINI, EXILED MUFTI OF JERUSALEM, SEEM TO CONFIRM THIS VIEW. SINCE ARAB REGULAR ARMIES HAVE ACCEPTED THE TRUCE THE MUFTI AGAIN HAS TAKEN UP THE BATTLE CRY.

A129

DURING THE PAST FEW WEEKS HE HAS VISITED LEADERS ALL OVER ARABIA PETITIONING MEN AND ARMS. HE CLAIMS 15,000 VOLUNTEER FIGHTERS AND HAS BEEN PRESSURING ARAB GOVERNMENTS FOR ARMS.

"IF WE CANNOT GET HELP CLOSER HOME, WE MAY ASK RUSSIA FOR HELP," SAID ONE OF THE MUFTI'S AIDES. "THE AMERICANS AND BRITISH ARE SUPPORTING THE JEWS; RUSSIA WOULD HELP US, AND WE PREFER RUSSIAN MASTERS TO JEWISH ONES."

THERE IS NO REAL INDICATION, HOWEVER, THAT THE ARABS ARE TAKING THIS LINE SERIOUSLY. THEY SEEM TO PUT IT OUT MORE AS A BARB AT THE AMERICANS THAN ANYTHING ELSE.

THE MUFTI'S POLITICAL STAR APPEARS ASCENDING AFTER BEING ECLIPSED WHILE THE REGULAR ARAB ARMIES WAGED WAR IN PALESTINE.

THE MUFTI SPARKED THE ARAB DRIVE AGAINST ISRAEL PRIOR TO THE COMMITMENT OF THE REGULAR ARMIES LAST MAY. SINCE THEN HE HAD REMAINED QUIETLY AT HOME IN CAIRO.

AN ARAB LEAGUE SPOKESMAN SAID THE MUFTI "IS PRETTY MUCH OUT OF THE PICTURE. THE ARAB NATIONS HAVE TAKEN OVER THE FIGHT." INFORMED ARAB SOURCES INSISTED HIS POLITICAL INFLUENCE "IS OF LITTLE SIGNIFICANCE NOW."

TRANS-JORDAN OFFICIALS SPECULATED HE IS BEING KEPT UNDER WRAPS BY THE EGYPTIANS IN CASE HE IS NEEDED TO COUNTERACT THE GROWING INFLUENCE OF TRANS-JORDAN KING ABDULLAH IN PALESTINE.

BUT THE MUFTI IS AGAIN ON THE MOVE, AND MANY ARABS, BOTH MOSLEM AND CHRISTIAN, APPEAR TO BE RALLYING TO HIS BANNER. A LEBANESE MINISTER COMMENTED:

"THE MUFTI IS A FIGHTER. THE PEOPLE KNOW EXACTLY WHAT HE WANTS--AN INDEPENDENT ARAB PALESTINE WITHOUT JEWS. THAT'S WHAT THE PEOPLE WANT, TOO.

"HE CANNOT BE REACHED BY DIPLOMATIC PRESSURE AND HE DISTRUSTS FOREIGNERS. IF WE CANNOT FIGHT LEGALLY TO PROTECT OUR OWN INTERESTS, IRREGULARS WILL HAVE TO CARRY THE BURDEN AGAIN. THEY LOVE THE MUFTI."

THE PEOPLE, IMPATIENT TO GET ON WITH THE FIGHT, ARE SWINGING AGAIN INTO THE MUFTI'S CAMP. JITTERY ARAB GOVERNMENTS FEAR AN UPSURGE OF PUBLIC INDIGNATION WHICH MIGHT UNSADDLE THEM IF THEY DO NOT SWING WITH THE TIDE.

"I DOUBT IF THERE IS A GOVERNMENT IN THE MIDDLE EAST STRONG ENOUGH TO OPPOSE PUBLIC DEMANDS FOR CONTINUING THE WAR," SAID A TRANS-JORDAN CABINET MINISTER. "WE ARE CONVINCED THAT IT IS A QUESTION OF KILL OR CURE."

A130

THE ARMIES OCCUPY TWO-THIRDS OF THE COUNTRY. THEY HAVE HAD BATTLE EXPERIENCE AND HATE THE JEWS. ONLY TODAY A JERUSALEM DISPATCH TOLD HOW THE BODIES OF TWO JEWISH SOLDIERS KILLED IN FIGHTING THERE WERE BROUGHT INTO THE JEWISH AREA. THE SOLDIERS WERE BEHEADED, STRIPPED OF CLOTHES AND SLASHED.

THE IRAQI ARMY, DEPLOYED IN THE NABLUS JENIN-TULKARM TRIANGLE, CONSTITUTES A PARTICULARLY EXPLOSIVE THREAT.

IT IS WELL EQUIPPED AND WELL SUPPLIED AS ARAB ARMIES GO. ITS 15,000 MEN ARE A LONG WAY FROM HOME IN A FOREIGN COUNTRY. THEY CAME TO FIGHT. IT IS HARD TO BELIEVE THEY CAN REMAIN LONG INACTIVE

WITHOUT BLOWING OFF STEAM IN SOME DIRECTION.
LIKE THE ARMIES OF EGYPT, SYRIA, LEBANON AND TRANS-JORDAN, THE IRAQI ARMY IS CONTROLLED BY ITS GOVERNMENT. THAT GOVERNMENT IS AS DETERMINED ABOUT THE PALESTINE ISSUE AS ARE THE MEN THEMSELVES.
TODAY PRINCE REGENT ABDUL ILAH OF IRAQ AND HIS PREMIER FLEW TO AMMAN FOR CONFERENCES EXPECTED TO DEAL WITH THE UNIFICATION OF THE IRAQI AND TRANS-JORDAN ARMY COMMAND.
ANYTHING CAN HAPPEN. OBSERVERS AGREE IT WILL--AND SOON. ALREADY SPORADIC FIGHTING HAS BROKEN OUT ALONG THE ARAB-JEWISH BORDERLAND. OFTEN THE JEWS SEEM TO BE THE AGGRESSORS. THEIR LEADERS BLAME IRGUN ZVAI LEUMI AND THE STERN GROUP, DISSIDENT ORGANIZATIONS.
BUT THEY ARE ALL JEWS TO THE ARAB. HE STRIKES BACK AT JEWS, AND SO BATTLES ARE BORN.

BY RICHARD N. GARDNER
NEW YORK, AUG 21-(AP)-THE ADMINISTRATOR OF THE LATEST FORM OF AMERICAN AID TO EUROPE SAID TODAY THE PROGRAM MAY TIP THE BALANCE IN THE "COLD WAR."
DR. EVERETT R. CLINCHY, PRESIDENT OF THE NATIONAL CONFERENCE OF CHRISTIANS AND JEWS, WHO IS GUIDING THE PROJECT, CALLED THE PROGRAM "THE SPIRITUAL COUNTERPART TO THE MARSHALL PLAN."
"THE UNITED STATES GOVERNMENT IS GIVING EUROPE ECONOMIC AND MILITARY HELP TO DEFEND ITSELF AGAINST TOTALITARIANISM," DR. CLINCHY EXPLAINED. "OUR JOB IS TO PROVIDE THE SPIRITUAL AID AGAINST THE MATERIALISTIC PHILOSOPHY WHICH IS CENTERED IN THE KREMLIN."
"SPIRITUAL RESISTANCE," HE ADDED, "MAY BE THE FACTOR WHICH WILL DECIDE THE COLD WAR."
THE INSTRUMENT WHICH DR. CLINCHY HOPES WILL FOSTER RELIGIOUS COOPERATION AMONG THE EUROPEAN COUNTRIES IS KNOWN AS THE INTERNATIONAL COUNCIL OF CHRISTIANS AND JEWS, OF WHICH HE IS THE PRESENT.
REPRESENTATIVES FROM 15 NATIONS OF EUROPE AND THE WESTERN HEMISPHERE ATTENDED THE FOUNDING CONFERENCE JULY 21 TO 27 AT FRIBOURG, SWITZERLAND. MOST OF THEM WERE EDUCATORS, RELIGIOUS LEADERS AND GOVERNMENT OFFICIALS.
THE CONFERENCE, DR. CLINCHY SAID, AGREED UPON A FOUR-FOLD PROGRAM TO PROMOTE INTER-FAITH COOPERATION ON AN INTERNATIONAL SCALE. THE REPRESENTATIVES OF EACH COUNTRY PROMISED TO BEGIN NATIONAL PROGRAMS THROUGH THE SCHOOLS, THE CHURCHES, CIVIC GROUPS AND THE INSTRUMENTS OF PROPAGANDA.
DR. CLINCHY CREDITS FORMER CHIEF JUSTICE CHARLES EVANS HUGHES WITH THE FIRST IDEA FOR AN INTERNATIONAL ORGANIZATION TO PROMOTE SPIRITUAL UNITY.
WHEN THE STATE DEPARTMENT EXPRESSED ITS APPROVAL OF THE IDEA IN 1947, DR. CLINCHY SAID, HE BEGAN A SERIES OF TRIPS TO EUROPE TO ENLIST THE AID OF LEADERS IN OTHER COUNTRIES.
THE INTERNATIONAL COUNCIL NOW HAS EIGHT OFFICIAL MEMBERS: THE UNITED STATES, CANADA, ENGLAND, SCOTLAND, WALES, SWITZERLAND, GERMANY AND ITALY.
THE SCANDINAVIAN COUNTRIES, HOLLAND, BELGIUM AND LUXEMBOURG, DR. CLINCHY SAID, ARE AT PRESENT ASSOCIATES.
COUNTRIES IN THE SOVIET SPHERE OF INFLUENCE ARE ALSO BEING SOUGHT IN THE INTERNATIONAL COUNCIL, DR. CLINCHY REPORTED. HE SAID REPRESENTATIVES FROM POLAND AND AUSTRIA ATTENDED THE FRIBOURG CONFERENCE AND THAT HE HAD BEEN IN COMMUNICATION WITH LEADERS IN CZECHOSLOVAKIA AND HUNGARY.

B16
"THERE HAS BEEN NO OPPOSITION SO FAR AS WE CAN LEARN BY THE NATIONAL COMMUNIST PARTIES," DR. CLINCY SAID. "BUT THE KIND OF WORLD THAT PROTESTANTS, CATHOLICS AND JEWS WANT IS CERTAINLY INIMICABLE TO PRACTICES IN THE SOVIET-DOMINATED COUNTRIES."
DR. CLINCHY SAID HE THINKS THE SOVIET UNION EVENTUALLY WILL BE REPRESENTED.
"RUSSIA WILL DISCOVER THAT IT CAN NOT INDEFINITELY RUN SOCIETY ON A MATERIALISTIC BASIS," HE SAID. "THE MASSES OF THE RUSSIAN PEOPLE ARE SPIRITUALLY-MINDED AND WILL FINALLY EMANCIPATE THEMSELVES FROM THE MARXIST IDEOLOGY."

NEW YORK, AUG. 21-(AP)-DR.JOSE ARCE, CHIEF DELEGATE TO THE UNITED NATIONS FROM ARGENTINA, SAID TODAY HE WILL ASK THE GENERAL ASSEMBLY TO ADMIT THE SEVEN COUNTRIES WHOSE U.N. MEMBERSHIP HAS BEEN BLOCKED BY THE SOVIET SECURITY COUNCIL VETO.
DR.ARCE MADE THE STATEMENT AS HE SAILED ABOARD THE QUEEN ELIZABETH TO PRESIDE OVER THE OPENING OF THE GENERAL ASSEMBLY SESSION IN PARIS.
SEVEN COUNTRIES--ITALY, AUSTRIA, FINLAND, TRANSJORDAN, IRELAND, PORTUGAL AND CEYLON--ALL RECEIVED A MAJORITY VOTE OF APPROVAL FROM THE SECURITY COUNCIL BUT WERE DENIED ADMISSION BY THE RUSSIAN VETO, DR.ARCE SAID.
UNDER HIS INTERPRETATION OF THE U.N. CHARTER, THE ARGENTINE DELEGATE EXPLAINED, THE GENERAL ASSEMBLY CAN VOTE ON THE ADMISSION OF THE COUNTRIES EVEN WITHOUT A FAVORABLE RECOMMENDATION FROM THE SECURITY COUNCIL.
SIR ALEXANDER CADOGAN, CHIEF BRITISH DELEGATE TO THE U.N. SECURITY COUNCIL, ALSO SAILING, SAID IT WAS HIS INTERPRETATION OF THE CHARTER THAT DR.ARCE'S PROPOSAL COULD NOT BE CARRIED OUT.
"ACCORDING TO THE STRICT MEANING OF THE CHARTER, YOU CAN'T DO THAT," HE SAID. "YOU HAVE GOT TO HAVE A FAVORABLE RECOMMENDATION FROM THE SECURITY COUNCIL. THAT'S VERY UNFORTUNATE, BUT THAT'S THE CASE."
CADOGAN ALSO COMMENTED ON A REPORT FROM LAKE SUCCESS THAT THE BRITISH WOULD NOT SUPPORT ISRAEL'S APPLICATION FOR U.N. MEMBERSHIP HE EXPLAINED HIS DELEGATION TOOK THIS POSITION BECAUSE BRITAIN HAD NOT YET RECOGNIZED THE COUNTRY.

AMERICAN AUTHORITIES IN BERLIN EXPRESSED FEAR OF A CLASH BETWEEN OCCUPATION FORCES AS RUSSIAN SOLDIERS AGAIN INVADED THE AMERICAN SECTOR OF THE BLOCKADED CITY YESTERDAY (SAT) AND SEIZED GERMAN POLICE.

THE AMERICANS WERE SEEKING DIRECT DISCUSSIONS WITH THE RUSSIAN COMMANDERS TO ARRANGE A TRUCE BETWEEN RIVAL GERMAN POLICE FORCES IN THE SOVIET AND WESTERN SECTORS BUT THE SOVIET COMMANDERS WERE REPORTED AWAY FOR THE WEEKEND.

FAILING A SETTLEMENT, AN AMERICAN SPOKESMAN SAID, "SOMETHING MIGHT HAPPEN THAT WILL INVOLVE MORE THAN THE GERMANS."

IN THE LATEST KIDNAPPING REPORTED BY POLICE HEADQUARTERS, "NUMEROUS" RUSSIAN SOLDIERS STABBED AND BEAT TWO PLAINCLOTHES DETECTIVES NEAR THE RAILROAD STATION IN THE AMERICAN SECTOR AND THEN CARRIED THEM OFF. TWO OTHER GERMAN POLICE WERE SEIZED IN THE BRITISH SECTOR OF THE CITY YESTERDAY, BUT ONE ESCAPED.

IN FRANKFURT, GERMAN SOURCES SAID NEW MOVES ARE UNDER WAY TO GIVE NON-COMMUNIST IN THE SOVIET OCCUPATION ZONE REPRESENTATION IN THE CONTEMPLATED WEST GERMAN GOVERNMENT. THE MOVE WAS SAID TO HAVE BEEN SPURRED BY THE BRIGHTEST ECONOMIC OUTLOOK FOR WESTERN GERMANY SINCE THE WAR.

THE THREE WESTERN DIPLOMATS IN MOSCOW, WHO HAVE BEEN ATTEMPTING TO RESOLVE THE CRISIS IN GERMANY THROUGH FOUR-POWER TALKS WITH SOVIET OFFICIALS, WILL NOT HAVE ANOTHER MEETING WITH SOVIET FOREIGN MINISTER V.M.MOLOTOV THIS WEEKEND, AN AMERICAN EMBASSY SOURCE PREDICTED.

THE THREE ENVOYS MET AT THE BRITISH EMBASSY BRIEFLY. DIPLOMATIC SOURCES IN PARIS THOUGHT THE FOUR-POWER TALKS MIGHT BE FINISHED BY TONIGHT, HOWEVER. THESE SOURCES DENIED REPORTS OF A RIFT BETWEEN WESTERN DIPLOMATS IN THE MOSCOW TALKS.

BRITISH FOREIGN SECRETARY ERNEST BEVIN MET WITH FRENCH AMBASSADOR RENE MASSIGLI IN LONDON, BUT A FOREIGN OFFICE SPOKESMAN WOULD NOT REVEAL THE SUBJECT OF THE DISCUSSION.

THE BEHEADED AND MUTILATED BODIES OF TWO JEWISH SOLDIERS WERE BROUGHT INTO THE JEWISH-CONTROLLED AREA OF JERUSALEM. THEY WERE KILLED DURING FIGHTING ON THE "HILL OF EVIL COUNSEL" WHEN BOTH JEWS AND ARABS STORMED INTO A NEUTRAL ZONE OCCUPIED BY THE RED CROSS.

A35

A CONFERENCE UNDER UNITED NATIONS AUSPICES WILL BE HELD TODAY (SUN) TO DISCUSS NEUTRALIZATION OF GOVERNMENT HOUSE, IN THE HEART OF THE RED CROSS ZONE. MILITARY COMMANDERS OF TRANS-JORDAN, EGYPTIAN AND ISRAELI FORCES, RED CROSS AND U.N. OFFICIALS WILL ATTEND.

THE GREEK GENERAL STAFF SAID ITS VICTORIOUS DRIVE IN THE GRAMMOS MOUNTAIN ARE HAD CUT COMMUNIST LEADER MARKOS VAFIADES' "FREE GREECE" TO AN AREA OF EIGHT SQUARE MILES.

GREEK SOURCES SAID, HOWEVER, THAT THE END OF THE GRAMMOS CAMPAIGN WILL NOT END THE CIVIL WAR. POCKETS OF COMMUNIST GUERRILLA BANDS THROUGHOUT GREECE MUST STILL BE CLEANED UP AND A PLAN IS NEEDED FOR SEALING THE BORDERS OF NEIGHBORING COUNTRIES SAID TO BE HELPING THE GUERRILLAS.

THE FIRST INTERNATIONAL ASSEMBLY OF THE WORLD COUNCIL OF CHURCHES MEETS TODAY IN AMSTERDAM. REPRESENTATIVES OF 150 PROTESTANT AND ORTHODOX CHURCHES IN 42 NATIONS WILL GATHER IN WHAT DR.HENRY S. LEIPER OF NEW YORK TERMED A "VISIBLE, TANGIBLE AND PRACTICAL

DEMONSTRATION TO THE WORLD THAT THE CHURCH CAN HOLD ITSELF TOGETHER."
DR.LEIPER, GENERAL SECRETARY OF THE COUNCIL, SAID THE ASSEMBLY'S OUTSTANDING IMPORTANCE IS "AS AN EXPRESSION OF THE SENSE OF WORLD COMMUNITY WHICH WE NEED UNLESS THE WORLD IS TO BECOME CHAOS LEADING FINALLY AND NECESSARILY TO SELF-DESTRUCTION."

ISRAEL APPEALED TO THE 11-MEMBER SECURITY COUNCIL FOR VOTES AS A PRELUDE TO FILING A FORMAL APPLICATION FOR MEMBERSHIP, PROBABLY AT THE OPENING OF THE GENERAL ASSEMBLY IN PARIS SEPT.21.

THE BRITISH SPOKESMAN SAID THE SITUATION IS TOO OBSCURE IN PALESTINE NOW FOR LONDON EITHER TO RECOGNIZE ISRAEL OR VOTE FOR ADMITTING IT TO THE UNITED NATIONS. BRITAIN WILL VOTE "NO," HE SAID, UNLESS THE SITUATION CLARIFIES CONSIDERABLE BEFORE FORMAL VOTING BEGINS.

london, aug. 21 -(AP)- the manchester guardian demanded today that Britain release three german field marshals held as prisoners of war.

the guardian said their continued imprisonment by the british is "repugnant to our sense of justice."

they are fritz eric von manstein, kurt rudolf gerd von rundstedt and walther von branchitsch, all held prisoner in germany.

the three captured enemy commanders had never been brought to trial as war criminals, said the guardian, and could not be considered dangerous since they are all over 60 and two of them are ill.

"one suspects that the foreign office, which is apparently responsible for their treatment, has fallen victim to that pernicious heresy which flourishes in soviet russia -- the heresy which identifies men as members of a class and not as individuals," the guardian said.

"it is not a crime to be a field marshal any more than it is a crime to be a capitalist. what matters is how a man behaves. since von manstein, von rundstedt and von branchitsch have never been charged with any crimes, they should be released as free men."

their case has received wide recent attention in the british press, and it is

Thomas Headen Forced into Jeep by Soldiers Armed With Tommyguns

NEW TENSION GRIPS CITY

British Arrest Chief of the Red-Controlled Criminal Police

BERLIN, (Monday) Aug. 23—(AP) A Soviet military police patrol arrested an American military government official yesterday in Berlin's downtown Potsdamer Platz and took him away in a jeep.

American authorities said early today, however, they expected the release of Thomas Headen, deputy chief of the American Military Government's information control division, "some time today."

Wife, Children Present

Headen was arrested by Russian soldiers as he stepped off a curb in Potsdamer Platz, Berlin's "no man's land." His wife and two children looked on helplessly as he was taken away.

It was not clear whether Headen stepped into the Russian sector when he left the curb, because the boundary lines in the big city square are poorly defined. Although one side of the street is in the British sector and the other in the Russian, officers at the spot apparently were not clear concerning the jurisdiction of the street itself. Some officials said it was possible he had stepped into the Russian sector.

American eyewitnesses said Headen was forced into the jeep by three Russian soldiers armed with tommyguns.

Headen had stepped off the sidewalk on the British side of strife-ridden Potsdamer Platz where the British, Soviet and American sectors meet in downtown Berlin. The whole platz, or square, has been a "no man's land" for east and west since several hundred Germans stoned Soviet controlled German police there last week in a riot in which four Germans were shot.

Headen was carrying a camera but was not using it. Soviet patrols recently have tried to arrest all cameramen on sight.

Red Police Chief Arrested

Late yesterday the chief of the Soviet-controlled criminal police, Franz Erdmann, was arrested by British sector police at Olympic Stadium while watching a boxing match. It was not learned whether the arrest was a retaliatory measure for Soviet abductions of western sector police.

British military police said Headen was standing close to two other persons taking pictures, although his own camera was folded up. The other two picture takers ran when the Soviet jeep rolled into the square.

Increasing Soviet hostility in the struggle to force the western powers from the city, coupled with renewed Soviet press attacks on the western powers, were taken as indications here that Soviet authorities in Germany do not expect any settlement to come out of the present four power talks in Moscow.

Headen has criticized the Russians for suppressing freedom of expression in their zone of Germany by police methods. He said in a broadcast last February that they "have the same fear of truth and criticism which was displayed by the Nazi dictatorship.

Headen once was a member of the staff of the New York Sun. His last address before leaving for Europe was Hempstead, Long Island, N. Y. He formerly lived in Kansas City, Mo.

Wife Tells of Kidnaping

Mrs. Headen told American military police headquarters that her husband had just stepped off the curb and was standing and watching the square when the Russians drove up.

"He did not run because he was afraid they would shoot,' she said. "They just yanked him into the jeep."

She said she and her husband, with their two children, aged five and 10, had gone to the Potsdamer Plat 'out of curiosity" as a result of the east-west strife there in the past few days.

Mrs. Headen said her husband had been taking pictures from behind the British barbed wire barricade a short time before the Russians drove up, but at the time he was arrested his camera was thrown over his shoulder.

American liaison officers began immediately to attempt to obtain Headen's release.

Armed American and British guards were installed in the area of the Potsdamer Platz after the Russians had made forays into the British and U. S. sectors to kidnap German policemen in a campaign ostensibly directed against black marketeers.

The British also had erected the barbed wire barricade as a protection against incursions of Russian soldiers and Soviet sector police.

Lt. Col. E. R. Kelly, U. S. deputy provost marshal, reported the situation was peaceful earlier today.

Reporters touring Soviet-American borders yesterday found most permanent guard posts had been replaced by motorized military police patrols. Most Russian forces appeared to have been withdrawn.

Propagandists Active

The Communist pressure campaign against western Berliners shifted to the propaganda front again. Two Russian-controlled newspapers declared western marks would be withdrawn from Berlin, and the Russians dangled the lure of 25,000 job openings in their sector before Germans thrown out of work because of the blockade.

The Russian-Controlled National Zeitung said the withdrawal of western currency from Berlin was decided on by the four power diplomats at Moscow and that Soviet-sponsored marks only would be used.

The report, the third in the newspaper in four days, was unattributed and unconfirmed. At the same time the official German Communist organ, Neues Duetschland, said it had learned from "London reports" that western currency would be withdrawn.

American MP's guarding the sector border were concentrated at strategic bridges across the Spree river. Supported by German police units, squads were posted at the Brammy and Schilling bridges.

Col. Kelly denied reports that Soviet soldiers again entered the U. S. zone. He said he could not confirm a report that GI's prevented a truckload of Soviet troops from crossing the Schilling bridge, but added:

"If they did, that's what they're there for — to keep the Russians out."

AUG 23 1948

Kelly said 42 military police patrols of two men each had been assigned to 24-hour duty at border points, along with nine roving motor patrols.

The Russians and their German Communist allies said the raids against western sector elements concern only black marketeers and "Nazi rowdies."

This cry was raised especially over last Thursday's raid at the Potsdamer Platz by the Communist-controlled police from the Russian sector.

The raid turned into a riot as the angry Germans pelted the police with stones and the police answered with gunfire which wounded four persons.

The western allies and western Berlin political leaders assert the main purpose of the raids is to terrorize Berlin's overwhelmingly anti-Communist population and to embarrass the western powers by armed invasions of territory under their jurisdiction.

The official Soviet army newspaper *Taegliche Rundschau* continued its blasts against the West. It denounced the western areas of the city as "gangster sectors" and charged western-sector German police were "Fascist criminals."

The Soviet allegations against the western police obviously were in reply to a statement by Col. Frank L. Howley, United States commander in Berlin, declaring the leaders of the Soviet-sector police were criminals.

Curb On Death Certificates

While the Russians boasted they had 25,000 jobs open in their Berlin sector and many more in the Soviet zone, their own controlled press admitted economic difficulties in the zone. These included shortages of food, farm machinery and raw materials.

The western-licensed press said the food situation was so bad in the Russian zone that Soviet authorities had forbidden German doctors to sign death certficates which gave as causes tuberculosis or under-nourishment.

The Soviet offer of jobs was the fourth attempt to wean the sympathy of 2,075,000 western Berliners away from the western allies. The Russians previously had offered food and coal to the people and power and raw materials to factories. There were few takers among western Berliners.

Adding to the food shortage in the Soviet zone was damage caused by floods in the Spreewald region. The Russian-controlled press said a force of 12,500 had been rushed in to stem the waters. The floods were attributed to recent heavy rains and lack of protective dams.

Had Criticized Reds

BERLIN, Aug. 22 (AP).—Thomas P. Headen, the American information officer arrested by Soviet military police today, had criticized the Russians for suppressing freedom of expression in Germany by police methods.

As deputy director of the American Military Government's Information Division, he said in a broadcast last Feb. 26 that the Russians "have the same fear of truth and criticism which was displayed by the Nazi dictatorship."

"The trouble seems to be," Mr. Headen said, "that three of the occupying powers (in Germany) believe in freedom of expression at home and the fourth does not. Apparently this one power cannot afford to give the German people rights which it denies to its own citizens."

Was Reporter in New York

Mr. Headen was a reporter for "The New York Sun" for about ten years before he entered the Army in 1943. He is a native of Kansas City, Mo., and a graduate of the University of Missouri.

After working for a while on the old "Kansas City Journal," he came to New York and joined the "Sun" staff in the early 1930's. There he did general reporting and rewrite work.

Mr. Headen entered the Army as a commissioned officer assigned to the Allied Civil Affairs Command. He attended the American Military Government School at the University of Virginia and was sent overseas.

Currency Report Is Repeated

BERLIN, Aug. 22 (AP)—The Russian-controlled newspaper National Zeitung declared again today the Moscow diplomatic conferees had decided only the Soviet-sponsored currency should be used in Berlin and that the Western mark should be withdrawn.

This was the third time in four days the National Zeitung had made this claim. Originally it attributed its information to Paris sources. Its latest report was unattributed.

The official Soviet Army newspaper, The Taegliche Rundschau, did not carry the report, nor did the Soviet-licensed news agency. The Taegliche Rundschau's report on the Moscow talks was confined to one paragraph, predicting a further meeting of the Western diplomats with Mr. Molotov.

At the same time the official German Communist organ, the Neues Deutschland, said it had "London reports" that Western German currency would be withdrawn.

These reports coincided with a renewed propaganda broadcast in the Soviet-controlled press against the Western currency. Headlines reiterated Russian allegations that the dual currency had caused economic chaos in Berlin, "which belongs to the Soviet occupation zone."

British Air Lift Is Flying Goods Out of Berlin, Too

BERLIN, Aug. 22 (AP). — The British announced tonight that goods worth 12,300,000 west deutschemarks have been exported from Berlin by British planes since the Soviet blockade of the city began two months ago. (The deutschemark is figured unofficially at 30 cents.)

It was the first announcement by either Americans or British that they had tried to keep Berlin's trade going by air.

The British said food stocks for West Berliners are higher than they were when the blockade started and that coal supplies are adequate for essentials. "It can now be said that the Soviet attempt to completely disrupt the economic life of the Western sectors has failed," the announcement stated.

Bad weather hampered air operations today, but in the period ending at noon 375 American planes brought in 2,846 tons of supplies and 286 British planes about 1,100 tons.

Only 40 of 2,500 Germans Held

BERLIN, Aug. 22 (AP)—The Soviet official press said today that only forty of more than 2,500 persons seized in raids last week still were held. It declared twenty of them had been identified as stone throwers in the Potsdamer Platz riot.

While the Russians said they had 25,000 jobs open in their Berlin sector and many more in the Soviet zone, their own controlled press admitted economic difficulties in the zone. These included shortages of food, farm machinery and raw materials.

The Western-licensed press said the food situation was so bad in the Russian zone that Soviet authorities had forbidden German doctors to sign death certificates that gave as causes tuberculosis or under-nourishment.

Adding to the food shortage in the Soviet zone was the damage caused by floods in the Spreewald region. The Russian-controlled press said a force of 12,500 had been rushed in to stem the waters. The floods were attributed to recent heavy rains and lack of protective dams.

The Berlin Zeitung said a fifty-mile area had been inundated. The newspaper said at least 2,000 acres of potatoes already had been lost, and that damage to vegetables and green crops had been "even worse."

Reds Return British Pilot

Jet Also Recovered After Forced Landing in Soviet Zone

BERLIN, Aug.22 (AP).—The British press center in Berlin said tonight the pilot of a British Vampire jet fighter plane who made a forced landing last week near Gadebusch, in the Russian occupation zone, has been returned to the British zone.

An announcement said the pilot, Peter Jordan, was returned to a Royal Air Force station in Luebeck. The plane also was returned. Russian sources reported the pilot was uninjured and said the plane was damaged only slightly.

An R. A. F. recovery unit crossed into the Soviet zone yesterday morning to salvage the plane, after receiving Russian permission to do so.

Massacre Threat Linked To A-Bomb

London, Aug. 22 (AP)—A British clergyman today raised the question whether atomic bombs were dropped on Japan because of a reported Tokyo threat to massacre war prisoners in retaliation for any invasion.

The Rev. Percival Gouch, rector of the Acton (West London) Church, said the 1948 Crockford's *Clerical Directory*, to be published this week, calls on those who know the answer to speak out. The directory is an Oxford University press publication listing clergymen of the Church of England.

During his sermon, the minister quoted the directory as follows:

"We have seen it stated that when the Japanese saw that defeat had become inevitable they informed His Majesty's Government and the Government of the United States through a neutral power that if a landing were attempted on any part of their territory the prisoners of war in their hands would be massacred to the last man. . . .

"There must be a few people both here and in America who really know whether this is true or not. We think that the time for them to speak has now come."

Caffery Calls on French To Rebuild Beside U. S.

FONTAINEBLEAU, France, Aug. 22 (AP). — American Ambassador Jefferson Caffery appealed to the French today to work with the United States against "those adversaries who want to prolong the misery of the post-war period."

Speaking at ceremonies where he was made an honorary citizen of Fontainebleau, Mr. Caffery said the two countries have the same civilization, ideals and objectives.

"We French and Americans would be blind if we did not notice evidence of grave dangers menacing the reconstruction of Europe," he said. "Let us not permit sabotage of our work of reconstruction improvement."

The Ambassador then urged the French to increase their efforts toward success of the European Recovery Program.

Dulles Won't Talk With Emissaries

Amsterdam, Aug. 22 (AP)—John Foster Dulles, Republican party adviser on American foreign policy, said today some foreign emissaries had intimated they want secret talks with him.

Here as a Presbyterian lay delegate to the Assembly of the World Council of Churches, Dulles said he is not seeing any of them. He declined to tell the names of the persons who approached him or say what country or countries they came from.

He said he will speak Tuesday on the American attitude toward peace. He added that politics alone can never achieve peace; "moral forces of the world are basically more powerful."

A late dispatch from The Hague said Lewis W. Douglas, United States Ambassador to London, had arranged to see Dulles in Amsterdam Tuesday. The dispatch said there was speculation that the Moscow negotiations over the Berlin blockade would be discussed.

Dulles said he expects to leave for New York Wednesday night.

Benelux Bread Rationing To End

Brussels, Aug. 22 (AP)—Total abolition of bread rationing in the Benelux nations — Belgium, the Netherlands, and Luxembourg — is scheduled for November, at the latest.

As a step toward this goal, it was announced today the daily bread ration of 300 grams in Belgium will be increased in September to 500 grams (about 17½ ounces).

U.S. Closes Bastogne Cemetery

Bastogne, Belgium, Aug. 22 (AP). The American military cemetery of Bastogne was closed today after a short ceremony. The bodies will be returned to the United States or taken to the Henri Chapelle American Permanent Military Cemetery.

Greeks Open New Campaign

Athens, Aug. 22 (AP)—Greek Army forces are engaging Communist guerrillas in battle in the Vitsi area in a quick move to follow up the victory in the Grammos Mountains, a communiqué said today.

A spokesman said the Vitsi area is only 10 to 15 square miles and contains no natural defenses such as the Grammos Mountains. He estimated at least 1,500 guerrillas are in the sector.

The general staff spokesman said the Government army had broken the resistance in the last Grammos pocket and now is counting casualties to determine the success of a two-month campaign. Unofficial reports said 1,000 dead rebels were counted in the last 3 days.

Many Guerrilla Bands

Politically Markos Vafiades, the guerrilla leader, needs the recapture of a section of Greece for his Communist "Free Greece." There are still many guerrilla bands in the country, but they now hold no particular area.

Press reports said Greek Spitfires attacking the last pocket of the Markos forces yesterday were fired upon from inside Albania. One fighter was hit and had to make a forced landing.

The Markos radio described the Communist defeat as a "withdrawal according to plan."

Press reports also said 60 guerrillas were killed and 30 captured when they tried to cross their own minefield at one sector of the Grammos front. At Pakiohori, last seat of the Markos government in Greece, the Greek Army found luxurious furniture and part of the archives.

Gen. Stelios Kitrilakis, deputy chief of staff, said at army headquarters in Kozane that the Grammos victory marks the downfall of Vafiades, the so-called democratic army and "Free Greece."

Political Question Seen

The capture of Grammos is such a blow to the guerrillas that one can anticipate the rebellion will be suppressed by the end of the year," he said. "The end of the war is a political more than military question, however."

He said it is possible the Communist defeat may be followed by a guerrilla appeal for peace.

General Kitrilakis declined to discuss plans for the winter occupation of the Grammos range, but American military authorities expressed the belief 10,000 men could hold the former rebel stronghold.

NAZI HANGED IN POLAND

WARSAW, Aug. 22 (AP) — Dr. Joseph F. Buehler, 44, former Secretary of State to Dr. Hans Frank, the Nazis Governor General of Poland, has been hanged at Cracow for war crimes, it was announced today.

The Supreme National Tribunal convicted Buehler July 10 of engineering the killing of more than 2,000,000 Jews and the deportation of almost 2,000,000 Poles. His widow and two children live in Germany.

PRAVDA FUMES AT 'GANGSTER' TACTICS IN U.S.

AUG 23 1948

Links State Department To 'Provocations,' But Is Silent On Consul

Moscow, Aug. 22 (AP)—*Pravda* declared today the United States State Department is encouraging "unprecedented provocations" against Soviet citizens in the United States to "cover up the failure of foreign policy."

The official organ of the Russian Communist party said, in an article by Commentator M. Marinin, that "the strategists of the 'cold war' truly are in a fury."

The article raged at "White Guards" and "gangster actions of American police." But no mention was made in *Pravda* or other Moscow papers of the State Department note demanding the recall of Consul General Jacob Lomakin.

[The note charged Soviet officials with improper conduct in the New York case of the Russian schoolteachers, Mrs. Oksana Kasenkina and Mikhail Samarin.]

Adds To Charges

The *Pravda* article not only repeated all those charges to which the State Department objected in its note but this time specifically named the State Department itself in charging ties between "Russian Emigre White Guard terrorist" organizations and United States Government organs.

"The anti-Soviet campaign . . . is accompanied by unprecedented provocations against Soviet citizens on the part of White Guard terrorist centers, which act on the direct orders of the American security and other American Government organs," *Pravda* said.

"Matters have reached the point when the gangster actions of the American police, which do not shrink from direct violation of the legal rights and privileges of the Soviet consular representation in New York, are encouraged and protected by the United States State Department.

Comments On Danube Pact

"It is high time that certain extremist lovers of the 'cold war' understood that the methods of provocation and blackmail are powerless to cover up the failure of foreign policy."

Commenting on another point of conflict between the United States and Russia, *Pravda* said the refusal of Britain, France and the United States to sign the new Danube pact "would not in the slightest degree have an influence on the coming into force of the convention."

Pravda termed the pact a "new victory for the Stalinist foreign policy of the U.S.S.R. first of all."

The newspaper said those who disregarded Soviet Deputy Foreign Minister Andrei Y. Vishinsky's warning that ultimatums must be "left outside the door of the conference hall," calculated on damaging the authority of the treaty.

"They only secured the exclusion of themselves from the list of participants in the convention," it said.

NEW KREMLIN TALK ON BERLIN DELAYED

Western Envoys Wait in Vain Two Hours for Molotov Call—Outcome Still in Doubt

T. P. WHITNEY

MOSCOW, Aug. 22 (AP) — The Western envoys negotiating with the Kremlin on the German situation conferred again here today and awaited a call to see Soviet Foreign Minister Molotov, but the call did not materialize.

[The Western envoys are expected to tell Mr. Molotov their terms Monday afternoon at the Kremlin, and if Soviet officials agree in principle to these as a basis, Big Four talks are likely to be speedily fixed, probably in Paris, a Reuters dispatch from Moscow said.]

French Ambassador Yves Chataigneau and British Special Emissary Frank Roberts met for an hour and forty-five minutes with United States Ambassador Lieut. Gen. W. Bedell Smith at his residence. The envoys stood by until they had definite news there would be no four-power meeting today.

This is the longest interval between the four-nation sessions since the talks got under way. The last talk with Mr. Molotov took place Aug. 16. Previously the conferences were three or four days apart.

Western Discord Reported

The long gap, plus the numerous United States-British-French talks, have given rise to rumors here that there is disagreement among the three powers themselves. If there is such a disagreement, the most likely issue at stake is the question of the dual Berlin currency. It is known that the British did not see eye to eye with the United States officials on this subject in earlier talks.

Until the Western envoys have talked with Mr. Molotov again, and possibly also with Premier Stalin, they themselves will not know the outcome of their mission to reach an agreement with the Russians.

The three Western envoys had believed they perhaps might be received today and waited at Ambassador Smith's residence until the no-meeting news came.

Observers here were inclined to ascribe the delay to the fact that it was Sunday, and Soviet officials now rarely use the Sabbath for meetings or business.

DANUBE PACT DEFENDED

Pravda Says Refusal of Allies to Sign Will Not Affect It

MOSCOW, Aug. 22 (AP)—Pravda said today that the refusal of the United States, Britain and France to sign the new Danube pact "would not in the slightest degree have an influence on the coming into force of the convention."

The Communist party newspaper in effect answered a sharp statement issued by United States Ambassador Cavendish Cannon at the recently completed Belgrade meeting. (Mr. Cannon accused Russia of "deception" in its plan to control the waterway and said the Communist bloc had been used with "cynical" solidarity to achieve the Soviet aim.)

Pravda called the pact a "new victory for the Stalinist foreign policy of the U.S.S.R. first of all."

Religious Education Ban In Japan Stirs Storm

Tokyo, Aug. 22 (AP)—A ban on religious education in public schools has roused a storm among teachers, parents and pupils.

The education ministry's orders include prohibition against public school groups visiting shrines and temples. Since almost all famous places in Japan are linked with a shrine of some sort, teachers say this hampers their history classes.

They also say literal application would prevent even the favorite sport of climbing Mt. Fuji.

Education Minister Tatsuo Morito promised today to take the rule under advisement.

Jap Rail Strikers Face Arrest

Tokyo, Aug. 22 (AP)—Warrants were issued today for arrest of 325 striking railway workers on Hokkaido. The newspaper *Asahi* said 525 others returned to work last night after being warned that their strike violated the Government decree against walkouts by Government employés.

Jap Resort Needs Money To Dispose Of Suicides

Atami, Japan, Aug. 22 (AP)—The City Assembly for this seaside resort is studying a supplemental appropriation for disposal of the bodies of suicides.

Atami is such a favorite scene for suicidal leaps by unhappy lovers that the 300,000 yen (about $1,100) annual appropriation for recovering bodies already has been exhausted.

City officials said thus far they had disposed of 60 cases, since spring, but this is not an accurate guide to the number of deaths, since a "case" often means a pair of lovers rather than one.

MALAYAN REDS SEEN ACROSS SIAM BORDER

SINGAPORE, Aug. 22 (AP)—The Singapore newspaper Straits Times said today in a dispatch from Kota Bharu, capital of Kelantan state, that armed Chinese Communist bands of fifty to 400 each were reported to be camping just across the border between Siam and Malaya.

The dispatch said that high Government and police officials had refused to comment on the reports, but that it was believed that the situation had been outlined in conferences at Kota Bharu last Tuesday attended by Sir Alec Newboult, Acting High Commissioner of the Malay Federation, and Gen. Sir Neil Ritchie, Commander in Chief of the British Army in the Far East.

The Straits Times said that "A column of green-uniformed Chinese carrying arms was seen walking openly in the streets of Sungei Goloh," the main frontier station on the Siamese side of the eighty-five-mile-long Kelantan border.

British Censor Press Copy

Singapore, Aug. 22 (AP)—The British Government has moved a step closer to wartime censorship in Malaya as a result of the drive to quell Communist-led insurgents.

A Government announcement said yesterday press representatives will "not normally be permitted to accompany the forces on operations unless they are prepared to have their copy vetted (okayed) by police or the service authority concerned before publication."

Six weeks ago, when two correspondents accompanied troops and police for the first time during field operations in the Kuala Lumpur area, their stories were checked by a Government public-relations officer, but no changes were made. The public-relations officer said the check was made only to determine whether it was wise to permit correspondents to accompany the forces.

Photographs Need Approval

The new press regulations, which the Government announcement said had been decided upon by the "local defense committee in the Federation of Malaya," said photographs taken during operations in which police participate "must be vetted by police authorities before publication.

"It is understood this is being done to prevent publication of pictures of police informers and plain-clothes detectives.

The announcement said the army is putting its public-relations organization on a "wartime basis."

Huk Reassures Filipino Chief

Manila, Aug. 22 (AP)—Luis Taruc, Communist chief of the Hukbalahap peasant guerrillas, sent word to President Quirino today that he had not gone underground but was merely "in the field," advising his men to keep the peace.

The Government recently extended amnesty to Taruc and his 50,000 followers, but last week's deadline for surrender of their arms passed without result. Taruc vanished from Manila.

At the same time Taruc was sending his reassuring letter to President Quirino today, Gov. José B. Lingad of Pampanga province charged that Taruc had purposely caused the amnesty to fail.

Charges Reneging On Bargain

In a statement he said that Taruc had gained $8,500 in back pay as a Congressman, had been accorded a seat in Congress, and had accomplished the removal of constabulary commanders and disarming of civilian guards without making good on his side of the bargain.

Taruc, he asserted, was trying to perpetuate unrest until a Soviet state could be achieved.

The Governor said eleven persons had been killed in his province in "Huk" disorders in the past week.

3 Navy Men Killed By Blast In Guam

Guam, Aug. 22 (AP)—Three Navy men were killed, one was missing and one was burned critically today in a spectacular fire and series of explosions among Navy gasoline tanks.

The fire began about 1.15 A.M. and raged for more than five hours.

The explosions and flames aroused the whole island, and drew thousands of spectators to the scene five miles from Apra, Gaum's principal town.

Started In Freak Fashion

Navy men said unofficially the fire began in freak fashion as workers were filling a 10,000-gallon tank of aviation gasoline.

A defective gauge caused them to overfill the tank. Gasoline flowed into an adjoining ravine, where the fumes overcame several men.

Aid was summoned, and a spark from a jeep entering the area caused the initial explosion.

The fire quickly spread to three tanks and there were several subsequent explosions.

Three Dead, One Missing

The Navy listed as dead three enlisted men, including two chief petty officers. Another enlisted man was missing, but the ruins were still too hot tonight for a complete search.

One of the chiefs was killed when he went into the flames in an attempt to rescue the missing man.

Damage, confined to the tank area, was not estimated.

About 1,000 civil service workers were driven from homes near the fire zone.

said the league also had rejected the invitation on the ground the Arabs do not recognize "any such gang as the psuedo-government of Israel, which has no international status."

King Abdullah of Trans-Jordan declared at that time, however, that possibilities of peace between the Jews and Arabs should be considered.

Trans-Jordan Probably First

The Israeli Foreign Office spokesman said that if separate peace talks take place, Trans-Jordan would most likely be the first country on the list. He would not disclose whether Trans-Jordan or other Arab countries already had been approached.

The Israeli Army opened a widespread search for draft evaders. The army threw a tight cordon around Tel Aviv last night, imposed a curfew in 30 districts, and began house-to-house searches for persons evading military service. The checkup is expected to take several days.

[Swedish Maj. Gen. Aage Lundstroem, chief of the United Nations truce observers staff, said at a news conference in Haifa that the "truce is respected on all fronts except in the Jerusalem area." Lundstroem had been on a three-day trip to Tel Aviv, Ramallah and Jerusalem.

[He said the 300 United Nations military observers requested by Count Bernadotte, the United Nations mediator, all will be on duty in the Middle East with the arrival of the last American officers August 26. He said 66 will be posted in Jerusalem, 24 with Tel Aviv-Jerusalem convoys, 35 will supervise airports in Middle East countries, 22 will supervise coasts and seaports, 113 will be used for ground control and 40 at headquarters. He said he also expected an additional 300 enlisted men.]

Israel Asks Peace Talks With Separate Arab States

JAS. M. LONG

Tel Aviv, Israel, Aug. 22 (AP)—The Israeli Government made a new bid today for peace talks with the Arabs.

An Israeli Foreign Office spokesman said Israel is prepared to undertake "separate peace talks with each of the Arab countries."

A previous Israeli bid for peace talks, transmitted through the United Nations mediator, Count Folke Bernadotte, was turned down by the Egyptian Government. A source close to the Arab League

Arabs, Jews Deadlocked Over Neutrality Dispute

Jerusalem, Aug. 22 (AP)—Arabs and Jews, meeting in a monastery in Jerusalem's no-man's land, argued inconclusively for five hours today over restoring neutral status to an Arab college and a Jewish agricultural school for girls.

Rifle fire and the thud of mortar shells were plainly heard throughout the meeting.

The two points under argument—which were supposed to be under Red Cross control—were occupied by the Jews two days ago.

United Nations truce observers, who arranged the meeting between the belligerents, demanded that the Jews first evacuate the buildings within 24 hours and that the Arabs then withdraw their positions about five eighth of a mile from the disputed area within 48 hours.

Decisions Awaited

After discussion, the United Nations representatives modified their demands to insist that the Jews pull out of the buildings first. The Arabs asked that the Jews also consider withdrawing their forces to a distance of about 300 yards from the buildings.

Capt. Moshe Dayan, the Jewish representative, said he would have to refer the demands to higher Jewish authorities and will present their decision at another meeting tomorrow. The Arabs are to discuss Tuesday whether they will agree to enlargement of the no-man's land area.

The conference, held in the Syrian Catholic monastery near the Damascus Gate, was attended by United Nations observers with both sides, headed by United States General William E. Riley, and Egyptian, Trans-Jordan and Israeli army commanders.

Jewish and Arab leaders shook hands and began the discussion amicably. Before long, however, they were accusing each other of truce violations. While the talks were in progress, United Nations observers said mortar shells struck a mosque near the Dome of the Rock. AP

Indonesia Charges Blockade

Batavia, Java, Aug. 22 (AP)—The Indonesian Republican government has decided it cannot ship food to Palestine refugees because of a "Dutch blockade," radio Jogjakarta reported today.

[The Netherlands government has denied before the United Nations that the republic is being blockaded.]

The announcement was in reply to a request from Count Folke Bernadotte, United Nations Palestine mediator, for 350 tons of rice and 250 tons of sugar for Arab and Jewish refugees.

U.S. Aid Told To Mediator

Stockholm, Aug. 22 (AP)—Gen. George C. Marshall, Secretary of State, told Count Folke Bernadotte today that President Truman "is giving his full support" to relief measures for Arab refugees.

Marshall's message to the United Nations mediator for Palestine was delivered through the United States Embassy here.

"The State Department is working with other agencies to determine what can be done quickly and practically," Marshall said.

He added that the American Red Cross and other relief agencies have pledged to supply all the DDT needed. They also have promised, Marshall added, to supply funds to purchase ten per cent of the food needed by refugees forced from their homes by the Palestine war.

Count Bernadotte said he will offer his peace proposals for Palestine to the United Nations General Assembly.

The proposals, he said, will be part of his report on his work as mediator between the warring Arabs and Jews in the Holy Land.

The General Assembly will convene in Paris September 21. The Count is here for the International Red Cross meeting. AP

Israel Drops Old Police Laws

Tel Aviv, Israel, Aug. 22 (AP)—Yaakob Shapira, Israeli attorney general, today announced the abolition of British emergency regulations in force since the British ended their Palestine mandate. He said the old laws had been replaced by more liberal regulations.

Under the new laws, each soldier or policeman still will have the right to detain anyone in Israel without producing a detention order. However, charges against accused persons must be submitted within 48 hours of their arrest.

The detention of five Irgun Zvai Leumi members, including Peter Bergson, chairman of the Hebrew Committee of National Liberation, was ordered under the old British regulations. Since their detention there has been a campaign to abolish the old laws.

The Government announcement said that the town of Allanmyo, on the opposite bank of the river, was reoccupied by loyal troops.

The Government said that heavy casualties had been inflicted on the insurgents in a week-end battle between Government troops and rebels at a village three miles from the Burma Oil Company town of Syriam. Syriam is only three miles down the river from Rangoon.

PROBERS TO LEAVE WIVES OF ACCUSED OUT OF RED QUIZ

Announce Decision Following Secret Questioning of Mrs. Hiss

AUG 23 1948

'KEY FIGURE' SOUGHT

Board Wants to Quiz Man Named as Head of Soviet Underground in U.S.

WASHINGTON, Aug. 22—(AP) The House Unamerican Activities Committee has secretly questioned Mrs. Alger Hiss and decided against using wives to try to nail down a story of pre-war red underground.

"We've heard Mrs. Hiss," Rep. Nixon (R—Calif), told reporters. "On that, no comment whatever."

Mrs. Hiss is the wife of a key figure in the committee's investigation of tales about operations of a communist underground in Washington before the war and stories about spy rings during the war.

Hiss Denies Charges

Hiss, a former high official in the state department and now president of the Carnegie Endowment for International Peace, has been accused of belonging to the underground and the communist party. He denied it under oath.

His accuser is Whittaker Chambers, now a senior editor of Time magazine. Chambers has sworn that he himself:

Was a red from 1924 to 1937, was a courier for the underground, knew Hiss as one of its members, soured on communism and tried unsuccessfully to get Hiss to break with the underground.

So far, the only evidence the committee has suceeded in bringing into the open about the existence of a pre-war red underground is the tesimony of Chambers.

And with the questioning of Mrs. Hiss, it now has gone down the list of people on whom Chambers put the finger—with one exception. The committee still wants to bring in J. Peters, named by Chambers as head of the underground for the whole United States and the man who introduced him to Hiss.

Chambers has said he regarded Mrs. Hiss as a communist, too.

Nixon told reporters:

Leave Wives Out of Probe

"No plans have been made for bringing the wives of either one (Hiss or Chambers) into the hearings."

For one thing, the committee feels sure their stories would parallel closely those of their husbands. And, in those, there still are wide gaps and variations.

In an attempt to fill in some of the chinks, the committee plans to slap subpoenas on three or four unsuspecting witnesses in the next couple of days. They are to be questioned in private, and then in public hearings Wednesday at which Chambers and Hiss are billed for a face-to-face appearance.

Nixon didn't give out their names. But he said most of them have known Hiss, Chambers or both.

Senator Hatch (D—NM) complained meanwhile that a congressional investigation of "minnows" has permitted the "big fish" of the communist spy pool to get away.

Hatch told a reporter before he left Washington on a vacation he thinks house and senate inquiries into communists in the government "have done the country a great disservice."

"They have merely brought into the open the minnows, whose activities are only good for the headlines," he said. "These investigations have seriously hampered the efforts of the FBI and the justice department to get into the deep waters for the bigger fish."

Hatch's statement brought the speedy retort from Senator Jenner (R—Ind) that the Democrat was "suffering from a case of campaign jitters."

"The facts are," Jenner told a reporter, "that higher ups in the government have known for years people whose loyalty was questioned and these officials not only persisted in keeping them on the payroll but helped in getting them promoted."

MEN IN DRAFT AGE RUSH TO GET MARRIED

Under Truman Ruling They Will Be Deferred From Serving

AUG 23 1948

Washington, Aug. 22 (AP)—Draft exemption for married men apparently speeded a lot of wedding plans for this week end.

Reports from a number of cities indicated an upswing in the number of marriage licenses issued to young persons.

The trend, however, was not nation-wide on the basis of scattered reports.

But the rush in Brooklyn grew so heavy the Marriage License Bureau called in the police to help control the flood of applicants yesterday.

Four hundred licenses were issued there in a half day, about four times as many as on a similar Saturday last year.

Getting Married To Beat Draft

One Brooklyn youth frankly admitted:

"Sure, I'm getting married to beat the draft. I'm not yellow but I don't want to serve in any peacetime army."

Married men were officially deferred from the draft by President Truman on Friday, and selective service officials said that as regulations now stand, men married between now and the time they have to register for service will be exempt.

In Chicago nearly 500 couples applied for licenses yesterday, topping any August figures this year.

A flood of applicants for marriage licenses kept the St. Louis, Mo., license bureau open an hour overtime yesterday. Most of the applicants were in the draft-age group.

Comment By Hershey

Asked whether the rush to get married might affect the draft program, Maj. Gen. Lewis B. Hershey, director of selective service, said he had had no official reports on the situation.

"If they want to get married," said Hershey, "that's their business."

"It's a peculiar way to avoid service, but it's a matter of opinion."

There was no noticeable rise in marriage license applications at Kansas City during the month, but a number of licenses have been taken out where the prospective bridegroom had already enlisted in the armed forces.

Labor Day Holiday A Factor

Although there was a definite increase in applications at Cleveland, William L. Kenks, the license clerk, was unable to say whether the draft was causing the rush. He thought the forthcoming Labor Day holiday, with the chance for longer wedding trips, might have something to do with the increase.

At Los Angeles there was no indication of an upswing in young couples seeking to get married.

A record for one day was set at Detroit yesterday when 300 couples lined up for licenses.

Clerks Work Overtime

Clerks worked overtime at Minneapolis yesterday when 64 licenses were issued, double that of the two previous days. Thirty-four of the 64 licenses went to men in the 18 to 26 bracket.

There was no indication of an increase in licenes in Boston and no figures were available from the South.

In Washington the license bureau is closed all day Saturday, so there was no check on any speed-up here.

THREE AMERICANS FREED BY RUSSIANS IN REICH

AUG 23 1948

T. P. Headen of New York Released After Being Seized Yesterday.

BROOKLYN MAN LIBERATED

British Free Head of Red-ruled Berlin Criminal Police—Soviets Again Raid U. S. Sector.

Berlin, Aug. 23 (AP)—The Russians released today three United States Military Government ocials they had sized in Berlin and in southern Germany.

The British in turn set free Franz Erdmann, head of the criminal division of the Russian-controlled eastern Berlin police. He was arrested at a boxing match Sunday and accused of abduction of western Berlin police and "presumption of authority," charges that still stand.

While tension was eased a little by the deliveries, Russian soldiers crossed into the American sector of Berlin again today and arrested a German photographer. He was the tenth German seized since Thursday by the Russians and their German police either in the western parts of Berlin or along the border.

Seized In Berlin Center

The Americans released today were:

Thomas P. Headen, deputy head of the American Military Government information services division in Berlin. He was abducted yesterday in Potsdamer Platz, where the Russian, American and British zones meet. It was not clear whether he had stepped across the vague boundary.

Lieut. Sherman Turner, of Council Bluffs, Iowa, and Rowland Myers, of Brooklyn, American Military Government officers who were seized eighteen days ago while on border inspection.

Toward dusk, the Russians released Paul Hoppe, German police chief for the Berlin borough of Kreuzberg in the United States sector. Hoppe was arrested Saturday when he sought to negotiate the release of several of his policemen the Russians had taken. The Soviets also returned a police jeep and its driver.

Was Not Mishandled

Headen was held 21 hours. American officials who questioned him said the Russians did not mishandle him. Headen's story of his arrest and treatment was told in these words to American intelligence officers:

"My family and I drove to the Potsdamer Platz to take some pictures because of the furor there during the last days. We drove to within a half block of the square and then went on foot.

"I crawled under a British-sector fence to take pictures of the British signs designating their sector. I walked midway into the street. I am not sure whether I crossed the dividing line.

"I was careful to remain within the white line which marks the British sector. From there I took some pictures and I may have stepped back a foot or two into the Soviet sector. [Military police said the distance was not more than five feet at the most.]

Escape Was Cut Off

"I snapped a couple of pictures. Then, as I looked over my shoulder, I saw a jeep with three Soviet soldiers. One soldier jumped out and cut off my escape to the British sector. Another seized my camera. Two then grabbed me by the arms, put me into a jeep and took me to a near-by Soviet police station.

"At the station I was interrogated. I was told it was forbidden to take pictures of the Potsdamer Platz, which the Russians said was in the Soviet sector.

"They accused me of taking pictures of Soviet soldiers. I denied this."

Identified Himself

Headen said he immediately identified himself but that this seemed to have no effect. The Russians refused him permission to telephone American authorities and took him to a Soviet headquarters jail.

His story continued:

"I was put in a cell with a three-tiered wooden bunk with a raised end as a pillow. The cell was clean, but poorly lighted. I was told I would have to follow the usual rules for inmates, namely, that I could not lie down between 5 A.M. and 11 P.M."

Headen said he was interviewed by a courteous Soviet lieutenant colonel who "gave me sort of an apology and said he was surprised nobody realized last night I was an American official."

The colonel added "if our men made a mistake tehy will be reprimanded."

Headen said the soldiers were "somewhat brusque" in putting him into their jeep, but thereafter "there was no question of rough stuff."

Headquarters of the western-sector German police announced Russian soldiers invaded the American sector of Berlin again to seize a German photographer.

This was at least the fourth reported violation of the western-sector police jurisdiction in central Berlin since last Thursday's riot in the no-man's land of Potsdamer Platz.

Both Turner and Myers are United States Military Government officials. They were picked up by the Russians while on a border inspection August 5.

They were released to American officers at Hersfeld, on the border of the American and Soviet sectors, this morning.

Officers who talked with the two quoted them as saying they had been "well treated by Russian standards."

First Release Refused

The Americans were arrested when they crossed into the Soviet zone, apparently inadvertently, at Mellrichstadt, 75 miles from Frankfurt.

Report To Constabulary

Turner and Myers were taken to the headquarters of the 22d Constabulary Squadron at Hersfeld, where they talked briefly to constabulary officers.

Turner and Myers then left for Bad Kissingen, in Bavaria, where Turner is a local Military Government officer. Turner's wife said by telephone:

"My husband telephoned me and said he was all right and that he is coming home tonight. It is quite a relief."

The detention of Turner and Myers was the longest by Russian officials in the recent series of arrests of Americans.

Western police headquarters announced that Franz Erdmann, head of the criminal division of the Soviet-controlled police, was released after his arrest yesterday by British-sector police while he was watching a boxing match in the Olympic Stadium.

The statement said charges of abduction and "presumption of authority" against Erdmann, lodged in connection with the arrest of about twenty Western-zone policemen by Eastern forces still stand.

Erdmann has been the jailer of the arrested policeman. Like his chief, Paul Markgraf, who was dismissed by the anti-Communist city administration but still claims to be chief for all Berlin, Erdmann still claims to head Berlin's entire criminal police force.

The latest invasion of the American sector by Russian soldiers occurred this forenoon just off the Potsdamer Platz, an area which is being heavily patrolled by Russian, British and American military police.

"Standing On American Side"

The photographer "was standing on the American side of the Koethener street (which runs into Potsdamer Platz) when a Russian officer, accompanied by a Russian soldier, approached him and wanted to take his camera away," Stumm's headquarters said.

"The photographer fled into a ruin of the American sector and was trapped there," the German statement continued.

"Two Western-sector police, who wanted to assist him, were beaten off by blows from the rifle butts of ten Russian soldiers who had hurried to the scene in the meantime.

"The photographer was then dragged off into the Russian sector."

Deserters Are Sought

German sources said the big raids the Russians have been conducting are less in the interests of combating the black market than in seizing Russian army deserters and making profits on confiscations.

The charges were made in the Liberal Democratic newspaper *Montag's Echo*. Western Berlin police said the charges were substantially correct.

Montag's Echo said there is an underground movement in the Russian Army in Germany among adherents of Lieut. Gen. Andrei A. Vlassov, the Russian renegade who went over to Germany during the war. The Russians hanged Vlassov after the war.

Newspapers in western Berlin said the Russian black-market raids are chiefly to get Western-sponsored currency. An American police officer said it is well established that the Russians desire to obtain as much Western money as possible, even though they have outlawed it in their zone. He said one purpose is to support Communists in western Germany.

NEW RAID MADE IN U.S. BERLIN ZONE

Russians Seize German After Freeing 3 Americans

AUG 23 1948

Berlin, Aug. 23 (AP)—The Russians today freed three Americans but almost immediately stirred new tension in blockaded Berlin by again invading the American sector to seize a German photographer.

Thomas P. Headen, deputy chief of the American Military Government's information services division, was released after overnight detention in the Russian sector of Berlin.

Two other Americans seized August 5 near the Russian zonal border 75 miles west of Frankfurt, were released at Herzfeld on the border today. Lieut. Sherman S. Turner, of Council Bluffs, Iowa, and Rowland M. Myers, of Brooklyn, N.Y., both United States Military Government officials, said they were "well treated—if you like cabbage."

To Bar Picture Taking

The kidnapping of the German photographer emphasized anew the Soviet determination to prevent picture-taking in or near their sector. Headen had been taking pictures of the Berlin "no man's land" of Potsdamer Platz shortly before a Russian patrol pounced on him.

The seizure of the photographer was at least the fourth violation of western sector jurisdiction since last Thursday when a Russian raid on German civilians in the Potsdamer Platz precipitated a riot by stone-throwing Germans.

Western sector police headquarters announced, meanwhile, that Franz Erdmann, head of the criminal division of the Soviet-controlled police, had been released. He was arrested yesterday in the British sector.

Soldiers Cross Line

Three United States military police motorized patrols were sent to Potsdamer Platz tonight after about fifteen Russian soldiers had crossed to the American side of the square. No arrests were made and there were no incidents. An American official said the Russians withdrew before the United States patrols arrived. He added that "apparently the Russian soldiers did not know they were in the American sector."

The British Military Government announced tonight it had blocked an attempt by the Central Bank of Berlin, which is in the Russian sector, to get 3,000,000 East marks unfrozen from the British sector. An announcement said the bank gave its branch in the British sector an order for the money, saying it was for the payment of salaries of municipal employés in the Russian sector.

Headen, 45-year-old former New York and Kansas City newspaperman, was turned over to United State liaison officers today.

Headen's Camera Returned

He said he was "glad to be back, and I certainly don't want to have any part of that any more."

He said the Russians had returned the camera he had with him when he was yanked into a Russian jeep while his wife and two young children stood by helplessly.

Headen related his experiences with his Soviet jailers as follows:

"I was put in a cell with a three-tiered wooden bunk with a raised end as a pillow. The cell was clean but poorly lighted. I was told I would have to follow the usual rule for inmates, namely that I could not lie down between 5 A.M. and 11 P.M.

"I was fed twice, once last night when I received beans, potato soup, black bread and cheese, and again this morning when they gave me a mess.

Swept Out Own Cell

"This morning I was handed a broom and told to sweep the cell clean. I did. Later they gave me a mop to scrub it but I did not do it."

He said he was interviewed by a Russian lieutenant colonel who was very courteous and "gave me sort of an apology and said he was surprised nobody realized last night I was an American official."

The colonel added that "if our men made a mistake they will be reprimanded."

Headen said the soldiers who arrested him were "somewhat brusque" in putting him in the jeep but "there was no question of rough stuff."

Not Sure About Line

He said "in my own mind I am not sure whether I crossed the dividing line" (between British and Russian sectors).

The Russians offered to release Turner and Myers August 10, but American liaison officers refused to sign a receipt admitting the men entered Russian territory "without authority" and took pictures of the border.

The men said today they were kept prisoner in Gotha, 25 miles west of the Soviet zone city of Weimar.

"It was a private house, guarded night and day and we stayed there for the eighteen days—those eighteen goddam days," said Myers, a former Romance language professor at the University of Texas.

Denies Entering Zone

"As far as I am concerned," Myers said, "we never were inside the Russian zone when the Soviet troops jumped out and arrested us. We were just up there taking a look at the border, it was Turner's job."

Meanwhile, the British arrested a Russian officer for speeding in the British sector. The British said they would hold the officer—identified as Major Lepedew—until they could "get in touch with the Soviet authorities on this matter."

Turner, military government officer at Bad Kissingen, said the only time he was questioned by the Russians was for fifteen minutes the first night.

"They asked what American troops were in the area, what I was doing up at the border—I was on business—and where the local American counter-intelligence unit was," Turner said. "They also asked what education I had, where I was born and a lot of stuff that didn't seem to have anything to do with anything."

Turner said they were kept in a house that appeared to be a sort of Soviet counter-intelligence house.

Described As Ambush

"From my point of view," Turner declared, "we were ambushed at the point of a gun when we were first arrested. The Russian soldiers came out from behind trees. We were definitely in the American zone. There is no question about it."

The scene of the seizure of the German photographer taken by the Russians today again was near the Potsdamer Platz, where armed British, American and Russian soldiers patrol the meeting place of the three borders.

Western sector police said the photographer was on the American side of the street when the Russians approached him and attempted to take away his camera.

The cameraman fled into a ruin, still in the American sector, but was dragged away after two Western police who ran to help him "were beaten off by blows from the rifle butts of ten Russian soldiers who had hurried to the scene in the meantime."

Labeled "Money Changer"

The Soviet-licensed German news agency (ADN) described the photographer as "one of the wild money changers" teeming in the square, one of Berlin's thriving black market places.

"The black marketeer tore himself loose," the agency said, "but ran to the Soviet sector where he was turned over to the German police."

The report added that "Soviet military police are constantly raiding the black market" and charged that Western police "allow it to flourish."

The Russians today also released Paul Hoppe, American sector German police chief for the borough of Kreuzberg. He was picked up by the Russians on Saturday when he sought to negotiate the release of several of his policemen whom the Russians had seized.

Demanded By Americans

The Russians also released a police jeep and its driver. American authorities had protested the arrests and impounding of the car and demanded their immediate release.

The Liberal Democratic Berlin newspaper *Montag's Echo* said today that the raids the Russians have been staging are aimed at rounding up Soviet Army deserters and profiting from confiscation of western-sponsored money rather than combatting black-market activities.

The raids also represent terror tactics against the non-Communist population of the western sectors, anti-Communist sources said.

The Socialist and Liberal Democratic press said these jurisdictional violations were part of the Communist pattern of trying to extend their control to the western sectors of the city "even while Molotov is conducting discussions on Berlin with the western representatives in Moscow."

Backs Newspaper Charge

Backing up the newspaper charges that the Russians wanted to confiscate western marks, an American police officer said it was a well-established fact that the Russians desired to obtain as much western money as possible. One purpose, he said, was to support the Communist Party in western Germany.

The American Military Government revealed in its semi-monthly review of occupation affairs today that industrial production in the combined British and United States zones of Germany scored a ten per cent gain during July to reach a new postwar record.

The report said overall production now stood at 60 per cent of the 1936 base level and that all industrial groups had shown increases during the month, with all but two setting occupation highs.

The brightest spot was the new record reached by iron and steel production in the Ruhr, a cornerstone of German participation in the European recovery program.

A gift of 3 tons of powdered milk and 1 ton of sugar from the Swedish Social Democratic party was flown into blockaded Berlin today. The shipment, first plane load of donated food to arrive here since the blockade was started, also included two tons of fat donated by the American Federation of Labor. Military Government officials said more than 3,000 tons of food gifts are stockpiled in the West awaiting shipment to Berlin by commercial airlines.

FREED OFFICIALS DENOUNCE CABBAGE

AUG 23 1948

Free Military Government Men After 18 Days' Detention, Longest in Recent Series

FRANKFORT ON THE MAIN, Germany, Aug. 23 (AP)—The Russians released today two United States Military Government officials after having detained them for eighteen days in Gotha, twenty-five miles west of Weimar. Their detention was the longest by Russian officials in the recent series of arrests of Americans.

The men were Lieut. Sherman S. Turner, 34, of Council Bluffs, Iowa, and Rowland M. Myers, 41, of Brooklyn. They were seized Aug. 5 at the border of the Russian zone of Eastern Germany at a point seventy-five miles east of Frankfort.

They said they had been "well treated, if you like cabbage," after their release this morning at Hersfeld, on the border of the United States and Soviet zones.

Mr. Myers, who had been a Professor of Romance Languages at the University of Texas, said they had been kept in a private house and guarded night and day. He added: "We stayed there for the eighteen days. From time to time we thought there were other prisoners in the house."

Produced at Border

The Americans were arrested when they crossed into the Soviet zone, perhaps inadvertently, at Mellrichstadt. The Russians produced them on Aug. 10 at the border, but United States liaison officers would not sign a receipt drawn up by the Russians that said that the two had entered Russian territory "without authority" and had taken pictures illegally of the border. The Russian negotiator then took the two back into the Soviet zone.

The men were released today to Lieut. Lincoln Landis, who said he had signed a "simple receipt." He indicated that the qualifications found objectionable previously by the Americans had been withdrawn. The men were taken to the headquarters of the 22d Constabulary Squadron, at Hersfeld.

Lieutenant Turner, Military Government officer at Bad Kissingen, said that the only time he had been questioned by the Russians was for fifteen minutes the first night.

"They asked what American troops were in the area," he said, "what I was doing up at the border—I was on business—and where the local American counter-intelligence unit was. They also asked what education I had, where I was born and a lot of stuff that didn't seem to have anything to do with anything."

He said he and Mr. Myers had been kept in a house that appeared to be headquarters for Soviet counter-intelligence.

"From my point of view," he declared, "we were ambushed at the point of a gun when we were first arrested. The Russian soldiers came out from behind trees. We were definitely in the American zone. There is no question about it."

"At first we didn't see each other at all," Lieutenant Turner continued. "Not until that Tuesday—Aug. 10—when the Russians took us to the frontier and were ready to release us, and the Americans wouldn't take us.

"That was the day that the American lieutenant said, 'I will be back in ten minutes and didn't come back for two weeks, because the Russians wanted him to sign a paper saying we were illegally in the Russian zone—which we weren't.

"Then we had chow together after that—but what chow. At 10:30 we had breakfast. That was cabbage with cheese and bread. Very nice if you like cabbage. At 4:30 we had lunch. That was cabbage soup with carbohydrates in it—you know, some stick-to-your-ribs thing like potatoes, macaroni or barley. At 10 P. M. we had dinner—that's the way the Russians do things. Cabbage, cheese and bread, very substantial.

"They put us to live together in the same room. Much better—but the beds were flea-ridden. But they gave us German books and a checkers set. I read about the siege of Leningrad and other books and I translated to amuse Turner. He couldn't read German—so he spent his time pacing the floor. What else could he do? Then we played checkers some of the time—and I lost."

Mr. Myers, who is deputy chief of the political affairs branch of the United States Military Government's Civil Affairs Division, said that the Russians had a "fine time" inspecting his possessions.

"I collect pieces of paper," he said, "and they spent hours studying all the stuff in my pockets—the telephone numbers and all that stuff—and they must have thought it very important. But they treated us real good—they called me the 'professor.'

"I told them we were not in the Russian zone when we were arrested. They said, 'Then you mean our troops were in the American zone?' I told them I didn't say that. But in any case the border is so poorly marked. As far as I am concerned, we weren't in their territory.

"For my money we were treated satisfactorily. The Russians were careful never to lay a finger on us. The only time I touched a Russian was when the Russian colonel came in every three days and shook hands."

'Red Dean' Of Canterbury Denied Visa To U.S.

AUG 23 1948

London, Aug. 23 (AP)—Dr. Hewlett Johnson, the dean of Canterbury, said today he had been refused a visa to enter the United States for lecture engagements.

Dr. Johnson, for years a defender of the Soviet way of life and known as "the Red dean," issued his statement through the London *Daily Worker*. He is a member of the editorial board of that Communist newspaper.

The United States Embassy declined comment.

Disapproved Of Sponsors

Dr. Johnson said the visa was refused because the embassy disapproved of the American-Soviet Friendship Society, which was sponsoring his tour and an address at New York's Madison Square Garden November 3.

[In Washington, Press Officer Michael McDermott said the State Department has no objections personally to Dr. Johnson. But, he added, "it would regard a visit under auspices of this organization as not in our national interest."

[The Soviet-American Council, McDermott said, is on the attorney general's list of subversive organizations.

May Get Visa Himself

[McDermott said in response to a question he believed Dr. Johnson would be granted a visa if he wants to come to this country "on his own hook," rather than under sponsorship of the Soviet-American organization.]

"It seems that no steps must be taken in the United States to cultivate American-Soviet friendship or understanding," the dean said. "America is said to be the land of free speech, but obviously speech about friendship with the Soviet Union does not come under that category.

"I am naturally sorry that this has happened. We always give Americans a cordial welcome to Canterbury Cathedral, but the dean of the Cathedral is not to be welcomed in the United States."

Welcomed By Eastern Europe

"On the other hand, eastern Europe has opened its arms wide."

Dr. Johnson said he was flying to Poland tomorrow to attend sessions of "the Congress of Intellectuals in Defense of Peace" at Wroclaw.

Dr. Johnson, 74, has been dean of Canterbury since 1931. Among his books are "The Socialist Sixth of the World" and "Soviet Strength." He has visited Russia several times.

FAMED 'RED DEAN' DENIED VISA FOR U.S. LECTURE TOUR

LONDON, Aug. 23 — (AP) Dr. Hewlett Johnson, the "Red Dean" of Canterbury, has been refused a visa to enter the United States. His projected lecture tour was to have been sponsored by a group listed as subversive by Attorney General Tom Clark.

Dr. Johnson said today in a statement in the Communist London Daily Worker, of which he is an editorial board member, that the visa was refused because the lecture tour was sponsored by the "American Soviet Friendship Society."

No Personal Objections

In Washington, State department press officer Michael McDermott said the department had no objections personally to Dr. Johnson. He added, however, "it would regard a visit under auspices of this organization as not in our national interest." McDermott also said the organization, the national council of Soviet-American friendship, is on the attorney general's subversive list. INSERT

Dr. Johnson, 74, has been dean of Canterbury since 1931. He has visited the Soviet Union several times and has written books extolling the virtues of life in the Soviet Union.

He said in his statement that "it seems that no steps must be taken in the United States to cultivate American-Soviet friendship or understanding. America is said to be the land of free speech, but obviously speech about friendship with the Soviet Union does not come under that category.

Sorry It Happened

"I am naturally sorry that this happened. We always give Americans a cordial welcome to Canterbury Cathedral, but the dean of the Cathedral is not to be welcomed in the United States."

Told that McDermott had said he probably would be granted a visa if he cared to go to the United States "on his own hook," Dr. Johnson said he feared "refusal of the visa will be interpreted as a deliberate challenge to the Soviet Union. It is apparent they don't want friendship with the Soviet."

"As someone has said," he added, "the Americans are adolescent and very violent in their loves and hates and fears and hopes."

"I hope to go to America within three years when this has blown over," Dr. Johnson said, "when Mr. Wallace is president, as I think he is sure to be.

"There was nothing subversive about my proposed visit to the United States—nothing anti-American. It was simply in the interests of understanding and friendship."

Sugar Council Studies Pact Revision Plans

LONDON, Aug. 23 (AP)—Cuban proposals to revise the 1937 world sugar agreement occupied the opening session today of the three-day meeting of the International Sugar Council.

No decision was reached in discussions among the sixteen member nations, and observers from three countries and two international organizations.

The 1937 agreement, based on each nation's production and consumption requirements, has been renewed each year.

Cuba wants to open the agreement to possible revision based on changing consumption and production patterns.

The United States, Britain and France are among big consumers represented and Cuba, Peru and Brazil among producers. Canada, Hungary and China sent observers as did the International Food and Agricultural Organization and the International Commodities Council. Russia, who was invited, failed to attend.

Mission Seeking Data On Materials Abroad

London, Aug. 23 (AP)—A mission from the Economic Co-Operation Administration visited three British agencies today trying to find out what Britain can contribute to a strategic materials stock pile in the United States.

The group opened talks at the Colonial Office, Ministry of Supply and Board of Trade, expected to last until Thursday or Friday. It came to London from Paris, where the mission spent four days. It will go next to The Hague for a few days and then back to Paris.

A spokesman said the mission was looking for such things as tin, rubber, manganese, chromite, fibers and coconut and palm oils—defense materials in short or potentially short supply in the United States. He said the talks were exploratory and looked toward a long-term project.

Evan Just, director of the strategic materials division of the ECA, heads the mission. He arrived here Friday with Clifton E. Mack, director of the Treasury Department's Federal Bureau of Supply.

William Tamplin, ECA mining consultant; W. A. Gray, transport consultant, and Hugh Allan Smith, of the ECA legal division, arrived yesterday.

Cripps To Visit U.S. For Monetary Parley

London, Aug. 23 (AP)—Chancellor of the Exchequer Sir Stafford Cripps probably will stop in Ottawa for financial and trade talks en route to the United States for a meeting of the International Monetary Fund directors late in September.

A Treasury spokesman said today no date had been fixed for Sir Stafford's trip.

The British Government is known to be anxious to spur Canadian imports of British goods.

Talks also appear likely concerning the frozen balance of Canada's 1946 loan of £312,500,000 ($1,250,000,000). Approximately £250,000,000 ($1,000,000,000) of this loan had been drawn by Britain before the Canadian Government froze the balance last April as result of a dollar shortage.

1,600,000 Russians Reported 'Resting'

London, Aug. 23 (AP)—The Russian news agency Tass said tonight that "hundreds of thousands of Soviet people are spending their summer vacations in sanatoriums and rest homes."

Tass explained that the resorts are maintained by Russian trade unions, which now have a network of 779 such centers.

This year, the agency added, 500,000 will go to union sanatoriums and 1,100,000 to rest homes—300,000 more than in 1937.

Seal Malaya Frontier, Britain Asks Siam

London, Aug. 23 (AP)—Britain has asked Siam to seal her frontier with Malaya in an attempt to halt the movement of Communist-led guerrillas into the troubled colony, an informed Whitehall source said today.

Whitehall officials said at least five armed groups of greenclad guerrillas have been seen maneuvering a few miles across the Siamese border where it fringes north Kelantan province. They say they fear an invasion by these formations, whose numbers range from 30 to 400 men each.

Other officials said Siam already has been co-operating with Malayan authorities in their campaign against the guerrillas, "at least on a local level."

Albania Protesting Again

LONDON, Aug. 23 (AP)—The Soviet news agency Tass said tonight Albania had protested to the United Nations that Greece has again been "violating her frontier." Tass quoted the Albanian Telegraph Agency as saying the protest listed five such alleged violations between Aug. 3 and Aug. 12 made "with the support of Anglo-American imperialist agents." The protest was telegraphed to Secretary General Trygve Lie and said a more complete list of violations was being forwarded by mail.

GERMANS HALT IN IRELAND

Reconsider Sailing Voyage Begun in Fear of Another War

CHEEKPOINT, Ireland, Aug. 23 (AP)—Nine Germans who left Hamburg in a thirty-two-foot boat because they feared another war have paused in Ireland to think things over.

They landed at this fishing village this week-end after twenty-six days at sea. They said they wished to stay ten days before deciding their next move. Soon after they left Germany on July 27 their engine broke down and they depended on sail for 900 miles.

Otto Meyer, their spokesman, said, "We left first of all to find a better way of living and because we, like many other Germans, are afraid of another war." He said he was considering going to South America.

HIGHER GOLD PRICE IS PAID IN PARIS

Paris, Aug. 23.—There was a rush for gold here today which sent prices for the yellow metal sharply higher.

Gold in two-pound bars was bought at 610,000 francs. Only a week ago the offered price was 557,000 francs.

The American $20 gold piece brought 21,700 francs—more than 1,000 higher than a week ago.

The black market for foreign currency also was somewhat higher with the American dollar traded at 368 francs, the Swiss franc at 95½ and the British pound at 1,020 francs.

In the free market on the Paris bourse the dollar was little changed at 306 2/10 francs and the Swiss franc likewise at 78 45/100 francs.

The unusual demand for gold was attributed to social unrest in France and renewed tension in relations with Russia.

Davis May Recant World Citizenship

Paris, Aug. 23 (AP)—Garry Davis, who recently gave up American citizenship to emphatize his belief in the need for a world government, indicated today he might want the citizenship back.

The 26-year old wartime flyer and former Broadway actor said he had not yet finally decided whether he would ask the United States Embassy here to return the passport he handed in May 26.

However, he said, he is pondering advice from his sister, Virginia Davis, a member of United World Federalists, that, "as the United States is the only country which can initiate a world government, my platform is there if I wish to further this universal cause."

Motives Questioned

Davis said his sister's opinion was "that my actions of reunuciation has caused doubt and confusion in many minds regarding my motives." "It is not my purpose to create doubt and confusion," he said.

Davis holds that a world government is needed to halt the threat of a third world war. He said he wents "to utilize that most efficient and practical means to achieve this ultimate goal."

Davis said he would probably make up his mind by September 11, when his sister is due back from a world government conference at Luxembourg. He has been living in Paris on a special police permit since last May.

Will Work on Memoirs During Six Weeks in France

AIX EN PROVENCE, France, Aug. 23 (AP)—Winston Churchill signed his name today on the register at the Hotel Roi Rene and settled down to what he said would be a six-week stay.

When he received a bouquet of flowers forming a large "V," Mr. Churchill said:

"The victory was costly. We must guard it carefully."

Mrs. Churchill and his daughter, Mary, are with him. Mr. Churchill expects to continue work on his memoirs while basking in the sun of Southern France.

SWISS ACT ON RUMANIA

Block Assets as 'Precaution' Over Nationalization

BERNE, Switzerland, Aug. 23 (AP)—The Swiss Government blocked today all Rumanian assets in Switzerland as a "precautionary measure." A communiqué said the intention was to protect Swiss interests in Rumania.

Swiss payments intended for Rumanians must be made to the Swiss National Bank. Any disposition of Rumanian assets in Switzerland was made subject to approval by the Swiss Clearing House.

The Political Department said Swiss interests had suffered because of the nationalization program in Rumania. Under a Swiss-Rumanian agreement of 1946, Rumania was to send a delegation here to discuss commercial and exchange problems but has not done so, the communiqué said.

Dr. Max Troendle, Swiss delegate for international commercial agreements, estimated Swiss assets in Rumania at about $25,750,000. The bank secrecy law has prevented an estimate of Rumanian assets in Switzerland. ADD

Communists In Trieste Vow To Continue Fight

Rome, Aug. 23 (AP)—A dispatch to the Italian press said today Trieste's pro-Cominform Communists have announced they "will continue their fight to prevent Trieste from becoming an Anglo-American imperialistic base."

The dispatch said elements of Trieste's Communist party favoring Premier Marshal Tito of Yugoslavia in his squabble with the Cominform were expelled from the party. This was announced at the end of a three-day Communist congress in Trieste.

Italy Denies Plan To Devalue Lira

Rome, Aug. 23 (A. P.).—The Italian Government said today no devaluation of the lira is contemplated.

The official rate is 575 lire to the dollar. The lira has held steady for several months. The black market rate today is exactly the same as the official rate. The black market rate has fallen slowly from 620 before the April elections.

Britain Leads In Receipt Of Grants, Credit

Geneva, Switzerland, Aug. 23 (AP). Britain has received more postwar grants and credits from the rest of the world than any other country, according to United Nations statistics published today.

The figures showed that between May, 1945, and June, 1948, Government and private financial aid to Britain totaled an equivalent of $6,670,000,000.

In the same period, Britain aided other war-devastated countries with Government and private aid totaling an equivalent of $2,450,000,000.

France Is Second

France received the second highest allocation of all countries, with a total of $3,957,000,000. The next largest recipients were the Anglo-American zone of Germany, with $1,876,000,000; Italy, with $1,859,000,000; Poland, with $1,150,000,000 and the Netherlands, with $1,054,000,000.

The figures included all aid given by governmental and intergovernmental agencies and private corporations. They excluded expenditures of certain relief agencies such as the International Children's Emergency Fund and the International Refugee Organization.

Also excluded were direct private investments and gifts, short-term credits and the repayment of existing loans. Expenditures of the United Nations Relief and Rehabilitation Administration were shown only by receiving countries. Totals of government loans did not include contributions to UNRRA.

U.S. Gave 70 Per Cent

The figures showed that private and governmental aid from the United States, totaling $16,160,000,000, comprised nearly 70 per cent of all financial assistance throughout the world.

Britain's contribution was the second largest, followed by Canada, with $1,894,000,000; Argentina, with $681,000,000; Sweden, with $521,000,000, and the Soviet Union, with $478,000,000. The Soviet contribution consisted entirely of a Government loan to Poland.

Of Britain's contribution to world recovery, an equivalent of $2,300,000,000 was in the form of loans by private corporations.

Help For Germany

The highest British contribution went to Germany, which received $952,000,000. In addition, the Anglo-American zone probably received a large share of a British contribution of $403,000,000, described as "relief supplies furnished by the authority and not allocable by country."

From Britain, France received $465,000,000, Italy received $260,000,000 and Burma $122,000,000.

British aid in substantial amounts also went to Austria, Czechoslovakia, Greece, Hungary, the Netherlands and Poland.

The Soviet Union received direct British aid totaling $16,000,000.

The figures included the first monthly allocations under the European Recovery Program, but they did not give an adequate picture of United States financial assistance to the rest of the world, as contributions to UNRRA and such items as purchases of bonds of the International Bank for Reconstruction and Development and subscriptions to the International Monetary Fund were not included.

TRADE PACT ASKED FOR THREE ZONES

U.S. Proposes Including West Germany In Agreement

Geneva, Switzerland, Aug. 23 (AP). The United States proposed today that the western zones of Germany be made parties to the Geneva agreement on tariffs and trade.

At the same time, the United States asked the contracting nations for permission to give preferences to former Japanese-mandated islands administered by the United States.

Both proposals were put before the current second session of the 22 contracting states and are to be talked over in detail later this week.

Most-Favored-Nation Clause

The United States delegate, Leroy D. Stinebower, asked the nations to extend the most-favored-nation treatment and the nondiscrimination principles of the Geneva agreement to the western zones of Germany.

In practice, extension of the agreement to Germany would mean that the 22 contracting nations would apply the same tariffs to German goods as they apply to each other. In addition, it probably would authorize direct tariff negotiations between western Germany and each of the others on specific commodities.

This principle, if accepted, would be a further step in the creation of a separate western German state.

Czechoslovakia Protests

Czechoslovakia protested against the American proposal. Zdanek Augenthaler, the Czech delegate, declared such action cannot be taken until the peace treaty has been signed. Until then each occupation power should deal with each contracting party separately on tariff questions, he said.

The United States proposal regarding the former Japanese-mandated islands in the Pacific was concerned almost entirely with the export of copra. The United States asked the contracting states for authority to permit duty-free import of copra from these islands into the United States.

Jews Protest U.N. Delay In Egypt 'Terror'

Geneva, Switzerland, Aug. 23 (AP)—The World Jewish Congress protested today a decision of the United Nations Economic and Social Council to postpone consideration of what the congress called a "reign of terror" in Egypt against Jewish residents.

The congress had asked that a special council committee investigate and report on reported attacks on Jews in Syria, Lebanon, Aden, Bahrein Island and Egypt. The subject may not be dealt with until the next session of the council in February.

The congress said in a statement today that, "with the connivance and sometimes the approval of the Government, the Jews in Egypt have been the victims of a series of acts of violence and persecution by legal and economic discrimination. Hundreds of Jews have been murdered and injured in mob attacks and there have been mass arrests and imprisonment of Jews in concentration camps without charge or trial."

The congress said 150 Jews were murdered and hundreds wounded in Cairo during June and July.

RUHR PRODUCTION AT POST-WAR PEAK

Berlin, Aug. 23 (A. P.).—Industrial production in the combined Anglo-American zones of Germany scored a 10 per cent gain to reach a new post-war record in July, the American Military Government reported in its semi-monthly review of occupation affairs today.

The report said that over-all production now stands at 60 per cent of the 1936 base level and that all industrial groups showed increases during the month, with all but two setting occupation highs. The brightest spot was the new post-war record reached by iron and steel production in the Ruhr, which is a cornerstone of German participation in the European Recovery Program.

Pig iron output rose to 401,903 metric tons, a 20 per cent gain over June. Ingot steel production rose by 21 per cent to 457,623 tons and hot-rolled products increased by 27 per cent to 521,974 tons. Ingot steel was 11 per cent above the July target of 400,000 tons and is now coming from the mills at an annual rate of 5.5 million tons. Under the revised level of industry plan adopted a year ago to make western Germany self-sustaining, the production of ingot steel is permitted to reach 10.7 million tons a year.

Berlin Anti-Reds Deny Ford Loan

Berlin, Aug. 23 (A. The Communist press had said Karl Hubert Schwennicke, Berlin Liberal Democratic chairman, was negotiating a loan from Ford.

RAF Pilot Cites Stay With Russ

Luebeck, Germany, Aug. 23 (AP)—An RAF pilot who spent a week in the Soviet zone after a forced landing reported today he was well treated by the Russians.

The only thing he didn't like was Russian-style cooking. It disagreed with him. The menu included vodka for breakfast, he said. He didn't care much for the German-made Russian cigarettes, either.

Pilot Peter Jordan reported back to his base here early today. He made a forced landing last Monday in a Vampire jet fighter. An RAF spokesman said a fuel shortage was the cause.

His plane, only slightly damaged, was dismantled by a recovery unit over the week end and brought out of the Soviet zone early this morning.

19,044 European War Brides

Frankfurt, Germany, Aug. 23 (AP). Americans have taken home 19,044 war brides from Europe since the war, United States Army headquarters reported today, and travel applications have been approved for 6,191 more. Figures for war brides from Britain were not included.

Report High Level For Austrian Industry

Vienna, Aug. 23 (A. P.).—Austrian industry is at its highest level since the end of the war. Government officials cite the following reasons for the industrial upturn: increased availability of electricity due to heavy rains, larger imports of coal, greater initiative shown by the workers, and the ever-expanding value of ERP (European Recovery Program) supplies.

During June crude steel production reached a total of 59,000 tons. Except for the war years, this is the highest figure the country ever reached. Aluminum production jumped to more than twice the figure of June, 1947. The production of ball bearings also showed a new post-war high, with output more than twice the 1937 figure.

100,000 Poles Fight Grain Racketeering

Warsaw, Poland Aug. 23 (AP)—Poland's ministry of agriculture is out to stop racketeering in grain prices. The country has a bumper crop this year which may triple the 4,000,000 tons of wheat, rye and barley produced in 1947.

The ministry, recognizing that peasants may go in for hiking prices or fall into the hands of speculators, announced "all racketeering in grain will be prosecuted and most severely punished."

A citizen's militia of about 100,000 men and a special commission to fight abuses and speculation have been instructed to keep a close check on the sale prices of all grains. If the prices are higher than the government has fixed, the seller faces a stiff fine and jail sentence.

Warsaw, Aug. 23 (AP)—The National Union of Polish Boy Scouts and Girl Scouts today denounced the "reactionary principles" of international scoutdom. They adopted a "new life," an official announcement said.

"The ideology of the Scouts' Union should bring up youngsters according to the slogan 'For our freedom and yours'," the announcement said. "There can be no brotherhood or harmony with men who feed on social wrongs and oppression of colonial nations."

Some 80,000 Scouts attended a meeting near Warsaw where the announcement was made.

War-Crime Extradition Rule Displeases Poland

Warsaw, Poland, Aug. 23 (AP)—Poland today assailed a decision of the United States and Britain to set September 1 as a deadline for extradition of German war-crimes suspects.

A Foreign Office spokesman asserted the ruling is illegal and a violation of the Potsdam and Moscow decisions.

The spokesman said Poland wants six German Generals, accused of helping destroy Warsaw, and Wilhelm Kopf, minister-president of Lower Saxony, and will have difficulty preparing appeals within the deadline.

Guerrillas' Move On Vitsi Halted

Athens, Aug. 23 (AP)—The Greek Army, turning north and east from the Grammos Mountains, today routed guerrillas who were moving toward the Vitsi area with the apparent aim of finding a new home for Communist "free Greece."

A communiqué said the rebels entered Greece from Albania directly west of Kastoria. Government troops blunted their advance and sent them scurrying toward the southeast. A spokesman said this stopped their march toward Vitsi.

The Vitsi area consists of some 20 to 25 square miles. It is directly north of Lake Kastoria in the triangle formed by the juncture of the Greek, Albanian and Yugoslav border at Lake Presba. Kastoria is about 13 miles northeast of Nesturion, northeastern anchor of the old Grammos front.

Fewer Natural Defenses

The Vitsi sector would offer the guerrillas supply lines into both Albania and Yugoslavia, but the terrain is not nearly so rugged as the Grammos Mountains and thus offers fewer natural defenses.

About 1,000 rebels were reported in Vitsi last week. The Greeks reported 1,500 heading that way from Albania after the retreat from Grammos.

Grammos Mountains stronghold, Gen. Kitrilakis said:

"The capture of Grammos is such a blow on the guerrillas that one can anticipate the rebellion will be suppressed by the end of this year."

The General estimated that at least 4,000 of the 8,000 to 10,000 guerrillas who were originally in the campaign had been wounded or killed.

Meanwhile the Greek Army, turning north and east from the Grammos Mountains, today routed guerrillas who were moving toward the Vitsi area.

OBSERVERS SEE NEW HOPE FOR 4-POWER ACCORD

Envoys Take Case to Premier After Snag Develops at Molotov Meetings

OPTIMISM VOICED

U. S. Ambassador Smith Smiling After 4-Hour Conference at Kremlin

MOSCOW, (Tuesday), Aug. 24—(AP) Prime Minister Stalin's meeting with the envoys of the three western powers resulted early today in a decision to continue the current Kremlin talks. The decision gave new hope for settlement of the deadlocked Berlin and German problems.

U. S. Ambassador Walter Bedell Smith, in excellent humor after a four hour and 40-minute session with Stalin, Soviet Foreign Minister V. M. Molotov and his British and French colleagues, told newsmen as he returned to his embassy at 1:40 a.m.:

Talks Will Continue

"We're going to have more meetings."

Thus the vital and secret four-power negotiations which yesterday seemed destined to end in disagreement were injected with new life.

It was learned on excellent authority that the three westerners took their case to Stalin after a snag developed in recent meetings with Molotov. It was the second session the prime minister attended. He and Molotov met the envoys Aug. 2. Molotov was the ranking Soviet official at the July 31 and Aug. 6, 9, 12 and 16th meetings.

The meeting opened in the Kremlin at 9 o'clock last night and was believed to have been the longest talk Stalin ever has had with foreign representatives. It exceeded by about one hour the longest previous session in the current Kremlin talks that began July 31.

Asked by newsmen about the progress of the talks, Smith replied:

"We're always optimistic. We expect the best and prepare for the worst."

This statement contrasted sharply with the "no comment" reply he had given to newsmen after previous meetings. Before the meeting opened last night, observers predicted freely, here and abroad, that this was to have been the last meeting.

Many observers in Moscow frankly expected disagreement last night over the vital Berlin and German issues. It became clear, however, after this meeting that there remains a good chance to settle the German issues here in Moscow.

During the long session, it was reported without confirmation that Smith and British representative Frank Roberts were planning to leave Moscow soon—Roberts possibly within the next 24 hours. After the session, however, it was presumed both envoys had cancelled such plans.

Smith returned to the embassy with Roberts and French Ambassador Yves Chataigneau. They retired almost immediately to Smith's third floor study for a three-power meeting.

It was assumed that they would draft their reports on the meeting for transmission to their governments in Washington, London and Paris.

Atmosphere More Optimistic

Among western circles here there was a feeling that it may be possible to make decisive progress in the next few weeks on the Berlin and German problems and arrive at what ultimately may be the foundation of a genuine settlement—satisfactory to both sides.

Smith said the Kremlin session, seventh in the series, was interrupted only for "tea and cakes."

When Smith emerged from his car at the U. S. Embassy he smiled—a characteristic smile that newsmen have interpreted to mean that the going was hard but that some measure of success was attained.

The U. S. ambassador appeared in an excellent mood.

The three ambassadors Smith, British Representative Frank Roberts and French Ambassador Yves Chataigneau—who went from the Kremlin to the embassy in separate cars, mounted the embassy stairs to Smith's third-floor office. In the seven talks with Stalin and Molotov, or Molotov alone, that have been held since July 31, many three-power post-Kremlin discussions have been held in the study.

Waiting in the embassy was Embassy Counsellor Foy Kohler, veteran foreign service officer, who, together with First Secretary Brewster Morris, had been keeping a vigil for nearly five hours. The attaches had with them their translators, assistants and the U. S. embassy secretariat.

Despite their apparent satisfaction, it was evident the envoys were very tired as they began their meeting in the study. It was likely they would be closeted for some time.

U.S. Writer Barred At Warsaw Parley

Warsaw, Poland, Aug. 23 (AP)—A committee organizing the World Congress of Intellectuals today barred Sydney Gruson, New York *Times* correspondent here, from covering its sessions.

The congress opens Wednesday in Wroclaw.

Jerzy Borejsza, secretary general of the congress, said the action was taken because Gruson wrote "this is a Communist congress."

Gruson said the story only reported the congress' advance publicity which indicated, he added, that an attempt would be made to make the congress "another sounding board for support of the policies of the Soviet Union against the United States and Britain."

REDS' 'FREE GREECE' REPORTED AT END

The western diplomats are believed seeking the raising of the Berlin blockade and attempting to find a basis for four power talks on Germany and possibly all outstanding east-west European problems.

Civil Service Reforms Set For Japs

AUG 23 1948

Tokyo, Aug. 23 (AP)—More than 300,000 Government officials will be required to prove their fitness by competitive examinations if proposed civil-service reforms are approved by the Diet.

This move—revolutionary in Japan—is one of numerous reforms designed to replace the powerful bureaucratic system with a responsible civil service, Blaine Hoover, of Chicago, said today. Hoover has headed a one-year study of the problem by Allied headquarters experts.

The reforms will be revisions of the National Public Service Law which General MacArthur ordered in his widely publicized letter of July 21 to Prime Minister Hitoshi Ashia.

Ordinance Bans Strikes

Out of that letter grew the Government ordinance banning strikes and collective bargaining by Government workers. Hoover characterized it as "only a small part" of embracive changes in the Government system which are ready for the Diet's consideration.

"Japanese bureaucracy has been incredibly incompetent," Hoover said. "It is ruled by cliques and positions obtained by family or political connections. There has been little chance for competent men to advance."

Hoover and his associates hope to overcome this with a new organization based around a "national personnel authority" of eight bureaus. These will handle affairs ranging from recruitment to administration in supervising working conditions, wages and other questions concerning some 2,500,000 Government employés.

When the program becomes effective, all permanent Government officials will technically be without jobs until they pass the competitive examinations. These must be completed within two years from the time the organization is adopted.

4 Jap Generals Take Blame For Massacre

Shanghai, Aug. 23 (AP)—Four Japanese generals convicted of war crimes in China today shouldered all the blame for the rape and massacre of Chinese by Japanese troops during the war.

The four, three under life sentences and the fourth under a twenty-year sentence, rose in defense of their commander, Lieut. Gen. Yasutsugu Okamura, who has just gone to trial.

Okamura pleaded innocent before a seven-man tribunal and denied he had any knowledge that the crimes were committed by his troops while he commanded all Japanese in China.

The four army commanders taking the blame are Lieut. Gens. M. U. Hunabiki, Z. K. R. Otsiai and M. S. R. Hitshita and Maj. Gen. T. O. Nashioda. They commanded armies in Hunan, Chekiang, Honan, Kiangsi and other central China provinces.

HODGE RELIEVED OF KOREAN POST

SEOUL, Korea, Tuesday, Aug. 24—(AP) The Army announced today that Lt. Gen. John R. Hodge, commander of American occupation forces in South Korea since the Japanese surrender, is being reassigned.

Hodge expects to leave by air shortly for Tokyo to confer with General MacArthur. Then he will fly to Washington.

Maj. Gen. John B. Coulter, who came to Korea last January 15 as commander of the Seventh Division and who has been Hodge's deputy since May 25, will assume Hodge's duties.

The departure of Hodge had been predicted since inauguration of the Korean republic Aug. 15. John J. Muccio, U. S. diplomatic representative to the new government, arrived in Seoul yesterday.

Army officials in Washington said Hodge's return does not indicate any reduction or withdrawal of American troops from Korea.

President Truman, Secretary of the Army Kenneth C. Royall, and Gen. Omar N. Bradley, Army chief of staff, sent congratulatory messages to Gen. Hodge commending him on completing his joint duties as Army commander and top U. S. representative.

"You led U. S. troops to liberate Korea from the tyranny of a ruthless conquerer," said President Truman. "The people of your area of this troubled country have held a free election in which a remarkably high percentage of the qualified voters participated. Now the responsibility for their own destiny rests with the elected representatives of a free people."

Gen. Hodge May Get New Post

Seoul, Aug. 23 (AP)—Many army and diplomatic officials here today speculated that Lieut. Gen. John R. Hodge, American commander in Korea, would be transferred and given a new assignment shortly.

The arrival of John J. Muccio, special representative of President Truman to the Korean Republic, brings General Hodge's job near completion.

Hodge's headquarters announced there would be a press release tomorrow but he would neither confirm nor deny that his transfer might be its subject.

Given 19-Gun Salute

Muccio was accorded a nineteen-gun salute. He was flown here from Tokyo by General MacArthur's personal pilot, Major Anthony Story.

The United States has recognized the new republic although Korea remains divided between the American occupation zone in the south and the Russian in the north. The Russians have set up a puppet regime in the north.

Muccio's appointment places United States representation on a higher diplomatic level. Joseph E. Jacobs, State Department career man and politcial adviser to Hodge since June, 1946, plans to leave for Washington on Thursday.

28 Huks Die In Fight With Constabulary

Manila, Aug. 23 (AP)—A dispatch to the Manila *Times* tonight said that 28 Hukbalahaps were killed and 24 wounded in a two-hour clash with Philippine constabulary units in Pampanga province.

The clash took place about 60 miles north of Manila yesterday.

The armed peasant commander, the dispatch said, escaped, leaving behind a quantity of Communist pamphlets and firearms in his field headquarters.

Palestine Terrorists Accuse American of Being a 'British Spy'

Victim Freed After Hours of Questioning, Threats; Protest Filed

C.L. DAVIDSON

JERUSALEM, Aug. 23 — (AP) U. S. Consul General John J. MacDonald said today George F. Paro, a confidential clerk in the American Consulate, was kidnapped and mistreated yesterday by members of the extremist Jewish organization, the Stern Group.

MacDonald said Paro, 33-year-old resident of Granville, N. Y., was held for seven hours and questioned about his work before being turned over to the Israeli army's military police. In the course of his seizure, MacDonald said, Paro was handcuffed, blindfolded and slapped.

Called "British Spy"

An Israeli army source said Sternists kidnapped Paro and called him a "damn British spy" because he faintly resembles a British detective who left Palestine four months ago.

Israeli military police authorities held Paro for nine hours after the Sternists turned him over to them. Asked why they detained him so long, an army spokesman said: "to clear up such a mystery in nine hours is not bad police work. The spokesman refused to comment when asked why he had not merely telephoned the U. S. consulate after the Sternists released Paro.

MacDonald has filed a full report on the incident to the State department and sent a strongly-worded protest to Dr. Bernard Joseph, the Jewish military governor in Jerusalem.

The Stern group joined the Israeli army inside the new Jewish state, but still operates underground as a terrorist band in Jerusalem.

When Paro was seized he was questioned about his identity, his work and his Arab friends. When the Sternists handed him to the Israeli police the latter held him incommunicado. They refused to telephone MacDonald's office to confirm Paro's statement that he was an American, MacDonald said. After nine hours, the Israelis delivered him to his home.

Call His Passport "Phony"

Paro showed his U. S. diplomatic passport to both the Sternists and the Israeli police, but they said it was "phony."

The kidnapping took place at about 1 a.m. yesterday after Paro had struck up a cafe acquaintance with a man and a woman. The man offered to drive him home and Paro agreed, MacDonald said. When he entered their car he found the woman had disappeared and in her place sat a second man. The driver explained he wanted to take his friend home first and Paro agreed.

They drove for a distance, then finally stopped. The two men told him to "get out" and a third man appeared. This man snapped handcuffs on Paro, he said.

Paro said: "He slapped me across the face and called me a 'damn British spy'."

"There were about a dozen others standing around," Paro continued, "most of them in nondescript uniforms. They took me into a room of a building and blindfolded me and told me to sit on the floor."

Cursed by Sternists

Paro said for the next hour the Sternists cursed him, accused him of being British, insulted him and then began interrogating him.

"One of them told me: 'If our investigation fails to bear out what you've told us, you'll be shot like a British spy tomorrow morning'," Paro said.

After another hour of questioning, Paro said he saw beneath his blindfold that three men were pointing rifles at him. Then someone fired three shots out of a window. Then, he said, they gave him "the silent treatment."

At about 8 a.m., Paro said, they drove him back to the city. Finally, he was taken into a building, the blindfold was removed, and "I looked up into the grinning faces of two military policemen."

The Israelis also questioned him about his work, his identity and his experience during this time with the Sternists.

An army spokesman said an army officer and a civilian had identified Paro erroneously as a former British undercover detective. When army men went to call the police, the Sternists apparently stepped in and kidnapped him, the spokesman said.

Arabs Offered Peace Again

ERIC GUTTGET

Jerusalem, Aug. 23 (AP)—Israeli Prime Minister David Ben Gurion has tendered another peace overture to the Arabs.

Addressing over 100 delegates to the Inner Zionist Council yesterday, he said:

"We hope the present war will finish soon with a peace conclusion with the Arabs. They need us and we need them."

Ben Gurion said the Palestine truce is "not yet working against us but it might one day if it continues indefinitely with immigration restrictions and permanent foreign control imposed upon us."

Frontier "Corrections"

He expressed confidence of final victory if war is resumed, however.

Foreign Minister Moshe Shertok

30.24- 19949

told the Council that Israeli policy still is based on the United Nations' partition decision. He added, however, that this decision is "no longer capable of being carried out in all details."

He said the Jews reserve the right to suggest several frontier corrections. These, he added, are "not necessarily aimed at a territorial arrangement but at practical improvements" in the Israeli boundaries.

Shertok said the Arab minority problem should be reconsidered by aiming at a stricter territorial separation between Arabs and Jews "to avoid a repetition of political disturbances."

Would Ask American Arms

Dr. Abba Hillel Silver, chairman of the American section of the Jewish Agency, told the Council:

"Should peace negotiations break down, we shall turn to our Government for immediate abolition of the [arms] embargo so the defenders of Israel may be able to acquire arms and ammunition from our country which has always prided itself on being the arsenal of democracy."

Church Desecration Minimized

TEL AVIV, Israel, Aug. 23 (AP)—The Israeli Government said today that acts of desecration against Christian religious property by its soldiers had been "isolated transgressions by irresponsible individuals," who had been punished.

A statement issued by the Foreign Office on behalf of the Department for Christian Communities in Israel's Ministry of Religious Affairs, said:

"During the past few days reports have been circulated abroad accusing Israeli official authorities of having engineered the desecration of and criminal acts against a number of Catholic churches and religious institutions throughout Israel. These reports also allege an Israeli intention to expropriate ecclesiastic property. * * * Publication of the true position is deemed necessary to frustrate this clear attempt to disturb the good-will between the Israeli Government and the Catholic clergy in Israel.

"Soon after the war broke out, when it was clear the holy places might figure in battle zones, strict orders were issued to Israeli troops enjoining the utmost respect for places of holy contents and association of all religions and directing that every possible measure be taken to safeguard the lives of ecclesiastic personnel.

"It is a source of deep gratification that these orders have been substantially fulfilled. The isolated transgressions by irresponsible individuals, which are regretted, took place in the first weeks of fighting and military occupation before effective security control had been instituted. Most of the offenders have been apprehended and punished.

"One instance is the looting of sacred objects from the Greek Catholic Church in Jaffa. This incident received wide publicity abroad. Publicity, however, was not given to the fact that the persons responsible were arrested, court-martialed and sentenced to six months' imprisonment and that the stolen property was restored to the church. The restoration was acknowledged in a letter of thanks from the curate to the military commander in Jaffa.

"Other cases of looting in the Galilee area are now subject to investigation. Deliberate exaggeration of such minor occurrences tends to overshadow the basic fact that, in six months of warfare, Israeli military operations have not directly caused the destruction of any church or sanctuary or death or injury to any ecclesiastic. * * *

"Nazareth is at present out of bounds to Israeli troops and appreciation of this gesture of respect for Christian feeling has been conveyed in person to the Minister of Religious Affairs by the Christian clergy."

Jewish State's Recognition Held U.N. Peace Bid Basis

AUG 23 1948

Stockholm, Aug. 23 (AP)—Any solution of the Palestine problem reached by the United Nations General Assembly must recognize that a Jewish state already is in existence, an informed United Nations source said today.

Count Folke Bernadotte, United Nations mediator for Palestine, plans to offer to the General Assembly in Paris next month his suggestions for a final ending of Palestine's strife.

These peace proposals are expected to include several alternate solutions, this source added. However, all of them will take into consideration that a Jewish state—Israel—now is in being.

It is not so much the establishment of a Jewish state that is at stake, but a definition of its frontiers, this source added.

To Continue Talks

Bernadotte, however, has declined to say what his recommendations to the General Assembly will include. He has said only that he plans to continue his talks with the Arab and Jewish leaders after his return to the Middle East near the end of the month. After these talks he will make his report to the General Assembly.

Commenting on the present situation in the Holy Land, this source pointed out that the truce accepted by both parties "was a tacit acceptance of the present situation."

Observers at Bernadotte's Rhodes headquarters believe no measure "short of war" could dissolve Israel, but that Israel might acept some frontier adjustments.

No U.N. Armed Force

These observers point out that the United Nations has failed to provide an armed force to help enforce the Jerusalem cease fire.

Israel protested to the International Red Cross today that two wounded Jewish soldiers "were killed and their bodies multilated" while prisoners of Arabs in Jerusalem.

Moshe Shertok, Foreign Minister, directed the protest to Count Bernadotte, president of the seventeen International Red Cross convention meeting here. Shertok charged the "outrageous incidents" took place in the Red Cross zone of the Holy City and added that a third prisoner "died or was killed."

Shertok's letter was addressed to Bernadotte as Red Cross head rather than in his role as United Nations mediator in Palestine.

Delivered As Prisoners

Shertok said bodies of Jewish soldiers were removed from Government House—in the Red Cross zone—during a six-hour cease fire August 20.

"Bodies removed from Government House were found beheaded," Shertok said. "They were photographed in that condition by the International Red Cross.

"These two men were brought into Government House while wounded, one of them not seriously, by a party of Israeli soldiers who sought shelter in Government House, and were subsequently delivered from it to the Arab commander as prisoners of war.

"They were thus killed and their bodies mutilated while under protection of the International Red Cross.

"Third man from that group who died or was killed while in Government House was for reasons yet unexplained buried in grounds of Government House by International Red Cross.

Desecration Punished

In Tel Aviv, the Israeli Government said that acts of desecration against religious porperty by Jewish solders had been "isolated transgressions by irresponsible individuals" and had been punished.

The statement, issued by the Foreign Office, noted that reports had been circulated abroad accusing Israeli official authorities of having engineered desecration of and criminal acts against a number of Catholic churches and religious institutions throughout Israel.

The statement termed the charges so fantastic as to hardly warrant denial but added that publication of the true position was deemed necessary "to frustrate this clear attempt to disturb the good will between Israeli Government and the Catholic clergy in Israel."

Deliberate Exaggeration

Israeli troops are under strict orders regarding the holy places and ecclesiastic personnel, the Foreign Office said, and the orders have been substantially filled. The statement agreed that some isolated transgressions took place by irresponsible individuals in the first weeks of fighting but said that most of the offenders have been punished.

"Deliberate exaggeration of such minor occurrences tends to overshadow the basic fact that in six months of warfare Israeli military operations have not directly caused destruction of any church or sanctuary or death or injury to any ecclesiastic," the Government said.

In Jerusalem it was disclosed that 33,000 Jewish immigrants—half of them from Cyprus camps—have arrived in Israeli since the new state was established last May. The figures were given to the General Zionist Council meeting by Eliahu Dobkin, a member of the Jewish Agency executive.

Egypt-Iraq Talks

[In Cairo Egyptian Premier Nokrashy Pasha conferred two hours with Muzahim al Batchachi, Iraqi Prime Minister, over the Palestine situation. Both declined to make any statement.

[Reliable sources said the United Nations has asked the Egytian Government for appointment of three military observers. One would be stationed in Cairo, another in the Suez Canal area, and three at airports.]

[The Egyptian Defense Ministry announced tonight that Lieut. Col. Ahmed Abdel Aziz, commander of Egyptian troops in Jerusalem, has been killed. It did not give any details.

[An announcement said King Farouk, "deeply affected by the loss of this hero," has conferred posthumously on Abdel Aziz the rank of colonel and title of Bey.]

Prisoners Slain, Israel Reports To Red Cross

ED. CURTIS

Stockholm, Aug. 23 (AP)—The Jews asserted today that two wounded Israeli soldiers were "killed and their bodies mutilated" while prisoners of Arabs in Jerusalem's international Red Cross Zone.

A third Israeli prisoner, the Jews declared, "died or was killed."

Moshe Shertock, Islaeli Foreign Minister, protested the incidents to Count Folke Bernadotte. Shertok addressed his protest to Bernadotte as president of the Seventeenth International Red Cross Convention, and not as United Nations mediator for Palestine.

During a six-hour cease-fire August 20, Shertok said, the bodies of two Jewish soldiers were removed from Government House, on the outskirts of Jerusalem. Government House, former residence of the British high commissioner, now is in a Red Cross zone.

Bodies Are Photographed

"Bodies removed from Government House were found beheaded," Shertok declared. "They were photographed in that condition by the International Red Cross.

"These two men were brought into Government House while wounded, one of them not seriously, by a party of Israeli soldiers who sought shelter in Government House, and were subsequently delivered from it to the Arab commander as prisoners of war.

"They were thus killed and their bodies mutilated while under protection of the International Red Cross.

"A third man from that group who died or was killed while in Government House was, for reasons yet unexplained, buried in the grounds of Government House by the International Red Cross."

Shertok said the cease-fire was arranged through United Nations truce observers.

"It was agreed that, during this interval, Israeli authorities would restore 36 civilians removed from the Arab college to be accommodated in Government House while at the time they should send six mediation personnel to remove bodies of Jews killed in that area," Shertok added.

"When, after removing the bodies from Government House itself, the medical orderlies proceeded to the removal of bodies from the area around it, fire was opened against them by Arabs from both sides, forcing the orderlies to retreat and leave the dead."

Jews Call War Fate Guide To Red Cross

Stockholm, Aug. 23 (AP)—The World Jewish Congress today sent a memorandum to the International RedRed Cross conference here which said:

"The lesson of unprecedented calamities which befell the Jewish population of Europe before and during the recent world war should be applied to the proposed (Red Cross) convention for the protection of civilians in wartime."

The World Jewish Congress, which has consultative status with the United Nations Economic and Social Council, added that the proposed convention is "as historic advance."

The Jewish memorandum was submitted to the legal commission of the Red Cross conference. That commission has split into three sub-committees. One will study the draft of the new convention while the others will revise the Geneva and Hague conventions.

The memorandum proposed that the new convention be widened to cover "emergencies caused by violence or disturbances against national, racial or religious groups." In its present form, the proposed convention grants protection to civilians in case of international conflict or civil war.

The World Jewish Congress is represented at the Red Cross conference by Dr. G. M. Riegner and Dr. L. Zelmanowits.

BURMA REBELLION MENACES CAPITAL

Premier Appeals to the Public as Dissidents Attempt to Close In on Rangoon

AUG 23 1948

RANGOON, Burma, Aug., 23 (AP)—Premier Thakin Nu appealed tonight to the people of Burma to exert all-out efforts in the Government's moves to quash a rebellion.

The Premier went before the microphone as Leftist rebels closed in on the capital in an ambitious attempt to lay siege to the city.

Thakin Nu admitted that 5 per cent of Burma's armed forces had turned traitor because the present Socialist government refused to align itself solely with Russia. He assured the people, however, that the other 95 per cent were waging war on the rebels with planes, artillery and other modern weapons.

The uprising has been under way for several weeks. But the 42-year-old Premier's broadcast emphasized the seriousness of the situation. The rebels comprise solely Leftist elements with a nucleus of Communists.

Flood Spills South

Observers here say that the flood of Communism is spilling south from China over the rich lands of Southeast Asia. Malaya and Burma are high on the list and the present rebellion may turn out to be a full-scale Communist bid for power.

The Communists agitated for Burma's independence, but soon after she was declared independent of Britain seven months ago they began harassing the Government. British officials say that the aim of the Communists here and elsewhere in Southeast Asia is to slow the flow of rubber, tin, oil and other strategic raw materials into defense stockpiles of the United States and Western Europe and to lay the foundation for an eventual strike for full political control.

Rebels already have interfered with the new country's economy. Rangoon is cut off from the hinterland, where the insurgents hold pockets of territory. Utility services have been suspended. The uprising has created chaos and panic in the countryside.

Urges End of Violence

"If we fail to eradicate the evil of violence, Burma cannot exist as an independent state," Thakin Nu said. "If the rebels consider our present policy of establishing friendship with Britain and the United States abominable, or if they sincerely believe it would be to Burma's advantage to side with Soviet Russia if war breaks out between Russia and the English and Americans, their proper course would be to place their viewpoint before the masses instead of resorting to arms."

The rebelling forces comprise Red and White Flag Communist parties, White Band Peoples Volunteer Organization members and mutinous troops. So far they have adopted hit-and-run tactics and the move to ring the capital may draw them into the open for an all-out battle with Government forces.

The latest rebel activity, Burmese newspapers said, was a raid on Kyaiklat, which is situated in Burma's Rice Bowl area forty miles southwest of Rangoon. The reports said that 400 rebels, proclaiming themselvse Red Flag Communists, burned and looted and opened jails. The insurgents fled before Government troops arrived.

Troop Units Disarmed

The first hint of the present rebellion came early this month when newspapers cautiously disclosed that 800 men from a military police detachment were surprised in their barracks and disarmed. The Government said they had planned to join the Communists. The Government then clamped on a twenty-four-hour censorship and began disarming other units.

The Communists have been making things hot for the Government in outlying areas while avoiding open clashes. Their leader, Than Tun, now is in hiding in the Pyinmana forests 300 miles from Rangoon. The American State Department calls him a foremost disciple of Premier Stalin.

If Thakin Nu's Government is forced out of power, it is believed here that he will try to hand over the reins to Lieut. Gen. Smith Dun, who at 45 is the highest ranking general in the country.

The Government pins much of its hopes for survival on one thing that traditionally knits Burma together—religion. Earnest Buddhists, Burmese follow the teachings closely and thus are not open to the exploitation of such Moslem-Hindu splits as have gripped what was British India.

Big Battle Looms As Rebel Force Rings Rangoon

Rangoon, Burma, Aug. 23 (AP)—Military observers said today that a large-scale battle is in prospect as insurgents close in on Rangoon in an ambitious attempt to lay siege to the city.

These observers said Government forces have been denied a chance of meeting the rebels in a big, decisive action. The rebels have been employing hit-and-run tactics.

But, they say, Government troops will have a chance to strike possibly a knockout blow if the rebels continue to draw closer and spread their forces around Rangoon.

Utility Services Suspended

This captial city is cut off from the hinterland due to the suspension of utility services.

Present evidence suggests that the rebels—composed solely of Leftist elements—are not a coordinated force. Observers, reviewing the last week's activities, say that Government forces gradually are gaining the upper hand.

Troops under Brigadier Kya Doe, special commissioner of the Burmese armed forces, progressed in the Communist areas of Pegu and Toungoo while Col. Saw San Po Thin, former Karenni Minister, continued a forceful drive in the Bassein district.

Rice Bowl Town Raided

Observers predict that the appointment of Col. Let Ya, former Defense Minister, as special commissioner for upper Burma presages a drive in that area.

The later rebel activity in the south, newspapers said today, was a raid on Kyaiklat, a large town in Burma's rice bowl 40 miles southwest of Rangoon. They fled before Government troops arrived.

Australia Ships Arms

Canberra, Australia, Aug. 23 (AP). Prime Minister J. B. Chifley said today Australia has shipped weapone and ammunition to Malaya, where British authorities are fighting a Communist uprising.

Chifley said that "supplies of automatic weapons and ammunition, required in Malaya for the maintenance of law, and ordered recently, have been dispatched by Australian authorities by air and have been duly delivered."

He said that at the request of the British he could not announce a list of the equipment. He added that "certain other types of equipment which are being tested and examined will also be supplied to the extent available if they are found suitable for the purposes required."

Australia to Discontinue Stabilization Subsidies

By The Associated Press.

CANBERRA, Aug. 23—Prime Minister J. B. Chifley has rejected requests by Australian Premiers (Governors) to continue Commonwealth price stabilization subsidies on wool, cotton yarn, imported textiles and potatoes. Mr. Chifley said he is "not satisfied the states could police these subsidies to insure benefit for the consumer."

The Commonwealth announced it would discontinue these subsidies next month following the defeat of its referendum request for permanent price control power. Subsidies on tea and superphosphate will continue.

The Prime Minister said the Wool Realization Board opposed continuation of the wool subsidy because Australian buyers are bidding recklessly. If this continued, he said, overseas buyers might soon cease to buy fine wool.

Australians to Join Air Lift

CANBERRA, Australia, Aug. 23 (AP)—Prime Minister Joseph B. Chifley announced today that forty men and an officer of the Royal Air Force Dakota air crews would aid the British in maintaining the air lift to Berlin. He said Australia originally had offered to sen ten Dakotas with their crews, but the British Government intimated trained crews would be more useful.

Burma Says Reds Won 5 P. C. of Armed Forces

RANGOON, Aug. 23 (AP).—Premier Thakin Nu said in a radio address tonight that 5 per cent of Burma's armed forces turned traitor because the government refused to align itself solely with Russia.

He admitted that the rebels in early days of the insurrection inflicted considerable reverses on government forces, but said the tables have been turned.

"If the rebels consider our present policy of establishing friendship with Britain and the United States abominable, of if they sincerely believe it would be to Burma's advantage to side with Soviet Russia if war breaks out between Russia and the English and Americans, their proper course would be to place their viewpoint before the masses instead of resorting to arms," he said. "If we fail to eradicate the evil of violence, Burma cannot exist as an independent state."

He appealed for co-operation in Burma's effort to crush "the monster of violence and widespread lawlessness" which he said threatens the country.

SYRIAN CABINET NAMED

Premier Keeps Defense Post—El-Barazi Foreign Minister

DAMASCUS, Syria, Aug. 23 (AP)—Premier Jamil Mardam Bey announced his new Cabinet today. He retained the Ministry of National Defense, while Dr. Moshen el-Barazi, who had been Interior Minister, took over the Foreign Ministry.

Five new Ministers were added: Loufti al-Haffar, Sabri el-Assali and Mikhael el-Yan, all from the National party, and Mohamed al-Ayashe and Emir Adel Arslan, both Independents. All, however, had been in past Cabinets.

Five Independents retained from the old Cabinet were Dr. el-Barazi, Said Bhazi, Wihbeh Hariri, Ahmad Rifai and Maunir Ajlani.

Egyptian Commander Killed

CAIRO, Aug. 23 (AP).—Lieutenant Colonel Ahmed Abdel Aziz, commander of Egyptian troops in Jerusalem, has been killed, the Egyption Defense Ministry said tonight. It did not give any details. An announcement said King Farouk, "deeply affected by the loss of this hero," has conferred posthumously on Abdel Aziz the rank of Colonel and title of Bey.

Maharajah 'Near' Settlement On Funds

New Delhi, India, Aug. 23 (AP)—A Government source said today the Maharajah of Baroda is near a settlement with his State Government.

"The question of abdication need not arise," the informant said.

The Baroda State Legislature demanded in a resolution earlier this month that the Maharajah resign. He was accused of misusing almost $10,000,000 of State funds on a six-week spending spree. The Maharajah is one of the wealthiest men in the world.

The Maharajah and the Baroda Premier, Dr. Jivaraj Mehta, are conferring here with Dominion States Minister Sardar Patel. The informant said the Maharajah has consented to become a constitutional ruler, to institute a full, responsible government, and to restore State funds.

Red Industry Spying Revelations Waited

Washington, Aug. 23 (AP)—Congressional spy investigators said today Elizabeth T. Bentley is ready to tell how a Soviet spy ring sought America's wartime industrial secrets.

One member of the House Un-American Activities Committee said he fears the Russians may have been highly successful.

Miss Bentley has given the committee, in secret sessions, a peek at what she knows about "espionage in industry," this member said, adding that she evidently knows a lot.

Hearing Set Sept. 7

As soon as it can be arranged, he said, public hearings will be held on operations of what the committee regards as a fourth Red spy network in the United States.

But first, the committee has several other jobs to finish. These are leftovers from:

1. Testimony of Miss Bentley that she used to be a Communist and the courier for two groups that obtained wartime secrets and passed them on to Moscow. Hearings are planned to start September 7.

2. Testimony of Whittaker Chambers, an editor of *Time* magazine, that he used to be a Red, and that the Communists operated a prewar underground in Washington in which Alger Hiss was a leading member. Hiss, former State Department official who now heads the Carnegie Endowment for International Peace, denies it.

Chambers never has called the underground a spy ring, but he said espionage undoubtedly was one of its objectives.

More Witnesses Due

More witnesses are scheduled for secret questioning today and tomorrow, and then Hiss and Chambers are supposed to meet in open hearings Wednesday.

AUG 23 1948

30.24- 19951

In addition to winding up these assorted hearings, Representative J. Parnell Thomas (R., N.J.), committee chairman, had said the committee expects "to bring into full focus the operations of still another espionage ring which secured some of our most vital information." He has declined to go into details.

The committee has stirred up some guessing by asking the War Department to appoint a liaison officer for this phase of its spy hunt. Nobody will say why.

During the war the Army had charge of developing the atom bomb.

In closed sessions today and tomorrow, three or four more witnesses were scheduled for questioning on the relationship between Chambers and Hiss. Their names were not released.

Chambers said he was introduced to Hiss by J. Peters, a man he described as head of the Red underground for the United States.

He said Hiss knew him, Chambers, by his party name of "Carl."

Hiss says he knew Chambers only as a writer named George Crosley, who was seeking material for magazine articles. He said he was on the staff of the special Senate Munitions Investigating Committee at the time.

Armed Forces Told To Use Mutual Aid

AUG 23 1948

Washington, Aug. 23 (AP)—American military chiefs laid down the edict today that Army, Navy and Air Force must each call on aid from the others when that will promote "effectiveness and economy" of operations.

This pronouncement came in a statement from Secretary of Defense Forrestal on what was accomplished at week end meetings of top military officials at Newport, Rhode Island.

Forrestal also said:

1. There was discussion of "broad strategic matters of particular interest in the current international situation."

2. "Current scientific developments were surveyed in an effort to insure that the armed services in both operational and logistical fields will keep abreast of the latest capabilities of various types of weapons and their appropriate employment."

The announcement referred to aid and co-operation among the services in reporting that the Newport meeting "clarified" and "extended" the so-called "Key West agreement."

Use Any Available Force

Forrestal met with military chiefs at Key West, Fla., last March to work out an understanding of what duties each service had under the consolidation of all services under a single Department of Defense.

Today's announcement said the "primary functions" signed at Key West continue, but added:

"This does not preclude participation of other services. On the contrary, it requires the fullest consideration and use of any available forces, regardless of service, if they add to the effectiveness and economy of the operations."

Suggest Berlin Aid

There was no indication whether that would mean any immediate change in current military operations.

Some navy men have been contending that the Navy, if given a chance, could contribute greatly to the air supply of Berlin. That is now strictly an Air Force job.

Rift Over Duties

There has been a squabble between the Navy and the Air Force over air duties of each ever since the Air Force was created as a separate department on equal footing with the Army and Navy.

Today's announcement said that the Key West agreement has been "subject to different interpretations since its preparation."

The Air Force, for instance, has loudly criticized the Navy's proposed construction of a supercarrier on the grounds that it infringes on air force long-range bombing functions. The Navy has denied the purpose of the carrier is to do long-range bombing.

Filipino Praises Veterans

Tells Spanish-American Session War Was Start Toward Liberty

WASHINGTON, Aug. 23 (AP).—Veterans of the Spanish-American War heard an expression of gratitude from the Philippine government today at the opening of their fiftieth national encampment. Bartolome A. Umayam, Second Secretary of the Philippine Embassy, told 1,500 members of the United Spanish War Veterans and its auxiliary that the Spanish-American War "was the turning point from a regime of bondage to a regime of freedom and liberty."

Omer W. Clark, Executive Assistant to the Administrator of the Veterans Administration, told the delegates that the government is paying monthly benefits to 2,282,873 veterans of all wars and to 603,286 dependents of deceased veterans.

Object to Sponsors.

Washington, Aug. 23 (A. P.).—Press Officer Michael McDermott said the State Department has no objections personally to Dr. Johnson. But, he added, "it would regard a visit under auspices of this organization as not in our national interest."

The Soviet-American Council, McDermott said, is on the Attorney-General's list of subversive organizations.

McDermott said in response to a question he believed Dr. Johnson would be granted a visa if he wants to come to this country "on his own hook," rather than under sponsorship of the Soviet-American organization.

West Germany Allotted $43,000,000 More Aid

WASHINGTON, Aug. 23 (AP).—The Economic Co-operative Administration added $43,000,000 today to recovery funds for German Bizonia during the third quarter of 1948.

The increase brought to $85,000,000 the basic allotment for purchase of foodstuffs and other commodites for Western Germany during the period. This is more than double the original tentative allocation of $42,000,000 sent earlier by E. C. A.

E. C. A. said today's increase was made on the basis of new information from American and British Military Governors in Western Germany. This information, E. C. A. asserted, was not available when original allocations were established.

Westmore Wilcox, fifty-three, New York investment broker, was named by the E. C. A. today to head a special mission to Austria. His appointment was announced by Paul G. Hoffman, the administrator.

Disavow Japanese Threat

U. S. "Never Heard" of Plan to Kill P.W.s If Nation Was Invaded

WASHINGTON, Aug. 23 (AP).—The State Department said today it never heard of any war-time threat by the Japanese government to kill American war prisoners if Japan was invaded.

A British clergyman yesterday asked whether such a threat caused the American government to drop the atom bomb.

State Department officials said the main purpose of using the atom bomb was to hasten the end of the war, as President Truman stated in announcing the action.

U. S. May Boycott Havana Conference

Washington, Aug. 23 (A. P.).—The United States Government may pass up the Inter-American Conference on Foreign Colonies at Havana, September 1, diplomatic officials said today. They described it as a possibility under consideration. The purpose of the conference is to discuss what shall be done with foreign colonies in the Western Hemisphere.

A boycott of the conference by the United States would almost certainly doom it to failure. A fear of disturbing relations at this critical time with Great Britain, France and The Netherlands is the main reason the American Government might refuse to attend. All these countries have colonies in the Western Hemisphere.

Japanese-Americans Get Christmas Present

San Francisco, Aug. 23 (AP)—Federal Judge Louis E. Goodman presented a Christmas present to 2,000 Japanese-Americans today.

Judge Goodman ruled that the names of the 2,000—who had renounced their American citizenship during the war—may be added to a list of Tule Lake Japanese whose citizenships will be restored. Approximately 2,900 names already are on the list.

The ruling will become effective in approximately 120 days—or just about Christmas.

2d Russ Aide May Leave

New York, Aug. 23 (AP)—Zot I. Chepurnykh, Soviet vice consul here, said today that he is planning to return to Russia but will not accompany Consul General Jacob M. Lomakin, who is scheduled to sail Saturday.

Lomakin was ordered expelled by the State Department last week after it accused him of "improper conduct", in connection with the case of Mrs. Oksana Kasenkina, injured August 12 in a three-story leap from the Russian consulate.

Chepurnykh declined to say why he was returning home or when he planned to leave.

Booked 6 Weeks Ago

"Are you going with Mr. Lomakin?" he was asked.

"No, later on," the vice consul replied, adding that he was in "no particular hurry."

Earlier today, a Swedish-American Line official disclosed that Lomakin's passage, aboard the liner Stockholm next Saturday, had been booked about six weeks ago.

Lomakin, his wife and their two children will occupy a $1,400 suite on the Stockholm, the line official said.

The discredited consul general returned to the consulate shortly after 11 A.M. after spending what he called a restful week end with his family and friends. He said he fished, swam and played tennis and volley ball, presumably on Long Island.

Lomakin said he would make no statement today.

As Lomakin alighted from his automobile, truckmen were loading a number of crates, paintings and other property brought out of the consulate.

An attaché said, however, that none of the property was Lomakin's.

Condition Improves

Meanwhile, the injured teacher continued to improve at Roosevelt Hospital.

The hospital, which removed her from the critical list on Saturday, reported her in improved condition early today.

She will have to remain in the hospital about three months, her physician said yesterday, and surgery will be necessary on her right knee, one of a number of bones fractured in her jump.

Three Couriers Leave

Five men, heavily laden with luggage, left the consulate by automobile yesterday. Later in the day, three Russians, carrying so much luggage that they paid an extra $427 for transportation, left New York International Airport on a Scandinavian Airlines plane.

An interpreter, who said he was from the office of the Russian Naval Attaché in Washington, D.C., said the three men were couriers from the consulate here on a routine trip. They were booked for Stockholm, Sweden. The interpreter said the three passengers had not seen Lomakin.

VICE CONSUL GOING BACK TO RUSSIA TOO

But Chepurnykh Is Silent On Why Or When He's Leaving

AUG 23 1948

New York, Aug. 23 (AP)—The Soviet vice consul here is leaving, too, but he says he's in "no particular hurry."

The vice consul, Zot I. Chepurnykh, said he is going back to Russia but wouldn't say why or when.

Asked if he would accompany Consul General Jacob M. Lomakin, whose recall was asked by the State Department and who is to sail Saturday, Chepurnykh said "no, later on."

The consul general booked passage on the Swedish-American liner Stockholm about six weeks ago, a line official said.

When the ship sails for Goeteborg, Sweden, on Saturday, Lomakin, his wife and two children will occupy a $1,400 suite, the official said. It has not been stated definitely whether the Lomakins are going on to Russia.

The demand for Lomakin's recall was an aftermath of the case of Mrs. Oksana Stepanovna Kasenkina, Russian schoolteacher who leaped from a third-floor window at the Soviet Consulate August 12.

Mrs. Kasenkina, who was removed from the critical list at Roosevelt Hospital Saturday, continued to improve today. Her physician has said she would have to remain in the hospital about three months.

Lomakin returned to the consulate, this morning from what he termed a week end of recreation—fishing, swimming, tennis and volley ball—presumably at a Russian-occupied estate on Long Island.

Trial Of 12 Red Leaders Fixed For Oct. 15

New York, Aug. 23 (AP)—Federal Judge Harold R. Medina today fixed October 15 as the trial date for twelve top American Communists charged with conspiracy to overthrow the Government by force.

"I see it as just another criminal case and I don't see why it should be treated differently," the court said in rejecting the opinion of Abraham Unger, defense attorney, that the case was "a political football."

Unger had opposed the motion of United States Attorney John F. X. McGohey to fix the October 15 trial date.

"A Political Matter"

"There are questions of politics involved in the charges," Unger told the court. "This is an election year, a presidential-election year, and these defendants are taking part in the current campaign.

"This case is a political matter and should be passed upon by the people on the public platform. It is political on the part of public officials who are candidates for public office.

Under indictment are William Z. Foster, Communist party chairman; Benjamin J. Davis, New York city councilman; Eugene Dennis, general secretary; John B. Williamson, trade-union secretary; Henry Winston, organization secretary; Jacob Stachel, educational secretary; John Gates, editor of the *Daily Worker*; Carl Winter, chairman of the Michigan Communist party; Gilbert Green, Chicago district party chairman; Gus Hall, Ohio chairman; Irving Potash, and Robert G. Thompson, New York State chairman.

All are free in bail.

SPEED URGED IN PILING UP WAR MATERIAL

Parleys Planned In New York For Industry Representatives

AUG 23 1948

New York, Aug. 23 (AP)—Conferences aimed at speeding the stockpiling of 30 strategic materials considered essential to military security are being planned here for industry representatives, it was announced today.

Earl Bunting, managing director of the National Association of Manufacturers, said leaders which use the critical materials would be invited to confer with him, and with R. Webb Sparks, assistant director of the N.A.M.'s national industrial council, and industrial association representatives.

N.A.M. Co-Operating

Industries which import, produce or process the needed materials are being asked to obtain for the Government a certain percentage in excess of their normal supply. The N.A.M. is co-operating with the munitions board to accelerate the stockpile program.

The items most critical at present to the stockpiling program were listed by Bunting as follows (not necessarily in order of importance):

Rubber, lead, castor oil, cadmium, coconut oil, copper, manganese, palm oil, quinidine, shellac, zinc, cordage, fibers, mica, asbestos, bauxite, beryl, bismuth, charomite, columbite, corondum, industrial diamonds, graphite, kyanite, monazite, nickel, pepper, talc, tin, tungsten and vanadium.

To Clear Up Confusion

This list was released by authority of Rear Admiral Roger W. Paine, deputy executive chairman of the munitions board, " to clear up confusion and speculation as to what the Government needs, and to help industry aid more effectively," Bunting said.

Sparks reported that within a few days, detailed information on the amount of each material required for stockpile purchase would be forwarded to the trade association representing industrial users.

Although the required amounts of the materials vary considerably, Bunting said, as an average they represent "a very small percentage of the national production each year."

NEW YORK, AUG 23-(AP)-THE NEW YORK TIMES SAID TODAY IN A DISPATCH FROM TRIESTE THAT THE BASIS FOR THE COMMUNIST INFORMATION BUREAU'S DENUNCIATION OF YUGOSLAV COMMUNISTS WAS PREMIER MARSHAL TITO'S DESIRE TO KEEP YUGOSLAVIA OUTSIDE THE SOVIET SPHERE OF INFLUENCE AND INSURE HER NEUTRALITY.

THE DISPATCH WAS BASED ON A SERIES OF LETTERS IT SAID WAS WRITTEN BETWEEN MARCH 27 AND MAY 22 BY THE CENTRAL COMMITTEE OF THE RUSSIAN COMMUNIST PARTY TO THE CENTRAL COMMITTEE OF THE YUGOSLAV COMMUNIST PARTY. THE COMINFORM BLAST AT THE TITO REGIME WAS PUBLISHED JUNE 28.

CAMILLE M.CIANFARRA, WHO WROTE THE DISPATCH, SAID HE HAD BEEN SHOWN COPIES OF THE LETTERS BY YUGOSLAV OFFICIALS WHO ARRIVED RECENTLY IN TRIESTE FROM BELGRADE. CIANFARRA SAID TRANSMISSION OF THE LETTERS FROM YUGOSLAVIA WAS REPORTED FORBIDDEN BY YUGOSLAV CENSORS.

A LETTER DATED MAY 4, DESCRIBED AS 7,000 WORDS LONG AND THE MOST IMPORTANT OF THE SERIES, WAS QUOTED AS SAYING TITO HAD WANTED RUSSIA TO GO TO WAR WITH THE WESTERN POWERS AFTER THE SOVIETS, AT THE BIG FOUR FOREIGN MINISTERS' PARIS MEETING IN THE FALL OF 1946, HAD BEEN FORCED TO ACCEPT A FRENCH COMPROMISE FOR THE CREATION OF THE FREE TERRITORY OF TRIESTE.

ANOTHER LETTER WAS QUOTED AS HAVING REBUKED TITO AND VICE-PREMIER EDVARD KARDELJ FOR OBJECTING TO REQUESTS BY THE RUSSIAN AMBASSADOR IN BELGRADE FOR INFORMATION ON YUGOSLAV COMMUNIST WORK, THEREBY PUTTING THE RUSSIAN ENVOY ON THE SAME PLANE WITH "REGULAR BOURGEOIS AMBASSADORS." THE DISPATCH SAID THE LETTER CONTINUED:

"AFTER HAVING EXHAUSTED ALL OTHER MEANS, THE SOVIET UNION HAD ONLY ONE MEANS LEFT TO GIVE TRIESTE TO YUGOSLAVIA--TO WAGE WAR AGAINST THE ANGLO-AMERICANS AND OCCUPY TRIESTE BY FORCE.

"THE YUGOSLAV COMRADES COULD NOT BE UNAWARE THAT THE U.S.S.R. COULD NOT EMBARK IN A NEW WAR AFTER HAVING WAGED ONE SO HARD. BUT THIS ATTITUDE HAS CAUSED DISSATISFACTION AMONG YUGOSLAV LEADERS, WHICH HAS FOUND ITS EXPRESSION IN COMRADE TITO'S ATTITUDE."

THE LETTER ACCUSED MAJ.GEN.VLADIMIR VELEBIT, YUGOSLAV DEPUTY FOREI MINISTER, AND DR.M.L.LEONTITC, AMBASSADOR TO LONDON, OF BEING BRITIS SPIES AND ASSERTED THE U.S. AMBASSADOR TO BELGRADE WAS PERMITTED TO "ACT AS THOUGH HE WERE IN HIS OWN COUNTRY."

THE MOST RECENT LETTER, DATED MAY 22, WAS QUOTED AS HAVING ASSERT TITO AND THE YUGOSLAV COMMUNIST PARTY, "WITH THEIR ANTI-SOVIET AND ANTI-RUSSIAN PARTY," HAD "DONE ALL THAT WAS NECESSARY TO KILL THE TR THAT THE COMMUNIST PARTY AND THE GOVERNMENT OF THE U.S.S.R. Moscow Says Her Official Acted Properly in Teacher Case

WASHINGTON, Aug. 24 (AP)—Russia heatedly rejected tonight the United States' protests over Soviet actions in the Russian teachers case and cut off all consular dealings with this country in retaliation.

The State department received a note from the Russian embassy after regular business hours tonight, and officers said that was the gist of a quick, rough translation.

Move Expected

There was no official statement on the point, but diplomats said it was just what had been expected. There had been no decisions on the next U. S. move, if any.

Michael McDermott, department press officer, said the communication had not been fully translated, and for that reason he would not give precise quotations.

It maintained the Russian position in the case of Mrs. Oksana Kasenkina who jumped from a New York consulate window after Consul General Lomakin had "rescued" her from an anti-Soviet Russian retreat in New York state, McDermott said.

It also gave notice that the New York and San Francisco Soviet consulates, the only ones maintained by Russia in this country, will be closed. And it advised that Russia wants the American consulate in Vladivostok shut down and is cancelling an agreement for the opening of a consulate in Leningrad. There are not other American consulates in the Soviet Union.

Moscow Broadcasts Text of Reply to U. S.

LONDON, (Wednesday,) Aug. 25 (AP)—The Soviet government has decided to close two of its consulates in the United States and close or prevent the opening of two United States consulates in the Soviet Union as a result of the Kasenkina case, the Moscow radio said today.

Involved are the Russian consulates in New York and San Francisco, the existing American consulate in Vladivostok and the one projected for Leningrad.

It was from the Soviet consulate in New York that Mrs. Oksana Kasenkina, a Russian school teacher, leaped on Aug. 12, touching off a Soviet-American row.

Replies to U. S.

The decision to close the consulates, the Moscow broadcast said, was disclosed in the text of the Russian government's reply to a U. S. State department note dealing with the case of Mrs. Kasenkina and another refugee Russian teacher, Mikhail I. Samarin.

The State department had told the Soviet government that the United States will not turn Mrs. Kasenkina over to Russian authorities against her will. She is under treatment now in a New York hospital.

The involved dispute also has resulted in an American request for the recall of Jacob M. Lomakin, Soviet consul general in New York, because of his conduct in the case of Mrs. Kasenkina. Lomakin claimed to have "rescued" her from a group of anti-Soviet Russians.

The broadcast said:

Supports Soviet Officials

The government of the U.S.S.R. reject the unfounded statements of the State department about Soviet government officials and considers the actions and statements of the Soviet government and its official representatives in the U. S. A. in connection with the case of Kasenkina and Samarin are completely in accord with the legitimaate interests of the Soviet Union in defending its citizens from criminal attempts against their liberty and civil rights."

In complaining of the action of Soviet officials in the United States the State department had said:

"The government of the United States cannot permit the exercise within the United States of the police power of any foreign government."

Referring to the decision regarding the American consulates, the broadcast said the Soviet government decided:

"In accordance with the principle of reciprocity to consider the United States consulate in Vladivostok to be closed immediately. On the same basis to consider the agreement previously arrived at between the governments of the U.S.S.R. and the U.S.A. on the opening of a United States consulate in Leningrad as having lost its validity."

Further, the broadcast said the Soviet government "states that a situation has recently been created in the U.S.A. in which the normal executions of their functions by Soviet consulates in the United States becomes impossible."

The United States government has requested the recall of Jacob M. Lomakin, Soviet consul general in New York, because of his conduct in the case of Mrs. Oksana Kasenkina. He has made preparations to sail for home Saturday aboard the steamship Stockholm of the Swedish-American line.

Teachers Want to Stay

The U.S. note to which the Moscow broadcast referred rejected Soviet charges that Mrs. Kasenkina and Mr. and Mrs. Samarin were abducted by the anti-Soviet Tolstoy Foundation with the connivance of American officials. The school teachers, the note said, wanted to stay in the United States. The note also declared:

"The government of the United States cannot permit the exercise within the United States of the police power of any foreign government."

Lomakin has claimed that he "rescued" Mrs. Kasenkina from the Tolstoy Foundation farm at Valley Cottage, N.Y., on Aug. 7.

On Aug. 12 Mrs. Kasenkina plunged from a third floor window of the Soviet Consulate in Sey York. She is now recuperating at Roosevelt Hospital in New York and has refused to see consulate officials.

On the same day that Mrs. Kasenkina made her leap Samarin appeared in Washington before the House Committee on unAmerican Activities.

Soviet Note on Consulates

LONDON, Wednesday, Aug. 25 (AP).—The complete text of the Soviet note to the United States rejecting the State Department's previous note on the Kasenkina and Samarine cases, as reported by Tass and broadcast by the Moscow radio, follows:

"In reply to the note of the United States Department of Aug. 9 on case of Kasenkina and Samarine, the U. S. S. R. embassy in Washington declares the Soviet government considers the assertions contained in the note as unfounded and contrary to fact.

"Bypassing the facts cited in the statements of the Soviet government and its representatives, the State Department's note not only does not contribute to the clarification of obscure points in the case of the kidnaping of Kasenkina, Samarine, his wife and three young children, but merely hinders clarification of this affair and the part taken in it by certain persons and bodies.

The government of the U. S. S. R. reject the unfounded statements of the State Department about Soviet government officials and considers that the actions and statements of the Soviet government and its official representatives in the U. S. A. in connection with the case of Kasenkina and Samarine is completely in accord with the legitimate interests of the Soviet Union in defending its citizens from criminal attempts against their liberty and civil rights.

"The government of the U. S. A. has at its disposal sufficient data including that cited in notes of the Embassy of U. S. S. R. of Aug. 9 and 14 and in the statement of the Ministry of Foreign Affairs of the U. S. S. R. Aug. 11, confirming the facts of the kidnaping of Kasenkina and Samarine participation in this affair of the bandit white guard organization the "Tolstoy Foundation" and the fact that the Federal Bureau of Investigation is involved in it.

"As far as Kasenkina is concerned, her letter of Aug. 5 from 'Reed Farm' to Consul General Lomakin and her letter to her relations dated July 10 (photostatic copies of which were placed at the disposal of the State Department in accordance with its request) as well as a voluntary statement made by her at a press conference before numerous correspondents of American newspapers on Aug. 7 in which she reported her abduction proves sufficiently the improbability of contrary assertions.

"Since at present Kasenkina is in a hospital virtually under prison conditions and free communication between her and Soviet representatives is not permitted, statements ascribed to her cannot be considered as deserving any confidence, especially if one takes into consideration the serious condition of her health.

"It is known from reoprts of the New York press that the bandit white guard organization ("Tolstoy Foundation") headed by Alexandra Tolstaya (Tolstoy) is connected not only with the kidnaping of Kasenkina, but also with that of Samarine, whose whereabout are as yet unknown.

"On the other hand, the State Department's note of Aug. 19 confirms the fact that a very few days after his disappearance, Samarine was in the premises of the Federal Bureau of Investigation in New York. As long ago as Aug 10, Edward Mullins, chief inspector of the New Yor police, when he visited the Consulate General, told Lomakin, the Soviet Consul General in New York, that Samarine was under "the protection of the government of the United States of America and the Federal Bureau of Investigation."

"Yet up to the present time, the Soviet government cannot get any information on the fate of Samarine or his family.

"Consequently the Soviet government confirms its stand and demands, as given in the above mentioned notes of the embassy and the statement of Ministry of Foreign Affairs of the U. S. S. R. presented to the United States Ambassador in Moscow Aug. 11 and insists that the representatives of the Soviet Union be granted the possibility of free and unobstructed access to Kasenkina and Samarine.

"As regards the accusations leveled by the State Department against U. S. S. R. Consul General in New York Lomakin to the effect his actions constituted abuse of the prerogatives of his position and a gross violation of internationally accepted standards' the Soviet government rejects these accusations as utterly unfounded and not corresponding with the facts.

"The actions of U. S. S. R. Consul General in New York Lomakin were aimed exclusively at protecting the rights of Soviet citizens and his statements to press representatives with a view to restoring the truth, which is being rudely distorted in inspired reports in certain American press organs.

fully conform to internationally accepted standards and constitute a direct duty of consular representatives.

"Considering all the above circumstances, the Soviet government states that a situation has recently been created in the U. S. A. in which the normal execution of their functions by Soviet consulates in the United States becomes impossible. It will be seen from the State Department's note of Aug. 19 that the United States government not only does not intend to put an end to those actions of the American administrative authorities which are creating such a situation—to the extent of the American police invading the premises of the Soviet Consulate in New York as was the case Aug. 12—but on the contrary justified such a manifest violation of the rules accepted in international practice. In view of the above circumstances, the Soviet government has decided:

"(A) Immediately to close both Soviet Consulates in the United States, in New York and in San Francisco.

"(B) To consider the United States Consulate in Vladivostok subject to immediate closing in accordance with the principle of reciprocity. To regard on the same grounds, as having lost its validity the understanding previously reached between the U. S. S. R. government and the United States government regarding the opening of a United States Consulate in Leningrad."

Moscow, Aug. 24 (A. P.).—A qualified informant said today that the Western envoys and Russia have reached a general area of agreement during the series of talks that had their climax in last night's interview with Premier Stalin.

Technicalities lie ahead for adjustment but these are not trifles and will require considerable negotiation, the informant added.

The envoys have been trying since late in July to find a basis for lifting the Russian blockade of Berlin and for Big-Four talks on Germany and perhaps other European problems.

Sees 'Fair' Chance Still.

The informant said that the Kremlin talks have a "fair" chance of resulting in a solid agreement, and that the prospects are far better today than they were at this time yesterday—before last night's interview with Stalin. "Some progress" has been made, he declared, and there is no cause for pessimism.

The Western Powers and the Soviet, he continued, have reduced their terms to the "lowest denominator." Had no progress been made last night and early today, he added, the current series of conversations would have ended.

[In London today Whitehall spokesmen said that Stalin last night introduced certain "new ideas" which offer hope for a settlement, that this development in turn has dispelled fear that the talks would break down, and that the continuation of the talks has averted, at least temporarily, a potentially explosive international situation.]

Smith in High Spirits.

Earlier today United States Ambassador Walter Bedell Smith said that last night's meeting with Stalin resulted in a decision to continue the four-Power talks. The session, attended by the American, British and French envoys and by the Soviet Foreign Minister V. M. Molotov, lasted four hours and forty minutes.

Smith appeared in high spirits afterward. He told correspondents as he returned to his embassy from the Kremlin at 1:40 A. M.: "We're going to have more meetings."

Asked about the progress of the talks, he said: "We're always optimistic. We expect the best and prepare for the worst."

After previous sessions Smith had said nothing to the correspondents but: "No comment."

It was learned on excellent authority that the three Western envoys took their case to Stalin after a snag had developed at recent meetings with Molotov. It was the second session Stalin attended. The previous one was on August 2. Molotov was the ranking Russian official at the meetings of July 31 and August 6, 9, 12 and 16.

Last night's meeting began at 9 P. M. and was believed to have been the longest talk Stalin ever has had with foreign representatives. It exceeded by one hour the longest previous session in the current Kremlin talks, which began on July 31.

Statement Is Forecast

It was stressed that despite the length of the talks, the delicacy of the subject and the frankness exhibited by both Stalin and the Western diplomats, there has been no loss of temper. The conversations have been correct and polite.

Indications here were that the four Powers may issue a public statement shortly, but it was not known whether this would be tonight or tomorrow or the next day, nor was it known how much ground the announcement would cover. It was understood, however, that it will be sufficiently substantial to put at rest some of the rumors now afloat.

Smith said last night's session was interrupted only for "tea and cakes." After the meeting he returned to his embassy with the British representative Frank Roberts and the French Ambassador Yves Chataigneau. They retired almost immediately to Smith's third floor study for a three-Power meeting. It was assumed that they drafted jointly their separate reports on the meeting for transmission to their governments at Washington, London and Paris.

The sun was up and Moscow was bright before Smith finished his night's work. Roberts was reported to have worked until 9 A. M. and Chataigneau to have got to bed some time between 6 and 7 A. M.

AREA OF AGREEMENT REPORTED IN MOSCOW

Continued from Page 1.

KREMLIN TALK GAIN HINTED

General Area Of Agreement Said To Have Been Readied

By EDDY GILMORE

Moscow, Aug. 24 (AP)—A highly informed source said today a general area of agreement has been reached in the four-power Kremlin talks and further lengthy negotiations will deal largely with technicalities.

The technicalities are not trifles and will necessitate considerable negotiations.

Last night's 4-hour-and-40-minutes session with Prime Minister Stalin and Foreign Minister Molotov seemed to have cleared the atmosphere here and the source said chances of a solid agreement were "fair."

French Predict Meetings

[In Paris, official French Government sources said Yves Chataigneau, reported from Moscow that another conference with Molotov probably will be held this week.

This meeting with molotov would

[This meeting with Molotov would be to settle procedure for examining certain technical aspects of east-west differences, the sources said. This procedure might include conferences by financial experts, presumably on the Berlin currency issue, it was added.]

"Some progress" has been made, the Moscow source said, and there is no cause for pessimism. The Western envoys and the Russians are now said to have reduced their terms to the "lowest denominator."

Would Have Come To End

If there had not been progress at last night's session, the series of talks would have come to an end, the source added.

[In London, informed Whitehall sources said Stalin introduced last night certain "new ideas" offering hopes for an East-West settlement in Berlin. The sources did not disclose the nature of the new ideas, but said their introduction had dispelled fears that the talks would break down after last night's session.]

Announcement Possible Soon

It was emphasized that despite the length of the sessions, the delicacy of the subject and the frankness exhibited by both sides, there has been no loss of temper and the conversations have been diplomatically correct and polite.

There were indications that the four powers might make a public statement soon but it is not definitely known when the announcement could be expected since there must obviously be consulations in the four capitals.

Although there was little indication of how much ground such an announcement would cover, it was reported it would at least be substantial enough to put to rest some of the rumors around the world.

Moscow newspapers displayed on their front pages today a Tass announcement of the long meeting between Premier Stalin and United States Ambassador Walter Bedell Smith, French Ambassador Yves Chataigneau and British Special Envoy Roberts. There was no editorial comment.

FLAG OF RUSSIA MYSTERIOUSLY GONE

Edinburgh, Aug. 24 (A. P.).—Soviet Russia's hammer and sickle flag vanished early today from its flagpole alongside the flags of twenty-two nations flying for the Edinburgh festival of music and drama.

No one knew whether it was stolen or just came loose and blew away.

Officials replaced it.

Five Sicilians Arrested

Palermo, Sicily, Aug. 24 (AP)—Gino Cortese, vice secretary of the Caltanissetta Communist Party Federation, and four labor organizers were arrested by Sicilian authorities today and charged with responsibility for violence in a strike in Caltanissetta last December. Cortese is a Communist member of the Sicilian Regional Assembly.

Florence Pro-Fascist Headquarters Bombed

Florence, Italy, Aug. 24 (AP)—A bomb explosion caused heavy damage tonight at headquarters of the pro-Fascist Italian Social Movement here. There were no casualties.

Several houses on the same street also were damaged by the blast. Police are investigating.

Pakistan Protests Sanctions By India

Geneva, Aug. 24 (AP)—Pakistan formally accused the Government of India today of imposing economic sanctions against Pakistan.

Dr. S. A. Hasnie, Pakistan delegate to the current session of the contracting states to the Geneva Tariff Agreement, said India was imposing export duties on essential products destined for Pakistan, while the same products were being delivered free of duty elsewhere.

Hasnie charged that India was thereby breaking its obligations under Article 1 of the agreement.

The Indian delegate, B. N. Adarkar, said he had submitted the substance of the Pakistan complaint to his Government and was awaiting a reply.

RUSSIAN RAIDS IN BERLIN HALT

Tension Eased; Elections Put Off For Year

Berlin, Aug. 24 (AP)—Tension eased today in blockaded Berlin as the Russians appeared to have given up, at least temporarily, their series of kidnap raids into the western sectors.

Berliners turned their attention to Moscow reports which told of new hope for a settlement of the 61-day-old crisis brought on by the Russian blockade.

On the internal political front, Marshal Vassily D. Sokolovsky, Soviet zone commander, announced that elections in the Russian zone have been postponed for one year. It was the first time an occupying power has postponed elections.

Would Divert Attention

Sokolovsky said that if time were taken for the election now, "The

AUG 1948

30.24- 19963

attention of democratic organizations and the population in general would be diverted from a practical solution of their economic problems and the task of improving the general living standard."

The French-licensed newspaper *Der Kurier* commented that the Russians were striving to hide the political and economic bankruptcy of their zone. Anti-Communists long have predicted the move on grounds that the Russians faced a Communist defeat.

Along Potsdamer Platz, where the American, British and Soviet sectors meet, Red army patrols were quiet after days of border-crossing raids ostensibly aimed at black marketers. German and American officials had charged the Russians were attempting to terrorize the anti-Communist population.

Drop Plan To String Wire

The British said they had abandoned plans to string up barbed wire between their part of the square and the Russian side. Some wire was strung Saturday but it has since been removed. British officials said today they had found it unnecessary to go on with the job.

American officials said tonight they still were awaiting word from the Russians on an American proposal to remove Soviet, British and American troops from Potsdamer Platz.

The American liaison officer who approached the Russians with the suggestion yesterday said a Soviet officer told him he would transmit it to the Berlin commandant, Maj. Gen. Alexander Kotikov.

The American proposal would leave sector borders to patrols of German police in hopes the Germans, even though split into East and West forces, might find a way to cooperate.

The American liaison officer said the Russian deputy for police matters with whom he spoke agreed something should be done to relieve the border tension. If Kotikov's reaction is favorable, the Americans said, an agreement will be sought which they hope will straighten things out.

Airlift Planes Collide, Kill 4

In the airlift over the Russian blockade, tragedy struck again with the collision of two American C-47 transports in the air near Frankfurt. Four crew members were killed, bringing to nine the total of Americans killed in crashes during the air supply operation.

The accident marred the United States Air Force's new record day of 3,020 tons of supplies in 393 flights. The Royal Air Force flew 297 sorties.

The Russian-licensed press has seized on the accidents to belittle the lift. American Air Force officials said today the major accident rate was two thirds less than the overall Air Force average. The fatal accident rate for the airlift force was about the same as that of the Air Force as a whole, the officials said. The RAF has not had a fatal accident in the two-month operation.

Russian Planes Fly Over

A formation of fighter planes, believed to be Russian Yaks, flew over western Berlin at a high altitude late today. American and British officials said the Russians had not notified them—as is required—of a flight of their planes.

The Russians intensified their efforts to win over the blockaded population of western Berlin with offers of food, fuel and other rations in short supply in the western sectors. A second extra ration of flour was announced, together with tobacco rations.

These gestures have had little success. Only a trickle of western Berliners have gone over to the Russian sector to register for the proffered rations.

Two Parties Protest

Sokolovsky's order postponing Russian zone elections was issued over the protests of the zone's two non-Communist parties—the conservative Christian Democrats and rightest Liberal Democrats.

These parties only last week demanded "in the name of democracy" that the people be given a chance to vote.

The zone has been reported having economic and food troubles and the dominant Communist-run Socialist Unity party (SED) has been in the throes of a purge, according to public announcements by party leaders.

To Oust "Unreliables"

The purge is designed to weed out "anti-Soviet elements" and other "unreliables" who cannot be trusted to adhere strictly to the Marxist-Leninist line.

Western Berlin police carried out day-long raids against black markets in the western sectors. The Soviet-licensed press charged repeatedly in the past week that the Soviet-sponsored police were the only ones fighting the black market. It justified incursions across sector boundaries on those grounds.

A western police communiqué said today's raids trapped money changers and black market coffee and cigarette dealers who will face speedy trials.

4 YANKS KILLED IN AIRLIFT CRASH

SAS. DEVLIN

RAVOTZHAUSEN, Germany, Aug. 24.—(AP) Four Americans died today in the flaming wreckage of two C-47 air lift planes which collided in the air here.

Air force officials said the two-man crew of each of the planes was killed, bringing to nine the total of dead since the air supply operation for blockaded Berlin began on June 26. Three bodies had been recovered tonight and a fourth was believed to be in the charred remains of one of the planes.

The two-engined planes were returning to Wiesbaden in overcast weather after helping the air lift set a new record in supplying Russian-blockaded Berlin. The planes carried a share of the 3,020 tons of food and supplies sent to the city in a 24-hour period.

Planes Collide In Air

German farmers who witnessed the crash near this little town in the American occupation zone said one plane had just come out of the overcast. The pilot apparently was unaware of the other plane until too late.

The nose of one plane tore off the tail of the other, and both plunged down in uncontrolled spirals. They crashed about a half mile apart in recently harvested farmland.

Flames prevented rescuers from reaching the bodies until an hour later.

Identifications were withheld pending notification of next of kin.

Commenting on the collision, air force headquarters said in a statement:

"The major accident rate for 'vitties' aircraft continued to be two-thirds less than the overall U. S. air force average. The air force definition of a 'major accident' is one that requires 10 man-hours for repairs.

"The fatal accident rate for planes in the air lift task force is approximately the same as that of the U. S. air force as a whole."

4 U. S. Flyers Killed in Germany

Two Air Lift C-47s Collide in Air and Fall in Cornfields Near Frankfurt.

Ravotzhausen, Germany, Aug. 24 (A. P.).—Two American planes on the supply run to blockaded Berlin collided outside this American zone town today, killing four United States flyers.

Five American airmen have been killed previously in two accidents on the air run since the Russians blockaded Berlin late in June.

The planes were two-engined C-47s. They plunged into cornfields around this village which is fourteen miles northeast of Frankfurt. The planes were returning to Wiesbaden from Berlin, where they had delivered supplies. Names of the victims were withheld pending notification of survivors.

Hours after the collision, flames of the wreckage prevented removal of the bodies. Rescuers could see only one body in the tangle of debris.

A spokesman for the United States Air Force at the scene said, however, the Dakotas on the Berlin run carry two men each and there was no reason to doubt that four men had perished. He said there might even have been hitch-hiking passengers aboard.

The European Air Transport Service at Tempelhof airport in Berlin said it had no record of any passengers aboard either plane.

Germans See Crash.

Several German farmers reported seeing the collision. All said they saw no parachutes. One witness told Air Force investigators that he was working in a field when he noticed a plane flying under a mass of rain clouds. Another plane came out of the overcast and collided with the first at an altitude of from 1,200 to 1,500 feet. It appeared that the nose of one plane struck the tail of the other.

One plane with its tail missing, glided upside down, into a field on the edge of this farming town. The part near the cockpit burned furiously, but the wings were almost undamaged. The other plane landed about a half-mile farther outside the town. It appeared to have plummeted down. Its nose was buried eight or ten feet into soft earth, and it was crumpled like an accordion.

An engine of the second plane had fallen off. It landed about 200 yards from the fuselage.

Both planes were attached to the Sixtieth Troop Carrier Group, the Air Force reported. They normally were engaged in the air lift and had taken off from Berlin's Tempelhof airfield to pick up some more supplies in Wiesbaden, headquarters city of the United States Air Force in Europe.

Bar Mosley Books From British Zone

Berlin, Aug. 24 (A. P.).—The British today forbade the importation into the German province publications of Sir Oswald Mosley, the former British Fascist leader. The publications banned the "Deutsche Flugblatt," published by Moseley Publications of Ramsburg, Wiltshire, England, and "Die Alternative," by Sir Oswald. Also prohibited was "Union," published by the Sanctuary Press at Ramsbury. The announcement described the literature as undesirable.

The order issued by the acting regional commissioner, Major-Gen. W. H. A. Bishop, said: "Any person who sells, offers for sale or distributes free of charge or has in his possession such publications will be liable to prosecution."

Constitution Reported Ready in West Germany

FRANKFURT, Aug. 24 (AP).—The Frankfurt radio said tonight a German constitutional convention has completed drawing up a constitution for the West German state. The constitution will be submitted to the West German Parliamentary Council at Bonn Sept. 1 for ratification, the radio said.

One of the proposals of the convention was that an "Allied high court"—which would include German representatives—be formed to deal with differences between the Western allies and German authorities.

G.I. Held in Austrian's Death

Accused of Beating 73-Year-Old in Vienna Argument

VIENNA, Aug. 25 (AP).—The United States Provost Marshal said today Corporal Lace Hayes, of Garner, Ky., is being held in connection with the death yesterday of a seventy-three-year-old Austrian.

An official version said the Austrian, Franz Maurer, became involved in an argument between Corporal Hays and his Austrian girl friend Sunday night. Authorities said Hays struck Maurer, knocked him down and kicked him.

Maurer died in a hospital yesterday morning. His wife and several grandchildren were with him at the time he was hurt, officials said.

TOKYO CHAMBER FORMED

50 American Companies Members of First Group in Japan

TOKYO, Aug. 24 (AP)—Dennis McEvoy of Chicago, Far Eastern director of Readers Digest, was elected today president of the first American Chamber of Commerce ever formed in Japan.

Representatives of about fifty companies are members. The organization will campaign to minimize controls maintained by the Occupation and the Japanese Government over trade relations.

Other officers are Paul Aurell, American International Underwriters Corporation, vice president; William Rausch, United States Lines, secretary; J. P. Duddy, Chase National Bank, treasurer.

Russians Release Japanese

TOKYO, Aug. 24 (AP)—The Russians have released 14,308 more Japanese from the camps in the Kuriles and Siberia. They were returned to Japan during the week ended Aug. 19. This brought to 776,389 the Japanese released by the Russians since Japan's surrender. The Japanese Government figures more than 1,000,000 Army and civilian personnel were captured, mostly in Manchuria.

Israel Expects 125,000 Immigrants

Jerusalem, Aug. 24 (A. P.).—Israeli Immigration Minister Moshe Sapira told the General Zionist Council last night that 125,000 Israeli immigrants are scheduled to reach the new Israeli state this year. He said 56,000 already have arrived. Bernard Joseph, Israeli military governor of Jerusalem, told of plans for developing the Israeli section of Jerusalem as the religious and cultural center for Israeli.

"The center of sentimental gravity of the Zionist movement must be Jerusalem, as no other center would command the same spiritual authority," said Rabbi Israel Goldstein of New York, an American Zionist leader.

UNIFIED ARAB COMMAND EYED

Reported Discussed By Egyptian and Iraqi Premiers

Cairo, Aug. 24 (AP)—Informants said today the creation of a unified command for all the Arab armies in Palestine now is being discussed by the Egyptian and Iraqi premiers and Abdel Rahman Azzam Pasha, secretary general of the Arab League.

Although officials in on the talks have declined to say what subjects are under discussion, league circles said a unified Arab command in the Holy Land would be a natural outgrowth of recent conferences in Amman, the capital of Trans-Jordan.

Joint Operation Announced

Iraqi Premier Muzahim al Pachachi was in Amman before coming to Cairo. While he was there it was announced officially that an Iraqi officer would be given command of both Iraqi forces and Trans-Jordan's Arab Legion units in Palestine.

A communiqué announcing the move was issued in Baghdad yesterday. It said the step was "necessary to co-ordinate the action of all Arab armies fighting to save Palestine."

Before the present Holy Land truce Arab armies operated almost independently in their campaigns against Israeli forces. There was little co-ordination between the different sectors.

miles north of Rangoon. Other mutinous troops were said to have surrendered at Maymyo, fifty-five miles north of Mandalay, where the situation was reported returning to normal.

The communiqué said that the surrendered mutineers had asserted that morale was low among the rebels because of sickness and diminishing supplies of foods, arms and munitions.

SINGAPORE, Aug. 24 (AP)—A patrol of British Gurkha troops today killed two Chinese insurgents carrying Siamese travel permits. It was the first documentary evidence of Chinese Communist infiltration from Siam into rebellious Malaya. The incident was in Kedah State.

Lieut. Gen. Luang Chartrakan, Siam police chief, denied in Bangkok Malayan and London reports that armed Chinese bands were operating in Siam across the border from the Malyan State of Kelantan.

He asserted that strong Siamese cavalry units were at the border there. He said that it was "ridiculous" to report armed Chinese activity in the area.

British reporters said Sunday in Khota Baru, capital of Kelantan, that no Siamese troops were in evidence across the border, but at least five groups of armed Chinese were there. London dispatches last night quoted British Government informants as having said that Britain had asked Siam to seal the frontier with Kelantan State because of the threat that armed guerrillas would cross into Malaya.

Burma Reports Some Surrenders; Mutinous Soldiers Are Included

RANGOON, Burma, Aug. 24 (AP)—The Burma Government said tonight that a large number of rebels had surrendered to Federal forces.

Among these were several deserters from the Third Battalion of the Burma Rifles and a motor transport company which had mutinied on Aug. 10 at the Mingaladon military cantonment, fifteen

Soviet Envoy Shuns Atherton Farewell

By The Associated Press.

OTTAWA, Aug. 24—The heads of all the thirty-five diplomatic missions in Ottawa except the Russian gave a dinner tonight in honor of United States Ambassador Ray Atherton.

Mr. Atherton will leave his post soon to become an alternate United States delegate to the United Nations.

The diplomats gave Mr. Atherton a large silver cigar box, with the names of the donors engraved on it. The only name among the mission heads missing from the box was that of Nikolai D. Belokhvostikov, Soviet Chargé d'Affaires.

It was understood that the Russian told those who urged him to forget nationalistic issues and join in the gift as an individual that his "protocol" did not permit it. He also declined to attend the dinner, pleading pressure of business.

PROBERS TO CALL SPY CASE WITNESS

Subpoena Ready for Accused Chief of Red Underground

WASHINGTON, Aug. 24 — (AP) Congressional spy probers expect to subpoena a long-sought prize witness Monday—J. Peters, pictured by a witness as chief of a prewar Red underground in the United States.

Informed today that Peters is due Monday at deportation proceedings in New York, Acting Chairman Mundt (R.-S. D.) of the House Un-American Activities committee said "we are going to have our man there."

And in New York, Mrs. Carol King, attorney for Peters, said her client will be on hand.

Called Underground Chief

Whittaker Chambers, claiming to have served the underground before renouncing communism, has testified to the committee that to the best of his knowledge Peters headed it.

Immigration Commissioner Watson B. Miller told the committee of the deportation hearing. The immigration service said it doesn't know where Peters is now. He is under $5,000 bond.

Mrs. King said in New York that her client "certainly will show up" Monday. She added that Peters' real name is Alexander Stevens, but declined to say where he could be reached.

Asked about Chambers' statement that her client headed the Communist underground, Mrs. King laughed and said:

"I will say it is more of, quote, Mr. Truman's red herring."

The President has repeatedly said the congressional spy probe was a "red herring" designed to distract attention from congressional failure to act on his anti-inflation proposal and other measures.

In another development in Capitol Hill's anti-subversive campaign, the Senate investigating committee announced that Attorney General Tom Clark has offered to meet with Chairman Ferguson (R.-Mich.) on Sept. 8 to discuss Ferguson's demand for loyalty data on federal workers.

Ferguson wants information on the William W. Remington case. He is a State department official who Ferguson says was transferred to a confidential position while undergoing an FBI check. The senator wants to know whether government agencies have ignored FBI notices in personnel shifts while investigations are under way.

Meanwile, the House committee received an angry protest from Alger Hiss, former high-bracket federal official, who accused the committee of "verdict-first, testimony-later tactics" and urged the House group to "get down to business" in its spy inquiry.

Hiss Demands Action

Hiss sent a seven-page open letter to Chairman Thomas (R.-N. J.), challenging the committee to "delay no longer in penetrating to the bedrock of the facts revelant to the charge which you have publicized—that I am or have been a Communist."

Hiss devoted three pages of the letter to a list of 34 "personages of recognized stature" with whom he said he worked closely in government service. The list included Mrs. Eleanor Roosevelt, Harold Stassen, John F. Dulles and three former secretaries of state, Cordell Hull, Edward Stettinius and James F. Byrnes.

"I too have had a not insignificant role in the magnificent achievements of our nation in recent times," Hiss wrote.

Hiss put out his letter to newsmen as the House committee concluded a day-long session of questioning five new witnesses behind closed doors, setting the stage for tomorrow's face-to-face meeting between Hiss and his accuser, Chambers.

Hiss, Chambers to Meet

The two key figures will confront each other publicly for the first time when they appear before the committee in open session.

At that time, committee members told newsmen, they expect to straighten out the sharply conflicting stories related by the two.

Hiss, a former top-level State department official, has angrily denied any Communist taint. But Chambers, an avowed former Communist, now a magazine editor, has contended just as vigorously that he knew Hiss as a member of a pre-war Communist espionage ring in Washington.

Hiss resigned from the State department last year. He is now head of the Carnegie Endowment for International Peace.

Today's witnesses included a short, thick-set woman, identified as Hiss's former maid; three officials of a Washington automobile agency, and Louis Budenz, former editor of the Daily Worker, Communist newspaper.

Rep. Nixon (R.-Calif.) told newsmen that Budenz, who renounced communism and now teachers at Fordham university in New York, disclosed new details in the controversy between Hiss and Chambers. Budenz testified 40 minutes.

Siam Asks to Join World Bank

Yugoslavia 'Considers' Repayment Of Bonds

Washington, Aug. 24 (AP)—Yugoslavia has agreed to "consider" eventual repayment of some $38,500,000 worth of bonds held largely by American investors.

The State Department announced belatedly today that Marshall Tito's Government confirmed in an exchange of notes on July 19 that it recognizes among its international obligations the dollar bonds issued or guaranteed by previous Yugoslav regimes.

Curbs Relaxed On Reimporting War Equipment

Trains, Road Machinery and Like Items of Surplus May Be Brought to U. S.

WASHINGTON, Aug. 24 (AP).—The government announced a new counter-inflation move tonight, easing restrictions on the return of material shipped to the armed forces overseas during the war.

Secretary of Commerce Charles Sawyer, announcing the action, said in a statement that Presidential Assistant John R. Steelman had suggested that the reimportation of such equipment be permitted "to alleviate current inflationary pressures."

The new policy, he emphasized, however, retains the barriers against surplus property reimports which might threaten "injury to domestic manufacturers."

The statement said barriers formerly imposed against the shipment back to this country of war surplus left abroad will be lowered considerably to spur the return of equipment "in critically short supply" and "urgently needed in the domestic economy."

What May Return

One official said it is hoped to get back some construction equipment—trains, steam shovels, road-building machinery and the like, and such other items as cast-steel valves. The way was cleared previously for return of tractors, trucks and scrap for steel making.

Other officials said most of the equipment has already been sold by the Office of Foreign Liquidation, and that bringing it back would involve repurchase from foreign buyers. China and the Philippines made early bulk purchases of equipment in the Pacific islands.

These officials said it is impossible to predict what goods will be brought back as a result of the new policy. They said there is little information on what desirable equipment will be available, or how much of it is still in useful condition.

New E. C. A. Shipments

Meanwhile today the Economic Co-operation Administration announced that new Marshall plan shipments valued at $29,445,989—mostly industrial materials and equipment" had been approved. About one-third will be supplied by countries other than the United States.

The American-financed purchases include 1,000 freight cars, worth $2,000,000, from the United States to France. Bizonal Germany will receive 5,500 mine cars and 300 mine wagons, with a total value of $4,500,000, from Belgium.

Today's authorizations included $5,125,475 for Austria, plus $24,000 in freight; $4,225,800 for Bizonal Germany; $2,458,300 for Denmark; $12,538,700 for France, plus $991,000 in freight; $260,000 for Greece; $2,572,414 for Norway, and $250,000 for Trieste, covering only freight on previously approved shipments.

WOULD ABOLISH EXCHANGE FUND

Butler Plans Bill to Wipe Out Stabilization.

Washington, Aug. 24 (A. P.).—Senator Hugh Butler (R.-Neb.) said today he is thinking of introducing a bill in Congress to abolish the United States Exchange Stabilization Fund.

"We set up and financed the international monetary fund which is supposed to do exactly the same work," he said.

The Senator added that he is thinking of proposing that the fund be abolished because of what he calls "its enterprising business sense" in regard to the Mexico peso.

Butler said he has unearthed one of those "hard-headed foreign ventures of the United States government whereby Uncle Sam pays $50,000,000 for $34,000,000 worth of Mexican goods."

Butler said he sees a "great possibility of loss to the federal government."

Cites Case of Mexican Peso.

The goods to which he refers are pesos. The Mexican government quit supporting its peso at 4.85 to the dollar and Mexico's financial situation has become confused, with the permission of President Aleman as Butler puts it.

The buyer, according to Butler, is the stabilization fund, which has agreed to buy $50,000,000 dollars worth of pesos at approximately 20 cents apiece.

At least $20,000,000 has already been spent that way, Butler said. He referred to the latest figures he could obtain.

Meanwhile, the Mexican peso was reported today to be at about 14 cents.

Butler said North American tourists, mostly United States citizens, are flocking to Mexico to buy $75 alligator purses for $20 in American money and distinction-grade cocktails for 40 cents.

He said that the money the fund is ladling out is supposed to be a loan backed by the Mexican Government's guarantee that the United States won't lose anything on it. That, he added, "an unsecure note."

Butler said he could not find out exactly how much interest Mexico is paying, if any.

FBI PUSHES PROBE OF EXPORT FRAUDS

WASHINGTON, Aug. 24 — (AP) FBI agents and senate investigators are tracking down asserted "forgeries and alterations" in export licenses as an aftermath of the sensational spy case.

One senate source said today that the trial indicates attempts to ship machine tools and other war-making equipment behind the iron curtain to Russia and her satellites despite congressional orders to cut them off. Chairman Ferguson (R.-Mich.) of the Senate investigating sub-committee already has promised public hearings on export license irregularities when the evidence is completed. He has asked the Senate group to assemble here again Sept. 13.

Wide Probe Under Way

Both the Ferguson group and Chairman Wherry (R.-Neb.) of the Senate small business committees have staff investigators working on the inquiry.

Wherry said the Senate must find out "whether materials should be sent to satellite countries that might be fabricated and sold to Russia and used as implements of war."

Wherry recently wrote that there is open dealing in export licenses and customs declarations, forgery of these documents and shipment of scarce goods to countries not entitled to them.

Export licenses are issued for shipment of certain scarce commodities with quotas periodically assigned to foreign countries.

Wherry proposed closer cooperation between government agencies and changes in methods of granting licenses to keep a better check on them.

During a recent Communist hearing by Ferguson's committee, Edward P. Guinane, deputy chief of the enforcement branch of the Office of International Trade in the Commerce department, told senators that there were some forgeries of export licenses.

"At the present time, there are approximately 10 cases under investigation by the FBI," Guinane said. "And preliminary investigations by our enforcement branch of cases indicated forgery of government documents, licensing documents."

Senator Bricker (R.-Ohio) asked what was covered by the irregular licenses.

"Soda ash and caustic ash," Guinane replied. "There was some machinery, generally critical items—machine tools, items that are in critical supply."

U. S. TIPPED OFF LATIN AMERICANS

Washington, Aug. 24 (A. P.).—Every Latin American government knew that the United States was asking the recall of Russian Consul-General Jacob Lomakin twenty-four hours before Moscow itself found out. This was disclosed today by a Latin American diplomat who cannot be named but who gave this account to a reporter:

Last Wednesday, August 18, a State Department messenger visited the embassies of twenty Latin American governments. He delivered to each a copy of the United States note to Russia demanding the removal of the Consul-General. The Russian Embassy did not receive the note until about twenty-four hours later—at 6:10 P. M., Eastern standard time, Thursday. The contents were not made available to reporters until Friday morning.

This was the second time the State Department has taken the Latin Americans into its confi-

dence on developments in the international tension with Russia. Last month, the Latin embassies here got copies of a translated Russian note on the Berlin blockade—hours before the note was made public.

United States authorities say that providing confidential information to the other American republics in advance of general publication is in line with this country's policy of "consulting" with them on foreign policy matters. The Latin American diplomats say they are convinced the idea has a good effect on United States relations with their governments.

WILL AID 'AXIS SALLY'

Unidentified Interests Here Hire Lawyer to Defend Woman

WASHINGTON, Aug. 24 (AP)—Unidentified New York interests have hired a lawyer to defend "Axis Sally" against treason charges.

John M. Holzworth, of New York and Washington, said today that he would appear as one of the lawyers defending Mildred Gillars, known to American soldiers as Axis Sally.

Miss Gillars, he said, was "without a cent," but New York interests had communicated with him and said they would pay his fee. He would not name them, nor would he say who else would appear as defense lawyers.

Axis Sally was flown here from Frankfurt, Germany, by the Army Saturday and turned over to the Federal Bureau of Investigation. A preliminary hearing will be held Aug. 31.

Top Military Men Call 'Quits' On Service Row

Bradley, Denfeld And Gen. Vandenberg Urge Harmony In Talks To 300 Officers

Washington, Aug. 24 (AP)—Top men of the Army, Navy and Air Force called "quits" jointly and publicly today on the recently increasing interservice rivalry, especially between the Navy and Air Force.

AUG 1948

Gen. Omar N. Bradley, Army Chief of Staff, Admiral Louis Denfeld, Chief of Naval Operations, and Gen. Hoyt Vandenberg, Air Force Chief, addressed a meeting of 300 top Army, Navy and Air Force planning officers. Each asked that the "harmony" word be passed down the line.

Strategic War Involved

Disagreement between the Air Force and Navy had been mounting over their individual interpretations of just how much ground is covered by a ruling that authority and responsibility in strategic air warfare belong to the Air Force.

The row was a top item of business at a joint chiefs of staff meeting in Newport, R.I., over the week end with James Forrestal, Secretary of Defense, as referee.

Forrestal told the military planners he is convinced that at the top command level there is a "clear understanding" that the Air Force has the responsibility of strategic air warfare.

But also the Air Force understands that it is "not merely to permit but to seek all the help it can get from naval air in the use of air power, either strategically or tactically," he added.

Likewise, the Navy is assigned the job of anti-submarine warfare, Forrestal said. But it understands that it is "to invite all the help it can get from the Air Force in carrying out this mission."

The decisions made at the Newport meeting "reflects neither a victory for the Air Force nor a defeat for the Navy," Forrestal said.

"They do reflect my views, and if followed through with sincerity and tenacity, will mean a victory for the country."

Then in turn each chief off staff spoke.

Bradley's Statement

General Bradley, directly addressing the men in his command, said firmly:

"I want you to get into this and remember that you're working for the security of the country.

"If there is a job to do and if someone else can do it better than the Army, then it's up to them to do it and take the job over from us. And if we can help them in any way, then that's what we are here for."

Admiral Denfeld said that at Newport "each service chief had to give—each service chief had to retreat from an extreme position."

Recognized Contributions

Denfeld said the Air Force recognizes that the Navy will be able to make significance contributions to any strategic air plan.

"The Air Force will include naval contributions in all strategic air plans and in the detailed estimates of over-all force requirements," the admiral said.

"My remarks in regard to strategic air warfare apply with equal force and effectiveness to all other primary missions."

General Vandenberg acknowledged that each service has been more or less on the defensive to prevent possible encroachment into its sphere of interest.

Minister Makes New Appeal For Youths To Ignore Draft

Washington, Aug. 24 (AP)—Selective service officials said today that any person who speaks against the draft law might be liable under Section 12 of that law.

They emphasized, however, that it was a matter for the Justice Department to decide.

Albany, N.Y., Aug. 24 (AP)—A young Methodist minister, already under scrutiny of Federal authorities, calmly repeated today his appeal to draft eligibles not to register for selective service.

The Rev. Ernest R. Bromley, 36, said at his summer home in neighboring Nassau that he believed civil disobedience to military conscription was the only method of preventing a future war.

The minister projected himself into a controversy Sunday when he made this declaration in a sermon

Investigation Urged

Brig. Gen. Ames T. Brown, New York State director of selective service, asked United States District Attorney Irving Higbee at Syracuse to "investigate and take appropriate action."

Higbee said at Syracuse today he would investigate. He explained there were limits to free speech.

Sunday, the Rev. Mr. Bromley advocated that young men refuse to register for the draft.

Calls It Tragic Step

He termed the Selective Service Act "a huge and tragic step toward war, dictatorship and catastrophe."

"Civil disobedience is the only approach now," he said today.

"I am fully aware of public consequences" of public advocacy of non-registration, the Rev. Mr. Bromley added.

A native of Boston, he said he had held pastorates in a number of communities in North Carolina. He last had a church in Stonewall, he said.

He stated that he registered for the draft in 1940, but had been deferred because he was a minister.

The Rev. Mr. Bromley disclosed he was one of 300 persons who, under the name of the "Peacemakers," signed a letter in New York city recently, urging young men to refuse to register. He said he was a member of a group of pacifists known as the "Fellowship of Reconciliation."

as evolved by court interpretations of the constitutional right, but declined to comment on the Bromley utterances. He explained he had not yet seen the text or published reports.

'The Roosevelt Myth' Presents F. D. R. 'In Normal Dimensions'

WASHINGTON, Aug. 24 — (AP) John T. Flynn, the financial writer, has turned out a book "The Roosevelt Myth" which he says is intended to present Franklin D. Roosevelt "in his normal dimensions, reduced in size."

The book gathers together the charges often made against the Roosevelt program" waste of public money, moving the country toward planned economy, taking the nation into war and losing the diplomatic battles to Stalin.

AUG 1948

Flynn recalls a warning of Communist activity here, given in 1938 by John Frey of the A.F. of L. when he testified before the Committee on Un-American Activities.

FDR's Views on Communism

Flynn says that after Frey's first day of testimony President Roosevelt told Martin Dies, then the committee chairman, to put an end to Frey's talk.

Flynn quotes Roosevelt as saying: "There is no one interested in communism. . . . There is no menace here of communism. The great menace in this country is nazism and fascism."

The book starts with banks crashing just before President Hoover left the White House. Flynn says Hoover tried several times to persuade Roosevelt to put out a joint statement in the hope of preventing the drain on the banks but that Roosevelt refused. One of Roosevelt's first official acts was to call a national bank holiday.

After the first four years of the New Deal, Flynn says, Roosevelt told "a powerful senator" (unnamed in the book) that he was "through with experimentation." Flynn points out that this was early in 1937, just after Roosevelt had said in his second inaugural address that he "had just begun to fight" for the "one third of a nation ill clad, ill fed and ill housed."

As unemployment grew again in 1938, Flynn writes, Roosevelt felt there was little to do but to "step up spending and forget about balancing the budget."

He thinks Roosevelt "schemed" to get the Republican standard bearer of 1936, Alfred Landon and Frank Knox, into his cabinet in order to "force the party to let the 1940 election go by default." Flynn writes the "idea was undoubtedly sold to Knox" but that the idea of "an uncontested election had to be abandoned."

American entry into the war

Flynn calls "a boondoggler's dream" because again the public purse had to be opened wide.

Flynn says Roosevelt made his "first mistake" in dealing with Stalin when he sent lend-lease to Russia untied to any conditions. About all the international negotiations he says: "Roosevelt got nothing. He agreed with Stalin on everything."

Roosevelt's Health

He details the growing concern of people near Roosevelt over his health and gives an account of an incident when he says "for the first time we hear of his (Roosevelt's) conversation falling into intervals of irrelevance."

Roosevelt visited Honolulu just after he had been nominated for a fourth term. Flynn says he received this story from a high-ranking officer who sat a few yards from the President:

"He sat reading a short speech. Suddenly he faltered and paused, his eyes became glassy, consciousness drifted from him. The man at his side nudged him, shook him a little, pointed to the place in the manuscript and said, 'here, Mr. President, is your place.' With an effort he resumed. As he was wheeled from his quarters officers noticed his head dropping forward, his jaw hanging loosely."

Flynn, 65, has been a long time critic of the late President and has written several books about the New Deal.

A former newspaperman in New Haven and New York, Flynn also has been an associate editor for Collier's Magazine. He has served as an adviser to Senate committees in munitions and stock market investigations in years past.

33 MILLIONS ASKED FOR UN OPERATION

LAKE SUCCESS, Aug. 24.—(AP) Secretary-General Trygve Lie asked today for $33,469,587 to operate the United Nations in 1949.

The figure is about a million dollars under the 1948 budget and generally compares with the annual expenditures of states such as Arizona, Idaho, Rhode Island and Vermont.

March

Lie's figures go before the 58-nation General Assembly in Paris next month for approval. Despite the slash, moves already are under way in the UN to cut the total still more. The first of these came in a report from the Assembly's Advisory Budgetary committee which

30.24- 19967

believe a million and a half can be lopped off.

The United Nations is financed by its member nations in accordance with a scale of contributions based on the ability to pay. The United States pays the largest share—about 39 per cent.

Estimates for next year show the first downward trend in the three-year history of the UN. The 1946 budget was $19,390,000. The total climbed to $27,290,241 in 1947 and $34,825,195 for 1948.

Lie explained that the reduction next year is due mainly to the elimination of extra expenses for holding a General Assembly away from Lake Success. The 1948 Assembly is being held in Paris at an additional cost of more than a million dollars.

Other reductions were made possible through cutting costs of home leave travel for staff workers and eliminating provisions for financing special commissions in Greece and Korea.

The biggest chunk of the budget — $24,335,300 — covers supplies, equipment, services and salaries at Lake Success. Lie said he planned to increase the staff next year from 2,881 to 2,936.

Other major items are $2,516,650 for meetings of the Assembly, councils, commissions and committees; $3,526,590 for the European office in Geneva, and $695,257 for the International Court of Justice in the Hague.

recent months to violent intimidation, to threats of invasion, and to crippling economic blockade which has inflicted cruel hardship upon the peoples of Hyderabad and which is intended to coerce it into a renunciation of its independence.

"The frontiers have been forcibly violated, and Hyderabad villages have been occupied by Indian troops. The action of India threatens the existence of Hyderabad, the peace of the Indian and entire Asian continent, and the principles of the United Nations."

Ruled By Moslems

The dispute grew out of Indian efforts to have Hyderabad accede to the new Dominion of India. Hyderabad, in the center of Indian territory, is ruled by Moslems, and its leaders do not want to join the Hindu-dominated Indian Dominion.

Filing of the complaint with the United Nations raised a legal issue which Trygve Lie, secretary general, tossed to the Security Council.

India has maintained Hyderabad is not a sovereign state and thus has no legal right to complain to United Nations.

Lie, in distributing the complaint, said he is not in a position to determine whether he is required by the rules of procedure to circulate the document but is bringing it to the attention of the Council for any action it may desire to take.

The Council has been engaged for the past year in trying to settle differences between India and Pakistan, the new Moslem dominion carved out of former British India.

Hyderabad Asks U.N. To Settle Dispute With Indian Dominion

Lake Success, N.Y., Aug. 24 (AP). The princely state of Hyderabad called on the United Nations Security Council today to settle its dispute with India.

In a letter to the president of the Security Council, the Hyderabad Government charged India is threatening the peace of the entire Asian Continent by her attitude toward Hyderaba.

The Council is now in recess, and there was no immediate indication whether a special meeting would be called to take up the new complaint. United Nations officials said it probably will be taken up when the Council meets in Paris next month.

Economic Blockade

The Hyderabad letter called the dispute "grave" and said:

"Hyderabad has been exposed in

Early today a hospital official said she had recovered enough to be interviewed and that reporters could see her some time today.

Later a list of 13 questions prepared by reporters, covering her experiences since she first came into the news a week before her jump, was given to the teacher. The hospital said she would answer the questions later in the day.

No Date Is Set

Finally twelve newsmen were taken to the door of the teacher's room. But after a half-hour wait they were told by a police lieutenant:

"The excitement of the preparations has been so great that Mrs. Kasenkina is tired and she doesn't want to see anyone from the press."

A hospital spokesman said the teacher "still wants to see the press but no date for the interview has been set."

The questions submitted to the teacher asked "Why did you jump?" and "What do you want to do after you leave the hospital."

They also asked her to verify reports through police and hospital authorities that she had refused to see anyone from the consulate and, during a hospital visit by Vice Consul Zot I. Chepurnykh, had accused him of keeping her prisoner at the consulate.

ISRAEL IS ACCUSED OF VIOLATING TRUCE

LAKE SUCCESS, (Wednesday), Aug. 25 — (AP) Count Folke Bernadotte's top aide formally accused the Israeli government today of violating the United Nations Palestine truce.

Kasenkina Interview Is Put Off

New York, Aug. 24 (AP)—A press interview with Mrs. Oksana Stepanovna Kasenkina was called off indefinitely today because newsreel and television preparations tired her out.

The interview would have been the first direct contact of the press with the Russian schoolteacher since she jumped from a third-story window of the Russian Consulate August 12.

The 42-year-old teacher was taken off the critical list Saturday at Roosevelt Hospital.

The charge was contained in a note which the UN mediator's chief of staff, Gen. Aage Lundstrom, sent to Moshe Shertok, Israeli foreign minister, concerning the Red Cross zone in Jerusalem.

Gen. Lundstrom conducted an investigation after Israeli and Arab troops entered the Red Cross zone on the night of Aug. 16-17. Since then a controversy has been carried on between the Arabs and Jews about evacuating the zone.

The UN was told Lundstrom had informed Shertok that Israeli troops, by entering the zone, had committed "a flagrant violation of the truce."

Lundstrom said he was sending a copy of his charges to Bernadotte who is now in Stockholm attending a meeting of the International Red Cross.

Employes At Consulate Silent On Russ Order

New York, Aug. 24 (AP)—Employés at the Soviet consulate would not comment tonight on the Moscow Radio report that the consulate was being closed.

A woman who answered the consulate telephone said neither Jacob M. Lomakin, consul general, nor Zot Chepurnykh, vice consul, was there.

Reporters who have been stationed outside the building since it became the center of interest in the case of Mrs. Oksana Kasenkina, Russian teacher, said most of the building had been dark for hours.

Several crates were taken out of the building yesterday, marked for shipment to Moscow.

Reporters connected this with the departure of Lomakin, who is scheduled to sail Saturday for his homeland.

Alexander Panyushkin, Soviet Ambassador, was a surprise visitor to the consulate today. He left in midafternoon.

The 33-room consulate is located at 7 East Sixty-first street. The mansion is owned by Mrs. M. Hartley Dodge.

However, the Russians' lease expired July 1 and it has been reported that Mrs. Dodge was desirous of regaining possession.

The Russians have remained on a month-to-month basis while negotiating for new quarters.

CONNALLY OFF TO EUROPE

NEW YORK, Aug. 24 (AP)—Sen. Tom Cannally (D-Tex), describing himself as a member of a "watchdog committee" for the European recovery program, sailed for Europe today with an assertion that countries there "haven't been in any hurry about their obligations to the U. S." "I want to see that they do their part," said Connally, ranking Democrat on the Senate Foreign Affairs Committee as he left on the liner America. He said he planned to spend about a month in Europe.

LONDON, AUG. 24-(AP)-INFORMED WHITEHALL (GOVERNMENT) SOURCES SAID TODAY PRIME MINISTER STALIN HAS INTRODUCED CERTAIN NEW IDEAS WHICH OFFER HOPE FOR AN EAST-WEST SETTLEMENT IN BERLIN.

THE SOURCES DID NOT DISCLOSE THE NATURE OF THE NEW IDEAS, SUBMITTED AT THE KREMLIN CONFERENCE WITH WESTERN ENVOYS.

BUT THEY SAID THAT THE DEVELOPMENT HAS DISPELLED FEARS THAT THE TALKS OVER BERLIN'S FUTURE WOULD BREAKDOWN AFTER LAST NIGHT'S SESSION.

PROLONGATION OF THE MOSCOW NEGOTIATIONS AVERTED A POTENTIALLY EXPLOSIVE INTERNATIONAL SITUATION--AT LEAST TEMPORARILY--THEY SAID.

THE UNITED STATES AND FRENCH AMBASSADORS TO BRITAIN, LEWIS W. DOUGLAS AND RENE MASSIGLI, CALLED SEPARATELY ON FOREIGN SECRETARY BEVIN TODAY TO DISCUSS PRELIMINARY REPORTS OF THEIR ENVOYS' TALK WITH STALIN.

DOUGLAS AND MASSIGLI LATER CONFERRED WITH BRITAIN'S TOP FOREIGN OFFICE EXPERT ON GERMANY, SIR WILLIAM STRANG.

THE FOREIGN OFFICE SAID THERE ARE NO PLANS FOR FRANK ROBERTS, THE SPECIAL BRITISH ENVOY IN MOSCOW, TO RETURN TO LONDON.

THE WHITEHALL SOURCES SAID DEFINITELY THERE WILL BE FURTHER MEETINGS IN MOSCOW.

THEY SAID THOUGH THEY EXPECTED A LULL BEFORE A NEW KREMLIN TALK IS CALLED BECAUSE THE NEW FACTORS IN THE SITUATION REQUIRE CAREFUL STUDY.

FRENCH SOURCES SAID IN PARIS ALMOST SIMULTANEOUSLY THAT LAST NIGHT'S KREMLIN TALK HAD SAVED NEGOTIATIONS FROM COLLAPSING.

THEY ADDED THE WESTERN ENVOYS IN MOSCOW WERE CONSULTING THEIR GOVERNMENTS FOR NEW INSTRUCTIONS ON WHAT WERE APPARENTLY PROPOSALS FROM STALIN.

THE EAST-WEST NEGOTIATORS IN MOSCOW HAD, UP TO YESTERDAY, NARROWED THEIR DIFFERENCES OVER BERLIN TO ONE ESSENTIAL PRINCIPLE, ACCORDING TO THE WHITEHALL INFORMANTS.

IT INVOLVED THE QUESTION OF WHO SHOULD, IN THE FUTURE, CONTROL BERLIN'S CURRENCY--RUSSIA ALONE OR THE BIG FOUR POWERS TOGETHER.

A SETTLEMENT IN RUSSIA'S FAVOR UNDOUBTEDLY WOULD HAVE BEEN FOLLOWED BY A SWIFT AND SUDDEN LIFTING OF THE SOVIET BLOCKADE ON BERLIN.

THE MINISTRY SAID OPENING OF THE BASE WAS MADE NECESSARY BY "THE GREATLY INCREASE AIR ACTIVITIES OF THE U.S. AIR FORCE IN EUROPE."

THE BASE WILL HANDLE MAINTENANCE OF C-54S CARRYING SUPPLIES TO BLOCKADED BERLIN AND B-29S "ENGAGED IN ROUTINE TRAINING FLIGHTS IN THE UNITED STATED KINGDOM," THE MINISTRY SAID.

Rome, Aug. 24--(ap)--Edward Corsi, New York State commissioner of industry and labor, said today that Gov. Thomas E. Dewey's recent statement on the future of Italy's former colonies had won "enthusiastic approval" from all Americans of Italian descent.

He told a news conference:

In this way, he added, Italy would be able "to deal with the United States and all other countries on a footing of economic and [redacted] political equality."

AUG 1948

"I am almost certain," Corsi said, "that Dewey who got 22,000,000 votes against Roosevelt's 24,000,000 in 1944 will be made president of the United States."

The New York state official was the bearer of two personal messages from Dewey to Italian Premier Alcide De Gasperi and Foreign Minister Carlo Sforza.

GENEVA, SWITZERLAND, AUG. 24-(AP)-THE UNITED NATIONS ECONOMIC AND SOCIAL COUNCIL YESTERDAY ADOPTED A RESOLUTION DEPLORING ANY BAN ON WIVES LEAVING THEIR COUNTRY TO JOIN THEIR HUSBANDS, OR ANY BAN ON RACIALLY MIXED MARRIAGES.

BUT WHEN THE DELEGATES SAW THE TEXT OF THEIR RESOLUTION IN WRITING FOR THE FIRST TIME TODAY, THEY WERE NOT QUITE SURE WHAT THEY HAD VOTED FOR.

AUG 1948

THE RESOLUTION WAS DEBATED FOR FIVE HOURS YESTERDAY, DURING WHICH SO MANY DRAFTING CHANGES WERE MADE AND WITHDRAWN AND REINTRODUCED THAT NOT EVEN THE SECRETARIT WAS QUIETE SURE WHAT WAS GOING ON.

THE RESOLUTION WAS ADOPTED 14 TO THREE. WITH BRITISH DELEGATE A.M.MORGAN ABSTAINING BECAUSE HE APPROVED THE INTENTION BUT DID NOT LIKE THE PHRASEOLOGY OF A 92-WORD SENTENCE. THE THREE COMMUNIST DELEGATIONS THE SOVIET UNION, WHITE RUSSIA AND POLAND VOTED AGAINST THE RESOLUTION BECAUSE THEY CONSIDERED THE REFERENCE TO WOMEN LEAVING THEIR COUNTRIES AN INFRINGEMENT OF NATIONAL SOVEREIGNTY BY THE UNITED NATIONS. THE ENTIRE RESOLUTION IS CERTAIN TO BE REDRAFTED BY THE GENERAL ASSEMBLY NEXT MONTH.

IT DECLARED THAT "THE ECONOMIC AND SOCIAL COUNCIL DEPLORES ALL LEGISLATIVE MEASURES WHICH FORBID MIXED MARRIAGES BETWEEN PERSONS DIFFERING AS TO COLOR, RACE, NATIONALITY, CITIZENSHIP OR RELIGION, AND IN GENERAL SUCH OTHER LEGISLATIVE OR ADMINISTRATIVE PROVISIONS AS RESTRICT THE FREEDOM TO CHOOSE A SPOUSE, WITH THE EXCEPTION OF RESTRICTIONS BASED ON FAMILY RELATIONSHIPS OR AGE, THE NATURE OF THE FUNCTIONS BEING EXERCISED OR OTHER SIMILAR REASONS, AS WELL AS THOSE OTHER LEGISLATIVE OR ADMINISTRATIVE PROVISIONS WHICH DENY TO A WOMAN THE RIGHT TO LEAVE HER COUNTRY OF ORIGIN AND RESIDE WITH HER HUSBAND IN ANY OTHER."

WHEN THE AUSTRALIAN DELEGATE, COL. WILLIAM HODGSON, SAW THIS TEXT IN WRITING FOR THE FIRST TIME, HE SAID "GOODNESS, HOW DREADFUL! WHAT DOES IT MEAN?".

OSLO, NORWAY, AUG 24-(AP)-DEFENSE MINISTER JENS CHRISTIAN HAUGE SAID TODAY NORWAY'S OCCUPATION FORCES IN WESTERN GERMANY WILL BE TRANSFERRED FROM THE HARZ AREA IN THE BRITISH ZONE TO SCHLESWIG-HOLSTEIN, SOUTH OF THE DANISH BORDER.

AUG 1948

NORWAY'S FORCES IN GERMANY NUMBER ABOUT 4,000 MEN.

FOR SOME TIME NORSE SOLDIERS HAVE GUARDED A PART OF THE BORDER BETWEEN THE BRITISH AND THE SOVIET ZONES.

BY MOVING FROM THE HARZ TO SCHLESWIG, THE NORWEGIANS WOULD BE BETTER ABLE, IF IT PROVED NECESSARY, TO WITHDRAW THEIR TROOPS TO NORWAY.

IN LONDON, HAUGE SIGNED AN AGREEMENT WITH THE BRITISH TO PROLONG THE NORWEGIAN PARTICIPATION IN THE OCCUPATION OF GERMANY UNTIL 1951.

The informant said it appeared there would be no immediate meeting between Dulles and Douglas. Dulles plans to return to the United States by plane tomorrow.

FIRST LEAD GERMAN (550)
BY EDWIN SHANKE

BERLIN, AUG. 24-(AP)-MARSHAL VASSILY D.SOKOLOVSKY ANNOUNCED TODAY THAT GERMANS IN THE RUSSIAN ZONE WILL NOT BE ALLOWED TO HOLD COMMUNITY ELECTIONS THIS FALL.

THE RUSSIAN COMMANDER SAID THE VOTING WILL BE PUT OFF FOR ONE YEAR. IT IS THE FIRST TIME IN THE OCCUPATION THAT ONE OF THE FOUR POWERS HAS POSTPONED AN ELECTION.

SOKOLOVSKY ISSUED HIS ORDER OVER THE PROTESTS OF THE ZONE'S TWO NON-COMMUNIST PARTIES--THE CONSERVATIVE CHRISTIAN DEMOCRATS AND THE RIGHTIST LIBERAL DEMOCRATS. THE PARTIES DEMANDED ONLY LAST WEEK THROUGH THEIR PRESS AND AT OPEN MEETINGS THAT "IN THE NAME OF DEMOCRACY" THE PEOPLE BE GIVEN A CHANCE TO VOTE.

NON-COMMUNIST LEADERS HAVE CLAIMED THE COMMUNISTS WANT THE ELECTIONS PUT OFF BECAUSE THEY FEARED THEY WOULD SUFFER A SEVERE DEFEAT. THE COMMUNISTS HAVE CLAIMED THE PEOPLE ARE "TOO BUSY WORKING FOR RECOVERY" TO VOTE.

THE SOVIET ZONE IS CONTROLLED BOTH POLITICALLY AND ECONOMICALLY BY THE SOVIET-SPONSORED AND COMMUNIST-DOMINATED SOCIALIST UNITY PARTY (SED).

BOTH THE ZONE AND ITS "OFFICIAL"PARTY HAVE BEEN HAVING THEIR TROUBLES OF LATE.

THE RUSSIAN SECTOR HAS BEEN COMBATTING A FOOD CRISIS WHICH HAS FORCED THE RUSSIANS TO IMPORT SUPPLIES. THE COMMUNISTS HAVE BEEN SEEKING TO OVERCOME THEIR ECONOMIC TROUBLES WITH A TWO-YEAR PLAN FOR WHICH THEY ARE DEMANDING THE "UTMOST EFFORTS" FROM THE POPULATION.

THE SED HAS BEEN UNDERGOING A PURGE AND TRANSFORMATION. THE PURGE, ACCORDING TO ANNOUNCEMENTS BY PARTY LEADERS, HAS BEEN AIMED AT WEEDING OUT "ANTI-SOVIET ELEMENTS" AND OTHER "UNRELIABLES," WHO FAIL TO ADHERE STRICTLY TO THE MARXIST-LENINIST LINE.

A52

THE PARTY ALSO HAS BEEN TRIMMING DOWN FROM MASS MEMBERSHIP TO WHAT IT CALLS "A FIGHTING CADRE PARTY," WHICH COULD MORE EASILY SEIZE AND WIELD FULL POWERS.

THE POSTPONEMENT OF ELECTIONS IN THEIR ZONE ALSO INDICATED THE RUSSIANS WOULD OPPOSE HOLDING NEW MUNICIPAL ELECTIONS IN BERLIN THIS OCTOBER. THE SOCIALIST UNITY PARTY, WHICH RAN A POOR THIRD IN THE 1946 BERLIN VOTING, ALREADY HAS INDICATED OPPOSITION TO NEW ELECTIONS HERE.

MEANWHILE, THE COMMUNISTS HAVE BEEN SEEKING TO OBTAIN CONTROL LOCALLY BY SPLITTING UP THE ELECTED ANTI-COMMUNIST CITY GOVERNMENT AND SETTING UP VARIOUS ADMINISTRATIONS OF THEIR OWN.

SOKOLOVSKY, IN A STATEMENT ISSUED THROUGH THE OFFICIAL SOVIET NEWS BUREAU, SAID THAT IN POSTPONING THE ZONAL ELECTIONS, HE WAS ACCEDING TO "NUMEROUS" REQUESTS FROM WORKERS AND FARMERS' GROUPS.

TWO NEW POLITICAL PARTIES RECENTLY AUTHORIZED IN THE SOVIET ZONE ALSO FORMALLY HAD ASKED POSTPONEMENT IN ORDER TO HAVE MORE TIME TO ORGANIZE.

SOKOLOVSKY SAID THAT IF TIME WERE TAKEN TO VOTE NOW "THE ATTENTION OF THE DEMOCRATIC ORGANIZATIONS AND THE POPULATION IN GENERAL WOULD BE DIVERTED FROM A PRACTICAL SOLUTION OF THEIR ECONOMIC PROBLEMS AND THE TASK OF IMPROVING THE GENERAL LIVING STANDARD."

HE PROMISED THAT THE LOCAL ELECTIONS WOULD BE HELD TOGETHER WITH DISTRICT AND STATE BALLOTING IN THE FALL OF 1949.

BY THAT TIME THE COMMUNISTS SHOULD HAVE ADVANCED THEIR TWO-YEAR ECONOMIC PLAN FAR ENOUGH TO HAVE FULL CONTROL. NON-COMMUNISTS HAVE COMPLAINED THAT THE PLAN IS DESIGNED TO KILL PRIVATE ENTERPRISE, LIQUIDATE THE MIDDLE CLASS AND COMPLETE THE "SOVIETIZATION" OF EASTERN GERMANY.

THE TWO NEW PARTIES WHICH FAVOR POSTPONEMENT ARE THE NATIONAL FARMERS' PARTY AND THE NATIONAL DEMOCRATIC PARTY. THE LATTER HAS THE AVOWED PURPOSE OF ENROLLING ALL FORMER NAZIS. NON-COMMUNISTS HAVE CLAIMED THE RUSSIANS HAVE AUTHORIZED THESE PARTIES WITH THE AIM OF SPLITTING THE GROWING OPPOSITION TO THE SOCIALIST UNITY PARTY.

THE COMMUNIST PRESS, MEANTIME, IS BEATING THE DRUMS AGAIN FOR A SHARE IN WESTERN GERMANY'S COAL-RICH RUHR.

AT THE SAME TIME TAEGLISCHE RUNDSCHAU, NEWSPAPER OF THE SOVIET MILITARY GOVERNMENT, ACCUSED THE WESTERN POWERS OF TRYING TO SET UP THE PROJECTED WESTERN GERMAN GOVERNMENT AS AN ACCOMPLISHED FACT "WHILE THEIR REPRESENTATIVES IN MOSCOW PROFESS TO FAVOR A NEW FOUR-POWER CONFERENCE TO DISCUSS THE ENTIRE GERMAN PROBLEM."

AMERICAN AND GERMAN POLICE REPORTED A QUIET NIGHT AT THE SECTOR BORDERS AFTER A DAY MARKED BY SEVERAL INCIDENTS NEAR TROUBLED POTSDAMER PLATZ, WHERE THREE SECTOR BOUNDARIES CONVERGE.

HOWEVER, IN THE RUSSIAN SECTOR UNIDENTIFIED PERSONS STONED THE OFFICES OF THE ANTI-COMMUNIST CHRISTIAN DEMOCRATIC UNION, PARTY OFFICIALS REPORTED. THE SOVIET-CONTROLLED POLICE SAID THEY WERE HUNTING THE CULPRITS.

AMERICAN AUTHORITIES STILL AWAITED A REPLY FROM THE RUSSIANS ON THEIR PROPOSALS TO RESTORE PEACE TO THE SECTOR BORDERS.

THE RUSSIANS INTENSIFIED THEIR EFFORTS TO WIN OVER THE POPULATION OF WESTERN BERLIN WITH NEW OFFERS OF FOOD, FUEL AND OTHER RATIONS. THUS FAR THESE GESTURES HAVE HAD LITTLE SUCCESS AND ONLY A TRICKLE OF WESTERN BERLINERS HAVE GONE ACROSS SECTOR BORDERS TO REGISTER FOR THE PROFERRED RATIONS.

THE DEMANDS, SEEMINGLY TIMED WITH THE MOSCOW NEGOTIATIONS, APPEAR TO BE AN OUTGROWTH OF THE SOVIET ZONE'S ECONOMIC TROUBLES, WHICH THE WESTERN PRESS REPORTED ON THE INCREASE SINCE THE SOVIET BLOCKADE CUT IT OFF FROM RUHR OUTPUT.

"IT CAN BE REGARDED AS PRETTY CERTAIN," THE RUSSIAN-CONTROLLED NEWSPAPER NACHT-EXPRESS SAID, "THAT THE QUESTION OF RUSSIAN PARTICIPATION IN THE CONTROL OF THE RUHR WAS RAISED IN MOSCOW."

DEMAND FOR A SHARE IN THE RICH COAL AND STEEL PRODUCING AREA OF THE RUHR CAME AS THE OFFICIAL AMERICAN MILITARY GOVERNMENT NEWSPAPER "DIE NEUE ZEITUNG" BROUGHT NEW REPORTS OF "CHAOS AND HUNGER" IN THE SOVIET ZONE.

IT ALSO CAME ON THE HEELS OF GEN.LUCIUS D.CLAY'S LATEST REPORT ON ECONOMIC CONDITIONS IN THE WEST, WHICH BY CONTRAST, REPORTED A 10 PER CENT GAIN IN BIZONIA'S INDUSTRIAL PRODUCTION FOR A POST-WAR HIGH. THE REPORT SAID BRIGHTEST SPOT WAS IRON AND STEEL PRODUCTION IN THE RUHR.

IN FRANKFURT, THE NEWSPAPER FRANKFURTER RUNDSCHAU SAID YESTERDAY THAT BUS TRAFFIC BETWEEN THE AMERICAN AND RUSSIAN ZONES OF GERMANY WILL BE RESUMED FRIDAY.

AMERICAN MILITARY GOVERNMENT INFORMANTS SAID THE REOPENING OF BUS TRAFFIC APPEARED TO BE A "LOCAL ARRANGEMENT." THEY SAID THEY HAD NO INDICATION THAT IT FORECAST THE LIFTING OF THE RUSSIAN'S PRESENT ROAD AND RAIL BLOCKADE OF BERLIN.

30.24- 19973

THE BRITISH MILITARY GOVERNMENT ANNOUNCED LAST NIGHT IT HAD BLOCKED AN ATTEMPT BY THE CENTRAL BANK OF BERLIN, WHICH IS IN THE RUSSIAN SECTOR, TO GET 3,000,000 EAST MARKS UNFROZEN FROM THE BRITISH SECTOR.

AN ANNOUNCEMENT SAID THE BANK GAVE ITS BRANCH IN THE BRITISH SECTOR AN ORDER FOR THE MONEY, SAYING IT WAS FOR THE PAYMENT OF SALARIES OF MUNICIPAL EMPLOYES IN THE RUSSIAN SECTOR.

THE WESTERN MILITARY GOVERNMENTS FROZE EAST MARK FUNDS IN THEIR SECTORS AFTER THE RUSSIANS HAD TAKEN SIMILAR ACTION AGAINST WEST MARKS.

AUG 1948

COMMENTING ON THE COMMUNIST CAMPAIGN FOR PARTICIPATION IN THE RUHR, AMERICAN MILITARY GOVERNMENT OFFICIALS SAID IT LOOKED TO THEM AS THOUGH THE RUSSIANS WOULD LIKE TO GET THEIR HANDS INTO WESTERN GERMANY AND BENEFIT BY IT NOW THAT IT IS BEGINNING TO SHOW SIGNS OF ECONOMIC COMEBACK UNDER THE EUROPEAN RECOVERY PROGRAM WHILE THEIR OWN ZONAL ECONOMY IS FLOUNDERING AND BEING RUN INTO THE GROUND.

WILLI BRANDT, BERLIN REPRESENTATIVE OF THE SOCIALIST PARTY'S EXECUTIVE COUNCIL, TOLD A BERLIN MEETING OF YOUNG SOCIALISTS YESTERDAY THE EASTERN ZONE ALREADY HAD LOST THE RACE WITH THE WEST FOR AN IMPROVED GERMAN LIVING STANDARD.

MEANTIME BORDER INCIDENTS CONTINUED IN THE TENSE CITY.

THREE U.S.MILITARY POLICE MOTORIZED PATROLS WERE SENT TO POTSDAMER PLATZ LAST NIGHT AFTER ABOUT 15 RUSSIAN SOLDIERS HAD CROSSED TO THE AMERICAN SIDE OF THE SQUARE. NO ARRESTS WERE MADE, HOWEVER.

AN AMERICAN OFFICIAL SAID THE RUSSIANS WITHDREW BEFORE THE U.S. PATROLS ARRIVED. HE SAID "APPARENTLY THE RUSSIAN SOLDIERS DID NOT KNOW THEY WERE IN THE AMERICAN SECTOR."

THE BRITISH ARRESTED A RUSSIAN OFFICER YESTERDAY FOR SPEEDING IN THE BRITISH SECTOR. THE BRITISH SAID THEY WOULD HOLD THE OFFICER UNTIL THEY COULD GET IN TOUCH WITH SOVIET AUTHORITIES.

BERLIN, AUG 24-(AP)-A FORMATION OF 6 TO 10 FIGHTER PLANES, BELIEVED BY AMERICAN AIR OFFICERS TO BE RUSSIAN YAKS, SWEPT OVER WESTERN BERLIN LATE TODAY AT A GREAT HEIGHT, EYEWITNESSES REPORTED.

AMERICAN AND BRITISH AIR OPERATION CONTROL OFFICERS SAID THEY HAD NO FIGHTERS OVER BERLIN TODAY.

AS SOON AS THE FIGHTERS WERE SPOTTED, NEWSPAPER OFFICES RECEIVED TELEPHONE CALLS FOR EXCITED BERLINERS.

ABOUT TWO WEEKS AGO A FORMATION OF 12 RUSSIAN YAK FIGHTERS ZOOMED OVER WESTERN BERLIN. ON ANOTHER OCCASION ONE RUSSIAN FIGHTER BUZZED THE BRITISH AIRFIELD AT GATOW WHERE SUPPLIES FOR BLOCKADED BERLIN ARE BEING LANDED AT A FAST CLIP.

ON BOTH OCCASIONS, THE BRITISH MADE STRONG PROTESTS TO THE RUSSIANS. FORMATION FLYING OVER BERLIN IS FORBIDDEN UNDER FOUR POWER AIR SAFETY RULES IN EFFECT HERE.

AN AMERICAN AIRFORCE OFFICIAL, WHO SAW THE FIGHTERS, SAID THEY "WERE FLYING IN A SPREAD OUT FORMATION USED WHEN MOVING AT A VERY FAST SPEED. THESE WERE FLYING TOO HIGH, HOWEVER, TO IDENTIFY THEM DEFINITELY AS RUSSIAN."

ONE EYEWITNESS SOURCE SAID THEY DISAPPEARED IN THE DIRECTION OF GATOW. THE RUSSIANS HAVE A FIGHTER BASE THERE, PRACTICALLY NEXT TO GATOW AIRFIELD.

FIRST LEAD PLANE CRASH

FRANKFURT, GERMANY, AUG. 24-(AP)-THE U.S. PROVOST MARSHAL AT HANAU SAID TODAY FOUR AMERICANS WERE BELIEVED KILLED IN A COLLISION OF TWO AIR-LIFT PLANES NEAR HERE THIS MORNING.

IF THE REPORT IS CORRECT, IT WOULD BRING TO NINE THE NUMBER OF AMERICANS KILLED SINCE THE AIRLIFT OVER THE SOVIET BLOCKADE OF BERLIN BEGAN.

AUG 1948

THE PROVOST MARSHAL SAID HE BELIEVED THE TWO AIRCRAFT WERE TWO-ENGINED C-47'S. THESE PLANES HAVE BEEN OPERATING OUT OF THE WIESBADEN AIR BASE, BUT OFFICIALS AT WIESBADEN REFUSED TO TALK ABOUT THE CRASH.

EARLIER, U.S. ARMY HEADQUARTERS HERE REPORTED THAT TWO FOUR-ENGINED C-54 PLANES HAD COLLIDED IN THE AIR AND CRASHED NEAR HERE.

WING HEADQUARTERS OF THE C-54 TRANSPORTS OPERATING OUT OF FRANKFURT SAID THEY BELIEVED "UNOFFICIALLY" THE PLANES WERE C-47'S.

THE PROVOST MARSHAL AT HANAU SAID THAT, ACCORDING TO GERMAN WITNESSES, THE PLANES COLLIDED IN THE AIR OVER THE VILLAGE OF RAVOTZHAUSEN, 14 MILES NORTHEAST OF FRANKFURT.

"BOTH PLANES FELL IN THE BEET FIELDS ABOUT ONE QUARTER OF A MILE APART," HE SAID.

THE ACCIDENT OCCURRED AT ABOUT 9:30 A.M. (GERMAN TIME) HE SAID.

"BY THE TIME WE GOT THERE AT 10 A.M.," HE SAID, "BOTH PLANES WERE BURNING FURIOUSLY."

"WE SAW ONE BODY IN ONE OF THE WRECKS," THEPROVOST MARSHAL SAID, "AND BELIEVE THERE WAS AT LEAST ONE MORE INSIDE THAT PLANE AND TWO IN THE OTHER.

"BOTH PLANES WERE BURNING TOO BADLY FOR US TO GET ANYWHERE NEAR THEM TO RESCUE ANYBODY."

C-47 TRANSPORTS NORMALLY CARRY A CREW OF EITHER TWO OR THREE.

THE PROVOST MARSHAL SAID AMERICAN RESCUE WORKERS COULD NOT FIND ANY BODIES THROWN CLEAR OF THE TWO WRECKS. THIS COULD MEAN THAT THE DEATH TOLL MIGHT BE SIX.

BURGOMEISTER GEORG KLEHM OF THE VILLAGE OF RAVOTZHAUSEN SAID THE TWO AMERICAN PLANES FLEW OVER THE VILLAGE ABOUT 9:30 A.M.

"SUDDENLY THERE WAS A CHANGE IN THE NOISE OF THE MOTORS OF ONE OF THE PLANES. AFTERWARDS THERE WAS A HUGE CRASH NOT FAR FROM THE VILLAGE.

"ONE PLANE CRASHED DOWN ABOUT 3,000 FEET FROM THE EDGE OF THE VILLAGE AND THE OTHER FELL ANOTHER 3,000 FEET BEYOND IT."

KLEHM SAID BOTH PLANES WERE FLYING LOW, BENEATH RAIN CLOUDS.

PARTS OF THE PLANES RAINED DOWN ON THE VILLAGE AFTER THE CRASH, HE SAID, BUT NO ONE WAS HURT. THE ROOF OF ONE FARMER'S HOUSE WAS DESTROYED, HE ADDED.

HE SAID THE FIRST AMERICAN RESCUE CREW REACHED THE SCENE ABOUT TEN MINUTES AFTER THE CRASH.

BOTH PLANES WERE BURNING WHEN THEY FELL TO EARTH, KLEHM SAID.

THE MAYOR SAID THAT AMERICAN ENGINEERS WERE PULLING APART THE WRECKAGE WITH CRANES AND BULLDOZERS IN AN EFFORT TO FIND BODIES OF VICTIMS.

FIRST REPORTS GAVE NO INDICATION AS TO WHICH DIRECTION THE TWO AIRCRAFT WERE FLYING.

THE ACCIDENT HAPPENED OVER THE AMERICAN ZONE.

PRIOR TO TODAY'S MISHAP FIVE PERSONS HAD LOST THEIR LIVES IN TWO CRASHES OF AIRLIFT PLANES.

THREE WERE KILLED IN A CRASH AT KOENIGSTEIN IN THE U.S. ZONE. TWO OTHERS LOST THEIR LIVES IN THE AMERICAN SECTOR OF BERLIN.

THE U.S. AIRFORCE HAS TAKEN ALL POSSIBLE PRECAUTIONS TO AVOID COLLISIONS IN THE HEAVY AIRLIFT TRAFFIC. EACH PLANE IS ORDERED TO TAKE

OFF AT A SPECIFIED INTERVAL AND EACH IN TURN FLIES AT A DIFFERENT ALTITUDE.

PLANES RETURNING FROM BERLIN FOLLOW A DIFFERENT COURSE FROM THOSE GOING IN THE OPPOSITE DIRECTION.

COBURG, GERMANY, AUG.24-(AP)-BAVARIAN BORDER POLICE SAID TODAY GERMAN POLICE FROM THE RUSSIAN ZONE SHOT AND KILLED A GERMAN AGENT OF THE U.S. ARMY LAST NIGHT.

THE BORDER INCIDENT, THEY SAID, OCCURRED IN FUERTH AMSBERG, NEAR COBURG, A BAVARIAN TOWN IN THE AMERICAN ZONE. ACROSS THE BORDER IS THURINGIA IN THE RUSSIAN ZONE.

THE BAVARIANS SEIZED ONE THURINGIAN POLICEMAN, WHO STILL IS BEING HELD, AND THE OTHERS FLED.

AMERICAN AUTHORITIES TOOK THE WOUNDED AGENT TO A HOSPITAL, WHERE HE DIED TODAY, THE BAVARIAN POLICE SAID.

AMERICAN INTELLIGENCE SOURCES HAD NO COMMENT TODAY ON THE INCIDENT. THE BAVARIANS SAID THE U.S. ARMY HAD TAKEN OVER INVESTIGATION OF THE CASE.

PRECEDE LONDON

BY THOMAS P. WHITNEY

MOSCOW, WEDNESDAY, AUG.25-(AP)-BECAUSE OF THE EXPULSION OF SOVIET CONSUL GENERAL JACOB M. LOMAKIN FROM NEW YORK, THE RUSSIAN GOVERNMENT TODAY SEVERED ALL CONSULAR TIES WITH THE UNITED STATES.

A NOTE FROM THE SOVIET GOVERNMENT INFORMED THE U.S. STATE DEPARTMENT THAT IT IS CLOSING ITS ONLY TWO CONSULATES IN THE UNITED STATES -- AT NEW YORK AND SAN FRANCISCO -- AND DEMANDED THE IMMEDIATE CLOSING OF THE U.S. CONSULATE AT VLADIVOSTOK. IT ALSO SAID AN AGREEMENT GIVING THE UNITED STATES THE RIGHT TO OPEN A CONSULATE AT LENINGRAD NOW IS "VOID."

THE SOVIET NOTE WAS IN REPLY TO ONE FROM THE UNITED STATES ASKING THE RECALL OF LOMAKIN BECAUSE OF HIS ACTIVITIES IN THE KASENKINA CASE.

"THE SOVIET GOVERNMENT CONSIDERS THE FACT," THE SHARPLY WORDED RUSSIAN NOTE DECLARED, "THAT DURING THE MOST RECENT PERIOD IN THE UNITED STATES CIRCUMSTANCES HAVE BEEN CREATED UNDER WHICH NORMAL FULFILLMENT BY SOVIET CONSULATES IN THE UNITED STATES OF THEIR FUNCTIONS HAS BECOME IMPOSSIBLE.

SUCH CIRCUMSTANCES, TO THE DEGREE THAT AMERICAN POLICE INVADED THE

CREATED, BUT IN FACT JUSTIFIES SUCH CLEAR VIOLATIONS.
"IN VIEW OF THESE CIRCUMSTANCES THE SOVIET GOVERNMENT HAS TAKEN THE

"ON THE SAME BASIS, THE EARLIER ARRIVED AT AGREEMENT BETWEEN THE
GOVERNMENTS OF THE UNITED STATES AND THE SOVIET UNION ON THE ESTABLISH-

BY CARTER L.DAVIDSON

JERUSALEM, AUG.24-(AP)-THE U.S. CONSUL GENERAL HERE HAS PROTESTED TO THE JEWISH GOVERNOR OF JERUSALEM THAT THE STERN GANG KIDNAPED AND MISTREATED AN AMERICAN CONSULATE EMPLOYE SUNDAY.

THE CONSUL GENERAL, JOHN J.MACDONALD, SAID THE STERNISTS SEIZED GEORGE E.PARO, A CONFIDENTIAL CLERK IN THE CONSULATE AND HELD HIM FOR SEVEN HOURS DURING WHICH THEY HANDCUFFED, BLINDFOLDED, SLAPPED AND QUESTIONED HIM.

AUG

AN ISRAELI ARMY SOURCE SAID THE STERNISTS KIDNAPED PARO AND CALLED HIM A "DAMN BRITISH SPY" BECAUSE HE BEARS A FAINT RESEMBLANCE TO A BRITISH DETECTIVE WHO LEFT PALESTINE FOUR MONTHS AGO.

AFTER PARO, A 33-YEAR-OLD RESIDENT OF (30 PINE ST) GRANVILLE, N.Y., WAS RELEASED BY THE STERNISTS HE WAS HELD FOR ANOTHER NINE HOURS BY ISRAELI MILITARY POLICE. ASKED WHY THE ARMY HAD HELD HIM SO LONG A SPOKESMAN REPLIED:

"TO CLEAR UP SUCH A MYSTERY IN NINE HOURS IS NOT BAD POLICE WORK."

MACDONALD SAID HE HAD FILED A FULL REPORT OF THE INCIDENT WITH THE STATE DEPARTMENT AND HAD SENT A STRONGLY WORDED PROTEST TO DR. BERNARD JOSEPH, THE JEWISH MILITARY GOVERNOR IN JERUSALEM.

HE DEMANDED AN INVESTIGATION AND "APPROPRIATE APOLOGIES," AND TOLD JOSEPH:

"IN REPORTING THIS MATTER TO MY GOVERNMENT I POINTED OUT THAT THIS CASE IN INDICATIVE OF THE INABILITY OF THE MILITARY GOVERNMENT TO CONTROL THE SITUATION IN JERUSALEM AND AFFORD THE USUAL PROTECTION EXPECTED AGAINST TERRORIST ORGANIZATIONSA."

THE STERN GANG, AN EXTREMIST UNDERGROUND ORGANIZATION DURING THE BRITISH MANDATE, JOINED THE ISRAELI ARMY INSIDE THE STATE OF ISRAEL, BUT CONTINUES TO OPERATE UNDERGROUND IN JERUSALEM.

MACDONALD'S STORY OF THE INCIDENT WAS AS FOLLOWS:

PARO STRUCK UP AN ACQUAINTANCE WITH A MAN AND A WOMAN IN A CAFE EARLY SUNDAY MORNING. THE MAN OFFERED TO DRIVE HIM HOME AND PARO ACCEPTED. THE WOMAN DISAPPEARED AND A SECOND MAN TOOK HER PLACE. THE FIRST MAN EXPLAINED HE WANTED TO DRIVE THE OTHER HOME FIRST AND PARO AGREED.

AUG

AFTER DRIVING FOR A TIME THE TWO MEN TOLD PARO TO GET OUT. A THIRD MAN, IN UNIFORM, APPEARED AND SNAPPED HANDCUFFS ON PARO UNDER THE GUISE OF SHAKING HANDS.

"HE SLAPPED ME ACROSS THE FACE AND CALLED ME A 'DAMN BRITISH SPY'", PARO SAID.

"THERE WERE ABOUT A DOZEN OTHERS STANDING AROUND, MOST OF THEM IN NONDESCRIPT UNIFORMS. THEY TOOK ME IN THE ROOM OF A BUILDING AND BLINDFOLDED ME WITH A CHEAP BROWN SCARF AND TOLD ME TO SIT ON THE FLOOR."

M4

FOR AN HOUR, HE SAID, THEY CURSED HIM, ACCUSED HIM OF BEING BRITISH, INSULTED HIM AND THEN BEGAN QUESTIONING HIM.

"THEY ASKED ME IF I HAD ANY ARAB FRIENDS AND ALL ABOUT MY VACATION TWO WEEKS AGO WHEN I VISITED BEIRUT, DAMASCUS AND AMMAN. THEN ONE OF THEM TOLD ME IN A PETER LORRE MONOTONE: 'IF OUR INVESTIGATION FAILS TO BEAR OUT WHAT YOU'VE TOLD US, YOU'LL BE SHOT LIKE A BRITISH SPY TOMORROW MORNING!"

AUG 1948

(PARO, A VETERAN OF WORLD WAR II, AND A FORMER WEEKLY NEWSPAPER EMPLOYE IN GRANVILLE AND HOTEL EMPLOYE IN NEW YORK, WAS ON TEMPORARY ASSIGNMENT IN JERUSALEM, HIS FAMILY SAID. HIS REGULAR ASSIGNMENT IS IN DAMASCUS, WHERE HE HAS BEEN SINCE MARCH, 1947. HE HAD BEEN IN JERUSALEM SINCE MAY 6, THE FAMILY SAID.)

AFTER QUESTIONING HIM FOR ANOTHER HOUR, PARO SAID, HE NOTED UNDER HIS BLINDFOLD THAT THREE MEN WERE POINTING RIFLES AT HIM. THEN SOMEONE FIRED THREE SHOTS OUT OF A WINDOW. AFTER THAT THEY GAVE HIM THE "SILENT TREATMENT."

AT ABOUT 8A.M., THEY PUT HIM IN A CAR, DROVE HIM AROUND AND TRANSFERRED HIM TO ANOTHER AUTOMOBILE. AFTER BEING TAKEN INTO A BUILDING HE FOUND HIMSELF IN THE HANDS OF ISRAELI MILITARY POLICE.

THE MILITARY POLICE ALSO QUESTIONED HIM ABOUT HIS WORK, HIS IDENTITY AND OTHER MATTERS, PARO SAID. ANY ARMY SPOKESMAN SAID AN ARMY OFFICER AND A CIVILIAN HAD MISTAKENLY IDENTIFIED PARO AS A FORMER BRITISH UNDERCOVER DETECTIVE. HE SAID THE STERNISTS APPARENTLY STEPPED IN AND KIDNAPED HIM WHEN THE ARMY MAN WENT TO CALL POLICE, THE SPOKESMAN ADDED.

PARO SAID HE SHOWED HIS DIPLOMATIC PASSPORT TO BOTH THE STERNISTS AND THE ISRAELI POLICE BUT THAT IT WAS TERMED "PHONY."

dr. israel goldstein of new york, president of the world confederation of general zionists, said last night the center of the movement must be in new york or europe for practical reasons. he emphasized the importance of the political activities of american jewry.

meir grossman of the right wing revisionist party demanded that jerusalem be both the capital of israel and center of the zionist movement. he insisted also that members of the israeli government should not hold key posts in the movement.

present israeli cabinet officers who are key members of the zionist movement include premier david ben gurion and foreign minister moshe shertok of the mapai party.

discussing the question of ties of the jewish state to the east and west, p. lubianiker of the mapai party said the policy must be "with all powers and against none."

A GENERAL AREA OF AGREEMENT HAS BEEN REACHED IN THE FOUR-POWER MOSCOW TALKS ON THE GERMAN PROBLEM, A HIGHLY INFORMED MOSCOW SOURCE TOLD YESTERDAY (TUES).

CHANCES OF A SOLID AGREEMENT AFTER MONDAY NIGHT'S MEETING OF THE THREE WESTERN ENVOYS WITH SOVIET PRIME MINISTER STALIN AND FOREIGN MINISTER MOLOTOV WERE DESCRIBED AS "FAIR." "SOME PROGRESS" HAS BEEN MADE, THE SOURCE SAID, AND THERE IS NO CAUSE FOR PESSIMISM.

CLASHING EAST-WEST VIEWS ON SOVIET POLICY AND COMMUNISM WERE LAID BEFORE THE WORLD COUNCIL OF CHURCHES IN AMSTERDAM BY A U.S. REPUBLICAN PARTY POLICY MAKER AND A CZECH PROFESSOR.

JOHN FOSTER DULLES, PRESBYTERIAN LAY LEADER AND ADVISER TO BOTH THE REPUBLICAN PARTY AND THE STATE DEPARTMENT, SAID "THE SOVIET COMMUNIST REGIME IS NOT A REGIME OF PEACE AND INDEED IT DOES NOT PURPORT TO BE. PROF. JOSEPH L. HROMADKA OF PRAGUE, A PROFESSOR OF THEOLOGY GAVE THIS VIEW:

"WHAT WE ARE WITNESSING IS X X X THE END OF WESTERN SUPREMACY WITHIN THE REALM OF THE INTERNATIONAL ORDER X X X. EVEN THE ENORMOUS WEALTH, THE MILITARY AND ECONOMIC POWER OF THE AMERICAN NATION MUST NOT DECEIVE US." HE SAID IT WAS A TIME WHEN "THE UNDERDOGS OF SOCIETY" ARE ON THE MARCH.

BY JOHN SCALI

WASHINGTON, AUG.24-(AP)-RUSSIA AND HER BALKAN SATELLITES ARE STEPPING UP THEIR CAMPAIGN TO OUST MARSHAL TITO AS BOSS OF YUGOSLAVIA, DIPLOMATIC OFFICIALS SAID TODAY.

THESE AUTHORITIES POINT TO INCREASINGLY VIOLENT DENUNCIATIONS OF TITO FROM EVERY TOP COMMUNIST OFFICIAL IN EASTERN EUROPE OUTSIDE YUGOSLAVIA.

AUG 1948

IN ADDITION, PARTY LEADERS IN ITALY AND FRANCE ALSO HAVE LINED UP BESIDE MOSCOW IN CONDEMNING TITO AS A "TRAITOR" TO THE COMMUNIST CAUSE.

THIS MOSCOW-LED TORRENT OF ABUSE KEPT UP EVEN WHILE TITO WAS PLAYING HOST TO THE RECENT DANUBE RIVER CONFERENCE IN BELGRADE AND VOTING CONSISTENTLY WITH THE SOVIET BLOC.

GOVERNMENT OFFICIALS FAMILIAR WITH EASTERN EUROPE SAY THE DISAGREEMENT BETWEEN TITO AND THE RUSSIAN BRAND OF COMMUNISM IS NOW SO FUNDAMENTAL IT RULES OUT ANY POSSIBILITY OF COMPROMISE.

THIS INCREASES THE CHANCE THAT TITO MAY, IN DESPERATION, TURN TO ~~THE WEST FOR SUPPORT~~, BUT THERE IS NO REAL SIGN OF SUCH A MOVE YET.

AND, DESPITE THE SWELLING STREAM OF ANTI-TITO INVECTIVE, OFFICIALS HERE SAY THEY REGARD IT AS UNLIKELY THAT RUSSIA OR ANY OF HER SATELLITES WILL ORDER TROOPS INTO YUGOSLAVIA.

THEIR VIEW IS THAT ANY SUCH RESORT TO FORCE NOT ONLY WOULD CERTAINLY DRIVE TITO INTO THE ARMS OF THE WEST BUT WOULD BRING THE UNITED NATIONS INTO THE PICTURE. YUGOSLAVIA AS A FULL-FLEDGED U.N. MEMBER COULD APPEAL TO THE SECURITY COUNCIL FOR HELP AND THUS HAUL RUSSIA ONTO THE DOCKET.

THUS OFFICIALS SAY THE CAMPAIGN APPEARS TO BE POINTED MORE DIRECTLY AT TITO IN PERSON RATHER THAN HIS GOVERNMENT. IN THIS CONNECTION, THEY CITE A LETTER REPORTEDLY SENT TO TITO LAST MARCH 27 BY THE CENTRAL COMMITTEE OF THE RUSSIAN COMMUNIST PARTY.

THIS LETTER POINTEDLY RECALLED HOW LEON TROTSKY, ANOTHER "TRAITOR" IN SOVIET EYES MET HIS DEATH IN MEXICO IN 1940 AT THE HANDS OF AN ASSASSIN.

AUTHORITIES HERE SAY THEY HAVE NOT YET SEEN THE COMPLETE TEXT OF THIS AND OTHER LETTERS WHICH RUSSIAN OFFICIALS IN YUGOSLAVIA DISTRIBUTED TO SOME FOREIGN CORRESPONDENTS RECENTLY. BUT THEY ADD THAT THEY HAVE NO REASON TO DOUBT THEIR AUTHENTICITY.

DISCUSSING THE CONTRIBUTION OF KENTUCKY IN WORLD WAR II, HE SAID:

"THE MEN WHO PLAN FOR WAR CANNOT RECKON WITHOUT YOU---BUT YOU ARE HERE TONIGHT TO TELL THEM THAT IF THEY PLAN ANOTHER WAR, COUNT KENTUCKY OUT."

THE THIRD PARTY CANDIDATE SAID THE PEOPLE OF KENTUCKY AND OTHER AMERICANS WHO FOUGHT FOR FREEDOM IN THE LAST WAR WERE BEING REPAID WITH "POVERTY AND DEATH." HE ADDED:

COMMUNIST AGAIN URGES WEST TO QUIT

Berlin Party Head Reiterates Demand Powers Leave City

AUG - 1948

Berlin, Aug. 25 (AP)—Germany's top Communist today called on the Western Allies to leave Berlin. He charged the United States with postwar ruination of Germany just as the "senseless air attacks" wrecked her during the war.

In a Berlin speech to 3,000 representatives of the Soviet-sponsored Socialist Unity party, Wilhelm Pieck, the party leader, accused America of wanting to saddle Germany with years of military occupation.

He also charged the United States wanted to convert the Ruhr into a new munitions springboard for attack against Russia.

Pieck's speech was reported by the Soviet-licensed German news agency, ADN.

Russians Bar Newspapers

The Russians earlier had extended their blockade of Berlin to the intellectual level, banning the Western press in the city's Soviet sector.

At the same time they launched a sharp attack against the elected anti-Communist city government, accusing it of splitting the police force and "backing" Western-sponsored currency in direct opposition to Russian orders.

A special session of the city administration rejected the charges as "unjustified."

American officials in Nuernberg, meanwhile, acknowledged that a German wounded fatally by Soviet zone police near Coburg inside United States occupied territory was one of scores employed as intelligence agents.

Gave Two Names

United States Army headquarters at Heidelberg said the German gave two names—George Salwiezcek and Erich Lutz. The 38-year-old man said the second was his "real" name. Lutz said he went to the border from Erlangen "to get news from a Thuringian border police officer."

The shooting was a part of the East-West war of intrigue which has developed in Germany.

Blockade of Western publications in the Soviet sector of Berlin will become effective September 1 under an order issued by Maj. Gen. Alexander Kotikov, Russian commandant. It will work through a distribution monopoly allowing only Communist-sponsored organizations to obtain dealers' licenses.

The monopoly already has been keeping Western publications out of the Soviet zone surrounding Berlin since August 1. Communist dealers withhold the sale of Western papers and then inform publishers there is "no demand" for them, according to American complaints.

Retaliation Expected

An authoritative source said the American Military Government—and possibly also the British—would ban Eastern publications in the West unless the Soviet restores free circulation. The Americans were understood to have already lodged a protest.

The attack on the city government also was made by Kotikov. He alleged the Government's "backing" of Western currency had created economic chaos.

"Kotikov is just increasing the tension of the political tug of war between East and West," commented an American spokesman. "The attack undoubtedly is intended to strengthen the position of the Communist Socialist Unity party. It also may be part of a buildup for eventual withdrawal of Russian recognition from the Government."

Blames Communist Minority

He added that "the city government, through no fault of its own, is in the middle. It has been trying its best to serve all its masters as well as the people of Berlin while the Communist minority has persistently sought to undermine it and take over full powers over the entire city."

Ferdinand Friedensburg, deputy mayor, told the German press that several city departments were split because of Communists' attempts to pressure themselves into power. He said Government actions had not caused the split.

The British Military Government tonight sent a letter to Friedensburg, backing his stand. The letter noted the Government has been unable to function under four-power rule because the Russians ended the possibility of this through their July walkout from the four-power Kommandatura.

Responsible To People

The letter said the Government remained responsible to the Berlin population for the continued administration of the city and the British authorities consider that they have done their best to fulfill this duty in very difficult circumstances with great courage and conscientiousness."

Kotikov had accused the city government of acting unconstitutionally. The administration countered with the charge that "numerous measures taken in the Eastern sector (by the Russians) are unconstitutional."

A city government communiqué said Friedensburg will present the Government's position to the Soviet military authorities. It re-emphasized that the city administration will "cling to the fundamentals of the constitution and justice as the decisive preconditions for its work."

American Agent Killed In Reich

Berlin, Aug. 25 (AP)—Border shootings of Germans in Berlin and Bavaria kept tension between the West and Russia alive today.

American authorities in Nuernberg said Russian-zone police Monday shot and killed a German intelligence agent of the United States Army who was fleeing across the Soviet-zone border. They said the German, one of scores used by the Army as intelligence agents, was at least 100 yards inside the American zone near Coburg when he was shot.

The Military Government said the German had been sent into the Russian zone by United States Army intelligence agents to obtain some information the mission had labeled "top secret."

However, withdrawal of armed Russian, American and British guards from the Potsdamer Platz, much-raided black-market center where the zones of the blockaded city meet, eased pressure in this capital.

Woman Is Wounded

German police headquarters in western Berlin said persons in Russian uniforms wounded a German woman last night at the boundary between western Berlin and the surrounding Russian occupation zone.

Maj. Gen. Alexander Kotikov, Russian commandant of Berlin, renewed attacks on the anti-Communist city government, accusing it of illegally splitting the city police and other agencies, aiding the black market and disrupting "normal activities of the police."

Despite the continuing aggravations, the Russian-licensed *Nacht Express* headlined a dispatch on the Moscow diplomatic talks with this optimistic line: "Hope Rises for German Peace."

Maj. Gen. Alexander Kotikov, Russian commandant in Berlin, accused the anti-Communist Government of Berlin of unauthorized actions splitting city offices. Deputy Mayor Ferdinand Friedensburg rejected the charges. The police, food, coal and labor offices have been split between the Russian and Western zones, because the Russians refused to recognize authority of administrators heading the offices.

An American spokesman said the Russian attack was "another attempt to increase the pressure" on the elected government. He saw the utterance as possibly intended to "justify eventual withdrawal of recognition" from the city regime.

The Russian-sponsored *Taegliche Rundschau* charged anew that United States authorities in Wiesbaden had "kidnapped" Count Heinrich von Einsiedel in May. He wrote for the paper, but had been reported an aide of German Field Marshal Friedrich von Paulus, said to be heading a Russian-trained army of German prisoners in the Soviet Union.

Pursued Across Border

Germans told this story of the killing of the German agent on the Bavarian border:

The incident occurred at Fuerth Amsberg, near Coburg, a Bavarian town in the American zone. It lies across the border from Thuringia, in the Russian zone.

The Bavarians said a man, whom they described as having many aliases, entered the Russian zone Monday night to pick up "information material."

They said that Russian-zone police wounded him with one shot and he staggered across the border into the American zone and went to an inn.

Thuringian police followed him over the border, entered the inn and demanded the wounded man be turned over to them. Bavarian police opposed them.

The Bavarians seized one Thuringian policeman, who still is being held. The others fled.

Bavarian authorities said American officials took the wounded agent to a hospital, where he died yesterday.

SLAVS CHARGE ROMANIA WITH HOSTILE ACTS

Denounce 'Insults,' Say Officials Agitate To Overthrow Tito

AUG - 1948

London, Aug. 25 (AP)—The Yugoslav Government today accused neighboring Romania of grossly insulting the Tito regime and trying to bring about a revolt to overthrow Tito.

Premier Marshal Tito's foreign minister, Stanoje Simic, made the charges in a hotly-worded note handed the Romanian Ambassador in Belgrade. Yugoslavia accused Mrs. Ana Pauker, Romanian Foreign Minister and a leading spirit in the Cominform, of leading in a campaign of vilification against Tito and his aides.

Contents of the note were broadcast from Belgrade tonight. It was the latest flareup in the fight between Tito and the Cominform, which came to a climax in July with the Cominform's decision that Tito and other Yugoslav leaders were not following Moscow closely enough.

"Hostile Outrages" Protested

Early this month a former chief of staff of the Yugoslav Army was shot to death, Belgrade announced, while he was trying to flee into Romania.

Today Tito protested to Romania against any continuance of "this monstrous anti-Yugoslav campaign." The Tito note said "such hostile outrages" threaten the two neighbors' diplomatic relations and weaken the Communist front.

The broadcast of the Yugoslav news agency Tanjug quoted the note as saying:

"Responsible state officials of Romania in their speeches and articles to the press call upon the citizens of the Federated People's Republic of Yugoslavia to revolt and overthrow the legal Government of the Federated People's Republic of Yugoslavia.

"Thus, for example, Mrs. Ana Pauker, Foreign Minister of Romania, openly calls for the elimination of the present state leadership in Yugoslavia."

Sides With Cominform

Romania has sided with the Cominform (Communist International Information Bureau) in its condemnation of Tito and other leaders of the Yugoslav Communist party.

The Yugoslav note said Mrs. Pauker "admittedly calls for revolt against the leaders of the Communist party of Yugoslavia."

As is generally known, the note continued, the "leaders of the Communist party of Yugoslavia are at the same time also the most responsible members of the Government."

"It is obvious that this call actually refers to the leaders of . . . Yugoslavia," the note said.

Untruths Charged

Responsible state functionaries and the press and radio of Romania "have of recent months been attempting to depict Yugoslavia before the Romanian people as being a country which has supposedly separated itself from the anti-imperialistic front," the note said.

YUGOSLAVIA LAYS PLOT TO ROMANIA

London, Aug. 25 (A. P.).—Yugoslavia tonight accused Romanian Foreign Minister Ana Pauker and other Romanian officials of trying to bring about the overthrow of the Yugoslav gov-

ernment. The charge was made in a note handed the Romanian Ambassador in Belgrade by Yugoslav Foreign Minister Stanoje Sinic, a Belgrade broadcast said.

The broadcast of the Yugoslav news agency Tanjug quoted the note as saying:

"Responsible State officials of Romania in their speeches and articles to the press call upon the citizens of the Federate People's Republic of Yugoslavia to revolt and overthrow the legal government of the Federated People's Republic of Yugoslavia."

rency control would eliminate the main stumbling block in the way of an East-West settlement of their Berlin quarrels.

They have been striving for such a settlement in Moscow since July 29.

May Reopen Traffic

For the Western powers, the main objective still is the ending of the Russian blockade over Berlin.

A settlement on currency details and principles would certainly be followed by Russian restoration of traffic links between the city's Western sectors and the Western zones, according to authoritative diplomatic opinion.

It would open the way, too, to a new effort by the Council of Foreign Ministers to write an agreed German peace treaty.

Stalin Bid For Discussion On Currency Hinted

AUG 1948

London, Aug. 25 (AP)—An informed diplomatic source said today Prime Minister Stalin has proposed a Berlin conference of Big Four financial experts to work out agreement on the control of the city's currency.

The United States, Britain and France, the source said, were considering the suggestion in talks this week and their envoys in Moscow have recommended acceptance.

Such a proposal could mean Russia has agreed in principle to Western demands for a share in administering the German capital's economy.

Recognize Berlin Right

It also could mean Russia recognizes the Western powers' right to continue occupying Berlin—a right Moscow has challenged since the decision to set up a West German Government was taken.

The informant, who follows the East-West negotiations in Moscow from official reports, would not permit himself to be identified even by nationality. By four-power accord the Moscow talks are being conducted in secret, at least officially.

Stalin made the proposal at Monday night's nearly five-hour-long Kremlin conference, the source said.

Currency Is Issue

The informant did not say whether the Russian leader's idea—which he described as a "new one"—was qualified by any conditions.

Expert agreement on Berlin currency control would eliminate the main stumbling block in the way of an East-West settlement of their Berlin quarrels.

STALIN MONEY PLAN HINTED

Basis For Berlin Agreement Credited To Soviet Chief

GAVSHON

London, Aug. 25 (AP)—A diplomatic informant said today Prime Minister Stalin has moved to break the deadlock in East-West talks on Berlin by proposing a two-point approach to the city's currency snarl.

First, the Russian leader was said to have put forward a special currency plan designed broadly to reconcile conflicting East-West views on the future control of the city's finances.

Secondly, he was reported to have expressed Russian willingness to join new Berlin talks among financial experts which would aim at hammering out a four-power accord on currency control. His specific plan presumably would be the basis of these discussions.

Could Not Give Details

The source, who declined to be identified even by nationality, said he was unable to detail the nature of Stalin's compromise.

Meanwhile, fiscal experts of the three Western powers prepared to study these proposals in Washington, London, Paris and Berlin.

A Foreign Office spokesman indicated there would be a lull in the Moscow negotiations pending "necessary consultations"—first within the Foreign Office, then with Berlin financial experts and finally with the American and French governments.

Britain's top Foreign Office man on Germany, Sir William Strang, today resumed talks with the United States and French ambassadors, Lewis Douglas and Rene Massigli, after studying full reports of Monday's Kremlin meeting at which Stalin made his proposals.

Could Mean Sharing Control

Stalin's willingness to join expert-level Big-Four currency talks could mean Russia is ready to accept in principle Western demands for sharing in the control of Berlin's economy. In turn this acceptance would acknowledge the right of the West to continue occupying Berlin—a right Russia has challenged since the Western decision to set up a Frankfurt government.

The conservative *Evening Standard's* diplomatic correspondent, Norman Barrymaine, tonight quoted an "authoritative source" for saying Stalin did agree "in principle" to four-power control in "the exclusive use of the Soviet zone mark for all Berlin."

He added, however, that Stalin followed this by bringing up undisclosed "technical proposals" which "greatly reduced the importance of this concession."

Berlin Has Scant Hope

The informed diplomatic source said he was unable to disclose immediately whether Stalin's proposals were accompanied by any kind of conditions.

Authoritative Allied sources in Berlin saw little hope of success for an "experts" conference on Berlin's economy. They said if the Big Four were unable to settle the question on a governmental level, there was no reason to expect it could be settled in Berlin on a lower level.

Expert agreement on Berlin currency control would eliminate the main obstacle holding up settlement of East-West quarrels in Berlin which the negotiators have been seeking in Moscow since July 29.

CHURCHILL - ATTLEE LETTERS BARED

London, Aug. 25 (A. P.).—Winston Churchill released for publication today a recent exchange of letters in which he proposed and Prime Minister Attlee rejected creation of a European Assembly at this time.

Setting forth the Laborite Government's attitude, Attlee, on July, wrote that no action could be taken until after discussion with other nations in the British Commonwealth, adding: "I think that this is not the right time for the Government to take this major initiative, when their hands are so full already with urgent and difficult problems."

Churchill, one of the organizers of the movement for a United States of Europe, had written: "It would represent an important practical step in the advance towards a united Europe, and would greatly help to create a sense of solidarity among the European peoples in the face of the increasing dangers which beset them." When the French Government came out publicly in support of the assembly, Churchill again wrote Attlee on August 21 "in the hope that events in Europe might win a more favorable reply."

Attell again rejected it, asserting that he was in sympathy with the basic idea. His Government refused to take any part in the united Europe meeting held under Churchill's sponsorship at The Hague last May. The assembly proposal was an outgrowth of The Hague meeting.

Ambassador Douglas Has Talk With Dulles

London, Aug. 25 (AP)—United States Ambassador Lewis W. Douglas returned to London tonight after a brief air trip to Amsterdam to see John Foster Dulles, an adviser to presidential candidate Thomas E. Dewey. Douglas left London this afternoon.

"It was a hurried meeting, but we got right to the point," Douglas said.

Dulles is in Amsterdam to attend the conference of the World Council of Churches. He had asked Douglas to give him a first-hand review of the European situation.

Greek Rebels Claim Victory

LONDON, Aug. 25—(AP) Markos Vafiades' Communist guerrillas claimed tonight to have won a "great victory" in the current Grammos campaign and to have inflicted 25,000 casualties on the Greek army.

The claim was made in Vafiades' order of the day broadcast by the "Free Greece Radio" and relayed by Yugoslav news agency Tanjug.

At the same time, the Soviet news agency Tass said in a dispatch from Tirana that Albania is offering refuge to Greek guerrillas and "all foreign citizens who are persecuted for their democratic activity."

Vafiades' order said the Greek army concentrated more than 100,000 soldiers in Grammos and Smolikas mountains with the plan of destroying guerrilla forces there and then routing "the democratic army in other areas of Greece."

"They did not succeed in realizing their strategic goal and in destroying democratic army forces on the Grammos front," the order continued, "and this is a great victory for the democratic army."

The broadcast said "units of the democratic army in Thessaly, Roumelia, Macedonia, Thrace and Peloponnesus are turning the whole of Greece into a greater Grammos."

Tass' Tirana dispatch quoted spokesmen of the Albanian interior ministry as saying 1,754 Greek refugees crossed the Albanian frontier in the last three days.

Costello Hails Own Regime

Aboard the S. S. Mauretania, Aug. 25 (AP)—John A. Costello, Irish Prime Minister, praised today the accomplishments of his new government and called again for Irish unification.

Costello and his wife are en route to New York for their first North American trip. They will spend two days in New York before leaving for Canada.

"I come to the American continent as the head of the Government of the sovereign, independent and democratic Irish state," Costello said. "A government representative of all classes and all sections of political opinion; a government which, I make bold to affirm, Jefferson would have admired and Washington would have blessed.

"It is, perhaps, the most representative government in Europe today."

Says "Eire" Is Incorrect

Costello, who ousted Eamon de Valera from the premiership after sixteen years in office, is a genial, easy-going man, of average build with graying hair, a sharp wit and what, by American standards, seems only a modest brogue.

He described himself as "Prime Minister of Ireland" and said the appellation of his nation as "Eire" is incorrect.

After a week end in New York, Costello will go to Montreal for a meeting of the Canadian Bar Association. He said he also hopes to visit Boston, but has no plans for going to Washington.

As the Mauretania approached New York, Costello said:

"As Prime Minister of Ireland, I want to convey the warmest greetings of the Irish Government and people to the millions of the Irish race and friends of Ireland throughout the American continent."

Costello said his name should be accented on the first syllable and is Anglo-Norman in origin.

This is how the Prime Minister feels about the British:

"We think we're as good as anybody. We're friendly with the British because it pays to be friendly."

Decries Partition

In a formal statement, he said his Government "consists of men of good will, none of whom wanted power or office, but all of whom wanted to place their political and administrative experience at the disposal of the people. . . .

"They submerged all past differences to carry out an agreed political, economic and social program.

"This attempt at interparty cooperation, which began as an experiment in democracy, has now become accepted as a permanent Irish institution.

"The outstanding Irish political problem is to undo the wrong of partition and secure the restoration to a United Ireland of our six northeastern counties of Ulster." Costello added:

"I have every hope that a United Ireland may be secured by the Government of which I have the honor to be head, and that Ireland, independent and united from sea to sea like the great countries of the United States and Canada, may with her four provinces and 32 counties, united and unmutilated, take her rightful place among the nations of the earth."

Unesco Aids Students

Forms World Council to Foster Educational Exchanges

PARIS, Aug. 25 (AP).—Headquarters for the United Nations Educational, Scientific and Cultural Organization (Unesco) today announced the formation of an international university association to foster educational exchanges among members.

The association was formed during a university conference at Utrecht, the Netherlands, earlier this month. Representatives of colleges and universities in thirty-three nations attended. Dr. H. R. Kruyt of the Netherlands Unesco Committee presided.

The conference named a nine-man preparatory committee including Dr. George F. Zook, president of the American Council on Education, to set up an international university bureau to encourage the exchange of laboratory equipment and library material. The committee was instructed to call another university conference after August, 1950.

U. N. Council Due To Meet Sept. 7

Paris, Aug. 25 (A. P.).—Adrien Pelt, Assistant Secretary-General of the United Nations, told the Anglo-American Press Club today that the U. N. Security Council probably would convene here on September 7.

The council will leave New York on September 1 and arrive in Paris about September 6. The General Assembly will convene here on September 21.

Insulin Preservation Process Is Indorsed

Geneva, Switzerland, Aug. 25 (AP). A new process of insulin preservation, which may wipe out the present world shortage within a few years, was indorsed today by the World Health Organization.

The new process was developed by Dr. Friedrich Lindner, of Frankfurt, Germany. It makes possible the preservation of insulin-yielding pancreas glands from slaughtered animals without the use of deep-freeze refrigeration equipment.

Insulin is a vital drug for diabetics.

Silent on Immigration.

Stockholm, Aug. 25 (A. P.).—Count Folke Bernadotte declined comment today on published reports he has halted all immigration of men of military age into Israel.

The United Nations mediator's original instructions at the beginning of the Palestine truce were that no men of military age, from 18 to 45, could enter Israel "except at his discretion."

U. N. informants here said the mediator had planned to admit a number of Jews of military age to take care of hardship cases.

Berlin Mayoress To Undergo Treatment

Berlin, Aug. 25 (AP)—Frau Louise Schroeder, Berlin's ailing 61-year-old Lord Mayoress, is to be flown to Hamburg in the British zone today for treatment. Aides said she may submit to an operation there.

Frau Schroeder is suffering from gall stones and recurrence of an old stomach ailment. She has been confined to her bed the past week. Deputy Mayor Ferdinand Friedensburg, a Christian Democrat, will head the city government in her absence. Frau Schroeder is a Socialist.

U.S., BRITAIN MAY BUILD DANUBE POWER PLANTS

FRANKFURT, Germany, Aug. 25—(AP)A reliable informant in a position to know said today American and British authorities are planning to build hydro-electric plants on the German-Austrian stretch of the Danube although eastern European countries claim control of the river.

The eastern European countries, led by Soviet Russia, established their claim at an international conference in Belgrade.

So far there has been no indication whether the eastern orbit will raise objections that the proposed developments conflict with the eastern power's claims of control of the river.

Lower echelons of the British and American military governments already have approved hydro-electric developments for the Danube, to overcome electric power shortages.

The plants would be German-Austrian owned.

Alfred Krupp Fights Sentence

HAMBURG, Germany, Aug. 25 (AP)—Alfred Krupp von Bohlen und Halbach, munitions maker, challenged today the United States Military Governor's right to confirm a twelve-year sentence for war crimes. His attorneys petitioned Gen. Lucius D. Clay to refer the case to the United States Supreme Court. They argued the Military Governor's powers are not wide enough to deal with the complex case. An American tribunal sentenced Krupp and ten associates of the steel and munitions combine to prison for looting occupied countries and using slave labor.

Yugoslavia Reds Lash At Critics For 'Errors'

AUG 1948

Belgrade, Yugoslavia, Aug. 25 (AP)—Yugoslav Communists today compared the attacks against them by Soviet and other Communist leaders with campaigns of "the most poisonous imperialist reaction."

They charged these countries, and not Yugoslavia, had "sinned against the fundamental interests of the world anti-imperialistic democratic front."

In an editorial in the Communist newspaper *Borba*, the party virtually declared that the Premier Tito-Cominform fight was between governments and not just between parties of the countries involved. *Borba's* stand can be considered the official Yugoslav party line.

"Historical Error"

"Everyone knows," the editorial declared, "that in our system it is senseless and hypocritical to say that relations between Communist parties are one thing and relations between states are another."

"The resolution of the Cominform [which accused Tito of splitting from the Marxist front] is less than two months old," *Borba* said, "but injurious results of this dangerous historical error against the world Socialist front are already in huge disproportion to the short time which has elapsed since its publication."

The editorial said the Cominform countries were "more and more deeply sinking to slanders which history will note as a dark spot in the development of the international workers' movement and of mankind's progress in general."

"These Communist parties have done so much in this short time to split and weaken the unity of the Socialist front," *Borba* said, "that imperialist enemies have found all reasons for malignant enjoyment in this new and to them unexpected and welcome 'situation' which has been created within the camp of the democratic front."

"Private Accounts"

"Comradely discussion with the aim to agreement is made impossible," said the paper.

The Yugoslav Communists also charged that through the anti-Tito campaign the other Communists also are trying to satisfy some of their own "private nationalistic accounts." This implied that Yugoslavia's "democratic" neighbors were reviving old hatreds against Yugoslavia.

The editorial refefred again to the recent shooting of Col. Gen. Arso Jovanovic, former Yugoslav army chief of staff, who tried to escape to Romania.

The Cominform accounts of the Jovanovic case, said *Borba*, were relayed "excitedly" by the Western press, "hoping this way to deepen the gap they intended to see between Yugoslavia and the other Socialist press."

Charging other Communists with putting "grist in the mill of the imperialist warmongers and the deadly enemies of socialism," *Borba* said that concentrated slanders had become a basis for "more and more evil slanders worthy only of Goebbels's kitchen."

"We are convinced the hour will come," the editorial concluded, "when the weapon of falsehood and slander will fall from the hands of these Communist parties."

Tito Staff Aide Flees, Blasts Dictatorship

Bucharest, Romania, Aug. 25 (AP). Maj. Gen. Pero Popivoda, of the Yugoslav Air Force, said in a letter published today he had escaped by plane from Yugoslavia to Romania August 14.

Popivoda said in his letter, printed in *Scantiea*, organ of the Romanian Workers (Communist) party, that he had escaped "so as not to become a victim of Dictator (Interior Minister Alexander) Rankovic."

[The Yugoslav Government has announced that a border guard killed Gen. Arso Javanovic, former chief of staff of the Yugoslav Army, and another man and captured Maj. Gen. Brancko Petricevic while they were attempting to flee into Romania August 12. The announcement said Col. Vlado Dapcevic "probably" escaped.]

"Mass Reprisals"

Popivoda accused Rankovic's secret police of "mass reprisals" against those who still adhere to the communism of Marx and Lenin. The Communist Information Bureau last June accused the regime of Yugoslav Premier Marshal Tito of departing from the Marx-Lenin line.

"The old leaders," Popivoda wrote, "have become inaccessible and proud."

He also accused Vladimir Velebit, Yugoslav Deputy Foreign Minister and former Ambassador to London, with spying, and Milovan Djilas, Minister without Portfolio, with "trying to fool party members with demagogical lies."

He said that if the present Yugoslav leaders did not mend their ways, the party and the Yugoslav people would find the necessary forces to bring the country and the party back to the true doctrine.

41 Sentenced For Disorders Against Jews

Prague, Aug. 25 (AP)—Prague newspapers said today three persons were sentenced to four years in prison and 38 others received lesser terms for participating in an anti-Semitic demonstration in Bratislavia Friday.

All were charged with "inciting and violation of public order." Additional charges of violating the law of the defense of the republic may be preferred against all those sentenced.

During the demonstration, marchers called for violence against the Jews, threw stones through house windows in the Jewish sector and damaged a centeen for former Jewish concentration-camp inmates.

Smith, Aides Confer On Closing U.S. Consulate At Vladivostok

Moscow, Aug. 25 (AP) — United States Ambassador Walter Bedell Smith conferred with his chief advisers in the embassy today on the closing of the American consulate in Vladivostok.

Earlier today Smith received a communication from the United States State Department on the Vladivostok consulate and the projected consulate in Leningrad.

It is believed here that the State Department soon will answer the sharp Soviet note, made public in Moscow early today, answering an American demand that Jacob Lomakin, Soviet consul general in New York, be withdrawn for his part in the Kasenkina-Samarin case.

Consul On Job 2 Days

The Soviet reply announced its decision to close down its consulates in New York and San Francisco and demanded that the State Department close the United States consulate in Vladivostok. It added that the Soviet Government was withdrawing its permission for establishment of a United States consulate in Leningrad.

The task of closing the Siberian post, the embassy said, fell to Scott Lyon, of Columbus, Ohio, who has been on the job only 2 days. Lyons relieved Consul Oscar Holder, of Elmira, N.Y., now en route to Moscow with his wife.

There will be no problems in dropping its plans for a Leningrad consulate, the embassy said. A building only recently was selected, but rental arrangements had not been concluded.

Established Before War

Lyon, a recently inducted foreign-service officer, is a newlywed and his wife is with him. The other two Americans are the vice consuls, William Laird Warwick and James C. Risk.

The isolated consulate at Vladivostok, almost 6,000 miles from Moscow, was established shortly before World War II. Although it

has plenty of office space and living quarters, the officers and clerks staffing it normally have only a six-month tour of duty.

The consulate has been the only one functioning in the Soviet Union. An agreement had been reached with Russia for setting up a United States consulate in Leningrad but officials had been unable to find suitable office and living space. The agreement was voided by the Russians in last night's note.

The American Embassy said the Vladivostok consulate can be closed quickly and that its personnel should be back in Moscow within three weeks.

The Soviet step in closing its only two consulates in the United States and ordering the closing of the Vladivostok consulate apparently surprised the American Embassy here.

Russian experts in the Embassy had expected some Soviet retaliation for the American action in sheltering the school teachers who did not want to return to the Soviet Union and for the expulsion of Lomakin, but they did not expect this sort of reply.

One Post Left For U.S.

Closing of the Vladivostok consulate will leave the United States only one observation point on one-sixth of the earth's surface—the Soviet Union.

The embassy in Moscow in a short time will be the only place in the Soviet where the American flag is flown. During the war the Americans were stationed at Moscow, Vladivostok and Odessa. The Odessa station, a naval station on the Black Sea connected with the lend-lease program, was shut down last year.

The Soviet action caused little excitement in Moscow. It was published on the inside pages of all newspapers, with no editorial comment.

ROBERTS, SMITH CONFER ON EAST - WEST TALKS

MOSCOW, Aug. 25—(AP) Frank Roberts, special British envoy, conferred with U. S. Ambassador Walter Bedell Smith at the American embassy tonight, presumably on the East-West talks in the Kremlin.

Informants said they expected a four-power announcement on the progress of the talks thus far. They said it probably will be released simultaneously in Washington, London, Paris and Moscow.

At least one more Kremlin meeting was believed in the offing, perhaps within the next six days.

CHINESE TROOPS BLOCK COMMUNIST OFFENSIVE

NANKING, Aug. 25 — (AP) The official military news agency said today government troops have blocked off any Communist attempt to break into rich, agricultural Szechwan province of western China.

The agency reported troops from South Shensi, West Hupeh and South Honan provinces checked the Communists with a co-ordinated drive.

A military spokesman said the operations were along the Upper Han River Valley, which flows through South Shensi and West Hupeh. It sometimes curves within 40 miles or so of the Szechwan border.

The government, which relies heavily upon Szechwan for food, long has suspected the Communists of wanting to set up a base in the province, with its wartime capital of Chungking.

(The Communist radio in North China said nothing about operations on the Han but told of new hit-run raids along the Yangtze valley well to the southeast. A broadcast heard by the Associated Press at San Francisco located the raids west of Hankow, big government base.)

Envoys Discuss Results

Moscow, Aug. 25 (AP)—Walter Bedell Smith, United States Ambassador, and Frank Roberts, British representative, conferred for more than an hour tonight on their negotiations with Soviet leaders on East-West differences.

Smith, Roberts and Yves Chataigneau, French Ambassador, have received fresh instructions from their capitals on the negotiations.

The three envoys held an earlier meeting today, but Chataigneau was not present at the night meeting in the United States Embassy.

China Protests Siam's Arrests

NANKING, China, Aug. 25 (AP)—The Chinese Foreign Office has made a strong protest to Siam over the arrest of Chinese nationals in Siam. A spokesman said the protest was made through the Siamese charge d'affaires in Nanking on Aug. 17 and immediate release of the Chinese prisoners was asked. The protest also asked that police prevent a recurrence of the arrests.

U.S. Importing Scrap From Japan

Tokyo, Aug. 25 (AP)—If your old junked jalopy failed to show up in the shells hurled by the Japanese during the war you might drop down to the San Francisco docks in a few days and have a look.

Eight thousand tons of scrap iron will be sent to the United States tomorrow aboard the S.S. Manmark when she sails for San Francisco.

It is the first scap iron exported by Japan since the war. Before the war Japan bought heavily of American scrap.

152 Jap P.W.'s Sign Up With Communists

Tokyo, Aug. 25 (AP)—*Akahata*, Japanese Communist newspaper, said that 152 repatriates from Russia today signed up as members of the Communist party. An accompanying photo showed many of them still in Japanese Army uniforms.

The newspaper quoted one of them, Shiro Kato, 23, as saying:

"Comrades, there is no democracy without a struggle against fascism. Without democracy there can be no liberation of us workers nor happiness. We were trained during three years in the Soviet Union with firm faith in victory. Now is the time to arise and concentrate under the Red flag."

Akahata said the new members were brought up to date on various "suppressions" throughout Japan. Many of them, the newspaper said, showed anger at this.

JEWS, ARABS FIGHT NEAR JERUSALEM

COMBINED

JERUSALEM, Aug. 25—(AP)—Fighting flared again today in and around Jerusalem. An Israeli army bulletin said Egyptian troops, established in new commanding positions near the demilitarized Red Cross rea, tried to advance across no man's land toward a Jewish suburb.

Egyptians Driven Back

Israeli troops manning the suburb, North Talpioth, drove the Egyptians back with vigorous fire, the bulletin said.

The Jerusalem truce also was shattered during the night and early morning hours. Three southern suburbs, Mekor Haim, Ramat Rehel and South Talipoth, came under heavy shellfire from the direction of Beit Safafa village and Mar Elias monastery hill.

The Jewish bulletin said hand grenades were thrown from Arab positions within the old city walls at Jewish troops holding the Mount Zion area. Jewish positions in the area of New Gate were subjected to fire from automatic weapons and artillery, from the region of the Damascus Gate. The northern Jerusalem quarters of Mea Shearim and Beit Israel came under three-inch mortar shellfire. In the latter area, Jewish forces returned the fire and silenced Arab positions, the Israel communique said.

One Jewish soldier was reported killed by Arab snipers in eastern Jerusalem's forward battle area, and one Arab soldier is known to have been killed.

Alert Is Urged For Israel By Ben-Gurion

AUG -1948

Jerusalem, Aug. 25 (AP)—Premier David Ben Gurion appealed today for a total effort in mobilizing all Israeli forces, should the Palestine war be resumed.

[A Tel Aviv dispatch said Jewish censorship was imposed on any further stories leaving there concerning Arab-Jewish contacts. The dispatch said this might be a preliminary to peace talks.]

Speaking just before dawn to a lengthy night session of the Zionist General Council, Ben Gurion said:

"It is premature to be enthusiastic about the miraculous victory won in the first phases of the war. I am not sure whether the struggle will not begin anew, forcing 700,000 Palestine Jews to resist an assault of Arabs 40 times their number.

Need For Spies

"There is no law why Arabs should not try to occupy Tel Aviv as we occupied Jaffa. There is no law that all which happened a month ago must repeat itself—if we have not all we need for defending ourselves."

He opposed a proposal by Dr. Emanuel Newman, president of the Zionist Organization of America, that the administration section of the Zionist World Organization move to New York. Ben Gurion said headquarters should be here, where Jewish men and women have proclaimed the state of Israel.

The 100 Zionist General Council delegates toured the war-battered parts of Jerusalem. Sessions will continue in Tel Aviv the rest of the week.

Peace Talks Denied

Damascus, Syria, Aug. 25 (AP)—Muhsen Berazi, Syrian Foreign Minister, declared today there are no peace talks in progress between Israel and Syria or any other Arab state.

Baghdad, Aug. 25 (AP)—The Assyrian peoples of Iraq will send one division of soldiers to join the Arab Palestine armies, Assyrian leaders said today.

Indian Ocean Bases

New Delhi Reporters Ask Admiral If United States Wants Them

NEW DELHI, Aug. 25 (AP).—Indian reporters repeatedly asked Rear Admiral Richard I. Conolly, of the United States Navy, during a news conference today: "Would the United States like to have naval bases on the Indian Ocean?"

Admiral Conolly, commander in chief of United States Naval forces in the Eastern Atlantic and Mediterranean, declined to answer the question on the ground it was "political." He is in charge of a naval force now paying a good-will visit to India.

Rajah Ouster Bid Dropped

New Delhi, India, Aug. 25 (AP)—A Government announcement said tonight abdication proceedings against the wealthy Maharajah of Baroda have been dropped.

The ruler agreed to grant complete, responsible government without reservations and to make good the state funds he is alleged to have used improperly.

The state legislature, which demanded his abdication, had asserted the Maharajah had misused $10,000,000 of Baroda state funds on a six-week spending spree.

PRINCE TO REPAY BARODA

Will Replace Funds He Spent—Abdication Call Dropped

NEW DELHI, India, Aug. 25 (AP)—The Gaekwar of Baroda has agreed to pay back to Baroda State funds that he allegedly used to finance a six-week spending spree, a Government announcement said today.

The official statement said that he also had agreed to grant complete, responsible government without reservations to his people and that abdication proceedings against him therefore had been dropped.

The Baroda State Legislature, which had demanded the Gaekwar's abdication, had said that he misused almost $10,000,000 of State funds.

The Gaekwar agreed that his accounts should be examined by the State's ministry to determine how much he owed the Baroda treasury.

Ottawa Board Votes Cocktails To Costello

Ottawa, Aug. 25 (AP)—The question was: Should the city of Ottawa serve Irish Prime Minister John A. Costello tea, coffee and cakes at a reception when he visits here next month, or cocktails?

City Controller Grenville Goodwin was on the side of tea, coffee and cakes, but other members of the civic board of control voted him down. So, it'll be cocktails at Lansdowne Park September 4.

REBELS RETREAT AS BURMA TROOPS PUSH OFFENSIVE

DOUGLAS LACKERSTEEN

RANGOON, Burma, Aug. 25 (AP) —The government said today that Communist-led rebel forces were in full flight from the Tharrawaddy district in midwestern Burma, pursued by loyal troops who had split the rebels into two groups.

The rebels are attempting to escape to Arakan on the west and Toungoo in central Burma, the government said.

Today's communique detailed government successes on all fronts, including the killing of six well-known Communist leaders and capture of another.

Experienced political informants here have expressed concern for the future of the seven-month-old republic of Burma unless the revolt is crushed and normal conditions restored without delay.

Ask Civilian Aid

The seriousness of the present situation was emphasized Monday when premier Thakin Nu Made a radio address appealing to the people of Burma to exert all-out efforts to quash the rebellion.

The political sources do not see how the government, supported by the majority of the army and employing modern weapons including airplanes—against which the rebels have no comeback—can lose. But a war of attrition might be as disastrous for the government.

The rebels, who are split into two groups, comprise solely leftist elements with a nucleus of Communists. The rebellion is seen as part of a concerted Communist effort to take power in the rich lands of southeast Asia.

Disturbed Burma was prepared for the present turmoil when the power-seeking white flag Communists last year broke with the powerful anti-fascist peoples freedom league, founded by the late General Aung San.

Communist leader Thakin Than Tun preached a nationwide upsurge of communism in its most militant form.

Denounce British Treaty

The break came over a pre-independence treaty between Britain and Burma which included compensation for nationalized British-owned firms in Burma and the presence of a British military mission. Communists, denouncing the treaty as a sellout, called for the overthrow of the socialist government. That began one shooting war.

The current flare-up started last month afteh the peoples volunteer organization—onetime private army of the freedom league—split over Premier Thakin Nu's 15 point program for leftist unity. The program not only urged leftist unity but also advocated propagation in Burma of the doctrines of "new democracies."

One secton of the peoples volunteer organization (PVOS) desired immediate unity with the Communists, but the premier reportedly first wished to launch his new program.

Dissenting PVOS disaffiliated from the main body and went underground. They emerged as white band PVOS and commenced an upheaval in southern Burma, especially the Delta region. Their program included murder, arson and looting.

A section of the Burmese army whose known sympathies were on the side of the white band PVOS mutinied Aug. 10. They attempted to march on Rangoon, overthrow the government and seize power. Premier Thakin Nu estimated that the mutinous forces comprised five percent of the army.

Frontier battalions flown into Rangoon, with the aid of police, halted the rebels at a point 125 miles from Rangoon. Since they have crept in closer and then established roadblocks only 30 miles from the capital.

Although they have heretofore used hit-and-run tactics, military observers say the rebels now are trying to ring Rangoon and cut it off from the hinterland.

Neutral observers firmly believe that the threat of a full-scale battle for Rangoon no longer exists. But they say the economic threat will continue as long as the rebels are able to upset the country's inland transportation system, making it difficult for Burma to maintain its overseas export commitments.

The rebels already have interfered with the country's economy. Utility services have been suspended in areas where the insurgents hold pockets of territory. The uprising has created chaos and panic in the countryside.

The observers point out this is one of the Communists favorite methods for toppling governments —the introduction of chaotic internal conditions during which a final bid for power is made.

U.S. Accepts Order To Close Its Consulate In Vladivostok

Washington, Aug. 25 (AP)—Secretary of State Marshall said today the United States will accept Russia's order for closing the American consulate in Vladivostok.

Marshall told a news conference the Soviet action, announced last night as a climax to a dispute over runaway Russian schoolteachers, is regrettable but not a very serious matter.

The American consul in the Pacific port was so circumscribed in his activities that he was able to accomplish very little, Marshall said.

Russ Exodus Speeded Up

Moscow also canceled a 1947 agreement to permit reopening of a former American consulate in Leningrad. Marshall told reporters that no progress had been made toward opening the consulate there.

Along with this action, the Soviets ordered the closing down of the Soviet consulates in New York and San Francisco. That move speeded up a steady recall of Soviet citizens from this country.

Carefully choosing his words, Marshall noted that the Russians still have the Amtorg Trading Organization with headquarters in New York for conduct of business affairs in this country. He also said consular sections presumably will continue to be maintained in the Russian Embassy in Washington.

Diplomatic Relations Intact

The action was Russia's reply to the American demand that Soviet Consul General Jacob M. Lomakin leave the country for "abuse" of his official status in New York during the investigation of the affair of the three Soviet schoolteachers who refused to return to their homeland.

There was no question of breaking off formal diplomatic relations. Consulates are concerned with commercial affairs while political relations of sovereign countries are carried on with embassies and legations. The new Soviet note delivered to the State Department last night made no mention of the Soviet Embassy here or the United States Embassy in Moscow.

U.S. Sees Little Effect

Diplomatic officials took the position that the Soviet action was not unexpected and does not materially alter the troubled relations between Moscow and Washington. They contend it has no more effect on the current negotiations in Moscow for a broad settlement than the quarrel over the Danube River in the recent talks at Belgrade and friction in Berlin.

Russia has been steadily lowering the number of Soviet citizens in this country in recent months.

The reduction reflects the sharp sag in Soviet-American trade since United States export controls were slapped on March 1, as well as the basic quarrel between the two major world powers.

Data Given On Citizens

The latest State Department figures on the number of Soviet officials in this country totaled 346 four mnoths ago. They show Russia had in the United States in April, excluding dependents, the following personnel: Embassy, 87; consular, 55; international organizations (United Nations), 81; purchasing commission, 12; Amtorg trading organizations, 103; miscellaneous, 8.

Listed at the New York consulate were 7 officials and 32 employés, and at San Francisco, 3 officials and 13 employés.

The United States has four Americans at Vladivostok and about 125, including employés, attached to the embassy in Moscow.

Thus the new Russian action tends to narrow the gap between the numbers of Americans in Russia and Russians in the United States.

Travel Conditions Differ

The far larger number Russia had in this country has been a subject of criticism in Congress, in view of restrictions in the Soviet Union on Americans. They travel only with official Soviet permits, whereas Russians in this country can travel more or less as they please.

Officials said possibly two weeks would be required for the four Americans at the Vladivostok consulate to pack and leave. Records listed them as Scott Lyon, Columbus, Ohio., the consul, and his wife, Nacy Wilson Lyon; Vice Consul James C. Risk, Forest Hills, N.Y., and William L. Warwick, of New York city, a clerk.

Lyon went from the Moscow Embassy to Vladivostok. He took charge of the consulate only two days ago, succeeding Oscar Holder, of Elmira, N.Y.

"Awaiting Clearance"

Holder and his wife were reported in Moscow dispatches to be en route to that city. Normally tours of duty for consular officers in Vladivostok have been only six months.

Presumably Lyon and others at Vladivostok will return to Moscow. The embassy there said the four Americans should be back in the Russian capital within three weeks.

In San Francisco, Soviet Consul General Konstantin Efremov said he was "awaiting clearance" for closing the Russian consulate there. Newsmen observed evidence of readiness for departure.

GREEKS NEARING FINAL VICTORY, MARSHALL SAYS

WASHINGTON, Aug. 26 — (AP) Secretary of State Marshall reported today that the American-backed Greek army has fought its way closer to complete victory over the Communist-supported guerrillas.

Marshall told a news conference that the successful Grammos Mountain campaign along the Albanian border represents a definite setback to the anti-government rebels favored by Moscow.

This important victory, he said, proves that the reorganized Greek armies, who are advised by American army officers, have great tenacity and high morale.

Economic Conditions Improve

Marshall coupled his analysis of the military situation with the statement that economic conditions have improved greatly throughout Greece.

In general, his was the most optimistic report on conditions in Greece since May, 1947, when Congress voted $300,000,000 for economic and military aid to the Communist-threatened Greek government.

Marshall said he hopes that government troops will be able to follow their Grammos Mountain victory by stamping out scattered bands of guerrillas in other sections of Greece.

Counterattacks by rebels in other areas of Greece already have begun, he said, adding that they pose a very serious problem for the Greek high command.

Many Rebels Escape

In detailing the results of the Grammos campaign, Marshall said government troops defeated about 10,000 guerrillas over extremely rugged terrain. About 2,000 were captured, many killed and wounded and numerous others escaped across the border into Albania.

The secretary at first declined to answer a reporter's question as to whether he believes the current Greek government is truly democratic. He explained he had seen too many definitions lately of what democracy means.

Marshall added, however, that the present Greek government is a coalition which has its difficulties but which undoubtedly can be improved greatly.

Direct Moscow Tie In Burma's Revolt Hinted

Washington, Aug. 25 (AP)—Reports from a Communist-led revolt in Burma are being eyed by American officials today for signs that Moscow is pulling the strings.

Also of immediate concern is the effect on the world rice supply of the disorder in the newly independent southeast Asian land. Burma is the world's largest exporter of the Oriental food staple.

The Burmese Government, which appealed Monday for help from the people to put down the rebellion, has already indicated it faces difficulties in meeting its export quotas for the next several weeks.

U.S. Paying For Shipments

The United States is paying for heavy shipments of rice from southeast Asia and from this country as a part of American aid to China.

On the basis of diplomatic reports from Rangoon and neighboring capitals, officials say they suspect Moscow has had a direct hand in the rebellion against the government of Premier Thakin Nu. But if this is so, it has been well hidden.

The Premier and a former Foreign Minister, U Tin Tut, have charged that the Burmese Communist leaders got their blueprint for the revolt from Moscow via party channels in India early this year. But on its face the rebellion is led by native Burmese, avowed Communists but not Moscow trained.

Regime Seven Months Old

Their effort to upset the first regime of independent Burma, only seven months old, is believed nevertheless to be tied with disorders in neighboring Indo-China, Malaya and Indonesia. Only Siam thus far has escaped.

This whole area is a rich storehouse of tin, rubber, rice, sugar and other raw materials needed not only for American and British military stock piles, but to help the recovery of the Orient and Western Europe—a move which Russia is seeking to block.

Leaders of the Burmese rebellion are identified by diplomatic officials as one-time members of the Rangoon University "class of 1937."

It was this group which furnished leaders for the wartime anti-Japanese underground and a postwar "anti-fascist peoples freedom league."

Battered Ford Car Becomes Issue In Red Case

AUG - 1948

Washington, Aug. 25 (AP)—A battered old Ford car became a central issue today when Alger Hiss and Whittaker Chambers faced each other in the congressional spy hearings.

The two men—accused and accuser—were brought together before the House Un-American Activities Committee and warned that one or the other will be tried for lying under oath.

Then Hiss was questioned for hours about a 1929 Ford he once owned. It was clear the committee expected by tracing the Ford it could pin down, at least partially, the matter of who was lying.

Hiss, 43-year-old former State Department official, said he knew Chambers in 1934 or 1935 as George Crosley, a free-lance writer, and "gave" or, anyhow, let him use the car.

Might Have Sold It

But Hiss insisted he could not recall ever getting the car back and selling it, but wouldn't be surprised if that had happened.

After Hiss and committee members sparred at length over the car, Committee Investigator Robert E. Stripling produced what he said was a record of testimony Chambers gave on August 7.

This was to the effect that Hiss wanted the car turned over to the Communist party for use of some organizer.

Title Record Cited

Stripling also produced what he said was a copy of a certificate of title, showing that Alger Hiss assigned title to a Ford roadster to the Cherner Motor Company of Washington on July 23, 1936.

This was about a year after Hiss said he had given the car to Chambers, or Crosley, or at least the use of it.

At that point the committee recessed for lunch.

At the start of the morning session, Chairman J. Parnell Thomas (R., N.J.), flatly declared that as a result of the hearing one of the two men would be "tried for perjury."

Now On Time Staff

Chambers is an admitted former Communist, now an editor of *Time* magazine, who says Hiss belonged to a Communist underground in Washington more than a decade ago.

Hiss has denied it.

When Stripling read Chambers's secret testimony about the car, the account went like this:

"The Communist Party had in Washington a service station or it may have been a car lot. The man in charge or the owner was a Communist, I never knew who he was.

"It was against the rules of the underground to do anything but trade in a car.

"Against My Judgment"

"Hiss wanted it turned over to the party so it could be used by some poor organizer in the West or somewhere. Much against my judgment, and against Peters's judgment, he persuaded us to do this thing."

[Chambers has identified A J. Peters as head of the underground.]

Chambers was quoted as saying Hiss took his car to the lot, left it there and went away, and the man in charge "took care of the rest of it."

Louis Russell, committee investigator, took over the witness stand when Stripling finished the reading.

Russell said that the assignment of title reflects that also on July 23, 1936, the car was sold to a William Rosen, who lived here on Thirteenth street. But investigators, he said, were told no one by that name lived at the adress at any time.

Sales Records

Furthermore, Russell said, he subpoenaed the sales records of the Cherner Company, thtat none of the sales slips were missing and that they showed no sales of any car to William Rosen in July 23, 1936, or the day before or after.

Stripling and Representative Nixon (., Cal.) quickly noted that they had no evidence at all that any top officials of the motor company were in any way involved.

Stripling did say it is possible other person who was with the company was involved and there might be more de tails later in the day.

The committee, Stripling said, now is checking up on a William Aosen in Detroit and another in California.

Asked About Signature

Hiss was recalled and asked about the signature on the assignment of title to the Cherner Company. He was shown what Stripling said was a photographic copy.

"Mr. Stripling," Hiss said, "it certainly looks like my signature. Do you have the original?"

Stripling said he did not.

Under questioning, Hiss insisted he did not recall signing the transfer of title to the car, but he could not be sure whether he had written in the name of the motor company, but that it is "not unlike my own hand."

Chairman Thomas inquired:

The Original

"Could you be sure from the original?"

Hiss—I could be surer.

Stripling said a notary public named Martin Smith had testified in secret that he had witnessed the title transfer and that the signature is that of Hiss.

Hiss acknowledged that he had known Martin Smith.

Finally, Representative Herbert (D., La.) wanted to know whether "you now recall the disposition of the car."

"No Present Recollection"

"No," Hiss said, "I have no present recollection of the disposition of the Ford."

"You are a remarkably agile young man, Mr. Hiss," Hebert remarked.

A bit earlier, Stripling said the committee had received testimony yesterday from Martha Pope, who said she was the Hiss maid at the time Hiss said he moved from an apartment to a house and sublet the apartment to the man he knew as Crosley.

Hiss had said he thought that simultaneously he turned over the old Ford to Crosley, and that he had another car, a Plymouth, which he himself used.

Remembered The Ford

The maid, Stripling said, told the committee Hiss still had the Ford when he moved to the house and that was the only car she remembered Hiss owning.

Thomas's words on the perjury matter at th ehearing's outset were these: "As a result of these hearings certainly one of these witnesses will be tried for perjury."

Thomas's statement implied that the committee intends to make a decision which one is lying and seek action against him in the courts.

Hiss was sworn in as the first witness immediately after Thomas's statement.

With Hiss under oath, Stripling turned to Chambers, who was sitting behind one of the press tables.

"Mr. Chambers, will you stand up?" Stripling said.

Turning back to Hiss, the investigator inquired:

"Mr. Hiss, have you ever seen this individual who is standing?"

"I have, sir," Hiss answered.

Hiss said he knew Chambers as George Crosley in the Winter of 1934 or 1935. He said he last saw Chambers in 1935.

A moment later Chambers said he last saw Hiss in 1938.

So right at the start there was an element of conflict in the testimony of two men who had taken an oath to tell the truth.

Many Spectators

In the caucus room of the old House Office Building, hundreds of spectators watched the drama unfold. Others trailed out in a string around the rotunda of the building, down a corridor and out into the street, waiting for a chance to get in.

Six of the nine members of the committee were on hand for this point of climax in the investigation.

Chambers has never said that the Communist underground he talks about was engaged in spying.

With reference to that, Thomas said the issue presently before the committee is not "definitely involved in the two espionage rings the committee is investigating."

Wants To Get At Truth

But Thomas said it did deal with a Communist underground, and that the committee is determined to get at the truth of the conflicting statements of Chambers and Hiss.

After the confrontation, Hiss resumed his seat at the witness stand and Chambers sat down in front of the committee dais. The two men were about 25 to 30 feet apart.

Hiss demanded that the testimony taken in secret sessions of the committee be made public. He asserted some of it had "leaked out through some means" and had been distorted.

Representative Mundt (R., S.D.) said the committee had already decided to make the secret testimony public. Thomas added that this would be done immediately.

"I am very gratified," Hiss said.

Hiss said he had tried unsuccessfully to get information from the committee about the Ford automobile and a lease.

Hiss said he was informed that records about the car "are in the custody of the committee."

Stripling retorted, "that is absolutely untrue." He added that the committee had not subpoenaed any real-estate records.

John F. Davis, Hiss's attorney, told the committee a document relating to the Ford "was taken from its normal place yesterday" in the District of Columbia Motor Records Bureau.

Told It Was Photographed

The attorney said he did not know who took the original but was told the committee had photographed it.

The examination turned then to Hiss's past relations with Chambers.

Hiss said he thought it was August 16 that it came to him that he had known Chambers, but under the name Crosley.

Hiss went on to say that "according to my best recollection" he first met "George Crosley" when the latter visited him at Hiss's office. At that time Hiss was counsel for the Senate Munitions Investigating Committee. He said Crosley represented himself as "a free-lance writer."

"That is my best recollection of how I first met Mr. George Crosley," he added.

Asked About Real Estate

Hiss was then asked about his real-estate transactions, particularly about the houses in which he had lived here and an apartment he let Chambers have.

Hiss said he has been unable to check all the lease and real-estate records but still is doing so and wants to be helpful to the committee "in its presumed search for the truth."

It is probable that some of the old leases were discarded as the Hiss family moved from one apartment to another, Hiss said.

But there never was a lease to Crosley, he emphasized, and the arrangement whereby Crosley once occupied Hiss's home was "an oral arrangement."

The time of this arrangement was not pinned down immediately in the testimony, but Hiss has said previously that it was in 1934 or 1935.

Stripling went over testimony Hiss gave the committee in secret session August 16. This was to the effect that Hiss met the man he knew as Crosley as a free-lance writer, let him have "at exact cost" an apartment he was giving up, left some furniture behind for his use and put up Crosley and his wife and baby for "two or three nights" while they were waiting for their own furniture to arrive.

Lease Expired Earlier

Hiss said that was the best of his recollection at that time. But since then, he said, he has learned that

AUG - 1948

AUG - 1948

30.24- 19989

the lease on his apartment, as well as one on a house into which he moved, had ended earlier than he thought when testifying August 16.

The testimony went on:

STRIPLING—When did you first move into the P street house?

HISS—Mr. Stripling, I think the best way for this committee to get the full facts is to go to the records. I have not been able to get to it, but I will as soon as I can get the record on the lease.

THOMAS (bitingly)—We appreciate your suggestions on how to conduct these hearings, but we have certain questions to ask. Mr. Stripling, you will proceed.

When committee members, particularly Nixon, kept pounding for details of leases and dates of moving, Hiss suggested that the committee get down to the accusation that he was a Communist.

"The important charges are not questions of leases," Hiss said. "It is whether I was a Communist. . . . It seems to me to be topsy-turvy to be talking only of leases."

Nixon said the question of the leases was important in determination of credibility.

"The issue in this hearing today is whether or not Mr. Hiss or Mr. Chambers has committed perjury before this committee," Nixon said.

Smiling Retort

Hiss retorted smilingly that detailed questioning about leases made years ago did not seem to him "to be a rational basis to determine credibility."

Hiss, in references to Chambers, spoke of him as "Mr. Chambers, as he now calls himself."

Under questioning, Hiss said that to date he has found no one, other than himself and his wife, who knew Chambers as George Crosley.

He said that he did receive a phone call recently from a woman who did not identify herself but who told him she knew Crosley during the period now being investigated. He said the woman said she was fearful her employer would protest against the resulting publicity if she came forward.

Asked About Brother

Mundt suggested that Hiss's brother, Donald, must have visited him during this period and known Crosley.

"He has no recollection," Hiss said.

He said he is still trying to locate persons who knew both himself and Crosley, including neighbors at the apartment building.

"It takes a long time," Hiss commented, "to construct these detail after such a long period when one's resources are limited."

The questioning turned to the Ford which Hiss said he "gave" Crosley.

Hiss said his recollection is that he had another car, a Plymouth, at the time.

Stripling then read an official record showing that Hiss purchased the Plymouth on September 7, 1935. That would have been after the time Hiss said he "gave" the Ford to Crosley in the apartment deal.

There was laughter when Stripling read from Hiss's earlier secret testimony a description of the old Ford. Hiss described it as "a slightly collegiate model" with "a sassy little trunk on the back." He had kept it, he said, for sentimental reasons although it was "not worth a damn."

Stripling read a letter from the Sandoz Real Estate Company certifying that it rented a house at 2905 P street to Priscilla Hiss from May 1935, to June 15, 1936, at $105 a month.

Hiss said he would have thought that he must have moved into the house a little earlier. Sometimes, he said, leases granted a month's free rent.

Discussion Of Date

Stripling tried to pin down the date of the subleasing of the apartment to Crosley. Hiss said his recollection was that it was the beginning of the Summer of 1935 but he couldn't be sure.

As he recalled it, he said, he "had the disposition of the apartment for several months after I moved into the P street house."

Stripling noted that in earlier testimony Hiss had placed the time of the sublease at about June, 1935.

Hiss said he had "no idea" how long Crosley remained at the apartment. As far as he was concerned, he said, Crosley was entitled to it for several months.

At that point, Stripling read a letter from the Randall H. Hagner Real Estate Company.

It said that the firm's records show Hiss applied for an apartment on Twenty-eighth street on May 29, 1934; that his year's tenancy began on July 1, 1934; that he vacated it June 28, 1935; that it was vacant during July and was rented again on August 1 to A. W. E. Iseman.

"May I say," Hiss said, "that it is apparent the committee has been better staffed to inquire into the records than I have been."

HISS, CHAMBERS TRADE CHARGES

House Group Hears Conflicting Stories, Threatens Perjury Trial

AUG -1948

WASHINGTON, Aug. 25 (AP)—Alger Hiss and Whittaker Chambers, face to face in the congressional spy hearings, took turns today at stinging charges and denials revolving around a tale of a prewar red underground in Washington.

Accused and accuser, they brought their utterly conflicting stories into the open at hearings before the House un-American activities committee. And the hearings went on into the night.

After eight hours and 37 minutes of intense questioning, the probers called a halt. Neither man had yielded an inch. The problem of who lied is still before the committee. It called a closed session tomorrow morning.

Chambers has accused Hiss of being a leader in a Communist underground back in the middle 30's. He repeated the accusations tonight, again under oath.

Hiss listened in a few feet away, while hot lights of television and movie cameras bore down on him in the jammed caucus room of the old house office building.

Earlier it was Chambers' turn to listen. He starred stoldidly up toward the lofty ceiling as Hiss questioned his "sanity" and accused him of being a "self-confessed liar, spy and traitor."

And when Chambers took over the witness stand, Rep. Nixon (R-Calif) told him right out:

"You have heard the charge here that you have been treated for mental illness."

Chambers: "I have never been treated for mental illness."

Nixon: "Have you ever been treated in any mental institution in the last four years?"

Chambers: "Of course not."

At one point, Chambers asked to be excused from saying publicly where he lives now, since the committee knows his address and:

"I do not want to expose my family or myself to possible attempts on my life."

Asked if he objected to letting Hiss know where he lives now, the chunky, graying witness replied:

"I believe that is tantamount to telling the Communist party."

Right at the start this morning, Hiss and Chambers confronted each other a few feet apart, and said, yes, they knew each other.

Then, except for time out for lunch, Hiss was on the witness stand all morning and afternoon. There was a seven-minute break before the committee started bombarding Chambers with questions early tonight.

Hiss wound up with a formal statement defending himself as a man of "the highest character" an of "highest adherence to duty and honor."

But of Chambers, he inquired: "Is he a man of consistent reliability, truthfulness and honor: clearly not. He admits it, and the committee knows it. Indeed, is he a man of sanity?"

At the very opening of the hearing chairman J. Parnell Thomas (R-NJ) announced that "certainly" one or the other of the men "will be tried for perjury."

Yet conflicting statements ran through all their testimony, given under an oath to speak only the truth.

It was the word of Hiss, former high official in the State department and now head of the Carnegie Endowment for International Peace, against that of a man who admits he used to be a Red and now is a senior editor of Time magazine.

Chambers' voice broke and tears glistened in his eyes when he told about his relationship with Hiss.

"I don't hate Mr. Hiss," he said. "We were close friends. We were caught in the tragedy of history. Mr. Hiss represents a concealed enemy against which I am fighting and we are all fighting.

"I have testified against him with remorse and pity but in the moment of historic jeopardy in which this nation now stands, so help me God, I could not do otherwise."

He said he had heard reports that he had turned against Hiss because of a grudge or to get revenge. Those reports, he said, are not true.

Rep. Hebert (D-La) asked Chamber's reaction to Hiss denial of the charges Chambers had leveled against him.

Chambers replied:

"Mr. Hiss is lying."

He added that at least "80 percent" of Hiss' story was false.

$50,000 ARMS FLOWN FROM U. S. TO MALAYA

WASHINGTON, Aug. 25 (AP)—Some $50,000 worth of American small arms and ammunition have been shipped to Malaya by air in the last two months to help cope with Communist-led disorders.

State Department officials disclosed this today and said the department approved the shipments. The arms were bought by private individuals and will be used chiefly for defense of American-owned rubber plantations and tin mines whose managers have been the target of a recent wave of assassinations.

Officials said a few other applications for arms export permits for Malaya still were to be acted on. They said the exports were approved in accordance with a policy of viewing the disorders as caused by outlaws rather than as a full-scale political revolt against the Government.

Avoids Defining Democracy

WASHINGTON, Aug. 25 (AP)—Secretary Marshall at first declined to answer a reporter's question as to whether he believed the current Greek Government was truly democratic, explaining that he had seen too many definitions lately of what democracy meant. He added, however, that the present Greek Government was a coalition that had had its difficulties but that undoubtedly could be improved greatly. [General Marshall also told the news conference that he believed harmful propaganda had been directed against the Greek Government in a rather subversive fashion, the United Press reported. He did not identify the propagandists.]

2,500 To Service Planes In Europe

Washington, Aug. 25 (AP) — The Air Force said today 2,500 maintenance men will leave for England September 1 to take care of American B-29 airplanes there and the transport ships used in the Berlin airlift.

The headquarters for the group will be at a wartime maintenance depot at Burtonwood, Lancashire.

The men leaving will be from the United States Air Force 59th Air Depot, now stationed at Griffiss Air Force base, Rome, N.Y., and from the weather and communications service of the Military Air Transport Service (MATS).

The Air Force said the purpose is to provide facilities, supply and maintenance for aircraft in "operation vittles," supplying Russian blockaded Berlin.

Demand Punishment.

Washington, Aug. 25 (A. P.).—The United States demanded yesterday that the Israeli provisional government punish the kidnapers of George Paro, chief code clerk of the American Consul-General in Jerusalem.

The State Department announced Paro was mistreated Saturday night by two captors and accused of being a British spy. Then he was held for nine hours at Haganah headquarters which refused to permit him to communicate with the consulate, the department said.

ARMY TO SPEED RETURN OF EUROPE PERSONNEL

WASHINGTON, Aug. 25 — (AP) The army announced plans today to speed up passage to this country from Europe of dependents of military personnel and civilian employes.

Beginning Friday, the army said, some of the dependents will be routed over commercial airlines. Nothing of an emergency nature is involved, the army stressed, saying it did the same thing six months ago.

The idea is to prevent a backlog of dependents awaiting transportation.

The time "war brides" may be brought to this country at government expense expires in December. The army said that transportation for 6,191 brides now has been authorized. Also there has been a large number of babies born among civilians and military personnel stationed in Europe.

In the long run, the army said, it will be cheaper to use air transportation than to recondition army transports.

Commercial aircraft will make flights between Frankfurt, Germany and Idlewild and La Guardia airports, New York.

Air Force Maintenance Crews To Leave for England Sept. 1

WASHINGTON, Aug. 25—(AP) The Air Force said today 2,500 maintenance men will leave for England Sept. 1 to take care of American B-29 airplanes there and the transport ships used in the Berlin airlift.

The headquarters for the group will be at a wartime maintenance depot at Burtonwood, Lancashire.

The men leaving will be from the U. S. Air Force 59th air depot, now stationed at Griffiss Air Force base, Rome, N. Y., and from the weather and communications service of the military air transport service.

The Air Force said the purpose is to provide facilities, supply and maintenance for air craft in "Operation Vittles," supplying Russian blockaded Berlin.

The group will also be used to maintain the three B-29 groups now temporarily based in England. The B-29 units carry their own maintenance personnel and are self-sufficient except for major maintenance and extensive supply functions.

Ethiopia Honors Eisenhower

WASHINGTON, Aug. 25—Emperor Haile Selassie of Ethiopia has granted an award and decoration to Gen. Dwight D. Eisenhower in recognition of his leadership in the second World War, the Ethiopian Legation said today. Minister Ras Imru will decorate Gen. Eisenhower on Sept. 10 at Columbia University.

FIRST REFUGEES TO ARRIVE IN U. S. EARLY IN OCTOBER

WASHINGTON, Aug. 25—(AP) The first shipload of European refugees under the new displaced persons immigration program will arrive in the United States early in October.

Ugo Carusi, displaced persons commissioner, disclosed this today and said that government investigators will begin selecting prospective immigrants late next week.

These refugees will be the vangard of 205,000 who can enter the United States during the two year period ending June 30, 1950, as provided for by Congress.

To Come From Germany

Carusi told a reporter the first batch of immigrants will come from displaced persons camps and the American zone of Germany.

Newly-hired investigators and selectors will leave for Europe within a few days to begin screening thousands of applicants. Aided by government experts borrowed from other agencies, they will expand their operations later to American camps in Austria and Italy.

Carusi said that the first immigrants will be resettled in eastern and middle western state where approved jobs in farms and industries are awaiting them. Som later arrivals will be distributed i states west of the Mississippi an in the south.

Many Jobs Offers

Thousands of job offers ar pouring into the State Departmen and other government agencies Carusi said, making it virtually cer tain that every immigrant unde this program will have a job wai ing for him when he reaches Am erican shores.

Carusi said he is confident Con gress will appropriate additiona funds for his agency after Janu ary. A shortage of funds othe wise will limit the number of re ugees that can enter the Unite States up to June 30, 1949, t around 40,000.

Truman Cancels The Credentials Of Lomakin

Yorktown, Va., Aug. 25 (AP)—President Truman today canceled the credentials of Soviet Consul General Jacob Lomakin.

Mr. Truman's action was announced by Presidential Secretary Charles G. Ross as the White House yacht, Williamsburg, docked at the navy mine depot near here.

The President also said the National Security Resources Board has recommended the continuance of voluntary allocations of pertoleum and steel.

May Invoke Authority

A White House statement said, however:

"Should existing and pending voluntary agreements involving these commodities prove ineffective, and if they cannot be made effective, the mandatory order authority should be promptly invoked."

Provisions governing allocations of such scarce products were set up in the Republican anti-inflation bill passed by Congress last fall.

This act provided for making of voluntary agreements by industries. The Selective Service Act passed by Congress gives the President mandatory authority to allocate scarce goods, such as oil and steel, needed in national defense.

Ross said the President signed aboard the Williamsburg last night the formal revocation of the exequatur issued to Lomakin, the Soviet consul general in New York. He said it is being flown back to Washington this afternoon.

Silent On Retaliation

The United States several days ago asked Russia to recall Lomakin for "highly improper" activities in the case of three refugee Soviet schoolteachers.

Ross said he had no comment on a Russian order last night calling for a halt to consular dealings with the United States. The order directed that the United States close its consulate at Vladivostok and set in motion closing of Russia's last two remaining consulates in this country—in New York and San Francisco.

Ross said the cancellation of Lomakin's credentials was entirely independent of those developments and has been contemplated several days.

CONSUL LEFT AT DAIREN

Manchurian Port Under Soviet Control Not Mentioned

San Francisco, Aug. 25 (AP)—The Southern Manchurian port of Dairen seems to be the only Russian-controlled area in which the United States will have consular representation.

After months of waiting, the United States finally succeeded in getting United States Consul Paul E. Paddock admitted to Dairen in June. Nothing was said about Dairen in Moscow's note telling the United States to close its consulate in Vladivostock and to abandon the plan to open one at Leningrad.

Occupied By Russians

There have been no indications of a change in status at the port of Dairen, which has been occupied by the Russians since Japan's surrender. Under the 1945 Sino-Soviet treaty, Dairen is supposed to be a free port under Chinese administration.

However, the Russians have refused to open the port to foreign shipping despite Chinese and American protests. H. M. Benninghoff, former United States consul general at Dairen who left the port last September, reported the city is administered by a Russian-chosen Chinese Government.

Paddock cooled his heels in Shanghai three months waiting for Russia to give a "yes" or "no" to repeated American requests for a Soviet entry permit. It came through just as the State Department planned to charter a commercial ship for a special trip to Dairen.

Naval Craft Barred

United States naval craft have been barred from the port and getting supplies to the consulate has been a problem.

Paddock relieved Vice Consul Isaac G. Patch, who arrived in Shanghai thin and nervous from an eighteen-month tour of duty in Dairen. Patch said the Russians closely restrict the freedom of both Chinese and foreigners there.

Patch reported more than 10,000 Russians, including 5,000 troops, were i nthe city and more were stationed at nearby Port Arthur, Russian naval station.

Frisco Consulate Closed

San Francisco, Aug. 25 (AP)—The Russian consulate here "is closed, as of now," Soviet Consul General Konstantin A. Efremov said today.

Standing on the steps of the massive, four-story building, Efremov smiled as he discussed Moscow's closing order shortly after noon.

"We are closed, as of now," he said. "We make our preparations to leave San Francisco."

He said all his staff—reported to consist of three officials and thirteen emloyés—would return to Russia with him.

PLANES FOR ISRAEL SEIZED

Four Medium Bombers Held by Miami Customs Agents

MIAMI, Fla., Aug. 25 (AP)—Four Palestine-bound medium bombers were seized by customs officials here today. Arrest of the owner is expected shortly.

Supervising customs agent Chester A. Emerick, who ordered the seizure, said the planes, twin-engined A-20's, are owned by the "same crowd" that last June 11 exported three B-17 heavy bombers to Palestine vio Zetac, Czechoslovakia.

Mr. Emerick said the planes were ordered seized because the owners did not have an export license.

No arrests have been made, he said, but he declared "we know who owns the planes and we know that they don't have export licenses."

Flown here from Tulsa, Okla., the owner was listed as "Leonard Burns, California." But Mr. Emerick said both the name and address were fictitious.

54 Russians At U.N. Granted Immunities

Lake Success, N.Y., Aug. 25 (AP)—Of the total number of Russians in the Soviet delegation at the United Nations, 54 are on the August list of persons granted diplomatic privileges and immunities. About half of these are wives of Soviet officials.

In addition to the Russians who get diplomatic privileges, the delegation has another 30 or 40 Soviet nationls here as stenographers, clerks, chauffeurs, etc.

Truce Breach Laid to Israel

LAKE SUCCESS, N. Y., Aug. 25 (AP)—Count Folke Bernadotte's top aide formally accused the Israeli government today of violating the United Nations Palestine truce.

The charge was contained in a note that the United Nations Mediator's Chief of Staff, Gen. Aage Lundstrem, sent to Moshe Shertok, Israeli Foreign Minister, concerning the Red Cross zone in Jerusalem.

General Lundstroem conducted an investigation after Israeli and Arab troops entered the Red Cross zone on the night of August 16-17. Since then a controversy has been carried on between the Arabs and Israel about evacuating the zone.

Berlin May Have New State Role

Frankfurt, Germany, Aug. 25 (AP). Berlin may be represented in West Germany's new government-in-the-making, United States Military Government sources said today.

Proposals to give the former Reich capital 30 out of some 400 votes in the future parliament in Frankfurt have been drafted by a committee of German experts, the informants said.

The experts represent eleven individual states of the three western zones. They met for two weeks at Lake Chiem, near Munich, and completed last night a 300-page recommended draft of a constitution for the government of the United States, British and French zones.

Probably To Go To Assembly

This draft probably will be offered to western Germany's "constitutional assembly" when it meets in Bonn September 1 to work out the shape of the new government, which is violently opposed by the Russians.

No West German government is expected to start functioning before the new year.

The representation of Berlin in the future parliament may be restricted only to the United States, British and French sectors. It depends whether the three western sectors go ahead with city elections in October, which the Russians oppose, the informants said. AP

INJURED SOVIET TEACHER ASSAILS STALIN REGIME, CALLS RUSSIANS INHUMAN

"They Made A Big Mistake In Bringing Me Here From Russia," She Says—Charges Envoys Coached Her To Lie

AUG - 1948

New York, Aug. 25 (AP)—Mrs. Oksana Stepanovna Kasenkina said today she had jumped from a third-floor window of the Soviet Consulate "to escape."

In her first direct interview with newsmen since her dramatic plunge on August 12, the 52-year-old former chemistry teacher for Soviet children in this country said:

"I knew that since they did not permit me to leave the consulate, I would not be able to escape in Russia either."

Therefore, "I jumped out of the window to escape. I didn't want to kill myself. I wanted to escape."

She said she did not want to go back to Russia. She had been scheduled to sail for home in July, but did not board the ship.

Tells Story Through Interpreter

Lying in her Roosevelt Hospital bed, still in a serious condition from multiple injuries sustained in the fall to a concrete courtyard at the consulate, Mrs. Kasenkina smiled wanly at times as she recounted her story through an interpreter.

Among other things, she said:

Soviet Ambassador Alexander Panyushkin and Consul General Jacob M. Lomakin "told me what to say" during an interview after Lomakin informed newsmen he had "rescued" her from a White Russian (anti-Communist) camp near New York city.

The two Russian officials promised her she would "become a heroine" as a result of the interview.

Disagrees With Stalin Policies

She loves her peoples and her country, but "I don't agree with the policies of Josef Stalin. . . . I cannot agree with the regime in the Soviet."

She knew that because she was not permited to leave the consulate after her return from the White Russian camp, she would "not be able to escape in Russia either."

While she was still in Russia she thought that if she could get to America she would be able to remain here. Then during her two years here she found she was "becoming more and more dissatisfied with Russia."

The Russians termed her an "enemy of the state" and persecuted her in "many picayune ways."

She wanted to talk to the Russians "as human beings, but they were not, and perfunctorily they arrested me."

Doesn't Knew Fate Of Husband

In Russia, the Soviets "took" her husband and she still does not know his fate. Her son, a university student, was placed in a storm troopers division without training and was killed in Leningrad in 1942.

The interview with Mrs. Kasenkina originally was to have taken place yesterday, but preparations for picture-taking tired her and it was postponed. At noon today, hospital officials advised the press she was ready for the meeting.

The interview lasted 21 minutes, although the teacher seemed to be struggling with exhaustion at times. Beads of perspiration formed on her forehead. Thirteen questions had been submitted in advance, but only four actually were asked. Three reporters were present.

She was attired in a white muslin hospital gown and had a yellow ribbon in her hair. On her dresser was a cardboard figure of the Madonna and Child.

Speaks In A Weak Voice

She spoke in a weak voice while newsreel cameras whirred and recordings were made for broadcast later.

A part of the questioning today centered upon the White Russian farm and events immediately after she was taken from it. The farm, a Russian refugee retreat at Valley Cottage, N.Y., is operated by the Tolstoy Foundation and is headed by Miss Alexandra Tolstoy, daughter of the late Count Leo Tolstoy.

The countess said Mrs. Kasenkina had been "terrorized" by the Russians and sought refuge at the farm.

Mrs. Kasenkina was asked what was in a letter she sent from the farm to Lomakin.

She said she told the entire story of her life in Russia, including circumstances of her husband and son.

Asked To Be Released As Teacher

Then, she said, she asked to be released from her teaching assignment and to move to a hotel.

"Since they wouldn't let me do it," she added that she decided "I would, myself."

She expressed a view, as paraphrased by the interpreter, that the Russians considered her a true teacher even though her husband was destroyed, and believed her knowledge would be useful to the Soviet Union.

Questioned concerning her conversation with Ambassador Panyushkin at the consulate the day she returned there from the Tolstoy camp, Mrs. Kasenkina said:

"I spoke with Panyushkin for five minutes. I had written a letter to the consulate which brought Panyushkin into the picture.

Told What To Tell Reporters

"I thought these people had a semblance of human mercy in them and would converse with me. Panyushkin said he would not speak to me and that I would go downstairs and tell reporters this and this and this."

When asked what led her to decide not to go back to Russia, Mrs. Kasenkina said:

"When I was still in Russia I thought that if I got to America I would be able to remain there and not return to Russia."

She added:

"They have destroyed my entire life since I spent all my life on my son and my husband.

"Neither of the two were political people. My son was a student and my husband was a teacher, as was I."

"They Made A Big Mistake"

She said, finally: "They made a big mistake in bringing me here from Russia."

A hospital secretary, two nurses and a police guard also were in the room during the interview.

She sighed frequently. A nurse dabbed her head with a piece of gauze.

Her head was propped slightly as she lay in the bed. One injured leg was suspended in a traction pulley. Her doctor has estimated she will be in the hospital at least three months.

Mrs. Kasenkina's statements substantiated an earlier police translation of an interview between her and vice consul Zot I. Chepurnykh. At that time, she was quoted as telling him:

"You kept me prisoner. You would not let me go."

Vice Consul Denies Statement

The vice consul angrily denied later she had said any such thing.

The Russians demanded that they be allowed to visit her, move her to another hospital, send their own physicians to visit her and to regain her custody.

Eventually, the State Department informed Russia that Mrs. Kasenkina was in United States custody and would remain so as long as she desired to stay in this country.

Lomakin countered with an assertion she tried to kill herself because of persecution by citizens and officials of this country.

Kasenkina Interview

AUG - 1948

A recording of Mrs. Oksana S. Kasenkina's replies to questions at yesterday's press interview in Roosevelt Hospital was made by the Columbia Broadcasting System. Mrs. Luba Terpak, the translator, addressed the reporters' questions to Mrs. Kasenkina in Russian, and Mrs. Kasenkina replied in Russian. Below is a translation of the questions, which were recorded in Russian, and an exact recording of Mrs. Terpak's words to the reporters as she translated aloud Mrs. Kasenkina's replies:

Q—Mrs. Kasenkina, will you kindly begin answering the questions? A—Fine.

Q—When did you decide not to return to Russia and why did you so decide? And what could you do now? A—She says that when she was still in Russia, she felt, that if she got to America she would be able not to return to Russia. She says the reason she wanted to escape from Russia is that in 1937 they took away her husband and she has no idea where he has gone to. He has disappeared. She says that she left Sloviansk in the Ukraine to go visit her son in Moscow who was a first-year student at the university. When the war broke out, he was not a military man and he did not belong to any of the Konsomols nor to any political party. Therefore, the Soviets looked upon him as an enemy of the state. They took him into a Storm Troopers, I think it is, she said it, a Storm Troopers' division without any training whatsoever and in Leningrad on Jan. 12, 1942, he was killed. She says that they have destroyed her life because she spent her entire life on her son and on her husband. Neither of these two were political people. Her son was only a student while her husband was a teacher as she herself.

Q—Why did you jump? A—She said that when they returned to the consulate she knew since they did not permit her to leave the consulate that she would not be able to escape in Moscow either. Therefore, she jumped out of the window [pause] in an attempt to escape. She did not want to kill herself. She wanted to escape.

Q—What did Ambassador Panyushkin discuss with you at the consulate the day you returned from Reed Farm to the consulate?

A—She says that she spoke with Panyushkin only for about five minutes. She had written a letter to the consul, which probably brought Panyushkin in on the picture. She thought that these people had some semblance of human mercy left in them and would converse with her. But Panyushkin said to her and, by her voice it seems, quite strictly, that he will not speak with her but that she will go downstairs and speak with the reporters and tell them this and this and this. [She will probably elucidate later what she meant by this.] Panyushkin and Lomakin both told her what to say to the reporters and through her message she would become a heroine.

AUG - 1948

Q—What exactly was contained in the letter you had sent to Mr. Lomakin from Reed Farm?

A—She's not tired yet. She has given me a [Kasenkina interrupts] I will tell you what [Kasenkina interrupts again in Russian]. It's a long speech. I think it should be translated literally later. However, the letter was a very long one in which she recapitulated her life in Russia—the story about her son and her husband. She told them that they had considered here a true pedagogue and for that reason they brought her here even though her husband had been destroyed there. They seemed to think that her knowledge would be more useful here and that they'd probably be able to watch over her.

Actually they made a big mistake in bringing her to America. She loves children and as she had taught here in—for two years, she found that she was becoming more and more unsatisfied. In many instances she was called an enemy of the state. She was persecuted in many ways—in many little, picayune ways. She protested against this persecution and even did not show up at school several times. She asked that they release her and send her somewhere else to a hotel.

And, in her letter she explained that she told Lomakin that since they wouldn't let her do it, she did it herself. She wanted to speak with them as human beings in order to see that proper arrangements could be made. And—when they came, they did, they were not human beings at all, but perfunctorily arrested her. I think that that particular information [interruption by hospital staff].

I might add that she has ended her last statement that she does not agree with the policies of Joseph Stalin. She loves her country and she loves her people. But she cannot agree with the regime in the Soviet. Can you say in English a word or two saying that you really want to stay in America? Would you tell the American people if you care to. [Interruption.] All right, it's up to you, doctor—whichever. Thank you very much.

She thanks everyone very, very much for paying such wonderful attention to her. She thanks the press and police that are here. She thanks all the helpers in the hospital. Thank you very much. Dosvidanya [Au revoir].

New York Vice Consul Sails For Russia Aboard Freighter

AUG -1948

Jersey City, N.J., Aug. 25 (AP)—Zot I. Chepurnykh, Soviet vice consul in New York, sailed for Russia on a Soviet freighter tonight.

As he left the consulate in New York in the afternoon he told newsmen "goodby." In response to questions he said he was going "for good."

When asked "where from?" he replied La Guardia field. Reporters at the field, however, saw no sign of him.

He was discovered on the freighter Govorov at a pier here just before the vessel sailed at 7.15 P.M.

Answer Ambiguous

In a final interview he said he thought the breaking off of the Soviet-American consular relations—a step announced by Russia last night as an outgrowth of the Russian schoolteachers' case—was "for good."

Asked whether he meant "forever" or that the action was a good thing, Chepurnykh replied:

"Decide that for yourself."

Soviet consular cars lined the road leading to the pier. Among them was that of Jacob M. Lomakin, consul general, whose recall was demanded by the United States Government.

Lomakin To Sail Saturday

Lomakin was not seen at the pier, however. It has been announced that Lomakin will sail from New York Saturday. His credentials as Soviet consul general were canceled today by President Truman.

Chepurnykh's sudden departure was something of a surprise. Although he had said earlier this week that he, too, was planning to return to Russia, he said he was in "no particular hurry."

Asked if he ever intended to return to the United States, Chepurnykh shrugged his shoulders and said: "Maybe, who knows."

Others On Ship's List

Chepurnykh was holding two of his daughters, Nadejda and Valentina, at the rail. His wife, Anna, held their third daughter, Julia.

All were smiling happily.

Five other names on the ship's passenger list were:

Mr. and Mrs. Mikhail I. Galkin, Ludmila M. Galkina, Nadejda A. Gorobhova and I. N. Vlasova. They were described as being Russian clerical workers at the United Nations.

Paris, Thursday, Aug. 26--(ap)--Gen. Charles De Gaulle's Rally of the French People (RPF) received a tactical setback today when the national assembly postponed local council elections scheduled for next October.

By a vote of 208 to 166 the assembly decided to delay the elections indefinitely pending a reorganization of the departmental [redacted] system.

A government spokesman promised the reorganization would be pushed through

the assembly in time for departmental elections next May.

De Gaulle's party had hoped to precipitate a national election by gaining a sweeping victory in the balloting to select members of departmental general councils. Those governmental units are roughly similar to county councils in the United States.

AUG -1948

The RPF polled near 40 per cent of the vote in last year's municipal elections, the first in which it participated.

Geneva, Switzerland, Aug. 25--(ap)--The contracting states to the Geneva tariff agreement appointed an eight-member subcommittee today to consider a United States proposal for extending most favored nation treatment to all three western zones of Germany.

AUG -1948

The subcommittee was made up of representatives of Australia, China, Canada, France, the Netherlands, Pakistan, Britain and the United States with

Dr. Gustavo Gutierres of Cuba as an independent chairman.

The full text of the American proposal was circulated to the 22 delegations for the first time during the day. It provoked no immediate enthusiasm. Some delegates thought; however, that it might be more favorably received at the next session of the contracting states early in 1949.

Because of the general belief that negotiations among the four major powers in Moscow largely are concerned with the future of Germany, it was thought that the outcome of those talks should be awaited before the contracting states took any definite action of the American proposal.

AUG -1948

The American draft also would establish a precedent for extension of most favored nation treatment to Japan, to which the British and French delegations were opposed.

THE DOOR TO RUSSIAN ZONE PARTICIPATION IN THE FRANKFURT PARLIAMENT WILL BE LEFT OPEN PERMANENTLY. THIS WILL BE ACCOMPLISHED BY CALLING THE CONSTITUTION "PROVISIONAL" AND BY AVOIDING THE TERMS "WEST GERMAN" IN OFFICIAL TEXTS AND IN THE NAMES OF CENTRAL AUTHORITIES.

IF THE RECOMMENDATIONS FROM LAKE CHIEM ARE ACCEPTED BY THE ASSEMBLY, WEST GERMANY'S FUTURE ADMINISTRATION WILL BE CALLED THE "BUND DEUTSCHER LAENDER" (FEDERATION OF GERMAN STATES).

ITS STRUCTURE WILL BE MUCH LIKE THAT OF THE UNITED STATES -- A CENTRAL FEDERAL AUTHORITY KNOWN AS THE "BUNDESREGIERUNG" (FEDERAL GOVERNMENT) WITH THE INDIVIDUAL STATES PRESERVING MUCH LOCAL AUTHORITY.

IT WILL HAVE TWO HOUSES--AN UPPER SENATE REPRESENTING THE STATES, AND A LOWER HOUSE OF REPRESENTATIVES OF THE PEOPLE.

THE EXPERTS RECOMMENDED THAT THE BUND HAVE THE POWER TO TRANSFER SOVEREIGN AND NATIONAL RIGHTS TO A "HIGHER COMMUNITY."

IF THIS WERE WRITTEN INTO WEST GERMANY'S CONSTITUTION, IT WOULD LEAVE THE DOOR OPEN FOR THE AREA TO JOIN A UNITED STATES OF EUROPE OR SIMILAR INTERNATIONAL ORGANIZATION.

THE COMMISSION ALSO SUGGESTED THAT GERMANY'S CONSTITUTION SHOULD CONTAIN A PARAGRAPH BANNING PREPARATIONS FOR WAR BY ANY OF THE STATES OF THE FEDERAL GOVERNMENT. OFFENSE AGAINST THIS ARTICLE WOULD BE PUNISHED BY ECONOMIC SANCTIONS.

WHEN THE ASSEMBLY FINALLY WRITES A DRAFT CONSTITUTION IT WILL BE PUT TO THE GERMAN PEOPLE IN A REFERENDUM.

PRAGUE, CZECHOSLOVAKIA, AUG 25-(AP)-OFFICIAL SUGGESTIONS HAVE BEEN MADE THAT CZECHOSLOVAK FACTORY WORKERS SHOULD CHANGE FROM A FIVE-DAY TO A SIX-DAY WEEK.

THE SUGGESTIONS HAVE BEEN MADE BY OFFICIALS OF THE COMMUNIST GOVERNMENT. THERE ARE INDICATIONS THAT THE PROPOSAL MAY BE PUT INTO EFFECT. TRADE UNION GROUPS--CONTROLLED BY THE COMMUNISTS--HAVE PASSED SIMILAR RESOLUTIONS.

XX MINISTER OF INDUSTRY ALOIS KLIMENT TOLD A DISTRICT CONFERENCE OF THE COMMUNIST PARTY SUNDAY AT HRADEC KRALOVE "WE COULD PRODUCE MUCH MORE IF WE WOULD VOLUNTARILY DECIDE THAT NO FREE SATURDAY SHOULD EXIST IN THE FIVE-YEAR PLAN.

"DON'T YOU THINK IT IS A CRIME AGAINST OUR BUILDING ENDEAVORS WHEN WE DO NOT WORK 52 SATURDAYS AS WELL AS 20 DAYS ANNUAL HOLIDAYS AND 12 DAYS PUBLIC HOLIDAYS? WITH A PROPER DISTRIBUTION OF LABOR, MORE MACHINES WORKING AND WITH THE INTRODUCTION OF TWO SHIFTS, OUR PRODUCTION WOULD INCREASE GREATLY."

THE FIVE-DAY WEEK IS NOT UNIVERSAL IN CZECHOSLOVAKIA. THE SIX-DAY WEEK OF 48 HOURS IS MUCH MORE COMMON, AN OFFICIAL OF THE TRADE UNION COUNCIL SAID. MINERS, HOWEVER, HAVE HAD TWO SATURDAYS A MONTH OFF. MANY INDUSTRIES WORK ONLY FIVE DAYS AS A CONSERVATION MEASURE.

THE SPOKESMAN SAID EVERY EFFORT WOULD BE MADE TO REESTABLISH THE SIX-DAY SCHEDULE.

CONSULAR
BY THOMAS P. WHITNEY
MOSCOW, AUG.25-(AP)-THE RUSSIAN GOVERNMENT, REACTING SHARPLY TO HE EXPULSION OF THE SOVIET CONSUL GENERAL FROM NEW YORK, CHOPPED OFF L CONSULAR TIES WITH THE UNITED STATES TODAY.
THE ACTION ENTAILS THE CLOSING OF RUSSIAN CONSULATES IN NEW YORK AND SAN FRANCISCO, THE CLOSING OF A UNITED STATES CONSULATE IN VLADIVOSTOK AND THE VOIDING OF AN AGREEMENT GRANTING THE UNITED STATES THE RIGHT TO OPEN A CONSULATE IN LENINGRAD.
IT GREW OUT OF WHAT HAS BECOME KNOWN AS THE KASENKINA AFFAIR, THE CASE OF A RUSSIAN SCHOOL TEACHER, NOW IN A NEW YORK HOSPITAL, WHO HAS BEEN THE SUBJECT OF AN INTERNATIONAL TUG-OF-WAR ON THE HIGHEST IPLOMATIC LEVELS.
THE U.S. STATE DEPARTMENT, ON AUG.19, ASKED THE RUSSIAN GOVERNMENT D RECALL JACOB M. LOMAKIN, THE SOVIET CONSUL GENERAL IN NEW YORK, BECAUSE OF HIS ACTIVITIES IN THE KASENKINA CASE.
(LOMAKIN IS SCHEDULED TO START HOME SATURDAY. THE U.S. NOTE NFORMED THE RUSSIAN GOVERNMENT THAT MRS.KASENKINA WOULD NOT BE URNED OVER TO RUSSIAN AUTHORITIES AGAINST HER WILL AND REJECTED CONTENTIONS THAT SHE HAD BEEN KIDNAPED. IN THE HOSPITAL SHE HAS REFUSED TO SEE SOVIET AUTHORITIES. SHE SCHEDULED A NEWS CONFERENCE ESTERDAY BUT IT WAS CANCELLED WHEN SHE BECAME EXHAUSTED BY THE REPARATIONS.)
THE SOVIET REPLY, AS PUBLISHED BY TASS, CATEGORICALLY REJECTED THE UNITED STATES CONTENTION THAT LOMAKIN AND OTHER SOVIET OFFICIALS AD EXCEEDED THEIR LEGAL RIGHTS IN THE CASES OF MRS. OKSANA KASENKINA AND MIKHAIL I. SAMARIN, ANOTHER RUSSIAN SCHOOL TEACHER IN THE UNITED STATES.
(BOTH TEACHERS WERE IN THE UNITED STATES AS INSTRUCTORS OF CHILDREN F SOVIET OFFICIALS AND DECIDED AGAINST RETURNING TO RUSSIA.)
"THE ACTIONS AND STATEMENTS OF THE SOVIET GOVERNMENT AND ITS OFFICIAL REPRESENTATIVES IN THE UNITED STATES IN THE AFFAIR OF KASENKINA AND SAMARIN FULLY CORRESPOND TO THE LAWFUL INTERESTS OF THE SOVIET UNION IN DEFENSE OF ITS CITIZENS FROM CRIMINAL INFRINGEMENTS OF THEIR FREEDOM AND CIVIL RIGHTS," THE NOTE SAID.

AUG -1948

#23
"THE SOVIET GOVERNMENT CONSIDERS THAT DURING THE MOST RECENT PERIOD IN THE UNITED STATES CIRCUMSTANCES HAVE BEEN CREATED UNDER WHICH NORMAL FULFILLMENT BY SOVIET CONSULATES IN THE UNITED STATES F THEIR FUNCTIONS HAS BECOME IMPOSSIBLE.
"IN THE NOTE OF THE STATE DEPARTMENT OF AUG.19 IT IS APPARENT THAT HE GOVERNMENT OF THE UNITED STATES NOT ONLY DOES NOT INTEND TO TOP THOSE ACTIONS OF AMERICAN ADMINISTRATIVE AUTHORITIES BY WHOM SUCH CIRCUMSTANCES -- TO THE DEGREE THAT AMERICAN POLICE INVADED THE SOVIET CONSULATE IN NEW YORK ON AUG.12--ARE BEING CREATED, BIT IN

ACT JUSTIFIES SUCH CLEAR VIOLATIONS."
(NEW YORK POLICE ENTERED THE CONSULATE ON AUG.12, THE DAY MRS. KASENKINA JUMPED FROM A THIRD FLOOR WINDOW OF THE BUILDING. SHE WAS TAKEN TO A HOSPITAL BY THE POLICE.)
"IN VIEW OF THESE CIRCUMSTANCES," THE NOTE CONTINUED, "THE SOVIET GOVERNMENT HAS TAKEN THE DECISION:
"A. TO IMMEDIATELY CLOSE BOTH SOVIET CONSULATES IN THE UNITED STATES--IN NEW YORK AND SAN FRANCISCO.
"B. IN CORRESPONDENCE WITH THE PRINCIPLE OF RECIPROCITY, TO CONSIDER AS IMMEDIATELY CLOSED THE AMERICAN CONSULATE AT VLADIVOSTOK.
"ON THE SAME BASIS, THE EARLIER ARRIVED AT AGREEMENT BETWEEN THE GOVERNMENTS OF THE UNITED STATES AND THE SOVIET UNION ON THE ESTABLISHMENT OF A CONSULATE AT LENINGRAD IS TO BE CONSIDERED AS HAVING LOST ITS FORCE."
THE NOTE REPEATED SOVIET ACCUSATIONS THAT THE FEDERAL BUREAU OF INVESTIGATION WAS IMPLICATED IN THE SAMARIN AND KASENKINA CASES.
"THE AMERICAN GOVERNMENT," THE NOTE SAID, "HAS AT ITS DISPOSAL A SUFFICIENT QUANTITY OF INFORMATION X X X (TO) AFFIRM THE FACTS OF THE KIDNAPING OF (MRS.) KASENKINA AND M.I.SAMARIN, THE PARTICIPATION IN THIS AFFAIR OF THE BANDIT WHITE GUARD ORGANIZATION -- THE TOLSTOY FUND -- AND ALSO THE CONNECTION OF THE FEDERAL BUREAU OF INVESTIGATION WITH THIS AFFAIR."
THE NOTE ADDED:
"INASMUCH AS KASENKINA AT THE PRESENT TIME IS BEING HELD IN HOSPITAL ACTUALLY UNDER CONDITIONS OF A PRISON REGIME AND FREE COMMUNICATIONS WITH HER BY SOVIET REPRESENTATIVES ARE NOT PERMITTED, DECLARATIONS ASCRIBED TO HER CANNOT BE RECOGNIZED AS DESERVING ANY ATTENTION WHATSOEVER, ESPECIALLY TAKING INTO CONSIDERATION THE SERIOUS CONDITION OF HER HEALTH."
THE RUSSIANS FURTHER PROTESTED THAT "UP TO THE PRESENT TIME WE CANNOT RECEIVE ANY INFORMATION ON THE FATE OF SAMARIN AND FAMILY." THE NOTE DEMANDED ACCESS TO BOTH SAMARIN AND KASENKINA AND REJECTED ACCUSATIONS BY THE STATE DEPARTMENT THAT LOMAKIN HAD ABUSED HIS DIPLOMATIC PREROGATIVES IN DEALING WITH THE KASENKINA AFFAIR.
"THE ACTIONS OF CONSUL GENERAL LOMAKIN," THE NOTE SAID, "WERE DIRECTED EXCLUSIVELY IN DEFENSE OF THE RIGHTS OF SOVIET CITIZENS AND HIS DECLARATIONS AT A RESURRECTION OF THE TRUTH WERE CRUDELY DISTORTED BY CERTAIN PRESS ORGANS IN THE UNITED STATES."

SINGAPORE, AUG 25-(AP)-AN AUTHORITATIVE SOURCE SAID TODAY SENIOR BRITISH OFFICIALS ARE RECONSIDERING A LOWER-LEVEL DECISION WHICH HAS PERMITTED A BAMBOO CURTAIN OF CENSORSHIP TO BE DROPPED AROUND POLICE ACTIVITIES AGAINST COMMUNIST INSURGENTS IN MALAYA.
THE INFORMANT SAID A MORE LIBERAL PRESS POLICY WILL BE ORDERED SOON.
THROUGHOUT THE FEDERATION OF MALAYA POLICE OFFICIALS ARE TURNING BACK ALL REQUESTS FROM NEWSMEN FOR INFORMATION. A TERSE DAILY COMMUNIQUE, ISSUED AFTER OFFICIAL APPROVAL, IS THE ONLY SOURCE OF INFORMATION ON THE ACTIVITIES OF MORE THAN 10,000 POLICE.
A TYPICAL CASE OCCURRED AT KUALA LUMPUR. THE DEAD BODY OF A UNIFORMED CHINESE INSURGENT LAY IN THE CENTRAL POLICE STATION COURTYARD, BUT POLICE REFUSED TO TELL BRITISH CORRESPONDENTS HOW OR WHERE THE MAN WAS SHOT OR WHO THE MAN WAS.
THE SINGAPORE FREE PRESS SAID A NEWS BLACKOUT WAS ORDERED BY POLICE COMMISSIONER W.N.GRAY, FORMER INSPECTOR GENERAL OF THE PALESTINE POLICE.
CORRESPONDENTS NOTED THAT THE POLICY OF NEWS SUPPRESSION FOLLOWED THE ARRIVAL OF CONSIDERABLE NUMBERS OF FORMER PALESTINE POLICE.
THE FREE PRESS SAID IN AN EDITORIAL THAT "THIS WITHDRAWAL OF (PRESS) FACILITIES WHICH HAVE NOT BEEN ABUSED MUST LEAD TO A DIMINISHED CONFIDENCE (IN THE GOVERNMENT)."
THE BRITISH ARMY POLICY TOWARD CORRESPONDENTS CONTINUES TO BE MUCH MORE LIBERAL THAN THAT OF THE POLICE. ARMY UNIT OFFICERS ARE GIVEN WIDE DISCRETION ON THE RELEASE OF INFORMATION.

CAIRO, AUG. 25-(AP)-THE COMMANDER OF ARAB LEGION FORCES IN JERUSALEM HAS NOTIFIED THE UNITED NATIONS HIS ARMY WILL NOT BROOK FURTHER ALLEGED VIOLATIONS OF THE TRUCE BY THE JEWS.

THE COMMANDER, LT. COL. ABDULLAH TEL, SENT A MEMORANDUM TO U.N. OBSERVERS YESTERDAY, SAYING THAT IF THE JEWS CONTINUE THEIR PRESENT COURSE, THE ARAB LEGION WILL REPEL THEM.

"WE MIGHT CLEAR THE 100,000 JEWS OUT OF JERUSALEM AND THE UNITED NATIONS OBSERVERS CANNOT HAVE CAUSE TO ACCUSE THE ARABS OF AGGRESSION," THE NOTE SAID.

AT LAKE SUCCESS, GEN. AAGE LUNDSTROEM, CHIEF OF STAFF TO COUNT FOLKE BERNADOTTE, U.N. PALESTINE MEDIATOR, FORMALLY ACCUSED THE ISRAELI GOVERNMENT YESTERDAY OF VIOLATING THE TRUCE.

LUNDSTROEM MADE THE CHARGE IN A NOTE TO MOSHE SHERTOK, ISRAELI FOREIGN MINISTER, CONCERNING THE RED CROSS ZONE IN JERUSALEM. HE HAD CONDUCTED AN INVESTIGATION AFTER ISRAELI AND ARAB TROOPS ENTERED THE RED CROSS ZONE ON THE NIGHT OF AUG. 16-17. SINCE THEN A CONTROVERSY HAS BEEN CARRIED ON BETWEEN THE ARABS AND JEWS ON THE QUESTION OF EVACUATING THE ZONE.

LUNDSTROEM SAID HE WAS SENDING A COPY OF HIS CHARGES TO BERNADOTTE, WHO IS IN STOCKHOLM ATTENDING A MEETING OF THE INTERNATIONAL RED CROSS.

A POOLED DISPATCH FROM THE AMERICAN PRESS IN JERUSALEM SAID A CONFLICT IS DEVELOPING OVER THE FUTURE HOME OF THE ZIONIST MOVEMENT.

MEIR GROSSMAN, OF THE RIGHT WING REVISIONIST PARTY, HAS DEMANDED THAT JERUSALEM BE BOTH THE CAPITAL OF ISRAEL AND CENTER OF THE ZIONIST MOVEMENT. HE INSISTED ALSO THAT MEMBERS OF THE ISRAELI GOVERNMENT SHOULD NOT HOLD KEY POSTS IN THE MOVEMENT.

DR. ISRAEL GOLDSTEIN, OF NEW YORK, PRESIDENT OF THE WORLD CONFEDERATION OF GENERAL ZIONISTS, SAID THE CENTER OF THE MOVEMENT MUST BE IN NEW YORK OR EUROPE FOR PRACTICAL REASONS.

IN CAIRO, INFORMANTS SAID THE CREATION OF A UNIFIED COMMAND FOR ALL THE ARAB ARMIES IN PALESTINE NOW IS BEING DISCUSSED BY THE EGYPTIANS AND IRAQI PREMIERS AND ABDEL RAHMAN AZZAM PASHA, SECRETARY-GENERAL OF THE ARAB LEAGUE.

AN INFORMED DIPLOMATIC SOURCE IN LONDON SAID YESTERDAY (WED) PRIME MINISTER STALIN HAS PROPOSED A BERLIN CONFERENCE OF BIG FOUR FINANCIAL EXPRTS TO WORK OUT AN AGREEMENT ON THE CITY'S CURRE

FINANCIAL EXPERTS TO WORK OUT AN AGREEMENT ON THE CITY'S CURRENCY.
THE SOURCE SAID THE THREE WESTERN ENVOYS IN MOSCOW HAVE RECOMMENDED ACCEPTANCE OF THE SUGGESTION AND THE U.S. BRITAIN AND FRANCE ARE CONSIDERING IT.
THE PROPOSAL COULD MEAN RUSSIA RECOGNIZES THE WESTERN POWERS' RIGHT TO REMAIN IN BERLIN -A RIGHT MOSCOW HAS CHALLENGED SINCE THE WESTERN DECISION TO SET UP A WESTERN GERMAN GOVERNMENT.
IN BLOCKADED BERLIN, GERMANY'S TOP COMMUNIST DEMANDED THAT THE WESTERN ALLIES LEAVE BERLIN. WILHELM PIECK, LEADER OF THE COMMUNIST-DOMINATED SOCIALIST UNITY PARTY, CHARGED THE UNITED STATES WITH POSTWAR RUINATION OF BERLIN JUST AS "SENSELESS AIR ATTACKS" WRECKED HER DURING THE WAR.
PIECK SAID THE U.S. WANTED TO SADDLE GERMANY WITH YEARS OF MILITARY OCCUPATION AND TO CONVERT THE RUHR INTO A NEW MUNITIONS SPRINGBOARD FOR AN ATTACK AGAINST RUSSIA.
THE RUSSIANS, MEANWHILE, EXTENDED THEIR BLOCKADE TO INCLUDE NEWSPAPERS, BANNING THE WESTERN PRESS IN THE SOVIET SECTOR.
THEY ALSO UNLEASHED A NEW ATTACK ON THE ANTI-COMMUNIST CITY GOVERNMENT ACCUSING IT OF SPLITTING THE CITY'S POLICE FORCE AND "BACKING" WESTERN CURRENCY IN DIRECT OPPOSITION TO RUSSIAN ORDERS. THE CHARGES WERE REJECTED AS "UNJUSTIFIED" BY THE CITY ADMINISTRATION.
AMERICAN OFFICIALS IN NEURNBERG ACKNOWLEDGED THAT A GERMAN WOUNDED FATALLY BY SOVIET ZONE POLICE NEAR COBURG, INSIDE U.S.-OCCUPIED TERRITORY, WAS ONE OF SCORES OF GERMANS EMPLOYED AS AMERICAN INTELLIGENCE AGENTS.
THE EFFECTS OF THE SAMARIN-KASENKINA CASE IN NEW YORK REACHED AROUND THE WORLD TO FOUR AMERICANS AT "THE END OF THE LINE" IN THE REMOTE CONSULATE AT VLADIVOSTOK IN SIBERIA, THE ONLY U.S. CONSULATE IN THE SOVIET UNION.
THE SOVIET UNION, REACTING TO THE AMERICAN EXPULSION OF CONSUL JACOB LOMAKIN BECAUSE OF HIS ACTIVITIES IN THE CASE OF THE TWO SCHOOL TEACHERS, ORDERED THE VLADIVOSTOK CONSULATE CLOSED AND IN TURN CLOSED ITS TWO AMERICAN CONSULATES AT NEW YORK AND SAN FRANCISCO.

BY EDWARD E.BOMAR
WASHINGTON,AUG 25-(AP)-RUSSIA'S SLAMMING SHUT HER CONSULATE DOORS AND OURS FAILED TO GET A RISE OUT OF THE AMERICAN GOVERNMENT TODAY.
UNEXCITED, SECRETARY OF STATE MARSHALL INDICATED THE UNITED STATES MIGHT JUST LET MOSCOW HAVE THE LAST WORD IN THE BIZARRE QUARREL OVER TWO SOVIET SCHOOL TEACHERS WHO BALKED AT GOING HOME FROM HERE.
THE UNITED STATES IS READY TO ACCEPT THE CLOSING OF THE AMERICAN CONSULATE IN VLADIVOSTOK WHICH MOSCOW ORDERED, MARSHALL SAID.
HE BRUSHED OFF AS OF SLIGHT IMPORTANCE TO TROUBLED SOVIET-AMERICAN RELATIONS MOSCOW'S BRUSQUE ACTION IN ORDERING SOVIET CONSULATES IN NEW YORK AND SAN FRANCISCO SHUT DOWN.
AND HE LEFT OPEN WHETHER THERE WOULD BE EVEN A REPLY TO THE BRISTLING NOTE MOSCOW DELIVERED LAST NIGHT. THIS AGAIN ASSAILED AMERICAN AUTHORITIES FOR KEEPING TWO REFUGEE TEACHERS OUT OF THE HANDS OF SOVIET CONSULAR OFFICIALS AND ANNOUNCED THE CLOSING OF ALL THREE AMERICAN AND RUSSIAN CONSULATES.
MARSHALL COMMENTED ON THE WEIRD DISPUTE AT A NEWS CONFERENCE. SHORTLY AFTERWARD PRESIDENT TRUMAN DISCLOSED HE HAS FORMALLY REVOKED THE CREDENTIALS OF JACOB M.LOMAKIN, SOVIET CONSUL GENERAL IN NEW YORK, FOR "ABUSE" OF HIS OFFICIAL PRIVILEGES IN THE TEACHER CASES.
WHEN THE WHITE HOUSE YACHT WILLIAMSBURG PUT INTO YORKTOWN,VA., PRESIDENTIAL SECRETARY CHARLES G.ROSS ANNOUNCED MR.TRUMAN SIGNED LATE YESTERDAY AN ORDER REVOKING THE "EXEQUATUR" (CREDENTIALS) GIVEN LOMAKIN WHEN HE WAS MADE CONSUL GENERAL. THE U.S. DEMANDED LAST FRIDAY THAT LOMAKIN LEAVE THE COUNTRY. HE IS SCHEDULED TO SAIL FOR HOME SATURDAY FROM NEW YORK.
MARSHALL STRESSED THAT MOSCOW'S RETALIATION LEFT AMPLE FACILITIES TO CARRY ON THE ROUTINE COMMERCIAL RELATIONS BETWEEN THE UNITED STATES AND RUSSIA WHICH HAVE SEEN TRADE FALLING OFF IN RECENT MONTHS. THE AMERICAN EMBASSY IN MOSCOW AND RUSSIA'S IN WASHINGTON REMAIN UNDISTURBED.
MARSHALL NOTED THESE HAVE SPECIAL SECTIONS DEVOTED TO CARRYING ON CONSULAR DUTIES, WHICH ARE CONCERNED WITH COMMERCIAL RELATIONS. AND IN ADDITION RUSSIA STILL HAS IN NEW YORK THE AMTORG TRADING CORPORATION TO HANDLE PURCHASES OF AMERICAN GOODS.
MARSHALL SAID A DECISION ON THE NEXT MOVE WOULD AWAIT OFFICIAL TRANSLATION OF THE RUSSIAN NOTE AND OF TWO PHOTO COPIES OF LETTERS WHICH WERE ENCLOSED.
THESE WERE ASKED FOR BY THE STATE DEPARTMENT AND PURPORTED TO BE COPIES OF LETTERS WRITTEN BY ONE OF THE TEACHERS, MRS.OKSANA S. KASENKINA. ONE WAS WRITTEN TO LOMAKIN WHEN SHE WAS AT A FARM NEAR NEW YORK RUN BY ANTI-SOVIET RUSSIAN EXPATRIOTS. THE OTHER WAS LEFT IN HER ROOM WHEN SHE LEAPED TWO WEEKS AGO FROM A WINDOW IN THE SOVIET CONSULATE WHERE LOMAKIN TOOK HER WHEN HE "RESCUED" HER FROM THE FARM. SHE NOW IS RECOVERING IN A HOSPITAL.
MARSHALL SAID THE SCRIPT WAS HARD TO DECIPHER. HE DECLINED TO SAY UNTIL BEFORE TRANSLATION WAS COMPLETED WHETHER THE STATE DEPARTMENT WOULD MAKE THE LETTERS PUBLIC.
THE OTHER TEACHER IS MIKHAIL SAMARIN. HE AND MRS.KASENKINA HAD TAUGHT IN A SCHOOL FOR SOVIET DIPLOMATS' CHILDREN. HE TOLD U.S. AUTHORITIES HE DOESN'T WISH TO RETURN TO RUSSIA.
ASKED TO COMMENT ON THE LATEST MOVE BY RUSSIA, MARSHALL CHOSE HIS WORDS CAREFULLY. HE SAID THE ACTION WAS UNEXPECTED AND WENT ON TO SAY THAT CLOSING THE VLADIVOSTOK CONSULATE, WHERE THERE ARE FOUR AMERICANS,

30.24- 20005

WAS REGRETTABLE, BUT IS NOT A SERIOUS MATTER.

A5WX AUG -1948

HE SAID THE CONSULS HAVE BEEN SO CIRCUMSCRIBED IN THEIR ACTIVITIES BY THE LOCAL SOVIET AUTHORITIES THAT THEY COULD ACCOMPLISH VERY LITTLE. RUSSIA SERVED NOTICE ALSO IT WAS CANCELLING AN AGREEMENT TO PERMIT REOPENING OF A CONSULATE IN LENINGRAD. MARSHALL NOTED THAT NO PROGRESS HAS BEEN MADE TO CARRY OUT THE AGREEMENT.

CLOSING DOWN THE TWO SOVIET CONSULATES IN THIS COUNTRY IS IN LINE WITH MOSCOW'S RECENT RECALL OF NUMEROUS SOVIET CITIZENS FROM THE UNITED STATES. FROM A POSTWAR PEAK OF MORE THAN 2,000, THESE HAD BEEN REDUCED TO JUST 259 BY LAST APRIL, LATEST STATE DEPARTMENT REPORTS SHOW. THE TOTAL EXCLUDES DEPENDENTS.

RUSSIA NEVERTHELESS RETAINS MORE SOVIET CITIZENS IN THIS COUNTRY THAN THERE ARE AMERICANS IN THE SOVIET UNION. THESE ARE CONFINED ALMOST ENTIRELY TO THE 125 OR SO OFFICIALS AND EMPLOYES OF THE EMBASSY IN MOSCOW.

WASHINGTON,AUG. 25-(AP)-PAUL G.HOFFMAN, ECONOMIC COOPERATION ADMINISTRATOR, SAID TONIGHT "RUSSIAN SATELLITE NATIONS ARE ANXIOUS TO INCREASE TRADE WITH OTHER COUNTRIES OF EUROPE."

AND TO FURTHER EXPLORE SUCH POSSIBILITIES ECA THIS WEEK IS SENDING ONE OF ITS KEY EXPERTS ON A TOP-SECRET MISSION TO EUROPE.

THE EXPERT IS M.G.DE CHAZAU, HEAD OF ECA'S EAST-WEST TRADE SECTION. HE EARLIER MADE A FIRST-HAND STUDY OF TRADE WITH COUNTRIES BEHIND THE SO-CALLED "IRON CURTAIN" BUT HIS REPORT HAS NOT BEEN MADE PUBLIC.

HOFFMAN TOLD A NEWS CONFERENCE THAT CERTAIN TYPES OF TRADE SHOULD BE ENCOURAGED WITH SOVIET SATELLITES. HE HAD NO SPECIFIC TYPES IN MIND, HE SAID, BUT ADDED:

"TRADE SHOULD BE ENCOURAGED WHICH ENCOURAGES PEACE; AND DISCOURAGED WHICH ENCOURAGES WAR."

THE ECA ADMINISTRATOR SAID THE U.S. WOULD CONTINUE TO SEND LARGE QUANTITIES OF FOODSTUFFS ABROAD, PARTICULARLY WHEAT AND BREAD GRAINS.

HE TERMED THE U.S. SUPPLY OF WHEAT AS "MORE COMFORTABLE" THIS YEAR THAN LAST--A SITUATION CAUSED BY BUMPER CROPS HERE AND ABOVE AVERAGE HARVESTS OVERSEAS.

HOFFMAN EARLIER TOLD AN ALL-DAY MEETING OF ECA'S 12-MEMBER PUBLIC ADVISORY BOARD THAT FOOD AND OTHER AGRICULTURAL COMMODITIES STILL COMPRISE THE BIGGEST SHARE OF SHIPMENTS TO PARTICIPATING NATIONS.

HE TOLD THE GROUP--COMPOSED OF PUBLIC REPRESENTATIVES FROM LABOR, MANAGEMENT, AGRICULTURAL AND OTHER INTERESTS--THAT TOTAL PROCUREMENT AUTHORIZED FOR THE CURRENT 6-MONTH PERIOD IS $2,500,000,000 (B).

THE ADVISORY BOARD, ESTABLISHED BY CONGRESS IN THE ECA LAW, MUST MEET AT LEAST MONTHLY.

HOFFMAN ALSO TOLD THE ADVISERS THAT:

A TOTAL OF $552,000,000 (M) HAS BEEN AUTHORIZED FOR BREAD GRAINS, OTHER FOODSTUFFS, COTTON AND AGRICULTURAL PRODUCTS. ANOTHER $345,000,000 (M) HAS BEEN APPROVED FOR INDUSTRIAL COMMODITIES, OF WHICH THE U.S. IS SUPPLYING 51 PER CENT.

THE U.S. IS SUPPLYING 56 PER CENT OF ALL COMMODITIES GOING ABROAD.

WASHINGTON,AUG 25-(AP)-AMERICAN SCHOOLS SHOULD TEACH THAT WAR--EVEN AGAINST COMMUNISM--IS NOT INEVITABLE, THE NATIONAL EDUCATION ASSOCIATION SAID TODAY.

THE ASSOCIATION SAID IT IS IMPORTANT THAT CHILDREN LEARN THE FACTS ABOUT RUSSIA AND "EXERCISE OBJECTIVE THINKING" ABOUT THAT COUNTRY.

THE ASSOCIATION PUBLISHED A REPORT BY ITS COMMITTEE ON INTERNATIONAL RELATIONS ON A TWO-YEAR SURVEY OF WHAT AMERICAN SCHOOLS ARE DOING TO PROMOTE WORLD-MINDEDNESS.

THE COMMITTEE, HEADED BY BEN M.CHERRINGTON, DIRECTOR OF THE SOCIAL SCIENCE FOUNDATION AT THE UNIVERSITY OF DENVER, FOUND THAT THE SCHOOLS ARE DOING MUCH GOOD WORK IN THE RIGHT DIRECTION, BUT ADDED:

"SCHOOL PROGRAMS OF EDUCATION FOR INTERNATIONAL UNDERSTANDING TEND TO LACK CENTRAL FOCUS AND COORDINATION.

"SUCH PROGRAMS TEND TO BE SUPERFICIAL AND OUT OF DATE, FOR THEY ARE TOO LARGELY CONCERNED WITH MERE DESCRIPTIONS OF THE WORLD AND ITS PEOPLES AS THEY WERE BEFORE 1939."

SOME MAJOR CONCLUSIONS OF THE REPORT:

ABOUT WAR--TEACHERS MUST REALIZE, AND CHILDREN SHOULD BE TAUGHT TO REALIZE, THAT CIVILIZATION MAY BE IMPERILED BY ANOTHER WORLD WAR. CHILDREN SHOULD BE TAUGHT TO DESIRE PEACE, LIBERTY AND JUSTICE. TEACHERS MUST INSIST THAT WAR IS NOT INEVITABLE AND THAT THE FORCES OF EDUCATION, BOTH IN AND OUT OF SCHOOL, CAN HELP TO ACHIEVE WORLD PEACE.

PREPAREDNESS--AMERICANS MUST UNDERSTAND AND YOUNG AMERICANS MUST BE TAUGHT THAT THE WORLD SITUATION TODAY REQUIRES THAT THE UNITED STATES REMAIN STRONG.

PATRIOTISM--BLIND LOYALTY TO STATE OR BLIND NATIONALISM IS A HINDRANCE TO PEACE. AMERICAN CHILDREN SHOULD BE TAUGHT TO BE PATRIOTIC CITIZENS OF THEIR OWN COUNTRY AS WELL ASVHTM

HINDRANCE TO PEACE. AMERICAN CHILDREN SHOULD BE TAUGHT TO BE PATRIOTIC CITIZENS OF THEIR OWN COUNTRY AS WELL AS CITIZENS OF THE WORLD.

CHARTER, AND TO SUPPORT THE EFFORTS OF INTERNATIONAL ORGANIZATIONS. THEY MUST ALSO BE EDUCATED TO SEE THE WEAKNESS IN SUCH ORGANIZATIONS AND TO WORK FOR REMEDYING THEIR DEFECTS."

RUSSIA--"THE SOVIET SYSTEM WHICH WE CALL COMMUNISM IS NOT THE ONLY FORM IN WHICH AUTHORITARIANISM EXISTS TODAY FOR THERE ARE ABSOLUTE MONARCHIES AND DICTATORSHIPS THROUGHOUT THE WORLD. IT HAS BEEN ENTIRELY POSSIBLE FOR DEMOCRATIC STATES TO EXIST HARMONIOUSLY WITH NON-DEMOCRATIC STATES. THEN, AND UNTIL V-E DAY, HE SAID,"WE HELD THE POWER TO DIRECT THE DESTINIES OF THE WORLD." HE SAID HE WARNED ROOSEVELT OF THE RISKS OF UNCONDITIONAL APPEASEMENT OF RUSSIA AND GOT THIS REPLY:

"BILL, IT'S MY RESPONSIBILITY AND NOT YOURS; AND I'M GOING TO PLAY MY HUNCH."

BULLITT SAID THE LATE PRESIDENT'S "HUNCH" WAS THAT HE COULD GET STALIN TO ACCEPT "CHRISTIAN WAYS AND DEMOCRATIC PRINCIPLES" BY SHOWING HIM RUSSIA HAD NOTHING TO FEAR.

BULLITT ALSO LAID THE FOLLOWING TO ROOSEVELT:

"THE POLICY OF APPEASING JAPAN WHICH LED US BY DEVIOUS PATHS TO THE DISASTER AT PEARL HARBOR."

"THE PRESIDENT HAD NEVER (BEFORE LATE 1937) REVEALED TO THE COUNTRY THE FACTS IN HIS POSSESSION WITH REGARD TO THE ULTIMATE THREAT TO THE U.S. INVOLVED IN THE ACTIONS OF EITHER THE JAPANESE MILITARISTS OR HITLER."

"THE PRESIDENT KNEW THAT WAR WAS COMING TO THE AMERICAN PEOPLE BUT IN HIS CAMPAIGN ADDRESS AT BOSTON ON OCT. 30, 1940 HE SAID: 'YOUR BOYS ARE NOT GOING TO BE SENT INTO ANY FOREIGN WARS.' "

"PRESIDENT ROOSEVELT SUPPORTED GENERAL MARSHALL" AGAINST WINSTON CHURCHILL, WHO SUGGESTED AN "ATACK THROUGH THE BALKANS OR TRIESTE SO THAT THE DANUBE VALLEY MIGHT BE IN OUR HANDS AND NOT IN THE HANDS OF THE COMMUNISTS," BULLITT SAID.

BULLITT SAID ROOSEVELT KNEW "AS EARLY AS 1934" THAT STALIN WANTED A PACT WITH HITLER AND THAT AFTER RUSSIA'S ATTACK ON FINLAND IN 1940 THE PRESIDENT "USED HIS INFLUENCE TO HAVE THE SOVIET UNION EXPELLED FROM THE LEAGUE OF NATIONS."

(ADVANCE)...LAKE SUCCESS, AUG 25-(AP)-THE NATIONAL DEBT OF ALMOST EVERY COUNTRY HAS SKYROCKETED SINCE 1914, A UNITED NATIONS STUDY SHOWED TODAY.

AUG -1948

THE SURVEY IS CONTAINED IN A VOLUME PREPARED BY THE DEPARTMENT OF ECONOMIC AFFAIRS, PRESENTING IN TABULAR FORM THE EVOLUTION OF PUBLIC DEBT FOR 52 COUNTRIES SINCE BEFORE THE FIRST WORLD WAR.

EVERY NATION DEALT WITH HAD A SUBSTANTIAL DOMESTIC DEBT AND ALL OF THEM EXCEPT SIX ALSO HAD A FOREIGN DEBT AS WELL. THE SIX WHICH OWED NO MONEY ABORAD WERE THE UNITED STATES, RUSSIA, SWITZERLAND, IRELAND, EGYPT AND VENEZUELA.

AUG -1948

THE STUDY SHOWED THAT ELEVEN OTHER COUNTRIES HAD SMALLER FOREIGN DEBTS IN 1947 THAN IN 1914. ONLY FIVE, HOWEVER, HAD REDUCED THEIR TOTAL DEBT BELOW THE 1914 LEVEL. THESE WERE NICARAGUA, HAITI, GUATEMALA, VENEZUELA AND HONDURAS.

THE UNITED STATES, WITH A TOTAL NATIONAL DEBT OF $256,375,900,000 (B) HAD INCREASED ITS INDEBTEDNESS EVERY YEAR FOR 16 YEARS UNTIL THE 1946-1947 FISCAL YEAR. DURING THAT YEAR IT WHITTLED $11,522,600,000 (B) OFF THE NATIONAL DEBT.

NO UP-TO-DATE FIGURES WERE AVAILABLE ON RUSSIA, BUT THE SURVEY SHOWED THE TOTAL SOVIET NATIONAL DEBT INCREASED TEN FOLD FROM 1930 TO 1937, THE LAST YEARS COVERED BY THE TABULATION.

THE EDITORS OF THE VOLUME EXPLAINED IN AN INTRODUCTORY NOTE THAT IT WAS DIFFICULT TO MAKE INTERNATIONAL COMPARISONS OF PUBLIC DEBT BECAUSE OF THE DIFFERENT NATIONAL CONCEPTS IN VARIOUS COUNTRIES.

SOME COUNTRIES, FOR EXAMPLE, INCLUDE EXTENSIVE STATE OWNED PROJECTS SUCH AS RAILWAYS WHILE OTHERS LIST THESE AS PRIVATE ENTERPRISES. SOME COUNTRIES, LIKE THE U.S. DO NOT INCLUDE THE INDEBTEDNESS OF STATES, WHILE OTHERS HANDLE ALMOST ALL FINANCING THROUGH THE CENTRAL GOVERNMENT.

AUG -1948

THE MAIN PURPOSE OF THE STUDY, WHICH WAS INITIATED BY THE LEAGUE OF NATIONS, WAS TO DIGEST INFORMATION FROM HUNDREDS OF GOVERNMENT PUBLICATIONS AND MAKE IT AVAILABLE AS A BOOK OF REFERENCE FOR FINANCE EXPERTS, ECONOMISTS AND RESEARCH INSTITUTIONS.

Mystery Man Figures In East-West Intrigue

Frankfurt, Germany, Aug. 25 (AP). A mystery man believed to be an aide of the Soviet-held German Field Marshal Friederick von Paulus today entered the East-West war of intrigue.

He is Count Heinrich von Einsiedel, a writer for the Soviet-sponsored newspaper *Taegliche Rundschau* in Berlin.

Last June the newspaper said the Count had been arrested at Weisbaden in the American zone while on a visit. Soviet authorities demanded his return to the Russian-occupied zone.

Today *Taegliche Rundschau* charged von Einsiedel was "kidnapped" by American authorities in Wiesbaden and demanded an explanation.

Communists Storm Berlin's City Hall, But Putsch Flops

GEO. BRIA

Berlin, Aug. 26 (AP) — A roaring Communist-led throng swept into Berlin's City Hall today and heard their leaders demand a new municipal government to "work hand in hand with the great Soviet Union."

In a counter-demonstration three hours later anti-Communists denounced the invasion as "the putsch that failed."

Slicing through lines of the Soviet-backed East Berlin Police, about 500 Communist demonstrators installed themselves in the empty council seats while 10,000 others yelled in the streets outside.

Inside the hundreds shouted "down with the capitalists" and "down with the splitters of Germany" while those outside chanted the "International" and waved Red banners.

No casualties were reported. The invaders left the chamber after listening to the harangues and the crowd dispersed without incidents.

The demonstration climaxed weeks of Russian attempts — spearheaded by the Soviet-sponsored Socialist Unity Party (S.E.D.) — to smash the overwhelmingly anti-Communist city administration.

At the counter-demonstration of Berlin's Socialists, Conservative Christian Democratic Union and liberal Democrats, speakers demanded that the council be given "a neutral meeting place" outside the Soviet sector and greater support from the Western occupying powers.

Cheer Anti-Reds

More than 5,000 Berliners cheered speakers there who shouted that supporters of democracy in Berlin will stand firm and "turn back the tide of Communism come what may."

In Frankfurt Gen. Lucius D. Clay said any attempt by Berlin demonstrators to take over the city government was doomed to failure.

"No action committees are going to take over the government of the millions of people we are responsible for," he told reporters.

Tipped that today's S.E.D. demonstration was in the making, the anti-Communist majority of the city council cancelled a meeting which was due to vote on the turbulent issue of sending a Berlin delegation to the constituent assembly of the West-sponsored German government.

Russia is bitterly opposed to the formation of a West German government, born of the recent six-power London conference.

The executive committee of the city government decided tonight to convoke a council meeting tomorrow morning. The decision was taken at a meeting in the home of Otto Suhr, chairman of the city council. The Soviet-licensed news agency ADN said the S.E.D. committee members boycotted tonight's meeting because it was not held in city hall. They agreed, however, to take part in tomorrow's meeting.

Soviet-sponsored East police had vainly tried to hold back the demonstrators with shouts of: "There's no point to this—the assembly is not meeting."

Once installed in the chamber, the crowd was harangued by S.E.D. orators.

"This is not the time for long talk," Karl Litke a S.E.D. leader in the council, cried out. "The hour has come to act."

The crowd roared its approval. He went on:

"Since October, 1946 (when the S.E.D. took a heavy beating in the city elections) not one action was taken in this chamber in Berlin's popular interest."

"Put an end to the assembly," the crowd shouted.

"The Socialists (who got the strongest vote in Berlin) only brought reaction back to power," Litkes said. We demand the workers get a voice in ruling the city.

Want "Democracy"

"There must be an end to this bankrupt city government. We must establish a new Democratic administration to work hand in hand with the great Soviet union and the countries of Eastern Europe."

Demonstrators carried placards reading "One Administration, One Currency," "We Want Potatoes," and "Out With All The Occupation Forces." The last slogan is a cardinal point of Soviet policy and some Western observers believe withdrawal of all military forces would set up the country for a Prague-type Communist coup.

Headquarters of S.E.D. categorically denied reports that the Communists planned to establish a city government of their own S.E.D. officials said they did not plant to withdraw from the city parliament. A spokesman declared they planned to push through their program in the present parliament.

POLICE LINES ARE SMASHED

Anti-Communist Demonstration Staged by 5000—Clay Sees No Putsch Allowable.

Berlin, Aug. 26 (A. P.).—A howling crowd, led by Communists, stormed into Berlin's City Hall today for a demonstration in which speakers demanded a new city government to "work hand in hand with the great Soviet Union." KASISCHKE

Three hours later, 5,000 anti-Communists, in a counter-demonstration, denounced the Red action as "the Putsch that failed."

Some 500 of the Communist-led crowd pushed through police lines into the city hall and took over the Assembly Chamber. Speakers flayed the anti-Communist city government. The invaders remained long enough to hear the harangues; then they left and joined some 10,000 who were roaring approval outside.

War on Communism Declared.

Then Socialists, Conservative Christian Democrats and Liberal Democrats gathered. They applauded speakers who denounced the Communist demonstration. The crowd was told the anti-Communists will stand firm and "turn back the tide of Communism some what may."

Members of the anti-Communist parties, who make the great majority of the Berlin assembly urged that city council quarters be moved from the Soviet sector to a "neutral" area and that the council be given more support from the Western Powers.

The Communist-controlled Socialist Unity party (S. E. D.), which sponsored the City Hall demonstration, said that its followers planned to push its winter program for Berlin in the present city parliament. Headquarters of the party said it had no intention of setting up a rump government, nor of withdrawing from the present parliament in which it is heavily outvoted.

Gen. Lucius D. Clay, United States military governor in Germany, declared in Frankfurt that such demonstrations against the Berlin government are doomed to fail.

"No action committees," he told newsmen, "are going to take over the government of the millions of people we are responsible for."

Clay planned to fly from Frankfurt to Berlin late today. He said he had only partial reports of the demonstration, but "at the moment I don't take it very seriously."

Were to Vote Today.

Berlin's city parliament (Council), predominantly anti-Communist, had been scheduled to vote today on a resolution to send a Berlin delegation to western Germany's constitutional assembly at Bonn on September 1. They called off the session when it became known that the Socialist Unity party (S. E. D.), sponsored by the Russians and dominated by the Communists, planned the demonstration. Two S. E. D. members of the nine-man senior parliamentary committee, Karl Litke and Karl Maron, voted against postponement.

While the Communists met inside, the crowd outside chanted the Red anthem, the "Internationale." In the hall, Litke demanded a voice for his party in ruling the city. The S. E. D. was defeated soundly in the October, 1946, elections, in which the Socialists emerged as the strongest party.

Litke did not say how he proposed to set up a new city administration.

No casualties were reported. By midafternoon a large part of the crowd had dispersed. A ten-man S. E. D. delegation met with Acting Mayor Ferdinand Friedensburg.

Friedensburg told a news conference later:

"We will stay here and do our duty."

He said today's session of the assembly was called off because he could get no assurance from Soviet sector German police that they would protect the city government from physical pressure, such as the June 23 rioting, when several legislators were manhandled by pro-Soviet demonstrators.

Sounds Challenge.

"It is our opinion the majority of Berliners want to remain independent," he said. "If the S. E. D. does not agree to this principle of majority rule, let them go before the voters in October and have them decide."

The S. E. D. has been agitating to postpone the scheduled October elections.

Accused Of Being Afraid

"I don't think they planned a real *putsch* to seize the City Hall building," Dr. Friedenburg told reporters. "But they aimed at panicking us and scaring us out of the building, then they could say that we deserted and could not be relied upon to run the city."

The two SED members of the senior committee, Karl Litke and Karl Maron, had voted against postponement of the parliament meeting. They accused the anti-Communist members of being "afraid of open criticism." The parliament session also was to have taken up SED proposals on a winter emergency program.

Meet In Chamber

About 500 of the demonstrators took seats in the city assembly chamber, on the third floor of the hall.

Ottomar Geschke, an SED leader, opened the meeting with the announcement the assembly would not meet.

"Pfui, Why not?" shouted back some demonstrators.

"Karl Litke will explain that," answered Geschke.

Litke took the cue.

"This is not the time for a long talk," he shouted. "The hour has come to act.

"Since October, 1946, when the SED lost the city elections not one action was taken in this chamber in Berlin's popular interest."

"Put an end to the assembly," chorused the crowd.

Wilhelm Pieck, Germany's top Communist, harangued 3,000 members of SED last night and called on the Western Allies to get out of Berlin.

The Communists staged a march on City Hall once before. That was on June 23, when they attempted to prevent Parliament from voting approval of the Western-sponsored currency in Berlin as a rival to the Soviet-sponsored mark.

Failed To Prevent Action

On that occasion the Communists forced their way into the Assembly chamber, shouting and singing the "Internationale." They also manhandled some non-Communist Assembly members in the city hall corridors, but failed to prevent parliamentary action. Some of the demonstrators openly stated then they were acting under Russian orders and with Soviet support.

On another recent occasion, Communist members of the Assembly staged a mass walkout in protest against a parliamentary resolution condemning the Soviet blockade of Berlin as a "crime against humanity."

Since then the Communists have forced the splitting of Berlin's police force and several departments of the city government in maneuvers to gain political and economic control over the city.

Pieck accused the United States last night of trying to saddle Germany with years of military occupation and "postwar ruination" of the country.

Airlift Criticized

Pieck also said the British-American airlift, which has been supplying the blockaded Western sectors, is causing deep anxiety among Berliners. As with their "senseless" bombings during the war, Pieck said, the Western Allies are trying to "ruin Berlin commercially and as a capital."

The Communist leader quoted Berliners as saying, "Today they come with food, tomorrow perhaps again with bombs."

Meanwhile, in Munich, some 100,000 Germans marched into Adolf Hitler's former parade ground and demonstrated against high prices. The protest followed similar meetings and work stoppages in other American and British-zone cities recently.

Labor Department employés of the Berlin city government voted last night to strike for back wages. They said they had not received pay due them August 15 and that money also was owed them from June and July.

The strike was voted last week, but was postponed during negotiations. Recently the Central Bank of Berlin asked its British-sector branch to unfreeze 3,000,000 Eastern marks so municipal employés could be paid. This was refused by the British Military Government, which froze eastern assets after the Russians took similar action in the Soviet sector.

Meantime, progress was reported

in the creation of western Germany's new government. In Frankfurt, a United States Military Government source said Berlin may be represented in the new government by 30 votes in the proposed 400-member Parliament.

Informants said that whether the Russian sector of Berlin will be represented depends on the future of the city government.

Top German Communist Calls Upon Western Allies To Leave Berlin

Berlin, Aug. 26 (AP)—Germany's top Communist has called on the Western Allies to leave Berlin. He charged the United States with postwar ruination of Germany just as the "senseless air attacks" wrecked her during the war.

In a Berlin speech to 3,000 representatives of the Soviet-sponsored Socialist Unity Party, Wilhelm Pieck, the party leader, accused America of wanting to saddle Germany with years of military occupation. He also charged the U. S. wanted to convert the Ruhr into a new munitions springboard for attack against Russia.

Pieck's speech was reported by the Soviet-licensed German news Agency, Adn.

The Russians earlier had extended their blockade of Berlin to the intellectual level, banning the Western press in the city's Soviet sector.

At the same time they launched a sharp attack against the elected anti-Communist city government, accusing it of splitting the police force and "backing" Western-sponsored currency in direct opposition to Russian orders.

A special session of the city administration rejected the charges as "unjustified."

The new Soviet moves in Berlin came as authoritative Allied sources minimized the chances of a successful four-power "experts" conference on Berlin currency, as reportedly suggested by Prime Minister Stalin. They said that if the money problem was not settled at the high Moscow level there was no reason to expect smaller men could settle it in Berlin.

Blockade of Western publications in the Soviet sector of Berlin will become effective Sept. 1 under an order issued by Maj. Gen. Alexander Kotikov, Russian commandant. It will work through a distribution monopoly allowing only Communist-sponsored organizations to obtain dealers' licenses.

The monopoly already has been keeping Western publications out of the Soviet zone surrounding Berlin since Aug. 1. Communist dealers withhold the sale of Western papers and then inform publishers there is "no demand" for them, according to American complaints.

Stalin Accepts West's Role In Berlin, Report

GAYSHON

London, Aug. 26 (AP)—Authoritative diplomatic sources said today Prime Minister Stalin has agreed in principle to western demands for a share in supervision of Russian currency in Berlin.

This, the informants said, indicates Stalin has recognized the right of the United States, Britain and France to remain in Berlin as occupying powers.

Diplomatic sources have reported that financial experts of the four powers are expected to meet in Berlin on the money question, a major stumbling block to settlement of East-West differences. This was said to have developed from the latest meeting of western envoys in Moscow with Stalin.

An American Military Government spokesman in Berlin said the AMG has no information of any agreement for a meeting of the four military governors themselves on the issue.

Two Currencies Now

Berlin now has two currencies—Russian-sponsored marks and the Deutschemark of the Western sectors. There have been reports that the Soviet-sponsored mark might be acceptable to the Western powers in Berlin under certain conditions—such as Western participation in supervision over its distribution.

The London diplomatic sources say the Western envoys will meet Foreign Minister Molotov—and possibly Stalin himself—again in the Kremlin soon to lay down terms for a new currency arrangement to be worked out later by the military governors.

The informants said Stalin has given assurance that Russia's Berlin blockade will be lifted if an agreement is reached.

When such an agreement is reached, they added, a four-power communiqué will be issued simultaneously in the four capitals announcing the results, in general, of the month-long talks.

"Last" Meeting Seen

Moscow, Aug. 26 (AP)—The three Western envoys prepared today for what may be their last meeting here in this phase of four-power talks over Germany and other East-West differences.

GILMORE

There is a good chance that the meeting will take place today, although there has been no official announcement. There also is nothing definite on the release of a four-power announcement of the results of the Moscow talks. That may come today, too.

The Western diplomats—United States Ambassador Walter B. Smith, French Ambassador Yves Chataigneau, and Frank Roberts, special British envoy—met at noon in Smith's office.

None of the envoys arrived at his office early, indicating that the American, British and French representatives may be preparing for a long evening. They met for four hours and 40 minutes Monday night with Prime Minister Stalin and Foreign Minister V. M. Molotov.

General Area Of Agreement

A highly informed source said Tuesday that a general area of agreement had been reached and that further lengthy negotiations would deal largely with technicalities.

Considerable time and consultation may be required by technical experts in various fields to solve these technical problems.

Many persons agree that progress has been made in the talks. No one is totally optimistic or pessimistic about the overall outcome of the negotiations, which began here July 31.

After the noon meeting, the three Western envoys awaited some new communication from abroad before going ahead with the request for another meeting with Molotov. It was not disclosed from which government the new communication was awaited.

It is also likely that the Western envoys will ask another meeting with Stalin himself.

Local Elections Postponed By French

Paris, Aug. 26 (AP)—The National Assembly postponed today local French council elections scheduled for October. The action was considered a tactical setback for Gen. Charles De Gaulle's Rally of the French People (RPF).

RPF leaders had hoped to precipitate a national election by winning sweeping victories in the October balloting to choose department general councils. The councils are roughly similar to county commissions or boards of supervisors in the United States.

The Assembly, however, quashed this hope by voting 208 to 166 to delay the elections pending a reorganization of the departmental system. A Government spokesman promised the reorganization would be accomplished in time for elections in May.

Change in Franc Forecast

PARIS, Aug. 26 (AP).—Informed foreign sources in Paris look for France to make another change in the franc soon. They say it is expected France will establish a single rate at 324 francs to the dollar, replacing the present 305 francs on the free market and 214 on the controlled.

Sicily Remains Peaceful In Communists' Strike

Rome, Aug. 26 (AP)—Sicily remained peaceful today, despite a Communist general strike call issued following the arrest of a group of Communists there, dispatches said.

Communist newspapers said the Sicilian strike was a "complete success" everywhere. Opposition papers declared it had failed. There were no reports of disorders.

The usually well-informed *Giornale Della Sera* said a two-hour strike was effective in Palermo.

Russ Delegate Wants U.N. To Quit America

Geneva, Aug. 26 (AP)—Russia intensified its campaign today for the removal of the United Nations from Lake Success.

The Soviet delegate to the United Nations Economic and Social Council, Amasap Arutiunian, declared it is "increasingly evident that the political atmosphere in and around Lake Success is unsuitable, not only for the Economic and Social Council, but for all other organs of the United Nations."

Arutiunian supported a Chilean proposal to hold the Council's 1949 summer session in Geneva, which was adopted, eleven votes to seven.

The general conditions of work at Lake Success are "a scandal," the Soviet delegate declared. The work of the United Nations there is done "in a kind of hangar, with artificial light and air," he said.

Referring to New York's weather, Arutiunian said, "The summer is not much more agreeable there than the winter, from either a weather or a political point of view."

RUHR OUTPUT OF COAL RISES

July Production Breaks All Postwar Records

Geneva, Switzerland, Aug. 26 (AP). Coal production in the Ruhr broke all postwar records in July and reached nearly 70 per cent of the prewar average.

Monthly statistics published today by the Economic Commission for Europe showed that production continued to rise last month in all Europe's major producing countries except Britain and Belgium. Poland's production exceeded 6,000,000 tons for the first time in history.

British Exports Rise

Despite a drop in British production, Britain's exports increased again in July and reached another postwar record. For the second month in succession, Britain exported more coal than in the whole of last year, and more than one third of the prewar monthly average.

The Ruhr produced 7,761,000 metric tons of coal in July, an increase of 350,000 tons over the previous postwar record set up in June. Nearly twenty per cent of the Ruhr's production was exported to the countries of Europe.

France received more than one third of Ruhr coal exports while substantial amounts also went to Austria, Belgium, Italy, Luxembourg, the Netherlands, Sweden and Switzerland.

AUG 1948

Silesian Mines Included

Production in Poland, including the former German Silesian mines, reached 6,036,000 tons in July, the highest total ever recorded. This figure represented an increase of more than 200,000 tons over the previous record set up last May, and stood ten per cent above the prewar monthly average for all the mines now under Polish administration.

The countries of Europe, excluding the Soviet Union, received 1,110,000 tons of coal from Poland, a slight decrease from the previous month's total, but still well above the postwar average.

British coal production in the four-week period ending July 31 totalled 14,100,000 metric tons, a drop of more than 2,500,000 tons from the same period in June. The decrease, caused mainly by the summer holiday period, was not yet reflected in British exports.

During the four weeks ending July 31, Britian exported 1,100,000 tons of coal, an increase of 65,000 tons over the postwar record set up in the same period of June.

Largest Share To Eire

The largest share of British exports went to Eire, which received 142,000 tons during the four-weeks' period. In the same period, Italy received from Britain 114,000 tons, Spain 113,000 tons, Denmark 99,000 tons, Argentina 95,000 tons and Sweden 90,000 tons. Substantial British exports also went to Brazil, Canada, Finland, The Netherlands, Norway, Portugal and Gibraltar.

Production in Belgium dropped by over 300,000 tons in July to 1,983,000 tons, the lowest total since February of this year. French production, including the Saar, rose slightly by 40,000 tons to a monthly total of 5,207,000 tons. A similar increase of 40,000 tons was recorded in the Netherlands mines, which produced a total 956,000 tons.

United States coal shipments to Europe totaled 1,917,000 tons in July, a 200,000-ton increase over the previous month.

War Crimes Trial Cites Spies' Fate

Nuernberg, Germany, Aug. 26 (AP)—Before the Stalingrad campaign, captured Russians were willing to work for the Germans as spies against their own people, an Amercian war-crimes court was told today.

After the debacle of Gen. Friedrich von Paulus's 6th German Army, the turning point in the Eastern war, the Soviet prisoners changed their attitude and stubbornly refused such assignments.

This was brought out in a trial brief submitted by Alexandre G. Hardy against Walter Schellenberg, former confidant of Gestapo Chief-tain Heinrich Himmler.

Trained Russians As Spies

Schellenberg, on trial for war crimes, was the instigator of "Operation Zeppelin," in which the Russians were trained to act for the German spy corps. The plan to use Russian prisoners for messengers and in communication work, in addition to espionage, was inaugurated by Schellenberg in 1942.

In the beginning, he said, many Russians were willing to quit their prisoner status and take the jobs because "they were treated extremely well. They were shown the best possible kind of treatment."

The Soviet spies were taken around Germany, shown industry and farms and super highways to impress them with German might.

At that time, the Luftwaffe dropped hundreds of the renegades behind Russian lines.

Fewer "Volunteers"

After the reversal in fortune along the Stalingrad front, Schellenberg said "volunteers" had to be chosen from only the most carefully screened Russian prisoners. The reliable ones were few and far between.

The operation entered into Schellenberg's trial because of what happened to some of the Soviet spies. The prosecution introduced evidence to show that the Russians, after their missions were accomplished, were taken to Auschwitz and killed.

A witness who survived Auschwitz testified against Schellenberg that the Russian agents were slain there.

German Couple Seeks To Return From U.S.

Hof, Germany, Aug. 26 (AP)—An elderly German couple, who migrated to the United States eight months ago, now want to come back.

But it's doubtful whether they can.

American Military Government officials here today told this story:

Johann and Anna Buchmeier of the Bavarian village of Oberkotzau, like many another German in the postwar chaos, wanted to get out.

They succeeded in obtaining visas. They went to live with their son in Elmwood Park, Ill.

But they were lonely for their home town and their friends. They applied for a return permit, which was referred here.

Military government officials are rejecting it since all available space must be used for expelees and refugees, many of whom still are living in dreary camps.

Wilkes To Command U.S. Navy Force In Germany

Frankfurt, Germany, Aug. 26 (AP). Rear Admiral John Wilkes, of Charlotte, N.C., will assume new duties tomorrow as commander of United States naval forces in Germany, United States Army headquarters said tonight.

Wilkes, who during the war commanded a submarine squadron credited with the sinking or damaging of 55 enemy vessels, succeeds Rear Admiral Roscoe E. Schuirmann who is returning to the United States.

Czechs, Russians Sign Pact

Prague, Aug. 26 (AP)—A Czechoslovak trade delegation returned from Moscow today and announced a new Russian-Czech trade pact. Antonin Gregor, commerce minister, said the agreement provides for an exchange of goods valued at $100,000,000 during 1949.

Yugoslav Note Widens Red Bloc Split

Belgrade, Yugoslavia, Aug. 26 (AP)—Yugoslavia has charged Romania with trying to incite Yugoslav citizens to open revolt against Premier Marshal Tito's regime.

A formal note protesting anti-Yugoslav activities of "responsible state functionaries" and charging violation of existing treaties was delivered by Yugoslavia to Romania last night.

The charge is considered the most critical development in Communist-bloc relations since publication of the Cominform charges against Yugoslavia's leaders and the decision by Albania to scrap her treaties with Yugoslavia.

Significant Points

Two points in the move were significant:

1. Foreign Minister Stanoje Simic, who is not a member of the Communist party, handed the note to the Romanian Ambassador.

2. The note does not confine itself to diplomatic language. The move had been predicted yesterday when *Borba*, the Communist newspaper, declared that it is "senseless and hypocritical" to assert that relations between the Communist parties and between states are different things.

Diplomatic circles here said they saw in the declaration a Yugoslav refusal to permit Russia and her satellites to keep up the pretense that Yugoslavia's controversy with the Communist bloc states is only a party fight.

Details In Broadcast

The Yugoslav news agency, Tanjug, reported details in a Belgrade broadcast.

The note singled out Mrs. Ana Pauker, Foreign Minister of Romania, as one who has "openly called for the elimination of the present state leadership in Yugoslavia."

In addition, the note said, the press, radio and officials of Romania have addressed gross insults and "most shameful expressions" to Tito and the majority of the Yugoslav people.

It was the latest episode in the conflict between Tito and the Russian-dominated Cominform (Communist International Information Bureau). This nine-nation organization split with Tito and his lieutenants in July.

Romania has sided with the Cominform, in which Mrs. Pauker is a leading spirit.

"Degenerating" Nation

The note said state officials and the press and radio of Romania "have of recent months been attempting to depict Yugoslavia before the Romanian people as being a country which has supposedly separated itself from the anti-imperialist front."

It added that Yugoslavia has been pictured as a nation "supposedly degenerating into a bourgeois state, in which there allegedly is no democratic order, in which anti-Soviet propaganda is being conducted."

The note said these statements "are being corroborated by such dishonorable methods of spreading untruths as, for example, the allegation in the paper *Romania Libera* of July 26 this year that Yugoslavia is concluding a financial agreement with the American Secretary of State, Mr. Marshall."

Tanjug quoted the note as saying that all this adds up to a campaign against Yugoslavia and her people which contradicts the Yugoslav-Romanian treaty of friendship, co-operation and mutual aid.

Death Of Jovanovic

The note said the campaign against Yugoslavia reached a climax lately "in connection with the attempted flight to Romania of Col. Gen. Arso Jovanovic and his death."

Jovanovic, former chief-of-staff of the Yugoslav Army, was killed by a border guard while trying to reach Romania, August 12, the Yugoslav Government has announced. Rador, the official Romanian news agency, accused Tito and other members of the Yugoslav Government of treason and "horrible murder" in Jovanovic's death.

Yugoslavia dismissed her Ambassador to Romania last month. Tanjug said the Ambassador has been denounced by employés of his embassy as a traitor, had refused to return to Yugoslavia and had "placed himself under the protection of Romanian authorities."

Yugoslavs' Attack On Romania Ends Pretense Of Party Fight

Belgrade, Aug. 26 (AP)—Yugoslav has moved to raise her quarrel with Russia and other Communist countries to Government level.

Diplomatic sources took this view today of the action of Foreign Minister Stanoje Simic in handing the Romanian Government a note accusing Romania of violating the much-publicized treaties of friendship, co-operation and mutual assistance between the two countries.

Specifically the note charged Romanian officials with inciting Yugoslav citizens to open revolt against Premier Marshal Tito's regime.

Diplomatic circles here saw the declaration as a step to end the pretense of Russia and her satelites that the quarrel is only a party fight and below government level.

Viewed As Critical Move

The move is considered the most critical development in Communist-bloc relations since publication of the Cominform (Communist International Information Bureau) charges against Yugoslavia's leaders and the decision by Albania to scrap her treaties with Tito.

Yugoslavia now has charged Romania with outright violations of the treaties. Observers believe that unless the Bucharest Government apologizes, the incident may set off a chain reaction throughout the rest of the "peoples democracies," who have woven an interlocking system of such treaties.

An editorial in the Communist newspaper *Borba* said it was "senseless and hypocritical" to assert that relations between the Communist parties and between states were two different things.

Breach Believed Complete

The editorial made clear that the Yugoslav Communists, are convinced that the breach between this country and other Communists is complete and beyond repair.

The Yugoslav note directly accuses not merely the Communist party of Romania but responsible state functionaries of trying to incite Yugoslav citizens to open revolt and overthrow of the legal Government of Yugoslavia. Such a charge is one of the most serious that can be made against another nation in the realm of international relations.

Finally Made Government Issue

From the Communist point of view, two things were significant in the Belgrade move—the note does not confine itself to diplomatic language and it was signed by Simic, who is not a member of the Communist party.

Up until now, the Yugoslavs had played their hand cautiously, being careful to underline a desire for co-operation with Russia and the "peoples democracies." The Cominform countries, however, continued bitter attacks on the Tito hierarchy, and Belgrade finally made the issue Government versus Government.

GREEKS OPEN NEW THRUST

Start Campaign Against Rebels On Yugoslav Border

Athens, Aug. 26 (AP)—Greek Army forces have opened a new offensive against 800 to 1,000 Communist-led guerrillas along the Greek-Yugoslav border northwest of Salonika, a communique said today.

Initial fighting took place in the area of Mount Kaimaktchalan, astride the border.

Other battles with guerrillas were reported in the Roumeli sector with 25 guerrillas killed and in the Suli area south of Ioannina, where the Greek forces captured a mountain position and killed nineteen guerrillas.

In the Vichi area only a few miles from the Yugoslav border, another height fell to the army forces. It is in this region northeast of Katoria where Markos Valfiades, the guerrilla leader, may make another stand against the army.

The government in Athens announced the execution of three Communists—one of them a woman. She is Ismini Sidiropolous, described as a former secretary and member of the Politburo in the Markos "Free Greece" government. She had been captured in Anthens.

Ten other Communists were ex-

ecuted in Lamia.

[The Moscow radio tonight quoted the Albanian news agency as saying Greek artillerymen at Alevits fired shells 100 yards into Albania last Sunday. A Tass dispatch from Tirana quoted the Albanian agency as saying the Greeks also machine-gunned and made three flights over Albanian territory in what it termed "new provocations." The broadcast was heard in London.]

Greek Rebels Lose Battles In 4 Areas

Athens, Aug. 26 (AP)—The Greek army won skirmishes with guerrillas in four areas in the north, a communiqué said today. Elsewhere, thirteen Communists were executed, including a woman.

In the Mount Kaimaktchalan area, northwest of Salonika, the army launched a new offensive. This mountain lies astride the Greek-Yugoslav border.

Government troops took one height from the guerrillas in the only action reported from the Vitsi area. This was a local attack northeast of Kastoria. A sharp battle was fought in the Roumeli sector, and in the Souli area the army took heights from the rebels, the communiqué said.

Three Communists were executed in Athens and ten in Lamia. One of those executed in Athens was Ismini Sidiropoulu, a woman who was a former Minister of Justice in the so-called "Free Greek" Government.

Tass Reports On Albania

In London, the Soviet news agency Tass was said in a dispatch from Tirana that Albania is offering refuge to Greek guerrillas and "all foreign citizens who are persecuted for their democratic activity."

The Greeks complained at Lake Success that Albania is continuing her alleged aid to Greek guerrillas despite United Nations appeals.

The guerrillas claimed to have won a "great victory" in the Grammos campaign and to have inflicted 25,000 casualties on the Greek Army. The claim was made in Guerrilla Chieftain Markos Vafiades's order of the day, broadcast by the "free Greece radio" and relayed in London by the Yugoslav news agency Tanjug.

Soviet-Turk Co-operation

Two Countries Discuss Plans For Dam on Aras River

ISTABBUL, Aug. 26 (AP).—Turkish informants said today Russia and Turkey have exchanged plans for construction of a dam on the Aras River.

The river flows from Soviet Armenia into Turkey. The countries agreed twenty-one years ago to build a dam, but nothing developed until the session several days ago at a barren eastern frontier post, identified only as "Outpost No. 48."

A Russian commission handed the Turks the Soviet plans. Turkey in return handed the Russians a counter proposal. The plans were not divulged.

PARLEY HOPES TERMED GOOD

Improved Chances Seen For Agreement At Kremlin

By EDDY GILMORE

Moscow, Aug. 26 (AP)—The diplomatic forecast changed from "fair" to "good" in Moscow tonight.

Informants who had said previously there was a fair chance of a four-power agreement coming out of the Kremlin talks now rated prospects as good.

The informants emphasized that their forecast applied to agreement on procedure for attempting to solve differences between the East and West.

Prepared For Another Meeting

They did not mean that the United States, Britain, France and Russia had settled or were about to settle all the questions discussed at the Kremlin.

Walter Bedell Smith, United States Ambassador; Yves Chataigneau, French Ambassador, and Frank Roberts, special British envoy, prepared for another meeting with Vyacheslav M. Molotov, Soviet Foreign Minister. It would be the eighth Kremlin conference since the talks opened July 30.

Chances appeared good that the meeting would be held tomorrow.

The Western envoys met at the American Embassy today and came away apparently satisfied with the way things were going.

Power Announcement Expected

A four-power announcement on the status of the talks is expected. The wording may be framed at the next meeting with Molotov.

As the Moscow phase of the talks drew toward a close, rumors and speculation over future events were heard from various foreign capitals.

One was that the Allied military governors in Germany had been instructed to take over the talks. It can be authoritatively stated, however, that there has been no agreement up to now to justify that report.

Stalin Said To Grant Role

[Authoritative diplomatic informants in London said Prime Minister Stalin had agreed in principle to Western demands for taking part in the supervision of Soviet currency in Berlin.

[The informants said the Western envoys will meet with Molotov to lay down broad principles of the new currency arrangement, which will be worked out subsequently by the four Allied military governors.

[Gen. Lucius D. Clay, the American military governer, asked in Frankfurt for comment on such reports, said "any rumors at this time are purely speculative."

[An official American military government spokesman in Berlin said no information had been received there on agreement to hold a military governors' meeting on the currency situation].

Bevin Calls Meeting

London, Aug. 26 (AP)—Ernest Bevin, British Foreign Secretary, called a Cabinet meeting today after talking with Prime Minister Attlee on the East-West discussions in Moscow.

Earlier Lewis Douglas, United States Ambassador, had talked with Bevin and Sir William Strang, Britain's top German expert, on the Moscow negotiations.

Attlee is in a London hospital under treatment for a skin ailment. An informant said Attlee asked Bevin to tell the Cabinet about developments in Moscow.

Tokyo Rose Held Overseas For Frisco Trial

Tokyo, Aug. 26 (AP)—Mrs. Iva Ikuko Toguri D'Aquino, accused of being one of six dulcet voiced Japanese radio disk jockeys known to American service men in the Pacific as Tokyo Rose, was arrested today.

The specific charge against the American-born Japanese wife of a Portuguese was treasonable activities during World War II. She will be tried in San Francisco after she lands there about September 28 from the United States Army transport General H. Frank Hodges.

Resorted To Sexy Pattern

During the war, six English-speaking Japanese women regaled American service men from Alaska to Australia and Hawaii to Kunming with a spicy radio program of records plus propaganda and sometimes sexy patter. The nickname Tokyo Rose was applied to all six.

The program was popular with GI's for its inaccuracies in detailing military operations, its good selection of records and the sexy remarks. It first became popular during the Guadalcanal and Aleutian campaigns.

One of the highlights of the program was a campaign to persuade GI's not to take atabrine in the jungles. Tokyo Rose told them in a confidential tone that the anti-malaria drug would make them sterile. Service doctors found a lot of men believing her, too.

Action On Clark's Orders

The [illegible]-year-old Los Angeles-born Japanese woman was arrested on orders from United States Attorney General Tom Clark. She was lodged in Sugamo Prison, from which she was released last October after authorities had investigated her.

When she sails for the United States and her San Francisco trial next month none of her relatives will be allowed to accompany her. Repeatedly since the end of the war she has told Americans that she wanted to clear up her status.

Mrs. D'Aquino came to Japan shortly before the war started. She married here.

'TOKYO ROSE' SUSPECT HELD

U.S.-Born Japanese Woman To Be Returned For Trial

Tokyo, Aug. 26 (AP)—The American-born Japanese woman accused of being the "Tokyo Rose" of wartime propaganda broadcasts was arrested quietly today for return to the United States on a treason charge.

The woman, Iva Ikuko Toguri D'Aquino, 32, is scheduled to sail September 15 aboard the Army transport Gen. H. Frank Hodges, arriving in San Francisco about September 28.

The treason statute provides for legal proceedings at the spot where a defendant first sets foot on United States soil, so a Federal grand jury will deal with her case in San Francisco.

Mrs. D'Aquino, wife of a Portugese, was arrested at her home and taken to Sugamo Prison, where authorities for several hours denied any knowledge of her.

Ready For Ten Days

She had been packed, awaiting arrest, for ten days, since the United States Justice Department finally decided to proceed with prosecution.

Attorney General Tom Clark has said that she actually was only one of six English-speaking Japanese women who conducted disk-jockey programs directed at American troops in the Pacific. The others were all Japanese nationals.

Mrs. D'Aquino, officials said, usually broadcast under the name of "Orphan Ann," but American soldiers gave all the women broadcasters the collective name of "Tokyo Rose."

Born in Watts, Cal., and graduated from the University of California at Los Angeles, Mrs. D'Aquino came to Japan in 1941, shortly before the outbreak of war. She married D'Aquino here.

Was Freed In 1946

Arrested after the Japanese surrendered three years ago, she was jailed until October 25, 1946, then released for lack of evidence. Officials said the necessary minimum of two witnesses against her had not then been discovered.

In ordering her arrest, the Justice Department announced that some fifteen Japanese nationals would be taken to San Francisco for the grand-jury hearing and that American witnesses also had been located.

Mrs. D'Aquino, who has been living obscurely in Tokyo, told interviewers several times during the last two years that she was eager to return to the United States and would welcome a trial to "get it over with."

D.C. Questions M'Arthur On Strike Ban

Tokyo, Aug. 26 (AP)—General MacArthur has been questioned by the United States State and Labor departments about the recent dispute with Japanese Government employés, informed sources reported today.

The labor dispute resulted in an order by the Japanese Government prohibiting collective bargaining or strikts among Government employés.

MacArthur is said to have been asked whether the Government's stand conforms to the Far Eastern Commission's labor policy for Japan.

Point Raised By Russ

That point was raised recently by Maj. Gen. A. P. Kislenko, acting Russian member of the Allied Council for Japan. Kislenko wrote to Allied headquarters insisting that the Government's labor ordinance be canceled.

Headquarters sources declined to comment on the questions from Washington, or MacArthur's answer. However, a statement by an Allied headquarters official Tuesday night contained a good hint of MacArthur's reply.

Blaine Hoover, of Chicago, head of the headquarters civil-service division, said the occupation's "experiment" of permitting Japanese Government workers to back up collective bargaining with strike threats had been "a dismal failure."

The Communist-influenced Government labor unions have staged a running battle with every post-war Japanese administration. MacArthur has had to intervene three times to break up the disputes—which the Government was powerless to handle.

The Japanese Communist party and Left-wing labor leaders continue to assail the ban against Government employés' strikes.

South Korea Assembly Lauds General Hodge

Seoul, Aug. 26 (AP)—The Korean Assembly today expressed "deep gratitude and appreciation" to Lieut. Gen. John R. Hodge who will leave tomorrow for the United States.

In a resolution, the Assembly thanked General Hodge for "leading into South Korea a friendly liberating army."

General Hodge has commanded South Korean United States occupation forces since 1945.

At the end of a day-long round of farewells, General Hodge was presented a 700-year-old Japanese saber by Prime Minister Lee Bum Suk at Seoul Stadium.

Quirino Prepared To Quell Reds

Manila, Aug. 26 (AP)—President Elpidio Quirino said today that his Government had sufficient force to quell any disorders that might arise from the Communist-led Hukbalahap army.

Since August 14 some 45 persons have been killed in sporadic outbreaks between the armed peasants and the Philippines constabulary.

The President said he did not consider his amnesty offer to the armed peasants a failure. The offer expired on August 15. The Government offered to pardon all Huks who surrendered their arms for registration. The amnesty covered all crimes except rape.

4,000 Return To Land

Quirino said that about 4,000 unarmed members of the National Peasant Union and displaced persons had returned to the land under the amnesty program. He said the Philippines Government would continue to offer cash loans for crops and to negotiate for the purchase of estates for resale to tenant farmers.

"For those who continue to resist the Government I am now using my right arm," he said. "We want to avoid killing but this Government will not tolerate any private army."

Quirino said that Congressman Luis Taruc, leader of the Huks, realized that public opinion was turning against those who refused to accept amnesty.

"There is no doubt these people are in communication with Communists," he said.

Sydney, Aug. 26 (AP)—A party of Australian members of Parliament returned to Sydney today to face a barrage of press queries about their shaking hands with Emperor Hirohito.

Col. Rupert Ryan, Victoria Liberal, said the greeting was just normal courtesy.

"The Emperor," he said, "is part of the Japanese Constitution. We saw him as part of our examination of the Constitution."

Bernadotte Says Israel Violates Palestine Truce

Stockholm, Aug. 26 (AP)—Count Folke Bernadotte today threatened to cite Israel for violating the Palestine truce unless Jewish troops are removed from International Red Cross zones in Jerusalem.

The United Nations mediator instructed Gen. Aage Lundstroem, his chief of staff, to get a final answer from Israeli Foreign Minister Moshe Shertok. Failure to comply will bring a direct report to the security council, which ordered the Holy Land truce.

Brig. Gen. William Riley of the United States Marine Corps and Bernadotte's special representative in Jerusalem, said the local Jewish commander refused to move his troops from the Red Cross area. Bernadotte asked Lundstroem to draw the attention of the Israeli Government to "this serious incident."

Bernadotte's action was regarded as a major test of his authority to regulate the positions of the Jewish and Arab forces during the cease-fire.

In Jerusalem, Israel notified a U. N. official of "52 cases of truce violations by Arabs." The incidents—described as sniping, fire from automatic weapons, shelling and concentrated attacks—were laid before John I. McDonald, U.S. consul general and chairman of the America-French-Belgian U. N. Consular Truce Commission. Dr. Bernard Joseph, Israel's military governor for Jerusalem, made the report.

In Cairo the Arab League accused the Italian Government of allowing Zionists to use Italy as a center "for smuggling of immigrants, weapons and goods to Palestine."

U.N. Mediator Threatens To Cite Israel Under Truce

Stockholm, Aug. 26 (AP)—Count Folke Bernadotte today threatened to cite Israel for violating the Palestine truce unless Jewish troops are removed from International Red Cross zones in Jerusalem.

The United Nations mediator instructed Gen. Aage Lundstroem, his chief of staff, to get a final answer from Israeli Foreign Minister Moshe Shertok. Failure to comply will bring a direct report to the Security Council, which ordered the Holy Land truce.

U.N. Policies Criticized

Jerusalem, Aug. 26 (AP)—Col. Moshe Dayan, Jewish military commander in Jerusalem, today discussed in a press conference what he termed the ineffectiveness of United Nations action in the Holy City.

Dayan pointed out that United Nations observers had not reacted to constant Arab violations of the Jerusalem truce, but had termed the Jewish "protective action" in reoccupying an agricultural training school in the Red Cross area as "a flagrant violation."

The Jewish commander said the Jews moved into the school after the Egyptians had failed to answer United Nations proposals to establish a neutral belt around the Red Cross zone. The Jews had no alternative, Dayan said, but safeguard the school, which is Jewish property and which was menaced by the proximity of the Arabs.

Dayan enumerated occasions where the United Nations admittedly failed to move the Arabs from positions they occupied during the truce. On these occasions, he said, the United Nations did not take appropriate action.

Shelling By Arabs Charged

A Jewish communiqué today said the North Talpioth and Mea Shearim quarters were shelled last night by Arabs in the region of the British Consulate. This morning, it added, the Arabs mortared the Ramat Rehel settlement south of Jerusalem from a flour mill near Sur Bahir village.

Irgun Zvai Leumi today reaffirmed its promise to "end its separate existence as a military formation" if Jerusalem is annexed to Israel.

Truce Violations Laid To Arabs By Israelis

Jerusalem, Aug. 26 (AP)—The Jews made new charges of truce violations by Arab forces in Jerusalem yesterday.

An Israeli Army bulletin said Egyptian troops tried to advance across no-man's-land toward a Jewish suburb. Israeli troops drove them back, the bulletin added.

It also said hand grenades were thrown from Arab positions within the Old City walls at Jewish troops holding the Mount Zion area. Jewish positions in the area of the New Gate also were subjected to fire from automatic weapons and artillery, the bulletin said.

The northern Jerusalem headquarters of Mea Shearim and Beit Israel came under 3-inch mortar shellfire.

Syrian Refugee Plea

In Stockholm, the Syrian delegation asked the International Red Cross conference to send out an appeal for the repatriation of 300,000 Arab refugees in the Middle East. The delegation said $6,000,000 would be needed to give adequate help to displaced persons in Palestine and neighboring areas.

In Baghdad, Assyrian leaders announced that the Assyrian peoples of Iraq will send one division of soldiers to join the Arab Palestine armies.

BURMA REBELS FIGHT IN HILLS

Reports To Rangoon Confirm Kerenni Tract Uprising

Rangoon, Aug. 26 (AP)—Sima Duwa Sinwa Mawng, president of the frontier areas, today confirmed that an insurrection had broken out in the Kerenni Hill tracts, 70 miles northeast of Toungoo.

In a letter to Sao Shwe Thaike, Burma Union president, he said: 'Karenni people are trying to wrest power from the Burma Union government by armed force."

Previous reports said rebels had attacked the Mawchi mines in the Karenni Hill tracts yesterday and taken a mine official captive. Three Burmese newspapers reported today martial law had been declared in Karenni.

One Major Incident

The War Office in Rangoon did not deny the reports but said it was awaiting confirmation of them from the Karenni states.

There was little rebel activity during the last 24 hours, according to today's official communiqué. It mentioned only one major incident.

The incident occurred in Kalaukchaik, across the Hlaing River from Rangoon. Rebels attacked a police station from where they obtained fifteen guns of unspecified type. Traveling upstream in sampans towed by motor launches, the rebels encountered home guards and suffered ten casualties. The communiqué said the rebels were injured in a shooting exchange with home-guard units.

It added that troops were sent to Monyo, west of Tharrawaddy River, where the town reportedly was threatened by a rebel band.

Large-Scale Battle Reported

Reports reaching Rangoon today said Hmawbi, 30 miles from Rangoon on the main road to Prome, was the scene of a large-scale battle yesterday between loyal troops and rebels.

Earlier reports had said the rebels had established a roadblock at Hmawbi in an effort to cut off Prome from Rangoon.

First reports said the battle ended when the rebels fled, leaving behind heavy casualties. Government casualties were not known.

Rebels Defeated In Fight Near Rangoon

Rangoon, Burma, Aug. 26 (AP)—Scattered reports said today that Hmawbi, 30 miles from Rangoon, on the main road to Prome, was the scene of a large-scale battle yesterday. Dispatches said the skirmish ended at sundown with Communist-led rebels in flight, after sustaining heavy losses.

Earlier reports said the rebels had laid a road block at Hmawbi in an attempt to ring Rangoon and cut it off from the hinterland. Government casualties were not disclosed.

The Government said yesterday that the rebels were in full flight from the Tharrawaddy district in midwestern Burma, pursued by loyal troops who had split the rebels into two groups.

The Government said the insurgents are attempting to escape to Arakan on the west and Toungoo, in central Burma.

a radio address appealing to the people of Burma to exert all-out efforts to quash the rebellion.

The political sources do not see how the government, supported by the majority of the army and employing modern weapons including airplanes — against which the rebels have no comeback — can lose. But a war of attrition might be as disastrous for the government.

Burmese Troops Split Red Forces

Rangoon, Burma, Aug. 26—(AP)—The government announced that Communist-led rebel forces were in full flight from the Tharrawaddy District in Midwestern Burma, pursued by loyal troops who had split the rebels into two groups.

The rebels are attempting to escape to Arakan on the West and Toungoo in Central Burma, the government said.

The latest communique detailed government successes on all fronts, including the killing of six well known Communist leaders and capture of another.

Experienced political informants here have expressed concern for the future of the seven-month-old republic of Burma unless the revolt is crushed and normal conditions restored without delay.

The seriousness of the present situation was emphasized Monday when Premier Thakin Nu made

Foreign Nations 'Clear' In India Arms Trade

New Delhi, India, Aug. 26 (AP)—Home Minister Sardar Vallabhbhai Patel said today "no foreign country is involved in supplying arms or ammunition to Hyderabad."

He told Parliament the Government is satisfied on this point after making inquiries through its envoys. Patel added, however, that some "individual foreigners" might have been involved in gun-running.

He said Moslem Razakars of Hyderabad have made 105 raids into India's central provinces, killing 28 persons and injuring 29 and causing property losses of 100,000 rupees.

Ceasefire Is Sought

A United Nations Commission, meanwhile, decided to send several alternate delegates to Srinigar to begin a political and economic survey of the state of Jammu and Kashmir. The commission is seeking a ceasefire. The shooting there began when the Hindu Maharajah of Kashmir acceded to India and Moslem tribesmen started fighting.

The commission drafted a telegram to United Nations Secretary General Trygve Lie at Lake Success stressing the need for appointment of a military adviser of general's rank to serve with it. It repeated its request that Lie be prepared to name on short notice 40 military observers for service in Kashmir. They would keep watch during the projected ceasefire.

Unofficial sources in Karachi said Pakistan will insist that the observers come exclusively from North and South America.

Canterbury's Dean Invited To Australia

Melbourne, Aug. 26 (AP)—The Very Rev. Roscoe Wilson, dean of Melbourne, said today that the Dean of Canterbury, Dr. Hewlett Johnson, has been invited to Australia by Communists.

Dr. Johnson, known in England as the "Red Dean," recently was refused a visa to enter the United States. He has announced receiving a pressing invitation to visit Australia.

Dean Wilson said no ecclesiastical communication of any kind was sent to Dean Johnson.

Dr. Johnson added: "The Dean of Canterbury is a much more important dean than I am. He is a member of our church so we could not do anything else but receive him—red, amber or just green."

Police Seize 'Agent' In War-Assets 'Deals'

Montreal, Aug. 26—Sought by police in several cases of false pretences, David Lapointe, 46, self-styled investigator for the War Assets Corporation, has been arrested.

Lapointe was arrested by detective sergeant George Poirier and Alfred Emond who recognized the wanted man from photographs they had seen at police headquarters.

Detectives say at least two persons complained of being fleeced of sums of $120 and $200 by the detained man. They said that they were approached by Lapointe during the past twelve days and that he said he was a War Assets Corporation investigator. In return for information obtained from them, Lapointe allegedly offered to take them to the War Assets warehouse where they could purchase merchandise.

Before the transaction, however, Lapointe is said to have demanded money which he said he would use as a down-payment. After getting the money, police say he departed, telling the men to wait while he completed the deal. He never reappeared.

U.S. Keeps Tight Grip On Letters By Kasenkina

Soviet persecution "destroyed" her life, Mrs. Kasenkina says. [Page 3.]

Washington, Aug. 26 (AP)—The State Department kept a tight grip today on two letters which may shed new light on the dispute between the United States and Russia over the Soviet schoolteachers who balk at returning home.

Moscow said the letters were written by Mrs. Oksana S. Kasenkina before she leaped from a window of the Soviet consulate in New York two weeks ago.

Unexpectedly responding to an official American request, Russia enclosed photographic copies of the letters with the bristling note announcing an end to consular dealings between the two countries.

Very Hard To Translate

That was Tuesday night. The State Department put off a decision whether to make them public with the explanation that Mrs. Kasenkina's Russian script was very hard to translate.

Whether the 52-year-old teacher herself will be asked for help in translating and to verify that she wrote the letters was left unanswered.

From her hospital bed in New York, Mrs. Kasenkina told reporters yesterday one letter was written to Soviet Consul General Jacob M. Lomakin nearly a month ago when she was at the Reed farm anti-Soviet colony. It was this communication which prompted Lomakin to "rescue" her and set off a long train of consequences in the bizarre case.

The other was left by Mrs. Kasenkina before her escape leap from the consulate August 12. New York police had possession of it briefly but turned it back unread to Lomakin.

Lomakin Omitted Sections

At a news conference before his recall was ordered, the consul general read portions of the first letter, but omitted large sections.

The State Department, in demanding last week that Lomakin leave for "abuse" of his official privileges, told Moscow copies of the two communications would help in the investigation of Russia's charges that American authorities had acted improperly.

Aside from the letter angle, the case of the runaway schoolteachers promised few other developments. Secretary of State Marshall, asked whether the United States would reply to Moscow's latest note, said he had not decided. He said the United States is prepared to accept the Russian consulate decision, and he brushed off the Russian action as of slight importance to troubled Soviet-American relations.

2 KASENKINA 'LETTERS' ARE BEING CHECKED

N.Y. Police To Find Out If Photos Forwarded By Russia Are O.K.

Washington, Aug. 26 (AP)—Photographs of two letters Moscow said were written by Mrs. Oksana S. Kasenkina are being turned over to New York police to find out whether they are genuine.

The State Department announced the action today, without stating whether there is any official suspicion that they were not written by the refugee Russian schoolteacher.

But Michael J. McDermott, State Department press officer, said "their authenticity has not been confirmed." Other officials made plain they expected the New York police will check personally with Mrs. Kasenkina in Roosevelt Hospital where she is recovering from injuries received in her leap to freedom from the Soviet consulate.

Asked Russia For Copies

The State Department asked Russia for copies in last week's note which directed that the Soviet consul general in New York, Jacob M. Lomakin, must leave the United States.

Moscow unexpectedly complied with the latter request with an order to close down the Soviet consulates in New York and San Francisco and serving notice the United States consulate in Vladivostok likewise must close.

The letters may hold the key to Mrs. Kasenkina's actual frame of mind when she was at the Reed farm, an anti-Soviet colony in New York, and later when she leaped from the consulate. Lomakin declared he "rescued" her from White Russian "kidnappers."

Wrote To Lomakin

Mrs. Kasenkina has said she wrote Lomakin once from the farm. The other communication was the note she left in her room when she leaped from the consulate window two weeks ago.

She told reporters yesterday in her first interview that the first letter made clear she wanted to break with the Soviet regime and that she leaped to get out of Lomakin's custody.

The Voice of America beamed to Russia today a recording of the interview with Mrs. Kasenkina.

The State Department said the recording was made during the press interview and contains the voice of Mrs. Kasenkina answering questions in Russian to inquiries by reporters. Her replies were translated into English.

Temperature Is Normal

Meanwhile, Mrs. Kasenkina's physician said her temperature went down to normal today for the first time since her admission to Roosevelt Hospital 15 days ago.

Her physician said she would undergo an operation on her fractured knee Saturday.

Garrard Winston, of the Roosevelt Hospital board of trustees, said the teacher had agreed to have an "independent" lawyer advise her.

Mrs. Kasenkina's financial needs may be taken care of by a fund set up today by Common Cause, Inc., an anti-Communist organization.

Budenz Says Hiss Worked For Commies

Washington, Aug. 26 (AP)—Louis Budenz, former Communist leader, always considered Alger Hiss to be "under Communist discipline," according to testimony made public today by the House Committee on un-American Activities.

Budenz, now a professor at Fordham University, testified behind closed doors Tuesday.

Hiss, a former policy-making official of the state department, appeared at a public hearing before the committee yesterday to deny a charge that he was a member of an "elite" Communist underground in Washington before the war.

The charge had been made by Whittaker Chambers, a Time magazine editor who said he (Chambers) quit the Communists in 1937.

The transcript of evidence showed that Budenz did not claim to know Hiss personally. When asked if he knew Hiss to be a member of the Communist Party Budenz said:

Took Red Orders

"In regard to the relationship of a certain individual to the party, and certainly as far as the constant impression on me was concerned, it was that Mr. Hiss was equivalent to a member of the Communist Party.

"The phrase 'Communist Party member', so far as I refer to it, was never used, but that he was under Communist discipline was used and he was associated with Nathan Witt and Edwin Smith. Of course, this impression was strengthened in my mind, in fact, I knew Mr. Smith to be a member of the party. I had met him as such."

Budenz testified that he knew Witt, Lee Pressman and John Abt as members of the Communist Party also. Chambers also has testified to that effect. All three were lawyers in the old agricultural administration in the early days of the New Deal.

Budenz identified Edwin Smith as a man "who was then a member of the National Labor Relations Board, or who was about to leave it."

Chambers never named Smith as being connected with the Communists.

As late as 1944, Budenz testified, the name of Hiss was mentioned in party circles during discussions of people who could "use some influence."

ECA To Take Over Korea Aid Program

Washington, Aug. 26 (AP)—The White House announced today that the Economic Co-operation Administration has been instructed by President Truman to get ready in the next few months to take over the Korean aid program.

It is now administered by the United States Army. It has been running at a rate of $125,000,000 per year for military government and relief.

Mr. Truman said in a message released by the White House:

"Now that a Korean Government has been established, it will be possible to transfer to a United States civilian agency the economic assistance activity which has been carried on by the United States Army since Korea's liberation in 1945."

More Colonization Planned For Alaska

Washington, Aug. 26 (AP)—The Interior Department is planning a series of "new Matanuska colonies" for Alaska, Assistant Secretary of the Interior William E. Warne said today.

Almost 200,000 acres have already been withdrawn for the first two communities, on the Kenai peninsula between Kenai and Kasilof villages, and west of Fairbanks in the Dunbar area, he said.

Three other tracts are under consideration at sites which the department is not yet ready to disclose. Settlers are planned in groups of 50 or more families each. The plan is not part of the displaced-persons program, Warne said.

Up to 2,000,000 acres, only a small fraction of the land available in Alaska, is contemplated for ultimate withdrawal from the public domain and assignment in settlement tracts, Warne reported.

2 New Weapons Planned By Army

Washington, Aug. 26 (AP)—The Army Ordnance Department has set aside $8,000,000 to develop an improved .50-caliber machine gun for the Air Force and a new lightweight fully automatic rifle for the Army.

Army ordnance officers said it is hoped to develop a machine gun that will be lighter to carry and which could be set up without a tripod.

This would be an especially improved weapon for paratroopers.

The new automatic rifle will be something like the present Garand M-1, it was brought out in congressional appropriation hearings. It would fire .30-caliber bullets, as does the Garand M-1.

The improvement would lie in making the rifle fully automatic, which means it would continue firing until the chamber is empty as long as the trigger is held back. It would be a handy weapon for a spraying attack.

The Garand fires only as often as the trigger is pulled.

Ball Bearings Steel To Be Shipped To Czech

Washington, Aug. 26 (AP)—Commerce Department officials said today a license has been granted to export to Czechoslovakia 7,000,000 steel balls which could be processed in that country into ball bearings.

The value of the shipment was "under $20,000," they said. The name of the exporting United States firm was withheld as being a "confidential" business matter.

Since last March, the department has reduced United States shipments to Russian bloc nations to a trickle. This was done by clamping down on shipments of industrial equipment that might add to Soviet "war potential."

Freedom Sought For 'Axis Sally'

Washington, Aug. 26 (AP)—John M. Holzworth, attorney, said today that "Axis Sally" is being held incommunicado in jail here and filed a petition for her release.

Miss Mildred Gillars has been brought to the United States to face a charge of treason on the ground she broadcast for the Germans during the war.

Holzworth, in his writ of habeas corpus, said Miss Gillars is a German citizen and is "being held unlawfully in the District jail."

He said newsmen seeking to interview her have been "turned down on orders from the Attorney General."

Sponsors Make Appeal For Visa For 'Red Dean'

Washington, Aug. 26 (AP)—A delegation representing the American-Soviet Friendship Society today urged the State Department to reconsider its refusal to permit Dr. Hewlett Johnson, Dean of Canterbury, to visit the United States under its sponsorship.

Dr. Johnson, widely known as the "Red Dean" of Canterbury, has been denied a visa to enter the United States for a lecture tour. The State Department took this action because the society is on the "subversive" list compiled by Attorney General Tom Clark.

In asking for reconsideration, it was understood the society claimed it has been put on the subversive list unfairly and expects the courts to sustain this contention.

Nisei Treason Jury Resuming Deliberations

Los Angeles, Aug. 26 (AP)—A jury resumes deliberations today in the treason case of Tomoya Kawakita, 27-year-old Japanese-American who served as an interpreter in the Jap prison camp at Oeyama during the war.

GI witnesses testified that the California-born Kawakita beat them but the court has instructed the jury it must acquit him if they find the alleged acts were under coercion or compulsion, or if he did them without intent to betray the United States.

"You have been cautioned that this is not a war-crimes trial," said Federal Judge William Mathes. "The defendant is not charged with mistreatment or even cruel treatment of prisoners of war."

Flying Units Replenish Berlin's Candy Bomber

Mobile, Ala., Aug. 26 (AP)—"Operation Little Vittles" grew into a hemispheric project today.

Maj. Gen. Willis H. Hale announced from the Panama Canal Zone that the Caribbean Air Command would collect supplies for the Air Force pilot who has been dropping candy to Berlin kids with handkerchief parachutes. General Hale designated Lieut. Col. Cecil H. Scott as handkerchief project officer.

Learning that Lieut. Gail S. Halverson had exhausted his own supply of handkerchiefs, airmen from the 521st Air Transport Group, to which Halverson's C-54 squadron belongs, have collected several hundred handkerchiefs, a lot of candy bars and lollipops, and some money for Halverson.

Life Ruined By Soviets, Mrs. Kasenkina Says

AUG 1948

New York, Aug. 26 (AP)—Mrs. Oksana Kasenkina says she jumped from a third-floor window of the Soviet Consulate to escape Soviet persecution which had "destroyed" her life.

From her hospital bed, the 52-year-old Russian teacher told newsmen yesterday that she had made up her mind long before she came to the United States that she was going to quit her homeland for good.

A few hours after the interview—in which Mrs. Kasenkina spoke directly to newsmen for the first time since her jump on August 12—Soviet Vice Consul Zot I. Chepurnykh sailed aboard a freighter for Russia.

"No Country Like Home"

"I am going home," said Chepurnykh, "and there is no country in the world like home."

His superior, Consul General Jacob M. Lomakin, stripped of his credentials yesterday by President Truman, has booked passage to leave Saturday.

The consulate itself has been ordered closed by Moscow because of the United States action against Lomakin.

Differing Version

He had given a sharply differing version of the Kasenkina affair than that which came from the lips of the injured teacher.

She said Lomakin and Soviet Ambassador Alexander Panyushkin had "told me what to say" during and earlier interview at the consulate.

At that time, Lomakin said he had "rescued" her from an anti-Communist White Russian camp near New York city to which, he said, the teacher had been "kidnapped."

"They Arrested Me"

Actually, Mrs. Kasenkina said yesterday, "they arrested me," and "they did not permit me to leave the consulate."

"I jumped out of the window to escape," she said. "I didn't want to kill myself. I wanted to escape."

At a time when Mrs. Kasenkina was in critical condition at the hospital from multiple fractures and other injuries, Lomakin said she was trying to commit suicide when she jumped. He said she had been driven into a nervous breakdown and "despair" by harassment by White Russians and American officials.

"Took Away My Husband"

"I wanted to escape," she said through an interpreter, "because in 1937 they took away my husband and I have no idea where he has gone to. He disappeared."

She said her son, a university student, was placed in a Storm Troopers division without training and was killed in Leningrad in 1942.

Then she raised her voice, and added:

"They have destroyed my entire life since I spent all my life on my son and husband. Neither of the two were political people. My son was a student and my husband was a teacher, as was I."

"For Good"

Before Chepurnykh sailed yesterday, he expressed belief the severing of Soviet-American consular relations was "for good."

Saying his farewells at the consulate, he said:

"I have the greatest respect for correspondents who spend time building up and cementing good relationships, but this—" he looked around, threw up his hands in a gesture of despair.

"Maybe, Who Knows"

As he left the consulate, Chepurnykh said he was on his way to La-Guardia Field. Later— after newsmen located him aboard the Soviet freighter Marshal Govorov at a pier in Jersey City, N.J.—he denied he had indicated he was going to depart by plane.

Asked if he ever intended to return to the United States, the vice consul shrugged his shoulders and said, "Maybe, who knows?"

It was Chepurnykh who several days ago visited Mrs. Kasenkina in her hospital room and, according to police accounts, was told by her: "You kept me a prisoner. You would not let me go."

Citizenship Is Sought

He later denied she had made any such statement.

Represntatives of an anti-Communist organization, Common

Cause, Inc., planned a bedside meeting today with the teacher to discuss means of obtaining American citizenship.

Peter Hoguet, attorney for the organization, said a group will be named at the meeting to try to help Mrs. Kasenkina acquire United States citizenship as quickly as possible.

A Roosevelt Hospital bulletin on Mrs. Kasenkina's condition early today said she is "resting comfortably and is much improved."

War Possible, Bullitt Asserts

New York, Aug. 26 (AP)—William C. Bullitt, former Ambassador to Russia and France, said today in the current issue of *Life* magazine, "We may be forced into war this year."

In an article entitled "How We Won the War and Lost the Peace," Bullitt laid "our insecurity" to President Roosevelt's "failure to demand pledges from Stalin in return for lend-lease aid."

Bullitt, Roosevelt's personal ambassadorial representative abroad, wrote:

"In the Summer of 1941 we could have laid down the terms on which we were prepared to give aid to the Soviet Union and Stalin would have been obliged to accept our terms."

Warned Roosevelt

Then, and until V-E day, he said, "we held the power to direct the destinies of the world." He said he warned Roosevelt of the risks of unconditional appeasement of Russia and got this reply:

"Bill, it's my responsibility and not yours; and I'm going to play my hunch."

Bullitt said the late President's "hunch" was that he could get Stalin to accept "Christian ways and democratic principles" by showing him Russia had nothing to fear.

Bullitt also laid the following to Roosevelt:

"The policy of appeasing Japan which lead us by devious paths to the disaster at Pearl Harbor."

"Knew War Was Coming"

"The President had never (before late 1937) revealed to the country the facts in his possession with regard to the ultimate threat to the United States involved in the actions of either the Japanese militarists or Hitler."

"The President knew that war was coming to the American people but in his campaign address at Boston on October 30, 1940, he said: 'Your boys are not going to be sent into any foreign wars.'

"President Roosevelt supported General Marshall" against Winston Churchill, who suggested an "attack through the Balkans or Trieste so that the Danube Valley might be in our hands and not in the hands of the Communists," Bullitt said.

Bullitt said Roosevelt knew "as early as 1934" that Stalin wanted a pact with Hitler and that after Russia's attack on Finland in 1940 the President "used his influence to have the Soviet Union expelled from the League of Nations."

War Not Imminent, GOP Adviser Says

New York, Aug. 26 (AP)—John Foster Dulles, GOP foreign policy adviser, said tonight he did not feel war was imminent.

"The atmosphere is somewhat calmer in Europe this week than it was when I left last Saturday," he added.

Dulles returned by plane from Amsterdam where he attended the assembly of the World Council of Churches.

He said he talked last night with Lewis W. Douglas, United States Ambassador in London, about "the present status of negotiations in Moscow on the Berlin situation." He declined to give details of the talk.

Dulles said he attended the church conference "to give the delegates the American idea on the moral issues of communism."

15 German Editors Coming To U.S.

New York, Aug. 26 (AP)—Fifteen Western German editors have been invited to America to study "the function of a free press in a democratic society," it was announced today. They will stay six weeks, starting next month.

The trip will be financed by the Rockefeller Foundation at the request of Gen. Dwight D. Eisenhower, president of Columbia University. The editors will reside at Columbia as guests of the American Press Institute, which made the announcement.

Floyd Taylor, director of the institute, said "all of these Germans disliked the Hitler regime and some spent years in concentration camps."

Half their stay will be spent in discussion seminars at the institute conducted by 34 leaders in the American journalistic world. Each editor also will pass two weeks as an observer on an American newspaper or magazine.

Indonesia Health Reported Lower

Lake Success, N.Y., Aug. 26 (AP)—The Netherlands Government reported today a general deterioration of health in Indonesia.

In a report to the United Nations on conditions in Indonesia, the Netherlands said there was a marked increase in such diseases as malaria, plague, typhoid, dysentery and smallpox.

"The health of the entire population is gravely threatened," the report said.

The trouble was attributed to conditions which developed during the Japanese occupation and the more recent Dutch-Indonesian conflict.

"These factors, in themselves a serious menace to the general level of health, are enhanced by lack of suitable housing and by inadequate water supply and sewage systems, especially in the larger centers of population,' the report said.

The document outlined steps which were being taken to combat the rise of disease, but said:

"The restoration of the prewar level of public health alone will take many years."

YUGOSLAV (450)

LONDON, AUG 26-(AP)-COMMUNIST YUGOSLAVIA HAS ACCUSED COMMUNIST ROMANIA OF CONDUCTING A "MONSTROUS ANTI-YUGOSLAV CAMPAIGN" AND OF PLOTTING TO TOPPLE PREMIER MARSHAL TITO'S REGIME.

YUGOSLAV FOREIGN MINISTER STANOJE SIMIC HANDED THE ROMANIAN AMBASSADOR IN BELGRADE A NOTE ACCUSING ROMANIAN OFFICIALS OF URGING YUGOSLAVS TO REVOLT AND OVERTHROW TITO, THE YUGOSLAV NEWS AGENCY, TANJUG, REPORTED LAST NIGHT IN A BROADCAST FROM BELGRADE.

THE NOTE SINGLED OUT MRS. ANA PAUKER, FOREIGN MINISTER OF ROMANIA, AS ONE WHO HAS "OPENLY CALLED FOR THE ELIMINATION OF THE PRESENT STATE LEADERSHIP IN ROMANIA."

IN ADDITION, THE NOTE SAID, THE PRESS, RADIO AND OFFICIALS OF ROMANIA HAVE ADDRESSED GROSS INSULTS AND "MOST SHAMEFUL EXPRESSIONS" TO TITO AND THE MAJORITY OF THE YUGOSLAV PEOPLE.

IT WAS THE LATEST EPISODE IN THE CONFLICT BETWEEN TITO AND THE RUSSIAN-DOMINATED COMINFORM (COMMUNIST INTERNATIONAL INFORMATION BUREAU). THIS NINE-NATION ORGANIZATION SPLIT WITH TITO AND HIS LIEUTENANTS IN JULY, CHARGING THEM WITH A HATEFUL POLICY TOWARD SOVIET RUSSIA AND WITH DEVIATING FROM THE MARX-LENIN PHILOSOPHY.

ROMANIA HAS SIDED WITH THE COMINFORM, IN WHICH MRS. PAUKER IS A LEADING SPIRIT.

THE NOTE SAID STATE OFFICIALSPAND THE PRESS AND RADIO OF ROMANIA "HAVE OF RECENT MONTHS BEEN ATTEMPTING TO DEPICT YUGOSLAVIA BEFORE THE ROMANIAN PEOPLE AS BEING A COUNTRY WHICH HAS SUPPOSEDLY SEPARATED ITSELF FROM THE ANTI-IMPERIALIST FRONT."

IT ADDED THAT YUGOSLAVIA HAS BEEN PICTURED AS A NATION "SUPPOSEDLY DEGENERATING INTO A BOURGEOIS STATE, IN WHICH THERE ALLEGEDLY IS NO DEMOCRATIC ORDER, IN WHICH ANTI-SOVIET PROPAGANDA IS BEING CONDUCTED."

THE NOTE SAID THESE STATEMENTS "ARE BEING CORROBORATED BY SUCH DISHONORABLE METHODS OF SPREADING UNTRUTHS, AS FOR EXAMPLE, THE ALLEGATION IN THE PAPER ROMANIA LIBERA OF JULY 26 THIS YEAR THAT X X X YUGOSLAVIA IS CONCLUDING A FINANCIAL AGREEMENT WITH THE AMERICAN SECRETARY OF STATE, MR. MARSHALL."

TANJUG QUOTED THE NOTE AS SAYING THAT ALL THIS ADDS UP TO A CAMPAIGN AGAINST YUGOSLAVIA AND HER PEOPLE WHICH CONTRADICTS THE YUGOSLAV-ROMANIAN TREATY OF FRIENDSHIP, COOPERATION AND MUTUAL AID.

THE NOTE SAID YUGOSLAVIA "MOST ENERGETICALLY PROTESTS AGAINST THIS MONSTROUS ANTI-YUGOSLAV CAMPAIGN" AND ADDED:

"SUCH HOSTILE OUTRAGES AGAINST YUGOSLAVIA, THE YUGOSLAV PEOPLE AND THE GOVERNMENT OF YUGOSLAVIA SERVE ONLY TO WEAKEN AMICABLE RELATIONS BETWEEN YUGOSLAVIA AND ROMANIA AS WELL AS THE DEMOCRATIC)COMMUNIST) FRONT IN GENERAL."

THE NOTE SAID THE CAMPAIGN AGAINST YUGOSLAVIA REACHED A CLIMAX LATELY "IN CONNECTION WITH THE ATTEMPTED FLIGHT TO ROMANIA OF COL. GEN. ARSO JOVANOVIC AND HIS DEATH."

JOVANOVIC, FORMER CHIEF-OF-STAFF OF THE YUGOSLAV ARMY, WAS KILLED BY A BORDER GUARD WHILE TRYING TO REACH ROMANIA AUGUST 12, THE YUGOSLAV GOVERNMENT HAS ANNOUNCED. RADOR, THE OFFICIAL ROMANIAN NEWS AGENCY, ACCUSED TITO AND OTHER MEMBERS OF THE YUGOSLAV GOVERNMENT OF TREASON AND "HORRIBLE MURDER" IN JOVANOVIC'S DEATH.

THE NOTE CHARGED ROMANIAN OFFICIALS WITH TRYING TO PROVOKE MORE SUCH INCIDENTS BY INFLUENCING THE "CAREERIST CLASS, RENEGADES AND DEMORALIZED ELEMENTS" IN YUGOSLAVIA.

YUGOSLAVIA DISMISSED HER AMBASSADOR TO ROMANIA LAST MONTH. TANJUG SAID THE AMBASSADOR HAS BEEN DENOUNCED BY EMPLOYES OF HIS EMBASSY AS A TRAITOR, HAD REFUSED TO RETURN TO YUGOSLAVIA AND HAD "PLACED HIMSELF UNDER THE PROTECTION OF ROMANIAN AUTHORITIES."

SAN SEBASTIAN, SPAIN, FRIDAY, AUG. 27-(AP)-MONARCHIST SOURCES SAID TODAY DON JUAN, PRETENDER TO THE SPANISH THRONE, AND CHIEF OF STATE FRANCISCO FRANCO RENDEZVOUSED IN YACHTS WEDNESDAY OFF THE FRENCH COAST.
THE SOURCES SAID A THREE-HOUR MEETING BETWEEN THE TWO TOOK PLACE ABOARD FRANCO'S YACHT IN THE BAY OF BISCAY.
THERE WAS NO IMMEDIATE REPORT OF WHAT THEY DISCUSSED AND NO OFFICIAL REPORT OF SUCH A MEETING.
THE SPANISH CORTES (PARLIAMENT) APPROVED A "LAW OF SUCCESSION" LAST YEAR MAKING SPAIN "TRADITIONALLY A KINGDOM" AND NAMING FRANCO CHIEF OF STATE FOR LIFE. THE LAW ALSO GAVE FRANCO THE RIGHT TO CHOOSE HIS SUCCESSOR IF HE CHOOSES TO RETIRE BEFORE HIS DEATH.
THE SPANISH THRONE HAS BEEN VACANT SINCE 1931 WHEN DON JUAN'S FATHER, KING ALFONSO XIIIN RELINQUISHED IT. ALFONSO DIED IN 1941.

DON JUAN WENT TO THE RENDEZVOUS ACCOMPANIED BY THE DUKE OF TOMAYOR AND JULIO DAMBILA, A WEALTHY MADRID MONARCHIST, THE INFORMANTS SAID. THE YACHT IN WHICH HE TRAVELED IS OWNED BY PEDRO GALINDEZ, WEALTHY BILBAO INDUSTRIALIST.
THE MONARCHIST SOURCES SAID FRANCO'S YACHT WAS ESCORTED TO THE RENDEZVOUS BY A SPANISH DESTROYER.
IT WAS THE FIRST MEETING BETWEEN DON JUAN AND FRANCO SINCE THE PRETENDER PUT FORWARD HIS CLAIM TO THE THRONE AFTER ALFONSO'S DEATH.
THE NEW LAW OF SUCCESSION PRESCRIBES CERTAIN QUALIFICATIONS FOR FRANCO'S SUCCESSOR, ALL OF WHICH ARE MET BY DON JUAN. HOWEVER, THE PRETENDER, WHO CLAIMS HIS RIGHT TO THE THRONE IS ABSOLUTE, ANNOUNCED AT THE TIME THAT HE WAS OPPOSED TO THE LAW. HIS OPPOSITION WAS REPORTED TO HAVE BROKEN OFF, MORE THAN A YEAR AGO, NEGOTIATIONS BETWEEN HIM AND FRANCO.
THE MONARCHIST SOURCES SAID THAT AS DONJUAN'S YACHT DREW ABREAST OF FRANCO'S VESSEL, SPANISH MARINES GAVE THE PRETENDER A SALUTE. AFTER A LUNCHEON AND THE MEETING, DON JUAN RETURNED TO LISBON.

BY RICHARD K. O'MALLEY
BERLIN, AUG 26-(AP)-THE PATTERN OF MILITARY DEFEAT HAS A
EADLY MONOTONY THE WORLD OVER.
BERLIN, 1948, COULD WELL BE TOKYO, 1945.
FOR HERE AS IN TOKYO, RISING FROM THE TERRIFIC HOLT OF WAR AND
STUNNING DEFEAT IS A SLOW, AND PAINFUL PROCESS.
A SIMPLE WALK THROUGH THE STREETS IS A JOURNEY THROUGH A GRAVEYARD
OF BATTLE, JUST AS IT WAS IN TOKYO. AT NIGHT THE MOON SHINES DULLY
THROUGH SKELETONS OF ONCE-GREAT BUILDINGS WHICH HOUSED THE NAZI
REGIME.
WHERE THE SWIFT BLACK MERCEDES SEDANS OF THE NAZI PARTY CHIEFS
ONCE ROLLED BEFORE CHEERING THRONGS, WEARY BERLINERS NOW PEDAL BICYCLES
OR DRAG TINY WOODCARTS. EVERYWHERE WAR STILL TAPS THE PASSERBY ON
THE SHOULDER.
THE HARSH LINES OF DEFEAT ARE CLEARLY ETCHED ON THE FACES OF

THE PEOPLE. EVERYWHERE THEY CARRY THE MYSTERIOUS SMALL BUNDLES WHICH SEEM TO BE THE BADGE OF A DEFEATED PEOPLE.

IN JAPAN THEY USUALLY CONTAINED A BATTERED CAN FILLED WITH RICE OR SEAWEED. SOMETIMES THEY HELD A RAGGED SHIRT OR A PAIR OF SHOES.

IN GERMANY THEY ARE MOST LIKELY TO HOLD A PRECIOUS PAIR OF PATCHED PANTS, A HUNK OF DARK BREAD OR A DOWN-AT-THE-HEEL EXTRA PAIR OF SHOES.

TO BOTH THE GERMAN AND THE JAPANESE, HOWEVER, THEY REPRESENT OWNERSHIP. AND WITH POSSESSION A MAN IS A MAN AGAIN.

AS9

THE SAME FORMLESS OLD WOMEN WHO COMBED THE FIELDS FOR EDIBLE WEEDS ALONG THE ROAD TO TOKYO'S ATSUGI AIRFIELD CAN BE FOUND IN BERLIN'S SUBURB GRUBBING PAINFULLY IN THE SHRUBBERY. THE SAME OLD MEN HAUL THEIR LITTLE WOODCARTS WITH A HANDFUL OF FUEL TO STORE AGAINST THE WINTER.

THEY DON'T LOOK UP AS CARS PASS. THAT, TOO, IS A MARK OF THE DEFEATED. THE BEATEN ARE NOT CURIOUS. THEY HAVE HAD THE BIG ANSWER.

THE BIG, AND PRACTICALLY ONLY, TOPIC OF CONVERSATION IN BERLIN RIGHT NOW IS THE SOVIET BLOCKADE OF THE CITY. JUST MENTION THE WORD "BLOCKADE" TO A GERMAN AND THEN SIT BACK AND SOAK UP FACT, FANCY, INFORMATION AND THEORY.

TRY TO TURN ON A LIGHT LATE AT NIGHT. IT DOESN'T WORK.

"IT'S THE BLOCKADE," SAYS THE GERMAN HOUSEKEEPER.

THREE LITTLE GERMAN BOYS PLAYING BALL. AN AMERICAN TRANSPORT PLANE DRONES OVERHEAD. THEY STOP THE GAME. "MORE FOOD," THEY CRY.

AN OLDER MAN SAYS:

"I HEAR THE RUSSIANS ARE GIVING BIG BUTTER AND CHEESE RATIONS IN THEIR SECTOR OF BERLIN."

"PROPAGANDA," SAYS A FORMER LUFTWAFFE MAN. "HOW DO YOU KNOW A THING LIKE THAT? HAVE YOU BEEN THERE?"

THE OLDER MAN GRINS.

"I WON'T GO THERE, DON'T FEAR."

IT IS NOT REASSURING TO LIVE IN A CITY WHERE A USUAL WARNING TO A NEWCOMER IS:

"DON'T WANDER INTO THE RUSSIAN ZONE. THEY PROBABLY WILL THROW YOU IN JAIL FOR A DAY OR TWO AND YOU'LL HAVE TROUBLE GETTING OUT."

THAT WARNING, COUPLED WITH THE SPECTER OF GHOSTLY, BOMBED-OUT BUILDINGS, THE APATHETIC BERLINERS TRUDGING THROUGH THE RUBBLE, THE DRONE OF MILITARY AIRCRAFT OVERHEAD AND THE DARK STREETS AT NIGHT, ALL MAKE THE WAR SEEM VERY NEAR AGAIN.

GERMAN (600)

BY RICHARD K. O'MALLEY

BERLIN, AUG 26-(AP)-A FRESH COMMUNIST BLAST AT THE WESTERN ALLIES ECHOED TODAY AMID REPORTS THAT PRIME MINISTER STALIN HAD PROPOSED A FOUR-POWER TALK IN BERLIN TO UNTANGLE THE CITY'S CURRENCY SNARL.

WILHELM PIECK, GERMANY'S TOP COMMUNIST, HARANGUED 3,000 MEMBERS OF THE SOVIET-SPONSORED SOCIALIST UNITY PARTY LAST NIGHT AND CALLED ON THE WESTERN ALLIES TO GET OUT OF BERLIN.

HE ACCUSED THE UNITED STATES OF TRYING TO SADDLE GERMANY WITH YEARS OF MILITARY OCCUPATION AND "POST-WAR RUINATION" OF THE COUNTRY.

PIECK ALSO SAID THE BRITISH-AMERICAN AIR LIFT, WHICH HAS BEEN SUPPLYING INHABITANTS OF THE BLOCKADED WESTERN SECTORS, IS CAUSING DEEP ANXIETY AMONG BERLINERS.

AS WITH THEIR "SENSELESS" BOMBINGS DURING THE WAR, PIECK SAID, THE WESTERN ALLIES ARE TRYING TO "RUIN BERLIN COMMERCIALLY AND AS A CAPITAL."

THE COMMUNIST LEADER QUOTED BERLINERS AS SAYING "TODAY THEY COME WITH FOOD, TOMORROW PERHAPS AGAIN WITH BOMBS."

WHILE PIECK GAVE THE USUAL PARTY LINE, INFORMED DIPLOMATIC SOURCES IN LONDON SAID PRIME MINISTER STALIN HAD PROPOSED A BERLIN CONFERENCE OF BIG FOUR FINANCIAL EXPERTS ON THE CURRENCY TANGLE, ONE OF THE MAIN PROBLEMS AT THE BOTTOM OF THE PRESENT CRISIS.

A LONDON INFORMANT SAID ENVOYS FROM THE UNITED STATES, BRITAIN AND FRANCE HAD CONSIDERED THE SUGGESTION FOR A BERLIN FINANCIAL MEETING DURING THE CURRENT MOSCOW TALKS AND HAD RECOMMENDED ACCEPTANCE.

SOME OBSERVERS FELT THAT SUCH A RUSSIAN MOVE COULD MEAN THE RUSSIANS HAD AGREED AT LEAST IN PRINCIPLE TO WESTERN DEMANDS THAT THEY SHARE IN ADMINISTERING BERLIN'S ECONOMY.

IN BERLIN, HOWEVER, AUTHORITATIVE ALLIED SOURCES MINIMIZED THE CHANCES OF A SUCCESSFUL CONFERENCE ON BERLIN CURRENCY. THEY SAID THAT IF THE MONEY PROBLEM WAS NOT SETTLED AT THE HIGH MOSCOW LEVEL THERE WAS NO REASON TO EXPECT LOWER ECHELONS COULD SETTLE IT IN BERLIN.

AUG 1948

AMERICAN OFFICIALS IN MUNICH ACKNOWLEDGED LAST NIGHT THAT A GERMAN SLAIN BY SOVIET ZONE POLICE INSIDE AMERICAN-OCCUPIED TERRITORY MONDAY WAS ONE OF SCORES EMPLOYED AS INTELLIGENCE AGENTS.

THE OFFICIALS SAID THE GERMAN, WHO WAS SHOT FATALLY AS HE FLED FROM THE SOVIET ZONE, HAD BEEN SENT INTO RUSSIAN-OCCUPIED TERRITORY BY U.S. ARMY INTELLIGENCE AGENTS TO OBTAIN INFORMATION. HIS MISSION WAS LABELLED "TOP SECRET."

PUBLIC SAFETY OFFICIALS SAID THE AGENT WAS SHOT BY GERMAN POLICE FROM THE THURINGIA SIDE OF THE BORDER.

THE EAST-WEST WAR OF INTRIGUE TOOK ANOTHER TWIST TODAY.

THE SOVIET-SPONSORED NEWSPAPER TAEGLICHE RUNDSCHAU CHARGED THAT COUNT HEINRICH VON EINSIEDEL, ONE OF ITS WRITERS, WAS "KIDNAPPED" BY AMERICAN AUTHORITIES IN WIESBADEN. IT DEMANDED AN EXPLANATION.

EINSIEDEL IS BELIEVED TO BE AN AID OF SOVIET-HELD GERMAN GEN. FRIEDRICH VON PAULUS. RUNDSCHAU SAID EINSIEDEL WAS ARRESTED LAST JUNE WHILE ON A VISIT TO HIS MOTHER IN WIESBADEN.

AMERICAN AUTHORITIES IN FRANKFURT REFUSED TO COMMENT ON THE CASE.

IN MUNICH, SOME 100,000 GERMANS MARCHED INTO ADOLF HITLER'S FORMER PARADE GROUND AND DEMONSTRATED AGAINST HIGH PRICES. THE PROTEST FOLLOWED SIMILAR MEETINGS AND WORK STOPPAGES IN OTHER AMERICAN AND BRITISH ZONE CITIES RECENTLY.

LABOR DEPARTMENT EMPLOYES OF THE BERLIN CITY GOVERNMENT VOTED LAST NIGHT TO STRIKE FOR BACK WAGES. THEY SAID THEY HAD NOT RECEIVED PAY DUE THEM AUG.15 AND THAT MONEY ALSO WAS OWED THEM FROM JUNE AND JULY.

THE STRIKE WAS VOTED LAST WEEK BUT WAS POSTPONED DURING NEGOTIATIONS. RECENTLY THE CENTRAL BANK OF BERLIN ASKED ITS BRITISH SECTOR BRANCH TO UNFREEZE 3,000,000 EASTERN MARKS SO MUNICIPAL EMPLOYES COULD BE PAID. THIS WAS REFUSED BY THE BRITISH MILITARY GOVERNMENT WHICH FROZE EASTERN ASSETS AFTER THE RUSSIANS TOOK SIMILAR ACTION IN THE SOVIET SECTOR.

MEANTIME PROGRESS WAS REPORTED IN THE CREATION OF WESTERN GERMANY'S NEW GOVERNMENT. IN FRANKFURT A U.S. MILITARY GOVERNMENT SOURCE SAID BERLIN MAY BE REPRESENTED IN THE NEW GOVERNMENT BY 30 VOTES IN THE PROPOSED 400-MEMBER PARLIAMENT.

INFORMANTS SAID THAT WHETHER THE RUSSIAN SECTOR OF BERLIN WILL BE REPRESENTED DEPENDS ON THE FUTURE OF THE CITY GOVERNMENT.

ACTING LORD MAYOR FERDINAND FRIEDENSBURG SAID THE COMMUNIST DELEGATION WHICH CALLED ON HIM DURING THE DEMONSTRATION MADE NO MENTION OF ESTABLISHING AN ADMINISTRATION OF THEIR OWN. HE SAID THE DEMAND WAS PUT FORWARD THAT IF THE PRESENT SOCIALIST-DOMINATED CITY GOVERNMENT "DOES NOT DO ITS JOB IT SHOULD RESIGN."

FRIEDENSBURG TOLD REPORTERS:

"I DO NOT THINK THEY PLANNED A REAL PUTSCH TO TRY TO SEIZE THE CITY HALL. THEY AIMED AT PANICKING US AND SCARING US OUT OF THE BUILDING. THEN THEY COULD SAY WE DESERTED AND COULD NOT BE RELIED UPON TO RUN THE CITY."

THE CITY HALL REPRESENTS THE LAST TATTERED SYMBOL OF UNIFIEDMVZ

HE RELIED UPON TO RUN THE CITY."

THE CITY HALL REPRESENTS THE LAST TATTERED SYMBOL OF UNIFIED RULE IN BERLIN SINCE THE RUSSIANS WALKED OUT OF THE FOUR-POWER KOMMANDATURA WHICH HAD SUPERVISED THE GERMANS FOR THREE YEARS.

THE ANTI-COMMUNIST DEMONSTRATION WAS HELD OUTSIDE THE BOMB-SCARRED REICHSTAG.

"IT WAS A PUTSCH ATTEMPT WHICH FAILED AND WE WILL SMASH ANY NEW ATTEMPTS," CRIED HUBERT SCHWENNICKE, LIBERAL DEMOCRATIC LEADER, TO THE CROWDS STANDING IN THE RUBBLE.

ERNST CHARNOVSKY, ANTI-COMMUNIST TRADE UNION LEADER, SAID LET'S FINISH WITH THIS COMMUNIST POLICY OF SEEKING POWER BY ILLEGAL AND FORCEFUL MEANS. IF THERE IS NO OTHER WAY WE WILL GRASP EXTREME MEASURES. WE WON'T SHRINK FROM A POLITICAL GENERAL STRIKE."

THE CROWD CLAMORED FOR ERNST REUTER, SOCIALIST WHOM THE RUSSIANS REFUSED TO LET TAKE OVER THE MAYORSHIP AFTER HE WAS ELECTED. HE TOLD THEM:

"COME WHAT MAY, HERE IN THE HEART OF GERMANY, WE ARE WORKING FOR BERLIN'S UNITY. WE KNOW IT IS GOING TO BE A HARD, LONG FIGHT. WE DO NOT UNDERESTIMATE OUR FOES.

Frankfurt, Germany, Aug 26-(AP)-The economic position of the combined American-British zone of German is improving, W. John Logan, director of the joint export import agency said today.

Production has increased a fifth in two months and now stands at 60 per cent of the 1937 level, he reported. Currency reform and the export import agency (JEIA) efforts to increase ~~exports and imports~~ were credited.

AUG 1948

"The situation is better," ~~Mmmmmm~~ Logan said, "We have had currency reform. It is a success."

DEVLIN

Logan said $282,400,000 of goods were imported into the merged zones during the first seven months this year, more than the entire 1947 total.

"Factories needed raw material," he commented, "They are getting them."

Brig M. R. Robinson, associate of Logan, told a news conference that plans are proceeding to integrate economy of the French zone with the American-British. He said there had been no unexpected difficulty. He estimated the integration could be completed about Jan. 1.

more

Logan refuted a comment of the soviet-licensed Berliner Zeitung that his agency had placed the American-British zone is a "straight jacket."

"All proceeds from bizonia exports have been spent on imports," he said. Logan estimated the U.S. will spend additionally about $1,000,000,000 (B) for food imports into Germany.

COMMUNISTS INVADE HALL SECOND DAY

Acting Mayor Charges Soviet-Backed Police Support Rioters

G. BRTA

Berlin, Aug. 27 (AP)—Screaming demonstrators invaded Berlin's City Hall again today in a Communist-led drive to set up their own Communist rule.

It appeared likely tonight that the City Council's anti-Communist majority, faced with a constant threat of similar uprisings, would move to western Berlin. Such action would complete the East-West split of the Soviet-blockaded city.

For a second straight day the elected council had to cancel its meeting while the Communist throng usurped the chamber with shouts of "dirty dogs," "out with the bums", and "the parliament belongs to us now."

Says Police Back Demonstrators

The City Hall is in the Russian zone and Soviet-backed east Berlin police stood by idly.

The situation here tonight thus was that Soviet-trained Communists are attempting to grab control of the city by physical pressure. The Communists are apparently trying to present the Four-Power Moscow conference with an accomplished fact.

Ferdinand Friedensburg, Christian-Democrat acting mayor, charged that the East Berlin police not only had refused to protect the parliament but "actually backed the demonstrators."

Disperse After An Hour

He added that after the front door had been locked and the key hidden, the throng was let into the building through the back door by a member of the Communist-dominated Socialist Unity party (SED).

"It is now questionable whether the city parliament will stay here under a situation where the police refuse to grant it protection from a small minority pressure group," the acting mayor said.

After demonstrating for more than an hour the crowd of about 1,000 dispersed, chanting "we'll come back again."

Non-Communist assembly leaders later decided to put the issue squarely up to the Russians with a demand for police protection. Few believed they would get anywhere. Maj. Gen. Alexander Kotikov, the Soviet Berlin commandant, has led the offensive against the council and accused it of splitting the city.

Request Protection

The anti-Communist members of the council's executive committee tonight dispatched a letter to Kotikov requesting police protection.

An informed source said the letter pointed out "in very respectful terms" that unruly crowds prevented the council from meeting three times—today, yesterday and June 23, when the blockade crisis began.

The informant said the letter was not in any way an ultimatum but did call for a speedy reply because the situation is "urgent."

If Kotikov ignores the demands, it is believed the anti-Communist majority will choose the American part of town to set up a city hall.

To Take Up Delegation

A move out of the Russian zone undoubtedly would result in the Communists trying to force a coup on the administration left in the Soviet sector. The Russians recently arrested the head of the coal distribution section when the West refused to dismiss him.

At its meeting today the council was to have taken up the stormy issue of sending a Berlin delegation to the constitution-drafting convention of the West-sponsored German government in Frankfurt. The step is bitterly opposed by Russia.

The American-licensed *Der Abend* quoted William Babcock, deputy United States commandant, as saying "the American Military Government will only recognize the legally elected administration and give it all necessary support."

In an editorial, the newspaper said the two Communist-led thrusts "not only showed that the Soviet military administration is unwilling to guarantee order in its sector, but it has deliberately destroyed this order and therefore has lost all its rights to remain in Berlin."

Demonstrators Break Into (D) Chamber

Berlin, Aug. 27 (AP)—For the second straight day belligerent Communist-led demonstrators forced their way into Berlin's City Hall today. They broke up a meeting of the anti-Communist City Council and immediately tried to substitute a hand-picked regime of their own.

They demanded that a special committee, composed of members of Communist-dominated labor unions in the Soviet zone of the city, be appointed to replace the Council. A spokesman denied that it was to be an "action committee" such as took over Czechoslovakia, but it apparently could serve the same purpose.

R. O'MALLEY

"We Will Return"

Outside, milling crowds unable to get into the hall yelled, when told of the cancellation of a scheduled City Council meeting:

"We will come back again and again."

This appeared to indicate that the Communist strategy is to keep up constant demonstrations intended to stop all work of the city government, force it to abandon City Hall and then set up a Communist Front government for the divided, blockaded city.

This morning's crowd, which numbered only 200 at the beginning of the demonstration, swelled to more than 2,000 before it ended. There were broadcast reports that shops in the vicinity of City Hall were being closed to get recruits.

The demonstration broke up after an hour and a half.

Police Blamed

Ferdinand Friedensburg, the city's acting mayor, a Christian Democrat, later charged that Soviet-controlled German police, headed by Paul Narkgrof, not only refused the city's parliament protection "but actually backed the demonstrators."

He said the demonstrators had been let into City Hall by the back door, which was opened, he said, by a member of the Communist-dominated Socialist Unity Party (SED) after the front door had been locked and the key hidden.

He said a Soviet army major demanded that he be let out by the front door after it was locked. This, the acting mayor said, apparently was to let demonstrators in.

"It is now questionable whether the city parliament will stay here under a situation where the police refuse to grant it protection against the constant danger of being disturbed by a small minority pressure group," Friedensburg continued.

Headquarters To Stay There

He added, however, that the city government's administrative offices would stay in City Hall in the Soviet sector, no matter what the council itself does.

"We will stay as long as possible," he added.

There may be a decision later today about a future meeting place for the council. There have been suggestions that it move into the American zone under the protection of the western half of the Berlin police force.

That would probably mean a Communist blitz on city officials left in the Soviet zone. The Russians have already arrested the head of the coal-distribution section of the city administration.

Up To Russ Commander

Western Allied liaison officers at the City Hall said non-Communist Assembly leaders will put squarely before the Soviet commandant, Maj. Gen. Alexander Kotikov, a demand that he say whether he will provide police protection to insure an orderly council session.

The Socialist speaker, Otto Suhr, was directed to ask Kotikov to grant a personal interview with a parliamentary delegation. It is understood that if the Russian commandant ignores these requests, the parliamentary majority will probably decide to move to the American sector.

Karl Litke, leader of the SED in the Assembly, expressed the demand for the special committee. This, he told the demonstrators, would be an "extraordinary committee of the Parliament to act in the place of this inept city government and put through the Socialist Unity party's emergency program."

Litke did not say how such a committee would be appointed.

German Communists have already action committees operating in various industries in Berlin and the surrounding Soviet occupation zone. The Soviet-licensed German news agency, ADN, recently reported an address to one of these committees by Walter Ulbright, No. 2 German Communist. Ulbright told a rail industry committee in Thuringia to work for the Communist economic plan and be "especially alert against sabotage."

Litke also demanded that all shops not using Eastern zone currency be closed.

Council members had already assembled for their meeting this morning, when the first 200 youthful demonstrators surged through the outer gate at City Hall and began hammering on hastily-slammed doors.

Session Canceled

Suhr immediately announced cancellation of the session. He blamed the postponement on "lack of adequate police protection." Outside, Soviet-controled police made no effort to control the demonstrators.

A few moments later, about a hundred of the demonstrators pushed their way into the meeting chamber. Many of them were carrying lunches and were munching on sandwiches as they entered.

Began A Harangue

Communist leader of the Socialist Unity party began to harangue them, just as they did yesterday.

Most of the demonstrators appeared to be about 18 or 19 years old. Their number contrasted sharply with the size of the mob yesterday, but the effect was the same. The best guess seemed to be that yesterday's crowd numbered 10,000 and that was the figure the Soviet-licensed news agency started with yesterday.

Today, however, it was a different story. Figures in the Russian-licensed press ranged all the way from the 15,000 to 20,000 mentioned in the Berliner *Zeitung* to the 50,000 reported in the official Soviet organ, *Taegliche Rundschau*. One paper said it was more than that.

Photographers Threatened

As the morning wore on, the crowd inside the building grew to about a thousand. They pushed and spat at American photographers present and threatened to beat them up if they took pictures.

The decision to hold a meeting this morning, despite yesterday's affair, was taken at a meeting at Suhr's home last night. The Soviet-licensed news agency said council members belonging to the Socialist Unity Party boycotted the night meeting but agreed to attend today's session.

Flavor Of Putsch

Yesterday's Communist demonstration, which had some of the flavor of the old beer-hall *putsch* days of Adolf Hitler's ascendancy, apparently only served to solidify the anti-Communists.

Answering a Communist call for a government willing to work "hand in hand with the great Soviet Union," the anti-Communists replied vigorously:

"We will fight to the last breath to break the assault of communism."

Red Flags Waved

The Communist show, which included the waving of Red flags and singing the "Internationale," climaxed long weeks of effort by the SED to break the back of the city government.

"It was a *Putsch* attempt which failed and we will smash any new attempts," cried Hubert Schwennicke, Liberal Democratic leader, to the crowds standing in the rubble outside the bomb-scarred Reichstag.

Anti-Communist trade-union members listened to one of their leaders, Ernst Charnovsky, promise tough resistance to the Communist campaign.

"Extreme Measures"

"Let's finish with this Communist policy of seeking power by illegal and forceful means," he said. "If there is no other way, we will grasp extreme measures. We won't shrink from a political general strike."

One of the most loudly acclaimed was Ernst Reuter, a Socialist whom the Russians refused to permit to take over the mayorship after he was elected.

Reuter declared:

"Come what may, here in the heart of Germany, we are working for Berlin's unity. We know it is going to be a hard, long fight. We do not underestimate our foes.

"Russia Behind Them"

"The Communist cripples who stand in front and debate with us we don't fear. But behind them stands an aggressive, ruthless and imperialist Russia, which seeks to force us to our knees. We have said 'No' and we will continue to say 'No' as long as we have a single breath left in our bodies."

Suhr called on the Allied powers to move the City Hall from the Soviet sector to a "neutral spot."

He summed up the City Council's reaction to the Communist march on City Hall.

"The Communists fear a new election," he said, "and they are now attempting to seize power by illegal means."

Five Czech Flights Over Germany Reported

Hof, Germany, Aug. 27 (AP)—German border police said today Czechoslovak planes of a photo-reconnaissance type had made at least five flights over the American zone of Germany in recent weeks.

Police described the flights as violations of the air border between the United States zone and Communist-ruled Czechoslovakia. United States Air Force officials at Wiesbaden had no immediate comment on the reports.

The planes were said to have flown into Germany at an altitude of 6,000 feet and penetrated about 10 miles beyond the border near Wunsiedel and Marktredwitz.

One German official said, "I assume they were making photographs of the border area, either as part of their own border defenses or in the thought they might find something on the American side."

Frankfurt, Germany, Aug. 27 (AP). Frankfurter *Rundschau* said today an infantile-paralysis epidemic is spreading in Bavaria.

The paper said the worst-affected place is Hof, a city of 60,000 on the Czech border, where 90 cases have been reported, mostly children between 3 and 12 years old. Five deaths have been recorded there because of the disease, *Rundschau* said. Hof has been placed off limits to occupation troops and all places of public assembly closed.

Other towns where cases have been reported are Regensburg, Straubing, Landshut and Schweinfurt.

SLAVS AIM FIRE AT HUNGARIANS

New Note Charges Attempts To Fan Anti-Tito Revolt

(N)

London, Aug. 27 (AP)—Yugoslavia formally accused Hungary today of attempting to stir up a revolution against Premier Marshal Tito's regime in Belgrade.

The protest followed by two days a similar accusation against Romania, which like Hungary has adhered to the Cominform denunciation of Tito and his Yugoslav Communist party leadership.

The two quick diplomatic punches bore out predictions in Belgrade that Tito would not remain passive while the Cominform tries to oust him and his supporters by propaganda.

Tito Called Anti-Soviet

The nine-nation Communist Information Bureau has charged Tito with being anti-Soviet and straying from the Marxist line.

Tanjug, the official Yugoslav news agency, said the protest note was delivered to the Hungarian legation in Belgrade today by the Yugoslav Ministry of Foreign Affairs.

"Responsible state officials of Hungary have been pursuing a campaign against Yugoslavia and the Yugoslav peoples which is in full contradiction to the agreement on friendship, co-operation and mutual aid between Yugoslavia and Hungary," the note said.

Charges "Nationalism"

In language similar to the note sent to Romania, it called the action of Hungarian officials "impermissible even from the point of view of customary international relations, to say nothing of normal good neighborly relations between the two countries."

The note to Romania singled out Ana Pauker, Foreign Minister, for special mention. Today's note to Hungary named Vice Premier Matyas Rakossy as "flinging the most ruthless insults at the peoples of Yugoslavia."

The note objected specifically to a speech by Rakossy in Budapest last July saying "petty-bourgeois nationalism brought catastrophe to Yugoslavia in 1941 and it will again bring catastrophe upon her."

The note quoted him as adding: "During the war there were more traitors in Yugoslavia than in any other country of Europe."

It said Rakossy "openly calls for elimination of the present state leadership of Yugoslavia" and that he and other Hungarian officials are calling on Yugoslavs to "revolt and overthrow the legal Government."

Campaign Called "Monstrous"

The Tanjug broadcast, monitored in London, quoted the note saying the Yugolsav Government "most vigorously protests against this monstrous anti-Yugoslav campaign."

The note complained that Jozsef Revai chief editor of the Hungarian newspaper *Szabad Nep* printed the "untruth" that Yugoslav leaders "proposed to the Western powers their agreement to incorporate Trieste into Italy if . . . Yugoslav were to receive a share of Marshall-plan aid."

"We thought until recently that such quotations could be found only on pages of the corrupted bourgeois press," the note said.

The note said further that Hungarian leaders since June have been putting police pressure on the Yugoslav minority in Hungary and violated its rights; ousted Anton Rob, a leader of these Yugoslavs, from the Hungarian Parliament because he would not declare himself against the Yugoslav Communist party; and temporarily imprisoned other Yugoslavs in Hungary.

MARIE REGIME LASTS ONLY FOR A MONTH

(N)

New Crisis Believed One Of Gravest Since Liberation Of Nation

R.C. WILSON

Paris, *Saturday*, Aug. 28 (AP)—The month-old coalition government of Premier André Marie resigned early today over the issue of wages and prices. Most observers believed the new crisis to be one of France's gravest postwar political tests.

President Vincent Auriol immediately went into conference with political leaders, including Paul Reynaud, Marie's Finance Minister, and former Premier Robert Schuman.

Reynaud said, as he left Auriol's office: "Consultations have begun. I have just been received by the President of the Republic."

Economic Reforms

The Cabinet's downfall left France technically without a foreign affairs minister at a moment of crucial conferences in Moscow, but Schuman will continue to fulfill his functions as Foreign Affairs Minister during the interim period.

The crisis which brought about the Government's collapse was a two-day struggle to draft a series of economic and financial reforms. Informed sources said the Cabinet fell because Reynaud wanted to raise many prices. The Socialists were nervous about working-class reaction and wanted the Cabinet to agree to a cost-of-living bonus.

Reynaud and the Socialists fell out over the amount of such a bonus—then the Cabinet fell apart.

Successor Problem

Schuman told newsmen French ambassadors would continue to receive instructions. He did not elaborate on the remark. Schuman added that sometime next week the temporary United Nations headquarters in Paris would be formally turned over to Trygve Lie, United Nations secretary general, government or no government.

"It is evident," he said, "that the crisis of French affairs must not prolong itself."

The big question was: Who is left for Auriol to choose as Marie's successor? Speculation arose immediately about the possibility of the Legislature being dissolved and new elections being held. That is what Gen. Charles de Gaulle and his Rally of the French People have been urging for many months.

Would Include All Parties

If the crisis degenerates into a chaotic state, Edouard Herriot, president of the National Assembly, might be called upon to head a temporary "government of liquidation." This would govern during the period between a dissolution of the legislature and a period of preparation for new elections.

According to the French constitution, such a government would have to include all parties in its legislature. This would mean that the Communists would be part of such a provisional Cabinet. As such, they would be back sharing political "power" for the first time in eighteen months.

Tenth Since Liberation

Marie's was the tenth French government to serve since the nation's liberation. The government preceding Marie's, that of Schuman, quit last month in defeat when the Socialists voted against Schuman's defense budget.

An official announcement following nine hours of Cabinet meetings said:

"Having realized that despite an accord reached on different points of an economic and financial program under study, the Government has not been able to erase certain divergencies and the Premier has sent his resignation to the President of the Republic."

Foes Stymie De Gaulle (2) But Face 'Shame' Cry

Paris, Aug. 27 (AP)—The men who run France have just sidestepped a showdown with Gen. Charles de Gaulle, who says he can do a better job than they are doing.

Both French and foreign observers agree that this is the real meaning of yesterday's National Assembly decision to postpone local elections due in October.

Many French newspapers echoed the comment of the London *Spectator* in describing the Assembly's action as a "shame-faced decision" and one which "even in the context of French politics is thoroughly disgraceful."

Wants Rule By Statesmen

The facts are these:

De Gaulle, who heads a comparatively new party called the Rally of the French People (RPF), has been campaigning for new national elections. He charges that France is being run by parties and needs a strong executive, not a topheavy legislative branch. The latter, he says, is inefficient because of partisan quarreling.

Local elections were supposed to be held in October to choose half the members of the department councils (*conseils generaux*). These 90 departmental councils have a consultative and administrative role under the guidance of prefects. The councils roughly resemble county boards in the United States.

Saw Sweep In Elections

Their members vote departmental budgets and take part in elections of members of the Council of the Republic, the upper chamber of the French Parliament. Over all of France there are 3,023 of these councilors. De Gaullists have made no secret of their confidence that they could sweep the October balloting.

Neither did they make any effort to hide their decision to use such a victory as ammunition in demanding a new general election. They also think they can win a general election.

Most of the parties now in power seem to feel that de Gaulle and his partisans are not talking through their hats, so they decided to delay the October elections, probably until next May.

Two Parties Swing Vote

The Socialists and Popular Republicans swung the vote. The Communists abstained to escape any onus for the maneuver. They could have stopped the postponement, but Communists fear de Gaulle's return to power even more than other parties.

The excuse given for the postponement was that they first want to make some changes in the election system for councilors.

Anyway, the upshot is that de Gaulle has been stalled by the maneuver. But it may make de Gaulle an even bigger figure in the eyes of the voters.

Premier Andre Marie's Radical Socialists and Righists wanted the elections in October. But the Socialists and Popular Republicans are the pillars of the Marie cabinet and they dictated the vote.

Italian Parliament To Reconvene Sept. 13

Rome, Aug. 27 (AP)—The secretariat of the Chamber of Deputies said tonight the Italian Parliament will reconvene September 13. Leftists have been demanding a special session to consider the arrest of Communists in Sicily for strike violence last December. The secretariat said plans had been for Parliament to meet again in mid-September.

New Greek Drive Reports Gains

Athens, Aug. 27 (AP)—Press dispatches today said a Greek offensive in the Mount Kaimaktchalan area along the Yugoslav border is building up favorably.

National planes were reported strafing and bombing rebel positions there. A communiqué said Greek forces had captured important heights. The mountain lies athwart the Greek-Yugoslav border, northwest of Salonika. Greek Army forces there have opened a new offensive against 800 to 1,000 rebels.

War Minister George Stratos said last night that a 50-man Bulgarian unit invaded Greece last week, fired on Greek forces and then pulled back into Bulgaria.

Stratos told newsmen that Greek soldiers are under orders not to return fire from neighboring countries while diplomats are trying to clear up conflicting claims of border invasions.

[The Moscow radio last night quoted the Albanian News Agency as saying Greek artillery at Alevits lobbed 100 shells into Albania on Sunday. A Tass dispatch from Tirana quoted the Albanian agency as saying the Greeks also machine-gunned and made three flights over Albanian terrain.]

Greeks Execute Bulgar Officer

ATHENS, Aug. 27 (AP).—A Bulgarian Army officer, Lieutenant Anthony Kaltchef, was executed today in Salonika as a war criminal. He was sentenced to death by a military tribunal for atrocities and crimes committed during the German occupation of Macedonia.

3 Priests, 8 Others Are Jailed By Czechs

Prague, Czechoslovakia, Aug. 27 (AP)—The Interior Ministry said tonight three Roman Catholic priests and at least eight other persons have been arrested for anti-Government activity. One member of the State police was jailed.

They were seized 10 miles from the Austrian border at Znojmo. The Ministry said they helped persons escape across the border.

The Rev. Antonin Zemek, head of the Dominican cloister at Znojmo, and two members of the order were the churchmen jailed.

Former Horthy Aide Arrested In Budapest

Budapest, Hungary, Aug. 27 (AP). Lieut. Gen. Laszlo Magashazy, first *aide de camp* of the former Regent of Hungary, Admiral Nicholas Horthy, was arrested today. He was charged with having taken part in counter-revolutionary atrocities in 1919.

[A Bolshevik regime ruled Hungary briefly, under Bela Kun, after March, 1919, but this was swept away within a year and the monarchy was re-established under Horthy. Horthy was ousted in 1944 as Allied victory in World War II drew near.]

Reds Hold U. S. Soldier

Army Says He Was Seized In Cab in Austrian Zone Wednesday

VIENNA, Aug. 27 (AP).—The United States Army said today the Russians arrested an American soldier Wednesday near Linz and still hold him. He is believed to be Pfc. Marvin Ayers, whose home address is not available here.

Austrian witnesses said the soldier crossed a bridge into the Russian zone in an Austrian taxicab. He was reported taken to Russian headquarters at Urfahr.

The United States Provost Marshal's office said the Russians have not acknowledged arresting the soldier. Efforts to obtain his release have failed.

U.S. ENVOY IS GRIM AFTER RUSS TALKS

But Briton Smiles Following Kremlin Conference

AUG 1948 (N)

By EDDY GILMORE

Moscow, Aug. 27 (AP)—Walter Bedell Smith, United States Ambassador, left the four-power Kremlin conference tonight with a frown while the British envoy, Frank Roberts, was smiling and Yves Chataigneau, French Ambassador, wore a diplomatic mask.

After conferring with Vyacheslav M. Molotov, Soviet Foreign Minister, on the German crisis, the three met for an hour at the British Embassy.

There was no comment from the diplomats on the three-hour session in the Kremlin.

As soon as the meeting ended the three visiting envoys motored over rain-swept streets to the British Embassy, just across the Moscow River. They left the Kremlin, seat of the Russian Government, at 8.05 P.M.

"No Communique Tonight"

Smith, tight-lipped as usual on progress of the talks, told reporters only that no communiqué would be issued tonight and that Andrei Y. Vishinsky, Soviet Deputy Foreign Minister, sat in at the meeting.

It may not be significant but Smith did not smile once in his brief encounter with newspapermen. He has not looked so solemn in public in a long time. Without pausing, he called over his shoulder:

"No there will be no communiqué tonight."

Vishinsky, who has been a Soviet delegate to all regular meetings of the United Nations General Assembly, entered the four-power talks for the first time. His last conference assignment was directing the Soviet delegation at the Danube River conference in Belgrade.

Sixth Meeting With Molotov

As usual the Westerners took the five-minute ride from the Kremlin to the British Embassy in their own automobiles, each flying the flag of his country. Smith rode in his long black American car, Roberts in his trim British machine, and Chataigneau in his sleek blue-gray American car.

It was the sixth meeting of the Western envoys with Molotov. They also have met twice with Molotov and Prime Minister Stalin. The sessions got under way July 30 in a preliminary conference with V. A. Zorin, another deputy foreign minister.

Informants said tonight's session might turn out to be the crucial one in negotiations over the German situation.

NEW KREMLIN TALK OVER IN THREE HOURS

'No Communique Tonight' Is Word From Smith at Session's End.

Moscow, Aug. 27 (A. P.).—The three Western envoys conferred for about three hours tonight with the Soviet Foreign Minister, V. M. Molotov, and in reply to a correspondent's question United States Ambassador W. Bedell called over his shoulder: "There will be no communique tonight."

He said this as he and his colleagues were leaving the Kremlin. They had gone there at 5 and they left at 8:05 P. M. (1:05 New York time). As they left, all three motored to the British embassy, just across the Moscow River.

Smith said that Andrei Y. Vishinsky, Deputy Foreign Minister and former Soviet delegate to the United Nations, sat in on the conference. This was the first time Vishinsky has entered the four-Power talks here. His last major assignment was leading the Soviet delegation at the Danube River Conference in Belgrade.

The three Westerners had an appointment for 5 P.M., the United States Embassy announced. The Embassy added that the three would meet at the British Embassy following the Kremlin session.

All Three In Good Spirits

Informants say this session might be the crucial one in negotiations on the German crisis. They have changed forecasts on chances of an agreement on procedure from "fair" to "good."

The envoys, United States Ambassador Walter Bedell Smith, French Ambassador Yves Chataigneau and special British Representative Frank Roberts, all appeared in good spirits. Each left for the Kremlin from his own embassy.

Prime Minister Stalin will not attend tonight's conferences, officials announced. Stalin has attended two of the long series of conferences.

Informed observers say they believe it likely a brief four-power communiqué will be issued tomorrow night. Tonight, they say, seems too early. Even the communiqué, however, may not shed much light on what has been discussed behind the Kremlin walls.

Eager For The Meeting

It is known that Smith and his French and British colleagues—with replies from their governments already received—are anxious to meet Molotov and try to work out a procedural agreement on the next phase of the talks.

There is reason to believe that another meeting may bring about this sought-after agreement. The pending announcement should give a line on what form the next phase of the talks will take and also sum up the accomplishments made in Moscow since the talks began July 31.

Ex-Slav Flyer Hits Tito's Ministers

Moscow, Aug. 27 (AP)—*Pravda* published today a letter condemning the Yugoslav regime of Premier Marshal Tito. It was signed, *Pravda* said, by Maj. Gen. Pero Popivod, vice commander of the Yugoslav Air Force.

The letter said Popivod fled Yugoslavia on August 14 by plane.

"I flew over the boundary in a plane in order not to become the victim of Dictator Rankovic," the letter said.

[Lieut. Gen. Alexander Rankovic, Tito's Interior Minister, was denounced with Tito and other Yugoslav leaders by the Moscow-blessed Cominform last June.]

Cowardice Charged

The letter said Yugoslav leaders would have to get down to work and compel "our leadership to turn away from the paths of treason, to purge party and state apparatus of traitors and spies, dictators and provocateurs, and stand once more on the paths of internationalism."

The letter accused Milovan Djilas, Yugoslav Minister for Montenegro of "cowardice and treason" during the war. Djilas also was denounced by Cominform.

The severest words of the letter, however, were reserved for Rankovic.

Blamed For Slaying

"In his madness, Rankovic is destroying the best sons of Yugoslavia," the letter said. It cited the death of Maj. Gen. Arso Jovanovic, former chief of staff of the Yugoslav Army.

[The Yugoslav Government announced on August 18 that Jovanovic was slain August 12 while attempting to flee across the border to Romania.]

The letter said Tito's leaders are completely cut off from the people and do not go anywhere. It concluded with an appeal to Yugoslav Communists to bring their leaders to heel and put Yugoslavia back "in the brotherly family of Communist parties."

Arabs Charge New Shelling By Israeli

Amman, Trans-Jordan, Aug. 27 (AP)—An Arab Legion spokesman said today Arab posts at Abu Tour Hospice and Selwan village were shelled by Jews today. He said one Arab was killed and two wounded.

The spokesman said the Legion

had called in United Nations observers to investigate.

Firing Heard In Jerusalem

Jerusalem, Aug. 27 (AP)—Shelling and shooting were heard in various sections of the Jerusalem area all morning. No casualties were reported.

An official Israeli source said Egyptian forces shelled four suburbs in southern Jerusalem which the Jews hold. He said Trans-Jordan Arab Legion artillery shelled a fifth Jewish quarter in southern Jerusalem and the Beth Israel section in the northeast.

"The Army of Israel replied by directing fire at enemy concentrations," the Israeli informant said.

Blockade Runners Released

In Tel Aviv, Peter Bergson, co-chairman of the American League for a Free Palestine, and four other Irgun Zvai Leumi members were released last night after two months' detention.

They were arrested last June in connection with an Irgun attempt to run an arms ship, the Altalena, into Israel. The ship was destroyed by Israeli guns.

Italy Denies Backing Jews

Rome, Aug. 27 (AP)—The Italian Government today denied reported Arab charges that it was backing the Jews in Palestine.

It admitted, however, that some clandestine shipments of men and arms might have slipped away from Italy's long coastline.

A Foreign Ministry communiqué cited Italy's adherence to the United Nation's terms for the Palestine truce as proof that she is neutral in the conflict.

U. S. Gifts Aid Refugees From Palestine Fighting

WASHINGTON, Aug. 27 (AP).—Americans are answering a plea to aid 337,000 Arab and Jewish refugees from Palestine, Secretary of State George C. Marshall said today.

He told of the gifts in a telegram to Count Folke Bernadotte, United Nations Mediator for Palestine, who had appealed to the United States for medical supplies, wheat and other foodstuffs.

Secretary Marshall said the Arabian-American Oil Company in Saudi Arabia and Trans-Arabian Pipeline Company donated $100,000, as has International Bechtel, Inc. He also said a "substantial quantity of wheat" donated to church groups by Ohio and Kansas farmers through the Christian Rural Overseas program may be made available, too.

Other contributions are being made by the American Red Cross, the war relief services of the National Catholic Welfare Conference, the American Middle East Relief, Inc., the Near East Foundation and Lutheran World Relief, Inc. Before Count Bernadotte's appeal was made, the Church World Service Relief Organization for the Federal Council of Churches of Christ in America also had contributed clothing and medicines.

Bulgarian Ship Officers Win Release By Force

Istanbul, Aug. 27 (AP)—Three officers of a Bulgarian cargo ship were said by informed quarters tonight to have escaped from their vessel after seizing command with drawn guns.

Turkish police refused all comment beyond saying the Bulgarian ship Dobruga was being detained pending further inquiry.

Informed sources said the vessel arrived in the Straits of Bosphorus from Varna. As it entered the straits, it was said, the men drew guns and enforced their demands to be put ashore. They were said to have surrendered to the Turkish police.

Jap Strike-Ban Probe Urged

Tokyo, Aug. 27 (AP)—Maj. Gen. A. P. Kislenko, Soviet member of the Allied Council for the Far East, today demanded a special council meeting to consider General MacArthur's labor policies.

Kislenko based his request on the fact he had not received an answer to his protest early this month against the Japanese Government's ban on strikes by Government workers. The Government forbade such strikes after MacArthur said they should not be tolerated.

Kislenko demanded on August 11 that the ban be lifted.

Immediate Action Sought

A Tass News representative said Kislenko wanted the meeting held as "soon as possible."

Under Council procedure a member may call a special session within 24 hours by notifying the chairman.

Meanwhile spotty strikes plagued Japan's railroads.

Workers Buck Ban

Government workers bucked a Government ban on strikes by various means. Some walked off the job for an hour. Some refused to take trains out for certain runs. Others went out on strike and did not come back.

In Tokyo it was impossible to say how many railroad men were on strike. All that was certain here was that the work interruptions extended from the north island of Hokkaido to the Yokohama area.

Japan May Bar Reds From Office

Tokyo, Aug. 27 (AP)—Prime Minister Hitoshi Ashida said today the Government is considering a bill to bar Communists from holding public office.

He addressed the Tokyo Correspondents Club.

Ashida wrote off the effectiveness of his Cabinet by saying there is no course open to any Government in Japan today but to follow the dictates of the occupation.

Allied assistance next year, he said, will reduce Japan's food problem, and inflation will be more than halfway defeated with the use of appropriations voted by the American Congress.

The Prime Minister added that a special Government committee is studying the methods of encouraging the investment of foreign capital.

These methods, he said, would include a guarantee against future expropriation of foreign assets.

Sputtering Japanese Matches On Way Out

Tokyo, Aug. 27 (AP) — Those sputtering, exasperating Japanese matches—the kind the Japanese jokingly say were manufactured by a factory that caught on fire and everything burned but the matches—are on their way out.

On September 16, Japanese will be able to buy free-market matches, which all Japanese and American occupation troops hope will show an improvement over the rationed ones.

Striking the present Japanese match against a box usually produces one of two results—the matchstick breaks or the head blossoms into a sputtering flame that dies gaspingly in one or two seconds.

Dutch Convict 111 Japanese

TOKYO, Aug. 27 (AP).—Allied headquarters said today that Dutch tribunals in the Netherlands West Indies have convicted 111 Japanese war criminals, of whom twenty-three were executed by firing squads.

Red Cell In Corps Headquarters

Seoul, Aug. 27 (AP)—The United States Army disclosed today it had unearthed a Communist cell in its 24th Corps headquartrs at the Hanto Hotel.

An announcement said 24 Koreans were arrested and thirteen of them had been sentenced to jail. Most of the Koreans were dining-room employés.

The Army said there was no evidence of spying, but the employés had been distributing leaflets in support of the Russian-sponsored government of North Korea.

Coulter Assumes Korea Post, Hodge Leaves For U.S.

AUG 1948

Seoul, Aug. 27 (AP)—A quiet major general from Texas with a distinguished battle record succeeded Lieut. Gen. John R. Hodge today as United States commander in the southern half of tense, divided Korea.

He is Maj. Gen. John Breitling Coulter, Hodge's deputy, who commanded the 85th Division in the long and bloody Italian campaign.

Hodge bade good-by to his troops at Kimpo Airport, shook hands with Korean officials and his fellow officers, and took off by plane for Tokyo en route to the United States for reassignment.

[He arrived at Haneda Airport outside of Tokyo a short time later.]

Was A Political Job

Hodge, who fought on Leyte and Okinawa, found himself in a political job when he came here in September of 1945 to accept the Japanese surrender.

That job was to fulfill the American pledge that Koreans should be free and would be allowed to elect a government of their own. A government was elected by free voting in the south, but Russia would not allow a vote to be taken in the north.

Coulter's job is to prepare for the withdrawal of American troops. Some units may leave within three weeks, but a complete withdrawal is unlikely until the United Nations General Assembly acts in the Korean case.

Russ Boast 97 Per Cent Vote

Even as Hodge was leaving, the Russian-controlled radio in North Korea was boasting that 97 per cent of the eligible voters took part in Wednesday's election of a rival Korean regime in the Soviet zone. There was only one slate of candidates entered.

The General Assembly must decide whether this "Supreme Korean People's Assembly" or the republic set up in the south in last May's elections is the rightful government of Korea.

HERSHEY EXPLAINS DETAILS OF DRAFT

Selective Service Ordered To Avoid War, Director Says

Greenville, S.C., Aug. 27 (AP)—The national draft director took to the air tonight to explain details of selective service which, he said, is being ordered "to avoid a war."

Maj. Gen. Lewis B. Hershey, of Washington, said in a national broadcast that the draft was designed to protect America against "immediate and potential enemies."

AUG 1948

"I do not use the phrase 'protect ourselves' loosely," he said. "No nation as rich as we are, and subject to so many envious eyes, can hope to continue in existence unless it is ready and able to defend itself.

Explains Draft In Detail

"By that I mean defend its very hearthstones in hand-to-hand fighting if need be. And that is not beyond the realm of possibility in this atomic age."

Hershey then explained both the draft and registration in detail and ended by saying that it was organized in such a way that every American should get an equal chance to serve his country.

Registration of all men 18 through 25 begins Monday, he said, and will continue through September 18. Men will register by age groups, with 25-year-olds signing up first.

He said draft boards over the country number about 4,000, and that for the purpose of registration each had organized about five registration centers.

Will Get Questionnaires

The actual registration should take little time, Hershey said. Small cards carrying 16 questions are to be filled out. Within a few days registrants will receive questionnaires, which must be filled out and returned to draft boards within ten days.

A man's classification will be determined by the questionnaires, he said. And if a registrant is not satisfied with his classification, he may appeal within ten days after notification.

"The questionnaire will ask a number of pertinment questions concerning vital facts which will help the local board to classify the registrant, whether in a deferred

30.24- 20029

class or a class available for service—1-A, in other words," he said.

May Volunteer Information

"The local board, however, is not restricted to information in the questionnaire. Any interested person may volunteer information and the local board may gather pertinent facts from any reliable source.

"The registrant will not appear personally before the local board except when he reports to be sent for physical examination or induction, unless he requests a personal appearance, or unless the local board orders him to appear to give further information."

Hershey also explained that there will be five basic classes this time, instead of four.

"The four carried from World War II are those with which you are familiar. The new fifth class (Class V) provides a class for all men who attain an age above the current ages of liability for service—above 26, that is."

The classifications are: Class 1, available for miltary service; Class 2, deferred because of occupational status; Class 3, deferred because of dependency; Class 4, deferred by law or because unfit for service; Class 5, over age of liability for military service.

Will Receive Ample Time

Hershey also explained how men will be called into service after they have been classified 1-A:

"When a local board receives a call for men to be inducted, the required number of men are chosen in the sequence of their dates or birth from among those men in class 1-A who have been examined by the armed forces and found to be acceptable."

He said that anyone called will receive ample time in which to straighten out his affairs. For example, if a man is examined September 24, and is found to be acceptable, he need not report for induction until around October 20.

The national director emphasized that the local board has the final say: "Selective service is a grass-roots operation."

Army Draft Call Expected

Washington, Aug. 27 (AP)—A first draft call for 10,000 men is expected to be made by the Army Monday, simultaneously with the beginning of registration of men 18 through 25. The inductees will report between November 7 and November 15.

It was learned today that Kenneth C. Royall, Secretary of the Army, has sent such a request to T. J. Hargrave, chairman of the munitions board which has supervision of manpower requirements.

Hargrave in turn will ask selective service to deliver the draftees to the Army.

Selective service then will send out draft calls to the 4,000 boards over the nation, and they will pick 1-A registrants from the oldest age groups.

Air Force Spends $260,000 Daily On Berlin Flights

Washington, Aug. 27 (AP)—Flying supplies into blockaded Berlin is now costing the United States Air Force about $260,000 a day.

The Air Force gave that estimate today in a report showing that it carried more than 100,000 tons of coal, food and other supplies into the city since the airlift began June 26.

The $260,000 figure is based on daily average costs and average tonnage during stepped-up operations of the last three days. On the basis of present plans, the cost is expected to continue at that rate.

The figure does not include the value of the supplies or Army transportation expenses in delivering them to and from fields.

Included is the pay of air crews, ground maintenance crews, fuel, fuel transportation, movement of Air Force units to Europe, maintenance, depreciation and loss of wrecked planes.

MORE SHIPMENTS APPROVED BY ECA

Washington, Aug. 27 (A. P.).—The Economic Co-operation Administration today approved European aid shipments totaling $21,973,151. More than half of the total, $11,039,835, was for France.

The French authorizations include: $10,237,000 worth of coal and coke from bizonal Germany, $119,000 worth of paraffin wax from Canada, $152,000 worth of steel products and $531,385 worth of tung oil from the United States.

Approved for Norway was $1,065,000 for processing of cotton into cotton yarn by Italian labor. The yarn then will be shipped to Norway for weaving and production of fish nets.

Other authorizations included: Denmark, $777,096 for streptomycin from the United States, palm kernels from Liberia, sunflower cake and seed from Uruguay, cotton seed cake from Brazil, China and Peru; and peanut cake from Paraguay.

Italy, $8,767,000 for coal from United States.

Greece, $235,000 for paper and lumber products from Canada, metals and rubber goods from United States, and motor vehicle parts and office machinery from bizonal Germany.

An earlier approval of dye stuffs for Austria from the United States was cut by $36,830. An allotment to France of American petroleum was reduced by $119,000.

The list also included American absorption of ocean freight charges totaling $245,500 on shipments to France.

DIFFER ON GERMAN STEEL SCRAP PRICE

Washington, Aug. 27 (A. P.).—Government officials today disclosed that Great Britain and the United States are seeking agreement on a price to be paid for steel scrap imports from Germany.

These officials said the United States believes that $26 a ton is enough. They told newsmen that Britain wants to pay $30 to expedite delivery.

Gen. Lucius D. Clay, American zone commander, is reported to have held up all allocations until a common price is set.

Clay is reported unwilling to agree to the higher British price. He feels this would influence German companies to fill British orders for scrap first.

Both Britain and the United States have been tentatively allocated 240,000 tons each of scrap from Germany for the last six months of the fiscal year ending June 30, 1949. An allocation of 120,000 tons has been set for other western European countries, these officials said.

Six ships already have brought loads of German scrap to the United States. Another ship is currently unloading at Philadelphia. Two more are on the way.

This scrap, in the form of ruined Nazi equipment, such as bridges, tanks and building frames, is needed by American steel mills to step up their output. An American Government and Industry Committee toured Germany several months ago and estimated up to 10,000,000 tons of scrap available in the western zones.

The Carnegie-Illinois Steel Corporation, subsidiary of United States Steel Corporation, has bought and is already loading for shipment to the United States "a substantial tonnage of prepared carbon steel scrap" from Germany.

A spokesman for the company stated this purchase has had formal approval of the German joint export and import agency. He added that loading for shipment has already begun and that most of this tonnage will be delivered by the end of the year with completion expected by April 1, 1949.

Austria Joins World Bank

WASHINGTON, Aug. 27 (AP).—Austria became the forty-seventh member of both the World Bank and the World Monetary Fund today. The two international financial institutions announced that Austria's minister to the United States, Dr. Ludwig Kleinwaechter, signed the articles of agreement for membership on behalf of his country. Austria had been approved for membership by governors of the two institutions last March. Her quota in the fund is $50,000,000 and her subscription to the bank's capital stock also amounts to $50,000,000.

SYNDICATES BID FOR LIFE STORY OF TEACHER

Mrs. Kasenkina's New Lawyer Will Rule On Biography Offers

New York, Aug. 27 (AP)—Mrs. Oksana Kasenkina got a personal lawyer today and he promptly announced one of his first jobs—deciding to whom she will sell the story of her life.

Hhe Russian schoolteacher who jumped from a third-story window of the Russian Consulate August 12 will be represented by Archie O. Dawson, former commissioner under the State Moreland Act for special investigations.

Dawson said several newspaper syndicates had made Mrs. Kasenkina offers for the story of her life and considering the offers would be among his first duties as her lawyer.

Meanwhile Jacob M. Lomakin, Soviet consul general whose recall was demanded by the United States, said today he was "not sure" he would sail for home tomorrow.

Scheduled To Sail Today

Lomakin had been scheduled to sail abroad the liner Stockholm tomorrow. The consulate here is being closed on orders from Moscow.

After Lomakin expressed doubt that he would sail, he was asked if he would sit down and talk with reporters.

"Maybe in two weeks," re replied.

He would not comment further. In Washington, the State Department indicated he did not have to leave but could no longer act as consul.

Dawson, whose 1943 investigation of State mental institutions led to a shakeup in their administration, was named by the Legal Aid Society to represent Mrs. Kasenkina.

Requested To Choose Lawyer

The society was requested to select an attorney for her by officials of Roosevelt Hospital.

Tonight Dawson spent fifteen minutes with the teacher, and said later that she had accepted him as her lawyer and seemed pleased with the arrangements.

With him during the interview was Peter Hoguet, attorney for Common Cause, Inc., anti-Communist organization which yesterday announced it would set up a fund to help the teacher and other "refugees from communism."

Kasenkina Case Inspires Fund For Refugees

New York, Aug. 27 (AP)—The plight of the Russian schoolteacher who leaped from a Soviet Consulate window has led to establishment of a fund to aid "refugees from communism" in this country.

Common Cause, Inc., an anti-Communist organization, announced formation of the fund yesterday—partly to provide medical expenses, legal aid and future employment for the teacher, Mrs. Oksana Kasenkina, 52.

Calling It "Kasenkina Fund"

Officials of the organization said the fund would be called the "Kasenkina Fund for Victims of Communism."

They stated also that the fund would be used to persuade other Soviet citizens in this country "to chose freedom like Mrs. Kasenkina."

The teacher, whose refusal to return to Russia started a series of events that led to severing of American-Soviet consular relations, has been promised asylum here by the State Department.

Mrs. Kasenkina, who suffered serious injuries in her leap, was reported in good condition today at Roosevelt Hospital.

Her Story Beamed To Russia

Her story—which she told newsmen in a hospital-room interview Wednesday—was beamed to Moscow in full by the "Voice of

AUG 1948

America."

Other phases of her story may be contained in two letters allegedly written by Mrs. Kasenkina. Copies of the letters are being turned over to New York city police by the State Department.

The notes are believed to be one which the teacher wrote to Soviet Consul General Jacob M. Lomakin while she was at a White Russian anti-Communist camp, and another she wrote just before her leap from the consulate where she was taken from the camp.

To See If Letters Are Genuine

Photostatic copies of the letters, handed over to the United States by Moscow, are to be given to police to determine if they are genuine.

Meanwhile, Consul General Lomakin, who the teacher said had held her prisoner until her leap, was winding up his chores in this country.

Stripped of his credentials by President Truman, he is scheduled to sail for home tomorrow.

The consulate itself, which was ordered closed by Moscow after the United States demanded Lomakin's recall, was preparing to shut its doors.

Two More Balkan Diplomats Quit

Hungarian and Romanian Refuse to Serve Reds

WASHINGTON, Aug. 27 (AP)—Two more officials of Soviet satellite legations—one a Hungarian and one a Romanian—have joined the colony of those who don't want to return home, it was disclosed today.

Ivan G. Nagy notified the State Department, officials said, that he resigned his diplomatic commission Aug. 16. He was First Secretary of the Hungarian Legation.

Remus Lula, Commercial Attache of the Romanian Legation, left last month and is reported now to be in Buenos Aires. A legation spokesman said he was "discharged" because he was "more interested in his profession as an engineer than in his job."

Mr. Nagy is expected to apply for permission to remain in this country as a political refugee. He has the same surname as Ferenz Nagy, who was ousted as Prime Minister in last year's Communist overturn in Hungary and is now living in near-by Herndon, Va. Associates said they are not relatives.

These two resignations bring to four the number of Balkan diplomats who have quit their posts in the last few weeks. Last week, the Romanian press attache, Alfons Vogel, announced he had given up his job. The Hungarian Consul General in New York, Aurel Alth refused to continue serving the Hungarian government earlier.

ACT TO FREE 'AXIS SALLY'

Lawyers Say She Is German Citizen—Hearing Is Ordered

WASHINGTON, Aug. 27 (AP)—A hearing was ordered today on a move to free Mildred E. Gillars, held in jail here as "Axis Sally" of the wartime Nazi radio. She is charged with treason.

Her lawyers contend she is a German citizen and is being held illegally.

Federal Judge Richmond B. Keech issued the order, directing the jail supervisor to show at a hearing Sept. 9 why Miss Gillars should not be freed on a writ of habeas corpus.

Meanwhile, the grand jury began hearing the Government's case against Miss Gillars. John M. Kelley Jr., special Assistant Attorney General, was the first witness. He said others will appear next week.

Miss Gillars was brought to Washington from Germany last week, accused of being the "Axis Sally" who urged American soldiers over the radio to quit fighting during the war.

Fisk Quits Atomic Unit To Return To Harvard

Washington, Aug. 27 (AP)—Dr. James B. Fisk, research director for the Atomic Energy Commission, is returning to Harvard University to become professor of applied physics.

The commission, in announcing that it reluctantly had accepted Fisk's resignation, effective today, said he accepted the assignment twenty months ago "with our understanding that some day he would have to return to Harvard."

Fisk played a part in the wartime development of radar. No successor has been designated.

Mother At Last Convinced Vet Is Not Her Son

Kenvil, N.J., Aug. 27 (AP)—Mrs. William Stolz was on the way back to her Michigan farm yesterday, convinced at last that a Kenvil war veteran is not her son who was reported lost in a submarine in August, 1942.

For two years Mrs. Stolz refused to believe that Jere Baker was not her son, Vernon. For two years Baker had tried to convince her by mail that he was a former B-29 gunner who had always lived in Kenvil.

Mrs. Stolz said Baker looked like her son and his handwriting resembled that of her son.

Face to face with Jere at his home here, Mrs. Stolz remained unconvinced until Baker showed her his right hand. All the knuckles were normal. Vernon Stolz had a scarred knuckle as the result of a childhood accident.

LONDON, AUG.27-(AP)-YUGOSLAVIA ACCUSED HUNGARY TODAY OF A "SERIES OF GROSS VIOLATIONS OF GOOD RELATIONS," INCLUDING ATTEMPTS TO STIR UP A REVOLUTION AGAINST PREMIER MARSHAL TITO'S GOVERNMENT.

THIS WAS THE SECOND BROADSIDE THIS WEEK BY YUGOSLAVIA AGAINST A COMMUNIST NEIGHBOR. IN THE FIRST THE YUGOSLAVS ACCUSED ROMANIA OF CONDUCTING A "MONSTROUS ANTI-YUGOSLAV CAMPAIGN" AND OF PLOTTING TO OVERTHROW TITO.

THE OFFICIAL YUGOSLAV NEWS AGENCY TANJUG REPORTED IN A BROADCAST FROM BELGRADE THAT A NOTE CONTAINING THE CHARGES AGAINST HUNGARY WAS DELIVERED TO THE HUNGARIAN LEGATION BY THE FOREIGN AFFAIRS MINISTRY.

HUNGARY, LIKE ROMANIA, HAS BACKED THE MOSCOW-DIRECTED COMINFORM (COMMUNIST INTERNATIONAL INFORMATION BUREAU) IN ITS CHARGES THAT TITO HAS BACKSLID FROM MARXISM AND LENINISM.

TITO'S GOVERNMENT, OBVIOUSLY SEIZING THE OFFENSIVE IN THE WAR OF WORDS AGAINST HER COMMUNIST NEIGHBORS, FIRED A VOLLEY WEDNESDAY NIGHT AT THE COMMUNIST FOREIGN MINISTER OF ROMANIA, MRS.ANNA PAUKER, LABELLING HER AS ONE WHO "OPENLY CALLED FOR ELIMINATION OF THE PRESENT STATE LEADERSHIP IN YUGOSLAVIA."

IN ADDITION THE YUGOSLAVS ACCUSED ROMANIAN PRESS AND OFFICIALS OF "SHAMEFUL EXPRESSIONS" AGAINST TITO.

IT WAS LEARNED THAT PRESIDENT VINCENT AURIOL WOULD START EARLY TODAY OR SEARCH OF A SUCCESSOR TO MARIE.

SECRECY HAD SHROUDED THE CABINET'S MEETINGS AND IT WAS NOT LEARNED MMEDIATELY WHAT POLITICAL PARTY PRECIPITATED THE CRISIS.

HOWEVER, IT WAS GENERALLY KNOWN THAT MARIE'S FINANCIAL MINISTER, PAUL REYNAUD, DESIRED DRASTIC NEW MEASURES, WHICH GENERALLY WERE AGREED TO INCLUDE THE RAISING OF AMNY PRICES.

RELIABLE SOURCES ALSO SPECULATED THAT REYNAUD'S PROPOSALS INCLUDED 30 PER CENT REDUCTIONS IN MILITARY EXPENDITURES.

THE CABINET STRUCK A SNAG YESTERDAY IN ITS EFFORTS TO DRAFT PROPOSED NEW FINANCIAL AND ECONOMIC MEASURES.

MARIE'S CABINET WAS COMPOSED OF SOCIALISTS, CATHOLIC POPULAR REPUBLICANS (MRP), RADICAL SOCIALISTS (CONSERVATIVES) AND RIGHTISTS. T WAS A POLITICAL CURIOSITY THAT IT WAS HEADED BY MARIE, A MODERATE ONSERVATIVE. HIS EMERGENCE ON THE FRENCH POLITICAL SCENE LAST MONTH ARKED A SWING TO THE RIGHT. HIS GOVERNMENT DID NOT INCLUDE COMMUNISTS.

TWO YEARS AGO THE RADICAL SOCIALISTS VOTED AGAINST THE VERY ONSTITUTION UNDER WHICH FRANCE NOW OPERATES. POST-WAR FRENCH GOVERN- ENTS HAVE BEEN HEADED BY SOCIALISTS, POPULAR REPUBLICANS AND A RADICAL OCIALIST. THUS, THE ONLY GROUPS WHICH HAVE NOT BEEN CHOSEN TO LEAD ARE THE COMMUNIST AND RIGHTIST PARTIES. EVEN NOW, THEY HAVE NO HOPE OF GETTING THE PREMIERSHIP.

THIS MEANS AURIOL WILL HAVE TO CHOOSE HIS GOVERNMENT LEADER FROM THE SAME THREE PARTIES, CALL UPON DE GAULLE, OR ABANDON HIS TASK AND LET THE RENCH PEOPLE HAVE A VOICE IN THE CHOICE BY TAKING PART IN A NEW ELECTION.

2. A TEMPORARY COST OF LIVING BONUS TO WORKERS WHILE THE GENERAL AGE PROBLEM IS BEING ARGUED WITH LABOR.
3. ECONOMIES IN MILITARY OUTLAY.

AUG 1948

BERLIN INTERPRETIVE (300)

BY WES GALLAGHER

BERLIN, AUG 27-(AP)-IN MOSCOW PRIME MINISTER STALIN DEBATES THE FUTURE OF THIS EMBATTLED CITY WITH THE WESTERN POWERS.

IN BERLIN, SOVIET-TRAINED COMMUNISTS ARE ATTEMPTING TO GRAB CONTROL OF THE CITY BY PHYSICAL PRESSURE.

IT IS IMPOSSIBLE IN BERLIN TO RECONCILE SOVIET-SPONSORED ACTIONS HERE WITH ANY BELIEF THE KREMLIN EXPECTS OR WANTS ANY SATISFACTORY AGREEMENT TO COME OUT OF PRESENT DISCUSSIONS.

IF YOUR LIVE AMIABLY WITH YOUR NEIGHBOR, YOU DO NOT SOLVE THE SITUATION BY OPENING FRIENDLY TALKS WITH HIM ON THE FRONT PORCH WHILE HIRING A THIRD PARTY TO GO IN THE BACK WAY AND SHOOT THE DOG IN THE HEAD.

THIS WILL SILENCE THE DOG, BUT PROBABLY BRING ON SOMETHING WORSE. THAT IS A SIMPLIFICATION OF THE PRESENT SITUATION.

THE COMMUNISTS IN BERLIN, WORKING THROUGH THE FRONT OF THEIR PUPPET SOCIALIST UNITY PARTY, ARE APPARENTLY TRYING TO PRESENT THE MOSCOW CONFERENCE WITH A FAIT ACCOMPLI.

THEY ARE TRYING TO FORCE THE ELECTED ANTI-COMMUNIST CITY GOVERNMENT FROM OFFICE, SEIZE CONTROL THEMSELVES AND IMPOSE THEIR WILL ON THE POPULATION.

IF THEY COULD SUCCEED--WHICH SEEMS DOUBTFUL AS LONG AS WESTERN OCCUPATION FORCES STAND FIRM--THE QUESTION OF WHO CONTROLS THE CITY'S CURRENCY, NOW BEING DEBATED AT MOSCOW, WOULD BE ACADEMIC.

IT IS IMPOSSIBLE TO BELIEVE THE KREMLIN IS UNAWARE OF COMMUNIST ACTIONS IN BERLIN.

THE SOVIET COMMANDER OF EASTERN BERLIN, MAJ. GEN. ALEXANDER KOTIKOV, HAS LED THE PRESS ATTACK ON THE ELECTED GOVERNMENT. HE HAS SUMMARILY TRIED TO FIRE SOME OF ITS MEMBERS IN THE FACE OF WESTERN OPPOSITION.

THE OFFICIAL SOVIET NEWSPAPER, TAEGLICHE RUNDSCHAU, SCARCELY HAS AN EDITION WITHOUT AN ATTACK ON THE GOVERNMENT.

THE SOVIET-CONTROLLED GERMAN POLICE IN THE EAST SECTOR LET COMMUNIST-LED DEMONSTRATIONS RUN WILD IN THE CITY HALL, OFFERING NO PROTECTION TO THE CITY COUNCIL.

THE COMMUNIST-DOMINATED SOCIALIST UNITY PARTY PROPOSES AN "EXTRAORDINARY COMMITTEE" TAKE OVER THE CITY'S ADMINISTRATION.

IN THE CZECHOSLOVAK PURGE, COMMITTEES OF THIS TYPE WERE CALLED "ACTION COMMITTEES."

THE TACTICS ARE THE SAME AS USED IN EASTERN EUROPE WHERE COMMUNIST MINORITIES CLIMBED TO POWER.

THEIR APPARENT AIM HERE IS SEEMINGLY TWO-FOLD.

A26

THE FIRST AIMS IS TO SEIZE POWER OVER THE WHOLE CITY IF POSSIBLE. THIS APPEARS IMPOSSIBLE AS LONG AS THE THREE WESTERN POWERS REMAIN IN OCCUPATION. THEY CAN REFUSE TO RECOGNIZE ANY COMMUNIST-CONTROLLED ADMINISTRATION AND RUN THE WESTERN SECTORS AS A SEPARATE POLITICAL UNITY.

THE SECOND AIM IS TO FORCE THE PRESENT ELECTED ADMINISTRATION TO ABANDON THE CITY HALL IN THE SOVIET SECTOR. THIS IS BEING DONE BY CONSTANT DEMONSTRATIONS MAKING IT IMPOSSIBLE FOR THE ASSEMBLY TO MEET. ONCE THE ASSEMBLY LEAVES TO MEET IN WESTERN BERLIN UNDER THE POLICE PROTECTION OF THE WEST, THE SOCIALIST UNITY PARTY WOULD SET UP ITS "EXTRAORDINARY COMMITTEE" WITH SOVIET BACKING, TAKE OVER THE CITY HALL AND CLAIM IT IS THE ONLY GOVERNMENT FOR ALL OF BERLIN.

IT COULD ENFORCE ITS RULE ONLY IN THE SOVIET-OCCUPIED EAST, BUT IT WOULD PLUNGE THIS STRIFE-TORN CITY DEEPER INTO THE CHAOS OF POLITICAL WARFARE IN A POLICY OF RULE OR RUIN.

IT IS IMPOSSIBLE TO SEE HOW ANY AGREEMENT ON A COMMON CURRENCY -- EVEN IF IT COMES -- COULD BRING ANY PEACE OR EVEN A TRUCE TO THIS SOVIET-INSPIRED SITUATION.

THE WESTERN POWERS POINTED OUT THAT AN EARLIER FOUR POWER AGREEMENT BARRED "SPLINTER" PARTIES OF INCONSEQUENTIAL BACKING. THE RUSSIANS PRESSED FOR APPROVAL BUT THE MATTER WAS REFERRED BACK TO THE POLITICAL DIRECTORATE FOR FURTHER STUDY.

THE AMERICAN SPOKESMAN SAID THE PARTY'S PLATFORM WAS "MIDDLE OF THE ROAD." THE SOVIETS, HE ADDED, APPARENTLY WERE BACKING IT IN HOPE OF DRAWING SUPPORT AWAY FROM THE TWO MAJOR ANTI-COMMUNIST PARTIES, THE SOCIALISTS AND RIGHT WING PEOPLES PARTY.

NIGHT LEAD COMMUNISTS

AUG 1948

BY FRANCIS J.KELLY

WASHINGTON,AUG.27-(AP)-THE HOUSE UN-AMERICAN ACTIVITIES COMMITTEE ORDERED AN INVESTIGATOR TODAY TO CHECK OLD COURTHOUSE RECORDS TO SEE IF ALGER HISS AND WHITTAKER CHAMBERS EVER WERE INTERESTED IN BUYING THE SAME MARYLAND FARM.

THE BALTIMORE NEWSS-POST SAID THEY WERE. THE TWO MEN ARE PRINCIPAL WITNESSES IN THE COMMITTEE'S INVESTIGATION OF AN ALLEGED RED UNDERGROUND WHICH CHAMBERS SAID OPERATED IN WASHINGTON BEFORE THE WAR.

THE BALTIMORE NEWSPAPER REPORTED THAT HISS AND HIS WIFE MADE A DOWN PAYMENT ON A RUN-DOWN FARM NEAR WESTMINSTER,MD., IN 1936 BUT LATER CANCELLED THE DEAL. IN 1937, THE NEWS-POST SAID, A MAN NAMED "JAY AMBERS" AGREED TO PURCHASE THE FARM, FIVE MILES OFF A PAVED ROAD.

THE BALTIMORE PAPER SAID A CHECK OF RECORDS SHOWED THAT CHAMBERS SIGNED HIS NAME AS D.W., J.D.W., AND JAY DAVID WHITTAKER CHAMBERS.

WHITTAKER CHAMBERS, A TIME MAGAZINE EDITOR WHO SAID HE OPERATED AS A COURIER FOR THE COMMUNIST UNDERGROUND UNTIL 1937, HAS BEEN A KEY WITNESS IN THE SENSATIONAL COMMITTEE HEARINGS HERE. HE SWORE THAT HISS WAS A MEMBER OF THE UNDERGROUND, IN AN "ELITE" CELL. HISS, A FORMER POLICY MAKING OFFICIAL IN THE STATE DEPARTMENT AND NOW HEAD OF THE CARNEGIE ENDOWMENT FOR INTERNATIONAL PEACE, SAYS CHAMBERS LIED.

AFTER THE NEWS-POST PUBLISHED THE REPORT, CHAMBERS WAS QUESTIONED BY REP.NIXON (R-CALIF) AND BY ROBERT E.STRIPLING, THE COMMITTEE'S CHIEF INVESTIGATOR.

STRIPLING QUOTED CHAMBERS AS SAYING THAT HISS DROVE HIM OUT TO THE FARM--THE OLD "SHIRKEY PLACE"--IN 1936; THAT HISS MADE A DOWN PAYMENT ON THE FARM BUT DID NOT BUY IT; AND THAT ABOUT A YEAR LATER HE (CHAMBERS) PURCHASED IT.

ACCORDING TO STRIPLING, CHAMBERS SAID HE DID NOT BELIEVE HISS KNEW ABOUT THE PURCHASE.

NIXON SAID THE COMMITTEE WANTS TO DETERMINE WHETHER "THIS IS ANOTHER LINK IN THE CHAIN OF EVIDENCE OR JUST PURE COINCIDENCE." HE DECLARED IT IS POSSIBLE THAT THE INVESTIGATION MAY SHOW THAT HISS AND

AUG 1948

30.24- 20037

CHAMBERS WERE "MUCH MORE CLOSELY CONNECTED THAN PREVIOUSLY INDICATED."
HISS HAS SWORN HE NEVER KNEW CHAMBERS UNDER THAT NAME, BUT KNEW HIM AS GEORGE CROSLEY IN THE MIDDLE 1930'S. CHAMBERS SAID THE TWO WERE ON FRIENDLY TERMS AND THAT THEY AND THEIR FAMILIES LIVED TOGETHER WHILE IN THE SAME WASHINGTON APARTMENT.
IN ANOTHER DEVELOPMENT IN THE INVOLVED CASE, THE COMMITTEE TODAY QUESTIONED FIVE MEN, INCLUDING A WASHINGTON AUTOMOBILE DEALER, IN AN EFFORT TO TRACE AN OLD FORD CAR WHICH CHAMBERS TESTIFIED HISS DISPOSED OF IN 1936. CHAMBERS SAID HISS WANTED THE CAR TO GO TO SOME IMPOVERISHED COMMUNIST ORGANIZER. HISS TESTIFIED HE GAVE IT TO "CROSLEY" (CHAMBERS) AS PART OF A DEAL IN WHICH HE SUBLEASED HIM AN APARTMENT.
REP.MCDOWELL SAID THE QUESTIONING OF THE FIVE WITNESSES PRODUCED "PRACTICALLY NOTHING."

EARLY TONIGHT, CHAMBERS WAS CALLED BEFORE A SUBCOMMITTEE CONSISTING OF NIXON AND REPRESENTATIVE MUNDT (R-S.D.) TO TELL THE STORY OF THE MARYLAND FARM UNDER OATH.
MUNDT TOLD REPORTERS LATER THAT CHAMBERS COVERED ABOUT THE SAME GROUND AGAIN ABOUT VISITING THE PLACE WITH HISS AND BUYING IT NEARLY A YEAR LATER HIMSELF.

ASKED WHAT HE THINKS THE SIGNIFICANCE OF THE AFFAIR IS, MUNDT REPLIED THERE ARE SEVERAL POINTS OF SIGNIFICANCE.
"NUMBER ONE," HE SAID, "IT ESTABLISHED ANOTHER POINT OF RELATIONSHIP AND CONTACT BETWEEN HISS AND CHAMBERS, BECAUSE IT WAS THROUGH HISS THAT CHAMBERS FIRST CAME TO SEE THE HOUSE."
SECOND, HE SAID, IT ESTABLISHES THE POINT THAT "THE MAN WALKING AROUND IN CHAMBERS' SHOES THOSE DAYS WAS KNOWN AS CHAMBERS, NOT GEORGE CROSLEY."
HISS HAS TESTIFIED HE KNEW CHAMBERS ONLY UNDER THE NAME OF CROSLEY.
THIRD, MUNDT SAID, IS THAT INCIDENTS LIKE THIS--HE SAID THERE HAVE BEEN OTHERS--TEND TO JUSTIFY PUBLIC HEARINGS. BECAUSE OF RADIO AND PRESS PUBLICITY, HE SAID, THE MEMORY OF OTHER PEOPLE MAY BE STIRRED UP.
HE SAID HE HOPED OTHERS WILL BE ABLE TO COME FORWARD WHO CAN SAY THEY KNEW HISS OR CHAMBERS AND THEIR RELATIONSHIP.
MUNDT SAID CHAMBERS WAS ASKED WHY HE HADN'T VOLUNTEERED INFORMATION ABOUT THE FARM DEAL AND VISITING THE PLACE WITH HISS. HE SAID CHAMBERS REPLIED THAT HE HAD THOUGHT ABOUT IT ONCE BUT IN PUBLIC HEARINGS NO ONE ASKED ANY QUESTIONS WHICH BROUGHT IT BACK TO HIS MIND AND HE JUST OVERLOOKED IT.
DURING THE AFTERNOON, THE UNAMERICAN ACTIVITIES COMMITTEE UNAIMOUSLY APPROVED A PRELIMINARY REPORT IT PLANS TO RELEASE TOMORROW NIGHT. IT DEALS WITH THE SPY HEARINGS TO DATE. AS FOR PARTICULAR INDIVIDUALS, MUNDT SAID, "WE ARE LEAVING EVERYTHING OPEN FOR MORE INVESTIGATIONS." BUT HE SAID THE REPORT DOES PRESENT SOME OBSERVATIONS AND SUMMATIONS WHICH SHOWS WHERE THE INQUIRY IS LEADING.

BALTIMORE,AUG 27-(AP)-THE NEWS-POST SAID TODAY IT FOUND RECORDS SHOWING WHITTAKER CHAMBERS BOUGHT A DILAPIDATED FARMHOUSE NEAR WESTMINSTER, MD., A FEW MONTHS AFTER ALGER HISS PUT A DOWN PAYMENT ON IT.
HISS CONTRACTED TO BUY THE 9-ACRE TRACT APRIL 13, 1936, PAID $120 OF THE $650 PURCHASE PRICE, TOOK SOME TOOLS OUT TO THE OLD PLACE AND STARTED WORKING ON IT.
HE NEVER GOT A TITLE, HOWEVER, FOR THE SELLER DIED WHILE HER DEED WAS BEING STRAIGHTENED OUT AND THE HEIRS WANTED MORE MONEY.
THE NEWS-POST PRINTED PHOTOSTATS OF LETTERS AND SALE AGREEMENTS IT OBTAINED FROM EDWARD W.CASE, WESTMINSTER REAL ESTATE MAN WHOHHANDLED BOTH THE HISS AND CHAMBERS DEALS.
TWO FROM HISS, ON MAY 13 AND 26, 1936, SAID HE WAS SORRY TO LOSE THE OLD PLACE BUT HE DIDN'T WANT TO PAY THE HIGHER PRICE.

NINE MONTHS LATER, THE NEWS-POST SAID, CASE GOT A LETTER FROM "J.W." CHAMBERS SAYING HE WOULD COME TO WESTMINSTER TO LOOK AT PROPERTIES.
ON MARCH 12, 1937, THERE WAS A CONTRACT TO BUY THE PLACE FOR $650, SIGNED BY "ESTHER CHAMBERS PER JAY CHAMBERS."
"IT WAS ONE OF THE ODDEST DEALS I EVER HAD," THE NEWS-POST QUOTED CASE.
"THE HOUSE WAS RUN DOWN. IT WAS FI

SIGNED BY "ESTHER CHAMBERS PER JAY CHAMBERS." AUG 1948
"IT WAS ONE OF THE ODDEST DEALS I EVER HAD," THE NEWS-POST QUOTED CASE.
"THE HOUSE WAS RUN DOWN. IT WAS FIVE MILES OFF A PAVED ROAD.
"YET HERE WERE TWO IMPORTANT MEN, BOTH APPARENTLY ANXIOUS TO BUY IT."
CASE SAID THE FIRST INQUIRIES FROM HISS AND CHAMBERS WERE CLOSER TOGETHER.
HE FIRST HEARD FROM MRS.HISS ON NOV.5, 1935, INQUIRING ABOUT A PLACE HE HAD OFFERED FOR SALE IN A BALTIMORE NEWSPAPER. THE FIRST LETTER FROM CHAMBERS WAS ON FEB.3, 1936. IT DID NOT GIVE AN ADDRESS BUT ASKED CASE TO ADVISE A NEW YORK ATTORNEY IF HE HAD A SMALL PIECE OF RURAL PROPERTY AT BETWEEN $600 AND $750.
IT WAS THE NEXT MONTH THAT HISS WENT TO WESTMINSTER AND SIGNED UP TO BUY.
THE HOUSE IS ABOUT TEN MILES NORTH OF WESTMINSTER ON BACHMAN'S ROAD. CALVIN ZEPP, ANTIQUE DEALER WHO HELPED SHOW CHAMBERS THE PLACE ON HIS FIRST TRIP, SAID HE LATER DROVE CHAMBERS OUT FROM WESTMINSTER SEVERAL TIMES.
"I DROVE HIM TO THE END OF THE PAVED ROAD," ZEPP WAS QUOTED, "THEN WOULD LET HIM OUT TO WALK THE OTHER FIVE MILES IN RAIN, MUD OR SNOW, AS THE CASE MIGHT BE."
THE CHAMBERS NOW LIVE IN ANOTHER HOUSE IN BACHMAN'S VALLEY. ELLEN, THEIR 15-YEAR-OLD DAUGHTER, STARTS THE TENTH GRADE AT WESTMINSTER HIGH SCHOOL NEXT MONTH. JOHN, HER YOUNGER BROTHER, HAS BEEN A PUPIL AT CHARLES CARROLL GRADE SCHOOL.
COUNTY RECORDS SHOW SEVERAL TRACTS IN BACHMAN'S VALLEY HAVE BEEN SOLD IN RECENT YEARS TO ESTHER AND J.W., J.D.W. OR JAY DAVID WHITTAKER CHAMBERS. ELLEN'S REGISTRATION BLANKS AT SCHOOL ARE SIGNED "DAVID CHAMBERS" AND "WHITTAKER CHAMBERS."
THE NEWS-POST SAID IT COULD FIND NO ONE WHO REMEMBERED FOR CERTAIN EVER SEE HISS AND CHAMBERS TOGETHER.

WASHINGTON,AUG 27-(AP)-WHITTAKER CHAMBERS PAVED THE WAY FOR A POSSIBLE COURT FIGHT WITH ALGER HISS TONIGHT BY STATING PUBLICLY, WITHOUT CONGRESSIONAL IMMUNITY, THAT HISS "WAS A COMMUNIST AND MAY BE NOW."

CHAMBERS, WHO RENOUNCED COMMUNISM IN 1937 AND NOW IS A SENIOR EDITOR OF TIME MAGAZINE, HAD STATED BEFORE THE HOUSE UNAMERICAN ACTIVITIES COMMITTEE THAT HISS, FORMER TOP STATE DEPARTMENT EXECUTIVE, WAS A COMMUNIST.

LAST WEDNESDAY HISS, NOW HEAD OF THE CARNEGIE FOUNDATION FOR INTERNATIONAL PEACE, CHALLENGED CHAMBERS TO MAKE THE STATEMENT OUTSIDE THE COMMITTEE WHERE HE COULD BE SUED FOR LIBEL OR SLANDER.

CHAMBERS REPEATED THE STATEMENT TONIGHT ON THE "MEET THE PRESS" RADIO PROGRAM BROADCAST BY THE MUTUAL NETWORK.

HE ADDED:

"I DO NOT THINK THAT MR.HISS WILL SUE ME FOR SLANDER OR LIBEL."

HISS WAS NOT AVAILABLE FOR COMMENT BUT HIS LAWYER, JOHN F. DAVIS SAID HE HAD HEARD THE PROGRAM AND ADDED THAT THE WHOLE THING WILL BE STUDIED TO SEE IF THERE IS A BASIS FOR A SUIT."

CHAMBERS WAS ASKED IF HE BELIEVES HISS IS A COMMUNIST NOW.

"I WOULD NOT PRESUME TO SAY," CHAMBERS REPLIED.

"DID ALGER HISS AT ANY TIME TO YOUR KNOWLEDGE DO ANYTHING THAT WAS TREASONABLE OR BEYOND THE LAW OF THE UNITED STATES?" HE WAS ASKED.

"I'M UNPREPARED TO SAY WHETHER HE DID IT OR NOT," CHAMBERS REPLIED, ADDING "I AM ONLY PREPARED AT THIS TIME TO SAY HE WAS A COMMUNIST."

CHAMBERS THEN WAS ASKED IF THE GROUP TO WHICH HE CLAIMED HISS BELONGED WAS SET UP FOR PURPOSES OF ESPIONAGE. HE SAID ITS PURPOSE IS TO INFILTRATE THE GOVERNMENT AND INFLUENCE POLICY AND "IT WAS NOT" A SPY RING.

"I AM ACCUSING HIM OF MEMBERSHIP IN THE COMMUNIST PARTY," HE SAID. "I'M NOT EVEN ACCUSING HIM. I'M SIMPLY STATING THAT HE WAS A MEMBER OF THE COMMUNIST PARTY."

CHAMBERS WAS ASKED WHETHER HE WAS AWARE OF THE POSSIBLE IMPLICATIONS IN AN ELECTION YEAR OF HIS STATEMENTS THAT A NUMBER OF FORMER NEW DEAL OFFICIALS HAD BEEN CONNECTED WITH WHAT HE CALLED A COMMUNIST UNDERGROUND ORGANIZATION HERE.

HE SAID HE IS NOT AFFILIATED OFFICIALLY WITH ANY POLITICAL PARTY AND "I AM SOLELY INTERESTED IN ERADICATING COMMUNISM IN THE UNITED STATES."

AUG

HE SAID HE FIRST GAVE THE INFORMATION ABOUT COMMUNIST ACTIVITIES IN THE GOVERNMENT TO A.A.BERLE, THEN AN ASSISTANT SECRETARY OF STATE, IN 1939 AND LATER TOLD IT TO THE FBI. HE SAID HE DID NOT THINK THE FBI WAS SURPRISED AT THE REVELATIONS HE HAS MADE BEFORE THE HOUSE UNAMERICAN ACTIVITIES COMMITTEE.

NIGHT LEAD EUROPEAN UNITY

BY EDWARD E.BOMAR

WASHINGTON,AUG.27-(AP)-THE UNITED STATES GAVE A NEW BOOST TO WESTERN EUROPEAN UNITY TODAY. IT CAME THROUGH WITH A STRONG ENDORSEMENT OF FRANCE'S PROPOSAL TO GO AHEAD NOW WITH ACTUAL CREATION OF A CONTINENTAL PARLIAMENT.

WITH SECRETARY MARSHALL'S SANCTION, THE STATE DEPARTMENT ANNOUNCED THE ADMINISTRATION'S BACKING FOR SUCH AN ASSEMBLY, JUST AS IT ACTIVELY SUPPORTED THE NEWLY FORMED FIVE POWER BRUSSELS ALLIANCE.

TO BE COMPOSED PRESUMABLY OF DELEGATES OF THE 16 COUNTRIES TAKING PART IN THE AMERICAN FINANCED EUROPEAN RECOVERY ENTERPRISE, THE ASSEMBLY PROPOSAL IS TAKING SHAPE AS A POLITICAL COUNTERPART OF THE MARSHALL PLAN.

UNDER THE FRENCH PROPOSAL, THE ASSEMBLY AT THE OUTSET WOULD HAVE ONLY ADVISORY POWERS. IT WOULD REPRESENT THE LONG STEP TOWARD THE UNITY WHICH PRESIDENT TRUMAN AND CONGRESS HAVE URGED. UNLESS MOSCOW AND THE SOVIET BLOC REVERSE THEIR ENMITY TO THE MARSHALL PLAN AND JOINED IN,IT WOULD HELP SOLIDIFY WESTERN EUROPE AGAINST THE COMMUNIST TIDE.

FRANCE WANTS A MEETING BY NOVEMBER OF REPRESENTATIVES OF THE FIVE NATIONS WHICH SIGNED THE 50-YEAR BRUSSELS ALLIANCE--BRITAIN, FRANCE, BELGIUM, THE NETHERLANDS, AND LUXEMBOURG--TO LAY THE GROUNDWORK FOR A LARGER GROUPING. BRITAIN THUS FAR HAS HELD BACK, SAYING THE DOMINIONS MUST BE CONSULTED.

BUT THE STATE DEPARTMENT, IN A POINTED STATEMENT, MADE PLAIN THIS GOVERNMENT FAVORS WITHOUT DELAY A "UNITED STATES OF EUROPE" OR ANY OTHER GROUPING OF THE DEMOCRATIC STATES WHICH PROMISES TO FURTHER THE IDEA OF UNITY. THERE WAS NO MENTION OF THE UNITED NATIONS BUT OFFICIALS HAVE NOTED THAT THE U.N.CHARTER PROVIDES FOR REGIONAL ALLIANCES.

PRESS OFFICER MICHAEL J.MCDERMOTT SAID IN RESPONSE TO A NEWS CONFERENCE QUESTION AS TO THE AMERICAN ATTITUDE TO THE FRENCH PROPOSAL, THAT THE U.S. IS "VERY SYMPATHETIC." THEN HE READ A FORMAL STATEMENT WHICH SAID:

"AS STATED IN THE PREAMBLE OF THE ECONOMIC COOPERATION ACT, THIS GOVERNMENT STRONGLY FAVORS THE PROGRESSIVELY CLOSER INTEGRATION OF THE FREE NATIONS OF WESTERN EUROPE."

AUG 1948

A194WX

"WE BELIEVE THAT THE WORLD OF TODAY REQUIRES THE TAKING OF STEPS WHICH BEFORE THE WAR WOULD HAVE SEEMED BEYOND THE RANGE OF PRACTICAL POLITICS.

"WE FAVOR THE TAKING BY THE EUROPEANS THEMSELVES OF ANY STEPS WHICH PROMOTE THE IDEA OF EUROPEAN UNITY, OR WHICH PROMOTE THE STUDY OF PRACTICAL MEASURES AND THE TAKING OF SUCH MEASURES."

THE IDEA OF A EUROPEAN PARLIAMENT HAS TAKEN STRONG ROOT ESPECIALLY SINCE WORLD WAR II. A MOVE TO CREATE A "UNITED STATES OF EUROPE" LED BY COUNT COUDENHOVE-KALERGI HAS WON THE ENDORSEMENT OF INDIVIDUAL GOVERNMENT LEADERS. BUT FRANCE TOOK THE LEAD AS THE FIRST GOVERNMENT TO PROPOSE IMMEDIATE STEPS FOR AN ADVISORY ASSEMBLY.

IT WAS BROUGHT UP BY GEORGES BIDAULT, THEN FRENCH FOREIGN MINISTER, AT A MEETING LAST MONTH IN THE HAGUE OF FOREIGN MINISTERS OF THE BRUSSELS PACT COUNTRIES. IT RECEIVED A "GENERAL AGREEMENT" FOR FURTHER STUDY.

WINSTON CHURCHILL, BRITAIN'S WARTIME PRIME MINISTER AND OUTSPOKEN CHAMPION OF EUROPEAN UNITY, SUBSEQUENTLY ASKED FOR THE BRITISH GOVERNMENT'S POSITION. HE WAS TOLD THIS WEEK BY PRIME MINISTER ATTLEE THAT HE FIRST WISHED TO CONSULT THE COMMONWEALTH PRIME MINISTERS, TO MEET IN LONDON IN OCTOBER, ALTHOUGH ATTLEE SAID HE IS "IN SYMPATHY" WITH THE BASIC IDEA.

COMMUNIST-LED DEMONSTRATORS AGAIN STORMED INTO BERLIN'S CITY HALL YESTERDAY (FRIDAY) AND IT APPEARED THE CITY COUNCIL WOULD MOVE OUT OF THE SOVIET ZONE TO AVOID FURTHER UPRISINGS.

THE COUNCIL'S ANTI-COMMUNIST MAJORITY WAS REPORTED READY TO START MEETING IN THE AMERICAN ZONE OF THE TURBULENT GERMAN CAPITAL. SUCH ACTION WOULD COMPLETE THE EAST-WEST SPLIT OF THE SOVIET-BLOCKADED CITY.

IT WAS THE SECOND CONSECUTIVE DAY THE ELECTED COUNCIL HAD TO CANCEL ITS MEETING WHILE THE COMMUNIST THRONG TOOK OVER THE CHAMBER AMID SHOUTS OF "DIRTY DOGS," "OUT WITH THE BUMS," AND "THE PARLIAMENT BELONGS TO US NOW."

THE SOVIET-BACKED EAST BERLIN POLICE STOOD BY IDLY. FERDINAND FRIEDENSBURG, CHRISTIAN-DEMOCRAT ACTING MAYOR, CHARGED THAT THE POLICE NOT ONLY REFUSED TO PROTECT THE PARLIAMENT BUT "ACTUALLY BACKED THE DEMONSTRATORS."

AFTER DEMONSTRATING FOR MORE THAN AN HOUR THE CROWD OF ABOUT 1,000 DISPERSED, CHANTING "WE'LL COME BACK AGAIN."

IN PARIS, THE GOVERNMENT OF PREMIER ANDRE MARIE RESIGNED AFTER A MONTH IN OFFICE AND THREW FRANCE INTO WHAT MAY BE HER MOST SERIOUS POLITICAL CRISIS.

THERE WAS SPECULATION THAT PARLIAMENT MIGHT BE DISSOLVED AND NEW ELECTIONS HELD. THIS IS WHAT CHARLES DE GAULLE AND HIS FOLLOWERS HAVE BEEN URGING FOR MANY MONTHS.

THE THREE WESTERN ENVOYS HELD ANOTHER KREMLIN CONFERENCE WITH SOVIET FOREIGN MINISTER V.M.MOLOTOV BUT THE RESULTS WERE AS USUAL CLOAKED IN SECRECY. THE MEETING WENT ON THREE HOURS.

U.S.AMBASSADOR W.BEDELL SMITH CAME OUT FROWNING. BRITISH ENVOY FRANK ROBERTS EMERGED SMILING. FRENCH AMBASSADOR YVES CHATAIGNEAU WORE A DIPLOMATIC MASK--NEITHER SMILING NOR FROWNING.

SMITH TOLD REPORTERS ONLY THAT NO COMMUNIQUE WOULD BE ISSUED IMMEDIATELY AND THAT SOVIET DEPUTY FOREIGN MINISTER ANDREI Y.VISHINSKY SAT IN ON THE GERMAN TALKS FOR THE FIRST TIME.

THE DIPLOMATS ALL DECLINED COMMENT AND THERE WAS NO WORD WHETHER FURTHER MEETINGS WOULD BE HELD IN THE SERIES WHICH BEGAN JULY 30.

ALSO IN MOSCOW THE SOVIET ACADEMY OF SCIENCES PROMISED PRIME MINISTER STALIN IT WOULD CORRECT ITS MISTAKES IN THE FIELD OF BIOLOGY AND PURSUE A COURSE DEDICATED TO THE "VICTORY OF COMMUNISM." THE SCIENTISTS AGREED TO MAKE THEIR VIEWS ON HEREDITARY AND ENVIRONMENT CONFORM WITH THOSE OF THE CENTRAL COMMITTEE OF THE COMMUNIST PARTY.

THE COMMITTEE, WHICH PREVIOUSLY CRACKED DOWN ON COMPOSERS AND DRAMATISTS FOR BOURGEOIS LEANINGS, HAD TURNED INTO ATTENTION TO THE FIELD OF SCIENCE.

J.B.S.HALDANE, A BRITISH SCIENTIST WHO IS ON THE EDITORIAL BOARD OF THE LONDON COMMUNIST DAILY WORKER, WAS THE SPEAKER ASSAILING AMERICAN "IMPERIALISM." ALBERT KAHN OF NEW YORK CITY, AN AMERICAN LABOR PARTY CANDIDATE FOR CONGRESS, MADE THE WALLACE PREDICTION.

YUGOSLAVIA WAS HAVING TROUBLE WITH OTHER SOVIET SATELLITES AGAIN. THIS TIME THE BELGRADE GOVERNMENT ACCUSED HUNGARY OF A "SERIES OF GROSS VIOLATIONS OF GOOD RELATIONS," INCLUDING ATTEMPTS TO STIR UP A REVOLUTION AGAINST PREMIER MARSHAL TITO'S GOVERNMENT.

EARLIER THIS WEEK THE YUGOSLAVS ACCUSED ROMANIA OF PLOTTING TO OVERTHROW TITO. BOTH HUNGARY AND ROMANIA BACKED THE MOSCOW-DIRECTED COMINFORM (COMMUNIST INTERNATIONAL INFORMATION BUREAU) IN ITS CHARGES THAT TITO HAS BACKSLID FROM MARXISM AND LENINISM.

IN LONDON BRITAIN WAS REPORTED READY TO ACCEPT IN PRINCIPLE A UNITED STATES PROPOSAL FOR AN INTERNATIONAL REGIME FOR A LARGE PART OF THE ANTARCTIC CONTINENT. THE AMERICAN PROPOSAL DOES NOT INCLUDE THE SOVIET UNION, WHICH HAS NO CLAIMS ON THE TERRITORY IN QUESTION.

BERLIN COMMUNISTS STORMED THE CITY HALL AGAIN TODAY AND BROKE UP A MEETING OF THE CITY COUNCIL. RUSSIAN CONTROLLED POLICE MERELY WATCHED.

WITHIN A FEW HOURS, AMERICAN, BRITISH AND FRENCH DIPLOMATS WENT TO THE KREMLIN IN SEARCH OF AN ACCORD BY WHICH THE RUSSIAN BLOCKADE OF DIVIDED BERLIN MIGHT BE LIFTED AND THE DIVERGENCE BETWEEN THE WEST AND RUSSIA OVER GERMANY AND OTHER MATTERS MIGHT BE HEALED.

THE KREMLIN SESSION WAS THE EIGHTH IN A MONTH. THIS ONE SEEMED CRUCIAL. BERLIN OBSERVERS, CALLING THE COMMUNIST ANTICS RUSSIAN-INSPIRED ATTEMPTS TO SEIZED THE BERLIN GOVERNMENT BY PHYSICAL PRESSURE, FOUND IT IMPOSSIBLE TO BELIEVE THE KREMLIN WANTS OR EXPECTS ANY SATISFACTORY AGREEMENT.

A BERLIN DISPATCH SAID THE BERLIN COMMUNISTS APPARENTLY ARE TRYING TO PRESENT THE MOSCOW CONFEREES WITH AN ACCOMPLISHED FACT. THEY ARE TRYING TO FORCED THE ELECTED, ANTI-COMMUNIST BERLIN GOVERNMENT FROM OFFICE AND IMPOSE THE WILL OF THE COMMUNIST MINORITY ON BERLIN. AS LONG AS THE WESTERN POWERS REMAIN IN BERLIN, THEY SEEMED UNLIKELY TO SUCCEED.

THE BERLIN CITY HALL IS IN THE RUSSIAN ZONE. THE COMMUNIST TACTICS, FOR THE SECOND STRAIGHT DAY, WERE REMINISCENT OF THE COUP IN CZECHOSLOVAKIA LAST FEBRUARY, WHEN THE MINORITY COMMUNISTS TOOK OVER THAT REPUBLIC. THE MEN WHO INVADED THE COUNCIL CHAMBER DEMANDED THAT THE ELECTED COUNCIL BE REPLACED BY MEMBERS OF LABOR UNIONS THE COMMUNIST DOMINATE.

AGAINST THIS BACKGROUND, THE DEPUTY RUSSIAN COMMANDANT OF BERLIN, COL. ALEXIS YELISAROV, CRITICIZED COL. FRANK HOWLEY, U.S. COMMANDANT, BECAUSE HE SUPPORTED THE ELECTED CITY ADMINISTRATION. THE RUSSIAN ASSERTED THE COUNCIL'S POLICY AIMED AT A DIVISION OF THE CITY.

British Decision On Four Nazis Is Criticized

London, Aug. 28 (AP)—A War Office announcement that four high German military commanders, held for three years, will now be tried on war-crimes charges raised questions today. British officialdom declined to clarify the case.

The War Office issued last night the announcement of the impending trial of Field Marshals Gerd von Rundstedt, 73; Erich von Mannstein, 76, and Walter von Brauchitsch, 67, and Col. Gen. Adolf Strauss, 68.

But it declared today that it was acting only as a distributing medium and that the announcement was prepared "by the Government."

There was no answer at either the War Office or the Foreign Office to the question what was meant by "the Government." Information likewise was not available at the office of Prime Minister Attlee.

Show Little Enthusiasm

British newspapers, which for two weeks have been protesting the continued imprisonment of the German war leaders, received the War Office announcement with little enthusiasm.

The questions newspapers asked today included:

What war crimes are alleged against the four?

Why did the Government wait three years to decide to bring such charges?

What nation or nations is preferring the charges?

Why are the four to be demilitarized—that is, stripped of their military rank—and brought before the court as civilians?

The London *Times* said "the manner in which the case has been handled can be legitimately censured. They have been held far too long in captivity without trial."

The Manchester *Guardian*, disapproving the decision to try the four, said, "There is quite clearly something unsavory about it."

Explanations Doubted

Pointing out that "various explanations" have been offered for the delayed decision, the *Guardian* said:

"One is that the Russians have been pressing us; but since when do we take our standrds of justice from the Russians? It is said that some of our Western Allies want a trial, but that seems incredible.

"The United States has a reputation for magnanimity, and it is hard to think that the smaller Western countries, with their own collaborationists, have not by this time become, like the rest of us, rather sick of the search for blood."

Eire Official's Talk Held Political Device

Belfast, Northern Ireland, Aug. 28 (AP)—Northern Ireland's Prime Minister, Sir Basil Brooke, today described as a "political device" a statement by Eire Prime Minister John A. Costello in New York on the possibility of Irish reunion.

"How shallow is Costello's plea that Eire cannot co-operate with Britain or the United States unless Ulster is swallowed up in an all-Ireland republic," Sir Basil said in a statement.

Costello, speaking on his arrival in New York yesterday, said Irish partition would have to end before Eire would consider an agreement with Britain and the United States for "strategic purposes to maintain peace."

Brooke said Eire could play a part in international affairs now without any change in the constitution and status of either Northern Ireland or Eire.

Soviets Hedge On Help For Berlin City Council

Berlin, Aug. 28 (AP)—Berlin's Soviet commandant today evaded pleas by City Council leaders that he protect their meetings from further invasions by Communist demonstrators. Then he passed the buck to the Russian sector police.

In reply to a letter from the council speaker, asking such protection, the commandant, Maj. Gen. Alexander Kotikov said he did not "understand" what was desired of him.

Kotikov was asked last night for assurances that City Hall—in the Soviet sector—would be kept clear of rioters, who have invaded it the past two days, forcing cancellation of assembly meetings.

"Clarifications" Requested

His reply to the letter from Socialist Otto Suhr, speaker of the mainly non-Communist assembly, consisted of a series of counter questions and was front paged today by the official Soviet press.

The commandant's reply requested a series of "clarifications" and asked why the City Council did not apply to German police in City Hall district for protection.

These same police have stood idly by as Communists twice broke into City Hall, took over the council chambers and demanded the overthrow of the elected government, with the substitution of a hand-picked Communist-dominated regime.

Leaders Drafting Reply

Leaders of the council's non-Communist majority convened early today to consider Kotikov's reply.

They have not announced their next step. It is believed, however, that if the Russians refuse to guarantee the council adequate protection the majority will decide to move into western-occupied sectors.

A move out of the Russian zone undoubtedly would result in the Communists trying to force a coup on the administration left in the Soviet sector.

Kotikov Opposes Council

Few had believed the council would get anywhere with Kotikov. He has led the offensive against the council and accused it of splitting the city.

The commandant's 300-word reply asked whether the Assembly wanted him "to interfere with relations between the magistrat (city government) and those workers and employés who are not content with the present policy of the city Parliament and demand a change."

Kotikov said he wanted "clarification" of the council's request so he could "make decisions which are in accord with the usual democratic practice in the democratic countries of Europe."

Text Of Letter

The following is the text of Kotikov's letter as published in the Soviet official organ *Taegliche Rundschau*:

To the President of Berlin's City Council, Dr. Suhr:

I have received your letter of August 27. It is not quite clear to us what the President of the City Council requests of the Soviet commander.

1. Does he want the occupation authorities to forbid for the time being demonstrations and meetings of the population of Berlin which are directed against the present policy of the Berlin magistrat throughout Berlin or in the Soviet sector, or only in the district *Mitte* (center), where the City Hall is situated?

2. Does he want the Soviet commander to interfere with relations between the magistrat and those workers, employés of Berlin who are not satisfied with the present policy of the city government and demand a change in this policy? In what form does he desire such interference?

Troops Or Police

Does he really desire that the City Hall should be protected from demonstrating workers by occupation troops or by reinforced detachments of German police?

"Why does not the magistrat apply in this matter directly to the German police in the district *Mitte*?

3. What sort of forbidden area does the speaker want established for future meetings of Berlin's city Parliament which the workers of Berlin should not enter if they desire and talk to deputies of their Parliament.

"I should like as soon as possible clarification of the above questions so that I can make decisions which are within my competence and which correspond to the usual democratic practice in the democratic countries of Europe.

"Respectfully,

"Maj. Gen. A. Kotikov,
"Military Commander of Berlin."

"Force Out Government"

The Soviet-licensed press announced, on a theme now familiar, that "the people are determined to take things into their own hands" in Berlin and force out the city government. The newspapers said even American support for the city government, elected by a substantial majority in October, 1946, cannot save it.

Today Suhr sent Kotikov another letter, assuring Kotikov he has no desire to obtain any interference with democratic expression of the people's will. He told Kotikov proposals will be made in the council that new elections be held October 24, when the entire population of Berlin might state its opinion on the two-year-old government. The Communists, in the minority, oppose new elections.

Neutrality Area Proposed

Suhr asked Kotikov to approve a neutrality-zone law passed by the Council June 29. This proposed an area of about 2,500 acres in the Soviet sector central district as a neutral zone. He said he would ask the Americans to take similar action on a small part of the proposed zone which would lie in the American sector.

He asked that Kotikov prevent demonstrations on Council meeting days in the prescribed neutral zone, which would include the city government headquarters.

Recently Kotikov has been referring to himself as the "military commander of Berlin." Although he commands only the Russian sector and has no more power than his three Western colleagues.

Plot To Unseat Regime

An official American military government political review said the recent Communist-led riots against the city government are part of a Soviet plan to unseat the elected government and possibly provide an excuse for intervention by Russian troops.

The document which carried this analysis of a weekly review circulated in the United States Office of Military Government for Berlin. It is not issued for general publication, but some correspondents were able to read it.

The review said the Thursday and Friday riots were planned to force the city government to transfer to the western sector, without participation by the Communist-dominated Socialist Unity party (SED).

"This would prevent 'legal' passage of a resolution now pending on Berlin participation in a western German government and other legislation, "the review said. Thus, it added, the Rusasnis would have "a propaganda reason to call the city government a 'slave' of the west," and establishment of a separate government in the Russian sector would follow as a matter of course.

New U. S.-Soviet Clash in Berlin

Four Russians Run Down G. I. in Wild Ride in American Sector in a Jeep.

Berlin, Aug. 28 (A. P.).—The United States and Russia clashed today over a wild jeep chase through downtown Berlin.

The mile-a-minute race was led last night by a red-bearded Soviet lieutenant-colonel and three Russian soldiers. United States military police pursued them vainly.

The Soviet jeep careened wildly through road blocks, ran down and injured a United States military policeman and fled into the Soviet zone. Americans crossed the sector boundary in pursuit, penetrating the Soviet area for about 800 yards before they realized where they were.

Col. Robert A. Willard, commander of United States troops in Berlin, sent a formal protest to Soviet leaders, saying Americans had to fire on the jeep as a last resort. Soviet authorities had rejected an oral protest from the Americans and filed one of their own against the crossing of the boundary.

Chased 7 Miles.

The Russians were chased for seven miles over the busiest streets in the American sector. Although American M. P.'s shot two tires off the Russians' amphibious jeep, they could not halt it.

The M. P. who was run down was Pfc. James Petergal, son of James J. Petergal of Pittsburgh. Petergal, who was on a motorcycle when he was hit, suffered concussion and lacerations.

American liaison officers who went to the Soviet Central Kommandatura to report the incident said that they were confronted with abusive language and counter-charges.

They said the lieutenant-colonel who admitted he was an occupant of the pursued jeep told them:

"I didn't want to be stopped and fall into the hands of uncivilized, animal-like people who shoot without any provocation."

Americans Freed.

Another development of the day saw the Russians free United Press correspondent Jack Meehan, four American soldiers and several German employees of the U. P. and the New York Herald Tribune, arrested last night on trips into the Soviet sector.

The four G. I.'s released were:

Sgt. John J. Stirbis of 5611 Rensen Place, Maspeth, Long Island. He was attached to the U. S. military liaison mission at Potsdam, in the Russian zone.

Pvt. Edward Tinsley, Louisville, Ohio.

Recruit John E. Calby of 656 Leonard street, Brooklyn.

Recruit Robert L. Higham, Terre Haute, Ind.

Undaunted by Communist threats, the anti-Communist city government of Berlin will try again Tuesday to convene the City Council, an American official said. Twice this week the council's meeting have been broken up by mass Communist-led demonstrations.

The new attempt will be made despite failure to obtain guaranties from the Soviet sector commandant, Major-Gen. Alexander Kotikov, that he will protect council meetings from further invasions. The commandant passed the buck to Russian sector police, who stood idly by and watched the previous invasions.

Sends Second Letter.

Kotikov replied to a letter from Socialist Otto Suhr, Speaker of the City Council, who asked the guaranties. Kotikov said he did not understand what was asked.

Today Suhr sent Kotikov another letter, assuring Kotikov he had no desire to obtain any interference with Democratic expression of the people's will. He told Kotikov proposals will be made in the council that new elections be held October 24, when the entire population of Berlin might state its opinion on the two-year-old government. The Communists, in the minority, oppose new elections.

Suhr asked Kotikov to approve a neutrality zone law passed by the council June 29. He asked that Kotikov prevent demonstrations on council meeting days in the prescribed neutral zone.

LARGE-SCALE RIOT SCHEME IS PREDICTED

City Hall Invasions Linked To Plot; Red Army Jeep Runs Wild

U.S. OFFICIALS FEAR USE OF RUSS TROOPS

Berlin, Aug. 28 (AP)—An American Military Government document today charged the Russians with preparing to use Soviet troops in their drive to oust the anti-Communist Berlin city government.

This week's Communist-led invasions of the City Hall in the Russian sector were called part of a Soviet plan to foment "spontaneous riots" which could provide the incidents needed for intervention by the Red Army.

The document came to light as Russian-American relations in this beleaguered capital grew more tense after a wild incident in which speeding Russians ran down an American soldier last night. A Soviet soldier was reported shot.

City Council To Meet Again

A red-bearded Russian lieutenant colonel who said he was riding in a lend-lease jeep told United States liaison officers:

"I didn't want to be stopped and fall into the hands of an uncivilized, animal-like people who shoot without any provocation."

As a further strain, the City Council served notice it would meet again next Tuesday in the City Hall. The move was planned in the face of the two invasions of the hall by Communist-led demonstrators demanding their own regime.

The council announced it would meet despite a Russian brush-off of its appeal for protection from the Soviet-baited east Berlin police.

Soviet Plan Outlined

The American document, a weekly review of occupational affairs, said:

"The events of August 26 and 27 (Thursday and Friday riots) are part of the Soviet plan, to be implemented by the Socialist Unity party (SED), which includes repudiation of the city government and possible spontaneous riots in Berlin on a large scale, perhaps making it necessary to call in Soviet troops for the protection of the people.

"The plan is that the city government can be forced to transfer to the west without Socialist Unity party participation. . . . Establishment of a peoples government in the East (Russian) sector would follow as a matter of course."

Red Soldier Wounded

Four gun-brandishing Soviet soldiers led by the lieutenant-colonel zoomed wildly through the American sector of Berlin and ran down an American military policeman who tried to stop them. Pursuing Americans opened fire and, according to the Russians, wounded one of the Soviet soldiers.

The Soviet jeep roared through roadblocks and escaped in the Russian sector. The Americans gave chase for 800 yards into Soviet territory and then withdrew.

Col. Robert A. Willard, United States troop commander in Berlin, said in a written, formal protest to the Russians that American police "fired only as a last resort." The Russians filed a counterprotest charging the Americans with violating Soviet jurisdiction by entering their zone.

The American military policeman suffered a broken elbow when he was knocked off his motorcycle.

Fails To Promise Protection

Anti-Communist City Council leaders said they would meet in the City Hall despite failure of Maj. Gen. Alexander Kotikov, Soviet commander, to give assurance in reply to a demand for police protection. Kotikov answered the appeal with a series of counterquestions. He asked whether the government wanted him to "interfere" with the "workers of Berlin who are dissatisfied with the present policy of the city government and demand a change."

Should Tuesday's meeting again be interrupted by demonstrators, it was believed likely the anti-Communist council majority would setup a new city hall in the western part of Berlin.

The British have turned down suggestions that the ruined Reichstag building in their sector be used for this purpose, since it lies too close to the Soviet sector.

Americans Released

The Russians released today an American newspaper correspondent, four United States soldiers and three Germans arrested and jailed last night in the Soviet sector of Berlin.

The correspondent was John J. Meehan, 26, Freeland, Pa., of the United Press. Seized with him were the three Germans, employés of the United Press and the New York *Herald Tribune*.

Ellen Lintz, secretary in the *Herald Tribune* office here, was one of the Germans. She said the group was picked up when they went to the city hall in the Soviet zone to pick up the text of a letter from the Soviet commandant to the city government.

Two Picked Up On Truck

Private Edward Tinsley, Lucasville, Ohio, and Recruit Robert L. Higham, Terre Haute, Ind., said they were picked up while driving an Army truck to bring back laundry for their unit. They said they had wandered into the Soviet zone by error.

Sergt. John Stirbis, Mastith, Long Island, N.Y., who is attached to the United States military liaison mission at Potsdam in the Soviet zone, and Recruit John E. Calby, Brooklyn, N.Y., were the other two soldiers picked up.

Stirbis said he and Calby were returning from Cumberland House, one of the British Military Government houses, when they got lost because neither knew Berlin well.

Group Jailed 13 Hours

Meehan said he and his German companions were put in a jail near the Soviet central headquarters for about thirteen hours. He said the guards were gruff and refused to say why they were arrested except to declare that entry to the Soviet sector at night was forbidden.

The soldiers said they were questioned by the Russians but gave them no information.

Stirbis and Calby said they were asked such questions as "How many meals do you get?" and "Do you get enough to eat?" The Russians apparently were trying to find out if their Berlin blockade was having an effect on food for American personnel.

Russian Press Cites Uprising

Moscow, Aug. 28 (AP)—Soviet newspapers all published reports today of the demonstrations in Berlin.

The reports said the demonstrations resulted from refusal by the Social Democrats and bourgeois parties to discuss the Socialist Unity party's proposals for "one government, one currency, one supply system."

Tass, in an article in *Pravda*, said altogether 250,000 Berliners joined in the demonstrations with 50,000 in the demonstration at the City Government building.

Tass also said that the Social Democratic party and "other schismatic elements" attempted to organize a demonstration in reply before the old Reichstag building but could assemble only 5,000 people.

U.S. Withholds Action On Russ Bid For Girl

Berlin, Aug. 28 (AP)—The Russians demanded today that an American-sector hospital turn over to them a 14-year-old crippled girl listed as an orphan. The Americans rejected the demand, at least temporarily.

Hospital attendants identified the girl as Helena Korelenko, who has been at the hospita. for two years, unable to walk because of infantile paralysis. Nurses said Helena and her parents were evacuated from the Ukraine to Silesia during the war. All trace of her parents was lost and it is not known whether they are alive.

Ask Permit To Operate

The case developed after German doctors asked official permission to operate on Helena. This procedure is required because the girl is listed as an orphan. The doctors turned to officials of the Soviet Union, of which she presumably was a national. But American public safety officials said it was not clear whether Helena actually wanted to be placed in Russian hands for an operation.

Two Russians—an officer and a sergeant—came to the hospital with an ambulance to pick up the girl. They said they intended to take her to a Russian-sector German hospital. American officials told the Russians to wait until the Americans looked into the case. They said a decision would be made Monday or Tuesday.

Case Referred To IRO

Howard Studd, of the United States Military Government welfare branch, said it is United States policy not to release a displaced person to any other nation without approval of the International Refugee Organization.

Studd said he was trying to get in touch with IRO officials for more background on Helena. He said the welfare branch is not satisfied that there is conclusive proof she is a Russian national.

Hospital officials would not permit newspaper men to interview the girl or photograph her.

Soviets Hold American GI In Austria

Vienna, Aug. 28 (AP)—United States authorities said today they were meeting no success in their attempts to secure the release of an American soldier arrested by the Russians Wednesday. The soldier is believed to be Pfc. Marvin Ayers, of Los Angeles.

The authorities said the Russians still have failed to acknowledge holding the soldier, but probably would release him after long questioning.

Austrian witnesses said Ayers crossed into the Russian zone near Linz in an Austrian taxicab.

Zenkl Going to Britain

LONDON, Aug. 28 (AP).—A Czechoslovak source here said tonight that Dr. Peter Zenkl, former Deputy Premier of Czechoslovakia, is expected in Great Britain tomorrow. Mr. Zenkl, an anti-Communist, fled to Germany three weeks ago. He has announced his determination to rid Czechoslovakia of Communism. The informant said that Mr. Zenkl would probably spend several weeks in Britain seeking aid for his cause and would then go to New York.

DeGaulle Looms Large In Paris Cabinet Fall

Paris, Aug. 28 (AP)—The month-old Government of Premier Andre Marie resigned early today over the issue of wages and prices which had plagued the coalition Cabinet since its inception.

The toppling of the Government, the tenth postwar French Cabinet, plunged France into what may be one of its gravest political crises. Marie had been in office since July 27.

President Vincent Auriol hurriedly called in various political leaders, but then postponed the search for Marie's succesesor until later in the day.

Two Leaders See Auriol

The political instability of one of the four nations participating in the Moscow talks was outlined starkly as France was left technically without a Foreign Minister. Former Premier Robert Schuman will, however, continue to fulfill the duties of Foreign Minister until a new Cabinet is formed.

Schuman and Finance Minister Paul Reynaud conferred with Auriol early today.

The Cabinet resignation came shortly after 1 A.M., after an unsuccessful two-day struggle to draft wage-and-price reforms.

The twin issues almost precipitated the fall of the Cabinet earlier this month when Marie went before the National Assembly to ask that the Cabinet be given decree powers to effect financial reforms.

Price Hikes Proposed

Reynaud was given the wide powers after making some concessions to the Socialists.

The two-day Cabinet discussions concerned Reynaud's plan for politically dangerous increases in the prices of such products as milk, bread, rail fares and tobacco.

Andre Maroselli, former veterans affairs minister, said the crucial point of the disagreement which brought about the Cabinet's resignation concerned the amount of wage increases to be allowed to compensate for price rises.

Reynaud had agreed to raises of ten per cent in wages, which still are controlled by the Government.

De Gaulle Major Factor

The Socialists, worried about the reaction among their restless labor following, wanted an immediate salary increase of from 15 to 16 per cent.

No compromise was reached, Maroselli said, although a general accord had been agreed on for freeing all wages from state control next January 1.

Amid the dilemma of French politicians, the figure of Gen. Charles de Gaulle loomed large. He and his followers in the Rally of the French People (RPF) were expected to renew their pressure for dissolution of the Legislature and new elections.

Marie, a Radical Socialist (moderate), had a coalition Cabinet made up of Socialists, Popular Republicans (MRP), radicals and a few rightists.

May Resort To Elections

The gravity of the present crisis is caused by the fact that there are few men whom those parties would be willing to accept as premier.

Only the Communists and the rightists have failed to get a chance at the ten postwar premierships.

If no other alternative is found, Auriol could propose de Gaulle, but the possibility is unlikely, since the Socialists are violently opposed to the General.

In this event, the only recourse would be to call for general elections. De Gaulle has been urging that step, confident that he would emerge with an indisputable mandate from the people to take over and change the present constitution to give the premier more power.

Neutral observers felt that if this happened the Communists immediately would launch a "counter-revolution" involving bloody violence.

If de Gaulle isn't given his chance, few observers see a solution other than another weak Cabinet that would last no longer than Marie's.

Underlying the crisis is France's shaky financial position. In asking for decree economic powers, Reynaud told the Assembly that to all practical effect France was broke.

The crisis came at a time when the French labor movement, non-Communist as well as Communist, has been making thinly veiled threats to resort to strikes if rising living costs are not met by wage adjustments.

For two years, since the resignation of de Gaulle, the Socialists, Radical Socialists and Popular Republicans have combined their 300 votes in the National Assembly to manufacture a slight majority and hold a rein on the other parties.

The other nine governments since the liberation fell under pressure from the Assembly. Marie's fell apart by itself. The Socialists could not agree with the Republicans on the amount of power to be wielded by Reynaud.

The Communists, outside this "third force" Government, have been screaming for Reynaud's scalp. The Communist-controlled General Confederation of Labor has demanded 20 per cent increases in wages by September.

They have threatened another "cold" civil war if the raises are not granted. The country was strapped economically nine months ago when 3,000,000 workers quit their jobs.

Auriol Consults 3 Leaders In Quest Of French Premier

Paris, Aug. 28 (AP)—Robert Schuman and Paul Ramadier, former premiers, and Pierre Mendes-France, economist, were mentioned prominently tonight as possibilities to head a new government of France.

President Vincent Auriol moved cautiously in his quest for a man to replace Premier Andre Marie, whose month-old government fell early today over the issue of wages and prices.

The abrupt resignation of the coalition cabinet produced near political chaos. The French press echoed a desperate hopelessness about the search for Marie's successor.

Confers With Communists

Auriol conferred steadily with party leaders, including the Communists, amid signs it would be several days before the situation clarified itself.

Schuman, the MRP Foreign Minister in Marie's fallen Cabinet, was Premier until last month. He took over in the middle of last December's strike wave and held office until a dispute with the Socialists over the military budget wrecked his middle-of-the-road coalition.

Ramadier, a Socialist, served in the post just before Schuman.

Mendes-France, a Radical-Socialist economic expert, is a former Minister of National Economy. He helped write the Bretton Woods agreement and represented France at various international monetary conferences and at the United Nations.

Task Of Forming Coalition

Whoever is chosen will have the same task as has faced all postwar premiers—cementing a coalition government among leaders of various political creeds who compose the center ground between the Communists and the followers of Gen. Charles de Gaulle.

It was pretty generally assumed here that neither the de Gaullists nor the Communists stood any chance of getting a foothold in any such coalition.

Mendes-France is known as an advocate of a thorough going currency reform as the only road to France's economic salvation. Political leaders pointed to him as one of the few leaders whose views might strike a balance between Rightist liberalism and Socialist demands for state controls over many phases of the nation's economy.

How difficult it is to find a working government for France is shown by the facts that France has had ten government since the liberation. Their average life has been four and a half months.

Allow Crisis To Explode

Political leaders allowed the present crisis to explode despite these conditions:

1. Vital talks on world peace are going on in Moscow, where the French Ambassador now finds himself without a government in back of him.

2. France is to play host to the United Nations general assembly in Paris in three weeks.

3. France, in the words of Paul Reynaud, former finance minister, "is on the edge of a financial and economic abyss."

Usual Communist Claim

The Communists, as usual, claimed the right to be taken into any new government that was formed. The Communists could rightly claim that they themselves—by indirect pressure—had toppled Marie, but they were almost certain to be kept out in the cold.

The Cabinet fell—technically—over disagreement on whether to give labor 10 to 15 per cent wage increases. Alain Leleap, Communist union leader, was quick to boast "the discontent of the working classes is so deep that it has forced the resignation of two governments in a month."

Paris Presse observed that the wage issue was only a pretext adding:

"In reality the Premier had grouped around the green-topped ministerial table men who were agreed on nothing."

Tito On Offensive In Battle With Cominform

Belgrade, Aug. 28 (AP)—Yugoslavia has gone over to the offensive in its war of words with the Cominform. It seemed clear today Premier Marshal Tito and his aides never again could be admitted back into the Communist circle of eastern Europe.

Twice this week the Yugoslavs dropped their defensive role to unleash counterblasts at states in the Moscow-directed Cominform. Their charges have been much more serious and sweeping than those inspired by the Cominform against Yugoslavia.

Indicating the extent of popular support for Tito, workers in every factory in Belgrade and vicinity held mass meetings yesterday, protesting what they called an "unprincipled and savage" campaign against Yugoslavia by the other Cominform countries. Newspapers carried resolutions passed at the meetings by thousands of workers. Typical was the one which demanded that "the outrageous and disgraceful campaign" be discontinued.

The latest blast was aimed at Hungary.

"Responsible state officials of Hungary have been pursuing a campaign against Yugoslavia and the Yugoslav peoples which is in full contradiction of the agreement on friendship, co-operation and mutual aid between Yugoslavia and Hungary," Tanjug, the Yugoslav news agency, quoted the note to Hungary.

Follows Formal Note

The note said Hungarian Vice Premier Matyas Rakossy "openly calls for the elimination of the present state leadership of Yugoslavia" and for "revolt and overthrow of the legal Government" of the Yugoslavs.

Two days before, the Yugoslavs had handed Romania a formal note charging that Cominform country with splitting the world Communist front wide open, weakening the whole Communist cause by forcing Yugoslavia out of its strategically important place in the front and indulging in a campaign which could be compared with "the most poisonous imperialistic reaction." All this, said the Yugoslavs, only aided the Western "imperialist" camp.

Earlier in the week, the Yugloslavs clashed with another Cominform country, Czechoslovakia. The Czechoslovaks had charged Yugoslavia violated a tourist agreement by inhospitable treatment of Czechoslovak visitors. The Yugoslavs simply denied this categorically, but diplomats here view the clash as significant. Such bilateral agreements are closely interwoven in eastern Europe, and one break may unravel the stitches, leaving Yugoslavia without a friendly Communist country to help her.

Two Factors Cited

Yugoslavia has gone over to the offensive, observers here believe, because of two things:

1. The refusal of the Russians or the Cominform to accept a single point of the Yugoslav's de-

fense against charges of drifting from Marxism. It seems relatively certain that no matter how perfect the Yugoslav program of socialization may become from the Communist point of view, Tito and his followers, for some reason still unrevealed, never will be admitted back into their Communist circle of friends.

2. The anti-Tito actions inspired by the Cominform have been so bitterly intensified that the Yugoslavs were forced to strike back, and they did so in an official manner.

them to under the present situation which has resulted in a split between Yugoslavia and the rest of the Communist countries in eastern Europe.

In the notes to Hungary and Romania, the Yugoslavs have declared the Cominform action has hurled them out of the Communist bloc and left them to fight alone the pressure from the "imperialist West."

The purpose was to place moral and historical responsibility on the heads of the Romanians and Hungarians for any action the Yugoslavs may take in the future.

Slavs Expected To Assail Others

Belgrade, Aug. 28 (AP)—Diplomatic sources predicted tonight that Bulgaria and Czechoslovakia would be the next targets for protest notes from Yugoslavia.

They saw Yugoslavia as politically isolated from the rest of the eastern European countries as a result of the Cominform attack on Marshal Tito and his supporters.

All indications were that the actions by Bulgaria and Czechoslovakia against Yugoslavia had been sufficiently like those of Romania and Hungary to draw the same bitter retaliation. Yugoslav officials, however, would not comment on this possibility.

Treaties "Contradicted"

With such action would come the virtual negation of the important friendship, co-operation and mutual-aid treaties which have bound Yugoslavia to those countries.

The pacts binding the Yugoslavs with the Hungarians and Romanians were already threatened with extinction by the Yugoslav charges that the campaign of the two countries against Yugoslavia had "contradicted" the treaties.

Yugoslavia demanded in formal notes that her two Communist-led neighbors put an immediate stop to the campaign which led to alleged violations of the treaties. She demanded an apology for the campaign and asked that they do something to make the treaties effective again.

Little Chance Of Change

There was little indication Romania and Hungary intend to do any such thing. There was equally little sign the Yugoslavs expect

U.S. Sailor Dies In France

Lyon, France, Aug. 28 (AP)—Raymond Franky, an American sailor from Dallas, Texas, died last night of injuries suffered in a train wreck near Lyon. His body will be sent home by air.

French Crisis Stalls Talks In Kremlin

Moscow, Aug. 28 (AP)—The resignation of the French Government of Andre Marie today is believed to have affected the delicate four-power talks going on here on the German crisis.

There now is little chance of any four-power communiqué on the month-long talks today. Up to last night it had been believed likely a brief four-power statement would be issued today, covering the progress of the talks.

Moreover, there is little if any chance of another four-power meeting today or tomorrow. The spokesman cautioned, however, that at this stage, almost anything is possible.

Three Envoys Confer

The negotiations had been believed near an end when the news of the French Government crisis came. French Ambassador Yves Chataigneau conferred with United States Ambassador Walter Bedell Smith and special British Envoy Frank Roberts.

At the same time, representatives of the British Dominions met at the British Embassy, but they did not meet with the envoys.

Informants said last night's three-hour session of the three Western envoys with Soviet Foreign Minister V. M. Molotov might have been the crucial one in negotiations over the Berlin situation.

Ambassador Smith was frowning as he left the Kremlin, Roberts was smiling and Ambassador Chataigneau showed no emotion. The three conferred among themselves for an hour after the meeting with Molotov.

Vishinsky Takes Part

Smith said only that no communiqué would be issued last night and that Soviet Deputy Foreign Minister Andrei Y. Vishinsky sat in at the meeting. Vishinsky recently returned to Moscow from the Danube conference at Belgrade.

Midnight had passed by the time the three Western envoys had dispatched their reports to London, Washington and Paris.

It was obvious they were dealing with highly technical questions, requiring great care and attention, as well as making recommendations after studying the issues of the discussions.

THREE ENVOYS MEET, REPORT STILL AWAITED

Word Of Kremlin Talks Held Up; French Aide Joins Parley

By EDDY GILMORE

Moscow, Aug. 28 (AP) — The American, British and French envoys met for two hours at the British Embassy today, but there was no word of an expected four-power communiqué on the status of the Kremlin talks on the German crisis.

[American and British diplomats in London said a four-power announcement could be expected soon, perhaps within a few hours. London dispatches said it was probable a draft had been sent to Paris, London and Washington for study by experts and final approval of the foreign ministers.]

French Envoy Joins Others

The fall of the French Government may be a factor in delaying any four-power announcement.

However, Yves Chataigneau, French Ambassador, joined Walter Bedell Smith, United States Ambassador, and Frank Roberts, special envoy, at the British Embassy for today's conference.

British Dominion representatives also met in the Embassy at the same time. There was no joint meeting with the envoys, but it was believed possible the dominion officials were advised on the Kremlin talks.

Meet With Molotov

The Western powers met for three hours in the Kremlin last night with Vyacheslav M. Molotov, Soviet foreign minister, and his deputy, Andrei Y. Vishinsky.

The East-West talks were believed to have reached a climax at this meeting, but the secrecy which has surrounded the talks since they began July 30 was in force as much as ever.

WORK FINISHED BY U.N. GROUP

Economic And Social Council Handles 50-Item Agenda

Geneva, Switzerland, Aug. 28 (AP). The United Nations Economic and Social Council completed work on its 50-item agenda tonight after six weeks of familiar dissension between East and West.

Only procedural matters held up the actual adjournment by Dr. Charles Malik, of Lebanon, Council president.

The Council took few decisions and passed on the bulk of its work to the United Nations General Assembly which opens in Paris September 21. The items handed on without recommendations included three draft agreements on freedom of information.

Reviewed Humanitarian Work

The three drafts were approved by the United Nations conference in freedom of information earlier this year. Willard L. Thorp, United States delegate, accused the delegates of Russia, White Russia and Poland of deliberately obstructing definite action on the program in the Council.

The first agreement drafted by the American Society of Newspaper Editors, set out the freedom of gathering and transmissions of news and certain basic rights for correspondents. The others were a British proposal on the principles of freedom of information and a French proposal on an international right of correction of false reports.

During the session, the Council received the economic, social and humanitarian work of the United Nations.

Commission Work O.K.'d

Delegates decided to wind up the United Nations appeal for children and to postpone discussion of a Soviet-sponsored item concerning infringement of trade union rights. Also put off was an item sponsored by the American Federation of Labor concerning the abolition of forced labor.

The Council approved the work of its three regional economic commissions for Europe, Asia and Latin America, in each case after protracted debates marked by Communist attacks on the Western democracies.

In the social field, the Council approved a draft protocol for the control of newly developed synthetic drugs and called for speedy settlement of the refugee problem.

Greek Forces Press Mopup In 3 Sectors

Athens, Aug. 28 (AP)—Greeks, pushing to mop up rebel remnants, advanced in three sectors today and engaged in scattered fighting.

A communiqué said nationals captured important heights northeast of Kastoria on the fringe of the Vitsi pocket where 3,000 guerrillas are operating. Fourteen rebels surrendered.

The communiqué said that in the Mount Kaimaktchalan area, athwart the Greek-Yugoslav border, national units took important heights and killed six guerrillas. The rebels raided several villages and carried off 54 persons.

Quisling Minister Is Executed

Oslo, Aug. 28 (A. P.).—Ragnar Sigvald Skancke, 58, Secretary of State for Ecclesiastical Affairs and Public Instruction under Nazi puppet Premier Vidkun Quisling, was executed by a police firing squad today.

Before the war, Skancke was a professor of electrical engineering. He was held responsible for several attacks against leading men in Norway's religious and education life and for causing many deaths. He was condemned to death on May 21, 1946.

Danes Record Speeches Of All Their Lawmakers

Copenhagen, Aug. 28 (AP)—The Presidium of the Danish Parliament is planning to record on recording machines the speeches by the delegates instead of taking them down in shorthand.

The Danish Government paper, *Social-Demokraten*, which revealed the plans, said no other Parliament in the world so far has recorded the debate in this way.

The sixteen shorthand writers who at present are taking down Parliament speeches will not be dismissed even if the plans go through. As they do now, they will still have to edit and rewrite the speeches. They say that no speech is blameless from a grammatical and a logical point of view, so that a rewrite could be avoided. In the 100-year-old history of the Danish Parliament there only was one member, a priest, whose speeches did not need a rewrite.

Power For Ukraine

Moscow, Aug. 28 (AP)—A Tass message from Kiev says that during the first four months of this year 24 hydroelectric stations and 87 substations have started operating in the Ukraine. An additional 182 collective farms, seven state farms and 34 tractor stations have been electrified. The authorities are planning to open 215 more electric stations soon.

Double Duty Machine

Moscow, Aug. 28 (AP)—The Soviets are turning out small low-priced machines which will not only mill grain but generate electricity. *Socialist Agriculture* says the first of the mills have been installed on the River Kara-Ki.

New City Squares

Moscow, Aug. 28 (AP)—The Soviet capital will build this year more than 30 new city squares. In addition, the Moscow City Soviet is also making much progress with its greenery program — planting thousands of trees. The main downtown thoroughfares are now lined with green-leafed Linden trees. In another few years Moscow should be one of the greenest cities in Europe.

Siberian Farmers Try Planting Winter Wheat

London, Aug. 28 (AP)—Collective farms of Siberia and northern Kazakhstan are planting winter wheat over thousands of hectares in accordance with the method proposed by Trofim Lyssenko, president of the U.S.S.R. Academy of Agricultural Science, the Tass Agency reports.

Previously winter wheat crops in Siberia invariably froze. Lyssenko's experiments in sowing it in the stubble of spring wheat proved successful. Wheat planted last autumn in stubble land over an area of 250 acres survived the winter and provided a good yield. In some sections it ran to more than three tons of grain per hectare (2.4 acres).

Mountbatten In Canada Discusses Dieppe Raid

Toronto, Ont., Aug. 28 (AP)—Canadians who died in the Dieppe assaults of August, 1942, "gave to the Allies the priceless secret of victory in the subsequent assaults," Earl Mountbatten of Burma said today.

"For everyone who died at Dieppe in 1942, at least ten or more must have been spared in Normandy in 1944," the former chief of combined operations who conceived the Dieppe raid told a Canadian national exhibition luncheon.

Casualties were 3,350 men killed, wounded or missing out of 5,000.

Lomakin Boards Ship; May Go To Paris

New York, Aug. 28 (AP)—Jacob M. Lomakin, stripped of his credentials as Soviet consul general here, sailed with his family today for Goeteborg, Sweden.

Their ship, the Swedish-American liner Stockholm, left the pier at 12:03 P.M. (EDT).

Shortly before the vessel sailed an official of the steamship line quoted Lomakin as saying he was going to the United Nations General Assembly meeting in Paris as a chief adviser to the Soviet delegation.

Drops News Conference

Lomakin, the official said, was not certain whether he would go to the Paris conference from Goeteborg or after his scheduled return to Moscow. Lomakin declined to discuss his plans with newsmen.

Earnest Bearnarth, Swedish-American's public-relations director, said that when the Soviet envoy first boarded the Stockholm he indicated he would grant a news conference before the vessel sailed.

"He seemed to be willing, but his advisers apparently counseled against it," Bearnarth added.

Operation Successful

The State Department, accusing Lomakin of "highly improper" conduct in the case of Mrs. Oksana Kasenkina, ordered the Soviet Government to recall him. Moscow retaliated by severing all consulate relations with the United States.

Meanwhile, Mrs. Kasenkina underwent what her physicians called a "successful" knee operation today at Roosevelt Hospital. The 52-year-old Russian schoolteacher is recovering from injuries suffered in a three-story leap August 12 from the Soviet consulate building.

Children On Ship

She said she had been imprisoned in the consulate by Lomakin and other Soviet authorities who wanted to return her forcibly to Russia.

Lomakin reached the pier at 11.10 A.M. (E.D.T.) His two children, Lora, 11, and Alexis, 6, and his wife already were aboard the vessel.

As Lomakin approached the ship's gangway, newsmen surged around him. He declined to make a lengthy statement but said:

"I purchased my ticket two months ago. I was going to take a rest. I have nothing to say. Everything has been said very clearly in the note."

He presumably referred to Russia's recent note severing consulate relations with the United States.

The 44-year-old envoy then hurried aboard the Stockholm and went immediately to his suite.

Other Consulates Close

In Washington, the State Department had left the way open for Lomakin to do as he pleased—for the present—about leaving this country.

The New York consulate itself—as well as the Soviet consulate in San Francisco and the American consulate in Russia—have been ordered closed by Moscow as a result of the United States action against Lomakin.

Mrs. Kasenkina, yesterday was provided with an attorney to aid her in steps toward becoming an American citizen.

Archie O. Dawson, former State commissioner for special investigations, was named by the Legal Aid Society to represent her.

He said one of his first jobs will be to decide to whom she will sell the story of her life. He said several newspaper syndicates have made offers.

Visits Russian U.N.

Mrs. Kasenkina, who has charged that Lomakin and his aides "arrested" her at a White Russian camp and later held her in the consulate, was reported in good condition at Roosevelt Hospital.

Lomakin yesterday called at the Soviet United Nations headquarters, which he has visited frequently in recent days.

Before leaving the consulate, he was asked several times about his scheduled departure today. At one time, he said:

"I want to go, but I'm not sure if I will. I am still too busy with a lot of work."

U.N. Plane Fired Upon; 2 Killed, American Hurt

Tel Aviv, Israel, Aug. 28 (AP)—Two French officers on a United Nations aerial coastal patrol were killed by gunfire today, the United Nations announced. Their bullet-riddled plane landed at Gaza airfield in Southern Palestine.

A United Nations source said the pilot, an American, was injured. There were no other passengers on the plane.

United Nations officials said they have not determined whether the plane was shot while it was in flight and had crashed-landed, or whether it had made an emergency landing and was shot at on the runway. Gaza is headquarters of the Egyptian Army in Southern Palestine and is the center of the "Gaza strip" given the Arabs by the United Nations partition decision. The nearest Israeli Army post is seven miles inland.

The victims were Lieutenant Col. Joseph Queru, 50, and Capt. Pierre Jaennel, 28.

Team To Investigate

The United Nations is sending an investigation team from Haifa to Gaza tomorrow. The team is made up of American, French and Belgian officers and a doctor. One source said Brig. Gen. William E. Riley, chief of Americans in the United Nations service in this area, may be the American member.

A Jewish officer from the Gaza district reported Israelis there saw the plane "apparently shot down."

[In Jerusalem, a Jewish official said a French United Nations observer was injured by Arab shelling on Mount Zion. A United Nations source said there was no official report on the incident.]

First reports said the plane was shot down by Egyptian army anti-aircraft, but United Nations officials declined to confirm this. A Jewish source said the plane had been shot down over Arab lines when its identity was mistaken.

Revoke Ultimatum

Haifa, Palestine, Aug. 28 (AP)—The United Nations Truce Commission today withdrew an ultimatum sent to the Jews yesterday demanding withdrawal of Jewish forces from a disputed hill position at Tel el Radgha on the Iraqi front by August 30.

A United Nations spokesman said the cancellation was due to developments in the last 24 hours. No other details were available to explain the change.

The United Nations chief of staff, Swedish Gen. Aage Lundstroem, returned to Haifa today from confidential talks with Israeli Foreign Minister Moshe Shertok. He will go to Beirut today, to Cairo tomorrow and then to Damascus and the front.

Two U.N. Officers Killed By Gunfire In Palestine

Frenchmen Fatally Shot On Patrol Flight Near Egyptian Base; Plane's U.S. Pilot Injured

Tel Aviv, Palestine, Aug 28 (AP). Gunfire killed two French officers today while on a United Nations aerial coast patrol in the vicinity of Gaza, the Egyptian army base in Palestine, a United Nations announcement said.

A United Nations source said the American pilot of the plane was hurt. His name was not learned here.

The bullet-riddled plane landed at the Gaza airfield, but it was not known whether it was hit in flight or whether it had made an emergency landing and then was fired upon, the United Nations' announcement said.

The victims were Lieut. Col. Joseph Queru, 50, and Capt. Pierre Jaennel, 28. Queru was shot in the chest. Jaennel, a member of the French Air Force, was hit in the right temple.

Bullet Holes In Plane

Sergt. Nobel Brown, a United States Air Force flight engineer, arrived at the Gaza air field in another United Nations plane a few minutes later.

Upon his return to Haifa, Brown told United Nations officials he saw the plane being wheeled from the runway and that it had bullet holes in the fuselage and windows.

Jewish sources here said Israelis in the Gaza area claimed they saw the plane "apparently being shot down." Gaza is in the center of the "Gaza strip" given the Arabs under the United Nations partition plan. The nearest Israeli army position is seven miles inland.

United Nations officials will send a team from Haifa to Gaza tomorrow for an on-the-spot inquiry.

[In Jerusalem, Israeli sources said a French United Nations observer was wounded in Arab shelling on Mount Zion. There was no United Nations confirmation.

[The Israelis said Arab gun and mortar fire was directed at various Jewish suburbs and military positions this morning and last night. The Jews returned the Arab fire and injured "at least four Arabs," a communique said.]

U.N. To Discuss Palestine

Lake Success, N.Y., Aug. 28 (AP). The United Nations Security Council today was ordered into emergency session for next Monday to discuss the situation in Palestine.

The session was called by Jacob A. Malik, Soviet Deputy Foreign Minister, who is this month's Council president.

The Council had recessed last week with the understanding that no more meetings will be held until September in Paris unless an emergency arose.

Bernadotte Takes Very Serious View

Stockholm, Aug. 28 (AP)—Count Folke Bernadotte said tonight he takes "a very serious view" of the death of two United Nations representatives in Palestine.

The United Nations mediator for the Holy Land said he had received no official confirmation of press reports of the crash of a United Nations plane in Egyptian-occupied territory of southern Palestine.

"One of the officers, Col. Joseph Queru, had been an observer in both the first truce and the second truce," Bernadotte said, "and had been doing an excellent job."

HYDERABAD'S PLAN DISPUTED

India Denies State Has Right To Appeal To U.N.

New Delhi, India, Aug. 28 (AP)—India today disputed the right of Hyderabad to seek intervention of the United Nations in the princely state's differences with the dominion.

The Government annuounced that V. P. Menon, state's secretary, has written a letter to the Premier of Hyderabad, Mir Laik Ali, saying that India regards the differences as purely domestic and "cannot admit that Hyderabad, considering its historic as well as its present position in relation to India, has any right in international law to seek intervention of that or any outside body."

Ruled By Moslem

Hyderabad recentl yannounced it would place before the United Nations the argument over India's insistence that the state accede to the Hindu dominion. The state is ruled by the Moslem Nizam of Hyderabad.

Menon charged Hyderabad with responsibility for raids into India from the princely state and "large-scale victimization of the non-Moslem inhabitants of the states." He added that the Razakars, a militant Moslem organization in Hyderabad, "now dominate the state government."

Blockade Defended

Hyderabad has accused India of blockading the state economically. To this, Menon replied:

"The so-called economic blockade is no more than the Government of India's just and necessary policy to prevent by all legitimate means the smuggling into Hyderabad of arms for terrorizing its population and ultimately waging war against India."

Menon also denied Hyderabad's charges of Indian aggression.

Pakistan Declares Grave Emergency

Cites Economic Threat of Mass Migrations

KARACHI, Pakistan, Aug. 28 (AP).—A state of grave emergency has been declared in Pakistan.

A government announcement last night said the move was taken because "the economic life of Pakistan is threatened by circumstances arising out of a mass movement of the population from and into Pakistan."

Commenting on the declaration, an official of the Pakistan parliament said today the Governor General has the right to suspend the autonomy of any province and substitute cabinet ministers for governors.

The official said the declaration vests wider powers in Governor General Mohammed Ali Jinnah than in any other Governor General in the British Commonwealth.

The first application of the emergency order will be in west Punjab Province, which the official said was facing a financial crisis and administrative troubles.

BATTLE IS IMPENDING FOR KEY BURMA CITY

RANGOON, Burma, Aug. 28 (AP)—Government troops rushed northward today to relieve Prome, key city 160 miles from here, from the rebels, the Government announced.

Neutral sources said that a decisive battle in the North was in prospect.

The communiqué added that troops also were headed for Thayetmyo, forty miles further north, whence the majority of British residents have been evacuated to near-by oilfields. Other sources said the few Britons remaining in Thayetmyo were unhurt and receiving good treatment from the Communist insurgents.

In the area of Tharrawaddy, rebels attacked from ambush Government troops on their way north, and heavy fighting ensued, the communiqué said. Casualties were reported heavy. Another engagement was fought at a bridge recently destroyed by the rebels. The Government said that the rebels had suffered heavy losses there.

In the Toungoo district of Central Burma, where Communists are strong, the Government ordered a campaign of extermination against the insurgents.

In the Bassein area, the arrival of Premier Thakin Nu was said to have raised public morale. Neutral observers said that rebel activity in southern Burma was deteriorating into disorganized banditry.

Siam Sends Force To Malay Border

Bangkok, Siam, Aug. 28 (AP)—The Siamese Defense Ministry has dispatched a battalion to Siam's southern frontier, following official confirmation of reports that 30 Chinese guerrillas crossed the border from Malaya into South Siam.

Siamese Defense Minister Lieut. Gen. Chart Nakrob left Bangkok by plane to investigate the situation in four South Siamese provinces where the British Government asked Siam to tighten control over Chinese Communists.

Investigates Bombings

The Siamese Cabinet Council has empowered the Government to declare a state of emergency in the southern provinces if the situation grows worse.

The Nakrob mission is investigating reported bombings by planes from Malaya of mines in the Sungei Raya district and alleged guerrilla movements across the border.

[Last Sunday the Singapore Straits *Times* said in a dispatch from Kota Bharu, capital of Kelantan state, that armed Chinese bands of 50 to 400 each were reported to be camping just across the border, between Siam and Malaya.]

Taruc To Speak At Manila Labor Rally

Manila, Aug. 28 (AP)—Congressman Luis Taruc, leader of the Hukbalahap-armed-peasant movement, is scheduled to speak tomorrow in a public "democratic peace" rally.

The meeting was called by the Congress of Labor Organizations on the fifty-second anniversary of the revolt against Spain.

Hodge, En Route U.S., Warns On North Korea

Tokyo, Aug. 28 (AP)—North Korean Communists, according to Lieut. Gen. John R. Hodge, retiring United States commander in South Korea, could get all the men they need for an invasion of South Korea if they decided on that course.

"It is academic anyway," said Hodge, who is here on his way back to the United States. "If they want to invade South Korea, the people who control those things could bring in all the men they want from North China and Manchuria."

Hodge told correspondents to keep an eye on North Korea during the next few months. He forecast that things there would be "very interesting."

Japanese Property on Sale

WASHINGTON, Aug. 28 (AP).—Attorney General Tom C. Clark asked sealed bids today on a building lot formerly owned by the Japanese government in the 1300 block of N Street, N. W. Officials said the proceeds will be used to help defray war loss claims of Americans.

Plot By Reds In 3 Nations Is Reported

Santiago, Chile, Aug. 28 (AP)—The newspaper *El Diario Ilustrado* said today that United States intelligence agents have uncovered a Communist revolutionary plot which was to have been touched off simultaneously in Chile, Peru and Ecuador.

The newspaper added that the State Department had advised all Latin American republics.

The revolutionary activity was planned for late August or early September, *Diario Ilustrado* said.

Ousted Soviet Envoy Leaves Chile

Santiago, Chile, Aug. 28.—(A. P.).—Dmitri Zhukov, former Ambassador to Chile, left here today by plane with his embassy staff for Buenos Aires, en route to Moscow. The Russians had been held here since Chile broke off diplomatic relations with Russia last October. The Russian Government held Chilean Ambassador David Cruz Ocampo and his staff until an agreement for an exchange was reached. The Chileans were scheduled to reach the Finnish frontier today.

Agreement on the exchange was delayed because the Russians had refused to give the Chilean Ambassador's Russian daughter-in-law an exit visa. She is staying in Russia with Cruz Ocampo's son.

Ousted Soviet Consul General Leaves U.S. On Swedish Ship

New York, Aug. 28 (AP)—Jacob M. Lomakin, ousted by the State Department as Soviet consul general here, sailed for Sweden today aboard the liner Stockholm.

The 44-year-old envoy, stripped of his credentials by President Truman, was accompanied by his wife and two children, Lora, 11, and Alexis, 6.

The Stockholm is scheduled to arrive in Goeteborg, Sweden, September 6.

Shortly before the vessel departed, a Swedish American Line official quoted Lomakin as saying he had been ordered to the United Nations General Assembly meeting in Paris where he would serve as chief adviser to the Russian delegation.

No Comment On Teacher

Lomakin was uncertain, the official said, whether he would go immediately from Sweden to Paris or return home to Moscow first.

Newsmen and photographers milled around the departing diplomat as he reached the pier 50 minutes before sailing time.

Brushing by them, Lomakin parried all questions relating to Mrs. Oksana Kasenkina, the Russian schoolteacher whose accusations touched off an international controversy and led to his recall.

He did say, however, he had booked today's passage on the Stockholm six weeks ago, intending at that time to return home for "a rest."

"I have nothing to say," Lomakin added. "Everything has been said very clearly in the note."

Accused Of "Improper" Conduct

Presumably he referred to Russia's recent action in severing consular relations with this country, a step taken shortly after the United States demanded Lomakin's ouster.

Lomakin was accused by the State Department of "highly improper" conduct in the Kasenkina case. The teacher, injured critically in a 3-story leap from the Soviet Consulate here, said she had been held a prisoner by Lomakin and other Soviet officials. They planned to return her forcibly to Russia, she declared.

Recovering from her injuries, Mrs. Kasenkina underwent an operation on her right knee at Roosevelt Hospital today. Her doctors said the operation, which lasted two hours, was "successful."

Hiss, Chambers May Clear Own Case In Court

Washington, Aug. 28 (AP)—The bitter dispute between Whittaker Chambers and Alger Hiss over who is lying to congressional spy probers may be cleared up in a court room.

That possibility arose today after Chambers accepted a Hiss challenge to repeat publicly his communism charges without benefit of congressional libel immunity.

In a radio broadcast last night, Chambers, a *Time* magazine senior editor, told interviewers that Hiss "was a Communist and may be now."

Lawyer Studies Script

Hiss's attorney, John F. Davis, of Washington, said he would study the script of the broadcast to determine "if there is a basis for a suit."

Chambers, however, said last night he did "not think that Mr. Hiss will sue me for slander or libel."

Members of the House Un-American Activities Committee have been trying for days now to decide which of the two men has been telling the truth in their sharply conflicting testimony before that group.

Chambers, who said he renounced communism in 1937, has testified that Hiss was a leading member of a Red underground network.

Challenged To Drop Immunity

When the two faced each other publicly before the committee for the first time last Wednesday, Hiss flatly denied Communist affiliation at any time. He called Chambers a "self-confessed liar, spy and traitor."

The former top State Department executive who now heads the Carnegie Endowment for International Peace then challenged Chambers to "make statements about me in respect to communism in public that he has made to this committee under privilege."

His lawyer pointed out that in last night's broadcast Chambers qualified his statement by saying: "I would not presume to say" Hiss is a Communist now.

Past Tense Leaves Doubt

While courts have held that it is libelous to call a man a Communist, Davis said, there is some question whether it is libelous to say a man had once been a Communist without saying he still is one.

Friends of Hiss represented him as anxious to face his accuser in a courtroom where he would have the right through attorneys of crossexamination. This is not accorded by the House committee.

Chambers emphasized in the broadcast that group to which he claimed Hiss belonged "was not" a spy ring. He said its purpose was to infiltrate the Government and influence policy. He has said the group operated in the early 1930's.

New Laws Urged

New laws to attack "the vicious Communist party underground" were urged, meanwhile, by Representatives Mundt (R., S.D.) and Nixon (R., Cal.), both members of the House investigating committee.

"It has become apparent," Mundt said, "that we must tighten the espionage laws and enact the Mundt-Nixon bill or similar legislation which will attack the underground of the Communist party and drive it into the open.

"Our whole investigation has revealed that the really dangerous people are the underground Communists more than the Communists above ground."

Report Awaited

As the two Congressmen gave their views to reporters, there were strong indications their ideas would be presented formally in a report the committee approved for release tonight.

Together with Representative Hebert (D., La.), Mundt and Nixon drafted the original version of the preliminary report on the spy hearings to date.

Spy Inquiry Report Summary

WASHINGTON, Aug. 28 (AP).—The House Un-American Activities Committee gave out today the following summation of a report on its current investigation into Communist activity in the United States.

We are not attempting in this report to preview the final findings which this committee will make, since every day brings in new facts which we must explore and exhaust. It is our purpose to ferret out and expose every available fact in connection with the entire espionage conspiracy which the Communists have established and operated in our executive agencies. Until that is done, other interim reports may be issued. The final report will not be delayed a day beyond that necessary to complete the vast amount of investigation, interrogation, and exploration which lies ahead of us and the staff investigators and subcommittees which will move forward diligently on this vital matter.

As of this date, however, it is possible to record certain findings and observations which we believe will be helpful in aiding the public and the members of Congress generally to understand the significance of what is being uncovered by these hearings.

(1) It is now definitely established that during the late war and since then, there have been numerous Communist espionage rings at work in our executive agencies which have worked with and through the American Communist party and its agents to relay to Russia vital information essential to our national defense and security. Russian Communists have worked hand in hand with American Communists in these espionage activities.

(2) It is established beyond doubt that there is grave need for vigorous, persistent and courageous continued investigation to determine the identity of those guilty of past offenses, the methods employed in the past and at present to move carefully selected Communist agents and their sympathizers into key positions of government, and to break up all Communist espionage conspiracies and activities prevailing at this time. These situations should command and receive the most diligent attention of this committee, of the Attorney General's office and the Grand Jury proceedings under his authority, and of the Federal Bureau of Investigation. They should proceed without partisanship and without prejudice. It would be greatly in the public interest if they could receive the support of the White House rather than to be obstructed by it. This committee believes the eradication of espionage from the Federal government should command the some co-operation between the White House and the Congress and between the two major American political parties as has been utilized in the formation and implementation of our bipartisan foreign policy.

Desire for Co-operation

(3) As evidence of this committee's sincerity in desiring to co-operate fully with the executive agencies in the ferreting out of all disloyal and un-American practices in government during our committee's existence, we have opened our files to the security officers and loyalty board representatives of the executive departments. This year alone these representatives of the executives departments have paid over 14,000 official visits to our file rooms. They have been accorded full co-operation. Contrariwise, under the President's executvie order, the files and records of the executive departments on all matters of loyalty and security have been firmly closed, not only to our committee but to all committees of Congress and to the general public. We hold that this is an unwholesome, an unwise and an unsafe situation.

(4) Since the committee has not completed its investigation, it is not prepared at this time to forward to the Attorney General specific charges of perjury. However, we have made available to the United States Attorney a complete transcript of the hearing in this case and shall continue to keep him supplied with the full text. The committee is not a prosecuting body; that responsibility rests with the Department of Justice and not this committee.

(5) Investigations and hearings thus far completed offer convincing and compelling reasons why new legislation is necessary to safeguard this free republic against the new and clever conspiratorial tactics developed by Communists to promote and conceal their espionage activities and their disloyal purposes.

"Dangers" Are Outlined

Among the dangers which must be met by new legislation are at least the following, on the basis of existing evidence. Continuing investigations may develop the need for yet additional legislative action.

(A) Communists must be required by law to register so that the present underground activities of the party will be subject to at least this additional weapon of exposure and detection. This was a feature of H. R. 5852, approved by this committee this year and overwhelmingly passed by the House on May 19.

(B) Communists should be denied by law the privilege of employment by the Federal government, with adequate penalties on both those seeking employment as Communists and those knowlingly giving appointive positions to Communists. This also was a feature of H. R. 5852.

(C) Passports should be denied American Communists who utilize these passports to further their conspiratorial plots against our American freedoms as they confer with their co-conspirators abroad. This, too, was a feature of H. R. 5852.

(D) Legislation should be adopted making it more difficult for unlimited numbers of foreign Communists to enter the United States and making it easier for this government to deport or imprison Communist emissaries who utilize their entrance into the United States to attack or undermine our American institutions.

(E) The espionage laws of the United States should be amended or tightened so as to provide appropriate penalties for government officials who, without authority, relay secret and significant information affecting our national security to the representatives of any foreign power, friend or enemy, peace-time or war.

(F) Legislation should be adopted making it impossible for the executive branch of the government to deny to the legislative branch of the government necessary information dealing with the loyalty of employees of the Federal government.

Calls for Legislation

(G) All of the provisions of H. R. 5852 should be adopted at the next session of Congress, with other definitive language and provisions enabling it to cope with some aspects of Communist activities, evasions and tactics which the current investigations and hearings are making apparent to all. Among these is the new Communist tactic of evading detection and impeding the processes of legislative investigation through an unwarranted and unjustifiable misuse of the protections which the Fifth Amendment to the Constitution rightfully provides for those unjustly accused, or those decent, patriotic Americans who may at times find themselves required to defend themselves in a court of law.

(H) Legislative should be adopted by the next session of Congress which sharply increases the penalties for those convicted of contempt of Congress.

(I) During the course of these hearings, our committee was shocked to have before it witnesses who hold reserve commissions in our armed forces and who refused to answer under oath whether or not they were, are, or ever have been members of the Communist party. It was equally shocking to have former high officials of the Federal government take such a position. The committee therefore recommends that the armed services revoke the commission of any officer who refuses to answer this question. The Communist party is now accepted in all quarters as not being a political party in fact but a conspiracy working for the overthrow of the government of the United States. The committee further recommends that any official or employee of the government who will refuse to state under oath whether or not he is a member of the Communist party should be removed, and his name "flagged" against any future government service.

A.V.C. Adjourns Gates Ouster

New York, Aug. 28 (AP)—A hearing on the proposed ouster of John Gates, editor of the *Daily Worker*, Communist party organ, from the American Veterans Committee was adjourned early today until September 10.

The adjournment came after an A.V.C. board had heard five hours of testimony on a demand by a faction of A.V.C. members that Gates be expelled because of his Communist affiliation.

Gates, one of the twelve top Communist leaders indicted by a grand jury on charges of advocating the forceful overthrow of the United States Government, told the board that Communists do not believe in violent overthrow of the Government.

He reviewed his record as a soldier with the Loyalist forces in the Spanish Civil War and his four years in the United States Army, in which he enlisted a week after Pearl Harbor.

Cites Right To Belong

He said the Communist party believed in no authority other than that "of a majority of the people." He accused the faction asking his ouster of being "politically biased" and said he had as much right as any veteran to belong to the A.V.C.

The anti-Gates group had asked for his removal on grounds that his Communist membership was "inimical to the best interests of the A.V.C." and that as a Communist he was ineligible for membership under the A.V.C. constitution.

The board adjourned to give Gates time to submit affidavits supporting his claims.

Plant Shift Urged To Dodge A Bombs

Washington, Aug. 28 (AP) — A Federal official said today the Government should be ready to lend aid to states, counties and cities to help disperse industry for protection against atomic warfare.

J. W. Follin, assistant chief of the Federal Works Agency, said official reports indicate that the nation's industries, now largely concentrated in big cities, should be spread out to urban communities of not more than 50,000 population.

"This is predicated on the belief that such a community will in most cases be too small a target for atomic attack because of the tremendous cost of atomic bombs" Follin said, writing in the August issue of *Public Construction*, monthly publication of the Federal Works Agency.

"A long-range policy of dispersion of industry is necessary for and vital to the national defense."

But Follin said many communities may not be fully prepared to work with industry in planning and executing a dispersion program.

In that event, he said, the Federal Government may be called upon by state and local jurisdictions to provide financial and technical assistance.

Senate Group To Tour U.S. Occupied Zones

Yankton, S.D., Aug. 28 (AP)—The Senate Armed Services Committee plans a month's tour to find out for itself what's going on in American-occupied zones in Europe.

He said the party would leave Washington by air Wednesday noon, stop in Newfoundland and then make its first visit at the B-29 base in England.

The South Dakotan said that from London the party would fly to Frankfurt, then visit elsewhere in Germany.

Veterans' Heirs May Get Refunds

Washington, Aug. 28 (AP)—The Veterans Administration said today it is going to remind heirs of many dead war veterans that they may be entitled to income tax refunds.

Applications for the refunds must be made before the end of the year, the agency said.

Notices of possible entitlement to refunds will be mailed next Tuesday or later, along with the death compensation checks for August.

The refunds, authorized by the eightieth Congress, apply to certain income taxes of members of the armed forces who died while in active service between December 7, 1941, and December 31, 1947.

BY MICHAEL GOLDSMITH

GENEVA, SWITZERLAND, AUG 28-(AP)-THE UNITED NATIONS ECONOMIC AND SOCIAL COUNCIL COMPLETED WORK ON ITS 50-ITEM AGENDA TONIGHT AFTER SIX WEEKS OF FAMILIAR DISSENSION BETWEEN EAST AND WEST.

ONLY PROCEDURAL MATTERS HELD UP THE ACTUAL ADJOURNMENT BY DR. CHARLES MALIK OF LEBANON, COUNCIL PRESIDENT.

THE COUNCIL TOOK FEW DECISIONS AND PASSED ON THE BULK OF ITS WORK TO THE U.N. GENERAL ASSEMBLY WHICH OPENS IN PARIS SEPT. 21. THE ITEMS HANDED ON WITHOUT RECOMMENDATIONS INCLUDED THREE DRAFT AGREEMENTS ON FREEDOM OF INFORMATION.

THE THREE DRAFTS WERE APPROVED BY THE U.N. CONFERENCE IN FREEDOM OF INFORMATION EARLIER THIS YEAR. U.S.DELEGATE WILLARD L.THORP ACCUSED THE DELEGATES OF RUSSIA, WHITE RUSSIA AND POLAND OF DELIBERATELY OBSTRUCTING DEFINITE ACTION ON THE PROGRAM IN THE COUNCIL.

THE FIRST AGREEMENT DRAFTED BY THE AMERICAN SOCIETY OF NEWSPAPER EDITORS, SET OUT THE FREEDOM OF GATHERING AND TRANSMISSION OF NEWS AND CERTAIN BASIC RIGHTS FOR CORRESPONDENTS. THE OTHERS WERE A BRITISH PROPOSAL ON THE PRINCIPLES OF FREEDOM OF INFORMATION AND A FRENCH PROPOSAL ON AN INTERNATIONAL RIGHT OF CORRECTION OF FALSE REPORTS.

DURING THE SESSION, THE COUNCIL REVIEWED THE ECONOMIC, SOCIAL AND HUMANITARIAN WORK OF THE U.N.

DELEGATES DECIDED TO WIND UP THE U.N. APPEAL FOR CHILDREN AND TO POSTPONE DISCUSSION OF A SOVIET-SPONSORED ITEM CONCERNING INFRINGEMENT OF TRADE UNION RIGHTS. A PUT OFF WAS AN ITEM SPONSORED BY THE AMERICAN FEDERATION OF LABOR CONCERNING THE ABOLITION OF FORCED LABOR.

AUG 1948

GENEVA, SWITZERLAND, AUG. 28-(AP)-COMMUNIST DELEGATIONS TO THE UNITED NATIONS ECONOMIC AND SOCIAL COUNCIL WERE CHARGED YESTERDAY WITH USING OBSTRUCTIONIST TACTICS TO SABOTAGE DRAFT AGREEMENTS ON FREEDOM OF INFORMATION.

THE CHARGE WAS MADE BY U.S. DELEGATE WILLARD L.THORP, WHO SAID THE TACTICS HAVE PARTLY SUCCEEDED.

THORP SAID REPRESENTATIVES OF THE SOVIET UNION, WHITE RUSSIA AND POLAND HAD PREVENTED DEFINITE ACTION NOW TO ENDORSE THE AGREEMENTS BY DELIBERATE OBSTRUCTION OF CONSIDERATION OF THE DRAFTS. AS A RESULT, HE SAID, THE WHOLE WORK WILL HAVE TO BE TAKEN OVER BY THE U.N. GENERAL ASSEMBLY NEXT MONTH.

THE THREE DRAFTS WERE APPROVED BY THE U.N. CONFERENCE ON FREEDOM OF INFORMATION EARLIER THIS YEAR.

THE FIRST, DRAFTED BY THE AMERICAN SOCIETY OF NEWSPAPER EDITORS, SET OUT THE FREEDOM OF GATHERING AND TRANSMISSION AND CERTAIN BASIC RIGHTS FOR CORRESPONDENTS. THE COUNCIL'S HUMAN

RIGHTS COMMITTEE DISCUSSED IT FOR SEVERAL WEEKS BUT DEFINITE ACTION WAS PREVENTED BY COMMUNIST DELAYING TACTICS.

ALTHOUGH THE SESSION CLOSES AT THE END OF THIS WEEK, THE OTHER TWO DRAFT AGREEMENTS HAVE NOT BEEN DISCUSSED. THEY ARE A BRITISH-DRAFTED PROPOSAL ON THE PRINCIPLES OF FREEDOM OF INFORMATION AND A FRENCH PROPOSAL ON AN INTERNATIONAL RIGHT OF CORRECTION OF FALSE REPORTS.

THORP SAID THE THREE COMMUNIST DELEGATIONS ON THE COUNCIL APPEARED TO BE DIRECTING THEIR EFFORTS TO PREVENTING THE AGREEMENTS FROM BEING CONSIDERED CAREFULLY BY OTHER COUNTRIES DESPITE THE FACT THEY HAVE "GIVEN NO SIGNS THAT THERE IS ANY POSSIBILITY THAT THESE CONVENTIONS MAY EVER COME INTO FORCE IN THEIR OWN COUNTRIES."

"WHAT WE HAVE WITNESSED HERE DURING RECENT WEEKS WAS AN EXTRAORDINARY ILLUSTRATION OF AN ATTEMPT AT SABOTAGE WHICH, ALAS, PROVED AT LEAST PARTIALLY SUCCESSFUL IN PREVENTING THE COUNCIL FROM EXERCISING AND EXPRESSING ITS CONSIDERED JUDGEMENT ON THESE SUBJECTS," THORP SAID.

BERLIN, AUG. 28-(AP)-FOUR GUN-BRANDISHING RUSSIANS, INCLUDING A RED-BEARDED LIEUTENANT COLONEL, STAGED A WILD RIDE THROUGH THE U.S. SECTOR OF BERLIN LAST NIGHT.

THE AMERICAN PROVOST MARSHAL'S OFFICE SAID TODAY THEY WERE PURSUED AND SHOT AT AFTER THEY RAN DOWN AN AMERICAN MILITARY POLICEMAN WHO TRIED TO HALT THEM.

AMERICAN POLICE CHASED THE RUSSIANS FOR SEVEN MILES OVER THE BUSIEST STREETS ON THE AMERICAN SECTOR. ALTHOUGH AMERICAN MP'S SHOT TWO TIRES OFF THE RUSSIANS' AMPHIBIOUS JEEP, THEY COULD NOT HALT IT. THE RUSSIANS ALSO CRASHED THROUGH ROAD BLOCKS ERECTED TO CHECK THEM.

DURING THE CHASE THE AMERICANS PURSUED THE RUSSIANS FOR ABOUT 800 YARDS INTO THE SOVIET SECTOR OF THE CITY AT DOWNTOWN POTSDAMER PLATZ. HERE THE PURSUIT ENDED AND THE RUSSIANS ESCAPED.

AS A RESULT OF THIS CROSSING OF THE BOUNDARY LINE THE RUSSIAN COMMANDANT OF BERLIN TODAY FORMALLY PROTESTED TO U.S. AUTHORITIES AGAINST AN ALLEGED VIOLATION OF JURISDICTION AND CLAIMED THAT AN ASSAULT HAD BEEN MADE UPON SOVIET PERSONNEL AND AN OFFICER WOUNDED.

NIGHT LEAD ORPHAN

BY WES GALLAGHER

BERLIN, AUG. 28-(AP)-A 14-YEAR-OLD CRIPPLED ORPHAN GIRL BECAME THE INNOCENT PAWN TONIGHT IN THE LATEST DISPUTE BETWEEN THE UNITED STATES AND RUSSIA.

SOVIET OFFICIALS DEMANDED CUSTODY OF THE GIRL, HELENA KORELENKO, WHO IS IN A CATHOLIC HOSPITAL IN THE AMERICAN SECTOR OF BERLIN. A UKRAINIAN ORPHANED BY THE WAR, SHE NEEDS AN OPERATION TO EVER WALK AGAIN.

THE UNITED STATES REFUSED TO RELEASE THE GIRL PENDING AN INVESTIGATION AND STATED IN NO CASE WOULD SHE BE TURNED OVER TO THE RUSSIANS WITHOUT THE CONSENT OF THE INTERNATIONAL REFUGEE ORGANIZATION.

A SOVIET DOCTOR AND AMBULANCE CREW WERE TURNED BACK WHEN THEY ARRIVED AT THE HOSPITAL. AMERICAN PUBLIC SAFETY OFFICIALS BLOCKED THE TRANSFER. A FURTHER CONFERENCE WILL BE HELD WITH SOVIET OFFICIALS MONDAY AFTER CONSULTATIONS WITH THE IRO.

HELENA BECAME SEPARATED FROM HER PARENTS DURING THE WAR. IT IS NOT KNOWN IF THEY ARE DEAD. HOSPITAL ATTACHES SAID THE FATHER AND MOTHER WERE UKRAINIANS WHO LIVED IN BERLIN.

SHE WAS STRICKEN AND CRIPPLED BY INFANTILE PARALYSIS. GERMAN SPECIALISTS ADVISED THAT SHE MUST UNDERGO SPECIAL ORTHOPEDIC TREATMENT AND A PROBABLE OPERATION. GERMAN LAW PROVIDES THAT PARENTS OF MINORS MUST GIVE APPROVAL FOR SUCH TREATMENT. LACKING SUCH CONSENT THERE, IT MUST BE OBTAINED FROM THE GOVERNMENT.

THE HOSPITAL BELIEVED HELENA TO BE A SOVIET SUBJECT AND APPLIED TO THE RUSSIANS FOR PERMISSION TO TREAT HER. THE SOVIETS RESPONDED BY SENDING THE AMBULANCE.

IN 1946 HELENA WAS REMOVED FROM A HOSPITAL IN THE SOVIET SECTOR BY A CATHOLIC WELFARE ORGANIZATION AND MOVED TO THE AMERICAN SECTOR. NOW A SPECIAL HOSPITAL FOR INFANTILE PARALYSIS IS READY TO TREAT HER WITH THE CATHOLIC WELFARE ORGANIZATION FOOTING THE BILLS.

THE SOVIET-LICENSED ADN NEWS AGENCY SAID A RUSSIAN REPRESENTATIVE ASKED HELENA TODAY WHETHER SHE WANTED TO RETURN TO RUSSIA AND SHE REPLIED: "I WANT TO GO TO MY HOMELAND AS SOON AS POSSIBLE."

HOWEVER, AN AMERICAN LIAISON OFFICER WHO WAS PRESENT AT THE HOSPITAL INTERVIEW QUOTED HER AS REPLYING: "I DON'T KNOW."

ADN SAID THE RUSSIANS HAVE BEEN TRYING TO GET THE GIRL FOR MONTHS BUT HAVE BEEN TURNED DOWN BY THE AMERICANS "WITH VARIOUS EXCUSES." THE AGENCY ADDED THAT THE AMERICAN LIASON OFFICER NOTIFIED THE RUSSIANS TODAY TO COME AND GET THE GIRL.

THE LIAISON OFFICER DESCRIBED THAT STATEMENT AS A "DELIBERATE LIE" AND SAID THE RUSSIANS NOTIFIED THE HOSPITAL THEY WERE COMING FOR THE GIRL. ACCORDING TO ADN, THE AMERICANS CALLED CORRESPONDENTS TO THE HOSPITAL TODAY BECAUSE THEY THOUGHT THE GIRL WOULD REFUSE TO GO TO RUSSIA.

AMERICAN PERSONNEL. —Berlin

FOR TWO YEARS, SINCE THE RESIGNATION OF GEN.CHARLES DE GAULLE, THE SOCIALISTS, RADICAL SOCIALISTS AND POPULAR REPUBLICANS HAVE COMBINED THEIR 300 VOTES IN THE NATIONAL ASSEMBLY TO MANUFACTURE A SLIGHT MAJORITY AND HOLD A REIN ON THE OTHER PARTIES OF FRANCE.
THE OTHER NINE GOVERNMENTS SINCE THE LIBERATION FELL UNDER PRESSURE FROM THE ASSEMBLY. MARIE'S FELL APART BY ITSELF. THE SOCIALISTS COULD NOT AGREE WITH THE REPUBLICANS ON THE AMOUNT OF POWER TO BE WIELDED BY FINANCE MINISTER PAUL REYNAUD. THE PARLIAMENT RECENTLY GAVE REYNAUD BROAD POWERS OVER TAXATION AND INDUSTRIAL PRODUCTION.
THE COMMUNISTS, OUTSIDE THIS "THIRD FORCE" GOVERNMENT, HAVE BEEN SCREAMING FOR REYNAUD'S SCALP. THE COMMUNIST-CONTROLLED GENERAL CONFEDERATION OF LABOR HAS DEMANDED 20 PER CENT INCREASES IN WAGES BY SEPTEMBER. THEY HAVE THREATENED ANOTHER "COLD" CIVIL WAR IF THE RAISES ARE NOT GRANTED. THE COUNTRY WAS STRAPPED ECONOMICALLY NINE MONTHS AGO WHEN 3,000,000 WORKERS QUIT THEIR JOBS.
IN ADDITION TO THE COMMUNIST, WITH THEIR 183 VOTES IN THE ASSEMBLY, THE DE GAULLE FACTION WANTS TO TAKE OVER THE GOVERNMENT.
THERE CAN BE NO POLITICAL MARRIAGE BETWEEN THE COMMUNISTS AND DE GAULLISTS--THEY ARE THE BITTEREST POLITICAL ENEMIES IN FRANCE.
TODAY'S SITUATION IS EXTREMELY GRAVE BECAUSE FAILING THE REBIRTH OF THE "THIRD FORCE" UNDER A NEW NAME OR EVEN WITH ONE OF THE OLD PREMIERS, PRESIDENT VINCENT AURIOL WILL HAVE TO TURN EITHER TO THE RIGHT OR THE EXTREME LEFT WHEN HE INVITES THE NEXT FRENCHMAN TO FORM A CABINET.

A54
IF IT IS DE GAULLE, THE COMMUNISTS UNDOUBTEDLY WOULD PLAGUE FRANCE WITH STRIKES.
IF AURIOL INVITES COMMUNIST LEADER MAURICE THOREZ TO FORM A GOVERNMENT, THERE IS ALWAYS THE POSSIBILITY THAT THE DE GAULLISTS, MANY OF THEM VETERANS OF THE GENERAL'S OLD FREE FRENCH FORCES, WOULD OFFER MORE THAN VERBAL OPPOSITION.
ALTHOUGH AURIOL COULD ORDER THE DISSOLUTION OF PARLIAMENT AND CALL FOR NEW ELECTIONS, THE DANGER OF THIS MOVE WHICH WOULD THROW FRANCE INTO TWO ARMED CAMPS, IS WELL IN HIS MIND.
FRENCHMEN FEEL ELECTIONS NOW WOULD BE SETTLED ON THE SAME BASIS AS THE MUNICIPAL ELECTIONS LAST WINTER. THE COUNTRY'S MULTIPLE PARTY SYSTEM WAS FORGOTTEN AT THAT TIME AND THE VOTERS WENT FOR EITHER DE GAULLE OR THE COMMUNISTS.
THE BEST GUESS IS THAT AURIOL WILL TURN TO ONE OF THE NATION'S ELDER STATESMEN SUCH AS FORMER PREMIERS ROBERT SCHUMAN, LEON BLUM OR EDOUARD HERRIOT.
THE COMMUNIST MORNING PRESS IN BANNER HEADLINES TODAY CALLED THE FALL OF MARIE'S CABINET A "VICTORY OF THE LEFT."
DE GAULLE, WHO HEARD THE NEWS AT HIS COUNTRY CHATEAU, MADE NO COMMENT.

TOKYO, AUG.28-(AP)-THE RUSSIAN AND AMERICAN MEMBERS OF THE FOUR-POWER COUNCIL FOR JAPAN QUARRELED BITTERLY TO NO CONCLUSION TODAY OVER OCCUPATION LABOR POLICIES.
THE MEETING WAS CALLED AT THE REQUEST OF MAJ. GEN. A. P. KISLENKO, THE RUSSIAN MEMBER.
HE RENEWED HIS DEMAND THAT GENERAL MACARTHUR WITHDRAW THE SUGGESTION WHICH PROMPTED THE JAPANESE CABINET TO FORBID STRIKES BY GOVERNMENT EMPLOYES. KISLENKO CALLED IT A "DIRECTIVE."
HE CHARGED THE SUPREME COMMANDER WITH HAMPERING "REVIVAL AND STRENGTHENING OF DEMOCRATIC TENDENCIES OF THE JAPANESE PEOPLE AND ACTIVITIES OF LABOR UNIONS IN PARTICULAR."
WILLIAM J. SEBALD, AMERICAN MEMBER, REPLIED, "FREEDOM ACCORDED LABOR IN JAPAN IS GREATER THAN IN THE UNITED STATES AND MOST DEMOCRACIES.
"IT IS INDEED SIGNIFICANT IN EVALUATING HIS PURPOSE THAT THE VERY FREEDOMS WHICH THE SOVIET MEMBER PRETENDS TO ESPOUSE FOR LABOR IN JAPAN ARE SO RUTHLESSLY DENIED LABOR IIN THE LAND WHICH HE HERE REPRESENTS ON THE COUNCIL."
SEBALD DENIED THE RUSSIAN'S CHARGE THAT THE LABOR POLICY VIOLATED THE POTSDAM DECLARATION OF 1945 AND THE DECISIONS OF THE 11-POWER FAR EASTERN COMMISSION.
GENERAL MACARTHUR, THE AMERICAN MEMBER SAID, HAD HOPED TO REMOVE

THE THREAT TO THE JAPANESE GOVERNMENT BY COMMUNIST-INFLUENCED UNIONS.
SEBALD SAID "SELF-APPOINTED RADICAL LEADERS" OF "MINORITY PRESSURE GROUPS" WERE SEEKING TO USE PUBLIC EMPLOYES AS "PAWNS IN THE SEISURE OF POLITICAL POWER PRELIMINARY TO LABOR'S COMPLETE SUPPRESSION."
KISLENKO HOTLY DENOUNCED SEBALD'S REPLY AS "CLEARLY ABSURD AND SLANDEROUS AND OF A MALIGNANT NATURE." HE SAID THE CONSTRUCTION SEBALD PUT ON HIS PROTEST WAS "NOT NOBLE."
AS THE RUSSIAN SOUGHT TO GO ON, SEBALD COLDLY SNAPPED:
"DISTORTED DOUBLE-TALK!"
THE BRITISH AND CHINESE MEMBERS OF THE COUNCIL SAT ON THE SIDELINES. THE BRITISH MEMBER, PATRICK SHAW OF AUSTRALIA, REMARKED MILDLY THAT "GREAT CARE SHOULD BE TAKEN IN CURTAILING ANY HUMAN RIGHTS BY LONG-TERM LEGISLATION." HE EXPRESSED HOPE THE JAPANESE GOVERNMENT WOULD CONSIDER BRITISH LABOR MODELS IN DRAFTING LEGISLATION.
THE CHINESE, GEN. SHANG CHEN, CAUTIONED THAT "REACTIONARY ELEMENTS" MIGHT TAKE ADVANTAGE OF THE SITUATION "TO OBSTRUCT DEVELOPMENT OF A FREE LABOR MOVEMENT."
THE MEETING FINALLY ADJOURNED ON SEBALD'S MOTION.

COMMUNIST-LED ATTACKS ON THE CITY GOVERNMENT AND NEW RUSSIAN-AMERICAN INCIDENTS INCREASED THE TENSION YESTERDAY (SATURDAY) IN BLOCKADED BERLIN.

AN AMERICAN MILITARY GOVERNMENT DOCUMENT CHARGED THAT RUSSIA WAS ATTEMPTING TO FOMENT "SPONTANEOUS RIOTS" TO PAVE THE WAY FOR INTERVENTION BY THE SOVIET ARMY. THE DOCUMENT CALLED THE WEEK'S TWO COMMUNIST INVASIONS OF CITY HALL A PART OF THE SCHEME.

THE U.S. MILITARY GOVERNMENT HELD THE VIEW THAT THE RUSSIANS WERE INTENT ON DRIVING THE ANTI-COMMUNIST CITY GOVERNMENT OUT OF THE SOVIET ZONE, THUS LAYING THE GROUNDWORK FOR ESTABLISHING A "PEOPLES GOVERNMENT" IN THE RUSSIAN SECTOR.

UNITED STATES AUTHORITIES PROTESTED TO RUSSIAN OFFICIALS OVER A WILD INCIDENT IN WHICH SPEEDING RUSSIANS RAN DOWN AN AMERICAN MILITARY POLICEMAN. A SOVIET SOLDIER WAS REPORTEDLY SHOT IN THE FRAY.

RUSSIA FILED A COUNTER-PROTEST THAT U.S. MILITARY POLICE CHASED THE RUSSIAN LEND-LEASE JEEP INTO THE SOVIET SECTOR OF THE CITY.

A RED-BEARDED RUSSIAN LIEUTENANT-COLONEL WHO SAID HE WAS RIDING IN THE JEEP TOLD U.S. LIAISON OFFICERS:

"I DIDN'T WANT TO BE STOPPED AND FALL INTO THE HANDS OF AN UNCIVILIZED, ANIMAL-LIKE PEOPLE WHO SHOOT WITHOUT ANY PROVOCATION."

MEANWHILE, THE RUSSIANS RELEASED AN AMERICAN NEWSPAPER CORRESPONDENT FOUR U.S. SOLDIERS AND THREE GERMANS ARRESTED AND JAILED THE NIGHT BEFORE IN THE SOVIET SECTOR OF BERLIN. NONE WAS HARMED.

IN LONDON, AMERICAN AND BRITISH DIPLOMATS PREDICTED AN EARLY FOUR-POWER ANNOUNCEMENT ON THE FOUR-POWER KREMLIN TALKS. AMERICAN, BRITISH AND FRENCH ENVOYS IN MOSCOW MET BUT THERE WAS NO WORD OF A COMMUNIQUE.

THERE WAS BELIEF IN SOME QUARTERS THAT THE FALL OF THE FRENCH GOVERNMENT MIGHT HOLD UP ANY ANNOUNCEMENT. FRENCH PRESIDENT VINCENT AURIOL CONFERRED STEADILY WITH POLITICAL LEADERS IN PARIS AMID SIGNS THAT IT MIGHT BE SEVERAL DAYS BEFORE THE SITUATION CLARIFIED ENOUGH TO NAME A SUCCESSOR TO PREMIER ANDRE MARIE.

A35

FORMER PREMIERS ROBERT SCHUMAN AND PAUL RAMADIER AND ECONOMIST PIERRE MENDES-FRANCE WERE MENTIONED PROMINENTLY AS POSSIBILITIES TO HEAD A NEW GOVERNMENT. THE COMMUNISTS, AS USUAL, WERE DEMANDING A ROLE IN THE GOVERNMENT BUT IT APPEARED BOTH THEY AND GEN. CHARLES DE. GAULLE'S RIGHTISTS WOULD BE LEFT OUT.

TWO FRENCH OFFICERS ON A UNITED NATIONS AERIAL COASTAL PATROL WERE KILLED BY GUNFIRE NEAR GAZA, THE EGYPTIAN ARMY BASE IN PALESTINE. THE U.N. SAID IT WAS NOT KNOWN WHETHER THE PLANE WAS HIT IN FLIGHT OR WAS FIRED UPON AFTER MAKING AN EMERGENCY LANDING. A U.N. SOURCE SAID THE UNNAMED AMERICAN PILOT OF THE PLANE WAS INJURED.

THE PALESTINE SITUATION CAME TO THE ATTENTION OF THE U.N. SECURITY COUNCIL AGAIN. IT WAS ANNOUNCED AT LAKE SUCCESS, N.Y., THAT THE COUNCIL WOULD HOLD AN EMERGENCY MEETING MONDAY TO STUDY THE HOLY LAND SITUATION. THE COUNCIL PREVIOUSLY HAD DECIDED NOT TO MEET AGAIN UNTIL GOING TO PARIS NEXT MONTH.

IN BELGRADE DIPLOMATIC SOURCES PREDICTED THAT BULGARIA AND CZECHOSLOVAKIA WOULD BE THE NEXT TARGETS FOR PROTEST NOTES FROM YUGOSLAVIA. THE YUGOSLAV GOVERNMENT ALREADY HAS CHARGED THAT RUMANIA AND HUNGARY ARE SEEKING THE OVERTHROW OF PREMIER-MARSHAL TITO'S REGIME.

NIGHT LEAD COMMUNISTS
BY DOUGLAS B. CORNELL

(ADVANCE) WASHINGTON, AUG 28-(AP)-CONGRESSIONAL SPY INVESTIGATORS FORMALLY ACCUSED THE WHITE HOUSE TONIGHT OF REFUSING TO HELP "PROTECT THE NATIONAL SECURITY."

IN A REPORT ON "COMMUNIST ESPIONAGE IN THE UNITED STATES GOVERNMENT," THE HOUSE UNAMERICAN ACTIVITIES COMMITTEE SAID:

1. ITS INQUIRY HAS BEEN "HAMPERED AT EVERY TURN BY WHITE HOUSE OBSTRUCTIVE TACTICS'" AND REFUSAL TO SUPPLY INFORMATION.

2. THE "FAILURE" OF ATTORNEY GENERAL CLARK TO ENFORCE LAWS AGAINST SPYING "AS VIGOROUSLY AS HE SHOULD" IS LARGELY RESPONSIBLE FOR "THE GROWTH AND POWER OF THE COMMUNIST CONSPIRACY" IN AMERICA.

3. LAWS MUST BE PASSED TO CRACK DOWN ON SPYING AND COMMUNIST ACTIVITIES.

4. IT IS MAKING NO "SPECIFIC CHARGES OF PERJURY" AT THIS TIME.

5. IN THE SENSATIONAL CONTROVERSY BETWEEN ALGER HISS AND WHITTAKER CHAMBERS, IT BELIEVES THE BURDEN OF PROOF "HAS DEFINITELY SHIFTED" FROM CHAMBERS TO HISS. CHAMBERS HAS SAID, AND HISS HAS DENIED, THAT HISS, A FORMER STATE DEPARTMENT OFFICIAL, WAS A LEADER IN A PRE-WAR COMMUNIST UNDERGROUND IN WASHINGTON.

UP TO NOW, THE COMMITTEE, "THE VERIFIABLE PORTIONS OF CHAMBERS' TESTIMONY HAVE STOOD UP STRONGLY; THE VERIFABLE PORTIONS OF THE HISS TESTIMONY HAVE BEEN BADLY SHAKEN X X X."

6. IT HAS BEEN ESTABLISHED DEFINITELY THAT DURING AND SINCE THE WAR "NUMEROUS COMMUNIST ESPIONAGE RINGS" WERE AT WORK IN THE GOVERNMENT, USING THE AMERICAN COMMUNIST PARTY AND ITS AGENTS TO RELAY TO RUSSIA "VITAL INFORMATION ESSENTIAL TO OUR NATIONAL DEFENSE AND SECURITY." THERE IS REASON TO BELIEVE SUCH GROUPS STILL ARE OPERATING IN THE GOVERNMENT.

7. THE COMMITTEE AT TIMES MUST RUN THE RISK "THAT A FEW INNOCENT PEOPLE MAY BE TEMPORARILY EMBARRASSED" IN ORDER TO PROTECT 140,000,000 AMERICANS AGAINST BEING "PERMANENTLY ENSLAVED."

A LARGE PART OF THE REPORT WAS DEVOTED TO AN EFFORT TO EXPLAIN AND JUSTIFY THE COMMITTEE HEARINGS AND TO REVIEWING AND SUMMARIZING THE TESTIMONY TO DATE.

ONE SECTION WAS LABELED "OBSTRUCTIVE TACTICS BY WHITE HOUSE."

A187WX

THIS SECTION READ:

"THE COMMITTEE'S INVESTIGATION OF ESPIONAGE AMONG GOVERNMENT WORKERS HAS BEEN HAMPERED AT EVERY TURN BY THE REFUSAL OF THE EXECUTIVE BRANCH OF THE GOVERNMENT TO COOPERATE IN ANY WAY WITH THE INVESTIGA-

TION DUE TO THE PRESIDENT'S LOYALTY FREEZE ORDER."

PRESIDENT TRUMAN HAS REFUSED TO LET CONGRESSIONAL COMMITTEES INSPECT RECORDS OF LOYALTY INVESTIGATIONS OF GOVERNMENT EMPLOYES. HE ALSO HAS SAID TWICE THAT THE SPY HEARINGS HAVE TURNED UP NOTHING THE FBI AND OTHER AGENCIES DIDN'T ALREADY KNOW, AND THAT THE INQUIRY IS A RED HERRING INTENDED TO MASK CONGRESSIONAL FAILURE TO ACT AGAINST INFLATION.

THERE WAS NO IMMEDIATE WHITE HOUSE OR JUSTICE DEPARTMENT REACTION TO TODAY'S COMMITTEE REPORT.

THE REPORT SAID EXECUTIVE AGENCIES HAVE REFUSED TO PERMIT THE COMMITTEE TO INSPECT THE EMPLOYMENT RECORDS OF SUSPECTED MEMBERS OF SPY RINGS.

"THE COMMITEE," IT SAID, "CAN SEE NO EXCUSE WHATEVER FOR SUCH ARBITRARY ACTION SINCE IT IS OBVIOUS THAT TURNING OVER EMPLOYMENT RECORDS WOULD IN NO WISE INVOLVE DISCLOSING SOURCES OR INFORMATION OR CONFIDENTIAL DATA.

"HAD THE EXECUTIVE AGENCIES OF THE GOVERNMENT COOPERATED WITH THE COMMITTEE IN ITS INVESTIGATION, THERE IS NO QUESTION BUT WHAT THE PUBLIC WOULD NOW HAVE FULL INFORMATION CONCERNING ALL THE RAMIFICATIONS OF THE ESPIONAGE RINGS.

"THE COMMITTEE HAS PROCEEDED TO OBTAIN THIS INFORMATION IN EVERY WAY POSSIBLE AND EVENTUALLY WILL SEE THAT IT IS PRESENTED TO THE PUBLIC, BUT THE COMMITTEE DEPLORES THE FACT THAT THE EXECUTIVE BRANCH OF THE GOVERNMENT WILL IN NO WAY AID THE COMMITTEE IN ITS EFFORTS TO PROTECT THE NATIONAL SECURITY FROM THOSE WHO ARE DOING EVERYTHING THEY CAN TO UNDERMINE AND DESTROY IT."

THE COMMITTEE SAID THAT THE INVESTIGATIONS ALREADY HAVE SUPPLIED CONVINCING REASONS WHY NEW LEGISLATION IS NEEDED TO SAFEGUARD AMERICA AGAINST "THE NEW AND CLEVER CONSPIRATORIAL TACTICS DEVELOPED BY COMMUNISTS TO PROMOTE AND CONCEAL THEIR ESPIONAGE ACTIVITIES AND THEIR DISLOYAL PURPOSES."

TO MEET "THE DANGERS," THE COMMITTEE PROPOSED A LEGISLATIVE PROGRAM BUILT AROUND PASSAGE OF A STRENGTHENED MUNDT-NIXON BILL TO CURB COMMUNISM. THE HOUSE PASSED THE BILL LAST MAY BUT THE SENATE FAILED TO ACT.

THE PROGRAM:

A LAW SHOULD BE PASSED TO MAKE IT IMPOSSIBLE FOR THE EXECUTIVE BRANCH OF THE GOVERNMENT TO DENY THE LEGISLATIVE BRANCH NECESSARY INFORMATION ON LOYALTY OF FEDERAL EMPLOYES.

LEGISLATIVE STEPS MUST BE TAKEN TO MEET A "NEW COMMUNIST TACTIC" OF "UNJUSTIFIABLE MISUSE OF THE PROTECTIONS" OF THE FIFTH AMENDMENT TO THE CONSTITUTION. THIS AMENDMENT LETS A PERSON REFUSE TO ANSWER QUESTIONS ON GROUNDS IT MIGHT DEGRADE OR INCRIMINATE HIM.

THE ARMED SERVICES SHOULD REVOKE THE COMMISSION OF ANY OFFICER WHO REFUSES TO ANSWER WHETHER HE IS OR EVER HAS BEEN A RED. ANY GOVERNMENT WORKER OR OFFICIAL WHO SIMILARLY REFUSES SHOULD BE FIRED.

COMMUNISTS SHOULD BE REQUIRED TO REGISTER AS TO PROVIDE A NEW WEAPON FOR EXPOSURE AND DETECTION OF THEIR UNDERGROUND.

REDS SHOULD BE REFUSED FEDERAL EMPLOYMENT WITH PENALTIES ON THOSE SEEKING AND THOSE GRANTING IT.

COMMUNISTS SHOULD BE DENIED PASSPORTS USED TO FURTHER "CONSPIRATORIAL PLOTS."

CONGRESS SHOULD WORK OUT LEGISLATION TO MAKE IT HARDER FOR FOREIGN COMMUNISTS TO GET INTO THIS COUNTRY AND EASIER FOR THE GOVERNMENT TO IMPRISON OR DEPORT THOSE WHO ATTACK OR TRY TO UNDERMINE AMERICAN INSTITUTIONS. PENALTIES FOR PERSONS CONVICTED OF CONTEMPT OF CONGRESS SHOULD BE "SHARPLY" INCREASED.

ESPIONAGE LAWS SHOULD BE TIGHTENED TO PROVIDE "APPROPRIATE PENALTIES" FOR GOVERNMENT OFFICIALS WHO, WITHOUT AUTHORITY, TURN OVER SECRET AND SIGNIFICANT INFORMATION AFFECTING THE NATIONAL SECURITY TO REPRESENTATIVES OF ANY FOREIGN POWER, "FRIEND OR ENEMY, PEACETIME OR WAR."

THE COMMITTEE DEMANDED THAT HE ATTORNEY GENERAL "VIGOROUSLY ENFORCE" THE PRESENT LAWS DEALING WITH SPYING AND COMMUNIST CONSPIRACY AND THAT HE SUBMIT RECOMMENDATIONS FOR STRENGTHENING THEM "AT THE EARLIEST POSSIBLE DATE."

THE COMMITTEE SAID IT HAS BEEN AFTER SUCH RECOMMENDATIONS SINCE LAST FEBRUARY 5, AND THAT CLARK HAS FAILED TO ANSWER REPEATED REQUESTS.

PRESIDENT TRUMAN TOLD A RECENT NEWS CONFERENCE THE JUSTICE DEPARTMENT IS WORKING ON THE PROBLEM BUT IS HAVING TROUBLE BECAUSE OF THE RIGHTS THE CONSTITUTION GUARANTEES INDIVIDUALS.

SIZING UP THE TESTIMONY IN THE HISS-CHAMBERS ACSE, THE COMMITTEE SAID "THESE FACTS HAVE BEEN CLEARLY ESTABLISHED:

A189WX

"CHAMBERS, NOW SENIOR EDITOR OF TIME MAGAZINE, WAS A PAID FUNCTIONARY OF THE COMMUNIST PARTY FROM 1931 TO 1938 AND OPERATED AS A MEMBER OF THE RED UNDERGROUND HERE FROM 1934 TO 1937.

"THE REFUSAL OF VARIOUS PERSONS CHAMBERS NAMED AS MEMBERS OF THE UNDERGROUND TO ANSWER QUESTIONS ABOUT COMMUNIST CONNECTIONS ON GROUNDS OF SELF INCRIMINATION IS STRONG CORROBORATIVE EVIDENCE FOR CHAMBERS' STORY."

HISS, NOW HEAD OF THE CARNEGIE ENDOWMENT FOR INTERNATIONAL PEACE, KNEW CHAMBERS FOR AT LEAST TEN MONTHS AND POSSIBLY LONGER DURING THE PERIOD CHAMBERS SAYS HE WAS IN THE UNDERGROUND. (HISS SAID HE KNEW THE MAN AS "GEORGE CROSLEY.")

HISS KNEW CHAMBERS WELL, THE COMMITTEE SAID, AS INDICATED BY HIS "ADMISSION" HE SUBLET HIS FURNISHED APARTMENT TO HOM, LUNCHED WITH HIM, GAVE HIM A RIDE TO NEW YORK, HAD CHAMBERS AS A VISITOR IN HIS HOME

"ADMISSION" HE SUBLET HIS FURNISHED APARTMENT TO HIM, LUNCHED WITH HIM, GAVE HIM A RIDE TO NEW YORK, HAD CHAMBERS AS A VISITOR IN HIS HOME FOR SEVERAL DAYS, LENT HIM MONEY AND "GAVE HIM AN AUTOMOBILE."

BUT THE COMMITTEE SAID HISS CHANGED HIS STORY ABOUT THE CAR, A 1929 FORD ROADSTER, AND "TESTIFIED IN A MANNER WHICH TO THE COMMITTEE SEEMED VAGUE AND EVASIVE."

THIS, IT SAID, "RAISES A DOUBT AS TO OTHER PORTIONS OF HIS TESTIMONY."

DETROIT, AUG. 28-(AP)-SEN. FERGUSON (R-MICH) TODAY ACCUSED ATTORNEY GENERAL TOM CLARK OF TRYING TO "SMEAR" ELIZABETH BENTLEY, STAR WITNESS BEFORE A COMMUNIST-SEEKING SENATE COMMITTEE.

THE ATTEMPT WAS A FAILURE, FERGUSON SAID, BECAUSE AN UNIDENTIFIED CLERGYMAN TIPPED OFF THE COMMITTEE TO CLARK'S PLAN.

THE JUNIOR SENATOR FROM MICHIGAN OPENED HIS CAMPAIGN FOR REELECTION TO A SECOND TERM IN AN ADDRESS PREPARED FOR DELIVERY BEFORE A GROUP OF STATE GOP LEADERS.

ATTORNEY GENERAL CLARK, ACCORDING TO FERGUSON, PREPARED TO GIVE CONFIDENTIAL INFORMATION TO AN UNNAMED NEWSPAPER COLUMNIST IN AN ATTEMPT TO PROVE THAT MISS BENTLEY, A CONFESSED FORMER COMMUNIST AGENT WAS "A FAKER AND NOT TO BE BELIEVED."

A SENATE COMMITTEE AT THAT TIME WAS CONSIDERING MISS BENTLEY'S TESTIMONY IN EXECUTIVE SESSION, FERGUSON SAID. HE SET THE DATE AS LAST JULY 29.

WHEN THE CLERGYMAN REPEATED CLARK'S ALLEGED STATEMENT TO HIM, FERGUSON SAID, OPEN HEARINGS WERE SCHEDULED IMMEDIATELY "BEFORE THE ATTORNEY GENERAL'S SMEAR COULD GET UNDERWAY."

"SO FAR, THE COLUNIST'S STORY HAS NOT APPEARED," FERGUSON TOLD THE GROUP.

HOWEVER, THE SENATOR CHARGED, THE PRESIDENT AND THE DEPARTMENT OF JUSTICE HAVE REFUSED TO TURN OVER TO HIS COMMITTEE INFORMATION IT NEEDS.

ATTORNEY JOHN M.HOLZWORTH SAID THE FATHER WAS LOCATED IN BALTIMORE AND BROUGHT TO WASHINGTON BY FBI AGENTS TODAY FOR QUESTIONING.

HOLZWORTH TOLD NEWSMEN THAT THE FATHER "DISAPPEARED" WHEN MISS GILLARS WAS A SMALL CHILD.

THE ATTORNEY SAID A HALF-SISTER, MRS.EDNA MAY HERRICK, OF CONNEAUT, O., HAS ALSO ARRIVED IN WASHINGTON TO AID IN THE DEFENSE. HE SAID THE SISTERS MET THIS MORNING FOR THE FIRST TIME IN 18 YEARS IN THE JAIL CELL WHERE MISS GILLARS IS BEING HELD WITHOUT BAIL ON A CHARGE THAT SHE "WILFULLY AND TREASONABLY" AIDED HITLER GERMANY DURING THE WAR.

"THEY HAD NOT SEEN EACH OTHER SINCE MISS GILLARS WENT TO EUROPE IN 1929 TO STUDY MUSIC," HOLZWORTH SAID. "IT WAS NOT UNTIL RECENTLY THAT SHE LEARNED HER SISTER WAS 'AXIS SALLY'."

THE ATTORNEY SAID THE DEFENSE WILL BE BASED ON MISS GILLARS' ASSERTION THAT SHE WAS NOT AN AMERICAN CITIZEN WHEN SHE SERVED AS A DISC JOCKEY IN A BERLIN RADIO STATION AND ALLEGEDLY TRIED TO MAKE AMERICAN SOLDIERS HOMESICK WITH PROPAGANDA BROADCASTS.

"SHE MARRIED A GERMAN GOVERNMENT OFFICIAL IN 1937 AND THUS BECAME A GERMAN CITIZEN," HOLZWORTH SAID. "THE HUSBAND WAS KILLED IN AN ALLIED BOMBING ATTACK DURING THE WAR."

GREENVILLE, S.C., AUG 28-(AP)-AMERICA'S SELECTIVE SERVICE IS A MATTER OF SELF-PRESERVATION--AND IS BEING ORDERED "TO AVOID A WAR," SAYS THE NATIONAL DRAFT DIRECTOR.

MAJ. GEN. LEWIS B.HERSHEY OF WASHINGTON SAID IN A NATIONWIDE NETWORK (ABC) BROADCAST LAST NIGHT THAT THE DRAFT IS DESIGNED TO PROTECT THE UNITED STATES AGAINST "IMMEDIATE AND POTENTIAL ENEMIES."

"I DO NOT USE THE PHRASE 'PROTECT OURSELVES' LOOSELY," HE DECLARED.

"NO NATION AS RICH AS WE ARE, AND SUBJECT TO AS MANY ENVIOUS EYES, CAN HOPE TO CONTINUE IN EXISTENCE UNLESS IT IS READY AND ABLE TO DEFEND ITSELF.

"BY THAT I MEAN DEFEND ITS VERY HEATHSTONES IN HAND AND HAND FIGHTING IF NEED BE. AND THAT IS NOT BEYOND THE REALM OF POSSIBILITY IN THIS ATOMIC AGE."

HERSHEY ALSO EXPLAINED THE DETAILS OF REGISTRATION AND THE DRAFT. SELECTIVE SERVICE IS ORGANIZED IN SUCH A WAY, HE SAID, THAT EVERY AMERICAN SHOULD BET AN EQUAL CHANCE TO SERVE HIS COUNTRY.

THERE ARE ABOUT 4,000 DRAFT BOARDS IN THE COUNTRY AND EACH HAS ORGANIZED ABOUT FIVE CENTERS FOR REGISTRATION, HERSHEY SAID.

FOLLOWING REGISTRATION EACH PERSON WILL RECEIVE A SMALL CARD WITH 16 QUESTIONS WHICH MUST BE FILLED OUT AND RETURNED WITHIN 10 DAYS.

"THE QUESTIONNAIRE X X X," HERSHEY SAID, "WILL HELP THE LOCAL BOARD TO CLASSIFY THE REGISTRANT, WHETHER IN A DEFERRED CLASS OR A CLASS AVAILABLE FOR SERVICE--I-A, IN OTHER WORDS."

THE CLASSIFICATIONS ARE: CLASS 1--AVAILABLE FOR MILITARY SERVICE. CLASS II--DEFERRED BECAUSE OF OCCUPATIONAL STATUS. CLASS III--DEFERRED BECAUSE OF DEPENDENCY. CLASS IV--DEFERRED BY LAW OR BECAUSE UNFIT FOR SERVICE. CLASS V--OVER AGE OF LIABILITY FOR MILITARY SERVICE.

"THE FOUR CARRIED FROM WORLD WAR II ARE THOSE WITH WHICH YOU ARE FAMILIAR," HERSHEY SAID. "THE NEW FIFTH CLASS (CLASS V) PROVIDES A CLASS FOR ALL MEN WHO ATTAIN AN AGE ABOVE THE CURRENT AGES OF LIABILITY FOR SERVICE--ABOVE 26, THAT IS."

HERE'S THE WAY HERSHEY EXPLAINED THAT MEN WILL BE CALLED INTO SERVICE:

"WHEN A LOCAL BOARD RECEIVES A CALL FOR MEN TO BE INDUCTED, THE REQUIRED NUMBER OF MEN ARE CHOSEN IN THE SEQUENCE OF THEIR DATES OF BIRTH FROM AMONG THOSE MEN IN CLASS 1-A WHO HAVE BEEN EXAMINED BY THE ARMED FORCES AND FOUND TO BE ACCEPTABLE."

ANYONE CALLED WILL BE GIVEN ABOUT FOUR WEEKS TO STRAIGHTEN OUT HIS AFFAIRS, HE SAID.

MOVE TO GRAB BERLIN PUSHED

Communists Seek To Rule Through Action Committee

RICHARD KASISCHKE

Berlin, Aug. 29 (AP)—Communist leaders called on their supporters today for new efforts to overthrow the city government and supplant it with a Red-dominated action committee.

The democratically-elected city government, fighting for its life against the Communist tactics of rioting and invective, hoped that the four-power talks in Moscow would bring them respite.

But the Communists issued a "no quarter" declaration in their political warfare aimed at cutting blockaded Berlin off from the West and incorporating it into the Soviet zone.

Outlined In Proclamation

The plan of the Communist-controlled Socialist Unity party (SED) to put a hand-picked, 21-member action committee in the driver's seat was outlined in a special SED proclamation.

The "special committee" would be made up of three members of the present government, nine members of the city assembly, and nine "citizens" to be chosen from the Communist faction of the city's trade union federation.

Communist representation from the legislative and executive sections of the government, added to the "citizen" membership, would give the Communists solid control of the committee.

The Communists said their committee would work in closest cooperation with the Communist-controlled German Economic Commission of the Soviet zone. This would mean virtual incorporation of Berlin into the Soviet zone.

Demand Currency Withdrawal

The Communists demanded also immediate withdrawal of Western-sponsored currency from Berlin, even though this issue is reported being discussed by the four powers in Moscow.

The non-Communists have said they will fight to keep the elected city government and parliament in office until they are replaced in a democratic election. The SED does not want any elections, which normally would be due in October. It took a beating in the last Berlin balloting.

SED leaders called on the "workers of Berlin" to continue an "unrelaxed fight against the city government majority and place all your power behind the SED program."

They thanked the demonstrators whose rioting and abuse prevented the City Council from meeting twice last week, and praised them for their "initiative." They called for more demonstrations of that kind.

The City Hall where the Council meets is situated in the Soviet sector of the city.

May Be Forced To Move

Soviet-controlled police have refused to restrain the demonstrators. The Council may be forced to move to the Western-occupied sectors for any future meetings. A decision may be made tomorrow when the senior committee of the Council convenes.

Leaders of the Council's non-Communist majority have said the Council will resume meetings, probably Tuesday. American authorities have urged them to try once again to meet in the Soviet sector City Hall, or at least to delay moving out until they receive a reply to their second appeal to the Russian commandant of the Soviet sector for a guarantee of police protection.

An answer from Maj. Gen. Alexander Kotikov, the commandant, is expected by the time the senior committee meets.

In his first letter Kotikov said he did not understand what sort of protection the Council wants. In their second request the Council leaders asked for a neutral zone around the City Hall which would be closed to demonstrators on meeting days.

American authorities have called last week's demonstrations part of a Soviet plan to unseat the elected government through riots which might provide an excuse for intervention by Soviet troops.

The American analysis said the Soviet design was to force the city government to move to the western sectors so the Communists could hold the City Hall and install their own government.

Called "Rump Parliament"

The official Communist press already is calling the elected Council a "rump parliament" and "agents of the Americans."

Despite the Communist opposition, the City Council is planning to send representatives to the West German constitutional convention. They named Ernst Reuter, Socialist, to attend the preliminary meetings at Rudesheim tomorrow. Socialist leaders said it is hoped a Council meeting could be called in time to elect a delegation to attend the later deliberations at Bonn.

On the police front American and German authorities reported a quiet night.

RAMADIER FAILS TO GET SUPPORTERS

Paris Observer Suggests Herriot May Be Third Choice

Paris, *Monday*, Aug. 30 (AP)—Former Premier Robert Schuman, a Popular Republican (MRP), agreed early today to try to form a new French Cabinet after Paul Ramadier, Socilist former premier, had failed.

Schuman was foreign minister in the cabinet of Premier Andre Marie's coalition government which fell Saturday after a term of one month. Shuman said he would begin consulations with party leaders later today.

Ramadier, as was expected, went through the motions of trying to form a cabinet. He spent nine hours talking to political leaders of the various parties.

Adopts Usual Procedure

Then he adopted the usual procedure of telling the French news agency of his giving up, rather than making an official announcement to French and foreign newspapermen. The official announcement was not made until many minutes later.

Schuman's choice as the second leader to try his hand was expected. However, his failure also was anticipated unless some now unforeseen new factor should enter the picture to heal the breach between the parties.

Many observers who are predicting a Schuman failure still felt the crisis would degenerate into an impasse which would result in a disolution of the National Assembly.

However, there were some who predicted that Marie might be caled upon to form another cabinet, this time without including Paul Reynaud, who was his Finance Minister. Reynaud, an independent Republican, was the sponsor of financial reforms over which the Socialists took issue with Marie's Government before Saturday's Cabinet collapse.

Felt Support Was Insufficient

Explaining his failure, Ramadier said he had succeeded in winning full support from his own Socialist party and the Popular Republican (MRP) faction. He said he got only partial conditional approval from the Radical Socialists.

Ramadier said he felt the total support he received was insufficient and gave up "rather than lose any more time, for the time is now."

"Moreover," he added, "I would have risked aggrevating the divisin between the parties."

President Vincent Auriol asked Ramadier to form a Cabinet yesterday following the fall of the Marie government over the issue of wages and prices.

According to the intricate rules of French politics it was up to the Socialists—who brought about the current crisis—to try formally to form a government, even though they knew the gesture to be futile.

Differ On Economic Control

The chief reason for this is that Ramadier favors tight state control of the nation's economy. The Radical Socialists favor liberalism in financial matters.

Many parliamentary experts were predicting that if the crisis reached a near-hopeless climax, Edouard Herriot, a Radical Socialist, would be asked to form a "cabinet of liquidation."

Herriot, President of the National Assembly, would, in effect, prepare the way for the Assembly's dissolution and the holding of new general elections, these sources predicted.

That is what Gen. Charles de Gaulle and his Rally of the French People (R.P.F.) have been urging. Thus far in the present crisis, neither de Gaulle nor any of his lieutenants has made a move.

Schuman Preceded Marie

The Government which preceded Marie's was a coalition unit formed by Schuman last November. It fell July 19 when the Assembly amended a Government-sponsored military budget and five Socialist ministers in Schuman5s fifteen-man cabinet resigned.

Ramadier told correspondents earlier that "we need a government which can last at least until next June."

Outside Paris, Radical Socialist congresses urged the dissolution of the National Assembly and the holding of new national elections. At Moulins, Edouard Daladier, prewar premier, recommended this action.

Latest Political Crisis Finds That Farmers Consider a Dictatorship Possible

PRESTON GROVER

PARIS, Aug. 29 (AP)—The fall of two French Governments within a month has caused concern out in the country districts.

"We won't like it, but we need a dictator," said the owner-operator of a threshing machine in the Brittany town of Pre en Pail.

Farmers from the countryside were threshing out one of the richest harvests in recent years. The farmers were happy, but not the workers nor the threshing-machine operators. Prices are mounting faster than wages, and the shake-up means a longer wait for stability in the Government and in the financial system.

A two-day tour of Brittany tnat took place one day before Premier André Marie's Government fell, and one day afterward showed this at a dozen stops along the road—in newspaper offices, cafes, threshing yards and garages—the reaction was much the same.

Before the Government had fallen, a hotel operator said that the country's finances would have to be stabilized "by any means."

The next day—after the Marie Government had fallen—the talk centered on Charles de Gaulle. Brittany is considered de Gaulle "territory" in France. There were many critics of the general, but these critics reflected the sense of desperation that seemed to have come to many Frenchmen.

A restaurant owner said: "When we had de Gaulle, he walked out on us. Because of that we have lost four years. But now, whom else have we got?"

He was recalling how General de Gaulle had come into power after the liberation and then had quit when he had failed to get the kind of constitution he had wanted.

Throughout Brittany the crops seemed good. Trees hung heavily with fruit. Truck gardens were lush. Markets were loaded with fruit and vegetables. Much butter, rare in Paris, was served on the tables. Farmers know that prices are going up, and they hold their produce as long as they can. No Government has been strong enough in two years to come to grips with this.

The Marie Cabinet fell because it wanted to raise the fixed price of farm products so more of it would move into the cities. The Socialists would not go along unless the wages of city workers were raised enough to match the increases. The Government proposed wage increases of 10 per cent, which was not enough to suit the Socialists.

CZECH TERROR IS DESCRIBED

Refugee Official, In Britain, Tells Of Peril To Life

London, Aug. 29 (AP)—Peter Zenkl, former deputy premier of Czechoslovakia, said today the last six months he spent in his homeland "were worse for me and my wife than the six years I was a prisoner of the Germans in the Buchenwald concentration camp."

Zenkl, also a former lord mayor of Prague, is a fugitive from his Communist-ruled homeland. He and his wife arrived in London by plane this afternoon from the American zone of Germany. Zenkl, a National Socialist, withdrew from official activities when Communists seized power in Czechoslovakia.

Plans To Visit U.S.

"Since the Communist *coup d'état* my life had been in danger, Zenkl said.

He added that he will leave for the United States in about two weeks, and that here and there he will work for the liberation of his country.

"Freedom has left Czechoslovakia—it has been squeezed out," he said. "But freedom must return and if it can be brought back without fighting we shall be happy. What is life without freedom to a democratic person? Here in Britain I feel such a sense of relief as I

did when I walked out of the concentration camp."

Blindfolded In Flight

Zen`l gave a few details of his escape—saying he and his wife had left Czechoslovakia blindfolded and riding in a truck.

"The purpose of the blindfolds was to prevent our seeing or recognizing our rescuers," he said. "Surely some kind people helped me, and I guess you can call them new partisans. About four hours later, after a bumpy ride, we were safe in the American zone."

Russians to Let All Buy or Build Homes

Dwellings Will Be Owner's Private Property

LONDON, Aug. 29 (AP).—The Moscow radio said today the Presidium of the Supreme Soviet (Parliament) has issued a decree entitling every Russian citizen to buy or build himself a house.

A broadcast, heard in London, quoted a Tass (Soviet official news agency) dispatch as saying the house, which would be considered the private property of the owner, could be up to two stories high and contain up to five rooms.

The report also said Soviet citizens would be granted use of building land in perpetuity and added that the size of the plots would be fixed by requirements of town-planning schemes.

Australians Arrive for Air Lift

LONDON, Aug. 29 (AP).—Twenty-nine Australian flyers who will take part in the air lift to Berlin arrived by plane today from Sydney. They were greeted by Air Vice-Marshal P. H. Mackworth of the Brititsh Transport Command. Australia has placed ten air crews at the disposal of the British government to assist in flying supplies to Berlin.

Italy Rail-War Loss Put At $1,600,000,000

Rome, Aug. 29 (AP)—Transport Minister Guido Corbellini said today Italy's railroads suffered $1,600,000,000 damage during the war.

In a speech at Perugia, Corbellini said 35 per cent of Italy's railroad plants and 65 per cent of her rolling stock were destroyed.

"Today, reconstruction has replaced over 50 per cent of the losses. . . ." he added.

Czech School Honors La Guardia

PRAGUE, Czechoslovakia, Aug. 29 (AP)—A Prague high school was named today in honor of the late Fiorello H. La Guardia, former Mayor of New York. M. S. Novik of New York, director of the municipal radio system during Mr. LaGuardia's administration, represented the One World Award Committee at the ceremony. In a brief address Mr. Novik recalled Mr. LaGuardia's friendship for the Czechoslovak people and told of his respect for former President Eduard Benes.

Ohio Farmer Aids Needy In Berlin

Berlin, Aug. 29 (AP)—An Ohio farmer is playing summer time Santa Claus to needy families of blockaded Berlin.

He is Lewis Warbington, here to distribute the last 1,000 of 8,000 food packages contributed by the people of Shelby county, Ohio.

Warbington said he had observed the need of postwar Germans during a four-month visit last year. He returned to Shelby county and started a campaign for contributions. He said donations of the county's 24,000 inhabitants totaled 256,000 pounds.

"We did our own packing and brought the food to New York by truck," he said. "We had it shipped over and decided the packages should be distributed among the neediest families equally in eight cities—Bremen, Kassel, Frankfurt, Wiesbaden, Nuernberg, Munich, Stuttgart and Berlin."

Berlin's 1,000 packages had to be brought in by an American air lift plane over the Russian land transport blockade of the city. The plane was piloted by an Ohioan, Capt. Carl Reidelbach, of Van Wert. Warbington said he selected Reidelbach because he is "a friend and neighbor boy."

Warbington said he expected to complete his distribution here tomorrow and start for home Tuesday. He said American-licensed welfare agencies here were helping select recipients.

GOETHE PRIZE AWARDED

Fritz von Unruh Gets Literary Accolade at Frankfort

FRANKFORT ON THE MAIN, Germany, Aug. 29 (AP)—This city has awarded the Goethe prize to Fritz von Unruh, a German writer whose books were burned publicly by the Nazis.

The prize is awarded annually by this city, birthplace of the poet on his birthday, for outstanding literary and humanitarian achievement by a German writer.

The certificate and a check for 10,000 marks ($3,000) was handed to Herr von Unruh by Dr. Walter Kolb, the Lord Mayor of Frankfort, in a ceremony in St. Paul's Church.

This church was the meeting place of Germany's first national assembly in 1848. Herr von Unruh reappeared publicly before a German audience at the church this year in an address marking the centennial. He fled Germany in 1933, and reached the United States in 1940. His novel, "The End Is Not Yet," was published in America last year.

Previous winners of the Goethe prize include Thomas Mann, Sigmund Freud, Gerhardt Hauptmann and other noted authors.

Danube Parley's Slight To Austria Is Deplored

VIENNA, Aug. 29 (AP).—Dr. Karl Renner, President of Austria, said today: "The fate of the Danube has remained uncertain in spite of the decisions of Belgrade."

Dr. Renner referred to the recent conference at Belgrade at which the Eastern European Communist bloc of nations adopted a new convention for controlling Danube River shipping. The pact barred Western nations from any voice in the control of the waterway.

Speaking at Korneuburg, in the Russian occupation zone of Austria, Dr. Renner stressed Austria's leading role in establishing and developing Danube shipping.

"The new states inherited the fruits of Austria's work," he said. "We do not grudge their rights, but their claims cannot be different or higher than ours. It was, therefore, not only unexpected, but unbelievable to us that Austria was not even heard according to her merits at Belgrade."

Moscow Parley Reported Near Its Next Phase

Agreement on Procedure for Further Discussion May Come in 24 Hours

MOSCOW, Aug. 29 (AP).—Prospects appear good for a procedural agreement this week as a result of the four-power talks at the Kremlin, it was learned on excellent authority today. Only technicalities are now reported holding up such an agreement, and these may be disposed of within the next twenty-four hours.

Such an agreement shoud not be taken to mean that the four powers have settled all the questions they have discussed involving East-West differences. It would mean that there was a good chance of agreement on the next phase of the talks.

It was learned authoritatively here that the views of one Western government have been holding up a procedural agreement. It can be stated with assurance that the four powers are very close together on the over-all question of a procedural agreement. There is no cause for pessimism.

The three Western diplomats who are negotiating with Russian leaders conferred at the American Embassy for forty-five minutes today after the arrival of an awaited message from one of the Western capitals—Washington, London or Paris. Just which one was not disclosed. Cross-communication has been one of the difficulties in the talks.

American Ambassador Walter Bedell Smith, British Envoy Frank Roberts and French Ambassador Yves Chataigneau have to refer various matters back to their home capitals. The replies of the Western governments then must be discussed and new reports filed.

Helen Keller In Japan To Aid Welfare Work

Iwakuni, Japan, Aug. 29 (AP)—Helen Keller, famous blind and deaf woman, arrived at this British base today by air from Australia.

She is to go to Tokyo tomorrow at the invitation of Gen. Douglas A. MacArthur to complete welfare work for the handicapped which she was forced to suspend in 1937.

Communists' Manila Rally

Manila, Aug. 29 (AP)—Catholic church bells and Communist loudspeakers dueled noisily today in historic Plaza Miranda in the heart of Manila.

The occasion was an anti-Government rally, attended by an estimated 8,000 persons, coinciding with Sunday services in crowded Quiapo Cathedral.

Church Denounced

Mariano P. Balgos, secretary of the Philippines Communist party, denounced the church, accusing it of interfering with freedom of speech.

Luis Taruc, avowed Communist leader of the Hukbalahap peasant guerrillas, was scheduled to be the principal speaker, but failed to appear. Instead, he sent a message, read by Amado Yuson, left-wing congressman.

Charges Breach Of Amnesty

Taruc charged that the recent amnesty failed because the administration of President Elpidio Quirino had not lived up to commitments. He denied he had promised that his followers would surrender their guns in return for a blanket pardon. He said he had agreed merely to have the arms registered.

Taruc's message ended with a defiant, "We will never submit to peace imposed by imperialist guns and bayonets."

Rice Imports Reach Manila

MANILA, Aug. [illegible] (AP)—The first relief shipment of rice from Burma and Siam—6,100 tons—arrived at Manila last night to help relieve a serious food shortage in the Philippines. Newspaper reports said that the rice shortage was so severe that some Filipinos on Luzon were eating wild roots. Floods have added to the food difficulties on Luzon, the most populous of the Islands.

PEACE SIGHTED IN JERUSALEM

Jews, Egyptians Accept U.N. Plan For Neutral Zone

Cairo, Aug. 29 (AP)—Jews and Egyptians have agreed to proposals for bringing peace to the neutral area of Jerusalem, the chief of staff for Count Folke Bernadotte said tonight.

Gen. Aage Lunstroem, chief assistant to the United Nations mediator, predicted the result would be an end soon to the "ruthless battle" between Jews and Arabs in the holy city.

Lundstroem said the Egyptian Government's agreement had been given him by Mohammed Haidar Pasha, the defense minister. The Jews had given their acceptance earlier.

Observance To Be Checked

Lundstroem said both parties had agreed on a proposed arrangement for the neutral zone surrounding the Red Cross area in Jerusalem, which comprises Government House, the Jewish Agricultural School for Girls and an Arab college. Fighting has been going on there for some time.

Observers will see that the arrangement is respected by both sides, he added. If troops of either side enter the neutral zone "I will consider this a violation of the truce and refer it to the Security Council," he declared.

Zone To Be Neutralized

Cesar Ortiz, Lundstroem's press attaché, gave this outline of demilitarization proposals for Jerusalem submitted to Jews and Arabs:

The zone around Jerusalem's Red Cross agency now occupied by Egyptian, Trans-Jordan and Jewish troops will be "neutralized" because the proximity of fighting forces endangers the area.

The withdrawal of troops from the Arab and Jewish sides shall be effected by 7 A.M. tomorrow. All war equipment and installations shall be withdrawn or destroyed.

Ortiz said the Egyptians accepted the proposal on the condition Jews withdraw simultaneously with Arabs. He added that while Trans-Jordan's acceptance had not been received, there was little doubt but that Trans-Jordan would accept since withdrawal "would not affect the military position of the (Trans-Jordan) Arab Legion in that sector."

Jerusalem Deadline Passes

30.24-20063

Jerusalem, Aug. 29 (AP)—A 4 P.M. deadline passed today without indications from Arabs or Jews whether they have complied with United Nations orders to move out of the Red Cross area of southern Jerusalem. (COMBINED)

Belligerents were ordered yesterday to withdraw from a security belt drawn around the Red Cross zone by United Nations headquarters at Haifa before 4 P.M. today. In addition, the Arab Legion was told to withdraw to the lines held at the beginning of the truce on Mount Zion and also to withdraw from a house in the Deir Abu Tor quarter it had entered after the beginning of the truce. Six previous United Nations attempts to make the Arabs withdraw from this house failed.

The Jews had not withdrawn their troops earlier. An army source said they were waiting for orders from the high command in Tel Aviv.

The holy city spent one of the quietest days of the second truce.

Plane Tragedy Explained

Stockholm, Aug. (AP) — Count Folke Bernadotte's office said today the United Nations plane in which two of his observers were killed yesterday over an Egyptian-occupied area of Palestine was flying without clearance and in the wrong air corridor.

The observers, both from the French armed forces, were Lieut. Col. Joseph Queru, 50, and Capt. Pierre Jaennel, 28. Their plane was riddled with bullets near Gaza, the Egyptian Army airbase on the southern Palestine coast.

Flying At 3,000 Feet

A message of regret over the deaths was sent by the Egyptian defense minister to Bernadotte's representatives in Cairo.

Reports received here from United Nations investigators said the single-engine plane was flying at 3,000 feet when it was hit by machine-gun fire. United Nations observers on the ground said the United Nations markings could not have been seen and that they believed the plane was Jewish.

Bernadotte's office said Egyptian authorities had asked that no plane fly over Egyptian-held territory without first getting clearance.

Observers Reported Fired On

JERUSALEM, Aug. 29 (AP)—An official source said tonight that a group of United Nations truce observers was fired on by Arabs today. There were no casualties.

The source said that the incident occurred when the observers approached two points, contested by Israeli and Arab forces, in Deir Abu Tor and the Mount Zion area of Jerusalem.

Somers Arrives in Tel Aviv

TEL AVIV, Israel, Aug. 29 (AP)—Representative Andrew L. Somers, Democrat, of New York, arrived here today. He said he would remain in Israel ten days to investigate the new nation's needs. Mr. Somers said he hoped the United States soon would grant de jure recognition to Israel.

Dutch Talks On Indies Set

Batavia, Java, Aug. 29 (AP)—A Dutch communiqué said today Hubertus J. van Mook, acting governor general, will leave September 8, for the Netherlands for general discussions on the situation in the Indies.

Well-informed sources connect van Mook's departure with bad relations between the Dutch and Republicans. The sources say also that there are rumors several ministers in the new Dutch Cabinet have indicated they will take part only if van Mook resigns.

[A dispatch from The Hague, Wednesday, said Dr. Louis J. M. Beel, former Dutch Premier, may replace van Mook. A Hague source said several new ministers had made their participation in the Government dependent upon van Mook's resignation. Another informant, however, said "it will depend on Dr. van Mook."

Powers To Be Curtailed

[At any rate the powers of the Governor General are expected to be curtailed when limited authority for internal self-rule in Indonesia is granted to an interim government.]

Meanwhile, relations between the Republic of Indonesia and Netherlands Government officials reached a new low with the refusal of the republic to guarantee safe conduct for two Dutch officials to accompany a transport train.

The Dutch had asked for the safe conduct for officers planning to escort certain cars to Kalioerang. Dr. Soenomo, Republican representative, returned yesterday from Jogjakarta, Republican capital, with a letter stating the "Government cannot give safe conduct, as the sentiments of the population were aroused by recent incidents."

Incidents Described

The letter, signed by Dr. Mohammed Roem, Indonesian Minister of the Interior and chairman of the Republican negotiating delegation, listed shootings, the Dutch seizure of a Republican hospital, and the expulsion of Republican officials from Batavia.

Political discussions between the Dutch and Republicans were discontinued last June, and truce negotiations were interrupted August 18.

Siam Moves To Outlaw Opium-Poppy Growing

Bangkok, Siam, Aug. 29 (AP)—The Siamese Government disclosed today it was preparing a bill to outlaw the cultivation of opium poppies and another required registration of all addicts.

The Opium Abolition Committee estimates that there now are about 300 licensed opium dens in the country and 20,000 addicts in this capital alone.

SPY-RING AID ON CHAMBERS JOB IS BARED

AUG 1948

Federal Post Obtained In '37 While Communist Agent, Prober Says

Washington, Aug. 29 (AP)—The House Un-American Activities Committee announced today it has evidence that Whittaker Chambers got a Federal job in 1937 while still a paid agent for a Communist underground movement here.

The announcement was made by Representative Nixon (R., Cal.) who said the information was given by Chambers himself.

Nixon said Chambers obtained the Federal job through persons named by Elizabeth T. Bentley as members of a Communist espionage group which she testified was headed by Nathan Gregory Silvermaster.

Nixon declined to name the two persons or to identify the agency for which Chambers worked.

Hearing In N.Y. Today

These details, he said, will be brought out during questioning of Chambers tomorrow at a public hearing in New York.

Chambers and Miss Bentley are self-described former Communists who claim they obtained information from Federal executives and ferried it to Communist agents.

As a result of Chambers's revelations about the job, Nixon said, "the committee now has a definite provable link between the Chambers underground group and the Bentley group."

Nixon said Chambers told him that in the latter part of 1937 "while he was a paid agent of the Communist underground in Washington, Chambers approached two members of the Bentley espionage group and requested that he be put on the Federal payroll."

On Job Several Months

Within 24 hours, Nixon said, Chambers was put to work and stayed on the Federal payroll several months "while actually still a $35-a-week undercover man for the Communist underground."

While Chambers admitted that the job he obtained "was a phony job," Nixon said, the two men who helped him get it were given the impression by Chambers that it would help him in his Communist work. He said Chambers wanted the job "because he had to have some place to hang his hat while in Washington."

Nixon indicated that the job was not a major post and said Chambers took it under the name of Jay Chambers.

Nixon said one of the men who Chambers said helped him get his job already has testified before the committee and refused to answer most questions on constitutional grounds. He emphasized, however, that the man had knowledge of Chambers's Federal job.

More Questioning Due

The other person has not testified. Both are to be questioned further as a result of the new disclosures, Nixon said.

Nixon said several other witnesses in addition to Chambers will be questioned during the New York hearings. One of them is J. Peters, named by Chambers as head of the Communist underground while Chambers was a member before he renounced communism in 1938.

Nixon would not identify the others.

Commenting on announcement that a special grand jury investigating Communist activities will be reconvened in New York September 14, Nixon said:

"This is evidence that the work of the committee has produced some results. If our hearings had not been held, they would have forgotten the grand jury until after November."

Meanwhile, a Senate official predicted that a spy probe report will demand drastic revision of loyalty-check procedure for Federal employés.

He said the Senate investigating subcommittee under Chairman Ferguson (R., Mich.) is expected to urge:

1. A requirement that the FBI complete a check of all officials and employés before they are assigned to so-called sensitive jobs. These deal with secret and confidential subjects.

2. An airtight procedure for immediate suspension of any worker suspected of disloyalty.

3. A change in the present "loyalty boards" set up in most Government agencies so they are not controlled by the heads of the units or composed only of employés of the same unit.

Committee investigators said it takes about four months to finish a checkup on new employés.

The proposals, forecast by an official who declined to be identified, stem from the subcommittee's brief excursion into the curfent "spy ring" hearings at the recent special session and the William W. Remington case.

Remington is a youthful economist under suspension from his $10,305 confidential Commerce Department post while the FBI finishes its check on him. Ferguson said Remington held three different sensitive posts while under investigation. Remington has denied any subversive connections or activity.

The Ferguson subgroup of five is expected to make its suggestions in an interim report soon.

This will array powerful committee groups on both sides of the Capitol behind demands that laws be passed and rules be changed to plug any holes against subversives in and out of the Government.

House Passed Bill

The House passed the Mundt-Nixon anti-communism bill at the spring session but it failed in the Senate.

Last night the House Un-American Activities Committee called in a report for new laws to bear down on:

"The new and clever conspiratorial tactics developed by Communists to promote and conceal their espionage activities and their disloyal purposes."

It would center around a new Mundt-Nixon bill. The bill would be stronger in tone with a string of rules including a way to forestall witnesses who cite the Fifth Amendment to the Constitution in refusing to say whether they are Communists when they testify. The committee called this a new Communist tactic.

The committee urged that Communists be required to register and be barred from Federal employment.

It also proposed that the executive branch be required to produce loyalty data on Federal employés.

Sore Spot In Relations

Here it puts its finger on a sore spot in relations between the President and Congress.

President Truman, in an order last winter holding loyalty papers confidential, said it is necessary to safeguard sources of information and be fair to employés undergoing investigation before a decision is reached. He has contended that the loyalty program is working successfully anyway, and has denounced the spy hearings as an attempt by Congress to cover up its own shortcomings.

While the House committee renewed its repeated insistence on presidential release of loyalty information, Senator Ferguson and Attorney General Tom Clark were expected to sit down together September 8 to thresh out what information Congress is going to get from Government files.

Announcing arrangements for the meeting, William Rogers, counsel of Ferguson's subcommittee, said he expects an impasse in the Remington case to be cleared up.

Trying To Get Files

The committee has been trying to get files showing how Remington could have held his three important Government jobs while he was under FBI investigation. Ferguson says he wants to know whether Government agencies ignored any FBI advice.

Remington has denied he is a Communist. He also denied charges by Miss Bentley, that Remington passed along wartime secret information to her. Remington says he thought she was a newspaper reporter and he gave her only information the War Production Board wanted to make public for the war effort.

"We are not asknig for the loyalty files on Remington," Rogers said. "But we do want to find out who was instrumental, if anyone, in keeping him in key policy making jobs while he was under investigation."

Clark already has ruled that the committee can't have any information from the files of the loyalty investigation of Remington. Since the testimony involves espionage, Clark says, the Government can't

disclose how it handles such cases.

Legal Right Claimed

Ferguson has contended that his committee has the legal right to get almost any Government papers it needs to carry out an investigation.

If the conference with Clark brings an agreement on the Remington case information, the procedure fixed then may serve as a guide in other investigations of Government employés.

Ferguson and Clark have warred for weeks over the demands for information on Remington. Ferguson fired another blast last night in a re-election campaign speech in Detroit.

The Senator said that Clark had sought to "smear" Miss Bentley by preparing to give out confidential information in an attempt to prove her a faker. When Ferguson found out about it, he said, he opened public hearings "before the Attorney General's smear could get under way."

ECA SHIFTS STRESS TO INDUSTRIAL AID

Most of Latest $57,477,236 to Go for Recovery Goods Rather Than for Food

WASHINGTON, Aug. 29 (AP)—A new weekly allotment of $57,477,236 in Marshall Plan aid was reported today, about 67 per cent of it for industrial "recovery" goods instead of food.

The authorizations included $6,500,000 for mining and freight cars, more than $2,000,000 for steel and steel-mill equipment, and $1,000,000 in other industrial machinery, besides copra, industrial oils, cotton and other raw materials.

Covering the week ended last Wednesday, the announcement by the Economic Cooperation Administration emphasized the shift of foreign aid shipments from "relief supplies," such as food, medicines and fuel, to industrial goods aimed at increasing production and exports in Western Europe.

In the previous week some 70 per cent of shipments authorized by the administration were in the "recovery" rather than the "relief" category.

Some 45 per cent of the newest dollar help called for shipments from countries other than the United States. Canada, Belgium, Italy, Germany and the Philippines were among the supplying nations, as well as six Latin-American countries — Venezuela, Uruguay, Brazil, Paraguay, Mexico and Chile.

The new authorizations brought total aid to Europe and China to $1,245,798,925, including ocean freight costs borne by this country. Approvals made in the last few days, not included in today's tabulation, increased the amount to $1,267,772,076.

The French have received the largest share of total shipments to date, $316,352,730, although Great Britain is scheduled to receive the largest amount in the first full year.

Great Britain's total now is $306,566,200, Italy's $131,418,578 and Bizonal Germany's $124,425,347. Other countries, in order, are: Austria, $80,230,231; the Netherlands, $79,358,247; China, $65,738,106; Greece, $60,789,168; Denmark, $25,608,549; French zone of Germany, $23,568,193; Norway, $22,962,454; Trieste, $6,566,608; Belgium, $2,214,514.

Wheat is by far the largest item of foreign aid. Approved shipments of wheat for Europe and China now total $232,134,784, and wheat flour is in fifth place with $73,726,817.

The latest allocations by countries were: Austria, $13,226,795; Belgium, $428,274; Bizonal Germany, $8,651,932; Denmark, $5,305,484; France, $12,639,700; Greece, $5,098,925; Italy, $2,223,500; the Netherlands, $3,303,366; Norway, $2,572,414; Trieste, $297,000; China, $25,000. There was no authorization for Britain.

In addition to those figures, ocean freight authorizations amounted to $3,704,846.

Uranium Too Difficult to Store, Report on U.S. War Chest Shows

WASHINGTON, Aug. 29—(AP) Uranium, raw material for atom bombs, is too difficult to store and none of it is being stowed away in the nation's $3,400,000,000 war chest.

This was shown today in a report on "Operation Squirrel," as the munitions board's stockpiling of critical war materials is known unofficially.

Uranium, radium and 17 other materials were classed as those "posing problems of storage such as to outweigh the advantages of stockpiling them."

Buying Goes Into High Gear

Because of "unsettled international conditions," the board's previous slow-and-steady buying of 67 key items has gone into high gear.

Some $490,000,000 will be spent or obligated by next June, of which $213,000,000 will actually be delivered by that time. In contrast, only $87,000,000 of materials was delivered in the two years since the stockpiling program began.

About 25 per cent of the overall goal of $3,402,997,000 is on hand or "in sight," the board reported, but it hinted things are getting more expensive and the goal may have to be raised.

It explained that "national security now requires accelerated stockpiling." The board has tried to avoid upsetting the civilian recovery applecart by hoarding scarce materials needed in domestic production.

National security comes first, the board now feels, and pointing out it takes a year to fill the pipeline is stepping up its war lay-a-way plan in four ways:

1. Speeding up transfer of materials from other government agencies.
2. Voluntary allocations (rationing is a shunned word) through heart-to-heart talks with industry.
3. Immediate purchase unless on such a scale as to add to inflation or "threaten serious injury to the national economy."
4. Long-term contracts that will take the entire output of a new development or expansion.

The bulk of the stockpile accumulated to date is stored throughout the United States at 70 different military depots, 10 private facilities and three stand-by defense plants. In two cases, low-grade ores have been stored in the open on public lands.

PLEA DUE FOR CHANGE IN LOYALTY CHECKS

WASHINGTON, Aug. 29 (AP)—A spy inquiry report demanding drastic revision of loyalty check procedure for Federal employes was predicted today by a Senate official. He said that the Senate Investigating Subcommittee headed by Senator Homer Ferguson was expected to urge:

1. A requirement that the FBI complete a check on all officials and employes before they are assigned to "sensitive" jobs. These jobs deal with secret and confidential subjects.
2. An airtight procedure for immediate suspension of any worker suspected of disloyalty.
3. A change by which the "loyalty boards" set up in most Government agencies would not be controlled by the heads of the units or be composed only of employes of the unit.

Committee investigators said that it took about four months to finish a checkup on a new employe.

The proposals stem chiefly from the subcommittee's study of the case of William W. Remington, an economist who is under suspension from his $10,305 confidential Commerce Department post while the FBI finishes its check on him. Senator Ferguson has stated that Mr. Remington held three different sensitive posts while under investigation. Mr. Remington has denied any subversive connections or activity.

Attorney General Tom C. Clark has refused to turn over data on Mr. Remington demanded by the Ferguson group. Senator Ferguson and Mr. Clark were expected to sit down together Sept. 8 to thresh out what information Congress is going to get from Government files.

Announcing arrangements for the meeting, William Rogers, counsel of the Ferguson subcommittee, said that he expected an impasse in the Remington case to be cleared up.

AUG 1948

LONDON, AUG. 29-(AP)-WILLIAM C. BULLITT, VICE-CHAIRMAN OF THE AMERICAN COMMITTEE FOR A FEDERATED EUROPE, ARRIVED IN LONDON TONIGHT. HE IS EN ROUTE TO THE EUROPEAN FEDERATION CONFERENCE IN INTERLAKE, SWITZERLAND, THIS WEEK.

THE FORMER U.S. AMBASSADOR TO RUSSIA AND FRANCE TOLD NEWSMEN AT LONDON AIRPORT HE CONSIDERED "THE RAPID ESTABLISHMENT OF A EUROPEAN CONFEDERATION ESSENTIAL TO PREVENT THE SWALLOWING OF THE INDIVIDUAL STATES OF EUROPE, ONE BY ONE, BY SOVIET IMPERIALISM."

THE REPORT SAID THE DECREE WAS ADOPTED FOR THE PURPOSE OF ESTABLISHING A UNIFORMITY OF LEGISLATION. TASS SAID THE DECREE IS IN ACCORD WITH ARTICLE 10 OF THE U.S.S.R. CONSTITUTION WHICH PROVIDES THAT THE "RIGHT OF PERSONAL PROPERTY OF CITIZENS IN THEIR INCOME FROM WORK AND IN THEIR SAVINGS, IN THEIR DWELLINGS HOUSES AND AUXILIARY HOUSEHOLD ECONOMY X X X ARE PROTECTED BY LAW."

IF RAMADIER FAILS, AURIOL, NEXT IN LINE, IS EXPECTED TO TURN TO ANOTHER FORMER PREMIER -- ROBERT SCHUMAN OF THE POPULAR REPUBLICAN PARTY.

RAMADIER WAS THE FIRST PREMIER OF THE FOURTH REPUBLIC, SERVING FROM JANUARY TO NOVEMBER, 1947. A FOE OF COMMUNISM AND OF GEN. CHARLES DE GAULLE, HE WAS EXPECTED TO CONFINE HIS ATTEMPTS TO BUILD A COALITION TO THE MODERATE PARTIES WHICH FRENCHMEN CALL THE "THIRD FORCE."

RAMADIER'S DESIRE FOR A STABLE GOVERNMENT UNTIL NEXT JUNE WAS A REFERENCE TO THE NATIONAL ASSEMBLY'S DECISION LAST WEEK TO POSTPONE

30.24- 20065

ICAL DEPARTMENTAL ELECTIONS AT LEAST UNTIL NEXT MAY. A DEFINITE TREND ONE WAY OR THE OTHER IN SUCH ELECTIONS WOULD BE ENOUGH TO TOPPLE A CABINET.

PRESIDENT AURIOL VIRTUALLY WAS FORCED BY CIRCUMSTANCES TO CALL FIRST UPON A SOCIALIST TO TRY TO FORM A CABINET, SINCE THE SOCIALISTS BROUGHT ABOUT THE FALL OF THE LAST TWO GOVERNMENTS.

A MONTH AGO THE SOCIALISTS UPSET THE THIRD FORCE COALITION HEADED BY SCHUMAN ON AN ISSUE OF MILITARY EXPENDITURES. TWO DAYS AGO THEY WRECKED THE COALITION HEADED BY RADICAL SOCIALIST ANDRE MARIE BY OPPOSING FINANCE MINISTER PAUL REYNAUD'S WAGE, PRICE AND ECONOMIC PROGRAM.

RAMADIER'S MOST DIFFICULT TASK IS TO PLACATE THE RADICAL-SOCIALISTS WHO FEEL THE SOCIALISTS DOUBLE-CROSSED THEM IN A POLITICAL TRADE WHEREBY THE RADICAL-SOCIALISTS AGREED TO POSTPONE THE DEPARTMENTAL ELECTIONS AND THE SOCIALISTS WERE TO GO ALONG WITH REYNAUD'S ECONOMIC PROJECTS.

A3

THE SOCIALISTS FEARED THEY WOULD LOSE STRENGTH TO THE COMMUNISTS IF THE ELECTIONS WERE HELD AS SCHEDULED IN OCTOBER, AND ALL PARTIES EXCEPT THE RADICALS WERE AFRAID OF LOSING STRENGTH TO THE DE GAULLISTS.

SIGNIFICANTLY, RADICAL SOCIALIST YVON DELBOS, WHO WAS EDUCATION MINISTER IN THE MARIE CABINET, TODAY REPUDIATED STATEMENTS ATTRIBUTED TO HIM YESTERDAY THAT THE RADICALS WOULD REFUSE TO ENTER ANY NEW GOVERNMENT.

IN ANNOUNCING HIS WILLINGNESS TO TRY TO FORM A GOVERNMENT, RAMADIER TOLD NEWSMEN:

"WHAT FRANCE NEEDS IS NOT A GOVERNMENT OF COALITION BUT A GOVERNMENT OF ACTION WITH A HOMOGENEOUS DOCTRINE. IF I CAN ENCOUNTER THESE CONDITIONS, I WILL ACCEPT THE CHARGE THE PRESIDENT HAS CONFIDED IN ME."

THIS MORNING AURIOL RECEIVED MARIE FOR A DISCUSSION OF CURRENT AFFAIRS. MARIE SAID LATER THEIR CONVERSATION WAS MAINLY ABOUT FOREIGN AFFAIRS, PARTICULARLY ON THE INSTRUCTIONS BEING SENT TO FRANCE'S ENVOY IN MOSCOW, YVES CHATAIGNEAU.

Helsinki, Finland, Aug. 29--(AP)--David Cruz Ocampo, the former Chilean ambassador to Russia, arrived here today by train from Moscow, accompanied by his entire embassy personnel.

He told newsmen he had NO statement to make at present.

The ambassador was accompanied by his wife and children with the exception of his son, Alvaro, who is married to a Russian.

Soviet authorities refused to grant an exist visa for her.

AND

Alvaro chose to stay with her.

Chile and Russia severed diplomatic relations last fall.

The Russians held Cruz Ocampo and his staff until an agreement on exchange of diplomats could be reached. The ambassador's daughter-in-law blocked agreement.

Dmitri Zhukov, the soviet ambassador to Chile, left Santiago yesterday with his staff en route to Moscow. He arrived in Buenos Aires last night.

BERLIN, AUG. 29-(AP)-BERLIN'S ANTI-COMMUNIST CITY GOVERNMENT, FIGHTING FOR LIFE AGAINST COMMUNIST ATTEMPTS TO OVER-THROW IT BY FORCE, LOOKED HOPEFULLY TODAY TO THE MOSCOW CONFERENCE FOR RELIEF TO THIS STRIFE-RIDDEN CITY.

BUT FROM COMMUNIST LEADERS CAME A DECLARATION OF NO QUARTER IN THEIR POLITICAL WARFARE DESIGNED TO REPLACE THE DEMOCRATICALLY-ELECTED GOVERNMENT WITH A HAND-PICKED COMMUNIST-CONTROLLED "SPECIAL" OR ACTION COMMITTEE.

TWICE LAST WEEK COMMUNIST DEMONSTRATORS FORCED CANCELLATION OF MEETINGS OF THE CITY COUNCIL BY STORMING THE CITY HALL AND OCCUPYING

THE COUNCIL CHAMBERS. THEY THREATENED TO DO IT AGAIN UNLESS THE ASSEMBLY YIELDED TO ITS DEMANDS.

THE CITY HALL IS SITUATED IN THE RUSSIAN SECTOR OF THE CITY. SINCE THE COMMUNIST-CONTROLLED POLICE THERE HAVE REFUSED TO RESTRAIN THE DEMONSTRATORS, THE ASSEMBLY APPARENTLY WILL BE FORCED TO MOVE TO THE WESTERN-OCCUPIED SECTORS FOR ANY FUTURE MEETINGS.

A DECISION TO MOVE TO THE AMERICAN OR BRITISH SECTORS PROBABLY WILL BE MADE TOMORROW, WHEN THE SENIOR COMMITTEE OF THE COUNCIL CONVENES.

LEADERS OF THE COUNCIL'S NON-COMMUNIST MAJORITY HAVE ANNOUNCED THAT THE BODY WILL RESUME MEETINGS, PROBABLY TUESDAY. AMERICAN AUTHORITIES HAVE BEEN URGING THE COUNCILMEN TO TRY ONCE AGAIN TO MEET IN THE RUSSIAN SECTOR CITY HALL OR AT LEAST TO DELAY MOVING OUT UNTIL THEY RECEIVE A REPLY TO THEIR SECOND APPEAL TO THE COMMANDANT OF THE SOVIET SECTOR FOR A GUARANTEE OF POLICE PROTECTION.

AN ANSWER FROM THE COMMANDANT, MAJ.GEN.ALEXANDER KOTIKOV, IS EXPECTED BY THE TIME THE COUNCIL'S ELDERS MEET TOMORROW.

IN HIS FIRST LETTER KOTIKOV SAID HE DID "NOT UNDERSTAND" WHAT SORT OF PROTECTION THE COUNCIL DESIRED. IN THEIR SECOND REQUEST THE COUNCIL LEADERS ASKED HIM TO ESTABLISH A NEUTRAL ZONE AROUND THE CITY HALL WHICH WOULD BE CLOSED TO DEMONSTRATORS ON MEETING DAYS.

B2

AMERICAN AUTHORITIES HAVE DECLARED THE COMMUNIST DEMONSTRATIONS PART OF A RUSSIAN PLAN TO UNSEAT THE ELECTED GOVERNMENT THROUGH SO-CALLED SPONTANEOUS RIOTS WHICH MIGHT PROVIDE AN EXCUSE FOR INTERVENTION BY SOVIET TROOPS.

THE AMERICAN ANALYSIS SAID THE RUSSIAN DESIGN ALSO WAS TO FORCE AN EVACUATION OF THE GOVERNMENT TO THE WEST SO THE COMMUNISTS COULD HOLD THE CITY HALL AND ESTABLISH A HAND-PICKED "PEOPLE'S GOVERNMENT" THERE WHICH WOULD CLAIM CONTROL OVER ALL BERLIN.

THE OFFICIAL COMMUNIST PRESS HAS ALREADY BEGUN CALLING THE ELECTED COUNCIL A "RUMP PARLIAMENT" AND "AGENTS OF THE AMERICANS."

NON-COMMUNIST LEADERS SAID THEY HOPED FOR AN EARLY AGREEMENT IN THE FOUR-POWER DISCUSSION IN MOSCOW ON THE BERLIN CRISIS WHICH WOULD RELIEVE THE GROWING TENSION.

BUT IT APPARENTLY WOULD TAKE A SOLID FOUR-POWER AGREEMENT TO ACHIEVE THIS. THROUGHOUT THE DURATION OF THE MOSCOW CONFERENCE THE COMMUNISTS HAVE PRESSURED ONE DEPARTMENT OF THE CITY GOVERNMENT AFTER THE OTHER UNTIL THEY EITHER GAINED CONTROL OF THE DEPARTMENTS OR FORCED THEIR DIVISION INTO SEPARATE EAST AND WEST ADMINISTRATIONS.

LEADERS OF THE SOVIET-SPONSORED, COMMUNIST-CONTROLLED SOCIALIST UNITY PARTY (SED), IN A WEEK-END PROCLAMATION, SUMMONED THE "WORKERS OF BERLIN" TO CONTINUE AN "UNRELAXED FIGHT AGAINST THE CITY GOVERNMENT MAJORITY AND PLACE ALL YOUR POWER BEHIND THE SED PROGRAM." THIS PROGRAM IS DESIGNED TO CUT BERLIN OFF FROM THE WEST AND INCORPORATE IT IN THE SOVIET ZONE.

THE SED THANKED THE DEMONSTRATORS WHOSE RIOTING LAST WEEK PREVENTED CITY COUNCIL MEETINGS FOR THEIR "INITIATIVE" AND CALLED

FOR MORE SUCH DEMONSTRATIONS.

B3

THE COMMUNIST PROGRAM, THE SED PRONOUNCEMENT SAID, IS HEADED BY A PROPOSAL TO REPLACE THE ELECTED GOVERNMENT WITH A "SPECIAL COMMITTEE" TO BE COMPOSED OF THREE MEMBERS OF THE PRESENT GOVERNMENT, NINE MEMBERS OF THE ASSEMBLY AND NINE "CITIZENS." COMMUNIST LEADERS HAVE OPENLY STATED THEY DEMAND THE "CITIZENS" BE CHOSEN FROM THE COMMUNIST FACTION OF THE CITY'S TRADE UNION FEDERATION. THIS GROUP, PLUS COMMUNISTS CHOSEN FROM AMONG THE LEGISLATIVE AND EXECUTIVE BRANCHES, WOULD GIVE THE COMMUNISTS SOLID CONTROL.

THE COMMUNISTS SAID THEIR PROPOSED RULING COMMITTEE WOULD WORK "IN CLOSEST COOPERATION" WITH THE COMMUNIST-CONTROLLED GERMAN ECONOMIC COMMISSION OF THE RUSSIAN OCCUPATION ZONE. THIS WOULD MEAN VIRTUAL INCORPORATION OO THE CITY INTO THE RUSSIAN ZONE.

THE COMMUNISTS ALSO DEMANDED IMMEDIATE WITHDRAWAL OF WESTERN-SPONSORED CURRENCY FROM BERLIN, EVEN THOUGH THE 1948 ISSUE IS UNDER DISCUSSION BY THE FOUR POWERS IN MOSCOW.

ALTHOUGH THE COMMUNISTS HAVE THUS FAR PREVENTED A NOTE ON THE MATTER AT CITY COUNCIL MEETINGS, THE NON-COMMUNISTS NEVERTHELESS PLANNED TO SEND REPRESENTATIVES TO THE WEST GERMANY CONSTITUTIONAL CONVENTION AT BONN THIS WEEK.

THEY NAMED SOCIALIST ERNST REUTER TO ATTEND THE PRELIMINARY MEETINGS OPENING AT RUDESHEIM TOMORROW. SOCIALIST LEADERS SAID IT WAS HOPED TO CONVENE A COUNCIL MEETING -- WITH OR WITHOUT COMMUNIST PARTICIPATION -- IN TIME TO ELECT A FORMAL DELEGATION.

ON THE POLICE FRONT, AMERICAN AND GERMAN AUTHORITIES REPORTED A QUIET NIGHT. THE RUSSIANS YESTERDAY RELEASED FIVE AMERICANS AFTER RELATIVELY BRIEF CONFINEMENT.

CROSS-COMMUNICATION HAS BEEN ONE OF THE DIFFICULTIES IN THE TALKS. U.S. AMBASSADOR WALTER BEDELL SMITH, BRITISH ENVOY FRANK ROBERTS AND FRENCH AMBASSADOR YVES CHATAIGNEAU HAVE TO REFER VARIOUS MATTERS BACK TO THEIR HOME CAPITALS. THE REPLIES FILED. THIS TIME-CONSUMING PROCEDURE MUST BE DISCUSSED AND NEW REPORTS MET WITH FOREIGN MINISTER V.M. MOLOTOV SIX TIMES AND PRIME MINISTER STALIN TWICE SINCE JULY 31.

THE FALL OF THE FRENCH GOVERNMENT OF RADICAL-SOCIALIST ANDRE MARIE

30.24- 20067

WAS REPORTED AUTHORITATIVELY TODAY NEITHER TO HAVE BROUGHT THE TALKS TO A STANDSTILL NOR TO HAVE BLOCKED THE POSSIBILITY OF AN AGREEMENT AND A COMMUNIQUE COVERING IT.

AN AUTHORITATIVE SOURCE INDICATED SMITH, ROBERTS AND CHATAIGNEAU MIGHT HAVE ANOTHER TALK WITH MOLOTOV TOMORROW.

THE SITUATION NOW IS ONE OF ALMOST PURELY TECHNICAL DEALINGS WITH WORDING AND MINOR QUESTIONS. IT CAN BE STATED WITH ASSURANCE THAT THE FOUR POWERS ARE VERY CLOSE TOGETHER ON THE OVERALL QUESTION OF PROCEDURAL AGREEMENT. THERE IS NO CAUSE FOR PESSIMISM.

ONE OF THE DIFFICULTIES WITH TALKS SUCH AS THESE IS THAT MATTERS MUST CONSTANTLY BE REFERRED BACK TO THE THREE WESTERN CAPITALS. RECOMMENDATIONS FROM WASHINGTON, LONDON AND PARIS THEN MUST BE DISCUSSED AGAIN AND NEW REPORTS MADE TO THE RESPECTIVE FOREIGN OFFICES.

THIS TIME-CONSUMING PROCEDURE EXPLAINS WHY THE THREE WESTERN ENVOYS HAVE MET WITH PRIME MINISTER STALIN AND FOREIGN MINISTER MOLOTOV TWICE AND WITH MOLOTOV SIX TIMES.

IT WAS LEARNED ON EXCELLENT AUTHORITY TODAY, HOWEVER, THAT THE TALKS SHOULD BE CONCLUDED THIS WEEK AND A COMMUNIQUE COVERING THEM AND THE NEXT PHASE SHOULD BE ISSUED.

IT ALSO WAS LEARNED AUTHORITATIVELY TODAY THAT RESIGNATION OF THE FRENCH CABINET HAS NOT BROUGHT THE TALKS TO A STANDSTILL NOR BLOCKED POSSIBILITIES OF AN AGREEMENT AND A COMMUNIQUE COVERING IT.

SHANGHAI, MONDAY, AUG. 30-(AP)-A FRENCH OFFICIAL FROM MUKDEN SAID TODAY THAT COMMUNIST-SURROUNDED MANCHURIAN METROPOLIS IS NOT IN DESPERATE STRAITS -- EITHER MILITARILY OR FROM THE CIVILIAN POINT OF VIEW.

DAHOUI EXPRESSED BELIEF THE COMMUNISTS WOULD BE UNABLE TO TAKE THE CITY.

HE ESTIMATED MUKDEN'S POPULATION AT ABOUT 1,180,000 (NO COMPARED WITH THE PREWAR FIGURES OF 2,000,000. THERE ARE FEW FOREIGNERS IN MUKDEN, HE ADDED, BUT THESE INCLUDE 500 TO 600 RUSSIANS WHO HAVE LITTLE OR NO CONTACT WITH OTHER FOREIGNERS. HE SAID THE RUSSIANS OPERATE A DEPARTMENT STORE.

THE FIELD IS OF VITAL IMPORTANCE TO STARVING CHANGCHUN, WHICH THE GOVERNMENT HAS BEEN ATTEMPTING TO FEED BY AIR DROPS.

THIS METHOD HAS PROVED UNSATISFACTORY, SINCE MANY OF THE PACKAGES HAVE LANDED IN COMMUNIST TERRITORY.

IN A MESSAGE TO AN ANTI-GOVERNMENT RALLY IN MANILA YESTERDAY, TARUC CHARGED THAT RECENT AMNESTY FOR THE HUKBALAHAP FAILED BECAUSE QUIRINO "FAILED TO LIVE UP TO COMMITMENTS." ACTUALLY, THE AMNESTY PLAN FAILED BECAUSE THE HUKS REFUSED TO DISARM.

BATAVIA,JAVA, AUG.29-(AP)-RELATIONS BETWEEN THE REPUBLIC OF INDONESIA AND NETHERLANDS GOVERNMENT OFFICIALS REACHED A NEW LOW TODAY WITH THE REFUSAL OF THE REPUBLIC TO GUARANTEE SAFE CONDUCT FOR TWO DUTCH OFFICIALS TO ACCOMPANY A TRANSPORT TRAIN.

THE DUTCH HAD ASKED FOR THE SAFE CONDUCT FOR OFFICERS PLANNING TO ESCORT CERTAI CARS TO KALIOERANG. DR.SOEPOMO, REPUBLICAN REPRESENTATIVE, RETURNED YESTERDAY FROM JOGJAKARTA, REPUBLICAN CAPITAL, WITH A LETTER STATING THE "GOVERNMENT CANNOT GIVE SAFE CONDUCT, AS THE SENTIMENTS OF THE POPULATION WERE AROUSED BY RECENT INCIDENTS."

THE LETTER, SIGNED BY DR.MOHAMMED ROEM, INDONESIAN MINISTER OF THE INTERIOR AND CHAIRMAN OF THE REPUBLICAN NEGOTIATING DELEGATION, LISTED SHOOTIKGS, THE DUTCH SEIZURE OF A REPUBLICAN HOSPITAL, AND THE EXPULSION OF REPUBLICAN OFFICIALS FROM BATAVIA.

A CABLE RECEIVED EARLIER BY THE DUTCH FROM THE REPUBLICAN DELEGATION GUARANTEEING SAFETY FOR DUTCH DUTY PERSONNEL WAS CANCELED BY THE LETTER.

THE LETTER SAID IT IS STILL THE WISH OF INDONESIAN PREMIER MOHAMED HATTA'S GOVERNMENT TO "COME TO AN AGREEMENT WITH THE DUTCH," BUT THAT IT APPEARED THE DUTCH "COOPERATE WITH ULTRA-LEFTIST GROUPS IN THE REPUBLIC" TO BRING ABOUT THE DOWNFALL OF THE HATTA CABINET.

WEST'S RULE IN BERLIN UNDER FIRE

New Russian Tirade Is Loosed By 'Workers' Plea To Kotikov

AUG 1948 SHANKE

Ninth East-West parley held at Kremlin ..... Page 4

Berlin, *Tuesday*, Aug. 31 (AP)—The Russians in Berlin unloosed a tirade early today against the Western Allies and the anti-Communist city government.

The vehicle for the latest Soviet blast was a meeting of Maj. Gen. Alexander Kotikov, the Soviet Berlin commandant, with a delegation of "workers" who demanded an end to "warmongering" by the Western military governments.

The meeting was reported by the official Soviet news agency, SNB.

Demand More Demonstrations

SNB said the workers demanded they be allowed to continue their demonstrations against the city government. Last week there were two Communist-led assaults on Berlin's City Hall.

The agency said the workers told Kotikov that before elections are held in Berlin the city government "should openly account for its activities in the last two years."

This was a broad hint the Soviets are preparing to ban elections in the eastern sector of Berlin. Elections for a new city administration are scheduled tentatively for October. The Communists took a heavy beating two years ago and their political foes say the Communist showing will be even worse this year.

Marshal Vassily D. Sokolovsky, Soviet commander in Germany, already has canceled fall elections in the Soviet zone of Germany.

Names Convention Delegates

Today's Soviet outburst came soon after the senior committee of the Berlin City Council again defied the Communists and named a five-man delegation to represent Berlin at the convention to draft a charter for a west German government.

The committee decided yesterday to postponed a regular council meeting scheduled for today until a communiqué is issued on the four-power talks in Moscow, and until the Russians promise the council police protection against Communist-led rioters.

Kotikov, according to SNB, asked the workers what she should reply to the City Council's appeal for police protection. They told him "these demonstrations would stop at once if the workers of Berlin were convinced the town administration recognizes their demands."

Advised To Refuse Request

The agency said the workers advised Kotikov to refuse a council request that a "neutral area" be created where cit yofficials could meet in peace.

The workers then charged the city government neglected to supply food and winter fuel for Berlin, which has been under a Soviet blockade for 69 days.

Communist members of the council's senior committee walked out yesterday when the matter arose of naming a delegation to the sessions at Bonn tomorrow. The sessions will be held to write a constitution for the American, British and French zones.

Viewed As Part Of Zone

Thus the Communists once more expressed their determination to prevent any close ties between Berlin and western Germany. To them Berlin is a part of the Soviet occupation zone.

In Frankfurt the British and American military governors were quoted as saying the Moscow talks would have no influence upon the Western powers' plan to set up a separate government in western Germany.

Wilhelm Kaisen, president of the Bremen senate, said this view was advanced to a meeting of German ministers-president of the British-American zones in Frankfurt by both Gen. Lucius D. Clay and General Sir Brian Robertson, the American and British military governors.

The French, British and American zones are scheduled to be integrated politically at Bonn tomorrow when a parliamentary council will meet to draw up a German constitution.

To Avoid Limiting Term

The council is expected to avoid any limiting term as "Western" and reach agreement on a charter that could serve for all Germany. Thus the door for representation would be left open to Germans in the Soviet occupation zone.

The conference of the British and American military governors with the German leaders in Frankfurt amounted to a "go ahead" signal for the Bonn meeting, despite the known opposition of the Russians to the creation of a separate West German state.

All of the four Allied military governors and their advisors will be in Berlin today, and this led to speculation that a new four-power meeting was in the offing here.

No Instructions Received

However, the American Military Government issued a statement saying there were no plans for such a meeting "at the present time."

"The military governors in Berlin have received no instruction whatsoever along these lines," the statement said. "Discussions still remain in the hands of the respective government."

The senior committee of the Berlin City Council said that if its conditions for resuming council sessions were not met by Friday it would "consider other measures."

Berlin's City Council Awaits Communique

1948 AUG

See Brief

Berlin, Aug. 30 (AP)—The City Council of divided and blockaded Berlin voted today to postpone meetings until an announcement is made on the Kremlin diplomatic talks and until the Russians promise police protection.

Communists broke up scheduled meetings of the anti-Communist council at the City Hall, in the Russion zone, twice last week. Russion controlled German police of the Soviet sector made no effort to quell the demonstrations.

The steering committee of the City Council said if the communique is issued from Moscow and if police protection is assured, the council will meet at 11 A.M. tomorrow.

Otherwise the meeting will be postponed until Friday. If the two conditions are not fulfilled by then, the committee said, "other measures" will be considered. This seemed to suggest a meeting in the Western sectors under American or British police protection.

New Split Looms

The Russians put a crimp in city government financing.

A restriction on tax payments and the use of tax funds in the Soviet sector was the weapon in this case.

In defiance of the Communists, the Assembly's senior committee named a five-member delegation to represent Berlin at the constitutional convention for a new western German government opening Wednesday at Bonn. Communist members of the committee walked out when the issue came up. They denounced the Bonn meeting as part of "the splitting of Germany."

Tomorrow all four Allied military governors and their political advisers will be in Berlin for the first time in weeks. The Russian and French commanders are here, the American and British are due in the city in a matter of hours. This led to speculation that a new Four-Power meeting might be in the offing here.

There was a cooling off of Communist activity, apparently in anticipation of an announcement concerning Germany from the Four-Power negotiations in Moscow.

Intensifying their pressure against the administration was an order from the Soviet commandant in Berlin that henceforth all residents of the Soviet sector will pay taxes only in the sector where they live. He further ordered that these tax funds should be used only for the benefit of the Russian sector.

The order, which will withhold some revenues from the city, appeared designed to split the city finance department. Previous Communist maneuvers have forced division of the police, food and labor departments into East and West units.

Some Co-Operation Given

This is the sixty-eighth day of the Soviet blockade of the city.

The official Socialist press published today a photostat of a note sent to a Berlin woman calling for the killing of two leaders of the city government. The note was signed "Kill Kommando."

Some degree of co-operation appeared to have been established between the rival police forces of the city, especially at the disputed sector borders at the Potsdamer Square, where the Soviet, British and United States sectors meet.

Johannes Stumm, the Socialist chief of western-sector police, said the Communist-controlled police force of the Russian sector now gave him advance notice when black-market raids are planned at Potsdamer Platz.

Criminals Exchanged

Stumm said the rival police forces also were working out an exchange of criminals who are caught after they cross sector boundaries in flight.

The Communist drive against the Berlin city government has been led by the Russian commandant in Berlin, Maj. Gen. Alexander Kotikov, who has accelerated the tempo of his attacks as the Moscow talks dragged on.

Crippled Girl Shielded From Russians

1948 AUG

Berlin, Aug. 30 (AP)—A German policeman stood guard today over a crippled girl whose custody is in dispute between the United States and Russia. He said his orders are "to keep the Russians away."

The girl, Helena Korelenko, 14, is in Catholic Hospital in the American sector of Berlin. She is of Ukrainian parentage and is in need of an operation to correct a condition caused by infantile paralysis. She has been unable to walk for two years.

Sought By Russ

The Russians, who claimed her as a Soviet national, have demanded they be given custody of the child and have offered to provide the required surgical attention. In one attempt to take her from the hospital they were turned back.

Thus far, the American authorities have refused to release her without the consent of the International Refugee Organization. She has been under the care of the Catholic welfare organization.

American officials say they are ready to negotiate further with the Russians about the child, but declined to predict when the case would be settled.

May Trace Father

American Military Government public welfare officials said later they had obtained information from the International Refugee Organization's central tracing office indicating that Helena's father may still be alive.

Previously it had been believed both her parents were dead.

Howard Studd, of AMG's public welfare branch, said the IRO report stated the father left Berlin April 24, 1945, just before the Russians took Berlin. He is believed to have brought his family here from the Ukraine.

Studd said IRO is now searching for the elder Korelenko in the Western occupation zones. Until it is established definitely whether the child has relatives, officials said, the Americans will retain custody.

Moscow Parley Won't Change Trizone Plan

Frankfurt, Germany, Aug. 30 (AP). The American and British military governors of Germany were quoted today as saying the Moscow talks "will have no influence upon the new trizonal setup in western Germany."

Wilhelm Kaisen, Bremen Senate president, said the governors, Generals Sir Brian Robertson and Lucius D. Clay, voiced this view to a meeting of minister presidents (governors) of the Anglo-American zones here today:

"Whatever the result of the Moscow talks will be—and we hope it will be good—it will not disturb our program," Kaisen said after emerging from the conference.

Plan Constitution

The American and British zones were merged economically in the first step of the program.

The next step, intended to integrate the French, British and American zones politically, will be taken at Bonn on September 1, when a parliamentary council will meet to draw up a German constitution.

The constitution to be drawn up will form the outline for what has been commonly termed "Trizonia" or a "Western German state," but the Bonn meeting is expected to avoid any limiting adjectives such as "Western."

Charter Is Sought

The Bonn conferees intend to agree on a charter that could serve as a basis for a government of all Germany. The door will be left

open to representation by Germans in the Soviet zone.

Non-Communists in Berlin will be among the delegates to the Bonn conference, even though its results may not apply in the foreseeable future to the Russian-blockaded city.

Fritz Thyssen Branded Foe of Labor at Trial

KOENIGSTEIN, Germany, Aug. 30 (AP).—A former Interior Minister of Prussia testified today that Fritz Thyssen, former German steel king, was "an outspoken enemy of the workers" in pre-Hitler Germany. Thyssen is on trial before a de-Nazification court on charges that he was a major Nazi offender.

The witness was Karl Severing, seventy-three, white-haired Social Democrat. He said he gained the conviction that Thyssen was anti-labor during a wage dispute in the Ruhr in 1928, when employers locked out about 200,000 metal workers and Mr. Severing was called as arbitrator.

"Thyssen was always named as an opponent of wage arbitration," Mr. Severing said. "For me he was the prototype of the employer who never wanted peace with the workers."

"That is a lie!" Thyssen shouted. The court president ordered him to watch his tongue.

21 Argentina-Bound Estonians In England

Plymouth, England, Aug. 30 (AP). Twenty-one Estonian refugees sailed into this harbor today on their way to Argentina and hope for freedom.

They expect to set out for Buenos Aires in their sturdy 36-foot sailing boat, the Ilmarine, which brought them from Sweden, after buying supplies.

All left Estonia for Sweden after Russians occupied their land in 1944.

One of the refugees, who requested anonymity for fear of reprisals on his family in Estonia, said: "We left our country because the Russians allowed us no freedom. One night, 14,000 men, women and children were rounded up by the Russians and sent to Siberia."

British May Send Gurney To Malay

London, Aug. 30 (AP)—An informed source said today that Sir Henry Gurney, 50, has been nominated as the new high commissioner for the Malayan Federation.

Gurney, one-time chief secretary of the Palestine Government, is now working in the Colonial Office in London.

Delay in announcing his appointment has been due to the fact that several Government departments, notably A. V. Alexander's Defense Ministry and Ernest Bevin's Foreign Office, have had to be closely consulted, the source said.

Has Departments' Okay

Colonial Secretary Arthur Creech Jones has now secured these departments' okay, the informant added, and Gurney's name has gone forward to Prime Minister Attlee's office for formal royal approval.

Gurney would take over the high commissionership from Sir Alexander Newboul, who has been acting in the post since Sir Edward Gent, recalled from the federation, was killed in an air-crash last month.

Gurney won a name for himself in British governmental circles for his uncompromising policies when he was in Palestine.

Talk Of Cunningham

There was speculation here during the past few weeks that Gen. Sir Alan Cunningham, former high commissioner of Palestine, would be offered the post, as he has been seen in and out of the Colonial Office several times.

Cunningham, however, has decided to adhere to his decision to keep out of public affairs since he quit Palestine at the end of May.

Shaw Renews Russia Plea

Second Letter to "Times" Appeals for Common Use of Words

LONDON, Aug. 30 (AP).—George Bernard Shaw wrote another letter to "The Times" today, urging again that Russia and the West agree on some definitions of the words they are using.

"The Berlin crisis is facing us with the alternatives of negotiation or war," he said in his second letter in less than a fortnight. "Negotiation is impossible unless the parties know what their words mean and express it consistently in the same words."

In his first letter he proposed a new dictionary of common words.

Schuman Scans Prospects For New Cabinet

Paris, Aug. 30 (AP)—Robert Schuman, out of office as French premier for 32 days, said today he would try to form a new cabinet.

"But," the Alsatian said as he left President Vincent Auriol's palace shortly after midnight, "I have adopted the same attitude as M. Ramadier. I am going to examine the situation first."

Ramadier, Schuman's predecessor as premier, spent all yesterday checking over his chances to form a new cabinet. He admitted at midnight he had been unable to convince either himself or French political leaders that he was the man of the hour.

France has been without a government since early Saturday, when Premier Andre Marie resigned as a result of Socialist disagreement with wage and price moves planned by his Finance Minister, Paul Reynaud.

Marie Lasted One Month

Marie, a Radical Socialist (conservative), had been Premier one month. Before him, Schuman, a Popular Republican (moderate), held the job eight months. Ramadier, a Socialist who preceded Schuman, held office ten months, although he reshuffled his cabinet once.

Political observers believed Auriol was going back over the three and if Schuman failed, Marie would get another chance.

The parties represented by Ramadier, Schuman and Marie had controlled France for two years in coalition. The purpose of the coalition was to keep the Communists on the left, and followers of Gen. Charles de Gaulle on the right, from coming to power.

Belief is growing among the people that only dissolution of the National Assembly and new general elections would solve the crisis. Three local Radical Socialist party meetings have voted for this action.

GIVES UP U. S. CITIZENSHIP

Ex-Captain Motivated by Racial Segregation in Army

PARIS, Aug. 30 (AP)—The United States Embassy said today that Arthur W. Taylor of Pittsburgh, wartime captain in a United States Army unit, had renounced his American citizenship.

Officials were unable to give any further information on the case except that the former officer, a Negro, took the oath of renunciation ten days ago in the Embassy. He is believed to have gone to Belgium, where he had been living.

It was learned from other quarters that Mr. Taylor, discharged from the Army in America and back in Europe on a passport, recently sought to enlist in the Army. In such cases the recruiting officer must send for the applicant's service records in Washington.

While waiting for this data to arrive, Mr. Taylor determined to re-enter the Army on a basis of non-segregation or renounce citizenship, it was learned.

3 Slav Officers Balked In Escape

Rome, Aug. 30 (AP)—The Ansa News Agency said today three Yugoslav officers tried recently to flee Premier Marshal Tito's country in a small boat but had to be rescued from high waves and that Yugoslav police arrested them.

The dispatch said the officers, not otherwise identified, sailed for the British and American occupation zone of Trieste from Parenzo, on the Yugoslav Adriatic coast. A fishing boat from Isola d'Istria, in the Yugoslav occupation zone of Trieste, picked them up.

U.N. Guide To Europe Recovery

Geneva, Switzerland, Tuesday, Aug. 31 (AP)—A revival of trade across the iron curtain is essential to European recovery, said a survey published today by the United Nations Economic Commission for Europe.

In a detailed analysis, the commission's research division indicated how economic co-operation between the under-developed countries of Communist Eastern Europe and the highly developed countries of Western Europe might benefit both sides and eventually help to overcome Europe's economic crisis.

The 10,000-word survey was prepared under the direction of a Hungarian-born British economist, Nicholas Kaldor.

Standards Would Drop

Without a reference to political issues, the survey said that if the West materially would assist the industrialization plans of the East with heavy machinery and manufactured goods, the East could eventually supply more than one fourth of the West's total import requirements in food and raw materials and more than all the West's prewar imports of wheat.

On the other hand, unless the countries of Europe increase their industrial production and reconstruct their foreign trade to the bast advantage, the survey said, Western living standards will drop even below their present level.

The survey divided the countries of Europe into two groups, one with highly developed industries, the other still in the process of industrial development.

Coincidence Ignored

The fact that the division of the two groups is almost identical with the ideological cleavage of Europe was ignored.

The Western group includes Britain, France, the Benelux counutries, Scandinavia, Switzerland, Italy and Germany.

The Eastern group includes the Soviet Union, Yugoslavia, Poland, Romania, Bulgaria, Czechoslovakia, Hungary and Finland.

The main problem of the Western group, the survey said, is the deficit in its balance of payments, especially with the dollar sphere. The main problem of the Eastern group, it said, is how to achieve the most rapid industrialization possible.

"Largely through an intensification of trade between the East and West of Europe," the survey declared, "could the twin objective of a reduced dependence on overseas supplies for food and rw materials and the optimal development of European resources best be facilitated."

Export Machinery, Fertilizer

The report contended that exports from East to West, at present well below their prewar level, could be fully restored within a few years if Western Europe could expand export of machinery and fertilizers, at present also below half their prewar level, to satisfy the requirements of the Eastern industrial plans.

At the same time, successful industrialization of the East would stimulate Eastern import requirements from the West far beyond prewar levels, in a constantly rising trade spiral, it said.

The demand for increased production and consumption, the survey said, is greatest in Eastern Europe, which before the war "most conspiculously lagged behind other countries in economic progress." In addition, it said, the East suffers from an excessively high rural population which hinders rather than helps agricultural production and will have to be largely absorbed in the new industries.

Source Shift Imperative

The West could play a vital role in this process, the survey said, simultaneously finding an outlet for manufactured goods, machinery and equipment, and building up great new sources of food and raw materials, without meeting difficulties in balancing trade between the two areas.

From the point of view of the West, the survey said, major shifts in Western Europe's sources of imports will be imperative, unless American financial aid continues indefinitely.

Basing its conclusions on estimates of the Marshal plan organization for economic co-operation, the survey said that by 1951, when American aid ends, Western Europe's maximum dollar earnings would be $5,000,000,000 a year, while the West's total import requirements would be over $14,000,000,000.

$4,000,000,000 Minimum

In the absence of further American aid, a balance of $9,000,000,000 worth of imports would have to be drawn from outside the dollar area unless living standards were to suffer a serious decline, it said. Taking into account the potentialties of all possible non-dollar sources, Eastern Europe must supply exports to the West to a minimum value of $4,000,000,000, it said.

Yet in 1947, the West's imports from the east totaled only $800,000,000 in value, or nearly $2,000,000,000 below the prewar volume calculated at 1947 prices.

In 1947, the West received less than 10 per cent of its prewar volume of grains, meat and other foodstuffs from the East. Petroleum exports dropped to 17 per cent and timber to 40 per cent of the prewar level. The general decline was aggravated by the elimination of Germany as the dominant trading country of the continent.

33% Machinery Exports

Conversely, exports of machinery from West to East in 1947 were 33

AUG 1948

30.24- 20073

per cent of the prewar level.

The survey said the East could increase its bread grain production by 12,000,000 tons a year. Such an increase would exceed the total prewar imports of all the Western countries.

A revival of trade between East and West Europe would be "one indispensable element" in the solution of Europe's economic problem, the survey said, but added: "In no sense is this approach exclusive. It is clear that Europe cannot find a complete solution to its problem within its own boundaries."

The United States and all the countries of Europe except Spain have been invited to a conference opening here Sept. 27, at which the problem will be discussed behind closed doors.

The survey will form a basis for the discussions, together with secret recommendations regarding possible action made by the commission's executive secretary, Professor Gunnar Myrdal, of Sweden.

Catholics Decry Czech Curbs

Prague, Aug. 30 (AP)—The Roman Catholic Church has appealed to the Czechoslovakian Government to respect promises that freedom-of-religious activity will not be interfered with.

The appeal was reported made in an Episcopal letter issued by Msgr. Josef Beran, archbishop of Prague. It was sent to the Government and read from pulpits in the Prague diocese yesterday. Responsible church officials refused to release copies to the foreign press, however.

Persons who attended church services said the letter was an appeal to the Communist Czech Government to respect its promises to the church. The letter said the church is willing to abide by the laws of the State but asked that the State in return respect the laws of the church.

Friction Develops

Friction between the Catholic Church and the state—along the familiar lines of such friction in Communist countries—has been developing since the Reds took over the Government last February.

Two main points have been at issue. One is participation of Catholic priests in political activity. This has been forbidden by the church. The other issue is on church schools.

Father Josef Plojhar defied the church ban on political activity and remained in his post as health minister. It was disclosed on July 28 that Father Plojhar had been suspended as a Catholic priest.

Red Press Protests

The suspension precipitated a campaign in the Communist-controlled press calling the action unjust and demanding that the suspension be revoked.

Church schools in Slovakia were put under state control by the Slovak National Council immediately after the war. No such action was taken in Bohemia and Moravia at that time.

The Vatican recently released a letter in which Monsignor Beran protested that the Czech Government was not keeping its promises for Catholic education. There has been no announcement, and officials will not comment, on the possibility church schools in Bohemia and Moravia will not be allowed to open this fall.

Monsignor Beran's letter to the Minister of Justice said, however, the Government was making plans which make the existence of Catholic schools in Czechoslovakia impossible.

"In such circumstances," Monsignor Beran said, "it is very difficult to believe in promises and it appears vain to continue negotiations between the Ecclesiastical Commission and the Central Action Committee of the Czechoslovak National Front."

BENES REPORTED ILL

PRAGUE, Czechoslovakia, Aug. 30—(AP) A communique said tonight former President Eduard Benes has been critically ill for a week, but has taken a turn for the better.

The communique was signed by three doctors and was distributed by the Czechoslovak press agency.

It said Benes, now 64, suffered a relapse in his chronic ailment, but has shown distinct improvement in the past 24 hours. The nature of his ailment has not been announced.

Benes, who resigned the presidency in June, has had several serious illnesses in the past year.

Russians Free G. I. in Austria

VIENNA, Aug. 30 (AP).—Private First Class Marvin Ayers, of Los Angeles, has been returned to American authorities after sixty hours in Russian custody, it was learned today. He was handed over at Linz yesterday afternoon. He was arrested Wednesday after crossing into the Russian zone in an Austrian taxi.

Co-Operatives To Take Large Hungary Leases

Budapest, Aug. 30 (AP)—Hungarian land holdings exceeding specified acreages will be taken over by land-lease co-operatives, the Government announced Sunday.

Under the new order, leaseholds exceeding 25 acres, or five acres leased by an "artificial person" (corporation or society) or by someone who has another means of livelihood, will be taken over.

Matyas Rakosi, Deputy Premier, announced in a speech August 20 the regulation would be designed to prevent rich farmers from enlarging their acreage.

GREEK VITSI GAIN REPORTED

Front Dispatch Says Army Reaches Main Peak

AUG 1948

Athens, Aug. 30 (AP)—A front dispatch said today Greek Army troops had driven the Communist-led guerrillas from heights on the northern sector of the Vitsi Mountains and had reached the main peak itself.

There was no official confirmation from the high command, which is directing an offensive against the last sizable area of northern Greece that Guerrilla Leader Markos Vafiades can claim for his so-called "Free Greece" Government.

5,000 Rebels Escaped

The Army disclosed that Maj. Gen. Demetrios Laios was relieved of his command over the 15th Division. He had been criticized for failure to close a trap in the recent Grammos Mountain campaign. He was replaced by Maj. Gen. Christos Yaraknis.

Vafiades irregulars hold an estimated 230 to 250 square miles in the Vitsi triangle, north of Grammos. They are believed to have eight brigades, six of them badly depleted. They hold about 22 square miles in the Vitsi mountain area proper.

The army hopes to capture in the new offensive many of the 5,000 guerrillas who escaped from the Grammos sector.

Some 16,000 Communist troops are believed left in the entire country after 4,000 were killed or captured in the two-month Grammos operations.

Greeks Oust General In Delayed Offensive

Athens, Aug. 30 (AP)—Maj. Gen. Demetrois Laios, who failed to close a trap in the Grammos mountains offensive, was relieved today of command of the 15th division. Maj. Gen. Christos Yarakinis replaced him.

The army is preparing to spring another offensive shortly north of the Grammos in the Vitsi sector, where borders of Greece, Albania and Yugoslavia meet. The Communists under Markos Vafiades hold between 235 and 250 square miles in the Vitsi triangle and about 22 square miles in the Vitsi mountain area proper, the General Staff estimated.

Munitions Seized

A staff spokesman said booty captured in the Grammos victory this month included four 75-millimeter artillery pieces, 93 mortars, 150 machine guns, mostly Italian; 197 submachine guns, 75 Tommy and Sten guns, 1,700 grenades, 4,100 mortar shells, 3,300,000 cartridges, 800 rifles, 33 radio receivers and transmitters and various other material.

Authoritative military sources said some machine gun ammunition captured was of 1946 British manufacture. One Athens newspaper suggested that "fellow travelers in the British capital" supplied it to Vafiades and asked that British explain.

Finnish Communists Meet

HELSINKI, Aug. 30 (AP).—The Finnish Communist party began a week-long meeting today to decide whether to join the Cominform (Communist Information Bureau). Rumors persist in Helsinki that the party is ready to join. Party headquarters have denied these reports. A party official told news men today the question has not been discussed, but is due for action before the end of this week's session.

Three Envoys Again Confer In Kremlin

AUG 1948

Moscow, Aug. 30 (AP)—The three Western envoys conferred at the Kremlin about two hours today. United States Ambassador Walter B. Smith announced further conferences will be held.

Smith said there would be no communiqué tonight on the results of the East-West discussions.

The Westerners conferred with Soviet Foreign Minister V. M. Molotov. The British and American representatives met later at the United States Embassy.

Vishinsky Is Present

Deputy Foreign Minister Andrei Vishinsky and the head of the European section of the Russian Foreign Office also attended the talk in the Kremlin. The session today was the shortest since the current conversations on blockaded Berlin and Germany began a month ago.

This was the first time all three Western diplomats have not conferred together after emerging from the Kremlin. Obviously, the French Government crisis was having some effect on French Ambassador Yves Chataigneau, who absented himself from the meeting at the American Embassy. The talks after the Kremlin meetings usually have been devoted to drafting messages to the Western capitals.

It was the ninth in a series of meetings since July 30. Strict official secrecy has been maintained from all four capitals.

Communique Is Due

An authoritative source indicated this morning that developments were likely today in the negotiations. It was learned on excellent authority yesterday that prospects appeared good for an agreement this week on procedure and the issuance of a four-power communique detailing the nature of the agreement.

The plan is that such a communiqué would be issued simultaneously in Moscow, Washington, London and Paris.

All the Western envoys appeared in good spirits today, the Soviet capital itself was wet, cool and gray.

Appear At Office Late

With the latest instructions from their respective home capitals in hand, the Western envoys appeared at their offices later than usual today and stood by for a call to the Kremlin.

The envoys relaxed last night for the first time in a long while. Smith and British special envoy Frank Roberts saw a movie at Spasso House, Smith's residence. Chataigneau spent a social evening with friends at his embassy.

Phrasing Called Only Obstacle As New Kremlin Talk Is Held

By EDDY GILMORE

Moscow, Aug. 30 (AP)—Another East-West meeting was held in the Kremlin today and an authoritative source said the only bar to a procedural agreement on the Berlin crisis was insistence by a western power on technicalities and phrasing.

Today's two-hour meeting was the ninth since July 30 and one of the shortest on record. Representing the Soviet Union were the Foreign Minister, Vyacheslav M.

Molotov, and his deputy, Andrei Y. Vishinsky.

The French political crisis was reported to be having some effect on the conversations.

French Envoy Delayed

Yves Chataigneau, French Ambassador, did not join Ambassador Walter Bedell Smith and Frank Roberts, special British envoy, in a post-Kremlin conference at the American Embassy until 35 minutes after it began.

The conferences are devoted to drafting messages and recommendations to Washington, Paris and London.

Chataigneau stayed for only twenty minutes, then left Roberts and Smith still in conference.

Delays 4-Power Communique

The Western powers were reported very close to agreement on how to go about the problem of dealing with the Berlin situation. This did not mean agreement had been reached on the issues involved.

The authoritative source did not name which of the Western powers was insisting upon the technicalities and phrasing.

The informant added that this insistence, which has been evident on several occasions, is the only thing that is postponing a four-power communiqué on the talks. None is likely until agreement is reached.

There is a good chance of agreement this week, the source said.

Full reports on today's meeting were being sent to the western capitals tonight. It was hoped that replies would be forthcoming tomorrow so a request can be sent quickly for still another talk at the Kremlin.

Smith In Good Humor

Smith was in good humor and more communicative than usual. He said "as far as we know there will be more meetings." Asked about a communiqué, he replied "no, not tonight."

Smith left the American embassy for his Spasso House residence around 9 P.M., but Roberts remained behind for additional talks with Smith's advisers. Smith had been in conference with Roberts for about an hour.

Today's Kremlin conference ended at 7 P.M.

RUSSIANS GET RIGHT TO HOME

But How To Have It Built Remains A Problem

THOS. P. WHITNEY

Moscow, Aug. 30 (AP) — Soviet citizens received the pleasing news today that they have been given the right to build and own homes up to five rooms in size.

The right of home ownership was conferred upon them in a special decree from the Presidum of the Supreme Soviet—the executive body of the parliament.

The action raised the prospect of suburban additions of individual homes in cities throughout the Soviet Union, but an immediate question for the prospective home owner was:

How am I going to get it built?

Plots To Be Available

There are no private contractors to do the job in the Soviet Union, since private enterprise on an individual basis is illegal in this socialist state.

Land was no special problem, since a decree of the Council of Ministers (cabinet) ordered municipal and rural governments to make plots available "in eternal use" for home builders. A nominal rental will be charged for the plots.

Despite the lack of private contractors, several ways exist for the prospective home owner to realize his goal.

He can build it himself. He can get the aid of individual carpenters, bricklayers and plumbers, and buy his materials through state retail outlets.

Prefabricated Possibility

It is possible that home building co-operatives may be organized. These would handle the home job on a contract basis.

It's also possible that prefabricated homes will go on sale in Soviet retail stores, with the price including the cost of erection.

The five-year plan adopted in 1946 had as one of its goals the building of prefabs to be sold in retail stores. Factories are turning out prefabricated houses now.

Issuance of the new law indicates the Soviet Union is going ahead with a program of sponsoring building of individual small homes and the Government will probably establish organizations for assisting the individual builder.

Of A Standard Type

The decree provides that the homes may be placed either inside or outside city limits. They can be one or two-story homes, with up to five rooms. They must be of a standard type.

Land plots will vary from about 1,000 to 2,000 square feet in the cities and from 3,000 to 4,000 square feet in rural areas.

Land areas for Soviet home builders will come from city or state land funds. Their use for individual home building must fit in with city plans.

A clause in the Soviet Constitution guarantees the property right of citizens in their homes and the new laws were seen as corresponding to the constitution.

Up to the present, however, there has been no regular way in which a citizen could go to his local government and apply for land to build a house.

Russ Get Right To Own Homes

Moscow, Aug. 30 (AP)—A special decree of the Presidium of the Supreme Soviet today gave every Russian citizen the right to build and own a home. T.P. WHITNEY

At the same time, a decree of the Council of Ministers of the U.S.S.R. ordered municipal and rural governments to make available to citizens desiring to construct their own homes land plots "in eternal use."

The one problem now is how to get the house built. There are no contractors to whom the Soviet citizen can turn, since private enterprise on an individual basis is illegal in this Socialist state.

Construction Methods

There obviously are going to be several ways of getting homes built, of course.

1. The citizen can build the house himself, getting help from private individuals — carpenters, bricklayers, plumbers—and purchasing the materials from State retail outlets.

2. It is entirely possible that homebuilding co-operative organizations will be formed to which the prospective homeowner can turn for assistance.

3. Within the next year it is probable that prefabricated houses will go on sale in Soviet retail stores with the price probably including erection costs.

In any event, it appears that the new decrees by the Presidium and the Council of Ministers are intended to get Russian citizens into private homes and therefore the Government probably will do something about seeing that they get built.

Home Specifications

The decree provides that the homes may be of one or two stories, up to five rooms. The amount of land to be allotted, according to the decree, would be from 350 to 700 square yards in cities and from 800 to 1,400 square yards in rural areas.

The land areas to be set aside must come from city or state land funds and their use for individual home building must fit in with city plans. The land is to be given the builders free but they are to pay an annual rental.

Such land rental exists at present for owners of individual homes and summer homes and are—presently, at any rate—not high.

The new laws, giving citizens the right to build and own their own homes as private property correspond with a clause in the Soviet Constitution, which gives citizens this right.

Up to the present, however, there apparently has been no regular and systematic way by which any citizen could acquire land.

War Threat Seen

Nanking, Aug. 30 (AP)—The official Chinese Army newspaper today warned the world that civil war in Korea is impending.

The newspaper said such a conflict would be dynamite to Far Eastern peace efforts and prove a test tube for the United Nations.

Chinese Communist forces in Manchuria may pitch in and help North Korean Communists in an attack on the South Korean republic, a competent Defense Ministry source said.

The official Central News Agency reported from Seoul that more than 1,000 Koreans had been arrested for pushing the North Korean Communist election in the American occupied zone.

Russ Threaten 'To Destroy' S. Korea

AUG 1948

Seoul, Aug. 30 (AP)—The Russian puppet regime in North Korea, in a broadcast intercepted by the United States Army and made public today, threatened "to destroy" the elected government in American-occupied South Korea.

The broadcast from Pyongyang, headquarters of the Soviet occupation zone, was the first picked up since an election in North Korea August 25 for a Supreme Peoples' Council.

Heaps Abuse

It heaped abuse on the Korean republic in South Korea, which was an outgrowth of United Nations-observed elections in the United States occupation zone May 10, and then said without elaboration:

"We have elected our representatives to the Supreme Peoples' Council to destroy these treacherous traitors. Each of our election cards will turn into bullets to destroy the puppet government of south Korea when the central government of Korea is established."

Announces Chairman

The broadcast announced that Kim Il Sung, chairman of the peoples committee in north Korea, had been elected to the Supreme Peoples' Council.

Earlier, the United States Army announced that a survey showed twenty-four political slayings in South Korea during August. The figure was the smallest for any month thus far this year. Communist-led or inspired outbreaks have cost 937 deaths, the slayings reaching a peak of 333 during May when the elections were held.

Of the eighth-month total, 510 of those killed were Communists, 315 were Rightists and 112 were policemen.

Korea Civil War Possible, Hodge Says

Honolulu, Aug. 30 (AP)—Lieut. Gen. John R. Hodge, retiring United States commander in Korea, conceded today there is a possibility of civil war in the split country. Jack Emerson

He added that he thought South Koreans would resist any Communist invasion attempt from Russian-controlled North Korea.

Hodge, en route to Washington for reassignment after three years in Korea and war duty in the Pacific, arrived here in Gen. Douglas MacArthur's personal plane, Bataan. He was informed en route that his 85-year-old mother, Mrs. Melissa Hodge, is seriously ill at Carbondale, Ill. The General will arrive at Fairfield, Cal., tomorrow in a C-54 that awaited him here.

Government Holds Key

Hodge expressed the opinion that North and South Korea might eventually be united. It depends, he said, on the success of the new South Korean Government.

"South Koreans," he said, "are pretty well clear of any love for Communists. They have found for themselves who they (the Communists) are for and for whom they are working."

The Russians in North Korea, he continued, "helped us a lot" in strengthening the American position. Communist action in cutting off electric power for South Korea and in slayings during the United Nations-supervised elections in May produced great good will for Americans, he said.

Hopes For Accord

Hodge said there was evidence of growing enthusiasm among the population in the Russian controlled zone for democratic operation of a provisional government in South Korea. But he said it would be wishful thinking to expect that popular sentiment in North Korea could achieve union with the South Korean Government under the present circumstances.

The general observed, however, there is a chance the Russians may yet agree to a united democratic Korea.

"Russia has demonstrated six political changes of heart," He said without further elaboration. "Russia might decide to quit pushing so hard and give a little."

AUSTRALIAN GIFT TO GO TO BRITAIN

AUG 1948

Canberra, Aug. 30 (A. P.).—Prime Minister Joseph B. Chifley said tonight the new Australian budget will carry a £10,000,000 ($32,300,000) gift to Great Britain.

He expressed keen interest in the discussion among the United States, Great Britain and other European Recovery Program countries in the distribution of dollar aid.

"Many of the European participants of ERP aid are, however, practically as short of sterling as of dollars and it has become urgently necessary to find means of financing their sterling deficits so they may maintain their purchases from the sterling area."

30.24- 20075

Chifley said.

"These purchases largely comprise raw materials, including wool. With this object in view, the British Government also is engaged in discussions with representatives of ERP countries and the United States.

"Australia stands to benefit from any measure which assists external buying power of European countries because of the important markets we have there. As a member of the sterling area, Australia is therefore vitally interested in the outcome of present discussions.

"Over and above the burdens carried by Britain during the war and the loss sustained by her war effort, she played a foremost part in stimulating European recovery. Despite her losses of investment and trade, she supported a number of European countries which have been critically short of sterling. Last year Australia had a favorable balance of payments and an increase in London funds.

"Accordingly the Government decided to make a gift which will afford Britain a measure of assistance in the burden she is continuing to carry."

area in the Holy City.

The General said observers will see that the arrangement is respected and if troops of either party enter the neutral zone "I will consider this a violation of the truce and refer it to the Security Council."

Cezar Orti, Lundstrom's press attaché, said the withdrawal of troops from both sides of the area was to be effected today. All war equipment and installations are to be withdrawn or destroyed.

Quiet Day In Palestine

In Jerusalem, where several previous United Nations attempts to make the Jews and Arabs withdraw from the Red Cross zone failed, yesterday was reported to have been one of the quieter days of the second truce. The American consulate, close to the front lines, reported it had not heard a shot all day.

Jewish Jerusalem will receive rations of gasoline tomorrow for the first time since the beginning of the fighting. Kerosene rations also will be increased as a result of an agreement with the American Socony Vacuum and British Shell Oil Companies to bring fuel to the city.

An official source said a group of United Nations observers was fired on by Arabs yesterday when they approached two points in the Holy City contested by Jews and Arabs. There were no casualties.

In Stockholm, Bernadotte's office announced that a United Nations plane in which two truce observers were killed Saturday was flying over an Egyption-occupied area of Palestine without clearance and was in the wrong air corridor.

Regrets over the deaths of Lieut. Col. Joseph Queru, 50, and Capt. Peirre Jaennel, 26, both French, were sent by the Egyptian Defense Minister to Bernadotte's representatives in Cairo. United Nations observers on the ground in the area said the plane's United Nations markings could not be seen and that they believed the plane was Jewish.

Red Cross Sector

JERUSALEM, Aug. 30 (AP)—No changes were reported early tonight in the respective Israeli and Arab positions in the disputed Red Cross area west of the former Government House in Jerusalem. Thus far, neither Egyptian nor Israeli troops have withdrawn from their established positions.

Well-informed sources said that United Nations observers in Jerusalem were not aware of any agreement whereby the opposing forces would withdraw.

[Gen. Aage Lundstroem, Chief of Staff for United Nations Mediator Count Folke Bernadotte, said Sunday in Cairo that Israeli and Egyptians had agreed to withdraw Monday from the Red Cross area.

[A Red Cross spokesman in Amman, Trans-Jordan, said that the Israeli had evacuated the Red Cross security zone of Jerusalem at 12 noon Monday. The spokesman said also that Arab forces would withdraw Monday night from the area in the presence of United Nations observers. He did not disclose the source of his information.]

The disputed zone comprises Government House, a Jewish agricultural school for girls and an Arab college.

An official Israeli source said tonight that a party of United Nations observers, including one American and two Belgians, had came under Arab shellfire today. No one was injured.

Sniper's Bullet Wounds U.S. Aide In Jerusalem

Jerusalem, Aug. 30 (AP)—James Lide, of Camden, Ark., an employé of the United States Consulate General, suffered a slight flesh wound on the one leg from a sniper's bullet today.

About ten minutes after Lide was hit, a Jewish woman was wounded seriously by sniper fire at the same place. Jewish sources said the area was frequently under fire from Arab riflemen on the walls of the Arab-held Old City.

Lide was on his way to work with two other consulate employés, Frank Dzauis, of Worcester, Mass., and B. H. Steely, of Joplin, Mo. His injury is not serious and he may return to work tomorrow.

The shooting occurred near the point where United States Consul General Thomas C. Watson was shot to death May 22. It brings to seven the total number of casualties in the American consular staff here since the war over partition of Palestine officially began May 15.

ters connected with Republican offices or Republican officials in Dutch-occupied areas."

Legitimacy Challenged

"The Republican Government," it said, "challenge the legitimacy of any Federal interim government created outside the negotiations under the auspices of the United Nations Good Offices Committee."

[This was a reference to the interim N.E.I government set up under Dutch sponsorship March 9. The republic was invited to participate, but the setup was such that it would be only one among the several states represented.]

The communiqué said Republican offices in Batavia were based on rights recognized before Dutch forces regained control in Batavia after the Japanese occupation.

"Pledge Was Broken"

"Dutch forces pledged themselves not to dispute or break down the *status quo*," it said. "The pledge was broken flagrantly by the Dutch July 21, when Republican offices in Batavia were seized by Dutch forces."

The communiqué said the truce agreement reached under United Nations auspices aboard the United States Navy transport Renville, was intended to be recognition of the *status quo* not only in a military sense, but also in a political sense.

The expulsion was declared to be "a grave breach of the Renville agreement."

Is Re-entered—Parliament Will Convene Today

AUG 1948

RANGOON, Burma, Aug. 30 (AP)—The Government announced today the recapture of Thayetmo, petroleum center held by rebel forces since Aug. 10.

Members of Burma Rifles battalions had mutinied, seized the Rangoon, and then advanced southward in an attempt to overrun Rangoon and establish military rule. Government forces, with air support, launched their all-out effort to recapture Thayetmyo Saturday.

The fort, in which the rebels had established headquarters, was strafed by planes, and heavy casualties were reported.

The Burmese Navy participated towns, about 200 miles north of yesterday in four actions against Communists hiding in the Delta districts of Myaungmya and Bassein, center of the rice industry. A communiqué said that many Communist camps along the river banks were wiped out. It also told of Government action against rebels at a village a mile from Dalla, on the river directly opposite Rangoon.

Force Is Ambushed

The communiqué said the situation in the Tharrawaddy district north of Rangoon was improving, but that a Government force was ambushed at the Minbu oil fields near the Irrawaddy River some 250 miles north of Rangoon. The rebels, who fled to the jungle when the troops returned their fire, are being rounded up, the communiqué said.

A battle was reported between insurgents and Government forces at Pyu, 140 miles from Rangoon on the rail line to Mandalay.

A military camp there apparently was the objective of the Communist-led rebels, who were beaten off.

A communiqué said that the insurgents cut off Pyu from Toungoo, forty miles above, before the attack by destroying telephone and telegraph lines and tearing up rails to prevent the arrival of reinforcements.

The attack was launched behind the cover of a mail train, the communiqué said. Government troops hurried to the scene and the insurgents fled after a stand-up fight, the bulletin added.

Premier Thakin Nu's "caretaker" Government is to end its current term of office tomorrow, when the Parliament of Communist-beset Burma meets.

The Cabinet resigned on July 20

Agreement Is Reached For Peace In Jerusalem

Cairo, Aug. 30 (AP)—Jews and Egyptians have agreed to proposals for bringing peace to the neutral areas of Jerusalem.

The announcement was made last night by Swedish Gen. Aage Lundstroem, chief of staff for United Nations Mediator Count Folke Bernadotte.

The agreement came on the eve of a special session of the Security Council at Lake Success to discuss the situation in the Holy Land.

Egypt's Stand Reported

[Stopping at Beirut en route to Damascus, Landstroem said later that Egypt also has agreed conditionally to allow convoys from Tel Aviv to pass through Egyptian lines to relieve isolated Jewish settlements in southern Palestine. The places have been supplied by air since Egyptian troops have been on the highway under truce terms.]

Reported Terms

Lundstroem said both the Jews and Egyptians had agreed on a proposed arrangement for the neutral zone surrounding the Red Cross

Amman, Trans-Jordan, Aug. 30 (A. P.).—A Red Cross spokesman said Israeli forces evacuated the Red Cross security zone of Jerusalem at 12 noon today and withdrawal of Arab forces will be effected in the presence of United Nations observers tonight.

Announcement of the evacuation agreement was made last night by Swedish Gen. Aage Lundstroem, chief of staff for Count Folke Bernadotte, the United Nations mediator. Lundstroem said observers will see that the arrangement is respected and if troops of either party enter the neutral zone, "I will consider this a violation of the truce and refer it to the Security Council."

Dutch 'Ousters' From Batavia Under Fire

AUG 1948

Batavia, Java, Aug. 30 (AP)—The Indonesian Republic objected formally today to a Dutch decision to expel Republican officials from Batavia, the capital and chief trade mart of the Netherlands East Indies.

A Republican communiqué said the Republic "denies the right of any Federal interim government to enforce any decision on any mat-

and the Premier said he made the decision to step out after taking a religious vow. President Sao Shwe Thaik persuaded him to remain in office until the sixth session of the Parliament convened.

Because the rebellion has made travel uncertain, specially chartered airplanes have been sent into the hinterland to fly members of Parliament to the meeting.

Political sources forecast that Thakin Nu would be elected Premier to succeed himself. Otherwise the choice might be Lieut. Gen. Smith Dun, the highest ranking military officer in Burma.

If Thakin Nu retains office, observers expect that his new Cabinet will include all its present members. There are five vacant portfolios to be filled.

To Hold Foreign Post

The Shan chieftain, Sao Hkun Hkio, is expected to become Foreign Minister, a job he holds now in an "acting" capacity. Maj. Gen. Ne Win, who led a nation-wide campaign against bandits last year, is expected to become Defense Minister.

The Communist rebellion has beset the Government of the newly independent country for several months. Communists spilling into Burma from China are believed to be mainstems of the revolt, along with deserters from the armed forces. Thakin Nu said last week that 5 per cent of the armed forces had mutinied. Other estimates have ranged as high as 30 per cent.

The Communist aim in Burma, and in near-by Malaya and Indonesia, is believed to be a slowing of exports of rubber, tin, oil and other strategic materials to stockpiles in the United States and Western Europe.

U.S. DRAFT CALL FOR NOVEMBER PUT AT 10,000

Army Sets Its Quota as 25-Year-Olds Begin Registration

AUG 1948

First Baltimore registrants under peacetime draft law seem to be indifferent.....*Page 3*

Washington, Aug. 30 (AP)—The Army started draft calls today right along with the beginning of registration, asking 10,000 men for November induction.

They are all for the Army—the Navy and the Air Force said they are getting enough volunteers so far to fill their ranks.

The army is expected to call later for another 10,000 to be sworn in in December, with quotas rising gradually to a maximum around 30,000 a month.

Notice of the first monthly call went from the Munitions Board to selective service headquarters while men aged 25 were filling out their first forms in thousands of draft board offices over the nation.

Other Groups To Sign Up

That is the oldest group subject to registration and draft, and it will be the first one sifted for service eligibles. It consists of men born in 1922 after August 30.

Younger groups, by age, will register later, starting tomorrow and Wednesday with those born in 1923. The last group, 18-year-olds born in 1930 before September 19, will visit draft boards September 17-18.

After that youths reaching the age of 18 must register within five days of their birthdays.

Nobody is to be actually inducted, however, until he is 19.

The start of registration brought scattered reports of anti-draft picketing, but for the most part there was little grumbling.

Pelted With Tomatoes

Three pickets were arrested in Boston after a fracas in front of selective headquarters in which they were pelted with tomatoes. Two of them were wearing "Wallace for President" buttons.

In New York city Col. Chandler Cobb, city selective service director, met a mixed group of white and Negro pickets at a midtown registration station. They carried anti-segregation placards protesting the army race policy. At another New York registration center the pickets' cards protested the draft as "the Hitler and Stalin way."

James Forrestal, Secretary of Defense, announcing the Army's first call under the new peacetime draft law, said the Navy and Air Force do not expect to need any draftees in this fiscal year, ending June 30, 1949.

Credit For Men In Service

Selective service headquarters will break the 10,000-man call down into state quotas. State headquarters in turn will make local breakdowns for the various boards. That will be the system on later calls too.

Each state is to be credited, in figuring its draft quota, with the number of men it already has in the armed services. The Army, Navy and Air Force now are making up actual figures for that computation but for the present the quotas will be set by estimate.

Today's announcement from Forrestal said registrants will have a minimum of 21 days "to permit adjustment of personal affairs," between notification that they have passed preinduction examinations and their actual entry into the Army.

Text of Draft Call Issued by Army

AUG 1948

WASHINGTON, Aug. 30 (AP)—Following is the text of the Army's draft call today:

The first call under the Selective Service Act of 1948 is for 10,000 men to be inducted into the Army during November, 1948.

The call, transmitted to the Selective Service System by the Munitions Board today, includes no request for inductees by the Navy or the Air Force.

Because of their smaller expansion requirements it is not contemplated that the Navy or the Air Force will call for inductions through Selective Service during the fiscal year 1948-49.

Secretary of the Navy Sullivan and Admiral Louis E. Denfeld, Chief of Naval Operations, in testimony before Congressional committees, expressed confidence that the Navy would meet its expand- volunteer enlistments through the ed personnel authorizations by current fiscal year. Volunteers in July totaled 18,522 and the Navy suspended recruiting on July 23 for the remainder of the month. For August and September a ceiling of 8,000 recruits a month has been established by the Navy in order not to exceed the expansion authorized for the first quarter of the current fiscal year.

Voluntary Enlistment for Air

Secretary of the Air Force Symington also stated at Congressional hearings that the Air Force believes it can maintain its planned strength through voluntary enlistments.

The Munitions Board has been designated by Secretary of Defense Forrestal to coordinate, consolidate and transmit all calls made by the military department for manpower to be procured through the Selective Service System.

Arrangements have been made for the collection and transmission to Selective Service of data concerning the home addresses of all persons enrolled in the armed forces.

Under the Selective Service Act, quotas of men to be inducted into the armed forces must be adjusted by the Selective Service System to give each state and territory and their subdivisions credit for persons already in military service. The gathering and collection of these data by the Military Department is now under way. In the meantime, the law authorizes the Selective Service System to estimate these credits.

The call for 10,000 inductees for the Army, issued today, will be broken down into state quotas by Selective Service National Headquarters and transmitted to State Headquarters, which in turn will allocate state quotas among the various local boards.

Oldest to Be Called First

Men 19 through 25 years of age who begin registering today under the Selective Service Act will be called for induction in the order of their birthdates, beginning with those in the oldest age bracket.

Registrants who are not exempted by law or deferred for occupational or dependency reasons will be given pre-induction physical and mental examinations at joint induction stations to determine acceptability for military service. They will then return to their homes to await notification by their local boards.

Calls for induction will be made from established lists of acceptable registrants. To permit adjustment of personal affairs, registrants will not be called sooner than twenty-one days after notification of acceptability. The local board will order the acceptable registrant to report at the nearest joint induction station, where he will be given a rapid physical inspection. After induction, the Army inductee will be shipped to the training division nearest to his induction station, where he will report to the receiving station of the processing center.

Upon completion of processing, the Army inductees will be separated into planned groups for training and assignment. Some of the non-prior-service inductees will be sent to combat units in the zone of the interior for basic training, completion of processing and service. The others will receive eight weeks of basic training and completion of processing at the training center.

Assigned to Various Units

After completion of requirements at the training center, inductees will be assigned in accordance with directives from the Department of the Army to: Zone of Interior combat units; zone of the interior service units; overseas units; schools.

Men between the ages of 19 and 26 who are selected must serve twenty-one months in the regular armed forces, during which time they may be required to enter an inactive reserve component for five years, or as an alternative they may elect to extend their active service for one additional year or to enlist in an organized unit of a reserve component—including the National Guard—for three years.

Men between the ages of 19 and 26 who wish to volunteer for service in the Army may enlist for twenty-one months and then also may discharge their full military obligations under the act in the same manner as an inductee under the act. However, if a registrant liable for draft wishes to discharge his military obligation in the Regular Navy or Air Force, he must enlist for three years, as neither the Navy nor the Air Force is now calling for inductees under Selective Service, and neither is accepting enlistments for less than three years.

'SALLY' WITNESSES COMPLAIN OF COST

'Better Off Financially' When Prisoners, Say Ex-GI's

AUG 1948

Hunt for witnesses delayed two treason cases.....*Page 3*

Washington, Aug. 30 (AP)—A group of ex-GI's carried to Capitol Hill today their complaint that they were bettr off financially as German war prisoners than as witnesses in the Axis Sally treason case.

Specifically, they complained, they can't live in Washington on the $5 a day allowed by the Justice Department for food and board for witnesses.

Three of them who said they spoke for approximately twenty former war prisoners subpoenaed as witnesses in the grand jury investigation now in progress asked Representative Andrews (D., Ala.) to do something about it.

New Yorker Estimates Losses

They were W. R. Chestnut, Phoenix City, Ala., Alan Tappenden, Marquette, Mich., and Michael Evanick, New York city.

Evanick estimated that it is costing him about $20 a day to be a withness. Not only is he losing his daily pay from his regular job, he said, but he is digging into his own resources to meet Washington living expenses not covered by the $5 allowance.

"We are crowded into boarding houses, cutting down on our meals and doing our own laundry trying to make ends meet, but it won't work," he said.

"Better Off" As Prisoners

The three said they have been in Washington since last Thursday and still haven't been called as witnesses.

"At this rate we'll all be broke before long," Evanick commented. "We were better off financially while we were prisoners, since our army pay kept on."

A District of Columbia court official said that an out-of-town witness receives a $2-a-day witness fee, $3 a day for food and lodging, plus his carfare here and back. The scale is set by law.

Plan to Evacuate Korea Disavowed by State Dept.

WASHINGTON, Aug. 30 (AP).—The State Department said today it knows of no plans to evacuate American troops from South Korea.

Press officer Michael McDermott made this statement at a news conference when asked about published reports that a decision to withdraw the troops soon has been made by the National Security Council, which consists of President Truman, the Secretaries of Defense, State, Army, Navy and the Air Force, and the head of the National Resources Board.

Mr. McDermott said he could not speak for the National Security Council, but "there can be no firm decision involving Korea" until after the United Nations Assembly meeting in Paris, opening Sept. 21.

Korea is presently split into two zones, with the Russians occupying the northern section. An American-supported government recently was set up in South Korea after elections in the United States zone.

WASHINGTON, Aug. 30 (AP)—Tobacco producers and trade representatives met with Department of Agriculture officials today to plan for tobacco exports under the European Recovery Program. James E. This information is sought prior to making a determination on classes and types of tobacco to be shipped.

Cantor Calls Bevin Anti-Semite

NANTASKET, Mass., Aug. 30 (AP).—Eddie Cantor, speaking today before 800 members of the women's division, Combined Jewish Appeal of Greater Boston, at which $272,000 was pledged for distribution of food and clothing to displaced European Jews and transfer of Jews from Europe to Israel, said that "The Jews of Israel are not only fighting the Arabs, they also are fighting Ernest J. Bevin, of England, the worst anti-Semite since Hitler."

Einstein Reveals Message Subject

Princeton, N.J., Aug. 30 (AP)—Prof. Albert Einstein himself today told what he said in a message to the world Congress of Intellectuals at Wroclaw, Poland.

The message, Einstein said, urged a "supra-national organization" to own what he called "horrible weapons" devised in recent years.

The message was a mystery because it was never read at the Congress, which closed Saturday. And Dr. Otto Nathan, of New York, who carried the message to Wroclaw, would not say why he decided not to read it.

Einstein added in his message:

"It is unthinkable, however, that nations under existing conditions would hand over such authority to a supra-national organization unless the organization would have the legal right and duty to solve all the conflicts which in the past have led to war.

"The functions of individual states would be to concentrate more or less upon internal affairs. In their relation with other states they would deal only with issues and problems which are in no way conducive to endangering international security."

He said if the supra-national organization fails now, it "will be built later . . . upon the ruins of a large part of the world."

SPY HEARINGS PROVED LITTLE, SAWYER SAYS

AUG 1948

No Currently Employed U.S. Aide Was Found Disloyal, V.F.W. Told

St. Louis, Aug. 30 (AP)—Charles Sawyer, Secretary of Commerce, said in a speech tonight the "interesting and comforting thing" about current hearings on un-American activities is that they "have proved so little."

He spoke at a banquet given by the Veterans of Foreign Wars, here for their forty-ninth national encampment.

"A calm review of all of the evidence," he said, "reveals the striking fact that out of 2,000,000 Government employés this exposure has not produced one presently employed disloyal public servant."

He referred to loyalty investigations by the FBI as well as to hearings conducted by the House Committee on Un-American Activities.

"One Of Greatest Shows"

Turning to the committee hearings, he said they provided "one of the greatest shows ever staged," and concluded:

"Apparently the members of the committee are themselves confused as to how the play will end, who will be the villain, who is merely acting a part, and who is telling the truth."

He said "the tales we are told are of the vintage of 1942-44. Most of the people mentioned have long since been out of the Government. . . . Our enemies were Germany and Japan. Have you heard one item of evidence from these hearings describing the activities of spies of the Germans or Japanese?"

The remedy for disloyalty, he maintained, "is a broad and honest education," and as for communism, it "creates in its followers a fanatical faith and zeal. Democracy must be made ever more attentive to meet this challenge."

After getting well into the serious parts of their program the 30,000 veterans also turned to fun, and they cavorted and frolicked along downtown St. Louis streets all blazing with colorful banners of welcome.

Bradley Speaks

One mid-day attraction for those who were feeling the heat was a "bar" built of hundred-pound blocks of ice, and there the hilarious vets served foaming beer. Some went to motorists who were stopped in the streets and needed a bit of persuading.

Some of the men were armed with guns—squirt guns, and women were on the watch. In front of a hotel a gay delegate paraded a banner to the effect that wives should be left at home—and a gang of wives mobbed him.

A serious feature of the morning was a speech by Gen. Omar N. Bradley, army chief of staff, who took the occasion to announce the first call for 10,000 men into the Army under the new draft law. They are to be called up sometime in November.

The general said that until the United Nations has "proved beyond all reasonable doubt that it can provide for our safekeeping . . . the United States shall have no choice but to keep more than a million men under arms."

U.S. Education Criticized By Gen. Bradley

AUG 1948

St. Louis, Aug. 30 (AP)—Teaching of "two-way democracy" has been neglected by American education, Gen. Omar N. Bradley said today.

"Despite the opportunities for free education in these United States, too many young men come into the Army appallingly ill-informed on the issues and crises that warrant their service," the Army Chief of Staff said.

"American education has failed to give many young men an alert appreciation of their liberties and a consequent explanation of their obligations. We have too long concentrated on how to make good, how to get ahead. We have taught our young people how to plunder our resources, how to get jobs, and how to get rich.

"We have neglected to tell them that democracy is a two-way street—that with its benefits comes the necessity for also giving service."

Bradley, in a speech prepared for the forty-ninth national encampment of the Veterans of Foreign Wars, said: "The Army has too long ignored the insides of its men."

U.S. Can't Bluff

"During the war," he said, "it was apparent that men fought best when they understood why they were fighting. To give troops conviction and to equip them with ample justification for the service on which they embark, the Army will add emphasis to its educational program."

Touching on the international situation and the draft revival, Bradley said: "A tragically divided world is engaged in a contest of perseverance and in a conflict of ideas.

"The United States cannot safely bluff its way through the chanceleries of other nations without risking all that we have gained from victory in the last World War. There is no economy that can justify the need for some other Omaha beachhead in some future avoidable war."

Hodge Asserts Russians 'Help' U.S. In Korea

Fairfield, Cal., Aug. 30 (AP)—Lieut. Gen. John R. Hodge, retiring commander of American occupation forces in Korea, gives the Russians credit for "helping a lot" in strengthening America's position there.

Hodge arrived today from Honolulu by a military transport plane, and was to leave at once by commercial air line to visit his ill mother in Carbondale, Ill.

On his brief stop here, he said the Russians, who occupy the northern half of Korea, have created good will for Americans in southern Korea by reason of cutting off electric power to the south, and by "sabotage and assassinations by small bands of Communists during the recent elections."

Such actions he said, had made south Koreans dead-set against communism.

Kawakita Jury in Open Dispute, No Verdict Seen in Treason Trial

LOS ANGELES, Aug. 30 — (AP) The foreman of a federal court jury trying Tomoya Kawakita on treason charges reported to the court today that there not only was no chance of verdict, but that personal animosity among the talesmen had reached a point where "it could possibly be dangerous."

"There is a juror here who we feel is impeding justice, and interfering with the course of the trial and we want to know what to do."

Andrews told the court it is utterly impossible for the jury to reach a verdict.

Judge Mathes, however, denied motions by defense attorney Morris Lavine to dismiss the jury and ordered it to retire for further deliberations. The trial occupied nearly 11 weeks, with witnesses brought from all over the United States, and several from Japan.

During Andrews' statement to the court, another juror, Marie Ziegler, asked the judge if it would be proper to elect a new foreman.

"I would like to say that the lady nominated me," Andrews interposed.

"Yes, I did but—"; here Judge Mathes cut her off.

"Personalities will not enter here," said Judge Mathes.

Another juror, Charles J. Clancy, told Judge Mathes "there is no chance in the world for this jury to agree."

Mrs. Ziegler said "I do not feel like going on."

House Probers Study Charge Reds Infiltrating into UE

Hearings Will Begin Thursday in Washington; CIO Leaders Silent

NEW YORK, Aug. 30 (AP)—A House Labor subcommittee will start investigating alleged communist infiltration into the CIO United Electrical Workers.

Announcement of the probe was made here by Rep. Charles J. Kersten (R-Wis) subcommittee chairman. He said hearings would begin in Washington at 10 a.m. (EST) Thursday.

A spokesman at the union's national headquarters here said there would be no comment at this time.

Officials Subpoenaed

Kersten said subpoenas were handed today in Washington to James Carey, former president of the union and Albert J. Fitzgerald, now its president.

Fitzgerald also is national co-chairman of Henry Wallace's Progressive party and chairman of the party's national labor committee.

Kersten described Fitzgerald as having "a reputation that appears to be not that of an anti-communist."

Carey, national CIO secretary-treasurer, was described by the congressman as "an anti-communist, in my view."

Another possible witness, he said, would be Julius Emspak, secretary-treasurer of the union and editor of its publication.

The electrical workers unios was selected for probing, Kersten said, because its 400,000 members, including employes of Western Electric, General Electric, Westinghouse, and General Motors electrical division are "in perhaps the most strategic industry of our American economy."

Sees Smear Attempt

Predicting attempts by UE lead-

ership to "smear" witnesses, Kersten added:

"It is not fair to the rank and file members of this union nor to the American people to permit these charges of communist domination to be left hanging in the air.

"Let us give the rank and file members the facts and we can rest assured that they will act in America's best interests."

In Bridgeport the local unions in affiliation with the United Electrical, Radio and Machine Workers of America include Local 203 of nearly 6,000 employes of the General Electric company; Amalgamated Local 229; Bryant–Hemco Local 203; Local 210 at Manning, Maxwell & Moore, Inc.; Local 203 composed of employes of the Columbia Recording company; Local 258 composed workers of the Decca Recording company; Local 227 at the plant of the Singer Mfg. company, and some smaller units.

PETERS MAY FACE CONTEMPT CHARGE IN RED SPY PROBE

Alleged Underground Leader Refuses to Answer All Key Questions

PROSECUTION ASKED

Chambers Says Red Influence Got Him $6,000 Federal Job

AUG 1948

NEW YORK, Aug. 30 — (AP) Whittaker Chambers testified today he used communist influence to get a $6,000-a-year "boondoggling" job with the government in 1937.

He said this was while he was drawing pay as a communist underground courier and that, through party influence, he landed the job "within 24 hours."

At the same hearing, a subcommittee of the House Un-American Activities committee failed to draw any information from "J. Peters," the mysterious, long-sought witness identified by Chambers as the No. 1 man in the communist underground in this country.

Contempt Charges Urged

After Peters took refuge in the Constitution in declining to answer all key questions, the subcommittee members recommended contempt charges for him. They said, though, that their proposed contempt citation could not be presented before Sept. 7.

Chambers told the subcommittee he obtained the federal job through Abraham George Silverman and Irving Kaplan, both government employes at the time, and Peters.

Silverman, whom Chambers said was a communist, was named last month by Elizabeth Bentley as a member of an alleged wartime Russian spy ring operating in government circles.

Rep. Nixon (R-Calif.), a committee member, said yesterday Chambers' testimony would link the prewar spy underground rescribed by Chambers with the wartime ring described by Miss Bentley.

Chambers said his job, with the research department of the railroad retirement board, was "boondoggling." He claimed he was warned not to hurry about doing his work "or the job would end."

Chambers also linked Peters—who he has claimed was "director of an underground spy apparatus"—to the job.

Peters Won't Talk

Peters, at today's hearing, refused to say if he knew Chambers.

Chambers said he discussed getting a job with Peters and Silverman because, he claimed to have told them, "I could not float around Washington without some sort of occupation."

They referred him, Chambers said, to Kaplan, "who they said was coordinator of the national research project." This "project" was not further identified.

"I talked to Kaplan," Chambers said, "and within 24 hours I was on the federal payroll."

Peters, subpoenaed this morning by the subcommittee, refused to answer questions relating to the alleged spy ring and his alleged party membership, under provisions of the fifth and first amendments of the Constitution.

Nixon answered his silence by recommending that Peters be cited for contempt of Congress for refusing to speak.

Rep. McDowell (R-Pa.), chairman of the subcommittee, agreed with Nixon. Contempt is a charge subject to trial by jury. Conviction could bring a jail sentence.

U. S. Communists Warned

McDowell said he was warning "the communists of America, those present and those not present, that for the first time in the history of the United States government, that government is going to face the question of the Communist Party in the United States."

Peters also refused to say whether he knew some 30 persons whose names have been linked to the alleged spy ring.

He did not reply when asked if he "ever served in the United States as representative of the Communist International of the Communist party."

Peters—who identified himself as Alexander Stevens—said he is 54 and a native of a part of Czechoslovakia which was Hungarian territory before the first world war. He was subpoenaed under the name of Peters.

He refused to answer when asked if he was even known as "J. Peters."

He said he entered this country in 1924 and was not a citizen although he has applied for citizenship papers.

Peters was subpoenaed by the House group at an immigration and naturalization service hearing this morning. He has been sought for questioning by the un-American Activities Committee for several months.

Peters was at the immigration hearing to answer deportation charges brought by the government. He is charged with entering the U. S. without a valid visa.

Additional Charges Filed

Later, Edward Emmanuel, government examiner, filed two additional charges against Peters.

One was for allegedly being a group that advocates overthrow of the government of the United States by force and violence."

The government also charged the group "circulated printed information to this end."

He was questioned behind closed doors for 10 minutes and the subcommittee then declared the probe public.

McDowell, pointing at Peters, asked when Chambers had first seen him.

"In 1928," Chambers said. "I met him in the offices of the Daily Worker in New York City."

Chambers, now a senior editor of Time Magazine, was then editor of the New Masses Magazine.

Chambers insisted that it was Peters who introduced him to Alger Hiss, former high state department official. Chambers has testified that Hiss was a member of an "elite" communist underground group in the government.

Hiss, now head of the Carnegie Endowment for International Peace, has denied Chambers' charges.

Peters refused to say if he knew Hiss. He also would not speak about Mrs. Alger Hiss, John Abt, Nathan Gregory Silvermaster, Victor Perlo, William W. Remington, Miss Bentley, Nathan Witt, Henry Collins and many others whose names have been mentioned by Chambers or Miss Bentley.

Berle Is Witness

The last witness to appear before the House subcommittee was Adolph A. Berle, Jr., former assistant secretary of state.

Berle, who testified in a closed session, has been mentioned by Chambers in previous hearings of the committee. Chambers claimed he told Berle the story of the alleged prewar spy ring in 1939, but that nothing ever was done about it.

Berle told reporters today Chambers had given "part of his story to me in 1939, although the story was in far less detail then than it is now."

But, he said, through coordinated efforts of the FBI, state department, passage of the Alien Registration act and other means "We tightened up all along the line."

He said the tightening-up was not directly due to Chambers' story, but "a result of the whole situation in 1939 and 1940."

The committee said no further hearings are planned here. The next full committee meeting, McDowell said, is scheduled for Sept. 7. He added Peters might be called for further questioning before that time.

ISRAEL BONDS ARE PLANNED

Proceeds To Aid Housing And Purchasing Of Machinery

AUG 1948

New York, Aug. 30 (AP)—Ampal-American Palestine Trading Corporation today announced plans to sell $10,000,000 in debentures for development of the state of Israel.

A spokesman for the organization said the bonds would be sold by direct solicitation rather than being marketed by an underwriting syndicate. He added that pledges have been received for about $500,000.

The debentures will mature in ten years and carry a three per cent coupon. They will be sold at par, or 100.

Cash To Be Used In Loans

An announcement said that $5,000,000 of the proceeds will be made available for mortgage loans in connection with low-cost housing. Another $2,500,000, the trading company said, will be made available as loans to transportation and industrial co-operatives for purchase of vehicles, machinery and parts in this country. The balance is scheduled for public work and various construction activities.

Ampal-American Palestine Trading Corporation stated that it makes its funds available for the development of Israel through American organizations. Most of the funds are used to purchase equipment and materials in the United States. The company also acts as purchasing agent for co-operatives and private firms in Israel.

Palestine Issue Again Before U.N. Council

Lake Success, Aug. 30 (AP)—The Security Council goes into emergency session today to consider the shaky United Nations truce in Palestine.

Delegates interrupted a month-long recess for the meeting called by Soviet Deputy Foreign Minister Jacob A. Malik. As president of the Council for August, he acted after the Government of Israel asked what the Council was doing to halt truce violations.

An American delegation spokesman said no early instructions had been received from Washington on the issue, but it was presumed the United States would stand on its previous statement that violators were liable to such punishments as economic sanctions.

Surprised By Sudden Call

Most delegates were surprised by the sudden call and planned to await developments before charting their course of action. At least three of the regular delegates—Sir Alexander Cadogan, of Britain Alexandre Parodi, of France, and José Arce, of Argentina—were reported either in Europe or en route to the September meeting of the United Nations General Assembly in Paris. All have alternates here.

The Council agreed August 19 to hold only emergency sessions at Lake Success up until September 1. Cadogan takes over as Council president on that date and announced that he hoped no sessions would be necessary in Paris before the Assembly opening September 21.

All United Nations meetings are being switched to Europe temporarely, as of Sepember 1, with activies to resume here around January 1.

Warning Of Last Meeting

At its last meeting the Council warned the Jews and Arabs that retaliations against truce violators would not be tolerated. In a cable to the Council, Israel Foreign Minister Moshe Shertok asked whether the ban on retaliation was not tantamount to encouragement of unilateral violations. He also wanted to know whether the Council was determined to "apply immediate sanctions" against the offending party.

The Jews and Arabs have been accusing each other of truce violations. Reports reaching here from Palestine have indicated generally that most of the incidents are taking place in and around Jerusalem, with the rest of the Holy Land fairly quiet.

Also on the calendar is the Kashmir case. A United Nations commission has submitted a cease-fire plan for the princely state to India and Pakistan. The commission now has asked the Council to send a military adviser and 40 military observers to Kashmir to police the hoped-for peace.

RUSSIAN'S AGENDA REJECTED AT U.N.

Council Forces Adjournment Of Emergency Session

Lake Success, N.Y., Aug. 30 (AP). The Security Council today slapped Russia's Jacob A. Malik by forcing adjournment of an emergency meeting he had called in his role as Council president.

Contending there was no emergency, the delegates refused to accept the agenda Malik presented. The Council then quit without taking any action on Palestine and Kashmir—the two questions he listed.

Surprised At Call

It was the first time in its history the Council openly rejected a meeting program advanced by

30.24- 20079

the president. The presidency rotates monthly.

The Council had agreed at its last previous session here August 19 that no more sessions would be held at Lake Success unless there was an emergency. Fall meetings will be in Paris.

Malik was understood to have summoned today's session without consulting the major delegates. All expressed surprise at the hurried call which went out over the week end.

Warren R. Austin, United States delegate, told the Council he was curious as to why the meeting was called. "As far as I can see, no emergency has arisen," he added.

3 Reasons Advanced

Three possible reasons for the Soviet move were advanced in speculation among informed observers here:

1. Malik wanted a decision on which countries would send military observers into Kashmir now to insure that Russia or at least eastern Europe got soldiers into the Asiatic trouble spot.

2. Malik wanted to rehash the Palestine situation again in order to renew the Soviet attacks on United States policies.

3. Malik wanted to preside at one more Council meeting for purposes of Russian prestige.

Malik Nostalgic for Russia

LAKE SUCCESS, N. Y., Aug. 30 (AP) — Soviet Deputy Foreign Minister Jacob A. Malik said today that he wished he were back in Russia. "I don't like the atmosphere here," the Soviet delegate to the Security Council told a reporter. He did not say whether he meant the weather or the political atmosphere.

PARIS, AUG. 30-(AP)-ROBERT SCHUMAN, A POPULAR REPUBLICAN (MRP) AND FORMER PREMIER, ANNOUNCED TONIGHT HE HAD AGREED TO TRY TO FORM A NEW CABINET AND END THE FRENCH POLITICAL CRISIS.

HE SAID HE WOULD GO BEFORE THE NATIONAL ASSEMBLY TOMORROW TO ASK FOR A VOTE OF APPROVAL AND ADDED HE FELT ASSURED HE WOULD GET IT.

AS HE LEFT THE RESIDENCE OF PRESIDENT VINCENT AURIOL, SCHUMAN TOLD NEWSMEN OF HIS DECISION AND SAID:

"I KNOW THAT THAT DOES NOT SOLVE THE PROBLEM. BUT I BELIEVE TIME PRESSES AND THAT FRANCE HAS NEED OF A GOVERNMENT. AFTER MY CONVERSATIONS TODAY I HAVE THE IMPRESSION I WILL HAVE THE CONFIDENCE OF A CONSTITUTIONAL MAJORITY. AFTERWARDS IT WILL BE UP TO ME TO FORM A GOVERNMENT. THAT WILL BE DIFFICULT. BUT I THINK I CAN SUCCEED."

HE SAID HE REALIZED HE STILL FACED BIG DIFFICULTIES IN ACTUALLY FORMING A CABINET BUT THAT UNDER THE PRESSURE OF TIME AND EVENTS HE WAS WILLING TO GO AHEAD.

SCHUMAN, A BALDING MIDDLE-ROADER WHO WAS PREMIER HIMSELF UNTIL 32 AYS AGO, WAS ASKED TO TRY AND FORM A GOVERNMENT TO SUCCEED THAT OF ANDRE ARIE, WHICH FELL SATURDAY NIGHT. SOCIALISTS HAD DISAGREED WITH MARIE'S WAGE AND PRICE POLICY.

SOURCES CLOSE TO SCHUMAN SAID HE WOULD INFORM PRESIDENT VINCENT AURIOL OF HIS DECISION TONIGHT, THEN WOULD ASK TO GO BEFORE THE

NATIONAL ASSEMBLY TOMORROW TO SEEK APPROVAL OF HIS CABINET.
SCHUMAN BELONGS TO THE CENTRIST POPULAR REPUBLICAN PARTY. MARIE IS A RADICAL SOCIALIST, WHICH IS A CONSERVATIVE PARTY AND NEITHER RADICAL NOR SOCIALIST, AS THE NAME IMPLIES.
SCHUMAN SPENT THE DAY WORKING THROUGH THE INTRICATE MAZE OF FRENCH POLITICS, SOUNDING OUT VARIOUS PARTY LEADERS FOR SUPPORT. THEIR FIRST REACTION WAS WARM.
THE MULTIPLICITY OF FRENCH PARTIES HAD LED TO THE SWIFT TURNOVER OF CABINETS SINCE THE WAR. NEITHER THE COMMUNISTS, SOCIALISTS NOR POPULAR REPUBLICAN PARTY, (MRP), THE THREE LEADING PARTIES, COMMAND ANYTHING LIKE A MAJORITY IN THE ASSEMBLY.
NEITHER THE COMMUNISTS NOR THE RIGHTIST FOLLOWERS OF GEN. CHARLES DE GAULLE FIGURED IN CALCULATIONS, FOR BOTH OPPOSE STRONGLY THE CENTRIST GROUPS. DE GAULLE, WHO WOULD PROFIT MOST BY A DEADLOCK, KEPT A DISCREET SILENCE.
SCHUMAN IS ASSURED SUPPORT OF HIS CATHOLIC MRP PARTY, AND BOTH THE SOCIALISTS AND RADICAL SOCIALISTS WERE REPORTED FAVORABLE, AT THIS STAGE AT LEAST, TO SCHUMAN.
HE HAS TO PIN THE PARTIES DOWN HARD AND FAST ON THE PROGRAM AND MEN HE PROPOSES FOR HIS GOVERNMENT. FORMER SOCIALIST PREMIER PAUL RAMADIER SPENT SUNDAY TRYING WITHOUT SUCCESS TO DO JUST THAT.
WHILE WARM TOWARD SCHUMAN, THE RADICAL SOCIALISTS RAISED AN ISSUE THAT PROMISED GREATLY TO COMPLICATE HIS EFFORTS TO GET THE VOTE OF APPROVAL NEEDED FROM THE ASSEMBLY. THE ASSEMBLY, LED BY SOCIALISTS AND THE MRP, RECENTLY POSTPONED OCTOBER LOCAL ELECTIONS. THE RADICAL SOCIALISTS ARGUED TODAY THAT SINCE THE ELECTIONS CANNOT BE CONSIDERED POSTPONED. NOT ACTED ON THE BILL, THE ELECTIONS MUST BE HELD IN NOVEMBER TO LATE JULY. HIS SCHUMAN WAS PREMIER FROM LAST NO SERIES OF COMMUNIST-LED STRIKES. HE GOVERNMENT MANAGED TO SMASH A SERI TALKED DURING THE DAY WITH MARIE, H MAYER, ASSEMBLY PRESIDENT EDOUARD HERRIOT, GASTON MONNERVILLE WHO HEADS THE UPPER CHAMBER AND NUMEROUS OTHERS.

REYNAUD PRESENTED THIS PROGRAM TO THE TWO FRENCH LEGISLATIVE BODIES AND SAW IT BECOME LAW AS THE "REYNAUD PLAN." THE POWERS STILL EXIST, ALTHOUGH THEY NEVER HAVE BEEN CLEARLY DEFINED. THAT IS WHAT SCHUMAN WILL HAVE TO DO FOR THE LEADERS OF THE CENTRIST PARTIES BEFORE THEY GIVE HIM THEIR SUPPORT.

NEXT IN LINE WILL BE THE PROBLEM OF A FOREIGN MINISTER. BIDAULT, VETERAN OF EVERY MAJOR INTERNATIONAL MEETING SINCE THE WAR, LOST FAVOR AT HOME BECAUSE MANY POLITICIANS FELT HE HAD GIVEN IN TOO MUCH TO BRITAIN AND THE UNITED STATES ON THE GERMAN PROBLEM. HE HELD THE FOREIGN MINISTRY UNDER BOTH RAMADIER AND SCHUMAN, BUT MARIE FIRED HIM.

SCHUMAN, KNOWN TO BE IN FAVOR OF KEEPING THE PORTFOLIO IN HIS OWN POPULAR REPUBLICAN PARTY, MAY FIND HIS ONLY ALTERNATIVE IF BIDAULT STILL IS FROWNED UPON, WILL BE TO KEEP THE JOB HIMSELF IN ADDITION TO THE PREMIERSHIP.

ADDING TO THE RISING BACKGROUND OF DISCONTENT CAME THE VOICE OF FORMER PREMIER EDOUARD DALADIER CALLING FOR NEW ELECTIONS. DALADIER, REGISTERED AS A RADICAL SOCIALIST, HAS CHANGED HIS COLORS TO BACK DE GAULLE.

THE DE GAULLISTS HAVE BEEN PLUMPING FOR NEW ELECTIONS FOR MONTHS. THEY MAINTAIN THAT THE PRESENT NATIONAL ASSEMBLY IS NOT REPRESENTATIVE OF FRANCE. THEY BELIEVE NEW ELECTIONS WOULD GIVE THEM ENOUGH VOTES TO BRING THE GENERAL TO POWER.

AT THE OTHER END OF THE SCALE, TTE COMMUNISTS ARE PLAYING A WAITING GAME. THEIR OLD FRIENDS, THE SOCIALISTS, FELL OUT WITH MARIE BECAUSE THEY INSISTED ON A GENERAL 15 PER CENT WAGE INCREASE.

THE COMMUNISTS ARE SHOUTING FOR 20 PER CENT WAGE INCREASES AND WILL DEMAND THE SCALP OF THE NEXT GOVERNMENT IF THEY DON'T GET THEM.

THERE IS A STRONG FEELING EVERYWHERE THAT IF SCHUMAN IS UNABLE TO FORM A CABINET NO ONE ELSE CAN DO IT.

THE RUSSIANS YESTERDAY RELEASED PVT. JOSEPH MOORE OF ROXBURY, MASS., AFTER ABOUT 18 HOURS DETENTION IN A SOVIET JAIL. HE HAD BEEN ARRESTED SATURDAY NIGHT IN THE RUSSIAN SECTOR ALLEGEDLY BECAUSE HE PAID A BAR BILL WITH WESTERN-SPONSORED MARKS.

THE RUSSIANS HAVE OUTLAWED WESTERN MONEY IN THEIR SECTOR ALTHOUGH SOVIET-SPONSORED MONEY IS CONSIDERED LEGAL TENDER IN WESTERN BERLIN. U.S. INVESTIGATORS SAID THE RUSSIANS FAILED TO PRODUCE THE MARKS THEY ALLEGEDLY CONFISCATED FROM MOORE.

IN CONSEQUENCE OF THE SPLIT OF BERLIN POLICE INTO WEST AND EAST FORCES, CHIEF JOHANNES STUMM OF THE WEST POLICE SUSPENDED SEVEN TOP OFFICIALS WHO REMAINED LOYAL TO PAUL MARKGRAF, HEAD OF THE RUSSIAN ZONE GERMAN POLICE. MARKGRAF WAS DISMISSED BY THE CITY GOVERNMENT BUT THE RUSSIANS CONTINUE TO RECOGNIZE HIM, INSTEAD OF STUMM, WHOM THE CITY NAMED AS HIS SUCCESSOR.

AUG 1948

BY HARVEY HUDSON

PRAGUE, AUG. 30-(AP)-THE ROMAN CATHOLIC CHURCH OF CZECHOSLOVAKIA HAS URGED THE COMMUNIST GOVERNMENT OF KLEMENT GOTTWALD TO FULFILL ITS PROMISES THAT THERE SHALL BE HNO INTERFERENCE WITH RELIGIOUS ACTIVITY.

AN APPEAL TO THE GOVERNMENT WAS MADE IN A LETTER ISSUED BY THREE ARCHBISHOPS, EIGHT BISHOPS AND OTHER HIGH CHURCH OFFICIALS. IT WAS READ SUNDAY IN ALL CATHOLIC CHURCHES.

THE LETTER SAID CHURCH LEADERS HAD RELIED ON PROMISES THAT AN AGREEMENT WOULD BE REACHED ON ALL POINTS OF DIFFERENCE BETWEEN THE CHURCH AND THE CZECH STATE. IT SAID NEGOTIATIONS FOR SUCH AN AGREEMENT HAD BROKEN DOWN AND CHARGED THAT THE GOVERNMENT HAD ATTACHED ALL BLAME ON THE CHURCH.

"WE COULD NOT GIVE OUR AGREEMENT TO EVERYTHING THAT HAPPENED," THE CHURCH OFFICIALS SAID, "BECAUSE WE HAVE, UNFORTUNATELY, TOO MUCH EVIDENCE THAT DESPITE THE PROMISED FREEDOM OF BELIEF AND EXPRESSIONS OF GOOD WILL NOT TO RAISE CHURCH QUARRELS, AN ANTI-CHURCH AND ANTI-FAITH FIGHT WAS STARTED HERE ALONG THE SAME LINES AS HAS BEEN TAKEN AGAINST THE CATHOLIC CHURCH IN OTHER COUNTRIES."

FRICTION BETWEEN THE CHURCH AND THE STATE HAS BEEN DEVELOPING SINCE THE COMMUNISTS TOOK OVER THE CZECH GOVERNMENT LAST FEBRUARY. OF TWO MAIN POINTS AT ISSUE, ONE IS THE PARTICIPATION OF CATHOLIC PRIESTS IN POLITICAL ACTIVITY. THIS HAS BEEN FORBIDDEN BY THE CHURCH. THE OTHER ISSUE RELATES TO CHURCH SCHOOLS.

ON JULY 28, IT WAS DISCLOSED THAT FATHER JOSEF PLOJHAR HAD BEEN SUSPENDED AS A CATHOLIC PRIEST AFTER HE DEFIED THE CHURCH BAN ON POLITICAL ACTIVITY AND KEPT HIS JOB AS CZECH HEALTH MINISTER. THE CHURCH LEADERS SAID THE SUSPENSION OF PRIESTS WHO TOOK PART IN POLITICS WAS NOT BECAUSE OF THE POLITICAL ACTIVITY ITSELF, BUT BECAUSE OF DISOBEDIENCE OF CHURCH ORDERS.

THE SUSPENSION OF FATHER PLOJHAR TOUCHED OFF A CAMPAIGN IN THE COMMUNIST-CONTROLLED PRESS WHICH LABELLED THE ACTION INJUST. THE NEWSPAPERS DEMANDED THAT HIS SUSPENSION BE REVOKED.

IMMEDIATELY AFTER THE WAR, CHURCH SCHOOLS IN SLOVAKIA WERE PUT UNDER STATE CONTROL BY THE SLOVAK NATIONAL COUNCIL. AT THE TIME, NO SUCH ACTION WAS TAKEN IN BOHEMIA AND MORAVIA.

MSGR.JOSEF BERAN, ARCHBISHOP OF PRAGUE, IN A LETTER RECENTLY RELEASED BY THE VATICAN, PROTESTED THAT THE CZECH GOVERNMENT WAS NOT KEEPING ITS PROMISES FOR CATHOLIC EDUCATION. THUS FAR, THERE HAS BEEN NO ANNOUNCEMENT IN PRAGUE ON THE POSSIBILITY THAT CHURCH SCHOOLS IN BOHEMIA AND MORAVIA WILL NOT BE ALLOWED TO OPEN THIS FALL.

BY LEONARD KIRSCHEN (125)
BUCHAREST, ROMANIA, AUG.30-(AP)-THE COMINFORM'S LATEST BULLETIN SAID TODAY THAT PREMIER-MARSHAL TITO'S YUGOSLAV COMMUNISTS THINK THEY CAN "AFFORD TO BEHAVE IMPUDENTLY" BECAUSE THEY BELIEVE RUSSIA WILL NOT ABANDON YUGOSLAVIA.

THE SEPT. 1 BULLETIN OF THE COMINFORM (COMMUNIST INTERNATIONAL INFORMATION BUREAU) THUS RESUMED ITS RUNNING BATTLE WITH YUGOSLAV COMMUNIST LEADERS BY PUBLISHING A LETTER ATTRIBUTED TO A GROUP OF BELGRADE STUDENTS.

THESE STUDENTS, THE BULLETINSAID, AGREED WITH THE COMINFORM'S FINDING THAT THE YUGOSLAV PARTY'S CENTRAL COMMITTEE HAS DEPARTED FROM THE MARX-LENIN LINE.

AUG 1948

IT QUOTED THE LETTER AS SAYING:

"OUR (YUGOSLAV) CENTRAL COMMITTEE THINKS THAT THE U.S.S.R. WILL NOT ABANDON YUGOSLAVIA BECAUSE OF RUSSIA'S ANTI-IMPERIALIST POLICY.

"THIS IS WHY THE YUGOSLAV CENTRAL COMMITTEE THINKS IT CAN AFFORD TO BEHAVE IMPUDENTLY."

THE BULLETIN SAID THE STUDENTS THEN EXPLAINED THAT TITO HAD HIS ANTI-COMINFORM STAND APPROVED IN YUGOSLAVIA BECAUSE HE:

1. TURNED PRESSURE ON PARTY MEMBERS.
2. TURNED A WAVE OF NATIONALISM AGAINST BULGARIA, HUNGARY AND CZECHOSLOVAKIA.
3. CAMOUFLAGED THE YUGOSLAV CENTRAL COMMITTEE'S HOSTILE ATTITUDE TOWARD RUSSIA.
4. DISCUSSED NATIONAL PROBLEMS.
5. PLAYED ON THE MILITARISTIC SPIRIT IN THE YUGOSLAV PARTY.
6. SPREAD THE BELIEF, SHARED BY HIS CENTRAL COMMITTEE, THAT THERE WILL BE A HAPPY ENDING AND THAT RUSSIA'S COMMUNIST PARTY WILL APOLOGIZE TO THE YUGOSLAV PARTY.

THE BULLETIN SAID THE YUGOSLAV STUDENTS WROTE THIS LETTER TO THE COMINFORM JULY 17. IT SAID THEY APPROVED THE COMINFORM RESOLUTION THAT CONDEMNED TITO AND HIS LEADERS AND BROUGHT THE COMMUNIST RIFT INTO THE OPEN.

THE STUDENTS CONCLUDED, THE BULLETIN SAID, THAT "AS TO POSSIBLE MISTAKES ON OUR SIDE, DO NOT CONDEMN US AS WE ARE YOUNG MEMBERS OF THE COMMUNIST PARTY. WE WILL MAKE STRENUOUS EFFORTS TO HELP THE COMINFORM LINE TRIUMPH IN THE YUGOSLAV COMMUNIST PARTY."

THE EDITORIAL BOARD OF THE COMINFORM BULLETIN ADDED THIS NOTE:

"THE EDITORIAL BOARD DOES NOT PUBLISH THE NAMES OF THE PERSONS WHO SIGNED THIS DECLARATION, AS IT WOULD MEAN INSTAND DEATH IN PRISON ON ORDERS FROM RANKOVIC."

GEN.ALEXANDER RANKOVIC IS YUGOSLAV'S INTERIOR MINISTER.

Bucharest, Romania, Aug 30-(AP)-The Interior Ministry established

by presidential decree today a "directory general of the people's security."

The official gazette said the agency was set up "to defend

democratic conquests and to ensure the security of the Romanian popular rep-

(No further information was available. The interior ministry controls the police. The [redacted] establishment of a new security agency suggested there might be stirrings in the iron curtain country against the communist minority which controls the state.

(Romania and [redacted] Yugoslavia, also a communist state, exchanged recriminations last week as an aftermath of the Kremlin-ruled cominform attack on Premier Marshal Tito of Yugoslavia, an attack with which Romania sided.)

ATHENS, AUG.30-(AP)-THE GREEK ARMY PREPARED TODAY FOR A FULL-SCALE OFFENSIVE AGAINST THE LAST SIZEABLE AREA OF "FREE GREECE" HELD BY COMMUNIST LEADER MARKOS VAFIADES.

A GENERAL STAFF SPOKESMAN SAID ARMY RECONNAISSANCE UNITS WERE PROBING THE 30-MILE PERIMETER OF THE VITSI SECTOR. HE SAID IT MIGHT BE THREE OR FOUR DAYS BEFORE THE NEW OFFENSIVE IS BEGUN.

THE VITSI TRIANGLE IS JUST SOUTH OF THE POINT WHERE THE BORDERS OF GREECE, ALBANIA AND YUGOSLAVIA CONVERGE AROUND LAKE PRESPA. ABOUT 3,500 GUERRILLAS ARE KNOWN TO BE IN A THICKLY WOODED AREA BETWEEN PRESPA AND LAKE KASTORIA. THE MAIN ROADS OUT OF THE AREA LEAD INTO ALBANIA AND YUGOSLAVIA, BOTH FRIENDLY HELPERS OF MARKOS.

THE ARMY HOPES TO TRAP IN THE VITSI TRIANGLE MANY REBELS WHO ESCAPED FROM THE GRAMMOS SECTOR INTO ALBANIA AND RETURNED TO GREECE. THERE ARE BELIEVED TO BE ABOUT 16,000 MARKOS TROOPS LEFT IN THE COUNTRY AFTER NEARLY 4,000 WERE KILLED OR CAPTURED IN THE SUCCESSFUL TWO-MONTH GRAMMOS CAMPAIGN.

MARKOS IS BELIEVED TO HAVE EIGHT BRIGADES, SIX OF THEM BADLY DEPLETED, IN THE VITSI SECTOR.

AUG 1948

SOME HIGH MILITARY OFFICERS WERE DISAPPOINTED BECAUSE AS MANY AS 5,000 REBELS ESCAPED INTO ALBANIA FROM THE GRAMMOS SECTOR BUT THEY WERE PLEASED BECAUSE HIS HASTY RETREAT COST MARKOS MUCH ABANDONED MATERIAL. EVER SINCE CHILE SEVERED DIPLOMATIC RELATIONS WITH THE SOVIET UNION LAST OCTOBER, CRUZ OCAMPO HAD WAITED FOR PERMISSION FOR HIMSELF AND HIS FAMILY TO LEAVE RUSSIA. TIENTSIN,CHINA,TUESDAY,AUG.31-(AP)-WHITE RUSSIAN REFUGEES FROM HARBIN REPORTED TODAY THAT CHINESE COMMUNIST MANCHURIA IS DOMINATED AND E BEING PILLAGED BY THE SOVIETS.

AFTER A HAZARDOUS 700-MILE TREK FROM THE NORTH MANCHURIAN CITY, THE REFUGEES TOLD THE ASSOCIATED PRESS HERE THAT HARBIN IS SUBJECTED TO "RULE BY DEPRESSION."

AGITATION AND PROPAGANDA ACCORDING TO THE SOVIET PATTERN DOMINATES LIFE IN HARBIN, THEY SAID. THE NORTHERN MANCHURIAN CITY WAS OCCUPIED BY THE CHINESE COMMUNISTS NOT LONG AFTER THE WITHDRAWAL OF RUSSIAN TROOPS FROM MANCHURIA.

"THE SOVIETS OPERATE ON THE ONE-FAMILIAR JAPANESE SYSTEM WHEREBY THE NOMINAL HEAD OF ANY ENTERPRISE IS CHINESE, BUT HIS ASSISTANT OR 'ADVISER' IS INVARABLY SOVIET OR A MOSCOW-TRAINED CHINESE," ONE REFUGEE SAID.

HE REPORTED THAT THE RUSSIANS--WHO STRIPPED MANCHURIA OF INDUSTRIAL MACHINERY AND EQUIPMENT DURING THEIR OCCUPATION AFTER V.J.DAY--ARE STILL PILLAGING MANCHURIA.

SHIPS AND TRAINS LEAVE DAILY, HE SAID, FOR TRANSBAIKAL AND SOVIET MARITIME PROVINCES LOADED WITH FLOUR, GRAIN, MEAT AND SUGAR.

THE REFUGEE SAID FIRST AND SECOND QUALITY COMMODITIES ARE SENT TO RUSSIA AND THE REMAINDER IS LEFT TO FEED HARBIN'S POPULATION, (WHICH NUMBERED 517,127 IN 1939.)

THE REFUGEES REPORTED ALL CONVENTS HAD BEEN CLOSED IN AN ANTI-RELIGIOUS CAMPAIGN, AND THAT THERE EXISTED A THRIVING WHITE SLAVE TRADE IN NUNS. THEY SAID THE NUNS SOMETIMES ARE SOLD ACCORDING TO WEIGHT, AND THAT AFTER SEVERAL SALES THEY WERE HANDED OVER TO TROOPS--"ONE WOMAN TO A PLATOON."

FOR A LONG TIME, THEY ADDED, RUSSIANS LIVED IN HARBIN UNMOLESTED. BUT DURING JUNE, 70 OF THEM WERE ARRESTED BY A POLITICAL BRANCH OF THE CHINESE COMMUNIST ARMY. THEY SAID THEY LEARNED LATER THE 70 WERE PUT ABOARD A SOVIET SHIP AND SENT TO KHABAROVSK.

ANGRY OVER THE COST OF MAINTAINING A GOVERNOR GENERAL, WERE
INFORMED TODAY BY PRIME MINISTER JAWAHARLAL NEHRU THAT EXPENSES
WILL DROP IN A FEW MONTHS.
DURING THE QUESTION HOUR MEMBERS COMPLAINED ABOUT GOVERNOR
GENERAL CHAKRAVARTHI RAJAGOPALACHARI'S SALARY OF 20,900
RUPEES (ABOUT $6,270) MONTHLY. THEY SAID OTHER ALLOWANCES FOR THE
OFFICE BRING THE COST TO MORE THAN 80,000 RUPEES (ABOUT $24,000)
MONTHLY.
THEY ASSERTED THIS IS CONTRARY TO THE TEACHINGS OF THE LATE MOHANDAS K.GANDHI'S
TEACHINGS THAT GOVERNMENT OFFICIALS SHOULD TAKE SMALL SALARIES.
NEHRU SAID THAT THE FIRST GOVERNOR GENERAL, LORD MOUNTBATTEN,
HAD SUGGESTED ON INDIA'S INDEPENDENCE DAY--AUG. 15, 1947--THAT
HE AND LADY MOUNTBATTEN MOVE OUT OF GOVERNMENT HOUSE TO A SMALLER
RESIDENCE AND ACCEPT A SMALLER SALARY. NEHRU SAID HE REJECTED
THIS BECAUSE ALTERNATE ARRANGEMENTS WOULD HAVE BEEN TOO COSTLY.
"NO MAN IN INDIA CAN BE MORE SIMPLE IN LIFE AND HABITS THAN
RAJAGOPALACHARI," NEHRU SAID.
UNDER THE NEW CONSTITUTION THE GOVERNOR GENERAL WILL BECOME
PRESIDENT OF THE INDIAN UNION AT A SALARY FIXED BY THE CONSTITUENT
ASSEMBLY.

THE WESTERN POWERS AND RUSSIA WERE REPORTED VERY CLOSE TO AGREEMENT LAST (MONDAY) NIGHT ON THE PROCEDURE, FOR REACHING A SETTLEMENT IN THE BERLIN CRISIS.

THIS WAS AUTHORITATIVELY REPORTED IN MOSCOW AFTER A MEETING IN THE KREMLIN BETWEEN SOVIET OFFICIALS AND REPRESENTATIVES OF THE UNITED STATES, BRITAIN AND FRANCE.

U.S. AMBASSADOR WALTER BEDELL SMITH, FRENCH AMBASSADOR YVES CHATAIGNEAU, AND SPECIAL BRITISH ENVOY, FRANK ROBERTS MET FOR TWO HOURS WITH SOVIET FOREIGN MINISTER V.M. MOLOTOV AND HIS DEPUTY, ANDREI VISHINSKY.

AN AUTHORITATIVE SOURCE SAID THE ONLY BAR TO PROCEDURAL AGREEMENT WAS INSISTENCE BY ONE OF THE WESTERN POWERS ON TECHNICALITIES AND PHRASING. HE DID NOT NAME THE POWER.

PROCEDURAL AGREEMENT WOULD NOT MEAN THE ISSUES UNDERLYING THE BERLIN CRISIS HAD BEEN SOLVED. THESE WOULD BE DISCUSSED, PERHAPS BY THE FOUR MILITARY GOVERNORS OF OCCUPIED GERMANY.

IN PARIS, FORMER PREMIER ROBERT SCHUMAN ANNOUNCED HE HAD AGREED TO TRY AND FORM A NEW FRENCH CABINET AND END THE CURRENT POLITICAL CRISIS IN FRANCE.

SCHUMAN SAID HE WOULD ASK THE NATIONAL ASSEMBLY FOR A VOTE OF APPROVAL TODAY. FOLLOWING THE FALL OF PREMIER ANDRE MARIE'S CABINET LAST SATURDAY, PRESIDENT VINCENT AURIOL ASKED FORMER PREMIER PAUL RAMADIER TO FORM A CABINET. RAMADIER DECLINED AND AURIOL THEN OFFERED IT TO SCHUMAN, A MEMBER OF THE POPULAR REPUBLICAN MOVEMENT.

IN BERLIN THE SENIOR COMMITTEE OF THE CITY COUNCIL NAMED A FIVE-MAN DELEGATION TO REPRESENT BERLIN AT A CONVENTION WHICH WILL DRAFT

A CHARTER FOR A WEST GERMAN GOVERNMENT.

THE COMMUNIST MEMBERS OF THE COMMITTEE WALKED OUT WHEN THE MATTER CAME UP. THUS THEY EXPRESSED THEIR DETERMINATION TO PREVENT ANY CLOSE TIES BETWEEN THE WEST AND BERLIN, WHICH THEY SAY IS A PART OF THE SOVIET OCCUPATION ZONE.

THE COMMITTEE SAID THE COUNCIL WOULD NOT MEET TODAY AS SCHEDULED, PENDING WORD FROM THE MOSCOW TALKS AND ASSURANCE FROM THE RUSSIANS OF PROTECTION AGAINST COMMUNIST-LED RIOTERS WHO BROKE UP TWO SESSIONS OF THE COUNCIL LAST WEEK.

THE MEETING IN BONN WILL BEGIN WEDNESDAY. THE AMERICAN AND BRITISH MILITARY GOVERNORS WERE SAID TO HAVE GIVEN A "GO AHEAD" SIGNAL FOR THE DRAFTING OF THE CONSTITUTION, DESPITE KNOWN SOVIET OPPOSITION TO A SEPARATE GERMAN GOVERNMENT IN THE WESTERN OCCUPATION ZONES.

MILITARY GOVERNORS MEET

Talks Last One Hour—Session Is First in German Capital in Five Months.

Berlin, Aug. 31 (A. P.).—Russian and Western military governors of Germany met for an hour today on East-West problems in blockaded Berlin.

"We will meet again," said Gen. Sir Brian Robertson of Britain. "The date, however, still is not fixed."

This first top level meeting in Berlin in five months resulted from diplomatic discussions in the Kremlin for the last month.

Gen. Lucius D. Clay, United States Military Governor, said, "There will be a top level meeting tomorrow."

This did not necessarily mean a meeting of the governors themselves.

Financial Experts to Meet.

Asked if the conference was amicable, an American official responded: "It depends on what you call amicable."

Robertson said there would be no official statement today. American officials said financial experts of the four Powers will continue to confer on technical financial problems.

The State Department in Washington had said that the governors would discuss measures to lift the blockade and to solve the dispute over rival Russian and Western marks circulating in the German capital.

Many Advisers Present.

Clay, Robertson, Marshal Vasily Sokolovsky of Russia and Gen. Pierre Koenig of France met at the Allied Control Authority Building. A host of close military, political and financial advisers accompanied the four military governors. When they last met, Sokolovsky denounced the Western Powers as "splitters of Germany" and abruptly left the chamber.

The plethora of advisers gave backing to reports that the Governors would seek a practical solution to Berlin's involved dual currency situation and the lifting of the blockade itself. The Western Powers have insisted that they would not even discuss the currency matter until the Russians lift the blockade. Diplomatic informants made it plain that the Berlin talks were starting under conditions favorable to the Western Powers. Otherwise they would not have been held.

In Washington, Michael McDermott, State Department press officer, said: "In connection with these further discussions, certain technical questions involved in the restoration of communications and the currency problem will require consideration and recommendations from the military governors in Berlin."

May Last A Week

The conversations here may last a week. If all goes well, the negotiations then are likely to shift to Moscow, where an announcement may be forthcoming. Moscow dispatches said there probably would be no more Kremlin talks while the governors are sitting in Berlin.

Clay and his political adviser, Ambassador Robert Murphy, were the last to arrive for the momentous meeting.

Sokolovsky appeared in a gleaming white summer uniform.

Deputies Also Present

Deputies to the governors were present. These were Maj. Gen. George Hays, of the United States; Maj. Gen. Nevil C. D. Brownjohn, of Britain; Lieut. Gen. M. I. Dratvin, of Russia, and Maj. Gen. Roger Noiret, of France.

Among others attending were James Bennett, financial adviser to Clay; Sir Cecil Weir, British economic collaborator; Christopher Steel, British political adviser, and Sir Eric Coates, British financial adviser.

Several Russians in civilian dress accompanied Sokolovsky.

Envoy From Moscow

A special French envoy from Moscow was to present directives as a result of the discussions there. These may form a basis of an agreement to end the crisis in this blockaded city.

The directives are concerned with the question of using the Soviet-controlled East German currency in Berlin as the only money for the four-power city, circulating under four-power supervision. This is the technical question upon which the Russians began a land blockade of the city more than two months ago, isolating the Western occupying powers, except by air.

As word circulated that Berlin soon might be on a single-currency basis, the city's flourishing money trading slowed down abruptly. This trading has been brisk ever since the Western powers introduced their new currency here in competition to the Soviet-sponsored eastmark. Though the two were officially rated at parity, the west-mark always was at a premium.

Some money offices closed. Money changers at the Potsdamer Platz, the street where the Russian, American and British sectors converge, were reported shying away from Western currency.

Conference Still Sought

On a bigger issue, the Soviets also sought a new Big Four Foreign Ministers' conference on Germany. But the West refused such a conference under the "duress" of a Berlin blockade.

Four weeks of negotiations in Moscow thus far have failed to develop a satisfactory (and face-saving) device by which the West might agree to a conference and the Russians to lift their blockade.

By unilateral control of this city's currency, the Russians could turn Berlin into a Soviet satellite. Their proposals up to the time of breaking off negotiations here would have given them the power to remove members of the city administration who displeased them. Also, it would have been possible under Soviet proposals to put any firm in the city out of business if the firm did not go along with Russian instructions.

First Veto: No Photos

Berlin, Aug. 31 (AP)—Even before the four Allied military governors gathered today for their first meeting since March, the Russians registered a veto.

A British official said the Soviets refused to agree to photographers taking pictures either inside the Allied Control Authority building or on the grounds outside.

CONFER FOR HOUR

How to End Confusion Over Rival Currencies One of Top Issues

STARKE

BERLIN, Aug. 31 — (AP) East-West negotiations to break the 69-day blockade of Berlin shifted from Moscow to this city tonight with a meeting of Germany's four military governors, their first in five months.

Coupled with their discussion on practical steps for lifting the siege of Berlin was the highly technical problem of finding a way out of the confusion created by two rival currencies in this city of three and a quarter million people.

After conferring for only an hour in the huge grey stone Allied Control Council building, the Russian, British, American and French military governors left without making a formal statement.

To Meet Again Today

However, Gen. Lucius D. Clay, the American commander, said "We will meet again tomorrow."

It was understood top financial advisers to the military governors will get together in the meantime to discuss technical details of the money problem with the aim of getting agreement for a single currency here. In the Russian view, such an agreement is essential for working out any final East-West agreement on Berlin as a whole.

In Washington the American state department declared measures for lifting the blockade were among the points before the conference. However, Gen. Clay said he could not answer questions along that line.

Asked by correspondents if today's conference went off amicably, an American official answered, "it depends on what you call amicable."

A crowd of at least 200 curious Germans stood outside the gates of the building where the Allied Control Council held its last meeting on March 20. The Russians walked out of that meeting, declaring the western powers were splitting Germany with their plans for a West German government.

Talks Shift from Moscow

The four-power discussion which shifted here after more than a month of negotiations in Moscow, began after the arrival of Francois Seydoux, political and diplomatic adviser to Gen. Pierre Koenig, the French military governor. Seydoux has been acting as advisor to Yves Chataigneau, French ambassador in Moscow, during the negotiations.

It was understood that he brought directives from the three western power envoys in Moscow who were reported to have reached agreement on the principles of a currency agreement with the Russians. The western envoys in Moscow were reported not sufficiently acquainted with the technical details, however, and thus the negotiations were shifted to Berlin for settlement of details.

The directives which Seydoux brought, it was reported, provide for the use of a single Soviet-backed currency in Berlin under four-power supervision.

Two Currencies Used

At present two currencies, the Eastern Deutsche mark and the Western Deutsche mark, are circulating here. The Russians have outlawed the Western mark in their sector.

The Russians launched their land blockade of the city more than two months ago on the technical ground that isolation measures were necessary to protect their zone against the Western money.

Should the military governors reach technical agreement on the Berlin currency question, the Moscow talks will have borne their first fruit.

Moscow dispatches said that if agreement is reached in the negotiations in Berlin the talks probably would be shifted back to Moscow. Authoritative sources in Moscow were quoted as saying there would then be a chance of restoring normal communications to Berlin, and arranging top-level discussions on the entire German question, perhaps during the U. N. General Assembly meeting in Paris.

Meanwhile, the issuance of a communique on the negotiations, which had been expected in Moscow, appeared to have been sidetracked pending the outcome of the Berlin discussions.

Gen. Koenig was the first to arrive for the meeting at 5 p.m. today. He was followed by Soviet Marshal Vassily Sokolovsky who was wearing a white uniform, and Gens. Clay and Sir Brian Robertson, the British commander.

They were accompanied by a host of military, economic, political and financial advisors.

The office of Sokolovsky, which he had not used since March 20, had been hurriedly dusted for the occasion, and the flags of all four war-time allies raised.

W. Reich Delegates To Write Charter

Bonn, Germany, Aug. 31 (AP)—Delegates from western Germany headed today for this Rhine city to form a West German government, despite Russian opposition.

The task of a parliamentary council, convening tomorrow, will be to agree on a constitution for the British, American and French zones, leaving the door open for the Russian zone to participate.

By stressing the open door, the conferees hope to counter a Com-

munist charge the proposed government would split Germany.

Two Big Questions

German political leaders said protracted debate by the constitution builders can be expected on at least two topics:

1. Should key heavy industries, such as coal and steel, be socialized?

2. Should religious schools be authorized, or should Catholic and Protestant children attend the same schools with separate religious instruction?

Steps toward forming a government are based on recommendations by a six-power conference of the United States, Britain, France and the Benelux countries in London last June.

Berlin Is Represented

The eleven German states (Laender) of the three Western zones will hav 65 delegates here. The Western sectors of Berlin also will send delegates, although it has not been determined whether the political framework evolving at the conference will include western Berlin in its scope.

All major parties in western Germany will be represented. Even the Ruhr Valley Communists will have two delegates.

The working basis will be a 300-page set of recommendations drawn up by the constitutional experts of the three Western zones at a preliminary meeting recently.

Whether the new constitution will be ratified by a vote of the people or by the state parliaments has not been decided.

Allied occupation leaders favor a popular vote as an expression of democracy, but some German leaders fear dissident elements would seize upon a referendum campaign to stir up such issues as living conditions and occupation policies.

Skorzeny Is Reported Teaching In America

Vienna, Austria, Aug. 31 (AP)—The Communist newspaper *Der Abend* today said Otto Skorzeny, one-time S.S. officer who fled from a prisoner-of-war camp in Germany while awaiting a de-Nazification trial, now is in the United States. The newspaper said Skorzeny wrote friends in Vienna that he is an instructor in a school, which the account did not identify.

Skorzeny, who once kidnapped Mussolini from the Badoglio Government in the last days of the war, was freed of war crimes charges by an American court. He fled from Darmstadt early in the summer. The search for him centered in Austria for a while. He is a native Viennese.

Zhdanov, High Ranking Politburo Leader, Dies

AUG — 1948

Communist Party Secretary Had Been Considered As Likely To Be Successor To Stalin

London, Aug. 31 (AP)—Moscow announced tonight the death of Andrei A. Zhdanov, a leading contender in the behind-the-scenes rivalry for the job that Prime Minister Stalin must one day lay down. Zhdanov died this afternoon after a serious illness, an official Moscow broadcast said.

Zhdanov, 52, was secretary of the central committee of the Communist party. He was a major force in the Cominform's attack of two months ago on Marshal Tito, of Yugoslavia.

He, along with Foreign Minister V. M. Molotov and L. P. Beria, for many years chief of Russia's secret police, have generally been considered the chief candidates to take over when Stalin dies. Stalin is 68.

Communist Party Secretary

His most powerful position was as a member of the policy-making Politburo and as secretary of the Russian Communist party, a post formerly held by Stalin.

Zhdanov was always described in the Soviet Union as the "closest associate of the great Stalin."

On holidays when pictures of members of the Politburo were displayed on buildings Zhdanov's portrait was placed next to the one of Stalin. This was a public symbol of his extremely high rank in the Communist party and the Soviet Government.

The Moscow broadcast said his death was a "very great loss for the party and the whole Soviet people" and described him as a "very gifted propagandist of the great ideas of Lenin and Stalin."

His funeral will take place in Moscow's Red Square at 5 P.M., Thursday. The broadcast said the body will lie in state in the Hall of Columns of the House of Trade Unions, where the public will be admitted beginning tomorrow night.

Native Of Georgia

Zhdanov, like Stalin, was a Georgian. As secretary of the Communist party in Leningrad, he was believed to have counseled the attack on Finland in the winter war of 1939-40. The unsuccessful Soviet attack in its early stages caused a lapse in his prestige, but he bounced back in the second World War when he sparked the successful defense of Leningrad against the Germans.

Last October, in Poland, he delivered the 14,000-word speech which called for a tightening of Communist lines. It was at this Communist gathering that representatives from nine European nations organized the Cominform, an international Communist propaganda bureau in Europe. In 1943 it was Zhdanov who signed the order dissolving the Comintern.

Zhdanov's death came as Marshal Tito of Yugoslavia showed every sign of fighting to a finish the Cominform charges that he was not a true Communist and anti-Soviet.

Zhdanov was generally regarded as the leading spirit in the drafting of these charges against Tito.

"After Serious Illness"

The Moscow broadcast, recorded here by the Soviet monitor, said:

"The central committee of the Communist party of the Soviet Union and the U.S.S.R. Council of Ministers with great sorrow inform the party and all working people of the Soviet Union that on August 31 at 3.55 P.M., after a serious illness, died Col. Gen. Andrei Alexandrovich Zhdanov, outstanding leader of our party and of the Soviet state, a member of the Political Bureau of the central committee of the Communist party of the Soviet Union, secretary of the central committee of the Communist party of the Soviet Union, deputy of the U.S.S.R. Supreme Soviet.

"The death of Comrade Andrei Alexandrovich Zhdanov, faithful son of the party of Lenin and Stalin, who devoted all his life to serving the great cause of communism, is a very great loss for the party and the whole Soviet people.

Marxist Theoretician

"In the person of Comrade Zhdanov the party has lost an outstanding Marxist theoretician, a very gifted propagandist of the great ideas of Lenin and Stalin, one of the most prominent constructors of the party and the Soviet state.

"A faithful pupil and comrade in arms of the great Stalin, Comrade Zhdanov by his vigorous activity for the well-being of the Soviet motherland, and by his supreme devotion to the cause of the party of Lenin and Stalin, won the warm love of the party and the whole working people of our country.

"The life of Comrade Andrei Alexandrovich Zhdanov, who gave all his ardent energy to the cause of building up communism, will serve as an example to the working people of our great Soviet land."

Defender Of Leningrad

Zhdanov achieved his first important office in the Communist hierarchy in 1934 when he was appoint party secretary for Leningrad and northwest Russia.

As a lieutenant general of the Soviet Army, he directed the defense of Leningrad during World War II. For leading that defense he received the Order of Suvorov in 1944. In 1945 he was decorated with the Order of Lenin.

Zhdanov—short, bulky and dark-haired—also was a member of the foreign affairs committee of the Soviet Union and the Soviet commission on Nazi crimes in Russia. He served as chairman of the control commission for Finland from 1944 to 1947.

British, French Ease Dismantling Programs

Frankfurt, Germany, Aug. 31 (AP). British and French authorities today let up in their programs of dismantling German factories labeled as war industries.

The Economics Ministry of the industrial Ruhr state of North Rhine-Westphalia said 34 factories making coal-mining supplies had been taken off the dismantling list. Originally they had been scheduled for razing by the British.

The Frankfurt radio said French zone authorities struck fifteen factories from their dismantling list in the state of Rhineland-Pfalz.

STALIN 'SUCCESSOR' IS DEAD IN MOSCOW

London, Aug. 31 (A. P.).—The Moscow radio announced tonight the death of Andrei Alexandrovich Zhdanov, one of the leading members of the Politburo.

Several times during his career in the ruling ranks of Russia's Communist party Zhdanov was mentioned as a possible successor to Prime Minister Stalin.

Zhdanov was a leading spirit in the Communist International Information Bureau (Cominform) and had served as secretary of the Central Committee of the Russian Communist party.

He was 52.

Students of the Russian hierarchy frequently have named three politburo leaders as among the most likely successors to Stalin. Besides Zhdanov they were Foreign Minister V. M. Molotov and L. P. Beria, deputy president of the council of ministers and for many years Russia's chief of secret police.

that he was ill. He was 52.

A little less than two months ago Zhdanov participated in a Cominform meeting in Romania which delivered an attack on the Yugoslav communist party headed by Premier Marshal Tito.

Since the inception of the Cominform (Communist International information bureau) almost a year ago, Zhdanov had been one of the leading inspirers of its activities.

Close to Stalin

Zhdanov was always described in the Soviet Union as the "closest associate of the great Stalin."

On holidays when pictures of members of the politburo were displayed on buildings Zhdanov's portrait was placed next to the one of Stalin. This was a public symbol of his extremely high rank in the Communist Party and the Soviet government.

Observers in many world capitals long had regarded Zhdanov as a leading contender in the behind-the-scenes rivalry for the job that Prime Minister Stalin must one day lay down.

He was a secretary of the Communist Party of the Soviet Union. The politburo to which he belonged is made up of 14 members headed by Stalin.

MOSCOW, Aug. 31 — (AP) Andrei A. Zhdanov, a member of the powerful politburo and one of the founders of the Cominform, died today.

Announcement of the death of this leading figure in Soviet and international communist organizations was contained in a brief bulletin broadcast by the Soviet radio shortly before midnight.

DEPUTIES WIND UP COLONIES PARLEY

Big Four Group Unable To Agree On Italian Possessions

London, Aug. 31 (AP)—The Big Four Foreign Ministers' deputies met today for the last time in their year-long study of the future of Italy's prewar colonies without reaching any agreement.

They signed and sealed their report at a meeting presided over by Russia's Georgi N. Zarubin. That report will go to the Foreign Ministers.

If the ministers themselves cannot agree by September 15, the United Nations General Assembly will inherit the problem of what should be done with Eritrea, Italian Somaliland and Libia. The Assembly meets in Paris September 21.

Present at today's session in addition to Zarubin were Lewis W. Douglas, United States Ambassa-

30.24- 20091

dor; Sir Noel Charles, of the British Foreign Office, and Rene Massigli, French Ambassador.

Each Sets Out Conclusions

While the report records no unanimity over the future of the American territories which made up Italy's empire, it sets out conclusions which the individual deputies reached.

Russia is known to have pressed for return of the three territories to Italy under United Nations trusteeship accords. Britain is understood to have called for the incorporation of Eritrea into Ethopia. She also is known to have asked for the division of Libia into its component provinces of Tripolitania, the Fezzan and Cirenaica.

Diplomatic sources said Britain wanted independence for Cirenaica after a limited period of British trusteeship. The French asked for the Fezzan and were said to have received British support. The views of the United States on each territory remained a secret.

BELGRADE ASSAILS 'BULGAR DESIGNS'

Charges Aspirations To Take Over Macedonia

AUG 1948

London, Aug. 31 (AP)—Yugoslavia accused Bulgaria tonight of having designs on the Yugoslav province of Macedonia.

The official Yugoslav news agency, Tanjug, in a broadcast from Belgrade, accused the Bulgarian press department of giving free rein now to "aspirations of the present leaders of Bulgaria toward Macedonia."

It was the latest in a series of blasts Yugoslavia has made against her Communist neighbors following the Russian-directed Cominform's denunciation of Premier Marshal Tito and other Yugoslav Communist leaders.

Unruly Campaign Charged

Earlier in the day the Belgrade Communist newspaper *Borba* said the Albanians have carried on an unruly campaign against Yugoslavia for two months. Last Wednesday Yugoslavia accused high Romanian officials of trying to provoke a revolution against Tito. Similar charges were made Friday against Hungary.

Bulgaria, Albania, Romania and Hungary sided with the decision of the Cominform in July that Tito and other Yugoslav leaders were not following Moscow's dictates closely enough.

Tanjug said Bulgarian designs on Yugoslav Macedonia were behind recent assertions by the Bulgarian press department that Macedonian schoolteachers "spread hatred against the Bulgarian people."

The Macedonian office of information issued a statement describing the Bulgarian assertions as "a continuation of the unheard of slander campaign against Yugoslavia and separately against Macedonia which began with the notorious resolution of the Cominform," Tanjug said.

Greek Casualties In Grammos Prevent New Push, Rebels Say

AUG 1948

London, Aug. 31 (AP)—The Greek guerrillas said tonight the Greek Government army had such heavy casualties in the Grammos and Smolikas mountains campaign that it cannot mount another offensive on the same scale this year.

A communiqué, broadcast by the guerrilla radio and relayed by the Yugoslav news agency Tanjug, said the politburo of the Greek Communist central committee had reached this conclusion.

The Politburo's conclusions repeated the Communist guerrillas' claim that the Greek Government lost more than 30,000 men, or 30 per cent of its forces, in the mountain fighting.

Reported Beaten

The Greek army, the communiqué claimed, never once "succeeded in halting, liquidating or capturing any democratic army unit or forcing it to withdraw in disorder."

The Greek Government said the rebels had been beaten on Grammos and the remnants of the Leftist army had fled the area. The Athens army then sent its troops into the Vitsi area to launch a new offensive.

In Salonika today, Greek military authorities said 100 guerrillas who surrendered in Vitsi belonged to five different brigades. They included battalion commanders, political commissars and special officers who received special training in Yugoslavia.

Defiance Of Russia

Earlier, Greek newspapers said Yugoslavia had started interning guerrillas who fled before Greek army drives. If true, these reports would mean Yugoslavia again was defying Russia because of the Cominform attacks on Yugoslav Communist leaders.

A highly placed neutral observer said Yugoslav help to the Greek Communist leader declined after the quarrel started between Tito and the Cominform. He said the internment report is quite possibly true.

The neutral observer said Guerrilla Chieftain Markos Vifiades visited Tito personally, after the Cominform break to ask for help. Tito said "no."

Border Patrols Increased

The unconfirmed newspaper report said guerrillas crossing the border from the Kiamaktchalan area were put into a concentration camp in Yugoslavia. Some turned back to Greece, and the Yugoslavs increased border patrols and frontier posts.

If Yugoslavia cut off the route of Greek Communists' retreat, the army's job would be lightened. The Communists in the past have run into Yugoslavia, Albania and Bulgaria and returned to fight again in Greece.

Britain Combats Terrorist Plots

London, Aug. 31 (AP)—Scotland Yard officers are working in deepest secrecy to smash what is described as "the beginning of a terrorist organization—Palestine style."

The British Press Association said tonight the organization is believed to have planned bomb attacks on prominent persons in Britain. London newspapers said there are indications the plotters mapped a program of terrorism more widespread than the mailing of "letter bombs" to political leaders several months ago.

Scotland Yard indicated several persons have been "apprehended and charged."

The *Evening News* reported the plotters have connections abroad and are financed by "anti-British elements" in other countries.

No Cigarettes? Use A Pipe

London, Aug. 31 (AP)—The ladies, bless 'em, are starting to smoke pipes to help solve Britain's cigarette shortage.

Maureen Guerin, a schoolgirl, started a campaign of "pipes for women" with a letter to the *Daily Herald*. She suggested that "if ladies' pipes were designed to look attractive and dainty, then I believe women would go as crazy about them as they did about slacks."

Mrs. E. G. Taylor, inspired by all this, wrote the *Herald* that she has smoked a pipe for twelve years, and that "since the cigarette shortage, many of my friends have taken to pipes and say they like them very much."

Special pipes for ladies are available in London, but sales have been rather slow up to now.

SCHUMAN NAMED FRENCH PREMIER BY 322-185 VOTE

Wins Assembly Endorsement in Spite of Communist Opposition

FACES STIFF TASK

Begins Consultations Today to Select Members of Cabinet

Robert C. Wilson

PARIS, Aug. 31—(AP) Robert Schuman was named premier of France tonight. The National Assembly confirmed him by a vote of 322 to 185.

Thus Schuman, a Popular Republican (MRP), returns to the post he left 33 days ago when his coalition cabinet collapsed because of socialist refusal to support his military budget. France had been without a premier since Saturday when Andre Marie resigned with his cabinet.

11 Votes to Spare

Schuman received 11 more votes than the necessray majority. In addition to his own Popular Republican Party he was supported by the Socialists, Radical Socialists and Independents.

Communists and their followers mustered all but two of the negative votes.

Having gotten a personal vote of confidence it now remains to be seen whether Schuman will receive the support of the assembly on his program and on the men he will name to his cabinet.

Schuman gained his majority despite the fact that he asked for support on the same issues that caused the downfall of Marie's cabinet.

When the vote was announced, Schuman received a loud ovation from the centrist party members in the assembly.

He told newsmen he would begin consultations tomorrow morning to select ministers for his cabinet. When Schuman was premier—from last November until July 10—his cabinet was made up of Popular Republicans, Socialists and Radical Socialists.

In the face of growing labor unrest Schuman came out against general wage increases. He said also that he favored price hikes on milk and bread and new taxes amounting to 80,000,000,000 francs ($26,800,000) to meet the budget deficit.

Nation's Freedom at Stake

In asking for support Schuman said the freedom of France was at stake. In grave tones he told the assembly France "consumes more than she produces, abandons her money, lets speculation set the national living standard and gambles, through repeated crises, the existence of her political institutions."

He touched briefly on foreign affairs, saying the Moscow negotiations were developing toward an easing of tension. Of the general world picture he added:

"It is also a question of freedom when—within the French union and in the world—the bases of interior and exterior peace are still precarious."

Only the Communists and extreme rightists failed to applaud his speech. The Communists are his enemies for he bested them by breaking a series of Communist-led strikes during his eight months premiership which ended July 19. He was foreign minister in the month-old cabinet of radical Socialist Andre Marie, which fell on Saturday.

Pleads for Full Support

He pleaded with the legislature for more than temporary support.

"What authority can a government have, if confidence is given it in general and then withdrawn on each detail and each problem?" he asked.

He said a main task was to "save the franc." In addition to his program of no wage increases, more taxes and higher prices, he pledged a slash in military and civil service expenditures. He resigned in July because the Socialists demanded a bigger slash in military budget items than he was willing to accept.

Schuman said he would form as small a cabinet as possible.

Of Germany, he said "we will practice a policy that, while guaranteeing our security, will permit her to come in, on a democratic basis, in the European structure we seek to build."

He said his government would continue to work for the calling of a European assembly in which he

hoped Germany would eventually take part.

Prior to the meeting of the assembly the Communist Central committee announced the party would not support Schuman. But he expressed confidence he would get the 311 votes needed from the 620 deputies. ADD

SCHUMAN WARNS FRENCH IN CRISIS

Paris, Aug. 31 (A. P.).—Robert Schuman, seeking the approval of the National Assembly as Premier of France, told the Deputies today that the nation's freedom is at stake in her current economic-political crisis. The leader of the Popular Republican Movement party (M. R. P.) was expected to win the indorsement of the Assembly, then to plunge immediately into the difficult task of getting France's parties to agree on a Cabinet and a program for France's eleventh Government in three years.

Schuman, who resigned as Premier on July 19, when Socialists opposed him on military budget items, told the Assembly that it was a question of national freedom when France "consumes more than she produces, abandons her money, lets speculation set the national living standard, and gambles, through repeated crisis, the existence of her political institutions. It is also a question of freedom when, within the French union and in the world, the bases of interior and exterior peace are still precarious."

Before the Assembly session, the Communist Central Committee announced that the party would not support Schuman, but the M. R. P. leader had expressed confidence that he would get the 311 votes needed when the 620 deputies reached a vote. ADD

Rome, Aug. 31 (AP)—A trainload of refugees from the Communist régime in Czechoslovakia has arrived in Italy under the protection of the International Refugee Organization.

The refugees, numbering about 1,600, have all fled their homeland since last winter's Communist coup in Czechoslovakia. They were brought together in I.R.O. camps in Germany and are now at Naples.

I.R.O. announced that plans are being developed to resettled them.

They will live meanwhile in I.R.O. camps vacated by now resettled victims of Nazi persecution.

Guerrillas Fleeing From Greece Reported to Be Seized Crossing Border.

London, Aug. 31 (A. P.).—Premier Marshal Tito tightened his grip on Yugoslavia today, promoting to greater power his trusted governmental and party lieutenants, Eduard Kardelj and Alexander Rankovic. Stanoje Simic, the non-Communist Foreign Minister, was replaced, and Vice-Premier Kardelj was promoted from chairman of the Control Commission to Foreign Minister.

Rankovic, who heads Yugoslavia's police, becomes a Vice-Premier. He remains Minister of the Interior. Kardelj and Rankovic were singled out with Tito by the Russian-dominated Cominform as arch-foes of the Moscow line in Yugoslavia.

The shifts were announced in a decree of the ruling presidium of the Yugoslav National Assembly, which put into effect a "reconstruction of the Yugoslav Government." The decree was broadcast from Belgrade by Tanjug, the official Yugoslav news agency.

Other Changes Made.

Kardelj retains his post as Vice-Premier. Simic, stepping out of the foreign office, takes a post as minister without portfolio, Tanjug announced. Other changes it reported were:

Durbalagoje Neskovic, former Premier of Serbia and a member of the powerful Politburo, becomes a vice-premier, and gets Kardelj's old post as chairman of the Federal Control Commission.

Shetozar Vukmanovic becomes Minister of Mines, succeeding Bane Andrejev. Rodoljub Colakovic becomes Minister for Science and Culture, apparently a new post, replacing the Commission for Art and Culture, which had been headed by Vladislav Ribnikar. ADD

Solid Pro-Tito Front Set Up In Yugoslavia

Belgrade, Yugoslavia, Aug. 31 (AP). Premier Marshal Tito shook up his Cabinet today and established a solid pro-Tito front against the Cominform challenge to his leadership. Bezoad Carruthers

By a hastily adopted decree Yugoslavia was placed under an all-Communist all-Tito Government.

Elevated to more strategic posts in the Government were Edvard Kardelj, Vice Premier, and Alexander Rankovic, Interior Minister.

Those two men, along with Tito, have been singled out for special attack by the Cominform, the Soviet-dominated association of Communist countries in eastern Europe which has assailed the Tito leadership as anti-Russian and deviating from the true Marxist line.

Retains Control Of Police

Kardelj was promoted from chairman of the control commission to Foreign Minister. Rankovic was named a vice premier. He retained his Interior Ministry job, which gives him control over the country's police.

Kardelj replaced Stanoje Simic, a non-Communist, as Foreign Minister. This was no surprise, since it has been known for some time that Kardelj was one of the real formulators of foreign policy. Simic was kicked downstairs to an ineffectual post of minister without portfolio.

The only non-Communist left in a high Government post was Frane Frol, Minister of Justice. The Justice portfolio, however, is not considered one of the key positions in the Government.

Many In Politburo

The other ministers all are ranking members of the Communist party, many of them in the central committee or the powerful politburo.

The shakeup was interpreted as a consequence of the pledge of the recent Communist congress that the party's first task was to close its ranks and tighten the control over the Government.

The changes on the domestic front followed last week's formal protests to the Romanian and Hungarian governments against attacks on the Tito leadership by Government officials in those two Cominform countries.

Tanjug, the official Yugoslav news agency, made the Cabinet changes known in a dispatch sent abroad. They were not published here late today but will probably be carried by the radio sometime tonight and printed in tomorrow's newspapers.

Other Cars Carry Guards

But Belgrade knew something was up. Tito's special guards lined the route from his home to the National Parliament Building, where he called a special session of the Presidium of the National Assembly. This is the executive body of the parliamentary group. The decree was issued by the Presidium.

Many saw Tito's big sedan race through the streets flanked by other cars carrying guards to the Presidium meeting.

The changes, as announced by Tanjug, were all at the top and it was felt that none was made in the lower brackets at this time. Others affected by the shakeup were:

Durbalgoje Nesakovic, formerly Premier of Serbia and a member of the Politburo, was appointed a Vice Premier and given Kardelj's old post as chairman of the Federal Control Commission.

Made Mines Minister

Shetozar Bukmanovic became Minister of Mines, succeeding Bane Andrejev. The latter was appointed Minister Chairman for Hydro-Economy.

Rodolojub Cholakovic was named Minister for Science and Culture, a new post replacing the Commission for Art and Culture headed by Vladislav Ribnikar.

Mijalko Todorovic was named Minister of Agriculture, succeeding Peter Stambolic.

Dr. Pavle Gregoric, formerly a minister without portfolio, was named chairman of the Public Health Committee, succeeding Dr. Dmitar Nestorov.

The rapid rise of Communists who followed Tito through the liberation was reflected in the changes.

Only Two Ousted

Among those who came up fast-est was Nesakovic, former President of Serbia. In his new post as head of the powerful control commission he will watch over the economic and political activity of the Government.

Bukmanovic, the new Minister of Mines, was formerly a party leader in Macedonia.

Only two of the federal officers—Ribnikar and Andrejev—were ousted. Tangjug did not say what became of them. Both were Communists. It was not known whether they opposed Tito in the Cominform crisis or were merely replaced by stronger party men.

Slav Premier Revamps Regime, Tightens Grip

Belgrade, Yugoslavia, Aug. 31 (AP)—Yugoslavia was placed by a hastily adopted decree today under an all-Tito Government, with all the ranking Cabinet officers Communists.

Premier Marshal Tito, target of recent Russian-ruled Cominform criticisms, ended his vacation in the Slovenian mountains, called together the Presidium of the National Assembly and shok up his Government.

Simic Moved Down

The most important changes were the elevation of Vice Premier Eduard Kardelj to Foreign Minister and Interior Minister Alexander Rankovic to Vice Premier. The cominform had singled out both by name and blasted them, along with Tito. Both retain, in addition, their old offices.

Non-Communist Stanoje Simic, who was Foreign Minister, was given the ineffectual post of Minister without Portfolio.

The Tanjug news agency announced the Government changes, but these had not been publicized in Belgrade late today. Perhaps the radio tonight and newspapers tomorrow will be allowed to scatter the news domestically.

Tito's special military guards lined the route from his home to the National Parliament building. Many saw Tito race through the cleared streets in a big sedan, flanked by other sedans carrying guards.

Other changes Tanjug reported:

Durbalagoje Neskovic, former Premier of Serbia and a member of the powerful Politburo, becomes a Vice Premier and gets Kardelj's old post as chairman of the Federal Control Commission.

Shetozar Vukmanovic becomes Minister of Mines, succeeding Bane Andrejev. Rodoljub Colakovic becomes Minister for Sci-

ence and Culture, apparently a new post replacing the Commission for Art and Culture, which had been headed by Vladislav Ribnikar.

Andrejev, moving from the Mining Ministry, was named minister-chairman of the Committee for Hydro-Economy; apparently a new department concerned with expansion of hydroelectric projects.

Mijalko Todorovic, another newcomer, was named Minister of Agriculture, succeeding Petar Stambolic. Dr. Pavle Gregoric, former Minister without portfolio, was named chairman of the Public Health Committee, succeeding Dr. Dmitar Nestorov.

No Other Details

The brief dispatch gave no details of the "reconstruction" of the Government beyond announcing the ministerial changes. No mention was made of Second Vice Premier Jasa Prodanovic, Minister of Justice Franje Frol and a number of other ministries.

The last time Tito changed his Cabinet was May 6, when Andrija Hebrang, Minister of Light Industry, and Lieut. Gen. Sreten Zujovic, Finance Minister, were dropped for "hostile and anti-national activities." The Cominform denounced this dismissal and said the two were "arrested because they dared to criticize the anti-Soviet concepts of the Yugoslav Communist party."

Tito, after defending his policies against the Cominform attack, set about a quiet cleanup which apparently reached its climax with today's decree.

The shakeup was preceded earlier this month by changes in state governments, particularly in Montenegro and Bosnia. In these regional purges the local governments were streamlined by elimination of minor ministries, and the power was concentrated with picked leaders.

Benes's Condition Extremely Serious

Prague, Aug. 31 (A. P.).—Former President Eduard Benes of Czecho-Slovakia has lapsed into unconsciousness, and a bulletin from his doctors said tonight his condition is "extremely serious."

Benes became critically ill a week ago. The former President, now 64, is suffering from a recurrence of a chronic ailment. He resigned the presidency in June, and was succeeded by Communist Klement Gottwald.

Benes In Coma, Doctors Say; Condition Is 'Extremely Grave'

Prague, Czechoslovakia, Aug. 31 (AP)—An official bulletin said tonight former President Eduard Benes has become unconscious and that his condition is "extremely serious."

Benes's doctors said in a report issued at 7 P.M. that he lapsed into unconsciousness at 5 A.M. today when he underwent a "new and serious deterioration."

The 65-year-old cofounder of the Czechoslovak Republic, who resigned the presidency in June, suffered a stroke a year ago and has been in poor health since then. His doctors disclosed last night that he became seriously ill again a week ago. He is at his country home 60 miles south of Prague.

Refused To Sign Constitution

The doctors' report said the trouble appeared to be with his circulation, although his lungs appeared to be functioning normally.

Benes rode out Czechoslovakia's Communist revolution last February, but bowed to the party's demands for more power in the Cabinet. That struggle apparently made inroads on his health.

He opposed unsuccessfully the single ticket election last May and early in June resigned the presidency rather than sign the new "people's democracy" constitution.

Benes said in his letter of resignation that his health was a factor. He left no doubt, however, that the chief factor was the political pressure building up about him. He was succeeded in the presidency by the Communist Premier, Klement Gottwald.

Cominform Hits Slavs Again

Bucharest, Romania, Aug. 31 (AP). The Cominform resumed its running battle with Premier Marshal Tito's regime today. It also took side swipes at "Wall Street warmongers" and the United States presidential campaign.

The September 1 bulletin of the Cominform (Communist International Information Bureau) said Tito's Yugoslav Communists think they can "afford to behave impudently" because they believe Russia will not abandon Yugoslavia.

The bulletin published a letter attributed to a group of Belgrade students and said they agreed with the Cominform's finding that the Yugoslav party's central committee has departed from the Marxist-Leninist line.

Letter Quoted

It quoted the letter as saying:

"Our (Yugoslav) Central Committee thinks the U.S.S.R. will not abandon Yugoslavia because of Russia's anti-imperialist policy.

"This is why the Yugoslav Central Committee thinks it can afford to behave impudently."

The bulletin also carried an article signed by Stefan Boicu, president of the Romanian Journalists' Union, which said "Wall Street warmongers" spread rumors that Romania would be incorporated into the Soviet Union.

"Conditions For Aggression"

Boicu charged Wall Streeters are seeking to "create favorable conditions in Europe for American aggression."

Another article declared that President Truman and Thomas E. Dewey are conducting their election campaigns along "German Fascist lines."

The article added that Republicans and Democrats are uniting against Henry A. Wallace's Progressive party, but said the party's popularity "is growing immensely every day."

Decision In Finland

In Helsinki, the Finnish Communist party has begun a week-long meeting at which it will decide whether to join the Cominform.

The question has not yet been discussed, but it due for action before the end of this week's session.

POLAND ARRESTS CATHOLIC PRIEST

Hierarchy Spokesman Seized At His Warsaw Apartment

Warsaw, Aug. 31 (AP)—The Communist-led Polish Government today arrested the Rev. Msgr. Zygmunt Kaczynski, vigorous spokesman for the Catholic hierarchy and director of the Catholic weekly *Tygodnik Warzawski*.

Four militiamen attached to the security police entered Monsignor Kaczynski's apartment behind All Saint's Church and took him away. His weeping housekeeper said the militiamen searched the priest's files and books but offered no explanation for his arrest.

Monsignor Kaczynski is a close friend and speaks often for August Cardinal Hlond, Primate of Poland.

The offices of *Tygodnik Warzawski* were sealed and five staff members arrested.

Assailed Communist Press

For the past few months *Tygodnik Warzawski* has been fighting a war of words with the Communist-controlled press. In addition to being director, Monsignor Kaczynski is chief editorial writer for the weekly, which has a strong influence among Catholics.

The arrest was another in a series of events in the strained relations between the Government and the Church. Diplomatic relations between Poland and the Vatican were severed in 1945, when Poland renounced its concordat with the Vatican.

Latest action of Pope Pius which aroused Government opposition was a letter to German bishops deploring expulsion of Germans from territory now under Polish rule.

Stock Comment

The Government saw this as an attack upon its position that the western boundaries of Poland are fixed permanently on the Oder and Neisse rivers.

Government sources were not available for comment on the reasons for Monsignor Kaczynski's arrest. On previous occasions when priests have been arrested the stock answer has been: "He has underground connections."

During the war the priest was Minister of Education in the Polish Government in exile in London. He was known as a good friend of President Roosevelt.

The Polish Government says it is offering freedom to all religious faiths, but has warned the Roman Catholic Church to keep out of politics.

Catholic Leader In Poland Is Arrested

Warsaw, Aug. 31 (AP)—Msgr. Zygmunt Kaczynski, 55, a leading spokesman of the Roman Catholic hierarchy in Poland, was arrested today by security police.

Four militiamen entered Kaczynski's apartment behind the All Saints Church in Warsaw and took him away. The monsignor's housekeeper said the militiamen searched the prelate's files and books but offered no explanation for the arrest.

The secretary to August Cardinal Hlond, primate of Poland, said the cardinal had been informed of the arrest but had no further information.

Was Friend Of Roosevelt

Kaczynski has been the main editorial writer and director of the influential Catholic weekly newspaper *Tygodnik Warzawski* since the war ended. He is a close friend, confidant, and often a spokesman for the Catholic primate of Poland.

He was Minister of Education in the Polish Government in exile in London during the war and was regarded as a warm friend of President Roosevelt. He visited the White House in Washington several times.

Government sources did not comment immediately on the arrest other than to say he had "underground connections."

Staff Also Reported Seized

Offices of the weekly in central Warsaw were locked at noon. One priest said the militia had arrested the entire editorial staff, but this was not confirmed at once.

Tygodnik Warzawski for several months has been at editorial odds with the pro-Communist press, which the Government controls. These papers have rebuked the Catholic Church for failure to take a stand on Poland's western frontier. They have accused Pope Pius XII of "anti-Polish statements" and have attacked a letter the Pope sent a few months ago to German bishops.

Security police recently arrested the editor of *Tygodnik Powszechny* in Krakow. The journal usually reflects the views of Adam Cardinal Sapieha.

Nazi Sentenced to Die.

Warsaw, Aug. 31 (A. P.).—Warsaw District Court today sentenced to death Rudolf Hentschel, one-time barracks commander at the Nazis' Dachau concentration camp. He was accused of killing Poles.

Allied Envoys Confer Again At Embassy

Moscow, Aug. 31 (AP)—Diplomatic representatives of the Western powers conferred today at the British Embassy. They looked tired, perhaps because they talked until late last night at the American Embassy.

Their conversations presumably concerned the ninth four-power talk on Germany at the Kremlin last night. An authoritative informant said the only bar now to a procedural agreement on the Berlin crisis is one of the Western power's insistence on phrasing and technical points.

The informant did not say which Western power that was. The current phase of the talks on Berlin has been going on for exactly one month today.

The Western powers were described last night as being very close to agreement on how to go about handling the problem of dealing with the German situation. That does not mean there is agreement on the issue at stake.

There apparently will be more meetings at the Kremlin before the long-awaited four-power communique on the subject is issued.

More Moscow Talks Due.

Moscow, Aug. 31 (A. P.).—A competent authority said today that the current four-Power meetings in Berlin and Moscow may lead to top-level discussion of the whole German question, probably during the United Nations meet-

ings in Paris, if all goes well.

These objectives, too, have a chance of succeeding, the informant said:

1. Establishment of Soviet currency in all Berlin, with Four Power control.

2. Restoration of normal communications (the lifting of the Russian-imposed blockade of western Berlin.)

Although the Four Power talks shifted to Berlin today, Moscow will continue to be the scene of such conversations. Probably these will be simultaneous with the Berlin conferences.

Slavs Reported Holding Greeks

Athens, Aug. 31 (AP)—Newspapers said today that Yugoslavia has started interning guerrillas of Markos Vafiades as they flee before the Greek Army drive.

If true, this would mean another Yugoslav defiance of Moscow as a result of the Cominform attacks on Yugoslav Communist leaders.

A highly placed neutral observer said Yugoslav help to the Greek Communist leader declined after the quarrel started between Tito and the Cominform. He said the internment report is quite possibly true.

Following its victory in the Grammos Mountains, adjoining Albania, the Greek Army started an offensive in the Vitsi Mountain area near the junction of the Greek, Yugoslav and Albanian borders.

Denied Help By Tito

The neutral observer said Vafiades visited Tito personally, after the Cominform break, to ask for help. Tito said "no."

The unconfirmed newspaper report said guerrillas crossing the border from the Kiamaktchalan area were put into a concentration camp in Yugoslavia. Some turned back to Greece, and the Yugoslavs increased border patrols and frontier posts.

If Yugoslavia cut off the route of Greek Communists' retreat, the army's job would be lightened. The Communists in the past have run into Yugoslavia, Albania and Bulgaria and returned to fight again in Greece.

Nationals Claim Gains

A National communiqué said one Greek force had reached the main peak of the Vitsi range. Two other columns, moving westward on the eastern sector of the 30-mile perimeter, captured four important heights. Nationals also grabbed peaks west of Kastoria.

Nine rebels were reported killed and twenty captured. The army lost ten dead and eighteen wounded.

Guerrillas counterattacked in the Mount Kaimaktchalan area near the Yugoslav border, suffering sixteen dead. The Nationals lost three wounded.

Rebel Attack Repulsed

A communiqué said Greek troops killed 70 rebels when they repulsed an attack on Dimitzana in the Peloponnesus. Ten of the Greek forces were killed.

The Greek Government indicated last night to the United Nations Special Commission on the Balkans that it was willing to negotiate nonaggression and friendship pacts with Albania, provided the latter:

1. Ceases aid to Markos Vafiades' guerrillas.

2. Satisfies a Greek claim to Albanian-held territory in the Epirus.

Greek Red Leader Held

Labor Propagandist Faces Trial on 152 Counts; Death Penalty Possible

ATHENS, Aug. 31 (AP).—Demetrios Paparigas, Greek Communist labor propagandist, awaited trial today on 152 counts, mainly of fomenting revolt. No date for his trial has been set. He probably will go before a military tribunal.

Mr. Paparigas, a member of the politburo of the outlawed Greek Communist party, was arrested about a month ago in Athens after escaping detention last Christmas. Conviction could mean a death sentence.

[The Moscow trade union newspaper "Trud" appealed to the World Federation of Trade Unions to save Mr. Paparigas. The union organ asserted, with no apparent authority, that Greek police planned to throw him from a prison window and mark the case a suicide.]

are trying to surrender, military sources disclosed today.

Despite the rigors of the three years, the soldiers are in good condition with sufficient equipment and supplies, say reports to the Defense Ministry.

Heavy pressure from Chinese Communist forces has forced them to seek to surrender to the Government garrison at Changchun, the old Manchurian capital, these accounts add.

Planes, Strong Force Sent

Gen. Cheng Tung-kuo, deputy Government commander in Manchuria, is supposed to have sent planes and a strong force to make contact with the Japanese at Shwanghochen, 50 miles southeast of Changchun.

Reports here give the size of the force at 10,000. The newspaper *Ping Ming Jih Pao* in Peiping, whose account of the reported incident tallies in other respects, said it was 20,000.

Semi-official sources maintained the Japanese already had surrendered.

Should Be Repatriated

Maj. Gen. Chang Liu-shih, military spokesman, told the Associated Press the Government would issue a statement as soon as it receives a detailed report since "these Japanese troops should be repatriated."

When Russia struck into Manchuria late in the Pacific war, this sizeable unit presumably was cut off and fell back into the Chang Pai (forever white) Mountains of the Korean frontier.

Chinese Official Flying To Moscow

Nanking, China, Aug. 31 (AP)—An official of China's Foreign Ministry was flying to Moscow today, reportedly for direct negotiations on long-standing differences between China and Russia.

Official sources confirmed that Pu Tao-ming, director of the ministry's West Asian affairs, was en route but declined to give the reason for his journey. From Mos-

cow he will go on to Paris for a session of the United Nations.

Other quarters believed he has been instructed to take up Russian violations of the treaty with China. A sore spot is Russian occupation

10,000 Jap Troops Reported Trying To Give Up In China

Nanking, Aug. 31 (AP)—From 10,000 to 20,000 troops of Japan's once-potent Kwantung Army have held out for three years in Manchuria's bleak mountains and now

of the Manchurian port of Dairen. Under the treaty it was to return to China.

The Central News Agency reported Pu had been in daily conferences for a week with Russian consular officials at Tihwa, capital of northwestern Sinkiang province where China touches Siberia. It said Pu was flying to Moscow from Tihwa.

20,000 Japs Seek To Capitulate

Peiping, Aug. 31 (AP)—The pro-governmental newspaper Ping Ming Jih Pao reported today that more than 20,000 Japanese troops, remnants of the famed Kwantung Army, are trying to capitulate to the Nationalist Government in Manchuria. The newspaper said that the troops had holed up in the Changpai Mountains, near the Korean border, after the collapse of the Japanese war effort, and that despite their three-years' hiding were in good condition.

JAP REDS URGE PEACE TREATY, OCCUPATION END

AUG 1948

TOKYO, Aug. 31—(AP)—Japanese Communists today called for an early peace treaty for Japan and prompt withdrawal of allied troops thereafter.

The party issued a manifesto voicing strong opposition to "the conversion of Japan into a military base," presumably by the United States since Japan is disarmed.

Japanese Communists have been silent on the question of a peace treaty. The manifesto gave no reason for the party's sudden interest in the question.

Russia Is Concerned

(Russia, however, has shown nervousness over American air power based in Japan. It has protested flights of American bombers over sea lanes used by Soviet ships.

(This nervousness seemed to increase with disclosure the U. S. was building a great air base capable of handling the largest bomb-

s at Misawa, on the northern tip of the main home island of Honshu.

(This base is only 520 airline miles east of the major Siberian port of Vladivostok. This is an easy operational distance for both fighters and bombers.)

Soviet Envoy Returns

The Communist manifesto coincided with the return to Tokyo of Lt. Gen. Kuzma Derevyanko, head of the Soviet mission in Japan and member of the allied council. He has been in Russia for a year.

The communists called for the return to Japan of adjacent islands which are "considered nationally and historically as originally belonging to Japan."

These were not specified, but on the south are the Ryukyus, with Okinawa, a major forward base for American air power in Asia. However, the description also fits the Kuriles to the north, which were given to Russia.

Derevyanko Returns To Post In Japan

Tokyo, Aug. 31 (AP)—Lieut. Gen. Kuzma Derevyanko, Soviet member of the Allied Council for Japan, returned to Tokyo today after more than a year's absence.

The General, who left Tokyo on an unexplained mission to Moscow July 29, 1947, was met at the airport by more than 100 members of the Tokyo Russian colony, including his wife and son. He told newsmen he would talk to them after he was rested.

Derevyanko was a constant critic of the occupation during his attendance at Allied Council meetings. Maj. Gen. A. P. Kislenko acted for him during his absence. Kislenko recently opened new attacks on occupation labor policies.

Russia Frees More Japanese

TOKYO, Aug. 31 (AP). — The Soviet Union released another 12,520 Japanese for repatriation from Siberia, the Kuriles and other areas during the week ended Aug. 26, Far East Command headquarters announced today. It brought the total repatriated from Russian-controlled areas to 788,909. Since the end of the war, 6,013,062 Japanese have been returned to the homeland from all points.

Jap Miners Prodded

Tokyo, Aug. 31 (AP)—Allied headquarters accused Japanese coal miners today of lying down on the job. Headquarters economic and scientific section reported the miners—second best-paid workers in the country—were making no attempt to recover production lost during holidays.

No Amnesty Talks For Huk Chief

Manila, Aug. 31 (AP)—The Government announced today that negotiations for amnesty will not be renewed with Luis Taruc, leader of the Hukbalahap armed peasants.

The Government issued the statement to correct confusion in the Manila press after Taruc had written two letters in an effort to excuse his failure to comply with his obligations under the previous amnesty agreement.

The statement pointed out that despite refusal to bargain with Taruc further, the door was still open for individuals among the peasants to take advantage of the amnesty agreement.

Jews Charge Arab Shelling At Jerusalem

Jerusalem, Aug. 31 (AP)—Arabs shelled a section of the Jewish Mea Shearim quarter of Jerusalem and Israeli positions in the Deir Abu Tor suburb of the Holy City during the night, an official Israeli source announced. No casualties were reported.

Jewish Fleet Reviewed

Haifa, Aug. 31 (AP)—Premier David Ben-Gurion of Israel expressed hope today for an end of the war with the Arabs. Palestine is now under a United Nations truce.

His remarks were made on the flagship of the fledgling Israeli Navy, which he reviewed. Ben-Gurion said Israel's navy will be used to take his nation's message to the seven seas and to maintain contact with world Jewry.

Jerusalem Withdrawal Agreement Is Delayed

Haifa, Aug. 31 (AP)—United Nations headquarters said tonight the Arab-Jewish agreement to withdraw from the Red Cross area of Jerusalem has not yet taken place. The withdrawal was to have been carried out yesterday afternoon.

Commanders of Egyptian and Trans-Jordan Arab legion forces did not receive instructions from their governments, it was said. When the instructions are received United Nations observers will arrange a meeting to fix the time and method of the withdrawal.

135 Insurgents Killed

Singapore, Aug. 31 (AP)—The British said today 135 insurgents have been killed since the state of emergency started in Malaya June 16. Another 72 were wounded. British-led forces lost 22 killed and 44 injured.

Australia Cuts Gas Ration

Canberra, Australia, Aug. 31 (AP). Australia announced today a reduction of twenty per cent in gasoline rations for private use and ten per cent for other users, effective October 1. A Cabinet statement said the decision was dictated by the need to limit dollar purchases and to conserve stocks for defense in the face of an increased automobile registration.

Amalgamation Urged

Antara said the Socialist decision followed a similar one by the Republican Labor party. The Communist party (PKI) recently invited other parties of the left to amalgamate in a new Communist party.

The Communist party now is aligned in the Democratic Popular front with the Socialists, the Laborites, the Youth Movement and the trade union "sobsi."

Sobsi also has decided to link up with the Communists, Antara said, but the Youth Movement has not yet reached a decision.

Heads Socialists

Sjarifoeddin has been the head of the Socialist party, which split last February. A faction headed by former Premier Sutan Sjahrir seceded from the main party.

Sjahrir was reported seeking close unity with other Asiatic nations, avoiding influence of either the United States or the Soviet Union. He also favored keeping the entire left wing outside the government.

Sjahrir said he expected many members of Sjarifoeddin's party to join his party.

"Most Suitable Policy"

Antara reported that the Socialist party said in a statement that the party chose the side of the "anti-imperialist groups led by the Soviet Union" as the most suitable policy for the republic.

After World War II, the statement continued, the policy of cooperating with imperialists to fight fascism should have been replaced by the anti-imperialist policy led by Communists.

Second Indonesia Party Decides To Join Reds

AUG 1948

Batavia, Java, Aug. 31 (AP)—Antara, the Indonesian Republican news agency, said today the Socialist party of the Indonesian Republic has decided to join the Communist party.

Amir Sjarifoeddin, who was Premier of the Republic from July, 1947, to January, 1948, is chairman of the Socialist party.

In Jogjakarata, Antara said, Sjarifoeddin announced that he had been a member of the Communist party since 1935.

2 Left Parties Join With Reds In Indonesia

But Socialists Are Split by Move as Some Balk at Communist Control

BATAVIA, Java, Aug. 31 (AP).—The Socialist and Labor parties of the Indonesian Republic have decided to merge with the Communists, the Indonesian news agency Antara reported today. The Communist party recently invited other parties of the Left to amalgamate in a new Communist party.

At the same time Antara quoted Amir Sjarifoeddin, chairman of the Socialist party and former Indonesian Premier, as saying in a statement at Jogjakarta that he had been a Communist since 1935.

The news agency quoted him as saying the Indonesian Peoples Movement, to which he belonged before the war, was a "cloak for Communist aspirations" and his arrest by the Japanese during the war because he was a Communist, not because of his nationalist activities.

Mr. Sjarifoeddin has been considered one of Indonesia's moderate political leaders, and his reported statement created a sensation here.

Former Premier Sutan Sjahrir led a faction of the Socialists out of the main party last February and organized the Indonesian Socialist party. He said today he expected many Socialists would now leave Mr. Sjarifoeddin's leadership and join his party.

Pesindo, the Socialist youth movement, has not yet decided whether to join the Communists also. Mr. Sjahrir said, "If Pesindo joins the Communist party the Communists will get weapons."

Sobsi, Indonesian trade union organization, already has decided to link up with the Communists.

Premier Mohamed Hatta's Cabinet is a coalition supported by the Islam party, the Centre party, Christians, Roman Catholics and Mr. Sjahrir's Indonesian Socialists. It is opposed by the Communists and their new adherents and the Revolutionary People's Movement.

Antara quoted a Socialist statement that the decision was dictated by important changes in international politics.

Burma Rebels Under Attack

Rangoon, Burma, Aug. 31 (AP)—The Burmese Government sent storm troops battalions into the Pegu area today in an effort to wipe out Communist rebels operating less than 50 miles from the Burmese capital.

A communiqué said the troops and rebels were fighting for possession of three villages in the southern Burma region. The bulletin claimed many insurgents were captured and some killed.

A Government source predicted that the important Irrawaddy River town of Prome, 150 miles northeast of Rangoon, would fall to Government forces within the next 48 hours.

All-Out Drive Planned

The informant said loyal troops were assembling for an all-out drive on Prome, which has been in Communist hands since early August.

Its capture would be a strong blow to the Communists and perhaps a turning point in the Government's efforts to smash Communist efforts to win Burma.

An official announcement said that the district superintendent of police in Prome had been suspended for "inefficiency prior to Prome's capture by the rebels."

Village Is Burned

In the Shweba area 55 miles north of Mandalay, Government troops and police burned Thabyegone village, where the Communists had established an underground government. Twelve rebels were killed.

The communiqué said the situation in Burma was improving and that the Communist rebellion would be stamped out by early October.

An official statement announced the capture of U Bathuri, leader of an insurrection in the Karenni hill tracts on Burma's northeast frontier adjoining Siam.

Rebel Chief Captured In Battle, Burma Says

AUG 1948

Rangoon, Burma, Aug. 31 (AP)—Government forces battling insurgents in the Karenni hill area along Burma's northeast frontier with Siam have captured Rebel Leader Uba Thuri, an official source said today.

The rebel leader was taken Monday.

Loyal troops were reported using guerrilla tactics against the rebels, now reported in retreat. The insurgents had been within 20 miles of the important town of Loikaw before being hurled back. Fighting continues in the area, the reports said.

Ex-G. I. From Wilton, N. H., Is Lodged in British Cell Over Mailed Threats.

AUG 1948

Birmingham, England, Aug. 31 (A. P.).—An ex-G. I. from Wilton, N. H., was locked up in Birmingham jail today while British and American authorities debated whether to prosecute him for misuse of the mails, or let him go home with his shattered romance.

He is Edson Charles Wooster, 25. Wooster was arraigned in court on a charge of sending threatening letters to pretty blond Norma Margaret Shreeve, 20, and with "being a blemisher of the peace," in violation of a 600-year-old English law.

The chief inspector of the Birmingham Criminal Investigation Department told the court that the American consul had advised him that Wooster, by allegedly sending threatening letters in the trans-Atlantic mails, apparently had committed an offense against United States laws, and that the consul was in communication with American authorities. Wooster was ordered held until Friday for further action.

Prosecutor M. P. Pugh told the court that Wooster met Miss Shreeve while he was serving in England with the United States Army in 1944, and fell "very deeply in love" with the pretty secretary. The slight, bespectacled young man, who lives on a rural route out of Wilton, carried on a prolonged courtship by mail, sending letters and parcels to the girl and her family, but Miss Shreeve was not interested in matrimony.

Returned Passage Booked.

"He then said he would never give her up, and if he could not have her, no one else would," Pugh said. "Since then, Miss Shreeve has received two letters of a somewhat abusive nature, containing threats, under circumstances, to kill various persons, especially her mother."

Yesterday, Miss Shreeve encountered Wooster, wearing dark glasses, on the street in Birmingham. They did not speak. She complained to the police, and when Wooster later appeared at her home he was arrested.

Pugh said that Wooster apperently arrived in England on Sunday, and that he told the police he did not "personally threaten Miss Shreeve." Wooster told the court that he had a return passage by ship, and intended to go home as soon as possible, but first that he wanted to see Miss Shreeve alone.

East-West Currency Issue Due For Discussion

AUG 1948

Washington, Aug. 31 (AP)—The State Department said today measures to lift the Berlin blockade will be discussed by the military governors in Berlin along with the currency problem.

Michael McDermott, department press officer, said the military governors of the American, British, French and Russian zones will discuss "certain technical questions involved in the restoration of communications." McDermott's statement was the first definite word that the lifting of the Russian blockade of Berlin will be considered, as well as a possible agreement to end the difficulties caused by use of Eastern and Western currency in Berlin.

Satisfactory To West

Diplomatic officials emphasized that holding the currency discussions means the Berlin talks were set up under conditions satisfactory to the Western powers. If not, they said, there would be no discussions in Berlin.

The Western powers have insisted that before they would even talk over the currency situation the Russians must lift the blockade of the former German capital.

"In connection with these further discussions, certain technical questions involved in the restoration of communications and the currency problem will require consideration and recommendations from the military governors in Berlin," McDermott said.

McDermott declined further comment on the Berlin discussions. But it is known that top American officials do not consider the four-power talks in Moscow to be suspended.

Presumably the Moscow negotiations will resume once the military governors forward their recommendations to them.

Spy Probe Told Berle Lost To Hiss Bloc

Washington, Aug. 31 (AP)—Representative McDowell (R., Pa.) today quoted A. A. Berle as saying that while Assistant Secretary of State he battled and lost to a pro-Soviet, "appease-Russia" group in the State Department that included Alger Hiss.

But McDowell said he doubts that Berle considers Hiss a Communist.

As a result of losing the battle, McDowel lsaid, Berle was transferred from the department in Washington to Brazil as Ambassador.

Berle was Assistant Secretary of State from 1938 to late 1944. He was made Ambassador to Brazil and served until 1946.

Quizzed Berle In Secret

McDowell headed a House Un-American Activities subcommittee which questioned Berle behind closed doors in New York yesterday.

Whittaker Chambers, who has been a star witness in the committee's Communist hearings, has testified that he went to Berle in 1939 and told him about a "Red underground" in Washington, naming Alger Hiss, a State Department official, as one of the members.

McDowell, telling reporters something of what Berle told the committee, said Berle declared that Chambers did not say any of the people named were Communists but that htey were "intellectuals interested in the Communist philosophy."

"Considerable Leaks"

McDowell said Berle testified that there were "considerable leaks" of information from the State Department, that there was a "serious rift" between a "get-tough-with Russia bloc" and a pro-Soviet group which wanted " to appease Russia, " that he lost the battle against the latter and was transferred to Brazil as ambassador.

McDowell said Berle included Hiss in the pro-Soviet bloc. He said Berle testified that former Under-Secretary of State Dean Acheson "was boss of the Hiss boys."

Chambers, now a senior editor of *Time* magazine, has told the committee that nothing happened after he related the story of Red underground to Berle.

Conferred With FBI, Report

On the point of what was done, McDowell said Berle reported talking with Acheson and conferring with the FBI. As a result, McDowell quoted Berle, a security organization was set up and an alien registration law developed.

McDowell said Berle told the subcommittee he "didn't consider the Hiss boys important enough to worry about it" because their jobs were not big ones.

Hiss was a State Department official at the policy-making level before leaving last year to become president of the Carnegie Endowment for International Peace.

Cites Personal Prejudice

McDowell said Berle told the committee that he might not be fair to Hiss because personal prejudice entered the case, centering around the differences between the two blocs.

"I think he considers Hiss an idealist," McDowell said, "who got tangled up in things he didn't understand. I doubt if he considers Hiss a Communist."

McDowell said he did not know whether Acheson would be called as a witness before the House committee.

McDowell told reporters also that a check on Government records show that Chambers was a WPA writer from October, 1937, to January, 1938, at a salary of $2,000 a year—not the $6,000 Chambers estimated.

Berle Says Hiss Had Pro-Russian Viewpoint

WASHINGTON, Aug. 31 — (AP) Congressional spy investigators today disclosed testimony that groups of state department officials clashed over policy toward Russia in wartime 1944, with a prominent loser ending up in a South American diplomatic post.

Rep. McDowell (R-Pa) said the behind-the-scenes row was described by A. A. Berle, former assistant secretary of state, in secret testimony before a House Un-American Activities subcommittee in New York yesterday.

Acheson Group Won

Berle said "Mr. Acheson's group" (former under secretary of state Dean Acheson) came out on top in the collision of views.

On the losing side Berle went to Brazil as U. S. ambassador.

A transcript of Berle's testimony released here, quoted him as saying there was a "serious rift" at that time between two groups in the department — those who advocated a stronger policy toward Russia and those who wanted to soft-pedal friction between Washington and Moscow.

Berle said he fought the go-easy bloc, and he testified:

"I got trimmed in that fight, and as a result, went to Brazil and that ended my diplomatic career."

Berle was assistant secretary of state from 1938 until late 1944. He served as ambassador to Brazil until 1946.

The former official also declared that Acheson's assistant, Alger Hiss, a key figure in the current spy probe, took a pro-Russian viewpoint and that he was "worried" about Hiss.

Hiss is now head of the Carnegie Endowment for International Peace. He has been described as a former leader of a pre-war red underground in Washington by Whittaker Chambers, self-styled former communist, now a Time Magazine senior editor. Hiss has sweepingly denied Chambers' accusations.

Berle said he adhered to a group in the state department that felt the Russians were not going to be sympathetic or cooperative.

Berle testified that "Mr. Acheson's group" stood in opposite position in the state department in 1944 "with Mr. Hiss as his principal assistant in the matter."

Concerned Over Hiss

He said his anxiety over Hiss stemmed back in 1939 when Chambers came to him with the story of the secret red network in the nation's capital and he looked into the record of both Alger Hiss and his brother, Donald.

Berle said Acheson vouched for the brothers, and subsequently, he said, he found that Supreme Court Justice Felix Frankfurter would give the Hisses "an exactly similar endorsement." He said neither Hiss brothers had access to confidential information.

Nevertheless, Berle said, he conferred with the FBI and one result was the creation of a security setup.

Berle testified he was also worried because "there were pretty consistent leaks whenever anything went through the office" in which Alger Hiss worked during the war. He said they would show up in a Washington column.

"In general," he said, "it was true during that period Mr. Hiss was all for cooperation with Russia."

Berle said, however, this attitude did not necessarily lead to the conclusion that Hiss was "a disloyal man," because he said many loyal people, including a good many army officers, thought then it would be wiser not to raise any issues with Russia while the war continued.

Rep. McDowell told newsmen the house committee has not yet decided whether to call Acheson to tell his side of the dispute.

CIO OFFICER BALKS AT ROLE IN UEW PROBE

Carey Denies Congress Right To Inquire Into Union

AUG 1948

Washington, Aug. 31 (AP)—James B. Carey, secretary of the CIO, said today he would not testify on communism in the United Electrical Workers before a congressional hearing opening Thursday.

He made public a letter to Representative Kersten (R., Wis.) saying that he had turned down such requests before, and "must respectfully decline your invitation" again.

The hearings to investigate communism in trade unions will be conducted by a House Labor subcommittee headed by Kersten. The Wisconsin congressman had asked Carey to testify.

Kersten in a letter August 23 invited Carey to appear before his group about "widely published newspaper reports to the effect that the United Electrical, Radio and Machine Workers of America (CIO) has failed to set its house in order concerning its ideological aspects."

First President Of Union

Carey was the first president of the union, and is still a member as well as being secretary-treasurer of the CIO as a whole.

Carey wrote Kersten that he does not believe "such inquiries" are "within the competence of Congress." He said the UEW is a "non-governmental organization" and that its internal questions "lie only within the competence of the members of that organization."

He rapped congressional probes of the nature Kersten is conducting by saying that "investigations and inquiries of this sort reveal a tendency of Congress, through misapplication of its authority, to brand labor organizations as conspiratorial groups."

He said such probes of communism in the past "always had the result of giving aid and comfort to the Communists."

"Blackmail" Charged

In New York, Fitzgerald, who Kersten said would be called as a witness, termed the hearings political and an attempt to steal "headlines" from the House Un-American Activities Committee.

He said the hearings were an attempt to "blackmail" delegates to UEW's national convention starting this week and "a part of reactionary pattern to impress 'thought control' upon the working people of this country."

NO NEGRO QUOTAS IN MILITARY DRAFT

Washington, Aug. 31 (A .P.).—The military has dropped from its peacetime draft the quota system used for Negroes during world war II, defense officials said today. A spokesman for Selective Seryice headquarters said in answer to a question that no quota is fixed, that Negroes and

30.24- 20097

whites are being "taken as they come."

During the war, a quota was set for the draft of Negroes. The aim was to call approximately as many Negroes as the proportion of their race to national population. That is about 10 per cent.

Negroes will get their basic training at camps anywhere in the country to which they happen to be assigned, either in the North or South, Army spokesmen said. They denied a published report that no Negroes would be trained in the South. A Negro will be assigned to any unit where needed, regardless of location, when his basic training has been fixed, spokesmen said.

'AXIS SALLY' HEARING PUT OFF 2 WEEKS

AUG — 1948

Gets Extension To Sept. 14 To Prepare Defense On Treason Charge

Washington, Aug. 31 (AP)—Silver-haired Mildred Elizabeth Gillars, who says American authorities "kidnapped" her out of Germany, today was given two more weeks to prepare her fight against a charge of treason.

The 48-year-old Portland (Maine) woman—"Axis Sally" to GI's—is charged with betraying her country by broadcasting wartime Nazi propaganda over Radio Berlin.

Appearing before Cyril S. Lawrence, United States commissioner, she asked that her preliminary hearing be put off so that she can obtain hospital treatment and counsel. The new date is September 14.

John Kelly, Assistant United States Attorney General, also asked delay. He said the Government needs more time to present evidence to the grand jury.

Denies Charges

Miss Gillars, in a modest gray checked suit and a white blouse open at the throat, heard Lawrence state the charge. She said she didn't agree with it.

Lawrence asked her if she was represented by counsel. Miss Gillars replied that she was not.

She was then asked if she wanted hospitalization.

"If you could arrange it, I would be very grateful," she told Lawrence. She has said previously that she is ill and requires medical attention. The nature of her illness was not disclosed.

After her formal appearance, Miss Gillars approached Lawrence and said she feared she was being "railroaded."

Weeping quietly, she said she had been held in Germany a year and a half without being under arrest, and that she did not know when she left Frankfurt why she was being brought back to this country.

Calls It "Kidnapping"

"That's the sort of thing I understand as kidnapping," she told Lawrence.

"You're not going to be railroaded," Lawrence told her. "We in America have a system of justice for all."

She was assured she could obtain counsel of her own choosing or, if she is not able to afford an attorney, counsel will be appointed.

Miss Gillars also said that all of her witnesses were in Germany. Lawrence said that if the grand jury indicts her he thought the court would give her a "reasonable time" to obtain witnesses.

Miss Gillars was brought back to this country by army authorities August 21 to face the treason charge. She is being held in the District of Columbia jail.

Army officials discovered her in Berlin about two years ago, living in cellars and grubbing out a precarious living. She was later transferred to the American zone with instructions to report every two weeks to authorities.

GILLARS HEARING DELAYED

'Axis Sally' and U. S. Both Ask Postponement to Sept. 14

WASHINGTON, Aug. 31 (AP)—Cyril S. Lawrence, Federal Commissioner, today postponed until Sept. 14 a preliminary hearing for Mildred Elizabeth Gillars—"Axis Sally"—who is charged with treason.

Miss Gillars and John Kelly, Assistant Attorney General, asked the delay. The hearing was originally set for today. Mr. Kelly told Commissioner Lawrence that the Government will not finish presenting evidence against Miss Gillars to the grand jury until Sept. 8. Miss Gillars said she wished the continuance.

Commissioner Lawrence asked her if she wanted hospitalization. Crying, she replied:

"If you could arrange it, I would be very grateful."

Miss Gillars, a native of Portland, Me., has said that she is ill and "desirous of obtairing medical attention."

The treason charge arose from wartime broadcasts she is alleged to have made on behalf of the Nazi Government in Germany.

EUROPEAN UNION SEEN VITAL NEED

WASHINGTON, Aug. 31 — (AP) America's vigorous backing of France's call for a parliament of Europe was cheered today by French Ambassador Henri Bonnet as greatly encouraging his people.

Creating the assembly can have a "tremendous effect" in promoting western unity, the envoy declared. "The powerful support of public opinion in Europe" is back of it, he asserted.

There is a "popular longing everywhere in Europe for better and closer cooperation," he told a reporter.

Backed by U. S.

This government, which wants a closer knit west through a United States of Europe or any grouping of democratic states toward that end, said officially last week that it "strongly favors the progressively closer integration of the free nations of western Europe."

Bonnet predicted that the assembly would offer a firm basis for lasting economic cooperation among the Marshall Plan nations.

France's idea is an advisory body at the start. Presumably the Marshall Plan nations would compose it. France asked that Britain, Belgium, the Netherlands and Luxembourg join in a preliminary meeting before November to work out plans for setting up the parliament.

The five nations already are together in the 50-year Brussels Alliance.

Bonnet said it would be up to the proposed gathering to determine which country could join the assembly. But he added it is "very likely" the nations participating in the European recovery program would be invited to become members.

"The results of our cooperation will be seen during the coming months," he said of the Marshall Aid countries.

"We are working very hard through the economic organization that represents the 16 countries. We have had to face many difficult problems concluding technical currency matters, but we are working to improve European trade. And from the last reports I have received important progress has been realized."

Bonnet said the All-European assembly could make such economic cooperation much easier for member countries "because this would mean each country would be able to bring the full support of its individual parliament once a common policy has been decided."

New Aide Of D.P. Group Due To Sail For Europe

Washington, Aug. 31 (AP)—Ugo Carusi, chairman of the new Displaced Persons Commission, will leave Monday to set up machinery to bring 205,000 war refugees to the United States in the next two years.

The State Department said the first 2,500 to 3,000 immigrants under the new legislation will come from the western occupation zones in Germany and Austria and from Italy in October.

Later the average monthly rate is due to rise to possibly 10,000.

TRI-POWER GROUP PLANS ATOM RESEARCH STUDY

WASHINGTON, Aug. 31 — (AP) Developments in atomic energy research over the past 10 months will be reviewed by representatives of the American, British and Canadian atomic energy commission Sept. 6-8, it was announced today.

The group will meet at Harwell, England.

Among other things, the representatives will determine what information on atomic research may be published and what should be kept secret.

Seven Americans will attend.

NAVY PLANS TO BUILD LARGER CARRIER PLANES

WASHINGTON, Aug. 31 — (AP) The U. S. Navy said today it will build improved and larger aircraft to operate from the larger aircraft carriers, specifically the new 65,000-ton super carrier to be constructed at Norfolk, Va.

Aviation companies have been asked to participate in design competition for the new planes. Specifications are withheld for security reasons.

"It is not known at this time what the size, speed or range will be," the Navy said in a statement.

Whatever type of plane is developed, the Navy said, its use will be determined by the joint chiefs of staff.

V.F.W. PARADES AT ST. LOUIS

15,000 Delegates Attend 49th Annual Encampment

AUG — 1948

St. Louis, Aug. 31 (AP)—For four hours today some 15,000 delegates to the Veterans of Foreign Wars convention paraded through downtown St. Louis streets. Another 200,000 persons lined the curbs to watch the colorful event.

Heat from a bright sun was countered by a stiff breeze which made the spectators more comfortable but increased the job for flagbearers.

About 100 bands and bugle corps were interspersed among the floats representing delegations from all 48 states and many cities.

One of the outstanding floats was that of Oklahoma—a 40-foot affair on which stood a pioneer log cabin and an Indian tepee.

Gives Cheese Samples

One veteran dressed as Hitler was led along the route with a rope about his neck.

Gov. Oscar Rennebohn, of Wisconsin led his State's delegation which treated the reviewing stands with showers of sample cheese packages.

Some members of the New York group—obviously from Brooklyn—taunted spectators with cries of "We took over this town" and other references to the four defeats the Dodgers handed the St. Louis Cardinals Sunday and yesterday.

The traffic problem, already serious as the evening rush hour began while the procession was still going on. Downtown office and store workers added to the throngs walking in every direction while streetcars and buses were tied up, blocks from the downtown area.

Portray Flag Raising

Members of a St. Louis Marine post portrayed the raising of the American flag on Iwo Jima, with a mud-laden truck as the setting. They rode motionless over the route in the same pose as depicted in pictures of the event.

In a morning business session the delegates approved a resolution asking every presidential candidate to issue a statement to Russia stating the unity of the people of this nation, regardless of the outcome of the November election.

Carl R. Gray, Jr., chief of the Veterans Administration, told the delegates to the forty-ninth encampment that although veterans are beginning to exhaust their educational and unemployment benefits there are 100,000 physically-disabled veterans still seeking work of some sort.

"Employment readjustment of veterans is not yet complete," he declared. "More than 2,500,000 veterans still are in school or taking on-the-job training. They will need jobs when their education and training have been completed."

The encampment, which opened Sunday, will continue through Friday.

LEGION HEARS IVES

Saratoga Springs, Aug. 31 (A. P.).—Senator Irving M. Ives says "We do not have to have world war III no matter what the intentions of Soviet Russia or any other country in the world may be."

"Our job," the New York Republican told the thirtieth annual State convention of the American Legion yesterday, "is an overall preparedness. That means, first of all, armed preparedness."

NMU Ousts 3 Former Officers In Fund Case

New York, Aug. 31 (AP)—A membership meeting of the National Maritime Union (CIO) has voted to expel from the union three Left-wing former officers after a trial on charges of mishandling NMU funds and conspiring to disrupt the union.

The three are Ferdinand C. Smith, ex-national secretary; Howard McKenzie, ex-vice president, and Paul Palazzi, former New York

port agent.

NMU President Joseph Curran, who filed the charges against the three men, announced the ouster vote early today. He said they could appeal to the union's national council in October or at the national convention in September, 1949.

"Very Democratic Trial"

Curran said the meeting voted 1,462 to 523 for the expulsions after the three former officers "were afforded a very democratic trial." He said a five-member trial committee, which had heard the charges, recommended to the meeting that the three be expelled.

Curran, who is fighting Communist influence in the NMU, recently led a Right-wing slate to victory in an election in which the three former officers were voted out of their posts.

M. Hedley Stone, NMU treasurer, joined Curran in filing the charges.

NEW YORK, Aug. 31—(AP) Four one-time communists today identified "J. Peters" as a key figure in operations of the party in the United States in the 30's.

They testified at a deportation hearing for the mysterious Peters, described by Whittaker Chambers to the House Un-American Activities Committee as the top man in the communist underground in this country.

One deportation witness, Maurice Malkin, said Peters was "the big boss" in the Communist Party who organized action committees designed to take over the U. S. in time of war or economic crisis.

Sought Revolution, Is Charge

Another, George Hewitt, testified Peters preached that the U. S. "must be destroyed."

Andrew Smith, a third witness, said Peters was "the most active man working for the revolution in America."

The fourth, Charles H. White, charged that Peters represented the American communist party at the comintern in Moscow.

Hewitt, a former member of the national committee of the Communist Party, said he renounced communism in 1944.

Smith testified he left the party in 1935 after 16 years of membership.

Malkin said he was expelled from the party in 1928 for Trotskyite views but then spent six years as a member in the 30's.

White said he left the party in 1935.

Peters, 54, a native of Czechoslovakia, was charged at the immigration and naturalization service hearing with advocating the violent overthrow of the U. S. and with having entered the country without a valid visa.

He has refused, on the advice of his attorney, to take any part in the hearing, contending it is illegal.

However, he told newsmen at a recess that the witnesses were "all confused" and added he wanted to remain in this country where he has been 25 years.

Peters asserted "I never heard of those action committees" about which Malin testified.

Unemployed, He Says

The defendant said he was unemployed but denied he was a paid communist party official.

He said he had worked in factories but had found it hard to get a job since he was arrested on the deportation warrant last October.

Peters reiterated in the interview that his real name is Alexander Stevens. However, the government lists him under the name of Peters.

Three of the four witnesses told of seeing Peters at Moscow in 1930, 1931 and 1932 when they were students at the Lenin school.

Malin said he was expelled from the party at a "trial" at which Peters was judge and prosecutor.

Malkin testified that the "Red front action committees," which he said Peters organized, would "take the lead in taking over the government" at a critical time.

Officials such as governors or senators who resisted would be liquidated, Malkin testified.

Hewitt said that "from the first day I was in the party I was instructed that the United States was a citadel of capitalism, the main obstacle to Marxist-Leninist success, and this obstacle must be destroyed."

Peters was among those who gave him this instruction, the witness said.

Chambers, a Time magazine editor and a key witness in the Un-American Activities Committee's probe of alleged communist infiltration of the government, made his charges against Peters at two sessions before the committee, the latest here yesterday.

The deportation hearing continues tomorrow.

Berle Tells Spy Probers Hiss Had a Pro-Russian Viewpoint

FIRST LEAD DIPLOMATIC (135)
BY ARTHUR GAVSHON

LONDON, AUG 31-(AP)-A BRITISH FOREIGN OFFICE SPOKESMAN ANNOUNCED THE FOUR MILITARY GOVERNORS OF BERLIN WILL MEET THIS AFTERNOON TO "DISCUSS TECHNICAL ISSUES ON WHICH THE WESTERN POWERS ARE IN DISPUTE WITH THE SOVIET UNION."

"WHEN THEY ARE CONCLUDED AND THE RESPECTIVE GOVERNMENTS RECEIVE REPORTS FROM THE GOVERNORS, FURTHER MEETINGS DOUBTLESS WILL BE HELD IN MOSCOW," THE SPOKESMAN TOLD A NEWS CONFERENCE. HE ADDED THAT MEANWHILE, A FOUR-POWER COMMUNIQUE ON THE PROGRESS OF EAST-WEST NEGOTIATIONS ON THE GERMAN CRISIS IS UNLIKELY.

IN MOSCOW, INFORMED SOURCES SAID THERE IS LITTLE CHANCE OF A FOUR-POWER MEETING TODAY. THE REPRESENTATIVES OF THE WEST CONFERRED WITH SOVIET FOREIGN MINISTER V.M.MOLOTOV AT THE KREMLIN YESTERDAY.

AUTHORITATIVE LONDON SOURCES, BOTH BRITISH AND AMERICAN, SAID THE BERLIN TALK TODAY WILL TAKE UP A CURRENCY DEAL ON THE BASIS OF PRINCIPLES AGREED UPON IN MOSCOW.

OTHER ASPECTS OF LOCAL CONDITIONS IN BERLIN ALSO WILL BE DISCUSSED BY THE FOUR GOVERNORS, A BRITISH INFORMANT SAID.

ASKED TO ELABORATE, HE REPLIED THAT RESTORATION OF TRAFFIC FACILITIES BETWEEN BERLIN AND THE WEST--STOPPED BY THE RUSSIANS BECAUSE OF "TECHNICAL DIFFICULTIES" FOR THE LAST 69 DAYS--WOULD BE ONE SUCH SUBJECT TO BE DISCUSSED.

AUG 1948

HE ADDED, HOWEVER, THAT IT IS UNLIKELY THE BERLIN BLOCKADE WILL BE LIFTED UNTIL "THE SECOND PHASE OF THE MOSCOW TALKS" IS COMPLETED.

WHILE THE BERLIN DISCUSSIONS ARE IN PROGRESS, HOWEVER, MEETINGS BETWEEN WESTERN ENVOYS AND SOVIET FOREIGN MINISTER V.M.MOLOTOV IN MOSCOW "ARE UNLIKELY," HE ADDED.

THE BRITISH INFORMANT SAID THE FACT THAT THE FOUR MILITARY GOVERNORS ARE ABOUT TO MEET COULD BE INTERPRETED AS INDICATING THAT THE MONTH-LONG EAST WEST NEGOTIATIONS IN MOSCOW HAVE RESULTED IN A DEFINITE AGREEMENT ON BROAD PRINCIPLES FOR A BERLIN CURRENCY PACT.

THIS, HE SAID, WILL BE ON THE BASIS OF THE SOVIET ZONE'S EAST MARK BEING ACCEPTED AS BERLIN'S SOLE CURRENCY, UNDER CLEARLY-DEFINED FOUR-POWER SUPERVISION.

THE MILITARY GOVERNORS DUE TO MEET IN BERLIN TODAY ARE GEN.LUCIUS D.CLAY, FOR THE UNITED STATES; GEN. SIR BRIAN ROBERTSON, FOR BRITAIN, LT.GEN. PIERRE KOENIG FOR FR,:3, AND MARSHAL VASSILY D.SOKOLOVSKY FOR THE SOVIET UNION.

FRANK ROBERTS, SPECIAL BRITISH ENVOY, WHO HAS BEEN REPRESENTING BRITAIN IN THE KREMLIN TALKS, WHICH BEGAN JULY 31 PROBABLY WILL NOT RETURN TO LONDON WHILE THE BERLIN DISCUSSIONS ARE IN PROGRESS, THE INFORMANT SAID.

THE MOSCOW NEGOTIATORS HAVE DECIDED AGAINST ISSUING AN INTERIM COMMUNIQUE DETAILING THE PROGRESS OF THEIR DISCUSSION THUS FAR, AN AUTHORITATIVE BRITISH SOURCE SAID.

IF ALL GOES WELL, THE INFORMANT SAID, THE BERLIN TALKS--WHICH SHOULD AIM PRIMARILY AT SETTING UP THE AGREED CURRENCY ARRANGEMENT--SHOULD LAST ABOUT A WEEK.

IF AN AGREEMENT IS REACHED BY THE EXPERTS THERE, THE SCENE OF NEGOTIATIONS WILL RETURN TO MOSCOW, WHERE ATTEMPTS WILL BE MADE TO ESTABLISH THE BASIS FOR A NEW SESSION OF THE FOREIGN MINISTERS' COUNCIL, WHICH WILL SET OUT TO SALVE EAST-WEST DIFFERENCES OVER ALL OF GERMANY AND EUROPE.

THE FLIGHT OF FRANCOIS SEYDOUX, KOENIG'S POLITICAL ADVISER FROM MOSCOW TO BERLIN WAS TO TAKE DETAILED DIRECTIVES TO THE FOUR GOVERNORS FROM THE KREMLIN NEGOTIATORS, IT IS UNDERSTOOD.

AN AMERICAN DIPLOMATIC INFORMANT SAID THE GOVERNORS WILL MEET IN BERLIN TODAY TO DISCUSS "TECHNICAL DIFFERENCES."

TIME PRESSES AND FRANCE HAS NEED OF A GOVERNMENT," SCHUMAN TOLD REPORTERS LAST NIGHT WHEN HE WENT TO ELYSEE PALACE TO INFORM PRESIDENT VINCENT AURIOL THAT HE WAS READY TO STAND BEFORE THE ASSEMBLY AGAIN FOR APPROVAL.

THE CURRENT CRISIS POPPED UP SATURDAY WHEN PREMIER ANDRE MARIE AND HIS COALITION CABINET QUIT IN A DISPUTE OVER ECONOMIC POLICIES.

SCHUMAN, THE FOREIGN MINISTER IN MARIE'S GOVERNMENT, HOPES TO FORM HIS NEW CABINET FROM THE SAME THREE CENTER PARTIES HE HAD BEFORE--THE POPULAR REPUBLICANS, SOCIALISTS AND RADICAL SOCIALISTS.

THERE IS EVERY INDICATION HE INTENDS TO CALL ON MOST OF THE MEMBERS OF HIS PREVIOUS CABINET. THAT WOULD MEAN DROPPING FINANCE MINISTER PAUL REYNAUD, WHOSE CONSERVATIVE VIEWS ON FRENCH FINANCIAL POLICY CAUSED THE BREAKUP OF THE MARIE CABINET.

AUG 1 1948

SCHUMAN WILL EXCLUDE COMMUNISTS AND FOLLOWERS OF GEN. CHARLES DE GAULLE.

WHEN HE SAID LAST NIGHT THAT TIME IS PRESSING HE REFERRED BOTH TO DMESTIC AND INTERNATIONAL EVENTS WHICH ARE CROWDING IN ON FRENCH POLITICIANS. CLOSEST TO HOME IS THE FACT THAT DE GAULLE IS COMING TO PARIS TODAY FOR CONSULTATIONS WITH LEADERS OF HIS PARTY, THE RALLY OF THE FRENCH PEOPLE.

DE GAULLE HAS BEEN CLAMORING FOR TWO YEARS FOR NEW GENERAL ELECTIONS AND THE CENTER PARTIES HAVE BEEN BANDED TOGETHER FOR THAT ING TO KEEP HIM OUT OF POWER. THEIR UNION ALSO IS AIMED AT KEEPING THE COMMUNISTS DOWN.

INTERNATIONAL EVENTS ALSO ARE PRESSING IN. IN MOSCOW, IT WILL BE IFFICULT FOR THE FRENCH AMBASSADOR TO SIT IN ON FOUR-POWER TALKS ON THE ERMAN CRISIS IF HE IS "OUT OF A JOB" BECAUSE THERE IS NO PARIS GOVERNMENT.

THE UNITED NATIONS ASSEMBLY MEETS HERE IN THREE WEEKS AND IT WOULD ROVE UNIQUELY EMBARRASSING TO FRANCE IF THERE IS NO GOVERNMENT TO MEET THE SITUATION AS REQUIRED IN DIPLOMATIC PROTOCOL.

PARIS IS THE HEADQUARTERS FOR THE ORGANIZATION FOR EUROPEAN ECONOMIC RECOVERY AND WITH THE AMOUNT OF AMERICAN MONEY INVOLVED FOR RANCE THERE IS EVERY REASON WHY HER REPRESENTATIVE ON THAT COUNCIL NEEDS TO HAVE AT LEAST THE FORMALITY OF GOVERNMENT BACKING.

EUROPEAN TRADE (420)

BY MICHAEL GOLDSMITH

GENEVA, SWITZERLAND, AUG 31-(AP)-EUROPEAN RECOVERY HINGES ON TRADE REVIVAL BETWEEN COMMUNIST-DOMINATED EASTERN EUROPE AND THE WEST, THE UNITED NATIONS ECONOMIC COMMISSION FOR EUROPE SAID TODAY.

A 10,000-WORD ANALYSIS OF EUROPE'S ECONOMIC PLIGHT, PREPARED UNDER THE DIRECTION OF HUNGARIAN-BORN BRITISH ECONOMIST NICHOLAS KALDOR, INDICATED HOW ECONOMIC COOPERATION BETWEEN THE UNDER-DEVELOPED EASTERN COUNTRIES AND THE HIGHLY INDUSTRALIZED NATIONS IN WESTERN EUROPE MIGHT EVENTUALLY SOLVE THE CRISIS.

WITHOUT REFERENCE TO POLITICAL ISSUES, THE SURVEY DIVIDED THE NATIONS INTO TWO GROUPS--ONE WITH HIGHLY DEVELOPED INDUSTRIES, THE OTHER STILL IN THE PROCESS OF INDUSTRIAL DEVELOPMENT.

THE WESTERN, INDUSTRIALIZED GROUP INCLUDES FRANCE, BRITAIN, BELGIUM, THE NETHERLANDS, LUXEMBOURG, SCANDINAVIA, SWITZERLAND,

ITALY AND GERMANY.

THE OTHER GROUP INCLUDES THE SOVIET UNION, YUGOSLAVIA, POLAND, ROMANIA, BULGARIA, CZECHOSLOVAKIA, HUNGARY AND FINLAND.

THE ANALYSIS SAID THAT IF THE WEST WOULD ASSIST THE INDUSTRIALIZATION PLANS OF THE EAST WITH HEAVY MACHINERY AND MANUFACTURED GOODS, THE EAST COULD EVENTUALLY SUPPLY MORE THAN ONE FOURTH OF THE WEST'S TOTAL IMPORT REQUIREMENTS IN FOOD AND RAW MATERIALS AND MORE THAN ALL THE WEST'S PREWAR IMPORTS OF WHEAT.

THE SURVEY WARNED THAT UNLESS THE COUNTRIES OF EUROPE INCREASE THEIR INDUSTRIAL PRODUCTION AND RECONSTRUCT THEIR FOREIGN TRADE TO THE BEST ADVANTAGE, WESTERN LIVING CONDITIONS WILL DROP EVEN BELOW THEIR PRESENT LEVEL.

MAIN PROBLEM OF THE WESTERN GROUP, THE SURVEY SAID, IS THE DEFICIT IN ITS BALANCE OF PAYMENTS, ESPECIALLY WITH THE DOLLAR SPHERE. MAIN PROBLEM OF THE EASTERN GROUP, IT SAID, IS HOW TO ACHIEVE THE MOST RAPID INDUSTRIALIZATION POSSIBLE.

THE REPORT SAID EXPORTS FROM EAST TO WEST, NOW WELL BELOW THEIR PRE-WAR LEVEL, COULD BE FULLY RESTORED WITHIN A FEW YEARS IF WESTERN EUROPE COULD EXPAND EXPORT OF MACHINERY AND FERTILIZERS.

AT THE SAME TIME, THE SURVEY CONTENDED, SUCCESSFUL INDUSTRIALIZATION OF THE EAST WOULD STIMULATE EASTERN IMPORT REQUIREMENTS FROM THE WEST FAR BEYOND PRE-WAR LEVELS, IN A CONSTANTLY RISING TRADE SPIRAL.

AUG 1948

B11 (SEG)

A REVIVAL OF TRADE BETWEEN EAST AND WEST EUROPE WOULD BE "ONE INDISPENSABLE ELEMENT" IN THE SOLUTION OF EUROPE'S ECONOMIC PROBLEM," THE SURVEY SAID, BUT ADDED:

"IN NO SENSE IS THIS APPROACH EXCLUSIVE. IT IS CLEAR THAT EUROPE CANNOT FIND A COMPLETE SOLUTION TO ITS PROBLEM WITHIN ITS OWN BOUNDARIES."

THE SURVEY WAS THE OUTGROWTH OF A RUSSIAN RESOLUTION UNANIMOUSLY ADOPTED BY THE COMMISSION CALLING ON THE SECRETARIAT TO STUDY THE POSSIBILITIES OF INCREASED TRADE AND INDUSTRIAL DEVELOPMENT IN EUROPE.

THE UNITED STATES AND ALL THE COUNTRIES OF EUROPE, EXCEPT SPAIN, HAVE BEEN INVITED TO A CONFERENCE OPENING HERE SEPT.27, AT WHICH THE PROBLEM WILL BE DISCUSSED BEHIND CLOSED DOORS.

PRECEDE LONDON FOUR POWER

BERLIN, AUG 31-(AP)-AN OFFICIAL AMERICAN SOURCE ANNOUNCED TODAY A FOUR POWER MEETING WILLBE HELD IN BERLIN TODAY TO CONSIDER INSTRUCTIONS FLOWN HERE FROM THE MOSCOW CONFERENCE ON GERMANY.

THE SECRETARIAT OF THE ALLIED CONTROL AUTHORITY WAS INSTRUCTED TO ARRANGE THE MEETING, THE SOURCE ANNOUNCED.

THE FOUR MILITARY GOVERNORS OF GERMANY ARE EXPECTED TO TAKE UP THE TANGLED CURRENCY SITUATION IN THEIR FIRST MEETING SINCE MARCH, WHEN THE RUSSIANS WALKED OUT OF THE ALLIED CONTROL COUNCIL.

FRANCOIS SEYDOUX, THE SPECIAL FRENCH POLITICAL ADVISER AT THE MOSCOW FOUR-POWER TALKS, LEFT MOSCOW THIS MORNING FOR BERLIN. HE WAS BELIEVED TO BE CARRYING PROPOSALS FOR SETTLEMENT OF THE CURRENCY SITUATION WHICH THE MILITARY GOVERNORS COULD DISCUSS ON A TECHNICAL BASIS.

UNDER NORMAL ALLIED CONTROL COUNCIL PROCEDURE THE AMERICANS WOULD CALL THE MEETING, SINCE AUGUST WOULD BE THE MONTH IN WHICH THE AMERICANS WOULD HOLD THE CHAIRMANSHIP. STARTING IN SEPTEMBER, THE BRITISH HOLD THE CHAIR.

AUG 1948

AG6

IT IS UNDERSTOOD THAT THE PRINCIPLES INVOLVED IN THE CURRENCY REFORM SITUATION ARE SUCH THAT THE WESTERN REPRESENTATIVES IN MOSCOW DID NOT HAVE SUFFICIENT INFORMATION ON HAND TO MAKE ANY FINAL SETTLEMENT WITH THE RUSSIANS, AND IT WAS DECIDED TO REFER THE MATTER TO THE MILITARY GOVERNORS, WHO HAVE BEEN DEALING WITH THE SITUATION FIRST HAND.

GERMANY NOW HAS TWO CURRENCIES, THE DEUTSCHE MARK SPONSORED BY THE WESTERN POWERS AND THE EAST MARK, SPONSORED BY THE RUSSIANS.

AG7

SOME POINTS DESCRIBED IN MOSCOW AS TECHNICAL DIFFICULTIES INVOLVE FUNDAMENTAL PRINCIPLES UPON WHICH THE NEGOTIATORS AT THE KREMLIN WERE NOT SUFFICIENTLY FAMILIAR TO MAKE CONCESSIONS, IT IS BELIEVED.

AT THE LAST MEETING OF THE FOUR MILITARY GOVERNORS MARCH 20, SOVIET MARSHAL VASSILY D.SOKOLOVSKY, WHO WAS CHAIRMAN, ENDED A TIRADE AGAINST THE WEST BY WALKING OUT WITH HIS DELEGATION. THE RUSSIANS THEN DECLARED FOUR-POWER RULE IN GERMANY WAS DEAD. THEY NEVER FORMALLY ANNOUNCED THEY WOULD NOT ATTEND ANOTHER CONTROL COUNCIL MEETING, HOWEVER.

AUG 1948

AG8

NONE OF THE MILITARY GOVERNORS SINCE THEN HAS CALLED A MEETING. SUBSEQUENTLY THE RUSSIANS WITHDREW FROM ALL FOUR-POWER COMMITTEES AND IN EFFECT FOUR-POWER RULE IN GERMANY ENDED. LATER THE RUSSIANS WITHDREW SYSTEMATICALLY FROM SEPARATE FOUR-POWER MACHINERY GOVERNING THE CITY OF BERLIN, LEAVING THE CITY SPLIT INTO HOSTILE SECTIONS UNDER RUSSIAN AND WESTERN RULE.

IT IS NOT EXPECTED THAT ANY OF THE PRESENT TALKS WILL MEAN EITHER RESUMPTION OF FOUR-POWER RULE OR HEALING OF THE SPLIT RIGHT AWAY. THE MILITARY GOVERNORS WILL USE THE PRESENT CONTROL COUNCIL MACHINERY FOR CALLING A MEETING TO SETTLE THE IMMEDIATE PROBLEM WHICH HAVE CONFRONTED THE MOSCOW CONFERENCES. IT WAS NOT EXPECTED TO GO BEYOND THIS.

GERMAN (800)

BY GEORGE BRIA

BERLIN, AUG.31-(AP)-THE RUSSIANS CONTINUED NEEDLING BERLIN'S ANTI-COMMUNIST CITY GOVERNMENT TODAY WHILE GERMANS AWAITED WORD ON THE PROGRESS OF MOSCOW FOUR-POWER TALKS ABOUT GERMANY.

THE OFFICIAL SOVIET NEWS AGENCY REPORTED A MEETING OF MAJ.GEN. ALEXANDER KOTIKOV, THE SOVIET BERLIN COMMANDANT, WITH A DELEGATION OF "WORKERS" WHO BLASTED "WAR MONGERING" IN WESTERN BERLIN AND PROMISED TO KEEP UP DEMONSTRATIONS AGAINST THE CITY COUNCIL. LAST WEEK THERE WERE TWO COMMUNIST-LED ASSAULTS ON BERLIN'S CITY HALL.

THE "WORKERS" ALSO ADDED THEIR VOICES TO THE SOVIET-SPONSORED CHORUS FOR WITHDRAWAL OF ALL OCCUPATION TROOPS FROM GERMANY AND THE FORMATION OF A "DEMOCRATIC" NATIONAL GOVERNMENT WITH ITS CAPITAL IN BERLIN.

IN MOSCOW, WHERE ANOTHER EAST-WEST MEETING WAS HELD IN THE KREMLIN YESTERDAY, AN AUTHORITATIVE SOURCE SAID THE ONLY BAR TO A PROCEDURAL AGREEMENT ON THE BERLIN DEADLOCK WAS INSISTENCE BY A WESTERN POWER ON TECHNICALITIES AND PHRASING.

THE INFORMANT DID NOT NAME WHICH OF THE WESTERN POWERS WAS REFERRED TO, BUT SAID THIS INSISTENCE, WHICH HAS BEEN EVIDENT ON SEVERAL OCCASIONS, IS THE ONLY THING THAT IS HOLDING UP A FOUR-POWER COMMUNIQUE ON THE TALKS.

HE ADDED THAT THERE IS A GOOD CHANCE OF AGREEMENT THIS WEEK.

THE WESTERN POWERS WERE REPORTED VERY CLOSE TO AGREEMENT ON HOW TO DO ABOUT THE PROBLEM OF DEALING WITH THE BERLIN SITUATION. THIS DID NOT MEAN AGREEMENT HAD BEEN REACHED ON THE ISSUES INVOLVED, HOWEVER.

THIS IS THE 69TH DAY OF THE SOVIET BLOCKADE.

IN BERLIN, TAEGLICHE RUNDSCHAU, OFFICIAL ORGAN OF THE SOVIET MILITARY ADMINISTRATION, RENEWED DEMANDS THAT THE COAL-RICH RUHR BE PLACED UNDER FOUR-POWER CONTROL.

AUG 1948

A14

"THE RUHR INDUSTRY IS NOT A MATTER FOR BIZONIA, BUT ALWAYS HAS BEEN OF CONCERN TO ALL GERMANY," THE PAPER SAID. IT DECLARED THE POTSDAM AGREEMENT PROVIDED THAT THE FOUR POWERS JOINTLY EXERCISE AUTHORITY ON GENERAL GERMAN QUESTIONS.

THE SOVIET NEWS AGENCY SAID THE "WORKERS" WERE RECEIVED BY KOTIKOV AT THE "URGENT REQUEST" OF THE COMMUNIST-DOMINATED "FREE TRADE UNION MOVEMENT" OF EAST BERLIN.

THE DELEGATION "LEARNED WITH INDIGNATION" OF AN APPEAL BY THE CITY COUNCIL TO CREATE A "NEUTRAL ZONE" WHERE THE GOVERNMENT COULD MEET WITHOUT REPETITION OF LAST WEEK'S INVASIONS, THE AGENCY SAID.

IT ALSO SUGGESTED THAT ONLY AFTER THE CITY COUNCIL "OPENLY GIVES AN ACCOUNT OF ITS TWO-YEARS ACTIVITIES" SHOULD NEW CITY ELECTIONS TAKE PLACE IN BERLIN.

THE COMMUNISTS ARE CAMPAIGNING FOR POSTPONEMENT OF ELECTIONS FOR A NEW CITY ADMINISTRATION, TENTATIVELY SCHEDULED FOR OCTOBER. THE COMMUNISTS TOOK A SEVERE LACING TWO YEARS AGO AND THEIR POLITICAL FOES SAY THEY FEAR AN EVEN WORSE DEFEAT THIS YEAR.

MARSHAL VASSILY D.SOKOLOVSKY, SOVIET COMMANDER IN GERMANY, ALREADY HAS CANCELLED FALL ELECTIONS IN THE SOVIET ZONE OF GERMANY.

TODAY'S BLAST CAME SOON AFTER THE SENIOR COMMITTEE OF THE BERLIN CITY COUNCIL AGAIN DEFIED THE COMMUNISTS AND NAMED A FIVE-MAN DELEGATION TO REPRESENT BERLIN AT THE CONVENTION TO DRAFT A CHARTER FOR A WEST GERMAN GOVERNMENT.

THE COMMITTEE DECIDED YESTERDAY TO POSTPONE A REGULAR COUNCIL MEETING SCHEDULED FOR TODAY UNTIL A COMMUNIQUE IS ISSUED ON THE FOUR-POWER TALKS IN MOSCOW, AND UNTIL THE RUSSIANS PROMISE THE COUNCIL POLIC

ROTECTION AGAINST COMMUNIST-LED RIOTERS.

IF IT GETS NO GUARANTEES, THE COUNCIL PROBABLY WILL DEBATE MOVING TO THE WESTERN SECTORS.

THE RUSSIANS HAVE DEMANDED THE PUNISHMENT OF AMERICAN MILITARY POLICE WHO CHASED A SPEEDING SOVIET JEEP THROUGH CENTRAL BERLIN FRIDAY NIGHT.

THE RUSSIAN-LICENSED GERMAN NEWS AGENCY SAID THE RUSSIANS ALSO ASKED THE AMERICANS TO FOOT THE BILL FOR DAMAGES IN THE INCIDENT. AMERICAN SOURCES SAID THE JEEP RAN DOWN A U.S. MILITARY POLICEMAN, PRECIPITATING THE CHASE.

RIOTS BROKE OUT YESTERDAY BETWEEN CZECHS AND GERMANS LIVING IN THE HOSCHENDORF REFUGEE CAMP NEAR HOF. OFFICIALS SAID THE TROUBLE BEGAN WHEN THE CZECHS WHO HAVE FLED THEIR HOME COUNTRY, AND SUDETEN GERMANS, WHO WERE EXPELLED FROM CZECHOSLOVAKIA, BECAME EMBROILED IN POLITICAL ARGUMENTS.

GERMAN POLICE WHO WENT TO THE SCENE, REPORTED MANY CASES OF KNIFING AND BEATING.

BONN, GERMANY, AUG.31-(AP)-DELEGATES BEGAN GATHERING HERE TODAY FOR THE OPENING OF A PARLIAMENTARY COUNCIL WHICH WILL WRITE A CONSTITUTION FOR WESTERN GERMANY IN THE FACE OF SOVIET OBJECTIONS.

THE ELEVEN STATES OF THE THREE WESTERN ZONES ARE SENDING 65 DELEGATES WHO ARE EXPECTED TO BE IN SESSION FROM TWO WEEKS TO TWO MONTHS BEGINNING TOMORROW.

FORMATION OF A WESTERN GERMAN GOVERNMENT WAS RECOMMENDED LAST JUNE AT THE SIX-POWER CONFERENCE OF BRITAIN, FRANCE, THE UNITED STATES, BELGIUM, THE NETHERLANES AND LUXEMBOURG.

, THE DELEGATES, INCLUDING TWO COMMUNISTS FROM THE RUHR, REPRESENT ALL MAJOR PARTIES OF WESTERN GERMANY. THEY ARE EXPECTED TO AGREE TO A CONSTITUTION WHICH WILL LEAVE THE DOOR OPEN FOR EASTERN GERMANY TO COME IN LATER.

THE LEADERS THUS HOPE TO COUNTER THE RUSSIAN CHARGE THAT THEY ARE RESPONSIBLE FOR SPLITTING GERMANY.

THE COUNCIL WILL BEGIN ITS WORK BY TAKING UP A 300-PAGE SET OF RECOMMENDATIONS DRAWN UP BY CONSTITUTIONAL EXPERTS FROM THE BRPTISH, FRENCH AND AMERICAN ZONES. AUG 1948

PROTRACTED DEBATE IS EXPECTED TO CENTER ON TWO ISSUES, WHETHER MAJOR INDUSTRIES SHALL BE SOCIALIZED, AND WHETHER CHURCH SCHOOLS SHALL BE AUTHORIZED OR WHETHER ALL CHILDREN SHALL ATTEND STATE SCHOOLS.

THE DRAFT CONSTITUTION WILL BE RATIFIED BY A VOTE OF THE PEOPLE OR BY STATE LEGISLATURES.

BELGRADE, YUGOSLAVIA, AUG 31-(AP)-PREMIER MARSHAL TITO HURRIED THROUGH THE STREETS OF BELGRADE TODAY TO ATTEND A SPECIAL MEETING OF THE YUGOSLAV PRESIDIUM.

RELIABLE SOURCES SAID "VERY IMPORTANT" DECISIONS WERE BEING MADE. THERE WAS NO CLUE AS TO WHAT THE NATIONAL GOVERNING BODY DISCUSSED.

DIPLOMATS SPECULATED THAT IN VIEW OF THE CURRENT DISPUTE BETWEEN TITO AND THE COMINFORM, THE TOPICS MAY BE OF INTERNATIONAL CHARACTER.

(THE PRESIDIUM CONSISTS OF AN EXECUTIVE COMMITTEE OF EIGHT MEMBERS AND AN ADVISORY COMMITTEE OF 26, ELECTED BY THE YUGOSLAV ASSEMBLY. IT HAS THE ULTIMATE GOVERNING AUTHORITY UNDER TITO.)

ONE REPORT SAID IMPORTANT CHANGES MIGHT BE MADE IN THE YUGOSLAV GOVERNMENT. THIS WAS GIVEN CREDENCE BECAUSE THE COMMUNIST PARTY HAS VOWED TO TIGHTEN ITS GRIP ON THE GOVERNMENT AND HAS ALREADY FORCED CHANGES IN SEVERAL STATE REGIMES. SEVERAL NON-COMMUNISTS STILL ARE IN HIGH POSITIONS.

BORBA SAID ACTIONS BY ALBANIAN OFFICIALS WERE INTENTIONAL, CAUSING RELATIONS TO WORSEN. THE REPORT SAID ALBANIA NOW IS REFUSING EXIT VISAS TO YUGOSLAV CITIZENS, MANY OF WHOM HAD WORKED IN TIRANA ON TECHNICAL JOBS. THE DISPATCH SAID ONLY 50 VISAS HAVE BEEN ISSUED FROM 1948 APPLICATIONS AND THE YUGOSLAV LEGATION HAS HAD TO SUPPORT THE YUGOSLAVS WHO QUIT OR LOST THEIR JOBS.

ZHDANOV REACTION (WITH LONDON)

BY EDWARD E.BOMAR

WASHINGTON,AUG 31-(AP)-U.S. DIPLOMATIC AUTHORITIES WONDERED TODAY IF THE SUDDEN DEATH OF SOVIET COL.GEN.ANDREI ALEXANDROVICH ZHDANOV WOULD AFFECT THE COURSE OF THE POSTWAR STRUGGLE BETWEEN RUSSIA AND THE WEST.

NEXT TO STALIN HIMSELF, ZHDANOV WAS THE OUTSTANDING ARBITER OF THE SOVIET "PARTY LINE." HE WAS ACCEPTED AS BEING CHIEFLY RESPONSIBLE FOR:

1. REVIVING THE COMINFORM AND LINING UP THE SOVIET BLOC AGAINST THE MARSHALL PLAN;
2. MOSCOW'S SPLIT WITH YUGOSLAV MARSHAL TITO; AND
3. THE PURGE OF SOVIET ART AND SCIENCE TO BRING THEM INTO LINE WITH COMMUNIST IDEOLOGY.

ALSO HE WAS REGARDED AS ONE OF THE THREE TOP CANDIDATES TO SUCCEED STALIN.

THE MOSCOW RADIO ANNOUNCEMENT WAS THE STATE DEPARTMENT'S FIRST WORD OF HIS DEATH.

OFFICIALS SAID THEY HAD NO ADVANCE HINT THAT ZHDANOV, 52, WAS ILL. THE MOSCOW BROADCAST SPOKE OF HIS SERIOUS ILLNESS.

HIS DEATH LEAVES A GAP IN THE POLITBURO. ANOTHER MEMBER OF THE GOVERNING GROUP, A.A.ANDREEV, ALSO APPEARS TO BE OUT OF CIRCULATION. DIPLOMATS SAID ANDREEV HAS NOT BEEN SEEN AT ANY PUBLIC FUNCTION SINCE LAST NOV.7. HE WAS IN CHARGE OF SOVIET AGRICULTURAL PRODUCTION.

WHEN THE COMINFORM WAS REVIVED LAST SEPTEMBER IN POLAND, ZHDANOV KEYNOTED THE WHOLE AFFAIR AND CALLED FOR A FIGHT AGAINST THE MARSHALL PLAN FOR EUROPEAN RECOVERY.

EARLIER, HE SPONSORED PARTY DIRECTIVES TO ELIMINATE ALL "CAPITALIST SURVIVALS" IN SOVIET RUSSIA AND STARTED THE PURGES OF SOVIET LITERATURE AND ART OF ALL ELEMENTS WHICH HE DECIDED DID NOT CONFORM TO TOP PARTY POLICY.

WHEN MOSCOW READ MARSHAL TITO OUT OF THE PARTY, ZHDANOV'S POLICY APPEARED TO CLASH WITH THAT OF FOREIGN MINISTER MOLOTOV AND THERE WAS WIDESPREAD SPECULATION THAT ONE OR THE OTHER WOULD GO. ZHDANOV ALSO HAD DISPUTED WITH ANOTHER POLITBURO MEMBER, GEORGI M.MALENKOV, HEAD OF THE PARTY ORGANIZATION FUNCTIONS.

BALTIMORE, AUG 31-(AP)-THE RABBINICAL COUNCIL OF AMERICA ADVOCATES THE ESTABLISHMENT IN ISRAEL OF A RELIGIOUS AUTHORITY FOR WORLD JEWRY, DR. ISRAEL TABAK, PRESIDENT OF THE ORGANIZATION, SAID YESTERDAY.

DR. TABAK, RABBI OF A BALTIMORE CONGREGATION, SAID THE PLAN WAS ALSO FAVORED BY THE UNION OF AMERICAN ORTHODOX JEWISH CONGREGATIONS, OF WHICH THE COUNCIL IS THE RABBINICAL BODY.

HE SAID THE SCHEME DOES NOT ENVISAGE CREATION OF A HIERARCHY WITH POWER TO APPOINT RELIGIOUS LEADERS OUTSIDE OF PALESTINE, BUT CALLS UPON "AMERICAN JEWRY TO REGARD THE CHIEF RABBINATE OF THE STATE OF ISRAEL AS A BEACON X X X FOR ALL OUR PEOPLE TO FOLLOW."

"RELIGIOUS AUTHORITY CENTERED IN ISRAEL WOULD BE ANALOGOUS IN RELIGIOUS LAW TO THE SUPREME COURT OF THE UNITED STATES IN CIVIL LAW. IT WOULD GIVE FROM ISRAEL AUTHORITATIVE INTERPRETATIONS OF RELIGIOUS LAW," DR. TABAK SAID.

"CERTAIN CHANGES IN WORLD DEVELOPMENT BECAUSE OF SCIENTIFIC INVENTIONS MAY DEMAND SPECIFIC INTERPRETATIONS OF THE ANCIENT HEBREW LAW." FOR INSTANCE, HE ASKED, "WOULD AN ORTHODOX JEW BE EXPECTED TO WALK UP AND DOWN 10 OR 12 FLIGHTS ON THE SABBATH OR COULD HE USE THE ELEVATOR?"

SEATTLE,AUG.31-(AP)-LEON BECKER, AN ALLIED HEADQUARTERS OFFICIAL IN TOKYO FOR 2 1/2 YEARS, SAYS "ONLY COMMUNISTS AND RIGHTISTS STAND TO GAIN" BY GENERAL MACARTHUR'S LABOR POLICY IN JAPAN.

BECKER LEFT HIS POST AFTER HIS IMMEDIATE SUPERIOR, JAMES KILLEN, RESIGNED AS CHIEF OF THE SCAP (SUPREME COMMAND ALLIED POWERS) LABOR DIVISION.

IN HIS RESIGNATION EFFECTIVE LAST JULY 31, KILLEN PROTESTED GENERAL MACARTHUR'S RECENT BAN ON STRIKES OR COLLECTIVE BARGAINING BY JAPANESE GOVERNMENT EMPLOYES.

BECKER SAID IN A PREPARED STATEMENT YESTERDAY AFTER HIS ARRIVAL HERE ON THE ARMY TRANSPORT FREEMAN THAT "MACARTHUR'S GOVERNMENT SECTION HAS GIVEN HIM A LION TO HOLD BY THE TAIL."

"ONLY THE COMMUNISTS, WHO HAVE BEEN ATTEMPTING TO ASSOCIATE THE OCCUPATION WITH ANTI-LABOR ACTIVITY, AND THE RIGHTISTS, WHO WOULD LIKE TO SEE REINSTATEMENT OF WARTIME CONTROLS OVER LABOR, STAND TO GAIN AS A RESULT OF THE NEW LABOR POLICIES," HE DECLARED.

BECKER, WHO WAS POLITICAL ADVISOR TO KILLEN, SAID THE CABINET ORDINANCE PUTTING MACARTHUR'S ORDER INTO EFFECT WOULD DENY COLLECTIVE BARGAINING RIGHTS TO 75 PER CENT OF ALL GOVERNMENT EMPLOYES. THE REMAINING 25 PER CENT IN "CERTAIN ENTERPRISES" WOULD HAVE THE BENEFIT OF ARBITRATION.

ALLIED HEADQUARTERS SPOKESMEN HAVE DEFENDED THE NO-STRIKE ORDER AS NECESSARY TO MAINTAIN THE INTEGRITY OF THE JAPANESE GOVERNMENT AND PROTECT THE JAPANESE PUBLIC AGAINST COMMUNIST-INSPIRED STRIKES.

BECKER IS EN ROUTE TO HIS HOME IN BROOKLYN (63 BERGEN ST.), N.Y.

NEW YORK, AUG.31-(AP)-BRIG. GEN.CARLOS P.ROMULO SAID TODAY THE UNITED NATIONS ASSEMBLY IN PARIS WILL HELP DECIDE "WHETHER WE HAVE PEAC OR WAR."

THE CHIEF PHILIPPINE DELEGATE TO THE UNITEED NATIONS SAID IN A STATEMENT THAT THE COMING ASSEMBLY WILL BE THE MOST CRUCIAL MEETING OF THE U.N. HE WILL HEAD THE PHILIPPINE DELEGATION TO THE ASSEMBLY WHICH OPENS SEPT.21.

"THIS SESSION WILL HELP DECIDE WHETHER WE HAVE PEACE OR WAR," HE SAID. "I SAY THIS NOT BECAUSE OF THE ITEMS ON THE AGENDA BUT BECAUSE THE ATTITUDE THAT WILL BE TAKEN BY THE GREAT POWERS NOW INVOLVED IN THE COLD WAR TOWARD THESE ITEMS WILL REFLECT THEIR RESPECTIVE BASIC POLICIES."

LAST SPRING ROMULO SERVED AS PRESIDENT OF THE WORLD CONFERENCE ON FREEDOM OF INFORMATION IN GENEVA. HE SAID TODAY HE IS PARTICULARLY INTERESTED IN THE VARIOUS MEASURES APPROVED BY THE CONFERENCE WHICH WILL GO BEFORE THE ASSEMBLY.

"I FIRMLY BELIEVE," ROMULO SAID, "THAT THE DUTY OF EVERY DELEGATE IS TO TRY AND BRING ABOUT AN UNDERSTANDING BETWEEN THE CONTENDING POWERS."

ROMULO WAS SCHEDULED TO SAIL TONIGHT.

LAKE SUCCESS, AUG 31-(AP)-INFORMED SOURCES SPECULATED TODAY THAT RUSSIA MAY BE TRYING TO GET COMMUNIST-TRAINED MILITARY OBSERVERS INTO KASHMIR, AN ASIATIC TROUBLE SPOT.

THESE SOURCES ADVANCED SUCH AN AIM AS THE PROBABLE REASON BEHIND THE SUDDEN CALLING OF AN EMERGENCY MEETING OF THE SECURITY COUNCIL YESTERDAY. SOVIET DEPUTY FOREIGN MINISTER JACOB A.MALIK, COUNCIL PRESIDENT FOR AUGUST, ORDERED THE MEETING AND LISTED KASHMIR AND PALESTINE AS THE EMERGENCY ITEMS TO BE DEBATED.

THE COUNCIL, HOWEVER, REBUFFED MALIK BY REFUSING TO ACCEPT THE AGENDA BY A LOPSIDED VOTE. THEN HIS OPPONENTS FORCED ADJOURNMENT OF THE MEETING. ALL OTHER DELEGATES EXCEPT THE SOVIET UKRAINE MAINTAINED THERE WAS NO EMERGENCY AND NO MEETING SHOULD HAVE BEEN CALLED.

ON AUG.11 THE COUNCIL'S U.N. KASHMIR COMMISSION--WHICH IS SEEKING TO SETTLE INDIA-PAKISTAN DIFFERENCES OVER THE HIMALAYAN STATE--ASKED SECRETARY-GENERAL TRYGVE LIE TO PREPARE TO SEND MILITARY OBSERVERS TO WATCH OVER AN ANTICIPATED TRUCE. MALIK PLACED THIS "EMERGENCY" ITEM ON THE AGENDA ALONG WITH AN AUG.22 LETTER FROM ISRAELI FOREIGN MINISTER MOSHE SHERTOK QUESTIONING A PALESTINE DECISION.

IT WAS RECALLED THAT WHEN MILITARY OBSERVERS WERE SELECTED FOR THE PALESTINE TRUCE RUSSIA WAS LEFT OUT IN THE COLD. ANDREI A.GROMYKO, THEN SOVIET DELEGATE, ATTEMPTED THROUGHOUT THREE MEETINGS TO GET RUSSIANS IN BUT GOT NOWHERE WITH THE COUNCIL.

AUG 1948

SOURCES HERE NOW BELIEVE THAT MALIK HOPED TO GET A COUNCIL DECISION TO INCLUDE RUSSIANS OR AT LEAST MILITARY MEN FROM EASTERN EUROPE IN THE KASHMIR CONTINGENTS. IT WAS FURTHER BELIEVED HE FEARED THAT WITH THE COUNCIL NOW IN A LONG RECESS UNTIL MEETINGS START UP IN PARIS THE SOVIET MIGHT BE CROWDED OUT AGAIN.

IN THE CASE OF PALESTINE, THE U.N. SELECTED MEN FROM THE UNITED STATES, FRANCE AND BELGIUM, WHICH MAKE UP A CONSULAR TRUCE COMMISSION. THE KASHMIR COMMISSION INCLUDES THE UNITED STATES, ARGENTINA, COLOMBIA, BELGIUM AND CZECHOSLOVAKIA AND UNDER THE PREVIOUS PROCEDURE SOME CZECHOSLOVAKS WOULD BE EXPECTED TO BE SELECTED FOR DUTY. HOWEVER, THERE IS NO ASSURANCE THAT THE U.N.--WITHOUT COUNCIL DIRECTIONS--WOULD FOLLOW THE SAME PATH.

THE KEEN SOVIET INTEREST IN THE INDIAN SUB-CONTINENT IS BEING TIED IN HERE WITH REPORTS OF STEPPED-UP COMMUNIST ACTIVITY IN THE ASIATIC REGION. DISPATCHES FROM BURMA, MALAYA AND OTHER SOUTH ASIA POINTS TELL OF COMMUNIST-INSPIRED CLASHES.

MALIK IS DUE TO SAIL FOR PARIS TONIGHT. FIVE OF THE 11 DELEGATES ALREADY HAVE GONE AND HAD ALTERNATES SITTING YESTERDAY. THE COUNCIL WILL RESUME MEETINGS AT LAKE SUCCESS AFTER THE CLOSE OF THE GENERAL ASSEMBLY PARIS MEETING--PROBABLY JAN.1.

NIGHT LEAD UNDATED INTERNATIONAL (420)
BY THE ASSOCIATED PRESS

THE MOSCOW RADIO ANNOUNCED LAST (TUESDAY) NIGHT THE DEATH OF ANDREI ZHDANOV, OFTEN RANKED AS THE THIRD MOST POWERFUL MAN IN THE SOVIE UNION.

THE DEATH POSSIBLY UPSET PLANS FOR THE SUCCESSION OF POWER IN RUSSIA AND MIGHT HAVE IMPORTANT REPERCUSSIONS ON INTERNATIONAL AFFAIRS.

ZHDANOV, 52, WAS THE MAINSPRING IN THE COMINFORM, THE COMMUNIST PROPAGANDA BUREAU IN EASTERN EUROPE AND REPUTED TO BE THE AUTHOR OF THAT BUREAU'S SENSATIONAL ATTACK TWO MONTHS AGO ON MARSHAL TITO OF YUGOSLAVIA.

IT HAS BEEN REPORTED HE WAS A LIKELY SUCCESSOR TO STALIN.

THE MOSCOW BROADCAST SAID HE DIED TUESDAY AFTER A SERIOUS ILLNESS.

EAST-WEST NEGOTIATIONS MOVED FROM MOSCOW TO BERLIN WHEN THE FOUR MILITARY GOVERNORS OF GERMANY HELD THEIR FIRST MEETING SINCE MARCH 20.

MOSCOW DISPATCHES SAID IF THE FOUR MILITARY GOVERNORS ARE ABLE TO REACH AGREEMENT ON THE TECHNICAL DETAILS FOR USE OF A SINGLE SOVIET-BACKED CURRENCY IN BERLIN UNDER FOUR-POWER SUPERVISION, THERE WOULD BE A GOOD CHANCE OF ENDING THE 69-DAY BLOCKADE OF THE FORMER GERMAN CAPITAL.

THE BLOCKADE WAS INSTITUTED BY THE RUSSIANS ON THE GROUND THAT IT WAS NECESSARY BECAUSE THE WESTERN POWERS INTRODUCED THEIR GERMAN MARK INTO THEIR SECTORS OF THE CITY.

WHILE GENERALS LUCIUS D.CLAY OF THE UNITED STATES, SIR BRIAN ROBERTSON OF BRITAIN AND PIERRE KOENIG OF FRANCE AND MARSHAL VASSILY SOKOLOVSKY OF RUSSIA MET FOR THE FIRST TIME IN FIVE MONTHS IN BERLIN, 65 GERMAN DELEGATES WERE GATHERING IN BONN TO BEGIN THE WRITING OF A WESTERN GERMAN CONSTITUTION.

RUSSIA HAS OPPOSED THE SETTING UP OF A WESTERN GERMAN STATE ON THE GROUNDS IT WOULD DIVIDE GERMANY. THE RUSSIANS WALKED OUT OF THE ALLIED CONTROL COUNCIL LAST MARCH.

MEANWHILE, ROBERT SCHUMAN WAS NAMED PREMIER OF FRANCE. THE NATIONAL ASSEMBLY CONFIRMED HIM BY A VOTE OF 322 TO 185. HE DECLARED AGAINST GENERAL WAGE INCREASES ALTHOUGH SOCIALIST DEMANDS FOR WAGE INCREASES WRECKED THE ANDRE MARIE CABINET LAST SATURDAY. SCHUMAN, A FORMER POPULAR REPUBLICAN PREMIER FOR EIGHT MONTHS, NOW FACES THE TASK OF FORMULATING A CABINET AND PROGRAM THAT WOULD WIN A VOTE OF CONFIDENCE.

AUG 1948

YI

MARSHAL TITO TIGHTENED ONE-MAN COMMUNIST CONTROL OVER YUGOSLAVIA WHEN THE PRESIDIUM BY DECREE ORDERED A CABINET SHAKEUP. EDVARD KARDELJ, VICE-PREMIER, WAS ELEVATED TO FOREIGN MINISTER, AND ANOTHER TITO COMRADE, INTERIOR MINISTER ALEXANDER RANKOVIC, WAS GIVEN THE ADDITIONAL POST OF VICE-PREMIER. MANY OTHER CHANGES WERE MADE AND NOT A SINGLE NON-COMMUNIST WAS LEFT IN A KEY POST.

THE SOCIALIST AND LABOR PARTIES OF THE INDONESIAN REPUBLIC WERE REPORTED BY THE INDONESIAN NEWS AGENCY TO HAVE JOINED THE COMMUNIST PARTY.
